Division 2—Limit on payment surcharges

55B Payment surcharges must not be excessive

- (1) A corporation must not, in trade or commerce, charge a payment surcharge that is excessive.
- (2) A payment surcharge is *excessive* if:
 - (a) the surcharge is for a kind of payment covered by:
 - (i) a Reserve Bank standard; or
 - (ii) regulations made for the purposes of this subparagraph;
and
 - (b) the amount of the surcharge exceeds the permitted surcharge referred to in the Reserve Bank standard or the regulations.
- (3) Subsection (1) does not apply to a corporation who is exempted from its operation by the regulations.

Division 3—Information about payment surcharges

55C Surcharge information notices

- (1) The Commission may, by written notice given to a surcharge participant, require the participant to give to the Commission information or documents evidencing either or both of the following:
 - (a) the amount of a payment surcharge;
 - (b) the cost of processing a payment in relation to which a payment surcharge was paid.
- (2) A corporation is a *surcharge participant* if, in trade or commerce, the corporation:
 - (a) charges a payment surcharge; or
 - (b) processes a payment for which a payment surcharge is charged.
- (3) The notice given by the Commission to the surcharge participant is a *surcharge information notice*.
- (4) The surcharge information notice must specify:
 - (a) the kinds of information or documents to be given to the Commission; and
 - (b) the period for giving the information or documents.

55D Extending periods for complying with notices

- (1) A surcharge participant that has been given a notice under section 55C may, at any time within 21 days after the notice was given to the participant, apply in writing to the Commission for an extension of the period for complying with the notice.
- (2) The Commission may, by written notice given to the surcharge participant, extend the period within which the participant must comply with the notice.

55E Participant must comply with notice

- (1) A surcharge participant commits an offence if:
- (a) the surcharge participant is given a surcharge information notice; and
 - (b) the surcharge participant fails to comply with the notice within the period for so complying.

Penalty: 30 penalty units.

- (2) Subsection (1) is an offence of strict liability.

Note: Sections 137.1 and 137.2 of the *Criminal Code* create offences for providing false or misleading information or documents.

Division 4—Infringement notices

55F Purpose and effect of this Division

- (1) The purpose of this Division is to provide for the issue of an infringement notice to a person for an alleged contravention of section 55B as an alternative to proceedings for an order under section 76 for the payment of a pecuniary penalty.
- (2) This Division does not:
 - (a) require an infringement notice to be issued to a person for an alleged contravention of section 55B; or
 - (b) affect the liability of a person to proceedings under section 76 in relation to an alleged contravention of section 55B if:
 - (i) an infringement notice is not issued to the person for the contravention; or
 - (ii) an infringement notice issued to the person for the contravention is withdrawn under section 55N; or
 - (c) prevent a court from imposing a higher penalty than the penalty specified in the infringement notice if the person does not comply with the notice.

55G Issuing an infringement notice

- (1) If the Commission has reasonable grounds to believe that a person has contravened section 55B, the Commission may issue an infringement notice to the person.
- (2) The Commission must not issue more than one infringement notice to the person for the same alleged contravention of section 55B.
- (3) The infringement notice does not have any effect if the notice:
 - (a) is issued more than 12 months after the day that the contravention of section 55B is alleged to have occurred; or
 - (b) relates to more than one alleged contravention of section 55B by the person.

55H Matters to be included in an infringement notice

- (1) An infringement notice must:
 - (a) be identified by a unique number; and
 - (b) state the day on which it is issued; and
 - (c) state the name and address of the person to whom it is issued; and
 - (d) identify the Commission and state how it may be contacted; and
 - (e) give details of the alleged contravention, including the day of the alleged contravention; and
 - (f) state the maximum pecuniary penalty that the court could order the person to pay under section 76 for the alleged contravention; and
 - (g) specify the penalty that is payable in relation to the alleged contravention; and
 - (h) state that the penalty is payable within the infringement notice compliance period for the notice; and
 - (i) state that the penalty is payable to the Commission on behalf of the Commonwealth; and
 - (j) explain how payment of the penalty is to be made; and
 - (k) explain the effect of sections 55K, 55L, 55M and 55N.

55J Amount of penalty

The penalty to be specified in an infringement notice that is to be issued to a person in relation to an alleged contravention of section 55B must be:

- (a) if the person is a listed corporation—600 penalty units; or
- (b) if the person is a body corporate other than a listed corporation—60 penalty units; or
- (c) if the person is not a body corporate—12 penalty units.

55K Effect of compliance with an infringement notice

- (1) This section applies if:
-

Section 55L

- (a) an infringement notice for an alleged contravention of section 55B is issued to a person; and
 - (b) the person pays the penalty specified in the infringement notice within the infringement notice compliance period and in accordance with the notice; and
 - (c) the infringement notice is not withdrawn under section 55N.
- (2) The person is not, merely because of the payment, regarded as having contravened section 55B.
- (3) No proceedings (whether criminal or civil) may be started or continued against the person, by or on behalf of the Commonwealth, in relation to the alleged contravention of section 55B.

55L Effect of failure to comply with an infringement notice

If:

- (a) an infringement notice for an alleged contravention of section 55B is issued to a person; and
 - (b) the person fails to pay the penalty specified in the infringement notice within the infringement notice compliance period and in accordance with the notice; and
 - (c) the infringement notice is not withdrawn under section 55N;
- the person is liable to proceedings under section 76 in relation to the alleged contravention of section 55B.

55M Infringement notice compliance period for infringement notice

- (1) Subject to this section, the ***infringement notice compliance period*** for an infringement notice is the period of 28 days beginning on the day after the day that the infringement notice is issued by the Commission.
- (2) The Commission may extend, by notice in writing, the infringement notice compliance period for the infringement notice if the Commission is satisfied that it is appropriate to do so.

- (3) Only one extension may be given and the extension must not be for longer than 28 days.
- (4) Notice of the extension must be given to the person who was issued the infringement notice.
- (5) A failure to comply with subsection (4) does not affect the validity of the extension.
- (6) If the Commission extends the infringement notice compliance period for an infringement notice, a reference in this Division to the infringement notice compliance period for an infringement notice is taken to be a reference to the infringement notice compliance period as so extended.

55N Withdrawal of an infringement notice

Representations to the Commission

- (1) A person to whom an infringement notice has been issued for an alleged contravention of section 55B may make written representations to the Commission seeking the withdrawal of the infringement notice.
- (2) Evidence or information that the person, or a representative of the person, gives to the Commission in the course of making representations under subsection (1) is not admissible in evidence against the person or representative in any proceedings (other than proceedings for an offence based on the evidence or information given being false or misleading).

Withdrawal by the Commission

- (3) The Commission may, by written notice (the **withdrawal notice**) given to the person to whom an infringement notice was issued, withdraw the infringement notice if the Commission is satisfied that it is appropriate to do so.
- (4) Subsection (3) applies whether or not the person has made representations seeking the withdrawal.

Section 55N

Content of withdrawal notices

- (5) The withdrawal notice must state:
- (a) the name and address of the person; and
 - (b) the day on which the infringement notice was issued to the person; and
 - (c) that the infringement notice is withdrawn; and
 - (d) that proceedings under section 76 may be started or continued against the person in relation to the alleged contravention of section 55B.

Time limit for giving withdrawal notices

- (6) To be effective, the withdrawal notice must be given to the person within the infringement notice compliance period for the infringement notice.

Refunds

- (7) If the infringement notice is withdrawn after the person has paid the penalty specified in the infringement notice, the Commission must refund to the person an amount equal to the amount paid.

Part IVD—Consumer data right

Division 1—Preliminary

Subdivision A—Object and simplified outline

56AA Object of this Part

The object of this Part is:

- (a) to enable consumers in certain sectors of the Australian economy to require information relating to themselves in those sectors to be disclosed safely, efficiently and conveniently:
 - (i) to themselves for use as they see fit; or
 - (ii) to accredited persons for use subject to privacy safeguards; and
- (b) to enable any person to efficiently and conveniently access information in those sectors that:
 - (i) is about goods (such as products) or services; and
 - (ii) does not relate to any identifiable, or reasonably identifiable, consumers; and
- (c) as a result of paragraphs (a) and (b), to create more choice and competition, or to otherwise promote the public interest.

56AB Simplified outline

Rules made under this Part may:

- (a) enable consumers in certain sectors of the Australian economy to require information relating to themselves in those sectors to be disclosed to themselves or to accredited persons; and
- (b) enable any person to be disclosed information in those sectors that is about goods (such as products) or

Section 56AC

- services, and does not relate to any identifiable, or reasonably identifiable, consumers; and
- (c) may require these kinds of disclosures, and other things, to be done in accordance with data standards.

A register is to be kept of accredited persons.

Privacy safeguards apply. These mainly apply to accredited persons who, under those rules, are disclosed information relating to identifiable, or reasonably identifiable, consumers.

Subdivision B—Designating sectors subject to the consumer data right

56AC Designated sectors subject to the consumer data right

Designating a sector

- (1) A **designated sector** means a sector of the Australian economy designated under subsection (2).
- (2) The Minister may, by legislative instrument, designate a sector of the Australian economy by specifying:
- (a) classes of information (the **designated information**); and
 - (b) persons who hold one or more specified classes of the designated information (or on whose behalf such information is held); and
 - (c) the earliest day (the **earliest holding day**) applicable to the sector for holding the designated information; and
 - (d) each of the classes of information within the designated information for which a person may charge a fee if:
 - (i) the person is required under the consumer data rules to disclose information within that class to another person in specified circumstances; or
 - (ii) another person uses information within that class in specified circumstances as the result of a disclosure

required of the first-mentioned person under the consumer data rules; and

- (e) if the sector is to have one or more gateways:
- (i) the particular persons who are gateways; and
 - (ii) for each of those persons, the classes of information within the designated information for which the person is a gateway.

Note 1: The persons specified under paragraph (b):

- (a) may be specified by class (see subsection 13(3) of the *Legislation Act 2003*); and
- (b) will be holders of the information, rather than the consumers to whom the information relates; and
- (c) may not be the only holders of the information who can be required to disclose it under the consumer data rules (see section 56AJ (about the meaning of *data holder*)).

Note 2: While a class of information specified under paragraph (b), (d) or (e) needs to be of the information specified under paragraph (a), it need not be the same class as a class specified under paragraph (a).

Note 3: Subparagraph (e)(i) allows only particular persons to be specified, not classes of persons.

Note 4: For variation and repeal, see subsection 33(3) of the *Acts Interpretation Act 1901*.

Geographical limitation on information that can be designated

- (3) Despite paragraph (2)(a), treat a class of information specified as described in that paragraph as only including so much of the information in that class as:
- (a) has at any time been generated or collected wholly or partly in Australia or the external Territories, and:
 - (i) has been so generated or collected by (or on behalf of) one or more Australian persons; or
 - (ii) relates to one or more Australian persons (other than the persons who so generated or collected it); or
 - (iii) relates to goods or services supplied, or offered for supply, to one or more Australian persons; or
 - (b) has only ever been generated and collected outside of Australia and the external Territories, and:

Section 56AD

- (i) has been so generated or collected by (or on behalf of) one or more Australian persons; and
- (ii) relates to one or more Australian persons (other than the persons who so generated or collected it), or relates to goods or services supplied, or offered for supply, to one or more Australian persons.

In this subsection, *Australian person* has the same meaning as in subsection 56AO(5).

Limitation on the earliest holding day

- (4) While the earliest holding day may be before the day the instrument under subsection (2) is made, the earliest holding day must not be earlier than the first day of the calendar year that is 2 years before the calendar year in which that instrument is made.

Example: The instrument is made on 1 July 2020. The earliest holding day could be 1 January 2018, but not before.

Note: The earliest holding day helps to work out if a person is a data holder of information specified under paragraph (2)(a), and so whether that information is subject to the consumer data right.

56AD Minister's tasks before designating a sector etc.

- (1) Before making an instrument under subsection 56AC(2), the Minister must consider all of the following:
 - (a) the likely effect of making the instrument on:
 - (i) the interests of consumers; and
 - (ii) the efficiency of relevant markets; and
 - (iii) the privacy or confidentiality of consumers' information; and
 - (iv) promoting competition; and
 - (v) promoting data-driven innovation; and
 - (vi) any intellectual property in the information to be covered by the instrument; and
 - (vii) the public interest;

Section 56AD

- (b) the likely regulatory impact of allowing the consumer data rules to impose requirements relating to the information to be covered by the instrument;
- (c) the following matters when considering whether to specify a class of information, as described in paragraph 56AC(2)(d), in the instrument:
 - (i) whether not specifying that class could result in an acquisition of property (within the meaning of paragraph 51(xxxi) of the Constitution);
 - (ii) whether holders of information within that class currently charge a fee for disclosing such information;
 - (iii) whether the incentive to generate, collect, hold or maintain information within that class would be reduced if that class were not so specified;
 - (iv) the marginal cost of the disclosures required under the consumer data rules of information within that class;
- (d) whether one or more gateways need to be specified in the instrument in order to facilitate access to the information to be covered by the instrument;
- (e) any other matters the Minister considers relevant.

Note: The consumers could be individuals or other persons such as companies (see also subsection 56AI(4)).

- (2) Before making an instrument under subsection 56AC(2), the Minister must:
 - (a) be satisfied that the Secretary of the Department has complied with section 56AE in relation to the making of the instrument; and
 - (b) wait at least 60 days after the day the Secretary publishes the report relating to the making of the instrument (see section 56AE).
- (3) Before making an instrument under subsection 56AC(2), the Minister must consult the Information Commissioner about the likely effect of making the instrument on the privacy or confidentiality of consumers' information.

56AE Secretary must arrange for analysis, consultation and report about an instrument proposing to designate a sector

- (1) The Secretary of the Department complies with this section in relation to the making of an instrument under subsection 56AC(2) if the Secretary arranges for all of the following:
 - (a) an analysis of the matters in paragraphs 56AD(1)(a) to (e) in relation to the instrument;
 - (b) public consultation about those matters in relation to the instrument:
 - (i) for at least 28 days; and
 - (ii) in one or more ways that includes making information available on the Department's website and inviting the public to comment;
 - (c) consultation with each of the following about those matters in relation to the instrument:
 - (i) the Commission;
 - (ii) the Information Commissioner;
 - (iii) the person or body (if any) that the Secretary believes to be the primary regulator of the sector that the instrument would designate;
 - (iv) any person or body prescribed by the regulations;
 - (d) the preparation of a report for the Minister about that analysis and consultation.
- (2) The Secretary must publish the report on the Department's website.

56AEA Commission must analyse an instrument proposing to designate a sector

When the Commission is consulted under subparagraph 56AE(1)(c)(i), the Commission must analyse the matters in paragraphs 56AD(1)(a) to (e) in relation to the instrument.

56AF Information Commissioner must analyse and report about an instrument proposing to designate a sector

- (1) When the Information Commissioner is consulted under subsection 56AD(3), the Information Commissioner must:
 - (a) analyse the likely effect of making the instrument on the privacy or confidentiality of consumers' information; and
 - (b) report to the Minister about that analysis.
- (2) The Information Commissioner must publish the report on the Information Commissioner's website, except for any excluded part of the report.
- (3) In deciding whether or not to exclude a part of the report from publication, the Information Commissioner must:
 - (a) have regard to the need to prevent the matters in subsection 33(2) of the *Privacy Act 1988*; and
 - (b) try to achieve an appropriate balance between the need to prevent those matters and the desirability of ensuring that interested persons are sufficiently informed of the Information Commissioner's analysis in the report.

56AH Other matters

A failure to comply with section 56AD, 56AE, 56AEA or 56AF does not invalidate an instrument made under subsection 56AC(2).

Subdivision C—Meanings of key terms**56AI Meanings of *CDR data*, *directly or indirectly derived* and *CDR consumer***

- (1) ***CDR data*** is information that:
 - (a) is within a class of information specified, as described in paragraph 56AC(2)(a), in an instrument designating a sector under subsection 56AC(2); or
 - (b) is not covered by paragraph (a) of this subsection, but is wholly or partly derived from information covered by:

Section 56AI

- (i) paragraph (a) of this subsection; or
- (ii) a previous application of this paragraph.

Note 1: Geographical limitations may cause some information within a class specified as described in paragraph 56AC(2)(a) to be disregarded (see subsection 56AC(3)), which means it will not be CDR data.

Note 2: Information covered by paragraph (b) includes information derived from information covered by paragraph (a), information derived from that derived information, and so on.

Note 3: Information covered by paragraph (b), for which there is a CDR consumer, cannot be required to be disclosed under the consumer data rules (see subsection 56BD(1)).

Note 4: Only certain kinds of CDR data for which there are no CDR consumers (also known as product data) can be required to be disclosed under the consumer data rules (see subsection 56BF(1)).

(2) CDR data is ***directly or indirectly derived*** from other CDR data if the first-mentioned CDR data is wholly or partly derived from the other CDR data after one or more applications of paragraph (1)(b).

(3) A person is a ***CDR consumer*** for CDR data if:

(a) the CDR data relates to the person because:

(i) of the supply of a good or service to the person or to one or more of the person's associates (within the meaning of section 318 of the *Income Tax Assessment Act 1936*); or

(ii) of circumstances of a kind prescribed by the regulations; and

(b) the CDR data is held by another person who:

(i) is a data holder of the CDR data; or

(ii) is an accredited data recipient of the CDR data; or

(iii) is holding the CDR data on behalf of a person mentioned in subparagraph (i) or (ii); and

(c) the person is identifiable, or reasonably identifiable, from:

(i) the CDR data; or

(ii) other information held by the other person referred to in paragraph (b); and

(d) none of the conditions (if any) prescribed by the regulations apply to the first-mentioned person in relation to the CDR data.

(4) Section 4B (about consumers) does not apply to this Part.

56AJ Meaning of *data holder*

(1) A person is a ***data holder***, of CDR data, if:

(a) the CDR data:

- (i) is information within a class of information specified, as described in paragraph 56AC(2)(a), in an instrument designating a sector under subsection 56AC(2) (the ***designation instrument***); or
- (ii) is directly or indirectly derived from information covered by subparagraph (i); and

(b) the CDR data is held by (or on behalf of) the person on or after the earliest holding day specified in the designation instrument; and

(ba) in the case of the CDR data beginning to be held by (or on behalf of) the person before that earliest holding day, the CDR data:

- (i) is of continuing use and relevance; and
- (ii) is not about the provision before that earliest holding day of a product or service by (or on behalf of) the person; and

(c) the person is not a designated gateway for the CDR data; and

(d) subsection (2), (3) or (4) applies to the person and the CDR data.

Note 1: Geographical limitations may cause some information within a class specified as described in paragraph 56AC(2)(a) to be disregarded (see subsection 56AC(3)), which means it will not be CDR data.

Note 2: For a product or service that the person began providing before the earliest holding day and continued providing after that day:

- (a) subparagraph (ba)(ii) means the person will not be the data holder of CDR data about the person's provision of the product or service before that day; but

Section 56AK

- (b) the person will be the data holder of CDR data about the person's provision of the product or service on or after that day.

First case—person is also specified in the designation instrument

- (2) This subsection applies to a person and CDR data if:
- (a) the person, or a class of persons to which the person belongs, is specified, as described in paragraph 56AC(2)(b), in the designation instrument as holding a class of information to which the CDR data belongs; and
 - (b) neither the CDR data, nor any other CDR data from which it was directly or indirectly derived, was disclosed to the person under the consumer data rules.

Second case—reciprocity arising from the person being disclosed other CDR data under the consumer data rules

- (3) This subsection applies to a person and CDR data if:
- (a) neither the CDR data, nor any other CDR data from which it was directly or indirectly derived, was disclosed to the person under the consumer data rules; and
 - (b) the person is an accredited data recipient of other CDR data.

Note 1: Paragraph (b) is referring to other CDR data not covered by paragraph (a).

Note 2: The other CDR data referred to in paragraph (b) could be within a class of information specified in another instrument designating a different sector under subsection 56AC(2).

Third case—conditions in the consumer data rules are met

- (4) This subsection applies to a person and CDR data if:
- (a) the person is an accredited person; and
 - (b) the CDR data, or any other CDR data from which it was directly or indirectly derived, was disclosed to the person under the consumer data rules; and
 - (c) the conditions specified in the consumer data rules are met.

56AK Meaning of *accredited data recipient*

A person is an ***accredited data recipient***, of CDR data, if:

- (a) the person is an accredited person; and
- (b) the CDR data is held by (or on behalf of) the person; and
- (c) the CDR data, or any other CDR data from which it was directly or indirectly derived, was disclosed to the person under the consumer data rules; and
- (d) the person is neither a data holder, nor a designated gateway, for the first-mentioned CDR data.

Note: For paragraph (d), the person will be a data holder of that CDR data if subsection 56AJ(4) applies.

56AL Meanings of *CDR participant* and *designated gateway*

- (1) A ***CDR participant***, for CDR data, is a data holder, or an accredited data recipient, of the CDR data.
- (2) A person is a ***designated gateway***, for CDR data, if:
 - (a) the person is specified as a gateway, as described in subparagraph 56AC(2)(e)(i), in an instrument designating a sector under subsection 56AC(2); and
 - (b) the CDR data is information within a class, specified in that instrument, for which the person is a gateway; and
 - (c) the CDR data is, or is to be, disclosed to the person under the consumer data rules because the person is:
 - (i) acting as described in a subparagraph of paragraph 56BG(1)(a) or (b); or
 - (ii) if there are no consumers for the CDR data—acting between a CDR participant for the CDR data and a person requesting a disclosure of the CDR data; and not because the person is an accredited person or a CDR consumer for the CDR data.

Section 56AM

56AM Meanings of *chargeable CDR data*, *chargeable circumstances* and *fee-free CDR data*

- (1) CDR data is *chargeable CDR data* if the CDR data is information within a class specified, as described in paragraph 56AC(2)(d), in an instrument designating a sector under subsection 56AC(2) (the *designation instrument*).
- (2) The chargeable CDR data is disclosed in *chargeable circumstances* if it is disclosed in circumstances specified:
 - (a) for that class of information; and
 - (b) as described in subparagraph 56AC(2)(d)(i);in the designation instrument.
- (3) The chargeable CDR data is used in *chargeable circumstances* if it is used in circumstances specified:
 - (a) for that class of information; and
 - (b) as described in subparagraph 56AC(2)(d)(ii);in the designation instrument.
- (4) CDR data is *fee-free CDR data* if:
 - (a) the consumer data rules require it to be disclosed; and
 - (b) it is not chargeable CDR data.

Subdivision D—Extension to external Territories and extraterritorial operation

56AN Extension to external Territories

Each of the following provisions (the *CDR provisions*) extends to every external Territory:

Note: The extended geographical application that section 56AO gives to the CDR provisions applies to the offences against the CDR provisions.

Subdivision E—Application to government entities

56AQ CDR provisions bind the Crown

- (1) The CDR provisions bind the Crown in each of its capacities.
- (2) However, the CDR provisions do not make the Crown:

Section 56AR

- (b) subject to a remedy under section 56EY (about actions for damages for contravening the privacy safeguards); or
- (c) subject to a remedy under Part VI (about enforcement) other than section 87B (about enforceable undertakings); or

Application to State or Territory government entities

- (2) The CDR provisions apply only in relation to an entity that:
 - (a) is part of a State or Territory; or
 - (b) is a body (whether or not incorporated) established for a public purpose by or under a law of a State or Territory; or
 - (c) is:

Section 56AR

(i) holding or performing the duties of an office established by or under a law of a State or Territory; or

(ii) holding an appointment made under a law of a State or Territory; or

(d) is an entity prescribed by the regulations in relation to a State or Territory;

if a declaration under subsection 56AS(1), that the entity is a participating entity for the State or Territory, is in force.

Note: For how the CDR provisions so apply, see subsection (4).

(3) However, whether or not such a declaration is in force for an entity referred to in subsection (2), the CDR provisions apply in relation to the entity to the extent that:

(a) the CDR provisions relate to a CDR consumer for CDR data; and

(b) the entity is a CDR consumer for CDR data (or would be a CDR consumer for CDR data if the entity were a person).

Note: For how the CDR provisions so apply, see subsection (4).

How the CDR provisions apply to a government entity

(4) For an entity covered by subsection (1), (2) or (3), the CDR provisions apply as described in that subsection in relation to the entity:

(a) as if the entity were a person; and

(b) with the modifications (if any) prescribed by the regulations.

This subsection does not affect how subsection 56AQ(2) applies to the entity.

(5) If the CDR provisions so apply to an entity covered by subsection (1):

(a) as a data holder of CDR data, the entity is conferred such functions as are necessary to enable the entity to operate as a data holder in accordance with the CDR provisions; or

(b) as a designated gateway for CDR data, the entity is conferred such functions as are necessary to enable the entity to operate

as a designated gateway in accordance with the CDR provisions.

**56AS Participating government entities of a State or Territory—
declaration**

- (1) The Minister may, by notifiable instrument, declare that an entity is a participating entity for a State or Territory.

Note: An entity may be specified by class (see subsection 13(3) of the *Legislation Act 2003*).

- (2) However, the Minister must not do so unless the Minister is satisfied that the State or Territory has agreed to the entity participating under this Part.
- (3) If:
- (a) a State or Territory has agreed to an entity of the State or Territory participating under this Part; and
 - (b) the entity is a body corporate;
- the entity is taken to have also agreed to participate under this Part.

**56AT Participating government entities of a State or Territory—
revocation**

- (1) The Minister may, by notifiable instrument, revoke a declaration made under subsection 56AS(1) that an entity is a participating entity for a State or Territory.
- (2) If a State or Territory requests in writing the Minister to revoke a declaration made under subsection 56AS(1) that an entity is a participating entity for the State or Territory, the Minister must, under subsection (1) of this section, revoke the declaration as soon as practicable.
- (3) If the Minister revokes a declaration made under subsection 56AS(1) in relation to an entity, then, despite the revocation, subsection 56AR(2) continues to apply to the entity in relation to:

Section 56AU

- (a) any right, privilege, obligation or liability acquired, accrued or incurred before the revocation; and
 - (b) any investigation, legal proceeding or remedy in respect of any such right, privilege, obligation or liability;
- as if the declaration were still in force.

Subdivision F—Application to acts done by or in relation to agents etc. of CDR entities

56AU Acts done by or in relation to agents etc. of CDR entities

Conduct of agents etc. of a CDR entity attributable to the CDR entity

- (1) For the purposes of this Part and the consumer data rules, each of the following provisions applies to a CDR entity who is not a body corporate in a corresponding way to the way that provision applies to a CDR entity who is a body corporate:
 - (a) section 84 of this Act;
 - (b) section 97 of the Regulatory Powers Act (to the extent that it applies in relation to a provision of this Part).

Acts done in relation to an agent of a CDR entity taken to be done in relation to the CDR entity

- (2) For the purposes of this Part and the consumer data rules, if an act is done by a person in relation to another person (the **agent**) who:
 - (a) is acting on behalf of a CDR entity; and
 - (b) is so acting within the agent's actual or apparent authority;the act is taken to have also been done in relation to the CDR entity.

Definitions

- (3) In this section:

CDR entity means any of the following:

- (a) a data holder of CDR data;

- (b) an accredited person;
- (c) a designated gateway for CDR data.

Division 2—Consumer data right

Subdivision A—Power to make consumer data rules

56BA Minister may make consumer data rules

- (1) The Minister may, by legislative instrument, make rules (the *consumer data rules*) for designated sectors in accordance with this Division.

Note: Subdivision C deals with the process for making the consumer data rules.

- (2) Without limiting subsection (1), the consumer data rules may set out:
 - (a) different rules for different designated sectors; or
 - (b) different rules for different classes of CDR data; or
 - (c) different rules for different classes of persons specified, as described in paragraph 56AC(2)(b), in an instrument designating a sector under subsection 56AC(2); or
 - (d) different rules for different classes of persons who are able to be disclosed CDR data under the consumer data rules.

56BAA Rules must include requirement to delete CDR data on request from CDR consumer

Requirement to delete CDR data in response to request from CDR consumer

- (1) The consumer data rules must include a requirement on an accredited data recipient of CDR data to delete all or part of the CDR data in response to a valid request by a CDR consumer for the CDR data to be deleted.
- (2) However, a rule described in subsection (1) must not require deletion of all or part of the CDR Data if:

Section 56BAA

- (a) the accredited data recipient is required to retain the CDR data by or under an Australian law or a court/tribunal order; or
- (b) the CDR data relates to any current or anticipated:
 - (i) legal proceedings; or
 - (ii) dispute resolution proceedings;to which the accredited data recipient is a party; or
- (c) the CDR data relates to any current or anticipated:
 - (i) legal proceedings; or
 - (ii) dispute resolution proceedings;to which the CDR consumer is a party.

Consumer data rules may include rules in relation to the requirement

- (3) The consumer data rules may include the following rules in relation to the requirement:
 - (a) rules about:
 - (i) how the CDR consumer may make a valid request; and
 - (ii) what must be included in a request for it to be valid and when a request ceases to be a valid request;
 - (b) rules specifying circumstances (in addition to those in subsection (2)) in which the accredited data recipient may refuse to delete the CDR data despite the requirement;
 - (c) rules about how an accredited data recipient is to delete the CDR data covered in a valid request;
 - (d) rules about how the requirement is to be complied with depending on the class of CDR data requested to be deleted;
 - (e) rules about how an accredited data recipient is to notify the CDR consumer of:
 - (i) the deletion of the CDR data and the extent of the deletion; or
 - (ii) if the CDR data is not deleted—the reasons the deletion did not occur;

Section 56BB

- (f) rules about any other matters incidental or related to the requirement (see also section 56BJ).
- (4) This section applies despite any other provision of this Division.
- (5) This section does not limit the consumer data rules dealing with the deletion of CDR data in circumstances other than compliance with the requirement.

56BB Matters that the consumer data rules may deal with

The consumer data rules may deal with the following matters:

- (a) disclosure, collection, use, accuracy, storage, security or deletion of CDR data for which there are one or more CDR consumers (see also sections 56BC and 56BD);
- (b) disclosure, collection, use, accuracy, storage, security or deletion of CDR data for which there are no CDR consumers (see also sections 56BE and 56BF);
- (c) designated gateways for CDR data (see also section 56BG);
- (d) accreditation of data recipients (see also section 56BH);
- (e) reporting, record keeping and auditing (see also section 56BI);
- (f) matters incidental or related to any of the above matters (see also section 56BJ).

56BC Rules about disclosure, collection, use, accuracy, storage, security or deletion of CDR data for which there are CDR consumers

Required disclosures in response to valid requests

- (1) Without limiting paragraph 56BB(a), the consumer data rules may include the following rules:
 - (a) requirements on a CDR participant for CDR data to disclose all or part of the CDR data, in response to a valid request by a CDR consumer for the CDR data, to:

- (i) the CDR consumer for use as the CDR consumer sees fit; or
- (ii) an accredited person for use subject to the privacy safeguards;
- (b) rules about:
 - (i) how a CDR consumer for the CDR data may make a valid request of the kind described in paragraph (a); and
 - (ii) what must be included in a request for it to be valid, what disclosures or other matters a valid request may cover, and when a request ceases to be a valid request;
- (c) requirements on a person (other than a CDR consumer for the CDR data) to satisfy in order to be disclosed the CDR data in the way described in paragraph (a).

Note 1: The requirements described in paragraph (a) could, for example, include a requirement that the disclosure be in accordance with the relevant data standards.

Note 2: A fee may be charged for such a disclosure if the CDR data is chargeable CDR data, unless section 56BU provides otherwise.

Authorised disclosures or use in accordance with valid consents

- (2) Without limiting paragraph 56BB(a), the consumer data rules may include the following rules:
 - (a) rules authorising a CDR participant for CDR data to disclose all or part of the CDR data to a person in accordance with a valid consent of a CDR consumer for the CDR data;
 - (b) rules authorising a person to use CDR data in accordance with a valid consent of a CDR consumer for the CDR data;
 - (c) rules about:
 - (i) how a CDR consumer for the CDR data may make a valid consent of the kind described in paragraph (a) or (b); and
 - (ii) what must be included in a consent for it to be valid, what disclosures, uses or other matters a valid consent may cover, and when a consent ceases to be a valid consent.

Part IVD Consumer data right

Division 2 Consumer data right

Section 56BD

Note: Fees may be charged for these disclosures or uses.

Other rules

- (3) Without limiting paragraph 56BB(a), the consumer data rules may include the following rules relating to CDR data for which there are one or more CDR consumers:
- (a) rules relating to the privacy safeguards;
 - (b) other rules relating to the disclosure, collection, use, accuracy, storage or security of the CDR data that affect:
 - (i) an accredited person; or
 - (ii) a CDR participant, or CDR consumer, for the CDR data;
 - (c) other rules relating to the deletion of the CDR data that affect:
 - (i) an accredited person; or
 - (ii) an accredited data recipient of the CDR data; or
 - (iii) a CDR consumer for the CDR data.

Note 1: Subsection 56BD(3) limits how such rules can affect a data holder.

Note 2: The rules may deal with similar or additional matters to those in the privacy safeguards. When doing so, the rules will need to be consistent with those safeguards (see subsections 56EC(1) and (2)).

Note 3: The rules must include a requirement on an accredited data recipient to delete all or part of the CDR data in response to a valid request by a CDR consumer for the CDR data (see section 56BAA).

56BD Limitations for rules about CDR data for which there are CDR consumers

Only designated CDR data can be required to be disclosed

- (1) The consumer data rules can only require a disclosure of CDR data for which there are one or more CDR consumers if:
- (a) the CDR data is within a class of information specified, as described in paragraph 56AC(2)(a), in an instrument designating a sector under subsection 56AC(2); and
 - (b) the disclosure is to:

- (i) one or more of those CDR consumers; or
- (ii) an accredited person; or
- (iii) a designated gateway for the CDR data; or
- (iv) a data holder of the CDR data by a designated gateway for the CDR data; or
- (v) a person acting on behalf a person referred to in subparagraph (ii), (iii) or (iv).

Note 1: This means CDR data cannot be required to be disclosed if it:

- (a) is not within a class specified in such an instrument; and
- (b) is directly or indirectly derived from CDR data that is within a class specified in such an instrument.

Note 2: The consumer data rules can include other rules relating to this other derived CDR data.

Note 3: Voluntary disclosures of this other derived CDR data can be authorised under the consumer data rules.

No fee when fee-free CDR data is required to be disclosed

- (2) The consumer data rules cannot allow a fee to be charged for:
 - (a) the disclosure of fee-free CDR data under rules like those described in paragraph 56BC(1)(a) or 56BG(1)(a); or
 - (b) the use of fee-free CDR data received as the result of such a disclosure.

Note: Fees may be charged for other kinds of disclosures or uses of fee-free CDR data.

Rules affecting data holders that relate to the use, accuracy, storage, security or deletion of CDR data

- (3) For a data holder of CDR data for which there are one or more CDR consumers, the consumer data rules:
 - (a) cannot include rules affecting the data holder that relate to the deletion of the CDR data; and
 - (b) can only include rules affecting the data holder that relate to the use, accuracy, storage or security of the CDR data if such rules also relate to the disclosure of the CDR data under the consumer data rules.

Section 56BE

Effect of limitations

- (4) Subsections (1), (2) and (3) apply despite any other provision of this Division.

56BE Rules about disclosure, collection, use, accuracy, storage, security or deletion of product data

Without limiting paragraph 56BB(b), the consumer data rules may include the following rules for CDR data for which there are no CDR consumers:

- (a) requirements on a CDR participant for the CDR data to disclose all or part of the CDR data to a person in response to a valid request by the person;
- (b) rules about:
 - (i) how a person may make a valid request of the kind described in paragraph (a); and
 - (ii) what must be included in a request for it to be valid, what disclosures or other matters a valid request may cover, and when a request ceases to be a valid request;
- (c) requirements on a person to satisfy in order to be disclosed the CDR data in the way described in paragraph (a);
- (d) other rules affecting:
 - (i) CDR participants for the CDR data; or
 - (ii) persons wishing to be disclosed the CDR data;that relate to the disclosure, collection, use, accuracy, storage, security or deletion of the CDR data.

Note 1: A request for this CDR data could be made, for example, to assist the development of a product or service.

Note 2: The requirements described in paragraph (a) could, for example, include a requirement that the disclosure be in accordance with the relevant data standards.

Note 3: The privacy safeguards do not apply to this CDR data (see subsection 56EB(1)).

56BF Limitations for rules about product data

Only certain kinds of product data can be required to be disclosed

- (1) The consumer data rules can only require a disclosure of CDR data for which there are no CDR consumers if:
 - (a) the CDR data is about the eligibility criteria, terms and conditions, price, availability or performance of:
 - (i) a product or other kind of good; or
 - (ii) a service; and
 - (b) in the case where the CDR data is about availability or performance—the CDR data is publicly available.

Note 1: This means other kinds of CDR data for which there are no CDR consumers cannot be required to be disclosed.

Note 2: The consumer data rules can include other rules relating to other kinds of CDR data for which there are no CDR consumers.

Note 3: Voluntary disclosures of other kinds of CDR data for which there are no CDR consumers can be authorised under the consumer data rules.

No fee when this CDR data is required to be disclosed

- (2) The consumer data rules cannot allow a fee to be charged for:
 - (a) the disclosure of CDR data under rules like those described in paragraph 56BE(a) or 56BG(2)(a); or
 - (b) the use of CDR data received as the result of such a disclosure.

Note: A fee could be charged for other disclosures or uses of CDR data for which there are no CDR consumers.

Effect of limitations

- (3) Subsections (1) and (2) apply despite any other provision of this Division.

56BG Rules about designated gateways

CDR data for which there are CDR consumers

- (1) Without limiting paragraph 56BB(c), if there is a designated gateway for CDR data for which there are one or more CDR consumers, the consumer data rules may include the following rules:
 - (a) rules like those described in subsection 56BC(1) for the CDR data, but involving the designated gateway:
 - (i) acting between the CDR consumer and the CDR participant in the making of a valid request; or
 - (ii) acting between the CDR consumer and the accredited person who is the proposed recipient of the requested disclosure; or
 - (iii) acting between the CDR participant and the CDR consumer, or accredited person, who is the proposed recipient of the requested disclosure;
 - (b) rules like those described in subsection 56BC(2) for the CDR data, but involving the designated gateway:
 - (i) acting between the CDR consumer and a person authorised as described in that subsection; or
 - (ii) acting between persons authorised as described in that subsection;
 - (c) other rules affecting the designated gateway that relate to the disclosure, collection, use, accuracy, storage, security or deletion of the CDR data.

Product data

- (2) Without limiting paragraph 56BB(c), if there is a designated gateway for CDR data for which there are no CDR consumers, the consumer data rules may include the following rules:
 - (a) rules like those described in paragraphs 56BE(a) to (c), but involving the designated gateway acting between the CDR participant and the person requesting the disclosure;

- (b) other rules affecting the designated gateway that relate to the disclosure, collection, use, accuracy, storage, security or deletion of the CDR data.

Limitation—rules relating to the collection, use, accuracy, storage, security or deletion of CDR data

- (3) For a designated gateway for CDR data for which there are one or more CDR consumers, the consumer data rules:
 - (a) can only include rules affecting the designated gateway requiring or authorising the disclosure of the CDR data if such rules are as described in paragraph (1)(a) or (b); and
 - (b) can only include rules affecting the designated gateway that relate to the collection, use, accuracy, storage, security or deletion of the CDR data if such rules also relate to a disclosure described in paragraph (a) of this subsection.

Note: Paragraph (a) does not prevent the inclusion of a rule relating to a disclosure described in that paragraph.

- (4) Subsection (3) applies despite any other provision of this Division.

Transitional rules

- (5) Without limiting paragraph 56BB(c), if there is a designated gateway for CDR data, the consumer data rules may include transitional rules for when a person ceases to be the designated gateway, including about the disclosure, collection, use, accuracy, storage, security or deletion of the CDR data.

Note: These rules could, for example, include a requirement that the CDR data be disclosed in accordance with the relevant data standards to another gateway. Some of these transitional rules could be similar to some of the privacy safeguards.

56BH Rules about accreditation of data recipients

- (1) Without limiting paragraph 56BB(d), the consumer data rules may include the following rules:
 - (a) rules conferring functions or powers on the Data Recipient Accreditor;

Section 56BH

- (b) the criteria for a person to be accredited under subsection 56CA(1);
- (c) rules providing that accreditations may be granted subject to conditions, and that conditions may be imposed on an accreditation after it has been granted;
- (d) rules providing that accreditations may be granted at different levels corresponding to different risks, including the risks associated with:
 - (i) specified classes of CDR data; or
 - (ii) specified classes of activities; or
 - (iii) specified classes of applicants for accreditation;
- (e) rules for the period, renewal, transfer, variation, suspension, revocation or surrender of accreditations;
- (f) notification requirements on persons whose accreditations have been varied, suspended, revoked or surrendered;

- (h) rules about a matter referred to in subsection 56CE(4) (about the Register of Accredited Persons).

Note: The rules described in paragraph (g) could, for example, include a requirement that the CDR data be disclosed in accordance with the relevant data standards to an accredited person. Some of these transitional rules could be similar to some of the privacy safeguards.

- (2) Without limiting paragraph (1)(b):
 - (a) the criteria may differ for different classes of persons; and
 - (b) the criteria may include the payment of a fee.Any fee must not be such as to amount to taxation.
- (3) Without limiting paragraph (1)(e), each of the following may be a ground for varying, suspending or revoking an accreditation:
 - (a) a failure to comply with a requirement in this Part or in the consumer data rules;
 - (b) a failure to comply with a requirement in the privacy safeguards.

Note: An example of a variation could be the imposition of a condition, or changing the level of an accreditation.

- (4) If the consumer data rules include rules enabling decisions to be made to vary, suspend or revoke accreditations, the rules must permit the making of applications to the Administrative Appeals Tribunal for review of those decisions.

Note: The consumer data rules can also provide for internal review of these decisions, and internal and AAT review of other decisions (see section 56BJ).

56BI Rules about reporting, record keeping and auditing

- (1) Without limiting paragraph 56BB(e), the consumer data rules may include the following rules:
- (a) a power for a CDR consumer for CDR data to direct a CDR participant for the CDR data to give the consumer, or an accredited person, reports about:

 - (ii) any disclosures made in response to such requests;
 - (b) a power for a CDR consumer for CDR data to direct a CDR participant for the CDR data to give the consumer, or an accredited person, reports about:
 - (i) the consumer's valid consents to the CDR participant, under rules like those described in paragraph 56BC(2)(a) or (b) or 56BG(1)(b), for the CDR data; and
 - (ii) any disclosures made in response to such consents;
 - (c) a power for a person referred to in paragraph 56BG(1)(a) or (b) to direct a designated gateway referred to in that paragraph to give reports about:
 - (i) valid requests or consents, affecting the designated gateway, under rules like those described in that paragraph; and

Section 56BJ

- (ii) any disclosures made in response to such requests or consents;
- (d) requirements for CDR participants for CDR data to give reports to the Commission or the Information Commissioner;
- (e) requirements for accredited persons to give reports to the Commission or the Information Commissioner;

Note: Information or documents relating to compliance with the consumer data rules may also be required to be given (see subsections 155(1) and (2)).

- (2) Without limiting paragraph 56BB(e), the consumer data rules may include requirements for CDR participants or designated gateways for CDR data, or accredited persons, to give to the Commission or Information Commissioner:
 - (a) copies of one or more of the records required to be kept as described in paragraph (1)(g); or
 - (b) information from such records;either periodically, or on request by the Commission or Information Commissioner, or both.

56BJ Rules about incidental or related matters

Without limiting paragraph 56BAA(3)(f) or 56BB(f), the consumer data rules may include the following rules:

- (a) rules that refer to the data standards;

Section 56BJ

- (b) the circumstances in which persons are, or may be, relieved from complying with requirements in the consumer data rules that would otherwise apply to them;
- (c) a rule that depends on a person being satisfied of one or more specified matters;
- (d) rules for the making of applications for internal review, or of applications to the Administrative Appeals Tribunal for review, of decisions of a person under the consumer data rules;
- (e) rules about the manner or form in which persons or bodies:
 - (i) may exercise powers under the consumer data rules; or
 - (ii) must comply with requirements imposed by the consumer data rules;which could include requiring the use of a form approved by the Commission or by the Information Commissioner;
- (f) rules about the following matters:

- (j) rules about any other matters that the provisions of this Part provide may be specified, or otherwise dealt with, in the consumer data rules.

56BK Further limitations on the consumer data rules

- (1) The consumer data rules cannot impose on a person a requirement that has a retrospective commencement or application.

Example: The rules cannot require a data holder to disclose CDR data on a day before the rules are registered, or on a day before the registration of a variation to the rules that includes the requirement.

Note: Other limitations on the consumer data rules are in sections 56BD, 56BF and 56BG.

- (2) To avoid doubt, the consumer data rules may require a person to do something on a particular day, in relation to CDR data generated or collected on an earlier day, if the person:
 - (a) is a data holder of the CDR data; or
 - (b) is an accredited person; or
 - (c) is a person who has given a valid request under the consumer data rules relating to the CDR data; or
 - (d) is a designated gateway for the CDR data.

Example: A data holder is given a valid request to disclose CDR data that was generated before the rules are registered. The rules can require that disclosure.

- (3) The regulations may provide that the consumer data rules:

- (a) have no effect to the extent that the consumer data rules deal with specified matters, or impose specified requirements, in relation to:
 - (i) specified classes of CDR data; or
 - (ii) specified classes of persons; or
 - (b) only have effect to the extent that the consumer data rules deal with specified matters, or impose specified requirements, in relation to:
 - (i) specified classes of CDR data; or
 - (ii) specified classes of persons.
- The consumer data rules have effect (or no effect) accordingly.
- (4) Subsections (1) and (3) apply despite any other provision of this Division.

Subdivision B—Compliance with consumer data rules

56BL Obligation to comply with consumer data rules

The consumer data rules may provide that specified provisions of the rules are civil penalty provisions (within the meaning of the Regulatory Powers Act).

Note: Sections 76 to 77 deal with enforcing the civil penalty provisions.

56BM Infringement notices

Object

- (1) The object of this section is for Division 5 of Part XI to apply to a civil penalty provision of the consumer data rules in a corresponding way to the way that Division applies to a provision of Part 2-2 of the Australian Consumer Law.

Note: That Division is about infringement notices issued for alleged contraventions of provisions of the Australian Consumer Law.

Part IVD Consumer data right

Division 2 Consumer data right

Section 56BN

Extended application of Division 5 of Part XI etc.

- (2) Division 5 of Part XI, and any other provision of this Act that relates to that Division, also apply in relation to a civil penalty provision of the consumer data rules as if the substitutions in the following table were made.

Substitutions to be made		
Item	For a reference in Division 5 of Part XI to substitute a reference to ...
1	section 224 of the Australian Consumer Law	section 76 of this Act.
2	Chapter 4 or Part 5-2 of the Australian Consumer Law	Part VI of this Act.
3	a provision of Part 2-2 of the Australian Consumer Law	a civil penalty provision of the consumer data rules.

- (3) To avoid doubt, Division 2 of Part XI does not limit the application of section 56GF (about constitutional basis) to the extended application of Division 5 of Part XI as described in this section.

56BN Misleading or deceptive conduct—offence

- (1) A person commits an offence if:
- (a) the person engages in conduct; and
 - (b) the person does so knowing that the conduct:
 - (i) is misleading or deceptive; or
 - (ii) is likely to be misleading or deceptive; and
 - (c) the conduct misleads or deceives, or is likely to mislead or deceive, another person (the *second person*) into believing that:
 - (i) a person is a CDR consumer for CDR data; or
 - (ii) a person is making a valid request or consent, or has satisfied other criteria, for the disclosure of CDR data under the consumer data rules.

Section 56BO

Note: The person mentioned in subparagraph (c)(i) or (ii) could be the first-mentioned person, the second person or a third person.

Defence

- (2) Subsection (1) does not apply if the conduct is not misleading or deceptive in a material particular.

Note: A defendant bears an evidential burden in relation to the matter in this subsection (see subsection 13.3(3) of the *Criminal Code*).

Penalty—body corporate

- (3) An offence against subsection (1) committed by a body corporate is punishable on conviction by a fine of not more than the greater of the following:
- (a) \$10,000,000;
 - (b) if the court can determine the value of the benefit that the body corporate, and any body corporate related to the body corporate, have obtained directly or indirectly and that is reasonably attributable to the commission of the offence—3 times the value of that benefit;
 - (c) if the court cannot determine the value of that benefit—10% of the adjusted turnover of the body corporate during the 12-month period ending at the end of the month in which the commission of the offence happened or began.

Penalty—other persons

- (5) An offence against subsection (1) committed by a person other than a body corporate is punishable on conviction by imprisonment for not more than 5 years, a fine of not more than \$500,000, or both.

56BO Misleading or deceptive conduct—civil penalty

- (1) A person must not engage in conduct that misleads or deceives, or is likely to mislead or deceive, another person (the *second person*) into believing that:
- (a) a person is a CDR consumer for CDR data; or

Section 56BP

- (b) a person is making a valid request or consent, or has satisfied other criteria, for the disclosure of CDR data under the consumer data rules.

Note 1: The person mentioned in paragraph (a) or (b) could be the first-mentioned person, the second person or a third person.

Note 2: For enforcement, see Part VI (including section 76 for an order for payment of a pecuniary penalty).

Defence

- (2) Subsection (1) does not apply if the conduct is not misleading or deceptive in a material particular.
- (3) A person who wishes to rely on subsection (2) bears the burden of adducing or pointing to evidence that suggests a reasonable possibility that the conduct is not misleading or deceptive in a material particular.

Subdivision C—Process for making consumer data rules etc.

56BP Minister's tasks before making the rules

Before making consumer data rules under subsection 56BA(1), the Minister must:

- (a) consider the kinds of matters referred to in paragraphs 56AD(1)(a) and (b) in relation to the making of the rules; and
- (b) be satisfied that the Secretary of the Department has complied with section 56BQ in relation to the making of the rules; and
- (c) wait at least 60 days after the day public consultation begins under paragraph 56BQ(b) about the making of the rules.

56BQ Secretary must arrange for consultation and report before the rules are made

The Secretary of the Department complies with this section in relation to the making of consumer data rules if the Secretary arranges for all of the following:

Section 56BR

- (a) an analysis of the kinds of matters referred to in paragraphs 56AD(1)(a) and (b) in relation to the making of the rules;
- (b) public consultation about the making of the rules:
 - (i) for at least 28 days; and

- (c) consultation with each of the following about the making of the rules:
 - (i) the Commission;
 - (ii) the Information Commissioner;
 - (iii) the person or body (if any) that the Secretary believes to be the primary regulator of the sector;

- (d) the preparation of a report for the Minister about that analysis and consultation.

56BR Commission and Information Commissioner must analyse the proposed rules

When consulted under paragraph 56BQ(c), the Commission and the Information Commissioner must each analyse the kinds of matters referred to in paragraphs 56AD(1)(a) and (b) in relation to the making of the rules.

56BS Emergency rules: public consultation not required etc.

- (1) The Minister may make consumer data rules under subsection 56BA(1):
 - (a) without complying with paragraph 56BP(b) or (c); but
 - (b) after consulting the Commission and Information Commissioner;if the Minister believes (whether or not that belief is reasonable) that it is necessary to do so in order to avoid a risk of serious harm to:

Section 56BT

- (c) the efficiency, integrity or stability of any aspect of the Australian economy; or
- (d) the interests of consumers.

Note: The Minister still needs to comply with paragraph 56BP(a).

- (2) However, a failure to comply with paragraph (1)(b) of this section does not invalidate consumer data rules made as described in subsection (1).

Note: Such rules may have a limited life (see section 56BT).

56BT Emergency rules: consequences if made

If:

- (a) the Minister makes consumer data rules as described in subsection 56BS(1) (the *emergency rules*); and
 - (b) the emergency rules are made without consulting either the Commission or the Information Commissioner, or both;
- the emergency rules cease to be in force 6 months after the day they are made.

Note: If the emergency rules vary other consumer data rules, this section causes only the emergency rules to cease to be in force.

56BTA Other matters

A failure to comply with section 56BP, 56BQ or 56BR does not invalidate consumer data rules made under subsection 56BA(1).

Subdivision D—Fees for disclosing CDR data

56BU Charging a fee in inappropriate circumstances when required to disclose CDR data

- (1) A person contravenes this subsection if:
 - (a) the person is a CDR participant for CDR data; and
 - (b) the person is required under the consumer data rules to disclose all or part of the CDR data; and

- (c) the person charges (or causes to be charged) a fee for either or both of the following matters:
 - (i) the disclosure (or a related disclosure by a designated gateway or other CDR participant for the CDR data);
 - (ii) the use of the CDR data as the result of the disclosure (or of that related disclosure); and
- (d) subsection (2) or any of the following subparagraphs applies:
 - (i) the CDR data is fee-free CDR data;
 - (ii) to the extent that the fee is charged for the disclosure of chargeable CDR data—the fee purports to cover a disclosure in circumstances that are not chargeable circumstances;
 - (iii) to the extent that the fee is charged for the use of chargeable CDR data—the fee purports to cover use in circumstances that are not chargeable circumstances.

Note: For enforcement, see Part VI (including section 76 for an order for payment of a pecuniary penalty).

- (2) This subsection applies if:
 - (a) any fee (the *reasonable fee*):
 - (i) that has been determined under subsection 56BV(1) for the person; or

 - (b) the portion of the fee charged as described in that paragraph for those matters exceeds the corresponding portion of the reasonable fee.

56BV Commission may intervene if fee for disclosing or using chargeable CDR data is unreasonable etc.

- (1) The Commission may determine the following for a specified CDR participant for specified chargeable CDR data:

Section 56BV

- (a) the amount of a fee, or a method for working out the amount of a fee, that the CDR participant may charge (or cause to be charged) for either or both of the following matters (the *chargeable matters*):
- (i) the disclosure of the chargeable CDR data in chargeable circumstances because of a requirement under the consumer data rules to do so;
 - (ii) the use of the chargeable CDR data in chargeable circumstances as the result of such a disclosure;
- (b) the specified persons who are liable to pay that fee;
- if the Commission is satisfied that the fee that the CDR participant would otherwise charge (or cause to be charged) is unreasonable having regard to the criteria in subsection (3).
- (2) When determining an amount or method under subsection (1), the Commission must seek to ensure that the resulting fee:
- (a) reflects the reasonable costs (including capital costs) necessary for the CDR participant to comply with this Part and the consumer data rules in relation to the chargeable matters; and
 - (b) is reasonable having regard to the criteria in subsection (3).
- (3) The criteria for the purposes of subsection (1) and paragraph (2)(b) are:
- (a) the matters in subparagraphs 56AD(1)(a)(i), (ii), (iv) to (vi) and (c)(ii) and (iv); and
 - (b) whether a lower fee could result in an acquisition of property (within the meaning of paragraph 51(xxxi) of the Constitution); and
 - (c) whether a lower fee would reduce the incentive to generate, collect, hold or maintain CDR data of that kind; and
 - (d) any other matters the Commission considers relevant.
- (4) A determination under subsection (1) specifying a class of CDR participants must be made by legislative instrument.
- (5) A determination under subsection (1) specifying a particular CDR participant:
-

Section 56BW

- (a) must be made by written notice given to the CDR participant;
and
 - (b) is not a legislative instrument.

 - (i) CDR participants for CDR data;
 - (ii) CDR consumers for CDR data;

- (2) The Minister may, in the instrument under subsection (1):

Division 5—Privacy safeguards

Subdivision A—Preliminary

56EA Simplified outline

This Division sets out privacy safeguards that protect the privacy or confidentiality of CDR consumers' CDR data, whether the CDR consumers are individuals or bodies corporate.

The privacy safeguards apply mainly to accredited persons, but also to data holders and designated gateways, in relation to their handling or future handling of the CDR data.

A person's failure to comply with any of these safeguards may lead to consequences, including liability to a civil penalty (see Subdivision G) or the suspension or revocation of the person's accreditation (see subsection 56BH(3)).

56EB Kinds of CDR data to which the privacy safeguards apply

- (1) The privacy safeguards only apply to CDR data for which there are one or more CDR consumers.

Note: One requirement for CDR data to have a CDR consumer is that there needs to be at least one person who is identifiable, or reasonably identifiable, from the CDR data or from related information (see paragraph 56AI(3)(c)).

- (2) The privacy safeguards apply to CDR data whether the CDR data is true or not.

56EC Relationship with other laws

Relationship with the consumer data rules

- (1) If there is an inconsistency between the privacy safeguards and the consumer data rules, those safeguards prevail over those rules to the extent of the inconsistency.
- (2) However, the consumer data rules are taken to be consistent with the privacy safeguards to the extent that they are capable of operating concurrently.

Note: This means that the privacy safeguards do not cover the field that they deal with.

Relationship with the Privacy Act 1988

- (3) This Division does not limit Part IIIA (about credit reporting) of the *Privacy Act 1988*. However, the regulations may declare that in specified circumstances that Part applies in relation to CDR data as if specified provisions of that Part were omitted, modified or varied as specified in the declaration.
- (4) Despite the *Privacy Act 1988*:
 - (a) the Australian Privacy Principles do not apply to an accredited data recipient of CDR data in relation to the CDR data; and
 - (aa) if section 56ED, 56EE, 56EF or 56EG applies to an accredited person in relation to CDR data—the corresponding Australian Privacy Principle does not apply to the accredited person in relation to the CDR data; and
 - (b) if subsection 56EN(1) applies to a disclosure of CDR data by a data holder of the CDR data—Australian Privacy Principle 10 does not apply to the data holder in relation to that disclosure of the CDR data; and
 - (c) if subsection 56EP(1) applies to CDR data and a data holder of the CDR data—Australian Privacy Principle 13 does not apply to the data holder in relation to the CDR data; and

Section 56ED

- (d) Australian Privacy Principles 6, 7 and 11 do not apply to a designated gateway for CDR data in relation to the CDR data.

Note 1: For the accredited data recipient, the privacy safeguards will apply instead.

Note 2: Section 56EN (or privacy safeguard 11) is about the quality of CDR data. Section 56EP (or privacy safeguard 13) is about correcting CDR data.

- (5) Apart from paragraphs (4)(aa) to (d), this Division does not affect how the Australian Privacy Principles apply to:
- (aa) an accredited person who does not become an accredited data recipient of the CDR data; or
 - (a) a data holder of CDR data in relation to the CDR data; or
 - (b) a designated gateway for CDR data in relation to the CDR data.

Note 1: Privacy safeguard 1 will apply to a data holder or designated gateway in parallel to Australian Privacy Principle 1.

Note 2: The consumer data rules (which are made under Division 2) will affect how the Australian Privacy Principles apply. Requirements and authorisations under those rules will be requirements or authorisations under an Australian law for the purposes of the Australian Privacy Principles.

Subdivision B—Consideration of CDR data privacy

56ED Privacy safeguard 1—open and transparent management of CDR data

Object

- (1) The object of this section is to ensure that each person (a **CDR entity**) who is:
- (a) a data holder of CDR data; or
 - (b) an accredited person who is or who may become an accredited data recipient of CDR data; or
 - (c) a designated gateway for CDR data;

Section 56ED

manages the CDR data in an open and transparent way.

Compliance with this Part etc.

- (2) The CDR entity must take such steps as are reasonable in the circumstances to implement practices, procedures and systems that:
- (a) will ensure that the CDR entity complies with this Part and the consumer data rules; and
 - (b) will enable the CDR entity to deal with inquiries or complaints from a CDR consumer for the CDR data about the CDR entity's compliance with this Part or the consumer data rules.

Policy about the management of CDR data

- (3) The CDR entity must have and maintain a clearly expressed and up-to-date policy that:
- (a) is about the CDR entity's management of CDR data; and
 - (b) is in a form approved in accordance with the consumer data rules; and
 - (c) contains the information required by subsections (4), (5) and (6) (as applicable).

Note: This subsection is a civil penalty provision (see section 56EU).

- (4) If the CDR entity is a data holder of any CDR data, the CDR entity's policy must contain the following information:
- (a) how a CDR consumer for the CDR data may access the CDR data and seek the correction of the CDR data;
 - (b) how a CDR consumer for the CDR data may complain about a failure of the CDR entity to comply with this Part or the consumer data rules, and how the CDR entity will deal with such a complaint.
- (5) If the CDR entity is an accredited person who is or who may become an accredited data recipient of any CDR data, the CDR entity's policy must contain the following information:

Section 56ED

- (a) the classes of CDR data that is or may become held by (or on behalf of) the CDR entity as an accredited data recipient, and how such CDR data is held or is to be held;
 - (b) the purposes for which the CDR entity may collect, hold, use or disclose such CDR data with the consent of a CDR consumer for the CDR data;
 - (c) how a CDR consumer for such CDR data may access the CDR data and seek the correction of the CDR data;
 - (d) how a CDR consumer for such CDR data may complain about a failure of the CDR entity to comply with this Part or the consumer data rules, and how the CDR entity will deal with such a complaint;
 - (e) whether the CDR entity is likely to disclose such CDR data to accredited persons who are based overseas;
 - (f) if the CDR entity is likely to disclose such CDR data to accredited persons who are based overseas—the countries in which such persons are likely to be based if it is practicable to specify those countries in the policy;
 - (g) the circumstances in which the CDR entity may disclose such CDR data to a person who is not an accredited person;
 - (h) the events about which the CDR entity will notify the CDR consumers of such CDR data;
 - (i) the circumstances in which the CDR entity must delete or de-identify such CDR data in accordance with a request given by a CDR consumer for the CDR data under the consumer data rules.
- (6) If the CDR entity is a designated gateway for any CDR data, the CDR entity's policy must contain the following information:
- (a) an explanation of how the CDR entity, as a designated gateway, will act between persons to facilitate:
 - (i) the disclosure of CDR data; or
 - (ii) the accuracy of CDR data; or
 - (iii) other matters;under the consumer data rules;

Section 56EE

- (b) how a CDR consumer for such CDR data may complain about a failure of the CDR entity to comply with this Part or the consumer data rules, and how the CDR entity will deal with such a complaint.

Availability of policy etc.

- (7) The CDR entity must make the CDR entity's policy available:
- (a) free of charge; and
 - (b) in accordance with the consumer data rules.

Note: One way the consumer data rules could require the policy to be made available is to require the policy to be made available in accordance with a data standard.

- (8) If a copy of the CDR entity's policy is requested by a CDR consumer for the CDR data, the CDR entity must give the CDR consumer a copy in accordance with the consumer data rules.

56EE Privacy safeguard 2—anonymity and pseudonymity

- (1) A person who is:
- (a) an accredited data recipient of CDR data; or
 - (b) an accredited person who may become an accredited data recipient of CDR data;

must give each CDR consumer for that CDR data the option of using a pseudonym, or not identifying themselves, when dealing with the person in relation to that CDR data.

Part IVE—Motor vehicle service and repair information sharing scheme

Division 1—Objects of Part and simplified outline

57AA Objects of Part

The objects of this Part are to:

- (a) promote competition between Australian repairers of passenger and light goods motor vehicles and establish a fair playing field by mandating access, on fair and reasonable commercial terms, to information used to diagnose, repair, service, modify or dismantle scheme vehicles; and

Note: These vehicles are defined as *scheme vehicles* (see section 57BA).

- (b) enable consumers to have scheme vehicles diagnosed, repaired, serviced, modified or dismantled safely and effectively by an Australian repairer of their choice; and
- (c) encourage the provision of accessible and affordable information about scheme vehicles to Australian repairers, and to registered training organisations (for training purposes); and
- (d) protect safety and security information about scheme vehicles to ensure the safety and security of consumers, information users and the general public; and
- (e) provide for the resolution of disputes about the application of this Part.

57AB Simplified outline

This Part sets up a scheme to improve access by Australian motor vehicle repairers and registered training organisations (called “scheme RTOs”) to information used to diagnose faults with,

Section 57AB

service, repair, modify or dismantle motor vehicles covered by the scheme.

Such information (called “scheme information”) is required to be offered for supply to Australian repairers and scheme RTOs at a price that does not exceed fair market value.

Those who supply scheme information (called “data providers”) to Australian repairers and scheme RTOs are protected from certain civil claims in doing so.

To protect the safety and security of vehicle owners, individuals working for an Australian repairer or scheme RTO who access scheme information relating to vehicle safety and security must satisfy certain criteria relating to whether they are fit and proper persons to have access to such information.

Sensitive information about such individuals may be obtained by data providers for this purpose. The handling of such information is also restricted under this Part. The information cannot be made available to anyone outside Australia (including to any data provider).

Provision is made for resolving disputes about the application of the Part.

Provision is made for a scheme adviser. The scheme adviser’s functions include facilitating mediation of disputes between data providers and Australian repairers or scheme RTOs, and providing information about the operation of the scheme.

 - (c) a breach of an equitable obligation of confidence to which the data provider is subject in relation to the supply of the scheme information.

Section 57CD

Note 1: Division 4 of Part IVA of the *Copyright Act 1968* (which provides that certain uses of material by educational institutions do not infringe copyright) does not apply in relation to scheme information supplied under this Part (see paragraph 113P(1)(b) of that Act).

 - (d) apart from this section, the infringement would constitute an acquisition of property otherwise than on just terms (within the meaning of paragraph 51(xxxi) of the Constitution).
- (3) The data provider must pay to the third party claimant an amount that represents compensation on just terms (within the meaning of paragraph (xxxix) of the Constitution) for the supply of the scheme information to the Australian repairer or scheme RTO.

80AC Injunctions to prevent mergers if authorisation granted on the basis of false or misleading information

If, on the application of the Commission, the Court is satisfied that:

- (a) a person is proposing to acquire shares in the capital of a body corporate or assets of a person; and
- (b) the person was granted a merger authorisation for the proposed acquisition on the basis of information that was false or misleading in a material particular; and
- (c) that information was given by the person or a body corporate that was related to the person; and
- (d) if that information had not been given, the authorisation would not have been granted; and
- (e) apart from the authorisation, the acquisition would contravene section 50 if it occurred;

then the Court may grant an injunction in such terms as the Court determines to be appropriate.

81 Divestiture where merger contravenes section 50 or 50A

- (1) The Court may, on the application of the Commission or any other person, if it finds, or has in another proceeding instituted under this Part found, that a person has contravened section 50, by order, give directions for the purpose of securing the disposal by the person of all or any of the shares or assets acquired in contravention of that section.

(1A) Where:

- (a) the Court finds, in a proceeding instituted under this Part, that a person (in this subsection referred to as the *acquirer*) has acquired shares in the capital of a body corporate or any assets of a person in contravention of section 50;
- (b) the Court finds, whether in that proceeding or any other proceeding instituted under this Part, that the person (in this section referred to as the *vendor*) from whom the acquirer acquired those shares or those assets, as the case may be, was involved in the contravention; and

(c) at the time when the finding referred to in paragraph (b) is made, any of those shares or those assets, as the case may be, are vested in the acquirer or, if the acquirer is a body corporate, in any body corporate that is related to the acquirer;

the Court may, on the application of the Commission, declare that the acquisition, in so far as it relates to the shares or assets referred to in paragraph (c), is void as from the day on which it took place and, where the Court makes such a declaration:

(d) the shares or the assets to which the declaration relates shall be deemed not to have been disposed of by the vendor; and

(e) the vendor shall refund to the acquirer any amount paid to the vendor in respect of the acquisition of the shares or assets to which the declaration relates.

(1B) Where a declaration has been made under subsection 50A(1) in relation to the obtaining of a controlling interest in a corporation, or in each of 2 or more corporations, the Court may, on the application of the Minister or the Commission, if it finds, or has in a proceeding instituted under section 80 found, that that corporation, or any of those corporations, as the case may be (in this subsection referred to as the *relevant corporation*), has contravened subsection 50A(6), by order, for the purpose of ensuring that the obtaining of that controlling interest ceases to have the result referred to in paragraph 50A(1)(a), direct the relevant corporation to dispose of such of its assets as are specified in the order within such period as is so specified.

(1C) Where an application is made to the Court for an order under subsection (1) or a declaration under subsection (1A), the Court may, instead of making an order under subsection (1) for the purpose of securing the disposal by a person of shares or assets or an order under subsection (1A) that the acquisition by a person of shares or assets is void, accept, upon such conditions (if any) as the Court thinks fit, an undertaking by the person to dispose of other shares or assets owned by the person.

Section 81A

- (2) An application under subsection (1), (1A) or (1B) may be made at any time within 3 years after the date on which the contravention occurred.
- (3) Where an application for directions under subsection (1) or for a declaration under subsection (1A) has been made, whether before or after the commencement of this subsection, the Court may, if the Court determines it to be appropriate, give directions or make a declaration by consent of all the parties to the proceedings, whether or not the Court has made the findings referred to in subsections (1) and (1A).

81A Divestiture where merger done under authorisation granted on false etc. information

Circumstances when this section applies

- (1) This section applies if the Court is satisfied that:
 - (a) a person (the **acquirer**) has acquired shares in the capital of a body corporate or assets of another person; and
 - (b) before the acquisition, the acquirer was granted a merger authorisation for the acquisition on the basis of information that was false or misleading in a material particular; and
 - (c) that information was provided by the acquirer or a body corporate that was related to the acquirer; and
 - (d) the Court or another court has found that the acquirer or related body corporate has contravened section 92 or Part 7.4 of the *Criminal Code* by giving that information; and
 - (e) if that information had not been given, the authorisation would not have been granted; and
 - (f) apart from the authorisation, the acquisition would have contravened section 50; and
 - (g) any or all of those shares or assets are vested in the acquirer, the related body corporate or any other body corporate that is related to the acquirer.

Divestiture by the acquirer and related bodies corporate

- (2) The Court may, on the application of the Commission, by order, give directions for the purpose of securing the disposal of all or any of those shares or assets by the acquirer, the related body corporate or any other body corporate that is related to the acquirer.

Declaration that acquisition void—when vendor involved

- (4) In addition to being satisfied of the matters in subsection (1), if the Court, or another court, has found that the person (the **vendor**) from whom the acquirer acquired the shares or assets was involved in the contravention referred to in paragraph (1)(d), then the Court may, on the application of the Commission, by order, declare that the acquisition, in so far as it relates to those shares or assets, is void as from the day on which it occurred.
- (5) If the Court makes an order under subsection (4), then:
- (a) the shares or assets to which the declaration relates are taken not to have been disposed of by the vendor; and
 - (b) the vendor must refund to the acquirer any amount paid to the vendor for acquiring the shares or assets.

Alternative to orders under subsections (2) and (4)

- (7) If an application is made to the Court for an order under subsection (2) or (4) against a person, the Court may, instead of making an order of the kind mentioned in that subsection, accept, upon such conditions (if any) as the Court thinks fit, an undertaking by the person to dispose of other shares or assets owned by the person.

When application for orders under this section must be made

- (8) An application under subsection (2) or (4) may be made at any time within 3 years after the day on which the acquisition occurred.

Section 82

Court may make orders even if not satisfied of all matters

- (9) If an application for an order under subsection (2) or (4) is made, the Court may, if the Court determines it to be appropriate, make an order by consent of all the parties to the proceedings, whether or not the Court is satisfied of:
- (a) for an order under subsection (2)—the matters in subsection (1); and
 - (b) for an order under subsection (4)—the matters in subsections (1) and (4).

No adverse costs orders

- (3) A person who brings an action under subsection (1) in relation to a contravention of a provision of Part IV may at any time during proceedings on the matter seek an order under subsection (4) from the court hearing, or that will hear, the matter.

- (4) The court may order that the applicant is not liable for the costs of any respondent to the proceedings, regardless of the outcome or likely outcome of the proceedings.
- (5) The court may only make an order under subsection (4) if the court is satisfied that:
 - (a) the action raises a reasonable issue for trial; and
 - (b) the action raises an issue that is not only significant for the applicant, but may also be significant for other persons or groups of persons; and
 - (c) the disparity between the financial position of the applicant and the financial position of the respondent or respondents is such that the possibility of a costs order that does not favour the applicant might deter the applicant from pursuing the action.
- (6) The court may satisfy itself of the matters in subsection (5) by having regard only to the documents filed with the court in the proceedings.
- (7) A person who appeals a decision of the court under subsection (4) is liable for any costs in relation to the appeal.

- (2) For the purposes of this Part, there is a single apportionable claim in proceedings in respect of the same loss or damage even if the claim for the loss or damage is based on more than one cause of action (whether or not of the same or a different kind).
- (3) In this Part, a *concurrent wrongdoer*, in relation to a claim, is a person who is one of 2 or more persons whose acts or omissions (or act or omission) caused, independently of each other or jointly, the damage or loss that is the subject of the claim.
- (4) For the purposes of this Part, apportionable claims are limited to those claims specified in subsection (1).
- (5) For the purposes of this Part, it does not matter that a concurrent wrongdoer is insolvent, is being wound up or has ceased to exist or died.

87CC Certain concurrent wrongdoers not to have benefit of apportionment

- (1) Nothing in this Part operates to exclude the liability of a concurrent wrongdoer (an *excluded concurrent wrongdoer*) in proceedings involving an apportionable claim if:

- (a) the concurrent wrongdoer intended to cause the economic loss or damage to property that is the subject of the claim; or
 - (b) the concurrent wrongdoer fraudulently caused the economic loss or damage to property that is the subject of the claim.
- (2) The liability of an excluded concurrent wrongdoer is to be determined in accordance with the legal rules (if any) that (apart from this Part) are relevant.
- (3) The liability of any other concurrent wrongdoer who is not an excluded concurrent wrongdoer is to be determined in accordance with the provisions of this Part.

87CD Proportionate liability for apportionable claims

- (1) In any proceedings involving an apportionable claim:
- (a) the liability of a defendant who is a concurrent wrongdoer in relation to that claim is limited to an amount reflecting that proportion of the damage or loss claimed that the court considers just having regard to the extent of the defendant's responsibility for the damage or loss; and
 - (b) the court may give judgment against the defendant for not more than that amount.
- (2) If the proceedings involve both an apportionable claim and a claim that is not an apportionable claim:
- (a) liability for the apportionable claim is to be determined in accordance with the provisions of this Part; and
 - (b) liability for the other claim is to be determined in accordance with the legal rules, if any, that (apart from this Part) are relevant.
- (3) In apportioning responsibility between defendants in the proceedings:
- (a) the court is to exclude that proportion of the damage or loss in relation to which the plaintiff is contributorily negligent under any relevant law; and

Section 87CE

- (b) the court may have regard to the comparative responsibility of any concurrent wrongdoer who is not a party to the proceedings.
- (4) This section applies in proceedings involving an apportionable claim whether or not all concurrent wrongdoers are parties to the proceedings.
- (5) A reference in this Part to a defendant in proceedings includes any person joined as a defendant or other party in the proceedings (except as a plaintiff) whether joined under this Part, under rules of court or otherwise.

87CE Defendant to notify plaintiff of concurrent wrongdoer of whom defendant aware

- (1) If:
 - (a) a defendant in proceedings involving an apportionable claim has reasonable grounds to believe that a particular person (the *other person*) may be a concurrent wrongdoer in relation to the claim; and
 - (b) the defendant fails to give the plaintiff, as soon as practicable, written notice of the information that the defendant has about:
 - (i) the identity of the other person; and
 - (ii) the circumstances that may make the other person a concurrent wrongdoer in relation to the claim; and
 - (c) the plaintiff unnecessarily incurs costs in the proceedings because the plaintiff was not aware that the other person may be a concurrent wrongdoer in relation to the claim;the court hearing the proceedings may order that the defendant pay all or any of those costs of the plaintiff.
- (2) The court may order that the costs to be paid by the defendant be assessed on an indemnity basis or otherwise.

87CF Contribution not recoverable from defendant

A defendant against whom judgment is given under this Part as a concurrent wrongdoer in relation to an apportionable claim:

- (a) cannot be required to contribute to any damages or contribution recovered from another concurrent wrongdoer in respect of the apportionable claim (whether or not the damages or contribution are recovered in the same proceedings in which judgment is given against the defendant); and
- (b) cannot be required to indemnify any such wrongdoer.

87CG Subsequent actions

- (1) In relation to an apportionable claim, nothing in this Part or any other law prevents a plaintiff who has previously recovered judgment against a concurrent wrongdoer for an apportionable part of any damage or loss from bringing another action against any other concurrent wrongdoer for that damage or loss.
- (2) However, in any proceedings in respect of any such action, the plaintiff cannot recover an amount of damages that, having regard to any damages previously recovered by the plaintiff in respect of the damage or loss, would result in the plaintiff receiving compensation for damage or loss that is greater than the damage or loss actually sustained by the plaintiff.

87CH Joining non-party concurrent wrongdoer in the action

- (1) The court may give leave for any one or more persons to be joined as defendants in proceedings involving an apportionable claim.
- (2) The court is not to give leave for the joinder of any person who was a party to any previously concluded proceedings in respect of the apportionable claim.

87CI Application of Part

Nothing in this Part:

Section 87CI

- (a) prevents a person being held vicariously liable for a proportion of an apportionable claim for which another person is liable; or
- (b) prevents a partner from being held severally liable with another partner for that proportion of an apportionable claim for which the other partner is liable; or
- (c) affects the operation of any other Act to the extent that it imposes several liability on any person in respect of what would otherwise be an apportionable claim.

87G Date of discoverability

Definition

- (1) The **date of discoverability** for the death or injury is the first date when the plaintiff in the proceeding knows or ought to know each of the following:
 - (a) that the death or personal injury has occurred;
 - (b) that the death or personal injury was attributable to a contravention of this Act;
 - (c) that in the case of a personal injury—the injury was significant enough to justify bringing an action.

Section 87G

Constructive knowledge

- (2) For the purposes of subsection (1), the plaintiff **ought to know** a fact if the plaintiff would have ascertained the fact had the plaintiff taken all reasonable steps before the date in question to ascertain the fact.

Proceedings by personal representatives

- (6) Despite subsection (1), if the plaintiff brings the proceeding in the capacity of the personal representative of a deceased person, the **date of discoverability** for the death or injury is the earliest of:

88 Commission may grant authorisations

Granting an authorisation

- (1) Subject to this Part, the Commission may, on an application by a person, grant an authorisation to a person to engage in conduct, specified in the authorisation, to which one or more provisions of Part IV specified in the authorisation would or might apply.

Note: For an extended meaning of engaging in conduct, see subsection 4(2).

Effect of an authorisation

- (2) While the authorisation remains in force, the provisions of Part IV specified in the authorisation do not apply in relation to the conduct to the extent that it is engaged in by:
- (a) the applicant; and
 - (b) any other person named or referred to in the application as a person who is engaged in, or who is proposed to be engaged in, the conduct; and
 - (c) any particular persons or classes of persons, as specified in the authorisation, who become engaged in the conduct.

Conditions

- (3) The Commission may specify conditions in the authorisation. Subsection (2) does not apply if any of the conditions are not complied with.
- (4) Without limiting subsection (3), the Commission may grant a merger authorisation on the condition that a person must give, and comply with, an undertaking to the Commission under section 87B.

Single authorisation may deal with several types of conduct

- (5) The Commission may grant a single authorisation for all the conduct specified in an application for authorisation, or may grant separate authorisations for any of the conduct.

Past conduct

- (6) The Commission does not have power to grant an authorisation for conduct engaged in before the Commission decides the application for the authorisation.

Withdrawing an application

- (7) An applicant for an authorisation may at any time, by writing to the Commission, withdraw the application.

89 Procedure for applications and the keeping of a register

- (1) To be valid, an application for an authorisation, a minor variation of an authorisation, a revocation of an authorisation, or a revocation of an authorisation and the substitution of another authorisation, must:
- (a) be in a form approved by the Commission in writing and contain the information required by the form; and
 - (b) be accompanied by any other information or documents prescribed by the regulations; and
 - (c) be accompanied by the fee (if any) prescribed by the regulations.
- (1AA) Without limiting paragraph (1)(a), the form may require an application for a merger authorisation to contain an undertaking under section 87B that the applicant will not make the acquisition to which the authorisation relates while the Commission is considering the application.
- (1A) If the Commission receives a purported application that it considers is not a valid application, it must, within 5 business days of receiving the purported application, give the person who made the purported application a written notice:
- (a) stating that the person has not made a valid application; and
 - (b) giving reasons why the purported application does not comply with this Division.
- (1B) For the purposes of subsection (1A), **business day** means a day that is not a Saturday, a Sunday or a public holiday in the Australian Capital Territory.
- (2) If the Commission receives an application referred to in subsection (1), the Commission must cause notice of the receipt of that application to be made public in such manner as it thinks fit.
- (3) The Commission must keep a register of:
- (a) applications for authorizations; and
 - (b) applications for minor variations of authorizations; and

-
- (c) applications for, or the Commission's proposals for, the revocation of authorizations; and
- (d) applications for, or the Commission's proposals for, the revocation of authorizations and the substitution of other authorizations;
- including applications that have been withdrawn or proposals that have been abandoned.
- (4) Subject to this section, the register kept under subsection (3) shall include:
- (a) any document furnished to the Commission in relation to an application or proposal referred to in subsection (3);
 - (aa) any draft determination, and any summary of reasons, by the Commission that is furnished to a person under section 90A, or under that section as applied by section 91C;
 - (ab) any record of a conference made in accordance with subsection 90A(8), or with that subsection as applied by section 91C, and any certificate in relation to a conference given under subsection 90A(9), or under that subsection as so applied;
 - (b) particulars of any oral submission made to the Commission in relation to such an application or proposal; and
 - (c) the determination of the Commission on such an application or proposal and the statement of the reasons given by the Commission for that determination.
- (5) Where a person furnishes a document to the Commission in relation to an application or proposal referred to in subsection (3) or makes an oral submission to the Commission in relation to such an application or proposal, he or she may, at the time when the document is furnished or the submission is made, request that the document or a part of the document, or that particulars of the submission or of part of the submission, be excluded from the register kept under subsection (3) by reason of the confidential nature of any of the matters contained in the document or submission.
- (5A) Where such a request is made:

Section 89

- (a) if the document or the part of the document, or the submission or the part of the submission, to which the request relates contains particulars of:
 - (i) a secret formula or process;
 - (ii) the cash consideration offered for the acquisition of shares in the capital of a body corporate or assets of a person; or
 - (iii) the current costs of manufacturing, producing or marketing goods or services;

the Commission shall exclude the document or the part of the document, or particulars of the submission or of the part of the submission, as the case may be, from the register kept under subsection (3); and

- (b) in any other case—the Commission may, if it is satisfied that it is desirable to do so by reason of the confidential nature of the matters contained in the document or the part of the document, or in the submission or the part of the submission, exclude the document or the part of the document, or particulars of the submission or of the part of the submission, as the case may be, from that register.

(5B) If the Commission refuses a request to exclude a document or a part of a document from the register kept under subsection (3), the Commission shall, if the person who furnished the document to the Commission so requires, return the document or part of the document to him or her and, in that case, paragraph (4)(a) does not apply in relation to the document or part of the document.

(5C) If the Commission refuses a request to exclude particulars of an oral submission or of part of an oral submission from the register kept under subsection (3), the person who made the submission may inform the Commission that he or she withdraws the submission or that part of the submission and, in that case, paragraph (4)(b) does not apply in relation to the submission or that part of the submission, as the case may be.

(5D) Where the Commission is satisfied that it is desirable to do so for any reason other than the confidential nature of matters contained

in a document or submission, the Commission may exclude a document or part of a document referred to in paragraph (4)(a) or particulars referred to in paragraph (4)(b) from the register kept under subsection (3).

- (5E) If a person requests, in accordance with subsection (5) that a document or a part of a document, or that particulars of a submission or of part of a submission, be excluded from the register kept under subsection (3), the document or part of the document, or particulars of the submission or of the part of the submission, shall not be included in that register until the Commission has made a determination in relation to the request.
- (6) A document shall not be included in the register kept under subsection (3) if a direction in relation to that document was in force under paragraph 22(1)(b) of this Act immediately before the commencement of the *Trade Practices Amendment Act 1977*.
- (7) The Commission may disclose information excluded under this section from the register kept under subsection (3) to such persons and on such terms as it considers reasonable and appropriate for the purposes of making its determination on the application concerned.

90 Determination of applications for authorisations

- (1) The Commission shall, in respect of an application for an authorization:
 - (a) make a determination in writing granting such authorization as it considers appropriate; or
 - (b) make a determination in writing dismissing the application.
- (4) The Commission shall state in writing its reasons for a determination made by it.
- (5) Before making a determination in respect of an application for an authorisation other than a merger authorisation the Commission shall comply with the requirements of section 90A.

Part VII Authorisations and notifications

Division 1 Authorisations

Section 90

Note: Alternatively, the Commission may rely on consultations undertaken by the AEMC: see section 90B.

- (6) Before making a determination in respect of an application for an authorisation, the Commission may do any one or more of the following:
- (a) give any persons who appear to the Commission to be interested a written notice inviting submissions in respect of the application within a specified period;
 - (b) give the applicant a written notice requesting the applicant to give the Commission, within a specified period, additional information relevant to making its determination in respect of the application;
 - (c) give a person a written notice requesting the person to give the Commission, within a specified period, particular information relevant to making its determination in respect of the application;
 - (d) consult with such persons as it considers reasonable and appropriate for the purposes of making its determination in respect of the application.
- (6A) In making a determination in respect of an application for an authorisation, the Commission must take into account:
- (a) any submissions or information received under paragraph (6)(a), (b) or (c) within the period specified in the notice mentioned in that paragraph; and
 - (b) any information obtained from consultations under paragraph (6)(d).

The Commission may, but need not, take into account any submissions or information received after the end of those periods.

Note: Unless the application is for a merger authorisation, the Commission may instead rely on consultations undertaken by the AEMC: see section 90B.

- (7) The Commission must not make a determination granting an authorisation under section 88 in relation to conduct unless:

- (a) the Commission is satisfied in all the circumstances that the conduct would not have the effect, or would not be likely to have the effect, of substantially lessening competition; or
 - (b) the Commission is satisfied in all the circumstances that:
 - (i) the conduct would result, or be likely to result, in a benefit to the public; and
 - (ii) the benefit would outweigh the detriment to the public that would result, or be likely to result, from the conduct; or
 - (c) all of the following apply:
 - (i) a national emergency declaration (within the meaning of the *National Emergency Declaration Act 2020*) is in force;
 - (ii) the Commission is satisfied in all the circumstances that the conduct would assist, or would be likely to assist, in the response to or recovery from the emergency to which the national emergency declaration relates; and
 - (iii) the Commission is satisfied in all the circumstances that the benefit to the public resulting from the assistance, or likely assistance, together with any other public benefit resulting from the conduct, would outweigh the detriment to the public that would result, or be likely to result, from the conduct.
- (8) Paragraph (7)(a) does not apply if any of the following provisions would (apart from an authorisation under section 88) apply to the conduct:
- (a) one or more provisions of Division 1 of Part IV (cartel conduct);
 - (b) one or more of sections 45D to 45DB (secondary boycotts);
 - (ba) one or more provisions of section 45E or 45EA (contracts etc. affecting the supply or acquisition of goods or services);
 - (c) section 48 (resale price maintenance).
- (9A) In relation to the Commission's consideration of an application for an authorisation to engage in conduct to which section 49 would or might apply or for a merger authorisation, in determining what

Section 90

amounts to a benefit to the public for the purposes of paragraph (7)(b) and subparagraph (7)(c)(iii):

- (a) the Commission must regard the following as benefits to the public (in addition to any other benefits to the public that may exist apart from this paragraph):
 - (i) a significant increase in the real value of exports;
 - (ii) a significant substitution of domestic products for imported goods; and
 - (b) without limiting the matters that may be taken into account, the Commission must take into account all other relevant matters that relate to the international competitiveness of any Australian industry.
- (10) If the Commission does not determine an application for an authorisation (other than an application for a merger authorisation) within the relevant period, then it is taken to have granted the application at the end of that period.
- (10A) For the purposes of subsection (10), the *relevant period* is the period of 6 months beginning on the day the Commission received the application. However, if, before the end of that 6 month period:
- (a) the Commission has prepared a draft determination under subsection 90A(1) in relation to the application; and
 - (b) the Commission determines in writing that that period is extended by a specified period of not more than 6 months; and
 - (c) the applicant agrees to that period being so extended;
- the *relevant period* is that period as so extended.
- (10B) Subject to subsections (12) and (13), if:
- (a) the Commission does not determine an application for a merger authorisation within the 90-day period beginning on the day the Commission received the application; and
 - (b) the application is not an application for an overseas merger authorisation;
- the Commission is taken to have refused, at the end of that period, to grant the authorisation applied for.

- (11) Subject to subsections (12) and (13), if the Commission does not determine an application for an overseas merger authorisation within:
- (a) 30 days from the day on which the application is received by the Commission; or
 - (b) if the Commission, before the end of that period of 30 days, gives to the applicant a notice in writing requesting the applicant to give to the Commission additional information relevant to the determination of the application—the period consisting of 30 days from the day on which the application is received by the Commission increased by the number of days in the period commencing on the day on which the notice is given to the applicant and ending on the day on which the applicant gives to the Commission such of the additional information as the applicant is able to provide;
- the Commission shall be deemed to have granted, at the end of that period, the authorisation applied for.
- (11A) The Commission may, within the 30 day period mentioned in subsection (11), notify the applicant in writing that the Commission considers that the period should be extended to 45 days due to the complexity of the issues involved. If the Commission so notifies the applicant, the references in subsection (11) to 30 days are to be treated as references to 45 days.
- (12) If the applicant for an authorization informs the Commission in writing before the expiration of the period referred to in subsection (10B) or (11) (the **base period**) that the applicant agrees to the Commission taking a specified longer period for the determination of the application, a reference to that longer period shall be deemed for the purposes of that application to be substituted in that subsection for the reference in that subsection to the base period.
- (13) For the purposes of any application of subsection (12), a reference in that subsection to the base period shall, if a reference to another period is deemed by any other application or applications of that

Section 90

subsection to have been substituted in subsection (10B) or (11) for the reference in subsection (10B) or (11) to the base period, be construed as a reference to that other period.

- (14) If a person to whom a notice has been sent under subsection 90A(2) in relation to a draft determination in respect of an application for an authorization notifies the Commission in accordance with subsection 90A(6) that he or she wishes the Commission to hold a conference in relation to the draft determination, the relevant period (worked out under subsection (10A) of this section) shall be deemed to be increased by a period equal to the period commencing on the day on which the first notification in relation to the draft determination was received by the Commission and ending on the seventh day after the day specified in the certificate given by a member of the Commission in pursuance of subsection 90A(9) as the day on which the conference terminated.
- (15) Where a party to a joint venture makes at the one time two or more applications for authorizations (other than an application for a merger authorisation), being applications each of which deals with a matter relating to the joint venture:
- (a) the Commission shall not make a determination in respect of any one of those applications unless it also makes a determination or determinations at the same time in respect of the other application or other applications; and
 - (b) if the Commission does not make a determination in respect of any one of the applications within the relevant period (worked out under subsection (10A)) in relation to that application, the Commission shall be deemed to have granted, at the expiration of that period, all the authorizations applied for.

90A Commission to afford opportunity for conference before determining application for authorisation

- (1) Before determining an application for an authorization (other than an application for a merger authorisation), the Commission shall prepare a draft determination in relation to the application.
- (2) The Commission shall, by notice in writing sent to the applicant and to each other interested person, invite the applicant or other person to notify the Commission, within 14 days after a date fixed by the Commission being not earlier than the day on which the notice is sent, whether the applicant or other person wishes the Commission to hold a conference in relation to the draft determination.
- (3) If:
 - (a) the draft determination provides for the granting of the application unconditionally; and
 - (b) no person has made a written submission to the Commission opposing the application;each notice by the Commission under subsection (2) shall inform the person to whom the notice is sent that the draft determination so provides.
- (4) If:
 - (a) the draft determination does not provide for the granting of the application or provides for the granting of the application subject to conditions; or
 - (b) the draft determination provides for the granting of the application unconditionally but a written submission has, or written submissions have, been made to the Commission opposing the application;the Commission shall send with each notice under subsection (2) a copy of the draft determination and:
 - (c) in a case to which paragraph (a) applies—a summary of the reasons why the Commission is not satisfied that the application should be granted or why it is not satisfied that the application should be granted unconditionally; or

Section 90A

- (d) in a case to which paragraph (b) applies—a summary of the reasons why it is satisfied that the application should be granted unconditionally.
- (5) If each of the persons to whom a notice was sent under subsection (2):
 - (a) notifies the Commission within the period of 14 days mentioned in that subsection that he or she does not wish the Commission to hold a conference in relation to the draft determination; or
 - (b) does not notify the Commission within that period that he or she wishes the Commission to hold such a conference;the Commission may make the determination at any time after the expiration of that period.
- (6) If any of the persons to whom a notice was sent under subsection (2) notifies the Commission in writing within the period of 14 days mentioned in that subsection that he or she wishes the Commission to hold a conference in relation to the draft determination, the Commission shall appoint a date (being not later than 30 days after the expiration of that period), time and place for the holding of the conference and give notice of the date, time and place so appointed to each of the persons to whom a notice was sent under subsection (2).
- (7) At the conference:
 - (a) the Commission shall be represented by a member or members of the Commission (being a member or members who participated in the preparation of the draft determination) nominated by the Chairperson; and
 - (b) each person to whom a notice was sent under subsection (2) and any other interested person whose presence at the conference is considered by the Commission to be appropriate is entitled to attend and participate personally or, in the case of a body corporate, may be represented by a person who, or by persons each of whom, is a director, officer or employee of the body corporate; and

- (c) a person participating in the conference in accordance with paragraph (a) or (b) is entitled to have another person or other persons present to assist him or her but a person who so assists another person at the conference is not entitled to participate in the discussion; and
 - (e) no other person is entitled to be present.
- (8) A member of the Commission participating in the conference shall make such record of the discussions as is sufficient to set out the matters raised by the persons participating in the conference.
- (9) The member of the Commission who represents the Commission at the conference, or, if the Commission is represented by more than one member of the Commission, one of those members appointed by the Chairperson:
- (a) may exclude from the conference any person who uses insulting language at the conference, creates, or takes part in creating or continuing, a disturbance at the conference or repeatedly interrupts the conference;
 - (b) may terminate the conference when he or she is of the opinion that a reasonable opportunity has been given for the expression of the views of persons participating in the conference (other than persons excluded from the conference under paragraph (a)); and
 - (c) shall give a certificate certifying the day on which the first notification under subsection (6) in relation to the draft determination was received by the Commission and the day on which the conference terminated;
- and any such certificate shall be received in all courts as prima facie evidence of the matters certified.
- (10) A document purporting to be a certificate referred to in subsection (9) shall, unless the contrary is established, be deemed to be such a certificate and to have been duly given.
- (11) The Commission shall take account of all matters raised at the conference and may at any time after the termination of the conference make a determination in respect of the application.

Section 90B

- (12) For the purposes of this section, *interested person* means a person who has notified the Commission in writing that he or she, or a specified unincorporated association of which he or she is a member, claims to have an interest in the application, being an interest that, in the opinion of the Commission, is real and substantial.
- (13) Where the Commission is of the opinion that two or more applications for authorizations that are made by the same person, or by persons being bodies corporate that are related to each other, involve the same or substantially similar issues, the Commission may treat the applications as if they constitute a single application and may prepare one draft determination in relation to the applications and hold one conference in relation to that draft determination.

90B Commission may rely on consultations undertaken by the AEMC

- (1) This section applies if:
- (a) an application under section 88, 91A, 91B or 91C is made in relation to the National Electricity Rules or a provision of the Rules; and
 - (b) the AEMC has done the following:
 - (i) published the Rules or the provision and invited people to make submissions to it on the Rules or the provision;
 - (ii) specified the effect of subsection (2) when it published the Rules or the provision;
 - (iii) considered any submissions that were received within the time limit specified by it when it published the Rules or the provision.
- (2) In making a determination under section 90, 91A, 91B or 91C:
- (a) the Commission may rely on the process mentioned in paragraph (1)(b), instead of undertaking the process mentioned in section 90A, subsection 91A(2), 91B(2) or 91C(2) or (5); and

- (b) the Commission may take into account:
 - (i) any submissions mentioned in subparagraph (1)(b)(iii);
and
 - (ii) any submissions, in respect of the application, made by the AEMC; and
 - (c) despite subsection 90(6A), the Commission may disregard any submissions, in relation to the application, made by the Commonwealth, by a State or Territory, or by any other person (other than the AEMC).
- (3) In this section:
- National Electricity Rules*** means:
- (a) the National Electricity Rules, as in force from time to time, made under the National Electricity Law set out in the Schedule to the *National Electricity (South Australia) Act 1996* of South Australia; or
 - (b) those Rules as they apply as a law of another State; or
 - (c) those Rules as they apply as a law of a Territory; or
 - (d) those Rules as they apply as a law of the Commonwealth.

91 Grant and variation of authorisations

- (1) An authorization may be expressed to be in force for a period specified in the authorization and, if so expressed, remains in force for that period only.
- (1A) An authorisation, other than an authorisation deemed to have been granted under subsection 90(10) or (11), comes into force on the day specified for the purpose in the authorisation, not being a day earlier than, and an authorisation deemed to have been granted under subsection 90(10) or (11) comes into force on:
 - (a) where paragraph (b) or (c) does not apply—the end of the period in which an application may be made to the Tribunal for a review of the determination by the Commission of the application for the authorisation;

Section 91

- (b) if such an application is made to the Tribunal and the application is not withdrawn—the day on which the Tribunal makes a determination on the review;
 - (c) if such an application is made to the Tribunal and the application is withdrawn—the day on which the application is withdrawn.
- (1B) A minor variation of an authorization comes into force on a day specified by the Commission in the determination making the variation, not being a day earlier than:
- (a) if neither paragraph (b) nor (c) applies—the end of the period in which an application may be made to the Tribunal for a review of the determination of the Commission in respect of the application for the minor variation; or
 - (b) if such an application is made to the Tribunal and the application is not withdrawn—the day on which the Tribunal makes a determination on the review; or
 - (c) if such an application is made to the Tribunal and the application is withdrawn—the day on which the application is withdrawn.
- (1C) If an authorization (the *prior authorization*) is revoked and another authorization is made in substitution for it, that other authorization comes into force on the day specified for the purpose in that other authorization, not being a day earlier than:
- (a) if neither paragraph (b) nor (c) applies—the end of the period in which an application may be made to the Tribunal for a review of an application, or the Commission’s proposal, for the revocation of the prior authorization and the substitution of that other authorization; or
 - (b) if such an application is made to the Tribunal and the application is not withdrawn—the day on which the Tribunal makes a determination on the review; or
 - (c) if such an application is made to the Tribunal and the application is withdrawn—the day on which the application is withdrawn.
- (2) If the Commission considers that it is appropriate to do so:
-

- (a) for the purpose of enabling due consideration to be given to:
 - (i) an application for an authorization; or
 - (ii) an application for a minor variation of an authorization; or
 - (iii) an application for the revocation of an authorization and the substitution of a new one; or
 - (b) pending the expiration of the time allowed for the making of an application to the Tribunal for review of a determination by the Commission of an application referred to in paragraph (a) and, if such an application for a review is made, pending the making of a determination by the Tribunal on the review; or
 - (c) for any other reason;
- the Commission may at any time:
- (d) in the case of an application for an authorization—grant an authorization that is expressed to be an interim authorization; and
 - (e) in the case of an application for a minor variation of an authorization—grant an authorization that is expressed to be an interim authorization dealing only with the matter the subject of the application for a variation; and
 - (f) in the case of an application for the revocation of an authorization and the substitution of another—suspend the operation of the authorization sought to be revoked and grant an authorization that is expressed to be an interim authorization in substitution for the authorization suspended.
- (2AA) An authorization granted under paragraph 91(2)(d), (e) or (f) and expressed to be an interim authorization comes into force on such a date, not being a date before the grant of the interim authorization, as is specified by the Commission in the interim authorization.
- (2AB) The Commission may, at any time, revoke an authorization that is expressed to be an interim authorization and, where that interim authorization is in substitution for an authorization the operation of which has been suspended, the revocation of the interim

Section 91A

authorization has the effect of reviving the operation of the suspended authorization.

- (2A) Subsections 90(4) to (7), inclusive, do not apply in relation to an authorization that is expressed to be an interim authorization.

91A Minor variations of authorizations

- (1) A person to whom an authorization was granted, or another person on behalf of such a person, may apply to the Commission for a minor variation of the authorization.
- (2) On receipt of an application, the Commission must, if it is satisfied that the variation sought in the application is a minor variation, by notice in writing given to any persons who appear to the Commission to be interested:
 - (a) indicate the nature of the variation applied for; and
 - (b) invite submissions in respect of the variation within a period specified by the Commission.

Note: Alternatively, the Commission may rely on consultations undertaken by the AEMC: see section 90B.

- (2A) Subsection 90(6) (other than paragraph 90(6)(a)) applies in relation to an application for a minor variation of an authorisation in a corresponding way to the way in which it applies in relation to an application for an authorisation.
- (3) The Commission may make a determination in writing varying the authorisation or dismissing the application after taking into account the following:
- (a) the application;
 - (b) any submissions that are received within the period specified under paragraph (2)(b);
 - (c) any information received under paragraph 90(6)(b) or (c) (as that paragraph applies because of subsection (2A) of this section) within the period specified in the notice mentioned in that paragraph;

Section 91A

- (d) any information obtained from consultations under paragraph 90(6)(d) (as that paragraph applies because of subsection (2A) of this section).

The Commission may, but need not, take into account any submissions or information received after the end of those periods.

- (4) The Commission must not make a determination varying an authorisation in relation to conduct unless the Commission is satisfied in all the circumstances that:
- (a) if, in making the determination to grant the authorisation in relation to conduct, the Commission was satisfied that the conduct would not have the effect, or would not be likely to have the effect, of substantially lessening competition—the variation would not have the effect, or would not be likely to have the effect, of increasing the extent to which the conduct lessens competition; or
 - (b) if paragraph (a) does not apply—the variation would not result, or would not be likely to result, in a reduction in the extent to which the benefit to the public of the authorisation outweighs any detriment to the public caused by the authorisation.
- (4A) For the purposes of subsection (4), the Commission need not have regard to conduct that is unaffected by the variation.
- (5) Subsections 90(10B), (12) and (13) apply in relation to an application for a minor variation of a merger authorisation that is not an overseas merger authorisation in a corresponding way to the way those subsections apply in relation to an application for a merger authorisation that is not an overseas merger authorisation.
- Note: Those subsections deem the Commissioner to have refused to grant the application if the Commission does not determine the application within 90 days (or an extended period in some cases).
- (6) Nothing in this section prevents a person from applying for 2 or more variations in the same application.
- (7) If:
- (a) a person applies for 2 or more variations:

Section 91B

- (i) at the same time; or
 - (ii) in such close succession that the variations could conveniently be dealt with by the Commission at the same time; and
 - (b) the Commission is satisfied that the combined effect of those variations, if all were granted, would not involve a material change in the effect of the authorization;
the Commission may deal with all of those variations together as if they were a single minor variation.
- (8) An application for a minor variation may be withdrawn by notice in writing to the Commission at any time.

91B Revocation of an authorization

- (1) A person to whom an authorization was granted, or another person on behalf of such a person, may apply to the Commission for a revocation of the authorization.
 - (2) On receipt of such an application, the Commission must, by notice in writing given to any persons who appear to the Commission to be interested:
 - (a) indicate that the revocation of the authorization has been applied for; and
 - (b) indicate the basis on which the revocation has been applied for; and
 - (c) invite submissions in respect of the revocation within a period specified by the Commission.
- Note: Alternatively, the Commission may rely on consultations undertaken by the AEMC: see section 90B.
- (3) If, at any time after granting an authorization, it appears to the Commission that:
 - (a) the authorization was granted on the basis of evidence or information that was false or misleading in a material particular; or
 - (b) a condition to which the authorization was expressed to be subject has not been complied with; or

Section 91B

- (c) there has been a material change of circumstances since the authorization was granted;
- the Commission may, by notice in writing given to any persons who appear to the Commission to be interested:
- (d) inform those persons that it is considering the revocation of the authorization; and
 - (e) indicate the basis on which the revocation is being proposed; and

- (1) This Part deals with 3 main things.

Price inquiries

- (2) First, it provides for the Commission or another body to hold price inquiries in relation to the supply of goods or services.

- (5) If this happens, the person's ability to increase the prices of such goods or services during a particular period is restricted. However, there is a way for the person to increase prices during that period.

Price monitoring

- (6) Third, this Part allows the Minister to direct the Commission to undertake price monitoring.
- (7) This may be in relation to supplies of goods or services in a particular industry or in relation to supplies of goods or services by particular persons.

Division 2—Commission's functions under this Part

- (3) The Commission may, with the Minister's approval under section 95H, hold such other inquiries as it thinks fit.
- (4) The Commission is to give the Minister a report on the results of each inquiry it holds.

Price notifications

- (5) The Commission is to consider locality notices and to take, in relation to such notices, such action in accordance with this Part as it considers appropriate.

Price monitoring

- (6) The Commission is to monitor prices, costs and profits in any industry or business that the Minister directs it to monitor and is to give the Minister a report on the results of such monitoring.

General

- (7) In exercising its powers and performing its functions under this Part, the Commission must, subject to any directions given under section 95ZH, have particular regard to the following:
 - (a) the need to maintain investment and employment, including the influence of profitability on investment and employment;

Part VIIA Prices surveillance

Division 2 Commission's functions under this Part

Section 95G

- (b) the need to discourage a person who is in a position to substantially influence a market for goods or services from taking advantage of that power in setting prices;
