Part 1 Preliminary

Section 5

5 Application of this Act

This Act applies both within and outside Australia.

Part 2—Declaration of the industry services body

6 Declaration of industry services body

- (1) The Minister may, in writing, declare an eligible body to be the industry services body if:
 - (a) the Minister is satisfied that, if the body is so declared, it will comply with its obligations under the funding contract and this Act; and
 - (b) the Commonwealth and the eligible body have entered into a funding contract.

Note 1: For information about the assets and liabilities of the eligible body first declared as the industry services body, see the *Egg Industry Service Provision (Transitional and Consequential Provisions) Act 2002*.

Note 2: Subsection 33(3) of the *Acts Interpretation Act 1901* provides for the repeal, variation etc. of instruments.

- (2) A declaration under this section must specify the day on and after which the relevant body is to be the industry services body. That day must not be earlier than the day after the day, or the later of the days (as the case may be), that paragraph (3)(a) is complied with.
- (3) The Minister must cause a copy of each declaration under this section to be:
 - (a) laid before each House of the Parliament or, if a House is not sitting, presented to the Presiding Officer of that House for circulation to the members of that House and tabling on the next sitting day, within 5 days after the declaration is made; and
 - (b) published in the *Gazette* within 14 days after the declaration is made.
- (4) For the purposes of subsection (3), if a House has been dissolved and the newly-elected House has not met when a declaration is provided to the Presiding Officer, circulation to the persons who were members of that House immediately before the dissolution is taken to be circulation to the members of the House.

Section 6

- (5) To avoid doubt, the function of a Presiding Officer of receiving, circulating and tabling a declaration under subsection (3) is a function of the Presiding Officer for the purposes of the *Parliamentary Presiding Officers Act 1965*.
- (6) A declaration is not invalid merely because it has not been published as required under paragraph (3)(b).

Part 3—Funding of the industry services body

7 Funding contract

- (1) The Minister may, on behalf of the Commonwealth, enter into a contract for the purposes of this subsection with an eligible body that provides for the Commonwealth to make payments of the following kinds to the body if the body is declared to be the industry services body:
 - (a) payments referred to as *promotion payments*;
 - (b) payments referred to as *R&D payments*;
 - (c) payments made in respect of particular financial years, referred to as *matching payments*.
- (2) Before entering into a contract for the purposes of subsection (1), the Minister must be satisfied that the terms of the contract make adequate provision to ensure that:
 - (a) promotion payments are spent by the body on all or any of the following for the benefit of the Australian egg industry:
 - (i) the marketing of eggs and egg products;
 - (ii) the promotion of eggs and egg products;
 - (iii) the provision of industry services; and
 - (b) R&D payments are spent by the body on research and development activities for the benefit of the Australian egg industry; and
 - (c) matching payments are spent by the body on:
 - (i) research and development activities for the benefit of the Australian egg industry and the Australian community generally; and
 - (ii) making payments to the Commonwealth under subsection 8(3).
- (3) The contract may require the Commonwealth to pay amounts up to, but not exceeding, the limits applicable under section 8.

Note: For example, the contract may provide that the Commonwealth will pay a lesser amount so it can deduct the costs of collecting promotion

Section 8

amounts and R&D amounts and have the capacity to deal appropriately with refunds and payments made in error.

- (4) The contract may include provisions relating to assets and liabilities that are transferred to the body under the contract or the *Egg Industry Service Provision (Transitional and Consequential Provisions) Act 2002*. This subsection does not impliedly limit the matters that may be included in the contract.
- (5) This section does not impliedly limit the executive power of the Commonwealth to enter into agreements.

8 Appropriation for payments under funding contract etc.

- (1) The Consolidated Revenue Fund is appropriated for the purposes of payments by the Commonwealth under the funding contract.

Overall limits for payments

- (2) The total limit on the appropriation for the purposes of each type of payment under the funding contract is:
 - (a) for promotion payments—the total amount of promotion amounts; and
 - (b) for R&D payments—the total amount of R&D amounts; and
 - (c) for matching payments—the total amount of matching amounts.
- (2A) Paragraph (2)(c) does not apply if the regulations so provide.

Matching payments—retention limit

- (3) The matching payments made to the industry services body during a particular financial year are subject to the condition that, if:
 - (a) before the end of 31 October next following the financial year, the Minister determines the amount of the gross value of egg production in Australia in the financial year; and
 - (b) as at the end of 31 October next following the financial year, the sum of the matching payments that were paid to the industry services body during the financial year exceeds the lesser of:

- (i) 0.5% of the amount of the gross value of egg production in Australia in the financial year as determined by the Minister; and
- (ii) 50% of the amount spent by the industry services body in the financial year on activities that qualify, under the funding contract, as research and development activities;

the industry services body will pay to the Commonwealth an amount equal to the excess.

Note: This ensures that the sum of the matching payments that are retained by the industry services body in relation to the financial year does not exceed the lesser of the amounts calculated under subparagraphs (b)(i) and (b)(ii).

(3A) If:

- (a) before the end of 31 October next following a financial year, the Minister has not determined under subsection (3) the amount of the gross value of egg production in Australia in the financial year; and
- (b) the Minister has determined under subsection (3) the amount of the gross value of egg production in Australia in the previous financial year;

the Minister is taken to have made, immediately before the end of that 31 October, a determination under subsection (3) that the amount of the gross value of egg production in Australia in the financial year is equal to the amount of the gross value of egg production in Australia determined under subsection (3) for the previous financial year.

(3B) An amount payable under subsection (3) by the industry services body:

- (a) is a debt due to the Commonwealth; and
- (b) may be recovered by the Minister, on behalf of the Commonwealth, by action in a court of competent jurisdiction.

(3C) A determination made under subsection (3) is not a legislative instrument.

Section 8

- (4) For the purposes of subsection (3), the regulations may prescribe the manner in which the Minister is to determine the gross value of egg production in Australia in a financial year.

Matching payments—unmatched R&D excess

- (5) If there is an unmatched R&D excess for a financial year, the amount spent by the eligible body in the following financial year on activities that qualify, under the funding contract, as research and development activities is taken, for the purposes of this section (including for the purposes of this subsection and subsection (6)), to be increased by the amount of the unmatched R&D excess.

Note: This means that research and development expenditure that is not “50% matched” in one financial year because of the cap in paragraph (2)(c) or the condition in subparagraph (3)(b)(i) can be carried forward into later years.

- (6) For the purposes of subsection (5), there is an **unmatched R&D excess** for a financial year if:
- (a) the eligible body spends a particular amount (the **R&D spend amount**) in the financial year on activities that qualify, under the funding contract, as research and development activities; and
 - (b) because of the operation of paragraph (2)(c) or subparagraph (3)(b)(i), the net matching payments for the financial year are less than 50% of the R&D spend amount;
- and the amount of the unmatched R&D excess is:

$$\text{R\&D spend amount in the financial year} - \left(2 \times \begin{array}{l} \text{The amount of the} \\ \text{net matching payments} \\ \text{for the financial year} \end{array} \right)$$

Set off

- (7) If:
- (a) an amount (the **first amount**) is payable by the industry services body under subsection (3); and

(b) another amount (the ***second amount***) is payable by the Commonwealth to the industry services body under the funding contract;

the Minister may, on behalf of the Commonwealth, set off the whole or a part of the first amount against the whole or a part of the second amount.

Net matching payments

- (8) For the purposes of this section, ***net matching payments*** for a financial year means the total of the matching payments made to the industry services body during the financial year, less the amount payable by the industry services body under subsection (3) as a condition of those matching payments.

Part 4—Miscellaneous provisions

 - (a) the Minister:
 - (i) is satisfied that the direction is in Australia's national interest because of exceptional and urgent circumstances; and
 - (ii) is satisfied that the direction would not require the body to incur expenses greater than the sum of the amounts previously paid to the body under the funding contract that have not been spent or committed and the amounts the body will receive under the funding contract during the period to which the direction relates; and
 - (iii) has given the body's directors an adequate opportunity to discuss with the Minister the need for the proposed direction and the impact of compliance with subsection (3) on the body's commercial activities; and

 - (a) the Minister, on the recommendation of the body, determines, in writing, that compliance with the subsection would, or would be likely to, prejudice the commercial activities of the body; or
 - (b) the Minister determines, in writing, that compliance with the subsection would be contrary to the public interest.
- (5) The Minister is not to be taken to be a director of the body for the purposes of the *Corporations Act 2001* merely because of the power conferred on the Minister by this section.
- (6) The Commonwealth is not to be taken to be in a position to exercise control over the body merely because of the power conferred on the Minister by this section.

 - (a) the Secretary of the Department; or

Section 12

the Commonwealth is liable to pay the person a reasonable amount of compensation in respect of the acquisition.
