- (c) DFISA-like payments under regulations made under this Part.

DFISA—see Division 2

DFISA is payable to a person if the rate of the person's social security pension or benefit has been reduced (including to nil) because the person, or the person's partner, has been paid adjusted disability pension (within the meaning of this Part).

Payment of DFISA is automatic: a person does not need to make a claim for it.

Section 118NA

DFISA bonus—see Division 3

DFISA bonus is payable to a person if the amount of the person's social security pension bonus has been reduced (including to nil) because the person, or the person's partner, has been paid adjusted disability pension (within the meaning of this Part).

Payment of DFISA bonus is also automatic.

If DFISA bonus would have been payable to a person who dies before claiming the person's social security pension bonus, a DFISA bonus bereavement payment may be payable to the person's partner (see Subdivision C of Division 3). Payment of DFISA bonus bereavement payment is also automatic.

DFISA-like payments—see Division 4

Regulations made under this Part may provide for DFISA-like payments to be paid to a person if adjusted disability pension (within the meaning of this Part) payable to the person, or the person's partner, reduces the amount of a payment payable to the person under a Commonwealth Act, regulations or an instrument made under such an Act, or a Commonwealth administered program.

Division 2—Defence Force Income Support Allowance

Subdivision A—Payment of Defence Force Income Support Allowance

118NB Payment of Defence Force Income Support Allowance

- (1) Defence Force Income Support Allowance (**DFISA**) is payable to a person each day on or after 20 September 2004 if:
- (a) adjusted disability pension is payable to the person, or the person's partner, on that day; and
 - (b) social security pension or social security benefit (the **primary payment**) is payable to the person on that day; and
 - (c) the adjusted disability pension reduces (including to nil) the rate of the primary payment on that day.

Note 1: For **adjusted disability pension** and **partner** see section 118NA.

Note 2: For **social security pension** and **social security benefit** see section 5Q.

Note 3: Even though the person may not actually be paid an amount of social security pension or benefit because the rate of the pension or benefit is nil, in some cases the pension or benefit will be taken to be payable to the person if adjusted disability pension is payable to the person or the person's partner: see subsection 23(1D) of the Social Security Act.

- (2) However, DFISA is not payable to the person on that day if:
- (a) the rate of DFISA would be nil; or
 - (b) section 1129, 1130B or 1131 of the Social Security Act (financial hardship) applies to the person in relation to the primary payment; or
 - (c) before that day:
 - (i) the person had elected not to be covered by this Division; and
 - (ii) that election had not been withdrawn.
- (3) An election, or a withdrawal of an election, under paragraph (2)(c):
- (a) must be by document lodged at an office of the Department in Australia in accordance with section 5T; and

- (b) is taken to have been made on a day determined under that section.

Subdivision B—Rate of Defence Force Income Support Allowance

118NC Rate of Defence Force Income Support Allowance

DFISA rate where primary payment is neither compensation affected nor prescribed

- (1) The rate of DFISA on a day that is on or after 20 September 2004 is worked out using method statement 1 in this subsection, unless:
- (a) Part 3.14 of the Social Security Act (compensation recovery) applies to reduce the rate of the primary payment on that day (in which case see method statement 2 in subsection (2)); or
 - (b) the primary payment is a social security pension or social security benefit that is prescribed for the purposes of this section (in which case, see subsection (3)).

Note: For **primary payment** see section 118NB.

Method Statement 1

Step 1. Work out the daily provisional payment rate for the primary payment on that day.

Note: For **daily provisional payment rate** see subsection (4).

Step 2. Work out what would have been the daily provisional payment rate (the **notional rate**) for the primary payment on that day if both of the following assumptions were made:

Section 118NC

First assumption

The first assumption is that the adjusted disability pension payable to the person, or the person's partner, were an excluded amount (see section 118NA).

Note: This will mean the adjusted disability pension will not be treated as income when calculating the notional rate.

Second assumption

The second assumption is that, if an amount of rent assistance was included in the primary payment, that amount were reduced (but not to less than nil) by the rent assistance reduction amount.

Note: For **rent assistance** and **rent assistance reduction amount** see subsection (4).

Step 3. Subtract the daily provisional payment rate under step 1 from the notional rate under step 2. The difference is the rate of DFISA on that day.

DFISA rate where primary payment is compensation affected but not prescribed

- (2) The rate of DFISA on a day that is on or after 20 September 2004 is worked out using method statement 2 in this subsection if:
- (a) Part 3.14 of the Social Security Act (compensation recovery) applies to reduce the rate of the primary payment on that day; and
 - (b) the primary payment is not a social security pension or social security benefit that is prescribed for the purposes of this section.

Note: For **primary payment** see section 118NB.

Method Statement 2

Step 1. Work out the daily provisional payment rate for the primary payment on that day.

Note: For *daily provisional payment rate* see subsection (4).

Step 2. Work out the amount by which Part 3.14 of the Social Security Act reduces the daily primary payment rate on that day.

Step 3. Subtract the amount in step 2 from the rate in step 1.

Step 4. Work out what would have been the daily provisional payment rate (the *notional rate*) for the primary payment on that day if the 2 assumptions referred to in step 2 of method statement 1 in subsection (1) were made.

Step 5. Work out the amount by which Part 3.14 of the Social Security Act would have reduced the notional rate on that day if that rate had been the daily primary payment rate.

Step 6. Subtract the amount in step 5 from the rate in step 4.

Step 7. Subtract the amount in step 3 from the amount in step 6. The difference is the rate of DFISA on that day.

Regulations may prescribe other ways of calculating rate of DFISA

- (3) The regulations may prescribe a social security pension or social security benefit for the purposes of this section. If the regulations do so, the regulations must also prescribe the method to work out the daily rate of DFISA that is payable in relation to that pension or benefit.

Note: For *social security pension* and *social security benefit* see section 5Q.

Definitions

- (4) In this section:

Section 118ND

daily provisional payment rate means the provisional payment rate, provisional annual payment rate or provisional fortnightly payment rate referred to in the Rate Calculator used under the Social Security Act to work out the rate of the primary payment, converted to a daily rate by dividing the rate by 364 (for a provisional annual payment rate) or 14 (for a provisional fortnightly payment rate).

rent assistance has the same meaning as in the Social Security Act.

rent assistance reduction amount is the amount that would be a person's income reduction under the Social Security Act if that income reduction were worked out by applying the same income test or ordinary income test that was used under that Act in calculating the person's primary payment, but applying that test on the basis that the adjusted disability pension payable to the person, or the person's partner, were the person's only ordinary income for the purposes of that Act.

Subdivision C—Special rules for the Social Security Act

118ND Bereavement payments under the Social Security Act

Increase of bereavement payments to take account of DFISA

- (1) If, immediately before a person dies:
- (a) a social security pension or social security benefit was payable to the person; and
 - (b) DFISA was payable to the person;
- then, for the purposes of the bereavement payment provisions of the Social Security Act, the rate of the pension or benefit that, if the person had not died, would have been payable to the person on a day during the bereavement period is increased by the rate of DFISA that would also have been payable to the person on that day.

Note 1: For ***social security pension*** and ***social security benefit*** see section 5Q.

Note 2: For ***bereavement payment provision*** and ***bereavement period*** see subsection (4).

(1A) If, immediately before a person (the *care recipient*) who is being cared for by another person (the *carer*) who is not the care recipient's partner dies:

- (a) a social security pension or social security benefit was payable to the carer; and
- (b) DFISA was payable to the carer;

then, for the purposes of the bereavement payment provisions of the Social Security Act, the rate of the pension or benefit that, if the care recipient had not died, would have been payable to the carer on a day during the bereavement period is increased by the rate of DFISA that would also have been payable to the carer on that day.

Note 1: For *social security pension* and *social security benefit* see section 5Q.

Note 2: For *bereavement payment provision* and *bereavement period* see subsection (4).

(2) If:

- (a) a person is qualified for payments under a bereavement payment provision of the Social Security Act in relation to the death of the person's partner; and
- (b) after the person's partner died, an amount of DFISA to which the partner would have been entitled if the partner had not died has been paid under this Part; and
- (c) the Commission is not satisfied that the person has not had the benefit of the DFISA amount;

the following provisions have effect:

- (d) the DFISA amount is not recoverable from the person or from the personal representative of the person's partner, except to the extent (if any) that the DFISA amount exceeds the amount payable to the person under the bereavement payment provision;
- (e) the amount payable to the person under the bereavement payment provision is to be reduced by the DFISA amount.

Note: For *bereavement payment provision* see subsection (4).

Section 118ND

DFISA paid to a carer after care recipient dies

(2A) If:

- (a) a person (the **carer**) is qualified for payments under a bereavement payment provision of the Social Security Act in relation to the death of another person (the **care recipient**), who is not the carer's partner, for whom the carer has been caring; and
- (b) after the death of the care recipient, an amount of DFISA to which the carer would have been entitled if the care recipient had not died has been paid under this Part; and
- (c) the Commission is not satisfied that the carer has not had the benefit of the DFISA amount;

the following provisions have effect:

- (d) the DFISA amount is not recoverable from the carer, except to the extent (if any) that the DFISA amount exceeds the amount payable to the carer under the bereavement payment provision;
- (e) the amount payable to the carer under the bereavement payment provision is to be reduced by the DFISA amount.

Note: For **bereavement payment provision** see subsection (4).

Financial institutions not liable

(3) If:

- (a) a person is qualified for payments under a bereavement payment provision of the Social Security Act in relation to the death of the person's partner; and
- (b) the amount of DFISA to which the person's partner would have been entitled if the person's partner had not died has been paid under this Part into an account with a financial institution within the bereavement period referred to in the bereavement payment provision; and
- (c) the financial institution pays to the person, out of the account, an amount not exceeding the total of the DFISA amounts paid as mentioned in paragraph (b);

the financial institution is, in spite of anything in any other law, not liable to any action, claim or demand by the Commonwealth, the personal representative of the person's partner or anyone else in respect of the payment of that money to the person.

Section 118NE

- (b) a social security pension or social security benefit is payable to the person; and
 - (c) the rate of the social security pension or social security benefit is nil; and
 - (d) the rate of the social security pension or social security benefit would not be nil if the 2 assumptions (that relate to the adjusted disability pension) referred to in step 2 of method statement 1 in subsection 118NC(1) were made;
- then, for the purposes of the remote area allowance provisions of the Social Security Act, the rate of the social security pension or social security benefit on that day is taken to be greater than nil.

 - (b) on the critical day, social security age pension becomes payable to the person; and

Note: For *adjusted disability pension*, *partner*, *social security age pension* and *social security pension bonus* see section 118NA.

- (2) However, DFISA bonus is not payable to the person if, on the critical day, section 1129 of the Social Security Act (financial hardship) applies to the person in relation to that age pension.

118NG When DFISA bonus is to be paid

DFISA bonus is to be paid on:

- (a) the first pension payday after the social security pension bonus was granted; or

Note: For *pension payday* see section 5Q.

118NH Payment of bonus after death

Step 2. Work out the amount of social security pension bonus (the **notional pension bonus**) that would have been payable to the person if the adjusted disability pension payable to the person, or the person's partner, were an excluded amount.

Note: For **excluded amount** see section 118NA.

Step 3. Subtract the amount of the pension bonus under step 1 from the amount of the notional pension bonus in step 2. The difference is the amount of the DFISA bonus.

118NIA Top up of DFISA bonus for social security top up

- (1) The amount of a person's DFISA bonus is to be increased if a determination (a **top up determination**) under section 93K or 93L of the Social Security Act is made in relation to the person's social security pension bonus.

Section 118NIB

- (2) The amount of the increase is the excess (if any) of the amount in paragraph (a) over the amount in paragraph (b):
 - (a) the person's amount of DFISA bonus worked out under section 118NI having regard to the top up determination; and
 - (b) the person's amount of DFISA bonus worked out under section 118NI without regard to the top up determination.

- (2) A person is qualified for a DFISA bonus bereavement payment if:

 - (b) the amount would be nil because it was reduced by adjusted disability pension that was payable to the person or the person's partner.

The amount of a person's DFISA bonus bereavement payment is the amount that would have been the person's partner's amount of DFISA bonus under Subdivision B of this Division if the partner

(5) Subsection (4) does not limit section 118PB.

Note: The person does not need to make a claim for the card.

118XB Other modifications because of social security law

If section 1061ZJA of the *Social Security Act 1991* applies in relation to a person, then, in determining whether the person is eligible for a seniors health card under this Part at any time on or after 1 January 2017, paragraphs 118V(1)(h), (1A)(f), (2)(h) and (3)(h) do not apply to the person.

Section 118ZD

Reactivating the withdrawn claim

- (7) If, within 28 days from the day on which the Secretary gave the acknowledgment notice, a claimant, or a person on behalf of a claimant, requests the Secretary to treat the oral withdrawal of the claim as if it had not been made, the oral withdrawal is taken not to have been made.

Note: A request made under paragraph (6)(b) has the effect of reactivating the claim. In particular, the commencement day of the claim stays the same.

Division 3—Investigation of claim

118ZE Secretary to investigate claim and submit it to Commission

- (1) If a person makes a proper claim for a seniors health card, the Secretary must investigate the matters to which the claim relates.

Division 8—Seniors Health Card Income Test Calculator

118ZZA Seniors Health Card Income Test Calculator

The Seniors Health Card Income Test Calculator at the end of this section is to be used in working out whether a person satisfies the seniors health card income test for the purposes of this Act.

Seniors Health Card Income Test Calculator

Satisfying the seniors health card income test

- 118ZZA-1 This is how to work out whether a person satisfies the seniors health card income test at a particular time (the **test time**).

Method statement

Step 1. Work out the amount of the person's adjusted taxable income for the reference tax year.

Step 1A. If, at the test time, the person, or the person's partner (if any), has at least one long-term financial asset (see point 118ZZA-12), work out the person's deemed income amount under:

- (a) if, at the test time, the person is not a member of a couple—point 118ZZA-10A; or
- (b) if, at the test time, the person is a member of a couple—point 118ZZA-10B.

Step 1B. Work out the sum of the amounts at step 1 and step 1A (if any).

Step 2. Work out the person's seniors health card income limit using point 118ZZA-11.

Section 118ZZA

- Step 3. Work out whether the amount at step 1B exceeds the seniors health card income limit.
- Step 4. If the amount at step 1B is less than the person's seniors health card income limit, the person satisfies the seniors health card income test.
- Step 5. If the amount at step 1B is equal to or exceeds the person's seniors health card income limit, the person does not satisfy the seniors health card income test.

Reference tax year

- 118ZZA-2(1) In the ordinary case, a person's **reference tax year** is:
- (a) if the person has received a notice of assessment of his or her taxable income for the tax year immediately preceding the tax year in which the test time occurred—that immediately preceding tax year; or
 - (b) otherwise—the tax year immediately preceding the tax year applicable under paragraph (a).
- (2) However, if the person has informed the Secretary in writing that the person wishes to have his or her entitlement to a seniors health card determined by reference to his or her adjusted taxable income for the tax year in which the test time occurred (the **current tax year**), the person's **reference tax year** is the current tax year.

Adjusted taxable income

- 118ZZA-3 For the purposes of this Division, a person's **adjusted taxable income** for a particular tax year is the sum of the following amounts (**income components**):
- (a) the person's taxable income for that year, disregarding the person's assessable FHSS released amount (within the meaning of the *Income Tax Assessment Act 1997*) for that year;
 - (b) the person's fringe benefits value for that year;

Section 118ZZA

- (c) the person's target foreign income for that year;
- (d) the person's total net investment loss (within the meaning of the *Income Tax Assessment Act 1997*) for that year;
- (e) the person's reportable superannuation contributions (within the meaning of the *Income Tax Assessment Act 1997*) for that year.

Note 1: For **taxable income** see point 118ZZA-4.

Note 2: For **fringe benefits value** see point 118ZZA-5.

Note 3: For **target foreign income** see point 118ZZA-6.

Taxable income

118ZZA-4(1) In this Division:

taxable income has the same meaning as in the *Income Tax Assessment Act 1997*.

- (2) For the purposes of this Division, a person's **taxable income** for a particular tax year is:
 - (a) the person's assessed taxable income for that year; or
 - (b) if the person does not have an assessed taxable income for that year—the person's accepted estimate of taxable income for that year.
- (3) For the purposes of this Division, a person's **assessed taxable income** for a particular tax year at a particular time is the most recent of:
 - (a) if, at that time, the Commissioner of Taxation has made an assessment or an amended assessment of that taxable income—that taxable income according to the assessment or amended assessment; or
 - (b) if, at that time, a tribunal has amended an assessment or an amended assessment made by the Commissioner—that taxable income according to the amendment made by the tribunal; or
 - (c) if, at that time, a court has amended an assessment or an amended assessment made by the Commissioner or an

Section 118ZZA

amended assessment made by a tribunal—that taxable income according to the amendment made by the court.

Fringe benefits value

118ZZA-5(1) For the purposes of this Division, a person's ***fringe benefits value*** for a particular tax year is the person's accepted estimate of the amount by which the total of the assessable fringe benefits received or to be received by the person in the tax year exceeds \$1,000.

(2) In this point:

assessable fringe benefit has the meaning given by subsection 10A(2) of the *Social Security Act 1991*.

(3) The value of an assessable fringe benefit is to be worked out in accordance with Part 3.12A of the *Social Security Act 1991* except that references in that Part to the Minister and to the Secretary are to be taken to be references to the Minister for Veterans' Affairs and to the Secretary of the Department of Veterans' Affairs, respectively.

Target foreign income

118ZZA-6(1) In this Division:

foreign income, in relation to a person, means:

- (a) an income amount earned, derived or received by the person from a source outside Australia for the person's own use or benefit; or
- (b) a periodical payment by way of gift or allowance from a source outside Australia; or
- (c) a periodical benefit by way of gift or allowance from a source outside Australia.

target foreign income means foreign income that is not:

- (a) taxable income; or
- (b) received in the form of a fringe benefit.

Section 118ZZA

- (2) For the purposes of this Division, a person's **target foreign income** for a particular tax year is the person's accepted estimate of the amount of that income for that year.

Total net investment loss

- 118ZZA-7 For the purposes of this Division, a person's **total net investment loss** for a particular tax year is the person's accepted estimate of the amount of that loss for that year.

Accepted estimate

- 118ZZA-8 For the purposes of this Division, a person's **accepted estimate** of an income component for a particular tax year is that income component according to the most recent notice given by the person to the Secretary under point 118ZZA-9 and accepted by the Commission for the purposes of this Part.

Notice estimating income component

- 118ZZA-9(1) A person may give the Secretary a notice, in a form approved by the Commission, setting out the person's estimate of an income component of the person for a tax year.
- (2) The notice is to contain, or be accompanied by, such information as is required by the form to be contained in it or to accompany it, as the case may be.
- (3) The Commission is to accept a notice only if the Commission is satisfied that the estimate is reasonable.

Adjusted taxable income of members of couples

- 118ZZA-10 If a person is a member of a couple, add the couple's adjusted taxable incomes for the reference tax year and divide by 2 to work out the amount of the person's adjusted taxable income for the reference tax year.

Section 118ZZA

Deemed income amount

118ZZA-10A This is how to work out the person's deemed income amount under this point:

Method statement

- Step 1. Work out the total value of all of the person's long-term financial assets (see point 118ZZA-12) at the test time.
- Step 2. Work out under section 46D the amount of ordinary income the person would be taken to receive per year on his or her financial assets:
- (a) on the assumption that the only financial assets of the person were the financial assets referred to in step 1; and
 - (b) on the assumption that the total value of the person's financial assets were the amount at step 1.
- Step 3. The result at step 2 is the person's ***deemed income amount***.

118ZZA-10B This is how to work out the person's deemed income amount under this point:

Method statement

- Step 1. Work out the total value of all of the person's long-term financial assets (see point 118ZZA-12) at the test time.
- Step 2. If, at the test time, the person's partner has reached the minimum age mentioned in section 301-10 of the *Income Tax Assessment Act 1997*, work out the total value of all of the person's partner's long-term financial assets (see point 118ZZA-12) at the test time.

Section 118ZZA

- Step 3. Work out under section 46E the amount of ordinary income the couple would be taken to receive per year on their financial assets:
- (a) on the assumption that the only financial assets of the person and the person's partner were the financial assets referred to in steps 1 and 2; and
 - (b) on the assumption that the total value of the couple's financial assets were the sum of the amounts at steps 1 and 2.
- Step 4. Divide the amount at step 3 by 2: the result is the person's *deemed income amount*.

Seniors health card income limit

- 118ZZA-11 A person's seniors health card income limit is worked out using the Seniors Health Card Income Limit Table. Work out which family situation in the table applies to the person. The person's seniors health card income limit is the corresponding amount in column 3 plus an additional corresponding amount in column 4 for each dependent child of the person.

120 Standard of proof

- (1) Where a claim under Part II for a pension in respect of the incapacity from injury or disease of a veteran, or of the death of a veteran, relates to the operational service rendered by the veteran, the Commission shall determine that the injury was a war-caused injury, that the disease was a war-caused disease or that the death of the veteran was war-caused, as the case may be, unless it is satisfied, beyond reasonable doubt, that there is no sufficient ground for making that determination.

Note: This subsection is affected by section 120A.

- (2) Where a claim under Part IV:
- (a) in respect of the incapacity from injury or disease of a member of a Peacekeeping Force or of the death of such a member relates to the peacekeeping service rendered by the member; or

Note 2: This subsection is affected by section 120A.

- (3) In applying subsection (1) or (2) in respect of the incapacity of a person from injury or disease, or in respect of the death of a person, related to service rendered by the person, the Commission shall be satisfied, beyond reasonable doubt, that there is no sufficient ground for determining:
- (a) that the injury was a war-caused injury or a defence-caused injury;
 - (b) that the disease was a war-caused disease or a defence-caused disease; or
 - (c) that the death was war-caused or defence-caused;
- as the case may be, if the Commission, after consideration of the whole of the material before it, is of the opinion that the material before it does not raise a reasonable hypothesis connecting the injury, disease or death with the circumstances of the particular service rendered by the person.

Note: This subsection is affected by section 120A.

- (4) Except in making a determination to which subsection (1) or (2) applies, the Commission shall, in making any determination or decision in respect of a matter arising under this Act or the regulations, including the assessment or re-assessment of the rate of a pension granted under Part II or Part IV, decide the matter to its reasonable satisfaction.

Note: This subsection is affected by section 120B.

 - (c) the death of a person is war-caused or defence-caused; or

Section 120A

120A Reasonableness of hypothesis to be assessed by reference to Statement of Principles

- (1) This section applies to any of the following claims made on or after 1 June 1994:

Section 120A

- (2) If the Repatriation Medical Authority has given notice under section 196G that it intends to carry out an investigation in respect of a particular kind of injury, disease or death, the Commission is not to determine a claim in respect of the incapacity of a person from an injury or disease of that kind, or in respect of a death of that kind, unless or until the Authority:
- (a) has determined a Statement of Principles under subsection 196B(2) in respect of that kind of injury, disease or death; or
 - (b) has declared that it does not propose to make such a Statement of Principles.
- (3) For the purposes of subsection 120(3), a hypothesis connecting an injury suffered by a person, a disease contracted by a person or the death of a person with the circumstances of any particular service rendered by the person is reasonable only if there is in force:
- (a) a Statement of Principles determined under subsection 196B(2) or (11); or
 - (b) a determination of the Commission under subsection 180A(2);
- that upholds the hypothesis.
- Note: See subsection (4) about the application of this subsection.
- (4) Subsection (3) does not apply in relation to a claim in respect of the incapacity from injury or disease, or the death, of a person if the Authority has neither determined a Statement of Principles under subsection 196B(2), nor declared that it does not propose to make such a Statement of Principles, in respect of:
- (a) the kind of injury suffered by the person; or
 - (b) the kind of disease contracted by the person; or
 - (c) the kind of death met by the person;

- (a) has determined a Statement of Principles under subsection 196B(3) in respect of that kind of injury, disease or death; or
- (b) has declared that it does not propose to make such a Statement of Principles.

- (3) In applying subsection 120(4) to determine a claim, the Commission is to be reasonably satisfied that an injury suffered by a person, a disease contracted by a person or the death of a person was war-caused or defence-caused only if:

- (a) the material before the Commission raises a connection between the injury, disease or death of the person and some particular service rendered by the person; and
- (b) there is in force:
 - (i) a Statement of Principles determined under subsection 196B(3) or (12); or

- (ii) a determination of the Commission under subsection 180A(3);
that upholds the contention that the injury, disease or death of the person is, on the balance of probabilities, connected with that service.
- (4) Subsection (3) does not apply in relation to a claim in respect of the incapacity from injury or disease, or the death, of a person if the Authority has neither determined a Statement of Principles under subsection 196B(3), nor declared that it does not propose to make such a Statement of Principles, in respect of:
 - (a) the kind of injury suffered by the person; or

177 Effective dates of certain determinations relating to payment of pension or seniors health card

- (1) This section is in addition to, and not in substitution for, any of the provisions of section 43 of the *Administrative Appeals Tribunal Act 1975* in their application to proceedings for a review by the Administrative Appeals Tribunal of a reviewable decision.

- (2) Where the Administrative Appeals Tribunal, upon application made under subsection 175(1) for a review of a decision of the Commission that has been affirmed or varied by a decision of the Board or a decision of the Board made in substitution for a decision of the Commission, grants a pension (not being a service pension or income support supplement) or attendant allowance, or increases the rate at which a pension (not being a service pension or income support supplement) is to be paid, the Tribunal may approve payment of the pension or of attendant allowance, or payment of the pension at the increased rate, as the case may be:
- (a) if the application is made within 3 months after service on the applicant of a document setting out the terms of that decision of the Board—from a date not earlier than the earliest date as from which the Board could, if it had granted a pension or attendant allowance or increased the rate of the pension, have approved payment of the pension or attendant allowance, or payment of the pension at an increased rate, as the case may be; or

- (3) Where the Administrative Appeals Tribunal, on a review of a decision of a kind described in subsection 176(7), (8) or (9), varies or sets aside that decision, the Administrative Appeals Tribunal may fix, as the date as from which its decision (including any decision made by it in substitution for the decision set aside) is to operate, a date, being:
- (a) if application for the review was made within 3 months after service on the applicant of a copy of the decision of the Board or the Commission, as the case may be—a date not

Section 177

- earlier than the date as from which the decision under review was to operate; or
- (b) in any other case—a date not earlier than the date on which the application was made to the Administrative Appeals Tribunal.
- (4) Where the Administrative Appeals Tribunal fixes, as the date from which its decision to set aside a decision of the Commission, or of the Board, to cancel a pension is to have operated, a date (in this subsection referred to as the *later date*) after the date (in this subsection referred to as the *earlier date*) on which that pension was to be cancelled, that decision to cancel that pension shall, by force of this subsection, have effect, and be deemed to have had effect, as if it had not cancelled that pension but had suspended it from that earlier date until that later date.
- (5) Where the Administrative Appeals Tribunal, upon application made under subsection 175(2) for a review of a decision of the Commission under section 57B, grants a pension or increases the rate at which a pension is to be paid, the Tribunal may approve payment of the pension, or payment of the pension at the increased rate, as the case may be:
- (a) if the application is made within 3 months after the service on the applicant of a document setting out the terms of that decision of the Commission made under section 57B—from a date not earlier than the earliest date as from which the Commission could, if it had, on its review under section 57B, granted a pension or increased the rate of the pension, have approved payment of the pension, or payment of the pension at the increased rate, as the case may be; or
- (b) in any other case—from the date on which the application under subsection 175(2) was made.
- (5A) Subject to subsections (5B) and (5C), if the Administrative Appeals Tribunal, upon application made under subsection 175(2D) for a review of a decision of the Commission under section 118ZU, determines that a person is entitled to a

seniors health card, the determination takes effect from a date specified by the Tribunal.

- (5B) If the application to the Administrative Appeals Tribunal is made within 3 months after the service on the applicant of a document setting out the terms of the decision of the Commission made under section 118ZU, the date specified by the Tribunal must not be earlier than the date from which, had the Commission determined that the person is entitled to a seniors health card, such a determination could have taken effect.
- (5C) If subsection (5B) does not apply to a person, the date specified by the Administrative Appeals Tribunal must not be earlier than the date on which the application under subsection 175(2D) was made.
- (6) Where the Administrative Appeals Tribunal, upon application under subsection 175(4) for a review of a decision made by the Commission with respect to an application for an allowance under section 97, 102, 103 or 104, grants the allowance referred to in that section, or increases the rate at which the allowance so referred to is to be paid, the Tribunal may approve payment of the allowance, or of the allowance at the increased rate, as the case may be:
 - (a) if the application was made within 3 months after service on the applicant of a document setting out the terms of that decision—from a date not earlier than the earliest date as from which the Commission could, if it had not made that decision, have approved payment of the allowance, or payment of the allowance at the increased rate, as the case may be; or
 - (b) in any other case—from the date on which the application under subsection 175(4) was made.

178 Period of operation of certain decisions of Administrative Appeals Tribunal

- (1) Where, on a review of a reviewable decision, the decision of the Administrative Appeals Tribunal expressly, or in effect:

 - (c) refuses to increase the rate of a pension; or
 - (d) reduces the rate of a pension;
- that decision of the Administrative Appeals Tribunal shall, subject to subsection (2), be binding on the parties to the proceedings before that Tribunal for a period of 6 months commencing on the day on which that Tribunal makes the decision.
- (2) If, during the period referred to in subsection (1), the person to whom the pension is payable, or who was refused a pension, is of the opinion that his or her incapacity has increased, subsection (1) does not prevent:
 - (a) the person from making application for an increased pension or for a pension; or
 - (b) the grant of increased pension or of a pension, from a date within that period, by the Commission upon its consideration of such an application or by the Board on a review of the decision of the Commission on such an application.

Part XIA—The Repatriation Medical Authority

Division 1—Establishment, functions and powers

196A Establishment of Authority

- (1) A Repatriation Medical Authority is established.
- (2) The Repatriation Medical Authority:
 - (a) is a body corporate with perpetual succession; and
 - (b) has a common seal; and
 - (c) may sue and be sued.
- (3) All courts, judges and persons acting judicially must:
 - (a) take judicial notice of the imprint of the seal of the Authority appearing on a document; and
 - (b) presume that the document was duly sealed.
- (4) Debts incurred by the Authority in the performance of its functions are, for all purposes, taken to be debts incurred by the Commonwealth.

196AA Application of the *Public Governance, Performance and Accountability Act 2013* to the Authority

Despite paragraph 10(1)(d) of the *Public Governance, Performance and Accountability Act 2013* and the definition of **Department of State** in section 8 of that Act, the Repatriation Medical Authority is not a Commonwealth entity for the purposes of that Act and is taken to be part of the Department for those purposes.

Note: This means that the members of the Authority are officials of the Department for the purposes of the *Public Governance, Performance and Accountability Act 2013*.

Section 196B

196B Functions of Authority

- (1) This section sets out the functions of the Repatriation Medical Authority. The main function of the Authority is to determine Statements of Principles for the purposes of this Act and the MRCA.

Determination of Statement of Principles

- (2) If the Authority is of the view that there is sound medical-scientific evidence that indicates that a particular kind of injury, disease or death can be related to:
- (a) operational service rendered by veterans; or
 - (b) peacekeeping service rendered by members of Peacekeeping Forces; or
 - (c) hazardous service rendered by members of the Forces; or
 - (caa) British nuclear test defence service rendered by members of the Forces; or
 - (ca) warlike or non-warlike service rendered by members;
- the Authority must determine a Statement of Principles in respect of that kind of injury, disease or death setting out:
- (d) the factors that must as a minimum exist; and
 - (e) which of those factors must be related to service rendered by a person;

before it can be said that a reasonable hypothesis has been raised connecting an injury, disease or death of that kind with the circumstances of that service.

Note 1: For *sound medical-scientific evidence* see subsection 5AB(2).

Note 2: For *peacekeeping service, member of a Peacekeeping Force, hazardous service, member of the Forces* and *British nuclear test defence service* referred to in paragraphs (2)(b), (c) and (caa), see subsection 5Q(1A).

Note 2A: For *warlike service, non-warlike service* and *members* referred to in paragraph (2)(ca), see section 196KA. (These definitions are for the purposes of the MRCA.)

Note 3: For *factor related to service* see subsection (14).

Section 196B

- (3) If the Authority is of the view that on the sound medical-scientific evidence available it is more probable than not that a particular kind of injury, disease or death can be related to:
- (a) eligible war service (other than operational service) rendered by veterans; or
 - (b) defence service (other than hazardous service and British nuclear test defence service) rendered by members of the Forces; or
 - (ba) peacetime service rendered by members;
- the Authority must determine a Statement of Principles in respect of that kind of injury, disease or death setting out:
- (c) the factors that must exist; and
 - (d) which of those factors must be related to service rendered by a person;
- before it can be said that, on the balance of probabilities, an injury, disease or death of that kind is connected with the circumstances of that service.

Note 1: For *sound medical-scientific evidence* see subsection 5AB(2).

Note 2: For *defence service*, *hazardous service*, *British nuclear test defence service* and *member of the Forces* referred to in paragraph (3)(b), see subsection 5Q(1A).

Note 2A: For *peacetime service* and *members* referred to in paragraph (3)(ba), see section 196KA. (These definitions are for the purposes of the MRCA.)

Note 3: For *factor related to service* see subsection (14).

- (3A) The Authority may determine a Statement of Principles under subsection (2) or (3) for the purposes of this Act, the MRCA, or both Acts.

Investigation

- (4) If the Authority:
- (a) receives a request under section 196E to carry out an investigation in respect of a particular kind of injury, disease or death; or

Section 196B

- (b) of its own initiative, decides that a particular kind of injury, disease or death ought to be investigated for the purposes of this Act, or the MRCA, to find out whether a Statement of Principles may be determined in respect of it;

the Authority must carry out an investigation to obtain information that would enable the Authority to establish:

- (c) how the injury may be suffered or sustained, the disease may be contracted or the death may occur; and
- (d) the extent (if any) to which:
 - (i) the injury, disease or death may be war-caused or defence-caused; or
 - (ii) the injury, disease or death may be a service injury, a service disease or a service death.

Note 1: For *war-caused* see sections 8 and 9.

Note 2: For *defence-caused* see section 69.

Note 3: For *service injury*, *service disease* and *service death* see section 196KA. (These definitions are for the purposes of the MRCA.)

- (5) If, after carrying out the investigation, the Authority is of the view that there is sound medical-scientific evidence on which it can rely to determine a Statement of Principles under subsection (2) or (3), in respect of that kind of injury, disease or death, the Authority must do so as soon as practicable.

Note: This subsection does not mean that the Authority must carry out an investigation before it can determine a Statement of Principles under subsection (2) or (3).

- (6) If, after carrying out the investigation, the Authority is of the view:
 - (a) that there is no sound medical-scientific evidence on which it can rely to determine a Statement of Principles under subsection (2) or (3) in respect of that kind of injury, disease or death; or
 - (b) that the sound medical-scientific evidence on which it can rely is insufficient to allow it to do so;the Authority must make a declaration in writing:
 - (c) stating that it does not propose to make a Statement of Principles; and

Section 196B

- (d) giving the reasons for its decision.

*Subsequent investigation and review of determinations concerning
Statement of Principles*

- (7) If the Authority:
- (a) is asked under section 196E to review:
 - (i) some or all of the contents of a Statement of Principles;
or
 - (ii) a decision of the Authority not to make a Statement of Principles in respect of a particular kind of injury, disease or death; or
 - (b) thinks that there are grounds for such a review; or
 - (c) is directed by the Review Council under subsection 196W(7) to carry out an investigation in respect of a particular kind of injury, disease or death;
- the Authority must, subject to subsection 196C(4) and section 196CA in a case where paragraph (a) applies, carry out an investigation to find out if there is new information available about:
- (d) how the injury may be suffered or sustained, the disease may be contracted or the death may occur; or
 - (e) the extent (if any) to which:
 - (i) the injury, disease or death may be war-caused or defence-caused; or
 - (ii) the injury, disease or death may be a service injury, a service disease or a service death.

Note 1: For **war-caused** see sections 8 and 9.

Note 2: For **defence-caused** see section 69.

Note 3: For **service injury**, **service disease** and **service death** see section 196KA. (These definitions are for the purposes of the MRCA.)

- (7A) If the investigation:
- (a) relates to a request under section 196E to review some of the contents of a Statement of Principles; or

Section 196B

- (b) is one to which paragraph (7)(b) applies and that relates to some of the contents of a Statement of Principles; or
- (c) is carried out because of a direction under subsection 196W(7) by the Review Council following a request to the Review Council under section 196Z to review the Authority's refusal to carry out an investigation relating to a request under section 196E to review some of the contents of a Statement of Principles;

the Authority may limit its investigation to matters relating to those contents.

Note: For **Review Council** see subsection 5AB(1).

- (8) If, after carrying out the investigation, the Authority is of the view that there is a new body of sound medical-scientific evidence available that, together with the sound medical-scientific evidence previously considered by the Authority, justifies the making of a Statement of Principles, or an amendment of the Statement of Principles already determined, in respect of that kind of injury, disease or death, the Authority must:
 - (a) determine a Statement of Principles in respect of that kind of injury, disease or death under subsection (2) or (3); or
 - (b) make a determination amending the Statement of Principles determined under subsection (2) or (3) in respect of that kind of injury, disease or death; or
 - (c) make a determination revoking the Statement of Principles determined under subsection (2) or (3), and determine a new Statement of Principles under subsection (2) or (3) in respect of that kind of injury, disease or death;

as the case requires.

Note: For **sound medical-scientific evidence** see subsection 5AB(2).

- (9) If, after carrying out the investigation, the Authority is of the view:
 - (a) that there is no new sound medical-scientific evidence about that kind of injury, disease or death; or

Section 196B

- (b) that the new sound medical-scientific evidence available is not sufficient to justify the making of a Statement of Principles, or an amendment of the Statement of Principles already determined in respect of that kind of injury, disease or death;
- the Authority must make a declaration in writing:
- (c) stating that it does not propose to make a Statement of Principles, or amend the Statement of Principles already determined (as the case may be); and
 - (d) giving the reasons for its decision.
- (10) If the Review Council has, by a decision notified in the *Gazette*, directed the Authority to amend a Statement of Principles in respect of a particular kind of injury, disease or death, the Authority must make a determination amending the Statement of Principles determined in respect of that kind of injury, disease or death in accordance with the directions of the Review Council.
- (11) If, after reviewing a decision of the Authority not to determine a Statement of Principles under subsection 196B(2) in respect of a particular kind of injury, disease or death, the Review Council has, by a decision notified in the *Gazette*, directed the Authority to make such a Statement of Principles, the Authority must determine a Statement of Principles in respect of that kind of injury, disease or death setting out, in accordance with the directions of the Review Council:
- (a) the factors that must as a minimum exist; and
 - (b) which of those factors must be related to service rendered by a person;
- before it can be said that a reasonable hypothesis has been raised connecting an injury, disease or death of that kind with the circumstances of that service.

Note 1: For ***factor related to service*** see subsection (14).

Note 2: The Statement of Principles may be determined for the purposes of this Act, the MRCA, or both Acts, in accordance with the directions of the Review Council (see subsection 196W(4A)).

Section 196B

- (12) If, after reviewing a decision of the Authority not to determine a Statement of Principles under subsection 196B(3) in respect of a particular kind of injury, disease or death, the Review Council has, by a decision notified in the *Gazette*, directed the Authority to make such a Statement of Principles, the Authority must determine a Statement of Principles in respect of that kind of injury, disease or death setting out, in accordance with the directions of the Review Council:

- (a) the factors that must exist; and
- (b) which of those factors must be related to service rendered by a person;

before it can be said that, on the balance of probabilities, an injury, disease or death of that kind is connected with the circumstances of that service.

Note 1: For ***factor related to service*** see subsection (14).

Note 2: The Statement of Principles may be determined for the purposes of this Act, the MRCA, or both Acts, in accordance with the directions of the Review Council (see subsection 196W(4A)).

- (13) A determination under subsection (10) of this section amending a Statement of Principles, or a Statement of Principles under subsection (11) or (12) is taken to have commenced on the day on which the decision of the Review Council was notified in the *Gazette*. The determination or Statement of Principles must specify that day.
- (13AA) Subsection 12(2) (retrospective application of legislative instruments) of the *Legislation Act 2003* does not apply in relation to a determination under subsection (10) of this section amending a Statement of Principles, or a Statement of Principles under subsection (11) or (12).
- (13A) A determination under this section:
- (a) must be in writing; and
 - (b) is a legislative instrument.
- (14) A factor causing, or contributing to, an injury, disease or death is ***related to service*** rendered by a person if:

Section 196C

- (a) it resulted from an occurrence that happened while the person was rendering that service; or
- (b) it arose out of, or was attributable to, that service; or
- (c) it resulted from an accident that occurred while the person was travelling, while rendering that service but otherwise than in the course of duty, on a journey:
 - (i) to a place for the purpose of performing duty; or
 - (ii) away from a place of duty upon having ceased to perform duty; or
- (d) it was contributed to in a material degree by, or was aggravated by, that service; or
- (e) in the case of a factor causing, or contributing to, an injury—it resulted from an accident that would not have occurred:
 - (i) but for the rendering of that service by the person; or
 - (ii) but for changes in the person's environment consequent upon his or her having rendered that service; or
- (f) in the case of a factor causing, or contributing to, a disease—it would not have occurred:
 - (i) but for the rendering of that service by the person; or
 - (ii) but for changes in the person's environment consequent upon his or her having rendered that service; or
- (g) in the case of a factor causing, or contributing to, the death of a person—it was due to an accident that would not have occurred, or to a disease that would not have been contracted:
 - (i) but for the rendering of that service by the person; or
 - (ii) but for changes in the person's environment consequent upon his or her having rendered that service.

196C Powers of Authority with respect to investigations

- (1) This section applies to an amount (the **base amount**) that is provided for in a provision listed in column 2 of Table A.

Note: Amounts provided for in provisions listed in Table A are amounts as altered from time to time under Division 18 of Part IIIB and sections 198, 198A, 198D and 198F (CPI indexation).

- (2) This Act has effect as if, on 1 July 2000, the base amount were replaced by an amount (the **replacement amount**) worked out by:

Section 198G

- (a) calculating the amount (the *provisional replacement amount*) that is 4% greater than the base amount; and
- (b) rounding off the provisional replacement amount in accordance with section 198M, using the rounding base for the base amount (see column 4 of Table A).
- (3) For the purposes of subsection (1), the base amount is to include any indexation that occurs on 1 July 2000 under Division 18 of Part IIIB or section 198, 198A, 198D or 198F.

198GA 1 July 2000 increase in rent assistance amounts

- (1) This section applies to an amount (the *base amount*) of rent assistance that is provided for in column 4 of the table in subpoint SCH6-C8(1).

Note: Amounts provided for in column 4 of the table in subpoint SCH6-C8(1) are amounts as altered from time to time under Division 18 of Part IIIB (CPI indexation).

- (2) This Act has effect as if, on 1 July 2000, the base amount were replaced by an amount (the *replacement amount*) worked out by:
- calculating the amount (the *provisional replacement amount*) that is 10% greater than the base amount; and
 - rounding off the provisional replacement amount in accordance with section 198M, using the rounding base of \$5.20.

198H Adjustment of amounts following 1 July 2000 increase

- (1) If an amount (the *affected amount*) is:
- an amount described in the table in section 198G that is indexed under Division 18 of Part IIIB or under section 198, 198A, 198D or 198F; or
 - the amount described in section 198GA; or
 - a maximum basic rate provided for in point SCH6-B1; or
 - a pension supplement provided for in point SCH6-BA2; or

Section 198H

- (e) an amount provided for in paragraph 30(1)(a); or
 - (f) a pension supplement provided for in subsection 30(1A);
- this section applies to modify the way the amount is indexed under that Division or section (as the case may be) for a limited period after 19 March 2001.

Method statement

- Step 1. Work out the current figure for the affected amount on 19 March 2001.
- Step 2. Multiply the current figure by 0.02. The result is the ***provisional overall adjustment amount***.
- Step 3. Round off the provisional overall adjustment amount in accordance with subsections (6) to (8), using:
- (a) for an affected amount described in the table in section 198G—the rounding base set out in that table for that amount; and
 - (b) for the amount described in section 198GA—the rounding base of \$5.20; and
 - (c) for a maximum basic rate provided for in point SCH6-B1—the rounding base of \$2.60; and
 - (d) for a pension supplement provided for in point SCH6-BA2—the rounding base of \$0.10; and
 - (e) for an amount provided for in paragraph 30(1)(a)—the rounding base of \$0.10; and

Section 198H

- (f) for a pension supplement provided for in subsection 30(1A)—the rounding base of \$0.10.

The result is the **overall adjustment amount**.

- Step 4. For the first indexation day for an affected amount that occurs after 19 March 2001, subtract the current figure from the indexed amount (arrived at using the method statement in subsection 59C(2)). The result (which could be zero) is the **first indexation increase amount**.
- Step 5. Compare the overall adjustment amount with the first indexation increase amount. If the overall adjustment amount is equal to or less than the first indexation increase amount, go to step 6. If the overall adjustment amount is greater than the first indexation increase amount, go to step 9.
- Step 6. Subtract the overall adjustment amount from the indexed amount referred to in step 4.
- Step 7. If the indexed amount is a pension supplement, round off the result in accordance with subsections (6) to (8) (as if the amount were a provisional overall adjustment amount), using the rounding base of \$2.60.
- Step 8. The result obtained under step 6 or step 7 (as the case requires) is taken to be the indexed amount for the purposes of step 5 of the method statement in subsection 59C(2) and this section has no further application in relation to the affected amount.

Note: The indexed amount for the purposes of step 5 of the method statement in subsection 59C(2) may be increased under section 59EA in certain cases. Similarly, if the indexed amount is a rate worked out under section 198, that amount may be increased under subsection 198(6) or (7) in certain cases.

Section 198H

Step 9. The indexed amount for the purposes of step 5 of the method statement in subsection 59C(2) is taken to be equal to the current figure worked out under step 2 of the method statement in subsection 59C(2). Go to step 10.

Note: The indexed amount for the purposes of step 5 of the method statement in subsection 59C(2) may be increased under section 59EA in certain cases. Similarly, if the indexed amount is a rate worked out under section 198, that amount may be increased under subsection 198(6) or (7) in certain cases.

Step 10. For the second indexation day for the affected amount that occurs after 19 March 2001, subtract the first indexation increase amount from the overall adjustment amount. The result is the ***remaining adjustment amount***.

Step 11. Subtract the current figure from the indexed amount (arrived at using the method statement in subsection 59C(2)). The result (which could be zero) is the ***second indexation increase amount***.

Step 12. Compare the remaining adjustment amount with the second indexation increase amount. If the remaining adjustment amount is equal to or less than the second indexation increase amount, go to step 13. If the remaining adjustment amount is greater than the second indexation increase amount, go to step 16.

Step 13. Subtract the remaining adjustment amount from the indexed amount.

Step 14. If the indexed amount is a pension supplement, round off the result in accordance with subsections (6) to (8) (as if the amount were a provisional overall adjustment amount), using the rounding base of \$2.60.

Section 198H

Step 15. The result obtained under step 13 or step 14 (as the case requires) is taken to be the indexed amount for the purposes of step 5 of the method statement in subsection 59C(2) and this section has no further application in relation to the affected amount.

Note: The indexed amount for the purposes of step 5 of the method statement in subsection 59C(2) may be increased under section 59EA in certain cases. Similarly, if the indexed amount is a rate worked out under section 198, that amount may be increased under subsection 198(6) or (7) in certain cases.

Step 16. The indexed amount for the purposes of step 5 of the method statement in subsection 59C(2) is taken to be equal to the current figure worked out under step 2 of the method statement in subsection 59C(2). Go to step 17.

Note: The indexed amount for the purposes of step 5 of the method statement in subsection 59C(2) may be increased under section 59EA in certain cases. Similarly, if the indexed amount is a rate worked out under section 198, that amount may be increased under subsection 198(6) or (7) in certain cases.

Step 17. Repeat the method set out in steps 10 to 16 in relation to the third indexation day and to subsequent indexation days until the remaining adjustment amount is zero.

Meaning of terms in method statement if amount is indexed under section 198, 198A, 198D or 198F

- (2) For the purposes of applying the Method statement in this section to an affected amount indexed under section 198, 198A, 198D or 198F, the following expressions used in the Method statement have the meanings set out below:

current figure, as at a particular time, means the rate most recently substituted for a relevant rate under section 198, 198A, 198D or 198F (as the case may be) before that time.

Section 198H

indexed amount means the rate worked out under subsection (4) of section 198, 198A, 198D or 198F (as the case may be).

Modifications to method statement if amount is indexed under section 198, 198A, 198D or 198F

- (3) If the affected amount is indexed under section 198, 198A, 198D or 198F, the following Steps in the Method statement in this section are to be read with the following modifications:
- (a) Step 4—as if the words “(arrived at using the Method statement in subsection 59C(2))” were omitted;
 - (b) Step 8—as if the words “Step 5 of the Method statement in subsection 59C(2)” were omitted and the words “section 198, 198A, 198D or 198F (as the case may be)” were substituted;
 - (c) Step 9—as if the words “Step 5 of the Method statement in subsection 59C(2) is taken to be equal to the current figure worked out under Step 2 of the Method statement in subsection 59C(2)” were omitted and the words “section 198, 198A, 198D or 198F (as the case may be) is taken to be equal to the current figure” were substituted;
 - (d) Step 11—as if the words “arrived at using the Method statement in subsection 59C(2))” were omitted;
 - (e) Step 15—as if the words “Step 5 of the Method statement in subsection 59C(2)” were omitted and the words “section 198, 198A, 198D or 198F (as the case may be)” were substituted;
 - (f) Step 16—as if the words “Step 5 of the Method statement in subsection 59C(2) is taken to be equal to the current figure worked out under Step 2 of the Method statement in subsection 59C(2)” were omitted and the words “section 198, 198A, 198D or 198F (as the case may be) is taken to be equal to the current figure” were substituted.

Application of section 59EA

- (4) Section 59EA does not apply at Step 4 or Step 11 of the Method statement in this section.

Section 198J

Application of subsections 198(6) and (7)

- (5) Subsections 198(6) and (7) do not apply at Step 4 or Step 11 of the Method statement in this section.

Rounding of provisional overall adjustment amounts

- (6) If a provisional overall adjustment amount is a multiple of the rounding base, the provisional overall adjustment amount is the overall adjustment amount.
- (7) If a provisional overall adjustment amount is not a multiple of the rounding base, the overall adjustment amount is the provisional overall adjustment amount rounded up or down to the nearest multiple of the rounding base.
- (8) If a provisional overall adjustment amount is not a multiple of the rounding base, but is a multiple of half the rounding base, the overall adjustment amount is the provisional overall adjustment amount rounded up to the nearest multiple of the rounding base.

198J 1 July 2000 increase in income test free area

- (1) This section applies to an amount (the ***base amount***) that is provided for in item 1, 2 or 3 of column 3 of the table in point SCH6-E6.
- (2) This Act has effect as if, on 1 July 2000, the base amount were replaced by an amount (the ***replacement amount***) worked out by:
- (a) calculating the amount (the ***provisional replacement amount***) that is 2.5% greater than the base amount; and
 - (b) rounding off the provisional replacement amount in accordance with section 198M using a rounding base of \$52.00.
- (3) For the purposes of subsection (1), the base amount is to include any indexation that occurs on 1 July 2000 under Division 18 of Part IIIB.

Section 198K

198K 1 July 2000 increase in assets test free area

- (1) This section applies to an amount (the *base amount*) that is provided for in:
 - (a) item 1 or 2 of column 3A of the table in point SCH6-F3; or
 - (b) item 2 of column 3B of the table in point SCH6-F3.
- (2) This Act has effect as if, on 1 July 2000, the base amount were replaced by an amount (the *replacement amount*) worked out by:
 - (a) calculating the amount (the *provisional replacement amount*) that is 2.5% greater than the base amount; and
 - (b) rounding off the provisional replacement amount in accordance with section 198M, using a rounding base of \$250.00.
- (3) For the purposes of subsection (1), the base amount is to include any indexation that occurs on 1 July 2000 under Division 18 of Part IIIB.

198L 1 July 2000 increase in income/assets reduction limit

- (1) This section applies to an amount (the *base amount*) that is provided for in column 3 or 5 of the table in subsection 53E(2).
- (2) This Act has effect as if, on 1 July 2000, the base amount were replaced by an amount (the *replacement amount*) worked out by:
 - (a) calculating the amount (the *provisional replacement amount*) that is 2.5% greater than the base amount; and
 - (b) rounding off the provisional replacement amount in accordance with section 198M, using a rounding base of \$2.60.

198M Rounding off provisional replacement amounts

- (1) If a provisional replacement amount is a multiple of the rounding base, the provisional replacement amount is the replacement amount.

Section 198MA

- (2) If a provisional replacement amount is not a multiple of the rounding base, the replacement amount is the provisional replacement amount rounded up or down to the nearest multiple of the rounding base.
- (3) If a provisional replacement amount is not a multiple of the rounding base, but is a multiple of half the rounding base, the replacement amount is the provisional replacement amount rounded up to the nearest multiple of the rounding base.

198MA Adjustment of indexation factor under section 59D for limited time on and after 20 March 2013 for certain purposes

Application

- (1) This section applies for purposes connected with the following payments on or after 20 March 2013:
 - (a) a service pension;
 - (b) seniors supplement;
 - (c) a pension under Part II or IV at a rate determined under or by reference to Division 4 of Part II or subsection 30(1);
 - (d) Special Rate Disability Pension under the MRCA;
 - (e) compensation under Division 2 (Compensation for member's death for wholly dependent partners) of Part 2 of Chapter 5 of the MRCA.

Note 1: Section 198 of the MRCA sets Special Rate Disability Pension by reference to the rate of pension under section 24 of this Act (so indexation of amounts affecting that rate also affects that pension).

Note 2: Division 2 of Part 2 of Chapter 5 of the MRCA sets compensation under that Division by reference to the rate of pension under subsection 30(1) of this Act (so indexation of amounts affecting that rate also affects the compensation).

Adjustment of indexation factor

- (2) An indexation factor that:

Section 198MA

- (a) is worked out under section 59D on a day that is on or after 20 March 2013; and
- (b) is directly or indirectly relevant to the indexation of an amount provided for by:
 - (i) subsection 5GA(1) (which provides for the PS rate mentioned in table item 2 of section 59A); or
 - (ii) subsection 5GA(2) (which provides for the PS minimum rate mentioned in table item 2A of section 59A); or
 - (iii) subsection 5GA(4) (which provides for the PS basic rate mentioned in table item 2B of section 59A); or
 - (iv) subsection 22(3) or (4), 23(4) or 24(4); or
 - (v) paragraph 30(1)(a) or (b); or
 - (vi) table item 2 of point SCH6-B1 of the Rate Calculator (which provides for the pension MBR mentioned in table item 1 of section 59A);

is, for the purposes of the indexation of such an amount on that day, to be reduced by the brought-forward CPI indexation amount, but not below 1.

Note 1: An indexation factor worked out under section 59D is indirectly relevant to the indexation of an amount provided for by subsection 22(3) or (4), 23(4) or 24(4) or paragraph 30(1)(b). This is because:

- (a) section 198 provides for indexation of such an amount by reference to the pension MBR factor worked out under section 59LA; and
- (b) the pension MBR factor depends on the increase in the single pension rate MBR amount, which in turn depends (under section 59G) on indexation of the pension MBR amount under section 59C, which involves the indexation factor worked out under section 59D.

Note 2: An indexation factor worked out under section 59D is indirectly relevant to the indexation of an amount provided for by paragraph 30(1)(a). This is because that amount is affected by indexation under section 59G, which in turn depends on indexation under section 59C.

Note 3: Once the brought-forward CPI indexation amount becomes 0, there will be no further reduction of the indexation factor.

Section 198MB

Example: Assume that the indexation factor worked out under section 59D on 20 March 2013 is 1.005. The brought-forward CPI indexation amount in relation to 20 March 2013 is 0.007 (as there has been no previous reduction). That indexation factor is reduced to 1 on 20 March 2013.

Further assume that on 20 September 2013 the indexation factor is 1.010. The brought-forward CPI indexation amount in relation to 20 September 2013 is 0.002. That indexation factor is reduced to 1.008 on 20 September 2013.

The brought-forward CPI indexation amount in relation to later indexation days is now 0 so there is no further reduction of the indexation factor.

Definition of brought-forward CPI indexation amount

(3) In this section:

brought-forward CPI indexation amount for a day means:

- (a) 0.007 less any reduction made under subsection (2) for an earlier day; or
- (b) 0 if the brought-forward PBLCI indexation amount for the day under section 198MB is 0.

198MB Adjustment of living cost indexation factor for limited time on and after 20 March 2013 for certain purposes

Application

- (1) This section applies for purposes connected with the following payments on or after 20 March 2013:
- (a) a service pension;
 - (b) a pension under Part II or IV at a rate determined under or by reference to section 22, 23 or 24 or subsection 30(1);
 - (c) Special Rate Disability Pension under the MRCA;
 - (d) compensation under Division 2 (Compensation for member's death for wholly dependent partners) of Part 2 of Chapter 5 of the MRCA.

Note 1: Section 198 of the MRCA sets Special Rate Disability Pension by reference to the rate of pension under section 24 of this Act (so indexation of amounts affecting that rate also affects that pension).

Section 198MB

Note 2: Division 2 of Part 2 of Chapter 5 of the MRCA sets compensation under that Division by reference to the rate of pension under subsection 30(1) of this Act (so indexation of amounts affecting that rate also affects the compensation).

Adjustment of living cost indexation factor

- (2) A living cost indexation factor that:
- (a) is worked out under section 59EAB on a day that is on or after 20 March 2013; and
 - (b) is directly or indirectly relevant to the indexation of an amount provided for by:
 - (i) subsection 22(3) or (4), 23(4) or 24(4); or
 - (ii) paragraph 30(1)(a) or (b); or
 - (iii) table item 2 of point SCH6-B1 of the Rate Calculator (which provides for the pension MBR mentioned in table item 1 of section 59A);

is, for the purposes of the indexation of such an amount on that day, to be reduced by the brought-forward PBLCI indexation amount, but not below 1.

- Note 1: A living cost indexation factor worked out under section 59EAB is indirectly relevant to the indexation of an amount provided for by subsection 22(3) or (4), 23(4) or 24(4) or paragraph 30(1)(b). This is because:
- (a) section 198 provides for indexation of such an amount by reference to the pension MBR factor worked out under section 59LA; and
 - (b) the pension MBR factor depends on the increase in the single pension rate MBR amount, which in turn depends (under section 59G) on indexation of the pension MBR amount under section 59C, which may involve the living cost indexation factor worked out under section 59EAB.
- Note 2: A living cost indexation factor worked out under section 59EAB is indirectly relevant to the indexation of an amount provided for by paragraph 30(1)(a). This is because that amount is affected by indexation under section 59G, which in turn depends on indexation under section 59C.
- Note 3: Once the brought-forward PBLCI indexation amount becomes 0, there will be no further reduction of the living cost indexation factor.

Section 198N

Example: Assume that the living cost indexation factor worked out under section 59EAB on 20 March 2013 is 1.005. The brought-forward PBLCI indexation amount in relation to 20 March 2013 is 0.007 (as there has been no previous reduction). That living cost indexation factor is reduced to 1 on 20 March 2013.

Further assume that on 20 September 2013 the living cost indexation factor is 1.010. The brought-forward PBLCI indexation amount in relation to 20 September 2013 is 0.002. That living cost indexation factor is reduced to 1.008 on 20 September 2013.

The brought-forward PBLCI indexation amount in relation to later indexation days is now 0 so there is no further reduction of the indexation factor.

Definition of brought-forward PBLCI indexation amount

(3) In this section:

brought-forward PBLCI indexation amount for a day means:

- (a) 0.007 less any reduction made under subsection (2) for an earlier day; or
- (b) 0 if the brought-forward CPI indexation amount for the day under section 198MA is 0.

198N Cancellation of entitlement to pension

- (1) This section applies if, because of subsection 4(6) or (8B) of the *Veterans' Entitlements (Transitional Provisions and Consequential Amendments) Act 1986*, a pension is payable to a person, including a pension whose rate has been reduced to nil.
- (2) Despite section 4 of that Act, the pension is not payable to the person on or after 22 September 2009.
- (3) However, the person is entitled to receive a lump sum payment, to be paid on or after 24 September 2009, equal to 3 years' worth of the pension, calculated according to the rate at which the person's last pension payment was paid.
- (4) Subsections (2) and (3) do not apply to a person who is paid a pension on the basis that the person was, at the time section 66 of

Section 199

the *Repatriation Legislation Amendment Act 1985* came into force, without adequate means of support.

199 Appropriation

- (a) pensions granted under Part II, III, IIIA or IV; and
- (aa) veteran payments; and
- (b) medical and other treatment services provided under Part V; and
- (ba) costs the Commission has accepted financial responsibility for as mentioned in subsection 84(3A); and
- (c) allowances and other pecuniary benefits granted under this Act, being allowances and benefits the rates or amounts of which, or the maximum rates or amounts of which, are fixed by, or calculated under:
 - (i) this Act; or
 - (ii) the regulations; or
 - (iii) any other legislative instrument made under this Act; and
- (d) assistance or benefits granted under section 106 that are of a similar nature to pensions referred to in paragraph (a), to services referred to in paragraph (b) or to allowances or benefits referred to in paragraph (c); and

- (e) payments made under Part VIIAB, and payments and benefits made under regulations made under that Part; and
- (f) amounts for the purpose of giving effect to arrangements entered into under section 203 (International arrangements).

200 Commission may accept contributions

- (1) The Commission may accept from a person contributions of money and other property made to it:

Section 201

- (a) for a purpose specified by the person, if application of the money or other property for that purpose is necessary or convenient to be done for, or in connection with, the performance of its functions or duties; or
 - (b) for application by the Commission, as it deems fit, for, or in connection with, the performance of its functions or duties.
- (2) Contributions accepted by the Commission in accordance with subsection (1) may be applied:
 - (a) if the person making the contribution specified that he or she desired the contribution to be applied for a particular purpose, for the benefit of a particular class of persons or for the benefit of a particular institution maintained by the Commission—for the purpose so specified; or
 - (b) in any other case—by the Commission as it deems fit, for, or in connection with, the performance of its functions or duties.
- (3) Subject to subsection (2), contributions accepted by the Commission in accordance with subsection (1) shall be dealt with as prescribed and, subject to the regulations (if any) prescribing the manner in which those contributions are to be dealt with, as determined by the Commission.

201 Commission may administer trusts

- (1) Subject to this section, the Commission may be appointed, and may in its corporate name, act as, trustee:
 - (a) under a will, settlement or other instrument creating a trust for the benefit of veterans, dependants of veterans, or other persons who were dependent on veterans; or
 - (b) under the will of a veteran creating a trust for beneficiaries under that will.
- (2) The Commission may decline to accept, or accept subject to such conditions as it deems fit, a trust or appointment to act as trustee.
- (3) Where the Commission accepts appointment as trustee of a trust, the Commission:

Section 201

- (a) has the same powers, duties and liabilities;
 - (b) is entitled to the same rights and immunities; and
 - (c) is subject to the same control by a court;as a natural person would have, be entitled to and be subject to if appointed to be, and acting as, trustee of that trust.
- (3A) Where the Commission is a trustee of 2 or more trusts under this section, the Commission may, subject to subsection (3B), for the purpose of investing the trust funds, pool the trust funds in respect of those trusts.
- (3B) The Commission shall not pool trust funds under subsection (3A), or invest trust funds pooled under that subsection, in a way that prevents the trust funds held in respect of each trust being identified sufficiently to enable the Commission properly to perform its functions as trustee.
- (3C) The Commission may:
 - (a) make an arrangement with another person for the other person to manage the trust funds; and
 - (b) for the purposes of such an arrangement, transfer the trust funds to the other person;but the making of such an arrangement, or the transferring of the trust funds, does not relieve the Commission of any duties or liabilities as trustee.
- (4) The regulations may make provision for and in relation to the investment of moneys vested in the Commission as trustee pending application in accordance with the trust or for the purpose of deriving income for application in accordance with the trust.
- (5) In this section:
 - trust funds**, in relation to a trust of which the Commission is the trustee, means moneys vested in the Commission as trustee.
 - veteran** includes:
 - (a) a Commonwealth veteran; and
 - (b) an allied veteran; and

Section 202

- (c) an Australian mariner; and
- (d) an allied mariner; and
- (e) a member of the Forces, or a member of a Peacekeeping Force, as defined by subsection 68(1).

202 Appointment of trustees

- (1) Where the Commission is satisfied that, having regard to the age, infirmity, ill health or improvidence of a person (the *primary person*), it is desirable that payment of a pension, veteran payment or allowance payable to the primary person be made to another person as trustee for the primary person, the Commission may, by instrument in writing, appoint a person to be the trustee, or itself assume the office of trustee, of instalments of the pension, veteran payment or allowance, upon trust to apply them as provided in this section.
- (2) Where an instrument is in force under subsection (1) in respect of a pension, veteran payment or allowance payable to the primary person:
