4 When does a person have private patient hospital cover?

- (1) For the purposes of this Act, a person is covered by an insurance policy that provides private patient hospital cover if:
- (a) the policy is a complying health insurance policy (within the meaning of the *Private Health Insurance Act 2007*) that covers hospital treatment (within the meaning of that Act); and
 - (b) any excess payable in respect of benefits under the policy is no more than:

Section 4

- (2) Paragraph (1)(b) does not apply in relation to an insurance policy under which a person has been insured continuously since the end of 24 May 2000, as long as the amount of any excess payable under the policy has not increased since that time.
- (4) For the purposes of this Act, a person is also covered by an insurance policy that provides private patient hospital cover if:
 - (a) the policy is issued by a person to whom subsection 67(3) of the *National Health Act 1953* applied immediately before the commencement of the *Private Health Insurance Act 2007*; and

- (5) However, for the purposes of this Act a person is not covered by an insurance policy that provides private patient hospital cover if:
 - (a) the person is covered by an insurance policy described in subsection (4); and
 - (b) any excess payable in respect of benefits under the policy is more than:

 - (b) on any day in the year, the person has one or more dependants (within the meaning of the *A New Tax System (Medicare Levy Surcharge—Fringe Benefits) Act 1999*), other than a dependant to whom the person is married (within the meaning of that Act):
