## **Chapter 2—Pensions, benefits and allowances**

### **Part 2.12A—Mature age (pre-1 July 1996) allowances**

#### **Division 1—Application of Part**

##### **660XAA Structure of Part**

Part 2.12A deals with 2 payment types, mature age allowance and mature age partner allowance:

- Division 1 deals with the application of this Part.
- Divisions 2, 3 and 11 are divided into Subdivisions that deal with either mature age allowance or mature age partner allowance.
- Divisions 4 to 10 and 12 also deal with both mature age allowance and mature age partner allowance. The sections in those Divisions usually apply to both allowances (eg section 660XDA). However, sometimes a section is divided into subsections dealing with only one of the allowances (eg section 660XDG).

##### **660XAB Time limits on claims of mature age allowance and grant of mature age partner allowance**

- (1) In spite of any other provision of this Part, other than section 660XJO, a person is not to be granted a mature age allowance under this Part unless:
  - (a) the person's claim for the allowance was lodged on or before 30 June 1996; and
  - (b) the person qualified for the allowance on or before that date.
- (2) In spite of any other provision of this Part or any provision of the Administration Act, other than section 85, a person is not to be granted a mature age partner allowance unless:

**Section 660XAB**

---

- (a) the person's claim for the allowance is lodged on or before 30 June 1995; and
  - (b) the person qualifies for the allowance on or before 30 June 1995.
- (2A) For the purposes of paragraph (1)(a), if subsection 660XCC(2) applies, the person is taken to have lodged his or her claim on the day on which the person makes his or her initial claim.
- (3) For the purposes of paragraph (2)(a), if section 15 of the Administration Act applies, the person is taken to have lodged his or her claim on the day on which the person makes his or her initial claim.
- (4) In subsection (3):  
*initial claim* has the same meaning as in section 15 of the Administration Act.

## **Division 2—Qualification for mature age allowance and mature age partner allowance**

### **Subdivision A—Qualification for mature age allowance**

#### **660XBA Qualification for mature age allowance**

- (1) A person is qualified for mature age allowance if the person:

whichever happens first.

Section 660YCI

---

Note 2: For the imposition of a period of non-payment of newstart allowance see Subdivision F of Division 1 of Part 2.12 and section 634.

Note 3: For the imposition of a period of non-payment of partner allowance see paragraph 771HC(1)(b).

**660YCJ Allowance not payable if assets value limit exceeded**

- (1) A mature age allowance is not payable to a person if the value of the person's assets is greater than the person's assets value limit.
- (2) A person's assets value limit is calculated by working out which family situation in column 2 of the following Table applies to the person; the assets value limit is the corresponding amount in column 3.

<b>Assets value limit table</b>			
<b>Column 1</b>	<b>Column 2</b>	<b>Column 3</b>	
		<b>Assets value limit</b>	
<b>Item</b>	<b>Person's family situation</b>	<b>Column 3A</b>	<b>Column 3B</b>
		<b>Either the person or the partner is a homeowner</b>	<b>Neither the person nor the partner is a homeowner</b>
1.	Not member of a couple	\$118,000	\$202,000
2.	Partnered (partner getting neither pension nor allowance)	\$167,500	\$251,500

Section 660YCK

<b>Assets value limit table</b>			
<b>Column 1</b>	<b>Column 2</b>	<b>Column 3</b>	
<b>Item</b>	<b>Person's family situation</b>	<b>Assets value limit</b>	
		<b>Column 3A</b> <b>Either the person or the partner is a homeowner</b>	<b>Column 3B</b> <b>Neither the person nor the partner is a homeowner</b>
3.	Partnered (partner getting pension or allowance)	\$83,750	\$125,750
Note 1:	For <i>members of a couple, partnered (partner getting neither pension nor allowance)</i> and <i>partnered (partner getting pension or allowance)</i> see section 4.		
Note 2:	For <i>homeowner</i> see section 11.		
Note 3:	If item 2 applies to a person, the value of <i>all</i> the assets of the person's partner is to be taken as being included in the value of the person's assets (see subsection 660YCK(1))—this is why the assets value limit is so high. If, on the other hand, item 3 applies to a person, the value of the person's assets is only <i>half</i> the combined value of the person's assets and the assets of the person's partner (see subsection 660YCK(2)).		
Note 4:	If a mature age allowance is not payable to a person because of the value of the person's assets, the person may be able to take advantage of provisions dealing with financial hardship (see sections 1131 and 1132).		
Note 5:	The assets value limits of items 1 and 3 in column 3A and item 3 in column 3B are indexed annually in line with CPI increases (see sections 1191 to 1194).		
Note 6:	The assets value limit of item 1 in column 3B is adjusted annually (see subsection 1204(1)).		
Note 7:	The assets value limits of item 2 are adjusted annually so that they are twice the corresponding item 3 limits (see subsections 1204(2) and (3)).		

**660YCK Value of assets of members of couples**

- (1) If:
- (a) a person is a member of a couple; and

Section 660YCL

---

- (b) the person's partner is not in receipt of an income support payment;  
the value of the person's assets, or of assets of a particular kind of the person, includes the value of the partner's assets or of assets of that kind of the partner.
- (2) If:
  - (a) a person is a member of a couple; and
  - (b) the person's partner is in receipt of an income support payment;the following paragraphs apply:
  - (c) the value of the person's assets is taken to be 50% of the sum of the value of the assets of the person and the value of the assets of the person's partner; and
  - (d) the value of the person's assets of a particular kind is taken to be 50% of the sum of the value of the assets of that kind of the person and the value of the assets of that kind of the person's partner.

Note: For *income support payment* see subsection 23(1).

**660YCL Seasonal workers**

- (1) This section applies if, at any time during the 6 months immediately before the day on which a person lodges a claim for mature age allowance, the person, or, if the person is a member of a couple, the person or the person's partner, has been engaged in seasonal work.

Note: For *seasonal work* see subsection 16A(1).

- (2) Mature age allowance is not payable to the person:
  - (a) if the person is subject to a seasonal work preclusion period (whether in relation to the claim referred to in subsection (1) or any other claim under this Act) and the Secretary has not made a determination under subsection (3) in relation to the person—for the person's seasonal work preclusion period; or
  - (b) if the Secretary has made a determination under subsection (3) in relation to the person—for that part (if any)

Section 660YCL

---

of the person's seasonal work preclusion period to which the person is subject as a result of the determination.

Note: For *seasonal work preclusion period* see subsection 16A(1).

- (3) If the Secretary is satisfied that a person is in severe financial hardship because the person has incurred unavoidable or reasonable expenditure while the person is subject to a seasonal work preclusion period (whether in relation to the claim referred to in subsection (1) or any other claim under this Act):
- (a) the Secretary may determine that the person is not subject to the whole, or any part, of the preclusion period; and
  - (b) the determination has effect accordingly.

Note 1: For *in severe financial hardship* see subsection 19C(2) (person who is not a member of a couple) and subsection 19C(3) (person who is a member of a couple).

Note 2: For *unavoidable or reasonable expenditure* see subsection 19C(4).

## Division 6—Rate of mature age allowance

### 660YFA How to work out a person's mature age allowance

A person's mature age allowance rate is worked out by using Benefit Rate Calculator B at the end of section 1068 (see Part 3.6).

### 660YGI CDEP Scheme participant may accumulate mature age allowance

- (1) A person who is a CDEP Scheme participant in respect of the whole or a part of a quarter may, by written notice given to the Secretary, choose to accumulate the amounts of any mature age allowance that become payable to the person in respect of that quarter, or any later quarter in respect of the whole or a part of which the person is a CDEP Scheme participant, and have not already been paid.
- (2) If a person to whom subsection (1) applies makes a choice under that subsection, the sum of the accumulated amounts payable to the person in respect of a quarter is to be paid on, or as soon as practicable after, the first payday after:
  - (a) unless paragraph (b) applies, the last day of the quarter; or
  - (b) if the person ceases to be a CDEP Scheme participant before the end of the quarter—the day on which the person so ceases.
- (3) In this section:

***quarter*** means a CDEP Scheme quarter.

Note 1: For ***CDEP Scheme participant*** see section 1188B.

Note 2: For ***CDEP Scheme quarter*** see subsection 23(1).

## **Division 11—Bereavement payments**

### **Subdivision A—Preliminary**

#### **660YKA Surviving partner and deceased partner**

If:

- (a) a person is receiving mature age allowance; and
- (b) the person's partner dies;

then, for the purposes of this Division:

- (c) the person is the surviving partner; and
- (d) the person's partner is the deceased partner.

### **Subdivision B—Continuation of mature age allowance following death of recipient's partner**

#### **660YKB Continuation of mature age allowance for bereavement period**

- (1) This section applies if:
  - (a) a person is receiving mature age allowance; and
  - (b) the person's partner dies; and
  - (c) immediately before the deceased partner died, the partner:
    - (i) was a long-term social security recipient; or
    - (ii) was receiving a social security pension, a service pension or income support supplement; and
  - (d) immediately before the deceased partner died, the surviving partner was a long-term social security recipient.
- (2) The surviving partner remains qualified for mature age allowance during the bereavement period as if:
  - (a) the deceased partner had not died; and
  - (b) the deceased partner had continued to receive an income support payment; and
  - (c) the surviving partner and the deceased partner had continued to be members of a couple.

Section 660YKC

---

- (3) The surviving partner's mature age allowance rate during the bereavement rate continuation period is the rate that would have been payable to the surviving partner if:
  - (a) the deceased partner had not died; and
  - (b) if the couple had been an illness separated couple or a respite care couple—they had not been such a couple.
- (4) The surviving partner's mature age allowance rate during the bereavement lump sum period (if any) is the rate at which mature age allowance would have been payable to the surviving partner if he or she was not a member of a couple.

Note 1: For *long-term social security recipient* see subsection 23(1).

Note 2: For *bereavement period*, *bereavement rate continuation period* and *bereavement lump sum period* see section 21.

Note 3: For *illness separated couple* and *respite care couple* see subsections 4(7) and 4(8) respectively.

Note 4: For *income support payment* see subsection 23(1).

**Subdivision C—Bereavement payments for person receiving mature age allowance following death of the person's partner**

**660YKC Qualification for payments under this Subdivision**

- (1) If:
  - (a) a person is receiving mature age allowance; and
  - (b) the person's partner dies; and
  - (c) immediately before the deceased partner died, the partner:
    - (i) was a long-term social security recipient; or
    - (ii) was receiving a social security pension, a service pension or income support supplement; and
  - (d) immediately before the deceased partner died, the surviving partner was a long-term social security recipient; and
  - (e) on the person's payday immediately before the first available bereavement adjustment payday, the amount that would be payable to the person if the person were not qualified for payments under this Subdivision is less than the sum of:

Section 660YKD

---

- (i) the amount that would otherwise be payable to the person under section 660YKB (person's continued rate) on that payday; and
- (ii) the amount that would otherwise be payable to the person under section 660YKD (continued payment of partner's pension or benefit) on the partner's payday immediately before the first available bereavement adjustment payday;

the surviving partner is qualified for payments under this Subdivision to cover the bereavement period.

Note 1: Section 660YKD provides for the payment to the surviving partner, up to the first available bereavement adjustment payday, of amounts equal to the instalments that would have been paid to the deceased partner during that period if the partner had not died.

Note 2: Section 660YKE provides for payment to the surviving partner of a lump sum that represents the instalments that would have been paid to the deceased partner, between the first available bereavement adjustment payday and the end of the bereavement period, if the deceased partner had not died.

Note 3: For *bereavement period* see section 21.

- (2) A surviving partner who is qualified for payments under this Subdivision may choose not to receive payments under this Subdivision.
- (3) An election under subsection (2):
  - (a) must be made by written notice to the Secretary; and
  - (b) may be made after the surviving partner has been paid an amount or amounts under this Subdivision; and
  - (c) cannot be withdrawn after the Department has taken all the action required to give effect to that election.

**660YKD Continued payment of deceased partner's previous entitlement**

If a surviving partner is qualified for payments under this Subdivision in relation to the death of the deceased partner, there is payable to the surviving partner, on each of the deceased partner's paydays in the bereavement rate continuation period, an amount

Section 660YKE

---

equal to the amount that would have been payable to the deceased partner on that payday if he or she had not died.

Note: For *bereavement rate continuation period* see section 21.

**660YKE Lump sum payable in some circumstances**

If:

- (a) a surviving partner is qualified for payments under this Subdivision in relation to the death of the deceased partner; and
- (b) the first available bereavement adjustment payday occurs before the end of the bereavement period;

there is payable to the surviving partner as a lump sum an amount worked out using the following Lump Sum Calculator:

**LUMP SUM CALCULATOR**

This is how to work out the amount of the lump sum:

*Method statement*

Step 1. Work out the amount that would have been payable to the surviving partner on the surviving partner's payday immediately before the first available bereavement adjustment payday if:

- (a) the deceased partner had not died; and
- (b) if immediately before the partner's death the couple were an illness separated couple or a respite care couple—they were not such a couple.

Note: For *illness separated couple* and *respite care couple* see subsections 4(7) and 4(8) respectively.

Step 2. Work out the amount that would have been payable to the deceased partner on the deceased partner's payday immediately before the first available bereavement adjustment payday if:

Section 660YKE

- (a) the deceased partner had not died; and
- (b) if immediately before the partner's death the couple were an illness separated couple or a respite care couple—they were not such a couple.

Note: For *illness separated couple* and *respite care couple* see subsections 4(7) and 4(8) respectively.

Step 3. Add the results of Step 1 and Step 2: the result is called the ***combined rate***.

Step 4. Work out the amount of mature age allowance that would have been payable to the surviving partner on the surviving partner's payday immediately before the first available bereavement adjustment payday if:

- (a) mature age allowance had been payable to the surviving partner on that payday; and
- (b) the surviving partner was not a member of a couple on that payday:

the result is called the ***surviving partner's notional rate***.

Step 5. Take the surviving partner's notional rate away from the combined rate: the result is called the ***deceased partner's instalment component***.

Step 6. Work out the number of the deceased partner's paydays in the bereavement lump sum period.

Step 7. Multiply the deceased partner's instalment component by the number obtained in Step 6: the result is the amount of the lump sum payable to the surviving partner under this section.

Note: For *bereavement period*, *bereavement lump sum period* and *first available bereavement adjustment payday* see section 21.

Section 660YKF

---

**660YKF Effect of death of surviving partner**

If:

- (a) a surviving partner is qualified for payments under this Subdivision in relation to the death of the deceased partner; and
- (b) the surviving partner dies within the bereavement period; and
- (c) the Secretary does not become aware of the death of the deceased partner before the surviving partner dies;

there is payable, as a lump sum, to any person that the Secretary thinks appropriate, an amount worked out using the following Lump Sum Calculator:

**LUMP SUM CALCULATOR**

This is how to work out the amount of the lump sum:

*Method statement*

Step 1. Work out the amount that would have been payable to the surviving partner on the surviving partner's payday immediately after the day on which the surviving partner died if:

- (a) neither the surviving partner nor the deceased partner had died; and
- (b) if immediately before the deceased partner's death the couple were an illness separated couple or a respite care couple—they were not such a couple.

Note: For *illness separated couple* and *respite care couple* see subsections 4(7) and 4(8) respectively.

Section 660YKF

---

Step 2. Work out the amount that would have been payable to the deceased partner on the deceased partner's payday immediately after the day on which the surviving partner dies if:

- (a) neither the surviving partner nor the deceased partner had died; and
- (b) if immediately before the deceased partner's death the couple were an illness separated couple or a respite care couple—they were not such a couple.

Note: For *illness separated couple* and *respite care couple* see subsections 4(7) and 4(8) respectively.

Step 3. Add the results of Step 1 and Step 2: this result is called the ***combined rate***.

Step 4. Work out the amount of mature age allowance that would have been payable to the surviving partner on the surviving partner's payday immediately after the day on which the surviving partner died if:

- (a) mature age allowance had been payable to the surviving partner on that payday; and
- (b) the surviving partner was not a member of a couple on that payday:

the result is called the ***surviving partner's notional rate***.

Step 5. Take the surviving partner's notional rate away from the combined rate: the result is called the ***deceased partner's instalment component***.

Section 660YKG

---

- Step 6. Work out the number of the surviving partner's paydays in the period that starts on the day on which the surviving partner dies and ends on the day on which the bereavement period ends.
- Step 7. Multiply the deceased partner's instalment component by the number obtained in Step 6: the result is the amount of the lump sum payable under this section.

Note: For *bereavement period* and *first available bereavement adjustment payday* see section 21.

**660YKG Matters affecting payments under this Subdivision**

(1) If:

- (a) the surviving partner is qualified for payments under this Subdivision; and
- (b) after the deceased partner died, an amount to which the deceased partner would have been entitled if he or she had not died has been paid under this Act or under Part III of the Veterans' Entitlements Act; and
- (c) the Secretary is not satisfied that the surviving partner had not had the benefit of that amount;

the following provisions have effect:

- (d) the amount referred to in paragraph (b) is not recoverable from the surviving partner or from the personal representative of the deceased partner, except to the extent (if any) to which the amount is greater than the amount payable to the surviving partner under this Subdivision;

Note: For *bereavement period* see section 21.

**Subdivision D—Bereavement payment in respect of former CDEP Scheme participant**

**660YKH Calculation of bereavement payment in respect of former CDEP Scheme participant**

1.	Not member of a couple	\$110,750	\$190,250
2.	Partnered (partner getting neither pension nor benefit)	\$157,500	\$237,000
3.	Partnered (partner getting pension or benefit)	\$78,750	\$118,500

Note 1: for *member of a couple, partnered (partner getting neither pension nor benefit)* and *partnered (partner getting pension or benefit)* see section 4.

Note 2: for *homeowner* see section 11.

Note 3: if item 2 applies to a person, the value of *all* the assets of the person's partner is to be taken as being included in the value of the person's assets (see subsection 681(1)—this is why the assets value limit is so high. If, on the other hand, item 3 applies to a person, the value of the person's assets is only *half* the combined value of the person's assets and the assets of the person's partner (see subsection 681(2)).

Note 4: if a sickness allowance is not payable to a person because of the value of the person's assets, the person may be able to take advantage of provisions dealing with financial hardship (sections 1131 and 1132).

Note 5: the assets value limits of items 1 and 3 in column 3A and item 3 in column 3B are indexed annually in line with CPI increases (see sections 1191 to 1194).

Note 6: the assets value limit of item 1 in column 3B is adjusted annually (see subsection 1204(1)).

Note 7: the item 2 assets value limits are adjusted annually so that they are twice the corresponding item 3 limits (see subsections 1204(2) and (3)).

Section 681

---

Note 1: For *armed services widow* and *armed services widower* see subsection 4(1).

Note 2: For *MRCA* see subsection 23(1).

- (5) Sickness allowance is not payable to a person for a period if a payment has been or may be made in respect of the person for that period under:
- (a) a prescribed educational scheme other than the ABSTUDY Scheme to the extent that it applies to part-time students; or

- (6) If:
- (a) a person starts a full-time course of education; and

- (b) a payment under a scheme referred to in subsection (5) may be made in respect of the person;

- (7) Sickness allowance is not payable to a person in respect of a period if the person is a CDEP Scheme participant in respect of the whole or any part of the period.

### **Subdivision C—Situations where allowance not payable (waiting periods)**

#### **693 Ordinary waiting period**

A person is subject to an ordinary waiting period unless:

- (a) at some time in the 13 weeks immediately before the person's start day, the person received an income support payment; or

Note: For *income support payment* see subsection 23(1).

- (e) the following conditions apply:

  - (ii) the person's partner dies;
  - (iii) immediately before the partner's death, the person was receiving a partner allowance;

Note 2: For *social security benefit* see subsection 23(1).

Note 3: For *social security pension* see subsection 23(1).

Note 4: For *service pension* see subsection 23(1).

Note 5: For *in severe financial hardship* see subsection 19C(2) (person who is not a member of a couple) and 19C(3) (person who is a member of a couple).

Section 694

---

**694 Duration of ordinary waiting period**

(1) If a person:

- (a) is subject to an ordinary waiting period; and
- (c) is not disqualified for sickness allowance under section 676 (liquid assets test);

the ordinary waiting period is the period of 7 days that starts on the person's start day.

Note 3: If the person is subject to a newly arrived resident's waiting period, the newly arrived resident's waiting period runs concurrently with the ordinary waiting period.

(3) If a person:

- (a) is subject to an ordinary waiting period; and
- (c) is disqualified for sickness allowance under section 676 (liquid assets test);

the ordinary waiting period is the period of 7 days that starts on the day after the end of the period referred to in subsection 676(3).

(6) If:

- (a) after the commencement of this subsection, a person becomes unemployed and claims newstart allowance; and
- (b) because of sections 620 and 621 (ordinary waiting period), newstart allowance is not payable to the person for a period starting on the day (the *applicable day*) applicable to the person under subparagraph (i) or (ii), as the case may be:
  - (i) if the person is not disqualified for newstart allowance under section 598 (liquid assets test)—the person's newstart allowance start day; or
  - (ii) if the person is disqualified for newstart allowance under section 598 (liquid assets test)—the day after the day on which the person's newstart allowance liquid assets waiting period ends; and

- (c) during that period the person becomes temporarily incapacitated for work and claims sickness allowance;

then, despite subsections (1), (2) and (3), the person's ordinary waiting period is a period of 7 days starting on the applicable day.

### **696B Newly arrived resident's waiting period**

- (1) Subject to this section, a person who:
- (a) has entered Australia on or after 1 January 1993; and
  - (b) has not been an Australian resident and in Australia for a period of, or periods totalling, 104 weeks;
- is subject to a newly arrived resident's waiting period.

- (2) Subsection (1) does not apply to a person who has a qualifying residence exemption for a sickness allowance.

Note: For *qualifying residence exemption* see subsection 7(6).

- (3) Subsection (1) does not apply to a person:
- (a) if, immediately before this section commenced, the person had held a valid designated temporary entry permit for a continuous period of at least 26 weeks; or
  - (b) if:
    - (i) immediately before this section commenced, the person had held a valid designated temporary entry permit for a continuous period (*permit period*) of less than 26 weeks; and
    - (ii) that permit was continued in force as a temporary visa by regulations made under the *Migration Reform Act 1992*; and
    - (iii) the period during which that permit continued to be in force as a temporary visa together with the permit period is at least 26 weeks.

Note: For *designated temporary entry permit* see subsection 7(1).

- (5) Subsection (1) does not apply to a person if:
- (a) the person is already subject to a newly arrived resident's waiting period; or
  - (b) the person has already served a newly arrived resident's waiting period; or
  - (c) the person:
    - (i) has previously entered Australia before 1 January 1993; and

Section 696C

---

- (ii) held a permanent entry permit granted under the *Migration Act 1958* as then in force, or a permanent visa, before the person's last departure from Australia.
- (6) Subsection (1) does not apply to a person if:
  - (a) the person is a New Zealand citizen; and
  - (b) the person was an Australian resident on 1 February 2000.

**696C Duration of newly arrived resident's waiting period**

- (1) If a person is subject to a newly arrived resident's waiting period, the period starts on the day the person first became an Australian resident.
- (2) If:
  - (a) immediately before this section commenced, the person held a valid designated temporary entry permit; and
  - (b) that permit was continued in force as a temporary visa by regulations made under the *Migration Reform Act 1992*; and
  - (c) that temporary visa was in force immediately before the person was granted his or her permanent visa;the newly arrived resident's waiting period ends 26 weeks after the day on which the designated temporary entry permit was granted to the person.

Note: For *designated temporary entry permit* see subsection 7(1).

- (3) If subsection (2) does not apply, the newly arrived resident's waiting period ends when the person has been an Australian resident and in Australia for a period of, or periods totalling, 104 weeks.

Note: This rule does not apply to people who were already subject to, or had already served, a newly arrived resident's waiting period before the commencement of this rule. Clause 121 of Schedule 1A to this Act continues the application of the previous rules to those people.

**697 Seasonal workers—preclusion period**

- (1) This section applies if:
    - (a) a person has lodged a claim for sickness allowance; and
-

- (b) at any time during the 6 months immediately before the day on which the person lodged the claim, the person, or the person's partner, has been engaged in seasonal work.

Note: For **seasonal work** see subsection 16A(1).

- (2) Sickness allowance is not payable to the person:
  - (a) if the person is subject to a seasonal work preclusion period (whether in relation to the claim referred to in subsection (1) or any other claim under this Act) and the Secretary has not made a determination under subsection (3) in relation to the person—for the person's seasonal work preclusion period; or
  - (b) if the Secretary has made a determination under subsection (3) in relation to the person—for that part (if any) of the person's seasonal work preclusion period to which the person is subject as a result of the determination.

Note: For **seasonal work preclusion period** see subsection 16A(1).

- (3) If the Secretary is satisfied that a person is in severe financial hardship because the person has incurred unavoidable or reasonable expenditure while the person is subject to a seasonal work preclusion period (whether in relation to the claim referred to in subsection (1) or any other claim under this Act):
  - (a) the Secretary may determine that the person is not subject to the whole, or any part, of the preclusion period; and
  - (b) the determination has effect accordingly.

Note 1: For **in severe financial hardship** see subsection 19C(2) (person who is not a member of a couple) or subsection 19C(3) (person who is a member of a couple).

Note 2: For **unavoidable or reasonable expenditure** see subsection 19C(4).

## **Division 4—Rate of sickness allowance**

### **709 How to work out a person's sickness allowance rate**

A person's sickness allowance rate is to be worked out using Benefit Rate Calculator B at the end of section 1068.

**Division 9—Bereavement payments****Subdivision AA—Death of partner****728PA Qualification for payments under this Subdivision**

- (1) If:
- (a) a person is receiving a sickness allowance; and
  - (b) the person is a long-term social security recipient; and
  - (c) the person is a member of a couple; and
  - (d) the person's partner dies; and
  - (e) immediately before the partner died, the partner:
    - (i) was receiving a social security pension; or
    - (ii) was receiving a service pension or income support supplement; or
    - (iii) was a long-term social security recipient; and
  - (f) on the person's payday immediately before the first available bereavement adjustment payday, the amount that would be payable to the person if the person were not qualified for payments under this Subdivision is less than the sum of:
    - (i) the amount that would otherwise be payable to the person under section 728PD (person's continued rate) on that payday; and
    - (ii) the amount (if any) that would otherwise be payable to the person, under section 728PB (continued payment of partner's pension or allowance) on the partner's payday immediately before the first available bereavement adjustment payday;

the person is qualified for payments under this Subdivision to cover the bereavement period.

Note 1: section 728PB provides for the payment to the person, up to the first available bereavement adjustment payday, of amounts equal to the instalments that would have been paid to the person's partner during that period if the partner had not died.

Note 2: section 728PC provides for a lump sum that represents the instalments that would have been paid to the person's partner, between the first

**Section 728PB**

---

available bereavement adjustment payday and the end of the bereavement period, if the partner had not died.

Note 3: for *long-term social security recipient* see subsection 23(1).

- (2) A person who is qualified for payments under this Subdivision may choose not to receive payments under this Subdivision.
- (3) An election under subsection (2):
  - (a) must be made by written notice to the Secretary; and
  - (b) may be made after the person has been paid an amount or amounts under this Subdivision; and
  - (c) cannot be withdrawn after the Department has taken all the action required to give effect to that election.
- (4) If a person is qualified for payments under this Subdivision in relation to the partner's death, the rate at which sickness allowance is payable to the person during the bereavement period is, unless the person has made an election under subsection (2), governed by section 728PD.

**728PB Continued payment of partner's pension or benefit**

If a person is qualified for payments under this Subdivision in relation to the death of the person's partner, there is payable to the person, on each of the partner's paydays in the bereavement rate continuation period, an amount equal to the amount that would have been payable to the partner on that payday if the partner had not died.

**728PC Lump sum payable in some circumstances**

If:

- (a) a person is qualified for payments under this Subdivision in relation to the death of the person's partner; and
- (b) the first available bereavement adjustment payday occurs before the end of the bereavement period;

there is payable to the person as a lump sum an amount worked out using the lump sum calculator at the end of this section.

**LUMP SUM CALCULATOR**

This is how to work out the amount of the lump sum:

*Method statement*

Step 1. Add up:

- (a) the amount that, if the person's partner had not died, would have been payable to the person on the person's payday immediately before the first available bereavement adjustment payday; and
- (b) the amount (if any) that, if the partner had not died, would have been payable to the partner on the partner's payday immediately before the first available bereavement adjustment payday;

the result is called the *combined rate*.

Step 2. Work out the amount that, but for section 728PD, would have been payable to the person on the person's payday immediately before the first available bereavement adjustment payday: the result is called the *person's individual rate*.

Step 3. Take the person's individual rate away from the combined rate: the result is called the *partner's instalment component*.

Step 4. Work out the number of the partner's paydays in the bereavement lump sum period.

Step 5. Multiply the partner's instalment component by the number obtained in Step 4: the result is the amount of the lump sum payable to the person under this section.

Section 728PD

---

**728PD Adjustment of a person's sickness allowance rate**

If:

- (a) a person is qualified for payments under this Subdivision;  
and
- (b) the person does not elect under subsection 728PA(2) not to receive payments under this Subdivision;

the rate of the person's sickness allowance during the bereavement period is worked out as follows:

- (c) during the bereavement rate continuation period, the rate of sickness allowance payable to the person is the rate at which the allowance would have been payable to the person if the person's partner had not died;
- (d) during the bereavement lump sum period (if any), the rate at which sickness allowance is payable to the person is the rate at which the allowance would be payable to the person apart from this Subdivision.

**728PE Effect of death of person entitled to payments under this Subdivision**

If:

- (a) a person is qualified for payments under this Subdivision in relation to the death of the person's partner; and
- (b) the person dies within the bereavement period; and
- (c) the Secretary does not become aware of the death of the person's partner before the person dies;

there is payable, to such person as the Secretary thinks appropriate, as a lump sum, an amount worked out using the lump sum calculator at the end of this section.

**LUMP SUM CALCULATOR**

This is how to work out the amount of the lump sum:

*Method statement*

Step 1. Add up:

- (a) the amount that, if neither the person nor the person's partner had died, would have been payable to the person on the person's payday immediately after the day on which the person dies; and
- (b) the amount (if any) that, if neither the person nor the person's partner had died, would have been payable to the person's partner on the partner's payday immediately after the day on which the person died;

the result is called the *combined rate*.

Step 2. Work out the amount that, but for section 728PD, would have been payable to the person on the person's payday immediately after the day on which the person died if the person had not died: the result is called the *person's individual rate*.

Step 3. Take the person's individual rate away from the combined pensioner couple rate: the result is called the *partner's instalment component*.

Step 4. Work out the number of paydays of the partner in the period that commences on the day on which the person dies and ends on the day on which the bereavement period ends.

**Section 728PF**

---

Step 5. Multiply the partner's instalment component by the number obtained in Step 4: the result is the amount of the lump sum payable under this section.

**728PF Matters affecting payments under this Subdivision**

(1) If:

- (a) a person is qualified for payments under this Subdivision in relation to the death of the person's partner; and
- (b) after the person's partner died, an amount to which the partner would have been entitled if the partner had not died has been paid under this Act or under Part III or IIIA of the Veterans' Entitlements Act; and
- (c) the Secretary is not satisfied that the person has not had the benefit of that amount;

the following provisions have effect:

- (d) the amount referred to in paragraph (b) is not recoverable from the person or from the personal representative of the person's partner, except to the extent (if any) that the amount exceeds the amount payable to the person under this Subdivision;
- (e) the amount payable to the person under this Subdivision is to be reduced by the amount referred to in paragraph (b).

(2) If:

- (a) a person is qualified for payments under this Subdivision in relation to the death of the person's partner; and
- (b) the amount to which the person's partner would have been entitled if the person's partner had not died has been paid under this Act or under Part III or IIIA of the Veterans' Entitlements Act, within the bereavement period, into an account with a bank; and
- (c) the bank pays to the person, out of the account, an amount not exceeding the total of the amounts paid as mentioned in paragraph (b);

the bank is, in spite of anything in any other law, not liable to any action, claim or demand by the Commonwealth, the personal

## **Part 2.15—Special benefit**

### **Division 1—Qualification for and payability of special benefit**

#### **Subdivision A—Qualification**

#### **729 Qualification for special benefit**

- (1) A person is qualified for a special benefit for a period if the Secretary determines, in accordance with subsection (2), that a special benefit should be granted to the person for the period.

Note: special benefit is a discretionary benefit and is available only to a person who is not able to get any other income support payment (see paragraphs (2)(a) and (b) below).

- (2) The Secretary may, in his or her discretion, determine that a special benefit should be granted to a person for a period if:
- (a) no social security pension is payable to the person during the period; and
  - (b) no other social security benefit is payable to the person for the period; and
  - (bb) the person is not disqualified for a benefit PP (partnered) for the period solely because of the operation of section 500C (unemployment due to industrial action); and
  - (bc) the person is not disqualified from parenting payment for the period solely because of a failure to meet the requirement of paragraph 500(1)(c) or (1)(ca) (participation requirements); and
  - (bd) if the person is qualified for parenting payment but the payment is not payable to the person for the period—that result is not produced because of the operation of subsection 42P(1) (serious failures) or 42S(1) (unemployment non-payment periods) of the Administration Act; and
  - (c) the person is not disqualified for a newstart allowance for the period because of the operation of section 596; and

- (d) if the person is qualified for a newstart allowance but the allowance is not payable to the person for the period—that result is not produced because of the operation of one or more of the following:
  - (i) subsection 42P(1) of the Administration Act (serious failures);
  - (ii) subsection 42S(1) of the Administration Act (unemployment non-payment periods);
  - (iii) section 631 of this Act (person failing to comply with notification requirement);
  - (iv) section 633 of this Act (seasonal workers);

- (db) the person is not disqualified for an austudy payment for the period because the person fails to satisfy the activity test within the meaning of section 569; and
- (dc) youth allowance is not payable to the person for the period and that result is not because of the operation of:
  - (i) section 550B (youth allowance participation failure); or
  - (ia) section 551 (repeated failure); or
  - (ii) section 553B (move to an area of lower employment prospects); or
  - (iii) subsection 42P(1) (serious failures) or 42S(1) (unemployment non-payment periods) or section 81 of the Administration Act; and
- (dd) austudy payment is not payable to the person for the period and that result is not because of the operation of:
  - (i) section 576A (austudy participation failure); or
  - (ia) section 577 (repeated failure); or
  - (ii) section 81 of the Administration Act; and
- (e) the Secretary is satisfied that the person is unable to earn a sufficient livelihood for the person and the person's

(f) the person:

(i) is an Australian resident; or

(v) is the holder of a visa that is in a class of visas determined by the Minister for the purposes of this subparagraph; and

(g) if the person is:

(i) the holder of a visa included in a class of visas that is issued for temporary protection, humanitarian, or safe haven purposes and that is determined by the Minister to be a class of visas to which this subparagraph applies; and

(ii) a person to whom subsection (2A) applies; the person meets the additional criteria set out in paragraph (2B); and

(h) an assurance of support does not apply to the person at any time during the period (see subsection (2C)).

Note 1: for *Australian resident* see subsection 7(2).

(2A) For the purposes of paragraph (2)(g), the holder of a visa included in a class of visas that is issued for temporary protection, humanitarian, or safe haven purposes and that is determined by the Minister to be a class of visas to which subparagraph (2)(g)(i) applies is a person to whom that first-mentioned paragraph applies only if:

(a) the person would not qualify for disability support pension under section 94 or 95 if the person were an Australian resident; and

(b) the person has attained the minimum age for youth allowance as determined in accordance with subsection 543A(1) but has not attained pension age; and

(c) the person:

(i) claims, or has claimed, special benefit on or after 1 January 2003 that is not continuous with any previous grant of special benefit; or

- (2B) A person referred to in paragraph (2)(g) is qualified for special benefit in respect of a period only if, in addition to meeting any relevant requirement in paragraphs (2)(a) to (f):
  - (a) throughout the period, and for each period within the period, the person either:

  - (b) the person who gave the assurance was willing and able to provide an adequate level of support to the assuree; and
  - (c) it was reasonable for the assuree to accept that support.

Note: For **assurance of support** see subsection 23(1).

Section 729

---

- (2D) For the avoidance of doubt, if, at any time during the period for which special benefit is granted to a person, the person's circumstances change such that, if the person were to be making a claim for special benefit on the basis of the changed circumstances, the person would not be qualified for special benefit, special benefit ceases to be payable.
- (3) The Secretary is not to determine that a special benefit should be granted to a person for a period if the Secretary is satisfied that the benefit is not payable to the person for that period.
- (4) For the purposes of paragraph (2)(d), a newstart allowance is to be taken to be not payable to a person for a period because of the operation of a provision if:
  - (a) the person has claimed the allowance for the period and the allowance is not payable to the person because of the operation of the provision; or

Section 729A

---

- (6) If:
- (a) a person was receiving a social security pension, a service pension or income support supplement; and
  - (b) the person claims a special benefit within 14 days of the day on which the last instalment of the person's pension was paid; and
  - (c) the person becomes qualified for a special benefit at some time during the 14 day period but after the first day of that period;
- the person is taken to be qualified for a special benefit for the whole of the 14 day period.

Note: subsection (6) operates when a person transfers from a pension to a special benefit and the person is not qualified for a special benefit immediately after the day on which the person's last instalment of pension is paid. The subsection deems the person to be so qualified. As a result, the person may be paid a special benefit for the period beginning on the day after the day on which the person's last instalment of pension was paid. The subsection aims to ensure that there is minimal disruption to a person's payments when a person transfers from a pension to a special benefit.

**729A Time limit on qualification for certain recipients of special benefit**

- (1) This section applies to a person who is receiving special benefit if:
- (a) the person's maximum benefit period is 13 weeks or less; and
  - (b) the Secretary determines that this section should apply to the person.
- (2) The *maximum benefit period* for a person is the period specified in the determination granting the person's claim for special benefit as the maximum period for which the special benefit is payable to the person.
- (3) If:
- (a) the section applies to a person; and
  - (b) the Secretary is satisfied that the person's qualification for special benefit will continue after the end of the person's maximum benefit period; and

**Section 729AA**

---

  - (a) the Secretary has determined that special benefit should be granted to the person for a period of not more than 13 weeks under subsection (3) or this subsection; and
  - (b) the Secretary is satisfied that the person's qualification for special benefit will continue after the end of that period; and
  - (c) the Secretary determines that this subsection should apply to the person;  
the Secretary may determine that special benefit should be granted to the person for a further period of not more than 13 weeks.

**729AA Effect of industrial action on qualification conditions of certain claimants for special benefit**

- (1) A person who:
  - (a) has claimed special benefit; and
  - (b) is:

    - (ii) a person to whom subsection 729(2A) applies;is not, for the purposes of paragraph 729(2)(e), taken to be unable to earn a sufficient livelihood for the person and the person's dependants (if any) if:

  - (d) that cessation is attributable to the person's being, or having been, engaged in industrial action, or in a series of industrial actions.

Section 729B

---

- (2) Subsection (1) does not apply in relation to a person if the Secretary is satisfied that:
  - (a) the person's unemployment or the effect on the person's level of income was due to other people being, or having been, engaged in industrial action or in a series of industrial actions; and
  - (b) the people or some of the people were members of a trade union that was involved in the industrial action; and
  - (c) the person was not a member of the trade union during the period of the industrial action.
- (3) Subject to subsection (4), subsections (1) and (2) do not prevent a person from being qualified for special benefit in respect of a period that occurs after the relevant industrial action or series of industrial actions has stopped.
- (4) If the relevant industrial action or series of industrial actions is in breach of an order, direction or injunction issued by:
  - (a) a prescribed State industrial authority within the meaning of the *Fair Work Act 2009*; or
  - (b) the Fair Work Commission or the Australian Industrial Relations Commission; or
  - (c) the Federal Court of Australia; or
  - (d) the Federal Circuit Court of Australia;a person is not qualified for special benefit in respect of a period unless that period occurs 6 weeks or more after the relevant industrial action or series of industrial actions has stopped.

**729B Certain recipients of special benefit cease to be qualified for special benefit after 52 weeks**

- (1) A person to whom subsection 729A(4) applies ceases to be qualified for special benefit if the person has received special benefit in respect of the immediately preceding period of 52 weeks.
- (2) The Secretary may make a written determination that subsection (1) does not apply to a person if the Secretary is satisfied:

**Section 729C**

---

- (a) that the person's qualification for special benefit will end during the next 13 weeks; or
- (b) that the person's qualification for special benefit will continue after the end of the period of 65 weeks commencing on the person's start day.

**729C Consequence of subsection 729B(2) determination**

- (1) If the Secretary:
  - (a) is satisfied of the matter mentioned in paragraph 729B(2)(a); and
  - (b) makes a determination under subsection 729B(2) in relation to a person;then the person ceases to be qualified for special benefit if:
  - (c) the person has received special benefit in respect of the immediately preceding 65 weeks; and
  - (d) the Secretary is satisfied that this subsection should apply to the person.
- (2) If the Secretary:
  - (a) is satisfied of the matter mentioned in paragraph 729B(2)(b); and
  - (b) makes a determination under subsection 729B(2) in relation to a person;the Secretary may determine that special benefit should be granted to the person for a period.

**730 Determination of period**

The period determined by the Secretary under subsection 729(2) is not to begin before the person's start day.

**Subdivision AA—Activity test for certain nominated visa holders**

**731 Application of Subdivision**

This Subdivision applies to a person who is:

---

Section 731A

---

- (a) the holder of a visa that is included in a class of visas that is issued for temporary protection, humanitarian, or safe haven purposes and that is determined by the Minister to be a class of visas to which subparagraph 729(2)(g)(i) applies; and
- (b) a person to whom subsection 729(2A) applies.

**731A Activity test**

- (1) Subject to subsection (2), a person to whom this Subdivision applies satisfies the activity test in respect of a period, whether it is the period of the grant of special benefit or a period within that period, if the person satisfies the Secretary that, throughout the period, the person is:
  - (a) actively seeking; and
  - (b) willing to undertake;  
paid work in Australia other than unsuitable paid work within the meaning of section 731B.
- (7) A person to whom this Subdivision applies also satisfies the activity test in respect of a period if:
  - (a) the Secretary is of the opinion that, throughout the period, the person should undertake particular paid work, other than unsuitable paid work within the meaning of section 731B; and
  - (b) the Secretary notifies the person that the person is required to act in accordance with the opinion; and
  - (c) the person complies, throughout the period, with the Secretary's requirement.
- (8) To avoid doubt, the work that the person is required to undertake under subsection (7) may involve a number of hours per week that differs from the number of hours of work per week that the person is required to seek to comply with a Special Benefit Employment Pathway Plan that is in force in relation to the person.
- (9) A person cannot be taken to satisfy the activity test throughout a period if the person fails to comply with a requirement under subsection (7):

**Section 731B**

---

- (a) whether or not the person complies with subsection (1) or (11); and
  - (b) whether or not another provision of this Act under which the activity test is satisfied, or taken to be satisfied, applies (or would apart from this section apply) to the person.
- (11) A person to whom this Subdivision applies also satisfies the activity test in respect of a period if:
  - (a) throughout the period, the person complies with the terms of a Special Benefit Employment Pathway Plan that is in force in relation to the person; and
  - (b) either:
    - (i) the person is included in a class of persons specified in an instrument made under subsection (11A); or
    - (ii) the Secretary determines that the person should be taken to satisfy the activity test in respect of that period.
- (11A) The Secretary may, by legislative instrument, specify classes of persons for the purposes of subparagraph (11)(b)(i).
- (12) If a person to whom this Subdivision applies fails to comply, throughout a period, with a requirement in a Special Benefit Employment Pathway Plan that is in force in relation to the person, the person cannot be taken to satisfy the activity test in respect of the period in spite of any compliance of the person with subsection (1).

**731B Meaning of unsuitable work for the purposes of the activity test**

- (1) For the purposes of subsection 731A(1) and paragraph 731A(7)(a), particular paid work is unsuitable paid work in respect of a person if and only if, in the Secretary's opinion:
  - (a) the person lacks the particular skills, experience or qualifications that are needed to perform the work and no training will be provided by the employer; or
  - (b) it has been established that there is medical evidence that the person has an illness, disability or injury that would be

Section 731B

---

aggravated by the conditions in which the work would be performed; or

- (ba) the person is the principal carer for one or more children, and does not have access to appropriate care and supervision for the children at the times when the person would be required to undertake the work; or

Note: For *principal carer* see subsections 5(15) to (24).

- (c) performing the work in the conditions in which the work would be performed would constitute a risk to health or safety and would contravene a law of the Commonwealth, a State or a Territory relating to occupational health and safety; or
- (e) the terms and conditions for the work would be less generous than the applicable statutory conditions; or
- (g) commuting between the person's home and the place of work would be unreasonably difficult; or
- (h) the work requires the person to move from a home in a place to a home in another place; or
- (i) for any other reason, the work is unsuitable for the person.
- (1A) A person has, for the purposes of paragraph (1)(ba), access to appropriate care and supervision for a child at a particular time if, at that time:
- (a) the child could be provided with care by an approved child care service (within the meaning of the Family Assistance Administration Act), and provision of that care would, in the Secretary's opinion, be appropriate in the circumstances; or
- (b) the child could be provided with other care that the person considers to be suitable; or
- (c) the child could be attending school, and attendance at that school would, in the Secretary's opinion, be appropriate in the circumstances.
- (1B) For the purposes of paragraph (1)(ba), a time when the person would be required to undertake the work includes reasonable amounts of time that would be needed for the person to travel from the person's home to the place of work and from the place of work to the person's home.

Section 731B

---

(1C) The Secretary must, by legislative instrument, determine matters that the Secretary must take into account in deciding whether, for the purposes of paragraph (1)(i), particular paid work is unsuitable for a person.

(1D) To avoid doubt, a determination under subsection (1C) does not limit the matters that the Secretary may take into account in deciding whether, for the purposes of paragraph (1)(i), particular paid work is unsuitable for a person.

(2) If:

(a) a person seeks work in an area (the *new area*) that is outside the area (the *old area*) in which the person's home is situated; and

(b) the person is offered permanent full-time work (whether or not work of the kind sought) in the new area;

the work offered is not unsuitable work in respect of the person because of paragraph (1)(g) or (h) unless:

(c) the person is under the age of 18; or

(d) the person or the person's partner is pregnant; or

(e) the person or the person's partner has a severe medical condition and the condition makes it unreasonable for the person to accept the offer; or

(f) the acceptance of the offer would jeopardise the current employment, or the employment prospects, of the person's partner; or

(g) the person or the person's partner has a child under the age of 16 years who is living with them or is living somewhere else in the old area; or

(h) the person or the person's partner has significant caring responsibilities in the old area; or

(i) the educational, cultural or religious background of the person makes it unreasonable for the person to accept the offer; or

(j) it is more appropriate for the person to participate in education or training than to accept the offer; or

(k) the person would suffer severe financial hardship if the person were to accept the offer.

Section 731D

---

- (3) A person who, when seeking employment through an employment service provider, represents to the provider that he or she is willing to undertake work outside the area in which the person's home is situated is taken, for the purposes of subsection (2), to seek work outside the area at the time when the representation is made.
- (4) Subsection (3) does not affect what would otherwise constitute a circumstance of a person seeking work outside the area in which the person's home is situated.
- (7) A reference in paragraph (1)(f) to remuneration for work is a reference to any income derived from the work that is income from personal exertion.

**731D Persons in certain areas can be taken to comply with activity test**

If the Secretary considers that:

- (a) it would be reasonable to assume that, at the end of a period, a person is present in an area where:
  - (i) there is no locally accessible labour market; and
  - (ii) there is no locally accessible vocational training course; and
- (aa) it would be reasonable to assume that, throughout the period, the person is capable of undertaking, and willing to undertake, paid work that in the Secretary's opinion is suitable to be undertaken by the person; and
- (b) having regard to all the relevant factors, including:
  - (i) the location of offices of the Department; and
  - (ii) difficulties with transport and communication; and
  - (iii) the educational and cultural background of the person;it would be unreasonable to expect the person to comply with the activity test in order to be qualified for special benefit for that period;

then, unless the person has been notified of a requirement under subsection 731A(7) in relation to the period, the person is taken to satisfy the activity test during that period.

  - (b) is not independent within the meaning of section 1067A.

<b>Item</b>	<b>Person's family situation</b>	<b>Assets value limit</b>	
		<b>Column 3A</b>	<b>Column 3B</b>
		<b>Either person or partner homeowner</b>	<b>Neither person nor partner homeowner</b>
1.	Not member of a couple	\$110,750	\$190,250
2.	Partnered (partner getting neither pension nor benefit)	\$157,500	\$237,000
3.	Partnered (partner getting pension or benefit)	\$78,750	\$118,500

Note 2: for *homeowner* see section 11.

Note 3: if item 2 applies to a person, the value of *all* the assets of the person's partner is to be taken as being included in the value of the person's assets (see subsection 734(1)—this is why the assets value limit is so high. If, on the other hand, item 3 applies to a person, the value of the person's assets is only *half* the combined value of the person's assets and the assets of the person's partner (see subsection 734(2)).

- Note 6: the assets value limit of item 1 in column 3B is adjusted annually (see subsection 1204(1)).
- Note 7: the item 2 assets value limits are adjusted annually so that they are twice the corresponding item 3 limits (see subsections 1204(2) and (3)).

- (a) the person is a member of a couple; and
- (b) the person's partner:
  - (i) is not in receipt of a social security, service pension or income support supplement; and

- (d) the value of the person's assets of a particular kind is taken to be 50% of the sum of the value of the assets of that kind of

  - (b) moves to another place of residence a movement to which from the original place of residence would not have resulted in special benefit not being payable to him or her;the period of 26 weeks ends at the time of the movement back to the original place of residence or the movement to the other place of residence, as the case may be.
- (4) For the purposes of subsection (1), a person has a sufficient reason for moving to a new place of residence if and only if the person:

- (5) The Secretary may determine in writing the day on which the period of non-payment imposed by subsection (1) commences and that day may be before the day of the determination.

## **Division 4—Rate of special benefit**

### **746 Rate of special benefit**

- (1) The rate of a person's special benefit is the fortnightly rate determined by the Secretary in his or her discretion.
- (2) The rate of a person's special benefit is not to exceed the rate at which youth allowance, austudy payment or newstart allowance would be payable to the person if:
  - (a) the person were qualified for youth allowance, austudy payment or newstart allowance; and
  - (b) youth allowance, austudy payment or newstart allowance were payable to the person.
- (3) In working out, for the purposes of subsection (2), the rate at which youth allowance would be payable to a person, disregard any amount by which the rate would be increased because of point 1067G-B3A or 1067G-D1 of the Youth Allowance Rate Calculator.
- (4) In working out, for the purposes of subsection (2), the rate at which newstart allowance would be payable to a person, disregard any amount by which the rate would be increased because of point 1068-B5 of Benefit Rate Calculator B.

If a person who is a nominated visa holder:

- (a) is receiving special benefit; and
- (b) is participating in an approved program of work for income support payment;

the rate of the person's special benefit is increased by an amount of \$20.80, to be known as the approved program of work supplement, for each fortnight during which the person participates in the program unless, during that fortnight, the person subsequently

Section 759

---

ceases to participate in the program in circumstances that constitute:

- (c) a failure of the activity test to which the person is subject; or
- (d) a failure to comply with a requirement in a Special Benefit Employment Pathway Plan that is in force in relation to the person.

**759 Effect of industrial action on rate of special benefit payable to persons who are nominated visa holders**

(1) If:

- (a) a person who is a nominated visa holder is receiving special benefit; and
- (b) while the person is receiving that benefit the person becomes engaged in industrial action, or in a series of industrial actions, that leads to the person's unemployment or to a decrease in the person's level of income;

the rate of special benefit payable to the person is to be determined as if the person had continued, for the period of that industrial action, to be employed and to receive income at the level at which it would have been received if the person had not engaged in that action.

(2) Subsection (1) does not apply in relation to a person if the Secretary is satisfied:

- (a) that the person's unemployment or the effect on the person's level of income was due to other people being, or having been, engaged in industrial action or in a series of industrial actions; and
- (b) the people or some of the people were members of a trade union that was involved in the industrial action; and
- (c) the person was not a member of the trade union during the period of the industrial action.

(3) Subject to subsection (4), subsections (1) and (2) do not affect the rate of special benefit payable to a person in respect of a period that occurs after the relevant industrial action or series of industrial actions has stopped.

Section 759

---

- (4) If the relevant industrial action or series of industrial actions is in breach of an order, direction or injunction issued by:
- (a) a prescribed State industrial authority within the meaning of the *Fair Work Act 2009*; or
  - (b) the Fair Work Commission or the Australian Industrial Relations Commission; or
  - (c) the Federal Court of Australia; or
  - (d) the Federal Circuit Court of Australia;
- the rate of special benefit payable to a person is to continue to be determined in accordance with subsection (1) but subject to subsection (2) until the end of a period of 6 weeks after the relevant industrial action or series of industrial actions has stopped.

**Division 9—Bereavement payments****Subdivision AA—Death of partner****768A Qualification for payments under this Subdivision**

- (1) If:
- (a) a person is receiving a special benefit; and
  - (b) the person is a long-term social security recipient; and
  - (c) the person is a member of a couple; and
  - (d) the person's partner dies; and
  - (e) immediately before the partner died, the partner:
    - (i) was receiving a social security pension; or
    - (ii) was receiving a service pension or income support supplement; or
    - (iii) was a long-term social security recipient; and
  - (f) on the person's payday immediately before the first available bereavement adjustment payday, the amount that would be payable to the person if the person were not qualified for payments under this Subdivision is less than the sum of:
    - (i) the amount that would otherwise be payable to the person under section 768D (person's continued rate) on that payday; and
    - (ii) the amount (if any) that would otherwise be payable to the person, under section 768B (continued payment of partner's pension or benefit) on the partner's payday immediately before the first available bereavement adjustment payday;

the person is qualified for payments under this Subdivision to cover the bereavement period.

Note 1: section 768B provides for the payment to the person, up to the first available bereavement adjustment payday, of amounts equal to the instalments that would have been paid to the person's partner during that period if the partner had not died.

Note 2: section 768C provides for a lump sum that represents the instalments that would have been paid to the person's partner, between the first

**Section 768B**

---

available bereavement adjustment payday and the end of the bereavement period, if the partner had not died.

Note 3: for *long-term social security recipient* see subsection 23(1).

- (2) A person who is qualified for payments under this Subdivision may choose not to receive payments under this Subdivision.
- (3) An election under subsection (2):
  - (a) must be made by written notice to the Secretary; and
  - (b) may be made after the person has been paid an amount or amounts under this Subdivision; and
  - (c) cannot be withdrawn after the Department has taken all the action required to give effect to that election.
- (4) If a person is qualified for payments under this Subdivision in relation to the partner's death, the rate at which newstart allowance is payable to the person during the bereavement period is, unless the person has made an election under subsection (2), governed by section 768D.

**768B Continued payment of partner's pension or benefit**

If a person is qualified for payments under this Subdivision in relation to the death of the person's partner, there is payable to the person, on each of the partner's paydays in the bereavement rate continuation period, an amount equal to the amount that would have been payable to the partner on that payday if the partner had not died.

**768C Lump sum payable in some circumstances**

If:

- (a) a person is qualified for payments under this Subdivision in relation to the death of the person's partner; and
- (b) the first available bereavement adjustment payday occurs before the end of the bereavement period;

there is payable to the person as a lump sum an amount worked out using the lump sum calculator at the end of this section.

**LUMP SUM CALCULATOR**

This is how to work out the amount of the lump sum:

*Method statement*

Step 1. Add up:

- (a) the amount that, if the person's partner had not died, would have been payable to the person on the person's payday immediately before the first available bereavement adjustment payday; and
- (b) the amount (if any) that, if the partner had not died, would have been payable to the partner on the partner's payday immediately before the first available bereavement adjustment payday;

the result is called the *combined rate*.

Step 2. Work out the amount that, but for section 768D, would have been payable to the person on the person's payday immediately before the first available bereavement adjustment payday: the result is called the *person's individual rate*.

Step 3. Take the person's individual rate away from the combined rate: the result is called the *partner's instalment component*.

Step 4. Work out the number of the partner's paydays in the bereavement lump sum period.

Step 5. Multiply the partner's instalment component by the number obtained in Step 4: the result is the amount of the lump sum payable to the person under this section.

Section 768D

---

**768D Adjustment of a person's special benefit rate**

If:

- (a) a person is qualified for payments under this Subdivision;  
and
- (b) the person does not elect under subsection 768A(2) not to receive payments under this Subdivision;

the rate of the person's special benefit during the bereavement period is worked out as follows:

- (c) during the bereavement rate continuation period, the rate of special benefit payable to the person is the rate at which the allowance would have been payable to the person if the person's partner had not died;
- (d) during the bereavement lump sum period (if any), the rate at which special benefit is payable to the person is the rate at which the allowance would be payable to the person apart from this Subdivision.

**768E Effect of death of person entitled to payments under this Subdivision**

If:

- (a) a person is qualified for payments under this Subdivision in relation to the death of the person's partner; and
- (b) the person dies within the bereavement period; and
- (c) the Secretary does not become aware of the death of the person's partner before the person dies;

there is payable, to such person as the Secretary thinks appropriate, as a lump sum, an amount worked out using the lump sum calculator at the end of this section.

## Section 768E

**LUMP SUM CALCULATOR**

This is how to work out the amount of the lump sum:

*Method statement*

Step 1. Add up:

- (a) the amount that, if neither the person nor the person's partner had died, would have been payable to the person on the person's payday immediately after the day on which the person dies; and
- (b) the amount (if any) that, if neither the person nor the person's partner had died, would have been payable to the person's partner on the partner's payday immediately after the day on which the person died;

the result is called the ***combined rate***.

Step 2. Work out the amount that, but for section 768D, would have been payable to the person on the person's payday immediately after the day on which the person died if the person had not died: the result is called the ***person's individual rate***.

Step 3. Take the person's individual rate away from the combined pensioner couple rate: the result is called the ***partner's instalment component***.

Step 4. Work out the number of paydays of the partner in the period that commences on the day on which the person dies and ends on the day on which the bereavement period ends.

Section 768F

---

Step 5. Multiply the partner's instalment component by the number obtained in Step 4: the result is the amount of the lump sum payable under this section.

**768F Matters affecting payments under this Subdivision**

(1) If:

- (a) a person is qualified for payments under this Subdivision in relation to the death of the person's partner; and
- (b) after the person's partner died, an amount to which the partner would have been entitled if the partner had not died has been paid under this Act or under Part III or IIIA of the Veterans' Entitlements Act; and
- (c) the Secretary is not satisfied that the person has not had the benefit of that amount;

the following provisions have effect:

- (d) the amount referred to in paragraph (b) is not recoverable from the person or from the personal representative of the person's partner, except to the extent (if any) that the amount exceeds the amount payable to the person under this Subdivision;
- (e) the amount payable to the person under this Subdivision is to be reduced by the amount referred to in paragraph (b).

(2) If:

- (a) a person is qualified for payments under this Subdivision in relation to the death of the person's partner; and
- (b) the amount to which the person's partner would have been entitled if the person's partner had not died has been paid under this Act or under Part III or IIIA of the Veterans' Entitlements Act, within the bereavement period, into an account with a bank; and

Section 768F

---

(c) the bank pays to the person, out of the account, an amount not exceeding the total of the amounts paid as mentioned in paragraph (b);

the bank is, in spite of anything in any other law, not liable to any action, claim or demand by the Commonwealth, the personal representative of the person's partner or anyone else in respect of the payment of that money to the person.

    - (ii) in a case to which subparagraph (a)(ii) applies—on the date the person is taken to have made the claim.
- (2) Subsection (1) does not imply that a person making a claim in the circumstances referred to in subsection 35(1) of the Administration Act before 20 September 2003 will be granted a partner allowance if the date from which the allowance would be payable to that person under subsection 37(7) of that Act would be 20 September 2003 or a later date.
- (3) Nothing in this section affects the operation of section 85 of the Administration Act.

Note 1: Section 771NW provides for the payment to the surviving partner, up to the first available bereavement adjustment payday, of amounts

**Section 771NW**

---

equal to the instalments that would have been paid to the deceased partner during that period if the partner had not died.

Note 2: Section 771NX provides for a lump sum that represents the instalments that would have been paid to the surviving partner, between the first available bereavement adjustment payday and the end of the bereavement period, if the deceased partner had not died.

- (2) A surviving partner who is qualified for payments under this Subdivision may choose not to receive payments under this Subdivision.
- (3) An election under subsection (2):
  - (a) must be made by written notice to the Secretary; and
  - (b) may be made after the surviving partner has been paid an amount or amounts under this Subdivision; and
  - (c) cannot be withdrawn after the Department has taken all the action required to give effect to that election.

**771NW Continued payment of deceased partner's benefit**

If a surviving partner is qualified for payments under this Subdivision in relation to the death of the deceased partner, there is payable to the surviving partner, on each of the deceased partner's paydays in the bereavement rate continuation period, an amount equal to the amount that would have been payable to the deceased partner on that payday if he or she had not died.

**771NX Lump sum payable in some circumstances**

- (1) If:
  - (a) a surviving partner is qualified for payments under this Subdivision in relation to the death of the deceased partner; and
  - (b) the first available bereavement adjustment payday occurs before the end of the bereavement period;there is payable to the surviving partner as a lump sum an amount worked out using the following Lump Sum Calculator:

**LUMP SUM CALCULATOR**

This is how to work out the amount of the lump sum:

*Method statement*

Step 1. Work out the amount that would have been payable to the surviving partner on the surviving partner's payday immediately before the first available bereavement adjustment payday if:

- (a) the deceased partner had not died; and
- (b) if immediately before the partner's death the couple were an illness separated couple or a respite care couple—they were not such a couple.

Note: For *illness separated couple* and *respite care couple* see subsections 4(7) and 4(8) respectively.

Step 2. Work out the amount that would have been payable to the deceased partner on the deceased partner's payday immediately before the first available bereavement adjustment payday if:

- (a) the deceased partner had not died; and
- (b) if immediately before the partner's death the couple were an illness separated couple or a respite care couple—they were not such a couple.

Note: For *illness separated couple* and *respite care couple* see subsections 4(7) and 4(8) respectively.

Step 3. Add the results of Step 1 and Step 2: the result is called the ***combined rate***.

Step 4. Work out the ***surviving partner's notional rate*** using subsection (2), (2A), (3), (4), (5) or (6) (whichever applies).

Section 771NX

---

Note: The subsection that you use depends on whether the deceased partner was receiving a job search allowance, newstart allowance, sickness allowance, special benefit, age pension, disability support pension or mature age allowance before he or she died.

Step 5. Take the surviving partner's notional rate away from the combined rate: the result is called the ***deceased partner's instalment component***.

Step 6. Work out the number of the deceased partner's paydays in the bereavement lump sum period.

Step 7. Multiply the deceased partner's instalment component by the number obtained in Step 6: the result is the amount of the lump sum payable to the surviving partner under this section.

*Deceased partner receiving youth allowance or austudy payment*

- (2A) If, immediately before the deceased partner died, he or she was receiving youth allowance or austudy payment, the surviving partner's notional rate is the amount of youth allowance or austudy payment that would have been payable to the surviving partner on the surviving partner's pay day immediately before the first available bereavement adjustment pay day if:
- (a) a youth allowance or an austudy payment had been payable to the surviving partner on that pay day; and
  - (b) the surviving partner was not a member of a couple on that pay day.

*Deceased partner receiving newstart allowance*

- (3) If, immediately before the deceased partner died, he or she was receiving newstart allowance, the surviving partner's notional rate is the amount of newstart allowance that would have been payable to the surviving partner on the surviving partner's payday immediately before the first available bereavement adjustment payday if:

---

Section 771NX

---

- (a) a newstart allowance had been payable to the surviving partner on that payday; and
- (b) the surviving partner was not a member of a couple on that payday.

*Deceased partner receiving sickness allowance*

- (4) If, immediately before the deceased partner died, he or she was receiving sickness allowance, the surviving partner's notional rate is the amount of sickness allowance that would have been payable to the surviving partner on the surviving partner's payday immediately before the first available bereavement adjustment payday if:
  - (a) a sickness allowance had been payable to the surviving partner on that payday; and
  - (b) the surviving partner was not a member of a couple on that payday.

*Deceased partner receiving special benefit*

- (5) If, immediately before the deceased partner died, he or she was receiving special benefit, the surviving partner's notional rate is the amount of special benefit that would have been payable to the surviving partner on the surviving partner's payday immediately before the first available bereavement adjustment payday if:
  - (a) a special benefit had been payable to the surviving partner on that payday; and
  - (b) the surviving partner was not a member of a couple on that payday.

*Deceased partner receiving other social security payment*

- (6) If, immediately before the deceased partner died, he or she was receiving age pension, disability support pension or mature age allowance, the surviving partner's notional rate is the amount of newstart allowance that would have been payable to the surviving partner on the surviving partner's payday immediately before the first available bereavement adjustment payday if:
    - (a) newstart allowance had been payable to the surviving partner on that payday; and
-

Section 771NY

---

- (b) the surviving partner was not a member of a couple on that payday.

**771NY Effect of death of surviving partner**

If:

- (a) a surviving partner is qualified for payments under this Subdivision in relation to the death of the deceased partner; and
- (b) the surviving partner dies within the bereavement period; and
- (c) the Secretary does not become aware of the death of the deceased partner before the surviving partner dies;

there is payable as a lump sum, to any person that the Secretary thinks appropriate, an amount worked out using the following Lump Sum Calculator:

**LUMP SUM CALCULATOR**

This is how to work out the amount of the lump sum:

*Method statement*

Step 1. Work out the amount that would have been payable to the surviving partner on the surviving partner's payday immediately after the day on which the surviving partner died if:

- (a) neither the surviving partner nor the deceased partner had died; and
- (b) if immediately before the deceased partner's death the couple were an illness separated couple or a respite care couple—they were not such a couple.

Note: For *illness separated couple* and *respite care couple* see subsections 4(7) and 4(8) respectively.

Step 2. Work out the amount that would have been payable to the deceased partner on the surviving partner's payday

## Section 771NZ

immediately after the day on which the surviving partner died if:

- (a) neither the surviving partner nor the deceased partner had died; and
- (b) if immediately before the deceased partner's death the couple were an illness separated couple or a respite care couple—they were not such a couple.

Note: For *illness separated couple* and *respite care couple* see subsections 4(7) and 4(8) respectively.

Step 3. Add the results of Step 1 and Step 2: the result is called the ***combined rate***.

Step 4. Work out the amount that, but for section 771NU, would have been payable to the surviving partner on the surviving partner's payday immediately after the day on which the surviving partner died if he or she had not died: the result is called the ***surviving partner's individual rate***.

Step 5. Take the surviving partner's individual rate away from the combined rate: the result is called the ***deceased partner's instalment component***.

Step 6. Work out the number of the surviving partner's paydays in the period that commences on the day on which the surviving partner dies and ends on the day on which the bereavement period ends.

Step 7. Multiply the deceased partner's instalment component by the number obtained in Step 6: the result is the amount of the lump sum payable under this section.

**771NZ Matters affecting payments under this Subdivision**

(1) If:

**Section 771NZ**

---

- (a) the surviving partner is qualified for payments under this Subdivision; and
- (b) after the deceased partner died, an amount to which the deceased partner would have been entitled if he or she had not died has been paid under this Act or under Part III or IIIA of the Veterans' Entitlements Act; and
- (c) the Secretary is not satisfied that the surviving partner had not had the benefit of that amount;

the following provisions have effect:

- (d) the amount referred to in paragraph (b) is not recoverable from the surviving partner or from the personal representative of the deceased partner, except to the extent (if any) that the amount exceeds the amount payable to the surviving partner under this Subdivision;
  - (e) the amount payable to the surviving partner under this Subdivision is to be reduced by the amount referred to in paragraph (b).
- (2) If:
- (a) the surviving partner is qualified for payments under this Subdivision; and
  - (b) an amount to which the deceased partner would have been entitled if the deceased partner had not died has been paid under this Act or under Part III or IIIA of the Veterans' Entitlements Act, within the bereavement period, into an account with a bank; and
  - (c) the bank pays to the surviving partner, out of that account, an amount not exceeding the total of the amounts paid as mentioned in paragraph (b);

the bank is, in spite of anything in any other law, not liable to any action, claim or demand by the Commonwealth, the personal representative of the deceased partner or anyone else in respect of the payment of that money to the surviving partner.

**Subdivision D—Bereavement payment in respect of former  
CDEP Scheme participant**

**771NZAA Calculation of bereavement payment in respect of former  
CDEP Scheme participant**

If a benefit becomes payable under this Division in respect of a person who was a CDEP Scheme participant in respect of the day on which the benefit becomes payable, the amount of the benefit is to be the amount that would have been the amount of the benefit if section 771HK had not been enacted.

Note: For *CDEP Scheme participant* see section 1188B.

Note 2: For *MRCA* see subsection 23(1).

**Division 5—Rate of special needs pension****796 How to work out a person's special needs pension rate**

- (1) Subject to subsection (2), the rate of a person's special needs pension is:
  - (a) if the pension is a special needs age pension—the rate at which an age pension would be payable to the person if the person were qualified for an age pension; or
  - (b) if the pension is a special needs disability support pension—the rate at which a disability support pension would be payable to the person if the person were qualified for a disability support pension; or
  - (c) if the pension is a special needs wife pension—the rate at which a wife pension would be payable to the person if the person were qualified for a wife pension; or
  - (e) if the pension is a special needs widow B pension—the rate at which a widow B pension would be payable to the person if the person were qualified for a widow B pension.
- (2) If:
  - (a) the person was absent from Australia on 1 July 1986; and
  - (b) the person commences after 1 July 1986 to receive a special needs pension; and
  - (c) the person is absent from Australia;the rate of the person's special needs pension is, subject to subsections (3) and (4), the person's special needs proportional rate worked out using the Special Needs Proportional Rate Calculator at the end of this section.
- (3) Subsection (2) does not apply to a person's special needs disability support pension if the person became qualified for the pension because the person became permanently incapacitated for work or permanently blind while the person was an Australian resident.

## Special Needs Proportional Rate Calculator

### Module A—Overall rate calculation process

*Overall rate calculation process*

796-A1 This is how to work out a person's special needs proportional rate:

*Method statement*

- Step 1. Work out the period of the person's Australian working life residence using Module B: the result is called the ***residence period***.
- Step 2. Use the person's residence period to work out the person's ***residence factor*** using Module C below.
- Step 3. Work out the rate that would be the person's pension or allowance rate if this Rate Calculator did not apply to the person: the result is called the person's ***notional domestic rate***.
- Step 4. Multiply the person's notional domestic rate by the person's residence factor: the result is the person's special needs proportional rate.

## **Module B—Australian working life residence**

### *Working life*

- 796-B1 For the purposes of this Module, a person's **working life** is the period commencing when the person turns 16 and ending:
- (a) if the person is a woman—when she turns 60; or
  - (b) if the person is a man—when he turns 65.

### *Australian working life residence (general)*

- 796-B2 Subject to points 796-B3 to 796-B9, a person's **period of Australian working life residence** as at a particular time is the number of months in the period, or the aggregate of the periods, during the person's working life during which the person has, up to that time, been an Australian resident.

### *Calculation of number of months*

- 796-B3 If a person's period of Australian working life residence would, apart from this subsection, be a number of whole months, the period is to be increased by one month.
- 796-B4 If a person's period of Australian working life residence would, apart from this subsection, be a number of whole months and a day or days, the period is to be increased so that it is equal to the number of months plus one month.

### *Australian working life residence (special needs age or disability support pensioner couples)*

- 796-B5 If:
- (a) a person is receiving a special needs age pension or a special needs disability support pension; and
  - (b) the person is a member of a couple; and
  - (c) the person's partner is receiving an age or disability support pension or a special needs age or disability support pension; and

**Section 796**

---

- (d) the partner's period of Australian working life residence is longer than the period that would be the person's period of Australian working life residence under point 796-B2;  
the person's period of Australian working life residence is to be equal to the partner's period of Australian working life residence.

*Australian working life residence (member of former special needs age or disability support pensioner couple)*

**796-B6** If:

- (a) a person is receiving a special needs age pension or a special needs disability support pension; and
- (b) the person is a member of a couple; and
- (c) the person ceases to be a member of a couple; and
- (d) immediately before the person ceases to be a member of a couple:
  - (i) the person was receiving an age or disability support pension or a special needs age or disability support pension; and
  - (ii) the partner was receiving an age or disability support pension or a special needs age or disability support pension; and
- (e) the partner's period of Australian working life residence (immediately before the person ceases to be a member of a couple) is longer than the period that would be the person's period of Australian working life residence under point 796-B2;

the person's period of Australian working life residence is to be equal to the partner's period of Australian working life residence (immediately before the person ceases to be a member of a couple).

*Australian working life residence (special needs wife pensioner)*

**796-B7** If a person is receiving a special needs wife pension, the person's period of Australian working life residence is equal to the period of Australian working life residence of the person's partner.

*Australian working life residence (recipient of special needs sole parent pension or widow B pension)*

- 796-B8 If:
- (a) a person is receiving a special needs widow B pension; and
  - (b) the person became qualified for the pension because the person's former partner died; and
  - (c) the partner's period of Australian working life residence (immediately before the partner's death) is longer than the period that would be the person's period of Australian working life residence under point 796-B2;
- the person's period of Australian working life residence is to be equal to the partner's period of Australian working life residence (immediately before the partner's death).

*Australian working life residence—second special needs pension*

- 796-B9 If:
- (a) a special needs pension is payable to a person (in this point called the ***initial pension***); and
  - (b) the special needs pension is cancelled or ceases to be payable automatically; and
  - (c) another special needs pension is payable to the person (in this point called the ***second pension***); and
  - (d) the person's period of Australian working life residence in respect of the second pension is shorter than the period that was the person's period of Australian working life residence for the purposes of calculating the person's initial special needs pension;
- the person's period of Australian working life residence for the second pension is to be equal to the period of Australian working life residence used in calculating the person's initial pension.

Section 796

---

**Module C—Residence factor**

*Residence factor (period of Australian working life residence 25 years or more)*

796-C1 If a person's period of Australian working life residence is 300 months (25 years) or more, the person's residence factor is 1.

Note: if a person's residence factor is 1, the person's overseas pension will be payable overseas at the full domestic rate (less any rent assistance and any and remote area allowance).

*Residence factor (period of Australian working life residence under 25 years)*

796-C2 If a person's period of Australian working life residence is less than 300 months (25 years), the person's residence factor is:

$$\frac{\text{person's Australian working life residence}}{300}$$

## **Division 10—Bereavement payments**

### **Subdivision A—Death of partner**

#### **822 Qualification for payments under this Subdivision**

(1) If:

- (a) a person is receiving a special needs age, disability support or wife pension; and
- (b) the person is a member of a couple; and
- (c) the person's partner dies; and
- (d) immediately before the partner died, the partner:
  - (i) was receiving a social security pension; or
  - (ii) was receiving a service pension or income support supplement; or
  - (iii) was a long-term social security recipient; and
- (e) on the person's payday immediately before the first available bereavement adjustment payday, the amount that would be payable to the person if the person were not qualified for payments under this Subdivision is less than the sum of:
  - (i) the amount that would otherwise be payable to the person under section 825 (person's continued rate) on that payday; and
  - (ii) the amount that would otherwise be payable to the person under section 823 (continued payment of partner's pension or benefit) on the partner's payday immediately before the first available bereavement adjustment payday;

the person is qualified for payments under this Subdivision to cover the bereavement period.

Note 1: section 823 provides for the payment to the person, up to the first available bereavement adjustment payday, of amounts equal to the instalments that would have been paid to the person's partner during that period if the partner had not died.

Note 2: section 824 provides for a lump sum that represents the instalments that would have been paid to the person's partner, between the first

Section 822

---

available bereavement adjustment payday and the end of the bereavement period, if the partner had not died.

(1A) If:

- (a) a person is receiving a special needs pension; and
- (b) immediately before starting to receive the special needs pension the person was receiving partner bereavement payments; and
- (c) the bereavement rate continuation period in relation to the death of the person's partner has not ended;

the person is qualified for payments under this Subdivision to cover the remainder of the bereavement period.

(2) A person who is qualified for payments under this Subdivision may choose not to receive payments under this Subdivision.

(3) An election under subsection (2):

- (a) must be made by written notice to the Secretary; and
- (b) may be made after the person has been paid an amount or amounts under this Subdivision; and
- (c) cannot be withdrawn after the Department has taken all the action required to give effect to that election.

(4) If a person is qualified for payments under this Subdivision in relation to the partner's death, the rate at which special needs pension is payable to the person during the bereavement period is, unless the person has made an election under subsection (2), governed by section 825.

(5) For the purposes of this section, a person is a ***long-term social security recipient*** if:

- (a) the person is receiving a social security benefit; and
- (b) in respect of the previous 12 months, the person:
  - (i) was receiving a social security pension; or
  - (ii) was receiving a social security benefit; or
  - (ia) was receiving a youth training allowance; or
  - (iii) was receiving a service pension or income support supplement.

---

Section 823

---

- (6) A person is taken to satisfy the requirements of paragraph (5)(b) if:
  - (a) the person was receiving one or a combination of the payments referred to in that paragraph for a continuous period of 12 months; or
  - (b) the person was receiving one or a combination of the payments referred to in that paragraph for 46 weeks of the previous 52.

**823 Continued payment of deceased partner's previous entitlement**

- (1) If a person is qualified for payments under this Subdivision in relation to the death of the person's partner, there is payable to the person, on each of the partner's paydays in the bereavement rate continuation period:
  - (a) where the partner was receiving a social security pension or social security benefit—the amount that would have been payable to the partner on the payday if the partner had not died; or
  - (b) where the partner was receiving a service pension or income support supplement—the amount that would have been payable to the partner under Part III or IIIA of the Veterans' Entitlements Act on the service payday that:
    - (i) where the first Thursday after the partner's death was a service payday—precedes the partner's payday; or
    - (ii) in any other case—follows the partner's payday; if the partner had not died.
- (2) For the purposes of subsection (1), if the couple were, immediately before the partner's death, an illness separated couple or a respite care couple, the amounts are to be worked out as if they were not such a couple.

**824 Lump sum payable in some circumstances**

If:

- (a) a person is qualified for payments under this Subdivision in relation to the death of the person's partner; and
  - (b) the first available bereavement adjustment payday occurs before the end of the bereavement period;
-

Section 824

---

there is payable to the person as a lump sum an amount worked out using the lump sum calculator at the end of this section.

**LUMP SUM CALCULATOR**

This is how to work out the amount of the lump sum:

*Method statement*

- Step 1. Work out the amount that would have been payable to the person on the person's payday immediately before the first available bereavement adjustment payday if:
- (a) the person's partner had not died; and
  - (b) where immediately before the partner's death the couple were an illness separated couple or a respite care couple—they were not such a couple.
- Step 2. Work out the amount that would have been payable to the person's partner on the partner's payday or service payday immediately before the first available bereavement adjustment payday if:
- (a) the partner had not died; and
  - (b) where immediately before the partner's death the couple were an illness separated couple or a respite care couple—they were not such a couple.
- Step 3. Add the results of Step 1 and Step 2: the result is called the ***combined rate***.
- Step 4. Work out the amount that, but for subsection 825, would have been payable to the person on the person's payday immediately before the first available bereavement adjustment payday: the result is called the ***person's individual rate***.

Section 825

---

- Step 5. Take the person's individual rate away from the combined rate: the result is called the *partner's instalment component*.
- Step 6. Work out the number of paydays of the partner in the bereavement lump sum period.
- Step 7. Multiply the partner's instalment component by the number obtained in Step 6: the result is the amount of the lump sum payable to the person under this section.

**825 Adjustment of rate of person's special needs pension**

If:

- (a) a person is qualified for payments under this Subdivision; and
- (b) the person does not elect under subsection 822(2) not to receive payments under this Subdivision;

the rate of the person's special needs pension during the bereavement period is worked out as follows:

- (c) during the bereavement rate continuation period, the rate of special needs pension payable to the person is the rate at which the pension would have been payable to the person if:
  - (i) the person's partner had not died; and
  - (ii) where immediately before the partner's death the couple were an illness separated couple or a respite care couple—they were not such a couple;
- (d) during the bereavement lump sum period (if any), the rate at which special needs pension is payable to the person is the rate at which the special needs pension would be payable to the person apart from this Subdivision.

**826 Effect of death of person entitled to payments under this Subdivision**

If:

- (a) a person is qualified for payments under this Subdivision in relation to the death of the person's partner; and

Section 826

---

- (b) the person dies within the bereavement period; and
- (c) the Secretary does not become aware of the death of the person's partner before the person dies;

there is payable, to such person as the Secretary thinks appropriate, as a lump sum, an amount worked out using the lump sum calculator at the end of this section.

**LUMP SUM CALCULATOR**

This is how to work out the amount of the lump sum:

*Method statement*

- Step 1. Work out the amount that would have been payable to the person on the person's payday immediately after the day on which the person died if:
  - (a) neither the person nor the person's partner had died; and
  - (b) where immediately before the partner's death the couple were an illness separated couple or a respite care couple—they were not such a couple.
- Step 2. Work out the amount that would have been payable to the partner on the partner's payday or service payday immediately after the day on which the person died if:
  - (a) neither the person nor the partner had died; and
  - (b) where immediately before the partner's death the couple were an illness separated couple or a respite care couple—they were not such a couple.
- Step 3. Add the results of Step 1 and Step 2: the result is called the ***combined rate***.
- Step 4. Work out the amount that, but for section 825, would have been payable to the person on the person's payday

## Section 827

immediately after the day on which the person died if the person had not died: the result is called the *person's individual rate*.

Step 5. Take the person's individual rate away from the combined rate: the result is called the *partner's instalment component*.

Step 6. Work out the number of paydays of the partner in the period that starts on the day on which the person dies and ends on the day on which the bereavement period ends.

Step 7. Multiply the partner's instalment component by the number obtained in Step 6: the result is the amount of the lump sum payable under this section.

**827 Matters affecting payment of benefits under this Subdivision**

(1) If:

- (a) a person is qualified for payments under this Subdivision and in relation to the death of the person's partner; and
- (b) after the person's partner died, an amount to which the partner would have been entitled if the partner had not died has been paid under this Act or under Part III or IIIA of the Veterans' Entitlements Act; and
- (c) the Secretary is not satisfied that the person has not had the benefit of that amount;

the following provisions have effect:

- (d) the amount referred to in paragraph (b) is not recoverable from the person or from the personal representative of the person's partner except to the extent (if any) that the amount exceeds the amount payable to the person under this Subdivision;
- (e) the amount payable to the person under this Subdivision is to be reduced by the amount referred to in paragraph (b).

(2) If:

- (a) a person is qualified for payments under this Subdivision in relation to the death of the person's partner; and

**Section 830**

---

- (b) an amount to which the person's partner would have been entitled if the person's partner had not died has been paid under this Act or under Part III or IIIA of the Veterans' Entitlements Act, within the bereavement period, into an account with a bank; and
- (c) the bank pays to the person, out of the account, an amount not exceeding the total of the amounts paid as mentioned in paragraph (b);

the bank is, in spite of anything in any other law, not liable to any action, claim or demand by the Commonwealth, the personal representative of the person's partner or anyone else in respect of the payment of that money to the person.

**Subdivision C—Death of recipient**

**830 Death of recipient**

- (1) If:
  - (a) a person is receiving a special needs pension; and
  - (b) either:
    - (i) the person is not a member of a couple; or
    - (ii) the person is a member of a couple and the person's partner:
      - (A) is not receiving a social security pension; and
      - (C) is not receiving a service pension or income support supplement; and
  - (c) the person dies;there is payable, to such person as the Secretary thinks appropriate, an amount equal to the amount that would have been payable to the person under this Act on the person's payday after the person's death if the person had not died.
- (2) If an amount is paid under subsection (1) in respect of a person, the Commonwealth is not liable to any action, claim or demand for any further payment under that subsection in respect of the person.

Note 2: for death of a person qualified for bereavement payments under Subdivision A see section 826.

- (a) a person (the **carer**) is participating in the care of a disabled child, or a disabled adult, (the **hospitalised person**) in hospital; and

  - (c) either the hospitalised person is terminally ill or it is reasonable to expect that, upon the hospitalised person leaving hospital:

Section 956

---

**956 Absence from Australia**

During any period of absence from Australia:

- (a) throughout which Division 2 of Part 4.2 applies to the person; and
- (b) that is before the end of the person's portability period for carer allowance (within the meaning of that Division);

the person does not cease to be qualified, under section 953, 954 or 954A, for carer allowance merely because the care and attention of the care receiver or care receivers is not provided in a private home that is described in whichever one of paragraphs 953(1)(d) and (2)(d), 954(1)(d) and 954A(2)(d) is relevant.

*Continuation of allowance where temporary cessation of care*

- (1) Subject to subsection (3), if:

- (b) the care receiver or care receivers temporarily cease to receive care and attention that would qualify the person for carer allowance;

the person does not cease to be qualified for carer allowance merely because of that cessation.

*Continuation of allowance after hospitalisation—section 955 ceases to apply*

- (2) Subject to subsection (3), if:

- (a) a person is qualified for carer allowance under section 955 because the person or another person is participating in the care of a disabled child or disabled adult in hospital; and
- (b) apart from this subsection, the person would later cease to be qualified for carer allowance under that section; and
- (c) the person would not cease to be qualified for carer allowance if the disabled child or disabled adult were receiving care and attention on a daily basis;

the person does not cease to be qualified for carer allowance merely because of the lack of receipt of that care and attention.

*Limit on subsections (1) and (2)*

- (3) However, the period, or the sum of the periods, for which subsection (1) or (2), or a combination of those subsections, can apply is:
- (a) 63 days in any calendar year; or
  - (b) another period that the Secretary, for any special reason in the particular case, decides to be appropriate.

*Cessation of care in order to undertake training etc.*

- (4) If:
- (a) a person is qualified under section 953 for carer allowance for a care receiver who is a disabled child or for care receivers who are 2 disabled children; and
  - (b) the care receiver or either or both of the care receivers then are, or are likely to be, receiving education, training or treatment (other than treatment in hospital) for a period; and
  - (c) during the period the care receiver or care receivers are not receiving the care and attention that would qualify the person for carer allowance; and
  - (d) subsection (1) does not apply to the period;
- the person does not cease to be qualified for carer allowance during the period merely because of the lack of receipt of that care and attention.

Note: A person who continues to be qualified for carer allowance because of subsection (4) will receive a reduced rate of carer allowance: see subsection 974(3).

## **Subdivision B—Limitations on payability**

### **958 Carer allowance not payable if allowance rate nil**

Section 964

---

**964 Carer allowance not payable to 2 people for the same care receiver or care receivers unless declaration made**

If:

- (a) 2 persons who are not members of the same couple are each qualified for carer allowance for the same care receiver or care receivers; and
- (b) the Secretary has not made a declaration under subsection 981(1) in respect of carer allowance for the care receiver or care receivers; and
- (c) one of the persons is receiving carer allowance for the care receiver or care receivers;

carer allowance is not payable to the other person for the care receiver or care receivers.

**965 Carer allowance not payable to more than one member of a couple**

- (1) Subject to this section, if one member of a couple is receiving carer allowance for a care receiver or care receivers, carer allowance is not payable to the other member of the couple for the same care receiver or care receivers.

(2) If:

- (b) both members of the couple are qualified under section 953, 954 or 954A for carer allowance—each of them has made a claim for carer allowance (whether or not one of them is receiving carer allowance); and
- (ba) only one of the members of the couple is qualified under section 953, 954 or 954A for carer allowance—that member has made a claim for carer allowance (whether or not one of them is receiving carer allowance);

the Secretary is to make a declaration:

- (c) stating that the Secretary is satisfied that each of them is qualified for carer allowance for the care receiver or care receivers; and
-

- (d) naming one of them as the member of the couple to whom carer allowance is payable for the care receiver or care receivers.
- (3) If such a declaration is made, carer allowance for the care receiver or care receivers to which the declaration relates is not payable to the member of the couple who is not named in the declaration as mentioned in paragraph (2)(d).
- (4) The Secretary is to give notice of the declaration to each of the members of the couple involved.
- (5) In making the declaration, the Secretary must have regard to whether one member of the couple is the primary carer for the care receiver or care receivers.

## Division 5—Rate of carer allowance

### 974 Rate of carer allowance

#### *Daily rate*

- (1) A person's rate of carer allowance is a daily rate worked out by dividing the person's fortnightly rate of carer allowance by 14.

#### *Fortnightly rate*

- (2) Subject to subsections (3) and (4), a person's fortnightly rate of carer allowance for a care receiver or care receivers is \$75.60.

#### *Reduced fortnightly rate if care receiver undertakes training etc.*

- (3) If on one or more days (each of which is a **training day**) in an instalment period in relation to carer allowance a person would have stopped being qualified under section 953, apart from subsection 957(4) (care receiver undertakes training etc.), the person's fortnightly rate of carer allowance for that period is to be reduced by the following amount:

Number of training days  $\times$  Daily rate of carer allowance  
applicable to each training day

#### *Rate where carer allowance shared*

- (4) If:
- (a) 2 people who are not members of the same couple are each qualified for carer allowance for the same care receiver or care receivers; and
  - (b) the Secretary has made a declaration under subsection 981(1) in respect of carer allowance for the care receiver or care receivers;

the person's rate of carer allowance is the share specified in the declaration under paragraph 981(1)(b) of the carer allowance rate

that would otherwise apply in respect of the care receiver or care receivers.

## **Division 6—Multiple qualification for carer allowance for same care receiver or receivers**

### **981 Secretary may make declaration where 2 people are qualified for carer allowance for the same care receiver or care receivers**

- (1) If the Secretary is satisfied that 2 people who are not members of the same couple are each qualified for carer allowance for the same care receiver or care receivers, the Secretary is to make a declaration:

- (2) If the Secretary makes a declaration under subsection (1), the Secretary is to give each of the 2 people involved notice of the declaration.

Section 992X

## Part 2.19B—Carer supplement

### 992X Carer supplement

#### *Qualifying for carer supplement*

- (1) A person (the **qualified person**) is qualified for carer supplement for a year if the person was or is paid an instalment (the **qualifying instalment**) of carer allowance, carer payment or carer service pension in respect of a period that includes 1 July in the year.

Note: There may be more than one qualifying instalment for carer supplement for a year. For example, if a person is paid both an instalment of carer allowance and an instalment of carer payment in respect of a period including 1 July in the year, both instalments are qualifying instalments for carer supplement for the year for the person.

#### *Amount of carer supplement*

- (2) The amount of carer supplement for the qualified person for the year is the total worked out in accordance with the table (taking account of every relevant item of the table):

<b>Amount of carer supplement</b>		
<b>Item</b>	<b>If:</b>	<b>Include this amount in the total:</b>
1	The qualifying instalment is of carer allowance	The amount worked out under subsection (3) for each eligible care receiver (see subsections (4) and (5))
2	The qualifying instalment is of carer payment	\$600
3	The qualifying instalment is of carer service pension	\$600

Section 992X

<b>Amount of carer supplement</b>		
<b>Item</b>	<b>If:</b>	<b>Include this amount in the total:</b>

*Amount for eligible care receiver*

- (3) The amount for an eligible care receiver is:
- (a) \$600; or
  - (b) if the rate at which the qualifying instalment was paid takes account of a determination under subsection 981(1) of a particular share (being a percentage or proportion) in relation to the eligible care receiver—that share of \$600.

Example 1: Assume that:

- (a) the qualified person qualifies for carer supplement for 2010 because he or she is paid a qualifying instalment of carer allowance relating to 3 eligible care receivers; and
- (b) the rate of the qualifying instalment takes account of a determination under subsection 981(1) of a half share in relation to one of those eligible care receivers; and
- (c) the qualified person is also paid an instalment of partner service pension for a period including 1 July 2010.

The amount of carer supplement for the qualified person for 2010 is \$2,100, made up of \$600 each for 2 of the eligible care receivers, \$300 (which is half of \$600) for the eligible care receiver to whom the

Section 992X

Example 2: Assume that the qualified person qualifies for carer supplement for 2011 because he or she is paid a qualifying instalment of carer allowance relating to one eligible care receiver and also because the qualifying person is paid a qualifying instalment of carer payment.

- (c) either:
  - (i) if subparagraph (a)(i) applies—the person has employment income (within the meaning of this Act) in respect of that period; or

- (4) Each person to whose care a qualifying instalment of carer allowance relates is an **eligible care receiver** in relation to the qualified person.

## Division 2—Rate of mobility allowance

### 1044 Rate of mobility allowance

(1AA) The rate of mobility allowance is a daily rate worked out by dividing the fortnightly rate by 14.

(1) The fortnightly rate of mobility allowance for a person who qualifies for the allowance under section 1035 is \$50.50.

(1A) The fortnightly rate of mobility allowance for a person who qualifies for the allowance under section 1035A is \$100.

(2) A person's mobility allowance rate is nil if:

(a) the person has received mobility allowance advance under section 1045; and

(b) the person's advance payment period has not ended.

Note 2: the rate of mobility allowance is indexed annually in line with CPI increases (see section 1191—item 34 of the CPI Indexation Table—and sections 1192 to 1194).

(3) In this section:

***advance payment period***, in relation to a person, means the period of:

(a) 26 weeks; or

(b) if section 1044A applies—such number of days as is provided for in that section;

that starts at the beginning of the advance entitlement period.

### 1044A Reduction of the advance payment period

(1) A person's advance payment period is the period worked out using the following Method statement if:

(a) the person has received a mobility allowance advance; and

(b) the amount of the advance was calculated on the basis that the person qualified for mobility allowance under section 1035; and

Section 1044A

---

- (c) the person qualifies for mobility allowance under section 1035A, during the period of 26 weeks starting on the day on which the person qualified for the advance; and
- (d) this section has not previously applied to the person in relation to the same advance.

*Method statement*

Step 1. Work out the number of days that, at the time of qualification under section 1035A, remain from the period of 26 weeks referred to in paragraph (c) (counting the day on which that qualification occurs as a whole day).

Step 2. Multiply the result under Step 1 by the amount worked out under the following formula:

$$\frac{\text{Rate of mobility allowance specified in subsection 1044(1)}}{\text{Rate of mobility allowance specified in subsection 1044(1A)}}$$

If the result is not a whole number, round the result down to the next whole number.

Step 3. Subtract the result under Step 2 from the result under Step 1.

Step 4. Subtract the result under Step 3 from the number 182. The result is the number of days in the person's advance payment period.

*Application*

- (1) The amount of an advance payment of any of the following social security pensions is worked out according to this section:
- (a) age pension;
  - (b) disability support pension;
  - (c) wife pension;
  - (d) carer payment;
  - (e) widow B pension.

*Amount of advance*

- (2) The amount of the advance payment is the smaller of the following amounts:
- (a) the amount of advance payment sought;
  - (b) the maximum amount of advance payment payable to the person as worked out as follows:

*Method statement*

- Step 1. Work out  $\frac{3}{52}$  of the person's advance payment qualifying amount.

- (a) any amount payable by way of remote area allowance; and

Section 1061ED

---

	(b) so much of the person's pension supplement amount (if any) as is equal to the person's minimum pension supplement amount; and
	(c) the person's clean energy supplement (if any).
Step 3.	Work out the smaller of the result of step 1 and 7.5% of the result of step 2.
Step 4.	Subtract the following from the result of step 3:
	(a) each advance payment (if any) of a social security entitlement paid to the person during any of the 13 fortnights immediately before the application for the current advance payment was lodged;
	(b) each other advance payment (if any) of a social security entitlement paid to the person that has not been fully repaid.
Step 5.	The result of step 4 (rounded to the nearest cent (rounding 0.5 cents upwards)) is the maximum amount of advance payment payable to the person.

Note 1: The amount of the advance payment will be more than the minimum qualifying amount for the person (see paragraph 1061A(3)(a)).

Note 2: For *advance payment qualifying amount*, see subsection 23(1).

**1061ED Amount of advance payment—pension PP (single)**

*Application*

- (1) The amount of an advance payment of pension PP (single) is worked out according to this section.

*Amount of advance*

- (2) The amount of the advance payment is the smallest of the following amounts:
- (a) the amount of advance payment sought;

Section 1061ED

---

- (b) the maximum amount of advance payment payable to the person as worked out under subsection (3);
- (c) \$500.

Note: The amount of the advance payment will be at least \$250 (see paragraph 1061A(4)(a)).

*Formula for maximum amount of advance under paragraph (2)(b)*

- (3) For the purposes of paragraph (2)(b), the maximum amount of advance payment payable to the person is the amount worked out using the following formula:

$$6\% \times \text{annual payment rate}$$

where:

***annual payment rate*** means:

- (a) if the person was receiving pension PP (single) on the last payday before the application for the advance payment was lodged—the rate at which the pension was payable under the Pension PP (Single) Rate Calculator to the person on that payday, disregarding any amount payable by way of remote area allowance; or
- (b) if the person was receiving benefit PP (partnered) on the last payday before the application for the advance payment was lodged—the rate at which pension PP (single) is payable to the person under the Pension PP (Single) Rate Calculator on the person's first pension PP (single) payday after the application for the advance payment was lodged, disregarding any amount payable by way of remote area allowance.

*Rounding*

- (4) Amounts worked out under subsection (3) must be rounded to the nearest cent (rounding 0.5 cents upwards).

*Example:*

*Facts:* Geoff has, at all times during the past 5 months, been receiving pension PP (single). His annual payment rate is \$4,680. He applies for an advance payment of \$290.

Section 1061EE

---

*Application:* The maximum amount of advance payment payable to Geoff is worked out under subsection (3) as follows:  $6\% \times \$4680 = \$280.80$ . This is the smallest of the 3 amounts referred to in subsection (2). Geoff can therefore be paid an advance payment of \$280.80.

**1061EE Amount of advance payment—certain other social security payments**

*Application*

- (1) The amount of an advance payment of widow allowance, benefit PP (partnered), youth allowance, austudy payment, mature age allowance under Part 2.12B or newstart allowance is worked out according to this section.

- (2) The amount of the advance payment is the smallest of the following amounts:
- (a) the amount of advance payment sought;
  - (b) the maximum amount of advance payment payable to the person as worked out under subsection (3) or (4), as the case requires;
  - (c) \$500.

Note: The amount of the advance payment will be at least \$250 (see paragraph 1061A(4)(a)).

*Formula for maximum amount of advance: widow allowance and mature age allowance*

- (3) For the purpose of paragraph (2)(b), the maximum amount of advance payment of widow allowance or mature age allowance under Part 2.12B payable to the person is the amount worked out under the following formula:

$$6\% \times \text{Fortnightly payment rate} \times 26$$

Section 1061EE

---

*Formula for maximum amount of advance: benefit PP (partnered), youth allowance, austudy payment or newstart allowance*

- (4) For the purpose of paragraph (2)(b), the maximum amount of advance payment of benefit PP (partnered), youth allowance, austudy payment or newstart allowance payable to the person is the amount worked out under the following formula:

$$7\% \times \text{Fortnightly payment rate} \times 26$$

*Rounding*

- (5) Amounts worked out under subsection (3) or (4) must be rounded to the nearest cent (rounding 0.5 cents upwards).

*Meaning of fortnightly payment rate*

- (6) For the purposes of the formulae in subsections (3) and (4):

***fortnightly payment rate*** means:

- (a) in relation to benefit PP (partnered)—the fortnightly rate of that benefit payable under the Benefit PP (Partnered) Rate Calculator to the person on the last payday before the application for the advance payment was lodged, excluding any amount payable by way of remote area allowance; or
- (b) in relation to widow allowance, mature age allowance under Part 2.12B or newstart allowance—the fortnightly rate of that benefit payable under Benefit Rate Calculator B to the person on the last payday before the application for the advance payment was lodged, excluding any amount payable by way of remote area allowance; or
- (c) in relation to youth allowance—the fortnightly rate of that benefit payable under the Youth Allowance Rate Calculator to the person on the last payday before the application for the advance payment was made, excluding any amount payable by way of remote area allowance; or
- (d) in relation to austudy payment—the fortnightly rate of that benefit payable under the Austudy Payment Rate Calculator to the person on the last payday before the application for the

Section 1061EE

---

advance payment was made, excluding any amount payable by way of remote area allowance.

Example:

Facts: Veronique has, at all times in the past 4 months, been receiving widow allowance. Her fortnightly payment rate is \$200. She applies for an advance payment of \$300.

Result: The maximum amount of advance payment payable to Veronique is worked out under subsection (3) as follows:

$$6\% \times \$200 \times 26 = \$312.00$$

The smallest of the 3 amounts referred to in subsection (2) is \$300. Veronique can therefore be paid an advance payment of \$300.

Section 1061EJ

---

- (6) The Secretary may direct that the whole or a part of the amount be paid to the person in a different way from that provided for by subsection (2).

**Note:** The effect of a garnishee order on an advance payment of a social security entitlement is dealt with in the Part of this Chapter that deals with that social security entitlement.   - (i) is in Australia; or
  - (ii) is temporarily absent from Australia and has been so for a continuous period not exceeding 6 weeks; and
- (d) rounding the result of paragraph (c), if any, up or down to the nearest multiple of \$2.60 (rounding up if that result is not a multiple of \$2.60 but is a multiple of \$1.30); and

- (2) For the purposes of paragraph (1)(b), if the Rate Calculator for the main payment produces a fortnightly rate, then multiply the person's pension supplement amount by 26 to get the annual rate of that pension supplement amount.

## **Chapter 2B—Student Financial Supplement Scheme**

### **Part 2B.1—Establishment of scheme**

#### **Division 1—Preliminary**

##### **1061ZW Object of this Chapter**

The object of this Chapter is to establish a Student Financial Supplement Scheme enabling certain tertiary students to obtain a repayable financial supplement by entering into a contract for that purpose with a financial corporation that participates in the scheme.

##### **1061ZX Outline of the scheme**

- (1) The scheme provides for the reduction of the rate of youth allowance, austudy payment or pensioner education supplement payable to a person who obtains financial supplement.
- (2) The scheme contains provisions under which the amount of supplement that the person is eligible to obtain depends on the total rate of youth allowance, austudy payment or pensioner education supplement that the person chooses to receive. Those provisions allow the person to choose to repay some or all of the youth allowance, austudy payment or pensioner education supplement, or to receive a lower rate of payment of such an allowance, payment or supplement, in order to receive a higher amount of financial supplement.
- (3) The scheme provides that the person is not liable to pay interest to the financial corporation in respect of financial supplement received by the person, but provides for payment by the Commonwealth, without cost to the person, to the financial corporation of a subsidy that includes an amount in lieu of interest.
- (4) The scheme provides for the amount of the financial supplement that has to be repaid under a contract to be indexed on 1 June in the

Section 1061ZX

---

year next following the year in which the contract is entered into, and on 1 June in each later year. The amount by which the supplement is increased by indexation is owed by the person to the Commonwealth and not to the financial corporation.

- (5) Under the scheme, the person is entitled, but not required, to make early repayments in respect of the supplement during the period of the contract. The scheme provides for a discount for any repayments made before the end of that period.
- (6) The scheme provides that, if financial supplement paid to a person is not repaid in full before the end of the period of the contract, the obligation to repay the outstanding amount of the supplement is transferred to the Commonwealth, and the indexed amount is repayable by the person to the Commonwealth through the taxation system when the person's income reaches a specified level.

## Division 2—Eligibility to obtain financial supplement

### 1061ZY Eligibility to obtain financial supplement

- (1) Subject to subsection (2), a person is eligible to obtain financial supplement for a period (an *eligibility period*) that is a year or a part of a year if:
  - (a) the person is undertaking, or intending to undertake, a tertiary course at an educational institution throughout the period; and
  - (b) the person does not undertake a course of primary or secondary education at any time during the period; and
  - (c) the person is a category 1 student or a category 2 student in respect of the period; and
  - (d) the amount of financial supplement that the person is eligible to obtain under Division 6 for the year is not less than the minimum amount of financial supplement.
- (2) A person is not eligible to obtain financial supplement for an eligibility period that begins on or after the day on which the *Student Assistance Legislation Amendment Act 2006* receives the Royal Assent.

### 1061ZZ Category 1 student

- (1) A person is a *category 1 student* in respect of a period if, throughout the period, one or more of the payments referred to in this section are payable to the person.
  - (2) The payment may be youth allowance if:
    - (a) the person's youth allowance general rate is more than zero; and
    - (b) the youth allowance is payable because the person is undertaking full-time study.
  - (3) The payment may be austudy payment if the person's austudy payment general rate is more than zero.
  - (4) The payment may be pensioner education supplement.
-

Section 1061ZZA

  - (b) throughout the period the person is undertaking full-time study; and
  - (c) throughout the period youth allowance at the youth allowance general rate is not payable to the person only because of the operation of one or more of the following:

    - (ii) Module G (the family actual means test) of that Calculator;
    - (iii) Subdivision AB (the youth allowance assets test) of Division 2 of Part 2.11; and
  - (d) if subparagraph (c)(i) applies—the person’s combined parental income for the appropriate tax year under Submodule 4 of Module F is throughout the period less than the person’s modified parental income free area; and
  - (e) if subparagraph (c)(ii) applies—the actual means of the person’s family under Module G is throughout the period less than the person’s modified parental income free area; and
  - (ea) if subparagraph (c)(iii) applies—the allowance would have been payable if the reference to 50% in subsection 547G(2) were instead a reference to 75%; and
  - (f) neither section 1061ZZAA nor 1061ZZAB applies to the person.
- (2) For the purposes of paragraphs (1)(d) and (e), the person’s **modified parental income free area** is the indexed amount that would be the person’s parental income free area under point 1067G-F22 if the amount of \$23,400 that was specified in paragraph 1067G-F22(a) when that paragraph was enacted had been \$54,949.

    - (i) continue to undertake the person's tertiary course in the next year; or
    - (ii) undertake a new tertiary course in the next year when enrolments in the course are next accepted;

the Secretary must make a new decision, as early as practicable in the next year, about whether the person is eligible to obtain financial supplement for a period that is the whole or a part of that next year.

#### **1061ZZGA What is an assurance of support?**

In this Chapter:

*assurance of support* means an undertaking by a person under this Chapter that the person will pay the Commonwealth an amount equal to the amount of social security payments that are:

- (a) received in respect of a period by another person who:
  - (i) is identified in the undertaking; and
  - (ii) becomes the holder under the *Migration Act 1958* of a visa granted in connection with the undertaking (whether or not the person continues to hold the visa throughout the period); and
- (b) specified in a determination in force under section 1061ZZGH when the payments are received.

Note: An assurance of support may relate to social security payments received by 2 or more persons. See paragraph 23(b) of the *Acts Interpretation Act 1901*.

#### **1061ZZGB Who may give an assurance of support?**

A person may give an assurance of support only if the requirements specified for the purposes of this section in a determination under section 1061ZZGH are met in relation to the person.

Note 1: If a person who does not meet the requirements gives an undertaking purporting to be an assurance of support, the undertaking is not an assurance of support (because it is not under this Chapter) and the Secretary is not required either to accept or to reject the purported assurance.

Note 2: This section lets 2 or more persons give an assurance of support if they all meet the requirements specified in a determination under section 1061ZZGH. See paragraph 23(b) of the *Acts Interpretation Act 1901*.

Section 1061ZZGC

---

**1061ZZGC How to give an assurance of support**

- (1) A person gives an assurance of support by:
- (a) delivering the assurance in writing in accordance with a form approved by the Secretary:
    - (i) to a person apparently performing duties at a place approved for the purpose by the Secretary; or
    - (ii) to a person approved for the purpose by the Secretary; or
    - (iii) in a manner, and to a place, approved for the purpose by the Secretary; or
  - (b) giving the assurance in a manner approved by the Secretary for the purposes of this paragraph.

**Note:** If an undertaking purporting to be an assurance of support is given in some other way, the undertaking is not an assurance of support (because it is not under this Chapter) and the Secretary is not required either to accept or to reject the purported assurance.

- (2) A form approved for the purposes of paragraph (1)(a) may include other undertakings as well as the assurance of support.
- (3) A place or person approved for the purposes of paragraph (1)(a) may be in or out of Australia.
- (4) The Secretary's power to approve for the purposes of paragraph (1)(b) is not limited by any other provision of this section.

*Material to accompany assurance of support*

- (5) When a person is giving an assurance of support, the person must also give the following material in a way in which an assurance of support may be given under subsection (1):
- (a) information specified in a form approved by the Secretary;
  - (b) documents specified by the Secretary.
- (6) If the person giving the assurance of support contravenes subsection (5), the assurance is taken not to have been given.

## **Part 2C.2—Acceptance of assurances**

### **1061ZZGD Accepting or rejecting an assurance of support**

- (1) If an assurance of support is given under this Chapter, the Secretary must accept or reject the assurance.

#### *Accepting the assurance*

- (2) The Secretary may accept the assurance, but only if:
- (a) he or she is satisfied that the requirements that are specified for the purposes of this paragraph in a determination under section 1061ZZGH and relate to the person who gave the assurance are met; and
  - (b) the requirements in subsection (3) are met, if the assurance is in respect of:
    - (i) a visa of a kind that can be granted under the *Migration Act 1958* only if an assurance of support is accepted; and
    - (ii) another person who was at least 18 at the time of the application for the visa;(whether or not the assurance is also in respect of someone else who was under 18 at the time of the application for the visa).

Note 1: The Secretary may accept an assurance given by 2 or more persons only if satisfied that the requirements specified in a determination under item 3 of the table in subsection 1061ZZGH(1) and relating to all of them are met. See paragraph 23(b) of the *Acts Interpretation Act 1901*.

Note 2: Subparagraph (2)(b)(i) does not apply to a visa of a kind in relation to which there is a discretion to request an assurance of support, because a visa of that kind can be granted without accepting an assurance if one is not requested (even if, in a case in which an assurance is requested, acceptance of the assurance is a condition for the grant of the visa).

- (3) At least one person who gave the assurance must have given the Secretary a single security for the liability that may be incurred,

## Section 1061ZZGE

---

under section 1061ZZGG in connection with the assurance and a social security payment received by anyone identified in the assurance, by everyone who gave the assurance. The security must:

- (a) be in a form approved by the Secretary; and
- (b) be of a value specified for the purposes of this paragraph in a determination under section 1061ZZGH.

### *Rejecting the assurance*

- (4) The Secretary may reject the assurance.
- (5) The circumstances in which the Secretary may reject the assurance include failure of the person giving the assurance to attend an interview relating to the assurance as requested by the Secretary. This subsection does not limit subsection (4).

## **1061ZZGE Notices relating to an assurance of support**

- (1) If the Secretary accepts or rejects an assurance of support, he or she must give written notice of the acceptance or rejection to:
  - (a) the person who gave the assurance; and
  - (b) the Minister administering section 65 of the *Migration Act 1958*.

The notice must name the person in respect of whom the assurance was given.

- (2) If:
    - (a) the Secretary has accepted an assurance of support given by a person (the **assurer**) in respect of another person and a visa; and
    - (b) the Secretary is informed that the other person:
      - (i) is a holder under the *Migration Act 1958* of the visa; and
      - (ii) has entered the migration zone (as defined in that Act) before, on or after becoming the holder of the visa;
- the Secretary must give the assurer written notice of the period for which the assurance is in force in respect of the other person.

Note: Section 1061ZZGF explains when an assurance of support is in force in respect of the other person.

Section 1061ZZGE

---

- (3) If the assurance of support ceases to be in force in respect of the other person at a time determined by the Secretary under subparagraph 1061ZZGF(1)(b)(ii) or (iii), the Secretary must give the assurer written notice of that fact.

Section 1061ZZGEA

---

## Part 2C.3—Effect of accepted assurances

### 1061ZZGEA Assurance cannot be withdrawn once visa issued

A person who has given an assurance of support that has been accepted under this Chapter cannot withdraw that assurance once the person in respect of whom the assurance was given becomes the holder under the *Migration Act 1958* of a visa granted in connection with the assurance.

### 1061ZZGF When an accepted assurance is in force

- (1) For the purposes of this Act, an assurance of support that has been given in respect of a person identified in the assurance and has been accepted under this Chapter:
  - (a) comes into force in respect of the person at the later of the following times:
    - (i) the time at which the person becomes under the *Migration Act 1958* the holder of the visa that was granted under that Act in connection with the assurance;
    - (ii) the time at which the person enters the migration zone (as defined in that Act) as the holder of the visa; and
  - (b) remains in force in respect of the person until the earliest of the following times:
    - (i) the end of the period specified for the purposes of this subparagraph in a determination under section 1061ZZGH;
    - (ii) the time (if any) determined by the Secretary under subsection (2);
    - (iii) if a circumstance specified for the purposes of this subparagraph in a determination under section 1061ZZGH applies in relation to the assurance—the time determined by the Secretary in relation to that circumstance.

Note: An assurance of support given in respect of 2 or more persons may be in force at different times in respect of each of those persons.

---

Section 1061ZZGG

---

- (2) The Secretary may determine that the assurance of support ceases to be in force in respect of the person at the time (which may be before the determination is made) another assurance of support comes into force in respect of the person.
- (3) For the purposes of this Act, an assurance of support (as defined in section 1061ZZGA) is in force in respect of a person only for the period for which it is in force in respect of the person under subsection (1) of this section.
- (4) Except as provided by paragraph (1)(b), an assurance of support that has come into force in respect of a person remains in force in respect of that person in spite of any change in circumstances whatsoever (including any purported withdrawal, however described, of the assurance).

**1061ZZGG Liability to pay for social security payments**

- (1) This section has effect if:
  - (a) a person (the *assurer*) has given an assurance of support that has been accepted under this Chapter; and
  - (b) a social security payment is received, by another person who is identified in the assurance, in respect of all or part of the period for which the assurance is in force in respect of the other person; and
  - (c) the social security payment is specified for the purposes of this section in a determination in force under section 1061ZZGH when the payment is received.
- (2) The assurer is liable to pay the Commonwealth the amount of the social security payment.
- (3) If the assurance was given by more than one person, all of the persons who gave it are jointly and severally liable to pay the Commonwealth the amount of the social security payment.

Section 1061ZZGH

## Part 2C.4—Determinations

### 1061ZZGH Determinations

- (1) The Minister must, by legislative instrument, make a determination specifying, for the purposes of the provisions mentioned in the table, the things in the table.

Determinations		
	Provision(s)	Things to be specified
1	Definition of <i>assurance of support</i> in section 1061ZZGA and section 1061ZZGG	Social security payments
2	Section 1061ZZGB	Requirements to be met in relation to persons for them to be permitted by section 1061ZZGB to give assurances of support
3	Paragraph 1061ZZGD(2)(a)	Requirements to be met in relation to persons giving assurances of support for the Secretary to be permitted by subsection 1061ZZGD(2) to accept such assurances
4	Paragraph 1061ZZGD(3)(b)	Values of securities to be given for the Secretary to be permitted to accept assurances of support
5	Subparagraph 1061ZZGF(1)(b)(i)	Periods for which assurances of support accepted under this Chapter remain in force in respect of persons under section 1061ZZGF
6	Subparagraph 1061ZZGF(1)(b)(iii)	Circumstances in which assurances of support accepted under this Chapter cease to be in force

Note 1: A determination may specify matters and things by reference to classes and may make different provision with respect to different matters or classes of matters. See the *Legislative Instruments Act 2003*.

Note 2: The Minister may amend a determination by another legislative instrument. See the *Acts Interpretation Act 1901*.

Section 1061ZZGH

---

- (2) A determination may specify, as a requirement to be met in relation to a person (the ***assurer***) giving an assurance of support for the Secretary to be permitted by subsection 1061ZZGD(2) to accept the assurance, a requirement that relates to:
- (a) the members of a couple consisting of the assurer and the assurer's partner; or
  - (b) the assurer's partner.

This subsection does not limit the requirements that may be specified under item 3 of the table in subsection (1) of this section.

- (3) Before making a determination specifying a thing described in item 4 or 5 of the table in subsection (1), the Minister must ask the Minister administering section 65 of the *Migration Act 1958* for comments on the things that should be specified and consider the comments (if any) received.

## Part 2C.5—Assurances by unincorporated bodies

### 1061ZZGI Application of social security law to unincorporated bodies

- (1) This Chapter, and the rest of the social security law so far as it relates to this Chapter, apply to an unincorporated body or association (the *body*) as if it were a person other than an individual, but they apply with the following changes.

*Acts of certain persons treated as acts of the body*

- (2) One change is that anything done or omitted by or in relation to:
- (a) if the body is a partnership—a partner; or
  - (b) in any other case—a member of the committee of management of the body;
- on behalf of the body is taken to have been done or omitted by the body.

*Imposition of obligations and liabilities*

- (3) Another change is that obligations, or liabilities under section 1061ZZGG, that would be imposed on the body are imposed instead on:
- (a) if the body is a partnership—each partner; or
  - (b) in any other case—each member of the committee of management of the body;
- but they may be discharged by any of the partners or any of those members.

*The body cannot commit an offence*

- (4) Another change is that if, apart from this subsection, the body would commit an offence, the body does not commit the offence.

Example: Subsection (1) applies section 217 of the *Social Security (Administration) Act 1999* to the body as if it were a person. That section provides that a person who contravenes certain provisions of that Act about false or misleading statements is guilty of an offence.

Section 1061ZZGI

---

The body does not commit an offence if it contravenes those provisions by making a false or misleading statement.

*Limit on scope of changes*

(5) Subsections (2) and (3) do not affect:

- (a) whether, for the purposes of section 1061ZZGB (about giving an assurance of support), the requirements specified in a determination under section 1061ZZGH are met in relation to the body; or
- (b) whether, for the purposes of paragraph 1061ZZGD(2)(a) (about accepting an assurance of support), the requirements specified in a determination under section 1061ZZGH are met in relation to the body.

Note: Whether the body may give an assurance of support and whether such an assurance may be accepted depend on whether the requirements specified in relation to the body are met, rather than whether requirements relating to a person who is a partner or member of the body's management committee are met in relation to that partner or member.

- (6) A determination under section 1061ZZGH (applying in accordance with this section) may specify, for the purposes of section 1061ZZGB or paragraph 1061ZZGD(2)(a) (as so applying in relation to the body), a requirement that relates to:
- (a) one or more of the partners, if the body is a partnership; or
  - (b) some or all of the members of the body or of its committee of management, if the body is not a partnership.

This subsection does not limit the requirements relating to the body that may be specified.

## **Chapter 3—General provisions relating to payability and rates**

### **Part 3.1—Rate Calculators (General)**

#### **1062 Steps in rate calculation**

- (1) The following are the usual steps in the rate calculation process:
  - (a) start with a maximum basic rate;
  - (b) add any additional amounts that are subject to income or assets testing;
  - (c) apply the income and assets tests;
  - (d) add any additional amounts that are not subject to income or assets testing.
- (2) The overall rate calculation process is usually described in an early Module of the relevant Rate Calculator.

#### **1063 Standard categories of family situations**

- (1) The Rate Calculators use the following standard categories of family situations:
  - not member of a couple;
  - member of a couple (or partnered);
  - partnered (partner getting neither pension nor benefit);
  - partnered (partner getting pension or benefit);
  - partnered (partner getting pension);
  - partnered (partner getting benefit);
  - partnered (partner in gaol).

Note:        see section 4 for definitions of those terms.

- (2) If it is necessary to distinguish between the members of sub-categories of these standard categories further words of description are added to the standard category label.

## Part 3.2—Pension Rate Calculator A

### 1064 Rate of age, disability support, wife pensions and carer payment (people who are not blind)

- (1) The rate of:
- (a) age pension; and
  - (b) disability support pension of a person who has turned 21, or of a person who has not turned 21 and has one or more dependent children; and
  - (c) wife pension; and
  - (d) carer payment; and
  - (f) mature age allowance under Part 2.12A; and
  - (g) mature age partner allowance;
- is, subject to subsection (2), to be calculated in accordance with the Rate Calculator at the end of this section.

Note 1: Module A of the Rate Calculator establishes the overall rate calculation process and the remaining Modules provide for the calculation of the component amounts used in the overall rate calculation.

Note 2: the rate obtained by applying the Rate Calculator may be reduced because of:

- the receipt of compensation (see Part 3.14); or
- overseas portability (see Part 4.2—Division 3); or
- the receipt of payments under the New Enterprise Incentive Scheme (see Part 3.15).

Note 3: For *dependent child* see section 5.

- (2) Subsection (1) does not apply to a person's age or disability support pension if the person is permanently blind.

Note: the rate for an age pension or disability support pension payable to a person who is permanently blind is dealt with in section 1065.

- (4) If:
- (a) a person has a relationship with another person, whether of the same sex or a different sex (*other person*); and

Section 1064

---

(b) the relationship between them is a de facto relationship in the Secretary's opinion (formed after the Secretary has had regard to all the circumstances of the relationship, including, in particular, the matters referred to in paragraphs 4(3)(a) to (e) and subsection 4(3A));

(c) either or both of them are under the age of consent applicable in the State or Territory in which they are living;

the person's pension rate is not to exceed the rate at which it would be payable to the person if the other person were the person's partner.

Note: this provision has the effect of taking into account the ordinary income, maintenance income and assets of the partner in applying the ordinary income test, maintenance income test and assets test respectively.

*Rate limited for armed service widow*

(5) If:

(a) an armed services widow is receiving a pension under Part II or IV of the Veterans' Entitlements Act at a rate determined under or by reference to subsection 30(1) of that Act; and

(b) one of the following is payable to the widow:

(i) an age pension;

(ii) a disability support pension;

(iii) a wife pension;

(iv) a carer payment;

(v) a mature age allowance under Part 2.12A;

the widow's pension rate is not to exceed:

(c) if:

(i) the widow has been receiving the payment referred to in paragraph (a) continuously since before 1 November 1986; and

(ii) immediately before 1 November 1986, the widow was receiving a payment referred to in paragraph (b) at a rate exceeding \$3,247.40; and

Section 1064

---

- (iii) the pension referred to in paragraph (b) is of the same type as the one which was payable to the person before 1 November 1986;

the rate of pension received by the widow immediately before 1 November 1986; and

- (d) in any other case—\$3,247.40.

Note: for *armed services widow* see subsection 4(1).

*Rate limited for armed services widower*

- (6) If:

- (a) an armed services widower is receiving a pension under Part II or IV of the Veterans' Entitlements Act at a rate determined under or by reference to subsection 30(1) of that Act; and

- (b) one of the following is payable to the widower:

- (i) an age pension;
- (ii) a disability support pension;
- (iii) a carer payment;

the rate of pension payable to the widower is not to exceed \$3,247.40.

Note: for *armed services widower* see subsection 4(1).

- (7) If:

- (a) an armed services widow or an armed services widower is receiving the weekly amount mentioned in paragraph 234(1)(b) of the MRCA (including a reduced weekly amount because of a choice under section 236 of the MRCA) or has received a lump sum mentioned in subsection 236(5) of the MRCA; and

- (b) one of the following is payable to the widow or widower:

- (i) an age pension;
- (ii) a disability support pension;
- (iii) a wife pension;
- (iv) a carer payment;
- (v) a mature age allowance under Part 2.12B;

Section 1064

---

the rate of pension payable to the widow or widower is not to exceed \$3,247.40.

Note: For *armed services widow* and *armed services widower* see subsection 4(1).

## Pension Rate Calculator A

### Module A—Overall rate calculation process

#### *Method of calculating rate*

- 1064-A1 The rate of pension is a daily rate. That rate is worked out by dividing the annual rate calculated according to this Rate Calculator by 364 (fortnightly rates are provided for information only).

#### *Method statement*

- Step 1. Work out the person's **maximum basic rate** using MODULE B below.
- Step 1A. Work out the amount of pension supplement using Module BA below.
- Step 1B. Work out the clean energy supplement (if any) using Module C below.
- Step 3. Work out the amount per year (if any) for rent assistance in accordance with paragraph 1070A(b).
- Step 4. Add up the amounts obtained in Steps 1, 1A, 1B and 3: the result is called the **maximum payment rate**.
- Step 5. Apply the ordinary income test using MODULE E below to work out the income reduction.

Note: Module F contains provisions that may apply to working out the ordinary income of a person, and the ordinary income of a partner of the person, for the purposes of disability support pension.

Section 1064

- Step 8. Take the income reduction away from the maximum payment rate: the result is called the ***income reduced rate***.
- Step 9. Apply the assets test using MODULE G below to work out the reduction for assets.
- Step 10. Take the reduction for assets away from the maximum payment rate: the result is called the ***assets reduced rate***.
- Step 11. Compare the income reduced rate and the assets reduced rate: the lower of the 2 rates, or the income reduced rate if the rates are equal, is the ***provisional annual payment rate***.
- Step 12. The ***rate of pension*** is the amount obtained by:
- (a) subtracting from the provisional annual payment rate any special employment advance deduction (see Part 3.16B); and
  - (b) if there is any amount remaining, subtracting from that amount any advance payment deduction (see Part 3.16A); and
  - (c) adding any amount payable by way of remote area allowance (see Module H).

- Note 1: if a person's assets reduced rate is less than the person's income reduced rate, the person may be able to take advantage of provisions dealing with financial hardship (sections 1129 and 1130).
- Note 1A: If a person's rate is, or is to be, an income reduced rate or an assets reduced rate, and at least one of those reduced rates is not a nil rate, the person may be able to take advantage of provisions dealing with the pension loans scheme (sections 1133AA to 1144).
- Note 2: Section 1210 deals with the application of income and assets test reductions.
- Note 3: the rate calculation for a member of a couple is affected by the operation of points 1064-A2 and 1064-A3.

## Chapter 3 General provisions relating to payability and rates

### Part 3.2 Pension Rate Calculator A

#### Module B Maximum basic rate

#### Section 1064

---

Note 4: in some circumstances a person may also be qualified for a pharmaceutical allowance under Part 2.22.

Note 5: a person's rate may also be reduced because the person or the person's partner receives compensation (see section 1173) or because the person or the person's partner is receiving a foreign pension (see scheduled international social security agreements at section 1208).

Note 7: Clause 146 of Schedule 1A may affect the provisional annual payment rate in step 11.

#### *Members of a couple*

1064-A2 Where 2 people are members of a couple, they will be treated as pooling their resources (income and assets) and sharing them on a 50/50 basis (see points 1064-E2 and 1064-G2 below). They will also be treated as sharing expenses (e.g. for rent) on a 50/50 basis (see section 1070V).

### Module B—Maximum basic rate

#### *Maximum basic rate*

1064-B1 A person's maximum basic rate depends on the person's family situation. Work out which family situation in Table B applies to the person. The maximum basic rate is the corresponding amount in column 3.

---

<b>Table B—Maximum basic rates</b>			
<b>Column 1</b>	<b>Column 2</b>	<b>Column 3</b>	<b>Column 4</b>
<b>Item</b>	<b>Person's family situation</b>	<b>Rate per year</b>	<b>Rate per fortnight</b>
1.	Not member of couple	\$8,114.60	\$312.10
2.	Partnered	\$6,767.80	\$260.30
3.	Member of illness separated couple	\$8,114.60	\$312.10
4.	Member of respite care couple	\$8,114.60	\$312.10
5.	Partnered (partner in gaol)	\$8,114.60	\$312.10

---

Section 1064

---

Note 1: For *member of couple, partnered, illness separated couple, respite care couple* and *partnered (partner in gaol)* see section 4.

Note 2: The maximum basic rates are adjusted 6 monthly: see sections 1191 to 1198A.

## **Module BA—Pension supplement**

### *Pension supplement*

1064-BA1 A pension supplement amount is to be added to the person's maximum basic rate.

### *Residents in Australia etc.*

1064-BA2 If the person is residing in Australia and:

- (a) is in Australia; or
- (b) is temporarily absent from Australia and has been so for a continuous period not exceeding 6 weeks;

the person's pension supplement amount is:

- (c) if an election by the person under subsection 1061VA(1) is in force—the amount worked out under point 1064-BA4; and
- (d) otherwise—the amount worked out under point 1064-BA3.

### *Residents in Australia etc.—no election in force*

1064-BA3 The person's pension supplement amount is the amount worked out by:

- (a) applying the applicable percentage in the following table to the combined couple rate of pension supplement; and
- (b) if:

- (i) the person is not partnered; and
- (ii) the amount resulting from paragraph (a) is not a multiple of \$2.60;

rounding the amount up or down to the nearest multiple of \$2.60 (rounding up if the amount is not a multiple of \$2.60 but is a multiple of \$1.30).

Section 1064

---

Item	Person's family situation	Use this %
1	Not member of couple	66.33%
2	Partnered	50%
3	Member of illness separated couple	66.33%
4	Member of respite care couple	66.33%
5	Partnered (partner in gaol)	66.33%

Note: For *combined couple rate of pension supplement*, see subsection 20A(1).

*Residents in Australia etc.—election in force*

- 1064-BA4 The person's pension supplement amount is the amount worked out as follows:
- (a) work out the amount for the person under point 1064-BA3 as if the election were not in force;
  - (b) from that amount, subtract the person's minimum pension supplement amount.

*Persons absent from Australia for more than 6 weeks*

- 1064-BA5 If the person is not covered by point 1064-BA2, the person's pension supplement amount is the person's pension supplement basic amount.

**Module C—Clean energy supplement**

- 1064-C1 A clean energy supplement is to be added to the person's maximum basic rate if the person is residing in Australia and:
- (a) is in Australia; or
  - (b) is temporarily absent from Australia and has been so for a continuous period not exceeding 6 weeks.

Note: Section 918 may affect the addition of the clean energy supplement.

- 1064-C2 However, this Module does not apply if quarterly clean energy supplement is payable to the person.
- 1064-C3 The person's clean energy supplement is the amount worked out by:

## Section 1064

- (a) applying the applicable percentage in the following table to the clean energy pension rate; and
- (b) rounding the result of paragraph (a) up or down to the nearest multiple of \$2.60 (rounding up if that rate is not a multiple of \$2.60 but is a multiple of \$1.30).

Percentage to be applied		
Item	Person's family situation	Use this %
1	Not a member of a couple	66.33%
2	Partnered	50%
3	Member of an illness separated couple	66.33%
4	Member of a respite care couple	66.33%
5	Partnered (partner in gaol)	66.33%

Note: For *clean energy pension rate*, see section 20B.

**Module E—Ordinary income test***Effect of income on maximum payment rate*

- 1064-E1 This is how to work out the effect of a person's ordinary income on the person's maximum payment rate:

*Method statement*

- Step 1. Work out the amount of the person's ordinary income on a yearly basis.

Note 1: For the treatment of the ordinary income of members of a couple see point 1064-E2.

Note 2: Module F contains provisions that may apply to working out the ordinary income of a person, and the ordinary income of a partner of the person, for the purposes of disability support pension.

- Step 2. Work out the person's ordinary income free area (see point 1064-E4 below).

Note: a person's ordinary income free area is the amount of ordinary income that the person can have without any

Section 1064

---

deduction being made from the person's maximum payment rate.

- Step 3. Work out whether the person's ordinary income exceeds the person's ordinary income free area.
- Step 4. If the person's ordinary income does not exceed the person's ordinary income free area, the person's ordinary income excess is nil.
- Step 5. If the person's ordinary income exceeds the person's ordinary income free area, the person's ordinary income excess is the person's ordinary income less the person's ordinary income free area.
- Step 6. Use the person's ordinary income excess to work out the person's reduction for ordinary income using points 1064-E10 to 1064-E12 below.

Note 1: see point 1064-A1 (Steps 5 to 8) for the significance of the person's reduction for ordinary income.

Note 2: the application of the ordinary income test is affected by provisions concerning:

- the general concept of ordinary income (sections 1072 and 1073);
- the work bonus (section 1073AA);
- business income (sections 1074 and 1075);
- deemed income from financial assets (sections 1076 to 1084);
- income from income streams (sections 1095 to 1099DAA);
- disposal of income (sections 1106 to 1112);

*Ordinary incomes of members of couples*

1064-E2 If a person is a member of a couple, add the couple's ordinary incomes (on a yearly basis) and divide by 2 to work out the amount of the person's ordinary income for the purposes of this Module.

Note: For the purposes of working out a person's disability support pension rate under this Rate Calculator, Module F applies to working out the ordinary incomes of both members of the couple.

## Section 1064

*Payment of arrears of periodic compensation payments*

1064-E3 If:

(a) at the time of an event that gives rise to an entitlement of a person to compensation, the person is receiving age pension, disability support pension, wife pension, carer pension, mature age allowance under Part 2.12A or mature age partner allowance; and

(b) in relation to that entitlement, the person receives a payment of arrears of periodic compensation;

the person is taken to receive on each day in the periodic payments period an amount calculated by dividing the amount received by the number of days in the periodic payments period.

Note: for *periodic payments period* see section 17.

*How to calculate a person's ordinary income free area*

1064-E4 A person's ordinary income free area is worked out using Table E-1. Work out which family situation in Table E-1 applies to the person. The ordinary income free area is the corresponding amount in column 3.

**Table E-1—Ordinary free area limits**

<b>Column 1</b> <b>Item</b>	<b>Column 2</b> <b>Category of person</b>	<b>Column 3</b> <b>Basic free area per year</b>	<b>Column 4</b> <b>Basic free area per fortnight</b>
1.	Not member of a couple	\$2,080	\$80
2.	Partnered (partner getting neither pension nor benefit)	\$1,820	\$70
3.	Partnered (partner getting benefit)	\$1,820	\$70
4.	Partnered (partner getting pension)	\$1,820	\$70

Note 1: for *member of a couple, partnered (partner getting neither pension nor benefit), partnered (partner getting benefit)* and *partnered (partner getting pension)* see section 4.

Section 1064

---

Note 3: items 2, 3 and 4 of Table E-1 apply to members of illness separated and respite care couples.

Note 4: the basic free area limits are indexed annually in line with CPI increases (see sections 1191 to 1194).

*Pension reduction for ordinary income in excess of ordinary income free area*

1064-E10 A person's reduction for ordinary income is:

Ordinary income excess  $\times$  0.5

*Ordinary income excess*

1064-E11 A person's ordinary income excess is the person's ordinary income less the person's ordinary income free area.

**Module F—Ordinary income for the purposes of disability support pension**

*Application of this Module*

1064-F1 This Module applies only for the purposes of working out the rate of disability support pension payable to a person. It so applies to that person and, if the person is a member of a couple, to the person's partner.

*Lump sum payments arising from termination of employment*

1064-F2 Subject to points 1064-F3 to 1064-F14 (inclusive), if:

- (a) a person's employment has been terminated; and
- (b) as a result the person is entitled to a lump sum payment from the person's former employer;

the person is taken to have received the lump sum payment on the day on which the person's employment was terminated.

*Directed termination payments excluded*

1064-F3 If:

- (a) a person's employment has been terminated; and

Section 1064

---

- (b) as a result the person is entitled to a lump sum payment from the person's former employer; and
  - (c) the payment, or part of the payment, is a directed termination payment within the meaning of section 82-10F of the *Income Tax (Transitional Provisions) Act 1997*;
- the payment, or that part, is to be disregarded in working out the ordinary income of the person for the purposes of Module E.

*Certain leave payments taken to be ordinary income—employment continuing*

1064-F4 If:

- (a) a person is employed; and
  - (b) the person is on leave for a period; and
  - (c) the person is or was entitled to receive a leave payment (whether as a lump sum payment, as a payment that is one of a series of regular payments or otherwise) in respect of a part or all of a leave period;
- the person is taken to have received ordinary income for a period (the ***income maintenance period***) equal to the leave period to which the leave payment entitlement relates.

*Certain payments taken to be ordinary income—employment terminated*

1064-F5 If:

- (a) a person's employment has been terminated; and
  - (b) the person receives a termination payment (whether as a lump sum payment, as a payment that is one of a series of regular payments or otherwise);
- the person is taken to have received ordinary income for a period (the ***income maintenance period***) equal to the period to which the payment relates.

*More than one termination payment on a day*

1064-F6 If:

- (a) a person is covered by point 1064-F5; and

Section 1064

---

- (b) the person receives more than one termination payment on a day;

the income maintenance period is worked out by adding the periods to which the payments relate.

*Start of income maintenance period—employment continuing*

- 1064-F7 If a person is covered by point 1064-F4, the income maintenance period starts on the first day of the leave period to which the leave payment entitlement relates.

*Start of income maintenance period—employment terminated*

- 1064-F8 If a person is covered by point 1064-F5, the income maintenance period starts, subject to point 1064-F9, on the day on which the person is paid the termination payment.

*Commencement of income maintenance period where there is a second termination payment*

- 1064-F9 If:

- (a) a person who is covered by point 1064-F5 is subject to an income maintenance period (the **first period**); and
- (b) the person is paid another termination payment during that period (the **second termination payment**);

the income maintenance period for the second termination payment starts on the day after the end of the first period.

*Leave payments or termination payments in respect of periods longer than a fortnight*

- 1064-F10 If:

- (a) a person receives a leave payment or termination payment; and
- (b) the payment is in respect of a period longer than a fortnight; the person is taken to receive in a payment fortnight or part of a payment fortnight an amount calculated by:
  - (c) dividing the amount received by the number of days in the period to which the payment relates (the **daily rate**); and

Section 1064

---

- (d) multiplying the daily rate by the number of days in the payment fortnight that are also in the period.

1064-F11 If the Secretary is satisfied that a person is in severe financial hardship because the person has incurred unavoidable or reasonable expenditure while an income maintenance period applies to the person, the Secretary may determine that the whole, or any part, of the period does not apply to the person.

Note 1: For *in severe financial hardship* see subsection 19C(2) (person who is not a member of a couple) and subsection 19C(3) (person who is a member of a couple).

Note 2: For *unavoidable or reasonable expenditure* see subsection 19C(4).

Note 3: If an income maintenance period applies to a person, then, during that period:

- (a) the pension claimed may not be payable to the person; or
- (b) the amount of the pension payable to the person may be reduced.

*When a person receives a leave payment or a termination payment*

1064-F12 For the purposes of points 1064-F3 to 1064-F11 (inclusive), a person (the **first person**) is taken to receive a leave payment or termination payment if:

- (a) the payment is made to another person:
  - (i) at the direction of the first person or a court; or
  - (ii) on behalf of the first person; or
  - (iii) for the benefit of the first person; or
- (b) the first person waives or assigns his or her right to receive the payment.

*Single payment in respect of different kinds of termination payments*

1064-F13 If a person who is covered by point 1064-F5 receives a single payment in respect of different kinds of termination payments, then, for the purposes of the application of points 1064-F4 to 1064-F12 (inclusive):

- (a) each part of the payment that is in respect of a different kind of termination payment is taken to be a separate payment; and

Section 1064

---

- (b) the income maintenance period in respect of the single payment is worked out by adding the periods to which the separate payments relate.

*Definitions*

1064-F14 In this Module:

***leave payment*** includes a payment in respect of sick leave, annual leave, maternity leave and long service leave, but does not include:

- (a) an instalment of parental leave pay; or
- (b) dad and partner pay.

***payment fortnight*** means a fortnight in respect of which a disability support pension is paid, or would be paid apart from the application of an income maintenance period, to a person.

***period to which the payment relates*** means:

- (a) if the payment is a leave payment—the leave period to which the payment relates; or
- (b) if the payment is a termination payment and is calculated as an amount equivalent to an amount of ordinary income that the person would (but for the termination) have received from the employment that was terminated—the period for which the person would have received that amount of ordinary income; or
- (c) if the payment is a termination payment and paragraph (b) does not apply—the period of weeks (rounded down to the nearest whole number) in respect of which the person would have received ordinary income, from the employment that was terminated, of an amount equal to the amount of the termination payment if:
  - (i) the person's employment had continued; and
  - (ii) the person received ordinary income from the employment at the rate per week at which the person usually received ordinary income from the employment prior to the termination.

***redundancy payment*** includes a payment in lieu of notice, but does not include a directed termination payment within the meaning of

Section 1064

---

section 82-10F of the *Income Tax (Transitional Provisions) Act 1997*.

**termination payment** includes:

- (a) a redundancy payment; and
- (b) a leave payment relating to a person's employment that has been terminated; and
- (c) any other payment that is connected with the termination of a person's employment.

## Module G—Assets test

*Effect of assets on maximum payment rate*

1064-G1 This is how to work out the effect of a person's assets on the person's maximum payment rate:

*Method statement*

Step 1. Work out the value of the person's assets.

Note 1: for the treatment of the assets of members of a couple see point 1064-G2.

Note 2: for the assets that are to be disregarded in valuing a person's assets see section 1118.

Note 3: for the valuation of an asset that is subject to a charge or encumbrance see section 1121.

Step 2. Work out the person's assets value limit (see point 1064-G3 below).

Note: a person's assets value limit is the maximum value of assets the person can have without affecting the person's pension rate.

Step 3. Work out whether the value of the person's assets exceeds the person's assets value limit.

Step 4. If the value of the person's assets does not exceed the person's assets value limit, the person's assets excess is nil.

Section 1064

---

Step 5. If the value of the person's assets exceeds the person's assets value limit, the person's assets excess is the value of the person's assets less the person's assets value limit.

Step 6. Use the person's assets excess to work out the person's reduction for assets using points 1064-G4 to 1064-G7 below.

Note 1: see point 1064-A1 (steps 9 and 10) for the significance of the person's reduction for assets.

Note 2: the application of the assets test is affected by provisions concerning:

- disposal of assets (sections 1123 to 1128);
- retirement villages (sections 1145 to 1157);
- financial hardship (sections 1129 and 1130);
- the pensions loans scheme (sections 1133 to 1144).

*Value of assets of members of couples*

1064-G2 For the purposes of this Module:

- (a) the value of the assets of a member of a couple is to be taken to be 50% of the sum of:
- (i) the value of the person's assets; and
  - (ii) the value of the person's partner's assets; and
- (b) the value of the assets of a particular kind of a member of a couple is to be taken to be 50% of the sum of:
- (i) the value of the person's assets of that kind; and
  - (ii) the value of the person's partner's assets of that kind.

*Assets value limit*

1064-G3 A person's assets value limit is worked out using Table G-1. Work out the person's family situation and home ownership situation. The assets value limit is the corresponding amount in column 3.

Section 1064

**Table G-1—Assets value limit**

<b>Column 1</b>	<b>Column 2</b>	<b>Column 3</b>	
		<b>Assets value limit</b>	
<b>Item</b>	<b>Person's family situation</b>	<b>Column 3A</b>	<b>column 3B</b>
		<b>Either person or partner homeowner</b>	<b>Neither person nor partner homeowner</b>
1.	Not member of a couple	\$110,750	\$190,250
2.	Partnered (partner getting neither pension nor benefit)	\$78,750	\$118,500
3.	Partnered (partner getting pension or benefit)	\$78,750	\$118,500

Note 1: for *member of a couple, partnered (partner getting neither pension nor benefit)* and *partnered (partner getting pension or benefit)* see section 4.

Note 2: for *homeowner* see section 11.

Note 3: items 2 and 3 apply to members of illness separated and respite care couples.

Note 4: the assets value limits are indexed or adjusted annually in line with CPI increases (see sections 1191 to 1194 and 1203).

*Pension reduction for assets in excess of assets value limit*

1064-G4 A person's reduction for assets is worked out using Table G-2. Work out which family situation applies to the person. The reduction for assets is the amount per year worked out using the corresponding calculation in column 3.

Section 1064

**Table G-2—Reduction for assets**

Column 1 Item	Column 2 Person's family situation	Column 3 Reduction
1.	Not member of a couple	$\frac{\text{Assets excess} \times 9.75}{250}$
2.	Partnered (partner getting neither pension nor benefit)	$\frac{\text{Assets excess} \times 9.75}{250}$
3.	Partner (partner getting pension or benefit)	$\frac{\text{Assets excess} \times 9.75}{250}$

Note 1: for *member of a couple*, *partnered (partner getting neither pension nor benefit)*, *partnered (partner getting benefit)* and *partnered (partner getting pension)* see section 4.

Note 4: for *assets excess* see point 1064-G5 below.

*Assets excess*

1064-G5 A person's *assets excess* is the value of the person's assets less the person's assets value limit.

1064-G7 In calculating a person's assets excess under point 1064-G5 disregard any part of the excess that is not a multiple of \$250.

## Module H—Remote area allowance

*Remote area allowance*

1064-H1 An amount by way of remote area allowance is to be added to a person's rate of pension if:

(aa) either:

- (i) the person's rate of pension apart from this point is greater than nil; or
- (ii) apart from this point, the person's rate of pension would be nil merely because an election by the person under subsection 1061VA(1) is in force; and

## Section 1064

(a) the person's usual place of residence is situated in the remote area; and

(b) the person is physically present in the remote area.

Note: for *remote area* and *physically present in the remote area* see section 14.

*Rate of remote area allowance*

1064-H2 The rate of remote area allowance payable to a person is worked out using Table H. Work out which family situation in the Table applies to the person. The rate of remote area allowance is the corresponding amount in column 3 plus an additional corresponding amount in column 5 for each FTB child, and each regular care child, of the person.

**Table H—Remote area allowance**

<b>Column 1 Item</b>	<b>Column 2 Person's family situation</b>	<b>Column 3 Basic allowance per year</b>	<b>Column 4 Basic allowance per fortnight</b>	<b>Column 5 Additional allowance per year</b>	<b>Column 6 Additional allowance per fortnight</b>
1.	Not member of couple	\$473.20	\$18.20	\$189.80	\$7.30
2.	Partnered	\$405.60	\$15.60	\$189.80	\$7.30
3.	Member of illness separated couple	\$473.20	\$18.20	\$189.80	\$7.30
4.	Member of respite care couple	\$473.20	\$18.20	\$189.80	\$7.30
5.	Partnered (partner in gaol)	\$473.20	\$18.20	\$189.80	\$7.30

Note 1: For *member of couple*, *partnered*, *illness separated couple*, *respite care couple* and *partnered (partner in gaol)* see section 4.

Section 1064

---

*Special rule where partner has an FTB or regular care child but is not receiving a pension*

1064-H5 If:

- (a) a person who is a member of a couple is qualified for an amount by way of remote area allowance; and
- (b) the person's partner is not receiving a pension or benefit; and
- (c) the person's partner has an FTB child or a regular care child; the child is taken, for the purposes of this Module, to be an FTB child, or a regular care child, (as the case requires) of the person.

*Special rule where partner has an FTB or regular care child but is not receiving additional allowance for the child*

1064-H6 If:

- (a) a person who is a member of a couple is qualified for an amount by way of remote area allowance; and
- (b) the person's partner has an FTB child or a regular care child; and
- (c) the person's partner is not receiving additional allowance for the child;

the child is taken, for the purposes of this Module, to be an FTB child, or a regular care child, (as the case requires) of the person.

*Special rule dealing with the death of an FTB or regular care child*

1064-H7 If an FTB child, or a regular care child, of a person dies, this Module has effect, for a period of 14 weeks after the death of the child, as if the child had not died.

Note: This point does not prevent this Module having the effect it would have had if the child would otherwise have ceased to be an FTB child, or a regular care child, during that 14 weeks.

## Part 3.3—Pension Rate Calculator B

### 1065 Rate of age and disability support pension (blind people)

- (1) The rate of:
- (a) age pension payable to a person who is permanently blind; and
  - (b) disability support pension payable to a person who:
    - (i) is permanently blind; and
    - (ii) has turned 21; and
  - (c) disability support pension payable to a person who:
    - (i) is permanently blind; and
    - (ii) has not turned 21; and
    - (iii) has one or more dependent children;

is to be calculated in accordance with the Rate Calculator at the end of this section.

Note 1: Module A of the Rate Calculator establishes the overall rate calculation process and the remaining Modules provide for the calculation of the component amounts used in the overall rate calculation.

Note 2: For *dependent child* see section 5.

- (3) Where:
- (a) a person who is permanently blind has a relationship with another person, whether of the same sex or a different sex (*other person*); and
  - (b) the relationship between them is a de facto relationship in the Secretary's opinion (formed after the Secretary has had regard to all the circumstances of the relationship, including, in particular, the matters referred to in paragraphs 4(3)(a) to (e) and subsection 4(3A));
  - (c) either or both of them are under the age of consent applicable in the State or Territory in which they are living;

the rate of pension payable to the person who is permanently blind is not to exceed the rate at which it would be payable to the person if the other person were the person's partner.

Section 1065

---

Note: this provision has the effect of taking into account the ordinary income, maintenance income and assets of the partner in applying the ordinary income test, maintenance income test and assets test respectively.

*Rate limited for certain armed services widows*

(4) If:

- (a) an armed services widow is receiving a pension under Part II or IV of the Veterans' Entitlements Act at a rate determined under or by reference to subsection 30(1) of that Act; and
- (b) an age or disability support pension is payable to the widow; the rate of pension payable to the widow is not to exceed:

(c) if:

- (i) the widow has been receiving the payment referred to in paragraph (a) continuously since before 1 November 1986; and
- (ii) immediately before 1 November 1986, the widow was receiving a payment referred to in paragraph (b) at a rate exceeding \$3,247.40; and
- (iii) the pension referred to in paragraph (b) is of the same type as the one which was payable to the person before 1 November 1986;

the rate of pension received by the widow immediately before 1 November 1986; and

- (d) in any other case—\$3,247.40.

Note: for *armed services widow* see subsection 4(1).

*Rate limited for certain armed services widowers*

(5) If:

- (a) an armed services widower is receiving a pension under Part II or IV of the Veterans' Entitlements Act at a rate determined under or by reference to subsection 30(1) of that Act; and

(b) an age or disability support pension is payable to the widower;  
the rate of pension payable to the widower is not to exceed \$3,247.40.

Note: for *armed services widower* see subsection 4(1).

*Rate limited for certain armed services widows and widowers*

(6) If:

- (a) an armed services widow or an armed services widower is receiving the weekly amount mentioned in paragraph 234(1)(b) of the MRCA (including a reduced weekly amount because of a choice under section 236 of the MRCA) or has received a lump sum mentioned in subsection 236(5) of the MRCA; and
  - (b) an age or disability support pension is payable to the widow or widower;
- the rate of pension payable to the widow or widower is not to exceed \$3,247.40.

Note: For *armed services widow* and *armed services widower* see subsection 4(1).

## **Pension Rate Calculator B**

### **Module A—Overall rate calculation process**

*Method of calculating rate*

1065-A1 The rate of pension is a daily rate. That rate is worked out by dividing the annual rate calculated according to this Rate Calculator by 364 (fortnightly rates are provided for information only).

<i>Method statement</i>
-------------------------

Section 1065

---

- |          |   |
|----------|---|
| Step 1.  | Work out what would be the person's rate of pension if Pension Rate Calculator A applied to the person: the result is called the <i>notional income/assets tested rate</i> .  |
| Step 2.  | Work out the person's <i>maximum basic rate</i> using MODULE B below.   |
| Step 2A. | Work out the amount of pension supplement using Module BA below.  |
| Step 3.  | Work out the clean energy supplement (if any) using Module C below.   |
| Step 4.  | Add up the amounts obtained in Steps 2, 2A and 3: the result is called the <i>maximum payment rate</i> .  |
| Step 5.  | Work out the <i>non-income/assets tested rate</i> by: <ul style="list-style-type: none"><li>(a) subtracting from the maximum payment rate any special employment advance deduction (see Part 3.16B); and</li><li>(b) if there is any amount remaining, subtracting from that amount any advance payment deduction (see Part 3.16A); and</li><li>(c) adding any amount payable by way of remote area allowance (see Module E).</li></ul> |
| Step 6.  | Compare the notional income/assets tested rate and the non-income/assets tested rate: whichever is the greater is the person's <i>rate of pension</i> .   |

Note 1: the person will also be qualified for a pharmaceutical allowance under Part 2.22.

Note 2: an amount of remote area allowance is to be added under Step 5 only if the person's rate of pension after Step 4 is greater than nil.

## Module B—Maximum basic rate

### *Maximum basic rate*

- 1065-B1 A person's maximum basic rate depends on the person's family situation. Work out which family situation in Table B applies to the person. The maximum basic rate is the corresponding amount in column 3 of the Table.

<b>Table B—Maximum basic rates</b>			
<b>Column 1 Item</b>	<b>Column 2 Person's family situation</b>	<b>Column 3 Rate per year</b>	<b>Column 4 Rate per fortnight</b>
1.	Not member of couple	\$8,114.60	\$312.10
2.	Partnered	\$6,767.80	\$260.30
3.	Member of illness separated couple	\$8,114.60	\$312.10
4.	Member of respite care couple	\$8,114.60	\$312.10
5.	Partnered (partner in gaol)	\$8,114.60	\$312.10

Note 1: For *member of couple*, *partnered*, *illness separated couple*, *respite care couple* and *partnered (partner in gaol)* see section 4.

Note 2: The maximum basic rates are adjusted 6 monthly: see sections 1191 to 1198A.

## Module BA—Pension supplement

### *Pension supplement*

- 1065-BA1 A pension supplement amount is to be added to the person's maximum basic rate.

### *Residents in Australia etc.*

- 1065-BA2 If the person is residing in Australia and:  
(a) is in Australia; or

Section 1065

---

(b) is temporarily absent from Australia and has been so for a continuous period not exceeding 6 weeks;

the person's pension supplement amount is:

(c) if an election by the person under subsection 1061VA(1) is in force—the amount worked out under point 1065-BA4; and

(d) otherwise—the amount worked out under point 1065-BA3.

*Residents in Australia etc.—no election in force*

1065-BA3 The person's pension supplement amount is the amount worked out by:

(a) applying the applicable percentage in the following table to the combined couple rate of pension supplement; and

(b) if:

(i) the person is not partnered; and

(ii) the amount resulting from paragraph (a) is not a multiple of \$2.60;

rounding the amount up or down to the nearest multiple of \$2.60 (rounding up if the amount is not a multiple of \$2.60 but is a multiple of \$1.30).

Item	Person's family situation	Use this %
1	Not member of couple	66.33%
2	Partnered	50%
3	Member of illness separated couple	66.33%
4	Member of respite care couple	66.33%
5	Partnered (partner in gaol)	66.33%

Note: For *combined couple rate of pension supplement*, see subsection 20A(1).

*Residents in Australia etc.—election in force*

1065-BA4 The person's pension supplement amount is the amount worked out as follows:

(a) work out the amount for the person under point 1065-BA3 as if the election were not in force;

---

Section 1065

- (b) from that amount, subtract the person's minimum pension supplement amount.

*Persons absent from Australia for more than 6 weeks*

- 1065-BA5 If the person is not covered by point 1065-BA2, the person's pension supplement amount is the person's pension supplement basic amount.

**Module C—Clean energy supplement**

- 1065-C1 A clean energy supplement is to be added to the person's maximum basic rate if the person is residing in Australia and:

- (a) is in Australia; or  
(b) is temporarily absent from Australia and has been so for a continuous period not exceeding 6 weeks.

Note: Section 918 may affect the addition of the clean energy supplement.

- 1065-C2 However, this Module does not apply if quarterly clean energy supplement is payable to the person.

- 1065-C3 The person's clean energy supplement is the amount worked out by:
- (a) applying the applicable percentage in the following table to the clean energy pension rate; and  
(b) rounding the result of paragraph (a) up or down to the nearest multiple of \$2.60 (rounding up if that rate is not a multiple of \$2.60 but is a multiple of \$1.30).

Percentage to be applied		
Item	Person's family situation	Use this %
1	Not a member of a couple	66.33%
2	Partnered	50%
3	Member of an illness separated couple	66.33%
4	Member of a respite care couple	66.33%
5	Partnered (partner in gaol)	66.33%

Note: For *clean energy pension rate*, see section 20B.

Section 1065

**Module E—Remote area allowance**

*Remote area allowance*

- 1065-E1 An amount by way of remote area allowance is to be added to a person's rate of pension if:
- (aa) either:
    - (i) the person's rate of pension apart from this point is greater than nil; or
    - (ii) apart from this point, the person's rate of pension would be nil merely because an election by the person under subsection 1061VA(1) is in force; and
  - (a) the person's usual place of residence is situated in the remote area; and
  - (b) the person is physically present in the remote area.

Note: for *remote area* and *physically present in the remote area* see section 14.

*Rate of remote area allowance*

- 1065-E2 The rate of remote area allowance payable to a person is worked out using Table E. Work out which family situation in the Table applies to the person. The rate of remote area allowance is the corresponding amount in column 3 plus an additional corresponding amount in column 5 for each FTB child, and each regular care child, of the person.

*Special rule where partner has an FTB or regular care child but is not receiving a pension*

1065-E4 If:

- (a) a person who is a member of a couple is qualified for an amount by way of remote area allowance; and
- (b) the person's partner is not receiving a pension or benefit; and
- (c) the person's partner has an FTB child or a regular care child; the child is taken, for the purposes of this Module, to be an FTB child, or a regular care child, (as the case requires) of the person.

*Special rule where partner has an FTB or regular care child but is not receiving additional allowance for the child*

1065-E5 If:

- (a) a person who is a member of a couple is qualified for an amount by way of remote area allowance; and
- (b) the person's partner has an FTB child or a regular care child; and

*Special rule dealing with the death of an FTB or regular care child*

1065-E6 If an FTB child, or a regular care child, of a person dies, this Module has effect, for a period of 14 weeks after the death of the child, as if the child had not died.

Note: This point does not prevent this Module having the effect it would have had if the child would otherwise have ceased to be an FTB child, or a regular care child, during that 14 weeks.

## **Part 3.4—Pension Rate Calculator C**

### **1066 Rate of bereavement allowance and widow B pension**

- (1) The rate of:
- (b) bereavement allowance; and
  - (c) widow B pension;
- is to be calculated in accordance with the Rate Calculator at the end of this section.

Note: Module A of the Rate Calculator establishes the overall rate calculation process and the remaining Modules provide for the calculation of the component amounts used in the overall rate calculation.

- (3) If:
- (a) a person has a relationship with another person, whether of the same sex or a different sex (***other person***); and
  - (b) the relationship between them is a de facto relationship in the Secretary's opinion (formed after the Secretary has had regard to all the circumstances of the relationship, including, in particular, the matters referred to in paragraphs 4(3)(a) to (e) and subsection 4(3A));
  - (c) either or both of them are under the age of consent applicable in the State or Territory in which they are living;
- the person's pension rate is not to exceed the rate at which it would be payable to the person if the other person were the person's partner.

Note 1: although there is only 1 maximum basic rate specified in point 1066-B1 of Pension Rate Calculator C, the ordinary income test (Module E) and assets test (Module G) do depend on whether the recipient is a member of a couple or not.

## Pension Rate Calculator C

### Module A—Overall rate calculation process

#### *Method of calculating rate*

- 1066-A1 The rate of pension is a daily rate. That rate is worked out by dividing the annual rate calculated according to this Rate Calculator by 364 (fortnightly rates are provided for information only).

#### *Method statement*

- Step 1. Work out the person's **maximum basic rate** using MODULE B below.
- Step 1A. Work out the amount of pension supplement using Module BA below.
- Step 2. Work out the clean energy supplement (if any) using Module C below.
- Step 3. Work out the amount per year (if any) for rent assistance in accordance with paragraph 1070A(b).
- Step 4. Add up the amounts obtained in Steps 1, 1A, 2 and 3: the result is called the **maximum payment rate**.
- Step 5. Apply the ordinary income test using MODULE E below to work out the income reduction.
- Step 8. Take the income reduction away from the maximum payment rate: the result is called the **income reduced rate**.
- Step 9. Apply the assets test using MODULE G below to work out the reduction for assets.

Step 10. Take the reduction for assets away from the maximum payment rate: the result is called the *assets reduced rate*.

Step 11. Compare the income reduced rate and the assets reduced rate: the lower of the 2 rates, or the income reduced rate if the rates are equal, is the *provisional annual payment rate*.

Step 12. The *rate of pension* is the amount obtained by:

- (a) subtracting from the provisional annual payment rate any special employment advance deduction (see Part 3.16B); and
- (b) if there is any amount remaining, subtracting from that amount any advance payment deduction (see Part 3.16A); and
- (c) adding any amount payable by way of remote area allowance (see Module H).

Note 1: if a person's assets reduced rate is less than the person's income reduced rate, the person may be able to take advantage of provisions dealing with financial hardship (sections 1129 and 1130).

Note 1A: If a person's rate is, or is to be, an income reduced rate or an assets reduced rate, and at least one of those reduced rates is not a nil rate, the person may be able to take advantage of provisions dealing with the pension loans scheme (sections 1133AA to 1144).

Note 2: Section 1210 deals with the application of income and assets test reductions.

Note 3: although most of the categories of person whose rate is to be worked out using this Rate Calculator will not be members of a couple, some categories are persons who are members of a couple (see subparagraphs 249(1)(a)(ii) and (iii)).

Note 4: in some circumstances a person may also be qualified for a pharmaceutical allowance under Part 2.22.

Note 6: Clause 146 of Schedule 1A may affect the provisional annual payment rate in step 11.

Section 1066

---

*Members of a couple*

- 1066-A2 If 2 people are members of a couple, they will be treated as pooling their resources (income and assets) and sharing them on a 50/50 basis (see points 1066-E2, 1066-F2 and 1066-G2).

**Module B—Maximum basic rate**

*Maximum basic rate*

- 1066-B1 A person's maximum basic rate is \$8,114.60 per year (\$312.10 per fortnight).

Note: The maximum basic rate is adjusted 6 monthly: see section 1198A.

**Module BA—Pension supplement**

*Pension supplement*

- 1066-BA1 A pension supplement amount is to be added to the person's maximum basic rate.

*Residents in Australia etc.*

- 1066-BA2 If the person is residing in Australia and:
- (a) is in Australia; or
  - (b) is temporarily absent from Australia and has been so for a continuous period not exceeding 6 weeks;
- the person's pension supplement amount is:
- (c) if an election by the person under subsection 1061VA(1) is in force—the amount worked out under point 1066-BA4; and
  - (d) otherwise—the amount worked out under point 1066-BA3.

*Residents in Australia etc.—no election in force*

- 1066-BA3 The person's pension supplement amount is the amount worked out by:
- (a) applying the applicable percentage in the following table to the combined couple rate of pension supplement; and
  - (b) if:

## Section 1066

- (i) the person is not partnered; and
  - (ii) the amount resulting from paragraph (a) is not a multiple of \$2.60;
- rounding the amount up or down to the nearest multiple of \$2.60 (rounding up if the amount is not a multiple of \$2.60 but is a multiple of \$1.30).

Item	Person's family situation	Use this %
1	Not member of couple	66.33%
2	Partnered	50%
3	Member of illness separated couple	66.33%
4	Member of respite care couple	66.33%
5	Partnered (partner in gaol)	66.33%

Note: For *combined couple rate of pension supplement*, see subsection 20A(1).

*Residents in Australia etc.—election in force*

- 1066-BA4 The person's pension supplement amount is the amount worked out as follows:
- (a) work out the amount for the person under point 1066-BA3 as if the election were not in force;
  - (b) from that amount, subtract the person's minimum pension supplement amount.

*Persons absent from Australia for more than 6 weeks*

- 1066-BA5 If the person is not covered by point 1066-BA2, the person's pension supplement amount is the person's pension supplement basic amount.

## Module C—Clean energy supplement

- 1066-C1 A clean energy supplement is to be added to the person's maximum basic rate if the person is residing in Australia and:
- (a) is in Australia; or

Section 1066

---

- (b) is temporarily absent from Australia and has been so for a continuous period not exceeding 6 weeks.

However, this Module does not apply if quarterly clean energy supplement is payable to the person.

Note: Section 918 may affect the addition of the clean energy supplement.

1066-C2 The person's clean energy supplement is the amount worked out by:

- (a) applying the applicable percentage in the following table to the clean energy pension rate; and  
(b) rounding the result of paragraph (a) up or down to the nearest multiple of \$2.60 (rounding up if that rate is not a multiple of \$2.60 but is a multiple of \$1.30).

Percentage to be applied		
Item	Person's family situation	Use this %
1	Not a member of a couple	66.33%
2	Partnered	50%
3	Member of an illness separated couple	66.33%
4	Member of a respite care couple	66.33%
5	Partnered (partner in gaol)	66.33%

Note: For *clean energy pension rate*, see section 20B.

## Module E—Ordinary income test

### *Effect of income on maximum payment rate*

1066-E1 This is how to work out the effect of a person's ordinary income on the person's maximum payment rate:

#### *Method statement*

Step 1. Work out the amount of the person's ordinary income on a yearly basis.

Note: for the treatment of the ordinary income of members of a couple see point 1066-E2.

Section 1066

Step 2. Work out the person's ordinary income free area (see point 1066-E4 below).

Note: a person's ordinary income free area is the amount of ordinary income that the person can have without any deduction being made from the person's maximum payment rate.

Step 3. Work out whether the person's ordinary income exceeds the person's ordinary income free area.

Step 4. If the person's ordinary income does not exceed the person's ordinary income free area, the person's ordinary income excess is nil.

Step 5. If the person's ordinary income exceeds the person's ordinary income free area, the person's ordinary income excess is the person's ordinary income less the person's ordinary income free area.

Step 6. Use the person's ordinary income excess to work out the person's reduction for ordinary income using points 1066-E8 to 1066-E9 below.

Note 1: see point 1066-A1 (Steps 5 to 8) for the significance of the person's reduction for ordinary income.

Note 2: the application of the ordinary income test is affected by provisions concerning:

- the general concept of ordinary income (sections 1072 and 1073);
- the work bonus (section 1073AA);
- business income (sections 1074 and 1075);
- deemed income from financial assets (sections 1076 to 1084);
- income from income streams (sections 1095 to 1099DAA);
- disposal of income (sections 1106 to 1112);

*Ordinary incomes of members of couples*

1066-E2 If a person is a member of a couple, add the couple's ordinary incomes (on a yearly basis) and divide by 2 to work out the amount of the person's ordinary income for the purposes of this Module.

Section 1066

---

*How to calculate a person's ordinary income free area*

- 1066-E4 A person's ordinary income free area is worked out using Table E. The ordinary income free area is the amount in column 1.

<b>Table E—Ordinary income free area</b>	
<b>Column 1</b>	<b>Column 2</b>
<b>Basic free area per year</b>	<b>Basic free area per fortnight</b>
\$2,080	\$80

Note: the basic free area per year is indexed annually in line with CPI increases (see sections 1191 to 1194).

*Reduction for ordinary income*

- 1066-E8 A person's reduction for ordinary income is:

Ordinary income excess  $\times$  0.5

*Ordinary income excess*

- 1066-E9 A person's ordinary income excess is the person's ordinary income less the person's ordinary income free area.

**Module G—Assets test**

*Effect of assets on maximum payment rate*

- 1066-G1 This is how to work out the effect of a person's assets on the person's maximum payment rate:

*Method statement*

Step 1. Work out the value of the person's assets.

Note 1: for the treatment of the assets of members of a couple see point 1066-G2.

Note 2: for the assets that are to be disregarded in valuing a person's assets see section 1118.

Section 1066

Note 3: for the valuation of an asset that is subject to a charge or encumbrance see section 1121.

Step 2. Work out the person's assets value limit (see point 1066-G3 below).

Note: a person's assets value limit is the maximum value of assets the person can have without affecting the person's pension rate.

Step 3. Work out whether the value of the person's assets exceeds the person's assets value limit.

Step 4. If the value of the person's assets does not exceed the person's assets value limit, the person's assets excess is nil.

Step 5. If the value of the person's assets exceeds the person's assets value limit, the person's assets excess is the value of the person's assets less the person's assets value limit.

Step 6. Use the person's assets excess to work out the person's reduction for assets using points 1066-G4 to 1066-G6 below.

Note 1: see point 1066-A1 (Steps 9 and 10) for the significance of the person's reduction for assets.

Note 2: the application of the assets test is affected by provisions concerning:

- disposal of assets (sections 1123 to 1128);
- retirement villages (sections 1145 to 1157);
- financial hardship (sections 1129 and 1130);
- the pension loans scheme (sections 1133 to 1144).

*Value of assets of members of couples*

1066-G2 For the purposes of this Module:

- (a) the value of the assets of a member of a couple is to be taken to be 50% of the sum of:
- (i) the value of the person's assets; and
  - (ii) the value of the person's partner's assets; and

Section 1066

- (b) the value of the assets of a particular kind of a member of a couple is to be taken to be 50% of the sum of:
- (i) the value of the person's assets of that kind; and
  - (ii) the value of the person's partner's assets of that kind.

*Assets value limit*

1066-G3 A person's assets value limit is worked out using Table G. Work out which family situation applies to the person. The assets value limit is the corresponding amount in column 3.

<b>Table G—Assets value limit</b>			
<b>Column 1</b>	<b>Column 2</b>	<b>Column 3</b>	
		<b>Assets value limit</b>	
<b>Item</b>	<b>Person's family situation</b>	<b>Column 3A</b>	<b>Column 3B</b>
		<b>Either person or partner homeowner</b>	<b>Neither person nor partner homeowner</b>
1.	Not member of a couple	\$110,750	\$190,250
2.	Partnered (partner getting neither pension nor benefit)	\$78,750	\$118,500
3.	Partnered (partner getting pension or benefit)	\$78,750	\$118,500
<p>Note 1: for <i>member of a couple, partnered (partner getting neither pension nor benefit)</i> and <i>partnered (partner getting pension or benefit)</i> see section 4.</p> <p>Note 2: for <i>homeowner</i> see section 11.</p> <p>Note 3: the assets value limits are indexed or adjusted annually in line with CPI increases (see sections 1191 to 1194 and 1203).</p>			

*Pension reduction for assets in excess of assets value limit*

1066-G4 A person's reduction for assets is:

Section 1066

---

$$\frac{\text{Assets excess} \times 9.75}{250}$$

*Assets excess*

- 1066-G5 A person's assets excess is the value of the person's assets less the person's assets value limit.
- 1066-G6 In calculating a person's assets excess under points 1066-G4 and 1066-G5 disregard any part of that excess which is not a multiple of \$250.

## **Module H—Remote Area Allowance**

*Remote area allowance*

- 1066-H1 An amount by way of remote area allowance is to be added to a person's rate of pension if:
- (aa) either:
- (i) the person's rate of pension apart from this point is greater than nil; or
  - (ii) apart from this point, the person's rate of pension would be nil merely because an election by the person under subsection 1061VA(1) is in force; and
- (a) the person's usual place of residence is situated in the remote area; and
- (b) the person is physically present in the remote area.

Note: for **remote area** and **physically present in the remote area** see section 14.

*Rate of remote area allowance*

- 1066-H2 The rate of remote area allowance payable to a person is worked out using Table H. Work out which family situation in the Table applies to the person. The rate of remote area allowance is the corresponding amount in column 3 plus an additional corresponding amount in column 5 for each FTB child, and each regular care child, of the person.

Section 1066

**Table H—Remote area allowance**

3.	Partnered (partner in gaol)	\$473.20	\$18.20	\$189.80	\$7.30

Note: For *member of couple*, *partnered* and *partnered (partner in gaol)* see section 4.

*Special rule where partner has an FTB or regular care child but is not receiving a pension*

1066-H4 If:

- (a) a person who is a member of a couple is qualified for an amount by way of remote area allowance; and
- (b) the person's partner is not receiving a pension or benefit; and
- (c) the person's partner has an FTB child or a regular care child; the child is taken, for the purposes of this Module, to be an FTB child, or a regular care child, (as the case requires) of the person.

*Special rule where partner has an FTB or regular care child but is not receiving additional allowance for the child*

1066-H5 If:

- (a) a person who is a member of a couple is qualified for an amount by way of remote area allowance; and
- (b) the person's partner has an FTB child or a regular care child; and
- (c) the person's partner is not receiving additional allowance for the child; the child is taken, for the purposes of this Module, to be an FTB child, or a regular care child, (as the case requires) of the person.

Section 1066

---

*Special rule dealing with the death of an FTB or regular care child*

1066-H6 If an FTB child, or a regular care child, of a person dies, this Module has effect, for a period of 14 weeks after the death of the child, as if the child had not died.

Note: This point does not prevent this Module having the effect it would have had if the child would otherwise have ceased to be an FTB child, or a regular care child, during that 14 weeks.

Section 1066A

## Part 3.4A—Pension Rate Calculator D

### 1066A Rate of disability support pension (people under 21 who are not blind)

- (1) The rate of disability support pension of a person who has not turned 21 is, subject to subsection (2), to be calculated in accordance with the Rate Calculator at the end of this section.

Note: Module A of the Rate Calculator establishes the overall rate calculation process and the remaining Modules provide for the calculation of the component amounts used in the overall rate calculation.

- (2) Subsection (1) does not apply if:
- (a) the person is permanently blind; or
  - (b) the person has one or more dependent children.

Note 1: The rate for a disability support pension payable to a person under 21 who is permanently blind is dealt with in section 1066B.

Note 2: For *dependent child* see section 5.

Note 3: The rate for a disability support pension payable to a person under 21 who has one or more dependent children is dealt with in section 1064 or 1065.

- (3) A person's disability support pension rate is not to exceed the rate at which a disability support pension would be payable to that person if the person's rate were calculated using Pension Rate Calculator A at the end of section 1064.
- (5) If:
- (a) a person has a relationship with another person, whether of the same sex or a different sex (*other person*); and
  - (b) the relationship between them is a de facto relationship in the Secretary's opinion (formed after the Secretary has had regard to all the circumstances of the relationship, including, in particular, the matters referred to in paragraphs 4(3)(a) to (e) and subsection 4(3A));

(c) either or both of them are under the age of consent applicable in the State or Territory in which they are living;  
the person's disability support pension rate is not to exceed the rate at which it would be payable to the person if the other person were the person's partner.

Note: this provision has the effect of taking into account the ordinary income, maintenance income and assets of the partner in applying the ordinary income test, maintenance income test and assets test respectively.

## **Pension Rate Calculator D**

### **Module A—Overall rate calculation process**

#### *Method of calculating rate*

1066A-A1 The rate of pension is a daily rate. That rate is worked out by dividing the annual rate calculated according to this Rate Calculator by 364 (fortnightly rates are provided for information only).

#### *Method statement*

- Step 1. Work out the person's **maximum basic rate** using MODULE B below.
- Step 1A. Work out the clean energy supplement (if any) using Module BA below.
- Step 2. Work out the amount per year for youth disability, Supplement using MODULE C below.
- Step 3. Work out the amount per year (if any) of pharmaceutical allowance using MODULE D below.
- Step 4. Work out the amount per year (if any) for rent assistance in accordance with paragraph 1070A(b).

Section 1066A

---

Step 5. Add up the amounts obtained in Steps 1, 1A, 2, 3 and 4: the result is called the ***maximum payment rate***.

Note: Module G contains provisions that may apply to working out, under this Rate Calculator, the ordinary income of a person, and the ordinary income of a partner of the person.

Step 6. Apply the ordinary income test using MODULE F below to work out the income reduction.

Step 9. Take the income reduction away from the maximum payment rate: the result is called the ***income reduced rate***.

Step 10. Apply the assets test using MODULE H below to work out the reduction for assets.

Step 11. Take the reduction for assets away from the maximum payment rate: the result is called the ***assets reduced rate***.

Step 12. Compare the income reduced rate and the assets reduced rate: the lower of the 2 rates, or the income reduced rate if the rates are equal, is the ***provisional annual payment rate***.

Step 13. The ***rate of pension*** is the amount obtained by:

- (a) subtracting from the provisional annual payment rate any special employment advance deduction (see Part 3.16B); and
- (b) if there is any amount remaining, subtracting from that amount any advance payment deduction (see Part 3.16A); and
- (c) adding any amount payable by way of remote area allowance (see Module I).

Note 1: if a person's assets reduced rate is less than the person's income reduced rate, the person may be able to take advantage of provisions dealing with financial hardship (sections 1129 and 1130).

## Section 1066A

Note 2: Section 1210 deals with the application of income and assets test reductions.

Note 3: the rate calculation for a member of a couple is affected by the operation of points 1066A-A2.

*Members of a couple*

1066A-A2 Where 2 people are members of a couple, they will be treated as pooling their resources (income and assets) and sharing them on a 50/50 basis (see points 1066A-F2, 1066A-G3 and 1066A-H2 below). They will also be treated as sharing expenses (e.g. for rent) on a 50/50 basis (see section 1070V).

**Module B—Maximum basic rate***Maximum basic rate*

1066A-B1 A person's maximum basic rate is to be worked out using Table B. Work out the family situation. The maximum basic rate is the corresponding amount in column 3.

Note 2: For *independent* see section 5.

Note 3: For *living away from the person's parental home* see subsection 23(4D).

Note 4: The rates in column 3 are adjusted annually in line with CPI changes (see section 1198B).

**Module BA—Clean energy supplement**

1066A-BA1 A clean energy supplement is to be added to the person's maximum basic rate if the person is residing in Australia and:

Section 1066A

---

- (a) is in Australia; or
- (b) is temporarily absent from Australia and has been so for a continuous period not exceeding 6 weeks.

However, this Module does not apply if quarterly clean energy supplement is payable to the person.

Note: Section 918 may affect the addition of the clean energy supplement.

1066A-BA2 The person's (the **recipient's**) clean energy supplement is the recipient's clean energy (under pension age) rate.

1066A-BA3 For the purposes of point 1066A-BA2, the recipient's **clean energy (under pension age) rate** is worked out by:

- (a) working out 1.7% of the total of the maximum basic rate, and the youth disability supplement, worked out:
  - (i) for 1 January 2014; and
  - (ii) for a person whose circumstances on that day were the same as the recipient's current circumstances; and
- (b) rounding the result of paragraph (a) up or down to the nearest multiple of \$2.60 (rounding up if that result is not a multiple of \$2.60 but is a multiple of \$1.30).

Note: This rate for those circumstances, and the rates for persons with different circumstances, are indexed 12 monthly in line with CPI increases (see sections 1191 to 1194).

## **Module C—Youth disability supplement**

### *Youth disability supplement*

1066A-C1 An amount by way of youth disability supplement is to be added to a person's rate. The rate of youth disability supplement is \$1,557.40 per year (\$59.90 per fortnight).

Note 1: the rate of youth disability supplement is adjusted annually in line with CPI increases (see section 1198C).

Note 2: on 1 January 1992 the rate of youth disability supplement is to be increased by \$111.80 (\$4.30 per fortnight), under section 45 of the *Social Security Legislation Amendment Act (No. 3) 1991*. This is in addition to the annual CPI indexation occurring on 1 January 1992.

## **Module D—Pharmaceutical allowance**

### *Qualification for pharmaceutical allowance*

- 1066A-D1 Subject to points 1066A-D2, 1066A-D3, 1066A-D4 and 1066A-D6, an additional amount by way of pharmaceutical allowance is to be added to a person's maximum basic rate if the person is an Australian resident.

### *No pharmaceutical allowance if person receiving veterans supplement or MRCA supplement*

- 1066A-D2 Pharmaceutical allowance is not to be added to a person's maximum basic rate if the person is receiving:
- (a) veterans supplement under section 118A of the Veterans' Entitlements Act; or
  - (b) MRCA supplement under section 300 of the Military Rehabilitation and Compensation Act.

### *No pharmaceutical allowance if partner receiving veterans supplement or MRCA supplement and not a service pensioner*

- 1066A-D3 Pharmaceutical allowance is not to be added to a person's maximum basic rate if:
- (a) the person is a member of a couple; and
  - (b) the person's partner is receiving:
    - (i) veterans supplement under section 118A of the Veterans' Entitlements Act; or
    - (ii) MRCA supplement under section 300 of the Military Rehabilitation and Compensation Act; and
  - (c) the person's partner is not receiving a service pension.

### *No pharmaceutical allowance before advance payment period ends*

- 1066A-D4 Pharmaceutical allowance is not to be added to a person's maximum basic rate if:
- (a) the person has received an advance pharmaceutical allowance under Part 2.23 of this Act; and

Section 1066A

---

- (b) the person's advance payment period has not ended.

Note: for *advance payment period* see point 1066A-D5.

*Advance payment period*

1066A-D5 A person's advance payment period:

- (a) starts on the day on which the advance pharmaceutical allowance is paid to the person; and
- (b) ends after the number of paydays worked out using the following formula have passed:

$$\frac{\text{amount of advance} \times 26}{\text{pharmaceutical allowance rate}}$$

where:

**amount of advance** is the amount of the advance paid to the person.

**pharmaceutical allowance rate** is the yearly amount of pharmaceutical allowance which would be added to the person's maximum basic rate in working out the instalment for the day on which the advance is paid if pharmaceutical allowance were to be added to the person's maximum basic rate on that day.

*No pharmaceutical allowance if annual limit reached*

1066A-D6 Pharmaceutical allowance is not to be added to a person's maximum basic rate if:

- (a) the person has received an advance pharmaceutical allowance during the current calendar year; and
- (b) the total amount paid to the person for that year by way of:
- (i) pharmaceutical allowance; and
- (ii) advance pharmaceutical allowance;

equals the total amount of pharmaceutical allowance that would have been paid to the person during that year if the person had not received any advance pharmaceutical allowance.

Note 1: for the amount **paid** to a person by way of pharmaceutical allowance see subsections 19A(2) to (6).

## Section 1066A

Note 2: the annual limit is affected by:

- how long during the calendar year the person was on pension or benefit;
- the rate of pharmaceutical allowance the person attracts at various times depending on the person's family situation.

*Amount of pharmaceutical allowance*

1066A-D8 The amount of pharmaceutical allowance is the amount per year worked out using the following Table:

<b>Pharmaceutical allowance amount table</b>			
<b>Column 1</b>	<b>Column 2</b>	<b>Column 3</b>	<b>Column 4</b>
<b>Item</b>	<b>Person's family situation</b>	<b>Amount per year</b>	<b>Amount per fortnight</b>
1.	Not member of couple	\$135.20	\$5.20
2.	Partnered	\$67.60	\$2.60
3.	Member of illness separated couple	\$135.20	\$5.20
4.	Member of respite care couple	\$135.20	\$5.20
5.	Partnered (partner getting service pension)	\$67.60	\$2.60
6.	Partnered (partner in gaol)	\$135.20	\$5.20

Note 1: For *member of couple*, *partnered*, *illness separated couple*, *respite care couple* and *partnered (partner in gaol)* see section 4.

Note 2: The amounts in column 3 are adjusted annually in line with CPI increases (see section 1206A).

**Module F—Ordinary income test***Effect of income on maximum payment rate*

1066A-F1 This is how to work out the effect of a person's ordinary income on the person's maximum payment rate:

Section 1066A

---

*Method statement*

Step 1. Work out the amount of the person's ordinary income on a yearly basis.

Note 1: For the treatment of the ordinary income of members of a couple see point 1066A-F2.

Note 2: Module G contains provisions that may apply to working out, under this Rate Calculator, the ordinary income of a person, and the ordinary income of a partner of the person.

Step 2. Work out the person's ordinary income free area (see point 1066A-F3 below).

Note: a person's ordinary income free area is the amount of ordinary income that the person can have without any deduction being made from the person's maximum payment.

Step 3. Work out whether the person's ordinary income exceeds the person's ordinary income free area.

Step 4. If the person's ordinary income does not exceed the person's ordinary income free area, the person's ordinary income excess is nil.

Step 5. If the person's ordinary income exceeds the person's ordinary income free area, the person's ordinary income excess is the person's ordinary income less the person's ordinary income free area.

Step 6. Use the person's ordinary income excess to work out the person's reduction for ordinary income using points 1066A-F9 to 1066A-F11 below.

Note 1: see point 1066A-A1 (Steps 6 to 9) for the significance of the person's reduction for ordinary income.

Note 2: the application of the ordinary income test is affected by provisions concerning:

- the general concept of ordinary income (sections 1072 and 1073);
- business income (sections 1074 and 1075);

## Section 1066A

- deemed income from financial assets (sections 1076 to 1084);
- income from income streams (sections 1095 to 1099DAA);
- disposal of income (sections 1106 to 1112);

*Ordinary incomes of members of couples*

1066A-F2 If a person is a member of a couple, add the couple's ordinary incomes (on a yearly basis) and divide by 2 to work out the amount of the person's ordinary income for the purposes of this Module.

*Payment of arrears of periodic compensation payments*

1066A-F2A If:

- at the time of an event that gives rise to an entitlement of a person to compensation, the person is receiving disability support pension; and
- in relation to that entitlement, the person receives a payment of arrears of periodic compensation;

the person is taken to receive on each day in the periodic payments period an amount calculated by dividing the amount received by the number of days in the periodic payments period.

Note: for *periodic payments period* see section 17.

*How to calculate a person's ordinary income free area*

1066A-F3 A person's ordinary income free area is worked out using Table F-1. Work out which family situation in Table F-1 applies to the person. The ordinary income free area is the corresponding amount in column 3.

**Table F-1—Ordinary income free area**

Note 1: for *member of a couple, partnered (partner getting neither pension nor benefit), partnered (partner getting benefit)* and *partnered (partner getting pension)* see section 4.

Note 3: items 2, 3 and 4 of Table F-1 apply to members of illness separated couples.

Note 4: the basic free area limits are indexed annually in line with CPI increases (see sections 1191 to 1194).

*Pension reduction for ordinary income in excess of ordinary income free area*

1066A-F9 A person's reduction for ordinary income is:

Ordinary income excess  $\times$  0.5

*Ordinary income excess*

1066A-F10 A person's *ordinary income excess* is the person's ordinary income less the person's ordinary income free area.

**Module G—Payments taken to be ordinary income**

*Application of this Module*

1066A-G1 This Module applies to a person and, if the person is a member of a couple, the person's partner.

*Lump sum payments arising from termination of employment*

1066A-G2 Subject to points 1066A-G3 to 1066A-G14 (inclusive), if:

(a) a person's employment has been terminated; and

Section 1066A

---

(b) as a result the person is entitled to a lump sum payment from the person's former employer;  
the person is taken to have received the lump sum payment on the day on which the person's employment was terminated.

*Directed termination payments excluded*

1066A-G3 If:

- (a) a person's employment has been terminated; and
- (b) as a result the person is entitled to a lump sum payment from the person's former employer; and
- (c) the payment, or part of the payment, is a directed termination payment within the meaning of section 82-10F of the *Income Tax (Transitional Provisions) Act 1997*;

the payment, or that part, is to be disregarded in working out the ordinary income of the person for the purposes of Module F.

*Certain leave payments taken to be ordinary income—employment continuing*

1066A-G4 If:

- (a) a person is employed; and
- (b) the person is on leave for a period; and
- (c) the person is or was entitled to receive a leave payment (whether as a lump sum payment, as a payment that is one of a series of regular payments or otherwise) in respect of a part or all of a leave period;

the person is taken to have received ordinary income for a period (the ***income maintenance period***) equal to the leave period to which the leave payment entitlement relates.

*Certain payments taken to be ordinary income—employment terminated*

1066A-G5 If:

- (a) a person's employment has been terminated; and
- (b) the person receives a termination payment (whether as a lump sum payment, as a payment that is one of a series of regular payments or otherwise);

Section 1066A

---

the person is taken to have received ordinary income for a period (the *income maintenance period*) equal to the period to which the payment relates.

*More than one termination payment on a day*

1066A-G6 If:

- (a) a person is covered by point 1066A-G5; and
- (b) the person receives more than one termination payment on a day;

the income maintenance period is worked out by adding the periods to which the payments relate.

*Start of income maintenance period—employment continuing*

1066A-G7 If a person is covered by point 1066A-G4, the income maintenance period starts on the first day of the leave period to which the leave payment entitlement relates.

*Start of income maintenance period—employment terminated*

1066A-G8 If a person is covered by point 1066A-G5, the income maintenance period starts, subject to point 1066A-G9, on the day on which the person is paid the termination payment.

*Commencement of income maintenance period where there is a second termination payment*

1066A-G9 If:

- (a) a person who is covered by point 1066A-G5 is subject to an income maintenance period (the *first period*); and
- (b) the person is paid another termination payment during that period (the *second termination payment*);

the income maintenance period for the second termination payment starts on the day after the end of the first period.

*Leave payments or termination payments in respect of periods longer than a fortnight*

1066A-G10 If:

---

Section 1066A

---

- (a) a person receives a leave payment or termination payment;  
and
- (b) the payment is in respect of a period longer than a fortnight;  
the person is taken to receive in a payment fortnight or part of a  
payment fortnight an amount calculated by:
- (c) dividing the amount received by the number of days in the  
period to which the payment relates (the **daily rate**); and
- (d) multiplying the daily rate by the number of days in the  
payment fortnight that are also in the period.

1066A-G11 If the Secretary is satisfied that a person is in severe financial hardship because the person has incurred unavoidable or reasonable expenditure while an income maintenance period applies to the person, the Secretary may determine that the whole, or any part, of the period does not apply to the person.

Note 1: For **in severe financial hardship** see subsection 19C(2) (person who is not a member of a couple) and subsection 19C(3) (person who is a member of a couple).

Note 2: For **unavoidable or reasonable expenditure** see subsection 19C(4).

Note 3: If an income maintenance period applies to a person, then, during that period:

- (a) the pension claimed may not be payable to the person; or
- (b) the amount of the pension payable to the person may be reduced.

*When a person receives a leave payment or a termination payment*

1066A-G12 For the purposes of points 1066A-G3 to 1066A-G11 (inclusive), a person (the **first person**) is taken to receive a leave payment or termination payment if:

- (a) the payment is made to another person:
  - (i) at the direction of the first person or a court; or
  - (ii) on behalf of the first person; or
  - (iii) for the benefit of the first person; or
- (b) the first person waives or assigns his or her right to receive the payment.

Section 1066A

---

*Single payment in respect of different kinds of termination payments*

1066A-G13 If a person who is covered by point 1066A-G5 receives a single payment in respect of different kinds of termination payments, then, for the purposes of the application of points 1066A-G4 to 1066A-G12 (inclusive):

- (a) each part of the payment that is in respect of a different kind of termination payment is taken to be a separate payment; and
- (b) the income maintenance period in respect of the single payment is worked out by adding the periods to which the separate payments relate.

*Definitions*

1066A-G14 In this Module:

***leave payment*** includes a payment in respect of sick leave, annual leave, maternity leave and long service leave, but does not include:

- (a) an instalment of parental leave pay; or
- (b) dad and partner pay.

***payment fortnight*** means a fortnight in respect of which a disability support pension is paid, or would be paid apart from the application of an income maintenance period, to a person.

***period to which the payment relates*** means:

- (a) if the payment is a leave payment—the leave period to which the payment relates; or
- (b) if the payment is a termination payment and is calculated as an amount equivalent to an amount of ordinary income that the person would (but for the termination) have received from the employment that was terminated—the period for which the person would have received that amount of ordinary income; or
- (c) if the payment is a termination payment and paragraph (b) does not apply—the period of weeks (rounded down to the nearest whole number) in respect of which the person would have received ordinary income, from the employment that

Section 1066A

---

was terminated, of an amount equal to the amount of the termination payment if:

- (i) the person's employment had continued; and
- (ii) the person received ordinary income from the employment at the rate per week at which the person usually received ordinary income from the employment prior to the termination.

**redundancy payment** includes a payment in lieu of notice, but does not include a directed termination payment within the meaning of section 82-10F of the *Income Tax (Transitional Provisions) Act 1997*.

**termination payment** includes:

- (a) a redundancy payment; and
- (b) a leave payment relating to a person's employment that has been terminated; and
- (c) any other payment that is connected with the termination of a person's employment.

**Module H—Assets test***Effect of assets on maximum payment rate*

1066A-H1 This is how to work out the effect of a person's assets on the person's maximum payment rate:

*Method statement*

Step 1. Work out the value of the person's assets.

Note 1: for the treatment of the assets of members of a couple see point 1066A-H2.

Note 2: for the assets that are to be disregarded in valuing a person's assets see section 1118.

Note 3: for the valuation of an asset that is subject to a charge or encumbrance see section 1121.

Section 1066A

---

Step 2. Work out the person's assets value limit (see point 1066A-H3 below).

Note: a person's assets value limit is the maximum value of assets the person can have without affecting the person's pension rate.

Step 3. Work out whether the value of the person's assets exceeds the person's assets value limit.

Step 4. If the value of the person's assets does not exceed the person's assets value limit, the person's assets excess is nil.

Step 5. If the value of the person's assets exceeds the person's assets value limit, the person's assets excess is the value of the person's assets less the person's assets value limit.

Step 6. Use the person's assets excess to work out the person's reduction for assets using points 1066A-H4 to 1066A-H7 below.

Note 1: see point 1066A-A1 Steps 10 and 11 for the significance of the person's reduction for assets.

Note 2: the application of the assets test is affected by provisions concerning:

- disposal of assets (sections 1123 to 1128);
- retirement villages (sections 1145 to 1157);
- financial hardship (sections 1129 and 1130);
- the pensions loans scheme (sections 1133 to 1144).

*Value of assets of members of couples*

1066A-H2 For the purposes of this Module:

- (a) the value of the assets of a member of a couple is to be taken to be 50% of the sum of:
  - (i) the value of the person's assets; and
  - (ii) the value of the person's partner's assets; and
- (b) the value of the assets of a particular kind of a member of a couple is to be taken to be 50% of the sum of:
  - (i) the value of the person's assets of that kind; and

## Section 1066A

- (ii) the value of the person's partner's assets of that kind.

*Assets value limit*

- 1066A-H3 A person's assets value limit is worked out using Table H-1. Work out the person's family situation and home ownership situation. The assets value limit is the corresponding amount in column 3.

<b>Table H-1—Assets value limit</b>			
<b>Column 1</b>	<b>Column 2</b>	<b>Column 3</b>	
		<b>Assets value limit</b>

2.	Partnered (partner getting neither pension nor benefit)	\$78,750	\$118,500
3.	Partnered (partner getting pension or benefit)	\$78,750	\$118,500
Note 1:	for <i>member of a couple</i> , <i>partnered (partner getting neither pension nor benefit)</i> and <i>partnered (partner getting pension or benefit)</i> see section 4.		
Note 2:	for <i>homeowner</i> see section 11.		
Note 3:	items 2 and 3 apply to members of illness separated couples.		
Note 4:	the assets value limits are indexed or adjusted annually in line with CPI increases (see sections 1191 to 1194 and 1203).		

*Pension reduction for assets in excess of assets value limit*

- 1066A-H4 A person's reduction for assets is worked out using Table H-2. Work out which family situation applies to the person. The reduction for assets is the amount per year worked out using the corresponding calculation in column 3.

Section 1066A

**Table H-2—Reduction for assets**

Column 1 Item	Column 2 Person's family situation	Column 3 Reduction
1.	Not member of couple	$\frac{\text{Assets excess} \times 9.75}{250}$
2.	Partnered (partner getting neither pension nor benefit)	$\frac{\text{Assets excess} \times 9.75}{250}$
3.	Partner (partner getting pension or benefit)	$\frac{\text{Assets excess} \times 9.75}{250}$

Note 1: for *member of a couple, partnered (partner getting neither pension nor benefit), partnered (partner getting benefit)* and *partnered (partner getting pension)* see section 4.

Note 3: for *assets excess* see point 1066A-H5 below.

*Assets excess*

1066A-H5 A person's **assets excess** is the value of the person's assets less the person's assets value limit.

1066A-H7 In calculating a person's assets excess under point 1066A-H5 disregard any part of the excess that is not a multiple of \$250.

## Module I—Remote area allowance

*Remote area allowance*

1066A-I1 An amount by way of remote area allowance is to be added to a person's rate of pension if:

(aa) either:

- (i) the person's rate of pension apart from this point is greater than nil; or
- (ii) apart from this point, the person's rate of pension would be nil merely because an advance pharmaceutical

Section 1066A

allowance has been paid to the person under Part 2.23 of this Act; and

- (a) the person's usual place of residence is situated in the remote area; and
- (b) the person is physically present in the remote area.

Note: for *remote area* and *physically present in the remote area* see section 14.

*Rate of remote area allowance*

1066A-I2 The rate of remote area allowance payable to a person is worked out using Table I. Work out which family situation in the Table applies to the person. The rate of remote area allowance is the corresponding amount in column 3 plus an additional corresponding amount in column 5 for each FTB child, and each regular care child, of the person.

**Table I—Remote area allowance**

5.	Partnered (partner in gaol)	\$473.20	\$18.20	\$189.80	\$7.30

Note: For *member of couple*, *partnered*, *illness separated couple*, *respite care couple* and *partnered (partner in gaol)* see section 4.

Section 1066A

---

*Special rule where partner has an FTB or regular care child but is not receiving a pension*

1066A-I4 If:

- (a) a person who is a member of a couple is qualified for an amount by way of additional allowance; and
- (b) the person's partner is not receiving a pension or benefit; and
- (c) the person's partner has an FTB child or a regular care child; the child is taken, for the purposes of this Module, to be an FTB child, or a regular care child, (as the case requires) of the person.

*Special rule where partner has an FTB or regular care child but is not receiving additional allowance for the child*

1066A-I5 If:

- (a) a person who is a member of a couple is qualified for an amount by way of remote area allowance; and
- (b) the person's partner has an FTB child or a regular care child; and
- (c) the person's partner is not receiving additional allowance for the child;

the child is taken, for the purposes of this Module, to be an FTB child, or a regular care child, (as the case requires) of the person.

*Special rule dealing with the death of an FTB or regular care child*

1066A-I6 If an FTB child, or a regular care child, of a person dies, this Module has effect, for a period of 14 weeks after the death of the child, as if the child had not died.

Note: This point does not prevent this Module having the effect it would have had if the child would otherwise have ceased to be an FTB child, or a regular care child, during that 14 weeks.

## **Part 3.4B—Pension Rate Calculator E**

### **1066B Rate of disability support pension (people under 21 who are blind)**

- (1) The rate of disability support pension of a person who has not turned 21 and is permanently blind is to be calculated in accordance with the Rate Calculator at the end of this section.

Note: Module A of the Rate Calculator establishes the overall rate calculation process and the remaining Modules provide for the calculation of the component amounts used in the overall rate calculation.

- (1A) Subsection (1) does not apply if the person has one or more dependent children.

Note 1: The rate for a disability support pension payable to a person under 21 who has one or more dependent children is dealt with in section 1065.

Note 2: For *dependent child* see section 5.

- (2) A person's disability support pension rate is not to exceed the rate at which a disability support pension would be payable to that person if the person's rate were calculated using Pension Rate Calculator B at the end of section 1065.

- (4) Where:

- (a) a person who is permanently blind has a relationship with another person, whether of the same sex or a different sex (*other person*); and
- (b) the relationship between them is a de facto relationship in the Secretary's opinion (formed after the Secretary has had regard to all the circumstances of the relationship, including, in particular, the matters referred to in paragraphs 4(3)(a) to (e) and subsection 4(3A));

Section 1066B

---

(c) that other person is under the age of consent applicable in the State or Territory in which the person is living;  
the rate of disability support pension payable to the person who is permanently blind is not to exceed the rate at which it would be payable to the person if the other person were the person's partner.

## Pension Rate Calculator E

### Module A—Overall rate calculation process

#### *Method of calculating rate*

1066B-A1 The rate of pension is a daily rate. That rate is worked out by dividing the annual rate calculated according to this Rate Calculator by 364 (fortnightly rates are provided for information only).

#### *Method statement*

- Step 1. Work out what would be the person's rate of pension if Pension Rate Calculator D applied to the person: the result is called the ***notional income/assets tested rate***.
- Step 2. Work out the person's ***maximum basic rate*** using MODULE B below.
- Step 2A. Work out the clean energy supplement (if any) using Module BA below.
- Step 3. Work out the amount per year for youth disability supplement using MODULE C below.
- Step 4. Work out the amount per year (if any) of pharmaceutical allowance using MODULE D below.
- Step 5. Add up the amounts obtained in Steps 2, 2A, 3 and 4: the result is called the ***maximum payment rate***.
- Step 6. Work out the ***non-income/assets tested rate*** by:
  - (a) subtracting from the maximum payment rate any special employment advance deduction (see Part 3.16B); and

Section 1066B

---

(b) if there is any amount remaining, subtracting from that amount any advance payment deduction (see Part 3.16A); and

(c) adding any amount payable by way of remote area allowance (see Module F).

Step 7. Compare the notional income/assets tested rate and the non-income/assets tested rate: whichever is the greater is the person's ***rate of pension***.

Note: an amount of remote area allowance is to be added under Step 6 only if the person's rate of pension after Step 5 is greater than nil.

**Module B—Maximum basic rate**

*Maximum basic rate*

1066B-B1 A person's maximum basic rate is to be worked out using Table B. Work out the family situation. The maximum basic rate is the corresponding amount in column 3 of the Table.

---

**Table B—Maximum basic rates**

---

Column 1 Item	Column 2 Person's family situation	Column 3 Rate per year	Column 4 Rate per fortnight
1	Not a member of a couple and person: (a) is under 18 years of age; and (b) is not independent; and (c) is not living away from the person's parental home because of a medical condition of the person	\$4,001.40	\$153.90

Note: For *independent* see section 5.

Note 3: For *living away from the person's parental home* see subsection 23(4D).

Note 4: The rates in column 3 are adjusted annually in line with CPI changes (see section 1198B).

**Module BA—Clean energy supplement**

1066B-BA1 A clean energy supplement is to be added to the person's maximum basic rate if the person is residing in Australia and:

Section 1066B

---

- (a) is in Australia; or
- (b) is temporarily absent from Australia and has been so for a continuous period not exceeding 6 weeks.

However, this Module does not apply if quarterly clean energy supplement is payable to the person.

Note: Section 918 may affect the addition of the clean energy supplement.

1066B-BA2 The person's (the **recipient's**) clean energy supplement is the recipient's clean energy (under pension age) rate.

1066B-BA3 For the purposes of point 1066B-BA2, the recipient's **clean energy (under pension age) rate** is worked out by:

- (a) working out 1.7% of the total of the maximum basic rate, and the youth disability supplement, worked out:
  - (i) for 1 January 2014; and
  - (ii) for a person whose circumstances on that day were the same as the recipient's current circumstances; and
- (b) rounding the result of paragraph (a) up or down to the nearest multiple of \$2.60 (rounding up if that result is not a multiple of \$2.60 but is a multiple of \$1.30).

Note: This rate for those circumstances, and the rates for persons with different circumstances, are indexed 12 monthly in line with CPI increases (see sections 1191 to 1194).

## Module C—Youth disability supplement

### *Youth disability supplement*

1066B-C1 An amount by way of youth disability supplement is to be added to a person's rate. The rate of youth disability supplement is \$1,557.40 per year (\$59.90 per fortnight).

Note: the rate of youth disability supplement is adjusted annually in line with CPI increases (see section 1198C).

Section 1066B

---

**Module D—Pharmaceutical allowance**

*Qualification for pharmaceutical allowance*

- 1066B-D1 Subject to points 1066B-D2, 1066B-D3, 1066B-D4 and 1066B-D6, an additional amount by way of pharmaceutical allowance is to be added to a person's maximum basic rate if the person is an Australian resident.

*No pharmaceutical allowance if person receiving veterans supplement or MRCA supplement*

- 1066B-D2 Pharmaceutical allowance is not to be added to a person's maximum basic rate if the person is receiving:
- (a) veterans supplement under section 118A of the Veterans' Entitlements Act; or
  - (b) MRCA supplement under section 300 of the Military Rehabilitation and Compensation Act.

*No pharmaceutical allowance if partner receiving veterans supplement or MRCA supplement and not a service pensioner*

- 1066B-D3 Pharmaceutical allowance is not to be added to a person's maximum basic rate if:
- (a) the person is a member of a couple; and
  - (b) the person's partner is receiving:
    - (i) veterans supplement under section 118A of the Veterans' Entitlements Act; or
    - (ii) MRCA supplement under section 300 of the Military Rehabilitation and Compensation Act; and
  - (c) the person's partner is not receiving a service pension.

*No pharmaceutical allowance before advance payment period ends*

- 1066B-D4 Pharmaceutical allowance is not to be added to a person's maximum basic rate if:
- (a) the person has received an advance pharmaceutical allowance under Part 2.23 of this Act; and
  - (b) the person's advance payment period has not ended.

Section 1066B

---

Note: for *advance payment period* see point 1066B-D5.

*Advance payment period*

1066B-D5 A person's advance payment period:

- (a) starts on the day on which the advance pharmaceutical allowance is paid to the person; and
- (b) ends after the number of paydays worked out using the following formula have passed:

$$\frac{\text{amount of advance} \times 26}{\text{pharmaceutical allowance rate}}$$

where:

**amount of advance** is the amount of the advance paid to the person.

**pharmaceutical allowance rate** is the yearly amount of pharmaceutical allowance which would be added to the person's maximum basic rate in working out the instalment for the day on which the advance is paid if pharmaceutical allowance were to be added to the person's maximum basic rate on that day.

*No pharmaceutical allowance if annual limit reached*

1066B-D6 Pharmaceutical allowance is not to be added to a person's maximum basic rate if:

- (a) the person has received an advance pharmaceutical allowance during the current calendar year; and
- (b) the total amount paid to the person for that year by way of:
  - (i) pharmaceutical allowance; and
  - (ii) advance pharmaceutical allowance;

equals the total amount of pharmaceutical allowance that would have been paid to the person during that year if the person had not received any advance pharmaceutical allowance.

Note 1: for the amount **paid** to a person by way of pharmaceutical allowance see subsections 19A(2) to (6).

Note 2: the annual limit is affected by:

Section 1066B

---

- how long during the calendar year the person was on pension or benefit;
- the rate of pharmaceutical allowance the person attracts at various times depending on the person's family situation.

*Amount of pharmaceutical allowance*

1066B-D8 The amount of pharmaceutical allowance is the amount per year worked out using the following Table:

<b>Pharmaceutical allowance amount table</b>			
<b>Column 1</b>	<b>Column 2</b>	<b>Column 3</b>	<b>Column 4</b>
<b>Item</b>	<b>Person's family situation</b>	<b>Amount per year</b>	<b>Amount per fortnight</b>

3.	Member of illness separated couple	\$135.20	\$5.20
4.	Member of respite care couple	\$135.20	\$5.20
5.	Partnered (partner getting service pension)	\$67.60	\$2.60
6.	Partnered (partner in gaol)	\$135.20	\$5.20

Note 1: For *member of couple, partnered, illness separated couple, respite care couple* and *partnered (partner in gaol)* see section 4.

Note 2: The amounts in column 3 are adjusted annually in line with CPI increases (see section 1206A).

**Module F—Remote area allowance**

*Remote area allowance*

1066B-F1 An amount by way of remote area allowance is to be added to a person's rate of pension if:  
(aa) either:

## Section 1066B

- (i) the person's rate of pension apart from this point is greater than nil; or
- (ii) apart from this point, the person's rate of pension would be nil merely because an advance pharmaceutical allowance has been paid to the person under Part 2.23 of this Act; and
- (a) the person's usual place of residence is situated in the remote area; and
- (b) the person is physically present in the remote area.

Note: for *remote area* and *physically present in the remote area* see section 14.

*Rate of remote area allowance*

1066B-F2 The rate of remote area allowance payable to a person is worked out using Table F. Work out which family situation in the Table applies to the person. The rate of remote area allowance is the corresponding amount in column 3 plus an additional corresponding amount in column 5 for each FTB child, and each regular care child, of the person.

**Table F—Remote area allowance**

Note: This point does not prevent this Module having the effect it would have had if the child would otherwise have ceased to be an FTB child, or a regular care child, during that 14 weeks.

- the rate of the person's youth allowance is not to be more than the rate at which the allowance would be payable to the person if the other person were the person's partner.

**Youth Allowance Rate Calculator**

**Module A—Overall rate calculation process**

*Method of calculating rate*

- 1067G-A1 The rate of allowance is a daily rate. That rate is worked out by dividing the fortnightly rate calculated according to this Rate Calculator by 14.

*Method statement*

- Step 1. Work out the person's maximum basic rate using Module B below.
- Step 1A. Work out the clean energy supplement (if any) using Module BA below.
- Step 2. Work out the amount a fortnight (if any) of pharmaceutical allowance using Module C below.
- Step 2A. Work out the amount per fortnight (if any) for youth disability supplement using Module D below.
- Step 3. Work out the applicable amount per fortnight (if any) for rent assistance in accordance with paragraph 1070A(a).
- Step 4. Add up the amounts obtained in Steps 1 to 3: the result is the ***maximum payment rate***.
- Step 8. If the person is not independent and the parental income test applies to the person (see points 1067G-F2 and 1067G-F3 in Module F below), work out the ***reduction for parental income*** using that Module.
- Step 10. If the person is not independent and the family actual means test applies to the person (see Module G below), work out the person's ***reduction for actual means*** using that Module.
- Step 12. Apply the income test using Module H below to work out the person's income reduction.
- Step 13. Take away from the maximum payment rate the greatest of the following that apply:
- (a) the person's reduction for parental income;
  - (b) the person's reduction for actual means;

Section 1067G

---

- (c) the person's income reduction.

(If a reduction described in paragraph (a) or (b) applies, and is not less than any other reduction that applies, take away from the maximum payment rate the first-mentioned reduction.) The result is the ***provisional fortnightly payment rate***. If that rate is nil because of the taking away of a reduction described in paragraph (a) or (b) then youth allowance is not payable to the person.

Note: If a person's maximum payment rate is reduced under this step, section 1210 sets the order in which the components of that rate are to be reduced.

Step 14. The ***rate of allowance*** is the amount obtained by:

- (a) subtracting from the provisional fortnightly payment rate any special employment advance deduction (see Part 3.16B); and
- (b) if there is any amount remaining, subtracting from that amount any advance payment deduction (see Part 3.16A); and
- (c) except where the person is a CDEP Scheme participant in respect of the whole or a part of the period for which the rate of allowance is being worked out, adding any amount payable by way of remote area allowance (see Module K).

## **Module B—Maximum basic rate**

### *Maximum basic rate*

1067G-B1 The maximum basic rate of a person other than a person who is a CDEP Scheme participant in respect of the whole or a part of the period for which the maximum basic rate is being worked out is to be worked out as follows:

Section 1067G

- (a) if the person is not independent (see section 1067A) and is not a long term income support student (see section 1067F)—use Table BA;
- (b) if the person is independent and is not a long term income support student—use Table BB or point 1067G-B3A;
- (c) if the person is a long term income support student—use Table BC.

The maximum basic rate of a person who is a CDEP Scheme participant in respect of the whole or a part of the period for which the maximum basic rate is being worked out is nil (see section 552C).

*Person who is not independent*

1067G-B2 If the person is not independent (see section 1067A) and is not a long term income support student (see section 1067F), work out whether the person:

- (a) lives at home (see section 1067E); or
- (b) is required to live away from home (see section 1067D).

The person's maximum basic rate is the amount in column 3 of the table that corresponds to the person's situation as described in column 2 of the table.

**Table BA—Maximum basic rates (people who are not independent)**

Column 1 Item	Column 2 Person's situation	Column 3 Rate
1	Lives at home and not yet 18 years old	\$145.40
2	Lives at home and at least 18 years old	\$174.80
3	Required to live away from home	\$265.50

Note: The rates in column 3 are indexed annually in line with CPI increases (see sections 1191–1194).

**Section 1067G**

---

*Person who is independent*

1067G-B3 If the person is independent (see section 1067A) and is not a long term income support student (see section 1067F), work out:

- (a) whether the person is an accommodated independent person (see section 1067B); and
- (b) if the person is not an accommodated independent person, whether the person:
  - (i) is in supported State care (see section 1067); or
  - (ii) is in unsupported State care (see section 1067); or
  - (iii) is a member of a couple (see section 4); or
  - (iv) has a dependent child (see subsections 5(2) to (9)).

The person's maximum basic rate is the amount in column 3 of the table that corresponds to the person's situation as described in column 2 of the table.

<b>Table BB—Maximum basic rates (people who are independent)</b>		
<b>Column 1</b>	<b>Column 2</b>	<b>Column 3</b>

Section 1067G

---

Note: The rates in column 3 are indexed annually in line with CPI increases (see sections 1191–1194).

*Certain children treated as dependent children if in recipient's care for at least minimum period*

1067G-B3AA For the purposes of point 1067G-B3, the maximum basic rate for a person receiving youth allowance is worked out as if the person had a dependent child if:

- (a) the person is not undertaking full-time study and is not a new apprentice; and
- (b) either:
  - (i) the person is legally responsible (whether alone or jointly with another person) for the day-to-day care, welfare and development of a child under 16; or
  - (ii) under a family law order, registered parenting plan or parenting plan that is in force, a child under 16 is supposed to live or spend time with the person; and
- (c) the child is in the person's care for at least 14% of:
  - (i) the instalment period in relation to which the maximum basic rate is being worked out; or
  - (ii) if the Secretary, under point 1067G-B3AB, determines another period for the person for the purposes of this subparagraph—that other period; and
- (d) none of subsections 5(3), (6) and (7) prevents the child from being a dependent child of the person.

Note 1: For *undertaking full-time study* see section 541B.

Note 2: For *new apprentice, family law order, registered parenting plan* and *parenting plan* see subsection 23(1).

1067G-B3AB The Secretary may, in writing, determine a period of either 14 days or 28 days for the purposes of subparagraph 1067G-B3AA(c)(ii). In making the determination, the Secretary must have regard to the guidelines (if any) determined under point 1067G-B3AD.

1067G-B3AC A determination made under point 1067G-B3AB is not a legislative instrument.

Section 1067G

---

1067G-B3AD The Secretary may, by legislative instrument, determine guidelines to be complied with when making a determination under point 1067G-B3AB.

1067G-B3A Despite point 1067G-B3, if a person:

- (a) is independent (see section 1067A) and is not a long term income support student (see section 1067F); and
- (b) is not a member of a couple; and
- (c) has an exemption under section 542FA because of a determination in relation to the person under subsection 542FA(3) or (3A);

the person's maximum basic rate is the amount worked out as follows:

Pension PP (Single) maximum basic amount

26

where:

***pension PP (Single) maximum basic amount*** is the sum of:

- (a) the amount that would have been the person's maximum basic rate under Module B of the Pension PP (Single) Rate Calculator if the person was receiving parenting payment; and
- (b) the amount that would have been the person's pension supplement under Module BA of the Pension PP (Single) Rate Calculator if the person was receiving parenting payment.

Note: A person's maximum basic rate under Module B of the Pension PP (Single) Rate Calculator is indexed 6 monthly in line with increases in Male Total Average Weekly Earnings (see section 1195).

***Long term income support student***

1067G-B4 If the person is a long term income support student (see section 1067F), work out:

- (a) whether the person is independent (see section 1067A); and
- (b) if the person is not independent, whether the person:
  - (i) lives at home (see section 1067E); or

Section 1067G

- (ii) is required to live away from home (see section 1067D);  
and  
(c) if the person is independent, whether the person is an  
accommodated independent person (see section 1067B); and  
(d) whether the person is a member of a couple (see section 4).  
The person's maximum basic rate is the amount in column 3 of the  
table that corresponds to the person's situation as described in  
column 2 of the table.

<b>Table BC—Maximum basic rates (long term income support students)</b>		
<b>Column 1</b>	<b>Column 2</b>	<b>Column 3</b>
<b>Item</b>	<b>Person's situation</b>	<b>Rate</b>
1	Not independent, lives at home and not a member of a couple	\$227.20

3	Accommodated independent person and not a member of a couple	\$227.20
4	Independent, not an accommodated independent person and not a member of a couple	\$341.40
5	Member of a couple	\$308.70

Note: The rates in column 3 are indexed annually in line with CPI increases (see sections 1191–1194).

**Module BA—Clean energy supplement**

1067G-BA1 A clean energy supplement is to be added to the person's (the **recipient's**) maximum basic rate if the recipient is residing in Australia and:

- (a) is in Australia; or  
(b) is temporarily absent from Australia and has been so for a continuous period not exceeding 6 weeks.

However, this Module does not apply if quarterly clean energy supplement is payable to the recipient.

Note: Section 918 may affect the addition of the clean energy supplement.

Section 1067G

---

*General case—recipient not covered by point 1067G-B3A and youth disability supplement not added*

1067G-BA2 The recipient's clean energy supplement is the recipient's clean energy (under pension age) rate if:

- (a) the recipient is not covered by point 1067G-B3A; and
- (b) an amount of youth disability supplement is not added under Module D to the recipient's rate.

1067G-BA3 For the purposes of point 1067G-BA2, the recipient's ***clean energy (under pension age) rate*** is worked out by:

- (a) working out 1.7% of the maximum basic rate, worked out:
  - (i) for 1 January 2014; and
  - (ii) for a person whose circumstances on that day were the same as the recipient's current circumstances; and
- (b) rounding the result of paragraph (a) up or down to the nearest multiple of 10 cents (rounding up if that result is not a multiple of 10 cents but is a multiple of 5 cents).

Note: This rate for those circumstances, and the rates for persons with different circumstances, are indexed 12 monthly in line with CPI increases (see sections 1191 to 1194).

*Recipient covered by point 1067G-B3A*

1067G-BA4 If the recipient is covered by point 1067G-B3A, the recipient's clean energy supplement is the rate worked out under Module BB of the Pension PP (Single) Rate Calculator as if the recipient were receiving parenting payment.

*Youth disability supplement added to the recipient's rate*

1067G-BA5 If an amount of youth disability supplement is added under Module D to the recipient's rate, the recipient's clean energy supplement is the recipient's clean energy (youth disability) rate.

1067G-BA6 The recipient's ***clean energy (youth disability) rate*** is worked out by:

- (a) working out 1.7% of the total of the maximum basic rate, and the youth disability supplement, worked out:
  - (i) for 1 January 2014; and

- (ii) for a person whose circumstances on that day were the same as the recipient's current circumstances; and
- (b) rounding the result of paragraph (a) up or down to the nearest multiple of 10 cents (rounding up if that result is not a multiple of 10 cents but is a multiple of 5 cents).

Note: This rate for those circumstances, and the rates for persons with different circumstances, are indexed 12 monthly in line with CPI increases (see sections 1191 to 1194).

## **Module C—Pharmaceutical allowance**

### *Qualification for pharmaceutical allowance*

1067G-C1 Subject to points 1067G-C2 and 1067G-C2A, an amount by way of pharmaceutical allowance is to be added to a person's maximum basic rate if the person:

Note 1: For *undertaking full-time study* see section 541B.

Note 2: For *new apprentice* see subsection 23(1).

*Amount of pharmaceutical allowance*

1067G-C3 The amount of pharmaceutical allowance is the amount a fortnight worked out using the following table:

  - (i) the person's maximum basic rate of youth allowance; and
  - (ii) the amount of youth disability supplement;would exceed the maximum basic rate of newstart allowance for a person with a partial capacity to work;  
the rate of youth disability supplement is to be reduced (but not below zero) by the amount of the excess.

Note: For *partial capacity to work*, see section 16B.

## **Module F—Parental income test**

### **Submodule 1—Effect of parental income on maximum payment rate**

#### *General*

*Method statement*

- Step 1. Work out whether the parental income test applies to the person using Submodule 2.
- Step 2. If the parental income test applies to the person, identify the appropriate tax year using Submodule 3.
- Step 3. Work out the person's combined parental income for the appropriate tax year using Submodule 4.
- Step 4. Work out the person's parental income free area using Submodule 5.
- Step 5. If the person's combined parental income is equal to or less than the person's parental income free area, the parental income test does not affect the maximum payment rate of youth allowance and Step 6 is to be disregarded.
- Step 6. If the person's combined parental income exceeds the person's parental income free area, use Submodule 6 to work out the ***person's reduction for parental income*** for the purposes of Step 8 of the Method statement in point 1067G-A1.

**Submodule 2—Application of parental income test**

*Persons affected by the parental income test*

- 1067G-F2 Subject to point 1067G-F3, the parental income test applies to the person if the person is not independent.

*Parent receiving Commonwealth benefit*

- 1067G-F3 The parental income test does not apply to the person while a parent of the person:
- (a) is receiving a payment of pension, benefit, allowance or compensation referred to in Module L; or

Section 1067G

---

- (b) is receiving a payment under Part 5 or 6 of the *Farm Household Support Act 1992*; or
- (c) is receiving a payment under the ABSTUDY Scheme; or
- (d) is a person to whom section 1061ZK applies by virtue of subsection 1061ZK(5); or
- (e) is a person to whom section 1061ZO applies by virtue of subsection 1061ZO(2), (3) or (4).

### Submodule 3—Appropriate tax year

*Appropriate tax year*

- 1067G-F4 Subject to this Submodule, the **appropriate tax year** for a youth allowance payment period is the base tax year for that period.

*Base tax year*

- 1067G-F5 The **base tax year** for a youth allowance payment period is the tax year that ended on 30 June in the calendar year that came immediately before the calendar year in which the period ends.

Example: A youth allowance payment period ends on 25 January 1999—this day occurs in the calendar year 1 January 1999 to 31 December 1999—the calendar year that came immediately before this one is the calendar year 1 January 1998 to 31 December 1998—the base tax year is the tax year that ended on 30 June 1998 (i.e. the year of income that began on 1 July 1997).

*Change to appropriate tax year because of increase in combined parental income*

- 1067G-F6 If a person's combined parental income under Submodule 4 for the tax year following the base tax year exceeds:

- (a) 125% of the person's combined parental income under that Submodule for the base tax year; and
- (b) 125% of the person's parental income free area under Submodule 5;

the appropriate tax year, for the purpose of applying this Module to the person in respect of a youth allowance payment period that ends after 30 September in a year, is the tax year following the base tax year.

Section 1067G

---

*Change to appropriate tax year at person's request*

1067G-F7 If:

- (aa) a person's combined parental income for the tax year following the base tax year is substantially less than it was in the base tax year and is likely to continue to be so for 2 years after the later of:
    - (i) 1 January in the tax year following the base tax year; or
    - (ii) the day on which the combined parental income is reduced; and
  - (a) the person requests the Secretary to make a determination under point 1067G-F8; and
  - (b) as a result, the Secretary determines under that point that, for the purpose of applying this Module to the person in respect of a youth allowance payment period that ends on or after:
    - (i) the day on which the request is made; or
    - (ii) 1 January in a year;whichever day is later, the appropriate tax year is the tax year following the base tax year;
- the appropriate tax year, for that purpose, is the tax year following the base tax year.

*Person may ask Secretary to change appropriate tax year*

1067G-F8 If:

- (a) youth allowance:
    - (i) is not payable to a person because the rate of youth allowance because of this Module is nil; or
    - (ii) is payable at a reduced rate because of this Module; and
  - (b) the person gives the Secretary an estimate of the person's combined parental income under Submodule 4 for the tax year following the base tax year; and
  - (c) the person requests the Secretary to make a determination under this point; and
  - (d) the person agrees that the person's rate of youth allowance is to be recalculated if the person's actual combined parental income for that tax year exceeds the amount that the person estimated;
-

Section 1067G

---

the Secretary must determine that, for the purpose of applying this Module to the person in respect of a youth allowance payment period that ends on or after:

(e) the day on which the request is made; or

(f) 1 January in a year;

whichever day is later, the appropriate tax year is the tax year following the base tax year.

*Form of request*

1067G-F9 A request under point 1067G-F8 must be made in writing in accordance with a form approved by the Secretary.

## Submodule 4—Combined parental income

*Combined parental income*

1067G-F10 For the purposes of this Module, a person's **combined parental income** for a particular tax year is the sum of the following amounts (**income components**) in respect of each of the person's parents:

(a) the parent's taxable income for that year;

(b) the parent's adjusted fringe benefits total for that year;

(c) the parent's target foreign income for that year;

(d) the parent's total net investment loss for that year;

(e) the parent's reportable superannuation contributions (within the meaning of the *Income Tax Assessment Act 1997*) for that year.

Note 1: The combined parental income may be affected by amounts of maintenance paid or received (see points 1067G-F20 and 1067G-F21).

Note 2: For **taxable income** see subsection 23(1).

Note 3: For **adjusted fringe benefits total** see subpoint 1067G-F11(2).

Note 4: For **target foreign income** see subpoint 1067G-F11(3).

Note 5: For **total net investment loss**, see subsection 10B(2).

*Income components for tax year*

1067G-F11(1) A parent's **taxable income** for a tax year is:

---

Section 1067G

---

- (a) the parent's assessed taxable income for that year; or
- (b) if the parent does not have an assessed taxable income for that year—the accepted estimate, in respect of the parent, of taxable income for that year.

1067G-F11(2) A parent's **adjusted fringe benefits total** for a tax year is the amount worked out using the formula:

$$\text{Reportable fringe benefits total} \times \left[ 1 - \text{FBT rate} \right]$$

where:

**FBT rate** is the rate of tax set by the *Fringe Benefits Tax Act 1986* for the FBT year (as defined in the *Fringe Benefits Tax Assessment Act 1986*) beginning on the 1 April just before the start of the tax year.

**reportable fringe benefits total** is the amount that the Secretary is satisfied is the parent's reportable fringe benefits total (as defined in the *Fringe Benefits Tax Assessment Act 1986*) for the year of income that is the tax year.

1067G-F11(3) A parent's **target foreign income** for a tax year is the accepted estimate of the amount of the parent's foreign income (as defined in section 10A) for the tax year that is not:

- (a) taxable income; or
- (b) received in the form of a fringe benefit (as defined in the *Fringe Benefits Tax Assessment Act 1986*, as it applies of its own force or because of the *Fringe Benefits Tax (Application to the Commonwealth) Act 1986*) in relation to the parent as employee (as defined in the *Fringe Benefits Tax Assessment Act 1986*) and a year of tax.

*Assessed taxable income*

1067G-F12 A parent's **assessed taxable income** for a tax year at a particular time is the most recent of:

- (a) if, at that time, the Commissioner of Taxation has made an assessment or an amended assessment of that taxable income—that taxable income according to the assessment or amended assessment; or

Section 1067G

---

- (b) if, at that time, a tribunal has amended an assessment or an amended assessment made by the Commissioner—that taxable income according to the amendment made by the tribunal; or
- (c) if, at that time, a court has amended an assessment or an amended assessment made by the Commissioner or an amended assessment made by a tribunal—that taxable income according to the amendment made by the court.

*Accepted estimate*

- 1067G-F13 An ***accepted estimate*** of an income component or an amount described in subpoint 1067G-F11(3), in respect of a parent, for a tax year is that income component or amount according to the most recent notice given under point 1067G-F14 and accepted by the Secretary for the purposes of this Module.

*Notice estimating income component*

- 1067G-F14 A notice setting out an estimate of an income component or an amount described in subpoint 1067G-F11(3), for a tax year, of a parent of a person claiming or receiving youth allowance may be given to the Secretary by:
- (a) the parent; or
  - (b) the person claiming or receiving youth allowance.
- However, if the parent gives a notice, any notice given, in respect of the same income component or amount and the same tax year, by the person claiming or receiving youth allowance is taken not to be, or not to have been, given.

*Acceptance of notice*

- 1067G-F15 The Secretary is to accept a notice referred to in point 1067G-F14 for the purposes of this Module only if the Secretary is satisfied that the estimate is reasonable.

Section 1067G

---

*Income reduced by maintenance paid by a parent*

1067G-F20 A parent's combined parental income for a tax year is reduced by an amount equal to any maintenance paid during the tax year by the parent:

- (a) for the upkeep of a child of the parent if the parent does not have care of the child; or
- (b) to a former partner of the parent.

*Income increased by maintenance paid to a parent*

1067G-F21 A parent's combined parental income for a tax year is increased by an amount equal to any maintenance paid during the tax year to the parent:

- (a) for the upkeep of a child of the parent if the parent has care of the child; or
- (b) by a former partner of the parent.

**Submodule 5—Parental income free area**

*Parental income free area*

1067G-F22 For the purposes of this Module, a person's **parental income free area** for a time in a calendar year is an amount equal to the income free area under clause 38N of Schedule 1 to the *A New Tax System (Family Assistance) Act 1999*, as affected by indexation under Schedule 4 to that Act, on 1 January in the calendar year.

Note: The parental income free area is not indexed under this Act because it is affected by indexation under the *A New Tax System (Family Assistance) Act 1999*.

**Submodule 6—Reduction for parental income**

*Having parental income in common*

1067G-F26 For the purposes of this Submodule, 2 or more persons have parental income in common if:

- (a) the parental income test applies to each of them; and
- (b) a parent of one of the persons is also a parent of each of the other persons.

Section 1067G

---

Note: Point 1067G-F30 affects whether a person to whom the parental income test applies has parental income in common with someone qualified for a payment under the ABSTUDY Scheme or for a payment under the Assistance for Isolated Children Scheme.

*Person who does not have parental income in common with anyone else*

1067G-F27 Work out a person's reduction for parental income using the following formula and point 1067G-F29 if:

- (a) the person does not have parental income in common with anyone else; and
- (b) the person's combined parental income (see Submodule 4) for the appropriate tax year exceeds the person's parental income free area (see Submodule 5):

$$\frac{\text{The excess}}{130}$$

Note: Dividing by 130 is equivalent to dividing by 26 (for 26 fortnights in a year) and dividing again by 5 (so that the reduction for parental income is only 20 cents for each dollar of the excess).

*Person who has parental income in common with someone else*

1067G-F28 Work out a person's reduction for parental income using the following formula and point 1067G-F29 if:

- (a) the person has parental income in common with one or more other persons; and
- (b) the person's combined parental income (see Submodule 4) for the appropriate tax year exceeds the person's parental income free area (see Submodule 5):

$$\frac{\text{The excess}}{130} \times \frac{\text{Person's maximum payment rate under Module A}}{\text{Total of maximum payment rate of each person who has parental income in common}}$$

Note: Dividing by 130 is equivalent to dividing by 26 (for 26 fortnights in a year) and dividing again by 5.

Section 1067G

---

*Rounding the reduction for parental income*

1067G-F29 If the result of the formula in whichever of points 1067G-F27 and 1067G-F28 applies is not a multiple of 10 cents, round the result to the nearest 10 cents (rounding a multiple of 5 cents upwards).

*Extension to recipients under ABSTUDY or Assistance for Isolated Children Scheme*

1067G-F30 This Submodule applies in relation to a person in respect of whom a payment is made under the ABSTUDY Scheme or the Assistance for Isolated Children Scheme and to whom a parental income test under that scheme applies as if:

- (a) the parental income test under this Module applied to the person; and
- (b) the total of the amounts described in the following table as relevant to the person were the maximum payment rate for the person for the purposes of this Submodule.

Amounts included in total treated as maximum payment rate		
Item	If this allowance is being paid in respect of the person	This amount is relevant to the person
1	Living allowance under the ABSTUDY Scheme	The person's maximum payment rate of the living allowance
2	Group 2 school fees allowance under the ABSTUDY Scheme	$\frac{1}{26}$ of the school fees allowance amount subject to income testing
3	Additional boarding allowance under the Assistance for Isolated Children Scheme	$\frac{1}{26}$ of the maximum rate of the additional boarding allowance

Note: This Submodule does not (of its own force) affect the amount payable to the person under the ABSTUDY Scheme or the Assistance for Isolated Children Scheme.

*Extension to senior secondary school FTB children*

1067G-F31 This Submodule applies in relation to a person who is an FTB child aged 16 or more and a senior secondary school child but is not a person described in point 1067G-F30 as if:

---

Section 1067G

---

- (a) the parental income test under this Module applied to the person; and
- (b) the following amount were the maximum payment rate for the person for the purposes of this Submodule:
  - (i) if the person is aged less than 18—the amount specified in column 3 of item 1 of the table in point 1067G-B2 (as indexed);
  - (ii) if the person is aged 18 or more—the amount specified in column 3 of item 2 of the table in point 1067G-B2 (as indexed).

1067G-F32 For the purposes of point 1067G-F31, **senior secondary school child** has the meaning given by section 22B of the Family Assistance Act (disregarding subparagraph 22B(1)(a)(i) of that Act).

## **Module G—Family actual means test**

### **Submodule 1—Preliminary**

*How to work out effect of actual means of a person's family on maximum payment rate*

1067G-G1 This is how to work out the effect (if any) of the actual means of a person's family on the person's maximum payment rate in respect of a particular youth allowance payment period.

*Method statement*

- Step 1. Work out whether the family actual means test applies to the person using Submodule 2.
- Step 2. If the family actual means test applies to the person, identify the appropriate tax year in relation to the person using Submodule 3.
- Step 3. Work out the actual means of the person's family for that year using Submodule 4.

Section 1067G

---

Step 4. Work out the person's family actual means free area using Submodule 5.

Step 5. Work out the person's reduction for family actual means for that year using Submodule 6.

**Submodule 2—Persons to whom family actual means test applies**

*General provision*

1067G-G2 Subject to point 1067G-G3, the family actual means test applies to a person who:

- (a) claims or receives youth allowance; and
- (b) is not independent; and
- (c) has a parent who is a designated parent.

*Exceptions*

1067G-G3(1) The family actual means test does not apply to a person:

- (a) while a family member of the person is receiving exceptional circumstances relief payment; or
- (b) for so much of the calendar year in which the relief payment is received as follows the cessation of the relief payment.

(2) In subpoint (1):

***exceptional circumstances relief payment*** means:

- (a) exceptional circumstances relief payment under the *Farm Household Support Act 1992*; or
- (b) drought relief payment under that Act as in force immediately before the commencement of the *Farm Household Support Amendment (Restart and Exceptional Circumstances) Act 1997*.

### Submodule 3—Identification of appropriate tax year

#### *Meaning of appropriate tax year*

- 1067G-G4 The **appropriate tax year** in relation to a person for a youth allowance payment period is:
- (a) the base tax year for the period; or
  - (b) if a determination of a tax year is made by the Secretary under point 1067G-G6 in relation to the person in respect of the period—the tax year specified in the determination.

#### *Person who may request Secretary to determine appropriate tax year*

- 1067G-G5(1) This point applies to a person who claims or receives youth allowance if the following conditions are satisfied.
- (2) The first condition is that, except for this point, youth allowance:
    - (a) would not be payable to the person because the rate of youth allowance is calculated to be nil; or
    - (b) would be calculated to be payable at a reduced rate.
  - (3) The second condition is that the person gives to the Secretary, in writing:
    - (a) evidence, or an estimate, that the amount of the actual means of the person's family for the tax year (the **following tax year**) immediately after the base tax year is substantially less than it was in the base tax year:
      - (i) because of a circumstance or event that is beyond the control of the person and the person's family members; or
      - (ii) because the person or a family member of the person is undertaking full-time study in the following tax year; or
      - (iii) because a designated parent of the person has ceased to be a parent of the kind referred to in paragraph 10B(3)(c), (d), (e), (f) or (g); and
    - (b) if subparagraph (a)(i) applies—evidence of the circumstance or event concerned;

Section 1067G

---

and, if the person gives an estimate as referred to in paragraph (a), the person agrees, in writing, to the person's rate of youth allowance being recalculated if the actual means of the person's family for the following tax year exceed the amount of the estimate.

- (4) For the purposes of subparagraph (3)(a)(i), an expected decrease in the profitability of a business is not ordinarily to be taken to be a circumstance or event that is beyond the control of the person and the person's family members.
- (5) The third condition is that the person's family actual means are unlikely to increase beyond the amount evidenced, or estimated, under paragraph (3)(a) for the 2 years beginning on the later of the following days:
  - (a) 1 January in the following tax year; or
  - (b) the day on which the amount of the family's actual means was reduced.

*Making of request*

1067G-G6(1) A person to whom point 1067G-G5 applies may request the Secretary, in accordance with a form approved by the Secretary, to make a determination under this point in relation to a youth allowance payment period.

- (2) If:
    - (a) the person makes such a request; and
    - (b) the youth allowance payment period to which the request relates ends on or after the later of:
      - (i) the day on which the request is made; or
      - (ii) 1 January in a year;the Secretary must determine, subject to subpoint (3), that the appropriate tax year for the person in relation to the youth allowance payment period is the tax year immediately after the base tax year.
  - (3) If the request is based on an estimate, the Secretary may make a determination only if he or she is satisfied that the estimate is current and reasonable.
-

## **Submodule 4—Actual means of person's family**

### *How to work out the actual means of person's family*

- 1067G-G7(1) To work out the actual means of the family of a person (the **claimant/recipient**) for the appropriate tax year, first calculate, in accordance with this Submodule, the actual means of the claimant/recipient and the actual means of each family member of the claimant/recipient and then apply the formula in subpoint 1067G-G13(1) using the results of those calculations.
- (2) A reference in any of the following provisions of this Submodule to a **relevant person** is a reference to the claimant/recipient or a family member of the claimant/recipient.

### *Meaning of actual means*

- 1067G-G8(1) Subject to point 1067G-G9, the **actual means** of a relevant person for the appropriate tax year is an amount equal to the total spending and savings of the person in that tax year.
- (2) An amount of spending or savings is taken to have been spent or saved in the appropriate tax year if the Secretary considers that the amount should be so taken.

### *Amounts not included in actual means of a relevant person*

- 1067G-G9(1) This point applies in working out the actual means, for the appropriate tax year, of a relevant person.
- (2) The following amounts spent or saved in the appropriate tax year by the person are not included in the actual means of the person:
- (a) spending or savings from any income assistance received by the person in that tax year;
  - (b) spending for the maintenance of:
    - (i) a child of the person if the person does not have legal responsibility for the day-to-day care, welfare and development of the child; or
    - (ii) a former partner of the person;

Section 1067G

---

- (e) if the person has a disability—spending to acquire, or modify, property to assist the person to cope with the disability;
  - (f) spending or savings from any arm's length loan received by the person in that tax year;
  - (g) spending to repay a loan received by the person in that tax year that is not an arm's length loan, or to pay interest on the loan;
  - (h) spending or savings from the proceeds of any liquidation of assets of the person that were held at the beginning of that year;
  - (i) spending or savings from the amount of any windfall gain that is not a gift to the person;
  - (j) spending or savings, of not more than \$6,000, from income that is exempt income under item 1.4 of the table in section 51-5 of the *Income Tax Assessment Act 1997*;
  - (k) spending or savings from any part of a lump sum compensation payment made to the person on which tax is not payable under the *Income Tax Assessment Act 1936* or the *Income Tax Assessment Act 1997*.
- (3) Also, the actual means of the person do not include the following amounts:
- (a) subject to subpoint (4), an amount equal to the amount of the income or resources of a business of the person that is deductible under the *Income Tax Assessment Act 1936*, or the *Income Tax Assessment Act 1997* because the amount was, or will be, necessarily incurred in carrying on the business;
  - (b) an amount equal to the amount of any reduction in liquid assets of the person held at the beginning of the appropriate tax year and not accounted for by spending of a kind referred to in subpoint (2);
  - (c) if the person spent an amount in the appropriate tax year in boarding away from home one or more family members who fulfilled either or both of the following conditions at any time during the year:
    - (i) the family member qualified for the boarding allowance under the AIC scheme;

Section 1067G

---

- (ii) the family member was a secondary student who was not independent and was required to live away from home;
- an amount of \$5,274 for each such family member.
- (4) The reference in paragraph (3)(a) to the amount of the income or resources of a business of the person that is deductible does not include:
  - (a) the amount of any losses from the business that are carried forward from a tax year earlier than the appropriate tax year; or
  - (b) the reportable superannuation contributions (within the meaning of the *Income Tax Assessment Act 1997*) of each of the following people for the appropriate tax year:
    - (i) the person;
    - (ii) each family member of the person.

*Amounts not included in actual means of a family member of claimant/recipient*

- 1067G-G10 In working out the actual means, for the appropriate tax year, of a family member of the claimant/recipient, being a family member of a kind referred to in subparagraph 23(15)(b)(i), (ii) or (iii), spending or savings from any income of the family member from employment (except so much of such spending or savings as exceeds \$6,000) is not included.

*Powers of Secretary to determine fair market value*

- 1067G-G12(1) If the Secretary considers that an amount of spending that would otherwise be included in the actual means of a relevant person does not represent the fair market value of the matter or thing to which the spending related:
- (a) the Secretary must determine the fair market value of the matter or thing; and
  - (b) an amount equal to the value so determined is taken to be the amount of the spending.

Section 1067G

---

- (2) If the Secretary considers that spending by a person other than a family member of a relevant person is spending for the benefit of the relevant person:
- (a) the Secretary must determine the fair market value of the matter or thing to which the spending related; and
  - (b) an amount equal to the value so determined is taken to be an amount of spending by the relevant person.

*Actual means of family of claimant/recipient*

1067G-G13(1) The actual means of the family of a claimant/recipient for the appropriate tax year is the amount worked out using the formula:

$$2 \left[ \frac{\text{GAM}}{2} + \text{TNITML} \right] + \text{TNIL}$$

- (2) In this section:

***after-tax income***, in relation to a parent of the claimant/recipient for the appropriate tax year, means the gross income of the parent for that year less any income tax or medicare levy payable in respect of the parent's taxable income for that year.

***GAM (gross actual means)***, in relation to the claimant/recipient's family for the appropriate tax year, means the total of the amounts of the actual means, for that year, of the claimant/recipient and of each of the family members of the claimant/recipient.

***NITML (notional income tax/medicare levy)***, in relation to a parent of the claimant/recipient for the appropriate tax year, means the sum of:

- (a) the amount of income tax, before any rebates that would be notionally payable by the parent for that year; and
- (b) the amount of medicare levy that would be notionally payable by the parent for that year if none of the parent's children who are children referred to in paragraph 23(15)(b) had an adjusted taxable income within the meaning of the *A New Tax System (Family Assistance) Act 1999* in that year;

that would result in the after-tax income of the parent for that year being an amount equal to one-half of GAM of the claimant/recipient's family for that year.

**TNIL (total net investment loss)** means the sum of the total net investment losses of each of the parents of the claimant/recipient in the appropriate tax year.

**TNITML (total notional income tax/medicare levy)** means the total of the amounts of NITML in relation to each of the parents of the claimant/recipient for the appropriate tax year.

### **Submodule 5—Family actual means free area**

#### *Family actual means free area*

1067G-G14 A person's **family actual means free area** is the amount that is the person's parental income free area worked out under Submodule 5 of Module F.

### **Submodule 6—Reduction for family actual means**

#### *Having parental income in common*

1067G-G15 For the purposes of this Submodule, 2 or more persons have parental income in common if:

- (a) the parental income test applies to each of them; and
- (b) a parent of one of the persons is also a parent of each of the other persons.

Note: Points 1067G-G19 and 1067G-G20 affect whether a person to whom the parental income test applies has parental income in common with certain other persons.

#### *Person who does not have parental income in common with anyone else*

1067G-G16 Work out a person's reduction for family actual means using the following formula and point 1067G-G18 if:

- (a) the person does not have parental income in common with anyone else; and

Section 1067G

---

- (b) the actual means of the person's family (see Submodule 4) for the appropriate tax year exceeds the person's family actual means free area (see Submodule 5):

$$\frac{\text{The excess}}{130}$$

Note: Dividing by 130 is equivalent to dividing by 26 (for 26 fortnights in a year) and dividing again by 5 (so that the reduction for family actual means is only 20 cents for each dollar of the excess).

*Person who has parental income in common with someone else*

1067G-G17 Work out a person's reduction for family actual means using the following formula and point 1067G-G18 if:

- (a) the person has parental income in common with one or more other persons; and
- (b) the actual means of the person's family (see Submodule 4) for the appropriate tax year exceeds the person's family actual means free area (see Submodule 5):

$$\frac{\text{The excess}}{130} \times \frac{\text{Person's maximum payment rate under Module A}}{\text{Total of maximum payment rate of each person who has parental income in common}}$$

Note: Dividing by 130 is equivalent to dividing by 26 (for 26 fortnights in a year) and dividing again by 5.

*Rounding the reduction for family actual means*

1067G-G18 If the result of the formula in whichever of points 1067G-16 and 1067G-G17 applies is not a multiple of 10 cents, round the result to the nearest 10 cents (rounding a multiple of 5 cents upwards).

*Extension to recipients under ABSTUDY or Assistance for Isolated Children Scheme*

1067G-G19 This Submodule applies in relation to a person in respect of whom a payment is made under the ABSTUDY Scheme or the Assistance for Isolated Children Scheme and to whom a parental income test under that scheme applies as if:

- (a) the parental income test applied to the person; and

Section 1067G

- (b) the total of the amounts described in the following table as relevant to the person were the maximum payment rate for the person for the purposes of this Submodule.

<b>Amounts included in total treated as maximum payment rate</b>		
<b>Item</b>	<b>If this allowance is being paid in respect of the person</b>	<b>This amount is relevant to the person</b>
1	Living allowance under the ABSTUDY Scheme	The person's maximum payment rate of the living allowance
2	Group 2 school fees allowance under the ABSTUDY Scheme	$\frac{1}{26}$ of the school fees allowance amount subject to income testing
3	Additional boarding allowance under the Assistance for Isolated Children Scheme	$\frac{1}{26}$ of the maximum rate of the additional boarding allowance

Note: This Submodule does not (of its own force) affect the amount payable to the person under the ABSTUDY Scheme or the Assistance for Isolated Children Scheme.

*Extension to senior secondary school FTB children*

1067G-G20 This Submodule applies in relation to a person who is an FTB child aged 16 or more and a senior secondary school child but is not a person described in point 1067G-G19 as if:

- (a) the parental income test applied to the person; and
- (b) the following amount were the maximum payment rate for the person:
  - (i) if the person is aged less than 18—the amount specified in column 3 of item 1 of the table in point 1067G-B2 (as indexed);
  - (ii) if the person is aged 18 or more—the amount specified in column 3 of item 2 of the table in point 1067G-B2 (as indexed).

1067G-G21 For the purposes of point 1067G-G20, **senior secondary school child** has the meaning given by section 22B of the Family Assistance Act (disregarding subparagraph 22B(1)(a)(i) of that Act).

Section 1067G

**Module H—Income test**

*Effect of ordinary income on maximum payment rate*

- 1067G-H1 This is how to work out the effect of a person's ordinary income, and the ordinary income of a partner of the person, on the person's maximum payment rate:

*Method statement*

- Step 1. Work out the amount of the person's ordinary income on a fortnightly basis (where appropriate, taking into account the matters provided for in points 1067G-H2 to 1067G-H25).
- Step 2. If the person is a member of a couple, work out the partner income free area using point 1067G-H26.
- Note: The partner income free area is the maximum amount of ordinary income the person's partner can have without affecting the person's benefit.
- Step 3. Use point 1067G-H27 to work out the person's partner income excess. (If there is no partner income excess under that point, the person's partner income excess is taken to be nil.)
- Step 4. Use the person's partner income excess to work out the person's partner income reduction using point 1067G-H28.
- Step 5. Use point 1067G-H30 to work out the person's ordinary income excess. (If there is no ordinary income excess under that point, the person's ordinary income excess is taken to be nil.)
- Step 6. Use the person's ordinary income excess to work out the person's ordinary income reduction using points 1067G-H31, 1067G-H32 and 1067G-H33.

Section 1067G

---

Step 7. Add the person's partner income reduction and ordinary income reduction: the result is the ***person's income reduction*** referred to in Step 12 of the Method statement in point 1067G-A1.

Note 1: For ***ordinary income*** see subsection 8(1).

Note 2: The application of the income test is affected by provisions concerning:

- (a) the general concept of ordinary income (sections 1072 and 1073);
- (b) business income (sections 1074 and 1075);
- (c) deemed income from financial assets (sections 1076 to 1084A);
- (d) income streams (sections 1095 to 1099DAA);
- (e) disposal of income (sections 1106 to 1112);

*Ordinary income of members of certain couples*

- 1067G-H2 If a person is a member of a couple and the person's partner is receiving a social security pension, a service pension or income support supplement, the person's ordinary income is taken to be one half of the sum of:
- (a) the amount that would be the person's ordinary income if he or she were not a member of a couple; and
  - (b) the amount that would be the ordinary income of the person's partner if the partner were not a member of a couple.

*Friendly society amounts*

- 1067G-H3 The ordinary income of a person:
- (a) who has a temporary incapacity exemption under section 542A; or
  - (b) who is a partner of a person who has a temporary incapacity exemption under that section;
- is not to include any amount received from an approved friendly society in respect of the incapacity to which the temporary incapacity exemption relates.

*Lump sum payments arising from termination of employment*

- 1067G-H4 Subject to points 1067G-H10 to 1067G-H20 (inclusive), if:

Section 1067G

---

- (a) a person's employment has been terminated; and
  - (b) as a result the person is entitled to a lump sum payment from the person's former employer;
- the person is taken to have received the lump sum payment on the day on which the person's employment was terminated.

*Ordinary income to include certain sick leave entitlements*

1067G-H5 If a person is qualified for youth allowance and has a temporary incapacity exemption under section 542A, the person's ordinary income is taken to include an amount equal to the amount in respect of sick leave worked out under points 1067G-H6, 1067G-H7 and 1067G-H8.

*Sick leave entitlements*

1067G-H6 If:

- (a) a person has sick leave entitlements on a day that the person is incapacitated for work; and
- (b) the person has the right to claim payment from the person's employer by way of sick leave payment in respect of that day; and
- (c) the person's employer is able to pay the person the person's sick leave payment in respect of that day; and
- (d) the person is not receiving a leave payment (other than a sick leave payment) in respect of that day;

the person is, for the purposes of this point, taken to have received a sick leave payment equal to the person's sick leave entitlements in respect of that day, assuming that the person does not exercise any rights the person may have in relation to the amount to be paid in respect of that day.

*Subsequent consecutive applications of point 1067G-H6*

1067G-H7 If point 1067G-H6 has applied to a person in respect of a day, then, for the purposes of any subsequent consecutive applications of the point, the person's sick leave entitlements are to be taken to be reduced by a day.

Section 1067G

---

*Sick leave payments already included in ordinary income*

1067G-H8 A person's ordinary income is not to include a payment received by the person in respect of sick leave to the extent that an amount equal to the payment has been included in the person's ordinary income under point 1067G-H5.

*Granting of allowance after a cancellation*

1067G-H9 If:

- (a) point 1067G-H5 has applied to a person while the person was qualified for youth allowance and had a temporary incapacity exemption under section 542A; and
- (b) that allowance has ceased to be payable under Subdivision B of Division 9 of Part 2.11, or has been cancelled under Subdivision E of that Division; and
- (c) at least 6 weeks after the day on which the youth allowance ceased to be payable or was cancelled, the person is granted youth allowance, and has a temporary incapacity exemption under section 542A, again;

point 1067G-H5 applies to the person in respect of the person's sick leave entitlements.

*Directed termination payments excluded*

1067G-H10 If:

- (a) a person's employment has been terminated; and
- (b) as a result the person is entitled to a lump sum payment from the person's former employer; and
- (c) the payment, or part of the payment, is a directed termination payment within the meaning of section 82-10F of the *Income Tax (Transitional Provisions) Act 1997*;

the payment, or that part, is to be disregarded in working out the ordinary income of the person for the purposes of this Module.

*Certain leave payments taken to be ordinary income—employment continuing*

1067G-H11 If:

Section 1067G

---

- (a) a person is employed; and
- (b) the person is on leave for a period; and
- (c) the person is or was entitled to receive a leave payment (whether as a lump sum payment, as a payment that is one of a series of regular payments or otherwise) in respect of a part or all of a leave period;

the person is taken to have received ordinary income for a period (the ***income maintenance period***) equal to the leave period to which the leave payment entitlement relates.

*Certain termination payments taken to be ordinary income*

1067G-H12 If:

- (a) a person's employment has been terminated; and
- (b) the person receives a termination payment (whether as a lump sum payment, as a payment that is one of a series of regular payments or otherwise);

the person is taken to have received ordinary income for a period (the ***income maintenance period***) equal to the period to which the payment relates.

*More than one termination payment on a day*

1067G-H13 If:

- (a) the person is covered by point 1067G-H12; and
- (b) the person receives more than one termination payment on a day;

the income maintenance period is worked out by adding the periods to which the payments relate.

*Start of income maintenance period—employment continuing*

1067G-H14 If the person is covered by point 1067G-H11, the income maintenance period starts on the first day of the leave period to which the leave payment entitlement relates.

Section 1067G

---

*Start of income maintenance period—employment terminated*

1067G-H14A Subject to point 1067G-H14C, if the person is covered by point 1067G-H12, the income maintenance period starts, subject to point 1067G-H14B, on the day the person is paid the termination payment.

*Commencement of income maintenance period where there is a second termination payment*

1067G-H14B If a person who is covered by point 1067G-H12 is subject to an income maintenance period (the **first period**) and the person is paid another termination payment during that period (the **second leave payment**), the income maintenance period for the second termination payment commences the day after the end of the first period.

*Start of income maintenance period where liquid assets test waiting period applies*

1067G-H14C If a person to whom point 1067G-H14A applies is subject to a liquid assets test waiting period, the income maintenance period is taken to have started on the day on which the liquid assets test waiting period started.

*Leave payments or termination payments in respect of periods longer than a fortnight*

1067G-H15 Subject to points 1067G-H5 to 1067G-H9 (inclusive), if:

- (a) a person receives a leave payment or termination payment; and
- (b) the payment is in respect of a period greater than a fortnight; the person is taken to receive in a payment fortnight or part of a payment fortnight an amount calculated by:
  - (c) dividing the amount received by the number of days in the period to which the payment relates (**daily rate**); and
  - (d) multiplying the daily rate by the number of days in the payment fortnight that are also in the period.

Section 1067G

---

1067G-H16 If the Secretary is satisfied that a person is in severe financial hardship because the person has incurred unavoidable or reasonable expenditure while an income maintenance period applies to the person, the Secretary may determine that the whole, or any part, of the period does not apply to the person.

Note 1: For *in severe financial hardship* see subsection 19C(2) (person who is not a member of a couple) and subsection 19C(3) (person who is a member of a couple).

Note 2: For *unavoidable or reasonable expenditure* see subsection 19C(4).

Note 3: If an income maintenance period applies to a person, then, during that period:

- (a) the allowance claimed may not be payable to the person; or
- (b) the amount of the allowance payable to the person may be reduced.

*When a person receives a leave payment or a termination payment*

1067G-H17 For the purposes of points 1067G-H6 to 1067G-H16 (inclusive), a person (**first person**) is taken to receive a leave payment or termination payment if the payment is made to another person:

- (a) at the direction of the first person or a court; or
- (b) on behalf of the first person; or
- (c) for the benefit of the first person; or
- (d) the first person waives or assigns the first person's right to receive the payment.

*Single payment in respect of different kinds of termination payments*

1067G-H18 If a person who is covered by point 1067G-H12 receives a single payment in respect of different kinds of termination payments, then, for the purposes of the application of points 1067G-H11 to 1067G-H17 (inclusive), each part of the payment that is in respect of a different kind of termination payment is taken to be a separate payment and the income maintenance period in respect of the single payment is worked out by adding the periods to which the separate payments relate.

*Definitions*

1067G-H19 In points 1067G-H11 to 1067G-H18 (inclusive):

***payment fortnight*** means a fortnight in respect of which a youth allowance is paid, or would be paid apart from the application of an income maintenance period, to a person.

***period to which the payment relates*** means:

- (a) if the payment is a leave payment—the leave period to which the payment relates; or
- (b) if the payment is a termination payment and is calculated as an amount equivalent to an amount of ordinary income that the person would (but for the termination) have received from the employment that was terminated—the period for which the person would have received that amount of ordinary income; or
- (c) if the payment is a termination payment and paragraph (b) does not apply—the period of weeks (rounded down to the nearest whole number) in respect of which the person would have received ordinary income, from the employment that was terminated, of an amount equal to the amount of the termination payment if:
  - (i) the person’s employment had continued; and
  - (ii) the person received ordinary income from the employment at the rate per week at which the person usually received ordinary income from the employment prior to the termination.

***redundancy payment*** includes a payment in lieu of notice, but does not include a directed termination payment within the meaning of section 82-10F of the *Income Tax (Transitional Provisions) Act 1997*.

***termination payment*** includes:

- (a) a redundancy payment; and
- (b) a leave payment relating to a person’s employment that has been terminated; and
- (c) any other payment that is connected with the termination of a person’s employment.

Section 1067G

---

*Meaning of leave payment*

1067G-H20 In points 1067G-H5 to 1067G-H19 (inclusive):

**leave payment** includes a payment in respect of sick leave, annual leave, maternity leave and long service leave, but does not include:

- (a) an instalment of parental leave pay; or
- (b) dad and partner pay.

*Ordinary income includes certain periodical payments from relatives*

1067G-H21 Subject to point 1067G-H22 (and despite paragraph 8(8)(z)), a person's ordinary income for the purposes of this Module includes a periodical payment or benefit by way of gift or allowance from a parent, child, brother or sister of the person.

*Board and lodging*

1067G-H22 A person's ordinary income is not to include a payment to the person for board or lodging provided by the person to a parent, child, brother or sister of the person.

*Ordinary income generally taken into account when first earned, derived or received*

1067G-H23 Subject to points 1067G-H23A, 1067G-H23B, 1067G-H24 and 1067G-H25 and section 1073, ordinary income is to be taken into account in the fortnight in which it is first earned, derived or received.

*Claimant or recipient receives lump sum amount for remunerative work*

1067G-H23A If a person whose claim for youth allowance has been granted receives, after the claim was made, a lump sum amount that:

- (a) is paid to him or her in relation to remunerative work; and
- (b) is not a payment to which point 1067G-H24 applies; and
- (c) is not an exempt lump sum;

the person is, for the purposes of this Module, taken to receive one fifty-second of that amount as ordinary income during each week

---

Section 1067G

---

in the 12 months commencing on the day on which the person becomes entitled to receive that amount.

*Partner of claimant or recipient receives lump sum amount for remunerative work*

1067G-H23B If:

- (a) a person whose claim for youth allowance has been granted is a member of a couple; and
- (b) after the person had made the claim, the person's partner receives a lump sum amount that:
  - (i) is paid to him or her in relation to remunerative work; and
  - (ii) is not a payment to which point 1067G-H24 applies; and
  - (iii) is not an exempt lump sum;

the partner is, for the purposes of this Module, taken to receive one fifty-second of that amount as ordinary income during each week in the 12 months commencing on the day on which the partner becomes entitled to receive that amount.

*Operation of points 1067G-H23A and 1067G-H23B*

1067G-H23C Points 1067G-H23A and 1067G-H23B have effect even if the person who has made the claim:

- (a) is subject to a liquid assets test waiting period or an income maintenance period in respect of the allowance claimed; or
  - (b) is subject to a seasonal work preclusion period;
- during the period of 12 months referred to in those points.

*Ordinary income received at intervals longer than one fortnight*

1067G-H24 Subject to points 1067G-H10 to 1067G-H20 (inclusive), if:

- (a) a person receives a number of ordinary income payments; and
- (b) each payment is in respect of a period (**work period**) that is greater than a fortnight; and
- (c) there is reasonable predictability or regularity as to the timing of the payments; and

Section 1067G

---

- (d) there is reasonable predictability as to the quantum of the payments;
- the person is taken to receive in a fortnight falling within, or overlapping with, a work period an amount calculated by:
  - (e) dividing the amount received by the number of days in the work period (*daily rate*); and
  - (f) multiplying the daily rate by the number of days in the fortnight that are also within the work period.

*Payment of arrears of periodic compensation payments*

1067G-H25 If:

- (a) at the time of an event that gives rise to an entitlement of a person to compensation, the person is receiving youth allowance; and
  - (b) in relation to that entitlement, the person receives a payment of arrears of periodic compensation;
- the person is taken to receive, in a fortnight falling within, or overlapping with, the periodic payments period, an amount calculated by:
- (c) dividing the amount received by the number of days in the periodic payments period (*daily rate*); and
  - (d) multiplying the daily rate by the number of days in the fortnight that are also within the periodic payments period.

Note: For *periodic payments period* see section 17.

*Partner income free area*

1067G-H26 The partner income free area for a person is:

- (a) if the person's partner is not receiving a social security benefit and has not turned 22—the amount of income of the partner (rounded up to the nearest dollar) beyond which youth allowance would not be payable to the partner if the partner were qualified for a youth allowance and were not undertaking full-time study (see section 541B); or
- (b) if the person's partner is not receiving a social security benefit and has turned 22—the amount of income of the partner (rounded up to the nearest dollar) beyond which

Section 1067G

---

newstart allowance would not be payable to the partner if the partner were qualified for a newstart allowance; or

- (c) if the person's partner is receiving a social security benefit—the amount of income of the partner (rounded up to the nearest dollar) beyond which that benefit would not be payable to the partner.

*Partner income excess*

1067G-H27 If:

- (a) a person is a member of a couple; and  
(b) the person's partner is not receiving a social security pension, service pension or income support supplement; and  
(c) the partner's ordinary income exceeds the partner income free area for the partner;

then:

- (d) the person has a partner income excess; and  
(e) the person's partner income excess is the amount by which the partner's ordinary income exceeds the partner income free area.

*Partner income reduction*

1067G-H28 If a person has a partner income excess, the person's partner income reduction is an amount equal to 60% of the person's partner income excess.

Example:

Facts: Alice's partner Martin has an ordinary income of \$800. Assume that the partner income free area under point 1067G-H26 is \$640.

Result: Martin's ordinary income exceeds the partner income free area. Alice therefore has a partner income excess under point 1067G-H27 of:

$$\$800 - \$640 = \$160$$

Alice's partner income reduction under point 1067G-H28 is therefore:

$$60\% \times \$160 = \$96$$

Section 1067G

---

*Ordinary income free area*

1067G-H29 A person's ordinary income free area is:

- (a) if the person is undertaking full-time study at any time in the fortnight in respect of which a youth allowance may be payable—\$400; or
- (aa) if the person is a new apprentice at any time in the fortnight in respect of which a youth allowance may be payable—\$400; or
- (b) otherwise—\$143.

*Ordinary income excess*

1067G-H30 If a person's ordinary income exceeds the person's ordinary income free area:

- (a) the person has an ordinary income excess; and
- (b) the person's ordinary income excess is the amount by which the person's ordinary income exceeds the person's ordinary income free area.

*Ordinary income reduction*

1067G-H31 If a person has an ordinary income excess, the person's ordinary income reduction is the sum of:

- (a) the person's lower range reduction (if any)(see point 1067G-H32); and
- (b) the person's upper range reduction (if any) (see point 1067G-H33).

*Lower range reduction*

1067G-H32 The person's lower range reduction is an amount equal to 50% of the part of the person's ordinary income excess that does not exceed:

- (a) if the person is undertaking full-time study at any time in the fortnight in respect of which a youth allowance may be payable—\$80; or

Section 1067G

---

- (b) if the person is a new apprentice at any time in the fortnight in respect of which a youth allowance may be payable—\$80; or
- (c) otherwise—\$107.

*Upper range reduction*

1067G-H33 The person's upper range reduction is an amount equal to 60% of the part (if any) of the person's ordinary income excess that exceeds:

- (a) if the person is undertaking full-time study at any time in the fortnight in respect of which a youth allowance may be payable—\$80; or
- (b) if the person is a new apprentice at any time in the fortnight in respect of which a youth allowance may be payable—\$80; or
- (c) otherwise—\$107.

**Module J—Student income bank**

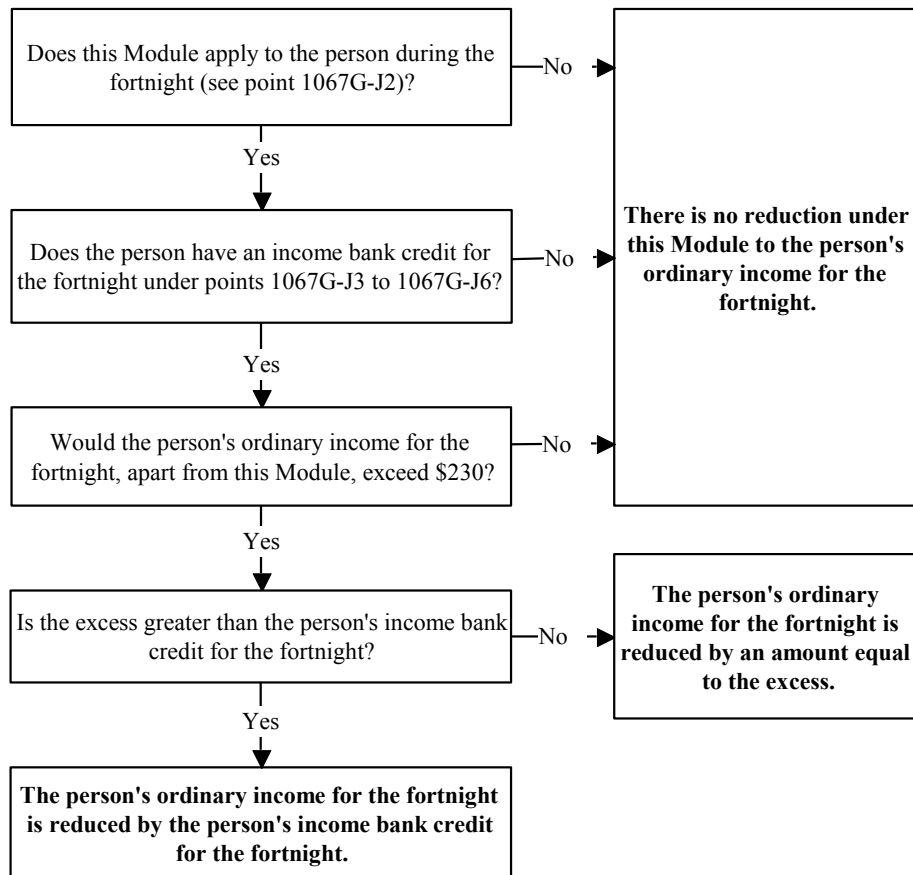

*Student income bank*

1067G-J1 A person's ordinary income under Module H may be reduced under this Module. This diagram sets out how to work out:

- (a) whether the person's ordinary income for a particular fortnight, in respect of which youth allowance may be payable to the person, is to be reduced; and
- (b) if it is to be reduced, the amount of the reduction.

**Section 1067G**

---

*Application of this Module*

**1067G-J2** This Module applies to a person during a particular fortnight, in respect of which youth allowance may be payable to the person, if the person is undertaking full-time study (see section 541B) or is a new apprentice (see subsection 23(1)) at any time during the fortnight.

*Income bank credit*

**1067G-J3** A person's income bank credit for a particular income bank fortnight of the person is to be worked out as follows:

---

Section 1067G

---

*Method statement*

- Step 1. Assume that the person's income bank credit, at the time this Module starts applying to the person, is an opening balance of zero.
- Step 2. If, for the person's first income bank fortnight, the person has an income credit under point 1067G-J4, add it to the opening balance.
- Step 3. For each subsequent income bank fortnight of the person, up to but not including the fortnight in question, either:
- (a) if the person has an income credit for that fortnight under point 1067G-J4 and the person is not a new apprentice—add it to the balance of the person's income bank credit in respect of all the previous fortnights, but not so as to increase the balance beyond \$10,000; or
  - (aa) if the person has an income credit for that fortnight under point 1067G-J4 and the person is a new apprentice—add it to the balance of the person's income bank credit in respect of all the previous fortnights, but not so as to increase the balance beyond \$1,000; or
  - (b) if the person has, in respect of that fortnight, drawn from the person's income bank credit under point 1067G-J5—deduct from that balance the amount drawn, but not so as to reduce the balance below zero.

The result is the person's income bank credit for the fortnight in question.

Section 1067G

---

*Income credit*

1067G-J4 For the purposes of point 1067G-J3, if the amount that would, apart from this Module, be the person's ordinary income for an income bank fortnight of the person is less than the ordinary income free area (see paragraph 1067G-H29(a) or (aa)):

- (a) the person has an income credit for that fortnight; and
- (b) the income credit is an amount equal to the difference between the ordinary income free area (see paragraph 1067G-H29(a) or (aa)) and the first-mentioned amount.

*Drawing from income bank credit*

1067G-J5 For the purposes of point 1067G-J3, if the amount that would, apart from this Module, be the person's ordinary income for an income bank fortnight of the person is greater than the ordinary income free area (see paragraph 1067G-H29(a) or (aa)):

- (a) the person is taken to have drawn from the person's income bank credit in respect of that fortnight; and
- (b) the amount drawn is taken to be an amount equal to the difference between the first-mentioned amount and the ordinary income free area (see paragraph 1067G-H29(a) or (aa)).

*Income bank fortnight*

1067G-J6 For the purposes of this Module, an income bank fortnight of a person is any fortnight, in respect of which youth allowance may be payable to the person, during the whole or a part of which this Module applies to the person.

*Opening balance following cancellation of another social security pension or benefit*

1067G-J7 If:

- (a) a person ceases to be a working credit participant because of a determination to cancel, or an automatic cancellation of, the person's social security pension or social security benefit; and

Section 1067G

---

- (b) the person had a working credit balance greater than nil immediately before the date of effect of the determination or cancellation; and
- (c) the person makes a claim, or is taken to have made a claim, for a youth allowance; and
- (d) the Secretary determines that the claim is to be granted with effect from a day within 12 months after the date of effect mentioned in paragraph (b); and

*Remote area allowance—person physically in remote area*

1067G-K1 An amount by way of remote area allowance is to be added to a person's rate of youth allowance if:

- (a) the person's rate of youth allowance apart from this point is greater than nil; and

---

Note 2: A person may be considered to be physically present in a remote area during temporary absences (see subsection 14(2)).

*Rate of remote area allowance*

1067G-K2 A person's rate of remote area allowance is worked out using Table K. Work out which family situation in the table applies to the person. The rate of remote area allowance is the corresponding amount in column 3 plus an additional corresponding amount in column 4 for each FTB child, and each regular care child, of the person.

<b>Table K—Remote area allowance</b>			
<b>Column 1 Item</b>	<b>Column 2 Person's family situation</b>	<b>Column 3 Basic allowance</b>	<b>Column 4 Additional allowance for each FTB child and regular care child</b>
1	Not a member of a couple	\$18.20	\$7.30
2	Partnered	\$15.60	\$7.30
3	Member of an illness separated couple	\$18.20	\$7.30
4	Partnered (partner in gaol)	\$18.20	\$7.30

Note: For *member of a couple*, *partnered*, *illness separated couple* and *partnered (partner in gaol)* see section 4.

*Meaning of remote area allowance*

1067G-K3 In Table K, remote area allowance means an amount added to a person's youth allowance by way of remote area allowance.

*In remote area*

1067G-K4 For the purposes of Table K, a person is in the remote area if:

Section 1067G

---

and
- (b) the person is physically present in the remote area.

*Special rule if partner has an FTB or regular care child but is not receiving a pension*

1067G-K6 If:

- (a) an additional allowance is to be included in the rate of remote area allowance for a person who is a member of a couple;  
and
- (b) the person's partner is not receiving a social security pension or social security benefit; and
- (c) the person's partner has an FTB child or a regular care child; the child is taken, for the purposes of this Module, to be an FTB child, or a regular care child, (as the case requires) of the person.

*Special rule if partner has an FTB or regular care child but is not receiving additional allowance for the child*

1067G-K7 If:

- (a) an additional allowance is to be included in the rate of remote area allowance for a person who is a member of a couple;  
and
  - (b) the person's partner has an FTB child or a regular care child;  
and
  - (c) the person's partner is not receiving additional allowance for the child;
- the child is taken, for the purposes of this Module, to be an FTB child, or a regular care child, (as the case requires) of the person.

*Special rule dealing with the death of an FTB or regular care child*

1067G-K9 If an FTB child, or a regular care child, of a person dies, this Module has effect, for a period of 14 weeks after the death of the child, as if the child had not died.

Note: This point does not prevent this Module having the effect it would have had if the child would otherwise have ceased to be an FTB child, or a regular care child, during that 14 weeks.

(b) the other person is under the age of consent that applies in the State or Territory in which they are living;

the rate of the person's austudy payment is not to be more than the rate at which the austudy payment would be payable to the person if the other person were the person's partner.

## **Austudy Payment Rate Calculator**

### **Module A—Overall rate calculation process**

#### *Method of calculating rate*

1067L-A1 The rate of payment is a daily rate. That rate is worked out by dividing the fortnightly rate calculated according to this Rate Calculator by 14.

#### *Method statement*

Step 1. Work out the person's maximum basic rate using Module B below.

Step 1A. Work out the pension supplement amount (if any) using Module BA below.

Step 1B. Work out the clean energy supplement (if any) using Module BB below.

Step 2. Work out the amount a fortnight (if any) of pharmaceutical allowance using Module C below.

Step 2A. Work out the applicable amount per fortnight (if any) for rent assistance in accordance with paragraph 1070A(a).

Step 3. Add up the amounts obtained in Steps 1, 1A, 1B, 2 and 2A: the result is the ***maximum payment rate***.

Section 1067L

Step 4. Apply the income test using Module D below to work out the person's income reduction.

Step 5. Take away the person's income reduction from the maximum payment rate: the result is the ***provisional fortnightly payment rate***.

Note: If a person's rate is reduced under this step, the order in which the reduction is to be made is laid down by section 1210.

Step 6. The ***rate of payment*** is the amount obtained by:

- (a) subtracting from the provisional fortnightly payment rate any special employment advance deduction (see Part 3.16B); and
- (b) if there is any amount remaining, subtracting from that amount any advance payment deduction (see Part 3.16A); and
- (c) adding any amount payable by way of remote area allowance (see Module F).

## Module B—Maximum basic rate

### *Maximum basic rate*

1067L-B1 A person's maximum basic rate is to be worked out as follows:

- (a) if the person is not a long term income support student (see section 1067K)—use Table BA;
- (b) if the person is a long term income support student—use point 1067L-B3.

### *Person who is not a long term income support student*

1067L-B2(1) If the person is not a long term income support student (see section 1067K), work out:

- (a) whether the person is a member of a couple (see section 4); and

Section 1067L

---

(b) whether the person has a dependent child (see subsections 5(2) to (9)); and

(c) if the person is not a member of a couple, whether the person has a YA child (see subpoint (2)).

The person's maximum basic rate is the amount in column 3 of the table that corresponds to the person's situation as described in column 2 of the table.

---

**Table BA—Maximum basic rates (persons who are not long term income support students)**

---

<b>Column 1</b>	<b>Column 2</b>	<b>Column 3</b>
<b>Item</b>	<b>Person's situation</b>	<b>Rate</b>
1	Does not have a dependent child or a YA child	\$281.10
2	Is a member of a couple and has a dependent child	\$308.70
3	Is not a member of a couple and has a dependent child or YA child	\$368.30

---

Note: The rates in column 3 are indexed annually in line with CPI increases (see sections 1191–1194).

(2) In this point:

**YA child**, in relation to a person who is not a member of a couple, means a child who is receiving youth allowance, is under 18 years of age and would be a dependent child of the person if he or she were not receiving the allowance.

*Person who is a long term income support student*

1067L-B3 If the person is a long term income support student (see section 1067K), work out whether the person is a member of a couple (see section 4).

The person's maximum basic rate is the amount in column 3 of the table that corresponds to the person's situation as described in column 2 of the table.

## Section 1067L

**Table BB—Maximum basic rates (persons who are long term income support students)**

Column 1	Column 2	Column 3
Item	Person's situation	Rate
1	Is a member of a couple	\$308.70
2	Is not a member of a couple	\$341.40

**Module BA—Pension supplement***Pension supplement*

1067L-BA1 A pension supplement amount is to be added to the person's maximum basic rate if the person is residing in Australia, has reached pension age and:

- (a) is in Australia; or
- (b) is temporarily absent from Australia and has been so for a continuous period not exceeding 6 weeks.

1067L-BA2 The person's pension supplement amount is:

- (a) if an election by the person under subsection 1061VA(1) is in force—the amount worked out under point 1067L-BA4; and
- (b) otherwise—the amount worked out under point 1067L-BA3.

*Amount if no election in force*

1067L-BA3 The person's pension supplement amount is the amount worked out by:

- (a) applying the applicable percentage in the following table to the combined couple rate of pension supplement; and
- (b) dividing the result by 26; and
- (c) if:
  - (i) the person is not partnered; and
  - (ii) the amount resulting from paragraph (b) is not a multiple of 10 cents;
 rounding the amount up or down to the nearest multiple of 10 cents (rounding up if the amount is not a multiple of 10 cents but is a multiple of 5 cents).

Section 1067L

---

Item	Person's family situation	Use this %
1	Not member of couple	66.33%
2	Partnered	50%
3	Member of illness separated couple	66.33%
4	Member of respite care couple	66.33%
5	Partnered (partner in gaol)	66.33%

Note: For *combined couple rate of pension supplement*, see subsection 20A(1).

*Amount if election in force*

1067L-BA4 The person's pension supplement amount is the amount worked out as follows:

- (a) work out the amount for the person under point 1067L-BA3 as if the election were not in force;
- (b) from that amount, subtract  $\frac{1}{26}$  of the person's minimum pension supplement amount.

**Module BB—Clean energy supplement**

1067L-BB1 A clean energy supplement is to be added to the person's (the *recipient's*) maximum basic rate if the recipient is residing in Australia and:

- (a) is in Australia; or
- (b) is temporarily absent from Australia and has been so for a continuous period not exceeding 6 weeks.

However, this Module does not apply if quarterly clean energy supplement is payable to the recipient.

Note: Section 918 may affect the addition of the clean energy supplement.

*Recipient has reached pension age*

1067L-BB2 If the recipient has reached pension age, the recipient's clean energy supplement is  $\frac{1}{26}$  of the amount worked out by:

- (a) applying the applicable percentage in the following table to the clean energy pension rate; and

## Section 1067L

- (b) rounding the result of paragraph (a) up or down to the nearest multiple of \$2.60 (rounding up if that rate is not a multiple of \$2.60 but is a multiple of \$1.30).

Percentage to be applied		
Item	Recipient's family situation	Use this %
1	Not a member of a couple	66.33%
2	Partnered	50%
3	Member of an illness separated couple	66.33%
4	Member of a respite care couple	66.33%
5	Partnered (partner in gaol)	66.33%

Note: For *clean energy pension rate*, see section 20B.

*Recipient has not reached pension age*

1067L-BB3 If the recipient has not reached pension age, the recipient's clean energy supplement is the recipient's clean energy (under pension age) rate.

1067L-BB4 The recipient's *clean energy (under pension age) rate* is worked out by:

- (a) working out 1.7% of the maximum basic rate, worked out:
  - (i) for 1 January 2014; and
  - (ii) for a person whose circumstances on that day were the same as the recipient's current circumstances; and
- (b) rounding the result of paragraph (a) up or down to the nearest multiple of 10 cents (rounding up if that result is not a multiple of 10 cents but is a multiple of 5 cents).

Note: This rate for those circumstances, and the rates for persons with different circumstances, are indexed 12 monthly in line with CPI increases (see sections 1191 to 1194).

Section 1067L

---

**Module C—Pharmaceutical allowance**

*Qualification for pharmaceutical allowance*

1067L-C1 Subject to points 1067L-C1A and 1067L-C2, an amount by way of pharmaceutical allowance is to be added to a person's maximum basic rate if:

- (b) the person has turned 60; and
- (c) the person has been receiving income support payments in respect of a continuous period of at least 9 months (whether or not the kind of payment received has changed over the period and whether the period or any part of it occurred before or after the commencement of this paragraph).

Note 1: For *income support payment* see subsection 23(1).

Note 2: For the determination of the continuous period in respect of which a person received income support payments see section 38B.

*No pharmaceutical allowance if person receiving pension supplement*

1067L-C1A Pharmaceutical allowance is not to be added to a person's maximum basic rate if a pension supplement amount has been added to that rate.

*No pharmaceutical allowance if partner receiving veterans supplement or MRCA supplement and not a service pensioner*

1067L-C2 Pharmaceutical allowance is not to be added to a person's maximum basic rate if:

- (a) the person is a member of a couple; and
- (b) the person's partner is receiving:
  - (i) veterans supplement under section 118A of the Veterans' Entitlements Act; or
  - (ii) MRCA supplement under section 300 of the Military Rehabilitation and Compensation Act; and
- (c) the person's partner is not receiving a service pension.

Section 1067L

*Amount of pharmaceutical allowance*

1067L-C3 The amount of pharmaceutical allowance is the amount per fortnight worked out using the following table:

<b>Table C—Pharmaceutical allowance amounts</b>		
<b>Column 1</b>	<b>Column 2</b>	<b>Column 3</b>
<b>Item</b>	<b>Person's family situation</b>	<b>Amount per fortnight</b>
1	Not a member of a couple	\$5.40

4	Member of a respite care couple	\$5.40
5	Partnered (partner getting service pension)	\$2.70
6	Partnered (partner in gaol)	\$5.40

Note 1: For *member of a couple*, *partnered*, *illness separated couple*, *respite care couple* and *partnered (partner in gaol)* see section 4.

Note 2: The amounts in column 3 are indexed or adjusted annually in line with CPI increases on 1 January (see sections 1191 to 1194 and 1206A).

**Module D—Income test**

*Effect of ordinary income on maximum payment rate*

1067L-D1 This is how to work out the effect of:  
(a) a person's ordinary income; and  
(b) the ordinary income of a partner of the person;  
on the person's maximum payment rate:

*Method statement*

Step 1. Work out the amount of the person's ordinary income on a fortnightly basis (where appropriate, taking into account the matters provided for in points 1067L-D2 to 1067L-D24).

Section 1067L

---

Step 2. If the person is a member of a couple, work out the partner income free area using point 1067L-D25.

Note: The partner income free area is the maximum amount of ordinary income the person's partner can have without affecting the person's benefit.

Step 3. Use point 1067L-D26 to work out the person's partner income excess. (If there is no partner income excess under that point, the person's partner income excess is taken to be nil.)

Step 4. Use the person's partner income excess to work out the person's partner income reduction using point 1067L-D27.

Step 5. Use point 1067L-D29 to work out the person's ordinary income excess. (If there is no ordinary income excess under that point, the person's ordinary income excess is taken to be nil.)

Step 6. Use the person's ordinary income excess to work out the person's ordinary income reduction using points 1067L-D30, 1067L-D31 and 1067L-D32.

Step 7. Add the person's partner income reduction and ordinary income reduction: the result is the ***person's income reduction*** referred to in Step 4 of the Method statement in point 1067L-A1.

Note 1: For ***ordinary income*** see subsection 8(1).

Note 2: The application of the income test is affected by provisions concerning the following:

- (a) the general concept of ordinary income (sections 1072 and 1073);
- (b) business income (sections 1074 and 1075);
- (c) deemed income from financial assets (sections 1076 to 1084A);
- (d) income from income streams (sections 1096 to 1099DAA);
- (e) disposal of income (sections 1106 to 1112).

Section 1067L

---

*Ordinary income of members of certain couples*

1067L-D2 If a person is a member of a couple and the person's partner is receiving a social security pension, a service pension or income support supplement, the person's ordinary income is taken to be one half of the sum of:

- (a) the amount that would be the person's ordinary income if he or she were not a member of a couple; and
- (b) the amount that would be the ordinary income of the person's partner if the partner were not a member of a couple.

*Lump sum payments arising from termination of employment*

1067L-D3 Subject to points 1067L-D4 to 1067L-D16 (inclusive), if:

- (a) a person's employment has been terminated; and
- (b) as a result the person is entitled to a lump sum payment from the person's former employer;

the person is taken to have received the lump sum payment on the day on which the person's employment was terminated.

*Directed termination payments excluded*

1067L-D4 If:

- (a) a person's employment has been terminated; and
- (b) as a result the person is entitled to a lump sum payment from the person's former employer; and
- (c) the payment, or part of the payment, is a directed termination payment within the meaning of section 82-10F of the *Income Tax (Transitional Provisions) Act 1997*;

the payment, or that part, is to be disregarded in working out the ordinary income of the person for the purposes of this Module.

*Certain leave payments taken to be ordinary income—employment continuing*

1067L-D5 If:

- (a) a person is employed; and
- (b) the person is on leave for a period; and

Section 1067L

---

- (c) the person is or was entitled to receive a leave payment (whether as a lump sum payment, as a payment that is one of a series of regular payments or otherwise) in respect of a part or all of a leave period;

the person is taken to have received ordinary income for a period (the ***income maintenance period***) equal to the leave period to which the leave payment entitlement relates.

*Certain termination payments taken to be ordinary income*

1067L-D6 If:

- (a) a person's employment has been terminated; and
- (b) the person receives a termination payment (whether as a lump sum payment, as a payment that is one of a series of regular payments or otherwise);

the person is taken to have received ordinary income for a period (the ***income maintenance period***) equal to the period to which the payment relates.

*More than one termination payment on a day*

1067L-D7 If:

- (a) the person is covered by point 1067L-D6; and
- (b) the person receives more than one termination payment on a day;

the income maintenance period is worked out by adding the periods to which the payments relate.

*Start of income maintenance period—employment continuing*

1067L-D8 If the person is covered by point 1067L-D5, the income maintenance period starts on the first day of the leave period to which the leave payment entitlement relates.

*Start of income maintenance period—employment terminated*

1067L-D9 Subject to point 1067L-D10A, if the person is covered by point 1067L-D6, the income maintenance period starts, subject to point 1067L-D10, on the day on which the person is paid the termination payment.

Section 1067L

---

*Commencement of income maintenance period where there is a second termination payment*

1067L-D10 If:

- (a) a person who is covered by point 1067L-D6 is subject to an income maintenance period (the **first period**); and
- (b) the person is paid another termination payment during that period (the **second leave payment**);

the income maintenance period for the second termination payment starts on the day after the end of the first period.

*Start of income maintenance period where liquid assets test waiting period applies*

1067L-D10A If a person to whom point 1067L-D10 applies is subject to a liquid assets test waiting period, the income maintenance period is taken to have started on the day on which the liquid assets test waiting period started.

*Leave payments or termination payments in respect of periods longer than a fortnight*

1067L-D11 If:

- (a) a person receives a leave payment or termination payment; and
- (b) the payment is in respect of a period longer than a fortnight; the person is taken to receive in a payment fortnight or part of a payment fortnight an amount calculated by:
  - (c) dividing the amount received by the number of days in the period to which the payment relates (**daily rate**); and
  - (d) multiplying the daily rate by the number of days in the payment fortnight that are also in the period.

1067L-D12 If the Secretary is satisfied that a person is in severe financial hardship because the person has incurred unavoidable or reasonable expenditure while an income maintenance period applies to the person, the Secretary may determine that the whole, or any part, of the period does not apply to the person.

Section 1067L

---

- Note 1: For ***in severe financial hardship*** see subsection 19C(2) (person who is not a member of a couple) and subsection 19C(3) (person who is a member of a couple).
- Note 2: For ***unavoidable or reasonable expenditure*** see subsection 19C(4).
- Note 3: If an income maintenance period applies to a person, then, during that period:
- (a) the allowance claimed may not be payable to the person; or
  - (b) the amount of the allowance payable to the person may be reduced.

*When a person receives a leave payment or a termination payment*

1067L-D13 For the purposes of points 1067L-D4 to 1067L-D12 (inclusive), a person (***first person***) is taken to receive a leave payment or termination payment if:

- (a) the payment is made to another person:
  - (i) at the direction of the first person or a court; or
  - (ii) on behalf of the first person; or
  - (iii) for the benefit of the first person; or
- (b) the first person waives or assigns his or her right to receive the payment.

*Single payment in respect of different kinds of termination payments*

1067L-D14 If a person who is covered by point 1067L-D6 receives a single payment in respect of different kinds of termination payments, then, for the purposes of the application of points 1067L-D5 to 1067L-D13 (inclusive):

- (a) each part of the payment that is in respect of a different kind of termination payment is taken to be a separate payment; and
- (b) the income maintenance period in respect of the single payment is worked out by adding the periods to which the separate payments relate.

*Definitions*

1067L-D15 In points 1067L-D5 to 1067L-D14 (inclusive):

***payment fortnight*** means a fortnight in respect of which an austudy payment is paid, or would be paid apart from the application of an income maintenance period, to a person.

***period to which the payment relates*** means:

- (a) if the payment is a leave payment—the leave period to which the payment relates; or
- (b) if the payment is a termination payment and is calculated as an amount equivalent to an amount of ordinary income that the person would (but for the termination) have received from the employment that was terminated—the period for which the person would have received that amount of ordinary income; or
- (c) if the payment is a termination payment and paragraph (b) does not apply—the period of weeks (rounded down to the nearest whole number) in respect of which the person would have received ordinary income, from the employment that was terminated, of an amount equal to the amount of the termination payment if:
  - (i) the person’s employment had continued; and
  - (ii) the person received ordinary income from the employment at the rate per week at which the person usually received ordinary income from the employment prior to the termination.

***redundancy payment*** includes a payment in lieu of notice, but does not include a directed termination payment within the meaning of section 82-10F of the *Income Tax (Transitional Provisions) Act 1997*.

***termination payment*** includes:

- (a) a redundancy payment; and
- (b) a leave payment relating to a person’s employment that has been terminated; and
- (c) any other payment that is connected with the termination of a person’s employment.

Section 1067L

---

*Meaning of leave payment*

1067L-D16 In points 1067L-D4 to 1067L-D15 (inclusive):

**leave payment** includes a payment in respect of sick leave, annual leave, maternity leave and long service leave, but does not include:

- (a) an instalment of parental leave pay; or
- (b) dad and partner pay.

*Ordinary income includes certain periodical payments from relatives*

1067L-D17 Subject to point 1067L-D18 (and despite paragraph 8(8)(z)), a person's ordinary income for the purposes of this Module includes a periodical payment or benefit by way of gift or allowance from a parent, child, brother or sister of the person.

*Board and lodging*

1067L-D18 A person's ordinary income is not to include a payment to the person for board or lodging provided by the person to a parent, child, brother or sister of the person.

*Ordinary income generally taken into account when first earned, derived or received*

1067L-D19 Subject to points 1067L-D20, 1067L-D21, 1067L-D23 and 1067L-D24 and section 1073, ordinary income is to be taken into account in the fortnight in which it is first earned, derived or received.

*Claimant or recipient receives lump sum amount for remunerative work*

1067L-D20 If a person whose claim for austudy payment has been granted receives, after the claim was made, a lump sum amount that:

- (a) is paid to him or her in relation to remunerative work; and
- (b) is not a payment to which point 1067L-D21 applies; and
- (c) is not an exempt lump sum;

the person is, for the purposes of this Module, taken to receive one fifty-second of that amount as ordinary income during each week

---

Section 1067L

---

in the 12 months commencing on the day on which the person becomes entitled to receive that amount.

*Partner of claimant or recipient receives lump sum amount for remunerative work*

1067L-D21 If:

- (a) a person whose claim for austudy payment has been granted is a member of a couple; and
- (b) after the person has made the claim, the person's partner receives a lump sum amount that:
  - (i) is paid to him or her in relation to remunerative work; and
  - (ii) is not a payment to which point 1067L-D23 applies; and
  - (iii) is not an exempt lump sum;

the partner is, for the purposes of this Module, taken to receive one fifty-second of that amount as ordinary income during each week in the 12 months commencing on the day on which the partner becomes entitled to receive that amount.

*Operation of points 1067L-D20 and 1067L-D21*

1067L-D22 Points 1067L-D20 and 1067L-D21 have effect even if the person who has made the claim:

- (a) is subject to a liquid assets test waiting period or an income maintenance period in respect of the allowance claimed; or
  - (b) is subject to a seasonal work preclusion period;
- during the period of 12 months referred to in those points.

*Ordinary income received at intervals longer than one fortnight*

1067L-D23 Subject to points 1067L-D4 to 1067L-D16 (inclusive), if:

- (a) a person receives a number of ordinary income payments; and
- (b) each payment is in respect of a period (**work period**) that is greater than a fortnight; and
- (c) there is reasonable predicability or regularity as to the timing of the payments; and

Section 1067L

---

- (d) there is reasonable predicability as to the quantum of the payments;
- the person is taken to receive in a fortnight falling within, or overlapping with, a work period an amount calculated by:
- (e) dividing the amount received by the number of days in the work period (*daily rate*); and
- (f) multiplying the daily rate by the number of days in the fortnight that are also within the work period.

*Payment of arrears of periodic compensation payments*

1067L-D24 If:

- (a) at the time of an event that gives rise to an entitlement of a person to compensation, the person is receiving an austudy payment; and
  - (b) in relation to that entitlement, the person receives a payment of arrears of periodic compensation;
- the person is taken to receive, in a fortnight falling within, or overlapping with, the periodic payments period, an amount calculated by:
- (c) dividing the amount received by the number of days in the periodic payments period (*daily rate*); and
  - (d) multiplying the daily rate by the number of days in the fortnight that are also within the periodic payments period.

Note: For *periodic payments period* see section 17.

*Partner income free area*

1067L-D25 The partner income free area for a person is:

- (a) if the person's partner is not receiving a social security benefit and has not turned 22—the amount of income of the partner (rounded up to the nearest dollar) beyond which youth allowance would not be payable to the partner if the partner were qualified for a youth allowance and were not undertaking full-time study (see section 541B); or
- (b) if the person's partner is not receiving a social security benefit and has turned 22—the amount of income of the partner (rounded up to the nearest dollar) beyond which

Section 1067L

---

newstart allowance would not be payable to the partner if the partner were qualified for a newstart allowance; or

- (c) if the person's partner is receiving a social security benefit—the amount of income of the partner (rounded up to the nearest dollar) beyond which that benefit would not be payable to the partner.

*Partner income excess*

1067L-D26 If:

- (a) a person is a member of a couple; and
- (b) the person's partner is not receiving a social security pension, service pension or income support supplement; and
- (c) the partner's ordinary income exceeds the partner income free area for the partner;

then:

- (d) the person has a partner income excess; and
- (e) the person's partner income excess is the amount by which the partner's ordinary income exceeds the partner income free area.

*Partner income reduction*

1067L-D27 If a person has a partner income excess, the person's partner income reduction is an amount equal to 60% of the person's partner income excess.

Example:

Facts: Alice's partner Martin has an ordinary income of \$800. Assume that the partner income free area under point 1067L-D25 is \$640.

Result: Martin's ordinary income exceeds the partner income free area. Alice therefore has a partner income excess under point 1067L-D26 of:

$$\$800 - \$640 = \$160$$

Alice's partner income reduction under point 1067L-D27 is therefore:

$$60\% \times \$160 = \$96$$

Section 1067L

---

*Ordinary income free area*

1067L-D28 A person's ordinary income free area is \$400.

*Ordinary income excess*

1067L-D29 If a person's ordinary income exceeds the person's ordinary income free area:

- (a) the person has an ordinary income excess; and
- (b) the person's ordinary income excess is the amount by which the person's ordinary income exceeds the person's ordinary income free area.

*Ordinary income reduction*

1067L-D30 If a person has an ordinary income excess, the person's ordinary income reduction is the sum of:

- (a) the person's lower range reduction (if any) (see point 1067L-D31); and
- (b) the person's upper range reduction (if any) (see point 1067L-D32).

*Lower range reduction*

1067L-D31 The person's lower range reduction is an amount equal to 50% of the part of the person's ordinary income excess that does not exceed \$80.

*Upper range reduction*

1067L-D32 The person's upper range reduction is an amount equal to 60% of the part (if any) of the person's ordinary income excess that exceeds \$80.

**Module E—Student income bank**

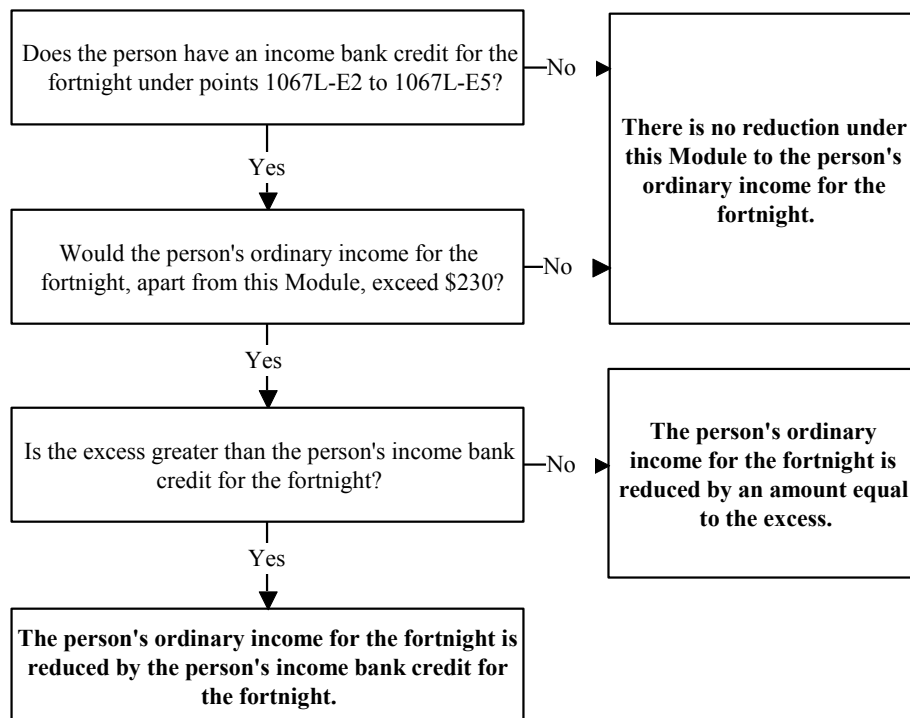

*Student income bank*

1067L-E1 A person's ordinary income under Module D may be reduced under this Module. This diagram sets out how to work out:

---

## Section 1067L

- (a) whether the person's ordinary income for a particular fortnight in respect of which austudy payment may be payable to the person, is to be reduced; and
- (b) if it is to be reduced, the amount of the reduction.

*Income bank credit*

1067L-E2 A person's income bank credit for a particular income bank fortnight of the person is to be worked out as follows:

*Method statement*

- Step 1. Assume that the person's income bank credit, at the time this Module starts applying to the person, is an opening balance of zero.

Section 1067L

---

Step 2. If, for the person's first income bank fortnight, the person has an income credit under point 1067L-E3, add it to the opening balance.

Step 3. For each subsequent income bank fortnight of the person, up to but not including the fortnight in question, either:

(a) if the person has an income credit for that fortnight under point 1067L-E3 and the person is not a new apprentice—add it to the balance of the person's income bank credit in respect of all the previous fortnights, but not so as to increase the balance beyond \$10,000; or

(aa) if the person has an income credit for that fortnight under point 1067L-E3 and the person is a new apprentice—add it to the balance of the person's income bank credit in respect of all the previous fortnights, but not so as to increase the balance beyond \$1,000; or

(b) if the person has, in respect of that fortnight, drawn from the person's income bank credit under point 1067L-E4—deduct from that balance the amount drawn, but not so as to reduce the balance below zero.

The result is the person's income bank credit for the fortnight in question.

Section 1067L

---

*Income credit*

- 1067L-E3 For the purposes of point 1067L-E2, if the amount that would, apart from this Module, be the person's ordinary income for an income bank fortnight of the person is less than the ordinary income free area (see point 1067L-D28):
- (a) the person has an income credit for that fortnight; and
  - (b) the income credit is an amount equal to the difference between the ordinary income free area (see point 1067L-D28) and the first-mentioned amount.

*Drawing from income bank credit*

- 1067L-E4 For the purposes of point 1067L-E2, if the amount that would, apart from this Module, be the person's ordinary income for an income bank fortnight of the person is greater than the ordinary income free area (see point 1067L-D28):
- (a) the person is taken to have drawn from the person's income bank credit in respect of that fortnight; and
  - (b) the amount drawn is taken to be an amount equal to the difference between the first-mentioned amount and the ordinary income free area (see point 1067L-D28).

*Income bank fortnight*

- 1067L-E5 For the purposes of this Module, an income bank fortnight of a person is any fortnight in respect of which an austudy payment may be payable to the person.

*Opening balance following cancellation of another social security pension or benefit*

- 1067L-E6 If:
- (a) a person ceases to be a working credit participant because of a determination to cancel, or an automatic cancellation of, the person's social security pension or social security benefit; and
  - (b) the person had a working credit balance greater than nil immediately before the date of effect of the determination or cancellation; and

Section 1067L

---

- (c) the person makes a claim, or is taken to have made a claim, for an austudy payment; and
- (d) the Secretary determines that the claim is to be granted with effect from a day within 12 months after the date of effect mentioned in paragraph (b); and
- (e) the person becomes a person to whom this Module applies on a day (the ***module application day***), being either the day with effect from which the claim is granted or a day following that day; and
- (f) the person has not reached pension age before the module application day;

the working credit balance mentioned in paragraph (b) becomes the opening balance of the income bank credit applicable to the person on the module application day.

*Opening balance following suspension and subsequent cancellation of another social security pension or benefit*

1067L-E7 If:

- (a) a person ceases to be a working credit participant because of a determination to suspend the person's social security pension or social security benefit; and
- (b) while the person's pension or benefit is suspended, there is a determination to cancel the person's pension or benefit; and
- (c) the person had a working credit balance greater than nil immediately before the date of effect of the suspension determination; and
- (d) the person makes a claim, or is taken to have made a claim, for an austudy payment; and
- (e) the Secretary determines that the claim is to be granted with effect from a day within 12 months after the date of effect mentioned in paragraph (c); and
- (f) the person becomes a person to whom this Module applies on a day (the ***module application day***), being either the day with effect from which the claim is granted or a day following that day; and
- (g) the person has not reached pension age before the module application day;

## Section 1067L

the working credit balance mentioned in paragraph (c) becomes the opening balance of the income bank credit applicable to the person on the module application day.

**Module F—Remote area allowance***Remote area allowance—person physically in remote area*

- 1067L-F1 An amount by way of remote area allowance is to be added to a person's rate of austudy payment if:
- (a) the person's rate of austudy payment apart from this point is greater than nil; and
  - (b) the person's usual place of residence is situated in the remote area; and
  - (c) the person is physically present in the remote area.

Note 1: For **remote area** see subsection 14(1).

Note 2: A person may be considered to be physically present in a remote area during temporary absences (see subsection 14(2)).

*Rate of remote area allowance*

- 1067L-F2 A person's rate of remote area allowance is worked out using Table F. Work out which family situation in the table applies to the person. The rate of remote area allowance is the corresponding amount in column 3 plus the additional corresponding amount in column 4 for each FTB child, and each regular care child, of the person.

**Table F—Remote area allowance**

<b>Column 1</b>	<b>Column 2</b>	<b>Column 3</b>	<b>Column 4</b>
<b>Item</b>	<b>Person's family situation</b>	<b>Basic allowance</b>	<b>Additional allowance for each FTB child and regular care child</b>
1	Not a member of a couple	\$18.20	\$7.30

Section 1067L

**Table F—Remote area allowance**

<b>Column 1</b>	<b>Column 2</b>	<b>Column 3</b>	<b>Column 4</b>
<b>Item</b>	<b>Person's family situation</b>	<b>Basic allowance</b>	<b>Additional allowance for each FTB child and regular care child</b>
2	Partnered	\$15.60	\$7.30
3	Member of an illness separated couple	\$18.20	\$7.30
4	Partnered (partner in gaol)	\$18.20	\$7.30

Note: For *member of a couple, partnered, illness separated couple* and *partnered (partner in gaol)* see section 4.

*Meaning of remote area allowance*

1067L-F3 In Table F, remote area allowance means an amount added to a person's austudy payment by way of remote area allowance.

*In remote area*

1067L-F4 For the purposes of Table F, a person is in the remote area if:

- (a) the person's usual place of residence is in the remote area; and
- (b) the person is physically present in the remote area.

*Special rule if partner has an FTB or regular care child but is not receiving a pension*

1067L-F6 If:

- (a) an additional allowance is to be included in the rate of remote area allowance for a person who is a member of a couple; and
- (b) the person's partner is not receiving a social security pension or social security benefit; and

Section 1067L

---

(c) the person's partner has an FTB child or a regular care child; the child is taken, for the purposes of this Module, to be an FTB child, or a regular care child, (as the case requires) of the person.

*Special rule if partner has an FTB or regular care child but is not receiving additional allowance for the child*

1067L-F7 If:

- (a) an additional allowance is to be included in the rate of remote area allowance for a person who is a member of a couple; and
- (b) the person's partner has an FTB child or a regular care child; and
- (c) the person's partner is not receiving additional allowance for the child;

the child is taken, for the purposes of this Module, to be an FTB child, or a regular care child, (as the case requires) of the person.

*Special rule dealing with the death of an FTB or regular care child*

1067L-F9 If an FTB child, or a regular care child, of a person dies, this Module has effect, for a period of 14 weeks after the death of the child, as if the child had not died.

Note: This point does not prevent this Module having the effect it would have had if the child would otherwise have ceased to be an FTB child, or a regular care child, during that 14 weeks.
