- (b) by virtue of the relevant specification, the rate of duty applicable to goods to which that item or item division, as the case may be, applies would, but for this sub-section, be the rate of duty (in this sub-section referred to as the ‘applicable rate of duty’) specified in column 3 or 4, as the case may be, of an item division specified in column 1 of Part VI of that Schedule,

then, for the purposes of the application of the relevant specification, there shall be deemed to be substituted for the applicable rate of duty the rate of duty specified in column 4 of the item in Part II of Schedule 2 that is specified in column 2 of Part VI of Schedule 1 opposite to the reference in column 1 of that Part to that last-mentioned item division.

“(2) Where—

- (a) a reference to this section appears at the foot of the specification of a rate of duty (in this sub-section referred to as the ‘relevant specification’) in column 4 of an item in any of the following Parts:

 - (iii) Part III of Schedule 1;
 - (iv) Part IX of Schedule 5; and
- (b) by virtue of the relevant specification, the rate of duty applicable to goods to which that item applies would, but for this sub-section, be the rate of duty (in this sub-section referred to as the ‘applicable rate of duty’) specified in column 4 of another item in the same Part; and

6. Sections 33A and 33B of the Principal Act are repealed and the following sections are substituted:

Special rates of duty

“33A. (1) Subject to section 33B, where an item in Part I of Schedule 2 applies to goods and the amount of duty applicable to the goods under that item is less than the sum of the amount of duty ascertained in respect of the goods in accordance with Part II of this Act and the amount of any primage duty and the amount of any support duty that, but for this section, would be payable in respect of the goods, then, subject to this section—

- (a) the duty payable under Part II of this Act in respect of the goods is, in lieu of the amount that but for this section would be so payable, the amount of duty applicable to the goods under the item in Part I of Schedule 2 that applies to the goods or, if no duty is applicable to the goods under that item, no duty is payable in respect of the goods under Part II of this Act; and
- (b) no primage duty or support duty is payable in respect of the goods.

“(2) If goods fall within two or more items in Part I of Schedule 2, the item in that Part that applies to the goods is the item under which the least amount of duty, or no duty, is applicable to the goods or, if there are two or more such items, such one of the last-mentioned items as the Comptroller directs.

“(3) For the purposes of sub-sections (1) and (2), the amount of duty applicable to goods under an item in Part I of Schedule 2 is—

- (a) in respect of an item other than item 21, where the goods are the produce or manufacture of New Zealand, Papua New Guinea or a country or place that is a developing country—an amount of duty ascertained by reference to the rate of duty set out in column 4 of Part I of Schedule 2 in that item;

Application of sub-section 33A (1)

“33B. (1) Sub-section (1) of section 33A does not apply in respect of goods that are intended for the use of a person to whom item 5 or item 6 in Part I of Schedule 2 applies where any other goods of the same kind, or of a similar kind, that have been imported into Australia were, at the time when they were entered for home consumption, intended for the use of the person and the Minister, by instrument in writing, declares that, in his opinion, the reasonable requirements of the person have adequately been met by the other goods.

“(2) Sub-section (1) of section 33A does not apply in respect of goods for the use of a person to whom item 5 or item 6 in Part I of Schedule 2 applies unless—

- (a) the person for whose use the goods are intended agrees that, if the goods are sold or otherwise disposed of in Australia or in an external territory within two years after the date of entry of the goods for home consumption, he will pay to the Commonwealth an amount equal to so much (if any) as the Minister determines of the duty that, but for that item, would have been payable in respect of the goods; and
- (b) where the person so entering into an agreement has previously entered into a similar agreement in relation to any other goods and has committed a breach of that last-mentioned agreement—the person complies with such conditions, if any, as the Minister, by instrument in writing, determines (which may include a condition that the person give security, satisfactory to the Minister, that he will comply with the first-mentioned agreement).

“(3) Where the Minister is of opinion that a country does not grant in relation to Australia exemptions from duties of customs corresponding with the exemptions having effect in relation to that country by virtue of item 5 or item 6 in Part I of Schedule 2, he may, by instrument in writing published in the *Gazette*, direct that that item shall not apply in relation to that country except to such extent, if any, as is specified in the instrument.

Substituted rates of duty

“33C. (1) Subject to sub-section (4), where an item in Part II of Schedule 2 applies to goods, the duty payable under Part II of this Act in respect of the goods is, in lieu of the amount that but for this section would be so payable, the amount of duty applicable to the goods under the item in Part II of Schedule 2 that applies to the goods or, if no duty is applicable to the goods under that item, no duty is payable in respect of the goods under Part II of this Act.

“(2) An item in Part II of Schedule 2 applies to goods if—

- (a) the tariff classification in Part II of Schedule 1 that applies to the goods is specified in column 2 of that item; and
- (b) the goods are included in the class of goods specified in column 3 of that item.

“(3) For the purposes of sub-section (1), the amount of duty applicable to goods under an item in Part II of Schedule 2 is—

- (a) where the goods are the produce or manufacture of a Forum Island Country—an amount of duty ascertained by reference to the rate of duty set out in column 9 of Part II of Schedule 2 in that item;

- (f) in any other case—an amount of duty ascertained by reference to the rate of duty set out in column 4 of Part II of Schedule 2 in that item.
