

LOCAL GOVERNMENT GRANTS ACT 1974

No. 100 of 1974

An Act to grant Financial Assistance in relation to Local Governing Bodies.

BE IT ENACTED by the Queen, the Senate and the House of Representatives of Australia, as follows:—

- | | |
|---|--|
| Short title. | 1. This Act may be cited as the <i>Local Government Grants Act 1974</i> . ¹ |
| Commence-
ment. | 2. This Act shall come into operation on the day on which it receives the Royal Assent. ¹ |
| Definition. | 3. In this Act, unless the contrary intention appears, “local governing body” means a local governing body established by or under a law of a State. |
| Grants for
local
governing
bodies. | 4. (1) In relation to each local governing body specified in the Schedule, there is payable in the financial year that commenced on 1 July 1974 to the State in which the local governing body is situated, for the purpose of financial assistance, the amount specified opposite to the name of that body in the Schedule.

(2) Payments to a State under sub-section (1) shall be made at such times and in such amounts as the Treasurer approves.

(3) The financial assistance to a State constituted by a payment of an amount under sub-section (1) in relation to a local governing body situated in that State is granted on condition that the State will, without undue delay and before 1 July 1975, make an unconditional payment of that amount to that local governing body and, in making the payment, will describe the amount as a payment to that body in respect of the financial year that commenced on 1 July 1974 out of moneys paid to the State by Australia for that purpose. |
| Variation of
the Schedule. | 5. (1) Payment of an amount to a State under this Act is subject to the condition that if a local governing body specified in the Schedule has ceased to exist before the commencement of this Act or ceases to exist after the commencement of this Act but before the whole of the amount specified in the Schedule opposite to the name of that body has been paid by the State to that body in pursuance of this Act, the appropriate State Minister shall, forthwith after the commencement of this Act or after the body ceased to exist, notify the Minister that the body has ceased to exist and furnish to the Minister particulars of any amount paid to the State under this Act in relation to the body that was not paid to the body in pursuance of this Act before it ceased to exist. |

(2) Where the appropriate State Minister notifies the Minister that a local governing body has ceased to exist, the Minister shall then direct, in writing, that this Act shall have effect as if the Schedule were varied—

- (a) if no amount had been paid to that body in pursuance of this Act before it ceased to exist—by omitting the name of that body and the amount specified opposite to the name of that body from the Schedule; or
- (b) in any other case—by substituting for the amount specified in the Schedule opposite to the name of that body an amount specified in the direction, being the amount paid to that body in pursuance of this Act before it ceased to exist.

(3) Where the Minister gives a direction under sub-section (2) in relation to a local governing body, the Minister may, after consultation with the appropriate State Minister, also direct that this Act shall have effect—

- (a) as if the Schedule were further varied in consequence of that direction—
 - (i) by substituting for an amount specified in that Schedule opposite to the name of another local governing body a greater amount than the amount so specified; or
 - (ii) by inserting in that Schedule the name of another local governing body and an amount opposite to the name of that other local governing body,

or both; and

- (b) if an amount paid to the State under this Act in relation to that body had not been paid by the State to that body in pursuance of this Act before it ceased to exist—as if that amount had been paid in respect of a specified local governing body, being a body the name of which is specified in, or is, by virtue of a direction under paragraph (a), to be treated as having been specified in, the Schedule, or in respect of 2 or more such bodies in such proportions as are specified in the direction.

(4) A direction shall not be given under paragraph (3) (a) in consequence of a direction given in relation to a local governing body under sub-section (2) if the effect of the direction and of the direction given under sub-section (2) would be to increase the sum of the amounts to be paid to the State concerned by way of financial assistance under this Act.

(5) Where the Minister gives a direction under sub-section (2) or (3), he shall cause a copy of the direction to be furnished to the appropriate State Minister concerned.

(6) In this section, “the appropriate State Minister”, in relation to a State, means the Minister of the Crown of that State who is, for the purposes of the *Grants Commission Act 1973*, the appropriate Minister in relation to that State or another Minister of the Crown for the time being acting for and on behalf of that Minister.

Statements
of
expenditure
to be
furnished.

6. In addition to the conditions contained in any other provisions of this Act, the payment of an amount to a State under this Act is subject to the condition that the State will furnish to the Treasurer—

- (a) as soon as practicable after 30 June 1975 a statement, in accordance with a form approved by him, as to payments made by the State during the financial year in pursuance of this Act; and
- (b) a certificate by the Auditor-General of the State certifying that, in his opinion, the contents of the statement are correct.

Additional
conditions.

7. In addition to the conditions contained in any other provisions of this Act, payment of an amount to a State under this Act is subject to the condition that if the Minister informs the Treasurer of the State that he is satisfied that the State has failed to fulfil the conditions applicable under this Act to that amount, the State will repay to Australia such sum as the Minister determines, being a sum not exceeding the amount in respect of which the Minister is so satisfied.

Appropri-
ation.

8. Amounts payable to a State under this Act are payable out of the Consolidated Revenue Fund, which is appropriated accordingly.
