1944. No. 69.

REGULATIONS UNDER THE CUSTOMS ACT 1901-1936 AND  
THE COMMERCE (TRADE DESCRIPTIONS) ACT 1905-1933.\*

WHEREAS by section 112 of the *Customs Act* 1901-1936 it is provided that the ~~Governor-General~~ may by regulation, prohibit the exportation of any goods

- (a) the exportation of which would, in his opinion, be harmful to the Commonwealth; or
- (b) which have not been prepared or manufactured for export under the prescribed conditions as to purity, soundness, or freedom from disease, or which do not conform to the prescribed conditions as to purity, soundness, or freedom from disease:

And whereas it is provided by the said section that the said power of prohibition shall extend to authorize the prohibition of the exportation of goods generally, or to any specified place, and either absolutely or so as to allow of the exportation of the goods subject to any condition or restriction:

And whereas I am of opinion that the exportation of the goods specified in the first column of the First Schedule to the Exports (General) Regulations, except subject to the conditions and restrictions prescribed by those Regulations, as amended by the following Regulations, would be harmful to the Commonwealth:

Now therefore I, the Administrator of the Government of the Commonwealth of Australia, acting with the advice of the Federal Executive Council, hereby make the following Regulations under the *Customs Act* 1901-1936 and the *Commerce (Trade Descriptions) Act* 1905-1933.
