Part IIIB—Provisions applicable to service pensions and income support supplement

Division 1—Ordinary income concept

46 General meaning of ordinary income

A reference in this Act to a person's ordinary income for a period is a reference to the person's gross ordinary income from all sources for the period calculated without any reduction, other than a reduction under Division 2.

Note 1: For *ordinary income* see subsection 5H(1).

Note 2: For other provisions affecting the amount of a person's ordinary income see section 46AA (work bonus), sections 46B and 46C (business income), sections 46D to 46L (deemed income from financial assets) and sections 46Q to 46YA (income from income streams).

46A Certain amounts taken to be received over 12 months

If a person receives, whether before or after the commencement of this section, an amount that:

- (a) is not income within the meaning of Division 3 or 4 of this Part; and
- (b) is not:
 - (i) income in the form of periodic payments; or
 - (ii) ordinary income from remunerative work undertaken by the person; or
 - (iii) an exempt lump sum;

the person is, for the purposes of this Act, taken to receive one fifty-second of that amount as ordinary income of the person during each week in the 12 months commencing on the day on which the person becomes entitled to receive that amount.

Division 1A—Work bonus

46AA Income concession

- (1) This section applies to a person if:
- (a) the person's rate of service pension or income support supplement is calculated in accordance with the Rate Calculator; and
 - (b) the person has reached qualifying age.

Note: For *qualifying age* see section 5Q.

Employment income greater than or equal to income concession amount

- (2) If the person's employment income for a pension period is greater than or equal to the income concession amount for that period, then, for the purposes of Module E of that Rate Calculator, the amount of the person's employment income for that period is reduced by an amount equal to the income concession amount.

Note: For *employment income* see section 46AB.

Example 1: David earns \$2,250 of employment income in a pension period. David's rate of service pension or income support supplement for that period is greater than nil.

David's employment income for that period is reduced by \$250, leaving David \$2,000 of employment income for that period.

Example 2: Amy earns \$1,000 of employment income in a pension period. Amy's rate of service pension or income support supplement for that period is greater than nil.

Amy's employment income for that period is reduced by \$250, leaving Amy \$750 of employment income for that period.

- (3) If the person's unused concession balance (see section 46AC) is greater than or equal to the amount (the *current amount*) of the person's employment income that remains after applying subsection (2) of this section in relation to a pension period:
- (a) for the purposes of Module E of that Rate Calculator, the person's employment income for that period is further reduced to nil; and
 - (b) if the person's rate of service pension or income support supplement for that period is greater than nil—the person's

unused concession balance is reduced by an amount equal to the current amount.

Example 1: To continue example 1 in subsection (2), assume David's unused concession balance is \$2,000. The current amount is \$2,000.

David's employment income for that period is further reduced to nil.

David's unused concession balance is now nil.

Example 2: To continue example 2 in subsection (2), assume Amy's unused concession balance is \$1,600. The current amount is \$750.

Amy's employment income for that period is further reduced to nil.

Amy's unused concession balance is now \$850.

- (4) If the person's unused concession balance (see section 46AC) is greater than nil but less than the amount of the person's employment income that remains after applying subsection (2) of this section in relation to a pension period:
- (a) for the purposes of Module E of that Rate Calculator, the person's employment income for that period is further reduced by an amount equal to that unused concession balance; and
 - (b) if the person's rate of service pension or income support supplement for that period is greater than nil—the person's unused concession balance is reduced to nil.

Example: Bill earns \$1,250 of employment income in a pension period. Bill's rate of service pension or income support supplement for that period is greater than nil.

Under subsection (2), Bill's employment income for that period is reduced by \$250, leaving Bill \$1,000 of employment income for that period.

Assume Bill's unused concession balance is \$800.

Under subsection (4), Bill's employment income for that period is further reduced by \$800 leaving Bill \$200 of employment income for that period.

Bill's unused concession balance is now nil.

Employment income less than income concession amount

- (4A) If the person has employment income for a pension period but that income is less than the income concession amount for that period:
- (a) for the purposes of Module E of that Rate Calculator, the person's employment income for that period is reduced to nil; and

Section 46AA

- (b) if the person's rate of service pension or income support supplement for that period is greater than nil—the person's unused concession balance (see section 46AC) is increased, subject to subsection 46AC(2), by an amount equal to the difference between that income concession amount and that employment income (before it was reduced).

Note: For *employment income* see section 46AB.

Example: Emma earns \$100 of employment income in a pension period. Emma's rate of service pension or income support supplement for that period is greater than nil.

Emma's employment income for that period is reduced to nil.

Emma's unused concession balance is increased by \$150.

No employment income

- (4B) If:
 - (a) the person has no employment income for a pension period; and
 - (b) the person's rate of service pension or income support supplement for that period is greater than nil;the person's unused concession balance (see section 46AC) is increased, subject to subsection 46AC(2), by an amount equal to the income concession amount for that period.

Note: For *employment income* see section 46AB.

Definition

- (4C) The *income concession amount* for a pension period is \$250.

Interpretation

- (5) If the person is a member of a couple, apply this section in relation to the person, and to the person's partner, before applying Point SCH6-E3 of Schedule 6.
- (5A) If:
 - (a) the person is a member of a couple; and
 - (b) the person's partner's employment income (within the meaning of the *Social Security Act 1991*) is reduced by one or more amounts (each of which is a *reduction amount*) under section 1073AA of that Act;

then, in applying point SCH6-E3 of Schedule 6, the ordinary/adjusted income of the person's partner is to be reduced by an amount equal to the total of the reduction amounts.

- (6) This section is subject to section 46AD (about no double income reductions under this section and section 115G).

46AB Meaning of *employment income*

- (1) For the purposes of section 46AA, ***employment income***, in relation to a person, is ordinary income of the person:

- (a) that is earned, derived or received, or that is taken to have been earned, derived or received, by the person from remunerative work undertaken by the person as an employee in an employer/employee relationship; and
- (b) that includes, but is not limited to:
 - (i) salary, wages, commissions and employment-related fringe benefits that are so earned, derived or received or taken to have been so earned, derived or received; and
 - (ii) if the person is engaged on a continuing basis in that employer/employee relationship—a leave payment to the person;

but does not include:

- (c) a superannuation payment to the person; or
 - (d) a payment of compensation, or a payment to the person under an insurance scheme, in relation to the person's inability to earn, derive or receive income from that remunerative work; or
 - (e) if the person is not engaged on a continuing basis in that employer/employee relationship—a leave payment to the person; or
 - (f) a payment to the person by a former employer of the person in relation to the termination of the person's employment; or
 - (g) a comparable foreign pension; or
 - (h) an instalment of parental leave pay; or
 - (i) dad and partner pay.
- (2) For the purposes of subsection (1), a leave payment:
- (a) includes a payment in respect of personal/carer's leave, annual leave, maternity leave or long service leave; and

Section 46AC

- (b) may be made as a lump sum payment, a payment that is one of a series of regular payments or otherwise; and
- (c) is taken to be made to a person if it is made to another person:
 - (i) at the direction of the person or of a court; or
 - (ii) on behalf of the person; or
 - (iii) for the benefit of the person; or
 - (iv) if the person waives or assigns his or her right to the payment.

46AC Unused concession balance

Initial unused concession balance of nil

- (1) A person has an unused concession balance of nil on the first day that is after 30 June 2011 and is a day on which section 46AA applies to the person.

Maximum unused concession balance

- (2) If, apart from this subsection, the person's unused concession balance would exceed \$6,500, that balance is instead taken to be \$6,500.

Example: John has an unused concession balance of \$6,400. John earns \$50 of employment income in a pension period.

Instead of John's unused concession balance increasing to \$6,600 under subsection 46AA(4A), John's unused concession balance increases to \$6,500.

Effect of ceasing to receive service pension or income support supplement

- (3) If the person ceases to receive service pension or income support supplement, the person retains the person's unused concession balance immediately before that cessation.

Note: If section 46AA applies to the person again, the person's unused concession balance will be that retained balance.

46AD No double income reductions under sections 46AA and 115G

Scope

- (1) This section applies if, apart from this section:
- (a) an amount (the ***initial amount***) would be an excluded amount under subsection 115G(1) or (2) in respect of a veteran and a pension period; and
 - (b) the veteran's employment income would be reduced by one or more amounts (each of which is a ***reduction amount***) under section 46AA in relation to that period.

Income reduction under section 46AA

- (2) If the total of the reduction amounts is more than the initial amount:
- (a) subsection 115G(1) or (2), as the case may be, does not apply in relation to that veteran and that period; and
 - (b) subsections 46AA(2) to (4A) do apply in relation to that veteran and that period.

Income reduction under section 115G

- (3) If the total of the reduction amounts is less than or equal to the initial amount:
- (a) subsections 46AA(2) to (4A) do not apply to reduce the veteran's employment income in relation to that period, but they do apply for the purposes of working out any adjustment to the veteran's unused concession balance in relation to that period (as if those reductions had occurred); and
 - (b) subsection 115G(1) or (2), as the case may be, does apply in relation to that veteran and that period.

Note: Subsections 115G(1) and (2) are about excluding income amounts for certain veterans.

Example: Jim earns \$100 of employment income in a pension period. Jim's rate of service pension or income support supplement for that period is greater than nil. Assume Jim also has an amount of \$100 worked out under subsection 115G(1) in relation to that period.

There is no reduction in Jim's employment income under section 46AA for that period, but \$100 is excluded under subsection 115G(1).

Part IIIB Provisions applicable to service pensions and income support supplement

Division 1A Work bonus

Section 46AD

Under subsection 46AA(4A), Jim's unused concession balance is increased by \$150.

Division 2—Business income

46B Ordinary income from a business—treatment of trading stock

(1) If:

- (a) a person carries on a business; and
- (b) the value of all the trading stock on hand at the end of a tax year is greater than the value of all the trading stock on hand at the beginning of that tax year;

the person's ordinary income for that tax year in the form of profits from the business is to include the amount of the difference in values.

(2) If:

- (a) a person carries on a business; and
- (b) the value of all the trading stock on hand at the end of a tax year is less than the value of all the trading stock on hand at the beginning of that tax year;

the person's ordinary income for that tax year in the form of profits from the business is to be reduced by the amount of the difference in values.

Note: Different provisions apply when working out a person's ordinary income from a farm to find whether:

- (a) the person satisfies the farmers' income test for the purposes of Division 8 (see subparagraph 49J(3)(b)(ii) and paragraph 49J(3)(e)); or
- (b) the person satisfies the sugarcane farmers' income test for the purposes of Division 8A (see subparagraph 49Y(3)(b)(ii) and paragraph 49Y(3)(e)).

46C Permissible reductions of business income

(1) Subject to subsection (2), if a person carries on a business, the person's ordinary income from the business is to be reduced by:

- (a) losses and outgoings that relate to the business and are allowable deductions for the purposes of section 8-1 of the *Income Tax Assessment Act 1997*; and
- (ba) amounts that relate to the business and can be deducted for the decline in value of depreciating assets under

Section 46C

Subdivision 40-B of the *Income Tax Assessment Act 1997*;
and

- (c) amounts that relate to the business and are allowable deductions under section 290-60 of the *Income Tax Assessment Act 1997*.

Note: Different provisions apply when working out a person's ordinary income from a farm to find whether:

- (a) the person satisfies the farmers' income test for the purposes of Division 8 (see subparagraph 49J(3)(b)(ii) and paragraph 49J(3)(e)); or
- (b) the person satisfies the sugarcane farmers' income test for the purposes of Division 8A (see subparagraph 49Y(3)(b)(ii) and paragraph 49Y(3)(e)).

- (2) If, under Division 3, a person is taken to receive ordinary income on a financial investment, that ordinary income is not to be reduced by the amount of any expenses incurred by the person because of that investment.

Note: For *financial investment* see subsection 5J(1).

- (3) If a person's ordinary income for a period includes rental income from a property that is not business income, the person's ordinary income from that property is to be reduced by losses and outgoings that relate to the property and are allowable deductions for the purposes of section 8-1 of the *Income Tax Assessment Act 1997* for that period.
- (4) If the amount of the allowable deductions relating to a property for a period under section 8-1 of the *Income Tax Assessment Act 1997* exceeds the amount of the rental income from that property for that period, the amount of the ordinary income from the property for that period is taken to be nil.

Division 3—Deemed income from financial assets

46D Deemed income from financial assets—persons other than members of couples

- (1) This section applies to a person who is not a member of a couple.
- Note: The whole of Division 3 does not apply when working out a person's ordinary income to find whether:
- (a) the person satisfies the farmers' income test for the purposes of Division 8 (see paragraphs 49J(2)(c) and (3)(c)); or
 - (b) the person satisfies the sugarcane farmers' income test for the purposes of Division 8A (see paragraphs 49Y(2)(c) and (3)(c)).
- (2) A person who has financial assets is taken, for the purposes of this Act, to receive ordinary income on those assets in accordance with this section.
- (3) This is how to work out the ordinary income that the person is taken to receive:

Method statement

- Step 1. Calculate the total value of the person's financial assets and compare it with the person's deeming threshold.

Note 1: For **financial assets** see subsection 5J(1).

Note 2: For **deeming threshold** see subsection 46H(1).

- Step 2. This step applies only if the total value of the person's financial assets is equal to or less than the person's deeming threshold. Multiply the total value of the financial assets by the below threshold rate. The result represents the ordinary income that the person is taken to receive per year on his or her financial assets.

Note: For **below threshold rate** see subsection 46J(1).

Section 46D

- Step 3. This step applies only if the total value of the person's financial assets is higher than the person's deeming threshold. Work out the person's deemed income as follows:
- (a) multiply the deeming threshold by the below threshold rate;
 - (b) subtract the deeming threshold from the total value of the person's financial assets;
 - (c) multiply the remainder by the above threshold rate;
- Note: For *above threshold rate* see subsection 46J(2).
- (d) add up the amounts worked out at paragraph (a) and (c): the result represents the ordinary income that the person is taken to receive per year on his or her financial assets.

Example: How deemed income of a person who is not a member of a couple is worked out

Facts: Elaine, a single pensioner, has \$36,500 worth of financial assets. \$1,500 is in a cheque account not earning any interest. \$25,000 is earning 6% in interest and \$10,000 is earning 8% in interest. The below threshold rate is 5%. The above threshold rate is 7%.

Result:

Step 1. The total value of Elaine's financial assets (\$36,500) is higher than her deeming threshold (\$30,000—see subsection 46H(1)). So, the deeming threshold is multiplied by the below threshold rate:

$$\$30,000 \times \frac{5}{100} = \$1,500$$

Step 2. Elaine's deeming threshold of \$30,000 is subtracted from the total value of her financial assets (\$36,500). The remainder is \$6,500.

Step 3. The amount of \$6,500 is multiplied by the above threshold rate (7%):

$$\$6,500 \times \frac{7}{100} = \$455.$$

Section 46E

Step 4. The amounts worked out at Steps 1 and 3 are added together:

$$\$1,500 + \$455 = \$1,955.$$

The ordinary income that Elaine is deemed to receive from her financial assets is \$1,955 per year.

- (4) The person is taken, for the purposes of this Act, to receive one fifty-second of the amount calculated under subsection (3) as ordinary income of the person during each week.

46E Deemed income from financial assets—members of a couple

- (1) This section applies to the members of a couple.

Note: The whole of Division 3 does not apply when working out a person's ordinary income to find whether:

- (a) the person satisfies the farmers' income test for the purposes of Division 8 (see paragraphs 49J(2)(c) and (3)(c)); or
 - (b) the person satisfies the sugarcane farmers' income test for the purposes of Division 8A (see paragraphs 49Y(2)(c) and (3)(c)).
- (2) If one or both of the members of a couple have financial assets, the members of the couple are taken, for the purposes of this Act, to receive together ordinary income on those assets in accordance with this section.
- (3) This is how to work out the ordinary income that the couple is taken to receive:

Method statement

Step 1. Calculate the total value of the couple's financial assets and compare it with the couple's deeming threshold.

Note 1: For **financial assets** see subsection 5J(1).

Note 2: For **deeming threshold** see subsection 46H(2).

Step 2. This step applies only if the total value of the couple's financial assets is equal to or less than the couple's deeming threshold. Multiply the total value of the financial assets by the below threshold rate. The result represents the ordinary income that the couple is taken to receive per year on their financial assets.

Section 46E

Note: For *below threshold rate* see subsection 46J(1).

Step 3. This step applies only if the total value of the couple's financial assets is higher than the couple's deeming threshold. Work out the couple's deemed income as follows:

- (a) multiply the deeming threshold by the below threshold rate;
- (b) subtract the deeming threshold from the total value of the couple's assets;
- (c) multiply the remainder by the above threshold rate;

Note: For *above threshold rate* see subsection 46J(2).

- (d) add up the amounts worked out at paragraph (a) and (c): the result represents the ordinary income that the couple is taken to receive per year on their financial assets.

Example: How deemed income of a couple is worked out

Facts: Maree and Peter, a couple, have \$68,500 worth of financial assets. They have \$3,500 in a savings account earning interest at 2.8% and deposits of \$25,000 and \$40,000 earning 5% p.a. and 8% p.a. in interest respectively. The below threshold rate is 5%. The above threshold rate is 7%.

Result:

Step 1. The total value of the couple's financial assets (\$68,500) is higher than their deeming threshold (\$50,000—see subsection 46H(2)). So, the deeming threshold is multiplied by the below threshold rate:

$$\$50,000 \times \frac{5}{100} = \$2,500$$

Step 2. The couple's deeming threshold of \$50,000 is subtracted from the total value of their financial assets (\$68,500). The remainder is \$18,500.

Step 3. The amount of \$18,500 is multiplied by the above threshold rate (7%):

$$\$18,500 \times \frac{7}{100} = \$1,295$$

Step 4. The amounts worked out at Steps 1 and 3 are added together:

$$\$2,500 + \$1,295 = \$3,795$$

The ordinary income that the couple is deemed to receive from their financial assets is \$3,795 per year.

- (4) Each member of the couple is taken, for the purposes of this Act, to receive, as ordinary income during each week, an amount calculated according to the formula:

$$\frac{\text{Amount calculated under subsection (3)}}{52} \times \frac{1}{2}$$

46H Deeming threshold

- (1) The deeming threshold for a person who is not a member of a couple is \$30,000.
- (2) The deeming threshold for a couple is \$50,000.

Note: The amounts fixed by subsections (1) and (2) are indexed every 1 July. See sections 59A to 59C.

46J Below threshold rate, above threshold rate

- (1) For the purposes of this Division, the below threshold rate is the rate that is the below threshold rate for the purposes of Division 1B of Part 3.10 of the Social Security Act.
- (2) For the purposes of this Division, the above threshold rate is the rate that is the above threshold rate for the purposes of Division 1B of Part 3.10 of the Social Security Act.

46K Actual return on financial assets not treated as ordinary income

- (1) Subject to subsection (2), any return on a financial asset that a person actually earns, derives or receives is taken, for the purposes of this Act, not to be ordinary income of the person.

Note: When working out a person's ordinary income to find whether the person satisfies the farmers' income test for the purposes of Division 8 or the sugarcane farmers' income test for the purposes of Division 8A, actual returns on financial assets are taken to be ordinary income (see paragraphs 49J(2)(d) and (3)(d) and 49Y(2)(d) and (3)(d)).

Section 46L

(2) If, because of:

- (a) a determination under subsection 46L(1); or
- (b) the operation of subsection 46L(1A);

Division 4—Income from income streams

Subdivision B—Income streams that are not family law affected income streams

46SA Scope of Subdivision

This Subdivision applies to income streams that are not family law affected income streams.

46T Income from asset-test exempt income stream

- (1) For the purpose of working out the annual rate of ordinary income of a person from an asset-test exempt income stream to which this Subdivision applies, the person is taken to receive from that income stream each year the amount worked out under section 46U or 46V.

Note: For *asset-test exempt income stream* see sections 5JA, 5JB and 5JBA.

- (2) Sections 46U and 46V do not apply if:
- (a) the income stream is covered by subsection 5JBA(1); or
 - (b) on the income stream's commencement day, there was a reasonable likelihood that the income stream would have been covered by subsection 5JBA(1), but the income stream is no longer covered by that subsection.

Note: See section 46VA.

46U Income—income stream not a defined benefit income stream

If the asset-test exempt income stream to which this Subdivision applies is not a defined benefit income stream, the amount that the person is taken to receive from the income stream each year is worked out as follows:

$$\text{Annual payment} = \frac{\text{Purchase price}}{\text{Relevant number}}$$

where:

annual payment means the amount payable to the person for the year under the income stream.

purchase price has the meaning given by subsection 5J(1).

relevant number has the meaning given by subsection 5J(1).

Example: Mark is 65 years old and single. He purchases an annuity for \$100,000 with a term based on life expectancy (i.e. 15.41 years, which he chooses to round up to 16 years). The annuity has all the revised characteristics listed in the legislation. His annual payment from the annuity totals \$9,895. Mark's assessable income from this income stream is:

$$\$9,895 - \left(\frac{\$100,000}{16 \text{ years}} \right) = \$3,645$$

46V Income—income stream is a defined benefit income stream

If the asset-test exempt income stream to which this Subdivision applies is a defined benefit income stream, the amount that the person is taken to receive from the income stream each year is worked out as follows:

Annual payment – Deductible amount
where:

annual payment means the amount payable to the person for the year under the income stream.

deductible amount has the meaning given by subsection 5J(1).

46VA Income from market-linked asset-test exempt income stream

- (1) If either of the following conditions is satisfied in relation to the asset-test exempt income stream to which this Subdivision applies:
- (a) the income stream is covered by subsection 5JBA(1);
 - (b) on the income stream's commencement day, there was a reasonable likelihood that the income stream would have been covered by subsection 5JBA(1), but the income stream is no longer covered by that subsection;
- the annual rate of ordinary income of a person from the income stream is worked out under whichever of subsections (2) and (3) is applicable.

Section 46VA

Recipient makes election

(2) If:

- (a) the person has elected that a particular amount is to be the payment, or the total of the payments, to be made under the income stream in respect of a period (the **payment period**) that:
 - (i) consists of the whole or a part of a particular financial year; and
 - (ii) begins on or after the income stream's commencement day; and
- (b) the election is in force on a particular day in the payment period;

the annual rate of ordinary income of the person from the income stream on that day is worked out using the following formula:

$$\left[\frac{\text{Total payments}}{\text{Days in payment period}} - \frac{\text{Purchase price}}{\text{Relevant number} \times 365} \right] \times 365$$

where:

purchase price has the meaning given by subsection 5J(1).

relevant number has the meaning given by subsection 5J(1).

total payments means the payment, or the total of the payments, to be made under the income stream in respect of the payment period.

Recipient does not make election

- (3) If the person has not elected that a particular amount is to be the payment, or the total of the payments, to be made under the income stream in respect of a period (the **payment period**) that:
 - (a) consists of the whole or a part of a particular financial year; and
 - (b) begins on or after the income stream's commencement day;the annual rate of ordinary income of the person from the income stream on each day during the payment period is worked out using the following formula:

$$\left[\frac{\text{Default amount}}{\text{Days in payment period}} - \frac{\text{Purchase price}}{\text{Relevant number} \times 365} \right] \times 365$$

where:

default amount means 100% of the amount worked out for the financial year using the formula in subsection 5JBA(5) (for pro-rating, see subsection (4)).

purchase price has the meaning given by subsection 5J(1).

relevant number has the meaning given by subsection 5J(1).

- (4) If the income stream's commencement day is not a 1 July, the default amount (within the meaning of subsection (3)) for the financial year starting on the preceding 1 July must be reduced on a pro-rata basis by reference to the number of days in the financial year that are on and after the commencement day.

Exception—income stream's commencement day happens in June

- (5) If:
- (a) the income stream's commencement day happens in June;
and
 - (b) no payment is made under the income stream for the financial year in which the commencement day happens;
- subsections (2), (3) and (4) do not apply in working out the annual rate of ordinary income of the person from the income stream on a day in that financial year.

46W Income from asset-tested income stream (long term)

- (1) For the purpose of working out the annual rate of ordinary income of a person from an asset-tested income stream (long term) to which this Subdivision applies, the person is taken to receive from that income stream each year the amount worked out under section 46X or 46Y.
- (2) Sections 46X and 46Y do not apply to an income stream if section 46YA applies to the income stream.

Section 46X

46X Income—income stream not a defined benefit income stream

If the asset-tested income stream (long term) to which this Subdivision applies is not a defined benefit income stream, the amount that the person is taken to receive from the income stream each year is worked out as follows:

$$\text{Annual payment} - \left(\frac{\text{Purchase price} - \text{Residual capital value}}{\text{Relevant number}} \right)$$

where:

annual payment means the amount payable to the person for the year under the income stream.

purchase price has the meaning given by subsection 5J(1).

relevant number has the meaning given by subsection 5J(1).

residual capital value has the meaning given by subsection 5J(1).

Note: For treatment of asset-tested income streams (short term) see Division 3 of Part IIIB.

Example: Sally is 65 years old and single. She purchases a 10 year annuity for \$150,000, with a residual capital value of \$20,000. Her total annual annuity payment is \$18,337. Sally's assessable income from her 10 year annuity is:

$$\$18,337 - \frac{\$150,000 - \$20,000}{10} = \$5,337$$

46Y Income—income stream is a defined benefit income stream

If the asset-tested income stream (long term) to which this Subdivision applies is a defined benefit income stream, the amount that the person is taken to receive from the income stream each year is worked out as follows:

$$\text{Annual payment} - \text{Deductible amount}$$

where:

annual payment means the amount payable to the person for the year under the income stream.

deductible amount has the meaning given by subsection 5J(1).

46YA Income from certain low-payment asset-tested income streams

- (1) If:
- (a) an income stream is an asset-tested income stream (long term) to which this Subdivision applies; and
 - (b) either:
 - (i) the income stream is an allocated pension within the meaning of the *Superannuation Industry (Supervision) Regulations 1994*, or is any other pension determined, by legislative instrument, by the Minister; or
 - (ii) the income stream is an annuity (within the meaning of the *Superannuation Industry (Supervision) Act 1993*) provided under a contract that meets the standards determined, by legislative instrument, by the Minister; and
 - (c) one or more payments have been, or are to be, made under the income stream in respect of a period (the **payment period**) that:
 - (i) consists of the whole or a part of a financial year; and
 - (ii) begins on or after the income stream's commencement day; and
 - (d) on a day in the payment period, the amount worked out using the formula in subsection (2) is less than the amount worked out using the formula in subsection (3);
- the annual rate of ordinary income of a person from the income stream on that day is worked out under subsection (3).

Annual rate based on total payments

- (2) For the purposes of paragraph (1)(d), the formula in this subsection is:

$$\left[\frac{\text{Total payments}}{\text{Days in payment period}} - \frac{\text{Purchase price}}{\text{Relevant number} \times 365} \right] \times 365$$

where:

purchase price has the meaning given by subsection 5J(1).

relevant number has the meaning given by subsection 5J(1).

Section 46Z

total payments means the payment, or the total of the payments, made, or to be made, under the income stream in respect of the payment period.

Annual rate based on minimum amount

- (3) For the purposes of paragraph (1)(d), the formula in this subsection is:

$$\left(\frac{\text{Minimum amount}}{\text{Days in payment period}} - \frac{\text{Purchase price}}{\text{Relevant number} \times 365} \right) \times 365$$

where:

minimum amount means the minimum amount calculated in accordance with the method determined, by legislative instrument, by the Minister for the purposes of this definition.

purchase price has the meaning given by subsection 5J(1).

relevant number has the meaning given by subsection 5J(1).

Exception—income stream's commencement day happens in June

- (4) If:
- (a) the income stream's commencement day happens in June;
and
 - (b) no payment is made under the income stream for the financial year in which the commencement day happens;
- subsections (2) and (3) do not apply in working out the annual rate of ordinary income of the person from the income stream on a day in that financial year.

Subdivision C—Family law affected income streams

46Z Scope of Subdivision

This Subdivision applies to family law affected income streams.

46ZA Income from asset-test exempt income streams

- (1) For the purpose of working out the annual rate of ordinary income of a person from an asset-test exempt income stream to which this Subdivision applies, the person is taken to receive from that income stream each year:
 - (a) if the income stream is not a defined benefit income stream—the amount determined by the Commission under this paragraph; or
 - (b) if the income stream is a defined benefit income stream—the amount determined by the Commission under this paragraph.
- (2) In making a determination under paragraph (1)(a) or (b), the Commission must comply with any relevant decision-making principles in force under section 46ZC.

46ZB Income from asset-tested income stream (long term)

- (1) For the purpose of working out the annual rate of ordinary income of a person from an asset-tested income stream (long term) to which this Subdivision applies, the person is taken to receive from that income stream each year:
 - (a) if the income stream is not a defined benefit income stream—the amount determined by the Commission under this paragraph; or
 - (b) if the income stream is a defined benefit income stream—the amount determined by the Commission under this paragraph.
- (2) In making a determination under paragraph (1)(a) or (b), the Commission must comply with any relevant decision-making principles in force under section 46ZC.

46ZC Decision-making principles

The Commission may, by legislative instrument, formulate principles (*decision-making principles*) to be complied with by it in making decisions under:

- (a) paragraph 46ZA(1)(a); or
- (b) paragraph 46ZA(1)(b); or
- (c) paragraph 46ZB(1)(a); or
- (d) paragraph 46ZB(1)(b).

Division 6—Income tests—conversion of foreign currency amounts

47 Application of Division

- (1) The Commission may determine in writing that this Division applies in relation to a foreign currency.
- (2) This Division applies in relation to a foreign currency in relation to which a determination under subsection (1) is in force.
- (3) This Division applies for the purposes of the Rate Calculator.

47A Conversion of foreign currency amounts

The value in Australian currency of a payment received by a person in foreign currency is to be worked out using:

- (a) if section 47C applies—the re-assessed exchange rate; or
- (b) in any other case—the base exchange rate (see section 47B).

47B Base exchange rate

The base exchange rate for a foreign currency for a foreign exchange period is the average (calculated to 4 decimal places) of the actual market exchange rates available on each working day of the first month of the year to start during the immediately preceding foreign exchange period.

47C Re-assessed exchange rate

- (1) If for 10 consecutive working days:
 - (a) starting after a month of the year in relation to which section 47B operates; and
 - (b) ending before the next month of the year in relation to which section 47B operates;the actual market exchange rate available differs, by at least 10%, from:
 - (c) unless paragraph (d) applies—the base exchange rate for the next foreign exchange period; or

- (d) if a re-assessed exchange rate has already been worked out under this subsection for the purposes of the next foreign exchange period—the last re-assessed exchange rate so worked out;
the re-assessed exchange rate for a foreign currency is the average (calculated to 4 decimal places) of the actual market exchange rates available on those consecutive working days.
- (2) Subsection (1) does not apply to a working day if the actual market exchange rate available on that day has been used to work out a re-assessed exchange rate in a previous application of that subsection.

47D Applicability of re-assessed exchange rate

- (1) The Commission must determine in writing the day on which a re-assessed exchange rate becomes applicable.
- (2) The day determined under subsection (1) is to be no later than 6 weeks after the tenth consecutive working day covered by subsection 47C(1).
- (3) A re-assessed exchange rate:
 - (a) becomes applicable on the day determined under subsection (1), unless a new re-assessed exchange rate has already become applicable; and
 - (b) remains applicable until:
 - (i) a new re-assessed exchange rate becomes applicable; or
 - (ii) the commencement of the next exchange period the base exchange rate for which has been worked out by reference to working days later than those by reference to which the re-assessed exchange rate was worked out.

47E Rounding off exchange rates

If an exchange rate worked out under this Division would, if it were calculated to 5 decimal places, end in a number greater than 4, the rate worked out is to be taken to be the rate calculated to 4 decimal places and increased by 0.0001.

Division 7—Income tests—disposal of ordinary income

48 Disposal of ordinary income

- (1) For the purposes of this Act, a person *disposes of ordinary income* of the person if the person engages in a course of conduct that diminishes, directly or indirectly, the rate of the person's ordinary income and either:

 - (b) the person receives inadequate consideration in money or money's worth for the diminution; or
 - (c) the Commission is satisfied that the purpose, or the dominant purpose, of the person in engaging in that course of conduct was:
 - (i) to obtain or enable the person's partner to obtain a service pension, income support supplement or a social security pension or benefit; or
 - (ii) to obtain or enable the person's partner to obtain a service pension, income support supplement or a social security pension or benefit at a higher rate than that which would otherwise have been payable; or
 - (iii) to ensure that the person or the person's partner would be eligible for benefits under Division 12 of this Part or fringe benefits under the Social Security Act.

Note: For *amount of disposition* see section 48A.

- (2) Subsection (1) does not apply to a course of conduct consisting of the provision of short-term or long-term residential accommodation to a family member of the person for no payment or payment less than the market value of the provision of the accommodation.

Note: For *family member* see subsection 5L(1).

48A Amount of disposition

If a person disposes of ordinary income, the *amount of the disposition* is the amount that, in the Commission's opinion, is:

- (a) if the person receives no consideration for the diminution in the rate of the person's ordinary income—the annual rate of the diminution of the person's ordinary income; or
- (b) if the person receives consideration for the diminution in the rate of the person's ordinary income—the annual rate of the diminution less the part (if any) of the consideration that the Commission determines, in writing, to be fair and reasonable in all the circumstances of the case.

48B Disposal of ordinary income—not a member of a couple

If a person who is not a member of a couple has, on or after 1 June 1984, disposed of ordinary income of the person, the amount of that disposition is to be included in the person's ordinary income for the purposes of this Act.

- (a) 50% of the amount of the disposition is to be included in the person's ordinary income; and
- (b) 50% of the amount of the disposition is to be included in the person's partner's ordinary income.

Note 1: for *disposes of income* see section 48.

Note 2: for *amount of disposition* see section 48A.

- (2) If:

- (a) amounts are included under subsection (1) in the ordinary income of a person who is a member of a couple and in the person's partner's ordinary income because the person has disposed of ordinary income; and

Section 48E

- (b) the person and the person's partner cease to be members of the same couple;
any amount that was included in the ordinary income of the person's former partner because of the disposition is to be included in the person's ordinary income.
- (3) If:
 - (a) amounts are included under subsection (1) in the ordinary income of a person who is a member of a couple and in the person's partner's ordinary income because the person has disposed of ordinary income; and
 - (b) the person dies;
no amount is to be included in the ordinary income of the person's partner because of the disposition.
- (4) If:
 - (a) an amount is included under subsection (1) in the ordinary income of a person who is a member of a couple and in the person's partner's ordinary income because the person has disposed of ordinary income; and
 - (b) the person's partner dies;
any amount that would, if the person's partner had not died, be included in the ordinary income of the person's partner because of the disposition is to be included in the person's ordinary income.

Note: for *ordinary income* see subsection 5H(1): *ordinary income* includes investment income but does not include maintenance income.

48E Dispositions more than 5 years old to be disregarded

This Division does not apply to a disposition of ordinary income that took place:

- (a) more than 5 years before the time when:
 - (i) the person who disposed of the ordinary income; or
 - (ii) if the person who disposed of the ordinary income was, at the time of disposition, a member of a couple—the person's partner;
became eligible to receive a service pension or an income support supplement; or

- (b) less than 5 years before the time referred to in paragraph (a) and before the time when the Commission is satisfied that the person who disposed of the ordinary income could reasonably have expected that the person or the person's partner would become eligible to receive a service pension or an income support supplement.

 - (i) the value of the farm or farms in which the person had a qualifying interest immediately before the transfer is less than the value that that farm or those farms would have had immediately before the transfer if the person had not entered into the transaction or transactions (the ***unreduced farm value***); or
 - (ii) the value of the relevant farm assets in which the person had a qualifying interest immediately before the transfer is less than the value that those relevant farm assets would have had immediately before the transfer if the person had not entered into the transaction or transactions (the ***unreduced assets value***);
- then, for the purposes of section 49A:
- (c) the value of that farm or those farms is taken to be an amount equal to the unreduced farm value; and

- (1) If this Division applies to a person because of subsection 49A(1), then, subject to subsections (3) and (5):
 - (a) the transfer by the person of his or her qualifying interest in a farm or in a relevant farm asset is taken not to be a disposal of an asset (within the meaning of section 52E); and

- (2) If this Division applies to a person because of subsection 49A(2), then, subject to subsections (4) and (5), the transfer by the person of his or her qualifying interest in a farm or in a relevant farm asset is taken not to be a disposal of an asset (within the meaning of section 52E).
- (3) If the applicable cut-off date in relation to the transfer referred to in paragraph (1)(a) was 1 July 2001, and:
 - (a) when the transfer was completed; or
 - (b) in the case of such a transfer that was completed before 15 September 1997—on 15 September 1997;neither the person making the transfer nor his or her partner had reached retirement age, subsection (1) only applies after one of them reaches that age.

- (4) If the applicable cut-off date in relation to the transfer referred to in subsection (2) was 1 July 2001, and:

 - (d) the value of the qualifying interests has been included in the value of the person's assets, or the partner's assets, when calculating the rate of the person's pension or supplement.

49F Request for increase

If:

- (a) the rate at which a service pension or an income support supplement is being, or has been, paid to a person is less than the rate (the ***increased rate***) at which it would be, or would have been, paid if the value of the qualifying interests transferred by the person or the person's partner had not been included in the value of the person's assets, or of the partner's assets, in calculating the rate of the person's pension or supplement; and

- (b) the person wants the pension or supplement to be paid at the increased rate;
- the person must make a request to that effect.

49G Making a request

- (1) A request under section 49F:

49H Determination of request

- (1) If:
 - (a) a person makes a request under section 49F in respect of a service pension or an income support supplement; and

- (2) The determination takes effect:

Section 49J

(c) in any other case—on the day on which the request is made.

Subdivision 5—Farmers’ income test

49J Does a person satisfy the farmers’ income test?

How to work out whether the farmers’ income test is satisfied

- (1) This is how to work out whether a person who has transferred his or her qualifying interest in a farm or farms satisfies the farmers’ income test for the purposes of this Division:

Method statement

Step 1. Work out under subsection (2) the amount of the person’s ordinary income (other than ordinary income from farming) for each of the last 3 financial years before the applicable completion day (the *income test years*).

If the person was a member of a couple on the applicable completion day, work out also under subsection (2) the amount of his or her partner’s ordinary income (other than ordinary income from farming) for the 3 income test years.

Add up all the amounts so obtained. The result is called the person’s *total non-farm income*.

Step 2. Work out under subsection (3) the amount of the person’s ordinary income from farming for each of the 3 income test years.

If the person was a member of a couple on the applicable completion day, work out also under subsection (3) the amount of his or her partner’s ordinary income from farming for the 3 income test years.

Add up all the amounts of positive income for both the person and the person's partner and deduct from that total the amounts of negative income (if any) for both the person and the person's partner. The result is called the person's **total farm income** (which may be either positive or negative).

Step 3. Work out the person's **total income for the 3 income test years**:

- (a) if the person's total farm income is a positive amount—by adding that amount to the amount of the person's total non-farm income; or
- (b) if the person's total farm income is a negative amount—by deducting that amount from the amount of the person's total non-farm income.

Step 4. Work out under subsection (4) the maximum basic rate for age service pension applicable to the person. Multiply that rate by 3. The result is called the person's **maximum basic entitlement**.

Step 5. If the person's total income for the 3 income test years is less than the person's maximum basic entitlement, the person satisfies the farmers' income test for the purposes of this Division.

If the person's total income for the 3 income test years equals or exceeds the person's maximum basic entitlement, the person does not satisfy the farmers' income test for the purposes of this Division.

Person's ordinary income from all sources other than farming

- (2) For the purpose of working out a person's ordinary income from all sources other than farming during a financial year, the following provisions have effect:
 - (a) Divisions 1, 4, 6 and 7 of this Part apply to the person;

Section 49J

- (b) Division 2 of this Part applies to the person as if any reference in that Division to a tax year were a reference to that financial year;
- (c) Division 3 of this Part does not apply to the person;
- (d) any return on a financial asset that the person has actually received during the financial year is taken to be ordinary income of the person.

Person's ordinary income from farming

- (3) For the purpose of working out a person's ordinary income from farming during a financial year, the following provisions have effect:
 - (a) Divisions 1, 4, 6 and 7 of this Part apply to the person;
 - (b) Division 2 of this Part applies to the person as if:
 - (i) any reference in subsection 46B(1) to a tax year were a reference to that financial year; and
 - (ii) subsection 46B(2) and section 46C were omitted;
 - (c) Division 3 of this Part does not apply to the person;
 - (d) any return on a financial asset that the person has actually received during the financial year and that relates to a farm or a relevant farm asset is taken to be ordinary income of the person from farming;
 - (e) if, at the end of the financial year, the value of all trading stock on hand that relates to a farm is less than the value of all such trading stock on hand at the beginning of that financial year—the amount of the difference is to be deducted from that part of the person's ordinary income from farming for that financial year that is income in the form of profits;
 - (f) there is also to be deducted from the person's ordinary income from farming:
 - (i) losses and outgoings that relate to a farm and are allowable deductions for the purposes of section 8-1 of the *Income Tax Assessment Act 1997*; and
 - (ia) amounts that relate to a relevant farm asset and can be deducted for the decline in value of the asset under Subdivision 40-B of the *Income Tax Assessment Act 1997*; and

- (iii) amounts that relate to a farm or a relevant farm asset and are allowable deductions under subsection 82AAC(1) of the *Income Tax Assessment Act 1936*;
- (g) if a negative result is obtained after applying paragraphs (e) and (f)—the person's ordinary income from farming for the financial year is a negative income;
- (h) if paragraph (g) does not apply—the person's ordinary income from farming for the financial year is a positive income.

Person's maximum basic rate for age service pension

- (4) For the purposes of Step 4 in the Method statement in subsection (1), the maximum basic rate for age service pension applicable to the person is:
 - (a) if the person was a member of a couple at any time during the 3 years immediately before the operative day—the sum of:
 - (i) an amount equal to twice the amount that was, on the operative day, the maximum basic rate for a partnered person under point SCH6-B1; and
 - (ii) an amount equal to twice the pension supplement under Module BA in Schedule 6; or
 - (b) otherwise—the sum of:
 - (i) the amount that was, on the operative day, the maximum basic rate for a person who is not a member of a couple under point SCH6-B1; and
 - (ii) the pension supplement under Module BA in Schedule 6.

49R How to assess the total net value of sugarcane farms etc. subject to a transfer

Meaning of total net value

- (1) For the purposes of subsections 49Q(1) and (2), the *total net value* of a sugarcane farm, or sugarcane farms, and relevant sugarcane

Section 49R

farm assets, the eligible interests in which have been transferred, is to be calculated as follows:

Market value of sugarcane farm assets — Sugarcane farm debts

where:

market value of sugarcane farm assets means the total of the market values of the sugarcane farm, or sugarcane farms, and relevant sugarcane farm assets immediately before the transfer of the eligible interests.

sugarcane farm debts means the total of any amounts of money that:

- (a) had been borrowed for the purposes of undertaking one or more sugarcane farm enterprises on the sugarcane farm or sugarcane farms; and
- (b) had not been repaid before the transfer of the eligible interests.

Note: The total net value of a sugarcane farm, or sugarcane farms, and relevant sugarcane farm assets is not affected by the number of persons who have interests in them.

- (2) Subsection (1) has effect subject to subsections (3), (4) and (5).

Value of farm reduced by value of transferee's interest

- (3) If:

- (a) a person transfers eligible interests that the person has in a sugarcane farm, or sugarcane farms, and relevant sugarcane farm assets; and
- (b) immediately before the transfer by the person of his or her eligible interests in the farm, or farms, and relevant farm assets, the transferee had an eligible interest in the farm, or one of those farms, or a relevant farm asset;

then, the **total net value** of the farm, or farms, and relevant farm assets is the amount worked out under subsection (1) reduced by the value of the transferee's eligible interest in the farm or relevant farm asset at that time.

Value of farm affected by previous transaction

(4) If:

- (a) a person transfers his or her eligible interests in a sugarcane farm, or sugarcane farms, and relevant sugarcane farm assets; and
- (b) at any time after 29 April 2004 the person making the transfer entered into a transaction or transactions; and
- (c) the result of the transaction or transactions was that the total net value (worked out in accordance with subsection (1)) of the farm, or farms, and relevant farm assets immediately before the transfer is less than the total net value that that farm, or those farms, and relevant farm assets would have had immediately before the transfer if the person had not entered into the transaction or transactions (the ***unreduced value***);

then, the ***total net value*** of the farm, or farms, and relevant farm assets is taken to be an amount equal to the unreduced value.

Life interest retained in principal home on farm

(5) If:

- (a) a person transfers eligible interests that the person has in a farm by way of gift; and
- (b) the person retains a freehold estate, a leasehold interest or a life interest in the dwelling-house on the farm, and any adjacent area of land used primarily for private or domestic purposes in association with that dwelling-house, that constitute the person's principal home;

then:

- (c) for the purposes of subsections 49Q(1) and (2), the person is taken to have transferred the whole of his or her eligible interest in the farm by way of gift; and
- (d) in assessing the market value of the farm for the purposes of subsection (1), the value of the dwelling-house and any adjacent area of land used primarily for private or domestic purposes in association with that dwelling-house is not to be included.

Note: For ***eligible interest***, ***relevant sugarcane farm asset***, ***sugarcane farm*** and ***transfer*** see subsection 5PAA(1).

Section 49S

Subdivision B—Modification of provisions relating to assets test

49S Transfer of estate in sugarcane farm etc. not disposal of an asset

- (1) If this Division applies to a person because of subsection 49Q(1), then, subject to subsections (4) and (6):
 - (a) the transfer by the person of his or her eligible interest in a sugarcane farm or in a relevant sugarcane farm asset is taken not to be a disposal of an asset (within the meaning of section 52E); and
 - (b) if the person's partner has also transferred by way of gift to an eligible descendant of the person any eligible interest in a sugarcane farm or in a relevant sugarcane farm asset, that transfer is taken not to be a disposal of an asset (within the meaning of section 52E).
- (2) If this Division applies to a person because of subsection 49Q(2), then, subject to subsections (5) and (6), the transfer by the person of his or her eligible interest in a sugarcane farm or in a relevant sugarcane farm asset is taken not to be a disposal of an asset (within the meaning of section 52E).
- (3) To avoid doubt, subsections (1) and (2) have effect despite sections 52ZZX and 52ZZY.
- (4) If:
 - (a) the applicable cut-off date in relation to the transfer referred to in paragraph (1)(a) was the RASF closing day; and
 - (b) when the transfer was completed neither the person making the transfer nor his or her partner had reached retirement age;subsection (1) only applies after one of them reaches that age.
- (5) If:
 - (a) the applicable cut-off date in relation to the transfer referred to in subsection (2) was the RASF closing day; and
 - (b) when the transfer was completed the person making the transfer had not reached retirement age;subsection (2) only applies after the person reaches that age.

Note 1: For *eligible descendant* see subsection 5P(1).

Note 2: For *eligible interest*, *RASF closing day*, *relevant sugarcane farm asset*, *sugarcane farm* and *transfer* see subsection 5PAA(1).

Note 3: For *retirement age* see subsection 5Q(1).

- (6) Disregard subsections (1) and (2) when working out a rate for the purposes of Division 6 of Part IIIAB.

Note: Part IIIAB provides for the payment of a pension bonus to a person who is eligible for a designated pension (as defined by section 45TA) if the person has deferred claiming that pension for a period of at least one year and the person, or the person's partner, has worked gainfully during that period.

Subdivision C—Claims for service pension or income support supplement

49T Provisional commencement day

If:

- (a) a person, or a person's partner, has reached retirement age; and
- (b) this Division applies because of a transfer of eligible interests by the person or the person's partner; and
- (c) the person makes a claim under this Act for a service pension or an income support supplement within the period of 13 weeks starting on the day on which the transfer was completed;

then, despite any other provision of this Act, the claimant's provisional commencement day is:

- (d) the day on which the transfer was completed; or
- (e) the day on which the person becomes qualified for the pension or supplement;

whichever is later.

Section 49U

**Subdivision D—Requests for increase in rate of service pension
or income support supplement**

49U Application

This Subdivision applies if:

- (a) a person, or a person's partner, has reached retirement age;
and
- (b) this Division applies because of a transfer of eligible interests
by the person or the person's partner; and
- (c) the person is receiving a service pension or income support
supplement under this Act; and
- (d) the value of the eligible interests has been included in the
value of the person's assets, or the partner's assets, when
calculating the rate of the person's pension or supplement.

49V Request for increase

If:

- (a) the rate at which a service pension or income support
supplement is being, or has been, paid to a person is less than
the rate (the *increased rate*) at which it would be, or would
have been, paid if the value of the eligible interests
transferred by the person or the person's partner had not been
included in the value of the person's assets, or of the
partner's assets, in calculating the rate of the person's
pension or supplement; and
- (b) the person wants the pension or supplement to be paid at the
increased rate;

the person must make a request to that effect.

49W Making a request

- (1) A request under section 49V:
 - (a) must be made in writing; and
 - (b) must be in accordance with a form approved by the
Commission; and
 - (c) must be lodged at an office of the Department in Australia in
accordance with section 5T.

- (2) A request made by lodging a document in accordance with section 5T is taken to have been made on a day determined under that section.

49X Determination of request

- (1) If:
- (a) a person makes a request under section 49V in respect of a service pension or income support supplement; and
 - (b) the Commission is satisfied that the rate at which the pension or supplement is being, or has been, paid to the person is less than the rate at which it would be, or would have been, paid if the value of the eligible interests transferred by the person or the person's partner had not been included in the value of the person's assets, or the partner's assets, when calculating the rate of the person's pension or supplement;
- the Commission must determine that the request is to be granted.
- (2) The determination takes effect:
- (a) if the person makes the request during the period of 13 weeks that starts on the day on which the transfer was completed—on the day on which the transfer was completed; or
 - (b) in any other case—on the day on which the request is made.

Subdivision E—Sugarcane farmers' income test

49Y Does a person satisfy the sugarcane farmers' income test?

How to work out whether the sugarcane farmers' income test is satisfied

- (1) This is how to work out whether a person who has transferred his or her eligible interest in a sugarcane farm or sugarcane farms satisfies the sugarcane farmers' income test for the purposes of this Division:

Section 49Y

Method statement

Step 1. Work out under subsection (2) the amount of the person's ordinary income (other than ordinary income from farming) for each of the last 3 financial years before the applicable completion day (the *income test years*).

If the person was a member of a couple on the applicable completion day, work out also under subsection (2) the amount of his or her partner's ordinary income (other than ordinary income from farming) for the 3 income test years.

Add up all the amounts so obtained. The result is called the person's *total non-farm income*.

Step 2. Work out under subsection (3) the amount of the person's ordinary income from farming for each of the 3 income test years.

If the person was a member of a couple on the applicable completion day, work out also under subsection (3) the amount of his or her partner's ordinary income from farming for the 3 income test years.

Add up all the amounts of positive income for both the person and the person's partner and deduct from that total the amounts of negative income (if any) for both the person and the person's partner. The result is called the person's *total farm income* (which may be either positive or negative).

Step 3. Work out the person's *total income for the 3 income test years*:

- (a) if the person's total farm income is a positive amount—by adding that amount to the amount of the person's total non-farm income; or
- (b) if the person's total farm income is a negative amount—by deducting that amount from the amount of the person's total non-farm income.

Step 4. Work out under subsection (4) the maximum basic rate for age service pension applicable to the person. Multiply that rate by 3. The result is called the person's ***maximum basic entitlement***.

Step 5. If the person's total income for the 3 income test years is less than the person's maximum basic entitlement, the person satisfies the sugarcane farmers' income test for the purposes of this Division.

If the person's total income for the 3 income test years equals or exceeds the person's maximum basic entitlement, the person does not satisfy the sugarcane farmers' income test for the purposes of this Division.

Person's ordinary income from all sources other than farming

- (2) For the purpose of working out a person's ordinary income from all sources other than farming during a financial year, the following provisions have effect:
- (a) Divisions 1, 4, 6 and 7 of this Part apply to the person;
 - (b) Division 2 of this Part applies to the person as if any reference in that Division to a tax year were a reference to that financial year;
 - (c) Division 3 of this Part does not apply to the person;
 - (d) any return on a financial asset that the person has actually received during the financial year is taken to be ordinary income of the person.

Person's ordinary income from farming

- (3) For the purpose of working out a person's ordinary income from farming during a financial year, the following provisions have effect:
- (a) Divisions 1, 4, 6 and 7 of this Part apply to the person;
 - (b) Division 2 of this Part applies to the person as if:
 - (i) any reference in subsection 46B(1) to a tax year were a reference to that financial year; and
 - (ii) subsection 46B(2) and section 46C were omitted;
 - (c) Division 3 of this Part does not apply to the person;

Section 49Y

- (d) any return on a financial asset that the person has actually received during the financial year and that relates to a farm or a relevant farm asset is taken to be ordinary income of the person from farming;
- (e) if, at the end of the financial year, the value of all trading stock on hand that relates to a farm is less than the value of all such trading stock on hand at the beginning of that financial year—the amount of the difference is to be deducted from that part of the person's ordinary income from farming for that financial year that is income in the form of profits;
- (f) there is also to be deducted from the person's ordinary income from farming:
 - (i) losses and outgoings that relate to a business of primary production and are allowable deductions under section 8-1 of the *Income Tax Assessment Act 1997*; and
 - (ii) deductions for the cost of depreciating assets that are used in a business of primary production and are allowable deductions under Subdivisions 40-A to 40-E (inclusive), or Division 328, of the *Income Tax Assessment Act 1997*; and
 - (iii) contributions that are allowable deductions under section 290-60 of the *Income Tax Assessment Act 1997*;
- (g) if a negative result is obtained after applying paragraphs (e) and (f)—the person's ordinary income from farming for the financial year is a negative income;
- (h) if paragraph (g) does not apply—the person's ordinary income from farming for the financial year is a positive income.

Person's maximum basic rate for age service pension

- (4) For the purposes of Step 4 in the Method statement in subsection (1), the maximum basic rate for age service pension applicable to the person is:
 - (a) if the person was a member of a couple at any time during the 3 years immediately before the applicable completion day—the sum of:
 - (i) an amount equal to twice the amount that was, on the applicable completion day, the maximum basic rate for a partnered person under point SCH6-B1; and

- (ii) an amount equal to twice the pension supplement under Module BA in Schedule 6; or
- (b) otherwise—the sum of:
 - (i) the amount that was, on the applicable completion day, the maximum basic rate for a person who is not a member of a couple under point SCH6-B1; and
 - (ii) the pension supplement under Module BA in Schedule 6.

Definitions

- (5) In this section:

applicable completion day, in relation to a transfer, means the earlier of:

- (a) the day on which the transfer was completed; and
- (b) the RASF closing day.

income, in relation to a person, has the same meaning as in subsection 5H(1), except that, in addition to any amount that is not income of the person because of subsection 5H(4), (5) or (8), any payment to the person under:

- (a) the AUSTUDY scheme; or
- (b) the Social Security Act; or
- (c) the *Farm Household Support Act 1992*;

- (a) the sugarcane farm, or sugarcane farms, and any relevant sugarcane farm assets; and

50 General effect of Division

This Division adjusts the service pension rate or income support supplement rate of a person who is receiving, or whose partner is receiving, payments under the scheme known as the New Enterprise Incentive Scheme (NEIS).

Note: payments under the NEIS do not count as ordinary income for the purposes of the ordinary income test: see paragraph 5H(8)(x).

50A Reduction in rate of payments under this Part if recipient or partner also receiving payments under NEIS

(1) If:

(a) an instalment of service pension or income support supplement is payable to a person during a pension period; and

(b) NEIS is payable to the person during that pension period; the rate of the payment referred to in paragraph (a) is to be reduced under this Division.

(2) If:

(a) an instalment of age or invalidity service pension is payable to a person during a pension period; and

(b) NEIS is payable to the person during that pension period; and

(c) an instalment of partner service pension in respect of the person is payable to the person's partner during a pension period;

the rate of the partner's payment is also to be reduced under this Division.

(3) If:

(a) an instalment of income support supplement is payable to a person during a pension period; and

(b) NEIS is payable to the person during that pension period; and

(c) an instalment of:

(i) age service pension; or

(ii) invalidity service pension;
is payable to the person's partner during a pension period;
the rate of the partner's payment is also to be reduced under this
Division.

50B Rate reduction under this Division

- (1) Subject to subsection (2), if a person's rate of payment under Part III or IIIA is to be reduced under this Division because of a NEIS payment, the amount of rate reduction is to be equal to the amount of the NEIS payment.

 - (a) a person's rate of payment under Part III or IIIA is to be reduced under this Division because of a NEIS payment; and
 - (b) the person's partner's rate of payment under Part III or IIIA is also to be reduced under this Division (see subsection 50A(2) or (3)) because of the NEIS payment;the amount of rate reduction for both the person and the person's partner is to be equal to 50% of the amount of the NEIS payment.
- (3) A person's rate of payment under Part III or IIIA is not to be reduced below nil under subsection (1) or (2).

Division 10—General provisions relating to maintenance income

51 Apportionment of capitalised maintenance income

- (1) The object of this section is to spread capitalised maintenance income so that it is taken into account over the whole of the period in respect of which it is received.
- (2) If a person receives capitalised maintenance income, the maintenance income of the person that is attributable to the capitalised maintenance income during any period (in this subsection called the *relevant period*) in the capitalisation period is the amount calculated in accordance with the formula:

$$\text{Capitalised maintenance income} \times \frac{\text{Relevant period}}{\text{Capitalisation period}}$$

Capitalisation period—court order or registered or approved maintenance agreement

- (3) If:
 - (a) the capitalised maintenance income is received under or as a result of:
 - (i) the order of a court; or
 - (ia) a financial agreement, or Part VIIIAB financial agreement, within the meaning of the *Family Law Act 1975*; or
 - (ii) a maintenance agreement registered in, or approved by, a court under the *Family Law Act 1975* or the law of a State or Territory; and
 - (b) the order or agreement specified the period in relation to which the capitalised maintenance income was to be provided; and

Capitalisation period—maintained child under 18

- (4) If:
- (a) the capitalised maintenance income relates to the maintenance of a maintained child of the person; and
 - (b) the child has not turned 18 on the day on which the income is received; and
 - (c) subsection (3) does not apply to the capitalised maintenance income;

the **capitalisation period** is, subject to subsection (6), the period that starts on the day on which the income is received and ends on the day immediately before the day on which the child turns 18.

Note: for ***maintained child*** see subsection 5K(1).

Capitalisation period—partner under 65

- (5) If:
- (a) the capitalised maintenance income relates to the maintenance of the person by the person's partner or former partner; and
 - (b) the person has not turned 65 on the day on which the income is received; and
 - (c) subsection (3) does not apply to the capitalised maintenance income;

the **capitalisation period** is, subject to subsection (6), the period that starts on the day on which the income is received and ends on the day immediately before the day on which the person turns 65.

Capitalisation period—other cases

- (6) If:
- (a) the Commission considers:
 - (i) in a case falling within subsection (3) where the period referred to in that subsection was specified in an order of a court that was made by consent or in a maintenance agreement—that the period is not appropriate in the circumstances of the case; or
 - (ii) in a case falling within subsection (4) or (5)—that the period referred to in that subsection is not appropriate in the circumstances of the case; or

Section 51A

- (b) no capitalisation period is applicable in relation to the capitalised maintenance income under subsection (3), (4) or (5);

the *capitalisation period* is such period as the Commission considers appropriate in the circumstances of the case.

- (d) the person is receiving in-kind housing maintenance in relation to the provision of a residence other than the former family home; and
- (e) the value of the other residence exceeds the value, at the time the maintenance is received, of the former family home;

only so much of the maintenance as does not exceed the maintenance that would be assessed if it were based on the value of the former family home is to be treated as special maintenance income for the purposes of this Act.

- (2) For the purposes of subsection (1), the Commission may:

- (a) determine that a time specified in the determination is to be substituted for the time at which the in-kind housing maintenance is received; or
- (b) determine that a specified part of in-kind housing maintenance is to be deducted from the amount that would otherwise be the amount of that maintenance.

Note: paragraph (a) is intended to cover situations where, for instance, there is not enough information about the current market rate of the former family home or where market values are fluctuating dramatically.

- (3) If a person has more than one former partner, a reference in subsection (1) to the person's former partner is a reference to the person's last former partner.

Section 52

 - (i) the period mentioned in paragraph (1E)(c) ends;
 - (ii) the Commission becomes satisfied that the person has ceased to have that intention.
- (2A) For the purposes of subsection (1E), the Commission may determine, in writing, a period of up to 24 months if:

Section 52AA

personal effects that are used primarily within the principal home does not exceed \$10,000; and

- (b) the assets are used primarily for private or domestic purposes;

the value of the assets is to be taken to be \$10,000 unless the person satisfies the Commission that the value of the assets is less than \$10,000.

This section subject to sections 52KA to 52X

- (4) This section has effect subject to sections 52KA to 52X (special residences).

Note: The total value of the person's assets may be reduced in some circumstances if the person has an exempt bond amount (see clause 15 of Schedule 5) or a refunded amount (see clause 17D of Schedule 5).

52AA Value of superannuation investments determined by Minister to be disregarded

- (1) The value of a person's investment in a superannuation fund, an approved deposit fund, a deferred annuity or an ATO small superannuation account is to be disregarded in calculating the value of the person's assets for the purposes of this Act (other than Division 3 or section 52FA, 52G, 52GA, 52H, 52JA, 52JB, 52JC, 52JD, 52ZA or 52ZCA) if the investment is specified in a determination made under subsection (2).
- (2) The Minister may specify:
- (a) a specified investment in a superannuation fund, an approved deposit fund, a deferred annuity or an ATO small superannuation account; or
 - (b) a specified class of investments in a superannuation fund, an approved deposit fund, a deferred annuity or an ATO small superannuation account;
- in a determination.

- (4) A determination takes effect on the day on which it is made or on such other day (whether earlier or later) as is specified in the determination.

Section 52A

52A Value of asset-tested income streams that are not defined benefit income streams

- (1) This section applies to a person's asset-tested income stream if it is not a defined benefit income stream and it is not a family law affected income stream.

Note: For *defined benefit income streams* see section 52B.

- (2) The value of the income stream is, for the purposes of the assets test, worked out:
- (a) if the person receives payments from the income stream 2 or more times a year—in relation to each 6 month period of the income stream's term; and
 - (b) if the person receives a payment from the income stream only once a year—in relation to each 12 month period of the income stream's term.
- (3) If the income stream has an account balance, the value of the income stream, for the purposes of the assets test, is the value of the account balance at the beginning of the 6 month or 12 month period (as the case requires) referred to in subsection (2).
- (4) If the income stream does not have an account balance, the value of the income stream is, for the purposes of the assets test, worked out as follows:

$$\text{Purchase price} - \left[\left(\frac{\text{Purchase price} - \text{Residual capital value}}{\text{Relevant number}} \right) \times \text{Term elapsed} \right]$$

where:

purchase price has the meaning given by subsection 5J(1).

relevant number has the meaning given by subsection 5J(1).

residual capital value has the meaning given by subsection 5J(1).

term elapsed is the number of years of the term that have elapsed since the commencement day of the income stream, rounded down:

- (a) in the case of an income stream referred to in paragraph (2)(a)—to the nearest half-year; and

- (b) in the case of an income stream referred to in paragraph (2)(b)—to the nearest whole year.

Example: Sally is 65 years old and single. She purchases a 10 year annuity for \$150,000 with a residual capital value of \$20,000. Her total annual annuity payment is \$18,337. Monthly payments commence on 1 January. Her assessable asset for the first six months will be:

$$\$150,000 - \left[\left(\frac{\$150,000 - \$20,000}{10 \text{ years}} \right) \times 0 \text{ year} \right] = \$150,000$$

Her assessable asset after 30 June in that year will be:

$$\$150,000 - \left[\left(\frac{\$150,000 - \$20,000}{10 \text{ years}} \right) \times 0.5 \text{ year} \right] = \$143,500$$

52B Value of asset-tested income streams that are defined benefit income streams

- (1) This section applies to a person's asset-tested income stream if it is a defined benefit income stream and it is not a family law affected income stream.
- (2) The value of the income stream is, for the purposes of the assets test, worked out in relation to each 12 month period of the income stream's term.
- (3) The value of the income stream is, for the purposes of the assets test, worked out as follows:

Annual payment × Pension valuation factor

where:

annual payment means the amount payable to the person for the relevant 12 month period under the income stream.

pension valuation factor means the pension valuation factor that applies to the person in accordance with the determination made by the Minister under subsection (4).

- (4) The Commission must, by legislative instrument, make a determination for the purposes of the definition of **pension valuation factor** in subsection (3).

Section 52BA

52BA Value of asset-tested FLA income streams

- (1) This section applies to family law affected income streams.
- (2) The value of an income stream that is not a defined benefit income stream is, for the purposes of the assets test, determined by the Commission.
- (3) The value of an income stream that is a defined benefit income stream is, for the purposes of the assets test, determined by the Commission.
- (4) In making a determination under subsection (2) or (3), the Commission must comply with any relevant decision-making principles in force under subsection (5).
- (5) The Commission may, by legislative instrument, formulate principles (*decision-making principles*) to be complied with by it in making decisions under:
 - (a) subsection (2); or
 - (b) subsection (3).

52BB Value of partially asset-test exempt income streams

- (1) This section applies to income streams covered by paragraph 52(1)(daa).
- (2) The value of such an income stream is, for the purposes of paragraph 52(1)(daa), worked out as follows:
 - (a) if the income stream is a family law affected income stream—under section 52BA;
 - (b) otherwise—under section 52A;as if the income stream were an asset-tested income stream to which that section applied.

52BC Value of superannuation reserves for superannuation funds of 4 members or less

- (1) This section applies in calculating the value of a person's investment in a superannuation fund if:
 - (a) the fund has 4 or fewer members; and
 - (b) the fund has reserves (within the meaning of section 115 of the *Superannuation Industry (Supervision) Act 1993*).

Section 52C

Note: The value of a person's investment in a superannuation fund is only included in the value of the person's assets after the person reaches pension age or starts to receive a pension or annuity out of the fund (see paragraph 52(1)(f)).

- (2) Despite paragraph 52(1)(g), the value of the person's investment in the superannuation fund includes the following amount:

$$\frac{\text{Person's interest in the fund}}{\text{Total interest in the fund}} \times \text{Value of the fund's reserves}$$

- (3) However, if it is not possible to work out the person's interest in the superannuation fund, the value of the person's investment in the fund includes the following amount:

$$\frac{\text{Value of the fund's reserves}}{\text{Number of members in the fund}}$$

52C Effect of charge or encumbrance on value of assets

- (1) Where there is a charge or encumbrance over particular assets of the person, the value of the assets, for the purposes of calculating the value of the person's assets for the purposes of this Act (other than Division 3 and sections 52G, 52H, 52JA, 52JB, 52JC and 52JD), is to be reduced by the value of that charge or encumbrance.

Note: this section does not apply to an asset to which section 52CA (primary production assets) applies.

- (2) Subsection (1) does not apply to a charge or encumbrance over an asset of a person to the extent that:
- (a) the charge or encumbrance is a collateral security; or
 - (b) the charge or encumbrance was given for the benefit of a person other than the person or the person's partner.
- (3) Subsection (1) does not apply to a charge or encumbrance over assets that are to be disregarded under section 52.

Exception for an asset-tested income stream (long-term)

- (3A) Subsection (1) does not apply to an asset that is an asset-tested income stream (long-term).

Section 52CA

- (3B) Subsection (1) does not apply to an asset that is a partially asset-test exempt income stream (within the meaning of section 52).
- (4) Where:
- (a) there is a charge or encumbrance over assets; and
 - (b) the charge does not arise under section 52ZF; and
 - (c) the assets consist of assets whose value is to be disregarded under section 52 and other assets;
- the amount to be deducted under subsection (1) is:
- $$\frac{\text{Value of the charge or encumbrance} \times \text{Value of the other assets}}{\text{Value of all the assets}}$$
- (6) This section has effect subject to sections 52KA to 52X (special residences).

52CA Effect of certain liabilities on value of assets used in primary production

- (1) For the purposes of working out the value of a person's assets under this Act, if:
- (a) the person is:
 - (i) a primary producer; or
 - (ii) a family member of a primary producer; and
 - (b) the person has assets (including real property) that are, in the Commission's opinion, used for the purposes of carrying on that primary production; and
 - (c) the person also has liabilities that are, in the Commission's opinion, related to the carrying on of the primary production;
- then:
- (d) section 52C does not apply in relation to the assets referred to in paragraph (b); and
 - (e) those assets are taken to be a single asset (the ***primary production asset***); and
 - (f) the value of that single asset is worked out under subsection (2).

Note: for ***family member*** see subsection 5L(1).

- (2) The value of a person's primary production asset is worked out in the following way:

Method statement

- Step 1. Add together the value of the assets referred to in paragraph (1)(b): the result is called the ***unencumbered value***.
- Step 2. Add together the value of the liabilities referred to in paragraph (1)(c): the result is called the ***total liability***.
- Step 3. Take the total liability away from the unencumbered value: the result is the value of the person's primary production asset.

- (3) If the result under Step 3 of the Method statement is less than nil, the value of the primary production asset is taken to be nil.

52D Loans

If a person lends an amount after 22 May 1986, the value of the assets of the person for the purposes of this Act includes so much of that amount as remains unpaid but does not include any amount payable by way of interest under the loan.

Subdivision B—Dispositions of assets (general provisions)

52E Disposal of assets

For the purposes of this Act, a person ***disposes of assets*** of the person if the person engages in a course of conduct that diminishes, directly or indirectly, the value of the person's assets and:

- (a) the person receives no consideration in money or money's worth for the diminution in the value of the person's assets; or
- (b) the person receives inadequate consideration in money or money's worth for the diminution in the value of the person's assets; or

Section 52F

(c) the Commission is satisfied that the purpose, or the dominant purpose, of the person in engaging in that course of conduct was:

- (i) to obtain or enable the person's partner to obtain a service pension, income support supplement or a social security pension or benefit; or
- (ii) to obtain or enable the person's partner to obtain a service pension, income support supplement or a social security pension or benefit at a higher rate than that which would otherwise have been payable; or
- (iii) to ensure that the person or the person's partner would be eligible for benefits under Division 12 of this Part or fringe benefits under the Social Security Act.

Note 1: If Division 8 or 8A applies in relation to the transfer by a person of a qualifying interest or an eligible interest in a farm or relevant farm asset, that transfer and certain transfers by the person's partner are taken not to be disposal of assets (see sections 49C and 49S).

Note 2: Under Subdivision B of Division 11A of Part IIIB, certain transfers of assets to special disability trusts can be taken not to be disposals of the assets (but this can be subject to a limit on the aggregate value of the transfers).

52F Amount of disposition

Where a person disposes of assets, the *amount of the disposition* is:

- (a) if the person receives no consideration for the diminution in the value of the assets—an amount equal to the amount of the diminution in the value of the assets; or
- (b) if the person receives consideration for the diminution in the value of the assets—an amount equal to the amount of the diminution in the value of the assets less the amount of the consideration received by the person in respect of the diminution.

Note: If subsection 52ZZZWM(2) applies in relation to the transfer of an asset to a special disability trust, that subsection has the effect of reducing the amount of the disposal or disposition.

52FAAA Application of asset deprivation rules to cease in respect of certain assets

If:

- (a) a person, or a person's partner, has:
 - (i) acquired an asset; or
 - (ii) received consideration that is not inadequate consideration for an asset; and
- (b) the value of the asset is included in the value of the person's assets by Subdivision BA or BB because of a previous disposition of the asset; and
- (c) the person has, by document lodged at an office of the Department in Australia in accordance with section 5T, notified the Department of the circumstances covered by paragraphs (a) and (b);

whichever of Subdivisions BA and BB is applicable ceases, from the start of the day on which the document is lodged, to apply in respect of that disposition of the asset.

Subdivision BA—Dispositions of assets before 1 July 2002

52FAA Application

This Subdivision applies only to dispositions of assets that took place before 1 July 2002.

52FA Disposal of assets in pre-pension years—not a member of a couple

(1) If:

- (a) a person is not a member of a couple when the person claims a service pension, an income support supplement or a social security pension; and
- (b) the person disposes of an asset of the person during a pre-pension year of the person; and
- (c) the amount of that disposition, or the sum of that amount and of the amounts (if any) of other dispositions of assets previously made by the person during that pre-pension year, exceeds \$10,000;

then, for the purposes of determining whether the pension is payable to the person, there is to be included in the value of the

Section 52G

person's assets for the period of 5 years that starts on the day on which the disposition took place:

- (d) the amount by which the sum of the amount of the first-mentioned disposition of assets and of the amounts (if any) of other dispositions of assets previously made by the person during that pre-pension year exceeds \$10,000; or
- (e) the amount of the first-mentioned disposition;

whichever is the lesser amount.

Note 1: For *disposes of assets* see section 52E.

Note 2: For *amount of disposition* see section 52F.

Note 3: If a pension is payable to the person, section 52G operates to determine the rate of payment and section 52FA ceases to apply to the person.

(1) If, on or after 1 March 1986 and before 1 July 2002:

- (a) a person who is not a member of a couple has, during a pension year of the person, disposed of assets of the person; and
- (b) the amount of that disposition of assets, or the sum of that amount and of the amounts (if any) of other dispositions of assets previously made by the person during that pension year, exceeds \$10,000;

 - (d) the amount of that disposition, or the sum of that amount and the amounts (if any) of other dispositions of assets previously made by the person or the person's partner during that pre-pension year, exceeds \$10,000;

- (e) there is to be included in the value of the person's assets for the period of 5 years that starts on the day on which the disposition took place:
 - (i) 50% of the amount by which the sum of the amount of the first-mentioned disposition and of the amounts (if any) of other dispositions of assets previously made by the person or the person's partner during that pre-pension year exceeds \$10,000; or
 - (ii) 50% of the amount of the first-mentioned disposition; whichever is the lesser amount; and
 - (f) there is to be included in the value of the assets of the person's partner for the period of 5 years that starts on the day on which the disposition took place:
 - (i) 50% of the amount by which the sum of the amount of the first-mentioned disposition and of the amounts (if any) of other dispositions of assets previously made by the person or the person's partner during that pre-pension year exceeds \$10,000; or

Section 52H

(5) If:

- (a) an amount is included under subsection (1) in the value of the assets of a person who is a member of a couple and in the value of the assets of the person's partner because of a disposition of an asset by the person; and

any amount that would, if the partner had not died, be included in the value of the partner's assets because of the disposition is to be included in the value of the person's assets.

52H Disposal of assets in pension years—members of couples

(1) Subject to subsections (3) and (4), where, on or after 1 March 1986 and before 1 July 2002:

- (b) the amount of that disposition of assets, or the sum of that amount and the amounts (if any) of other dispositions of assets previously made by the person or the person's partner during that pension year, exceeds \$10,000;

then, for the purposes of this Act:

- (c) there is to be included in the value of the person's assets for the period of 5 years that starts on the day on which the disposition takes effect:

Section 52ZB

- (ii) the person is a member of a couple and the other member of the couple is an attributable stakeholder of a company or trust (within the meaning of Division 11A); and

- (e) the Commission has, by writing, approved the guarantee and the charge.

52ZB Effect of participation in pension loans scheme—pension rate

- (1) If:
 - (a) a person is eligible to participate in the pension loans scheme; and
 - (b) the person makes a request to participate under section 52ZD; and
 - (d) the Commission is satisfied that the amount of any debt that becomes payable by the person to the Commonwealth under this Subdivision is readily recoverable;then:

 - (ii) some other rate nominated by the person;whichever is the lower.

Note: For *maximum payment rate* see subsection 52ZAAA(1).

- (2) The pension at the rate payable by operation of the scheme is payable on and from the day on which the request is lodged.

- (3) For the purposes of section 53A (fringe benefits), if but for the operation of the scheme the person would not have received a service pension or income support supplement, the person is to be taken to be a person who is not receiving a service pension or income support supplement.

52ZC Effect of participation in pension loans scheme—creation of debt

- (1) If the rate of the pension payable by operation of the pension loans scheme is more than the rate that would have been received by the person but for the operation of the scheme, the person owes a debt to the Commonwealth.
- (3) This is how to work out the amount of the debt owed by the person from time to time:

Method statement

- Step 1. Work out the sum of the amount of pension received by the person from time to time under the pension loans scheme: the result is the ***primary loan amount***.
- Step 2. Take away from the primary loan amount the sum of the amount of pension (if any) that would have been received by the person but for the operation of the scheme: the result is the ***basic amount of debt***.
- Step 3. Add to the basic amount of debt the amount of interest payable. The interest payable is compound interest at the rate fixed under subsection (4) and compounding fortnightly: the result is the ***amount of debt including interest***.

Section 52ZCA

Step 4. Add to the amount of debt including interest the amount of any registration costs payable by the person under subsection 52ZL(4): the result is the ***total amount of debt***.

Step 5. From the total amount of debt take away any amount of the debt already paid to the Commonwealth: the result is the current amount of debt owed by the person.

- (4) The rate at which compound interest is payable under subsection (3) is the rate fixed from time to time, by legislative instrument, by the Minister administering the Social Security Act.

52ZCA Effect of participation in pension loans scheme—maximum loan available

- (1) The maximum loan available to a person under the pension loans scheme is the amount worked out using the formula:

$$\text{Age component amount} \times \frac{\text{Value of real assets}}{10,000}$$

where:

age component amount means the amount specified in column 2 of the Table in subsection (3), in relation to:

- (a) if the person is not a member of a couple—the age the person turned on his or her last birthday; or
- (b) if the person is a member of a couple—the age the younger member of the couple turned on his or her last birthday.

value of real assets means:

- (a) if neither subparagraph 52ZA(1)(e)(ii) nor subparagraph 52ZA(2)(e)(ii) applied to the person when the person made his or her request to participate in the pension loans scheme—the value of the real assets (after deduction of any guaranteed amount); or
- (b) if subparagraph 52ZA(1)(e)(ii) or (2)(e)(ii) applied to the person when the person made his or her request to participate in the pension loans scheme—the value of the charge referred to in paragraph 52ZA(3)(c).

Note 1: For *real assets* see subsection 52ZAAA(1).

Note 2: For *guaranteed amount* see subsection 52ZAAA(1).

- (2) For the purposes of subsection (1), the following provisions have effect:
- (a) if, but for this paragraph, the value of real assets would be an amount that exceeds \$10,000 but is not a multiple of \$10,000, the value is to be taken to be the next lower amount that is a multiple of \$10,000;
 - (b) if, but for this paragraph, the value of real assets would be less than \$10,000, the value is to be taken to be nil.
- (3) The following is the Table referred to in subsection (1):

Age component amount table

- (1) If:
 - (a) a person is provided with an asset-test exempt income stream for a period beginning on the first day in respect of which an

- (b) during the whole or any part of that period an amount of service pension or income support supplement has been paid to the person; and
- (c) the whole or any part of the income stream is commuted contrary to the contract or governing rules under which the income stream was provided on the commencement day of the income stream; and

 - (ii) is receiving income support supplement and has reached qualifying age; or
 - (iii) is receiving a social security pension and has reached pension age within the meaning of the Social Security Act;

the immediate family member is taken for the purposes of this Division only to transfer the asset to the trust at the earliest time at which subparagraph (b)(i), (ii) or (iii) applies to the immediate family member or partner.

Note 1: For **special disability trust**, see section 52ZZZW.

Note 2: For **immediate family member**, see subsection 5Q(1).

Section 52ZZZWO

Note 3: For *pension age* (except for the purposes of subparagraph (1)(b)(iii) of this section), see subsection 5Q(1).

Note 3A: For *qualifying age* see section 5Q.

Note 4: For *service pension* and *social security pension*, see subsection 5Q(1).

Note 5: Part IIIA deals with income support supplement.

- (2) However, if under subsection (1) transfers of assets to the trust by different immediate family members are taken to have been made on the same day, the transfers are taken to have been made on that day in the order in which they would have been taken to be made but for this Division.

Note: For *immediate family member*, see subsection 5Q(1).

- (3) This section does not affect the operation of Division 11 of Part IIIB or any other provision of this Act outside of this Division.

52ZZZWO Transfers by principal beneficiaries or partners

- (1) If a person transfers an asset to a special disability trust, the transfer is taken not to be a disposal of the asset (within the meaning of section 52E) if:
- (a) the person is the principal beneficiary of the trust, or the principal beneficiary's partner; and
 - (b) the person receives no consideration, and is not entitled to any consideration, for the transfer; and
 - (c) the transfer is unconditional.

Note 1: For *special disability trust*, see section 52ZZZW.

Note 2: Section 52ZZZWE limits the circumstances in which the principal beneficiary or the principal beneficiary's partner can transfer assets to the trust.

- (2) This section has effect subject to section 52ZZZWP.

52ZZZWP Cessation of special disability trusts

- (1) If:
- (a) a special disability trust ceases to exist or ceases to be a special disability trust; and
 - (b) a person had transferred an asset to the trust during the period of 5 years immediately preceding the cessation; and

- (c) section 52ZZZWL, 52ZZZWM or 52ZZZWO applied to the transfer;
then the transfer is taken, after the cessation, to be a disposal or disposition of the asset that occurred at the time of the transfer.
- (2) The amount of the disposal or disposition is taken to be the amount worked out using the formula:

$$\left(\text{Asset value} \times \frac{\text{Final value of trust assets}}{\text{Initial value of trust assets}} \right) + \frac{\text{Subsection 52ZZZWM(2) amount}}{\text{amount}}$$

where:

asset value means:

- (a) if section 52ZZZWL or 52ZZZWO applied to the transfer—the value of the asset at the time of the transfer; or
- (b) if subsection 52ZZZWM(1) applied to the transfer—\$500,000; or
- (c) if subsection 52ZZZWM(2) applied to the transfer—the difference between the value of the asset at the time of the transfer and the amount that was taken under that subsection to be the amount of the disposal or disposition of the asset.

final value of trust assets means the value of all of the assets of the trust at the time of the cessation.

initial value of trust assets means the value of all of the assets of the trust at the time of the transfer.

subsection 52ZZZWM(2) amount means the amount (if any) that was taken under subsection 52ZZZWM(2) to be the amount of the disposal or disposition of the asset.

- (3) If the special disability trust ceases to exist, or ceases to be a special disability trust, because the principal beneficiary dies, the value of the asset at the time of the transfer is taken for the purposes of this section to be the value of so much (if any) of the asset as has not been returned to the person who had transferred the asset to the trust.
- (4) This section does not affect the application of section 52ZZZWL, 52ZZZWM or 52ZZZWO to the transfer prior to the cessation.

the person remains eligible for fringe benefits for the shorter of the following periods:

Legislative instrument

- (3) A determination under this section is a legislative instrument.

Subdivision C—Treatment at Departmental expense

53D Eligibility for treatment at Departmental expense

- (1) A veteran who is receiving an age or invalidity service pension is eligible to be provided with treatment under Part V for any injury suffered, or disease contracted, by the veteran if:
 - (a) the veteran is a veteran to whom section 53E applies; and
 - (ab) the veteran is a veteran within the meaning of paragraph (a) of the definition of **veteran** in subsection 5C(1); and
 - (b) the veteran is not a veteran only because the veteran has rendered service as described in item 3 of the table in subsection 6A(1) or as described in subsection 6C(2).

Note 2: a partner service pensioner may be eligible to be provided with treatment under Part V if he or she is receiving a pension under Part II at 50% of the general rate or higher (see subsection 85(7)).

Note 3: some veterans who are not receiving an age or invalidity service pension because of Division 8A of Part III are treated as continuing to be eligible under section 53D to be provided with treatment under Part V (see section 83 of the *Veterans' Affairs Legislation Amendment Act 1992*).

Note 4: a veteran who was taken to be eligible for fringe benefits because of subsection 17(1) or (2) of the *Veterans' Entitlements (Rewrite) Transition Act 1991* as in force immediately before the commencement of Schedule 5 to the *Veterans' Affairs Legislation Amendment (Budget and Compensation Measures) Act 1997* and who is receiving an age or invalidity service pension is eligible under section 53D to be provided with treatment under Part V if paragraph 53D(1)(b) applies to the veteran.

- (2) Paragraph (1)(b) does not make a veteran ineligible to be provided with treatment under Part V if the veteran satisfies the Commission that the veteran was domiciled in Australia or an external Territory immediately before the veteran's appointment or enlistment for service as described in item 3 of the table in subsection 6A(1) or as described in subsection 6C(2).

Note: Section 11B may affect a person's domicile immediately before appointment or enlistment.

- (3) If a veteran's service pension is suspended, the Commission may determine that the veteran is to be treated, for the purposes of this section, as if the veteran were continuing to receive the service pension during the whole or a specified part of the period of suspension.
- (4) A determination under subsection (3) must be in writing.
- (5) This section applies to an injury suffered, or a disease contracted, by a veteran whether before or after the commencement of this section.

53E Veterans to satisfy certain conditions

- (1) This section applies to a veteran if:
- (a) the veteran is permanently blind; or
 - (b) the veteran's rate of service pension is neither income reduced nor assets reduced; or
 - (c) the veteran's rate of service pension is either income reduced or assets reduced, but the reduction does not exceed the income/assets reduction limit applicable to the veteran.

Note: For *income/assets reduction limit* see subsection (2).

Section 53E

- (2) The *income/assets reduction limit* applicable to a veteran is worked out by using Table 53E. Work out which item in the table applies to the veteran by identifying his or her family situation. The applicable income/assets reduction limit is the amount in column 3 of that item.

Table 53E—Income/Assets Reduction Limit			
Column 1	Column 2	Column 3	Column 4
Item	Family situation	Basic reduction per year	Basic reduction per fortnight
1	Not a member of a couple	\$1,924	\$74
2	Partnered	\$1,664	\$64

Note 1: For *member of a couple* and *partnered* see section 5E.

Note 3: Members of illness separated and respite care couples are covered by item 2 of the table.

Note 4: The basic reduction and additional reduction are indexed 6 monthly in line with CPI increases (see sections 59B to 59E).

- (3) If, on a particular day:
- (a) the annual rate of a veteran's ordinary income increases; and
 - (b) as a result of the increase, the veteran's rate of service pension is income reduced by an amount that is not more than 150% of the income/assets reduction limit applicable to the veteran;
- this section continues to apply to the veteran until:
- (c) the end of the period of 13 weeks starting on that day; or
 - (d) the reduction exceeds 150% of the income/assets reduction limit applicable to the veteran;
- whichever happens first.

Division 12A—Payments after bereavement

Subdivision A—Bereavement period

53H Definition

In this Division:

bereavement period, in relation to a person's death, means the period of 98 days starting on the day on which the person died.

Note: Payments under this Division are not affected by unrepaid advance payments of pension.

Subdivision B—Death of pensioner's partner (where partner was receiving a pension or a social security pension)

53J Application

This Subdivision applies if:

- (a) a person (the ***pensioner***) is receiving a pension; and
- (b) the pensioner is a member of a couple; and
- (c) the other member of the couple (the ***partner***) dies; and
- (d) immediately before the partner died, the partner was receiving a pension or a social security pension.

Note: Even though the partner may not actually have been receiving an amount of social security pension because the rate of the pension was nil, in some cases the partner will have been taken to be receiving the pension if adjusted disability pension (within the meaning of section 118NA) was payable to the person or the partner: see subsection 23(1D) of the Social Security Act.

53K What happens if pensioner's reassessed rate equals or exceeds combined pensioner couple rate

- (1) This section applies during the bereavement period if the rate of pension applicable to the pensioner as a result of the partner's death is equal to or greater than the sum of the rates of pension or social security pension that were payable to the pensioner and the partner on the last day of the last pension period that ended before the partner died.

Section 53L

- (2) The rate of pension that becomes applicable in respect of the pensioner as a result of the partner's death applies with effect from the day of the partner's death.
- (3) Part of the rate of pension payable to the pensioner is taken to be bereavement payment. The part concerned is equal to the rate of pension or social security pension payable to the partner on the last day of the last pension period that ended before the partner died.
- (4) This section has effect subject to section 53M.

53L What happens if pensioner's reassessed rate is less than combined pensioner couple rate

- (1) This section applies during the bereavement period if the rate of pension applicable to the pensioner as a result of the partner's death is less than the sum of the rates of pension or social security pension that were payable to the pensioner and the partner on the last day of the last pension period that ended before the partner died.
- (2) Pension continues to be payable to the pensioner during the bereavement period at the rate at which it was payable immediately before the partner's death.
- (3) The rate of pension that, apart from subsection (2), would be applicable in respect of the pensioner as a result of the partner's death applies with effect from the day after the end of the bereavement period.
- (4) There is payable to the pensioner, for each day in the bereavement period, a bereavement payment calculated at the rate of the pension or social security pension that was payable to the partner on the last day of the last pension period that ended before the partner died.
- (5) All or any of the bereavement payments payable to the pensioner under subsection (4) may be paid in advance in a lump sum.
- (6) This section has effect despite subsection 38C(2) but is subject to section 53M.

53M Determination of amount of pension and social security pension

- (1) This section applies in determining for the purposes of section 53K or 53L the rates of pension or social security pension that were payable to the pensioner and the partner on the last day of the last pension period that ended before the day of the partner's death.
- (2) If the pensioner and partner were an illness separated couple or a respite care couple on the last day of the last pension period that ended before the day of the partner's death, the rates of pension or social security pension referred to in subsection (1) are to be worked out as if the pensioner and partner were not members of an illness separated couple or respite care couple but remained members of a couple.
- (3) If the partner was a war widow or war widower who was receiving a service pension, the rate of that pension that was payable to the partner on the last day of the last pension period that ended before the day of the partner's death is taken to be the rate that would have been payable if Method statement 1 or Method statement 2 (whichever is appropriate) in Module A of the Rate Calculator had applied in working out the rate of the pension and Method statement 3 or Method statement 4, as the case may be, in that Module had not applied.
- (4) If the partner was a war widow or war widower who was receiving an income support supplement, the rate of that supplement that was payable to the partner on the last day of the last pension period that ended before the day of the partner's death is taken to be:
 - (a) in respect of a partner who was not permanently blind—the rate that would have been payable if the ceiling rate were greater than the adjusted income reduced rate and the assets reduced rate; or
 - (b) in respect of a partner who was permanently blind—the sum of:
 - (i) the maximum basic rate under point SCH6-B1; and
 - (ii) the partner's pension supplement amount (worked out as if the partner was receiving a service pension worked out under subpoint SCH6-A1(2) of Schedule 6).

Section 53N

- (5) In determining under subsection (4) the rate of the income support supplement that was payable to the partner on the last day of the last pension period that ended before the day of the partner's death, it is to be assumed that the adjusted income of the partner did not include the income referred to in paragraph (c), (ca) or (cb) of the definition of *adjusted income* in subsection 5H(1).
- (6) If the partner was a war widow or war widower who was receiving a social security pension, the rate of that pension that was payable to the partner on the last day of the last pension period that ended before the day of the partner's death is taken to be the rate that would have been payable if:
 - (a) subsections 1064(5) and (6) and 1065(4) and (5) of the Social Security Act had not been enacted; and
 - (b) the ordinary income of the partner did not include any instalment of pension that was payable to the partner under subsection 30(1).
- (7) If DFISA was payable to the partner in relation to a social security pension the partner was receiving, then the rate of that pension on the last day of the last pension period that ended before the day of the partner's death is increased by the rate of DFISA that was payable to the partner on that day.

53N Transfer to another pension

- (1) This section applies if, on a day during the bereavement period, the pensioner:
 - (a) ceases to receive the pension; and
 - (b) begins to receive another pension or to receive a social security pension.
- (2) If the pensioner receives, for a day occurring during the remainder of the bereavement period, a payment of the other pension or of the social security pension, part of the payment is taken to be a bereavement payment. The part concerned is the amount representing the rate of pension or social security pension payable to the partner on the last day of the last pension period that ended before the day of the partner's death.

53NA No liability of financial institution for certain payments to pensioner

- (1) This section applies if:
 - (a) after the partner died, an amount (the *partner's amount*) of pension, DFISA or social security pension to which the partner would have been entitled if the partner had not died is paid into an account with a financial institution; and
 - (b) the institution pays to the pensioner, out of that account, an amount that is not more than the partner's amount.
- (2) The financial institution is not liable to any action, claim or demand in respect of the payment to the pensioner.
- (3) Subsection (2) has effect despite any other law.

Subdivision C—Death of pensioner

53P Application

This Subdivision applies if:

- (a) a person (the *pensioner*) is receiving a pension; and
- (b) either:
 - (i) the pensioner is not a member of a couple; or
 - (ii) the pensioner is a member of a couple and the pensioner's partner is not receiving a service pension or income support supplement, is not receiving a social security pension and is not receiving a social security benefit; and
- (c) the pensioner dies.

53Q Payment of one instalment

- (1) Sections 123 to 123E do not apply as a result of the pensioner's death, but there is payable to any person whom the Commission thinks appropriate an amount equal to the amount of pension that would have been payable to the pensioner for the period of 14 days after the day on which the pensioner died calculated at the rate at which pension would have been payable to the pensioner (including, to remove any doubt, any amount of pension payable under this Division) on those days if the pensioner had not died.

Section 53R

- (2) If the amount is paid under subsection (1) in respect of the pensioner, the Commonwealth is not liable to any action, claim or demand for further payment under that subsection in respect of the pension.
- (3) If a lump sum bereavement payment made to the pensioner under this Division before the pensioner's death included an amount for a pension period that occurred after the day of the pensioner's death, the amount is not recoverable from the pensioner's estate.

Subdivision D—Death of dependent child

53R Application

This Subdivision applies if:

- (a) a person (the *pensioner*) is receiving a pension; and
- (b) a dependent child dies.

53S When reassessed pension rate in respect of pensioner comes into effect

- (1) Pension continues to be payable to the pensioner during the bereavement period as if the child had not died.
- (2) The rate of pension that becomes applicable to the pensioner as a result of the child's death applies with effect from the day after the end of the bereavement period.

53T Bereavement payment

- (1) Part of each instalment of pension that is paid to the pensioner for a pension payday that occurs during the bereavement period is taken to be a bereavement payment. The part concerned is so much of the instalment as related to the child.
- (2) All or any of the bereavement payments payable to the pensioner under subsection (1) may be paid in advance in a lump sum.

54C Interpretation

In this Division:

officer means a person performing duties, or exercising powers or functions, under or in relation to this Act.

person includes an unincorporated body.

Division 14—Pensioners in certain institutions

55 Pension may be suspended or forfeited when pensioner in gaol or in psychiatric confinement following criminal charge

- (1) Subject to subsection (3), an instalment of a service pension or income support supplement is not payable to a person in respect of a day on which the person is:
 - (a) in gaol; or
 - (b) undergoing psychiatric confinement because the person has been charged with an offence.

Note: While an instalment is not payable to a person, the person is not entitled to benefits under Division 12 because the person is not **receiving a service pension or income support supplement** unless a determination is in force under subsection 53D(3), 55A(1) or 85(8).

- (3) Subsection (1) does not apply to so much of an instalment as has been redirected under a direction given under section 55A.

*Meaning of **in gaol***

- (4) For the purposes of this Act, a person is **in gaol** if:
 - (a) the person is being lawfully detained (in prison or elsewhere) while under sentence for conviction of an offence and not on release on parole or licence; or
 - (b) the person is undergoing a period of custody pending trial or sentencing for an offence.

*Meaning of **psychiatric confinement***

- (5) Subject to subsection (6), **psychiatric confinement** in relation to a person includes confinement in:
 - (a) a psychiatric section of a hospital; and
 - (b) any other place where persons with psychiatric disabilities are, from time to time, confined.
- (6) The confinement of a person in a psychiatric institution during a period when the person is undertaking a course of rehabilitation is not to be taken to be **psychiatric confinement**.

55A Instalments may be redirected to partner or child

- (1) If:
- (a) an instalment of a person's service pension or income support supplement would, but for this section, not be payable because of section 55; and
 - (b) the person has a partner or a child;
- the Commission may direct that the whole, or a specified part, of the instalment is to be paid to:
- (c) the partner; or
 - (d) the child; or
 - (e) someone else approved by the Commission.
- (2) A payment made under paragraph (1)(e) is to be applied for the benefit of the partner or the child.
- (3) If a payment is made under subsection (1) to the partner or a child of the person who is in gaol or undergoing psychiatric confinement because the person has been charged with an offence, the payment is to be taken, for all the purposes of this Act, to be a payment made to the person in gaol or psychiatric confinement.

Note: this subsection has the effect that the person is receiving the service pension or income support supplement on a payday if the instalment for that payday has been wholly or partly redirected under this section: for instance, the person would be eligible for fringe benefits. This person is not eligible for another income support payment.

Division 15—Variation and termination

56 Automatic termination or rate reduction—recipient complying with section 54 notification obligations

(1) Where:

- (a) a person who is receiving a service pension or income support supplement is given a notice under section 54; and
- (b) the notice requires the person to inform the Department or a specified officer of the occurrence of an event or change in circumstances within a specified period (in this section called the *notification period*); and
- (c) the event or change in circumstances occurs; and
- (d) the person informs the Department or specified officer of the occurrence of the event or change in circumstances within the notification period in accordance with the notice; and
- (e) because of the occurrence of the event or change in circumstances:
 - (i) the person ceases to be eligible for the pension or income support supplement; or
 - (ii) the pension or income support supplement would, but for this section, cease to be payable to the person;

the pension or income support supplement continues to be payable to the person until the end of the notification period and then ceases to be payable to the person.

(2) If the person ceases to be eligible for a pension under subsection (1), the pension is cancelled.

Note 2: if a pension ceases to be payable to a person under this section, the person's eligibility for benefits under Division 12 also ceases.

(3) If:

- (a) a person who is receiving a service pension or income support supplement is given a notice under section 54; and
- (b) the notice requires the person to inform the Department or a specified officer of the occurrence of an event or change in circumstances within a specified period (the *notification period*); and
- (c) the event or change in circumstances occurs; and

- (d) the person informs the Department or specified officer of the occurrence of the event or change in circumstances within the notification period in accordance with the notice; and
- (e) because of the occurrence of the event or change in circumstances, the person's rate of pension or income support supplement is to be reduced;

then, except as otherwise provided by this Act, the pension or income support supplement becomes payable to the person at the reduced rate immediately after the end of the notification period.

56A Automatic termination—recipient not complying with section 54 notification obligations

(1) Where:

- (a) a person who is receiving a service pension or income support supplement is given a notice under section 54; and
- (b) the notice requires the person to inform the Department or a specified officer of the occurrence of an event or change in circumstances within a specified period (in this section called the *notification period*); and
- (c) the event or change in circumstances occurs; and
- (d) the person does not inform the Department or specified officer of the occurrence of the event or change in circumstances within the notification period in accordance with the notice; and
- (e) because of the occurrence of the event or the change in circumstances:
 - (i) the person ceases to be eligible for the pension or income support supplement; or
 - (ii) the pension or income support supplement ceases to be payable to the person;

the pension or income support supplement ceases to be payable to the person on the day on which the event or change in circumstances occurs.

(2) If the person ceases to be eligible for a pension under subsection (1), the pension is cancelled.

Note: if a pension ceases to be payable to a person under this section, the person's eligibility for benefits under Division 12 also ceases.

Section 56B

56B Automatic rate reduction—recipient not complying with section 54 notification obligations

Where:

- (a) a person who is receiving a service pension or income support supplement is given a notice under section 54; and
- (b) the notice requires the person to inform the Department or a specified officer of the occurrence of an event or change in circumstances within a specified period (in this section called the *notification period*); and
- (c) the event or change in circumstances occurs; and
- (d) the person does not inform the Department or specified officer of the occurrence of the event or change in circumstances within the notification period in accordance with the notice; and
- (e) because of the occurrence of the event or change in circumstances, the person's rate of pension or income support supplement is to be reduced;

then, except where otherwise provided for by this Act, the pension or income support supplement becomes payable to the person at the reduced rate on the day on which the event or change in circumstances occurs.

56C Rate increase determination

- (1) If the Commission is satisfied that the rate at which a service pension or income support supplement is being, or has been, paid is less than the rate provided for by this Act, the Commission must, subject to section 56DA, determine that the rate is to be increased to the rate specified in the determination.

the Commission must, subject to section 56DA, determine that the rate at which the pension or supplement is payable to the person is the rate specified in the determination.

- (3) A determination:

 - (b) sets aside a decision to cancel or suspend a service pension or income support supplement;

the Commission may pay to the person who requested the review an amount in respect of expenses incurred by the person in providing for the production of certificates, reports or other documents from a medical practitioner, or from a hospital or similar institution in which he or she had received medical treatment.

- (2) Subsection (1) applies only in relation to certificates, reports or documents reasonably used for the purposes of the review.
- (3) The amount that may be paid under subsection (1) is to be calculated in accordance with the scale approved by the Commission for the purposes of subsection 19(8).

Division 17—Administration of pension payments

Subdivision A—General administration of pension payments

58 Application of Subdivision

This Subdivision applies to:

- (a) pensions payable under Part III (Service Pensions) or Part IIIA (Income Support Supplement); and
- (b) pension bonus and pension bonus bereavement payment payable under Part IIIAB.

58A Payment by instalments

Payment in arrears in relation to pension periods

- (1) Pension is payable:
 - (a) in arrears; and
 - (b) by instalments relating to each pension period.

Total instalment relating to a pension period

- (2) The amount payable to a person as an instalment of pension in relation to a pension period is the total amount of pension payable to the person for the days in that period on which pension was payable to the person.

Pensions generally payable fortnightly

- (3) Unless subsection (3A) applies to the person, an instalment of pension is payable to a person on the next payday after the end of the pension period to which the instalment relates.

Pensions may be payable weekly

- (3A) The Commission may determine, in writing, that the total amount of an instalment of pension payable to a person in relation to a pension period is payable to the person in 2 payments (the ***part payments***) if the person is a member of a class specified under subsection (3C).

Section 58A

- (3B) A determination made under subsection (3A) is not a legislative instrument.
- (3C) The Commission may, by legislative instrument, specify a class of persons for the purposes of subsection (3A).
- (3D) The first of the part payments:
- (a) is not to exceed the total of the amount of pension (calculated in accordance with this section) payable to the person for days that:
 - (i) are days on which the pension was payable to the person; and
 - (ii) are included in the first 7 days of the pension period; and
 - (b) is payable at a time determined by the Commission that is after the first 7 days of the pension period.
- (3E) The other of the part payments:
- (a) is the excess of the amount that is payable to the person as the instalment of pension in relation to the pension period over the first of the part payments; and
 - (b) is payable at a time determined by the Commission that is after the end of the pension period.
- (3F) If the total amount of pension payable to a person in relation to a pension period is payable to the person in part payments, then it is taken for the purposes of this Act that:
- (a) a single instalment of the pension is payable in relation to the period; and
 - (b) that instalment is payable when the last of the part payments is, or is to be, made; and
 - (c) that instalment is equal to the total of the part payments.
- Note: The total of the part payments equals the amount worked out under subsection (2) (as affected by subsections (7) and (9), if relevant) as the amount payable to the person as the instalment of the pension in relation to the pension period.
- (3G) However, sections 58J (about payments to Commissioner of Taxation or Child Support Registrar) and 122B (about deductions from instalments) apply as if each of the part payments were a separate instalment.

Calculation of rate of pension payable

- (4) For the purpose of the calculation of the amount of an instalment of pension, the rate of pension payable to a person for a day is calculated by dividing the annual rate of pension by 364.
- (5) The amount worked out under subsection (4) is to be rounded to the nearest cent (rounding half a cent upwards).
- (7) If:
 - (a) an amount of an instalment of service pension or income support supplement is payable to a person in relation to a particular day; and
 - (b) on that day, the person is residing in Australia and:
 - (i) is in Australia; or
 - (ii) is temporarily absent from Australia and has been so for a continuous period not exceeding 6 weeks; and
 - (c) there is no election by the person under subsection 60A(1) in force on that day; and
 - (d) apart from this subsection, the portion of the instalment corresponding to that day would be less than the person's minimum daily rate, but more than a nil amount;the amount of that portion of the instalment is to be increased to the person's minimum daily rate.
- (8) In this section:

minimum daily rate, for a person, means $\frac{1}{364}$ of the person's minimum pension supplement amount.
- (9) If, apart from this subsection, the amount of a fortnightly instalment of pension would be less than \$1.00, the amount of the instalment is to be increased to \$1.00.

58C Manner of payment

A person's pension is, subject to sections 58D and 58L and sections 202 to 202B, to be paid:

- (a) to that person; and
- (b) in the manner determined by the Commission.

Note: for the procedure to be followed if the Commission determines that a person's pension is to be paid into an account with a bank or foreign corporation that takes money on deposit see section 58F.

Section 58D

58D Agents

- (1) The Commission may approve payment of a pensioner's pension to another person if:
 - (a) the pensioner, by document lodged at an office of the Department in Australia in accordance with section 5T, requests the Commission to pay the pension to that person; and
 - (b) the Commission is satisfied that that person has agreed to receive payment as agent of the pensioner.
- (1A) A request lodged in accordance with section 5T is taken to have been made on a day determined under that section.
- (2) An approval under subsection (1):
 - (a) must be in writing; and
 - (b) must specify the person to whom the pension is to be paid; and
 - (c) must specify the period for which the pension is to be paid to that person.
- (3) If a payment of pension is made to a person in accordance with an approval under subsection (1):
 - (a) the payment is, for all purposes, to be taken to be a payment of the pension to the pensioner; and
 - (b) neither the Commonwealth nor the Commission is bound to oversee the application of the payment by the person; and
 - (c) the person is to be taken to receive the payment as agent for the pensioner.

58E Pension payday falling on public holiday etc.

If an amount of pension that would normally be paid on a particular day cannot reasonably be paid on that day (because, for example, it is a public holiday or a bank holiday), the amount may be paid on an earlier day.

58F Payment into bank account etc.

- (1) The Commission may direct that the whole or a part of the amount of a person's pension is to be paid, at the intervals that the Commission specifies, to the credit of an account with:

- (a) a bank; or
 - (b) if the person is physically outside Australia—a foreign corporation that takes money on deposit.
- (2) The account must be an account nominated and maintained by the person to whom the pension is payable.
- (3) The account may be an account that is maintained by a person to whom the pension is payable jointly or in common with another person.
- (3A) If the person has not nominated an account for the purposes of subsection (2) the amount is not to be paid.
- (3B) If:
 - (a) an amount has not been paid because of subsection (3A); and
 - (b) the person nominates an account for the purposes of subsection (2);the amount is to be paid under subsection (1).
- (4) If the Commission gives a direction under subsection (1), the pension is to be payable in accordance with the direction.

58J Payments to Commissioner of Taxation or Child Support Registrar

 - (a) make deductions from instalments of the pension payable to the recipient; and
 - (b) pay the amount deducted to the Commissioner of Taxation.
- (2) The Commission must, in accordance with Subdivision 260-A in Schedule 1 to the *Taxation Administration Act 1953*, for the purpose of enabling the collection of an amount that is, or may become, payable by a recipient of a pension bonus or pension bonus bereavement payment:
 - (a) make a deduction from the bonus or payment payable to the recipient; and
 - (b) pay the amount deducted to the Commissioner of Taxation.

Section 58K

- (3) The Commission must, in accordance with a notice given under section 72AC of the *Child Support (Registration and Collection) Act 1988*, for the purpose of enabling the collection of an amount that is, or may become, payable by a recipient of a pension:
- (a) make deductions from instalments of the pension payable to the recipient; and
 - (b) pay the amount deducted to the Child Support Registrar.

- a pension granted on the basis of that claim is not payable to the person while the person is outside Australia.

- (1A) The pension MBR amount (item 1 of table) is not to be indexed on 20 March 1993.

Highest quarter

- (2) A reference in the CPI Indexation Table to the highest of a group of quarters is a reference to the quarter in that group that has the highest index number.

59C Indexation of amounts

- (1) If an amount is to be indexed under this Subdivision on an indexation day, this Act has effect as if the indexed amount were substituted for that amount on that day.
- (2) This is how to work out the indexed amount for an amount that is to be indexed under this Subdivision on an indexation day:

Section 59C

Method statement

- Step 1. Use section 59D to work out the indexation factor for the amount on the indexation day.
- Step 2. Work out the current figure for the amount immediately before the indexation day.
- Step 3. Multiply the current figure by the indexation factor: the result is the *provisional indexed amount*.
- Step 5. Use section 59E to round off the provisional indexed amount: subject to section 59EAA, the result is the *indexed amount*.

The indexed amount (including one replaced under section 59EAA) may be increased under section 59EA in certain cases.

Note 1: for *current figure* see subsection 5NA(1).

Note 2: On the indexation days following 19 March 2001, the indexation of amounts that were increased by 4% or 10% on 1 July 2000 may be affected by section 198H.

- (2AB) The first indexation of amounts under items 1A, 1B and 1C of the CPI Indexation Table in subsection 59B(1) is to take place on 20 March 2010.
- (2A) The first indexation of an amount under item 8A of the CPI Indexation Table in subsection 59B(1) is to take place on 1 July 2007.
- (3) The first indexation of amounts under items 11 and 12 of the CPI Indexation Table in subsection 59B(1) is to take place on 1 July 1997.

59D Indexation factor

- (1) Subject to subsections (2) and (3), the indexation factor for an amount that is to be indexed under this Subdivision on an indexation day is:

$$\frac{\text{Index number for most recent reference quarter}}{\text{Index number for base quarter}}$$

worked out to 3 decimal places.

Note: for *reference quarter* and *base quarter* see the CPI Indexation Table in section 59B.

- (2) If an indexation factor worked out under subsection (1) would, if it were worked out to 4 decimal places, end in a number that is greater than 4, the indexation factor is to be increased by 0.001.
- (3) If an indexation factor worked out under subsections (1) and (2) would be less than 1, the indexation factor is to be increased to 1.

59E Rounding off indexed amounts

- (1) If a provisional indexed amount is a multiple of the rounding base, the provisional indexed amount becomes the indexed amount.

Note 1: for provisional indexed amount see step 3 in subsection 59C(2).

Note 2: for rounding base see the CPI Indexation Table in section 59B.

- (2) If a provisional indexed amount is not a multiple of the rounding base, the indexed amount is the provisional indexed amount rounded up or down to the nearest multiple of the rounding base.
- (3) If a provisional indexed amount is not a multiple of the rounding base but is a multiple of half the rounding base, the indexed amount is the provisional indexed amount rounded up to the nearest multiple of the rounding base.

59EAA Indexation using Pensioner and Beneficiary Living Cost Index

- (1) This section applies to the pension MBR amount (see item 1 of the table in section 59A).

Section 59EAB

- (2) If the indexed amount for the pension MBR amount, worked out under section 59C on an indexation day and disregarding section 59EA and this section, is less than the living cost amount worked out on that indexation day using the following method statement, then that indexed amount is taken to be an amount equal to that living cost amount:

Method statement

- Step 1. Use section 59EAB to work out the living cost indexation factor on that indexation day.
- Step 2. Work out the current figure for the pension MBR amount immediately before that indexation day.
- Note: For *current figure* see subsection 5NA(1).
- Step 3. Multiply the current figure by the living cost indexation factor: the result is the *provisional living cost amount*.
- Step 4. Use section 59EAC to round off the provisional living cost amount: the result is the *living cost amount*.

Note: If the indexed amount for the pension MBR amount, worked out under section 59C, is taken to be an amount equal to that living cost amount, there may be a further increase of that replaced indexed amount under section 59EA.

59EAB Living cost indexation factor

- (1) Subject to subsections (5) and (6), the living cost indexation factor on an indexation day is:

$$\frac{\text{Living cost index number for reference quarter}}{\text{Living cost index number for base quarter}}$$

worked out to 3 decimal places.

Definitions

- (2) For the purposes of this section, the *living cost index number*, in relation to a quarter, is the All Groups Pensioner and Beneficiary Living Cost Index number that is the weighted average of the 8

capital cities and is published by the Australian Statistician in respect of that quarter.

- (3) For the purposes of this section, the *reference quarter* is:
- (a) if the indexation day is a 20 March—the most recent December quarter before the indexation day; and
 - (b) if the indexation day is a 20 September—the most recent June quarter before the indexation day.
- (4) For the purposes of this section, the *base quarter* is the June or December quarter that:
- (a) is a quarter before the reference quarter; and
 - (b) has the highest living cost index number.

Rounding

- (5) If a living cost indexation factor worked out under subsection (1) would, if it were worked out to 4 decimal places, end in a number that is greater than 4, that indexation factor is to be increased by 0.001.
- (6) If a living cost indexation factor worked out under subsections (1) and (5) would be less than 1, that indexation factor is to be increased to 1.

Publication of substituted living cost index numbers

- (7) Subject to subsection (8), if at any time (whether before or after the commencement of this section) the Australian Statistician publishes a living cost index number for a quarter in substitution for a living cost index number previously published by the Australian Statistician for that quarter, the publication of the later living cost index number is to be disregarded for the purposes of this section.

Change to reference base

- (8) If at any time (whether before or after the commencement of this section) the Australian Statistician changes the reference base for the Pensioner and Beneficiary Living Cost Index, regard is to be had, for the purposes of applying this section after the change takes place, only to living cost index numbers published in terms of the new reference base.

Section 59EAC

59EAC Rounding off amounts

- (1) If a provisional living cost amount is a multiple of \$2.60, the provisional living cost amount becomes the living cost amount.
- (2) Subject to subsection (3), if a provisional living cost amount is not a multiple of \$2.60, the living cost amount is the provisional living cost amount rounded up or down to the nearest multiple of \$2.60.
- (3) If a provisional living cost amount is not a multiple of \$2.60 but is a multiple of \$1.30, the living cost amount is the provisional living cost amount rounded up to the nearest multiple of \$2.60.

59EA Certain indexed amounts to be increased in line with increases in Male Total Average Weekly Earnings

- (1) In this section:

category B amount means an amount set out in column 3 of item 2 of Table B in point SCH6-B1.

- (2) If:

- (a) a category B amount is to be indexed under this Subdivision on an indexation day; and
- (b) 50% of the combined couple benchmark for that indexation day exceeds the indexed amount for the category B amount;

then:

- (c) the indexed amount for the category B amount is to be increased by an amount equal to the excess; and
- (d) if the indexed amount for the category B amount (as increased under paragraph (c)) is not a multiple of \$2.60, the indexed amount (as increased under paragraph (c)) is to be further increased by rounding up to the next highest multiple of \$2.60.

- (2A) For the purposes of this section, the *combined couple benchmark*, for an indexation day, is 41.76% of the annualised MTAWWE figure for whichever of the following quarters is applicable:

- (a) if the indexation day is a 20 March—the most recent December quarter;
- (b) if the indexation day is a 20 September—the most recent June quarter.

- (3) For the purposes of this section, the *annualised MTAW figure* for a quarter is 52 times the amount set out for the reference period in the quarter under the headings “Average Weekly Earnings of Employees, Australia—Males—All males—Total earnings—ORIGINAL” in a document published by the Australian Statistician entitled “Average Weekly Earnings, States and Australia”.
- (4) If at any time (whether before or after the commencement of this section), the Australian Statistician publishes the amount referred to in subsection (3):
- (a) under differently described headings (the *new headings*); or
 - (b) in a document entitled otherwise than as described in subsection (3) (the *new document*);
- then the *annualised MTAW figure* is to be calculated in accordance with subsection (3) as if the references to:
- (c) “Average Weekly Earnings of Employees, Australia—Males—All males—Total earnings—ORIGINAL”; or
 - (d) “Average Weekly Earnings, States and Australia”;
- were references to the new headings and/or the new document, as the case requires.
- (5) For the purposes of this section, the *reference period* in a particular quarter is the period described by the Australian Statistician as the pay period ending on or before a specified day that is the third Friday of the middle month of that quarter.
- (6) If at any time (whether before or after the commencement of this section), the Australian Statistician publishes an amount in substitution for a particular amount previously published by the Australian Statistician, the publication of the later amount is to be disregarded for the purposes of this section.
- (7) In this section:

December quarter means a quarter ending on 31 December.

June quarter means a quarter ending on 30 June.

Section 59G

Subdivision C—Adjustment of other rates

59G Adjustment of single pension rate MBR amount

- (1) This Act has effect as if, on 20 March (an *indexation day*) and 20 September (an *indexation day*) each year, the adjusted single pension amount were substituted for the single pension rate MBR amount (see item 1A of the table in section 59A).
- (2) For the purposes of this section, the adjusted single pension amount is worked out as follows:

Method statement

- Step 1. Work out the amount substituted for the pension MBR amount (see item 1 of the table in section 59A) on that indexation day under section 59C.
- Step 2. Multiply the amount worked out at step 1 by 2.
- Step 3. Work out 66.33% of the amount worked out at step 2.
- Step 4. Round the amount worked out at step 3 to the nearest multiple of \$2.60 (rounding up if necessary): the result is the *adjusted single pension amount*.

59GA Adjustment of rent free area

- (1) This Act has effect as if, on 1 July each year, the rent free area applicable to a person who is not a member of a couple were replaced with the amount that is, on that day, the pension free area applicable to a person who is not a member of a couple.
- (2) This Act has effect as if, on 1 July each year, the rent free area applicable to a person who is partnered were replaced with the amount that is, on that day, the pension free area applicable to a person who is partnered.

59GB Adjustment of adjusted income free area

This Act has effect as if, on 1 July each year, the adjusted income free area applicable to a person were replaced with the amount that

is, on that day, the ordinary income free area applicable to the person.

59H Adjustment of pension “single” non-property owner AVL

This Act has effect as if, on 1 July each year, the amount worked out in accordance with the following formula were substituted for the pension “single” non-property owner AVL:

$$\text{Pension "single" property owner AVL} + 2 \times \left[\begin{array}{cc} \text{Pension "partnered" non-property owner AVL} & - \text{Pension "partnered" property owner AVL} \end{array} \right]$$

where:

pension “single” property owner AVL is the current figure, as at that 1 July, for the pension “single” property owner AVL.

pension “partnered” non-property owner AVL is the current figure, as at that 1 July, for the pension “partnered” non-property owner AVL.

pension “partnered” property owner AVL is the current figure, as at that 1 July, for the pension “partnered” property owner AVL.

59J Adjustment of special illness separated special resident AVL

This Act has effect as if, on 1 July each year, the amount worked out in accordance with the following formula were substituted for each special illness separated special resident AVL:

$$\frac{\text{Pension "partnered" property owner AVL} + \text{Pension "partnered" non-property owner AVL}}{2}$$

where:

pension “partnered” property owner AVL is the current figure, as at that 1 July, for the pension “partnered” property owner AVL.

pension “partnered” non-property owner AVL is the current figure, as at that 1 July, for the pension “partnered” non-property owner AVL.

Section 59LA

59LA Adjustment of ceiling rate

- (1) This Act has effect as if, on each adjustment day, the amount worked out in accordance with the following formula, and rounded up to the nearest multiple of \$2.60, were substituted for the ceiling rate:

Previous ceiling rate \times Pension MBR factor

where:

pension MBR factor is:

$$\frac{\text{Current single pension rate MBR amount}}{\text{Previous single pension rate MBR amount}}$$

previous ceiling rate is the ceiling rate applicable on the day before the adjustment day.

- (2) In subsection (1):

current single pension rate MBR amount means the single pension rate MBR amount (see item 1A of the table in section 59A) applicable on the adjustment day.

previous single pension rate MBR amount means the single pension rate MBR amount (see item 1A of the table in section 59A) applicable on the day before the adjustment day.

- (2A) A pension MBR factor worked out under subsection (1) is to be worked out to 3 decimal places. However:
- (a) if a pension MBR factor worked out under subsection (1) would, if it were worked out to 4 decimal places, end in a number that is greater than 4, the pension MBR factor is to be increased by 0.001; and
 - (b) if a pension MBR factor worked out under subsection (1) or paragraph (a) of this subsection would be less than 1, the pension MBR factor is to be increased to 1.

- (3) In this section:

adjustment day means the following:

- (a) 20 March;
- (b) 20 September.

Part IIIC—Compensation recovery

Division 1—General

 - (f) income support supplement;
 - (i) education entry payment.

Note 1: For *pension age* see sections 5QA and 5QB.

Note 1A: For *qualifying age* see section 5Q.

Note 2: These pensions, supplements, allowances and payments may be *compensation affected pensions* (see section 5NB).

- (2) If the person is or may be entitled to compensation and does not take reasonable action to claim or obtain the compensation, the pension, supplement or payment may not be payable to the person.
- (3) If the compensation is in the form of a lump sum, the pension, supplement or payment may cease to be payable for a period (based on the amount of the lump sum) and some or all of that part may be repayable.

Note 1: Under section 59N, certain lump sum payments may be treated as though they were received as periodic payments.

Note 2: Under section 59O, a person may be treated as having received compensation that the person would have received but for the effect of a State or Territory law.

- (4) If the compensation is in the form of periodic payments, the pension, supplement or payment may be reduced for the periodic payments period.

Section 59N

Note 1: Under section 59N, certain lump sum payments may be treated as though they were received as periodic payments.

Note 2: Under section 59O, a person may be treated as having received compensation that the person would have received but for the effect of a State or Territory law.

This Part is not intended to contain any implication that, in addition to those specified circumstances, there needs to be some connection between the circumstances that give rise to the person's eligibility for the pension and the circumstances that give rise to the person's or the partner's compensation.

59N Certain lump sums to be treated as though they were received as periodic payments

If:

- (a) a person is entitled to periodic payments under a law of a State or Territory; and
 - (b) the person's entitlement to the periodic payments is converted under the law of the State or Territory into an entitlement to a lump sum; and

- this Part applies to the person as if:
- (e) the person had not received:
 - (i) the lump sum; or
 - (ii) if the lump sum was to be paid in instalments—any of the instalments; and
 - (f) the person had received, in each fortnight during the period, a periodic compensation payment equal to:

$$\frac{\text{Lump sum amount}}{\text{Number of fortnights in the period}}$$

where:

lump sum amount is the amount of the lump sum referred to in paragraph (b).

number of fortnights in the period is the number of whole fortnights in the period referred to in paragraph (c).

- (b) that law includes a provision to the effect that a person's compensation under the law is to be or may be reduced or cancelled if the person is eligible for or receives payments under this Act;

this Part applies as if the person had received under that law the compensation that the person would have received if the provision referred to in paragraph (b) had not been enacted.

the Commission may require the person or the partner to take the action specified by the Commission.
- (3) Even though a person has entered into an agreement to give up the person's right to compensation, the Commission may form the opinion that the person may be entitled to compensation if the Commission is satisfied that the agreement is void, ineffective or unenforceable.
- (4) For the purposes of subsection (3), a person enters into an agreement to give up the person's right to compensation if the person:
 - (a) enters into an agreement to waive the person's right to compensation; or

- (6) If, under subsection (1), the Commission requires a person who has been granted a pension to take action to claim or obtain compensation, the pension is not payable to the person unless the person complies with the requirement.
- (7) If, under subsection (1), the Commission requires the partner of a person who has been granted a pension to take action to obtain or claim compensation, the pension is not payable to the person unless the partner complies with the requirement.

Note 1: For *compensation affected pension* see subsection 5NB(1).

Note 2: For *lump sum preclusion period* see subsections (3) to (7).

Lump sum preclusion period

(3) If a person receives both periodic compensation payments and compensation in the form of a lump sum in respect of lost earnings or lost earning capacity, the ***lump sum preclusion period*** is the period that:

- (a) begins on the day following the last day of the periodic payments period or, if there is more than one periodic payments period, the day after the last day of the last periodic payments period; and
- (b) ends after the number of weeks specified in subsection (7).

Note: For *periodic payments period* see subsection 5NB(1).

(4) If a person chooses to receive part of an entitlement to periodic compensation payments in the form of a lump sum, the ***lump sum preclusion period*** is the period that:

- (a) begins on the first day on which the person's periodic compensation payment is a reduced payment because of that choice; and
- (b) ends after the number of weeks specified in subsection (7).

(6) If neither subsection (3) nor (4) applies, the ***lump sum preclusion period*** is the period that:

- (a) begins on the day on which the loss of earnings or loss of earning capacity began; and
- (b) ends after the number of weeks specified in subsection (7).

Section 59Q

- (7) The number of weeks in the lump sum preclusion period in relation to a person is:

- (a) if the person or the person's partner receives the lump sum compensation payment before 20 March 1997—the number worked out by using the formula:

$$\frac{\text{Compensation part of lump sum}}{\text{Average weekly earnings}}$$

or

- (b) if the person receives the lump sum compensation payment on or after 20 March 1997—the number worked out by using the formula:

$$\frac{52 \times \text{Compensation part of lump sum}}{2 \times \left(\begin{array}{c} \text{Maximum basic} \\ \text{rate} \end{array} + \begin{array}{c} \text{Point SCH6-BA3} \\ \text{amount} \end{array} \right) + \begin{array}{c} \text{Ordinary free} \\ \text{area limit} \end{array}}$$

where:

maximum basic rate means the amount specified in column 3 of item 1 in Table B in point SCH6-B1 of Schedule 6.

ordinary free area limit means the amount specified in column 3 of item 1 in Table E-1 in point SCH6-E6 of Schedule 6.

point SCH6-BA3 amount means the pension supplement amount worked out under point SCH6-BA3 of Schedule 6 for a person who is not a member of a couple (whether or not the person for whom the lump sum preclusion period is being worked out is a member of a couple and whether or not that point applies to the person for whom the lump sum preclusion period is being worked out).

Note: For **compensation part** of lump sum and **average weekly earnings** see section 5NB.

- (8) If the number worked out under subsection (7) is not a whole number, the number is to be rounded down to the nearest whole number.

59QA Deemed lump sum payments arising from separate payments

- (1) If:
- (a) a person receives 2 or more lump sum payments in relation to the same event that gave rise to the entitlement of the person to compensation (the *multiple payments*); and
 - (b) at least one of the multiple payments is made wholly or partly in respect of lost earnings or lost capacity to earn;
- the following paragraphs have effect for the purposes of this Act:
- (c) the person is taken to have received one lump sum compensation payment (the *single payment*) of an amount equal to the sum of the multiple payments;
 - (d) the single payment is taken to have been received by the person:
 - (i) on the day on which he or she received the last of the multiple payments; or
 - (ii) if the multiple payments were all received on the same day—on that day.
- (2) A payment is not a lump sum payment for the purposes of paragraph (1)(a) if it relates exclusively to arrears of periodic compensation.

59R Person may have to repay amount where both lump sum and pension have been received

- (1) If:
- (a) a person receives compensation in the form of a lump sum; and
 - (b) the person receives payments of a compensation affected pension for any day or days in the lump sum preclusion period;
- the Commission may, by written notice to the person, determine that the person is liable to pay to the Commonwealth the amount specified in the notice.

Note: For *lump sum preclusion period* see subsections 59Q(3) to (7).

Section 59R

- (2) The amount specified in the notice is the **recoverable amount** and is worked out:
 - (a) if the person receives compensation in the form of a lump sum before 20 March 1997—under subsections (3) and (4); or
 - (b) if the person receives compensation in the form of a lump sum on or after 20 March 1997—under subsection (5).
- (3) If the person receives compensation in the form of a lump sum before 20 March 1997 and:
 - (a) the person is not a member of a couple; or
 - (b) the person is a member of a couple and the person's partner:
 - (i) is not eligible for a compensation affected pension; or
 - (ii) is not qualified for a compensation affected payment under the Social Security Act;the **recoverable amount** is equal to the smaller of:
 - (c) the compensation part of the lump sum; and
 - (d) the sum of the pension payments made to the person for the lump sum preclusion period.
- (4) If:
 - (aa) the person receives compensation in the form of a lump sum before 20 March 1997; and
 - (a) the person is a member of a couple; and
 - (b) the person's partner:
 - (i) is eligible for a compensation affected pension; or
 - (ii) is qualified for a compensation affected payment under the Social Security Act;the **recoverable amount** is equal to the smaller of:
 - (c) the compensation part of the lump sum; and
 - (d) the amount obtained by adding the pension payments made to the person for the lump sum preclusion period to:
 - (i) the pension payments made to the person's partner for the lump sum preclusion period; or
 - (ii) the compensation affected payments made under the Social Security Act to the person's partner for the lump sum preclusion period.

- (5) If the person receives compensation in the form of a lump sum on or after 20 March 1997, the *recoverable amount* is equal to the smaller of:
- (a) the compensation part of the lump sum; and
 - (b) the sum of the payments of the compensation affected pension made to the person for a day or days in the lump sum preclusion period.

59S Lump sum compensation not counted as ordinary income

If an amount of compensation affected pension is not payable to a person under section 59Q because of compensation in the form of a lump sum, that lump sum is not to be regarded as ordinary income of either the person or the person's partner for the purposes of this Act.

59T Effect of periodic compensation payments on rate of person's compensation affected pension

- (1) If:
- (a) a person receives periodic compensation payments; and
 - (b) the person was not, at the time of the event that gave rise to the entitlement of the person to the compensation, receiving a compensation affected pension; and
 - (c) the person is eligible for a compensation affected pension for a day or days in the periodic payments period;
- the rate of the person's compensation affected pension for that day or those days is reduced in accordance with subsection (2).

Note: For *periodic compensation payments*, *compensation affected pension* and *periodic payments period*, see subsection 5NB(1).

- (2) The person's daily rate of compensation affected pension is reduced by the amount of the person's daily rate of periodic compensation.
- (3) The reference in subsection (2) to a daily rate of periodic compensation is a reference to the amount worked out by dividing the total amount of the periodic compensation payments referred to in paragraph (1)(a) by the number of days in the periodic payments period.

Section 59TA

(4) If:

- (a) a person receives periodic compensation payments; and
- (b) at the time of the event that gave rise to the entitlement of the person to compensation, the person was receiving a compensation affected pension; and
- (c) the person is eligible for a compensation affected pension for a day or days in the periodic payments period;

the periodic compensation payments are to be treated as ordinary income of the person for the purposes of this Act.

Note: For *ordinary income*, see subsection 5H(1).

59TA Effect of periodic compensation payments on rate of partner's compensation affected pension

(1) If:

- (a) a person receives periodic compensation payments; and
- (b) the person is a member of a couple; and
- (c) the person was not, at the time of the event that gave rise to the entitlement of the person to the compensation, receiving a compensation affected pension; and
- (d) the person is eligible for a compensation affected pension for a day or days in the periodic payments period but, solely because of the operation of this Part, does not, or would not, receive the pension; and
- (e) the person's partner is eligible for a compensation affected pension, or is qualified for a compensation affected payment under the Social Security Act, for a day or days in the periodic payments period;

then, in working out the amount of the pension or payment referred to in paragraph (e), the amount (if any) by which the daily rate of periodic compensation payable to the person exceeds the daily rate of the compensation affected pension for which the person is eligible for a day or days in the periodic payments period is to be treated as ordinary income of the person's partner.

Note 1: See also point SCH6-E3A for the effect of that excess on the application of the ordinary/adjusted income test.

Note 2: For *periodic compensation payments*, *compensation affected pension* and *periodic payments period*, see subsection 5NB(1).

Note 3: For *ordinary income*, see subsection 5H(1).

- (2) The reference in subsection (1) to a daily rate of periodic compensation is a reference to the amount worked out by dividing the total amount of the periodic compensation payments referred to in paragraph (1)(a) by the number of days in the periodic payments period.

59U Claim for compensation affected pension granted to person qualified for compensation affected payment under Social Security Act

- (1) If:
- (a) a person's claim for a compensation affected pension is granted; and
 - (b) immediately before the claim is granted, a compensation affected payment for which the person was qualified under the Social Security Act was not payable to the person under section 1165 of that Act because of a lump sum compensation payment made to the person or to the person's partner;
- the person's pension is not payable to the person for the remainder of the period that was the person's lump sum preclusion period for the purposes of the Social Security Act.
- (2) If:
- (a) a person's claim for a compensation affected pension is granted; and
 - (b) immediately before the claim is granted, the person was receiving a compensation affected payment under the Social Security Act at a rate that was reduced under section 1173 of that Act because of periodic compensation payments made to the person or to the person's partner;
- then, for the remainder of the period that was the person's periodic payments period for the purposes of the Social Security Act, the person's pension is to be reduced:
- (c) by the amount (*reduction amount*) by which the person's compensation affected payment under the Social Security Act would be reduced under section 1173 of that Act if the person were still qualified for it; or
 - (d) if the reduction amount is greater than the amount of the person's pension—to nil.

Section 59V

(3) If:

- (a) a person's claim for a compensation affected payment is granted; and
- (b) immediately before the claim is granted, a compensation affected payment for which the person was qualified under the Social Security Act was not payable to the person because the rate of the person's pension was reduced to nil under section 1173 of that Act because of periodic compensation payments made to the person or to the person's partner;

then, for the purposes of subsection (2), the person is taken to have been receiving the compensation affected payment at a reduced rate immediately before the claim was granted.

59V Rate reduction under both income/assets test and this Part

If:

- (a) the rate of a person's compensation affected pension is to be reduced under this Part; and
- (b) the rate of the person's pension is reduced under the ordinary/adjusted income test Module or the assets test Module of the Rate Calculator;

the reduction under this Part is to apply to the person's pension as reduced under the ordinary/adjusted income test Module or the assets test Module of the Rate Calculator.

59W Person may have to repay amount where both periodic compensation payments and pension have been received

(1) If:

- (a) a person receives periodic compensation payments; and
- (b) the person receives payments of a compensation affected pension for the periodic payments period; and
- (c) the person was not, at the time of the event that gave rise to the entitlement of the person to the compensation, receiving a compensation affected pension; and
- (d) the payments referred to in paragraph (b) have not been reduced to nil as a result of the operation of section 59T;

the Commission may, by written notice to the person, determine that the person is liable to pay to the Commonwealth the amount specified in the notice.

Note: If a person was, at the time of the event that gave rise to the entitlement of the person to compensation, receiving a compensation affected pension, the compensation is treated as ordinary income. In cases where arrears of periodic compensation payments are treated as ordinary income, see point SCH6-E4.

(2) The amount specified in the notice is the **recoverable amount** and is worked out under subsections (3) and (4).

(3) If:

- (a) the person is not a member of a couple; or
- (b) the person is a member of a couple and the person's partner:
 - (i) is not eligible for a compensation affected pension; or
 - (ii) is not qualified for a compensation affected payment under the Social Security Act;

the recoverable amount is equal to the smaller of:

- (c) the sum of the periodic compensation payments; and
- (d) the difference between:
 - (i) the sum of the payments of compensation affected pension made to the person for a day or days in the periodic payments period; and
 - (ii) the sum of the payments of compensation affected pension that would have been made to the person for any such day or days had those payments been made at the rate to which the payments were reduced as a result of the operation of section 59T.

(4) If:

- (a) the person is a member of a couple; and
- (b) the person's partner:
 - (i) is eligible for a compensation affected pension; or
 - (ii) is qualified for a compensation affected payment under the Social Security Act;

the **recoverable amount** is equal to the smaller of:

- (c) the sum of the periodic compensation payments; and
- (d) the difference between:
 - (i) the sum of the payments of compensation affected pension, and of compensation affected payments under

Section 59X

the Social Security Act, made to the person and the person's partner for a day or days in the periodic payments period; and

- (ii) the sum of the payments of compensation affected pension, and of compensation affected payments under the Social Security Act, that would have been made to the person and the person's partner for any such day or days had those payments been made at the rate to which the payments were reduced as a result of the operation of sections 59T and 59TA.

59X Periodic compensation payments not counted as ordinary income

If the rate of a person's compensation affected pension is reduced under section 59T because of the receipt of periodic compensation payments, those payments are not regarded as ordinary income of the person for the purposes of this Act.

Division 4—Compensation payers

59Y Commission may send preliminary notice to potential compensation payer

- (1) If:
- (a) a person seeks compensation in respect of the person's lost earnings or lost capacity to earn; and
 - (b) the person receives or claims a compensation affected pension for a day or days in the period to which the compensation relates;
- the Commission may give written notice to the person's potential compensation payer that the Commission may wish to recover an amount from the potential compensation payer.

- (b) a member of the Forces or member of a Peacekeeping Force is incapacitated from a defence-caused injury or a defence-caused disease;

the Commonwealth is, subject to this Act, liable to pay:

- (c) in the case of the death of the member—pension by way of compensation to the dependants of the member; or
- (d) in the case of the incapacity of the member—pension by way of compensation to the member;

in accordance with this Act.

(2) Where:

- (a) a member of the Forces or a member of a Peacekeeping Force has died;
- (b) the death of the member was not defence-caused; and
- (c) the member was, immediately before the member's death:
 - (i) a member to whom subsection 22(4) or section 23, 24 or 25 applied by virtue of section 73; or
 - (ii) a member to whom section 22 so applied who was in receipt of a pension the rate of which had been increased by reason that the pension was in respect of an incapacity described in item 1, 2, 3, 4, 5, 6, 7 or 8 of the table in section 27;

the Commonwealth is, subject to this Act, liable to pay pensions by way of compensation to the dependants of the member.

(3) Where a pension in respect of the incapacity of a member of the Forces or of a member of a Peacekeeping Force from defence-caused injury or defence-caused disease, or both, is granted, after the death of the member, as from a date before the death of the member, subsection (2) applies as if the member had been in receipt of that pension immediately before the member died.

Section 70

- (4) For the purposes of this Act, the death of a member of a Peacekeeping Force shall be taken to have been defence-caused, an injury suffered by such a member shall be taken to be a defence-caused injury or a disease contracted by such a member shall be taken to be a defence-caused disease if the death, injury or disease, as the case may be, resulted from an occurrence that happened while the member was rendering peacekeeping service.

Note: After the MRCA commencement date, compensation is provided under the MRCA (instead of this Act) for some new defence-caused injuries, diseases and deaths: see section 70A.

- (5) For the purposes of this Act, the death of a member of the Forces (other than a member to whom this Part applies solely because of section 69A) or member of a Peacekeeping Force shall be taken to have been defence-caused, an injury suffered by such a member shall be taken to be a defence-caused injury or a disease contracted by such a member shall be taken to be a defence-caused disease if:
- (a) the death, injury or disease, as the case may be, arose out of, or was attributable to, any defence service, or peacekeeping service, as the case may be, of the member;
 - (b) subject to subsection (8), the death, injury or disease, as the case may be, resulted from an accident that occurred while the member was travelling, during any defence service or peacekeeping service of the member but otherwise than in the course of duty, on a journey to a place for the purpose of performing duty or away from a place upon having ceased to perform duty; or
 - (c) the death is to be deemed by subsection (6) to be defence-caused, the injury is to be deemed by subsection (7) to be a defence-caused injury or the disease is to be deemed by subsection (7) to be a defence-caused disease, as the case may be; or
 - (d) the injury or disease from which the member died, or is incapacitated:
 - (i) was suffered or contracted during any defence service or peacekeeping service of the member, but did not arise out of that service; or
 - (ii) was suffered or contracted before the commencement of the period, or the last period, of defence service or peacekeeping service of the member, but not during such a period of service;

and, in the opinion of the Commission, the injury or disease was contributed to in a material degree by, or was aggravated by, any defence service or peacekeeping service rendered by the member, being service rendered after the member suffered that injury or contracted that disease; or

- (e) the injury or disease from which the member died is an injury or disease that has been determined in accordance with this section other than this paragraph to have been a defence-caused injury or defence-caused disease, as the case may be;

Note: The effect of paragraph (e) is that, if the member has died from an injury or disease that has already been determined by the Commission to be defence-caused, the death is to be taken to have been defence-caused. Accordingly the Commission is not required to relate the death to defence service or peacekeeping service rendered by the member and sections 120A and 120B do not apply.

but not otherwise.

Note: After the MRCA commencement date, compensation is provided under the MRCA (instead of this Act) for some new defence-caused injuries, diseases and deaths: see section 70A.

- (5A) If this Part applies to a member of the Forces solely because the member has rendered hazardous service as specified in section 69A, the death of the member is taken to be defence-caused, an injury suffered by such a member is taken to be a defence-caused injury or a disease contracted by such a member is taken to be a defence-caused disease if:

- (a) the death, injury or disease, as the case may be, arose out of, or was attributable to, the hazardous service of the member; or
- (b) subject to subsection (8), the death, injury or disease, as the case may be, resulted from an accident that occurred while the member was travelling, during any hazardous service but otherwise than in the course of duty, on a journey to a place for the purpose of performing duty or away from a place upon having ceased to perform duty; or
- (c) the death is to be deemed by subsection (6) to be defence-caused, the injury is to be deemed by subsection (7) to be a defence-caused injury or the disease is to be deemed by subsection (7) to be a defence-caused disease, as the case may be; or

- (i) was suffered or contracted during any hazardous service of the member but did not arise out of that service; or
 - (ii) was suffered or contracted before the commencement of the hazardous service of the member but not during such a period of service;
- and, in the opinion of the Commission, the injury or disease was contributed to in a material degree by, or was aggravated by, the hazardous service rendered by the member, being service rendered after the member suffered that injury or contracted that disease; or
- (e) the injury or disease from which the member died is an injury or disease that has been determined in accordance with this section other than this paragraph to have been a defence-caused injury or defence-caused disease, as the case may be;

Note: The effect of paragraph (e) is that, if the member has died from an injury or disease that has already been determined by the Commission to be defence-caused, the death is to be taken to have been defence-caused. Accordingly the Commission is not required to relate the death to hazardous service rendered by the member and section 120A does not apply.

but not otherwise.

Note: After the MRCA commencement date, compensation is provided under the MRCA (instead of this Act) for some new defence-caused injuries, diseases and deaths: see section 70A.

- (5B) If this Part applies to a member of the Forces solely because the member has rendered hazardous service as specified in section 69A, subsections (6) and (7) apply to the person as if references in those subsections to *defence service or peacekeeping service, as the case may be* were references to *hazardous service*.
- (6) Where, in the opinion of the Commission, the death of a member of the Forces or member of a Peacekeeping Force was due to an accident that would not have occurred, or to a disease that would not have been contracted, but for his or her having rendered defence service or peacekeeping service, as the case may be, or but for changes in the member's environment consequent upon his or her having rendered any such service:

- (a) the death of the member shall be deemed to have resulted from that defence service or peacekeeping service, as the case may be; and
 - (b) the death of the member shall be deemed to be defence-caused, for the purposes of this Act.
 - (7) Where, in the opinion of the Commission, the incapacity of a member of the Forces or member of a Peacekeeping Force was due to an accident that would not have occurred, or to a disease that would not have been contracted, but for his or her having rendered defence service or peacekeeping service, as the case may be, or but for changes in the member's environment consequent upon his or her having rendered any such service:
 - (a) if the incapacity of the member was due to an accident—that incapacity shall be deemed to have arisen out of the injury suffered by the member as a result of the accident and the injury so suffered shall be deemed to be a defence-caused injury suffered by the member; or
 - (b) if the incapacity was due to a disease—the incapacity shall be deemed to have arisen out of that disease and that disease shall be deemed to be a defence-caused disease contracted by the member, for the purposes of this Act.
 - (8) Neither paragraph (5)(b) nor (5A)(b) applies:
 - (a) to an accident that occurred while the member of the Forces or member of a Peacekeeping Force was travelling on a journey from the member's place of duty in a case where the member had delayed commencing the journey for a substantial period after he or she ceased to perform duty at that place (otherwise than for a reason connected with the performance of the member's duties) unless, in the circumstances of the particular case, the nature of the risk of sustaining an injury, or contracting a disease, was not substantially changed, and the extent of that risk was not substantially increased, by that delay or by anything that happened during that delay;
 - (b) to an accident that occurred while the member of the Forces or member of a Peacekeeping Force was travelling on a journey, or a part of a journey, by a route that was not reasonably direct having regard to the means of transport used unless:
-

Section 70

- (i) the journey, or that part of the journey, was made by that route for a reason connected with the performance of the member's duty; or
 - (ii) in the circumstances of the particular case, the nature of the risk of sustaining injury, or contracting disease, was not substantially changed, and the extent of that risk was not substantially increased, by reason that the journey, or that part of the journey, was made by that route; or
 - (c) to an accident that occurred while the member of the Forces or member of a Peacekeeping Force was travelling on a part of a journey made after a substantial interruption of the journey, being an interruption made for a reason unconnected with the performance of the member's duties, unless, in the circumstances of the particular case, the nature of the risk referred to in subparagraph (b)(ii) was not substantially changed and the extent of that risk was not substantially increased, by reason of the interruption.
- (9) The Commonwealth is not liable under this section in respect of the death of a member of the Forces or a member of a Peacekeeping Force, or the incapacity of such a member, from injury or disease:
- (a) in a case where the death occurred, or the injury was suffered, or disease was contracted, by the member in circumstances described in subsection (4) or in paragraph (5)(a), (b) or (c) or in paragraph (5A)(a), (b) or (c)—if the death, or the injury or disease, as the case may be:
 - (i) resulted from the member's serious default or wilful act; or
 - (ii) arose from a serious breach of discipline committed by the member or from an occurrence that happened while the member was committing a serious breach of discipline; or
 - (b) in the case of an injury suffered, or disease contracted, by the member to which paragraph (5)(d) or (5A)(d) applies:
 - (i) if the aggravation of the injury or disease:
 - (A) resulted from the member's serious default or wilful act; or
 - (B) arose from a serious breach of discipline by the member; or

- (ii) unless the member has rendered hazardous service or the period of defence service or peacekeeping service that contributed to the injury or disease in a material degree, or by which the injury or disease was aggravated, was 6 months or longer.
- (9A) The Commonwealth is not liable under this section in respect of:
 - (a) the death; or
 - (b) the incapacity from injury or disease;of a member of the Forces, or a member of a Peacekeeping Force, if the death, injury or disease is related to the relevant service of the member only because:
 - (a) in the case of a member who had not used tobacco products before 1 January 1998—the member used tobacco products after 31 December 1997; or
 - (b) in the case of a member who had used tobacco products before 1 January 1998—the member increased his or her use of tobacco products after 31 December 1997.
- (10) The Commonwealth is not liable under this section in respect of the death of a member of the Forces or a member of a Peacekeeping Force, or the incapacity of such a member, from injury or disease, if the death or incapacity resulted from the serious default or wilful act of the member that happened after the member ceased, or last ceased, to render defence service or peacekeeping service.
- (10A) The Commonwealth is not liable to pay a pension to a dependant of a member of the Forces, or of a member of a Peacekeeping Force, being a child of the member, under subsection (1) or (2) if the dependant has attained the age of 16 years and payments, by way of a living allowance, are being made in respect of the child:

 - (a) the Commonwealth is not liable to pay a pension to the dependant under this section unless the decision by the Commission, the Board or the Administrative Appeals Tribunal, as the case may be, to grant the pension:
 - (i) was made before the commencement of this Act; or
 - (ii) was or is made after the commencement of this Act upon consideration or re-consideration of a claim for that pension that was duly made (whether before or after the commencement of this Act) before the re-marriage, marriage or entry into the de facto relationship occurred; and
 - (b) a decision granting a pension to the dependant under this section made by the Commission, the Board or the Administrative Appeals Tribunal after that re-marriage, marriage or entry into the de facto relationship occurred (including a decision granting such a pension as from a date before that re-marriage, marriage or entry into the de facto relationship occurred) is void and of no effect unless the decision was made upon consideration or re-consideration of a claim for that pension made as described in subparagraph (a)(ii).

Note: For the meaning of *reinstated pensioner* see section 11AA.

- (11A) If:
 - (a) a male dependant of a deceased member of the Forces or of a deceased member of a Peacekeeping Force (not being a child of the member) has re-married or married after the death of the member; and

 - (c) be lodged at an office of the Department in Australia in accordance with section 5T.
- (2) An application lodged in accordance with section 5T is taken to have been made on a day determined under that section.

79G Applicant must be Australian resident and in Australia

An application is not a proper application unless the person who wants to receive the advance payment is:

- (a) an Australian resident; and
 - (b) in Australia;
- on the day on which the application is lodged.

Note: For *Australian resident* see section 5G.

79H Application may be withdrawn

- (1) An applicant, or a person approved by the applicant, may withdraw an application that has not been determined.
- (2) An application that is withdrawn is taken to have not been made.
- (3) A withdrawal may be made either orally or by document lodged at an office of the Department in Australia in accordance with section 5T.
- (4) A withdrawal by document lodged in accordance with section 5T is taken to have been made on a day determined under that section.

Division 4—Determination of application and payment of advance payment

79I Commission to determine application

Determination of application

- (1) If an application for an advance payment of an amount of pension is made, the Commission must grant the application if it is satisfied that the person is eligible for the advance payment.

Record of determination and reasons

- (2) When the Commission makes a determination with respect to an application under subsection (1), it must make a written record of its determination.
- (3) The Commission must also make a statement in writing about the determination that:
 - (a) sets out the Commission's findings on material questions of fact; and
 - (b) refers to the evidence or other material on which those findings are based; and
 - (c) provides reasons for the Commission's determination.

Notification of determination

- (4) As soon as practicable after the Commission makes a determination with respect to an application under subsection (1), the Commission must give the person who made the application:
 - (a) a copy of the record of the Commission's determination; and
 - (b) subject to subsection (5), a copy of the statement about the determination referred to in subsection (3); and
 - (c) particulars of the right of the person who made the claim to have the determination reviewed by the Commission.
- (5) If the statement referred to in paragraph (4)(b) contains any matter that, in the opinion of the Commission:
 - (a) is of a confidential nature; or

- (b) might, if communicated to the person who made the application, be prejudicial to his or her physical or mental health or well-being;
- the copy given to the person is not to contain that matter.

79J Payment of advance payment

- (1) Subject to subsection (3), if the application is granted, the advance payment of the pension is to be paid on the next day on which:
 - (a) the person is paid an instalment of the pension; and
 - (b) it is practicable to pay the advance payment.
- (2) The advance payment is to be paid as a lump sum.
- (3) The Commission may determine that an advance payment is to be paid on a day stated in the determination.
- (4) An advance payment of a pension is not payable if the pension is cancelled or reduced to nil before the day on which the advance payment would be paid apart from this subsection.

Division 5—Amount of advance payment

79K Amount of advance payment

- (1) The amount of an advance payment of pension is the smaller of the following amounts:
- (a) the amount of advance payment sought;
 - (b) the maximum amount of advance payment payable to the person as worked out as follows:

Method statement

- Step 1. Work out $\frac{3}{52}$ of the person's advance payment eligible amount.
- Step 2. Work out the annual rate at which pension was payable to the person on the last payday before the application for the advance payment was made, disregarding:
- (a) any amount payable by way of remote area allowance; and
 - (b) so much of the person's pension supplement amount (if any) as is equal to the person's minimum pension supplement amount.
- Step 3. Work out the smaller of the result of step 1 and:
- (a) if the pension is a service pension or income support supplement—7.5% of the result of step 2; and
 - (b) otherwise—13 times the fortnightly rate of pension payable to the person.
- Step 4. Subtract the following from the result of step 3:
- (a) each advance payment (if any) of pension paid to the person during any of the 13 fortnights immediately before the application for the current advance payment was made;

- (b) each other advance payment (if any) of pension paid to the person that has not been fully repaid.

Step 5. The result of step 4 (rounded to the nearest cent (rounding 0.5 cents upwards)) is the maximum amount of advance payment payable to the person.

Note 1: The amount of the advance payment will be more than the minimum eligible amount for the person (see paragraph 79B(2)(a)).

Note 2: For *advance payment eligible amount*, see subsection 5Q(1).

Division 6—Advance payment deductions

79L Advance payment deduction

- (1) Subject to subsection (2) and section 79O, an advance payment deduction is to be made from an instalment of pension that is payable to a person if:
 - (a) the person has received an advance payment of that pension or of another pension that was previously payable to the person; and
 - (b) the person has not yet fully repaid the advance payment; and
 - (c) the amount of the advance payment that has not been repaid is not a debt under subsection 205(1AB).
- (2) An advance payment deduction is not to be made from a person's instalment of pension on the payday on which the advance payment is paid.

79M Amount of advance payment deduction—basic calculation

Subject to sections 79N, 79O, 79P and 79Q, the advance payment deduction for an advance payment of a pension is the amount of the advance payment divided by 13.

79N Person may request larger advance payment deduction

- (1) Subject to subsection (2) and sections 79O, 79P and 79Q, a person's advance payment deduction may be increased to a larger amount if the person asks the Commission in writing for the advance payment deduction to be the larger amount.
- (2) Subsection (1) does not apply if the Commission is satisfied that the person would suffer severe financial hardship if the advance payment deduction were the larger amount.

79O Reduction of advance payment deduction in cases of severe financial hardship

- (1) Subject to subsection (2) and sections 79P and 79Q, if:
- (a) a person applies in writing to the Commission for an advance payment deduction to be decreased, or to be stopped, because of severe financial hardship; and
 - (b) the Commission is satisfied that:
 - (i) the person's circumstances are exceptional and could not reasonably have been foreseen at the time of the person's application for the advance payment; and
 - (ii) the person would suffer severe financial hardship if the advance payment deduction that would otherwise apply were to continue;

the Commission may determine in writing that, for the period stated in the determination, the advance payment deduction is to be the lesser amount (which may be a nil amount) stated in the determination.

- (2) At any time while the determination is in force, the Commission may:
- (a) vary the determination so as to require to be deducted from the person's instalments of pension an advance payment deduction larger than the deduction (if any) previously applying under the determination, but smaller than the deduction applying immediately before the determination; or
 - (b) revoke the determination;
- but only if the Commission is satisfied that the person would not suffer severe financial hardship because of the variation or revocation.

- (3) A variation or revocation of a determination must be in writing.

79P The final advance payment deduction

If an advance payment deduction that would otherwise be deducted from a person's instalment of pension exceeds the part of the advance payment that the person has not yet repaid (by previous deductions under this Division or otherwise), the amount of that advance payment deduction equals the part that the person has not yet repaid.

Part IVA Advance payments of pension and income support supplement

Division 6 Advance payment deductions

Section 79Q

Example:

Facts: Anne has been paid an advance of \$450. Anne's payment deduction is worked out under section 79M as follows:

$$\$450 \div 13 = \$34.62$$

(The amount is rounded to the nearest cent under section 79R.).

Anne has requested that the advance payment deduction be the larger amount of \$55 (see section 79N), so that the advance will be repaid sooner.

Result: If \$55 is deducted from Anne's fortnightly instalment of pension, \$440 will have been repaid after 8 successive fortnights, leaving \$10 unpaid. Under this section, the final advance payment deduction will be \$10.

79Q Payment rate insufficient to cover advance payment deduction

If the instalment of pension (excluding remote area allowance in the case of a pension payable under Part III or income support supplement) is less than the amount that would be the advance payment deduction apart from this section, the advance payment deduction is taken to be equal to that instalment of pension.

79R Rounding of amounts

An amount worked out under this Division is to be rounded to the nearest cent (rounding half a cent upwards).

79S Unrepaid advance payments to deceased partner to be disregarded

- (1) In calculating, for the purposes of this Act, an amount of pension that would have been paid to a deceased person if the person had not died, any advance payment of pension that has been made to the person and has not been repaid is to be disregarded.
- (2) Subsection (1) does not affect the liability of the estate of the deceased person to repay to the Commonwealth so much of the advance payment as has not been repaid.

Division 7—Review by Commission

79T Request for review

- (1) A pensioner who is dissatisfied with a decision of the Commission in relation to an advance payment of an amount of pension may request the Commission to review the decision.
- (2) The request must:
 - (a) be made within 3 months after the person seeking the review was notified of the decision; and
 - (b) be in writing; and
 - (c) set out the grounds on which the request is made; and
 - (d) be lodged at an office of the Department in Australia in accordance with section 5T.
- (2A) A request lodged in accordance with section 5T is taken to have been made on a day determined under that section.

 - (b) subject to subsection (2), a copy of the statement referred to in subsection 79V(2) relating to the decision; and
 - (c) a statement giving particulars of the person's right to apply to the Administrative Appeals Tribunal for a review of the Commission's decision.
- (2) If the statement referred to in paragraph (1)(b) contains any matter that, in the opinion of the Commission:
 - (a) is of a confidential nature; or
 - (b) may, if communicated to the person who requested review, be prejudicial to his or her physical or mental health or well-being;the copy given to the person is not to contain that matter.

79X Powers of Commission to gather evidence

- (1) For the purposes of a review, the Commission may:
 - (a) summon a person to appear at a hearing of the review to give evidence and to produce such documents (if any) as are referred to in the summons; and
 - (b) require a person appearing at a hearing of the review for the purpose of giving evidence either to take an oath or to make an affirmation; and
 - (c) administer an oath or affirmation to a person so appearing; and
 - (d) adjourn a hearing of the review from time to time.

- (2) The person who applied for the review under this Division is a competent and compellable witness upon the hearing of the review.

79Y Withdrawal of request for review

- (1) A person who requests a review under section 79T may withdraw the request at any time before it is determined by the Commission.
- (2) To withdraw the request, the person must give written notice of withdrawal to the Secretary and the notice must be lodged at an office of the Department in Australia in accordance with section 5T.
- (3) Subject to subsection 79T(2), a person who withdraws a request for review may subsequently make another request for review of the same decision.

Note: Subsection 79T(2) provides that a person who wants to request a review of a decision must do so within 3 months after the person has received notice of the decision.

- (a) the date as from which a pension, or increased pension, is granted to the veteran under Part II in respect of his or her incapacity from that injury or disease; or
