(4) The Board shall, as soon as practicable after 1 January 1985, pay into the Trust Account an amount, or amounts totalling an amount, equal to the amount determined in writing by the Secretary to the Department, or by a person authorized by the Secretary for the purpose, to be the total of the amounts of the prescribed liabilities that may reasonably be expected to arise during the remainder of the first relevant period and during the second relevant period.

(5) Money standing to the credit of the Trust Account shall be applied in discharging prescribed liabilities arising after the Board has complied with sub-section (4).

(6) Interest received from the investment of money standing to the credit of the Trust Account forms part of the Trust Account.

Board to prepare financial statements

8. (1) The Board shall, as soon as practicable after the prescribed time, and, in any event, within 3 months after the prescribed time, prepare and submit to the Minister financial statements, in such form as the Minister for Finance approves, in respect of the period that commenced at the end of the last period in respect of which the Board reported to the Minister under section 23 of the repealed Control Act and ended at the prescribed time.

- (a) whether, in the Auditor-General’s opinion, the statements are based on proper accounts and records;
- (b) whether the statements are in agreement with the accounts and records and, in the Auditor-General’s opinion, show fairly the financial transactions and the state of the affairs of the Board;
- (c) whether, in the Auditor-General’s opinion, the receipt, expenditure and investment of money, and the acquisition and disposal of assets, by the Board during the period to which the statements relate have been in accordance with the applicable provisions of the repealed Control Act and of this Act; and
- (d) as to such other matters arising out of the statements as the Auditor-General considers should be reported to the Minister.

(4) The Minister shall cause copies of the financial statements submitted by the Board under sub-section (1), together with a copy of the report of the Auditor-General relating to the financial statements, to be laid before each House of the Parliament within 15 sitting days of that House after receipt by the Minister of the report of the Auditor-General.

Remuneration, &c., of Board members and deputies

9. The Board shall pay to a member of the Board or to a deputy of such a member, in respect of the performance of the duties of the member or deputy under this Act during the first relevant period, such remuneration and allowances (if any) as the Minister, by notice in writing given to the Board from time to time, directs.

Application of Board’s assets and of the Fund

10. (1) The Board—

- (a) shall continue to maintain the prescribed account or prescribed accounts maintained by the Board immediately before 1 January 1985;
- (b) may, for the purposes of this Act, open and maintain further prescribed accounts;

 - (ii) realize any other securities held by the Board; and
- (e) shall apply for the purposes of complying with sub-sections 7 (1) and (4) so much of the money standing to the credit of a prescribed account maintained by the Board, or to the credit of the Fund, as it is necessary to apply for those purposes.

(2) If the Minister is satisfied that—

- (a) the Board has complied with sub-sections 6 (1) and 7 (4) and with section 8; and
- (b) the Board has—
 - (i) paid or discharged all its debts, liabilities and obligations existing immediately before the commencement of this Act or arising since that commencement; and
 - (ii) performed or otherwise discharged its obligations under contracts or arrangements to which it was a party immediately before the commencement of this Act or to which it has become a party since that commencement,

other than debts, liabilities and obligations that have arisen since the Board complied with sub-section 7 (4) and are prescribed liabilities,

the Minister may direct in writing that the assets of the Board shall vest in accordance with this sub-section and, if the Minister so directs—

- (c) any rights, property or assets that, at the time of the direction, are vested in the Board (other than rights under a contract of insurance and moneys standing to the credit of the Trust Account); and

(3) In this section, “prescribed account” means an account with the Reserve Bank of Australia or with the Commonwealth Bank of Australia.

- (b) all prescribed liabilities that have arisen since the Board complied with sub-section 7 (4) have been discharged; and
- (c) if the Board were to continue in existence indefinitely, no further liability of a kind referred to in paragraph (a) of the definition of “prescribed liability” in section 3 could reasonably be expected to arise,

the Minister may, by notice in writing published in the *Gazette*, declare that the Board shall cease to exist and, upon publication of the notice—

- (c) the Board ceases to exist; and
- (d) the money (if any) standing to the credit of the Trust Account vests, by force of this section, jointly in the Egg Boards of the States.

Delegation

12. (1) For the purposes of discharging its obligations under this Act, the Board may, either generally or as otherwise provided by the instrument of delegation, by writing under its common seal, delegate to a person any of its powers, other than this power of delegation.

(2) A power so delegated, when exercised by the delegate, shall, for the purposes of this section, be deemed to have been exercised by the Board.

(3) A delegation under sub-section (1) does not prevent the exercise of a power by the Board.

Exemption from taxation

13. An instrument or document that the Secretary to the Department, or an officer of the Department authorized by the Secretary for the purpose, certifies to have been made, executed or given by reason of, or for a purpose connected with or arising out of, the operation of this Act is not liable to stamp duty or other tax under a law of the Commonwealth or of a State or Territory.
