This Chapter provides for who are higher education providers, and for 4 kinds of grants to be made.

Part 2-1 sets out who are higher education providers (universities, self-accrediting entities and non self-accrediting entities), the quality and accountability requirements for higher education providers and how bodies cease to be higher education providers.

Note: Except in very limited cases, only higher education providers can get grants under this Chapter.

The 4 kinds of grants available under this Chapter are:

- grants under Part 2-2 (Commonwealth Grant Scheme) to certain higher education providers. These grants are paid in relation to Commonwealth supported places. Grants are made subject to conditions; and
- grants under Part 2-2A to Table A providers and Table B providers to assist Indigenous persons; and
- other grants under Part 2-3 to higher education providers and other bodies corporate for a variety of purposes; and
- grants for Commonwealth scholarships to certain higher education providers under Part 2-4.

Part 2-1—Higher education providers

Division 13—Introduction

13-1 What this Part is about

A body generally has to be approved as a higher education provider before it can receive grants, or its students can receive assistance, under this Act. Listed providers (universities and certain self-accrediting entities) have that approval upon commencement of this Act. Table C providers have that approval from the time they are included in Table C. Bodies that do not have that automatic approval, or whose approval has been revoked, have to apply for approval.

Higher education providers are subject to the quality and accountability requirements.

A body's approval as a higher education provider may be revoked in circumstances such as breach of a quality and accountability requirement.

13-5 The Higher Education Provider Guidelines

Higher education providers and the *quality and accountability requirements are also dealt with in the Higher Education Provider Guidelines. The provisions of this Part indicate when a particular matter is or may be dealt with in these Guidelines.

Note: The Higher Education Provider Guidelines are made by the Minister under section 238-10.

This Chapter deals with a person's Student Learning Entitlement and provides for 5 kinds of assistance that the Commonwealth provides to students.

Note: The Commonwealth meets all or part of the higher education costs of students who are enrolled in places funded under Part 2-2.

A person may be entitled to HECS-HELP assistance for a unit of study for which the person is a Commonwealth supported student if, among other things, the unit is covered by the person's Student Learning Entitlement. Part 3-1 deals with a person's Student Learning Entitlement.

The 5 kinds of assistance available under this Chapter are:

- HECS-HELP assistance—assistance to meet a student's liability to pay student contribution amounts for units of study that are Commonwealth supported (see Part 3-2);
- FEE-HELP assistance—assistance to meet a student's liability to pay tuition fees for units of study that are not Commonwealth supported (see Part 3-3);
- OS-HELP assistance—assistance to a student who, as part of his or her course of study, is to undertake study overseas (see Part 3-4);
- SA-HELP assistance—assistance to a student on whom a student services and amenities fee is imposed (see Part 3-5); and

*To find definitions of asterisked terms, see the Dictionary in Schedule 1.

Authorised Version C2025C00491 registered 02/09/2025

- STARTUP-HELP assistance—assistance to a student undertaking an accelerator program course (see Part 3-7).

The Commonwealth pays the assistance to the relevant higher education provider either (in the case of HECS-HELP assistance, FEE-HELP assistance, SA-HELP assistance and STARTUP-HELP assistance) to discharge the student's liability, or (in the case of OS-HELP assistance) to pay to students on the Commonwealth's behalf.

The assistance is (in most cases) in the form of a loan from the Commonwealth to the student.

Note: Chapter 4 deals with the repayment of loans made under this Chapter.

Part 3-1—Student Learning Entitlement

Division 70—Introduction

70-1 What this Part is about

A person may be entitled to HECS-HELP assistance for a unit of study for which the person is a Commonwealth supported student if, among other things, the unit is covered by the person's Student Learning Entitlement.

Broadly speaking, a person will start with an SLE amount that is equivalent to 7 years of full-time study. However, the person's SLE amount may be added to for the purposes of certain courses of study or in certain circumstances.

A person's SLE amount is reduced as the person undertakes units of study as a Commonwealth supported student. A unit of study undertaken as part of a FEE-FREE Uni Ready course does not reduce the person's SLE amount. The person's SLE amount may also be re-credited in certain circumstances.

70-5 The Student Learning Entitlement Guidelines

*Student Learning Entitlement is also dealt with in the Student Learning Entitlement Guidelines. The provisions of this Part indicate when a particular matter is or may be dealt with in these Guidelines.

Note: The Student Learning Entitlement Guidelines are made by the Minister under section 238-10.

87-5 The HECS-HELP Guidelines

*HECS-HELP assistance is also dealt with in the HECS-HELP Guidelines. The provisions of this Part indicate when a particular matter is or may be dealt with in these Guidelines.

Note: The HECS-HELP Guidelines are made by the Minister under section 238-10.

93-15 Up-front payments

(1) An ***up-front payment***, in relation to a unit of study for which a person is liable to pay his or her *student contribution amount, is a payment of all or part of the student's student contribution amount for the unit, other than a payment of *HECS-HELP assistance under this Part.

(2) The payment must be made on or before the *census date for the unit.

93-20 Amounts of HECS-HELP assistance, FEE-HELP assistance and VET FEE-HELP assistance must not exceed the HELP balance

Amount of HECS-HELP assistance for one unit

(1) The amount of *HECS-HELP assistance to which a student is entitled for a unit of study is an amount equal to the student's *HELP balance on the *census date for the unit if:

(a) there is no other:

(i) unit of study, with the same census date, for which the student is entitled to *HECS-HELP assistance; or

(ii) unit of study, with the same census date, for which the student is entitled to *FEE-HELP assistance; or

(iii) *VET unit of study, with the same census date, for which the student is entitled to *VET FEE-HELP assistance; and

(b) the amount of HECS-HELP assistance to which the student would be entitled under section 93-1 for the unit would exceed that HELP balance.

Note 1: For transitional provisions relating to subparagraph (a)(i), see Part 2 of Schedule 3 to the *Higher Education Support Legislation Amendment (Student Loan Sustainability) Act 2018*.

Note 2: The amount of a *VET student loan is limited by reference to the student's HELP balance—see sections 8 and 20 of the *VET Student Loans Act 2016*. The student's HELP balance is reduced by the amount of any VET student loans that have previously been payable to the student—see section 128-15.

Amount of HECS-HELP assistance for more than one unit

(2) If the sum of:

(a) the amount of *HECS-HELP assistance to which a student would be entitled under section 93-1 for a unit of study; and

(b) any other amounts of:

*To find definitions of asterisked terms, see the Dictionary in Schedule 1.

Authorised Version C2025C00491 registered 02/09/2025

(i) HECS-HELP assistance to which the student would be entitled under that section for other units that have the same *census date as that unit; and

(ii) *FEE-HELP assistance to which the student would be entitled under section 107-1 for other units that have the same census date as that unit; and

(iii) *VET FEE-HELP assistance to which the student would be entitled under clause 52 of Schedule 1A for other units that have the same census date as that unit;

would exceed the student's *HELP balance on the census date for the unit, then, despite subsection (1) of this section, the total amount of HECS-HELP assistance, FEE-HELP assistance and VET FEE-HELP assistance to which the student is entitled for all of those units is an amount equal to that HELP balance.

Example: Kate has a HELP balance of $2,000, and is enrolled in 4 units with the same census date. The student contribution amount for each unit is $600. There are no up-front payments for the units. The total amount of HECS-HELP assistance to which Kate is entitled for the units is $2,000, even though the total amount of the student contribution amounts for the units is $2,400.

Note 1: For transitional provisions relating to subparagraph (b)(i), see Part 2 of Schedule 3 to the *Higher Education Support Legislation Amendment (Student Loan Sustainability) Act 2018*.

Note 2: The amount of a *VET student loan is limited by reference to the student's HELP balance—see sections 8 and 20 of the *VET Student Loans Act 2016*. The student's HELP balance is reduced by the amount of any VET student loans that have previously been payable to the student—see section 128-15.

(3) If the student referred to in subsection (2) has enrolled in the units with more than one higher education provider or *VET provider, the student must notify each provider of the proportion of the total amount of *HECS-HELP assistance, *FEE-HELP assistance or *VET FEE-HELP assistance that is to be payable in relation to the units in which the student has enrolled with that provider.

Division 96—How are amounts of HECS-HELP assistance paid?

Note: Part 5-1 deals generally with payments by the Commonwealth under this Act.

96-1 Payments to higher education providers

If a student is entitled to an amount of *HECS-HELP assistance for a unit of study with a higher education provider, the Commonwealth must:

(a) as a benefit to the student, lend to the student the amount of HECS-HELP assistance; and

(b) pay to the provider the amount lent in discharge of the student's liability to pay his or her *student contribution amount for the unit.

96-10 Implications for student's liability to higher education provider for student contribution amount

If, under Division 97, a student's *HELP balance is re-credited with an amount relating to *HECS-HELP assistance for a unit of study, the student is discharged from all liability to pay or account for so much of the student's *student contribution amount for the unit as is equal to that amount.

(i) the application is made before the end of the application period under section 97-35; or

(ii) the provider waives the requirement that the application be made before the end of that period, on the ground that it would not be, or was not, possible for the application to be made before the end of that period.

Note: For certain HECS-HELP debts relating to a unit of study, the amount to be re-credited under this section in relation to the unit may be reduced: see section 97-55.

(3) If the higher education provider is unable to act for one or more of the purposes of subsection (2), or section 97-30, 97-35 or 97-40, the *Secretary may act as if one or more of the references in those provisions to the provider were a reference to the Secretary.

(b) do not make their full impact on the person until on or after the *census date for the unit of study in question; and

(c) make it impracticable for the person to complete the requirements for the unit in the period during which the person undertook, or was to undertake, the unit.

(2) If the Administration Guidelines specify circumstances in which a higher education provider will be satisfied of a matter referred to in paragraph 36-21(1)(a), (b) or (c), any decision of a higher education provider under this section must be in accordance with any such guidelines.

Note: The matters referred to in paragraphs 36-21(1)(a), (b) and (c) (which relate to special circumstances that apply to repaying an amount of student contribution or HECS-HELP) are identical to the matters referred to in paragraphs (1)(a), (b) and (c) of this section.

(b) the higher education provider waives the requirement that the application be made before the end of that period, on the ground that it would not be, or was not, possible for the application to be made before the end of that period;

the provider must, as soon as practicable, consider the matter to which the application relates and notify the applicant of the decision on the application.

(2) The notice must include a statement of the reasons for the decision.

(1) A higher education provider must, on the *Secretary's behalf, re-credit a person's *HELP balance with an amount equal to the amounts of *HECS-HELP assistance that the person received for a unit of study if:

(a) the person has been enrolled in the unit with the provider; and

(b) the person has not completed the requirements for the unit during the period during which the person undertook, or was to undertake, the unit because the provider *defaulted in relation to the person and the unit; and

Note 1: For example, a person is not entitled to HECS-HELP assistance for a unit of study if the person is not a Commonwealth supported student in relation to the unit: see section 90-1.

Part 3-3—FEE-HELP assistance

Division 101—Introduction

101-1 What this Part is about

A student may be entitled to FEE-HELP assistance for units of study for which he or she is not Commonwealth supported, if certain requirements are met.

The amount of assistance to which the student may be entitled is based on his or her tuition fees for the units, but there is a limit on the total amount of assistance that the student can receive. The assistance is paid to a higher education provider or, if the student accesses units through Open Universities Australia, that body, to discharge the student's liability to pay his or her tuition fees.

Note: Amounts of assistance under this Part may form part of a person's HELP debts that the Commonwealth recovers under Part 4-2.

101-5 The FEE-HELP Guidelines

*FEE-HELP assistance is also dealt with in the FEE-HELP Guidelines. The provisions of this Part indicate when a particular matter is or may be dealt with in these Guidelines.

Note: The FEE-HELP Guidelines are made by the Minister under section 238-10.

(3) Subsection (2) is enacted for the avoidance of doubt.

128-20 HELP loan limit

(1) The ***HELP loan limit*** is:

Payment made in discharge of HELP debt

(1) If, during:

(a) the financial year starting on 1 July 2019; or

(b) a later financial year;

a payment was made in discharge of the whole or a part of a debt that a person owes to the Commonwealth under Chapter 4, the *Commissioner must:

(c) notify the payment to the Secretary; and

(d) do so as soon as practicable after the end of that financial year.

Note 1: The payment may be a voluntary repayment.

Note 2: The payment may be in the form of the application of an amount against the debt.

(2) If the Secretary is so notified, the Secretary must re-credit the person's *HELP balance with an amount equal to the amount of the payment.

*To find definitions of asterisked terms, see the Dictionary in Schedule 1.

Authorised Version C2025C00491 registered 02/09/2025

the *Commissioner must notify the amount reduced to the *Secretary as soon as practicable.

(2B) If the *Secretary is so notified, the Secretary must re-credit the person's *HELP balance with an amount equal to the amount reduced.

Part 3-7—STARTUP-HELP assistance

Division 128A—Introduction

128A-1 What this Part is about

A student may be entitled to STARTUP-HELP assistance for an accelerator program course if certain requirements are met. In particular:

(a) the course must lead to a qualification that is accredited, by a suitable higher education provider, as being integral to the development of startup businesses; and

(b) the provider must have selected the student for STARTUP-HELP assistance.

The amount of assistance to which the student may be entitled is based on the accelerator program course fee less any up-front payments. There is a limit on the total amount of assistance that the student can receive. The assistance is paid to the provider to discharge the student's liability to pay the fee.

Note 1: Amounts of assistance under this Part may form part of a person's HELP debts that the Commonwealth recovers under Part 4-2.

Note 2: This Part does not apply to Table C providers: see section 5-1.

128A-5 The STARTUP-HELP Guidelines

*STARTUP-HELP assistance is also dealt with in the STARTUP-HELP Guidelines. The provisions of this Part indicate when a particular matter is or may be dealt with in these Guidelines.

Note: The STARTUP-HELP Guidelines are made by the Minister under section 238-10.

Chapter 4—Repayment of loans

Division 129—Introduction

129-1 What this Chapter is about

Loans that the Commonwealth makes to students under Chapter 3 are repayable under this Chapter. Loans that the Commonwealth makes to students under Schedule 1A or (before 1 July 2019) under the *VET Student Loans Act 2016* are also repayable under this Chapter.

Each loan is incorporated into the person's accumulated HELP debt (see Part 4-1).

Under Part 4-2, the accumulated debts can be repaid in 2 ways:

- a person may make voluntary repayments; or
- compulsory repayments (based on a person's income) are made using the system for payment of income tax.

Accumulated HELP debt, or the indexation of that debt, may be reduced for certain HELP debtors working in rural, remote or very remote areas (see Divisions 142 and 144).

Note: Loans that the Commonwealth makes to students under the *VET Student Loans Act 2016* on or after 1 July 2019 are repayable under that Act.

Part 4-1—Indebtedness

Division 134—Introduction

134-1 What this Part is about

A person incurs a HELP debt if he or she receives, as HECS-HELP assistance, FEE-HELP assistance, OS-HELP assistance, SA-HELP assistance or STARTUP-HELP assistance, a loan from the Commonwealth under Chapter 3.

A person also incurs a HELP debt if he or she receives, as VET FEE-HELP assistance, a loan from the Commonwealth under Schedule 1A.

A person will also have incurred a HELP debt if (before 1 July 2019) the Secretary used an amount of a VET student loan approved under the *VET Student Loans Act 2016* to pay tuition fees for the person.

HELP debts are incorporated into the person's accumulated HELP debt. This accumulated debt forms the basis of working out the amounts that the person is obliged to repay (see Part 4-2).

Note: If the Secretary uses an amount of a VET student loan approved under the *VET Student Loans Act 2016* to pay tuition fees for a person on or after 1 July 2019, the person incurs a debt under that Act.

Division 140—How are accumulated HELP debts worked out?

Subdivision 140-A—Outline of this Division

140-1 Outline of this Division

(1) There are 2 stages to working out a person's *accumulated HELP debt for a financial year.

Stage 1—Former accumulated HELP debt

(2) The *former accumulated HELP debt is worked out by adjusting the preceding financial year's *accumulated HELP debt to take account of:

(a) changes in the Consumer Price Index and the Wage Price Index; and

(b) the *HELP debts that he or she incurs during the last 6 months of the preceding financial year; and

(c) *voluntary repayments of the debt; and

(d) *compulsory repayment amounts in respect of the debt.

(See Subdivision 140-B.)

Stage 2—Accumulated HELP debt

(3) The person's *accumulated HELP debt is worked out from:

(a) his or her *former accumulated HELP debt; and

(b) the *HELP debts that he or she incurs during the first 6 months of the financial year; and

(c) *voluntary repayments of those debts; and

(d) reductions of those debts under section 142-15 or 144-10.

(See Subdivision 140-C.)

Note: Incurring that financial year's accumulated HELP debt discharges the previous accumulated HELP debt and HELP debts under this Part: see section 140-35.

*To find definitions of asterisked terms, see the Dictionary in Schedule 1.

Authorised Version C2025C00491 registered 02/09/2025

Subdivision 140-B—Former accumulated HELP debts

140-5 Working out a former accumulated HELP debt

(1) A person's ***former accumulated HELP debt***, in relation to the person's *accumulated HELP debt for a financial year, is worked out by multiplying:

(a) the amount worked out using the following method statement; by

(b) the *HELP debt indexation factor for the person for 1 June in that financial year.

Method statement

Step 1. Take the person's *accumulated HELP debt for the immediately preceding financial year. (This amount is taken to be zero if the person has no accumulated HELP debt for that financial year.)

Step 2. Take the HELP debts (if any) that the person incurred during the last 6 months of the immediately preceding financial year. Group them according to whether the debts are in relation to:

(a) units undertaken with a higher education provider that formed part of one particular *course of study with that provider; or

(b) units undertaken with a higher education provider that formed part of one particular course of study with another higher education provider; or

(c) units that formed part of one particular *bridging course for overseas-trained professionals; or

(d) units access to which was provided by *Open Universities Australia; or

*To find definitions of asterisked terms, see the Dictionary in Schedule 1.

Authorised Version C2025C00491 registered 02/09/2025

(e) *OS-HELP assistance, the entitlement to which relates to the person's enrolment in a *course of study with one particular higher education provider (see paragraph 118-1(1)(c)); or

(ea) *SA-HELP assistance for *student services and amenities fees imposed on the person by one particular higher education provider; or

(eb) *STARTUP-HELP assistance for an *accelerator program course provided by one particular higher education provider; or

(f) units undertaken with a *VET provider that formed part of one particular *VET course of study with that provider; or

(g) units undertaken with a VET provider that formed part of one particular VET course of study with another VET provider; or

(h) a *VET student loan in relation to one particular course of study.

Note: There will be more than one group of debts under paragraph (a) if the person incurred debts in relation to more than one course of study with a provider. Similarly, there could be more than one group of debts under paragraph (b), (c), (e), (ea), (eb), (f), (g) or (h).

Step 2A. Work out the total for each group of debts. If the total for a particular group is an amount consisting of a number of whole dollars and a number of cents, the total for that group is taken to be the number of whole dollars. If the total for a group is an amount of less than one dollar, the total for the group is taken to be zero.

Step 2B. If there is more than one group of debts for the person, add together the totals for all of the groups.

*To find definitions of asterisked terms, see the Dictionary in Schedule 1.

Authorised Version C2025C00491 registered 02/09/2025

Step 2C. Add the amount worked out under step 2A or 2B (as the case requires) to the amount referred to in step 1.

Step 3. Subtract the sum of the amounts by which the person's debts referred to above are reduced because of any *voluntary repayments that have been made during the period:

(a) starting on 1 June in the immediately preceding financial year; and

(b) ending immediately before the next 1 June.

Step 4. Subtract the sum of all of the person's *compulsory repayment amounts that:

(a) were assessed during that period (excluding any assessed as a result of a *return given before that period); or

(b) were assessed after the end of that period as a result of a return given before the end of that period.

Step 5. Subtract the sum of the amounts by which any *compulsory repayment amount of the person is increased (whether as a result of an increase in the person's *taxable income of an *income year or otherwise) by an amendment of an assessment made during that period.

Step 6. Add the sum of the amounts by which any *compulsory repayment amount of the person is reduced (whether as a result of a reduction in the person's *taxable income of an *income year or otherwise) by an amendment of an assessment made during that period.

*To find definitions of asterisked terms, see the Dictionary in Schedule 1.

Authorised Version C2025C00491 registered 02/09/2025

Note: This method statement is modified for the purposes of working out a person's former accumulated HELP debt in relation to the financial year starting on 1 July 2024: see section 140-26.

Example: Lorraine is studying part-time for a Degree of Bachelor of Communications. On 1 June 2013, Lorraine had an accumulated HELP debt of $15,000. She incurred a HELP debt of $1,500 on 31 March 2013. She made a voluntary repayment of $525 on 1 May 2014. Lorraine lodged her 2012-13 income tax return and a compulsory repayment amount of $3,000 was assessed and notified on her income tax notice of assessment on 3 September 2013.

To work out Lorraine's former accumulated HELP debt before indexation on 1 June 2014:

Step 1: Take the previous accumulated HELP debt of $15,000 on 1 June 2013.

Step 2: Add the HELP debt of $1,500 incurred on 31 March 2013.

Step 3: Subtract the $525 voluntary repayment made on 1 May 2014.

Step 4: Subtract the $3,000 compulsory repayment assessed on 3 September 2013.

Steps 5 and 6: Do not apply because since 1 June 2013 Lorraine had no amendments to any assessment.

Lorraine's former accumulated HELP debt before indexation on 1 June 2014 is:

$$\left(\$15{,}000 + \$1{,}500\right) - \left(\$525 + \$3{,}000\right) = \$12{,}975$$

If, for example, the indexation factor for 1 June 2014 were 1.030, then the former accumulated HELP debt would be:

$$\$12{,}975 \times 1.030 = \$13{,}364.25$$

(2) For the purposes of this section, an assessment, or an amendment of an assessment, is taken to have been made on the day specified in the notice of assessment, or notice of amended assessment, as the date of issue of that notice.

140-10 HELP debt indexation factor

*To find definitions of asterisked terms, see the Dictionary in Schedule 1.

Authorised Version C2025C00491 registered 02/09/2025

Section 140-10

(1) The ***HELP debt indexation factor*** for a person for 1 June in a financial year is the number (rounded to 3 decimal places):

(a) if the *Secretary has determined, under section 142-10 or 144-5, that the indexation of the person's *accumulated HELP debt for the financial year is to be reduced—worked out using the formula in subsection (1A); and

(b) in any other case—that is the lower of the *CPI indexation factor for 1 June in the financial year (see subsection (1B)) and the *WPI indexation factor for 1 June in the financial year (see subsection (1C)).

(1A) For the purposes of paragraph (1)(a), the formula to work out the *HELP debt indexation factor for the person is:

$$1 + \left(\left[\frac{A - 1}{365} \right] \times \left[365 - B \right] \right)$$

where:

A means the *HELP debt indexation factor for 1 June in the financial year within the meaning of paragraph (1)(b).

B means the number of days in the applicable calendar year determined for the person by the *Secretary under subsection 142-10(2) or 144-5(2).

(1B) The ***CPI indexation factor*** for 1 June in a financial year is worked out using the following method statement:

Method statement

Step 1. Add:

(a) the *CPI index number for the *quarter ending on 31 December in that financial year; and

(b) the CPI index numbers for the 3 quarters that immediately preceded that quarter.

*To find definitions of asterisked terms, see the Dictionary in Schedule 1.

Authorised Version C2025C00491 registered 02/09/2025

Step 2. Add:

(a) the *CPI index number for the *quarter ending on 31 December in the immediately preceding financial year; and

(b) the CPI index numbers for the 3 quarters that immediately preceded that quarter.

Step 3. The ***CPI indexation factor*** for 1 June in the financial year is the amount under step 1 divided by the amount under step 2, rounded to 3 decimal places.

(1C) The ***WPI indexation factor*** for 1 June in a financial year is worked out using the following method statement:

Method statement

Step 1. Add:

(a) the *WPI index number for the *quarter ending on 31 December in that financial year; and

(b) the WPI index numbers for the 3 quarters that immediately preceded that quarter.

Step 2. Add:

(a) the *WPI index number for the *quarter ending on 31 December in the immediately preceding financial year; and

(b) the WPI index numbers for the 3 quarters that immediately preceded that quarter.

*To find definitions of asterisked terms, see the Dictionary in Schedule 1.

Authorised Version C2025C00491 registered 02/09/2025

Step 3.	The ***WPI indexation factor*** for 1 June in the financial year is the amount under step 1 divided by the amount under step 2, rounded to 3 decimal places.

(2) For the purposes of rounding a *HELP debt indexation factor, the third decimal place is rounded up if, apart from the rounding:

(a) the factor would have 4 or more decimal places; and

(b) the fourth decimal place would be a number greater than 4.

140-20 Publishing HELP debt indexation factors

The *Commissioner must cause to be published before 1 June in each financial year the *HELP debt indexation factor within the meaning of paragraph 140-10(1)(b) for that 1 June.

Subdivision 140-C—Accumulated HELP debts

140-25 Working out an accumulated HELP debt

(1) A person's ***accumulated HELP debt***, for a financial year, is worked out as follows:

$$\text{Former accumulated HELP debt} + \text{HELP debts incurred} - \text{HELP debt repayments} - \text{Location-preferred HELP debtor reduction}$$

where:

former accumulated HELP debt is the person's *former accumulated HELP debt in relation to that *accumulated HELP debt.

HELP debt repayments is the sum of all of the *voluntary repayments (if any) paid, on or after 1 July in the financial year and before 1 June in that year, in reduction of the *HELP debts incurred in that year.

HELP debts incurred means the amount worked out using the method statement in subsection (1A).

*To find definitions of asterisked terms, see the Dictionary in Schedule 1.

Authorised Version C2025C00491 registered 02/09/2025

location-preferred HELP debtor reduction means the amount by which the person's *accumulated HELP debt is to be reduced as a result of a determination made by the *Secretary in relation to the person under section 142-15 or 144-10:

(a) on or after 1 June in the preceding financial year; and

(b) before 1 June in the financial year.

Note: The formula in this subsection is modified for the purposes of working out a person's accumulated HELP debt for the financial year starting on 1 July 2024: see section 140-26.

Example: Paula is studying part-time for a Degree of Bachelor of Science. On 1 June 2009, her former accumulated HELP debt was worked out using Subdivision 140-B to be $20,000. She incurred a HELP debt of $1,500 on 31 August 2008. No repayments have been made in the 12 months from 1 June 2008.

Paula's accumulated HELP debt on 1 June 2009 is worked out by taking her former accumulated HELP debt of $20,000 and adding the $1,500 HELP debt incurred on 31 August 2008. That is:

$$\$20,000 + \$1,500 = \$21,500$$

(1A) For the purposes of the definition of ***HELP debts incurred*** in subsection (1), use the following method statement:

Step 1.	Take the HELP debts (if any) that the person incurred during the first 6 months of the financial year. Group them according to whether the debts are in relation to: (a) units undertaken with a higher education provider that formed part of one particular *course of study with that provider; or (b) units undertaken with a higher education provider that formed part of one particular course of study with another higher education provider; or (c) units that formed part of one particular *bridging course for overseas-trained professionals; or

*To find definitions of asterisked terms, see the Dictionary in Schedule 1.

Authorised Version C2025C00491 registered 02/09/2025

(d) units access to which was provided by *Open Universities Australia; or

(e) *OS-HELP assistance, the entitlement to which relates to the person's enrolment in a *course of study with one particular higher education provider (see paragraph 118-1(1)(c)); or

(ea) *SA-HELP assistance for *student services and amenities fees imposed on the person by one particular higher education provider; or

(eb) *STARTUP-HELP assistance for an *accelerator program course provided by one particular higher education provider; or

(f) units undertaken with a *VET provider that formed part of one particular *VET course of study with that provider; or

(g) units undertaken with a VET provider that formed part of one particular VET course of study with another VET provider; or

(h) a *VET student loan in relation to one particular course of study.

Note: There will be more than one group of debts under paragraph (a) if the person incurred debts in relation to more than one course of study with a provider. Similarly, there could be more than one group of debts under paragraph (b), (c), (e), (ea), (eb), (f), (g) or (h).

*To find definitions of asterisked terms, see the Dictionary in Schedule 1.

Authorised Version C2025C00491 registered 02/09/2025

Step 2.	Work out the total for each group of debts. If the total for a particular group is an amount consisting of a number of whole dollars and a number of cents, the total for that group is taken to be the number of whole dollars. If the total for a group is an amount of less than one dollar, the total for the group is taken to be zero.
Step 3.	If there is more than one group of debts for the person, add together the totals for all of the groups.

(2) The person incurs the *accumulated HELP debt on 1 June in the financial year.

(3) The first financial year for which a person can have an *accumulated HELP debt is the financial year starting on 1 July 2005.

140-26 Reduction in HELP debts incurred before 1 January 2025

(1) For the purposes of working out a person's *former accumulated HELP debt in relation to the person's *accumulated HELP debt for the financial year starting on 1 July 2024, section 140-5 has effect as if the method statement in subsection (1) of that section included the following step after step 6:

Step 7.	Reduce the amount worked out under step 6 by 20%.

(2) For the purposes of working out a person's *accumulated HELP debt for the financial year starting on 1 July 2024, section 140-25 has effect as if the first formula in subsection (1) of that section were omitted and substituted with the following:

$$\text{Former accumulated HELP debt} + \left[\left(\text{HELP debts incurred} - \text{HELP debt repayments}\right) \times 0.8\right] - \text{Location-preferred HELP debtor reduction}$$

*To find definitions of asterisked terms, see the Dictionary in Schedule 1.

Authorised Version C2025C00491 registered 02/09/2025

140-30 Rounding of amounts

(1) If, apart from this section, a person's *accumulated HELP debt would be an amount consisting of a number of whole dollars and a number of cents, disregard the number of cents.

(2) If, apart from this section, a person's *accumulated HELP debt would be an amount of less than one dollar, the person's accumulated HELP debt is taken to be zero.

140-35 Accumulated HELP debt discharges earlier debts

(1) The *accumulated HELP debt that a person incurs on 1 June in a financial year discharges, or discharges the unpaid part of:

(a) any *HELP debt that the person incurred during the calendar year immediately preceding that day; and

(b) any accumulated HELP debt that the person incurred on the immediately preceding 1 June.

(2) Nothing in subsection (1) affects the application of Division 137, Subdivision 140-B or section 140-25 or 140-26.

140-40 Accumulated HELP debt discharged by death

(1) Upon the death of a person who has an *accumulated HELP debt, the accumulated HELP debt is taken to be discharged.

(2) To avoid doubt, this section does not affect any *compulsory repayment amounts required to be paid in respect of the *accumulated HELP debt, whether or not those amounts were assessed before the person's death.

Note: Accumulated HELP debts are not provable in bankruptcy: see subsection 82(3AB) of the *Bankruptcy Act 1966*.

A person who owes a debt to the Commonwealth under this Chapter may make voluntary repayments.

Repayments by *foreign residents are also dealt with in the Overseas Debtors Repayment Guidelines. The provisions of this Part indicate when a particular matter is or may be dealt with in these Guidelines.

Note: The Overseas Debtors Repayment Guidelines are made by the Minister under section 238-10.

Division 1—Preliminary

166-1 What this Part is about

Certain higher education providers who default in delivering a unit of study to a student receiving or entitled to FEE-HELP assistance or HECS-HELP assistance for the unit must give information about the default to the Higher Education Tuition Protection Director and to the student. If the student has made an up-front payment for the unit the provider may also have obligations under Part 5A of the *Tertiary Education Quality and Standards Agency Act 2011* in relation to the default.

The provider must assist the student to find a replacement unit or replacement course, or the provider must re-credit the student's HELP balance (and offer the student a choice about this). If the provider fails to discharge this obligation, the Director must offer the student a suitable replacement course. If the Director is not satisfied that there is a suitable replacement course, or if the student elects re-crediting, the student's HELP balance is re-credited.

(d) any advice given to the Minister by the *Secretary, *TEQSA or the *Higher Education Tuition Protection Director in relation to any of the matters referred to in paragraphs (a) to (c);

(e) any other matter the Minister considers appropriate.

(3) A determination under subsection (2):

(a) may be made either unconditionally or subject to conditions; and

Part 1—VET providers

Division 1—Introduction

2 What this Part is about

A body has to be approved as a VET provider before its students can receive VET FEE-HELP. This Part sets out VET provider application and approval processes.

VET providers are subject to the VET quality and accountability requirements.

As part of the phasing out of VET FEE-HELP assistance, VET provider approvals in force immediately before 1 July 2021 are revoked by clause 29 of this Schedule. However, under that clause, provisions of this Act, the VET Guidelines and conditions on the approvals may continue to apply to a body that had been approved as a VET provider.

Note: The Minister must not approve a body as a VET provider after 4 October 2016: see subclause 6(5).

3 The VET Guidelines

*VET providers and the *VET quality and accountability requirements are also dealt with in the *VET Guidelines. The provisions of this Part indicate when a particular matter is or may be dealt with in these Guidelines.

Note: The VET Guidelines are made by the Minister under clause 99.

(b) the student's *HELP balance is greater than zero; and

(c) the *census date for the unit is on or after 1 January 2008; and

(d) the unit meets the course requirements under clause 45; and

(e) the unit is, or is to be, undertaken as part of a *VET course of study; and

(ea) the student meets the entry procedure requirements under clause 45B; and

(f) the student:

(i) enrols in the unit at least 2 business days before the census date for the unit; and

(ii) at the end of the census date, remained so enrolled; and

(fa) in a case where the student is not already entitled to VET FEE-HELP assistance for another VET unit of study forming part of the course—the body with whom the student is enrolled is approved as a *VET provider:

(i) for the day of the enrolment; or

(ii) if that day falls within a period when the body's approval as a VET provider is suspended under subclause 36(5)—for a later day because that suspension has ended; and

(fb) if the VET provider was approved as a VET provider after 2015, the course is:

Authorised Version C2025C00491 registered 02/09/2025

(i) one of the *qualifying VET courses that enabled paragraph 6(1)(ca) or (1A)(da) to be satisfied for the purposes of that approval; or

(ii) a qualifying VET course that superseded such a course directly or indirectly without interruption; and

(g) the student *meets the tax file number requirements (see clause 80); and

(h) the student meets the request for Commonwealth assistance requirements under clause 45C; and

(i) the student meets any other requirements set out in the *VET Guidelines.

Note 1: For the purposes of paragraph (e), clause 45A affects whether a person undertakes a VET unit of study as part of a VET course of study.

Note 2: For the purposes of paragraph (fa), a body's approval as a VET provider ceases while the approval is suspended (see clause 29). If this approval is suspended when the student first enrols in units forming part of the course, the student can only become entitled to VET FEE-HELP assistance when that suspension ends.

(2) A student is not entitled to *VET FEE-HELP assistance for a *VET unit of study if:

(a) the unit forms a part of a *VET course of study; and

(b) the VET course of study is, or is to be, undertaken by the student primarily at an overseas campus.

(3) A student is not entitled to *VET FEE-HELP assistance for a *VET unit of study if:

(a) the *census date for the unit is on or after 1 January 2017; or

(b) if the student is covered by subclause (4)—the census date for the unit is on or after:

(i) unless subparagraph (ii) applies—1 January 2018; or

(ii) if the Minister is satisfied that exceptional circumstances justify continued entitlement to VET FEE-HELP assistance for the student—a day determined in writing by the Minister.

*To find definitions of asterisked terms, see the Dictionary in Schedule 1.

Authorised Version C2025C00491 registered 02/09/2025

(4) A student is covered by this subclause if:

(a) immediately before 1 January 2017, the student was enrolled in the *VET course of study of which the *VET unit of study forms a part; and

(b) the unit is provided:

(i) by the *VET provider with whom the student was enrolled immediately before 1 January 2017; or

(ii) in compliance with the *VET tuition assurance requirements as they apply in relation to the provider; and

(c) before 1 January 2017, the student received *VET FEE-HELP assistance for another unit that formed a part of the course; and

(d) the Secretary is satisfied that, at all times from the commencement of this paragraph, the student has been a genuine student (within the meaning of the *VET Student Loans Act 2016*).

(5) A student is not entitled to *VET FEE-HELP assistance for a *VET unit of study if a *VET student loan has been approved for the student for the *VET course of study of which the unit forms a part.

(6) The *VET Guidelines may specify matters to which the Minister must or may have regard in deciding for the purposes of subparagraph (3)(b)(ii) whether exceptional circumstances justify continued entitlement to *VET FEE-HELP assistance for the student.

(7) A determination under subparagraph (3)(b)(ii) is not a legislative instrument.

Clause 44

44 Citizenship or residency requirements

(1) The citizenship or residency requirements for *VET FEE-HELP assistance for a *VET unit of study are that the student in question is:

(a) an Australian citizen; or

(b) a *permanent humanitarian visa holder who will be resident in Australia for the duration of the unit; or

(c) a student to whom subclause (3) applies.

(2) In determining, for the purpose of paragraph (1)(b), whether the student will be resident in Australia for the duration of the unit, disregard any period of residence outside Australia that:

(a) cannot reasonably be regarded as indicating an intention to reside outside Australia for the duration of the unit; or

(b) is required for the purpose of completing a requirement of that unit.

(3) This subclause applies to a student who:

(a) is a New Zealand citizen; and

(b) holds a special category visa under the *Migration Act 1958*; and

(c) both:

(i) first began to be usually resident in Australia at least 10 years before the day referred to in subclause (4) (the ***test day***); and

(ii) was a *dependent child when he or she first began to be usually resident in Australia; and

(d) has been in Australia for a period of, or for periods totalling, 8 years during the 10 years immediately before the test day; and

(e) has been in Australia for a period of, or for periods totalling, 18 months during the 2 years immediately before the test day.

*To find definitions of asterisked terms, see the Dictionary in Schedule 1.

Authorised Version C2025C00491 registered 02/09/2025

(4) For the purposes of subclause (3), the day is the earlier of:
  (a) if the student has previously made a successful *request for Commonwealth assistance under this Part for a *VET unit of study that formed part of the same *VET course of study—the day the student first made such a request; or
  (b) otherwise—the day the student made the request for Commonwealth assistance in relation to the unit.

45 Course requirements

(1) The course requirements for *VET FEE-HELP assistance for a *VET unit of study are that the unit:
  (a) is being undertaken as part of a *VET course of study that meets any requirements set out in the *VET Guidelines; and
  (b) is not being undertaken as part of a VET course of study that:
    (i) is subject to a specification under subclause (2); or
    (ii) is with a *VET provider that is subject to a specification under subclause (2).

Note: For the purposes of paragraph (1)(a), clause 45A affects whether a person undertakes a VET unit of study as part of a VET course of study.

(1A) For the purposes of paragraph (1)(a), the *VET Guidelines:
  (a) may set out different requirements relating to different students undertaking the *VET unit of study; and
  (b) may set out requirements relating to only some students undertaking the VET unit of study (while not setting out requirements relating to other students undertaking the unit).

(2) The *VET Guidelines may specify that:
  (a) a specified course or a specified kind of course provided by a specified *VET provider or a specified kind of VET provider is a course in relation to which *VET FEE-HELP assistance is unavailable; or

*To find definitions of asterisked terms, see the Dictionary in Schedule 1.

Authorised Version C2025C00491 registered 02/09/2025

(b) all courses provided by a specified VET provider or a specified kind of VET provider are courses in relation to which VET FEE-HELP assistance is unavailable.

(3) In deciding whether to make a specification for the purposes of subclause (2), the Minister must have regard to the effect of the specification on students undertaking the course or courses.

45A VET unit of study not undertaken as part of VET course of study

For the purposes of paragraphs 43(e) and 45(1)(a), a student is taken not to undertake a *VET unit of study as part of a *VET course of study if undertaking the unit involves the student doing more than he or she needs to do to be awarded a *VET qualification that the course leads to.

45B Entry procedure requirements

The entry procedure requirements for *VET FEE-HELP assistance for a *VET unit of study are that the student, in accordance with the *VET provider's *student entry procedure, has been assessed as academically suited to undertake the *VET course of study of which the unit forms a part.

45C Request for Commonwealth assistance requirements

(1) The request for Commonwealth assistance requirements for *VET FEE-HELP assistance for a *VET unit of study are that:

(a) the student completes, signs and gives an *appropriate officer of the *VET provider a *request for Commonwealth assistance that:

(i) if the *VET course of study of which the unit forms a part is undertaken with the provider—relates to the course, and is so given at least 2 business days after the student enrols in the course; or

*To find definitions of asterisked terms, see the Dictionary in Schedule 1.

Authorised Version C2025C00491 registered 02/09/2025

(ii) otherwise—relates to the unit, and is so given at least 2 business days after the student enrols in the unit; and

(b) the request is so given on or before the *census date for the unit; and

(ba) if the student enrols in the course after the day the *Higher Education Support Amendment (VET FEE-HELP Reform) Act 2015* receives the Royal Assent—the student being entitled to the VET FEE-HELP assistance for the unit:

(i) would not cause the VET provider's *VET FEE-HELP account to be in deficit at the end of that census date (see subclause 45D(7)); and

(ii) would not cause or contribute to that account being in deficit at the end of 2016 or a later calendar year; and

(c) the request is not withdrawn before the end of that census date.

If VET provider incorrectly treats student as being entitled

(2) However, for the purposes of this Act (other than clause 39DH), if:

(a) either or both of the following things happen:

(i) the student fails to comply with paragraph (1)(a) of this clause by not giving the request at least 2 business days after the enrolment referred to in that paragraph;

(ii) paragraph (1)(ba) of this clause is not complied with; and

(b) the *VET provider treats the student as being entitled to *VET FEE-HELP assistance for the unit;

those paragraphs of this clause are taken to have been complied with.

Note 1: The VET provider should not treat the student as being entitled to VET FEE-HELP assistance:

(a) if the student requests the assistance during the 2 business day cooling-off period after the enrolment; or

(b) if being entitled would cause or contribute to the provider's VET FEE-HELP account being in deficit.

*To find definitions of asterisked terms, see the Dictionary in Schedule 1.

Authorised Version C2025C00491 registered 02/09/2025

Note 2: However, if the provider does treat the student as being entitled, the provider will contravene subclause 39DH(1) (a civil penalty provision), and the student may still be able to receive the assistance.

45D Notional VET FEE-HELP accounts

(1) There is a notional ***VET FEE-HELP account*** for each *VET provider.

Note 1: The VET provider will need to monitor the balance of its account, as it will have to repay an amount to the Commonwealth if the account is in deficit at the end of 2016 or a later year.

Note 2: This account applies in relation to all students entitled to VET FEE-HELP assistance for VET units of study with census dates on or after 1 January 2016 (whether or not the student received VET FEE-HELP assistance for earlier units before that day). See subclause (7).

Credits to the VET provider's VET FEE-HELP account

(2) A credit arises in the *VET provider's *VET FEE-HELP account as follows:

(a) if the VET provider is already a VET provider on 1 January 2015, a credit arises on the first day of each later calendar year that is equal to the amount worked out under subclause (3);

(b) if the VET provider becomes a VET provider during 2015, a credit arises on the first day of each later calendar year that is equal to the amount worked out under subclause (4);

(c) if the VET provider becomes a VET provider on a day after 2015, a credit arises on that day that is equal to the amount worked out under subclause (5);

(d) if the VET provider pays on a particular day any part of any amount that becomes due under subclause 45E(2), a credit arises on that day that is equal to the amount of that payment;

(e) if another body ceases to be a VET provider, a credit may arise:

*To find definitions of asterisked terms, see the Dictionary in Schedule 1.

Authorised Version C2025C00491 registered 02/09/2025

(i) in accordance with a determination under subclause (6) at the time of the cessation; and

(ii) that is equal to the amount worked out under that determination;

(f) if the *Secretary, on application by the VET provider, is satisfied on a particular day that:

(i) the VET provider is offering a VET course of study that confers skills in an identified area of national importance; and

(ii) the course is relevant for employment in a licensed occupation; and

(iii) one or more students are unable to readily access training places in courses of this kind with any other VET provider; and

(iv) insufficient credits have arisen in the VET provider's VET FEE-HELP account for an appropriate number of students to undertake the course with the VET provider; and

(v) granting an extra credit of a particular amount is appropriate (which need not be the amount specified in the application);

the Secretary may grant a credit, which arises on that day, that is equal to the amount considered appropriate under subparagraph (v).

(3) For the purposes of paragraph (2)(a), the amount to be credited is the amount equal to:

$$\frac{3}{2} \times \text{VET provider's adjusted 2015 total loan amount}$$

where:

VET provider's adjusted 2015 total loan amount means the sum of the amounts of *VET FEE-HELP assistance paid for students undertaking, with the *VET provider, *VET units of study that had

Authorised Version C2025C00491 registered 02/09/2025

*census dates during the period starting on 1 January 2015 and ending on 31 August 2015.

(4) For the purposes of paragraph (2)(b), the amount to be credited is the amount equal to the sum of:

(a) the *VET provider's fee revenue for the period:

(i) starting on 1 January 2015; and

(ii) ending on the day before the VET provider was approved as a VET provider;

for *domestic students undertaking *qualifying VET courses in that period; and

(b) the sum of the amounts of *VET FEE-HELP assistance paid for students undertaking, with the VET provider, *VET units of study that had *census dates during 2015.

(5) For the purposes of paragraph (2)(c), the amount to be credited is the amount equal to the *VET provider's fee revenue for the 2015 calendar year for *domestic students undertaking in that year the *qualifying VET courses that enabled paragraph 6(1)(ca) or (1A)(da) to be satisfied for the purposes of the VET provider's approval as a VET provider.

(6) The Minister may, by legislative instrument, determine:

(a) whether credits arise in the *VET FEE-HELP accounts of specified *VET providers when another body ceases to be a VET provider; and

(b) the amounts of such credits.

Debits to the VET FEE-HELP account

(7) A debit arises in the *VET provider's *VET FEE-HELP account if a student is entitled to *VET FEE-HELP assistance for a *VET unit of study:

(a) that is to be undertaken with the VET provider; and

(b) that has a *census date on or after 1 January 2016.

*To find definitions of asterisked terms, see the Dictionary in Schedule 1.

Authorised Version C2025C00491 registered 02/09/2025

The debit arises at the end of that census date, and is equal to the amount of that assistance.

45E Effect of VET FEE-HELP account being in deficit at the end of a calendar year

(1) If:

(a) a *VET provider's *VET FEE-HELP account is in deficit at the end of a calendar year; and

(b) the *Secretary gives the VET provider a written notice about the deficit;

the VET provider must pay to the Commonwealth an amount equal to the amount of the deficit (the ***excess loan amount***).

(2) The excess loan amount is due on the seventh day (the ***due day***) after the day the notice is given.

Late payments of the excess loan amount attract the general interest charge

(3) If some or all of the excess loan amount remains unpaid after the due day, the *VET provider must pay to the Commonwealth an amount (the ***general interest charge***) relating to the unpaid amount for each day in the period that:

(a) starts at the beginning of the day after the due day; and

(b) ends at the end of the last day on which, at the end of the day, any of the following remains unpaid:

(i) the excess loan amount;

(ii) general interest charge on any of the excess loan amount.

(4) The general interest charge for a particular day is worked out by multiplying the *general interest charge rate for that day by the sum of so much of the following amounts as remains unpaid:

(a) the general interest charge from previous days;

(b) the excess loan amount.

*To find definitions of asterisked terms, see the Dictionary in Schedule 1.

Authorised Version C2025C00491 registered 02/09/2025

(5) The general interest charge for a day is due and payable to the Commonwealth at the end of that day.

(6) The *Secretary may give written notice to the *VET provider of the amount of the general interest charge for a particular day or days. A notice given under this subclause is prima facie evidence of the matters stated in the notice.

(7) The *Secretary may remit all or a part of the general interest charge payable by the *VET provider if the Secretary is satisfied:

(a) that:

(i) the circumstances that contributed to the delay in payment were not due to, or caused directly or indirectly by, an act or omission of the VET provider; and

(ii) the VET provider has taken reasonable action to mitigate, or mitigate the effects of, those circumstances; or

(b) that it is otherwise appropriate to do so.

(8) An amount payable under this clause may be recovered by the Commonwealth from the *VET provider as a debt due to the Commonwealth.

Subdivision 7-B—Re-crediting HELP balances in relation to VET FEE-HELP assistance

46 Main case of re-crediting a person's HELP balance in relation to VET FEE-HELP assistance

(1) If clause 46A, 46AA or 51 applies to re-credit a person's *HELP balance in relation to the amounts of *VET FEE-HELP assistance that the person has received for a *VET unit of study, then this clause does not apply in relation to that unit.

Note: For ***HELP balance***, see section 128-15, and for ***HELP loan limit***, see section 128-20.

*To find definitions of asterisked terms, see the Dictionary in Schedule 1.

Authorised Version C2025C00491 registered 02/09/2025

(2) A *VET provider must, on the *Secretary's behalf, re-credit a person's *HELP balance with an amount equal to the amounts of *VET FEE-HELP assistance that the person received for a *VET unit of study if:

(a) the person has been enrolled in the unit with the provider; and

(b) the person has not completed the requirements for the unit during the period during which the person undertook, or was to undertake, the unit; and

(c) the provider is satisfied that special circumstances apply to the person (see clause 48); and

(d) the person applies in writing to the provider for re-crediting of the HELP balance; and

(e) either:

(i) the application is made before the end of the application period under clause 49; or

(ii) the provider waives the requirement that the application be made before the end of that period, on the ground that it would not be, or was not, possible for the application to be made before the end of that period.

Note 1: A VET FEE-HELP debt relating to a VET unit of study will be remitted if the HELP balance in relation to the unit is re-credited: see section 137-18.

Note 2: For certain VET FEE-HELP debts relating to a VET unit of study, the amount to be re-credited under this clause in relation to the unit may be reduced: see clause 51AA.

(3) If the provider is unable to act for one or more of the purposes of subclause (2), or clause 48, 49 or 50, the *Secretary may act as if one or more of the references in those provisions to the provider were a reference to the Secretary.

Clause 46A

46A Re-crediting a person's HELP balance in relation to VET FEE-HELP assistance—unacceptable conduct by provider or provider's agent

Decision to re-credit due to unacceptable conduct

(1) The *Secretary must re-credit a person's *HELP balance with an amount equal to the amounts of *VET FEE-HELP assistance that the person received for a *VET unit of study if the Secretary is satisfied that:

(a) the person has been enrolled in the unit with a *VET provider; and

(b) the person has not completed the requirements for the unit during the period the person undertook, or was to undertake, the unit; and

(c) circumstances exist, of a kind specified in the *VET Guidelines for the purposes of this paragraph, involving unacceptable conduct by the VET provider (or an agent of the VET provider) relating to the person's *request for Commonwealth assistance relating to:

(i) the unit; or

(ii) the *VET course of study of which the unit forms a part; and

(d) the person has applied in writing to the Secretary for re-crediting of the HELP balance under this subclause; and

(e) the application is in the form approved by the Secretary, and is accompanied by such information as the Secretary requests; and

(f) either:

(i) the application was made during the first 3 years after the period during which the person undertook, or was to undertake, the unit; or

(ii) it would not be, or was not, possible for the application to be made during those 3 years.

*To find definitions of asterisked terms, see the Dictionary in Schedule 1.

Authorised Version C2025C00491 registered 02/09/2025

Note 1: A VET FEE-HELP debt relating to a VET unit of study will be remitted if the HELP balance in relation to the unit is re-credited: see section 137-18.

Note 2: For certain VET FEE-HELP debts relating to a VET unit of study, the amount to be re-credited under this clause in relation to the unit may be reduced: see clause 51AA.

(2) If:

(a) the person received the *VET FEE-HELP assistance as a result of giving an *appropriate officer of the *VET provider a form; and

(b) the form would have been a *request for Commonwealth assistance relating to the unit if it had been signed by a *responsible parent of the person;

paragraph (1)(c) applies as if the form were the person's request for Commonwealth assistance relating to the unit.

Note: To be a request for Commonwealth assistance, a responsible parent must sign the form if the student is under 18 years old and subclause 88(3A) applies (see paragraph 88(3)(aa)).

Inviting submissions before making a decision

(3) Before making a decision under subclause (1), the *Secretary must give the applicant and the *VET provider a notice in writing:

(a) stating that the Secretary is considering making the decision; and

(b) describing the decision and stating the reasons why the Secretary is considering making it; and

(c) inviting the applicant and the VET provider to each make written submissions to the Secretary within 28 days on either or both of the following matters:

(i) why that decision should not be made;

(ii) if that decision would re-credit the applicant's *HELP balance with a particular amount—why that amount should be changed; and

*To find definitions of asterisked terms, see the Dictionary in Schedule 1.

Authorised Version C2025C00491 registered 02/09/2025

(d) informing the applicant and the VET provider that, if no submissions are received within the 28 day period, the Secretary may proceed to make the decision.

(4) In deciding whether to make the decision under subclause (1), the *Secretary must consider any submissions received from the applicant, and from the *VET provider, within the 28 day period.

Notice of a decision

(5) The *Secretary must give written notice of a decision under subclause (1) to the applicant and the *VET provider. The notice must be given within 28 days after the day the decision was made.

46AA Re-crediting a person's HELP balance in relation to VET FEE-HELP assistance—inappropriate conduct by provider or provider's agent

Re-crediting

(1) The *Secretary may, on application under subclause (3) or on the Secretary's own initiative, re-credit a person's *HELP balance with an amount equal to the amounts of *VET FEE-HELP assistance that the person received for a *VET unit of study with a *VET provider, if the Secretary is satisfied that:

(a) either:

(i) the person has not completed the requirements for the unit during the period the person undertook, or was to undertake, the unit; or

(ii) under *VET Guidelines prescribed for the purposes of this subparagraph, the person is taken not to have completed those requirements during that period; and

(b) it is reasonably likely that, having regard to any matters prescribed by the *VET Guidelines for the purposes of this paragraph, the VET provider (or an agent of the VET provider) engaged in inappropriate conduct towards the

person in relation to the unit, or the *VET course of study of which the unit forms a part.

Note 1: A VET FEE-HELP debt relating to a VET unit of study will be remitted if the HELP balance in relation to the unit is re-credited: see section 137-18.

Note 2: The VET provider may be required to repay an amount to the Commonwealth under subclause 56(4), depending on the nature of the inappropriate conduct.

Note 3: For certain VET FEE-HELP debts relating to a VET unit of study, the amount to be re-credited under this clause in relation to the unit may be reduced: see clause 51AA.

(2) The *VET Guidelines may prescribe matters for the purposes of paragraph (1)(b) that are also prescribed for the purposes of paragraph 46A(1)(c) (circumstances involving unacceptable conduct).

(3) A person may apply to the *Secretary for the person's *HELP balance to be re-credited under subclause (1). The application must:

(a) be in writing; and

(b) be in the form (if any) approved by the Secretary and accompanied by the information (if any) required by the Secretary; and

(c) meet any requirements prescribed by the *VET Guidelines for the purposes of this paragraph.

Submissions by applicants before refusal to re-credit

(4) Before making a decision to refuse a person's application under subclause (3) for re-crediting of the person's *HELP balance, the Secretary must give the person a notice in writing:

(a) stating that the Secretary is considering making the decision; and

(b) stating the reasons why the Secretary is considering making the decision; and

*To find definitions of asterisked terms, see the Dictionary in Schedule 1.

Authorised Version C2025C00491 registered 02/09/2025

(c) inviting the person to make written submissions to the Secretary, within 28 days, about why that decision should not be made; and

(d) informing the person that, if no submissions are received within the 28 day period, the Secretary may proceed to make the decision.

(5) In deciding whether to re-credit the *HELP balance, the *Secretary must take into account any submissions received from the person within the 28 day period.

Submissions by providers before decision to re-credit in circumstances requiring repayment by provider

(6) Before making a decision to re-credit a person's *HELP balance to which subclause 56(4) applies, the Secretary must give the *VET provider a notice in writing:

(a) stating that the Secretary is considering making the decision; and

(b) stating that, if the Secretary makes the decision, the VET provider will be required to pay an amount to the Commonwealth under subclause 56(4) in relation to the re-crediting; and

(c) stating the reasons why the Secretary is considering making the decision; and

(d) inviting the VET provider to make written submissions to the Secretary, within 28 days, about why that decision should not be made; and

(e) informing the VET provider that, if no submissions are received within the 28 day period, the Secretary may proceed to make the decision.

(7) In deciding whether to re-credit the *HELP balance, the *Secretary must take into account any submissions received from the *VET provider within the 28 day period.

*To find definitions of asterisked terms, see the Dictionary in Schedule 1.

Authorised Version C2025C00491 registered 02/09/2025

Written notice of decision

(8) If the *Secretary re-credits a person's *HELP balance under subclause (1), the Secretary must, as soon as practicable, give written notice of the Secretary's decision and the reasons for it to:
  (a) the person; and
  (b) if subclause 56(4) applies to the decision—the *VET provider.

Final date for re-crediting

(9) The *Secretary must not re-credit a person's *HELP balance under subclause (1) on the Secretary's own initiative, after:
  (a) 31 December 2020; or
  (b) if a later day is prescribed by the *VET Guidelines for the purposes of this paragraph—that later day.

(10) The *Secretary must not re-credit a person's *HELP balance under subclause (1) on application made by the person, if the application is made after:
  (a) 31 December 2020; or
  (b) if a later day is prescribed by the *VET Guidelines for the purposes of this paragraph—that later day.

46B Re-crediting a person's HELP balance in relation to VET FEE-HELP assistance—VET FEE-HELP account in deficit at the end of a calendar year

Main case

(1) A *VET provider must, on the *Secretary's behalf, re-credit a student's *HELP balance with an amount if:
  (a) the student receives *VET FEE-HELP assistance in a calendar year for a *VET unit of study undertaken with the VET provider; and

*To find definitions of asterisked terms, see the Dictionary in Schedule 1.

Authorised Version C2025C00491 registered 02/09/2025

(b) under subclause 45E(1), the Secretary notifies the VET provider that the VET provider's *VET FEE-HELP account was in deficit at the end of the calendar year; and

(c) the VET provider reasonably believes that some or all of that assistance caused or contributed to the deficit.

(2) The amount to be re-credited is equal to so much of that assistance as the *VET provider reasonably believes caused or contributed to the deficit.

Note: A corresponding amount of the student's VET FEE-HELP debt relating to the unit will be remitted (see section 137-18).

(3) The *Secretary may re-credit the student's *HELP balance under this subclause if:

(a) the *VET provider is unable to do so under subclauses (1) and (2); and

(b) the Secretary knows how much of that assistance that the VET provider reasonably believes caused or contributed to the deficit.

If not all of the deficit can be re-credited under subclauses (1) and (3)

(4) If the deficit exceeds the total amount able to be re-credited under subclauses (1) and (3) for all of the *VET provider's students who received *VET FEE-HELP assistance in the calendar year for *VET units of study undertaken with the VET provider, the *Secretary may re-credit the *HELP balance of each of those students with the amount equal to:

That excess × Student's percentage of the total assistance

where:

student's percentage of the total assistance means the percentage equal to the percentage that the student's *VET FEE-HELP assistance referred to in paragraph (1)(a) is of the total VET FEE-HELP assistance received by students of the *VET provider in

the calendar year for *VET units of study undertaken with the VET provider.

47 Re-crediting a person's HELP balance—no tax file number

(1) A *VET provider must, on the *Secretary's behalf, re-credit a person's *HELP balance with an amount equal to the amounts of *VET FEE-HELP assistance that the person received for a *VET unit of study if:

(a) the person has been enrolled in the unit with the provider; and

(b) subclause 89(1) applies to the person in relation to the unit.

Note 1: A VET FEE-HELP debt relating to a VET unit of study will be remitted if the HELP balance in relation to the unit is re-credited: see section 137-18.

Note 2: For certain VET FEE-HELP debts relating to a VET unit of study, the amount to be re-credited under this clause in relation to the unit may be reduced: see clause 51AA.

(2) The *Secretary may re-credit the person's *HELP balance under subclause (1) if the provider is unable to do so.

48 Special circumstances

For the purposes of paragraph 46(2)(c), special circumstances apply to the person if and only if the *VET provider receiving the application is satisfied that circumstances apply to the person that:

(a) are beyond the person's control; and

(b) do not make their full impact on the person until on or after the *census date for the *VET unit of study in question; and

(c) make it impracticable for the person to complete the requirements for the unit in the period during which the person undertook, or was to undertake, the unit.

*To find definitions of asterisked terms, see the Dictionary in Schedule 1.

Authorised Version C2025C00491 registered 02/09/2025

49 Application period

(1) If:

(a) the person applying under paragraph 46(2)(d) for the re-crediting of the person's *HELP balance in relation to a *VET unit of study has withdrawn his or her enrolment in the unit; and

(b) the *VET provider gives notice to the person that the withdrawal has taken effect;

the application period for the application is the period of 12 months after the day specified in the notice as the day the withdrawal takes effect.

(2) If subclause (1) does not apply, the application period for the application is the period of 12 months after the period during which the person undertook, or was to undertake, the unit.

50 Dealing with applications

(1) If:

(a) the application is made under paragraph 46(2)(d) before the end of the relevant application period; or

(b) the *VET provider waives the requirement that the application be made before the end of that period, on the ground that it would not be, or was not, possible for the application to be made before the end of that period;

the provider must, as soon as practicable, consider the matter to which the application relates and notify the applicant of the decision on the application.

(2) The notice must include a statement of the reasons for the decision.

Note: Refusals of applications are reviewable under Division 16.

51 Re-crediting a person's HELP balance in relation to VET FEE-HELP assistance if provider ceases to provide course of which unit forms part

(1) A *VET provider must, on the *Secretary's behalf, re-credit a person's *HELP balance with an amount equal to the amounts of *VET FEE-HELP assistance that the person received for a *VET unit of study if:

(a) the person has been enrolled in the unit with the provider; and

(b) the person has not completed the requirements for the unit during the period during which the person undertook, or was to undertake, the unit because the provider ceased to provide the unit as a result of ceasing to provide the course of which the unit formed part; and

(c) the *VET tuition assurance requirements applied to the provider at the time the provider ceased to provide the unit; and

(d) the person chose the option designated under the VET tuition assurance requirements as VET tuition fee repayment in relation to the unit.

Note 1: A VET FEE-HELP debt relating to a VET unit of study will be remitted if the HELP balance in relation to the unit is re-credited: see subsection 137-18(4).

Note 2: For certain VET FEE-HELP debts relating to a VET unit of study, the amount to be re-credited under this clause in relation to the unit may be reduced: see clause 51AA.

(2) The *Secretary may re-credit the person's *HELP balance under subclause (1) if the provider is unable to do so.

51AA Re-crediting a person's HELP balance in relation to VET FEE-HELP debts incurred on or before 1 June 2025

If:

*To find definitions of asterisked terms, see the Dictionary in Schedule 1.

Authorised Version C2025C00491 registered 02/09/2025

(a) clause 46, 46A, 46AA, 47 or 51 applies to re-credit a person's *HELP balance in relation to the amounts of *VET FEE-HELP assistance that the person received for a *VET unit of study; and

(b) on or before 1 June 2025, the person incurred a *VET FEE-HELP debt relating to the VET unit of study;

then, despite anything in that clause, the amount to be re-credited to the person's HELP balance under that clause is an amount equal to 80% of the amounts of VET FEE-HELP assistance that the person received for the VET unit of study.

51A Implications for the student's liability to the VET provider for the VET tuition fee

If a student's *HELP balance is re-credited in accordance with this Subdivision with an amount for a *VET unit of study, the student is discharged from all liability to pay or account for so much of the student's *VET tuition fee for the unit as is equal to that amount.

*To find definitions of asterisked terms, see the Dictionary in Schedule 1.

Authorised Version C2025C00491 registered 02/09/2025

Division 8—How are amounts of VET FEE-HELP assistance worked out?

52 The amount of VET FEE-HELP assistance for a VET unit of study

The amount of *VET FEE-HELP assistance to which a student is entitled for a *VET unit of study is the difference between:

(a) the student's *VET tuition fee for the unit; and

(b) the sum of any *up-front VET payments made in relation to the unit.

Note: A lesser amount may be payable because of clause 54.

53 Up-front payments

(1) An ***up-front VET payment***, in relation to a *VET unit of study for which a student is liable to pay a *VET tuition fee, is a payment of all or part of the student's VET tuition fee for the unit, other than a payment of *VET FEE-HELP assistance under this Part.

(2) The payment must be made on or before the *census date for the unit.

54 Amounts of VET FEE-HELP assistance, HECS-HELP assistance and FEE-HELP assistance must not exceed the HELP balance

Amount of VET FEE-HELP assistance for one unit

(1) The amount of *VET FEE-HELP assistance to which a student is entitled for a *VET unit of study is an amount equal to the student's *HELP balance on the *census date for the unit if:

(a) there is no other:

*To find definitions of asterisked terms, see the Dictionary in Schedule 1.

Authorised Version C2025C00491 registered 02/09/2025

(i) VET unit of study, with the same census date, for which the student is entitled to VET FEE-HELP assistance; or

(ia) unit of study, with the same census date, for which the student is entitled to *HECS-HELP assistance; or

(ii) unit of study, with the same census date, for which the student is entitled to *FEE-HELP assistance; and

(b) the amount of VET FEE-HELP assistance to which the student would be entitled under clause 52 for the unit would exceed that HELP balance.

Note 1: For transitional provisions relating to subparagraph (a)(ia), see Part 2 of Schedule 3 to the *Higher Education Support Legislation Amendment (Student Loan Sustainability) Act 2018*.

Note 2: The amount of a *VET student loan is limited by reference to the student's HELP balance—see sections 8 and 20 of the *VET Student Loans Act 2016*. The student's HELP balance is reduced by the amount of any VET student loans that have previously been payable to the student—see section 128-15.

Amount of VET FEE-HELP assistance for more than one unit

(2) If the sum of:

(a) the amount of *VET FEE-HELP assistance to which a student would be entitled under clause 52 for a *VET unit of study; and

(b) any other amounts of:

(i) VET FEE-HELP assistance to which the student would be entitled under that clause for other units that have the same *census date as that unit; and

(ia) *HECS-HELP assistance to which the student would be entitled under section 93-1 for other units that have the same census date as that unit; and

(ii) *FEE-HELP assistance to which the student would be entitled under section 107-1 for other units that have the same census date as that unit;

*To find definitions of asterisked terms, see the Dictionary in Schedule 1.

Authorised Version C2025C00491 registered 02/09/2025

would exceed the student's *HELP balance on the census date for the unit, then, despite subclause (1) of this clause, the total amount of VET FEE-HELP assistance, HECS-HELP assistance and FEE-HELP assistance to which the student is entitled for all of those units is an amount equal to that HELP balance.

Example: Kath has a HELP balance of $2,000, and is enrolled in 4 units with the same census date. Kath's VET tuition fee for each unit is $600. The total amount of VET FEE-HELP assistance to which Kath is entitled for the units is $2,000, even though the total amount of her VET tuition fees for the units is $2,400.

Note 1: For transitional provisions relating to subparagraph (b)(ia), see Part 2 of Schedule 3 to the *Higher Education Support Legislation Amendment (Student Loan Sustainability) Act 2018*.

Note 2: The amount of a *VET student loan is limited by reference to the student's HELP balance—see sections 8 and 20 of the *VET Student Loans Act 2016*. The student's HELP balance is reduced by the amount of any VET student loans that have previously been payable to the student—see section 128-15.

(3) If the student has enrolled in the units with more than one *VET provider or higher education provider, the student must notify each provider of the proportion of the total amount of *VET FEE-HELP assistance,*HECS-HELP assistance or *FEE-HELP assistance that is to be payable in relation to the units in which the student has enrolled with that provider.

Authorised Version C2025C00491 registered 02/09/2025

Division 9—How are amounts of VET FEE-HELP assistance paid?

Note: Division 11 also deals with payments by the Commonwealth under this Schedule.

55 Payments

(1) If a student is entitled to an amount of *VET FEE-HELP assistance for a *VET unit of study with a *VET provider, the Commonwealth must:

(a) as a benefit to the student, lend to the student the amount of VET FEE-HELP assistance; and

(b) pay the amount lent to the provider in discharge of the student's liability to pay his or her *VET tuition fee for the unit.

Note: Amounts of assistance under this Part may form part of a person's HELP debts that the Commonwealth recovers under Chapter 4.

(2) However, the Commonwealth must not pay an amount to a provider under paragraph (1)(b) in respect of a *VET unit of study unless the provider has given the Minister notice of the student's liability to pay his or her *VET tuition fee for the unit, including the amount of the liability, before the reporting deadline for the unit.

(3) The amount paid to a provider for a unit under paragraph (1)(b) must not exceed the amount notified for the purposes of subclause (2) before the reporting deadline for the unit.

(4) If the Commonwealth does not pay an amount to a provider because of the operation of subclause (2), the student is discharged from all liability to pay or account for so much of the student's *VET tuition fee for the *VET unit of study as is equal to that amount.

(5) For the purposes of this clause, the ***reporting deadline*** for a unit is:

(a) for a unit with a *census date before 1 January 2018—before 1 July 2021; or

(b) for any other unit—before 1 January 2022.

56 Effect of HELP balance being re-credited

Re-crediting other than under subclause 46AA(1)

(1) If, under subclause 46(2), 46A(1) or 47(1), or clause 51, a person's *HELP balance is re-credited with an amount relating to *VET FEE-HELP assistance for a *VET unit of study, the provider must pay to the Commonwealth an amount equal to the amount of VET FEE-HELP assistance to which the person was entitled for the unit.

Note: The provider must repay the amount under subclause (1) even if the person's HELP balance is not increased by an amount equal to the amount re-credited.

(2) Subclause (1) does not apply to the provider if:

(a) the person's *HELP balance was re-credited under subclause 46(2) (main case of re-crediting a person's HELP balance); and

(b) the person enrolled in the unit in circumstances that make it a replacement unit within the meaning of the *VET tuition assurance requirements.

(3) The *VET Guidelines may, in setting out the *VET tuition assurance requirements, specify, in relation to the re-crediting of a person's *HELP balance in circumstances to which subclause (2) applies:

(a) the amount (if any) that is to be paid to the Commonwealth; and

(b) the person (if any) who is to pay the amounts.

Re-crediting under subclause 46AA(1)

(4) If:

Authorised Version C2025C00491 registered 02/09/2025

Clause 56

(a) under subclause 46AA(1) (inappropriate conduct by provider or provider's agent), a person's *HELP balance is re-credited with an amount relating to *VET FEE-HELP assistance for a *VET unit of study with a *VET provider; and

(b) the inappropriate conduct which the *Secretary is satisfied was reasonably likely to have been engaged in was, or included, the VET provider treating the person as being entitled to the assistance under clause 43, when the person was not entitled to that assistance;

the VET provider must pay to the Commonwealth an amount equal to the amount of VET FEE-HELP assistance to which the person was treated as being entitled for the unit.

Note: The VET provider must repay the amount under subclause (4) even if the person's HELP balance is not increased by an amount equal to the amount re-credited.

(b) the Secretary is aware of information that suggests that the provider may not comply with this Schedule and the regulations (if any) relating to this Schedule, and the VET Guidelines that apply to the provider; or

(c) the Secretary is aware of information that suggests that the provider may not remain financially viable.

(1B) In deciding whether to take action under subclause (1A), the *Secretary may consider any or all of the following matters:

(a) in the case of non-compliance or possible non-compliance by the *VET provider:

(i) whether the non-compliance or possible non-compliance is of a minor or major nature; and

(a) deducted from any amount that is payable, or to be paid, to the provider under this Schedule; or

(aa) deducted by the Commonwealth from any amount that is payable, or to be paid, to the provider:

(i) if the provider is a higher education provider—under section 110-1 of this Act; or

61A Amounts owed by VET providers may be set off against amounts payable under this Act or the *VET Student Loans Act 2016*

An amount payable by a *VET provider to the Commonwealth under this Schedule may, in whole or in part, be:

(a) deducted by the Commonwealth from any amount that is payable, or to be paid, to the provider:

(5) If paragraph (4)(a) applies, the provider must publish the variation by the date ascertained in accordance with, and in the manner specified in, the *VET Guidelines.

71 What this Division is about

A VET officer who discloses, copies or records VET personal information otherwise than in the course of official employment, or causes unauthorised access to or modification of VET personal information, commits an offence unless an exception applies.
