**601ED When a managed investment scheme must be registered**

- (1) Subject to subsection (2), a managed investment scheme must be registered under section 601EB if:
  - (a) it has more than 20 members; or
  - (b) it was promoted by a person, or an associate of a person, who was, when the scheme was promoted, in the business of promoting managed investment schemes; or
  - (c) a determination under subsection (3) is in force in relation to the scheme and the total number of members of all of the schemes to which the determination relates exceeds 20.
- (2) A managed investment scheme does not have to be registered if all the issues of interests in the scheme that have been made would not have required the giving of a Product Disclosure Statement under Division 2 of Part 7.9 if the scheme had been registered when the issues were made.
- (3) ASIC may, in writing, determine that a number of managed investment schemes are closely related and that each of them has to be registered at any time when the total number of members of all of the schemes exceeds 20. ASIC must give written notice of the determination to the operator of each of the schemes.
- (4) For the purpose of this section, when working out how many members a scheme has:
  - (a) joint holders of an interest in the scheme count as a single member; and
  - (b) an interest in the scheme held on trust for a beneficiary is taken to be held by the beneficiary (rather than the trustee) if:
    - (i) the beneficiary is presently entitled to a share of the trust estate or of the income of the trust estate; or
    - (ii) the beneficiary is, individually or together with other beneficiaries, in a position to control the trustee.
- (5) A person must not operate in this jurisdiction a managed investment scheme that this section requires to be registered under section 601EB unless the scheme is so registered.

**Section 601EE**

---

- (6) For the purpose of subsection (5), a person is not operating a scheme merely because:
  - (a) they are acting as an agent or employee of another person; or
  - (b) they are taking steps to wind up the scheme or remedy a defect that led to the scheme being deregistered.
- (7) A person who would otherwise contravene subsection (5) because an interest in a scheme is held in trust for 2 or more beneficiaries (see paragraph (4)(b)) does not contravene that subsection if they prove that they did not know, and had no reason to suspect, that the interest was held in that way.

**601EE Unregistered schemes may be wound up**

- (1) If a person operates a managed investment scheme in contravention of subsection 601ED(5), the following may apply to the Court to have the scheme wound up:
  - (a) ASIC;
  - (b) the person operating the scheme;
  - (c) a member of the scheme.
- (2) The Court may make any orders it considers appropriate for the winding up of the scheme.

  - (i) the responsible entity suffers as a result of a wrongful or negligent act or omission of the agent; and

Note: For this purpose ASIC may exercise the powers set out in Division 3 of Part 3 of the ASIC Act.

- (2) The responsible entity and its officers must take all reasonable steps to assist ASIC in carrying out a check under subsection (1).

**601FH Liquidator etc. of responsible entity entitled to exercise indemnity rights**

If the company that is a registered scheme's responsible entity is being wound up, is under administration or has executed a deed of company arrangement that has not terminated:

- (a) a provision of the scheme's constitution, or of another instrument, is void against the liquidator, or the administrator of the company or the deed, if it purports to deny the company a right to be indemnified out of the scheme property that the company would have had if it were not being wound up, were not under administration, or had not executed a deed of company arrangement; and
- (b) a right of the company to be indemnified out of the scheme property may only be exercised by the liquidator or the administrator of the company or the deed.

## **Division 2—Changing the responsible entity**

### **601FJ Changes only take effect when ASIC alters record of registration**

- (1) Despite anything in this Division, the company named in ASIC's record of registration as the responsible entity or temporary responsible entity of a registered scheme remains the scheme's responsible entity until the record is altered to name another company as the scheme's responsible entity or temporary responsible entity.
- (2) A purported change of the scheme's responsible entity is ineffective unless it is in accordance with this Division.

### **601FK Requirements of section 601FA must be met**

A company cannot be chosen or appointed as the responsible entity or temporary responsible entity of a registered scheme unless it meets the requirements of section 601FA.

### **601FL Retirement of responsible entity**

- (1) If the responsible entity of a registered scheme wants to retire, it must call a members' meeting to explain its reason for wanting to retire and to enable the members to vote on a resolution to choose a company to be the new responsible entity. The resolution must be an extraordinary resolution if the scheme is not listed.
- (2) If the members choose a company to be the new responsible entity and that company has consented, in writing, to becoming the scheme's responsible entity:
  - (a) as soon as practicable and in any event within 2 business days after the resolution is passed, the current responsible entity must lodge a notice with ASIC asking it to alter the record of the scheme's registration to name the chosen company as the scheme's responsible entity; and

---

Section 601FM

- (b) if the current responsible entity does not lodge the notice required by paragraph (a), the company chosen by the members to be the new responsible entity may lodge that notice; and
  - (c) ASIC must comply with the notice when it is lodged.
- (3) If the members do not choose a company to be the new responsible entity, or the company they choose does not consent to becoming the scheme's responsible entity, the current responsible entity may apply to the Court for appointment of a temporary responsible entity under section 601FP.
- (4) A person must not lodge a notice under subsection (2) unless the consent referred to in that subsection has been given before the notice is lodged.

**601FM Removal of responsible entity by members**

- (1) If members of a registered scheme want to remove the responsible entity, they may take action under Division 1 of Part 2G.4 for the calling of a members' meeting to consider and vote on a resolution that the current responsible entity should be removed and a resolution choosing a company to be the new responsible entity. The resolutions must be extraordinary resolutions if the scheme is not listed.
- (2) If the members vote to remove the responsible entity and, at the same meeting, choose a company to be the new responsible entity that consents, in writing, to becoming the scheme's responsible entity:
- (a) as soon as practicable and in any event within 2 business days after the resolution is passed, the current responsible entity must lodge a notice with ASIC asking it to alter the record of the scheme's registration to name the chosen company as the scheme's responsible entity; and
  - (b) if the current responsible entity does not lodge the notice required by paragraph (a), the company chosen by the members to be the new responsible entity may lodge that notice; and

**Section 601FN**

---

(c) ASIC must comply with the notice when it is lodged.

- (3) A person must not lodge a notice under subsection (2) unless the consent referred to in that subsection has been given before the notice is lodged.

Note: If the members vote to remove the responsible entity but do not, at the same meeting, choose a company to be the new responsible entity, or the company they choose does not consent to becoming the scheme's responsible entity, the scheme must be wound up (see section 601NE).

**601FN ASIC or scheme member may apply to Court for appointment of temporary responsible entity**

ASIC or a member of the registered scheme may apply to the Court for the appointment of a temporary responsible entity of the scheme under section 601FP if the scheme does not have a responsible entity that meets the requirements of section 601FA.

**601FP Appointment of temporary responsible entity by Court**

- (1) On application under section 601FL or 601FN, the Court may, by order, appoint a company as the temporary responsible entity of a registered scheme if the Court is satisfied that the appointment is in the interest of the members.
- (2) The Court may make any further orders that it considers necessary.
- (3) If the application was made by the current responsible entity, it must, as soon as practicable after the Court's order appointing the temporary responsible entity, lodge a notice with ASIC informing ASIC of the appointment made by the Court.
- (4) As soon as practicable after the appointment, ASIC must alter the record of the scheme's registration to name the appointed company as the scheme's temporary responsible entity.

**601FQ Temporary responsible entity to take steps for appointment of new responsible entity**

- (1) The temporary responsible entity of a registered scheme must call a members' meeting for the purpose of the members, by resolution, choosing a company to be the new responsible entity. The resolution must be an extraordinary resolution if the scheme is not listed. The temporary responsible entity must call the meeting as soon as practicable and, in any event, within 3 months of becoming the temporary responsible entity.
- (2) Within that 3 months, the temporary responsible entity may call further members' meetings for the purpose of choosing a company to be the new responsible entity. Before the end of the 3 months, it may apply to the Court for an extension of that period. If the Court grants the extension, the temporary responsible entity may, within the extended period, call further members' meetings for the purpose of choosing a company to be the new responsible entity.
- (3) Provided it still meets the requirements in section 601FA, nothing prevents the company that is the temporary responsible entity from being chosen as the new responsible entity.
- (4) If the members choose a company to be the new responsible entity and that company has consented, in writing, to becoming the scheme's responsible entity, the temporary responsible entity must, as soon as practicable, lodge a notice with ASIC asking it to alter the record of the scheme's registration to name the chosen company as the scheme's responsible entity. ASIC must comply with the notice when it is lodged.
- (5) The temporary responsible entity must apply to the Court for an order directing it to wind up the scheme, and the Court may make the order, if:
  - (a) no meeting is called within the 3 months or extended period for the purpose of choosing a new company to be the responsible entity; or
  - (b) the meeting or meetings called within that period for that purpose have not resulted in the members choosing a

**Section 601FQ**

---

company to be the new responsible entity that consents to becoming the scheme's responsible entity.

ASIC or a member of the scheme may apply for the order if the temporary responsible entity does not do so.

- (6) The temporary responsible entity must not lodge a notice under subsection (4) unless the consent referred to in that subsection has been given before the notice is lodged.

## **Division 3—Consequences of change of responsible entity**

### **601FR Former responsible entity to hand over books and provide reasonable assistance**

If the responsible entity of a registered scheme changes, the former responsible entity must:

- (a) as soon as practicable give the new responsible entity any books in the former responsible entity's possession or control that this Act requires to be kept in relation to the scheme; and
- (b) give other reasonable assistance to the new responsible entity to facilitate the change of responsible entity.

### **601FS Rights, obligations and liabilities of former responsible entity**

- (1) If the responsible entity of a registered scheme changes, the rights, obligations and liabilities of the former responsible entity in relation to the scheme become rights, obligations and liabilities of the new responsible entity.
- (2) Despite subsection (1), the following rights and liabilities remain rights and liabilities of the former responsible entity:
  - (a) any right of the former responsible entity to be paid fees for the performance of its functions before it ceased to be the responsible entity; and
  - (b) any right of the former responsible entity to be indemnified for expenses it incurred before it ceased to be the responsible entity; and
  - (c) any right, obligation or liability that the former responsible entity had as a member of the scheme; and
  - (d) any liability for which the former responsible entity could not have been indemnified out of the scheme property if it had remained the scheme's responsible entity.

Section 601FT

---

**601FT Effect of change of responsible entity on documents etc. to which former responsible entity is party**

- (1) If the responsible entity of a registered scheme changes, a document:
  - (a) to which the former responsible entity is a party, in which a reference is made to the former responsible entity, or under which the former responsible entity has acquired or incurred a right, obligation or liability, or might have acquired or incurred a right, obligation or liability if it had remained the responsible entity; and
  - (b) that is capable of having effect after the change;has effect as if the new responsible entity (and not the former responsible entity) were a party to it, were referred to in it or had or might have acquired or incurred the right, obligation or liability under it.
- (2) Subsection (1) does not apply to a right, obligation or liability that remains a right, obligation or liability of the former responsible entity because of subsection 601FS(2).

## **Part 5C.3—The constitution**

- (c) if the right may be exercised while the scheme is not liquid (as defined in section 601KA)—provide for the right to be exercised in accordance with Part 5C.6 and set out any other adequate procedures (consistent with that Part) that are to apply to making and dealing with withdrawal requests.

The right to withdraw, and any provisions in the constitution setting out procedures for making and dealing with withdrawal requests, must be fair to all members.

### **601GB Constitution must be legally enforceable**

The constitution of a registered scheme must be contained in a document that is legally enforceable as between the members and the responsible entity.

- (3A) An offence based on subsection (3) is an offence of strict liability.

Note: For *strict liability*, see section 6.1 of the *Criminal Code*.

#### *Liquid schemes*

- (4) A registered scheme is liquid if liquid assets account for at least 80% of the value of scheme property.

---

Section 601KB

*Liquid assets*

- (5) The following are liquid assets unless it is proved that the responsible entity cannot reasonably expect to realise them within the period specified in the constitution for satisfying withdrawal requests while the scheme is liquid:
  - (a) money in an account or on deposit with a bank;
  - (b) bank accepted bills;
  - (c) marketable securities (as defined in section 9);

**601KB Non-liquid schemes—offers**

- (1) The responsible entity of a registered scheme that is not liquid may offer members an opportunity to withdraw, wholly or partly, from the scheme to the extent that particular assets are available and able to be converted to money in time to satisfy withdrawal requests that members may make in response to the offer.
- (2) The withdrawal offer must be in writing and be made:
  - (a) if the constitution specifies procedures for making the offer—in accordance with those procedures; or
  - (b) otherwise—by giving a copy of the offer to all members of the scheme or to all members of a particular class.

The responsible entity of a registered scheme that is not liquid must ensure that withdrawal requests made in response to a withdrawal offer are satisfied within 21 days after the offer closes. No request made under the withdrawal offer may be satisfied while the offer is still open. If an insufficient amount of money is available from the assets specified in the offer to satisfy all requests, the requests are to be satisfied proportionately in accordance with the formula:

$$\text{Amount of money available} \times \frac{\text{Amount member requested to withdraw}}{\text{Total of all amounts members request to withdraw}}$$

**601KE Non-liquid schemes—responsible entity may cancel withdrawal offer**

---

- (c) the contract was made:
  - (i) within 15 months after that approval; or

- (3) Subsection (1) does not prevent the responsible entity from paying itself fees, and exercising rights to an indemnity, as provided for in the scheme's constitution under subsection 601GA(2).

### **601LD Omission of sections 213, 214 and 224**

Chapter 2E applies as if sections 213, 214 and 224 were omitted.

- (5) The Court may extend the period within which the offeror may apply under subsection (4), even if the notice has taken effect.

### **601NB Winding up at direction of members**

If members of a registered scheme want the scheme to be wound up, they may take action under Division 1 of Part 2G.4 for the calling of a members' meeting to consider and vote on an extraordinary resolution directing the responsible entity to wind up the scheme.

- (3) An order based on paragraph (1)(b) may be made on the application of a creditor.

### **601NE The winding up of the scheme**

- (1) The responsible entity of a registered scheme must ensure that the scheme is wound up in accordance with its constitution and any orders under subsection 601NF(2) if:
  - (a) the scheme's constitution provides that the scheme is to be wound up at a specified time, in specified circumstances or on the happening of a specified event and that time is reached, those circumstances occur or that event occurs; or
  - (b) the members pass an extraordinary resolution directing the responsible entity to wind up the scheme; or
  - (c) the Court makes an order directing the responsible entity to wind up the scheme; or
  - (d) the members pass a resolution removing the responsible entity but do not, at the same meeting, pass a resolution choosing a company to be the new responsible entity that consents to becoming the scheme's responsible entity.

Note: For the Court's power to order winding up, see subsection 601FQ(5) and section 601ND.

- (2) The responsible entity of a registered scheme may wind up the scheme in accordance with its constitution and any orders under subsection 601NF(2) if the responsible entity is permitted by subsection 601NC(3) to wind up the scheme.
- (3) Interests must not be issued in a registered scheme at a time after the responsible entity has become obliged to ensure the scheme is wound up, or after the scheme has started to be wound up.

### **601NF Other orders about winding up**

- (1) The Court may, by order, appoint a person to take responsibility for ensuring a registered scheme is wound up in accordance with its constitution and any orders under subsection (2) if the Court thinks it necessary to do so (including for the reason that the responsible entity has ceased to exist or is not properly discharging its obligations in relation to the winding up).

**Section 601NG**

---

- (2) The Court may, by order, give directions about how a registered scheme is to be wound up if the Court thinks it necessary to do so (including for the reason that the provisions in the scheme's constitution are inadequate or impracticable).
- (3) An order under subsection (1) or (2) may be made on the application of:
  - (a) the responsible entity; or
  - (b) a director of the responsible entity; or
  - (c) a member of the scheme; or
  - (d) ASIC.

**601NG Unclaimed money to be paid to ASIC**

If, on completion of the winding up of a registered scheme, the person who has been winding up the scheme has in their possession or under their control any unclaimed or undistributed money or other property that was part of the scheme property, the person must, as soon as practicable, pay the money or transfer the property to ASIC to be dealt with under Part 9.7.

## Part 5C.10—Deregistration

### 601PA Deregistration—voluntary

*Responsible entity may apply for deregistration*

- (1) The responsible entity of a registered scheme may lodge an application for deregistration of the scheme with ASIC.
- (2) The responsible entity may only apply if:
  - (a) the scheme:
    - (i) has 20 or less members (calculated in accordance with subsection 601ED(4)) and all the members agree that the scheme should be deregistered; and
    - (ii) is not required to be registered by paragraph 601ED(1)(b) or (c); or
  - (b) because of subsection 601ED(2) (exemption based on Division 2 of Part 7.9 not applying), the scheme is not required to be registered and all the members agree that the scheme should be deregistered; or
  - (c) the scheme is not a managed investment scheme.
- (3) If ASIC is satisfied that the application complies with subsections (1) and (2), it must give notice of the proposed deregistration:
  - (a) on the national database; and
  - (b) in the *Gazette*.

When 2 months have passed since the *Gazette* notice, ASIC may deregister the scheme.

- (4) ASIC must give notice of the deregistration to the applicant.

### 601PB Deregistration by ASIC

- (1) ASIC may decide to deregister a registered scheme if:

**Section 601PB**

---

- (a) the scheme does not have a responsible entity that meets the requirements of section 601FA; or
- (b) the scheme does not have a constitution that meets the requirements of sections 601GA and 601GB; or
- (c) the scheme does not have a compliance plan that meets the requirements of section 601HA; or
- (d) the scheme's property is not being:
  - (i) clearly identified as the scheme's property; and
  - (ii) held separately from property of the responsible entity and property of any other scheme;in accordance with the scheme's compliance plan; or
- (e) the following conditions are satisfied:
  - (i) the response to a return of particulars given to the responsible entity of the scheme is at least 6 months late; and
  - (ii) no other documents have been lodged by or on behalf of the scheme in the last 18 months; and
  - (iii) ASIC has no reason to believe that the scheme is being operated; or
- (ea) the scheme's review fee in respect of a review date has not been paid in full at least 12 months after the due date for payment; or
- (f) the scheme has been wound up.

*Deregistration procedure*

- (2) If ASIC decides to deregister a scheme under this section, it must give notice of the proposed deregistration:
  - (a) to the scheme's responsible entity; and
  - (b) to any other person who is winding up the scheme; and
  - (c) on the national database; and
  - (d) in the *Gazette*.

If the notice is given under paragraph (1)(a), (b), (c) or (d), the notice must specify the period at the end of which ASIC proposes to deregister the scheme.

- (3) ASIC may deregister the scheme:

---

Section 601PC

---

- (a) if paragraph (1)(a), (b), (c) or (d) applies—at the end of the period set out in the *Gazette* notice; or
  - (b) if paragraph (1)(e) or (f) applies—when 2 months have passed since the *Gazette* notice.
- (4) ASIC does not have to give a person notice under subsection (2) if ASIC does not have the necessary information about the person's address.
- (5) ASIC must give notice of the deregistration to everyone who was notified of the proposed deregistration under paragraph (2)(a) or (b).

### **601PC Reinstatement**

- (1) ASIC may reinstate the registration of a managed investment scheme if ASIC is satisfied that the scheme should not have been deregistered or if the defect that led to the scheme being deregistered has been remedied.
- (2) The Court may make an order that ASIC reinstate the registration of a managed investment scheme if:
- (a) an application for reinstatement is made to the Court by:
    - (i) a person aggrieved by the deregistration; or
    - (ii) a person who was winding up the scheme; and
  - (b) the Court is satisfied that it is just that the scheme's registration be reinstated.
- (3) The Court may give any directions it thinks just for putting the scheme and other people in the same position, as far as possible, as if the scheme had not been deregistered.

#### *ASIC to give notice of reinstatement*

- (4) ASIC must give notice of a reinstatement in the *Gazette*. If ASIC exercises its power under subsection (1) in response to an application by a person, ASIC must also give notice of the reinstatement to the applicant.

## Part 5C.11—Exemptions and modifications

### 601QA ASIC's power to make exemption and modification orders

- (1) ASIC may:
  - (a) exempt a person from a provision of this Chapter; or
  - (b) declare that this Chapter applies to a person as if specified provisions were omitted, modified or varied as specified in the declaration.

Without limiting this, ASIC may declare that this Chapter applies to a person as if section 601HA included a requirement for scheme property to be held by a person other than the responsible entity as the responsible entity's agent.
- (2) The exemption or declaration may:
  - (a) apply to all or specified provisions of this Chapter; and
  - (b) apply to all persons, specified persons, or a specified class of persons; and
  - (c) relate to all securities, specified securities or a specified class of securities; and
  - (d) relate to any other matter generally or as specified.
- (3) An exemption may apply unconditionally or subject to specified conditions. A person to whom a condition specified in an exemption applies must comply with the condition. The Court may order the person to comply with the condition in a specified way. Only ASIC may apply to the Court for the order.
- (4) The exemption or declaration must be in writing and ASIC must publish notice of it in the *Gazette*.
- (5) For the purposes of this section, the *provisions of this Chapter* include:
  - (a) regulations made for the purposes of this Chapter; and
  - (b) definitions in this Act or the regulations as they apply to references in:

---

Section 601QB

- (i) this Chapter; or
- (ii) regulations made for the purposes of this Chapter; and
- (c) the old Division 11 of Part 11.2 transitionals.

**601QB Modification by regulations**

The regulations may modify the operation of this Chapter or any other provisions of this Act relating to securities in relation to:

- (a) a managed investment scheme; or
- (b) all managed investment schemes of a specified class.

## Chapter 6—Takeovers

### 602 Purposes of Chapter

The purposes of this Chapter are to ensure that:

- (a) the acquisition of control over:
  - (i) the voting shares in a listed company, or an unlisted company with more than 50 members; or
  - (ii) the voting shares in a listed body; or
  - (iii) the voting interests in a listed managed investment scheme;takes place in an efficient, competitive and informed market; and
- (b) the holders of the shares or interests, and the directors of the company or body or the responsible entity for the scheme:
  - (i) know the identity of any person who proposes to acquire a substantial interest in the company, body or scheme; and
  - (ii) have a reasonable time to consider the proposal; and
  - (iii) are given enough information to enable them to assess the merits of the proposal; and
- (c) as far as practicable, the holders of the relevant class of voting shares or interests all have a reasonable and equal opportunity to participate in any benefits accruing to the holders through any proposal under which a person would acquire a substantial interest in the company, body or scheme; and
- (d) an appropriate procedure is followed as a preliminary to compulsory acquisition of voting shares or interests or any other kind of securities under Part 6A.1.

Note 1: To achieve the objectives referred to in paragraphs (a), (b) and (c), the prohibition in section 606 and the exceptions to it refer to interests in “voting shares”. To achieve the objective in paragraph (d), the provisions that deal with the takeover procedure refer more broadly to interests in “securities”.

Note 2: Subsection 92(3) defines *securities* for the purposes of this Chapter.

### **603 Chapter extends to some listed bodies that are not companies**

This Chapter applies to the acquisition of relevant interests in the securities of listed bodies that are not companies but are incorporated or formed in Australia in the same way as it applies to the acquisition of relevant interests in the securities of companies.

Note: Section 9 defines *company* and *listed*.

### **604 Chapter extends to listed managed investment schemes**

- (1) This Chapter applies to the acquisition of relevant interests in the interests in a registered scheme that is also listed as if:
- (a) the scheme were a listed company; and
  - (b) interests in the scheme were shares in the company; and
  - (c) voting interests in the scheme were voting shares in the company; and
  - (d) a meeting of the members of the scheme were a general meeting of the company; and
  - (e) the obligations and powers that are imposed or conferred on the company were imposed or conferred on the responsible entity; and
  - (f) the directors of the responsible entity were the directors of the company; and
  - (g) the appointment of a responsible entity for the scheme were the election of a director of the company; and
  - (h) the scheme's constitution were the company's constitution.

Note 1: Paragraph (g): See subsection 610(2).

Note 2: Section 9 defines *voting interest* in a managed investment scheme.

- (2) The regulations may modify the operation of this Chapter as it applies in relation to the acquisition of interests in listed managed investment schemes.

**Section 605**

---

**605 Classes of securities**

- (1) Takeover bids are made for securities within a particular class. Similarly, compulsory acquisition and buy-out rights operate on securities within a particular class.
- (2) For the purposes of this Chapter and Chapters 6A and 6C, securities are not taken to be different classes merely because:
  - (a) some of the securities are fully-paid and others are partly-paid; or
  - (b) different amounts are paid up or remain unpaid on the securities.

## Part 6.1—Prohibited acquisitions of relevant interests in voting shares

### 606 Prohibition on certain acquisitions of relevant interests in voting shares

*Acquisition of relevant interests in voting shares through transaction entered into by or on behalf of person acquiring relevant interest*

- (1) A person must not acquire a relevant interest in issued voting shares in a company if:
- (a) the company is:
    - (i) a listed company; or
    - (ii) an unlisted company with more than 50 members; and
  - (b) the person acquiring the interest does so through a transaction in relation to securities entered into by or on behalf of the person; and
  - (c) because of the transaction, that person's or someone else's voting power in the company increases:
    - (i) from 20% or below to more than 20%; or
    - (ii) from a starting point that is above 20% and below 90%.

Note 1: Section 9 defines **company** as meaning a company registered under this Act.

Note 2: Section 607 deals with the effect of a contravention of this section on transactions. Sections 608 and 609 deal with the meaning of **relevant interest**. Section 610 deals with the calculation of a person's voting power in a company.

Note 3: If the acquisition of relevant interests in an unlisted company with 50 or fewer members leads to the acquisition of a relevant interest in another company that is an unlisted company with more than 50 members, or a listed company, the acquisition is caught by this section because of its effect on that other company.

- (1A) However, the person may acquire the relevant interest under one of the exceptions set out in section 611 without contravening subsection (1).

**Section 606**

---

Note: A defendant bears an evidential burden in relation to the matter in subsection (1A), see subsection 13.3(3) of the *Criminal Code*.

*Acquisition of legal or equitable interest giving rise to relevant interest for someone else*

- (2) A person must not acquire a legal or equitable interest in securities of a body corporate if, because of the acquisition:
- (a) another person acquires a relevant interest in issued voting shares in a company that is:
    - (i) a listed company; or
    - (ii) an unlisted company with more than 50 members; and
  - (b) someone's voting power in the company increases:
    - (i) from 20% or below to more than 20%; or
    - (ii) from a starting point that is above 20% and below 90%.
- (2A) However, if the acquisition of the relevant interest is covered by one of the exceptions set out in section 611, the person may acquire the legal or equitable interest without contravening subsection (2).

Note: A defendant bears an evidential burden in relation to the matter in subsection (2A), see subsection 13.3(3) of the *Criminal Code*.

*50 member threshold*

- (3) In determining whether the company has more than 50 members for the purposes of subsection (1) or (2), count joint holders of a particular parcel of shares as 1 person.

*Offers and invitations*

- (4) A person must not:
- (a) make an offer, or cause an offer to be made on their behalf, if the person would contravene subsection (1) or (2) if the offer were accepted; or
  - (b) issue an invitation, or cause an invitation to be issued on their behalf, if the person would contravene subsection (1) or (2) if:
    - (i) an offer were made in response to the invitation; and
    - (ii) the offer were accepted.

*Absolute liability offences*

- (4A) An offence based on subsection (1), (2) or (4) is an offence of absolute liability.

Note: For **absolute liability**, see section 6.2 of the *Criminal Code*.

*Defences*

- (5) It is a defence to the prosecution of a person for contravening subsection (1), (2) or (4) if the person proves that they contravened the subsection:
- (a) because of inadvertence or mistake; or
  - (b) because the person was not aware of a relevant fact or occurrence.

In determining whether the defence is available, disregard the person's ignorance of, or a mistake on the person's part concerning, a matter of law.

Note: A defendant bears a legal burden in relation to a matter mentioned in subsection (5), see section 13.4 of the *Criminal Code*.

*Extended meaning of acquiring relevant interests—conversions and increases in voting rights*

- (6) A person is taken for the purposes of subsection (1) or (2) to acquire a relevant interest in voting shares in a company if:
- (a) securities in which the person already had a relevant interest become voting shares in the company; or
  - (b) there is an increase in the number of votes that may be cast on a poll attached to voting shares that the person already had a relevant interest in.

The acquisition occurs when the securities become voting shares or the number of votes increases.

Note: Some examples of cases to which this subsection applies are:

- A person exercises a right to convert a non-voting preference share into an ordinary share that carries votes.
- A person pays up partly-paid shares with limited votes and this leads to an increase in the number of votes attached to the shares.

Section 607

---

**607 Effect on transactions**

A transaction is not invalid merely because it involves a contravention of section 606.

**608 Relevant interests in securities**

*Basic rule—relevant interest is holding, or controlling voting or disposal of, securities*

- (1) A person has a relevant interest in securities if they:
- (a) are the holder of the securities; or
  - (b) have power to exercise, or control the exercise of, a right to vote attached to the securities; or
  - (c) have power to dispose of, or control the exercise of a power to dispose of, the securities.

It does not matter how remote the relevant interest is or how it arises. If 2 or more people can jointly exercise one of these powers, each of them is taken to have that power.

*Extension to control exercisable through a trust, agreement or practice*

- (2) In this section, power or control includes:
- (a) power or control that is indirect; and
  - (b) power or control that is, or can be, exercised as a result of, by means of or by the revocation or breach of:
    - (i) a trust; or
    - (ii) an agreement; or
    - (iii) a practice; or
    - (iv) any combination of them;whether or not they are enforceable; and
  - (c) power or control that is, or can be made, subject to restraint or restriction.

It does not matter whether the power or control is express or implied, formal or informal, exercisable alone or jointly with someone else. It does not matter that the power or control cannot be related to a particular security.

*Extension to relevant interests held through bodies corporate*

- (3) A person has the relevant interests in any securities that any of the following has:
- (a) a body corporate, or managed investment scheme, in which the person's voting power is above 20%;
  - (b) a body corporate, or managed investment scheme, that the person controls.
- Paragraph (a) does not apply to a relevant interest that the body corporate or scheme itself has in the securities merely because of the operation of that paragraph in relation to another body corporate or managed investment scheme.
- (4) For the purposes of paragraph (3)(b), a person controls a body corporate if the person has the capacity to determine the outcome of decisions about the body corporate's financial and operating policies.
- (5) In determining whether a person has this capacity:
- (a) the practical influence the person can exert (rather than the rights they can enforce) is the issue to be addressed; and
  - (b) any practice or pattern of behaviour affecting the body corporate's financial or operating policies is to be taken into account (even if it involves a breach of an agreement or a breach of trust).
- (6) The person does not control the body corporate merely because the person and an entity that is not an associate jointly have the capacity to determine the outcome of decisions about the body corporate's financial and operating policies.
- (7) A person is not taken to control a body corporate merely because of a capacity they have if they are under a legal obligation to exercise that capacity for the benefit of:
- (a) if the person is an individual—someone else; or
  - (b) if the person is a body corporate—someone other than its members.

**Section 609**

---

*Extension to control in anticipation of performance of agreements etc.*

- (8) If at a particular time all the following conditions are satisfied:
- (a) a person has a relevant interest in issued securities;
  - (b) the person (whether before or after acquiring the relevant interest):
    - (i) has entered or enters into an agreement with another person with respect to the securities; or
    - (ii) has given or gives another person an enforceable right, or has been or is given an enforceable right by another person, in relation to the securities (whether the right is enforceable presently or in the future and whether or not on the fulfilment of a condition); or
    - (iii) has granted or grants an option to, or has been or is granted an option by, another person with respect to the securities;
  - (c) the other person would have a relevant interest in the securities if the agreement were performed, the right enforced or the option exercised;

the other person is taken to already have a relevant interest in the securities.

Note: Subsections 609(6) and (7) deal with specific situations in which the agreement will not give rise to a relevant interest.

*Body corporate may have relevant interest in its own securities*

- (9) This section may result in a body corporate having a relevant interest in its own securities.

**609 Situations not giving rise to relevant interests**

*Money lending and financial accommodation*

- (1) A person does not have a relevant interest in securities merely because of a mortgage, charge or other security taken for the purpose of a transaction entered into by the person if:
- (a) the mortgage, charge or security is taken or acquired in the ordinary course of the person's business of the provision of

Section 609

---

financial accommodation by any means and on ordinary commercial terms; and

- (b) the person whose property is subject to the mortgage, charge or security is not an associate of the person.

Note: Sections 11 to 17 define *associate*.

*Nominees and other trustees*

- (2) A person who would otherwise have a relevant interest in securities as a bare trustee does not have a relevant interest in the securities if a beneficiary under the trust has a relevant interest in the securities because of a presently enforceable and unconditional right of the kind referred to in subsection 608(8).

Note: This subsection will often apply to a person who holds securities as a nominee.

*Holding of securities by financial services licensee*

- (3) A financial services licensee does not have a relevant interest in securities merely because they hold securities on behalf of someone else in the ordinary course of their financial services business.

*Shares covered by buy-backs*

- (4) A person does not have a relevant interest in a company's shares if the relevant interest would arise merely because the company has entered into an agreement to buy back the shares.

*Proxies*

- (5) A person does not have a relevant interest in securities merely because the person has been appointed to vote as a proxy or representative at a meeting of members, or of a class of members, of the company, body or managed investment scheme if:
  - (a) the appointment is for one meeting only; and
  - (b) neither the person nor any associate gives valuable consideration for the appointment.

Section 609

---

*Market traded options and derivatives*

- (6) A person does not have a relevant interest in securities merely because of:

- (a) an market traded option over the securities; or
- (b) a right to acquire the securities given by a derivative.

This subsection stops applying to the relevant interest when the obligation to make or take delivery of the securities arises.

Note: Without this subsection, subsection 608(8) would create a relevant interest from the option or contract.

*Conditional agreements*

- (7) A person does not have a relevant interest in securities merely because of an agreement if the agreement:

- (a) is conditional on:
  - (i) a resolution under item 7 in the table in section 611 being passed; or
  - (ii) ASIC exempting the acquisition under the agreement from the provisions of this Chapter under section 655A; and
- (b) does not confer any control over, or power to substantially influence, the exercise of a voting right attached to the securities; and
- (c) does not restrict disposal of the securities for more than 3 months from the date when the agreement is entered into.

The person acquires a relevant interest in the securities when the condition referred to in paragraph (a) is satisfied.

*Pre-emptive rights*

- (8) A member of a company, body or managed investment scheme does not have a relevant interest in securities of the company, body or scheme merely because the company's, body's or scheme's constitution gives members pre-emptive rights on the transfer of the securities if all members have pre-emptive rights on the same terms.

*Director of body corporate holding securities*

- (9) A person does not have a relevant interest in securities merely because:
- (a) the person is a director of a body corporate; and
  - (b) the body corporate has a relevant interest in those securities.

*Clearing and settlement facilities*

- (9A) The operator of a clearing and settlement facility (within the meaning of Chapter 7) does not have a relevant interest in securities merely because of its provision of facilities for the settlement of transactions.

*Prescribed exclusions*

- (10) A person does not have a relevant interest in securities in the circumstances specified in the regulations. The regulations may provide that interests in securities are not relevant interests subject to specified conditions.

## **610 Voting power in a body or managed investment scheme**

*Person's voting power in a body or managed investment scheme*

- (1) A person's **voting power** in a designated body is:

$$\frac{\text{Person's and associates' votes}}{\text{Total votes in designated body}} \times 100$$

where:

**person's and associates' votes** is the total number of votes attached to all the voting shares in the designated body (if any) that the person or an associate has a relevant interest in.

**total votes in designated body** is the total number of votes attached to all voting shares in the designated body.

Note: Even if a person's relevant interest in voting shares is based on control over disposal of the shares (rather than control over voting rights attached to the shares), their voting power in the designated body is calculated on the basis of the number of votes attached to those shares.

**Section 610**

---

*Counting votes*

- (2) For the purposes of this section, the number of votes attached to a voting share in a designated body is the maximum number of votes that can be cast in respect of the share on a poll:
- (a) if the election of directors is determined by the casting of votes attached to voting shares—on the election of a director of the designated body; or
  - (b) if the election of directors is not determined by the casting of votes attached to voting shares—on the adoption of a constitution for the designated body or the amendment of the body corporate's constitution.

Note: The Takeovers Panel may decide that the setting or varying of voting rights in a way that affects control of a designated body is unacceptable circumstances under section 657A.

- (3) If:
- (a) a transaction in relation to, or an acquisition of an interest in, securities occurs; and
  - (b) before the transaction or acquisition, a person did not have a relevant interest in particular voting shares but an associate of the person did have a relevant interest in those shares; and
  - (c) because of the transaction or acquisition, the person acquires a relevant interest in those shares;

then, for the purposes of applying section 606 to the transaction or acquisition, the person's voting power is taken to have increased because of the transaction or acquisition from what it would have been before the transaction or acquisition if the votes attached to those shares were disregarded to what it was after the transaction or acquisition (taking the votes attached to those shares into account).

- (4) Disregard the operation of section 613 in working out a person's voting power in a designated body.

*When a designated body is a managed investment scheme*

- (5) For the purposes of the application of this section in relation to a designated body that is a managed investment scheme:

Section 610

---

- (a) a reference to voting shares in the designated body is taken to be a reference to voting interests in the scheme; and
- (b) a reference to the election of directors of the designated body is taken to be a reference to:
  - (i) if the scheme is a registered scheme—the appointment of a responsible entity for the scheme; or
  - (ii) if the scheme is not a registered scheme—the appointment of a person to the office (by whatever name it is known) in relation to the scheme that corresponds most closely to the office of responsible entity of a registered scheme; and
- (c) a reference to the designated body's constitution is taken to be a reference to the scheme's constitution.

*Meaning of designated body*

- (6) In this section:

***designated body*** means:

- (a) a body; or
- (b) a managed investment scheme.

## Part 6.2—Exceptions to the prohibition

### 611 Exceptions to the prohibition

The following table sets out:

- (a) acquisitions of relevant interests in a company's voting shares that are exempt from the prohibition in subsection 606(1); and
- (b) acquisitions of relevant interests in a company's voting shares resulting from acquisitions of legal or equitable interests in securities of a body corporate that are exempt from the prohibition in subsection 606(2).

Note: Some of the items in the table cover only activities in relation to the company itself (items 7, 8, 12 and 13) while the other items cover acquisitions in that company that may occur through activities in relation to other companies.

	(c) the bid is for all the voting shares in the bid class; and	
	(d) the bid is:

## Part 6.3—The different types of takeover bid

- (1) There are 2 kinds of takeover bid:
- (a) an off-market bid (for quoted or unquoted securities); or

- (2) The following table shows where to find the provisions dealing with the main features of the offers that may be made under off-market bids and market bids and the procedures to be followed:

## Part 6.4—Formulating the takeover offer

### Division 1—General

#### 617 Securities covered by the bid

##### *Off-market bid*

- (1) An off-market bid must relate to securities:
  - (a) in a class of securities (the ***bid class***); and
  - (b) that exist or will exist as at the date set by the bidder under subsection 633(2).

Note: Subsection 92(3) defines ***securities*** for the purposes of this Chapter.

- (2) If other securities exist or will exist at that date that:
  - (a) will convert, or may be converted, to securities in the bid class; or
  - (b) confer rights to be issued securities in the bid class;the bid may extend to securities that come to be in the bid class during the offer period due to a conversion or exercise of the rights.

Note: The bidder's statement must say if the bid is extended in this way (see paragraph 636(1)(j)).

##### *Market bid*

- (3) A market bid must relate to securities:
  - (a) in a class of quoted securities (the ***bid class***); and
  - (b) that exist or will exist at any time during the offer period.

## **618 Offers must be for all or a proportion of securities in the bid class**

### *Off-market bid*

- (1) An offer for securities under an off-market bid must be an offer to buy:
  - (a) all the securities in the bid class; or
  - (b) a specified proportion of the securities in the bid class.The proportion specified under paragraph (b) must be the same for all holders of securities in the bid class.

### *Off-market bid—non-marketable parcels*

- (2) If accepting an offer under an off-market bid for quoted securities would leave a person with a parcel of the securities that is less than a marketable parcel (within the meaning of the rules of the relevant financial market), the offer extends to that parcel.

### *Market bid*

- (3) An offer for securities under a market bid must be an offer to buy all the securities in the bid class.

## **619 General terms of the offer**

### *Off-market bid*

- (1) All the offers made under an off-market bid must be the same.

Note: The offers may include alternative forms of consideration (see section 621).

- (2) In applying subsection (1), disregard the following:
  - (a) any differences in the offers attributable to the fact that the number of securities that may be acquired under each offer is limited by the number of securities held by the holder;
  - (b) any differences in the offers attributable to the fact that the offers relate to securities having different accrued dividend or distribution entitlements;

**Section 620**

---

- (c) any differences in the offers attributable to the fact that the offers relate to securities on which different amounts are paid up or remain unpaid;
- (d) any differences in the offers attributable to the fact that the bidder may issue or transfer only whole numbers of securities as consideration for the acquisition;
- (e) any additional cash amount offered to holders instead of the fraction of a security that they would otherwise be offered.

*Foreign holders*

- (3) If the consideration for the bid includes an offer of securities, the securities do not need to be offered to foreign holders of the target's securities if under the terms of the bid:
  - (a) the bidder must appoint a nominee for foreign holders of the target's securities who is approved by ASIC; and
  - (b) the bidder must transfer to the nominee:
    - (i) the securities that would otherwise be transferred to the foreign holders who accept the bid for that consideration; or
    - (ii) the right to acquire those securities; and
  - (c) the nominee must sell the securities, or those rights, and distribute to each of those foreign holders their proportion of the proceeds of the sale net of expenses.

**620 Off-market bid (offer formalities)**

- (1) Each offer under an off-market bid must:
  - (a) be in writing; and
  - (b) have the same date; and
  - (c) provide that, unless withdrawn, it will remain open until the end of the offer period (see section 624); and
  - (d) state how, and when, the bidder is to satisfy their obligations.
- (2) Each offer must provide that the bidder is to pay or provide the consideration for the offer:

- (a) if the bidder is given the necessary transfer documents with the acceptance—by the end of whichever of the following periods ends earlier:
  - (i) 1 month after the offer is accepted or, if the offer is subject to a defeating condition, within 1 month after the takeover contract becomes unconditional
  - (ii) 21 days after the end of the offer period; or
- (b) if the bidder is given the necessary transfer documents after the acceptance and before the end of the bid period—within 1 month after the bidder is given the necessary transfer documents; or
- (c) if the bidder is given the necessary transfer documents after the acceptance and after the end of the bid period—within 21 days after the bidder is given the necessary transfer documents.

Note: Subsection 630(1) requires an offer that is subject to a defeating condition to specify a date for declaring whether the condition has been fulfilled or not.

- (3) The offer may provide that the bidder may avoid the takeover contract if the bidder is not given the necessary transfer documents within 1 month after the end of the offer period.

## **Division 2—Consideration for the offer**

### **621 Consideration offered**

#### *Off-market bid—general*

- (1) A bidder making an off-market bid for securities may offer any form of consideration for the securities, including:
- (a) a cash sum; or
  - (b) securities (including shares, debentures, interests in a managed investment scheme or options); or
  - (c) a combination of a cash sum and securities.

Note: Sections 650B and 651A deal with variations of the consideration offered under the bid.

#### *Market bid—cash only*

- (2) As the offers under a market bid for securities are made through a prescribed financial market, the bidder must offer to acquire the securities for a cash sum only for each security.

Note: Section 649B deals with variations of the consideration offered under the bid.

#### *All bids—minimum consideration if bidder purchased securities in the 4 months before the bid*

- (3) The consideration offered for securities in the bid class under a takeover bid must equal or exceed the maximum consideration that the bidder or an associate provided, or agreed to provide, for a security in the bid class under any purchase or agreement during the 4 months before the date of the bid.
- (4) For the purposes of subsection (3), the consideration offered or provided for a security is:
- (a) if the consideration offered or provided is a cash sum only—the amount of that cash sum; or
  - (b) if the consideration offered or provided does not include a cash sum—the value of that consideration; or

- (c) if the consideration offered or provided is a cash sum and other consideration—the sum of the amount of the cash sum and the value of the other consideration.

The value of consideration that is not a cash sum is to be ascertained as at the time the relevant offer, purchase or agreement is made.

- (5) If:
  - (a) a person agrees to buy a security in a company; and
  - (b) the agreement provides that the price payable for the security is a price specified in the agreement but may be varied in accordance with the terms of the agreement;any variation in price under the agreement is to be disregarded in working out, for the purposes of subsection (3), the price agreed to be paid for the security under the agreement.

## **622 Escalation agreements**

### *Benefits linked to bids and proposed bids not allowed*

- (1) A person who makes or proposes to make a takeover bid for securities, or their associate, contravenes this section if:
  - (a) a person acquires a relevant interest in securities in the bid class within the 6 months before the bid is made or proposed; and
  - (b) at any time whatever, the bidder, proposed bidder or associate gives or agrees to give a benefit to, or receives or agrees to receive a benefit from:
    - (i) a person who had a relevant interest in any of the paragraph (a) securities immediately before the acquisition; or
    - (ii) an associate of a person who had a relevant interest in any of those securities at that time; and
  - (c) the benefit is attributable to the acquisition or matters that include the acquisition; and
  - (d) the amount or value of the benefit is, or is to be, determined by reference to or to matters that include either of the following:

Section 623

---

Note: For *strict liability*, see section 6.1 of the *Criminal Code*.

- in contravention of subsection (1).

**623 Collateral benefits not allowed**

- (1) A bidder, or an associate, must not, during the offer period for a takeover bid, give, offer to give or agree to give a benefit to a person if:
- (a) the benefit is likely to induce the person or an associate to:
    - (i) accept an offer under the bid; or
    - (ii) dispose of securities in the bid class; and
  - (b) the benefit is not offered to all holders of securities in the bid class under the bid.

- (1A) An offence based on subsection (1) is an offence of strict liability.

Note: For *strict liability*, see section 6.1 of the *Criminal Code*.

- (2) For the purpose of this section, a person does not receive a benefit that is not offered under a takeover bid merely because the person sells bid class securities on-market and the takeover bid is an off-market bid or a conditional bid.

- (3) This section does not prohibit:
- (a) the variation of a takeover offer as provided by sections 649A to 650D; or
  - (b) an acquisition of securities through an on-market transaction; or

## **Division 3—The offer period**

### **624 Offer period**

#### *Offer period set in offer*

- (1) The offers under a takeover bid must remain open for the period stated in the offer. The period must:
  - (a) start on the date the first offer under the bid is made; and
  - (b) last for at least 1 month, and not more than 12 months.

However, the offer may be withdrawn during that period under section 652B.

Note: Sections 649C (market bids) and 650C (off-market bids) deal with variation of the offer period.

#### *Automatic extension of offer period if bidder reaches 50% or consideration increased in last week*

  - (b) in any case—the bidder's voting power in the target increases to more than 50%;

the offer period is extended so that it ends 14 days after the event referred to in paragraph (a) or (b). The bidder must give the target and everyone who has not accepted an offer under the bid written notice that the extension has occurred within 3 days after that event.

Note: The consideration for a market bid cannot be increased in the last 5 trading days of the offer period (see section 649B).

#### *Strict liability offences*

- (3) An offence based on subsection (2) is an offence of strict liability.

Note: For *strict liability*, see section 6.1 of the *Criminal Code*.

## **Division 4—Conditional offers**

### **625 Conditional offers—general**

  - (i) an application for admission to quotation will be made within 7 days after the start of the bid period; and
  - (ii) permission for admission to quotation will be granted no later than 7 days after the end of the bid period;
- (d) the offer may not be freed from this condition.

Note: Section 1325A provides that a Court may make a remedial order if the condition is not satisfied.

### **626 Maximum acceptance conditions in off-market bids**

#### *Maximum acceptance conditions not allowed*

- (1) Offers under an off-market bid must not be subject to a maximum acceptance condition. A maximum acceptance condition is one that provides that the offers will terminate, or the maximum consideration offered under the bid will be reduced, if one or more of the following occur:

**Section 627**

---

- (a) the number of securities for which the bidder receives acceptances reaches or exceeds a particular number; or
  - (b) the bidder's voting power in the company reaches or exceeds a particular percentage; or
  - (c) the percentage of securities the bidder has relevant interests in reaches or exceeds a particular percentage of securities in that class.
- (2) For the purposes of subsection (1), it does not matter:
  - (a) how the condition is expressed; or
  - (b) how a particular number or percentage was, or is to be, determined; or
  - (c) whether or not a particular number or percentage is specified in the condition and, if it is so specified, how it is expressed.
- (3) For the purposes of subsection (1), an offer under an off-market bid terminates if:
  - (a) the offer lapses, is withdrawn or otherwise ceases to have effect; or
  - (b) a binding takeover contract will not result from an acceptance of the offer; or
  - (c) an obligation of the bidder will not arise under the takeover contract; or
  - (d) the takeover contract is rescinded; or
  - (e) the bidder is entitled to rescind the takeover contract; or
  - (f) the bidder is relieved of an obligation arising under the takeover contract.

**627 Discriminatory conditions not allowed for off-market bids**

Offers under an off-market bid must not be subject to a condition that allows the bidder to acquire, or may result in the bidder acquiring, securities from some but not all of the people who accept the offers. It does not matter how the condition is expressed.

**628 Conditions requiring payments to officers of target not allowed in off-market bids**

An offer to a person under an off-market bid must not be made subject to a condition that requires the person to approve or consent to a payment or other benefit to an officer or employee of the target or a related body corporate:

- (a) as compensation for loss of; or
- (b) as consideration in connection with retirement from; any office or employment in connection with the management of the target or of a related body corporate. A purported requirement of this kind is void.

**629 Conditions turning on bidder's or associate's opinion not allowed in off-market bids**

- (1) Offers under an off-market bid must not be subject to a defeating condition if the fulfilment of the condition depends on:
  - (a) the bidder's, or an associate's, opinion, belief or other state of mind; or
  - (b) the happening of an event that is within the sole control of, or is a direct result of action by, any of the following:
    - (i) the bidder (acting alone or together with an associate or associates);
    - (ii) an associate (acting alone or together with the bidder or another associate or associates of the bidder).

A purported condition of this kind is void.

Note: Section 9 defines *defeating condition*. Sections 630, 650F and 650G deal with defeating conditions.

- (2) For the purposes of paragraph (1)(b):
  - (a) the target; and
  - (b) a subsidiary of the target;are taken not to be associates of the bidder if they would otherwise be an associate merely because of paragraph 12(2)(a).

## **630 Defeating conditions**

### *Off-market bid may include defeating conditions*

- (1) Offers under an off-market bid may be made subject to a defeating condition only if the offers specify a date (not more than 14 days and not less than 7 days before the end of the offer period) for giving a notice on the status of the condition.
- (2) If the offer period is extended by a period:
  - (a) the date for giving the notice is taken to be postponed for the same period; and
  - (b) as soon as practicable after the extension, the bidder must give a notice that states:
    - (i) the new date for giving the notice of the status of the condition; and
    - (ii) whether the offers have been freed from the condition and whether, so far as the bidder knows, the condition has been fulfilled on the date the notice under this subsection is given.

### *Bidder to give notice of status of defeating condition near end of offer period*

- (3) On the date determined under subsection (1) or (2), the bidder must give a notice that states:
  - (a) whether the offers are free of the condition; and
  - (b) whether, so far as the bidder knows, the condition was fulfilled on the date the notice is given; and
  - (c) the bidder's voting power in the target.

The bidder must comply with this subsection whether or not the bidder has given a notice under subsection (4) or 650F(1).

Note: The offers may be freed of the condition by a declaration by the bidder under subsection 650F(1).

### *Bidder to give notice if defeating condition fulfilled*

- (4) If the condition is fulfilled (so that the offers become free of the condition) during the bid period but before the date for publishing

the notice on the status of the condition, the bidder must publish as soon as practicable a notice that states that the condition has been fulfilled.

- (5) A notice under this section is given by:
- (a) giving the notice to the target; and
  - (b) for quoted bid class securities—giving the notice to the relevant market operator; and
  - (c) for unquoted bid class securities—lodging the notice with ASIC.

*Strict liability offences*

- (6) An offence based on subsection (2), (3) or (4) is an offence of strict liability.

Note: For *strict liability*, see section 6.1 of the *Criminal Code*.

- (3) Section 1314 (continuing offences) and subsection 1324(2) (injunctions) do not apply in relation to a failure to make a

takeover bid in accordance with a public proposal under subsection (1).

### *Variation to be made by notice to the target and holders*

- (1) To vary offers under an off-market bid, the bidder must:

- (a) prepare a notice that:
  - (i) sets out the terms of the proposed variation; and

Any reduction in share capital is authorised by this subsection.

Note: For *strict liability*, see section 6.1 of the *Criminal Code*.

**650F Freeing off-market bids from defeating conditions**

A transfer of securities based on an acceptance or contract that is void under this section must not be registered.

## **Division 3—Off-market bids (automatic variations)**

### **651A Off-market bid—effect on bid consideration of purchases made outside bid**

#### *Effect of purchases outside bid on offers made under the bid*

- (1) The offers made under an off-market bid, and the takeover contracts, are varied under this section if:
- (a) the bidder purchases securities in the bid class outside the bid during the bid period; and
  - (b) the consideration for that purchase consists solely of a cash sum; and
  - (c) either:
    - (i) the consideration, or 1 of the forms of consideration, payable under the bid consists of a cash sum only and the consideration referred to in paragraph (b) is higher than the cash sum payable for the securities under the bid; or
    - (ii) a cash sum only is not the consideration, or 1 of the forms of consideration, payable under the bid.

Note 1: Section 9 defines *takeover contract*.

Note 2: The effect of section 623 is that the purchase outside the bid has to be made through an on-market transaction (see subsection 623(1) and paragraph 623(3)(b)).

#### *Effect on unaccepted cash offers*

- (2) If:
- (a) one of the forms of consideration offered to a person under an off-market bid is a cash sum only; and
  - (b) the person has not accepted the offer before the purchase outside the bid occurs;
- the cash sum is taken to be increased to the highest outside purchase price before the offer is accepted.

**Section 651B**

---

*Effect on cash offers already accepted*

- (3) The consideration payable for each security covered by a takeover contract arising from the acceptance of an offer for a cash sum only is increased to the highest outside purchase price. If the person who accepted the offer has already received the whole or any part of the consideration under the contract, they are entitled to receive the increase in consideration immediately.

*Effect on non-cash offers accepted at any time during bid period*

- (4) If:
- (a) a person accepts an offer under a bid at any time during the bid period; and
  - (b) the consideration paid or provided, or to be paid or provided, under the takeover contract arising from the acceptance of the offer does not consist of a cash sum only;
- then:
- (c) the person may elect to take as consideration for each security covered by the takeover contract a cash sum equal to the highest outside purchase price instead of the consideration they originally accepted; and
  - (d) the bidder must give the person a written notice of their right to make the election within 14 days after the end of the offer period.

Note: Section 651B says how the election is to be exercised.

- (5) An offence based on subsection (4) is an offence of strict liability.

Note: For *strict liability*, see section 6.1 of the *Criminal Code*.

**651B How to make an election for new forms of consideration**

- (1) An election under section 650B or 651A to take a new form of consideration must be made:
- (a) by written notice to the bidder; and
  - (b) within 1 month after the person receives the notice from the bidder of their right to make the election.

---

Section 651C

---

- (2) The person becomes entitled to the new form of consideration if they:
  - (a) make the election; and
  - (b) return to the bidder:
    - (i) any consideration they have already received; and
    - (ii) any necessary transfer documents.

**651C Returning securities as part of election**

- (1) If under section 651B a person returns to a company any certificates (together with any necessary transfer documents) in respect of the securities issued by a company, the company must cancel those securities as soon as possible.
- (2) An offence based on subsection (1) is an offence of strict liability.

Note: For *strict liability*, see section 6.1 of the *Criminal Code*.

Unaccepted offers under a takeover bid may only be withdrawn under section 652B or 652C.

### 652B Withdrawal of takeover offers with ASIC consent

Unaccepted offers under a takeover bid may be withdrawn with the written consent of ASIC. ASIC may consent subject to conditions.

### 652C Withdrawal of market bids

*Bidder entitled to withdraw if certain events happen during the offer period*

- (1) The bidder may withdraw unaccepted offers made under a market bid if 1 of the following happens during the bid period, but only if the bidder's voting power in the target is at or below 50% when the event happens:
  - (a) the target converts all or any of its shares into a larger or smaller number of shares (see section 254H);
  - (b) the target or a subsidiary resolves to reduce its share capital in any way;
  - (c) the target or a subsidiary:
    - (i) enters into a buy-back agreement; or
    - (ii) resolves to approve the terms of a buy-back agreement under subsection 257C(1) or 257D(1);
  - (d) the target or a subsidiary issues shares, or grants an option over its shares, or agrees to make such an issue or grant such an option;

  - (g) the target or a subsidiary charges, or agrees to charge, the whole, or a substantial part, of its business or property;
  - (h) the target or a subsidiary resolves to be wound up.
- (2) The bidder may also withdraw unaccepted offers made under a market bid if 1 of the following happens during the bid period:
- (a) a liquidator or provisional liquidator of the target or of a subsidiary is appointed;
  - (b) a court makes an order for the winding up of the target or of a subsidiary;
  - (c) an administrator of the target, or of a subsidiary, is appointed under section 436A, 436B or 436C;
  - (d) the target or a subsidiary executes a deed of company arrangement;
  - (e) a receiver, or a receiver and manager, is appointed in relation to the whole, or a substantial part, of the property of the target or of a subsidiary.

This is so regardless of the bidder's voting power at the time.

- (3) Notice of the withdrawal must be given to each relevant market operator.
- (4) An offence based on subsection (3) is an offence of strict liability.

Note: For *strict liability*, see section 6.1 of the *Criminal Code*.

## **Part 6.8—Acceptances**

### **653A Acceptance of offers made under off-market bid**

If:

- (a) an offer is made under an off-market bid for quoted securities; and
- (b) regulations made for the purposes of this paragraph set out any requirements for the manner in which the acceptance of the offer, so far as it relates to those securities, must be complied with;

an acceptance of the offer for those securities is effective only if it is made in that way.

### **653B Acceptances by transferees and nominees of offers made under off-market bid**

(1) If an off-market bid is made for securities:

- (a) a person who:
  - (i) is able during the offer period to give good title to a parcel of those securities; and
  - (ii) has not already accepted an offer under the bid for those securities;may accept as if an offer on terms identical with the other offers made under the bid had been made to that person in relation to those securities; and
- (b) a person who holds 1 or more parcels of those securities as trustee or nominee for, or otherwise on account of, another person may accept as if a separate offer had been made in relation to:
  - (i) each of those parcels; and
  - (ii) any parcel they hold in their own right.

If a person accepts an offer under a proportional takeover bid for securities, no-one else may accept an offer under the bid in respect of those securities.

---

Section 653B

Note: Section 9 defines *proportional takeover bid*. See paragraph 618(1)(b).

- (2) For the purposes of this section:
  - (a) a person is taken to hold securities if the person is, or is entitled to be registered as, the holder of the securities; and
  - (b) a person is taken to hold the securities on trust for, as nominee for or on account of another person if they:
    - (i) are entitled to be registered as the holder of particular securities; and
    - (ii) hold their interest in the securities on trust for, as nominee for or on account of that other person; and
  - (c) in determining under subsection (1) whether a person has accepted an offer for particular securities under a takeover bid, a person who accepts an offer under a proportional takeover bid is taken to have accepted the offer for all the securities in the bid class that they hold at the time they accept the offer.
- (3) If under paragraph (1)(b) a person may accept as if a separate offer is taken to be made to a person for a parcel of securities within a holding, an acceptance of that offer is ineffective unless:
  - (a) the person gives the bidder a notice stating that the securities consist of a separate parcel; and
  - (b) the acceptance specifies the number of securities in the parcel.
- (4) A notice under subsection (3) must:
  - (a) comply with the conditions specified in regulations made for the purposes of this paragraph that provide for the manner of giving the notice; or
  - (b) if no such regulations are made—be in writing.
- (5) A person contravenes this subsection if:
  - (a) they purport to accept an offer under this section; and
  - (b) the acceptance is not made in accordance with this section.

The acceptance is, however, as valid as it would have been if it had been made in accordance with this section.

**Section 653B**

---

- (6) A person may, at the one time, accept for 2 or more parcels under this section as if there had been a single offer for a separate parcel consisting of those parcels.

## **Part 6.9—Other activities during the bid period**

### **654A Bidder not to dispose of securities during the bid period**

- (1) The bidder must not dispose of any securities in the bid class during the bid period.
- (1A) An offence based on subsection (1) is an offence of strict liability.  
Note: For *strict liability*, see section 6.1 of the *Criminal Code*.
- (2) Subsection (1) does not apply to a disposal of securities by the bidder if:
  - (a) someone else who is not an associate of the bidder makes an offer, or improves the consideration offered, under a takeover bid for securities in the bid class after the bidder's statement is given to the target; and
  - (b) the bidder disposes of the securities after the offer is made or the consideration is improved.

Note: A defendant bears an evidential burden in relation to the matters in subsection (2), see subsection 13.3(3) of the *Criminal Code*.

### **654B Disclosures about substantial shareholdings in listed companies**

During the bid period, substantial shareholding notices that need to be lodged under section 671B must be lodged by 9.30 am the next business day (rather than the usual 2 business days).

### **654C Disclosures about substantial shareholdings in unlisted companies**

- (1) A bidder making a bid for securities of an unlisted company must give the target a notice stating the bidder's voting power in the target if, at a particular time during the bid period, the bidder's voting power in the target rises from below a percentage in the following list to that percentage or higher:

#### 655A ASIC's power to exempt and modify

- (1) ASIC may:
  - (a) exempt a person from a provision of this Chapter; or
  - (b) declare that this Chapter applies to a person as if specified provisions were omitted, modified or varied as specified in the declaration.

Note: Under section 656A, the Panel has power to review the exercise by ASIC of its powers under this section.
- (2) In deciding whether to give the exemption or declaration, ASIC must consider the purposes of this Chapter set out in section 602.
- (3) The exemption or declaration may:
  - (a) apply to all or specified provisions of this Chapter; and
  - (b) apply to all persons, specified persons, or a specified class of persons; and
  - (c) relate to all securities, specified securities or a specified class of securities; and
  - (d) relate to any other matter generally or as specified.
- (4) An exemption may apply unconditionally or subject to specified conditions. A person to whom a condition specified in an exemption applies must comply with the condition. The Court may order the person to comply with the condition in a specified way. Only ASIC may apply to the Court for the order.
- (5) The exemption or declaration must be in writing and ASIC must publish notice of it in the *Gazette*.

  - (a) of the making of the decision; and
  - (b) of the person's right to have the decision reviewed by the Panel under section 656A.
- (2) Subsection (1) does not require ASIC to give notice to a person affected by the decision or to the persons in a class of persons affected by the decision, if ASIC determines that giving notice to the person or persons is not warranted, having regard to:
  - (a) the cost of giving notice to the person or persons; and
  - (b) the way in which the interests of the person or persons are affected by the decision.
- (3) A failure to comply with this section does not affect the validity of the decision.

## **Division 2—The Takeovers Panel**

### **Subdivision A—Review of ASIC’s exercise of its exemption or modification powers**

#### **656A Review of exercise of exemption or modification powers**

- (1) The Panel may review:
  - (a) a decision of ASIC under section 655A; or
  - (b) a decision of ASIC under section 673 in relation to securities of the target of a takeover bid during the bid period.For these purposes, *decision* has the same meaning as in the *Administrative Appeals Tribunal Act 1975*.
- (2) An application to the Panel for review of the decision may be made by any person whose interests are affected by the decision.
- (3) For the purpose of reviewing the decision, the Panel may exercise all the powers and discretions conferred on ASIC by this Chapter or Chapter 6C. The Panel must make a decision:

    - (ii) remitting the matter for reconsideration by ASIC in accordance with any directions or recommendations of the Panel.
- (4) The decision must be in writing and published in the *Gazette*.
- (5) If the Panel varies an ASIC decision, or makes a decision in substitution for an ASIC decision:
  - (a) the ASIC decision as varied, or the substituted decision, is taken for all purposes (other than the purposes of applications to the Panel for review in accordance with this section) to be a decision of ASIC under section 655A; and

**Section 656B**

---

- (b) when the Panel's determination on the review comes into operation, the ASIC decision as varied, or the substituted decision, has effect, or is taken to have had effect, on and from the day on which the ASIC decision has or had effect.

Paragraph (b) applies unless the Panel otherwise orders.

**656B Operation and implementation of a decision that is subject to review**

- (1) Subject to this section, applying to the Panel under section 656A for review of an ASIC decision does not:
  - (a) affect the operation of the decision; or
  - (b) prevent the taking of action to implement the decision.
- (2) On application by a party to the proceedings before the Panel, the Panel may:
  - (a) make an order staying, or otherwise affecting the operation or implementation of, the whole or a part of the decision if the Panel considers that:
    - (i) it is desirable to make the order after taking into account the interests of any person who may be affected by the review; and
    - (ii) the order is appropriate for the purpose of securing the effectiveness of the hearing and determination of the application for review; or
  - (b) make an order varying or revoking an order made under paragraph (a) (including an order that has previously been varied on one or more occasions under this paragraph).
- (3) Subject to subsection (4), the Panel must not:
  - (a) make an order under paragraph (2)(a) unless ASIC has been given a reasonable opportunity to make a submission to the Panel in relation to the matter; or
  - (b) make an order under paragraph (2)(b) unless:
    - (i) ASIC; and
    - (ii) the person who requested the making of the order under paragraph (2)(a); and

Section 657A

---

- (iii) if the order under paragraph (2)(a) has previously been varied by an order or orders under paragraph (2)(b)—the person or persons who applied for the last-mentioned order or orders;  
have been given a reasonable opportunity to make submissions to the Panel in relation to the matter.
- (4) Subsection (3) does not prohibit the Panel from making an order without giving to a person referred to in that subsection a reasonable opportunity to make a submission to the Panel in relation to a matter if the Panel is satisfied that, by reason of the urgency of the case or otherwise, it is not practicable to give that person such an opportunity. If an order is so made without giving such an opportunity to ASIC, the order does not come into operation until a notice setting out the terms of the order is served on ASIC.
- (5) An order in force under paragraph (2)(a) (including an order that has previously been varied on one or more occasions under paragraph (2)(b)):
  - (a) is subject to the conditions that are specified in the order; and
  - (b) has effect until:
    - (i) if a period for the operation of the order is specified in the order—the end of that period or, if the application for review is decided by the Panel before the end of that period, the decision of the Panel on the application for review comes into operation; or

- (3) In exercising its powers under this section, the Panel:
- (a) must have regard to:
    - (i) the purposes of this Chapter set out in section 602; and
    - (ii) the other provisions of this Chapter; and

(2B) A person does not contravene subsection (2A) if the person proves that they:

- (a) took all steps (if any) that were reasonable in the circumstances to ensure that the listed disclosing entity complied with its obligations under subsection (2); and
  - (b) after doing so, believed on reasonable grounds that the listed disclosing entity was complying with its obligations under that subsection.
- (3) For the purposes of the application of subsection (2) to a listed disclosing entity that is an undertaking to which interests in a registered scheme relate, the obligation of the entity to notify the market operator of information is an obligation of the responsible entity.
- (4) Nothing in subsection (2) is intended to affect or limit the situations in which action can be taken (otherwise than by way of a prosecution for an offence based on subsection (2)) in respect of a failure to comply with provisions referred to in subsection (1).

*Obligation to make provisions of listing rules available*

- (5) If the listing rules of a listing market in relation to a listed disclosing entity contain provisions of a kind referred to in subsection (1), the market operator must ensure that those provisions are available, on reasonable terms, to:
- (a) the entity; or
  - (b) if the entity is an undertaking to which interests in a registered scheme relate—the undertaking's responsible entity.

Note: Failure to comply with this subsection is an offence (see subsection 1311(1)).

Section 675

---

**675 Continuous disclosure—other disclosing entities**

- (1) This section applies to:
  - (a) a listed disclosing entity if:
    - (i) there is only one listing market in relation to the entity and the listing rules of that market do not contain provisions of a kind referred to in subsection 674(1); or
    - (ii) there is more than one listing market in relation to the entity and none of those markets have listing rules that contain provisions of a kind referred to in subsection 674(1); or
  - (b) an unlisted disclosing entity.
- (2) If the disclosing entity becomes aware of information:
  - (a) that is not generally available; and
  - (b) that a reasonable person would expect, if it were generally available, to have a material effect on the price or value of ED securities of the entity; and
  - (c) either:
    - (i) if those securities are not managed investment products—the information is not required to be included in a supplementary disclosure document or a replacement disclosure document in relation to the entity; or
    - (ii) if those securities are managed investment products—the information has not been included in a Product Disclosure Statement, or a Supplementary Product Disclosure Statement, a copy of which has been lodged with ASIC; and
  - (d) regulations made for the purposes of this paragraph do not provide that disclosure under this section is not required in the circumstances;

the disclosing entity must, as soon as practicable, lodge a document with ASIC containing the information.

Note 1: Failure to comply with this subsection is an offence (see subsection 1311(1)).

---

Section 676

Note 2: This subsection is also a civil penalty provision (see section 1317E). For relief from liability to a civil penalty relating to this subsection, see section 1317S.

Note 3: An infringement notice may be issued for an alleged contravention of this subsection, see section 1317DAC.

(2A) A person who is involved in a disclosing entity's contravention of subsection (2) contravenes this subsection.

Note 1: This subsection is a civil penalty provision (see section 1317E). For relief from liability to a civil penalty relating to this subsection, see section 1317S.

Note 2: Section 79 defines *involved*.

(2B) A person does not contravene subsection (2A) if the person proves that they:

- (a) took all steps (if any) that were reasonable in the circumstances to ensure that the disclosing entity complied with its obligations under subsection (2); and
- (b) after doing so, believed on reasonable grounds that the disclosing entity was complying with its obligations under that subsection.

(3) For the purposes of the application of this section to a disclosing entity that is an undertaking to which interests in a registered scheme relate:

- (a) the entity is aware of information if, and only if, the responsible entity is aware of the information; and
- (b) the obligation of the entity to lodge a document under subsection (2) is an obligation of the responsible entity.

**676 Sections 674 and 675—when information is generally available**

(1) This section has effect for the purposes of sections 674 and 675.

(2) Information is generally available if:

- (a) it consists of readily observable matter; or
- (b) without limiting the generality of paragraph (a), both of the following subparagraphs apply:
  - (i) it has been made known in a manner that would, or would be likely to, bring it to the attention of persons

Section 677

---

- who commonly invest in securities of a kind whose price or value might be affected by the information; and
- (ii) since it was so made known, a reasonable period for it to be disseminated among such persons has elapsed.
- (3) Information is also generally available if it consists of deductions, conclusions or inferences made or drawn from either or both of the following:
- (a) information referred to in paragraph (2)(a);
  - (b) information made known as mentioned in subparagraph (2)(b)(i).

**677 Sections 674 and 675—material effect on price or value**

For the purposes of sections 674 and 675, a reasonable person would be taken to expect information to have a material effect on the price or value of ED securities of a disclosing entity if the information would, or would be likely to, influence persons who commonly invest in securities in deciding whether to acquire or dispose of the ED securities.

**678 Application of *Criminal Code* to offences based on subsection 674(2), 674(5) or 675(2)**

The *Criminal Code* applies to an offence based on subsection 674(2), 674(5) or 675(2).

Note 1: Chapter 2 of the *Criminal Code* sets out the general principles of criminal responsibility.

Note 2: For the meaning of *offence based on* a provision, see the definition in section 9.

## Chapter 6D—Fundraising

### Part 6D.1—Application of the fundraising provisions

#### 700 Coverage of the fundraising rules

- (1) In this Chapter, *securities* has the same meaning as it has in Chapter 7.

*Offers and invitations both covered*

- (2) For the purposes of this Chapter:
- (a) offering securities for issue includes inviting applications for the issue of the securities; and
  - (b) offering securities for sale includes inviting offers to purchase the securities.

*Person offering securities*

- (3) For the purposes of this Chapter, the person who offers securities is the person who has the capacity, or who agrees, to issue or transfer the securities if the offer is accepted.

*Geographical coverage of Chapter*

- (4) This Chapter applies to offers of securities that are received in this jurisdiction, regardless of where any resulting issue, sale or transfer occurs.

#### 702 Treatment of offers of options over securities

For the purposes of this Chapter:

- (a) an offer of an option over securities is not taken to be an offer of the underlying securities; and

Section 703

---

- (b) the grant of an option without an offer of the option is taken to be an offer of the option; and
- (c) an offer to grant an option is taken to be an offer to issue the security constituted by the option.

Note 1: If a disclosure document is needed for the option and there is no further offer involved in exercising the option, the issue or sale of the underlying securities on the exercise of the option does not need a disclosure document.

Note 2: Paragraph (b)—the grant of the option will not require a disclosure document if no consideration is payable on the grant or the exercise of the option (see subsections 708(15) and (16)).

**703 Chapter may not be contracted out of**

A condition of a contract for the sale or issue of securities is void if it provides that a party to the contract is:

- (a) required or bound to waive compliance with any requirement of this Chapter; or
- (b) taken to have notice of any contract, document or matter not specifically referred to in the disclosure document for the offer.

**703A Operating a clearing and settlement facility is not offering securities etc.**

Nothing that the operator of a clearing and settlement facility (within the meaning of Chapter 7) does in the course of, or in connection with, providing facilities for the settlement of transactions constitutes, for the purposes of this Chapter:

- (a) an offer of securities for subscription or purchase; or
- (b) an invitation to subscribe for or buy securities.

## Part 6D.2—Disclosure to investors about securities

### Division 1—Overview

#### 704 When disclosure to investors is needed

Sections 706, 707, 708 and 708A say when an offer of securities needs disclosure to investors under this Part.

Note 1: Section 727 prohibits offering securities without disclosure.

Note 2: If the offer needs disclosure, section 734 applies advertising restrictions. These continue throughout the whole offer process. Different restrictions apply before and after the disclosure document is lodged.

Note 3: The way the offers are made to people must not breach the securities hawking prohibition in section 736.

#### 705 Types of disclosure document

The following table shows what disclosure documents to use if an offer of securities needs disclosure to investors under this Part.

Disclosure document		
	Type	Sections
1	<b><i>prospectus</i></b>	
	The standard full-disclosure document.	content [710, 711, 713] procedure [717] liability [728 and 729] defences [731, 733]
2	<b><i>short form prospectus</i></b>	
	May be used for any offer. Section 712 allows a prospectus to refer to material lodged with ASIC instead of setting it out. Investors are entitled to a copy of this material if they ask for it.	content [712]

Section 705

---

Disclosure document		
	Type	Sections
3	<b><i>profile statement</i></b> Section 721 allows a brief profile statement (rather than the prospectus) to be sent out with offers with ASIC approval. The prospectus must still be prepared and lodged with ASIC. Investors are entitled to a copy of the prospectus if they ask for it.	content [714] procedure [717] liability [728 and 729] defences [732, 733]
4	<b><i>offer information statement</i></b> Section 709 allows an offer information statement to be used instead of a prospectus for an offer to issue securities if the amount raised from issues of securities is \$5 million or less.	content [715] procedure [717] liability [728 and 729] defences [732, 733]

## **Division 2—Offers that need disclosure to investors**

### **706 Issue offers that need disclosure**

An offer of securities for issue needs disclosure to investors under this Part unless section 708 says otherwise.

### **707 Sale offers that need disclosure**

*Only some sales need disclosure*

- (1) An offer of securities for sale needs disclosure to investors under this Part only if disclosure is required by subsection (2), (3) or (5).

*Off-market sale by controller*

- (2) An offer of a body's securities for sale needs disclosure to investors under this Part if:
- (a) the person making the offer controls the body; and
  - (b) either:
    - (i) the securities are not quoted; or
    - (ii) although the securities are quoted, they are not offered for sale in the ordinary course of trading on a relevant financial market;

and section 708 does not say otherwise.

Note: See section 50AA for when a person controls a body.

*Sale amounting to indirect issue*

- (3) An offer of a body's securities for sale within 12 months after their issue needs disclosure to investors under this Part if:
- (a) the body issued the securities without disclosure to investors under this Part; and
  - (b) either:
    - (i) the body issued the securities with the purpose of the person to whom they were issued selling or transferring

**Section 707**

---

the securities, or granting, issuing or transferring interests in, or options over, them; or

- (ii) the person to whom the securities were issued acquired them with the purpose of selling or transferring the securities, or granting, issuing or transferring interests in, or options over, them;

and section 708 or 708A does not say otherwise.

Note 1: Section 706 normally requires disclosure for the issue of securities. This subsection is intended to prevent avoidance of section 706. However, to establish a contravention of this subsection, the only purpose that needs to be shown is that referred to in paragraph (b).

Note 2: The issuer and the seller must both consent to the disclosure document (see section 720).

*The purpose test in subsection (3)*

- (4) For the purposes of subsection (3):

- (a) securities are taken to be:

- (i) issued with the purpose referred to in subparagraph (3)(b)(i); or
- (ii) acquired with the purpose referred to in subparagraph (3)(b)(ii);

if there are reasonable grounds for concluding that the securities were issued or acquired with that purpose (whether or not there may have been other purposes for the issue or acquisition); and

- (b) without limiting paragraph (a), securities are taken to be:

- (i) issued with the purpose referred to in subparagraph (3)(b)(i); or
- (ii) acquired with the purpose referred to in subparagraph (3)(b)(ii);

if any of the securities are subsequently sold, or offered for sale, within 12 months after issue, unless it is proved that the circumstances of the issue and the subsequent sale or offer are not such as to give rise to reasonable grounds for concluding that the securities were issued or acquired with that purpose.

*Sale amounting to indirect off-market sale by controller*

- (5) An offer of a body's securities for sale within 12 months after their sale by a person who controlled the body at the time of the sale needs disclosure to investors under this Part if:
- (a) at the time of the sale by the controller either:
    - (i) the securities were not quoted; or
    - (ii) although the securities were quoted, they were not offered for sale in the ordinary course of trading on a relevant financial market on which they were quoted; and
  - (b) the controller sold the securities without disclosure to investors under this Part; and
  - (c) either:
    - (i) the controller sold the securities with the purpose of the person to whom they were sold selling or transferring the securities, or granting, issuing or transferring interests in, or options over, them; or
    - (ii) the person to whom the securities were sold acquired them with the purpose of selling or transferring the securities, or granting, issuing or transferring interests in, or options over, them;

and section 708 does not say otherwise.

Note 1: Subsection (2) normally requires disclosure for a sale by a controller. This subsection is intended to prevent avoidance of subsection (2). However, to establish a contravention of this subsection, the only purpose that needs to be shown is that referred to in paragraph (c).

Note 2: See section 50AA for when a person controls a body.

Note 3: The controller and the seller must both consent to the disclosure document (see section 720).

*The purpose test in subsection (5)*

- (6) For the purposes of subsection (5):
- (a) securities are taken to be:
    - (i) sold with the purpose referred to in subparagraph (5)(c)(i); or

**Section 708**

---

- (ii) acquired with the purpose referred to in subparagraph (5)(c)(ii);  
if there are reasonable grounds for concluding that the securities were sold or acquired with that purpose (whether or not there may have been other purposes for the sale or acquisition); and
- (b) without limiting paragraph (a), securities are taken to be:
  - (i) sold with the purpose referred to in subparagraph (5)(c)(i); or
  - (ii) acquired with the purpose referred to in subparagraph (5)(c)(ii);  
if any of the securities are subsequently sold, or offered for sale, within 12 months after their sale by the controller, unless it is proved that the circumstances of the initial sale and the subsequent sale or offer are not such as to give rise to reasonable grounds for concluding that the securities were sold or acquired (in the initial sale) with that purpose.

**708 Offers that do not need disclosure**

*Small scale offerings (20 issues or sales in 12 months)*

- (1) Personal offers of a body's securities by a person do not need disclosure to investors under this Part if:
  - (a) none of the offers results in a breach of the 20 investors ceiling (see subsections (3) and (4)); and
  - (b) none of the offers results in a breach of the \$2 million ceiling (see subsections (3) and (4)).

This subsection does not apply to an offer for sale to which subsection 707(3) (sale amounting to indirect issue) or (5) (sale amounting to indirect sale by controller) applies.

Note 1: Subsection 727(4) makes it an offence to issue or transfer securities without disclosure to investors once 20 issues or transfers have occurred or \$2 million has been raised.

Note 2: Under section 740 ASIC may make a determination aggregating the transactions of bodies that ASIC considers to be closely related.

- (2) For the purposes of subsection (1), a personal offer is one that:

- (a) may only be accepted by the person to whom it is made; and
- (b) is made to a person who is likely to be interested in the offer, having regard to:
  - (i) previous contact between the person making the offer and that person; or
  - (ii) some professional or other connection between the person making the offer and that person; or
  - (iii) statements or actions by that person that indicate that they are interested in offers of that kind.
- (3) An offer by a body to issue securities:
  - (a) results in a breach of the 20 investors ceiling if it results in the number of people to whom securities of the body have been issued exceeding 20 in any 12 month period; and
  - (b) results in a breach of the \$2 million ceiling if it results in the amount raised by the body by issuing securities exceeding \$2 million in any 12 month period.
- (4) An offer by a person to transfer a body's securities:
  - (a) results in a breach of the 20 investors ceiling if it results in the number of people to whom the person sells securities of the body exceeding 20 in any 12 month period; and
  - (b) results in a breach of the \$2 million ceiling if it results in the amount raised by the person from selling the body's securities exceeding \$2 million in any 12 month period.
- (5) In counting issues and sales of the body's securities, and the amount raised from issues and sales, for the purposes of subsection (1), disregard issues and sales that result from offers that:
  - (a) do not need a disclosure document because of any other subsection of this section; or
  - (b) are not received in Australia; or
  - (c) are made under a disclosure document.
- Note: Also see provisions on restrictions on advertising (section 734) and securities hawking provisions (Part 6D.3).
- (7) In working out the amount of money raised by the body by issuing securities, include the following:

Section 708

---

- (a) the amount payable for the securities at the time when they are issued;
- (b) if the securities are shares issued partly-paid—any amount payable at a future time if a call is made;
- (c) if the security is an option—any amount payable on the exercise of the option;
- (d) if the securities carry a right to convert the securities into other securities—any amount payable on the exercise of that right.

*Sophisticated investors*

- (8) An offer of a body's securities does not need disclosure to investors under this Part if:
  - (a) the minimum amount payable for the securities on acceptance of the offer by the person to whom the offer is made is at least \$500,000; or
  - (b) the amount payable for the securities on acceptance by the person to whom the offer is made and the amounts previously paid by the person for the body's securities of the same class that are held by the person add up to at least \$500,000; or
  - (c) it appears from a certificate given by a qualified accountant no more than 6 months before the offer is made that the person to whom the offer is made:
    - (i) has net assets of at least the amount specified in regulations made for the purposes of this subparagraph; or
    - (ii) has a gross income for each of the last 2 financial years of at least the amount specified in regulations made for the purposes of this subparagraph a year.

Note 1: Section 9 defines *qualified accountant*.

Note 2: A financial services licensee has obligations under Division 3 of Part 7.7 when providing financial advice. ASIC has a power under section 915C to suspend or cancel a licensee's licence.

- (9) In calculating the amount payable, or paid, for securities for the purposes of paragraph (8)(a) or (b), disregard any amount payable, or paid, to the extent to which it is to be paid, or was paid, out of money lent by the person offering the securities or an associate.

- (9A) In addition to specifying amounts for the purposes of subparagraphs (8)(c)(i) and (ii), the regulations may do either or both of the following:
- (a) deal with how net assets referred to in subparagraph (8)(c)(i) are to be determined and valued, either generally or in specified circumstances;
  - (b) deal with how gross income referred to in subparagraph (8)(c)(ii) is to be calculated, either generally or in specified circumstances.
- (10) An offer of a body's securities does not need disclosure to investors under this Part if:
- (a) the offer is made through a financial services licensee; and
  - (b) the licensee is satisfied on reasonable grounds that the person to whom the offer is made has previous experience in investing in securities that allows them to assess:
    - (i) the merits of the offer; and
    - (ii) the value of the securities; and
    - (iii) the risks involved in accepting the offer; and
    - (iv) their own information needs; and
    - (v) the adequacy of the information given by the person making the offer; and
  - (c) the licensee gives the person before, or at the time when, the offer is made a written statement of the licensee's reasons for being satisfied as to those matters; and
  - (d) the person to whom the offer is made signs a written acknowledgment before, or at the time when, the offer is made that the licensee has not given the person a disclosure document under this Part in relation to the offer.

*Professional investors*

- (11) An offer of securities does not need disclosure to investors under this Part if it is made to a professional investor (as defined in section 9).

Section 708

---

*Offers of securities to people associated with the body*

- (12) An offer of a body's securities does not need disclosure to investors under this Part if it is made to:

  - (b) a body corporate controlled by a person referred to in paragraph (a).

*Certain offers to present holder of securities*

- (13) An offer of securities for issue does not need disclosure to investors under this Part if it is:
- (a) an offer of fully-paid shares in a body to 1 or more existing holders of shares in the body under a dividend reinvestment plan or bonus share plan; or
  - (b) an offer of interests in a managed investment scheme to 1 or more existing holders of interests in the scheme if:
    - (i) the offer is made under a distribution reinvestment plan or switching facility; or
    - (ii) the scheme is of a kind commonly known as a cash common fund or cash management trust.
- (14) An offer of a disclosing entity's debentures for issue does not need disclosure to investors under this Part if the offer is made to 1 or more existing debenture holders.

*Issues or sales for no consideration*

- (15) An offer of securities (other than options) does not need disclosure to investors under this Part if no consideration is to be provided for the issue or transfer of the securities.
- (16) An offer of options does not need disclosure to investors under this Part if:
- (a) no consideration is to be provided for the issue or transfer of the options; and
  - (b) no consideration is to be provided for the underlying securities on the exercise of the option.

*Compromise or arrangement under Part 5.1*

- (17) An offer of securities does not need disclosure to investors under this Part if it is made under a compromise or arrangement under Part 5.1 approved at a meeting held as a result of an order under subsection 411(1) or (1A).

*Takeovers*

- (18) An offer of securities does not need disclosure to investors under this Part if it is:
- (a) made as consideration for an offer to acquire securities under a takeover bid under Chapter 6; and
  - (b) accompanied by a bidder's statement.

Note: Although this offer does not need a disclosure document, similar disclosures must be made about the securities in the bidder's statement under section 636.

*Debentures of certain bodies*

Note: Section 66A defines *exempt body*.

- (21) An offer of a body's securities for issue does not need disclosure to investors under this Part if the body is an exempt public authority of a State or Territory.

Note: Debentures, stock or bonds issued by a government are not securities for the purposes of this Chapter (see subsection 92(3)).

Section 708A

---

**708A Sale offers that do not need disclosure**

*Sale offer to which this section applies*

- (1) This section applies to an offer (the ***sale offer***) of a body's securities (the ***relevant securities***) for sale by a person if:
  - (a) but for subsection (5), (11) or (12), disclosure to investors under this Part would be required by subsection 707(3) for the sale offer; and
  - (b) the securities were not issued by the body with the purpose referred to in subparagraph 707(3)(b)(i); and
  - (c) a determination under subsection (2) was not in force in relation to the body at the time when the relevant securities were issued.

*Determination by ASIC*

- (2) ASIC may make a determination under this subsection if ASIC is satisfied that in the previous 12 months the body contravened any of the following provisions:
  - (a) subsection 283AA(1), 283AB(1) or 283AC(1);
  - (b) the provisions of Chapter 2M as they apply to the body;
  - (c) section 674 or 675;
  - (d) section 724 or 728;

  - (f) section 1308 as that section applies to a notice under subsection (5) of this section.
- (3) The determination must be made in writing and a copy must be published in the *Gazette* as soon as practicable after the determination is made.
- (4) A failure to publish a copy of the determination does not affect the validity of the determination.

*Sale offer of quoted securities—case 1*

- (5) The sale offer does not need disclosure to investors under this Part if:

Section 708A

---

- (a) the relevant securities are in a class of securities that were quoted securities at all times in the 12 months before the day on which the relevant securities were issued; and
  - (b) trading in that class of securities on a prescribed financial market on which they were quoted was not suspended for more than a total of 5 days in that 12 months; and
  - (c) no exemption under section 111AS or 111AT covered the body, or any person as director or auditor of the body, at any time in that 12 months; and
  - (d) no order under section 340 or 341 covered the body, or any person as director or auditor of the body, at any time in that 12 months; and
  - (e) the body gives the relevant market operator for the body a notice that complies with subsection (6) before the day on which the sale offer is made.
- (6) A notice complies with this subsection if the notice:
- (a) is given within 5 business days after the day on which the relevant securities were issued by the body; and
  - (b) states that the body issued the relevant securities without disclosure to investors under this Part; and
  - (c) states that the notice is being given under paragraph (5)(e); and
  - (d) states that, as at the date of the notice, the body has complied with:
    - (i) the provisions of Chapter 2M as they apply to the body; and
    - (ii) section 674; and
  - (e) sets out any information that is excluded information as at the date of the notice (see subsections (7) and (8)).

Note 1: A person is taken not to contravene section 727 if a notice purports to comply with this subsection but does not actually comply with this subsection: see subsection 727(5).

Note 2: A notice must not be false or misleading in a material particular, or omit anything that would render it misleading in a material respect: see sections 1308 and 1309. The body has an obligation to correct a defective notice: see subsection (9) of this section.

Section 708A

---

- (7) For the purposes of subsection (6), excluded information is information:
- (a) that has been excluded from a continuous disclosure notice in accordance with the listing rules of the relevant market operator to whom that notice is required to be given; and
  - (b) that investors and their professional advisers would reasonably require for the purpose of making an informed assessment of:
    - (i) the assets and liabilities, financial position and performance, profits and losses and prospects of the body; or
    - (ii) the rights and liabilities attaching to the relevant securities.
- (8) The notice given under subsection (5) must contain any excluded information only to the extent to which it is reasonable for investors and their professional advisers to expect to find the information in a disclosure document.

*Obligation to correct defective notice*

- (9) The body contravenes this subsection if:
- (a) the notice given under subsection (5) is defective; and
  - (b) the body becomes aware of the defect in the notice within 12 months after the relevant securities are issued; and
  - (c) the body does not, within a reasonable time after becoming aware of the defect, give the relevant market operator a notice that sets out the information necessary to correct the defect.
- (10) For the purposes of subsection (9), the notice under subsection (5) is **defective** if the notice:
- (a) does not comply with paragraph (6)(e); or
  - (b) is false or misleading in a material particular; or
  - (c) has omitted from it a matter or thing the omission of which renders the notice misleading in a material respect.

*Sale offer of quoted securities—case 2*

- (11) The sale offer does not need disclosure to investors under this Part if:
- (a) the relevant securities are in a class of securities that are quoted securities of the body; and
  - (b) either:
    - (i) a prospectus is lodged with ASIC on or after the day on which the relevant securities were issued but before the day on which the sale offer is made; or

  - (c) the prospectus is for an offer of securities issued by the body that are in the same class of securities as the relevant securities.

*Sale offer of quoted securities—case 3*

## **Division 3—Types of disclosure documents**

### **709 Prospectuses, short-form prospectuses, profile statements and offer information statements**

#### *Prospectus or short-form prospectus*

- (1) If an offer of securities needs disclosure to investors under this Part, a prospectus must be prepared for the offer unless subsection (4) allows an offer information statement to be used instead. Under section 712, the prospectus may simply refer to material already lodged with ASIC instead of including it.

Note: See sections 710 to 713 for the contents of a prospectus.

#### *Profile statement*

- (2) A profile statement for an offer may be prepared in addition to the prospectus if ASIC has approved the making of offers of that kind with a profile statement instead of a disclosure document.

Note 1: See section 714 for the contents of a profile statement.

Note 2: Subsection 729(2) provides that there is still liability to investors on the prospectus when a profile statement is used.

- (3) ASIC may approve the use of profile statements for offers of securities of a particular kind. The approval may specify information to be included in the profile statement (including information about a matter referred to in paragraphs 714(1)(a) to (d)).

#### *Offer information statement*

- (4) A body offering to issue securities may use an offer information statement for the offer instead of a prospectus if the amount of money to be raised by the body by issuing the securities, when added to all amounts previously raised by:
  - (a) the body; or
  - (b) a related body corporate; or
  - (c) an entity controlled by:

(i) a person who controls the body; or

(ii) an associate of that person;

by issuing securities under an offer information statement is \$5 million or less.

Note 1: See section 715 for the contents of an offer information statement. The statement must include financial statements that are less than 6 months old.

Note 2: Under section 740, ASIC may make a determination aggregating the transactions of bodies that ASIC considers to be closely related.

- (5) In working out the amount of money to be raised by a body or entity by issuing securities, include the following:
- (a) the amount payable for the securities at the time when they are issued;
  - (b) if the securities are issued partly-paid—any amount payable at a future time if a call is made;
  - (c) if the securities are options—any amount payable on the exercise of the options;
  - (d) if the securities carry a right to convert the securities into other securities—any amount payable on the exercise of that right.

## **Division 4—Disclosure requirements**

### **710 Prospectus content—general disclosure test**

- (1) A prospectus for a body's securities must contain all the information that investors and their professional advisers would reasonably require to make an informed assessment of the matters set out in the table below. The prospectus must contain this information:

  - (b) only if a person whose knowledge is relevant (see subsection (3)):
    - (i) actually knows the information; or
    - (ii) in the circumstances ought reasonably to have obtained the information by making enquiries.

    - (i) to procure acquisitions of interests in the scheme; or
    - (ii) for services provided under the constitution of the scheme.

To comply with this subsection it is not sufficient merely to state in the prospectus that a person has been paid or will be paid normal, usual or standard fees.

- (4) Disclosures need to be made under subsections (2) and (3) in relation to:
- (a) any directors and proposed directors of the body;

**Section 711**

## **712 Prospectus content—short form prospectuses**

- (1) Instead of setting out information that is contained in a document that has been lodged with ASIC, a prospectus may simply refer to the document. The reference must:
  - (a) identify the document or the part of the document that contains the information; and
  - (b) inform people of their right to obtain a copy of the document (or part) under subsection (5).
- (2) The reference must also include:

- (3) The document (or part) referred to under subsection (1) is taken to be included in the prospectus.
- (4) A person who wishes to take advantage of subsection (1) may lodge a document with ASIC even if this Act does not require the document to be lodged.
- (5) If the prospectus is taken to include a document, or part of a document, under subsection (1), the person making the offer must give a copy of the document (or part) free of charge to anyone who asks for it during the application period of the prospectus.

- (a) a misleading or deceptive statement in the disclosure document; or

  - (i) has arisen since the disclosure document was lodged; and
  - (ii) would have been required by section 710, 711, 712, 713, 714 or 715 to be included in the disclosure document if it had arisen before the disclosure document was lodged;

that is materially adverse from the point of view of an investor, the person may lodge a supplementary or replacement document with ASIC.

- Note 1: Section 728 makes it an offence to continue making offers after the person has become aware of a misleading or deceptive statement, omission or new circumstance that is materially adverse from the point of view of an investor unless the deficiency is corrected.
- Note 2: Because of section 712, a prospectus may be taken to include information in another document. This should be taken into account when considering whether the prospectus is deficient.
- Note 3: The power to issue a supplementary or replacement document is not limited to the situations dealt with in this section.
- Note 4: This section applies to a document that has already been previously supplemented or replaced.
- Note 5: See section 720 for the consents that need to be obtained before lodgment.

*Form of replacement document*

- (3) At the beginning of a replacement document, there must be:
  - (a) a statement that it is a replacement document; and
  - (b) an identification of the disclosure document it replaces.

The replacement document must be dated. The date is the date on which it is lodged with ASIC.

*Consequences of lodging a supplementary document*

- (4) If a supplementary document is lodged with ASIC, the disclosure document is taken to be the disclosure document together with the supplementary document for the purposes of the application of this Chapter to events that occur after the lodgment.

Note: This subsection means, for example, that offers made after lodgment of the supplementary document must be accompanied by copies of both the original disclosure document and the supplementary document.

*Consequences of lodging a replacement document*

- (5) If a replacement document is lodged with ASIC, the disclosure document is taken to be the replacement document for the purposes of the application of this Chapter to events that occur after the lodgment.

Note: This subsection means, for example, that offers made after lodgment of the replacement document must be accompanied by copies of the replacement document and not the original disclosure document.

Note 1: Subsection 727(1) makes it an offence to make an offer of securities unless the offer is made in or accompanied by the disclosure document and subsection 723(1) makes it an offence to issue securities unless they are applied for on a form that was issued in or together with the disclosure document.

Note 2: Section 736 makes it an offence to make unsolicited offers in a way that amounts to securities hawking.

Note 3: Section 728 makes it an offence for a person to offer securities if the disclosure document is deficient in a way that is material from the point of view of an investor.

*Offence*

- (5) A person commits an offence if the person intentionally or recklessly contravenes subsection (1) or (4).

**722 Application money to be held on trust**

- (1) If a person offers securities for issue or sale under a disclosure document, the person must hold:
  - (a) all application money received from people applying for securities under the disclosure document; and

- (b) all other money paid by them on account of the securities before they are issued or transferred;
- in trust under this section for the applicants until:
  - (c) the securities are issued or transferred; or
  - (d) the money is returned to the applicants.
- (2) If the application money needs to be returned to an applicant, the person must return the money as soon as practicable.
- (3) An offence based on subsection (1) or (2) is an offence of strict liability.

Note: For *strict liability*, see section 6.1 of the *Criminal Code*.

### **723 Issuing or transferring the securities under a disclosure document**

*Applications must be made on form included in, or accompanied by, disclosure document*

- (1) If an offer of securities needs a disclosure document, the securities may only be issued or transferred in response to an application form. The securities may only be issued or transferred if the person issuing or transferring them has reasonable grounds to believe that:
  - (a) the form was included in, or accompanied by:
    - (i) the disclosure document; or
    - (ii) if subsection 721(2) allows a profile statement to be used—the prospectus or the profile statement; when the form was distributed by the person issuing or transferring the securities; or
  - (b) the form was copied, or directly derived, by the person making the application from a form referred to in paragraph (a).

*Minimum subscription condition must be fulfilled before issue or transfer*

Section 723

---

(a) applications for a minimum number of the securities are received; or

(b) a minimum amount is raised;

the person making the offer must not issue or transfer any of the securities until that condition is satisfied. For the purpose of working out whether the condition has been satisfied, a person who has agreed to take securities as underwriter is taken to have applied for those securities.

Note 1: Under section 722, the application money must be held in trust until the issue or transfer of the securities.

Note 2: This subsection prevents the issue or transfer of the securities not only to those who apply for them in response to the disclosure document but also to those who do not need to apply for them (for example, because they are to take the securities under an underwriting agreement).

*Issue or transfer void if quotation condition not fulfilled*

- (3) If a disclosure document for an offer of securities states or implies that the securities are to be quoted on a financial market (whether in Australia or elsewhere) and:
- (a) an application for the admission of the securities to quotation is not made within 7 days after the date of the disclosure document; or
  - (b) the securities are not admitted to quotation within 3 months after the date of the disclosure document;
- then:
- (c) an issue or transfer of securities in response to an application made under the disclosure document is void; and
  - (d) the person offering the securities must return the money received by the person from the applicants as soon as practicable.

*Strict liability offences*

- (4) An offence based on subsection (1), (2) or (3) is an offence of strict liability.

Note: For *strict liability*, see section 6.1 of the *Criminal Code*.

**724 Choices open to person making the offer if disclosure document condition not met or disclosure document defective**

- (1) If a person offers securities under a disclosure document and:
  - (a) the disclosure document states that the securities will not be issued or transferred unless:

    - (i) an application for the admission to quotation is not made within 7 days after the date of the disclosure document; or
    - (ii) the securities are not admitted to quotation within 3 months after the date of the disclosure document; or
  - (c) the person becomes aware that:
    - (i) the disclosure document contains a misleading or deceptive statement; or
    - (ii) there is an omission from the disclosure document of information required by section 710, 711, 712, 713, 714 or 715;that is materially adverse from the point of view of an investor; or
  - (d) the person becomes aware of a new circumstance that:
    - (i) has arisen since the disclosure document was lodged; and
    - (ii) would have been required by section 710, 711, 712, 713, 714 or 715 to be included in the disclosure document if it had arisen before the disclosure document was lodged; and
    - (iii) is materially adverse from the point of view of an investor;

**Section 724**

---

the person must deal under subsection (2) with any applications for the securities made under the disclosure document that have not resulted in an issue or transfer of the securities. For the purpose of working out whether a condition referred to in paragraph (a) has been satisfied, a person who has agreed to take securities as underwriter is taken to have applied for those securities.

- (1A) An offence based on subsection (1) is an offence of strict liability.

Note: For *strict liability*, see section 6.1 of the *Criminal Code*.

- (2) The person must either:

- (a) repay the money received by the person from the applicants;

- (c) issue or transfer the securities to the applicants and give them:
  - (i) the documents required by subsection (3); and
  - (ii) 1 month to withdraw their application and be repaid.

Note: Section 719 deals with lodging supplementary and replacement documents. Section 728 makes it an offence for a person to offer securities if the disclosure document is deficient in a way that is material from the point of view of an investor.

- (3) The documents to be given are set out in the following table:

- (2) If an application is received on or before the expiry date, the person may issue or transfer securities to the applicant.
