Guide to Division 230

230-1 What this Division is about

This Division is about the tax treatment of gains and losses from your financial arrangements.

You recognise the gains and losses, as appropriate, over the life of a financial arrangement and ignore distinctions between income and capital unless specific rules apply.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-5

If it is sufficiently certain that you will make a gain or loss, you use a compounding accruals method to recognise the gain or loss. Otherwise you use a realisation method. Instead of either, you may be able to choose to use a fair value or hedging method or to rely on your financial reports. You may also be able to choose to recognise foreign exchange gains and losses using a retranslation method.

230-5 Scope of this Division

- (1) You have a financial arrangement if you have one or more cash settleable legal or equitable rights and/or obligations to receive or provide a financial benefit.
- (2) This Division does not apply to all financial arrangements. The main exceptions are if:
 - (a) you are:
 - (i) an individual; or
 - (ii) a superannuation entity or fund, managed investment scheme or an entity substantially similar to a managed investment scheme under foreign law with assets of less than \$100 million; or
 - (iii) an ADI, securitisation vehicle or other financial sector entity with an aggregated turnover of less than \$20 million; or
 - (iv) another entity with an aggregated turnover of less than \$100 million, financial assets of less than \$100 million and assets of less than \$300 million;and either:
 - (iva) the arrangement is to end not more than 12 months after you start to have it; or
 - (v) the arrangement is not a qualifying security; or
 - (b) the arrangement is a financial arrangement under section 230-50 (equity interests etc.) and neither a fair value election, a hedging financial arrangement election nor an

election to rely on financial reports applies to the arrangement.

Note: Section 230-455 provides for the exceptions referred to in paragraph (a).

Section 230-10

Objects

230-10 Objects of this Division

The objects of this Division are:

- (a) to minimise the extent to which the tax treatment of gains and losses from your *financial arrangements distorts, by providing inappropriate impediments and stimulation, your trading, financing and investment decisions and your risk taking and risk management; and
- (b) to do so by aligning more closely the tax and commercial recognition of gains and losses from your financial arrangements in the following ways:
 - (i) by allocating the gains and losses to income years throughout the life of your financial arrangements on a reasonable basis;
 - (ii) by generally recognising gains and losses on revenue rather than capital account; and
- (c) to appropriately take account of, and minimise, your compliance costs.

Tax treatment of gains and losses from financial arrangements

230-15 Gains are assessable and losses deductible

Gains

- (1) Your assessable income includes a gain you make from a *financial arrangement.

Note: This Division does not apply to gains that are subject to exceptions under Subdivision 230-H.

Losses

- (2) You can deduct a loss you make from a *financial arrangement, but only to the extent that:

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-15

- (a) you make it in gaining or producing your assessable income;
or
- (b) you necessarily make it in carrying on a *business for the purpose of gaining or producing your assessable income.

Note: This Division does not apply to losses that are subject to exceptions under Subdivision 230-H.

- (3) You can also deduct a loss you make from a *financial arrangement if:

- (a) you are an *Australian entity; and
- (b) you make the loss in deriving income from a foreign source; and
- (c) the income is *non-assessable non-exempt income under section 768-5, or section 23AI or 23AK of the *Income Tax Assessment Act 1936*; and
- (d) the loss is, in whole or in part, a cost in relation to a *debt interest you issue that is covered by paragraph 820-40(1)(a).

You can deduct the loss only to the extent to which it is a cost in relation to a *debt interest you issue that is covered by paragraph 820-40(1)(a).

Note: This Division does not apply to losses that are subject to exceptions under Subdivision 230-H.

- (4) If the *financial arrangement is a *debt interest, the loss is not prevented from being deductible for an income year under subsection (2) merely because of either or both of the following:
- (a) one or more of the *financial benefits that are taken into account in working out the amount of the loss are *contingent on aspects of the economic performance (whether past, current or future) of:
 - (i) you or a part of your activities; or
 - (ii) a *connected entity of yours or a part of the activities of a connected entity of yours;
 - (b) one or more of the financial benefits that are taken into account in working out the amount of the loss secure a

permanent or enduring benefit for you or a connected entity of yours.

- (4A) A *dividend on a *debt interest is a loss you can deduct to the extent to which it would have been a deductible loss under subsection (2) if:
- (a) the payment of the amount of the dividend were the incurring of a liability to pay the same amount as interest; and
 - (b) that interest were incurred in respect of the finance raised by you and in respect of which the dividend was paid or provided; and
 - (c) the debt interest retained its character as a debt interest for the purposes of subsection (4).
- (5) Subject to subsection (6), subsection (4) does not apply to the loss to the extent to which the annually compounded internal rate of return on the *debt interest exceeds the *benchmark rate of return for the debt interest increased by 150 basis points.
- (6) If:
- (a) regulations made for the purposes of subsection 25-85(6) provide that a specified number of basis points is to apply for the purposes of applying subsection 25-85(5) in particular circumstances; and
 - (b) those circumstances exist in relation to the *debt interest;
- subsection (5) applies as if the reference in that subsection to 150 basis points were a reference to the number of basis points specified in the regulations.

Division does not affect foreign residence rules

- (7) Nothing in this Division affects the operation of the provisions of Division 6 that provide for the significance of foreign residence for the assessability of ordinary and statutory income.

Note 1: Gains that you make under this Division may be ordinary or statutory income for the purposes of Division 6.

Note 2: For the effect of a change of residence during an income year, see sections 230-485 and 230-490.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

230-20 Gain or loss to be taken into account only once under this Act

Application of section

- (1) This section applies to the following:
- (a) a gain that is included in your assessable income for an income year under this Division;
 - (b) a loss that is allowable as a deduction to you for an income year under this Division;
 - (c) a gain or a loss that is dealt with in accordance with subsection 230-310(4) in relation to an income year.

Purpose of this section

- (2) The purpose of this section is to ensure that your gains and losses, and *financial benefits, to which this section applies are taken into account only once under this Act in working out your taxable income.

Gain or loss to be taken into account only once

- (3) A gain or loss to which this section applies is not to be (to any extent):
- (a) included in your assessable income; or
 - (b) allowable as a deduction to you; or
 - (c) dealt with in accordance with subsection 230-310(4);
- again under this Division for the same or any other income year.
- (4) A gain or loss to which this section applies is not to be (to any extent):
- (a) included in your assessable income; or
 - (b) allowable as a deduction to you;
- under any provisions of this Act outside this Division for the same or any other income year.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-25

Section does not give rise to exempt income

- (5) A gain is not to be treated as *exempt income merely because it is not included in your assessable income under this section.

230-25 Associated financial benefits to be taken into account only once under this Act

Application of section

- (1) This section applies to a *financial benefit whose amount or value is taken into account in working out whether you make, or the amount of, a gain or loss to which paragraph 230-20(1)(a), (b) or (c) applies.

Associated financial benefit to be taken into account only once

- (2) A *financial benefit to which this section applies is not to be (to any extent):
- (a) included in your assessable income; or
 - (b) allowable as a deduction to you;
- under any provision of this Act outside this Division for the same or any other income year.

Exception for certain bad debts

- (3) If:
- (a) a *financial benefit has been included in your assessable income under a provision of this Act outside this Division; and
 - (b) a bad debt deduction would have been allowed under section 25-35 in relation to the financial benefit;
- subsection (2) does not prevent that bad debt deduction from being allowed under section 25-35 in relation to the financial benefit as if the debt were still outstanding.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section does not give rise to exempt income

- (4) A *financial benefit is not to be treated as *exempt income merely because it is not included in your assessable income under this section.

230-30 Treatment of gains and losses related to exempt income and non-assessable non-exempt income

- (1) Despite section 230-15, a gain that you make from a *financial arrangement:
- (a) to the extent that it reflects an amount that would be treated, or would reasonably expected to be treated, as *exempt income under a provision of this Act if this Division were disregarded—is exempt income; and
 - (b) to the extent that it reflects an amount that would be treated or would reasonably expected to be treated, as *non-assessable non-exempt income under a provision of this Act if this Division were disregarded—is not assessable income and is not exempt income.
- (2) Despite section 230-15, a gain that you make from a *financial arrangement:
- (a) to the extent that, if it had been a loss, you would have made it in gaining or producing *exempt income—is exempt income; and
 - (b) to the extent to which, if it had been a loss, you would have made it in gaining or producing *non-assessable non-exempt income—is not assessable income and is not exempt income.
- (3) A loss you make from a *financial arrangement is *not* allowable as a deduction to you under any provision of this Act (other than subsection 230-15(3)) to the extent that you make it in gaining or producing your:
- (a) *exempt income; or
 - (b) *non-assessable non-exempt income.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (2) This Division does not apply to a gain you make from the arrangement to the extent that you use the funds raised or the credit provided for a private or domestic purpose.
- (3) A loss you make from the arrangement is *not* allowable as a deduction to you under any provision of this Act to the extent that you use the funds raised or the credit provided for a private or domestic purpose.

 - (a) you are an individual; and
 - (b) you make a gain or loss from a *derivative financial arrangement; and
 - (c) the arrangement is held, wholly or in part, for a private or domestic purpose.
- (5) This Division does not apply to a gain you make from the arrangement to the extent that the arrangement is held or used for a private or domestic purpose.
- (6) A loss you make from the arrangement is *not* allowable as a deduction to you under any provision of this Act to the extent that the arrangement is held or used for a private or domestic purpose.

Method to be applied to take account of gain or loss

230-40 Methods for taking gain or loss into account

Methods available

- (1) The methods that can be applied to take account of a gain or loss you make from a ^{*}financial arrangement are:
 - (a) the accruals and realisation methods provided for in Subdivision 230-B; or
 - (b) the fair value method provided for in Subdivision 230-C; or
 - (c) the foreign exchange retranslation method provided for in Subdivision 230-D; or
 - (d) the hedging financial arrangement method provided for in Subdivision 230-E; or
 - (e) the method of relying on your financial reports provided for in Subdivision 230-F; or
 - (f) a balancing adjustment provided for in Subdivision 230-G.

Note: The methods referred to in paragraphs (b) to (e) only apply if you make an election under the relevant Subdivision and you must meet certain requirements before you can make such an election.

- (2) A gain or loss is not taken into account under any of the methods referred to in paragraphs (1)(a), (b), (c) and (e) to the extent to which it is taken into account under the method referred to in paragraph (1)(f) (balancing adjustment).
- (3) A gain or loss is not taken into account under the method referred to in paragraph (1)(f) (balancing adjustment) to the extent to which it is taken into account under the method referred to in paragraph (1)(d) (hedging financial arrangement method).

Note: The hedging financial arrangement method may take some account of the gain or loss by reference to the balancing adjustment method (see subsection 230-300(5)).

Section 230-40

Elections override accruals and realisation methods

- (4) Subdivision 230-B (accruals and realisation method) does not apply to a gain or loss you make from a *financial arrangement:
- (a) to the extent that Subdivision 230-C (fair value method) applies to the gain or loss; or
- Note: See subsection (5) of this section and subsection 230-230(4).
- (b) to the extent that Subdivision 230-D (foreign exchange retranslation method) applies to the gain or loss; or
 - (c) to the extent that Subdivision 230-E (hedging financial arrangements method) applies to the arrangement; or
 - (d) if Subdivision 230-F (method of relying on financial reports) applies to the arrangement; or
 - (e) if the arrangement is a financial arrangement under section 230-50 (equity interests etc.).

Priorities among election methods

- (5) Subdivision 230-C (fair value method) does not apply to a gain or loss you make from a *financial arrangement:
- (a) to the extent that Subdivision 230-E (hedging financial arrangements method) applies to the arrangement; or
 - (b) if Subdivision 230-F (method of relying on financial reports) applies to the arrangement.
- (6) Subdivision 230-D (foreign exchange retranslation method) does not apply to a gain or loss you make from a *financial arrangement:
- (a) if Subdivision 230-C (fair value method) applies to the arrangement; or
 - (b) to the extent that Subdivision 230-E (hedging financial arrangements method) applies to the arrangement; or
 - (c) if Subdivision 230-F (method of relying on financial reports) applies to the arrangement.
- (7) Subdivision 230-F (method of relying on financial reports) does not apply to a gain or loss you make from a *financial arrangement

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

to the extent that Subdivision 230-E (hedging financial arrangements method) applies to the arrangement.

Financial arrangement concept

230-45 Financial arrangement

- (1) You have a ***financial arrangement*** if you have, under an *arrangement:
- (a) a *cash settleable legal or equitable right to receive a *financial benefit; or
 - (b) a cash settleable legal or equitable obligation to provide a financial benefit; or
 - (c) a combination of one or more such rights and/or one or more such obligations;
- unless:
- (d) you also have under the arrangement one or more legal or equitable rights to receive something and/or one or more legal or equitable obligations to provide something; and
 - (e) for one or more of the rights and/or obligations covered by paragraph (d):
 - (i) the thing that you have the right to receive, or the obligation to provide, is not a financial benefit; or
 - (ii) the right or obligation is not cash settleable; and
 - (f) the one or more rights and/or obligations covered by paragraph (e) are not insignificant in comparison with the right, obligation or combination covered by paragraph (a), (b) or (c).

The right, obligation or combination covered by paragraph (a), (b) or (c) constitutes the financial arrangement.

Note 1: Whether your rights and/or obligations under an arrangement constitute a financial arrangement can change over time depending on changes either to the terms of the arrangement or external circumstances (such as particular rights or obligations under the arrangement being satisfied by the parties). For example, a contract may provide for the transfer of a boat in 6 months time and payment of the contract price at the end of 2 years. Until the boat is delivered,

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-45

there is no financial arrangement because of the operation of paragraphs (d), (e) and (f) above. Once the boat is delivered, there is a financial arrangement because those paragraphs are no longer applicable.

Note 2: The operative provisions of this Division do not apply to all financial arrangements, and only apply partially to some: see the exceptions in Subdivision 230-H.

Note 3: There are some rules in this Division that tell you what happens if an arrangement ceases to be a financial arrangement (see Subdivision 230-G and section 230-505).

- (2) A right you have to receive, or an obligation you have to provide, a *financial benefit is ***cash settleable*** if, and only if:
- (a) the benefit is money or a *money equivalent; or
 - (b) in the case of a right—you intend to satisfy or settle it by receiving money or a money equivalent or by starting to have, or ceasing to have, another *financial arrangement; or
 - (c) in the case of an obligation—you intend to satisfy or settle it by providing money or a money equivalent or by starting to have, or ceasing to have, another financial arrangement; or
 - (d) you have a practice of satisfying or settling similar rights or obligations as mentioned in paragraph (b) or (c) (whether or not you intend to satisfy or settle the right or obligation in that way); or
 - (e) you deal with the right or obligation, or with similar rights or obligations, in order to generate a profit from short-term fluctuations in price, from a dealer's margin, or from both; or
 - (f) none of paragraphs (a) to (e) applies but you satisfy subsection (3); or
 - (g) you are able to settle the right or obligation as mentioned in paragraph (b) or (c) (whether or not you intend to satisfy or settle the right or obligation in that way) and you do not have, as your sole or dominant purpose for entering into the arrangement under which you are to receive or provide the financial benefit, the purpose of receiving or delivering the financial benefit as part of your expected purchase, sale or usage requirements.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-50

A reference in paragraph (b) or (c) to a financial arrangement does not include a reference to something that is a financial arrangement under section 230-50.

Note: Examples of dealing of the kind covered by paragraph (e) are:

- (a) dealing with the right or obligation, or similar rights or obligations, on a frequent basis, a short-term basis or on a frequent and short-term basis; and
 - (b) acquiring the right or obligation, or similar rights or obligations, and managing the resulting risk by entering into offsetting arrangements that provide a profit margin.
- (3) You satisfy this subsection if:
- (a) the *financial benefit is readily convertible into money or a *money equivalent; and
 - (b) there is a market for the financial benefit that has a high degree of liquidity; and
 - (c) subsection (4) or (5) is satisfied.
- (4) This subsection is satisfied if, for the recipient of the *financial benefit, the amount of the money or *money equivalent referred to in paragraph (3)(a) is not subject to a substantial risk of substantial decrease in value.
- (5) This subsection is satisfied if your purpose, or one of your purposes, for entering into the arrangement under which you are to receive or provide the *financial benefit, is to receive or deliver the financial benefit:
- (a) to raise or provide finance; or
 - (b) if paragraph (a) does not apply—so that it may be converted or liquidated into money or a money equivalent (other than as part of your expected purchase, sale or usage requirements).

230-50 Financial arrangement (equity interest or right or obligation in relation to equity interest)

- (1) You also have a ***financial arrangement*** if you have an *equity interest. The equity interest constitutes the financial arrangement.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-55

- (2) You also have a ***financial arrangement*** if:
- (a) you have, under an *arrangement:
 - (i) a legal or equitable right to receive something that is a financial arrangement under this section; or
 - (ii) a legal or equitable obligation to provide something that is a financial arrangement under this section; or
 - (iii) a combination of one or more such rights and/or obligations; and
 - (b) the right, obligation or combination does not constitute, or form part of, a financial arrangement under subsection 230-45(1).

The right, obligation or combination referred to in paragraph (a) constitutes the financial arrangement.

Note 1: Paragraph 230-40(4)(e) prevents the accruals method or the realisation method being applied to something that is a financial arrangement under this section.

Note 2: Subsection 230-270(1) prevents the retranslation method being applied to something that is a financial arrangement under this section.

Note 3: Subsection 230-330(1) prevents the hedging method being applied to something that is a financial arrangement under this section.

230-55 Rights, obligations and arrangements (grouping and disaggregation rules)

Single right or obligation or multiple rights or obligations?

- (1) If you have a right to receive 2 or more *financial benefits, you are taken, for the purposes of this Division, to have a separate right to receive each of those financial benefits.
- (2) If you have an obligation to provide 2 or more *financial benefits, you are taken, for the purposes of this Division, to have a separate obligation to provide each of those financial benefits.
- (3) Subsections (1) and (2) apply for the avoidance of doubt.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Matters relevant to determining what rights and/or obligations constitute particular arrangements

- (4) For the purposes of this Division, whether a number of rights and/or obligations are themselves an *arrangement or are 2 or more separate arrangements is a question of fact and degree that you determine having regard to the following:
- (a) the nature of the rights and/or obligations;
 - (b) their terms and conditions (including those relating to any payment or other consideration for them);
 - (c) the circumstances surrounding their creation and their proposed exercise or performance (including what can reasonably be seen as the purposes of one or more of the entities involved);
 - (d) whether they can be dealt with separately or must be dealt with together;
 - (e) normal commercial understandings and practices in relation to them (including whether they are regarded commercially as separate things or as a group or series that forms a whole);
 - (f) the objects of this Division.

In applying this subsection, have regard to the matters referred to in paragraphs (a) to (f) both in relation to the rights and/or obligations separately and in relation to the rights and/or obligations in combination with each other.

Example 1: Your rights and obligations under a typical convertible note, including the right to convert the note into a share or shares, would constitute one arrangement.

Example 2: Your rights and obligations under a typical price-linked or index-linked bond would constitute one arrangement.

Note 1: If you raised funds by means of a contract that you would not have entered into without entering into another contract, and neither contract could be assigned to a third party without the other also being assigned, this would tend to indicate that your rights and obligations under the 2 contracts together constitute one arrangement.

Note 2: If the commercial effect of your individual rights and/or obligations in a group or series cannot be understood without reference to the group or series as a whole, this would tend to indicate that all of your rights

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-60

and/or obligations in the group or series together constitute one arrangement.

General rules

230-60 When financial benefit provided or received under financial arrangement

Financial benefit provided under financial arrangement

- (1) You are taken, for the purposes of this Division, to have (or to have had) an obligation to provide a *financial benefit under a *financial arrangement if:
- (a) you have (or had) an obligation to provide the financial benefit in relation to the arrangement; and
 - (b) the financial benefit would not otherwise be treated as one that you have (or had) an obligation to provide under the arrangement; and
 - (c) the financial benefit plays an integral role in determining:
 - (i) whether you make a gain or loss from the arrangement; or
 - (ii) the amount of such a gain or loss.

Paragraph (a) applies even if the entity to which you provide the financial benefit is not a party to the arrangement.

Note: This means that the financial benefits you provide to acquire the financial arrangement (whether to the issuer, a previous holder or a third party) are taken to be financial benefits you provide under the arrangement. The financial benefits you provide may include, for example, fees paid or the forgoing of rights to receive a financial benefit.

Financial benefit received under financial arrangement

- (2) You are taken, for the purposes of this Division, to have (or to have had) a right to receive a *financial benefit under a *financial arrangement if:
- (a) you have (or had) a right to receive the financial benefit in relation to the arrangement; and

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (b) the financial benefit would not otherwise be treated as one that you have (or had) a right to receive under the arrangement; and
- (c) the financial benefit plays an integral role in determining:
 - (i) whether you make a gain or loss from the arrangement; or
 - (ii) the amount of such a gain or loss.

Paragraph (a) applies even if the entity that provides the financial benefit is not a party to the arrangement.

Note: The financial benefits you receive may include, for example, the waiving of an obligation you have to provide a financial benefit.

230-65 Amount of financial benefit relating to more than one financial arrangement etc.

- (1) This section applies if:
 - (a) a *financial benefit plays the integral role mentioned in paragraph 230-60(1)(c) or (2)(c) in relation to a *financial arrangement; and
 - (b) either or both of the following apply:
 - (i) the financial benefit plays that role in relation to one or more other financial arrangements;
 - (ii) the financial benefit is provided or received for one or more other things that are not financial arrangements.
- (2) For the purposes of this Division, determine the amount of the *financial benefit that plays that role in relation to a particular *financial arrangement by apportioning the actual amount of the financial benefit, on a reasonable basis, between:
 - (a) that financial arrangement; and
 - (b) each other financial arrangement (if any) in relation to which the benefit plays that role; and
 - (c) each other thing (if any) mentioned in subparagraph (1)(b)(ii).

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-70

230-70 Apportionment when financial benefit received or right ceases

- (1) Apply subsection (2) in working out whether you make, or will make, a gain or loss (and the amount of the gain or loss) at a time when:
 - (a) you receive a particular *financial benefit under a *financial arrangement; or
 - (b) one of your rights under a financial arrangement ceases.The gain or loss is to be calculated in nominal (and not *present value) terms.
- (2) You must have regard to the extent to which the *financial benefits that you have provided, or are to provide or might provide, under the *financial arrangement are reasonably attributable, at the time mentioned in subsection (1), to the benefit or right referred to in paragraph (1)(a) or (b).
- (3) Any attribution made under subsection (2) must reflect appropriate and commercially accepted valuation principles that properly take into account:
 - (a) the nature of the rights and obligations under the *financial arrangement; and
 - (b) the risks associated with each *financial benefit, right and obligation under the arrangement; and
 - (c) the time value of money.

Note: Generally, no financial benefit you have provided, or are to provide or might provide, under a financial arrangement is reasonably attributable to an amount you receive that is in the nature of interest.

230-75 Apportionment when financial benefit provided or obligation ceases

- (1) Apply subsection (2) in working out whether you make, or will make, a gain or loss (and the amount of the gain or loss) at a time when:

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-80

- (a) you provide a particular *financial benefit under the *financial arrangement; or
 - (b) one of your obligations under a financial arrangement ceases.
- The gain or loss is to be calculated in nominal (and not *present value) terms.
- (2) You must have regard to the extent to which the *financial benefits that you have received, or are to receive or might receive, under the *financial arrangement are reasonably attributable, at the time mentioned in subsection (1), to the benefit or obligation referred to in paragraph (1)(a) or (b).
 - (3) Any attribution made under subsection (2) must reflect appropriate and commercially accepted valuation principles that properly take into account:
 - (a) the nature of the rights and obligations under the *financial arrangement; and
 - (b) the risks associated with each *financial benefit, right and obligation under the arrangement; and
 - (c) the time value of money.

Note: Generally, no financial benefit you have received, or are to receive or might receive, under a financial arrangement is reasonably attributable to an amount you provide that is in the nature of interest.

230-80 Consistency in working out gains or losses (integrity measure)

Object of section

- (1) The object of this section is to stop you obtaining an inappropriate tax benefit from not working out your gains and losses in a consistent manner.

Consistent treatment for particular financial arrangement

- (2) If:
 - (a) this Division provides that a particular method applies to gains or losses you have from a *financial arrangement; and

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-85

(b) that method allows you to choose the particular manner in which you apply that method;
you must use that manner consistently for the arrangement for all income years.

Consistent treatment for financial arrangements of essentially the same nature

- (3) If:
- (a) this Division provides that a particular method applies to gains or losses you have from 2 or more *financial arrangements; and
 - (b) that method allows you to choose the particular manner in which you apply that method;
you must use that same manner consistently for all of those financial arrangements that are essentially of the same nature.
- (4) Subsection (3) does not require you to use that same manner consistently for:
- (a) a *financial arrangement that you start to have on or after the time a *Commonwealth law that amends the method is made; and
 - (b) a financial arrangement that you start to have before that time;
- if:
- (c) the Commonwealth law allows you to choose to apply the method in a particular manner (being a manner in which you are not, apart from the Commonwealth law, allowed to apply the method); and
 - (d) the inconsistency is entirely due to you choosing to apply the method in that manner to the financial arrangement mentioned in paragraph (a).

230-85 Rights and obligations include contingent rights and obligations

To avoid doubt:

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (a) a right is treated as a right for the purposes of this Division even if it is subject to a contingency; and
- (b) an obligation is treated as an obligation for the purposes of this Division even if it is subject to a contingency.

Guide to Subdivision 230-B

230-90 What this Subdivision is about

This Subdivision applies the accruals method to determine the amount and timing of gains and losses from a financial arrangement if they are sufficiently certain for such accrual to be done.

This Subdivision applies the realisation method to determine the amount and timing of gains and losses if they are not sufficiently certain to be dealt with under the accruals method.

If the accruals method is applied to a gain or loss on the basis of an estimate of a financial benefit and the benefit when received or provided is more or less than the estimate, a balancing adjustment is made to correct for the underestimate or overestimate.

If the accruals method is being applied to gains and losses from the arrangement and there is a material change to the arrangement, or the circumstances in which it operates, a reassessment is made of whether the accruals method or the realisation method should apply to gains and losses from the arrangement.

A change in circumstances may also cause a re-estimation of gains and losses that the accruals method is being applied to.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Objects of Subdivision

230-95 Objects of this Subdivision

The objects of this Subdivision are:

- (a) to properly recognise gains and losses from *financial arrangements by allocating them to appropriate periods of time; and
- (b) to reduce compliance costs by reflecting commercial accounting concepts where appropriate; and
- (c) to minimise tax deferral.

When accruals method or realisation method applies

230-100 When accruals method or realisation method applies

When accruals method applies and when realisation method applies

- (1) This section tells you when to apply the accruals method and when to apply the realisation method if this Subdivision applies to gains and losses from a *financial arrangement.

Accruals method—sufficiently certain overall gain or loss at start time

- (2) The accruals method provided for in this Subdivision applies to a gain or loss you have from a *financial arrangement if:
 - (a) the gain or loss is an overall gain or loss from the arrangement; and
 - (b) the gain or loss is sufficiently certain at the time when you start to have the arrangement; and
 - (c) you choose to apply the accruals method to the gain or loss, or subsection (4) applies to the gain or loss.

Note: Subsection 230-105(1) tells you when you have a sufficiently certain overall gain or loss.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-100

Accruals method—sufficiently certain particular gain or loss

- (3) The accruals method provided for in this Subdivision also applies to a gain or loss you have from a *financial arrangement if:
- (a) the gain or loss arises from a *financial benefit that you are to receive or are to provide under the arrangement; and
 - (b) the gain or loss:
 - (i) is sufficiently certain before or at the time when you start to have the arrangement and before you are to receive or provide the benefit; or
 - (ii) becomes sufficiently certain after the time when you start to have the arrangement and before you are to receive or provide the benefit; and
 - (c) the benefit has not already been taken into account in applying:
 - (i) the accruals method provided for in this Subdivision; or
 - (ii) the realisation method provided for in this Subdivision;to another gain or loss from the arrangement.

This subsection has effect subject to subsection (4).

Note: Subsection 230-110(1) tells you when you have a sufficiently certain gain or loss at a particular time.

Accruals method—particular gain or loss becomes sufficiently certain

- (3A) The accruals method provided for in this Subdivision also applies to a gain or loss you have from a *financial arrangement if:
- (a) the gain or loss arises from a *financial benefit that you are to receive or are to provide under the arrangement; and
 - (b) the gain or loss becomes sufficiently certain at the time you receive or provide the benefit; and
 - (c) at least part of the period over which the gain or loss would be spread under that method (assuming that method applied) occurs after the time you receive or provide the benefit.

This subsection has effect subject to subsection (4).

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-105

Note 1: Subsection 230-110(1) tells you when you have a sufficiently certain gain or loss at a particular time.

Note 2: For the period over which the gain or loss would be spread, see subsections 230-130(3) to (5).

Accruals method—particular gain or loss from qualifying security

- (4) Subsection (3) or (3A) does not apply to a gain or loss that you have from a *financial arrangement if:
- (a) you are:
 - (i) an individual; or
 - (ii) an entity (other than an individual) that satisfies subsection 230-455(2), (3) or (4) for the income year in which you start to have the arrangement; and
 - (b) the arrangement is a *qualifying security; and
 - (c) you have not made an election under subsection 230-455(7).

Realisation method—gain or loss not sufficiently certain

- (5) The realisation method provided for in this Subdivision applies to a gain or loss that you have from a *financial arrangement if the accruals method provided for in this Subdivision does not apply to that gain or loss.

Note: Section 230-180 tells you how to apply the realisation method to the gain or loss.

230-105 Sufficiently certain overall gain or loss

- (1) You have a sufficiently certain overall gain or loss from a *financial arrangement at the time when you start to have the arrangement only if it is sufficiently certain at that time that you will make an overall gain or loss from the arrangement of:
- (a) a particular amount; or
 - (b) at least a particular amount.

The amount of the gain or loss is the amount referred to in paragraph (a) or (b).

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-110

Note: Sections 230-70 and 230-75 (about apportionment of financial benefits) only apply in working out whether you make, or will make, a gain or loss (and the amount of the gain or loss) when particular events happen. They do not apply in working out, at the time when you start to have a financial arrangement, whether it is sufficiently certain that you will make an overall gain or loss from the arrangement.

- (2) In applying subsection (1), you must:
- (a) assume that you will continue to have the *financial arrangement for the rest of its life; and
 - (b) have regard to the extent of the risk that a *financial benefit that you are not sufficiently certain to provide or receive under the arrangement may reduce the amount of the gain or loss.

230-110 Sufficiently certain gain or loss from particular event

- (1) You have a sufficiently certain gain or loss from a *financial arrangement at a particular time if it is sufficiently certain at that time that you make, or will make, a gain or loss from the arrangement of:
- (a) a particular amount; or
 - (b) at least a particular amount;
- when one of the following occurs:
- (c) you receive a particular *financial benefit under the arrangement or one of your rights under the arrangement ceases;
 - (d) you provide a particular financial benefit under the arrangement or one of your obligations under the arrangement ceases.

The amount of the gain or loss is the amount referred to in paragraph (a) or (b).

- (2) In applying subsection (1) to work out whether you have a sufficiently certain gain or loss at a particular time:
- (a) have regard to the extent of the risk that a *financial benefit that you are not sufficiently certain to provide or receive

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-115

under the arrangement may reduce the amount of the gain or loss, and the extent to which such a financial benefit is, for the purposes of subsection 230-70(2) or 230-75(2), reasonably attributable to the benefit, right or obligation mentioned in paragraph (1)(c) or (d) of this section at the time mentioned in subsection (1); and

- (b) disregard any financial benefit that has already been taken into account, under subsection 230-105(1), in working out, at the time when you started to have the arrangement, the amount of a sufficiently certain overall gain or loss from the *financial arrangement to which the accruals method applies; and
- (c) disregard any financial benefit (or that part of any financial benefit) that has already been taken into account in working out the amount of a sufficiently certain gain or loss from the *financial arrangement under subsection (1).

Note: Sections 230-70 and 230-75 allow you to apportion financial benefits provided and financial benefits received in working out the amount of a gain or loss.

230-115 Sufficiently certain financial benefits

- (1) In deciding for the purposes of this Subdivision whether it is sufficiently certain at a particular time that you make, or will make, a gain or loss from a *financial arrangement:
 - (a) have regard only to:
 - (i) *financial benefits that you are sufficiently certain to receive; and
 - (ii) financial benefits that you are sufficiently certain to provide; and
 - (b) have regard to those financial benefits only to the extent that the amount or value of the benefits is, at that time, fixed or determinable with reasonable accuracy.

Note: The particular time may be the time at which you start to have the arrangement.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-115

- (2) A *financial benefit that you are to receive or provide is to be treated as one that you are sufficiently certain to receive or to provide only if:
- (a) it is reasonably expected that you will receive or provide the financial benefit (assuming that you will continue to have the *financial arrangement for the rest of its life); and
 - (b) at least some of the amount or value of the benefit is, at that time, fixed or determinable with reasonable accuracy.
- (3) In applying subsection (2) to the *financial benefit:
- (a) you must have regard to:
 - (i) the terms and conditions of the *financial arrangement; and
 - (ii) accepted pricing and valuation techniques; and
 - (iii) the economic or commercial substance and effect of the arrangement; and
 - (iv) the contingencies that attach to the other financial benefits that are to be provided or received under the arrangement; and
 - (b) you must treat the financial benefit as if it were not contingent if it is appropriate to do so having regard to the contingencies that attach to the other financial benefits that are to be received or provided under the arrangement.
- (4) In applying paragraph (2)(b) at a particular time (the **reference time**) to a *financial benefit that depends on a variable that is based on:
- (a) an interest rate; or
 - (b) a rate that solely or primarily reflects the time value of money; or
 - (c) a rate that solely or primarily reflects a consumer price index; or
 - (d) a rate that solely or primarily reflects an index prescribed by the regulations for the purposes of this paragraph;
- you must assume that that variable will continue to have the value it has at the reference time.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (5) Despite subsection (4), in applying paragraph (2)(b) at a particular time to a *financial benefit that depends on a rate of change to a variable that is based on:
- (a) a rate that solely or primarily reflects a consumer price index;
or
 - (b) a rate that solely or primarily reflects an index prescribed by the regulations for the purposes of this paragraph;
- you must assume that the rate of change to that variable will continue to be the rate of change that is current at that time.
- (6) If subsection (4) or (5) applies to a gain or loss and you are determining the amount of the gain or loss at a particular time, you must also assume that that variable will continue to have the value that it has at that time.
- (7) Subsections (4) and (5) do not limit paragraph (2)(b).
- (8) If all of the *financial benefits provided and received under the *financial arrangement are denominated in a particular *foreign currency, those financial benefits are not to be translated into:
- (a) your *applicable functional currency; or
 - (b) if you do not have an applicable functional currency—
Australian currency;
- for the purposes of applying subsection (2) to the arrangement.
- (9) To avoid doubt:
- (a) a *financial benefit that you have already provided at a particular time is taken to be one that it is, at that time, a financial benefit that you are sufficiently certain to provide;
and
 - (b) a financial benefit that you have already received at a particular time is taken to be one that it is, at that time, a financial benefit that you are sufficiently certain to receive.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-120

230-120 Financial arrangements with notional principal

- (1) This section applies to a *financial arrangement that you have if, in substance or effect, and having regard to the pricing, terms and conditions of the arrangement:
 - (a) the arrangement consists of these things:
 - (i) a leg, the *financial benefits to be provided or received in respect of which are calculated by reference to, or are reasonably related to, a notional principal;
 - (ii) another leg, the financial benefits to be provided or received in respect of which also are calculated by reference to, or are reasonably related to, a notional principal;
 - (iii) if the arrangement includes one or more other things—those things; and
 - (b) when you start to have the arrangement, the value of the notional principal in relation to one leg is equal to the value of the notional principal in relation to the other leg; and
 - (c) all or part of the notional principal in relation to each leg is provided or received at a time, regardless of whether that time is different in relation to each leg.
- Example: A swap contract.
- (2) To avoid doubt, the *financial benefits mentioned in subparagraphs (1)(a)(i) and (ii), and the notional principal in relation to each leg, need not actually be provided or received.
- (3) In applying this Subdivision to the *financial arrangement:
 - (a) work out the *financial benefits from the arrangement as follows:
 - (i) work out the financial benefits from each thing of which the arrangement consists separately from the financial benefits from each other thing of which the arrangement consists;
 - (ii) ensure that results under subparagraph (i) are consistent with the timing and amount of financial benefits to be

- actually provided or received under the arrangement;
and
- (b) work out your gains and losses from the arrangement as follows:
 - (i) work out the gains and losses from each thing of which the arrangement consists separately from the gains and losses from each other thing of which the arrangement consists;
 - (ii) treat the gains and losses mentioned in subparagraph (i) for all of those things as your gains and losses from the arrangement; and
 - (c) in working out a gain or loss from a thing for the purposes of subparagraph (b)(i), and, if the accruals method applies to the gain or loss, how it is to be spread and allocated:
 - (i) if the thing is a leg—take into account the amount of the notional principal at a time and in a manner that properly reflects the way in which the financial benefits in respect of that leg are calculated; and
 - (ii) if the thing is *not* a leg—take into account an amount relevant to the thing at a time and in a manner that properly reflects the way in which the financial benefits in respect of that thing are calculated.

The accruals method

230-125 Overview of the accruals method

If the accruals method applies to a gain or loss you have from a
*financial arrangement:

- (a) you use section 230-130 to work out the period over which the gain or loss is to be spread; and
- (b) you use section 230-135 to work out how to allocate the gain or loss to particular intervals within the period over which the gain or loss is to be spread; and
- (c) if an interval to which part of the gain or loss is allocated straddles 2 income years, you use section 230-170 to work

Section 230-130

out how to allocate that part of the gain or loss allocated between those 2 income years.

230-130 Applying accruals method to work out period over which gain or loss is to be spread

Period over which overall gain or loss is to be spread

- (1) If you have a sufficiently certain overall gain or loss from a *financial arrangement under subsection 230-105(1), the period over which the gain or loss is to be spread is the period that:
- (a) starts when you start to have the arrangement; and
 - (b) ends when you will cease to have the arrangement.
- In applying paragraph (b), you must assume that you will continue to have the arrangement for the rest of its life.

Period over which particular gain or loss is to be spread

- (3) If you have a sufficiently certain gain or loss from a *financial arrangement under subsection 230-110(1), the period over which the gain or loss is to be spread is the period to which the gain or loss relates. Have regard to the pricing, terms and conditions of the arrangement in working out the period to which the gain or loss relates. This subsection has effect subject to subsections (4) and (5).
- (4) The start of the period over which a gain or loss to which subsection (3) applies is to be spread must:
- (a) not start earlier than the time when you start to have the *financial arrangement; and
 - (b) other than in the case of a gain or loss to which subsection 230-100(3A) or subsection (4A) of this section applies—not start earlier than the start of the income year during which it becomes sufficiently certain that you will make the gain or loss.
- (4A) This subsection applies to a gain or loss to which subsection (3) applies, if:

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (a) there is an impairment (within the meaning of the *accounting principles) of:
 - (i) the *financial arrangement; or
 - (ii) a financial asset or financial liability that forms part of the arrangement; and
- (b) because of the impairment, you make a reassessment under section 230-185 in relation to the arrangement; and
- (c) you determine on the reassessment that the gain or loss is not sufficiently certain (whether or not the gain or loss was sufficiently certain before the reassessment); and
- (d) there is a reversal of the impairment loss (within the meaning of the accounting principles) that resulted from the impairment; and
- (e) because of the reversal, you make a reassessment under section 230-185 in relation to the arrangement; and
- (f) you determine on the reassessment that the gain or loss has become sufficiently certain.

Note: For the income years to which the gain or loss is allocated, see section 230-170.

- (5) The end of the period over which a gain or loss to which subsection (3) applies is to be spread must not end later than the time when you will cease to have the *financial arrangement.

230-135 How gain or loss is spread

How to spread gain or loss

- (1) This section tells you how to spread a gain or loss to which the accruals method applies.

Compounding accruals or approximation

- (2) The gain or loss is to be spread using:
 - (a) compounding accruals; or
 - (b) a method whose results approximate those obtained using the method referred to in paragraph (a) (having regard to the

Section 230-135

length of the period over which the gain or loss is to be spread).

- (3) The following subsections of this section clarify the way in which the gain or loss is to be spread in accordance with paragraph (2)(a).

Intervals to which parts of gain or loss allocated

- (4) The intervals to which parts of the gain or loss are allocated must:
- (a) not exceed 12 months; and
 - (b) all be of the same length.

Paragraph (b) does not apply to the first and last intervals. These may be shorter than the other intervals.

Fixing of amount and rate for interval

- (5) For each interval:
- (a) determine a rate of return; and
 - (b) determine an amount to which you apply the rate of return.
- (6) For the purposes of paragraph (5)(b), in determining the amount to which you apply the rate of return for an interval, have regard to:
- (a) the amount or value; and
 - (b) the timing;
- of *financial benefits that are to be taken into account in working out the amount of the gain or loss, and were provided or received by you during the interval.
- (6A) However, if there is only one *financial benefit that is to be taken into account in working out the amount of the gain or loss, then, for the purposes of paragraph (5)(b), in determining the amount to which you apply the rate of return, have regard to a notional principal:
- (a) by reference to which the financial benefit is calculated; or
 - (b) which is reasonably related to the financial benefit.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Assumption of continuing to hold arrangement for rest of its life

- (7) The gain or loss is to be spread assuming that you will continue to have the *financial arrangement for the rest of its life.

Regard to be had to financial benefits provided or received in interval

- (8) In allocating the gain or loss to intervals, have regard to the *financial benefits to be provided or received in each of those intervals.

230-140 Method of spreading gain or loss—effective interest method

- (1) This section clarifies that the method mentioned in subsection (2) of spreading gains and losses is a method covered by paragraph 230-135(2)(b) (methods approximating compounding accruals).
- (2) The method is the effective interest method mentioned in *accounting standard AASB 139 (or another accounting standard prescribed by the regulations for the purposes of this subsection).
- (3) However, this section applies to a particular *financial arrangement you have only if:
- (a) in a case where there is a discount or premium under the arrangement—when you start to have the arrangement, the annually compounded rate of return applicable to the discount or premium does not exceed 1%; and
 - (b) when you start to have the arrangement, neither the maximum life of the arrangement (as determined under the terms and conditions of the arrangement) nor the expected life of the arrangement exceeds:
 - (i) unless subparagraph (ii) applies—30 years; or
 - (ii) if the regulations prescribe a different period for the purposes of this subparagraph—that period; and
 - (c) each *financial benefit that you have an obligation to provide or a right to receive under the arrangement, and that gives

rise to a gain or loss from the arrangement (other than a gain or loss that is attributable to any discount or premium):

- (i) relates to a period not exceeding 12 months; and
- (ii) is to be provided or received in the period to which it relates; and

Note: Different financial benefits may relate to different periods.

- (d) you prepare a financial report for the year in which you start to have the arrangement; and
 - (e) that financial report is:
 - (i) prepared in accordance with paragraph 230-210(2)(a); and
 - (ii) audited in accordance with paragraph 230-210(2)(b); and
 - (f) all gains and losses from the arrangement to which the accrual method applies are spread in a way that is consistent with that financial report.
- (4) For the purposes of paragraph (3)(a), assume that you will continue to have the arrangement for the rest of its expected life.

230-145 Application of effective interest method where differing income and accounting years

- (1) This section applies if:
 - (a) you prepare a financial report for a year (the *first year*); and
 - (b) you prepare a financial report for the subsequent year (the *second year*); and
 - (c) your income year starts in the first year and ends in the second year; and
 - (d) both the financial report for the first year and the financial report for the second year are:
 - (i) prepared in accordance with paragraph 230-210(2)(a); and
 - (ii) audited in accordance with paragraph 230-210(2)(b); and

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (e) the auditor's reports are unqualified for both the financial report for the first year and the financial report for the second year.
- (2) For the purposes of paragraph 230-140(3)(d), treat yourself as having prepared a financial report for the income year in which you start to have the arrangement.
- (3) Work out the gain or loss you make from the arrangement for the income year as follows:
 - (a) firstly, work out the gain or loss you make from the arrangement for the first year in accordance with paragraph 230-140(3)(f) (treating the first year as an income year);
 - (b) next, work out how much of the gain or loss mentioned in paragraph (a) is attributable to the income year in accordance with subsection (4);
 - (c) next, work out the gain or loss you make from the arrangement for the second year in accordance with paragraph 230-140(3)(f) (treating the second year as an income year);
 - (d) next, work out how much of the gain or loss mentioned in paragraph (c) is attributable to the income year in accordance with subsection (4);
 - (e) next:
 - (i) if the amounts worked out under paragraphs (b) and (d) are both gains—add them together to work out the gain from the arrangement for the income year; or
 - (ii) if the amounts worked out under paragraphs (b) and (d) are both losses—add them together to work out the loss from the arrangement for the income year; or
 - (iii) if one of the amounts worked out under paragraphs (b) and (d) is a loss and the other is a gain—subtract the loss from the gain. If the result is positive, this is the gain from the arrangement for the income year. If the result is negative, this is the loss from the arrangement for the income year.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-150

- (4) For the purposes of paragraphs (3)(b) and (d), work out how much of the gain or loss is attributable to the income year by:
- (a) using a methodology that is reasonable; and
 - (b) using the same methodology for the first and second years.

230-150 Election for portfolio treatment of fees

- (1) You may make an election for an income year under this section if:
- (a) you prepare a financial report for the income year in accordance with:
 - (i) the *accounting principles; or
 - (ii) if the accounting principles do not apply to the preparation of the financial report—comparable standards for accounting made under a *foreign law that apply to the preparation of the financial report under a foreign law; and
 - (b) the financial report is audited in accordance with:
 - (i) the *auditing principles; or
 - (ii) if the auditing principles do not apply to the auditing of the financial report—comparable standards for auditing made under a foreign law.
- (2) An election under this section is irrevocable.

230-155 Election for portfolio treatment of fees where differing income and accounting years

- (1) This section applies if:
- (a) you prepare a financial report for a year (the *first year*); and
 - (b) you prepare a financial report for the subsequent year (the *second year*); and
 - (c) your income year starts in the first year and ends in the second year; and
 - (d) both the financial report for the first year and the financial report for the second year are:

- (i) prepared in accordance with paragraph 230-150(1)(a);
and
 - (ii) audited in accordance with paragraph 230-150(1)(b);
and
 - (e) the auditor's reports are unqualified for both the financial report for the first year and the financial report for the second year.
- (2) Treat yourself as eligible to make an election for the income year under subsection 230-150(1).
- (3) Work out the gain or loss you make from the arrangement for the income year as follows:
 - (a) firstly, work out the gain or loss you make from the arrangement for the first year in accordance with subsections 230-160(3) and (4) or 230-165(3) and (4) (treating the first year as an income year);
 - (b) next, work out how much of the gain or loss mentioned in paragraph (a) is attributable to the income year in accordance with subsection (4);
 - (c) next, work out the gain or loss you make from the arrangement for the second year in accordance with subsections 230-160(3) and (4) or 230-165(3) and (4) (treating the second year as an income year);
 - (d) next, work out how much of the gain or loss mentioned in paragraph (c) is attributable to the income year in accordance with subsection (4);
 - (e) next:
 - (i) if the amounts worked out under paragraphs (b) and (d) are both gains—add them together to work out the gain from the arrangement for the income year; or
 - (ii) if the amounts worked out under paragraphs (b) and (d) are both losses—add them together to work out the loss from the arrangement for the income year; or
 - (iii) if one of the amounts worked out under paragraphs (b) and (d) is a loss and the other is a gain—subtract the loss from the gain. If the result is positive, this is the

gain from the arrangement for the income year. If the result is negative, this is the loss from the arrangement for the income year.

- (4) For the purposes of paragraphs (3)(b) and (d), work out how much of the gain or loss is attributable to the income year by:
- (a) using a methodology that is reasonable; and
 - (b) using the same methodology for the first and second years.

230-160 Portfolio treatment of fees

- (1) This section applies in relation to a *financial arrangement if:
- (a) you have made an election under section 230-150 in an income year; and
 - (b) you start to have the financial arrangement in that income year or a later income year; and
 - (c) the financial arrangement is part of a portfolio of similar financial arrangements; and
 - (d) a gain or loss to which subsection 230-130(3) applies arises in part from fees in respect of the *financial arrangement; and
 - (e) the fees play an integral role in determining the amount of the gain or loss; and
 - (f) the net amount of the fees is *not* expected to be significant relative to an overall gain or loss from the arrangement.
- (2) For the purposes of this Division, split the gain or loss mentioned in paragraph (1)(d) as follows:
- (a) to the extent that it arises from the fees, treat it as a gain or loss from the *financial arrangement (the ***fees gain or loss***) to which subsection 230-130(3) applies;
 - (b) to the extent that it does not arise from the fees, treat it as a separate gain or loss from the financial arrangement to which subsection 230-130(3) applies.

Note: The separate gain or loss mentioned in paragraph (b) may itself be split under subsection 230-165(2) (premium/discount gain or loss).

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Determination of period for fees gain or loss

- (3) The period over which the fees gain or loss is to be spread is the period that you determine to be the expected life of the portfolio, if:
- (a) the basis on which you determine the period accords with the spreading of the fees gain or loss for the purposes of the profit or loss statement of the financial report mentioned in paragraph 230-150(1)(a); and
 - (b) the basis on which you determine the period is set and recorded before any fees in respect of the *financial arrangement fall due; and
 - (c) the period can be justified objectively; and
 - (d) the period is reasonable in the circumstances.

Spreading the fees gain or loss

- (4) The method by which the fees gain or loss is to be spread is the method that you determine, if:
- (a) the basis on which you determine the method accords with the spreading of the fees gain or loss for the purposes of the profit or loss statement of the financial report mentioned in paragraph 230-150(1)(a); and
 - (b) the method is determined before any fees in respect of the *financial arrangement fall due; and
 - (c) the method can be justified objectively; and
 - (d) the method is reasonable in the circumstances.
- (5) To avoid doubt, subsections (3) and (4) apply despite sections 230-130 and 230-135.

230-165 Portfolio treatment of premiums and discounts for acquiring portfolio

- (1) This section applies in relation to a *financial arrangement if:
- (a) you have made an election under section 230-150 in an income year; and

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-165

- (b) you start to have the financial arrangement in that income year or a later income year; and
 - (c) the financial arrangement is part of a portfolio of similar financial arrangements; and
 - (d) a gain or loss to which subsection 230-130(3) applies arises in part from a premium or discount in starting to have the portfolio; and
 - (e) the gain or loss is *not* expected to be significant relative to the amount of the gain or loss on the portfolio.
- (2) For the purposes of this Division, split the gain or loss mentioned in paragraph (1)(d) as follows:
- (a) to the extent that it arises from the premium or discount, treat it as a gain or loss from the ^{*}financial arrangement (the ***premium/discount gain or loss***) to which subsection 230-130(3) applies;
 - (b) to the extent that it does not arise from the premium or discount, treat it as a separate gain or loss from the financial arrangement to which subsection 230-130(3) applies.

Note: The separate gain or loss mentioned in paragraph (b) may itself be split under subsection 230-160(2) (portfolio fees gain or loss).

Determination of period for premium/discount gain or loss

- (3) The period over which the premium/discount gain or loss is to be spread is the period that you determine to be the expected life of the portfolio, if:
- (a) the basis on which you determine the period accords with the spreading of the premium/discount gain or loss for the purposes of the profit or loss statement of the financial report mentioned in paragraph 230-150(1)(a); and
 - (b) the basis on which you determine the period is set and recorded before you start to have the ^{*}financial arrangement; and
 - (c) the period can be justified objectively; and
 - (d) the period is reasonable in the circumstances.

Spreading the premium/discount gain or loss

- (4) The method by which the premium/discount gain or loss is to be spread is the method that you determine, if:
 - (a) the basis on which you determine the method accords with the spreading of the premium/discount gain or loss for the purposes of the profit or loss statement of the financial report mentioned in paragraph 230-150(1)(a); and
 - (b) the method is determined before you start to have the *financial arrangement; and
 - (c) the method can be justified objectively; and
 - (d) the method is reasonable in the circumstances.
- (5) To avoid doubt, subsections (3) and (4) apply despite sections 230-130 and 230-135.

230-170 Allocating gain or loss to income years

- (1) You are taken, for the purposes of section 230-15, to make, for an income year, a gain or loss equal to a part of a gain or loss if:
 - (a) that part of the gain or loss is allocated to an interval under section 230-135; and
 - (b) that interval falls wholly within that income year.
- (2) If:
 - (a) a part of a gain or loss is allocated to an interval under section 230-135; and
 - (b) that interval straddles 2 income years;you are taken, for purposes of section 230-15, to make a gain or loss equal to so much of that part of the gain or loss as is allocated between those income years on a reasonable basis.
- (2A) Subsections (1) and (2) do not apply to a part of a gain or loss if:
 - (a) subsection 230-100(3A) or 230-130(4A) applies to the gain or loss; and
 - (b) that part of the gain or loss is allocated to an interval under section 230-135; and

- (c) that interval ends before or during the income year during which the gain or loss becomes sufficiently certain (as mentioned in paragraph 230-100(3A)(b) or 230-130(4A)(f), whichever is applicable).

Instead, you are taken, for the purposes of section 230-15, to make, for that income year, a gain or loss equal to that part of that gain or loss.

(3) If:

- (a) a *head company of a *consolidated group or *MEC group has a *financial arrangement; and
- (b) a subsidiary member of the group ceases to be a member of the group at a particular time (the *leaving time*); and
- (c) immediately after the leaving time, the head company no longer has the arrangement because the subsidiary member ceased to be a member of the group;

an income year of the group is taken, for the purposes of applying this section to the group and the arrangement, to end at the leaving time.

230-172 Applying accruals method to loss resulting from impairment

(1) This section applies if:

- (a) there is an impairment (within the meaning of the *accounting principles) of:
 - (i) a *financial arrangement; or
 - (ii) a financial asset or financial liability that forms part of a financial arrangement; and
- (b) you make a loss from the financial arrangement as a result of the impairment; and
- (c) the accruals method applies to the loss.

(2) You cannot deduct a loss you make for an income year under section 230-15, to the extent that the loss results from the impairment (including as affected by any later reversal of the

impairment loss (within the meaning of the *accounting principles) that resulted from the impairment).

- (3) Disregard subsection (2) for the purposes of paragraph (c) of step 1 of the method statement in subsection 230-445(1).

230-175 Running balancing adjustments

Overestimate of financial benefit to be received

- (1) You are taken for the purposes of this Division to make a loss from a *financial arrangement if:
- (a) a provision of this Subdivision has applied on the basis that you were sufficiently certain, at a particular time, to receive a *financial benefit of, or of at least, a particular amount under the arrangement; and
 - (b) when you receive the benefit (or the time comes for you to receive the benefit), the amount you receive (or are to receive) is nil or is less than the amount estimated.

The amount of the loss is equal to the difference between the amount estimated and the amount you receive (or are to receive). You are taken to have made the loss for the income year in which you receive the benefit (or in which the time comes for you to receive the benefit).

- (1A) Subsection (1) does not apply to the extent that the difference results from:
- (a) an impairment (within the meaning of the *accounting principles) of:
 - (i) the *financial arrangement; or
 - (ii) a financial asset or financial liability that forms part of the arrangement; or
 - (b) you writing off, as a bad debt, a right to a *financial benefit (or a part of a financial benefit).

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-175

Underestimate of financial benefit to be received

- (2) You are taken for the purposes of this Division to make a gain from a *financial arrangement if:
- (a) a provision of this Subdivision has applied on the basis that you were sufficiently certain at a particular time to receive a *financial benefit of, or of at least, a particular amount under the arrangement; and
 - (b) when you receive the benefit, or the time comes for you to receive the benefit, the amount you receive, or are to receive, is more than the amount estimated.

The amount of the gain is equal to the difference between the amount estimated and the amount you receive or are to receive. You are taken to have made that gain in the income year in which you receive the benefit or in which the time comes for you to receive the benefit.

- (2A) Subsection (2) does not apply to the extent that the difference results from the reversal of an impairment loss (within the meaning of the *accounting principles) that resulted from an impairment (within the meaning of the accounting principles) of:
- (a) the *financial arrangement; or
 - (b) a financial asset or financial liability that forms part of the arrangement.

Overestimate of financial benefit to be provided

- (3) You are taken for the purposes of this Division to make a gain from a *financial arrangement if:
- (a) a provision of this Subdivision has applied on the basis that you were sufficiently certain at a particular time to provide a *financial benefit of, or of at least, a particular amount under the arrangement; and
 - (b) when you provide the benefit, or the time comes for you to provide the benefit, the amount you provide, or are to provide, is nil or is less than the amount estimated.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

The amount of the gain is equal to the difference between the amount estimated and the amount you provide or are to provide. You are taken to have made that gain in the income year in which you provide the benefit or in which the time comes for you to provide the benefit.

Underestimate of financial benefit to be provided

- (4) You are taken for the purposes of this Division to make a loss from a *financial arrangement if:
- (a) a provision of this Subdivision has applied on the basis that you were sufficiently certain at a particular time to provide a *financial benefit of, or of at least, a particular amount under the arrangement; and
 - (b) when you provide the benefit, or the time comes for you to provide the benefit, the amount you are to provide is more than the estimated amount referred to in paragraph (a).

The amount of the loss is equal to the difference between the amount estimated and the amount you are to provide. You are taken to have made that loss in the income year in which you provide the benefit or in which the time comes for you to provide the benefit.

Realisation method

230-180 Realisation method

- (1) If a gain or loss is to be taken into account using the realisation method, you are taken, for the purposes of section 230-15, to make the gain or loss for the income year in which the gain or loss occurs.

Note: Sections 230-70 and 230-75 allow you to apportion financial benefits provided and financial benefits received in working out the amount of the gain or loss.

- (2) For the purposes of subsection (1), a gain or loss from a *financial arrangement is taken to occur at:

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-180

- (a) if the last of the *financial benefits, rights and obligations taken into account in determining the amount of the gain or loss is a financial benefit—the time the financial benefit:
 - (i) is provided; or
 - (ii) if the financial benefit is not provided at the time when it is due to be provided under the arrangement and it is reasonable to expect that the financial benefit will be provided—is due to be provided; or
 - (b) if the last of the financial benefits, rights and obligations taken into account in determining the amount of the gain or loss is a right to receive a financial benefit or an obligation to provide a financial benefit—the time:
 - (i) if the right or obligation ceases before the financial benefit is provided—the right or obligation ceases; or
 - (ii) otherwise—the financial benefit is provided.
- This subsection has effect subject to subsection (3).
- (3) For the purposes of subsection (1), you make a loss from a *financial arrangement from writing off, as a bad debt, a right to a *financial benefit (or a part of a financial benefit) if:
 - (a) the financial benefit was taken into account in working out the amount of a gain from the arrangement and the gain has been included in your assessable income under this Division; or
 - (b) the right is one in respect of money that you lent in the ordinary course of your *business of lending money; or
 - (c) the right is one that you bought in the ordinary course of your business of lending money.
 - (4) The loss referred to in subsection (3) occurs when you write off the right to the *financial benefit (or the part of the financial benefit) as a bad debt.
 - (5) The amount of the loss referred to in subsection (3) is:
 - (a) if paragraph (3)(a) applies—so much of the gain referred to in that paragraph as is reasonably attributable to the *financial benefit (or the part of the financial benefit); or

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (b) if paragraph (3)(b) applies—the amount of the financial benefit (or the part of the financial benefit); or
 - (c) if paragraph (3)(c) applies—the amount of the financial benefit (or the part of the financial benefit) but only up to the value of the financial benefit you provided to acquire the right to the financial benefit (or the part of the financial benefit).
- (6) For the purposes of this Act, a deduction for the loss referred to in subsection (3) is to be treated as a deduction of a bad debt.

Note: Various provisions in this Act and the *Income Tax Assessment Act 1936* restrict the availability of deductions for bad debts and make provision in relation to the recoupment of amounts in relation to bad debts that have been written off. These provisions are set out in subsection 25-35(5).

Reassessment and re-estimation

230-185 Reassessment

- (1) You must make a fresh assessment of which gains and losses from a *financial arrangement the accruals method should apply to, and which gains and losses from that arrangement the realisation method should apply to, if:
- (a) the accruals method, or the realisation method, provided for in this Subdivision applies to gains and losses from the arrangement; and
 - (b) there is a material change to:
 - (i) the terms and conditions of the arrangement; or
 - (ii) circumstances that affect the arrangement.
- (2) Without limiting subsection (1), the following changes are material changes to the terms and conditions of, or circumstances that affect, the *financial arrangement:
- (a) a change to the terms or conditions of the arrangement in a way that alters the essential nature of the arrangement (for example, by altering it from a *debt interest to an *equity interest or from an equity interest to a debt interest);

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-185

- (b) a change to the terms or conditions of the arrangement in a way that materially affects the contingencies on which significant obligations and rights under the arrangement are dependent (for example, by introducing such a contingency or removing such a contingency);
 - (c) a change in circumstances that makes something that:
 - (i) materially affects significant obligations and rights under the arrangement; and
 - (ii) was previously dependent on a contingency; no longer dependent on a contingency (because, for example, only one of a number of previously possible contingencies is realised);
 - (d) a change to:
 - (i) the terms on which credit is to be provided to an entity that is not a party to the arrangement; or
 - (ii) the credit rating of an entity that is not a party to the arrangement;if a significant obligation or right under the arrangement is dependent on that credit being provided or that rating being maintained;
 - (e) if the arrangement is, or includes, a financial asset or financial liability and you prepare your financial reports in accordance with:
 - (i) the *accounting principles; or
 - (ii) if the accounting principles do not apply to the preparation of the financial report—comparable standards for accounting made under a *foreign law that apply to the preparation of the financial report under a foreign law;a change to the terms or conditions of, or circumstances that affect, the arrangement that are sufficient for the financial asset or financial liability to be treated as impaired for the purposes of those principles or standards.
- (3) You do not need to make a reassessment under this section merely because of a change in the fair value of the *financial arrangement.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

230-190 Re-estimation

When re-estimation necessary

- (1) You re-estimate a gain or loss from a *financial arrangement under subsection (5) if:
 - (a) the accruals method applies to the gain or loss; and
 - (b) circumstances arise that materially affect:
 - (i) the amount or value; or
 - (ii) the timing;of *financial benefits that were taken into account in working out the amount of the gain or loss; and
 - (c) the circumstances do not give rise to a re-estimation under section 230-200.
- (2) You must re-estimate the gain or loss as soon as reasonably practicable after you become aware of the circumstances referred to in paragraph (1)(b), if subsection (1) applies.
- (3) Without limiting subsection (1), the following are circumstances of the kind referred to in paragraph (1)(b):
 - (a) a material change in market conditions that are relevant to the amount or value of the *financial benefits to be received or provided under the *financial arrangement;
 - (b) cash flows that were previously estimated becoming known and the difference between the cash flows that become known and the cash flows that were previously estimates is not insignificant;
 - (c) a right to, or a part of a right to, a financial benefit under the arrangement is written off as a bad debt;
 - (d) you have made a reassessment under section 230-185 in relation to gains or losses under the arrangement and you have determined on the reassessment under that section that the accruals method should continue to apply to those gains or losses.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-190

- (3A) You also re-estimate a gain or loss from a *financial arrangement under subsection (5) if:
- (a) the gain or loss is spread using the method referred to in paragraph 230-135(2)(b) in accordance with section 230-140 (effective interest method); and
 - (b) you recalculate the effective interest rate in accordance with that method; and
 - (c) the terms and conditions of the arrangement provide for reset dates to occur no more than 12 months apart; and
 - (d) the maximum life of the arrangement (as determined under the terms and conditions of the arrangement) is more than 12 months.
- (3B) You must re-estimate the gain or loss at the relevant reset date if subsection (3A) applies.
- (4) You do not re-estimate the gain or loss from a *financial arrangement under subsection (5) merely because of a change in the credit rating, or the creditworthiness, of a party or parties to the arrangement.

Nature of re-estimation

- (5) Making a re-estimation in relation to a gain or loss under this subsection involves:
- (a) a fresh determination of the amount of the gain or loss; and
 - (b) a reapplication of the accruals method to the redetermined gain or loss to make a fresh allocation of the part of the redetermined gain or loss that has not already been allocated to intervals ending before the re-estimation is made to intervals ending after the re-estimation is made.

Basis for re-estimation

- (6) You may make the fresh allocation of the gain or loss under subsection (5) on these bases:
- (a) if you satisfy subsection (7) in relation to the *financial arrangement—by maintaining the rate of return being used

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

and adjusting the amount to which you apply the rate of return to the present value of the estimated future cash flows discounted at the maintained rate of return;

- (b) in any case—by adjusting the rate of return and maintaining the amount to which the adjusted rate of return is to be applied.

The object to be achieved by both bases is to allow you to bring the remainder of the gain or loss based on the new estimates properly to account over the remainder of the period over which you spread the gain or loss.

Note: The amount referred to in paragraph (b) is the amount to which the previous rate of return was being applied immediately before the re-estimation.

- (7) You satisfy this subsection in relation to a *financial arrangement if every re-estimation you make under subsection (5) in relation to a gain or loss from the arrangement is made in accordance with:
 - (a) financial reports of the kind referred to in paragraph 230-395(2)(a) that are audited as referred to in paragraph 230-395(2)(b) (regardless of whether Subdivision 230-F (reliance on financial reports method) is to apply to a particular financial arrangement); and
 - (b) *accounting standard AASB 139 (or another accounting standard prescribed by the regulations for the purposes of this paragraph).

230-192 Re-estimation—impairments and reversals

- (1) This section applies if the re-estimation mentioned in section 230-190 arises because of:
 - (a) an impairment (within the meaning of the *accounting principles) of:
 - (i) the *financial arrangement; or
 - (ii) a financial asset or financial liability that forms part of the arrangement; or
 - (b) a reversal of an impairment loss (within the meaning of the accounting principles) that resulted from such an impairment.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-192

- (2) Despite paragraph 230-190(6)(a), you must make the fresh allocation in accordance with paragraph 230-190(6)(b).

Losses non-deductible

- (3) You cannot deduct a loss you make for an income year under section 230-15, to the extent that the loss results from:
- (a) the impairment (including as affected by any later reversal of the impairment loss that resulted from the impairment); or
 - (b) the operation of subsection (7).
- (4) Disregard subsection (3) for the purposes of paragraph (c) of step 1 of the method statement in subsection 230-445(1).

Reversals

- (5) Subsections (7) and (8) apply to the part of the gain or loss that is to be reallocated in accordance with paragraph 230-190(6)(b), if:
- (a) the fresh determination under paragraph 230-190(5)(a) that arose because of the reversal resulted in that part being a gain; and
 - (b) there are losses that:
 - (i) resulted from the impairment; and
 - (ii) you could have deducted apart from subsection 230-172(2) or subsection (3) of this section.
- (6) Paragraph (5)(b) does not apply to a loss to the extent that:
- (a) the loss reflects the amount of a loss you make under paragraph 230-195(1)(b) or (c); and
 - (b) the loss you make under paragraph 230-195(1)(b) or (c) relates to you writing off, as a bad debt, a right to receive a *financial benefit (or a part of a financial benefit).
- (7) Treat the fresh determination as having resulted in that part being a loss, if the total of the losses mentioned in paragraph (5)(b) of this section exceeds the amount of the gain mentioned in paragraph (5)(a). The amount of the loss is equal to the amount of the excess.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (8) Otherwise, reduce the amount of that gain by the total of those losses.

230-195 Balancing adjustment if rate of return maintained on re-estimation

- (1) If you make a fresh allocation of the gain or loss on the basis referred to in paragraph 230-190(6)(a), you must make the following balancing adjustment:
- (a) if you re-estimate a gain and the amount to which you apply the rate of return increases—you make a gain from the *financial arrangement, for the income year in which you make the re-estimation, equal to the amount of the increase;
 - (b) if you re-estimate a gain and the amount to which you apply the rate of return decreases—you make a loss from the arrangement, for the income year in which you make the re-estimation, equal to the amount of the decrease;
 - (c) if you re-estimate a loss and the amount to which you apply the rate of return increases—you make a loss from the arrangement, for the income year in which you make the re-estimation, equal to the amount of the increase;
 - (d) if you re-estimate a loss and the amount to which you apply the rate of return decreases—you make a gain from the arrangement, for the income year in which you make the re-estimation, equal to the amount of the decrease.
- (2) Subsection (3) applies if:
- (a) the re-estimation is made wholly or partly on the basis that you have written off, as a bad debt, a right to receive a *financial benefit (or a part of a financial benefit); and
 - (b) the right:
 - (i) is not one in respect of money that you lent in the ordinary course of your *business of lending money; and
 - (ii) is not one that you bought in the ordinary course of your business of lending money.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-200

- (3) The balancing adjustment to be made under paragraph (1)(b), to the extent that it relates to the writing off of the bad debt, must not exceed so much of the gain in relation to the *financial arrangement as:
 - (a) has been assessed under this Division; and
 - (b) is reasonably attributable to the *financial benefit (or the part of the financial benefit).
- (4) Subsection (5) applies if:
 - (a) the re-estimation is made wholly or partly on the basis that you have written off, as a bad debt, a right to receive a *financial benefit; and
 - (b) the right is one that you bought in the ordinary course of your *business of lending money.
- (5) The balancing adjustment to be made under paragraph (1)(b), to the extent that it relates to the writing off of the bad debt, must not exceed the value of the *financial benefit you provided to acquire the right to the financial benefit (or the part of the financial benefit).
- (6) For the purposes of this Act, a deduction for the balancing adjustment referred to in subsection (3) is to be treated as a deduction of a bad debt.

Note: Various provisions in this Act and the *Income Tax Assessment Act 1936* restrict the availability of deductions for bad debts and make provision in relation to the recoupment of amounts in relation to bad debts that have been written off. These provisions are set out in subsection 25-35(5).

230-200 Re-estimation if balancing adjustment on partial disposal

Re-estimation if balancing adjustment on partial disposal

- (1) You also re-estimate a gain or loss from a *financial arrangement under subsection (2) if:
 - (a) the accruals method applies to the gain or loss; and

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (b) a balancing adjustment is made in relation to the arrangement under Subdivision 230-G because you transfer to another entity:
 - (i) a proportionate share of all of your rights and/or obligations under the arrangement; or
 - (ii) a right or obligation that you have under the arrangement to a specifically identified *financial benefit; or
 - (iii) a proportionate share of a right or obligation that you have under the arrangement to a specifically identified financial benefit.

You must re-estimate the gain or loss as soon as reasonably practicable after the transfer occurs.

Nature of re-estimation

- (2) Making a re-estimation in relation to a gain or loss under this subsection involves:
 - (a) a fresh determination of the amount of the gain or loss disregarding:
 - (i) *financial benefits; and
 - (ii) amounts of the gain or loss that have already been allocated to intervals ending before the re-estimation is made;to the extent to which they are reasonably attributable to the proportionate share, or the right or obligation, referred to in paragraph (1)(b); and
 - (b) a reapplication of the accruals method to the redetermined gain or loss to make a fresh allocation of the part of that gain or loss that has not already been allocated to intervals ending before the re-estimation is made to intervals ending after the re-estimation is made.

Basis for re-estimation

- (3) You make the fresh allocation of the gain or loss under subsection (2) by maintaining the rate of return being used and

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-205

adjusting the amount to which you apply the rate of return to the present value of the estimated future cash flows discounted at the maintained rate of return. The object to be achieved by the fresh allocation is to allow you to bring the redetermined gain or loss properly to account over the remainder of the period over which you spread the gain or loss.

230-205 Objects of this Subdivision

The objects of this Subdivision are:

- (a) to allow you to align the tax treatment of gains and losses from *financial arrangements with the accounting treatment that applies where assets and liabilities are classified or designated as at fair value through profit or loss; and
- (b) to facilitate efficient price-making; and
- (c) to achieve the above objects without allowing you to obtain an inappropriate tax benefit.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

230-210 Fair value election

Election

- (1) You may make a **fair value election** under this section if you are eligible under subsection (2) to make the election for the income year in which you make the election.

Eligibility to make fair value election for an income year

- (2) You are eligible to make a **fair value election** for an income year if:
- (a) you prepare a financial report for that income year in accordance with:
 - (i) the *accounting principles; or
 - (ii) if the accounting principles do not apply to the preparation of the financial report—comparable standards for accounting made under a *foreign law that apply to the preparation of the financial report under a foreign law; and
 - (b) the financial report is audited in accordance with:
 - (i) the *auditing principles; or
 - (ii) if the auditing principles do not apply to the auditing of the financial report—comparable standards for auditing made under a foreign law.

Note: Section 230-500 allows regulations to be made specifying particular foreign accounting and auditing standards as ones that are to be treated as comparable with Australian accounting and auditing principles for the purposes of this Division.

Election irrevocable

- (3) A *fair value election is irrevocable.

Note: The election may cease to have effect, or cease to apply to a particular financial arrangement, under section 230-240.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-215

230-215 Fair value election where differing income and accounting years

- (1) This section applies if:
 - (a) you prepare a financial report for a year (the *first year*); and
 - (b) you prepare a financial report for the subsequent year (the *second year*); and
 - (c) your income year starts in the first year and ends in the second year; and
 - (d) both the financial report for the first year and the financial report for the second year are:
 - (i) prepared in accordance with paragraph 230-210(2)(a); and
 - (ii) audited in accordance with paragraph 230-210(2)(b); and
 - (e) the auditor's reports are unqualified for both the financial report for the first year and the financial report for the second year.
- (2) Treat yourself as eligible to make an election for the income year under subsection 230-210(2).
- (3) Work out the gain or loss you make from the *financial arrangement for the income year as follows:
 - (a) firstly, work out the gain or loss you make from the arrangement for the first year in accordance with section 230-230 (treating the first year as an income year);
 - (b) next, work out how much of the gain or loss mentioned in paragraph (a) is attributable to the income year in accordance with subsection (4);
 - (c) next, work out the gain or loss you make from the arrangement for the second year in accordance with section 230-230 (treating the second year as an income year);
 - (d) next, work out how much of the gain or loss mentioned in paragraph (c) is attributable to the income year in accordance with subsection (4);

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (e) next:
 - (i) if the amounts worked out under paragraphs (b) and (d) are both gains—add them together to work out the gain from the arrangement for the income year; or
 - (ii) if the amounts worked out under paragraphs (b) and (d) are both losses—add them together to work out the loss from the arrangement for the income year; or
 - (iii) if one of the amounts worked out under paragraphs (b) and (d) is a loss and the other is a gain—subtract the loss from the gain. If the result is positive, this is the gain from the arrangement for the income year. If the result is negative, this is the loss from the arrangement for the income year.
- (4) For the purposes of paragraphs (3)(b) and (d), work out how much of the gain or loss is attributable to the income year by:
 - (a) using a methodology that is reasonable; and
 - (b) using the same methodology for the first and second years.
- (5) For the purposes of paragraph (4)(a), treat a methodology that attributes the gain or loss on a pro-rata basis as *not* being reasonable.

230-220 Financial arrangements to which fair value election applies

- (1) A *fair value election applies in relation to *financial arrangements that:
 - (a) are *Division 230 financial arrangements; and
 - (b) are recognised in financial reports of the kind referred to in paragraph 230-210(2)(a) that are audited, or required to be audited, as referred to in paragraph 230-210(2)(b); and
 - (c) are assets or liabilities that you are required (whether or not as a result of a choice you make) by:
 - (i) the *accounting principles; or
 - (ii) if the accounting principles do not apply to the preparation of the financial report—comparable

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-220

standards for accounting that apply to the preparation of the financial report under a *foreign law;

to classify, designate or (in whole or in part) otherwise treat, in the financial reports, as at fair value through profit or loss; and

- (d) you start to have in the income year in which you make the election or in a later income year.

This subsection has effect subject to section 230-225.

- (2) If, but for this subsection, paragraphs (1)(b) and (c) would not be satisfied in relation to a *financial arrangement because the arrangement is an intra-group transaction for the purposes of:
- (a) *accounting standard AASB 127 (or another accounting standard prescribed by the regulations for the purposes of this paragraph); or
 - (b) if that standard does not apply to the preparation of the financial report—a comparable accounting standard that applies to the preparation of the financial report under a *foreign law;

paragraphs (1)(b) and (c) are taken to be satisfied in relation to the arrangement.

Note: Financial arrangements between members of a consolidated group or MEC group are not covered by this subsection because the single entity rule in subsection 701-1(1) operates to treat them as not being financial arrangements for the purposes of this Division.

- (3) If:
- (a) the *financial arrangement would not be a financial arrangement if the following provisions were disregarded:
 - (i) Division 9A of Part III of the *Income Tax Assessment Act 1936* (which deals with offshore banking units);
 - (ii) Part IIIB of that Act (which deals with Australian branches of foreign banks etc.); and
 - (b) paragraphs (1)(b) and (c) would be satisfied in relation to the financial arrangement if the arrangement had been between 2 separate entities; and
 - (c) the *fair value election is made by:

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (i) if section 121EB of the *Income Tax Assessment Act 1936* applies—the OBU mentioned in that section (disregarding the operation of that section); or
 - (ii) if section 160ZZW of that Act applies—the bank mentioned in that section (disregarding the operation of that section);
- paragraphs (1)(b) and (c) are taken to be satisfied in relation to the arrangement.

230-225 Financial arrangements to which election does not apply

- (1) A *fair value election does not apply to a *financial arrangement if:
 - (a) the arrangement is an *equity interest; and
 - (b) you are the issuer of the equity interest.
- (2) A *fair value election does not apply to a *financial arrangement if:
 - (a) you are:
 - (i) an individual; or
 - (ii) an entity (other than an individual) that satisfies subsection 230-455(2), (3) or (4) for the income year in which you start to have the arrangement; and
 - (b) the arrangement is a *qualifying security; and
 - (c) you have not made an election under subsection 230-455(7).
- (3) A *fair value election does not apply to a *financial arrangement if:
 - (a) the election is made by the *head company of a *consolidated group or *MEC group; and
 - (b) the election specifies that the election is not to apply to financial arrangements in relation to *life insurance business carried on by a member of the consolidated group or MEC group; and
 - (c) the arrangement is one that relates to the life insurance business carried on by a member of the consolidated group or MEC group.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-230

- (4) A *fair value election does not apply to a *financial arrangement if the arrangement is associated with a business of a kind specified in regulations made for the purposes of this subsection.

230-230 Applying fair value method to gains and losses

- (1) You make a gain or loss for an income year from a *financial arrangement to which a *fair value election applies if:
- (a) the principles or standards mentioned in paragraph 230-210(2)(a) require you to recognise a gain or loss in profit or loss for the income year from the asset or liability mentioned in paragraph 230-220(1)(c); or
 - (b) in the case of an arrangement to which subsection 230-220(2) applies—the principles or standards referred to in paragraph 230-220(1)(c) would have required you to recognise a gain or loss in profit or loss for the year from the asset or liability mentioned in paragraph 230-220(1)(c) if the arrangement had not been an intra-group transaction for the purposes of the standard referred to in paragraph 230-220(2)(b); or
 - (c) in the case of an arrangement to which subsection 230-220(3) applies—the principles or standards referred to in paragraph 230-220(1)(c) would have required you to recognise a gain or loss in profit or loss for the year from the asset or liability mentioned in paragraph 230-220(1)(c) if the arrangement had been between 2 separate entities.

Note: Subsection 230-40(7) provides that an election under Subdivision 230-E (hedging financial arrangements method) or Subdivision 230-F (method of relying on financial reports) may override a fair value election.

- (1A) The gain or loss you make is the gain or loss the principles or standards require, or would have required, you to recognise in profit or loss as mentioned in subsection (1).
- (2) Subsection (3) applies if:
- (a) a *head company of a *consolidated group or *MEC group has a *financial arrangement; and

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (b) a *fair value election applies to the arrangement; and
 - (c) a subsidiary member of the group ceases to be a member of the group at a particular time (the *leaving time*); and
 - (d) immediately after the leaving time, the head company no longer has the arrangement because the subsidiary member ceased to be a member of the group.
- (3) The gain or loss the group makes from the arrangement for the income year in which the leaving time occurs is taken to be the gain or loss that the principles or standards referred to in paragraph 230-210(2)(a) would require the group to recognise as at fair value through profit or loss for the income year from the asset or liability mentioned in paragraph 230-220(1)(c) if:
- (a) the circumstances that existed in relation to the arrangement (including its value) immediately before the leaving time had continued to exist until the end of the income year; and
 - (b) any circumstances that arise in relation to the financial arrangement after the leaving time were disregarded.

Subdivision does not apply to extent gains or losses not recognised as at fair value

- (4) This Subdivision does not apply to a gain or loss you make from the *financial arrangement, to the extent:
- (a) you are required, as mentioned in paragraph 230-220(1)(c), to otherwise treat as at fair value through profit and loss the assets or liabilities that the financial arrangement is; and
 - (b) the principles or standards referred to in paragraph 230-210(2)(a) do not require you to recognise the gain or loss as at fair value through profit or loss.

Note: See also subsection 230-40(5).

230-235 Splitting financial arrangements into 2 financial arrangements

- (1) If:

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-240

- (a) a *financial arrangement is constituted only in part by an asset or liability mentioned in paragraph 230-220(1)(c); and
 - (b) a *fair value election would apply to the arrangement if it were constituted solely by that asset or liability;
- the provisions of this Division (other than this section) apply to the arrangement as if it were instead 2 separate financial arrangements.
- (2) The 2 separate *financial arrangements are:
 - (a) one consisting of the part referred to in paragraph (1)(a); and
 - (b) one consisting of the remaining part.

230-240 When election ceases to apply

- (1) A *fair value election ceases to have effect from the start of an income year if you cease to be eligible under subsection 230-210(2) to make the fair value election for that income year.
- (2) Subsection (1) does not prevent you from making a new *fair value election at a later time if you become, at that later time, eligible under subsection 230-210(2) to make a fair value election for an income year.

Note: The new election will only apply to financial arrangements you start to have after the start of the income year in which the new election is made.

- (3) A *fair value election ceases to apply to a particular *financial arrangement from the start of an income year if the arrangement ceases to satisfy a requirement of paragraph 230-220(1)(b) or (c) during that income year.
- (4) If the election ceases to apply to a particular *financial arrangement under subsection (3), the election cannot subsequently reapply to that arrangement (even if the requirements of paragraphs 230-220(1)(b) and (c) are satisfied once more in relation to the arrangement).

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

230-245 Balancing adjustment if election ceases to apply

- (1) You must make balancing adjustments under subsection (2) if a *fair value election ceases to have effect under subsection 230-240(1).
- (2) The balancing adjustments under this subsection are the balancing adjustments you would make under Subdivision 230-G for each of the *financial arrangements to which the election applied if you disposed of the arrangement for its fair value when the election ceases to have effect.
- (3) You must make a balancing adjustment under subsection (4) if a *fair value election ceases to apply to a particular *financial arrangement under subsection 230-240(3).
- (4) The balancing adjustment under this subsection is the balancing adjustment you would make under Subdivision 230-G if you disposed of the *financial arrangement for its fair value when the election ceases to apply to the arrangement.
- (5) If a balancing adjustment is made under subsection (2) or (4) in relation to a *financial arrangement, you are taken, for the purposes of this Division, to have reacquired the arrangement at its fair value immediately after the election ceased to have effect or ceased to apply to the arrangement.
- (6) In determining, for the purposes of the balancing adjustment under subsection (2) or (4) or for the purposes of subsection (5), the fair value of the *financial arrangement at a time, disregard any changes in the fair value to the extent that:
 - (a) you are required, as mentioned in paragraph 230-220(1)(c), to otherwise treat the financial arrangement as at fair value through profit and loss; and
 - (b) the principles or standards referred to in paragraph 230-210(2)(a) do not require you to recognise the changes as at fair value through profit or loss.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-250

Subdivision 230-D—Foreign exchange retranslation method

Table of sections

230-250	Objects of this Subdivision
230-255	Foreign exchange retranslation election
230-260	Foreign exchange retranslation election where differing income and accounting years
230-265	Financial arrangements to which general election applies
230-270	Financial arrangements to which general election does not apply

230-280	Applying foreign exchange retranslation method to gains and losses
230-285	When election ceases to apply
230-290	Balancing adjustment if election ceases to apply

230-250 Objects of this Subdivision

The objects of this Subdivision are:

- (a) to allow you to align the tax treatment of gains and losses from foreign exchange rate changes with the accounting treatment of profits and losses from such changes; and
- (b) to achieve this without allowing you to obtain an inappropriate tax benefit.

230-255 Foreign exchange retranslation election

General election

- (1) You may make a **foreign exchange retranslation election** under this subsection if you are eligible under subsection (2) to make the election for the income year in which you make the election.

Eligibility to make election

- (2) You are eligible to make a *foreign exchange retranslation election for an income year if:
 - (a) you prepare a financial report for that income year in accordance with:

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (i) the *accounting principles; or
- (ii) if the accounting principles do not apply to the preparation of the financial report—comparable standards for accounting made under a *foreign law that apply to the preparation of the financial report under a foreign law; and
- (b) the financial report is audited in accordance with:
 - (i) the *auditing principles; or
 - (ii) if the auditing principles do not apply to the auditing of the financial report—comparable standards for auditing made under a foreign law.

Note: Section 230-500 allows regulations to be made specifying particular foreign accounting and auditing standards as ones that are to be treated as comparable with Australian accounting and auditing principles for the purposes of this Division.

Election in relation to qualifying forex accounts

- (3) You may make a **foreign exchange retranslation election** under this subsection in relation to a *financial arrangement if:
 - (a) the arrangement is a *qualifying forex account; and
 - (b) you have not made a *foreign exchange retranslation election under subsection (1) that applies to the account.

You may make the election even if you start to have the arrangement before you make the election.

Financial arrangements to which election in relation to qualifying forex accounts applies

- (4) The election under subsection (3) applies to the *financial arrangement:
 - (a) from the time when you start to have the arrangement if the election is made before you start to have the arrangement; or
 - (b) from the start of the income year in which the election is made if you make the election after you start to have the arrangement.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-260

Election irrevocable

- (5) A *foreign exchange retranslation election is irrevocable.

Note: The election may cease to apply under section 230-285.

230-260 Foreign exchange retranslation election where differing income and accounting years

- (1) This section applies if:
- (a) you prepare a financial report for a year (the **first year**); and
 - (b) you prepare a financial report for the subsequent year (the **second year**); and
 - (c) your income year starts in the first year and ends in the second year; and
 - (d) both the financial report for the first year and the financial report for the second year are:
 - (i) prepared in accordance with paragraph 230-255(2)(a); and
 - (ii) audited in accordance with paragraph 230-255(2)(b); and
 - (e) the auditor's reports are unqualified for both the financial report for the first year and the financial report for the second year.
- (2) Treat yourself as eligible to make an election for the income year under subsection 230-255(2).
- (3) Work out the gain or loss you make from the arrangement for the income year as follows:
- (a) firstly, work out the gain or loss you make from the arrangement for the first year in accordance with section 230-280 (treating the first year as an income year);
 - (b) next, work out how much of the gain or loss mentioned in paragraph (a) is attributable to the income year in accordance with subsection (4);

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (c) next, work out the gain or loss you make from the arrangement for the second year in accordance with section 230-280 (treating the second year as an income year);
- (d) next, work out how much of the gain or loss mentioned in paragraph (c) is attributable to the income year in accordance with subsection (4);
- (e) next:
 - (i) if the amounts worked out under paragraphs (b) and (d) are both gains—add them together to work out the gain from the arrangement for the income year; or
 - (ii) if the amounts worked out under paragraphs (b) and (d) are both losses—add them together to work out the loss from the arrangement for the income year; or
 - (iii) if one of the amounts worked out under paragraphs (b) and (d) is a loss and the other is a gain—subtract the loss from the gain. If the result is positive, this is the gain from the arrangement for the income year. If the result is negative, this is the loss from the arrangement for the income year.
- (4) For the purposes of paragraphs (3)(b) and (d), work out how much of the gain or loss is attributable to the income year by:
 - (a) using a methodology that is reasonable; and
 - (b) using the same methodology for the first and second years.
- (5) For the purposes of paragraph (4)(a), treat a methodology that attributes the gain or loss on a pro-rata basis as *not* being reasonable.

230-265 Financial arrangements to which general election applies

- (1) A *foreign exchange retranslation election under subsection 230-255(1) applies to each of your *financial arrangements:
 - (a) that are *Division 230 financial arrangements; and

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-265

- (b) that are recognised in financial reports of a kind referred to in paragraph 230-255(2)(a) that are audited, or required to be audited, as referred to in paragraph 230-255(2)(b); and
- (c) in relation to which you are required by:
 - (i) *accounting standard AASB 121 (or another accounting standard prescribed by the regulations for the purposes of this paragraph); or
 - (ii) if that standard does not apply to the preparation of the financial report—a comparable accounting standard that applies to the preparation of the financial report under a *foreign law;to recognise, in the financial reports, amounts in profit or loss (if any) that are attributable to changes in currency exchange rates; and
- (d) that you start to have in the income year in which you make the election or in a later income year.

This subsection has effect subject to section 230-270.

Note: The election also has consequences under Subdivision 775-F for arrangements that are not Division 230 financial arrangements.

- (2) If, but for this subsection, paragraphs (1)(b) and (c) would not be satisfied in relation to a *financial arrangement because the arrangement is an intra-group transaction for the purposes of:
 - (a) *accounting standard AASB 127 (or another accounting standard prescribed by the regulations for the purposes of this paragraph); or
 - (b) if that standard does not apply to the preparation of the financial report—a comparable accounting standard that applies to the preparation of the financial report under a *foreign law;

paragraphs (1)(b) and (c) are taken to be satisfied in relation to the arrangement.

Note: Financial arrangements between members of a consolidated group or MEC group are not covered by this subsection because the single entity rule in subsection 701-1(1) operates to treat them as not being financial arrangements for the purposes of this Division.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (3) If:
- (a) the *financial arrangement would not be a financial arrangement if the following provisions were disregarded:
 - (i) Division 9A of Part III of the *Income Tax Assessment Act 1936* (which deals with offshore banking units);
 - (ii) Part IIIB of that Act (which deals with Australian branches of foreign banks etc.); and
 - (b) paragraphs (1)(b) and (c) would be satisfied in relation to the financial arrangement if the arrangement had been between 2 separate entities; and
 - (c) the *foreign exchange retranslation election under subsection 230-255(1) is made by:
 - (i) if section 121EB of the *Income Tax Assessment Act 1936* applies—the OBU mentioned in that section (disregarding the operation of that section); or
 - (ii) if section 160ZZW of that Act applies—the bank mentioned in that section (disregarding the operation of that section);
- paragraphs (1)(b) and (c) are taken to be satisfied in relation to the arrangement.

230-270 Financial arrangements to which general election does not apply

- (1) For the purposes of this Division, a *foreign exchange retranslation election under subsection 230-255(1) does not apply to a *financial arrangement if the arrangement is a financial arrangement under section 230-50 (equity interests etc.).
- (2) For the purposes of this Division, a *foreign exchange retranslation election under subsection 230-255(1) does not apply to a *financial arrangement if:
 - (a) you are:
 - (i) an individual; or

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-275

- (ii) an entity (other than an individual) that satisfies subsection 230-455(2), (3) or (4) for the income year in which you start to have the arrangement; and
 - (b) the arrangement is a *qualifying security; and
 - (c) you have not made an election under subsection 230-455(7).
- (3) A *foreign exchange retranslation election under subsection 230-255(1) does not apply to a *financial arrangement if:
 - (a) the election is made by the *head company of a *consolidated group or *MEC group; and
 - (b) the election specifies that the election is not to apply to financial arrangements in relation to *life insurance business carried on by a member of the consolidated group or MEC group; and
 - (c) the arrangement is one that relates to the life insurance business carried on by a member of the consolidated group or MEC group.
- (4) A *foreign exchange retranslation election does not apply to a *financial arrangement if the arrangement is associated with a business of a kind specified in regulations made for the purposes of this subsection.

230-275 Balancing adjustment for election in relation to qualifying forex accounts

- (1) If you make a *foreign exchange retranslation election under subsection 230-255(3) in relation to a *financial arrangement after you start to have the arrangement, you must make a balancing adjustment under subsection (2).
- (2) The balancing adjustment under this subsection is the balancing adjustment you would make under Subdivision 230-G if you ceased to have the arrangement for its fair value at the time when the election started to apply to the arrangement (but only to the extent to which the balancing adjustment is reasonably attributable to a *currency exchange rate effect).

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

230-280 Applying foreign exchange retranslation method to gains and losses

General election

- (1) You make a gain or loss from a *financial arrangement for an income year if:
- (a) a *foreign exchange retranslation election under subsection 230-255(1) applies to the arrangement; and
 - (b) any of the following subparagraphs apply:
 - (i) the standard referred to in paragraph 230-265(1)(c) requires you to recognise a particular amount in profit or loss in relation to that arrangement for that income year;
 - (ii) if subsection 230-265(2) applies to the arrangement—the standard referred to in paragraph 230-265(1)(c) would have required you to recognise a particular amount in profit or loss in relation to that arrangement for that income year if the arrangement had not been an intra-group transaction for the purposes of the standard referred to in paragraph 230-265(2)(b);
 - (iii) if subsection 230-265(3) applies to the arrangement—the standard referred to in paragraph 230-265(1)(c) would have required you to recognise a particular amount in profit or loss for the year that is attributable to currency exchange rates mentioned in paragraph 230-265(1)(c) if the arrangement had been between 2 separate entities.

The amount of the gain or loss is the amount the standard requires, or would have required, you to recognise.

Note: See subsection 230-40(6).

Election in relation to qualifying forex accounts

- (2) You make a gain or loss from a *financial arrangement for an income year if:

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-280

- (a) a *foreign exchange retranslation election under subsection 230-255(3) applies to the arrangement; and
- (b) the standard referred to in paragraph 230-265(1)(c):
 - (i) requires you to recognise a particular amount in profit or loss in relation to that arrangement for that income year; or
 - (ii) would require you to recognise a particular amount in profit or loss in relation to that arrangement for that income year if that standard applied to the arrangement; or
 - (iii) would require you to recognise a particular amount in profit or loss in relation to that arrangement for that income year if the arrangement had not been an intra-group transaction for the purposes of the standard referred to in paragraph 230-265(2)(b); or
 - (iv) would require you to recognise a particular amount in profit or loss in relation to that arrangement for that income year if the arrangement had not been an intra-group transaction for the purposes of the standard referred to in paragraph 230-265(2)(b) and if that standard applied to the arrangement.

The amount of the gain or loss is the amount the standard requires, or would require, you to recognise.

Subsidiary leaving group

- (3) Subsection (4) applies if:
 - (a) a *head company of a *consolidated group or *MEC group has a *financial arrangement; and
 - (b) a *foreign exchange retranslation election under subsection 230-255(1) or (3) applies to the arrangement; and
 - (c) a subsidiary member of the group ceases to be a member of the group at a particular time (the *leaving time*); and
 - (d) immediately after the leaving time, the head company no longer has the arrangement because the subsidiary member ceased to be a member of the group.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (4) The gain or loss the group makes from the *financial arrangement for the income year in which the leaving time occurs is taken to be the gain or loss that the standard referred to in paragraph 230-265(1)(c) would require the group to recognise in profit or loss in relation to the arrangement for that income year if:
- (a) the circumstances that existed in relation to the arrangement (including its value) immediately before the leaving time had continued to exist until the end of the income year; and
 - (b) any circumstances that arise in relation to the arrangement after the leaving time were disregarded.

230-285 When election ceases to apply

General election

- (1) A *foreign exchange retranslation election under subsection 230-255(1) ceases to have effect from the start of an income year if you cease to be eligible under subsection 230-255(2) to make a foreign exchange retranslation election under subsection 230-255(1) for that income year.
- (2) Subsection (1) does not prevent you from making a new *foreign exchange retranslation election at a later time if you become, at that later time, eligible under subsection 230-255(2), to make a foreign exchange retranslation election under subsection 230-255(1) for that income year.

Note: The new election will only apply to financial arrangements you start to have after the start of the income year in which the new election is made.

- (3) A *foreign exchange retranslation election under subsection 230-255(1) ceases to apply to a *financial arrangement from the start of an income year if the arrangement ceases to satisfy a requirement of paragraph 230-265(1)(b) or (c) during that income year.
- (4) If the election ceases to apply to a particular *financial arrangement under subsection (3), the election cannot subsequently reapply to

Section 230-290

that arrangement (even if the requirements of paragraphs 230-265(1)(b) and (c) are satisfied once more in relation to the arrangement).

Election in relation to qualifying forex accounts

- (5) A *foreign exchange retranslation election under subsection 230-255(3) ceases to apply to a *financial arrangement from the start of an income year if the arrangement ceases to satisfy a requirement of subsection 230-255(3) during that income year.
- (6) If the election ceases to apply to a particular *financial arrangement under subsection (5), the election cannot subsequently reapply to that arrangement (even if the requirements of subsection 230-255(3) are satisfied once more in relation to the arrangement).

230-290 Balancing adjustment if election ceases to apply

- (1) You must make balancing adjustments under subsection (2) if a *foreign exchange retranslation election ceases to have effect under subsection 230-285(1).
- (2) The balancing adjustments under this subsection are the balancing adjustments you would make under Subdivision 230-G for each of the *financial arrangements to which the election applied if you disposed of the arrangement for its fair value when the election ceases to have effect (but only to the extent to which the balancing adjustment is reasonably attributable to a *currency exchange rate effect).
- (3) You must make a balancing adjustment under this section if a *foreign exchange retranslation election ceases to apply to a particular *financial arrangement under subsection 230-285(3) or (5).
- (4) The balancing adjustment under this subsection is the balancing adjustment you would make under Subdivision 230-G if you

disposed of the *financial arrangement for its fair value when the election ceases to apply to the arrangement (but only to the extent to which the balancing adjustment is reasonably attributable to a *currency exchange rate effect).

- (5) If a balancing adjustment is made under subsection (2) or (4) in relation to a *financial arrangement, you are taken, for the purposes of this Division, to have reacquired the arrangement at its fair value immediately after the election ceased to have effect or ceased to apply to the arrangement.

Section 230-295

230-295 Objects of this Subdivision

The objects of this Subdivision are:

- (a) to facilitate the efficient management of financial risk by reducing after-tax mismatches and better aligning tax treatment where hedging takes place; and
- (b) to minimise tax deferral and tax motivated practices (including tax deferral arising from such practices as tax advantaged selection from among possible hedges and inappropriate selection of tax treatment).

230-300 Applying hedging financial arrangement method to gains and losses

- (1) If you have a *hedging financial arrangement to which a *hedging financial arrangement election applies, the gain or loss you make for an income year from the arrangement is worked out under this section and section 230-310 instead of under Subdivision 230-B, 230-C, 230-D, 230-F or 230-G.

- (2) Except where subsection (5) applies, the gain or loss you make from the *hedging financial arrangement is equal to the overall gain or loss you make from the arrangement.

- (3) The gain or loss you make from the *hedging financial arrangement is allocated over income years according to the determination referred to in subsection 230-360(1).

Note 1: The allocation is capable of extending to income years after you cease to have the hedging financial arrangement (see subsection 230-360(3)).

Note 2: The determination must be included in the record made under section 230-355.

- (4) If the *hedging financial arrangement is a *foreign currency hedge and is a *debt interest, split a gain or loss you make from the arrangement as follows:

- (a) to the extent to which the gain or loss represents a *currency exchange rate effect attributable to the outstanding balance in

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-300

relation to the debt interest, treat it as a separate gain or loss to which subsections (1) and (2) apply;

- (b) to the extent that it does not represent that effect, treat it as a separate gain or loss from the financial arrangement that is allocated under Subdivision 230-B, 230-F or 230-G.

(5) If an event listed in the table in subsection 230-305(1) occurs:

- (a) the gain or loss you make from the *hedging financial arrangement is equal to any gain or loss that you would have made:

- (i) while the arrangement was hedging the *hedged item or items; and

- (ii) on ceasing to have the arrangement;

if you ceased to have the arrangement for its fair value at the time of the event; and

- (b) this Division further applies as if, just after the event, you had acquired the arrangement for its fair value at the time of the event.

Despite subsection (3), the gain or loss referred to in paragraph (a) is allocated over income years according to the table.

(7) Subsection (8) applies if the *hedging financial arrangement:

- (a) is a *financial arrangement under section 230-50 (equity interests etc.); and
- (b) is a *foreign currency hedge; and
- (c) is one that you issue.

(8) Split a gain or loss you make from the arrangement as follows:

- (a) to the extent to which the gain or loss represents a *currency exchange rate effect, treat it as a separate gain or loss to which subsections (1) and (2) apply;
- (b) to the extent that it does not represent that effect, treat it as a separate gain or loss from the financial arrangement to which this Division does not apply.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-305

- (9) Subsections (10) and (11) apply if:
- (a) a *head company of a *consolidated group or *MEC group has a *hedging financial arrangement; and
 - (b) a *hedging financial arrangement election applies to the arrangement; and

Proportionate hedges

- (4) A specified proportion of a *financial arrangement may be treated as a **hedging financial arrangement** to the extent to which that proportion of the arrangement satisfies the requirements of subsection 230-335(1) or (3).

- (6) Subsection (5) has effect even if there would not be separate *arrangements under subsection 230-55(4).

230-345 Requirements not satisfied because of honest mistake or inadvertence

If a *derivative financial arrangement, or a *foreign currency hedge, that you have would not be a *hedging financial arrangement only because the requirements of paragraph 230-335(1)(b) or (c), or both, are not satisfied because of an honest mistake or inadvertence, it is nevertheless a **hedging financial arrangement** if the Commissioner considers this appropriate having regard to:

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (a) your documented risk management practices and policies; and
- (b) your record keeping practices; and
- (c) your accounting systems and controls; and

- (g) the objects of this Subdivision.

230-350 *Derivative financial arrangement and foreign currency hedge*

Derivative financial arrangement

- (1) A ***derivative financial arrangement*** is a *financial arrangement that you have where:
- (a) its value changes in response to changes in a specified variable or variables; and
 - (b) there is no requirement for a net investment, or there is such a requirement but the net investment is smaller than would be required for other types of financial arrangement that would be expected to have a similar response to changes in market factors.

Note: Paragraph (a)—a specified variable includes an interest rate, foreign exchange rate, credit rating, index or commodity or financial instrument price.

Foreign currency hedge

- (2) A ***foreign currency hedge*** is a *financial arrangement that you have if:
- (a) paragraph (1)(a) is satisfied but paragraph (1)(b) is not; and
 - (b) the arrangement hedges a risk in relation to movements in currency exchange rates.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-355

230-355 Recording requirements

- (1) The requirement of this section is that you must make, or have in place, a record that:
 - (a) contains a description of the following:
 - (i) the *hedging financial arrangement in relation to which the election is made;
 - (ii) the nature of the risk or risks being hedged;
 - (iii) the *hedged item or items;
 - (iv) how you will assess the effectiveness of hedging the risk in reducing your exposure to changes in the fair value of the hedged item or items or cash flows or foreign currency exposure attributable to them;
 - (v) the risk management objective for, and the risk management strategy to be followed in, acquiring, creating or applying the arrangement; and
 - (b) contains any further details that the *accounting principles require, by way of documentation, for an arrangement to be recorded in a financial report as a hedging instrument; and
 - (c) sets out the terms of the determinations you make under section 230-360.

To avoid doubt, paragraph (b) applies even if the arrangement is not recorded in your financial report as a hedging instrument.
- (2) To avoid doubt, the record may consist of a single document or 2 or more documents.
- (3) The record must be made or in place:
 - (a) at, or soon after, the time when you create, acquire or apply the *hedging financial arrangement; or
 - (b) at such other time as is provided for in the regulations for the purposes of this paragraph.
- (4) The description must be sufficiently precise and detailed that the following are clear:
 - (a) that the risk in respect of the particular *hedged item or items was the one hedged by the *hedging financial arrangement;

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (b) the extent to which the risk was hedged;
 - (c) that the rights and/or obligations comprising the hedging financial arrangement were in fact those created, acquired or applied for the purpose of hedging the risk.
- (5) If a *financial arrangement is a *hedging financial arrangement under subsection 230-335(2) or (3), the following requirements must be met in addition to the requirements of subsections (1), (3) and (4):
- (a) you must make or have in place, at, or soon before or soon after, the time when you create, acquire or apply the arrangement, a record that sets out:
 - (i) a statement of why, and the way in which, the arrangement operates commercially or economically as a hedge of the *hedged item or items; and
 - (ii) the reasons why the arrangement does not satisfy the requirements of the principles or standards referred to in paragraph 230-315(2)(a) to be a hedging instrument;
 - (b) you must, at the end of each income year during which you have the arrangement, make a record of the accumulated gains and/or losses (whether realised or unrealised) as at the end of that income year from the arrangement or arrangements relating to the hedged item or items that are yet to be included in your assessable income or allowed to you as deductions;
 - (c) you must have, at the time when you create, acquire or apply the arrangement, a record that sets out your risk management policies and practices;
 - (d) you must have in place, at the time when you create, acquire or apply the arrangement, internal risk management systems and controls that record the arrangement and the hedged item or items.
- (6) For the purposes of paragraph (5)(b), you must assume that:
- (a) all the gains from the *financial arrangement would be assessable income; and

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-360

- (b) all the losses from the financial arrangement would be allowed to you as deductions.

230-360 Determining basis for allocating gain or loss

- (1) A requirement of this section is that you must determine the basis on which your gain or loss from the *hedging financial arrangement is to be allocated to an income year, or over 2 or more income years, for the purposes of this Division.
- (2) It is also a requirement of this section that the basis that you determine must:
 - (a) fairly and reasonably correspond with the basis on which gains, losses or other amounts in relation to the *hedged item or items are recognised or allocated under this Act; and
 - (b) be objective; and
 - (c) be sufficiently precise and detailed that, when your gain, loss or other amount from the *hedged item or items is taken into account for the purposes of this Act, the following will be clear from the record made under section 230-355:
 - (i) the time at which the gain or loss from the *hedging financial arrangement is to be taken into account for the purposes of this Division;
 - (ii) the way in which that gain or loss will be dealt with under section 230-310.

Note: Paragraph (a) refers to an amount in relation to the hedged item or items being recognised or allocated under this Act. This would include an amount being allowed as a deduction or an amount being included in assessable income. If the hedged item were an asset, an amount referable to a part of the cost of the asset might, for example, be allowed as a deduction for a particular income year.

- (3) To avoid doubt, the income years over which your gain or loss is to be allocated may include an income year that starts after you cease to have the *hedging financial arrangement.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

230-365 Effectiveness of the hedge

The requirement of this section is that:

- (a) hedging the risk must be expected to be highly effective (within the meaning of the principles or standards referred to in paragraph 230-315(2)(a)), for the period for which you expect to have the *hedging financial arrangement, in reducing your exposure to changes in the fair value of the *hedged item or items or cash flows attributable to your hedged risk; and
- (b) the fair value of the hedged item or items or cash flows relating to them and the fair value of the arrangement must be able to be reliably measured; and
- (c) you must assess the hedging of the risk by the arrangement:
 - (i) on a regular basis in accordance with the *accounting principles; and
 - (ii) at least once in each 12 month period; and
- (d) your assessment must be that the hedging of the risk will be highly effective (within the meaning of the principles or standards referred to in paragraph 230-315(2)(a)) in reducing your exposure to changes in the fair value of the hedged item or items or cash flows attributable to the hedged risk throughout the remainder of the period for which you expect to have the arrangement.

230-370 When election ceases to apply

- (1) A *hedging financial arrangement election ceases to have effect from the start of an income year if you cease to be eligible under subsection 230-315(2) to make the election for that income year.
- (2) Subsection (1) does not prevent you from making a new *hedging financial arrangement election at a later time if you become, at that later time, eligible under subsection 230-315(2) to make an election for an income year.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-375

Note: The new election will only apply to financial arrangements you start to have after the start of the income year in which the new election is made.

230-375 Balancing adjustment if election ceases to apply

- (1) This section applies if a *hedging financial arrangement election ceases to have effect under subsection 230-370(1).
- (2) You are taken, for the purposes of this Division, to have:
 - (a) disposed of each *hedging financial arrangement to which the election applies for its fair value immediately before the election ceases to have effect; and
 - (b) reacquired the arrangement at its fair value immediately after the election ceases to have effect.
- (3) To avoid doubt, this Subdivision applies, for the purposes of working out the consequences of the disposal referred to in paragraph (2)(a), as if the *hedging financial arrangement were one to which the *hedging financial arrangement election applied at the time of the disposal.

230-380 Commissioner may determine that requirement met

Commissioner may determine that requirement met

- (1) If (apart from this section) the requirements of sections 230-355 to 230-365 are not met in relation to a *hedging financial arrangement that you have, treat those requirements as having been so met if the Commissioner makes a determination under subsection (1A) in relation to the arrangement.
- (1A) The Commissioner may make the determination if the Commissioner considers that this is appropriate, having regard to:
 - (a) the respects in which the arrangement does not meet those requirements; and
 - (b) the extent to which it does not meet those requirements; and
 - (c) the reasons why it does not meet those requirements; and

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-380

- (d) if the Commissioner is considering whether to impose conditions under subsection (2)—the likelihood that you will comply with those conditions; and
- (e) the objects of this Subdivision.

Commissioner may impose additional record keeping requirements

- (2) The Commissioner may make a determination under subsection (1A) conditional on your keeping records in addition to those required by section 230-355.
- (3) A determination under subsection (1A) ceases to have effect if you breach a condition imposed under subsection (2).
- (4) Subsection (3) ceases to apply to you if the Commissioner determines that that subsection ceases to apply to you. The determination takes effect from the date specified in the determination.
- (5) In deciding whether to make the determination under subsection (4), the Commissioner must have regard to:
 - (a) your record keeping practices; and
 - (b) your compliance history; and
 - (c) any changes that have been made to:
 - (i) your accounting systems and controls; and
 - (ii) your internal governance processes;to ensure that breaches of the kind referred to in subsection (3) do not happen again; and
 - (d) any other relevant matter.

Commissioner may determine matter under section 230-360

- (6) If:
 - (a) the Commissioner makes a determination under subsection (1A) in relation to a *hedging financial arrangement; and
 - (b) either or both of the following applies:

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-385

- (i) you fail to determine a matter in relation to the arrangement under section 230-360;
- (ii) you determine a matter in relation to the arrangement under section 230-360 but the determination does not satisfy the requirements of subsection 230-360(2);

the Commissioner may determine that matter, in a way that satisfies the requirements of section 230-360. The Commissioner's determination has effect as if you had made the determination and recorded it under that section.

230-385 Consequences of failure to meet requirements

When this section applies

- (1) This section applies if:
 - (a) your *hedging financial arrangement election applies to a *hedging financial arrangement; and
 - (b) you do not meet a requirement of section 230-355 or 230-360 or paragraph 230-365(c) in relation to the arrangement.
- (2) For the purposes of paragraph (1)(b), treat the requirement in paragraph 230-365(c) as being met even if you do not assess the hedging of the risk mentioned in that paragraph, but you can demonstrate that you intend to do so.

Commissioner may determine matter under section 230-360

- (3) If:
 - (a) you fail to determine a matter in relation to the *hedging financial arrangement under section 230-360; or
 - (b) you determine a matter in relation to the arrangement under section 230-360 but the determination does not satisfy the requirements of subsection 230-360(2);the Commissioner may determine that matter, in a way that satisfies the requirements of section 230-360. A reference in this Division to a determination made under that section is treated as including a reference to a determination under this subsection.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Election does not apply to hedging financial arrangements you start to have after failing to comply with requirements

- (4) Your *hedging financial arrangement election does not apply to a *hedging financial arrangement you start to have:
- (a) after you fail to meet the requirement mentioned in paragraph (1)(b) in relation to the arrangement mentioned in that paragraph; and
 - (b) before a date (if any) determined by the Commissioner.
- (5) The Commissioner may make a determination under paragraph (4)(b) only if satisfied that you are unlikely to fail again to meet a requirement of section 230-355 or 230-360 or paragraph 230-365(c) in relation to a *hedging financial arrangement.
- (6) In deciding whether to make a determination under paragraph (4)(b), the Commissioner must have regard to:
- (a) your record keeping practices; and
 - (b) your compliance history; and
 - (c) any changes that have been made to:
 - (i) your accounting systems and controls; and
 - (ii) your internal governance processes;to ensure that failures of the kind mentioned in paragraph (1)(b) do not happen again; and
 - (d) any other relevant matter.

Commissioner may still exercise powers under section 230-380

- (7) This section does not prevent the Commissioner from exercising the Commissioner's powers under section 230-380 in relation to the *hedging financial arrangement mentioned in subsection (1).

230-390 Objects of this Subdivision

The objects of this Subdivision are:

- (a) to reduce administration and compliance costs by allowing you to align the tax treatment of your gains and losses from a *financial arrangement with the accounting treatment that applies to the arrangement; and
- (b) to achieve those objects without your obtaining inappropriate tax benefits.

230-395 Election to rely on financial reports

Election

- (1) You may make an ***election to rely on financial reports*** if you are eligible under subsection (2) to make the election for the income year in which you make the election.

Eligibility to make election

- (2) You are eligible to make an election to rely on financial reports for an income year if:
 - (a) you prepare a financial report for that income year in accordance with:
 - (i) the *accounting principles; or
 - (ii) if the accounting principles do not apply to the preparation of the financial report—comparable standards for accounting made under a *foreign law that

apply to the preparation of the financial report under a foreign law; and

- (b) the financial report is audited in accordance with:
 - (i) the *auditing principles; or
 - (ii) if the auditing principles do not apply to the auditing of the financial report—comparable standards for auditing made under a foreign law; and
- (c) your auditor has not qualified the auditor's report on your financial report for that income year or any of the last 4 financial years in a respect that is relevant to the taxation treatment of *financial arrangements; and
- (d) your accounting systems and controls and your internal governance processes are reliable; and
- (e) no report of an audit or review conducted in the income year, or any of the preceding 4 income years, has included an adverse assessment of your accounting systems in a respect that is relevant to the taxation treatment of financial arrangements.

Note 1: Paragraph (b)—section 230-500 allows regulations to be made specifying particular foreign accounting and auditing standards as ones that are to be treated as comparable with Australian accounting and auditing principles for the purposes of this Division.

Note 2: For the purposes of paragraphs (c) and (e), a qualification or assessment may be relevant to the taxation treatment of financial arrangements even though it does not deal with the amount or timing of recognition of gains or losses (but relates, for example, to the reliability of the accounting systems through which information about financial arrangements is recorded).

- (3) Paragraph (2)(e) does not apply to a report of:
 - (a) an internal audit or review that you conduct; or
 - (b) an audit or review of a kind prescribed by the regulations for the purposes of this paragraph.

Election irrevocable

- (4) An election under subsection (1) is irrevocable.

Note: The election may cease to apply under section 230-425.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-400

230-400 Financial reports election where differing income and accounting years

- (1) This section applies if:
 - (a) you prepare a financial report for a year (the *first year*); and
 - (b) you prepare a financial report for the subsequent year (the *second year*); and
 - (c) your income year starts in the first year and ends in the second year; and
 - (d) both the financial report for the first year and the financial report for the second year are:
 - (i) prepared in accordance with paragraph 230-395(2)(a); and
 - (ii) audited in accordance with paragraph 230-395(2)(b); and
 - (e) the auditor's reports are unqualified for both the financial report for the first year and the financial report for the second year.
- (2) Treat yourself as eligible to make an election for the income year under subsection 230-395(2).
- (3) Work out the gain or loss you make from the arrangement for the income year as follows:
 - (a) firstly, work out the gain or loss you make from the arrangement for the first year in accordance with section 230-420 (treating the first year as an income year);
 - (b) next, work out how much of the gain or loss mentioned in paragraph (a) is attributable to the income year in accordance with subsection (4);
 - (c) next, work out the gain or loss you make from the arrangement for the second year in accordance with section 230-420 (treating the second year as an income year);
 - (d) next, work out how much of the gain or loss mentioned in paragraph (c) is attributable to the income year in accordance with subsection (4);

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (e) next:
 - (i) if the amounts worked out under paragraphs (b) and (d) are both gains—add them together to work out the gain from the arrangement for the income year; or
 - (ii) if the amounts worked out under paragraphs (b) and (d) are both losses—add them together to work out the loss from the arrangement for the income year; or
 - (iii) if one of the amounts worked out under paragraphs (b) and (d) is a loss and the other is a gain—subtract the loss from the gain. If the result is positive, this is the gain from the arrangement for the income year. If the result is negative, this is the loss from the arrangement for the income year.
- (4) For the purposes of paragraphs (3)(b) and (d), work out how much of the gain or loss is attributable to the income year by:
 - (a) using a methodology that is reasonable; and
 - (b) using the same methodology for the first and second years.
- (5) For the purposes of paragraph (4)(a), treat a methodology that attributes the gain or loss on a pro-rata basis as *not* being reasonable.

230-405 Commissioner discretion to waive requirements in paragraphs 230-395(2)(c) and (e)

- (1) Paragraph 230-395(2)(c) or (e) does not apply in relation to your *election to rely on financial reports for a particular income year or income years if the Commissioner determines that the paragraph does not apply to the election for that income year or those income years.
- (2) In deciding whether to make the determination under subsection (1), the Commissioner must have regard to:
 - (a) the reasons for the non-compliance with the principles or standards concerned; and

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-410

- (b) the remedial action (if any) that you have undertaken to ensure that non-compliance with those principles or standards does not occur in future (such as changes to your accounting systems and controls or to your internal governance structures); and
- (c) if you, or your activities, are subject to regulatory oversight or review—any opinions expressed by the regulator about the adequacy of remedial action of the kind referred to in paragraph (b); and
- (d) any other relevant matter.

230-410 Financial arrangements to which the election applies

- (1) An *election to rely on financial reports applies in relation to a *financial arrangement that you have if:
 - (a) the arrangement is a *Division 230 financial arrangement; and
 - (b) you start to have the arrangement in the income year in which you make the election or in a later income year; and
 - (c) the arrangement is recognised in financial reports of the kind referred to in paragraph 230-395(2)(a) that are audited as referred to in paragraph 230-395(2)(b); and
 - (d) if the arrangement is a financial arrangement under section 230-50—the arrangement is an asset or liability that you are required (whether or not as a result of a choice you make) by:
 - (i) the *accounting principles; or
 - (ii) if the accounting principles do not apply to the preparation of the financial report—comparable standards for accounting that apply to the preparation of the financial report under a *foreign law; to classify or designate, in the financial reports, as at fair value through profit or loss; and
 - (e) it is reasonably expected that the following is, or will be, the same:

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (i) the amount of the overall gain or loss you make from the arrangement (as determined in accordance with the financial reports);
- (ii) the amount of the overall gain or loss you make from the arrangement (as determined in accordance with the provisions of this Division if the election under this subsection did not apply to the arrangement); and
- (f) the differences between the results of the following methods would reasonably be expected not to be substantial:
 - (i) the method used in your financial reports to work out the amounts of the gain or loss you make from the arrangement for each income year;
 - (ii) the method that would be applied by this Division to work out the amounts of those gains or losses if the election did not apply to the arrangement.

This subsection has effect subject to section 230-415.

- (2) In applying paragraph (1)(f) at the time when you start to have the ^{*}financial arrangement, disregard any differences between the results of the methods referred to in subparagraphs (1)(f)(i) and (ii) that are attributable solely to the provision for the possible impairment of debts required by the principles or standards referred to in paragraph 230-395(2)(a).
- (3) Subsections (4), (5) and (6) apply if, but for this subsection, paragraphs (1)(c) and (d) would not be satisfied in relation to a ^{*}financial arrangement because the arrangement is an intra-group transaction for the purposes of:
 - (a) ^{*}accounting standard AASB 127 (or another accounting standard prescribed by the regulations for the purposes of this paragraph); or
 - (b) if that standard does not apply to the preparation of the financial report—a comparable accounting standard that applies to the preparation of the financial report under a ^{*}foreign law.

Note: Financial arrangements between members of a consolidated group or MEC group are not covered by this subsection because the single

entity rule in subsection 701-1(1) operates to treat them as not being financial arrangements for the purposes of this Division.

- (4) Paragraphs (1)(c) and (d) are taken to be satisfied in relation to the *financial arrangement.
- (5) Paragraph (1)(e) applies as if the reference in subparagraph (1)(e)(i) to the amount of the overall gain or loss you make from the *financial arrangement (as determined in accordance with the financial reports) were a reference to the amount of that overall gain or loss (as would be determined in accordance with the financial reports if the arrangement had not been an intra-group transaction for the purposes of the standard referred to in subsection (3)).
- (6) Paragraph (1)(f) applies as if the reference in subparagraph (1)(f)(i) to the method used in your financial reports to work out the amounts of the gain or loss you make from the arrangement for each income year were a reference to the method that would be used in your financial reports to work out those amounts if the arrangement had not been an intra-group transaction for the purposes of the standard referred to in subsection (3).
- (7) For the purposes of applying subparagraphs (1)(e)(ii) and (f)(ii) to a *financial arrangement, assume that you had made any election that:
 - (a) you could make under Subdivision 230-C or 230-D; and
 - (b) could apply to the arrangement.
- (8) If:
 - (a) the *financial arrangement would not be a financial arrangement if the following provisions were disregarded:
 - (i) Division 9A of Part III of the *Income Tax Assessment Act 1936* (which deals with offshore banking units);
 - (ii) Part IIIB of that Act (which deals with Australian branches of foreign banks etc.); and

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (b) paragraphs (1)(c) and (d) would be satisfied in relation to the financial arrangement if the arrangement had been between 2 separate entities; and
 - (c) the *election to rely on financial reports is made by:
 - (i) if section 121EB of the *Income Tax Assessment Act 1936* applies—the OBU mentioned in that section (disregarding the operation of that section); or
 - (ii) if section 160ZZW of that Act applies—the bank mentioned in that section (disregarding the operation of that section);
- paragraphs (1)(c) and (d) are taken to be satisfied in relation to the arrangement.

230-415 Financial arrangements not covered by election

- (1) An *election to rely on financial reports does not apply to a *financial arrangement if:
 - (a) the arrangement is an *equity interest; and
 - (b) you are the issuer of the equity interest.
- (2) An *election to rely on financial reports does not apply to a *financial arrangement if:
 - (a) you are:
 - (i) an individual; or
 - (ii) an entity (other than an individual) that satisfies subsection 230-455(2), (3) or (4) for the income year in which you start to have the arrangement; and
 - (b) the arrangement is a *qualifying security; and
 - (c) you have not made an election under subsection 230-455(7).
- (3) An *election to rely on financial reports does not apply to a *financial arrangement if:
 - (a) the election is made by the *head company of a *consolidated group or *MEC group; and
 - (b) the election specifies that the election is not to apply to financial arrangements in relation to *life insurance business

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-420

- carried on by a member of the consolidated group or MEC group; and
- (c) the arrangement is one that relates to the life insurance business carried on by a member of the consolidated group or MEC group.
- (4) An *election to rely on financial reports does not apply to a *financial arrangement if the arrangement is associated with a business of a kind specified in regulations made for the purposes of this subsection.

230-420 Effect of election to rely on financial reports

- (1) If an *election to rely on financial reports applies to a *financial arrangement, the gain or loss you make from the arrangement for an income year is:
- (a) the gain or loss that the principles or standards referred to in paragraph 230-395(2)(a) require you to recognise in profit or loss from that arrangement for that income year; or
 - (b) if subsection 230-410(3) applies to the arrangement—the gain or loss that the principles or standards referred to in paragraph 230-395(2)(a) would have required you to recognise in profit or loss from that arrangement for that income year if the arrangement had not been an intra-group transaction for the purposes of the standard referred to in paragraph 230-410(3)(b); or
 - (c) if subsection 230-410(8) applies to the arrangement—the gain or loss that the principles or standards referred to in paragraph 230-410(1)(d) would have required you to recognise in profit or loss for the year from the asset or liability mentioned in paragraph 230-410(1)(d) if the arrangement had been between 2 separate entities.

Note: Subsection 230-40(7) provides that this Subdivision does not apply to a gain or loss from a financial arrangement to the extent to which Subdivision 230-E (hedging financial arrangements method) applies to the arrangement.

- (2) Subsection (3) applies if:

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (a) a *head company of a *consolidated group or *MEC group has a *financial arrangement; and
 - (b) an *election to rely on financial reports applies to the arrangement; and
 - (c) a subsidiary member of the group ceases to be a member of the group at a particular time (the *leaving time*); and
 - (d) immediately after the leaving time, the subsidiary member has the arrangement.
- (3) The gain or loss the group makes from the *financial arrangement for the income year in which the leaving time occurs is taken to be the gain or loss that the principles or standards referred to in paragraph 230-395(2)(a) would require the group to recognise in profit or loss from the arrangement for that income year if:
- (a) the circumstances that existed in relation to the arrangement (including its value) immediately before the leaving time had continued to exist until the end of the income year; and
 - (b) any circumstances that arise in relation to the arrangement after the leaving time were disregarded.

230-425 When election ceases to apply

- (1) An election under subsection 230-395(1) ceases to have effect from the start of an income year if you cease to be eligible to make an *election to rely on financial reports for that income year.
- (2) Subsection (1) does not prevent you from making a new election under subsection 230-395(1) at a later time if you become, at that later time, eligible to make an *election to rely on financial reports for an income year.

Note: The new election will only apply to financial arrangements you start to have after the start of the income year in which the new election is made.

- (3) An election under subsection 230-395(1) ceases to apply to a *financial arrangement from the start of an income year if the arrangement ceases to satisfy a requirement of paragraph 230-410(1)(c), (d), (e) or (f) during that income year.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-430

- (4) If the election ceases to apply to a particular *financial arrangement under subsection (3), the election cannot subsequently apply to that arrangement (even if the requirements of paragraphs 230-410(1)(c), (d), (e) and (f) are satisfied once more in relation to the arrangement).

230-430 Balancing adjustment if election ceases to apply

- (1) You must make balancing adjustments under subsection (2) if an election under subsection 230-395(1) ceases to have effect under subsection 230-425(1).
- (2) The balancing adjustments under this subsection are the balancing adjustments you would make under Subdivision 230-G in relation to each of the *financial arrangements to which the election applied if you disposed of the arrangement for its fair value when the election ceases to have effect.
- (3) You must make balancing adjustments under subsection (5) if an election under subsection 230-395(1) ceases to apply to a particular *financial arrangement under subsection 230-425(3).
- (4) Subsection (3) does not apply to a *financial arrangement if:
- (a) the arrangement is not one that you are required (whether or not as a result of a choice you make) by the principles or standards referred to in paragraph 230-395(2)(a) to classify or designate, in your financial reports, as at fair value through profit or loss; and
 - (b) the election under subsection 230-395(1) ceases to apply to the arrangement because the arrangement fails to satisfy the requirements of paragraph 230-410(1)(e) or (f); and
 - (c) the arrangement ceases to satisfy the requirements of that paragraph because the arrangement becomes impaired for the purposes of those principles or standards.
- (5) The balancing adjustment under this subsection is the balancing adjustment you would make under Subdivision 230-G if you

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

disposed of the *financial arrangement for its fair value when the election ceases to apply to the arrangement.

- (6) If a balancing adjustment is made under subsection (2) or (5) in relation to a *financial arrangement, you are taken, for the purposes of this Division, to have reacquired the arrangement at its fair value immediately after the election ceased to have effect or ceased to apply to the arrangement.

- (4) If a *financial arrangement is an asset of yours, for the purposes of applying this Subdivision to the arrangement, you are treated as transferring a right under the arrangement to another entity if:

Complete cessation or transfer

- (1) Use the following method statement to make the balancing adjustment if paragraph 230-435(1)(a), (b) or (d) applies:

Method statement for balancing adjustment

Step 1. Add up the following:

- (a) the total of all the *financial benefits you have received under the *financial arrangement;

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Note: This would include financial benefits you receive in relation to the transfer or cessation (see paragraph 230-60(2)(c)).

- (b) the total of the amounts that have been allowed to you as deductions, because of circumstances that have occurred before the transfer or cessation, for losses from the arrangement;
- (c) the total of the other amounts that would have been allowed to you as deductions, because of circumstances that have occurred before the transfer or cessation, for losses from the arrangement if all your losses from the arrangement were allowable as deductions;

Note: The losses from the arrangement here include losses made in gaining or producing exempt income or non-assessable non-exempt income.

- (d) the total of the amounts that will be allowed to you as deductions after the transfer or cessation because of a balancing adjustment under subitems 104(12) to (18) of the *Tax Laws Amendment (Taxation of Financial Arrangements) Act 2009* to the extent to which those amounts are attributable to the arrangement;
- (e) the total of the amounts that will be allowed to you as deductions after the transfer or cessation because of sections 230-160 and 230-165 to the extent to which those amounts are attributable to the arrangement.

Step 2. Add up the following:

- (a) the total of all the *financial benefits you have provided under the *financial arrangement;

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-445

Note: This would include financial benefits you provide in relation to the transfer or cessation (see paragraph 230-60(1)(c)).

(b) the total of the amounts that have been included in your assessable income, because of circumstances that have occurred before the transfer or cessation, as gains from the arrangement;

(c) the total of the other amounts that would have been included in your assessable income, because of circumstances that have occurred before the transfer or cessation, as gains from the arrangement if all your gains from the arrangement were assessable;

Note: The gains from the arrangement here include amounts of exempt income or non-assessable non-exempt income.

(d) the total of the amounts that will be included in your assessable income after the transfer or cessation because of a balancing adjustment under subitems 104(12) to (18) of the *Tax Laws Amendment (Taxation of Financial Arrangements) Act 2009* to the extent to which those amounts are attributable to the arrangement.

(e) the total of the amounts that will be included in your assessable income after the transfer or cessation because of sections 230-160 and 230-165 to the extent to which those amounts are attributable to the arrangement.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Step 3. Compare the amount obtained under step 1 (the ***step 1 amount***) with the amount obtained under step 2 (the ***step 2 amount***). If the step 1 amount exceeds the step 2 amount, an amount equal to the excess is taken, as a balancing adjustment, to be a gain you make from the *financial arrangement for the purposes of this Division. If the step 2 amount exceeds the step 1 amount, an amount equal to the excess is taken, as a balancing adjustment, to be a loss that you make from the arrangement. If the step 1 amount and the step 2 amount are equal, no balancing adjustment is made.

Proportionate transfer of all rights and/or obligations under financial arrangement

- (2) If subparagraph 230-435(1)(c)(i) applies, you make the balancing adjustment by applying the method statement in subsection (1) but reduce:
- (a) the amounts referred to in step 1; and
 - (b) the amounts referred to in step 2;
- by applying the proportion referred to in subparagraph 230-435(1)(c)(i) to them.

Transfer of specifically identified right or obligation under financial arrangement

- (3) If subparagraph 230-435(1)(c)(ii) applies, you make the balancing adjustment by applying the method statement in subsection (1) as if the references to:
- (a) the amounts referred to in step 1; and
 - (b) the amounts referred to in step 2;
- were references to those amounts to the extent to which they are reasonably attributable to the right or obligation referred to in subparagraph 230-435(1)(c)(ii).

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-445

- (4) If subparagraph 230-435(1)(c)(iii) applies, you make the balancing adjustment by applying the method statement:
- (a) as if the references to:
 - (i) the amounts referred to in step 1; and
 - (ii) the amounts referred to in step 2;were references to those amounts to the extent to which they are reasonably attributable to the right or obligation referred to in subparagraph 230-435(1)(c)(iii); and
 - (b) by reducing those amounts by applying the proportion referred to in subparagraph 230-435(1)(c)(iii) to them.

Attribution must reflect appropriate and commercially accepted valuation principles

- (5) Any attribution made under subsection (3) or paragraph (4)(a) must reflect appropriate and commercially accepted valuation principles that properly take into account:
- (a) the nature of the rights and obligations under the *financial arrangement; and

- (4) You are taken for the purposes of this Division:
 - (a) to have disposed of the arrangement just before the residence change time for its fair value just before that time; and
 - (b) to have acquired the arrangement again at the residence change time for its fair value at that time.

Accruals and hedging financial arrangement methods

- (5) Subsection (6) applies if:
 - (a) assuming that you disregarded this section and subsection 230-40(2), you would apply the accruals or hedging financial arrangement method to determine the amount of:
 - (i) a gain included in your assessable income under section 230-15 for the income year; or
 - (ii) a loss you can deduct under section 230-15 for the income year; and
 - (b) subsection (4) does not apply in relation to any gain or loss under the arrangement.
- (6) Apply that method by apportioning the gain or loss on a reasonable basis between those periods so as to work out:
 - (a) a gain or loss from the arrangement for the foreign residency period; and
 - (b) a gain or loss from the arrangement for the Australian residency period.

Fair value, foreign exchange retranslation and financial reports methods

- (7) Subsection (8) applies if:
 - (a) assuming that you disregarded this section and subsection 230-40(2), you would apply the fair value or foreign exchange retranslation method or the method of relying on your financial reports to determine the amount of:

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-490

- (i) a gain included in your assessable income under section 230-15 for the income year; or
 - (ii) a loss you can deduct under section 230-15 for the income year; and
 - (b) subsection (4) does not apply in relation to any gain or loss under the arrangement.
- (8) Apply that method to work out:
- (a) a gain or loss from the arrangement for the foreign residency period; and
 - (b) a gain or loss from the arrangement for the Australian residency period.

230-490 Effect of change of residence—disposal and reacquisition etc. after ceasing to be Australian resident where no further recognised gains or losses from arrangement

- (1) This section applies if:
- (a) you cease to be an Australian resident at a particular time (the *residence change time*); and
 - (b) you have a *financial arrangement at the residence change time; and
 - (c) at the residence change time you expect that any gains and losses you make from the arrangement after that time will not be assessable or deductible under this Division.
- (2) You are taken for the purposes of this Division:
- (a) to have disposed of the arrangement just before that time for its fair value just before that time; and
 - (b) to have acquired the arrangement again at the residence change time for its fair value at that time.

230-495 Effect of change of accounting principles or standards

- (1) This section applies if:
- (a) one of these methods apply to take account of a gain or loss you make from a *financial arrangement:

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (i) the fair value method provided for in Subdivision 230-C; or
 - (ii) the foreign exchange retranslation method provided for in Subdivision 230-D; or
 - (iii) the method of relying on your financial reports provided for in Subdivision 230-F; and
 - (b) there is a change in, or in the application of, the relevant principles or standards (as mentioned in section 230-230 (fair value method), 230-280 (foreign exchange retranslation method) or 230-420 (method of relying on financial reports)) that apply in relation to the arrangement; and
 - (c) that change applies to a particular income year and later years; and
 - (d) as a result of the change, those principles or standards require you to recognise in your statement of financial position an amount (the *equity amount*), in order to avoid the need to increase or decrease gains or losses recognised in profit or loss from the financial arrangement in respect of previous income years.
- (2) If the equity amount is positive, include in your assessable income for the particular income year mentioned in paragraph (1)(c) so much of it as relates to the *financial arrangement mentioned in paragraph (1)(a).
- (3) If the equity amount is negative, you are entitled to a deduction for the particular income year mentioned in paragraph (1)(c) equal to so much of it as relates to the *financial arrangement mentioned in paragraph (1)(a).

230-500 Comparable foreign accounting and auditing standards

The regulations may:

- (a) specify that particular standards that apply under a *foreign law are to be taken for the purposes of this Division to be comparable to the *accounting principles; and

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-505

- (b) specify that particular standards that apply under a foreign law are to be taken for the purposes of this Division to be comparable to the *auditing principles.

230-505 Financial arrangement as consideration for provision or acquisition of a thing

- (1) This section applies if you start or cease to have a *Division 230 financial arrangement as consideration for the provision or acquisition of a thing.
- (2) Work out the *market value of the thing at the time at which you (in fact) provide or acquire it. For the purposes of applying this Act to you, treat the amount:
 - (a) you obtain for providing the thing; or
 - (b) you provide for acquiring the thing;as being that market value.

Note 1: The amount may be relevant, for example, for the purposes of applying the provisions of this Act dealing with capital gains, capital allowances or trading stock to the thing.

Note 2: This subsection does not affect the financial benefits received or provided under the financial arrangement from you starting or ceasing to have it (except in the circumstances described in Note 3). However:

- (a) the market value of the thing will be, or form part of, those financial benefits for the purposes of section 230-445; and
- (b) in the case of a non arm's length transaction, the amount of those financial benefits may be affected by section 230-510.

Note 3: If the thing is itself a Division 230 financial arrangement and subsection (3) does not apply, this subsection will determine the financial benefits received or provided under the financial arrangement from you starting or ceasing to have it.

- (3) Subsection (2) does not apply if:
 - (a) you start or cease to have the *financial arrangement as mentioned in subsection (1) under an arrangement (the ***starting or ceasing arrangement***); and
 - (b) the thing is itself a *Division 230 financial arrangement; and

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (c) the starting or ceasing arrangement is *not* itself a Division 230 financial arrangement.

Example: An arrangement for exchanging a share subject to Subdivision 230-C for another share subject to Subdivision 230-C, where the arrangement itself is not a Division 230 financial arrangement.

- (4) For the purposes of this section:
- (a) treat yourself as providing a thing to another entity if:
 - (i) you have provided, or are to provide, the thing to the other entity; or
 - (ii) you cease to have, have ceased to have or are to cease to have, the thing; or
 - (iii) the other entity starts to have, has started having or is to start to have, the thing; and
 - (b) treat yourself as acquiring a thing if:
 - (i) another entity has provided, or is to provide, the thing to you; or
 - (ii) another entity ceases to have, has ceased to have or is to cease to have, the thing; or
 - (iii) you start to have, have started to have or are to start to have, the thing.
- (5) For the purposes of this section, treat part of a *Division 230 financial arrangement as a Division 230 financial arrangement.
- (6) Without limiting subsection (1), the thing provided, or the thing acquired, need not be a tangible thing and may take the form of services, conferring a right, incurring an obligation or extinguishing or varying a right or obligation.
- (7) To avoid doubt, this section applies even if your starting or ceasing to have the *financial arrangement mentioned in subsection (1) is only part of the consideration for the provision or acquisition of the thing.
- (8) For the purposes of this section, treat your starting or ceasing to have the *financial arrangement mentioned in subsection (1) as consideration for the provision or acquisition of the thing if that

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-510

starting or ceasing is, in substance or effect, done for the provision or acquisition of the thing.

Example: Starting to have a financial arrangement in satisfaction of an obligation, where the obligation itself was incurred as consideration for the thing.

230-510 Non-arm's length dealings in relation to financial arrangement

- (1) This section applies if:
- (a) a balancing adjustment is made under Subdivision 230-G in relation to a *Division 230 financial arrangement you have; and
 - (b) if the balancing adjustment was made because of paragraph 230-435(1)(b) or (d) (cessations without transfer)—the arrangement is not a *debt interest or loan.

Non-arm's length transaction resulting in you starting to have the arrangement

- (2) Subsection (3) applies if the parties to the dealing that resulted in you starting to have the arrangement were not dealing at *arm's length in relation to the dealing.
- (3) For the purposes of this Division:
- (a) disregard the amount of the *financial benefit (if any) that you provided or received in relation to you starting to have the arrangement; and
 - (b) instead, treat yourself as having provided or received a financial benefit in relation to you starting to have the arrangement that is equal to the amount of the financial benefit that you would have provided or received if the parties to the dealing mentioned in subsection (2) were dealing at *arm's length in relation to the dealing.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Non-arm's length transaction resulting in change of an amount of a financial benefit that you provided or received under the financial arrangement

- (4) Subsection (5) applies if the parties to a dealing that resulted in a change of an amount of a *financial benefit that you provide or receive under the *financial arrangement were not dealing at *arm's length in relation to the dealing.
- (5) For the purposes of this Division:
 - (a) disregard the amount of the *financial benefit (if any) that you provide or receive under the *financial arrangement as a result of the dealing; and
 - (b) instead, treat yourself as providing or receiving a financial benefit under the financial arrangement as a result of the dealing that is equal to the amount of the financial benefit that you would have provided or received if the parties to the dealing were dealing at *arm's length in relation to the dealing.

Non-arm's length transaction resulting in balancing adjustment

- (6) Subsection (7) applies if the parties to the dealing that resulted in the balancing adjustment mentioned in subsection (1) being made were not dealing at *arm's length in relation to the dealing.
- (7) For the purposes of this Division:
 - (a) disregard the amount of the *financial benefit (if any) that you provide or receive in relation to the balancing adjustment; and
 - (b) instead, treat yourself as providing or receiving a financial benefit in relation to the balancing adjustment that is equal to the amount of the financial benefit that you would have provided or received if the parties to the dealing mentioned in subsection (6) were dealing at *arm's length in relation to the dealing.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-515

230-515 Arm's length dealings in relation to financial arrangement—adjustment to gain or loss in certain situations

- (1) This section applies if:
 - (a) disregarding this Division, a provision mentioned in subsection (2) makes an adjustment to an amount (including a nil amount) (the **relevant amount**); and
 - (b) the relevant amount is relevant in determining the amount of a gain or loss you make from a *Division 230 financial arrangement.
- (2) The provisions are as follows:
 - (a) section 52A of the *Income Tax Assessment Act 1936*;
 - (c) Division 16J of Part III of the *Income Tax Assessment Act 1936*;
 - (d) Division 16K of Part III of the *Income Tax Assessment Act 1936*;
 - (e) item 3 of the table in subsection 245-65(1) of this Act;
 - (f) section 775-40 of this Act.
- (3) In determining the amount of the gain or loss, treat the relevant amount as having been adjusted by the provision mentioned in subsection (2).
- (4) However, if the circumstances that give rise to the adjustment result in section 230-510 having the effect of altering the amount of the gain or loss, do not treat the relevant amount as having been adjusted under subsection (3) to the extent of that alteration.

230-520 Disregard gains or losses covered by value shifting regime

- (1) Disregard a gain or loss under this Division from a *financial arrangement to the extent that it is attributable to:
 - (a) a shifting of value that has consequences under Division 723;or

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (b) a *direct value shift that has consequences under Division 725; or
 - (c) an *indirect value shift that has consequences under Division 727; or
 - (d) a shifting of value that has consequences analogous to those under Division 725 or 727 under a repealed provision of this Act or of the *Income Tax Assessment Act 1936*.
- (2) Determine whether a shifting of value has the consequences mentioned in paragraph (1)(a) on the assumption that a *realisation event in respect of all or part of the *financial arrangement happens in the income year for the gain or loss.

230-525 Consolidated financial reports

For the purposes of this Division, treat a financial report prepared by another entity as being prepared by you if:

- (a) the other entity is a *connected entity of yours; and
- (b) the report is a consolidated financial report that deals with both your affairs and the affairs of the connected entity; and
- (c) the report properly reflects your affairs.

230-527 Elections—reporting documents of foreign ADIs

- (1) So much of a Statement of Financial Performance and a Statement of Financial Position, given to *APRA by a foreign ADI (within the meaning of the *Banking Act 1959*) as required under section 13 of the *Financial Sector (Collection of Data) Act 2001*, as:
- (a) cover the activities of an *Australian permanent establishment of the foreign ADI for the year; and
 - (b) are prepared in accordance with the recognition and measurement standards under the *accounting principles; and
 - (c) are audited in accordance with the *auditing principles;
- are treated, for the purposes of the provisions mentioned in subsection (2), as being a financial report for a year:

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 230-530

- (d) prepared by the foreign ADI in accordance with the accounting principles; and
 - (e) audited in accordance with the auditing principles.
- (2) The provisions are as follows:
 - (a) sections 230-150 to 230-165 (election for portfolio treatment of fees);

Guide to Division 235

235-1 What this Division is about

This Division is about the tax treatment of particular kinds of financial transactions.

Subdivision 235-I—Instalment trusts

Guide to Subdivision 235-I

235-805 What this Subdivision is about

An entity that invests in an asset through an instalment warrant, instalment receipt, or other similar arrangement, is treated for most income tax purposes as if it had invested in the asset directly.

A regulated superannuation fund that invests in an asset through a limited recourse borrowing is treated in the same way.

Table of sections

Operative provisions

235-810	Object of this Subdivision
235-815	Application of Subdivision
235-820	Look-through treatment for instalment trusts
235-825	Meaning of <i>instalment trust</i> and <i>instalment trust asset</i>

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 235-810

- 235-830 What trusts are covered—instalment trust arrangements
- 235-835 Requirement for underlying investments to be listed or widely held
- 235-840 What trusts are covered—limited recourse borrowings by regulated superannuation funds
- 235-845 Interactions with other provisions

Operative provisions

235-810 Object of this Subdivision

The object of this Subdivision is to ensure that, for most income tax purposes, the consequences of ownership of an *instalment trust asset flow to the entity that has the beneficial interest in the asset, instead of to the trustee.

235-815 Application of Subdivision

- (1) This Subdivision applies to:
 - (a) the entity that has the beneficial interest in an *instalment trust asset as the beneficiary of an *instalment trust; and
 - (b) the trustee of the instalment trust.
- (2) This Subdivision applies for the purposes of this Act, apart from:
 - (a) Part VA of the *Income Tax Assessment Act 1936* (which is about tax file numbers); and
 - (b) Subdivisions 12-E, 12-F and 12-H in Schedule 1 to the *Taxation Administration Act 1953* (which are about PAYG withholding).

Joint investments

- (3) This Subdivision applies in relation to 2 or more entities that hold an interest in a trust as joint tenants, or as tenants in common, in the same way it applies in relation to a single entity that holds such an interest.

Note: Each investor that is treated by this Subdivision as jointly owning an instalment trust asset is treated for CGT purposes as owning a separate asset: see section 108-7.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

235-820 Look-through treatment for instalment trusts

- (1) If an entity (the ***investor***) has a beneficial interest in an *instalment trust asset under an *instalment trust, the asset is treated as being the investor's asset (instead of being an asset of the trust).

Example: A dividend in respect of the asset is paid to the trustee. It is treated (but not for the purposes of the PAYG withholding provisions mentioned in paragraph 235-815(2)(b)) as if it had been paid directly to the investor.

- (2) An act done in relation to an *instalment trust asset of an *instalment trust by the trustee of the trust is treated as if the act had been done by the investor (instead of by the trustee).

Example: A trustee disposes of the asset. Any capital gain or loss is made by the investor, not by the trustee.

- (3) The investor is treated as having the *instalment trust asset in the same circumstances as the investor actually has the interest in the *instalment trust.

- (4) Without limiting subsection (3), the circumstances include:

- (a) whether the interest is held on capital account or on revenue account; and
- (b) whether the interest is held as a joint tenant or tenant in common.

- (5) Any consequence arising under the *GST Act for the trustee of the *instalment trust, as a result of anything done in relation to the *instalment trust asset, is treated as if it had arisen for the investor (instead of for the trustee), even if that consequence would not have arisen had the thing been done by or to the investor.

Example: If the trustee has a net input tax credit under the GST Act, the investor must apply the credit to reduce the investor's cost base for the instalment trust asset (even if the investor is not registered or required to be registered for GST purposes): see section 103-30.

235-825 Meaning of *instalment trust* and *instalment trust asset*

- (1) A trust is an ***instalment trust*** if:

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 235-830

- (a) the trust is covered by section 235-830 (about instalment trust arrangements) and satisfies the requirements in section 235-835 (about requirements for underlying investments to be listed or widely held); or
 - (b) the trust is covered by section 235-840 (about limited recourse borrowings by *regulated superannuation funds).
- (2) An **instalment trust asset** is an asset that is, or is part of, the underlying investment of an *instalment trust (as mentioned in section 235-830 or 235-840, as the case requires).

235-830 What trusts are covered—instalment trust arrangements

- (1) This section covers a trust if, under an *arrangement:
- (a) an entity (the **investor**) makes a *borrowing, or is provided with credit; and
 - (b) to secure the borrowing or provision of credit, the trustee of the trust acquires an asset or assets (the **underlying investment**); and
 - (c) the investor has a beneficial interest in the underlying investment as the sole beneficiary of the trust; and
 - (d) for a provision of credit—the credit was provided to the investor to acquire the asset, or one of the assets, that comprises the underlying investment; and
 - (e) the investor is entitled to the benefit of all income from the underlying investment; and
 - (f) the investor is entitled to acquire legal ownership of the underlying investment on discharging its obligations relating to the borrowing or provision of credit.

Note: For paragraph (c), the sole beneficiary of the trust may be 2 or more entities that have an interest in the trust as joint tenants or tenants in common: see subsection 235-815(3).

- (2) However, this section does not cover a trust if the investor is a trustee of a *regulated superannuation fund and the *arrangement includes a *borrowing.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 235-835

- (3) This section does not cover a trust if the underlying investment is subject to any charge, security or other encumbrance (apart from any charge securing the obligations relating to the *borrowing or provision of credit).

235-835 Requirement for underlying investments to be listed or widely held

- (1) A trust satisfies the requirements in this section if:
- (a) each asset that is, or is part of, the underlying investment is:
 - (i) a *share, a unit in a unit trust or a stapled security; or
 - (ii) an interest in an entity that holds an interest in a share, a unit in a unit trust or a stapled security either directly, or indirectly through one or more interposed entities; and
 - (b) each such share, unit or stapled security:
 - (i) is listed for quotation in the official list of an *approved stock exchange; or
 - (ii) meets the widely held requirement set out in the applicable item of the following table.

Widely held requirements		
Item	Column 1 Type of asset	Column 2 Widely held requirement
1	A *share in a company	The company is a *widely held company
2	A unit in a unit trust	The unit trust is a widely held unit trust as defined in section 272-105 in Schedule 2F to the <i>Income Tax Assessment Act 1936</i>
3	A stapled security	All companies involved are *widely held companies and all trusts involved are such widely held unit trusts

- (2) A *share, unit in a unit trust or a stapled security that fails the widely held requirement set out in the table in subsection (1) is treated as satisfying that requirement if the failure:
- (a) is of a temporary nature only; and

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 235-840

- (b) is caused by circumstances outside the investor's control.
- (3) In applying subsection (1), disregard an asset, or the cash proceeds from disposing of an asset, if:
- (a) the trustee became entitled to the asset in respect of a *share, unit or stapled security that was, or was part of, the underlying investment just before the entitlement arose; and
 - (b) the asset is not a *share, unit in a unit trust, or stapled security; and
 - (c) if the asset is an interest in an entity, or a right, option or similar interest that gives the holder an entitlement to acquire an interest in an entity:
 - (i) an interest in the entity is listed for quotation in the official list of an *approved stock exchange; or
 - (ii) the entity meets a widely held requirement set out in column 2 of item 1 or 2 of the table in subsection (1); and
 - (d) the underlying investment comprises one or more other assets that are not disregarded under this subsection.
- Example: Examples of the types of assets disregarded by this subsection are:
- (a) assets that represent distributions and capital payments in respect of the underlying investment; and
 - (b) bonus rights issued in respect of the underlying investment.
- (4) Despite subsections (1) to (3), the underlying investment does not satisfy the requirement in this section if an asset that is, or is part of, the underlying investment is an *ESS interest to which Subdivision 83A-B or 83A-C (about employee share schemes) applies.

235-840 What trusts are covered—limited recourse borrowings by regulated superannuation funds

This section covers a trust if:

- (a) under an *arrangement, an asset or assets (the *underlying investment*) is acquired by the trustee of the trust for the

Section 235-845

benefit of a trustee of a *regulated superannuation fund to secure a *borrowing; and

- (b) until the borrowing is repaid, the arrangement is covered by:
 - (i) the exception in subsection 67A(1) of the *Superannuation Industry (Supervision) Act 1993* (which is about limited recourse borrowing arrangements); or
 - (ii) the exception in former subsection 67(4A) of that Act (which was about instalment warrants).

235-845 Interactions with other provisions

- (1) Section 106-50 (about absolutely entitled beneficiaries) does not apply to an *instalment trust asset.
- (2) Section 106-60 (about securities, charges and encumbrances) does not apply to an *instalment trust asset.
- (3) Nothing in this Subdivision limits Division 247 (which is about capital protected borrowings).

Note: Division 247 may apply to an arrangement to which this Subdivision applies.

240-1 What this Division is about

For income tax purposes, some arrangements (such as hire purchase agreements) are recharacterised as a sale of property, combined with a loan, by the notional seller to the notional buyer, to finance the purchase price.

240-3 How the recharacterisation affects the notional seller

Effect of notional sale

- (1) The consideration for the notional sale is either the price stated as the cost or value of the property or its arm's length value. If the notional seller is disposing of the property as trading stock, the

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

normal consequences of disposing of trading stock follow. In particular, the notional seller will be assessed on the sale price.

- (2) Where the property is not trading stock the notional seller's assessable income will include any profit made by the notional seller on the notional sale or on the sale of the property after a notional re-acquisition.

Effect of notional loan

- (3) The notional seller's assessable income will include notional interest over the period of the loan.

Other effects

- (4) These effects displace the income tax consequences that would otherwise arise from the arrangement. For example, the actual payments to the notional seller are not included in its assessable income. Also, the notional seller loses the right to deduct amounts under Division 40 (about capital allowances).

240-7 How the recharacterisation affects the notional buyer

Effect of notional purchase

- (1) The cost of the acquisition is either the price stated as the cost or value of the property or its arm's length value. If the notional buyer is acquiring the property as trading stock, the normal consequences of acquiring trading stock follow. In particular, the notional buyer can usually deduct the purchase price.
- (2) If the property is not trading stock, the notional buyer may be able to deduct amounts for the expenditure under Division 40 (about capital allowances).

Effect of notional loan

- (3) The notional buyer may be able to deduct notional interest payments over the period of the loan.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 240-10

Other effects

- (4) These effects displace the income tax consequences that would otherwise arise from the arrangement. For example, the notional buyer cannot deduct the actual payments to the notional seller.

Special provisions that apply to particular arrangements are also listed in the table.

Operative provisions

240-17	Who is the notional seller and the notional buyer?
240-20	Notional sale of property by notional seller and notional acquisition of property by notional buyer
240-25	Notional loan by notional seller to notional buyer

Operative provisions

240-17 Who is the notional seller and the notional buyer?

- (1) An entity is the **notional seller** if it is a party to the *arrangement and:
 - (a) actually owns the property; or
 - (b) is the owner of the property because of a previous operation of this Division.
- (2) An entity is the **notional buyer** if it is a party to the *arrangement and, under the arrangement, has the *right to use the property.

Example: If the arrangement is a hire purchase agreement, the finance provider will be the notional seller and the hirer will be the notional buyer.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 240-20

240-20 Notional sale of property by notional seller and notional acquisition of property by notional buyer

- (1) The *notional seller is taken to have disposed of the property by way of sale to the *notional buyer, and the notional buyer is taken to have acquired it, at the start of the *arrangement.
- (2) The *notional buyer is taken to own the property until:
 - (a) the *arrangement ends; or
 - (b) the notional buyer becomes the *notional seller under a later arrangement to which this Division applies.

240-25 Notional loan by notional seller to notional buyer

- (1) On entering into the *arrangement, the *notional seller is taken to have made a loan (the ***notional loan***) to the *notional buyer.
- (2) The notional loan is for a period:
 - (a) starting at the start of the *arrangement; and
 - (b) ending on the day on which the arrangement is to cease to have effect or, if the arrangement is of indefinite duration, on the day on which it would be reasonable to conclude, having regard to the terms and conditions of the arrangement, that the arrangement will cease to have effect.
- (3) The notional loan is of an amount (the ***notional loan principal***) equal to the consideration for the sale of the property less any amount paid, or credited by the *notional seller as having been paid, by the *notional buyer to the notional seller, at or before the start of the *arrangement, for the cost of the property.

Note: Section 240-80 affects the amount of the notional loan principal where the arrangement is an extension or renewal of another arrangement.
- (4) The notional loan is subject to payment of interest.
- (5) The consideration for the sale of the property by the *notional seller, and the cost of the acquisition of the property by the *notional buyer, are each taken to have been:

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (a) if an amount is stated to be the cost or value of the property for the purposes of the *arrangement and the notional seller and the notional buyer were dealing with each other at *arm's length in connection with the arrangement—the amount so stated; or
 - (b) otherwise—the amount that could reasonably have been expected to have been paid by the notional buyer for the purchase of the property if:
 - (i) the notional seller had actually sold the property to the notional buyer at the start of the arrangement; and
 - (ii) the notional seller and the notional buyer were dealing with each other at arm's length in connection with the sale.
- (6) The notional loan principal is taken to be repaid, and the interest is taken to be paid, by the making of the payments under the *arrangement.

Subdivision 240-C—Amounts to be included in notional seller's assessable income

Guide to Subdivision 240-C

240-30 What this Subdivision is about

This Subdivision provides for the inclusion in the notional seller's assessable income of:

- (a) amounts (notional interest) on account of the interest for the notional loan that the notional seller is taken to have made to the notional buyer; and
- (b) any profit made by the notional seller:
 - (i) on the notional sale of the property to the notional buyer; or

Operative provisions

240-35 Amounts to be included in notional seller's assessable income

Notional interest

- (1) The *notional seller's assessable income of an income year includes the *notional interest for *arrangement payment periods, and parts of arrangement payment periods, in the income year.

Profit on notional sale

- (2) If the property is not *trading stock of the *notional seller and the consideration for the notional sale of the property exceeds the cost of the acquisition of the property by the notional seller, the excess is included in the notional seller's assessable income of the income year of the notional sale.

Profit on actual sale after notional re-acquisition

- (3) If:
- (a) the *notional seller is taken under this Division to have re-acquired the property from the *notional buyer; and
 - (b) the notional seller afterwards sells the property; and
 - (c) the consideration for the sale exceeds the cost of the re-acquisition;

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 240-40

the excess is included in the notional seller's assessable income of the income year in which the sale occurred.

240-40 Arrangement payments not to be included in notional seller's assessable income

- (1) The *arrangement payments that the *notional seller receives, or is entitled to receive, under the *arrangement:
 - (a) are not to be included in the *notional seller's assessable income of any income year; but
 - (b) are not taken to be *exempt income of the notional seller.
- (2) However, those *arrangement payments are taken into account in calculating *notional interest that is included in the *notional seller's assessable income under section 240-35.
- (3) A loss or outgoing incurred by the *notional seller in deriving any such *arrangement payments is not taken to be a loss or outgoing incurred by the notional seller in relation to gaining or producing *exempt income.

Subdivision 240-D—Deductions allowable to notional buyer

Guide to Subdivision 240-D

240-45 What this Subdivision is about

This Subdivision provides that the notional buyer may, in certain circumstances, be entitled to deductions for the notional interest for the notional loan that the notional seller is taken to have made to the notional buyer.

Table of sections

Operative provisions

240-50 Extent to which deductions are allowable to notional buyer

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 240-50

240-55 Arrangement payments not to be deductions

Operative provisions

240-50 Extent to which deductions are allowable to notional buyer

- (1) The *notional buyer is only entitled to deduct *notional interest for an income year to the extent that the notional buyer would, apart from this Division, have been entitled to deduct *arrangement payments for that income year if no part of those payments were capital in nature.
- (2) The *notional buyer is entitled to deduct *notional interest for *arrangement payment periods, and parts of arrangement payment periods, in the income year.

240-55 Arrangement payments not to be deductions

The *notional buyer is not entitled to deduct *arrangement payments that the *notional buyer makes under the *arrangement, but those payments are taken into account in calculating *notional interest that may be deducted under section 240-50.

Subdivision 240-E—Notional interest and arrangement payments

Table of sections

Operative provisions

240-60	Notional interest
240-65	Arrangement payments
240-70	Arrangement payment periods

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Operative provisions

240-60 Notional interest

- (1) The **notional interest* for an **arrangement* payment period is worked out as follows:

Calculating **notional interest*

- Step 1. Add the **notional interest* from previous **arrangement* payment periods to the notional loan principal.
- Step 2. Subtract any **arrangement* payments that have already been made or that are due but that have not been made. The result is the *outstanding notional loan principal* as at the start of the **arrangement* payment period.
- Step 3. Work out the *implicit interest rate* for the **arrangement* payment period, taking into account the **arrangement* payments payable by the **notional buyer* under the **arrangement* and any **termination* amounts.
- Step 4. Multiply the outstanding notional loan principal by the implicit interest rate. The result is the *notional interest* for the **arrangement* payment period.

- (2) If only part of an **arrangement* payment period occurs during an income year, the **notional interest* for that part of the arrangement payment period is so much of the notional interest for that arrangement payment period as may appropriately be related to that income year in accordance with generally accepted accounting principles.
- (3) In calculating the implicit interest rate, if any of the relevant amounts are not known at the start of the **arrangement*, a reasonable estimate of the amount is to be made and is to be used

**To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.*

Section 240-65

for the purposes of calculating the implicit interest rate for each income year of the *notional seller.

- (4) If a reasonable estimate cannot be made at that time, an estimate of the amount is to be made at the end of each income year of the *notional seller for the purposes of calculating the implicit interest rate for each income year of the notional seller.

240-65 Arrangement payments

An *arrangement payment* is an amount that the *notional buyer is required to pay under the *arrangement but does not include:

- (a) an amount in the nature of a penalty payable for failure to make a payment on time; or
- (b) a *termination amount.

240-70 Arrangement payment periods

- (1) An **arrangement payment period* is a period for which a payment under the *arrangement is allocated or expressed to be payable.
- (2) However, if a period exceeds 6 months, the period is not an *arrangement payment period but each of the following parts of the period is a separate arrangement payment period:
- (a) the part of the period beginning at the start of that period and ending 6 months later;
 - (b) each part of the period:
 - (i) beginning immediately after a part of the period that is an arrangement payment period under paragraph (a) or under a previous application of this paragraph; and
 - (ii) ending 6 months after the start of that later part or at the end of the period, whichever first occurs.

| 240-80 | What happens if the arrangement is extended or renewed |
| 240-85 | What happens if an amount is paid by or on behalf of the notional buyer to acquire the property |
| 240-90 | What happens if the notional buyer ceases to have the right to use the property |

Operative provisions

240-75 When is the end of the arrangement?

- (1) If the *arrangement is stated to cease to have effect at a particular time, it is taken for the purposes of this Division to end (even if it is extended or renewed) at the earlier of:
 - (a) that time; or
 - (b) the time at which the arrangement ceases to have effect (whether because the arrangement is terminated or for any other reason).

Note: Section 240-80 deals with extensions and renewals.

- (2) An *arrangement is taken to have ended if it is extended or renewed.
- (3) If the *arrangement is of indefinite duration, it ends at the time at which the arrangement ceases to have effect even if the *arrangement is renewed.

Note: Section 240-80 deals with extensions and renewals.

- (4) An *arrangement is taken to have ended if it is reasonable to conclude, having regard to the terms and conditions of the *arrangement, that the arrangement has ceased to have effect.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 240-80

- (5) An *arrangement is also taken to have ended if the property has been lost or destroyed.

240-80 What happens if the arrangement is extended or renewed

- (1) This section sets out what happens if, after the end of the *arrangement, the *notional buyer and *notional seller extend or renew the *arrangement.
- (2) This Division applies as if the original *arrangement has ended and the extended arrangement or renewed arrangement is a separate arrangement (the *new arrangement*).
- (3) There is not, however, taken to be any disposal or acquisition as a result of the original arrangement ending or of the new arrangement starting and the *notional buyer does not cease to own the property.
- (4) Also, the notional loan principal for the new loan is:
- (a) if the *arrangement as extended or renewed states an amount as the cost or value of the property for the purposes of the extension or renewal and the *notional seller and the *notional buyer were dealing with each other at *arm's length in connection with the extension or renewal—the amount so stated; or
 - (b) otherwise—the amount that could reasonably have been expected to have been paid by the notional buyer for the purchase of the property if:
 - (i) the notional seller had actually sold the property to the notional buyer when the arrangement was extended or renewed; and
 - (ii) the notional seller and notional buyer were dealing with each other at arm's length in connection with the sale.
- (5) Subdivision 240-G applies to the notional loan for the original arrangement. For that purpose, the notional loan principal for the new arrangement is taken to be a *termination amount paid to the *notional seller under the original arrangement.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

240-85 What happens if an amount is paid by or on behalf of the notional buyer to acquire the property

If, at or after the end of the *arrangement, an amount is paid to the *notional seller by, or on behalf of, the *notional buyer to acquire the property, the following provisions have effect:

- (a) the amount paid is not included in the notional seller's assessable income;
- (b) the notional buyer cannot deduct the payment;
- (c) the notional buyer is taken to continue to own the property;
- (d) the transfer to the notional buyer of legal title to the property is not taken to be a disposal of the property by the notional seller.

240-90 What happens if the notional buyer ceases to have the right to use the property

- (1) This section applies if, at the end of the *arrangement:
 - (a) the arrangement is not extended or renewed in the way mentioned in subsection 240-80(1); and
 - (b) no amount is paid to the *notional seller by, or on behalf of, the *notional buyer to acquire the property; and
 - (c) the property is not lost or destroyed.
- (2) The property is taken to have been disposed of by the *notional buyer by way of sale back to the *notional seller, and to have been acquired by the *notional seller, at the end of the *arrangement.
- (3) The consideration for the sale of the property by the *notional buyer, and the cost of the acquisition of the property by the *notional seller, are each taken to be equal to the *market value of the property at the end of the *arrangement.
- (4) Subsection (5) applies where the property is a *car and if it:
 - (a) had been bought from the *notional seller, when this Division first applied to an *arrangement in respect of the car, by the

*notional buyer for a price equal to the notional loan principal; and

- (b) had been first used by the notional buyer for any purpose in the *financial year in which that time occurred;

the cost of the car, for the purpose of working out its decline in value for that person under Division 40, would have been limited by section 40-230.

- (5) Where an associate of the *notional buyer acquires the *car, the *cost of the car for the purposes of the application of Division 40 to the associate is taken to be whichever is the lesser of:

- (a) the sum of:

- (i) the amount that would have been the *adjustable value of the car at that time for the purposes of the application of that Division to the notional buyer if the notional buyer were not taken under this Division to have disposed of the car; and

- (ii) any amount that is included in the notional buyer's assessable income under section 40-285 because the notional buyer is taken to have disposed of the car; or

- (b) the cost of the acquisition of the car by the associate.

Subdivision 240-G—Adjustments if total amount assessed to notional seller differs from amount of interest

Guide to Subdivision 240-G

240-100 What this Subdivision is about

This Subdivision provides for adjustments if the sum of the amounts included in the notional seller's assessable income are greater or less than the interest, worked out at the end of the arrangement, for the notional loan.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Table of sections

Operative provisions

- 240-105 Adjustments for notional seller
240-110 Adjustments for notional buyer

Operative provisions

240-105 Adjustments for notional seller

- (1) This section applies at the end of the *arrangement.
- (2) If the sum of:
- (a) all amounts (other than *termination amounts) that were paid or payable to the *notional seller under the *arrangement; and
 - (b) any termination amounts paid or payable to the notional seller;
- exceeds the amount worked out using the formula in subsection (4), the excess is included in the notional seller's assessable income of the income year in which the arrangement ends.
- Note: Subsection 240-80(5) provides that the amount of a notional loan that is taken to be made by an extended or renewed arrangement is a termination amount paid under the previous arrangement.
- (3) If the amount worked out using the formula in subsection (4) exceeds:
- (a) all amounts (other than *termination amounts) that were paid or payable to the *notional seller under the *arrangement; and
 - (b) any termination amounts paid or payable to the notional seller;
- the notional seller is entitled to deduct the excess in the income year in which the arrangement ends.
- Note: Subsection 240-80(5) provides that the amount of a notional loan that is taken to be made by an extended or renewed arrangement is a termination amount paid under the previous arrangement.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 240-110

- (4) The formula for the purposes of subsections (2) and (3) is:

Notional loan principal + Assessed notional interest

where:

assessed notional interest means the *notional interest that has been or is to be included in the *notional seller's assessable income of any income year.

240-110 Adjustments for notional buyer

- (1) If:

- (a) an amount is included in the *notional seller's assessable income of an income year under subsection 240-105(2); or
- (b) an amount would have been so included if the notional seller had been subject to tax on assessable income;

the *notional buyer is entitled to deduct a corresponding amount in the notional buyer's income year.

- (2) If:

- (a) the *notional seller is entitled to deduct an amount for an income year under subsection 240-105(3); or
- (b) the notional seller would have been so entitled if the *notional seller had been subject to tax on assessable income;

a corresponding amount is included in the notional buyer's assessable income for the notional buyer's income year.

- (3) The *notional buyer is entitled to a deduction, and is required to include an amount in his or her assessable income only to the extent (if any) that the notional buyer would, apart from this Division, have been entitled to deduct *arrangement payments if no part of those payments were capital in nature.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Subdivision 240-H—Application of Division 16E to certain arrangements

240-112 Division 16E applies to certain arrangements

- (1) Division 16E of Part III of the *Income Tax Assessment Act 1936* applies in relation to an arrangement (the ***assignment arrangement***) between the notional seller and another person (the ***holder***) to transfer the right to payments (the ***Division 240 payments***) under an arrangement that is treated as a sale and loan by this Division (the ***sale and loan arrangement***).
- (2) In applying Division 16E, the following assumptions are to be made:
 - (a) the assignment arrangement is the qualifying security;
 - (b) the notional seller is the issuer;
 - (c) the qualifying security is issued when the assignment arrangement is entered into;
 - (d) the issue price is consideration provided to the notional seller under the assignment arrangement;
 - (e) the Division 240 payments are payments made by the notional seller under the assignment arrangement;
 - (f) no part of the payments represent periodic interest.
- (3) This Subdivision does not apply if the assignment arrangement gives rise to a termination of the sale and loan arrangement for the purposes of this Division.
- (4) To avoid doubt, Division 6A of Part III of the *Income Tax Assessment Act 1936* does not apply to an assignment arrangement to which this Subdivision applies.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 240-115

Subdivision 240-I—Provisions applying to hire purchase agreements

Table of sections

Operative provisions

240-115 Another person, or no person taken to own property in certain cases

Operative provisions

240-115 Another person, or no person taken to own property in certain cases

- (1) This section sets out special modifications of the effect of this Division that apply in relation to a *hire purchase agreement unless:
- (a) the notional buyer would have been the owner or the *quasi-owner of the property if the *arrangement had been a sale of the property; and
 - (b) it is reasonably likely that the right, obligation or contingent obligation to acquire the property will be exercised by, or in respect of, the notional buyer.

Note: An example of a contingent obligation is a put option.

- (2) The modifications also apply if the *notional buyer:
- (a) disposes of his or her interest in the property; or
 - (b) enters into a lease covered by Division 242 (about luxury car leases) under which he or she leases the property to another person.

Modifications

- (3) For the purpose of the *capital allowance provisions, if, apart from the operation of this Division, an entity other than the *notional seller would own the property that is the subject of an agreement covered by this section, that entity is taken to be the owner of the property.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (4) For the purpose of the *capital allowance provisions, if, apart from the operation of this Division, the *notional seller would own the property that is the subject of an agreement covered by this section, no entity is taken to be the owner of the property.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Division 242—Leases of luxury cars

Table of Subdivisions

	Guide to Division 242
242-A	Notional sale and loan
242-B	Amount to be included in lessor's assessable income
242-C	Deductions allowable to lessee
242-D	Adjustments if total amount assessed to lessor differs from amount of interest
242-E	Extension, renewal and final ending of the lease

Guide to Division 242

242-1 What this Division is about

A luxury car is one whose market value exceeds the car limit set for a car's capital allowance deductions by section 40-230.

If the lessor of a luxury car is tax exempt, or taxed at a lower rate than the lessee, the lease could be structured to give both parties a better after-tax outcome than if the lessee had bought the car. The lessee could fully deduct the lease payments, thereby avoiding the capital allowance limit for luxury cars, and the lessor would receive higher lease payments.

This Division removes the tax benefit for the lessee by putting both parties in the same position as if the lessor had sold the car to the lessee and lent the lessee the purchase price.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Subdivision 242-A—Notional sale and loan

Guide to Subdivision 242-A

242-5 What this Subdivision is about

A leased luxury car is treated for income tax purposes as if it had been sold by the lessor to the lessee for the car's market value. The lessor is treated as having lent the lessee the money to buy the car, and the lease payments are treated as payments of the principal and interest on that notional loan.

242-10	Application
242-15	Notional sale and acquisition
242-20	Consideration for notional sale, and cost, of car
242-25	Notional loan by lessor to lessee

Operative provisions

242-10 Application

- (1) This Division applies to a *car that:
 - (a) is leased (but not under a *short-term hire agreement or a *hire purchase agreement) for consideration; and
 - (b) was a *luxury car when the lessor first leased it; and
 - (c) is not *trading stock of the lessee; and
 - (d) is not a car covered by subsection 40-230(2) (about cars modified to carry individuals with a disability).
- (2) The provisions of this Division do not have effect for the purposes of Division 11A of Part III of the *Income Tax Assessment Act 1936* (about withholding tax on dividends, interest and royalties).

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 242-15

Note: This subsection prevents interest on the notional loan that this Division creates being subject to withholding tax under Division 11A.

- (3) For the purposes of paragraph (1)(a), the question whether an agreement is a *short-term hire agreement is determined on the basis that an employee or employer of an entity is an *associate of the entity.

Note: Under the definition of *short-term hire agreement* in subsection 995-1(1), successive agreements for the hire of the same asset to an entity or its associates are not short-term hire agreements if they result in substantial continuity of hiring.

242-15 Notional sale and acquisition

- (1) This Act has effect as if:
- (a) the *car had been disposed of (the *notional sale*) by the lessor to the lessee; and
 - (b) the car had been acquired by the lessee;
- at the start of the term of the lease.

Note: This Act will apply as it would have if the lessor had actually disposed of the car to the lessee. For example, if the lessor had been deducting an amount for the car's decline in value, the notional disposal will activate the balancing adjustment rules in Subdivision 40-D because the lessor would be treated as no longer holding the car.

- (2) This Act also has effect as if the lessee owns the *car until:
- (a) the lease (not including any extension or renewal of the lease) ends; or
 - (b) the lessee enters into a sublease of the car and this Division applies to the car in relation to the sublease.

Note 1: This means that the lessee (and not the lessor) may be able to deduct amounts for the decline in value of the car under Division 40.

Note 2: The lessee will be treated as continuing to own the car until the end of any extension or renewal: see section 242-80.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

242-20 Consideration for notional sale, and cost, of car

- (1) The consideration for the notional sale by the lessor, and the first element of the *cost of the *car for the lessee, are the car's *market value at the start of the term of the lease.
- (2) If:
 - (a) the lease is a sublease; and
 - (b) the lessee is one or more of the following:
 - (i) an *associate of the lessor;
 - (ii) an employer of the lessor;
 - (iii) an employee of the lessor;the first element of the *cost of the *car to the lessee is the sum of:
 - (c) the amount that would have been the car's *adjustable value at the start of the term of the lease for the purposes of applying this Act to the lessor if the lessor were not taken under this Division to have disposed of the car; and
 - (d) any amount that is included in the lessor's assessable income under section 40-285 as a balancing adjustment because the lessor is treated as having disposed of the car.

Note: Section 242-20 of the *Income Tax (Transitional Provisions) Act 1997* extends paragraph (2)(d) to cover amounts included in assessable income under former provisions corresponding to section 40-285.

242-25 Notional loan by lessor to lessee

- (1) This Act has effect as if, on the grant of the lease, the lessor had made a loan (the ***notional loan***) to the lessee:
 - (a) for a period equal to the term of the lease (not including the term of any extension or renewal); and
 - (b) of an amount (the ***notional loan principal***) equal to the consideration for the notional sale of the *car less any amount paid, or credited by the lessor as having been paid, by the lessee to the lessor, at or before the start of the term of the lease, for the first element of the *cost of the car to the lessee; and

Section 242-30

(c) subject to payment of interest.

Note: There is a further notional loan if the lease is extended or renewed: see section 242-80.

- (2) This Act has effect as if the notional loan principal were repaid, and the interest were paid, by the making of the *luxury car lease payments.

Subdivision 242-B—Amount to be included in lessor's assessable income

Guide to Subdivision 242-B

242-30 What this Subdivision is about

The lessor's assessable income includes the interest on the notional loan.

The lease payments to the lessor are non-assessable non-exempt income.

Note: If the consideration for a notional sale of a car exceeds the adjustable value of the car to the lessor, the excess will be included in the lessor's assessable income under section 40-285.

There would be a similar result if the lessor is treated as having reacquired the car and then sells the car for more than the cost of reacquisition.

242-40 Treatment of lease payments

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Operative provisions

242-35 Amount to be included in lessor's assessable income

Accrual amounts

- (1) The lessor's assessable income for an income year includes:
 - (a) if a *luxury car lease payment period for the lease of a *car occurs wholly during that income year—the amount (an ***accrual amount***) worked out under subsection (2) for that luxury car lease payment period; and
 - (b) if part of a luxury car lease payment period for the lease of a car occurs during that income year—so much of the amount (also an ***accrual amount***) worked out under subsection (2) for that luxury car lease payment period as may appropriately be related to that income year in accordance with generally accepted accounting principles.

- (2) The amount is:

Outstanding notional loan principal at
the start of the lease payment period \times Implicit interest rate

where:

implicit interest rate is the implicit interest rate under the lease for the *luxury car lease payment period, taking into account the payments to be made by the lessee under the lease and any *termination amounts.

outstanding notional loan principal at the start of the lease payment period is:

- (a) the sum of the notional loan principal and the accrual amounts for earlier *luxury car lease payment periods; less
- (b) the sum of the *luxury car lease payments that the lessee was required to make before the start of the relevant luxury car lease payment period.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 242-40

Excessive periods

- (3) If, apart from this subsection, a *luxury car lease payment period for the lease of a *car would exceed 6 months, this Division applies as if each of the following were a separate luxury car lease payment period:
- (a) the first 6 months of the original luxury car lease payment period;
 - (b) if the original luxury car lease payment period was not longer than 12 months—the remaining part of the original luxury car lease payment period;
 - (c) if the original luxury car lease payment period was longer than 12 months—each successive 6 month period in the original luxury car lease payment period;
 - (d) the period (if any) after the end of the last of the periods to which paragraph (c) applies.

242-40 Treatment of lease payments

- (1) The *luxury car lease payments under the lease are not assessable income and are not *exempt income of the lessor.

Note: Those lease payments are instead taken into account in calculating accrual amounts that are included in the lessor's assessable income under section 242-35.

- (2) In working out the amounts the lessor can deduct for any income year, ignore the fact that subsection (1) makes the *luxury car lease payments *non-assessable non-exempt income.

Note: This allows the lessor to continue to deduct amounts related to earning the lease payments (such as interest on an amount the lessor borrowed to acquire the car), just as if the amounts related to earning interest on the notional loan to the lessee.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Subdivision 242-C—Deductions allowable to lessee

Guide to Subdivision 242-C

242-45 What this Subdivision is about

The lessee is entitled to deduct the interest on the notional loan to the same extent that the lessee would have been able to deduct the lease payments apart from this Division.

Table of sections

Operative provisions

242-50	Extent to which deductions are allowable to lessee
242-55	Lease payments not deductible

Operative provisions

242-50 Extent to which deductions are allowable to lessee

- (1) If a *luxury car lease payment period for the lease of a *car occurs wholly during an income year of the lessee, the lessee can deduct the accrual amount for that period for that income year.

Note 1: If a luxury car lease payment period would otherwise be longer than 6 months, subsection 242-35(3) divides the original period into periods of no longer than 6 months.

Note 2: For *accrual amount*, see subsection 242-35(1).
- (2) If part of a *luxury car lease payment period for the lease of a *car occurs during an income year of the lessee, the lessee can deduct so much of the accrual amount for that period as may appropriately be related to that income year in accordance with generally accepted accounting principles.
- (3) The lessee can deduct an accrual amount, or part of an accrual amount, for a *luxury car lease payment period under subsection (1) or (2) for an income year only to the extent that the

lessee could deduct the luxury car lease payments made for that year apart from this Division.

242-55 Lease payments not deductible

The lessee cannot deduct the *luxury car lease payments that the lessee makes under the lease for any income year.

Note: Those payments are instead taken into account in calculating accrual amounts that are deductible under section 242-50.

Subdivision 242-D—Adjustments if total amount assessed to lessor differs from amount of interest

Guide to Subdivision 242-D

242-60 What this Subdivision is about

When a luxury car lease is extended, renewed or ends, the overall nominal gain to the lessor is compared to the nominal interest so far paid under the lease.

If the overall nominal gain is greater, the difference is assessable income of the lessor, and the lessee may be able to deduct it.

If the overall nominal gain is less, the lessor can deduct the difference, which may also be assessable income of the lessee.

This process ensures that the right amount has been taxed over the term of the lease.

Table of sections

Operative provisions

242-65	Adjustments for lessor
242-70	Adjustments for lessee

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Operative provisions

242-65 Adjustments for lessor

- (1) This section applies at the following times:
 - (a) if the term of the lease is extended—when the extension takes effect;
 - (b) if the lease is renewed—when the renewal takes effect;
 - (c) when the lease (including any extension or renewal of the lease) ends.
- (2) If the sum of all amounts (whether *luxury car lease payments, a *termination amount or any other payments) that were paid or payable to the lessor under the lease exceeds the amount worked out under subsection (4), the excess is included in the lessor's assessable income for the income year in which the relevant time occurs.

Note: Subsection 242-80(8) treats the amount of a notional loan that is taken to be made by an extended or renewed lease to be a termination amount paid under the previous lease.
- (3) If the sum of all amounts (whether *luxury car lease payments, a *termination amount or any other payments) that were paid or payable to the lessor under the lease is less than the amount worked out under subsection (4), the lessor can deduct the difference for the income year in which the relevant time occurs.
- (4) The amount for the purposes of subsections (2) and (3) is the sum of:
 - (a) the notional loan principal; and
 - (b) the sum of the accrual amounts that have been or are to be included in the lessor's assessable income of any income year.

Note: For **accrual amount**, see subsection 242-35(1).

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 242-70

242-70 Adjustments for lessee

- (1) If:
- (a) an amount is included in the lessor's assessable income for an income year under subsection 242-65(2); or
 - (b) an amount would have been so included if the lessor had been subject to tax on assessable income;
- the lessee can deduct a corresponding amount for the same income year.
- (2) If:
- (a) the lessor can deduct an amount for an income year under subsection 242-65(3); or
 - (b) the lessor could have deducted an amount under that subsection if the lessor had been subject to tax on assessable income;
- a corresponding amount is included in the lessee's assessable income for the same income year.
- (3) The lessee cannot deduct an amount for any income year under subsection (1), and an amount is not included in the lessee's assessable income of any income year under subsection (2), except to the extent (if any) that the lessee could deduct the *luxury car lease payments made apart from this Division.

Subdivision 242-E—Extension, renewal and final ending of the lease

Guide to Subdivision 242-E

242-75 What this Subdivision is about

When a luxury car lease ends (whether it expires or is terminated before its expiry date), one of 3 things will happen:

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 242-80

- (a) if the lease is extended or renewed—the original notional loan is treated as having been repaid and the lessor is treated as having made a new loan to the lessee; or
- (b) if the lessee acquires the car from the lessor—the lessee continues to own the car for tax purposes, and the actual transfer and the termination payment to acquire the car are ignored for tax purposes; or
- (c) if the lessee's right to use the car ends—the lessee is treated as having sold the car back to the lessor.

In each case, there may be adjustments under Subdivision 242-D to ensure that the right amount has been taxed over the term of the lease.

Operative provisions

242-80	What happens if the term of the lease is extended or the lease is renewed
242-85	What happens if an amount is paid by the lessee to acquire the car
242-90	What happens if the lessee stops having the right to use the car

Operative provisions

242-80 What happens if the term of the lease is extended or the lease is renewed

- (1) The rules in this section have effect if, after the end of the lease (or the end of any extension of the lease term or renewal of the lease), the lessee continues to have the *right to use the *car because the term of the lease is extended (or further extended) or the lease is renewed (or further renewed).
- (2) This Act has effect as if the lessee continued to be the owner of the *car until the end of the lease as extended or renewed.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 242-80

- (3) However, this Act has effect as if the lessee stopped being the owner of the *car if:
 - (a) the lessee enters into a sublease in respect of the car; and
 - (b) this Division applies to the car in respect of that sublease.
- (4) This Act has effect as if the notional loan that arose because of the grant of the lease, or because of the previous extension or renewal, had been repaid.

Note: Also, Subdivision 242-D (about balancing adjustments) will apply to the ending, extension or renewal.

- (5) This Act has effect as if, on the grant of the extension or renewal, the lessor had made a new loan (the **notional loan**) to the lessee:
 - (a) for the period of the extension of the term of the lease or the period of the renewed lease, as the case may be; and
 - (b) of an amount (the **notional loan principal**) equal to the *car's *market value when the extension or renewal is granted; and
 - (c) subject to the payment of interest.
- (6) This Act has effect as if the notional loan principal were repaid, and the interest were paid, by the making of the *luxury car lease payments under the lease as extended or renewed (or further extended or renewed).
- (7) In determining whether subsection (1) applies to the lessee, disregard any period after the end of the lease (or the end of any extension of the lease term or renewal of the lease) and before the extension or renewal (or further extension or renewal) is granted and during which the lessee did not have the *right to use the *car if the extension or renewal (or further extension or renewal):
 - (a) has effect from the time immediately after the end of that term, extension or renewal; or
 - (b) otherwise results in substantial continuity of the leasing of the car to the lessee.
- (8) The amount of the notional loan is treated, for the purposes of section 242-65 (about the lessor's balancing adjustments), as a

*termination amount paid to the lessor under the lease or under the previous extension or renewal.

242-85 What happens if an amount is paid by the lessee to acquire the car

If, at the end of the lease or, if it is extended or renewed, at the end of any extension or renewal (the *end time*), an amount is paid to the lessor by, or on behalf of, the lessee to acquire the *car, the following provisions have effect:

- (a) the amount paid is not included in the lessor's assessable income;
- (b) the lessee cannot deduct the payment;
- (c) this Act has effect as if:
 - (i) the lessee continued to be the owner of the car until the lessee disposes of it; and
 - (ii) the transfer to the lessee of legal title to the car were not a disposal of the car by the lessor.

242-90 What happens if the lessee stops having the right to use the car

- (1) If, at the end time:
 - (a) the lessee stops having the *right to use the *car; and
 - (b) no amount is paid to the lessor by, or on behalf of, the lessee to acquire the car;

the following provisions have effect.

Note: For *end time*, see section 242-85.

- (2) This Act has effect as if the *car:
 - (a) were sold by the lessee to the lessor; and
 - (b) were acquired by the lessor;at the end time.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 242-90

- (3) The consideration for the sale of the *car by the lessee, and the first element of the *cost of the car to the lessor, are the *market value of the car at the end time.
 - (4) If the *car is afterwards acquired by an *associate of the lessee or an employer or employee of the lessee, this Act has effect as if the first element of the *cost of the car as a *depreciating asset were the lesser of:
 - (a) the sum of:
 - (i) the amount that would have been the *adjustable value of the car at that time for the purposes of applying this Act to the lessee if the lessee were not treated under this Division as having disposed of the car; and
 - (ii) any amount that is included in the lessee's assessable income under section 40-285 as a balancing adjustment because the lessee is treated as having disposed of the car; and
 - (b) the cost of the acquisition of the car by the associate, employer or employee.
- Note: Section 242-20 of the *Income Tax (Transitional Provisions) Act 1997* extends subparagraph (a)(ii) to cover amounts included in assessable income under former provisions corresponding to section 40-285.
- (5) For the purposes of paragraph (1)(a), the lessee is not treated as having stopped to have the *right to use the *car if:
 - (a) the term of the lease is extended (or further extended), or the lease is renewed (or further renewed), at a time after, but not immediately after, the end of that term, extension or renewal with effect from the time immediately after that end; or
 - (b) the extension or renewal (or further extension or renewal) otherwise results in substantial continuity of the leasing of the car to the lessee.

- 243-C Amounts included in assessable income and deductions
- 243-D Special provisions

Guide to Division 243

243-10 What this Division is about

This Division tells you when you must include an additional amount in your assessable income at the termination of a limited recourse debt arrangement. It also tells you what the additional amount is.

Basically, the Division applies where the capital allowance deductions that have been obtained for expenditure that is funded by the debt and the deductions are excessive having regard to the amount of the debt that was repaid.

The reason for the adjustment is to ensure that, where you have not been fully at risk in relation to an amount of expenditure, you do not get a net deduction if you fail to pay that amount.

Section 243-15

- 243-20 What is limited recourse debt?
- 243-25 When is a debt arrangement terminated?
- 243-30 What is the financed property and the debt property?

Operative provisions

243-15 When does this Division apply?

- (1) This Division applies if:
- (a) *limited recourse debt has been used to wholly or partly finance or refinance expenditure; and
 - (b) at the time that the debt *arrangement is terminated, the debt has not been paid in full by the debtor; and
 - (c) the debtor can deduct an amount as a *capital allowance for the income year in which the termination occurs, or has deducted or can deduct an amount for an earlier income year, in respect of the expenditure or the *financed property.

Note: This Division does not apply to certain limited recourse debts that are used to refinance limited recourse debt to which this Division has applied (see subsection 243-50(4)).

- (2) However, unless the net *capital allowance deductions have been excessive having regard to the amount of the debt that remains unpaid (see section 243-35), no amount is included in the debtor's assessable income under this Division although future deductions may be reduced.
- (3) In working out if the debt has been paid in full, and in working out the unpaid amount of the debt, the following amounts are to be treated as if they were not payments in respect of the debt:
- (a) any reduction in the debt as a result of the *financed property being surrendered or returned to the creditor at the termination of the debt;
 - (b) any payment to reduce the debt that is funded directly or indirectly by *non-arm's length limited recourse debt or by proceeds from the disposal of the debtor's interest in the financed property.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

However, any amounts accrued that are interest, *notional interest or in the nature of interest are taken not to be unpaid.

- (4) In working out if the debt has been paid in full, and in working out the unpaid amount of the debt, payments are to be attributed first to the payment of any accrued amounts that are interest, *notional interest or in the nature of interest.
- (5) A notional loan arising because of Division 240 (about arrangements treated as a sale and loan) is taken to be a debt that has been used to wholly or partly finance or refinance expenditure.

243-20 What is limited recourse debt?

- (1) A **limited recourse debt** is an obligation imposed by law on an entity (the **debtor**) to pay an amount to another entity (the **creditor**) where the rights of the creditor as against the debtor in the event of default in payment of the debt or of interest are limited wholly or predominantly to any or all of the following:
 - (a) rights (including the right to money payable) in relation to any or all of the following:
 - (i) the *debt property or the use of the debt property;
 - (ii) goods produced, supplied, carried, transmitted or delivered, or services provided, by means of the debt property;
 - (iii) the loss or disposal of the whole or a part of the debt property or of the debtor's interest in the debt property;
 - (b) rights in respect of a mortgage or other security over the debt property or other property;
 - (c) rights that arise out of any *arrangement relating to the financial obligations of an end-user of the *financed property towards the debtor, and are financial obligations in relation to the financed property.
- (2) An obligation imposed by law on an entity (the **debtor**) to pay an amount to another entity (the **creditor**) is also a **limited recourse debt** if it is reasonable to conclude that the rights of the creditor as

against the debtor in the event of default in payment of the debt or of interest:

- (a) are capable of being limited in the way mentioned in subsection (1); or
- (b) are in substance or effect limited wholly or predominantly to rights (including the right to money payable) in relation to any or all of the following:
 - (i) the *debt property or the use of the debt property;
 - (ii) goods produced, supplied, carried, transmitted or delivered, or services provided, by means of the debt property;
 - (iii) the loss or disposal of the whole or a part of the debt property or of the debtor's interest in the debt property.

Note: Paragraph (b) could apply to a special purpose entity. For example, an entity's only significant asset is one that it financed by way of a bank loan. The bank's rights to recover the debt (if the entity defaults) are not contractually limited, however they are in effect limited to rights in relation to the asset.

- (3) An obligation imposed by law on an entity (the **debtor**) to pay an amount to another entity (the **creditor**) is also a **limited recourse debt** if there is no *debt property and it is reasonable to conclude that the rights of the creditor as against the debtor in the event of default in payment of the debt or of interest are capable of being limited.
- (3A) In reaching a conclusion for the purposes of subsection (2) or (3), have regard to the following:
 - (a) the debtor's assets (other than assets that are indemnities or guarantees provided in relation to the debt);
 - (b) any *arrangement to which the debtor is a party;
 - (c) except for the purposes of paragraph (2)(b)—whether all of the debtor's assets would be available for the purpose of discharging the debt (other than assets that are security for other debts of the debtor or any other entity);
 - (d) whether the debtor and creditor are dealing at *arm's length in relation to the debt.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (4) A notional loan arising because of Division 240 (about arrangements treated as a sale and loan) under a *hire purchase agreement is also a **limited recourse debt**.
- (5) However, an obligation that is covered by subsection (1) is not a limited recourse debt if the creditor's recourse is not in practice limited due to the creditor's rights in respect of a mortgage or other security over property of the debtor (other than the financed property) the value of which exceeds, or is likely to exceed, the amount of the debt.
- (6) Also, an obligation that is covered by subsection (1), (2) or (3) is not a limited recourse debt if, having regard to all relevant circumstances, it would be unreasonable for the obligation to be treated as limited recourse debt.
- (7) A *limited recourse debt is a **non-arm's length limited recourse debt** if the debtor and creditor do not deal with each other at *arm's length in relation to the debt.

243-25 When is a debt arrangement terminated?

- (1) A debt arrangement is taken to have terminated if:
 - (a) it is actually terminated; or
 - (b) the debtor's obligation to repay the debt is waived, novated or otherwise varied so as to reduce, transfer or extinguish the debt; or
 - (c) an agreement is entered into to waive, novate or otherwise vary the debtor's obligation to repay the debt so as to reduce, transfer or extinguish the debt; or
 - (d) the creditor ceases to have an entitlement to recover the debt from the debtor (other than as a result of an *arm's length assignment of some or all of the creditor's rights under the debt arrangement); or
 - (e) the debtor ceases to be the owner or the *quasi-owner of some or all of the *debt property because that property is surrendered to the creditor because of the debtor's failure to pay the whole or a part of the debt; or

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 243-30

- (f) the debtor ceases to be the owner of a beneficial interest in some or all of the debt property because the interest is surrendered to the creditor because of the debtor's failure to pay the whole or a part of the debt; or
 - (g) the debt becomes a bad debt.
- (2) However, a debt arrangement that is a notional loan arising because of Division 240 (about arrangements treated as a sale and loan) is not taken to have terminated merely because it has been renewed or extended.

Note: Under Division 240, notional loans are taken to have ended if the relevant arrangement is renewed or extended.
- (3) Where a debt is terminated under paragraph (1)(b) or (c) as a result of the debt being reduced, the remaining debt is taken to be a new debt to which section 243-15 applies.

243-30 What is the financed property and the debt property?

- (1) Property is the ***financed property*** if the expenditure referred to in paragraph 243-15(1)(a) is on the property, is on the acquisition of the property, results in the creation of the property or is otherwise connected with the property.
- (2) If the debt agreement is a notional loan arising under Division 240 (about arrangements treated as a sale and loan), the property that is the subject of the agreement is the ***financed property***.
- (3) Property is the ***debt property*** if:
 - (a) it is the *financed property; or
 - (b) the property is provided as security for the debt.

Subdivision 243-B—Working out the excessive deductions

Table of sections

Operative provisions

243-35 Working out the excessive deductions

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Operative provisions

243-35 Working out the excessive deductions

- (1) The *capital allowance deductions have been excessive having regard to the amount of the debt that remains unpaid if the amount worked out under subsection (2) exceeds the amount worked out under subsection (4).
- (2) This is how to work out the total net *capital allowance deductions:

Working out the total net capital allowance deductions

Step 1. Add up all of the debtor's *capital allowance deductions in respect of the expenditure or the *financed property (including deductions because of balancing adjustments) for the income year in which the termination occurs or an earlier income year.

Note: The amount of a capital allowance deduction may be reduced under section 707-415.

Step 2. Deduct from that any amount that is included in the assessable income of the debtor of any income year by virtue of a provision of this Act (other than this Division) as a result of the disposal of the *financed property the effect of which is to reverse a deduction covered by Step 1.

Step 3. Deduct from the result an amount equal to the sum of any amounts included in the entity's assessable income as a result of an earlier application of this Division to the debt.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 243-35

Step 4. Add to the result an amount equal to the sum of any deductions to which the entity is entitled under section 243-45 (repayments of the original debt after termination) or 243-50 (repayments of the replacement debt) because of payments in respect of the debt.

- (3) The reference in step 2 of the method statement in subsection (2) to an amount that is included in the assessable income of a taxpayer as a result of the disposal of the ^{*}financed property includes a reference to an amount that is included under section 26AG of the *Income Tax Assessment Act 1936* as a result of the disposal of the financed property.

Note: Division 20 deals with amounts included to reverse the effect of past deductions.

- (4) This is how to work out the total net capital allowance deductions that would otherwise be allowable taking into account the amount of the debt that is unpaid:

Working out the total net capital allowance deductions that would otherwise be allowable

Work out the amount that would be worked out under subsection (2) if the deductions and the amounts included in assessable income had been calculated using the following assumptions:

- (1) The original expenditure in respect of which deductions were calculated was reduced by the amount of the debt that was unpaid by the debtor when the debt was terminated. (In calculating the amount unpaid the following are to be disregarded:
- (a) any reduction in the amount as a result of the ^{*}financed property being surrendered or returned to the creditor at the termination of the debt;

^{*}To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (b) any reduction in the amount to the extent that it is funded directly or indirectly by *non-arm's length limited recourse debt or by the consideration for the disposal of the debtor's interest in the financed property.)
- (2) Deductions for income years after the income year in which the termination occurred were also taken into account.
- (3) The original expenditure in respect of which deductions were calculated was increased by any amount that is paid by the debtor as consideration for another person assuming a liability under the debt. (This assumption does not apply to the extent that the consideration is funded directly or indirectly by *non-arm's length limited recourse debt or by the consideration for the disposal of the debtor's interest in the *financed property.)
- (4) Step 2 were omitted from subsection (2).

Subdivision 243-C—Amounts included in assessable income and deductions

243-45	Deduction for later payments in respect of debt
243-50	Deduction for payments for replacement debt
243-55	Effect of Division on later capital allowance deductions

Section 243-40

Operative provisions

243-40 Amount included in debtor's assessable income

The debtor's assessable income for the income year in which the termination occurs is to include the excess referred to in subsection 243-35(1).

Note: Section 243-60 applies in relation to certain partnership debts.

243-45 Deduction for later payments in respect of debt

- (1) This section applies if:
- (a) an amount was included in the debtor's assessable income under section 243-40 or a deduction was reduced under section 243-55; and
 - (b) the debtor makes a payment to the creditor, after the termination of the debt arrangement, in respect of the debt (other than an amount to the extent to which it is a payment of interest, of *notional interest or in the nature of interest).
- (2) This is how to work out the amount of the deduction:

Working out the amount of the deduction

- Step 1. Work out the amount that would be worked out under subsection 243-35(2) if the debt were terminated immediately before the payment.
- Step 2. Work out the amount that would have been worked out under subsection 243-35(4) at that time if the payment had been taken into account.
- Step 3. The **amount of the deduction** is the amount (if any) by which the amount worked out under Step 2 exceeds the amount worked out under Step 1.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 243-50

- (3) The amount can be deducted for the income year in which the payment is made.

Limit on deductions

- (4) The total amounts deducted under this section in respect of a debt, and under section 243-50 in respect of a replacement debt, cannot exceed the sum of:
- (a) any amounts included in the debtor's assessable income under this Division in respect of the original debt; and
 - (b) any amount by which deductions in respect of the original debt were reduced under section 243-55.

243-50 Deduction for payments for replacement debt

Payments where debt refinanced

- (1) This section applies if:
- (a) an amount was included in the debtor's assessable income under section 243-40 or a deduction was reduced under section 243-55; and
 - (b) an amount funded by a *non-arm's length limited recourse debt (the **replacement debt**) was disregarded in calculations under subsection 243-35(4); and
 - (c) the debtor makes a payment, after the termination of the original debt arrangement, in respect of the replacement debt (other than to the extent to which it is a payment of interest, of *notional interest or in the nature of interest).
- (2) This is how to work out the amount of the deduction:

Working out the amount of the deduction

Step 1. Work out the amount that would be worked out under subsection 243-35(2) if the replacement debt were terminated immediately before the payment.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 243-55

- Step 2. Work out the amount that would have been worked out under subsection 243-35(4) at that time if the payment had been made in respect of the original debt and it had been taken into account.
- Step 3. The ***amount of the deduction*** is the amount (if any) by which the amount worked out under Step 2 exceeds the amount worked out under Step 1.

- (3) The amount can be deducted for the income year in which the payment is made.

Division not to apply to termination of replacement debt

- (4) This Division does not apply to termination of the replacement debt referred to in paragraph (1)(b).

Limit on deductions

- (5) The total amounts deducted under section 243-45 in respect of the original debt, or under this section in respect of the replacement debt, cannot exceed the sum of:
- (a) any amounts included in the debtor's assessable income under this Division in respect of the original debt; and
 - (b) any amount by which deductions in respect of the original debt were reduced under section 243-55.

243-55 Effect of Division on later capital allowance deductions

- (1) This section applies where this Division (other than section 243-65) has applied in relation to a debt and the debtor is entitled to a *capital allowance deduction in respect of the expenditure or the *financed property in relation to a time or period after the termination of the debt.
- (2) The *capital allowance deduction is reduced if the amount that would have been worked out under subsection 243-35(2) would

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 243-57

have exceeded the amount worked out under subsection 243-35(4) if the following assumptions were applied in both subsections:

Assumptions to be applied

- (1) That the debt was terminated at the time, or at the end of the period, referred to in subsection (1) of this section.
- (2) That the amount unpaid at the time, or at the end of the period, is reduced by any amounts paid under a replacement debt.
- (3) The debtor's *capital allowance deductions in respect of the expenditure or the *financed property were increased by the amount of the capital allowance deduction referred to in subsection (1) of this section.

- (3) The deduction is to be reduced by the amount of the excess.

243-57 Effect of Division on later capital allowance balancing adjustments

- (1) This section applies where this Division (other than section 243-65) has applied in relation to a debt and an amount is later included in the assessable income of an entity by virtue of a provision of this Act (other than this Division) as a result of the disposal of the *financed property the effect of which is to reverse a deduction covered by Step 1 in subsection 243-35(2).
- (2) Any amount that would be included in the debtor's assessable income is reduced if the amount that would have been worked out under subsection 243-35(4) would have exceeded the amount worked out under subsection 243-35(2) if the following assumptions were applied in both subsections:

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 243-58

Assumptions to be applied

- (1) That the debt was terminated at the time of the disposal of the *financed property, referred to in subsection (1) of this section.
- (2) The amount in Step 2 in subsection 243-35(2) were increased by the amount that would otherwise be included in the debtor's assessable income.
- (3) The amount worked out under subsection 243-35(4) were reduced by any amount by which:
 - (a) the amount arising as a result of the disposal that is taken into account for the purposes of the provision mentioned in subsection (1);exceeds:
 - (b) the unpaid amount of the debt immediately before the time of the disposal of the *financed property, referred to in subsection (1).

- (3) The amount is to be reduced by the amount of the excess.

243-58 Adjustment where debt only partially used for expenditure

If the debt is only partially used to finance the expenditure, or the property, in respect of which the *capital allowance deductions referred to in Step 1 in subsection 243-35(2) are allowed, the amount of any deduction, any reduction in a deduction or any amount included in assessable income is to be so much as is reasonable taking into account the proportion of the debt that is used for that purpose.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Subdivision 243-D—Special provisions

Table of sections

Operative provisions

243-60	Application of Division to partnerships
243-65	Application where partner reduces liability
243-70	Application of Division to companies ceasing to be 100% subsidiary
243-75	Application of Division where debt forgiveness rules also apply

Operative provisions

243-60 Application of Division to partnerships

This Division applies to a partnership in respect of the partnership's debts and in respect of debts of a partner, and references to a debtor include a reference to a partnership.

243-65 Application where partner reduces liability

- (1) This section applies to a debt in relation to a partner in a partnership if:
 - (a) in connection with an *arrangement, the partner's liability to pay the debt is reduced or eliminated and the partner's interest in the partnership ceases or is varied or transferred; and
 - (b) an excess would have been worked out under subsection 243-35(1) if, at the time when the debt is reduced or eliminated, the debt had been terminated and remained unpaid and this section had not applied.
- (2) If this section applies to a debt in relation to a partner in a partnership, an amount is to be included in his or her assessable income.
- (3) This is how to work out the amount to be included:

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 243-65

Working out the amount included

- Step 1. Work out which income years the partner was a member of the partnership and the partnership was entitled to a *capital allowance deduction in respect of the expenditure or the *financed property (including deductions because of balancing adjustments).
- Step 2. For each of those income years, work out the proportion of net income of the partnership or the partnership loss (as the case requires) that was included in the assessable income of the partner or which the partner could deduct.
- Step 3. For each of those income years, multiply the *capital allowance deductions in respect of the expenditure or the *financed property (including deductions because of balancing adjustments) of the partnership by the corresponding proportion worked out under Step 2. Sum all of the amounts.
- Step 4. Divide the sum by the total of the *capital allowance deductions in respect of the expenditure or the *financed property (including deductions because of balancing adjustments) of the partnership for all of those income years.
- Step 5. Work out the amount that would have been included in the partnership's assessable income under section 243-40 if the debt had been terminated and remained unpaid and this section had not applied.
- Step 6. Multiply the amount worked out in Step 5 by the factor worked out in Step 4. The result is the amount to be included in the partner's assessable income.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

243-70 Application of Division to companies ceasing to be 100% subsidiary

- (1) This section applies to a company if:
 - (a) the company ceases to be a *100% subsidiary in relation to at least one other company; and
 - (b) at that time, the company is the debtor for a *limited recourse debt that has not been paid in full by the company; and
 - (c) the creditor's rights under the debt are transferred or assigned to another entity.
- (2) If this section applies, this Division applies as if the debt were terminated, and refinanced with *non-arm's length limited recourse debt, at the time the company ceased to be a *100% subsidiary of that other company.

243-75 Application of Division where debt forgiveness rules also apply

- (1) This section is to remove doubt about how this Division and Division 245 apply where both apply to the same debt.
- (2) Where both apply:
 - (a) this Division is to be applied first and is to be applied disregarding any operation of Division 245; and
 - (b) any amounts included in assessable income under this Division are taken into account under paragraph 245-85(1)(a).

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Division 245—Forgiveness of commercial debts

Table of Subdivisions

Guide to Division 245

- 245-B What constitutes forgiveness of a debt
- 245-C Calculation of gross forgiven amount of a debt

Guide to Division 245

245-1 What this Division is about

When a creditor forgives a commercial debt you owe, you make a gain. This is usually not included in your assessable income. Instead, this Division offsets the forgiven amount against amounts that could otherwise reduce your taxable income in the same or a later income year. Those amounts are:

- (a) your tax losses and net capital losses; and
- (b) capital allowances and some similar deductions; and
- (c) the cost bases of your CGT assets.

245-2 Simplified outline of this Division

- (1) This Division applies to any commercial debt (or part of a commercial debt) you owe that is forgiven.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 245-2

- Note: This Division does not apply if:
- (a) the debt is waived and the waiver constitutes a fringe benefit; or
 - (b) the amount of the debt has been, or will be, included in your assessable income in any income year; or
 - (c) the debt is forgiven under an Act relating to bankruptcy; or
 - (d) the debt is forgiven by will; or
 - (e) the debt is forgiven for reasons of natural love and affection; or
 - (f) the debt is a tax-related liability.
- (2) The net forgiven amount of a debt is worked out by reducing the value of your forgiven debt by:
- (a) any consideration you provided for the forgiveness; and
 - (b) any amounts that this Act already brings to account because of the forgiveness.
- (3) The net forgiven amounts of all your forgiven debts in an income year are added up. This total net forgiven amount is applied to reduce the following amounts (in the following order):
- (a) your tax losses from previous income years;
 - (b) your net capital losses from previous income years;
 - (c) the deductions you would otherwise get in the income year, or in a later year, because of expenditure from a previous year (e.g. the capital allowance deductions you would get for the cost of a depreciating asset);
 - (d) the cost bases of your CGT assets.
- (4) Any unapplied total net forgiven amount is disregarded.
- (5) Special rules apply to debts of partnerships.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 245-5

Subdivision 245-A—Debts to which operative rules apply

Guide to Subdivision 245-A

245-5 What this Subdivision is about

This Division applies to a debt if you can deduct interest payable on the debt.

Table of sections

Application of Division

245-10	Commercial debts
245-15	Non-equity shares
245-20	Parts of debts

Application of Division

245-10 Commercial debts

Subdivisions 245-C to 245-G apply to a debt of yours if:

- (a) the whole or any part of interest, or of an amount in the nature of interest, paid or payable by you in respect of the debt has been deducted, or can be deducted, by you; or
- (b) interest, or an amount in the nature of interest, is not payable by you in respect of the debt but, had interest or such an amount been payable, the whole or any part of the interest or amount could have been deducted by you; or
- (c) interest or an amount mentioned in paragraph (a) or (b) could have been deducted by you apart from the operation of a provision of this Act (other than paragraphs 8-1(2)(a), (b) and (c)) that has the effect of preventing a deduction.

Note: Paragraphs 8-1(2)(a), (b) and (c) prevent deductions for capital, private or domestic outgoings and for outgoings relating to exempt income or non-assessable non-exempt income.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

245-15 Non-equity shares

This Division applies to a *non-equity share issued by a company as if it were a debt to which section 245-10 applies that is owed by the company to the relevant shareholder.

245-20 Parts of debts

This Division applies to part of a debt in the same way as it applies to a whole debt.

Note: This Division treats interest, or an amount in the nature of interest, payable on a debt as being a separate debt if the interest or amount has accrued but has not been paid.

Subdivision 245-B—What constitutes forgiveness of a debt

Guide to Subdivision 245-B

245-30 What this Subdivision is about

A debt is *forgiven* if you no longer have to pay it.

However, this Division does not apply to some cases of forgiveness, such as bankruptcy.

Operative provisions

245-35	What constitutes <i>forgiveness</i> of a debt
245-36	What constitutes <i>forgiveness</i> of a debt if the debt is assigned
245-37	What constitutes <i>forgiveness</i> of a debt if a subscription for shares enables payment of the debt

245-45	Application of operative rules if forgiveness involves an arrangement

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 245-35

Operative provisions

245-35 What constitutes *forgiveness* of a debt

A debt is *forgiven* if and when:

- (a) the debtor's obligation to pay the debt is released or waived, or is otherwise extinguished other than by repaying the debt in full; or
- (b) the period within which the creditor is entitled to sue for the recovery of the debt ends, because of the operation of a statute of limitations, without the debt having been paid.

245-36 What constitutes *forgiveness* of a debt if the debt is assigned

A debt is *forgiven* if and when the creditor assigns the right to receive payment of the debt to another entity (the *new creditor*) and the following conditions are met:

- (a) either the new creditor is the debtor's *associate or the assignment occurred under an *arrangement to which the new creditor and debtor were parties;
- (b) the right to receive payment of the debt was not acquired by the new creditor in the ordinary course of *trading on a market, exchange or other place on which, or facility by means of which, offers to sell, buy or exchange securities (within the meaning of Division 16E of Part III of the *Income Tax Assessment Act 1936*) are made or accepted.

Note 1: Division 16E of Part III of the *Income Tax Assessment Act 1936* brings to account gains and losses on some securities on an accruals basis.

Note 2: This Division also applies if an assigned debt is subsequently forgiven by the new creditor. Section 245-61 tells you how to work out the value of the debt in that case.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

245-37 What constitutes *forgiveness* of a debt if a subscription for shares enables payment of the debt

If an entity subscribes for *shares in a company to enable the company to make a payment in or towards discharge of a debt it owes to the entity, the debt is *forgiven* when, and to the extent that, the company applies any of the money subscribed in or towards payment of the debt.

245-40 Forgivenesses to which operative rules do not apply

Subdivisions 245-C to 245-G do not apply to a *forgiveness of a debt if:

- (a) the debt is waived and the waiver constitutes a *fringe benefit; or

Note: The waiver by an employer of a debt owed by an employee is usually a fringe benefit: see section 14 of the *Fringe Benefits Tax Assessment Act 1986*.

- (b) the amount of the debt has been, or will be, included in the assessable income of the debtor in any income year; or
- (c) the forgiveness is effected under an Act relating to bankruptcy; or
- (d) the forgiveness is effected by will; or
- (e) the forgiveness is for reasons of natural love and affection; or
- (f) the debt is a *tax-related liability or a civil penalty under Division 290 in Schedule 1 to the *Taxation Administration Act 1953* (about penalties for promoters and implementers of tax avoidance schemes).

Note: If the forgiveness of your debt involved an arrangement which was entered into before 28 June 1996, see section 245-10 of the *Income Tax (Transitional Provisions) Act 1997*.

245-45 Application of operative rules if forgiveness involves an arrangement

- (1) If:

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 245-48

- (a) the debtor and the creditor in relation to a debt enter into an *arrangement; and
 - (b) under the arrangement, the debtor's obligation to pay the debt is to cease at a particular future time; and
 - (c) the cessation of the obligation is to occur without the debtor incurring any financial or other obligation (other than an obligation that, having regard to the debtor's circumstances, is of a nominal or insignificant amount or kind);
- Subdivisions 245-C to 245-G apply as if the debt were *forgiven when the arrangement is entered into.
- (2) If, after the arrangement is entered into, the debt is forgiven, the later forgiveness is disregarded for the purposes of those Subdivisions.

Subdivision 245-C—Calculation of gross forgiven amount of a debt

Guide to Subdivision 245-C

245-48 What this Subdivision is about

The amount of forgiveness (called the gross forgiven amount) for the debtor reflects the loss that the creditor makes for tax purposes. It is worked out in 2 steps:

- (a) the value of the debt when it was forgiven is worked out on the basis that you were solvent both then and when you incurred the debt; and
- (b) the value of the debt is then offset by any consideration given for the forgiveness of the debt.

The difference between the value of the debt and the amount offset is the gross forgiven amount.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

If the debt was owed by several debtors, the gross forgiven amount is divided between them equally.

- 245-55 General rule for working out the value of a debt

Working out the gross forgiven amount

- 245-75 *Gross forgiven amount* of a debt
- 245-77 Gross forgiven amount shared between debtors

Working out the value of a debt

245-50 Extent of forgiveness if consideration is given

If any consideration is paid or given in respect of the *forgiveness of a debt, the debt that is forgiven is:

- (a) the obligation that existed before the forgiveness to pay so much of the debt as is expressed, or is taken, to be forgiven; and
- (b) the obligation that existed before the forgiveness to pay any part of the debt to which paragraph (a) does not apply but which ceases to be payable as a result of the payment or giving of the consideration.

Example: Daniel owes Samara \$100. Samara agrees to accept \$60 in full payment of the debt.

If their agreement specifies that Samara forgives the whole debt in return for \$60, paragraph (a) provides that the forgiven debt is \$100.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 245-55

If their agreement instead requires Daniel to repay \$60 and specifies that Samara forgives the remaining \$40, paragraph (a) would deal with the \$40 and paragraph (b) would add the remaining \$60, again producing a forgiven amount of \$100.

In either case, the \$60 Daniel pays is offset against the forgiven amount of \$100 in working out the gross forgiven amount of the debt: see sections 245-65 and 245-75.

245-55 General rule for working out the value of a debt

- (1) The value of your debt at the time (the *forgiveness time*) when it is *forgiven is the amount that would have been its *market value (considered as an asset of the creditor) at the forgiveness time, assuming that:
 - (a) when you incurred the debt, you were able to pay all your debts (including that one) as and when they fell due; and
 - (b) your capacity to pay the debt is the same at the forgiveness time as when you incurred it.
- (2) However, the value of the debt at the forgiveness time is the sum of the following amounts, if that sum is less than the amount applicable under subsection (1):
 - (a) what would have been the amount applicable under subsection (1) if there had been no change, from the time the debt was incurred until the forgiveness time, in any rate of interest, or rate of exchange between currencies, that affects the *market value of the debt;
 - (b) each amount:
 - (i) that you have deducted or can deduct as a result of the *forgiveness of the debt; and
 - (ii) that is attributable to such a change.
- (3) Paragraph (1)(a) does not apply to the debt if:
 - (a) either:
 - (i) the creditor was an Australian resident at the forgiveness time; or
 - (ii) the *forgiveness of the debt was a *CGT event involving a *CGT asset that was *taxable Australian property; and

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 245-60

- (b) you and the creditor were not dealing with each other at *arm's length in respect of you incurring the debt; and
- (c) the debt was not a *moneylending debt.

Note: This subsection reduces your gross forgiven amount to reflect the reduction in the creditor's loss on the forgiven debt under the capital gains tax regime.

- (4) This section has effect subject to sections 245-60 and 245-61 (about non-recourse and assigned debts).

245-60 Special rule for working out the value of a non-recourse debt

- (1) The value of a debt when it is *forgiven is the lesser of:
 - (a) the amount of the debt outstanding at that time; and
 - (b) the *market value at that time of the creditor's rights mentioned in paragraph (2)(b).
- (2) Subsection (1) applies to a debt if:
 - (a) you incurred the debt directly in respect of financing:
 - (i) the acquisition of property by you; or
 - (ii) the construction or development of property by you; (but not including the manufacture of goods); and
 - (b) the creditor's rights against you in the event of default in the payment of the debt or interest were, just before the debt was forgiven, limited to all or any of the following:
 - (i) rights (including the right to money payable) in relation to all or any of the matters mentioned in subsection (3);
 - (ii) rights in respect of a mortgage or other security over the property;
 - (iii) rights arising out of any *arrangement relating to the financial obligations, in relation to the property, of the *end user of the property to you.
- (3) For the purposes of subparagraph (2)(b)(i), the matters are as follows:
 - (a) the property or the use of the property;

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 245-61

- (b) goods produced, supplied, carried, transmitted or delivered by means of the property;
- (c) services provided by means of the property;
- (d) the loss or *disposal of the whole or a part of the property or of your interest in the property.

245-61 Special rule for working out the value of a previously assigned debt

If your debt has been assigned as mentioned in section 245-36 and is later *forgiven by the new creditor, the value of that debt when it is later forgiven is:

- (a) if the debt was not a *moneylending debt and the creditor and the new creditor were not dealing with each other at *arm's length in connection with the assignment—the *market value of the debt at the time of the assignment; or
- (b) in any other case—the sum of:
 - (i) the amount or market value of the consideration (if any) you paid or gave, or are required to pay or give, to the creditor in respect of the assignment; and
 - (ii) the amount or market value of the consideration (if any) the new creditor paid or gave in respect of the assignment.

Working out if an amount is offset against the value of the debt

245-65 Amount offset against amount of debt

- (1) The table explains how to work out the amount (if any) that is offset against the value of a debt when it is forgiven (calculated under section 245-55, 245-60 or 245-61) in working out the *gross forgiven amount of the debt.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (2) The conditions for the purposes of item 3 of the table in subsection (1) are:
- (a) at least one of the following is satisfied:
 - (i) at the time when the debt was *forgiven, the creditor was an Australian resident;
 - (ii) the forgiveness of the debt was a *CGT event involving a *CGT asset that was *taxable Australian property; and

Working out the gross forgiven amount

245-75 Gross forgiven amount of a debt

- (1) The **gross forgiven amount** of a debt is:
- (a) if section 245-65 does not apply to the debt—the value of the debt when it was *forgiven (worked out under section 245-55, 245-60 or 245-61); or
 - (b) if the value of the debt when it was forgiven exceeds the amount offset under section 245-65 in relation to the debt—the excess.
- (2) If the value of the debt when it was *forgiven is equal to or less than the amount offset:

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 245-77

- (a) there is no **gross forgiven amount** in respect of the debt; and
- (b) Subdivisions 245-D to 245-F (about how to work out the net forgiven amount of a debt and how to treat it) do not apply in respect of the debt.

245-77 Gross forgiven amount shared between debtors

If 2 or more entities were liable (except as partners in a partnership) to pay a debt, whether their liability was joint or several, or joint and several, this Subdivision applies as if each entity had a *gross forgiven amount worked out using the formula:

$$\frac{\text{*Gross forgiven amount in relation to the debt}}{\text{Number of entities liable to pay the debt}}$$

Subdivision 245-D—Calculation of net forgiven amount of a debt

Guide to Subdivision 245-D

245-80 What this Subdivision is about

The net forgiven amount of a debt is worked out by subtracting, from the gross forgiven amount of the debt, any amount that this Act already takes into account for the debtor because the debt was forgiven (for example, if some part of the forgiven amount is treated as the debtor's ordinary income).

If the debtor and creditor were companies under common ownership, they may agree to transfer some of the net forgiven amount from the debtor to the creditor. The creditor must apply that amount to reduce the capital loss or deduction it has because of the forgiveness.

Operative provisions

245-85 Reduction of gross forgiven amount

- (1) The *gross forgiven amount of your debt is reduced by the sum of the following amounts:
- (a) any amount that, under a provision of this Act other than this Division, has been, or will be, included in your assessable income for any income year as a result of the *forgiveness of the debt;

- (2) Subject to section 245-90, the amount remaining after reducing the *gross forgiven amount under subsection (1) is the ***net forgiven amount*** of the debt.

 - (i) the creditor's capital loss is reduced by the agreed amount; and
 - (ii) the provisional net forgiven amount of the debt is also reduced by the agreed amount; and

 - (i) the amount the creditor can deduct is reduced by the agreed amount; and
 - (ii) the provisional net forgiven amount of the debt is also reduced by the agreed amount; and

Subdivision 245-E—Application of net forgiven amounts

Guide to Subdivision 245-E

245-95 What this Subdivision is about

The total of the net forgiven amounts of all your debts forgiven in an income year is applied to reduce 4 classes of amounts that could otherwise reduce your taxable income in the same or a later income year. It is applied in the following order:

- (a) to your tax losses from previous income years;
- (b) to your net capital losses from previous income years;

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 245-95

- (c) to the deductions you would otherwise get in the income year, or in a later income year, because of expenditure from a previous year (for example, the capital allowance deductions you would get for expenditure on acquiring a depreciating asset);
- (d) to the cost bases of your CGT assets.

You can choose the order in which the net forgiven amounts reduce the amounts within each class.

If all the amounts in the 4 classes are reduced to nil, any remaining net forgiven amounts are disregarded.

- (a) after the *forgiveness income year you *recoup an amount of expenditure that is subject to reduction under section 245-145; and
- (b) as a result of the recoupment, this Act applies to disallow any amount you have deducted in respect of the expenditure;
an amount equal to the amount, or the sum of the amounts, applied under this Subdivision in reduction of the expenditure is included in your assessable income in the income year in which the expenditure is recouped.

Reduction of cost bases of assets

245-175 Remaining total net forgiven amount is applied in reduction of cost bases of CGT assets

- (1) The *total net forgiven amount (if any) remaining after being applied under sections 245-115, 245-130 and 245-145 is applied, to the maximum extent possible, in reduction, in accordance with sections 245-180 to 245-190, of the *cost base and *reduced cost base of your *CGT assets.

Section 245-180

- (g) a CGT asset that, throughout the period before the forgiveness income year when it was owned by you, was your *trading stock;
- (h) a CGT asset if:
 - (i) expenditure by you (of a kind which is subject to reduction under section 245-145) relates to the asset; and
 - (ii) a *CGT event in relation to the asset would result in an amount being included in your assessable income, or in you being able to deduct an amount;
- (i) if you are a foreign resident at the beginning of the forgiveness income year—an asset of yours that is not *taxable Australian property.

245-180 Allocation of remaining total net forgiven amount among relevant cost bases of CGT assets

- (1) Subject to subsection (3), if you choose to apply an amount in reduction of the *cost base and *reduced cost base of a particular *CGT asset, the cost base and reduced cost base of the asset, as at any time on or after the beginning of the *forgiveness income year, are reduced by that amount.
- (2) The reduction by a particular amount of the *cost base and *reduced cost base of a particular *CGT asset is, for the purpose of working out the amount by which the *total net forgiven amount remaining is applied, taken to be a reduction by the particular amount (and not by the sum of the amounts by which those cost bases are reduced).
- (3) The maximum amount by which the *cost base and *reduced cost base of a *CGT asset may be reduced is the amount that, apart from sections 245-175 to 245-185, would be the reduced cost base of the asset calculated as if a *CGT event had happened to the asset:
 - (a) subject to paragraph (b), on the first day of the *forgiveness income year; or
 - (b) if, after the beginning of that income year, an event occurred that would cause the reduced cost base of the asset to be reduced—on the day on which the event occurred;and the asset had been *disposed of at its *market value on the day concerned.

Division 247—Capital protected borrowings

Guide to Division 247

247-1 What this Division is about

Capital protection provided under a relevant capital protected borrowing to the extent that it is not provided by an explicit put option is treated (for the borrower) as if it were a put option.

An amount attributable to capital protection under any relevant capital protected borrowing is treated (for the borrower) as a payment for a put option.

Operative provisions

247-5 Object of Division

The object of this Division is to ensure that amounts for *capital protection under all relevant *capital protected borrowings are treated (for the borrower) under this Act as a payment for a put option.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 247-10

247-10 What *capital protected borrowing* and *capital protection* are

- (1) An *arrangement under which a *borrowing is made, or credit is provided, is a ***capital protected borrowing*** if the borrower is wholly or partly protected against a fall in the *market value of a thing (the ***protected thing***) to the extent that:
 - (a) the borrower uses the amount borrowed or credit provided to acquire the protected thing; or
 - (b) the borrower uses the protected thing as security for the borrowing or provision of credit.
- (2) That protection is called ***capital protection***.

247-15 Application of this Division

- (1) This Division applies to a *capital protected borrowing only if the protected thing is a beneficial interest in:
 - (a) a *share, a unit in a unit trust or a stapled security; or
 - (b) an entity that holds a beneficial interest in a share, unit in a unit trust or stapled security either directly, or indirectly through one or more interposed entities.
- (2) This Division applies only to borrowers under *capital protected borrowings.
- (3) This Division does not apply to a *capital protected borrowing if:
 - (a) an *ESS interest is acquired under the borrowing; and
 - (b) Subdivision 83A-B or 83A-C (about employee share schemes) applies to the ESS interest.
- (4) This Division does not apply to a *capital protected borrowing entered into before 1 July 2007 (except to the extent that it is extended on or after that day) unless the *share, unit in a unit trust or stapled security is listed for quotation in the official list of an *approved stock exchange.
- (5) This Division does not apply to a *capital protected borrowing entered into on or after 1 July 2007 if:

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (a) the protected thing is a beneficial interest in:
 - (i) a *share, unit or stapled security that is not listed for quotation in the official list of an *approved stock exchange; or
 - (ii) an entity that holds a beneficial interest in a share, unit in a unit trust or stapled security either directly, or indirectly through one or more interposed entities, that is not so listed; and
- (b) one of these conditions is satisfied:
 - (i) for a non-listed share—the company is not a *widely held company;
 - (ii) for a non-listed unit—the trust is not a widely held unit trust as defined in section 272-105 in Schedule 2F to the *Income Tax Assessment Act 1936*;
 - (iii) for a non-listed stapled security—any company involved is not a widely held company and any trust involved is not such a widely held unit trust.

247-20 Treating capital protection as a put option

- (1) This section applies to a borrower if:
 - (aa) the borrower has an excess using the method statement in subsection (3) for:
 - (i) a *capital protected borrowing entered into after 7.30 pm, by legal time in the Australian Capital Territory, on 13 May 2008 (the **2008 Budget time**); or
 - (ii) an extension of the capital protected borrowing; or
 - (a) the borrower has an amount that is reasonably attributable to the *capital protection as mentioned in subsection (2) for a capital protected borrowing entered into or extended on or after 1 July 2007 and at or before the 2008 Budget time; or
 - (b) the borrower has an amount that is reasonably attributable to the capital protection as mentioned in subsection (2) for a capital protected borrowing entered into or extended at or after 9.30 am, by legal time in the Australian Capital Territory, on 16 April 2003 and before 1 July 2007.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 247-20

Note: If a capital protected borrowing covered by paragraph (1)(a) or (b) is extended or otherwise changed after the 2008 Budget time, section 247-85 of the *Income Tax (Transitional Provisions) Act 1997* applies to the capital protected borrowing.

- (2) For paragraphs (1)(a) and (b), the amount that is reasonably attributable to the *capital protection is worked out under Division 247 of the *Income Tax (Transitional Provisions) Act 1997*.
- (3) This is the method statement.

Method statement

- Step 1. Work out the total amount incurred by the borrower under or in respect of the *capital protected borrowing for the income year, ignoring amounts that are not in substance for *capital protection or interest.
- Step 2. Work out the total interest that would have been incurred for the income year on a *borrowing or provision of credit of the same amount as under the *capital protected borrowing at the rate applicable under either or both of subsections (4) and (5A).
- Step 3. If the step 1 amount exceeds the step 2 amount, the excess is reasonably attributable to the *capital protection for the income year.

Example: Amounts that would be ignored under step 1 include amounts that are in substance the repayment of a loan or credit, the payment of an application fee or brokerage commission and the payment of stamp duty or other tax.

- (4) If:
- (a) the *capital protected borrowing is at a fixed rate for all or part of the term of the capital protected borrowing; and
 - (b) that fixed rate is applicable to the capital protected borrowing for all or part of the income year;

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 247-25

use the rate worked out under subsection (5) at the first time an amount covered by step 1 of the method statement in subsection (3) was incurred, in any income year, during the term of the capital protected borrowing or that part of the term.

- (5) The rate (the *adjusted loan rate*), at a particular time, is the sum of:
- (a) the Reserve Bank of Australia's Indicator Lending Rate for Standard Variable Housing Loans at that time; and
 - (b) 100 basis points.

(5A) If:

- (a) the *capital protected borrowing is at a variable rate for all or part of the term of the capital protected borrowing; and
- (b) a variable rate is applicable to the capital protected borrowing for all or part of the income year;

use the average of the adjusted loan rates applicable during those parts of the income year when the capital protected borrowing is at a variable rate.

- (6) If this section applies to a borrower, this Act applies as if:
- (a) the borrower's excess from the method statement in subsection (3); or
 - (b) the amount that is reasonably attributable to *capital protection as mentioned in paragraph (1)(a) or (b);
- (reduced by any amount the borrower incurred under or in respect of the *capital protected borrowing for an explicit put option) were incurred only for a put option granted by the lender or by another entity under the *arrangement.

247-25 Number of put options

- (1) If a *capital protected borrowing specifies more than one occasion on which the *capital protection can be invoked, this Act applies as if there were a separate put option for each of those occasions. So much of the amount to which subsection 247-20(6) applies as is reasonably attributable to each option is taken to have been incurred for that option.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 247-30

- (2) However, if a borrower may invoke the *capital protection under a *capital protected borrowing at any time up to the end of a period, or only at the end of a period, for which there is capital protection, this Act applies as if there were a single put option for that period.

247-30 Exercise or expiry of option

- (1) If the *capital protection under a *capital protected borrowing is invoked:
- (a) the borrower is taken to have exercised the put option; and
 - (b) any interest in a *share, unit in a unit trust or stapled security that is acquired by the lender or another entity under the *arrangement as a result of that capital protection being invoked is taken to have been disposed of by the borrower as a result of the exercise of the option.
- (2) If the *capital protection under a *capital protected borrowing is not invoked on or before the last occasion on which it could have been, the put option is taken to have expired.

Note: If a borrower under a capital protected borrowing holds the protected things on capital account, the exercise or expiry of the put option may give rise to a capital gain or capital loss: see sections 104-25 (CGT event C2) and 134-1 (exercise of options).

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Guide to Division 250

250-1 What this Division is about

This Division denies or reduces certain capital allowance deductions that would otherwise be available to you in relation to an asset if the asset is put to a tax preferred use in certain circumstances.

If the capital allowance deductions are denied or reduced, certain financial benefits in relation to the tax preferred use of the asset are assessed only to the extent of a notional gain component. This component is worked out on the basis of treating the arrangements under which the asset is put to a tax preferred use, and financial benefits are provided in relation to that tax preferred use, as a loan. Subdivision 250-E then applies to determine the amounts that are to be assessed.

Member of tax preferred sector having certain rights in relation to the asset

- (3) Section 250-30 does not apply if:
- (a) a *member of the tax preferred sector has:
 - (i) a right, obligation or contingent obligation to purchase or acquire the asset or a legal or equitable interest in the asset; or
 - (ii) a right to require the transfer of the asset or a legal or equitable interest in the asset; or
 - (iii) a residual or reversionary interest in the asset that will arise or become exercisable at or after the end of the *arrangement period; and
 - (b) the consideration for the purchase, acquisition or transfer of the right, obligation or interest is not fixed as the *market value of the asset at the time of the purchase, acquisition or transfer.

To avoid doubt, this subsection does not apply to the asset merely because your interest in the asset is one that ceases to exist after the passage of a particular period of time.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Member of tax preferred sector providing financing

- (4) Section 250-30 does not apply if a *member of the tax preferred sector provides financing, or support for financing, in relation to your interest in the asset (including by way of a loan, a guarantee, an indemnity, a security, hedging or undertaking to provide *financial benefits in the event of the termination of an *arrangement).

Finance leases, non-cancellable operating leases, service concessions and similar arrangements

- (5) Section 250-30 does not apply if an *arrangement in relation to the *tax preferred use of the asset, or the provision of *financial benefits in relation to the tax preferred use of the asset, is or involves:
- (a) a finance lease; or
 - (b) a non-cancellable operating lease; or
 - (c) a service concession or similar arrangement;
- that generally accepted accounting principles, as in force at the start of the *arrangement period, require to be included as an asset or a liability in your balance sheet.

Financial benefits irregular, not based on comparable market-based rates or not reflecting value of tax preferred use of asset

- (6) Section 250-30 does not apply if the *financial benefits that have been, or are to be provided, to you (or a *connected entity) by *members of the tax preferred sector in relation to the *tax preferred use of the asset:
- (a) are not provided on a regular periodic basis (and at least annually); or
 - (b) are not based on comparable market-based rates; or
 - (c) do not reflect the value of the tax preferred use of the asset.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 250-40

Special rules if tax preferred use is a lease or hire of the asset

- (7) If the *tax preferred use of the asset is a lease or hire of the asset (or the use of the asset under a lease or hire arrangement), section 250-30 does not apply if:
- (a) the asset is so specialised that the *end user could not carry out one or more of its functions effectively without the asset; and
 - (b) you would be unlikely to be able to re-lease, re-hire or resell the asset to another person who is not a *member of the tax preferred end user group.

Note: For particular arrangements that are treated as leases, see section 250-80.

Special rules if tax preferred use is not a lease or hire of the asset

- (8) If the *tax preferred use of the asset is not the lease or hire of the asset (or the use of the asset under a lease or hire arrangement), section 250-30 does not apply if:
- (a) a *member of the tax preferred sector has a right, if particular circumstances occur, to manage, or to assume control over, the asset (other than temporarily for the purpose of ensuring public health or safety, protecting the environment or continuing the supply of an essential service); or
 - (b) the asset is so specialised that it is unlikely that it could effectively be put to any use other than the tax preferred use; or
 - (c) neither you (nor a *connected entity) has effective day to day control and physical possession of the asset.

Note: For particular arrangements that are treated as leases, see section 250-80.

250-40 Fourth exclusion—sum of present values of financial benefits less than amount otherwise assessable

- (1) This Division does not apply to you and an asset that is being *put to a tax preferred use under a particular *arrangement if, when that

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

*tax preferred use of the asset starts, the Division 250 assessable amount is less than the alternative assessable amount.

- (2) For the purposes of subsection (1), the **Division 250 assessable amount** is the sum of the present values of all the amounts that would be likely to be included in your assessable income under this Division in relation to the *tax preferred use of the asset if this Division applied to you and the asset.
- (3) This is how to work out the **alternative assessable amount** for the purposes of subsection (1):

Method statement

- Step 1. Add up the present values of the amounts that would be included in your assessable income in relation to the *financial benefits *provided in relation to the tax preferred use of the asset during the *arrangement period if this Division did not apply to you and the asset.
- Step 2. Add up the present values of the amounts that you would be able to deduct in relation to the asset, or expenditure in relation to the asset, under Division 40 or Division 43 in relation to the *arrangement period if this Division did not apply to you and the asset.
- Step 3. Deduct the amount obtained in Step 2 from the amount obtained in Step 1. The result is the **alternative assessable amount**.

- (4) To avoid doubt, the amounts referred to in subsections (2) and (3) are all the amounts that would be likely to be included in your assessable income, or deducted, for all the income years during the whole, or a part, of which the asset is *put to the tax preferred use.
- (5) The point in time to be used in determining, for the purposes of this section:

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 250-45

- (a) the present value of an amount that is included in your assessable income for an income year; or
 - (b) the present value of an amount that you would be able to deduct for an income year;
- is the end of the income year.

250-45 Fifth exclusion—Commissioner determination

This Division does not apply to you and an asset at a particular time if:

- (a) you request the Commissioner to make a determination under this subsection; and
- (b) the Commissioner determines that it is unreasonable that the Division should apply to you and the asset at that time, having regard to:
 - (i) the circumstances because of which this Division would apply to you and the asset; and
 - (ii) any other relevant circumstances.

Tax preferred use of asset

250-50 End user of an asset

- (1) An entity (other than you) is an **end user** of an asset if the entity (or a *connected entity):
 - (a) uses, or effectively controls the use of, the asset; or
 - (b) will use, or effectively control the use of, the asset; or
 - (c) is able to use, or effectively control the use of, the asset; or
 - (d) will be able to use, or effectively control the use of, the asset.
- (2) The control referred to in subsection (1) may be direct or indirect.
- (3) For the purposes of subsection (1), disregard any temporary control of the asset that is for the purpose of ensuring public health or safety, protecting the environment or continuing the supply of an essential service.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (4) To avoid doubt, an entity is taken to be an **end user** of an asset if the entity (or a *connected entity) holds rights as a lessee under a lease of the asset.

Note: For particular arrangements that are treated as leases, see section 250-80.

250-55 Tax preferred end user

An *end user of an asset is a **tax preferred end user** if:

- (a) the end user (or a *connected entity) is a *tax preferred entity; or
- (b) the end user is:
 - (i) an entity that is a foreign resident; or
 - (ii) an entity that is an Australian resident, to the extent that the entity carries on *business in a foreign country at or through a *permanent establishment of the entity in that country.

250-60 Tax preferred use of an asset

- (1) An asset is **put to a tax preferred use** at a particular time if:
- (a) an *end user (or a *connected entity) holds, at that time, rights as lessee under a lease of the asset; and
 - (b) either or both of the following subparagraphs is satisfied at that time:
 - (i) the asset is, or is to be, used by or on behalf of an end user who is a *tax preferred end user because of paragraph 250-55(a) (tax preferred entity);
 - (ii) the asset is, or is to be, used wholly or principally outside Australia and an end user of the asset is a tax preferred end user because of paragraph 250-55(b) (foreign resident or business).

If this subsection applies, the **tax preferred use** of the asset is the lease referred to in paragraph (a).

Note: For particular arrangements that are treated as leases, see section 250-80.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 250-60

- (2) An asset is also ***put to a tax preferred use*** at a particular time if:
- (a) at that time the asset is, or is to be, used (whether or not by you) wholly or partly in connection with:
 - (i) the production, supply, carriage, transmission or delivery of goods; or
 - (ii) the provision of services or facilities; and
 - (b) either or both of the following subparagraphs is satisfied at that time:
 - (i) some or all of the goods, services or facilities are, or are to be, produced for or supplied, carried, transmitted or delivered to or for an *end user who is a *tax preferred end user because of paragraph 250-55(a) (tax preferred entity) but is not an *exempt foreign government agency;
 - (ii) the asset is, or is to be, used wholly or principally outside Australia and an end user of the asset is a tax preferred end user because of paragraph 250-55(b) (foreign resident or business).

If this subsection applies, the ***tax preferred use*** of the asset is the production, supply, carriage, transmission, delivery or provision referred to in paragraph (a).

- (3) To avoid doubt, the facilities referred to in subsection (2) include:
- (a) hospital or medical facilities; or
 - (b) prison facilities; or
 - (c) educational facilities; or
 - (e) transport facilities; or
 - (f) the supply of water, gas or electricity; or
 - (g) housing or accommodation; or
 - (h) premises from which to operate a *business or other undertaking.
- (4) If the asset is being *put to a tax preferred use:
- (a) the ***members of the tax preferred end user group*** are:
 - (i) the *tax preferred end user; and

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (ii) the *connected entities of the tax preferred end user; and
- (b) the **members of the tax preferred sector** are:
 - (i) the tax preferred end user (and connected entities); and
 - (ii) any *tax preferred entity (or a connected entity); and
 - (iii) any entity that is a foreign resident.

250-65 Arrangement period for tax preferred use

Start of the arrangement period

- (1) The **arrangement period** for a particular *tax preferred use of an asset starts when that tax preferred use of the asset starts.

End of the arrangement period

- (2) Subject to subsection (3), the **arrangement period** for a particular *tax preferred use of an asset is taken to end on the day that is the date on which the tax preferred use of the asset may reasonably be expected, or is likely, to end.
- (3) The **arrangement period** for the *tax preferred use of the asset ends when this Division ceases to apply to you and the asset if that happens before the day referred to in subsection (2).
- (4) In determining when a particular *tax preferred use of an asset is likely to end:
 - (a) regard must be had to:
 - (i) the terms of, and any other circumstances relating to, any *arrangement dealing with that tax preferred use of the asset; and
 - (ii) the terms of, and any other circumstances relating to, any arrangement dealing with the *provision of *financial benefits in relation to that tax preferred use of the asset; and
 - (b) it must be assumed that any right that an entity has to renew or extend such an arrangement will not be exercised (unless it is reasonable to assume that the right will be exercised)

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 250-70

because of the commercial consequences for the entity (or a *connected entity) of not exercising the right).

Tax preferred uses of asset by entity and connected entity

- (5) For the purposes of this section:
- (a) the *tax preferred use of an asset by an entity; and
 - (b) the tax preferred use of the asset by a *connected entity of that entity;
- are taken to constitute a single tax preferred use of the asset.

250-70 New tax preferred use at end of arrangement period if tax preferred use continues

If:

- (a) this Division applies to you and an asset because the asset is *put to a tax preferred use; and
- (b) the *arrangement period for the *tax preferred use of the asset ends on a particular date (the **termination date**); and
- (c) the asset continues to be put to the tax preferred use after the termination date;

the tax preferred use of the asset after the termination date is taken to be a separate and distinct tax preferred use of the asset from the tax preferred use of the asset before the termination date.

Note: This means, among other things, that there is a new arrangement period for the tax preferred use after the termination date and that the arrangement is retested under section 250-15 against circumstances as they stand immediately after the termination date.

250-75 What constitutes a separate asset for the purposes of this Division

- (1) This Division applies to:
- (a) an improvement to land; or
 - (b) a fixture on land;
- whether the improvement or fixture is removable or not, as if it were an asset separate from the land.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (2) Whether a particular composite item is itself an asset or whether its components are separate assets is a question of fact and degree which can only be determined in the light of all the circumstances of the particular case.

Example 1: A car is made up of many separate components, but usually the car is an asset rather than each component.

Example 2: A floating restaurant consists of many separate components (like the ship itself, stoves, fridges, furniture, crockery and cutlery), but usually these components are treated as separate assets.

- (3) This Division applies to a renewal or extension of an asset that is a right as if the renewal or extension were a continuation of the original right.
- (4) This Division applies to an asset (the ***underlying asset***) in which:
- (a) you have an interest; and
 - (b) one or more other entities also have an interest;
- as if your interest in the underlying asset were itself the underlying asset.

250-80 Treatment of particular arrangements in the same way as leases

This Division applies to an *arrangement that:

- (a) in substance or effect, depends on the use of a specific asset that is:
 - (i) real property; or
 - (ii) goods or a personal chattel (other than money or a money equivalent); and
 - (b) gives a right to control the use of the asset (other than temporarily for the purpose of ensuring public health or safety, protecting the environment or continuing the supply of an essential service); and
 - (c) is not a lease;
- in the same way as it applies to a lease.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 250-85

Note: Even if this section applies to treat an arrangement in relation to an asset as a lease, the requirements in section 250-50 still need to be satisfied before an entity can be an end user of the asset.

Financial benefits in relation to tax preferred use

250-85 Financial benefits in relation to tax preferred use of an asset

- (1) For the purposes of this Division, the **financial benefits **provided in relation to a tax preferred use of an asset*** include (but are not limited to):
- (a) a financial benefit provided in relation to:
 - (i) bringing the asset into a state, condition or location in which it can be **put to the tax preferred use*; or
 - (ii) the start of the **tax preferred use* of the asset; and
 - (b) a financial benefit provided in relation to the end of the tax preferred use of the asset; and
 - (c) a financial benefit provided in relation to the termination or expiration of an **arrangement* that deals with:
 - (i) the tax preferred use of the asset; or
 - (ii) the provision of financial benefits in relation to the tax preferred use of the asset; and
 - (d) a financial benefit provided in relation to the purchase or acquisition of the asset by, or transfer of the asset to, the **tax preferred end user* (or a **connected entity*).
- (2) Without limiting paragraph (1)(b), if the asset has a **guaranteed residual value*:
- (a) the amount of the guaranteed residual value is taken to be a **financial benefit **provided in relation to the tax preferred use of the asset***; and
 - (b) that financial benefit is taken to be provided when the relevant payment is made in relation to the guaranteed residual value.
- (3) The asset has a ***guaranteed residual value*** if there is an **arrangement* that provides to the effect that if:

**To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.*

- (a) on or after the end of the *arrangement period, you (or a *connected entity) sell or otherwise dispose of the asset to any person; and
- (b) you (or a connected entity) receives in respect of the sale or disposal:
 - (i) no consideration; or
 - (ii) consideration that is less than an amount (the **guaranteed amount**) specified in, or ascertainable under, the provision;

a *member of the tax preferred sector will pay to you (or a connected entity), or to someone else for your benefit (or for the benefit of a connected entity), an amount equal to:

- (c) the guaranteed amount if subparagraph (b)(i) applies; or
- (d) the amount by which the guaranteed amount exceeds the consideration if subparagraph (b)(ii) applies.

The amount of the guaranteed residual value is taken to be the guaranteed amount.

- (4) If:
 - (a) an asset is *put to a tax preferred use; and
 - (b) an entity is an *end user of the asset because the entity manages the asset or the use to which the asset is put;any *financial benefit that the entity (or a *connected entity) provides that is calculated by reference to the receipts, revenue or income generated by the use of the asset is also taken to be a financial benefit **provided in relation to the tax preferred use of the asset**.
- (5) For the purposes of this Division (other than this subsection), a *financial benefit provided by a *member of the tax preferred sector is taken not to be **provided in relation to the tax preferred use of an asset** to the extent to which the financial benefit merely passes on, or represents:
 - (a) financial benefits provided in relation to the use of the asset; or
 - (b) something derived from the use of the asset;

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 250-90

by someone who is not a member of the tax preferred sector.

- (6) For the purposes of this Division, disregard a *financial benefit *provided in relation to the tax preferred use of the asset to the extent to which it consists solely of routine maintenance of the asset.
- (7) For the purposes of this Division, if a *financial benefit is provided in relation to the use of a number of assets, a separate financial benefit of an amount or value that is reasonably attributable to each asset is taken to be provided in relation to each asset.
- (8) To avoid doubt, a *financial benefit may be ***provided in relation to a tax preferred use of an asset*** even though it is provided before the *tax preferred use of the asset starts.
- (9) For the purposes of this Division:
 - (a) a *financial benefit that is not an amount:
 - (i) is taken to become due and payable when the entity providing the financial benefit becomes liable to provide the financial benefit; and
 - (ii) is taken to be paid when it is provided; and
 - (b) a financial benefit that is paid without becoming due and payable is taken to have become due and payable on the day on which it was paid.

250-90 Financial benefit provided directly or indirectly

For the purposes of this Division, a person (the ***provider***) is taken to provide a *financial benefit to a person (the ***recipient***) in relation to a *tax preferred use of an asset whether the financial benefit is provided to the recipient:

- (a) directly; or
- (b) indirectly (including indirectly through an entity that is not a *connected entity of the recipient and is not a connected entity of the provider).

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

250-95 Expected financial benefits in relation to an asset put to tax preferred use

For the purposes this Division, the *expected financial benefits* at a particular time in relation to an asset that is *put to a tax preferred use are the *financial benefits that, at that time:

- (a) have been; or
- (b) will, assuming normal operating conditions, be; or
- (c) can, assuming normal operating conditions, reasonably be expected to be;

*provided in relation to the tax preferred use of the asset by a *member of the tax preferred sector to someone who is not a member of the tax preferred sector.

Note: Paragraphs 250-85(1)(b), (c) and (d) provide for certain benefits provided in relation to the end of the tax preferred use of the asset or in relation to the purchase, disposal or transfer of the asset to be treated as financial benefits provided in relation to the tax preferred use of the asset.

250-100 Present value of financial benefit that has already been provided

For the purposes of this Division, the *present value* of a *financial benefit at a particular time is the nominal amount or value of the financial benefit if the financial benefit has been provided before that time.

Discount rate to be used in working out present values

250-105 Discount rate to be used in working out present values

- (1) For the purposes of section 250-40, the discount rate to be used in working out the present value of a future amount is the *long term bond rate for the *financial year in which the relevant *arrangement period starts.
- (2) For the purposes of section 250-135 and Subdivisions 250-C and 250-D, the discount rate to be used in working out the present

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 250-110

value of a future amount is a rate that reflects a constant periodic rate of return (worked out on a compounding basis) on the investment in:

- (a) the asset referred to in subparagraph 250-15(d)(i) if that subparagraph applies; or
- (b) the expenditure referred to in paragraph 250-15(d)(ii) if that subparagraph applies;

that is implicit in the *arrangements under which the asset is *put to a tax preferred use and *financial benefits are *provided in relation to that tax preferred use.

Predominant economic interest

250-110 Predominant economic interest

You lack a ***predominant economic interest*** in an asset at a particular time only if one or more of the following sections apply to you and the asset at that time:

- (a) section 250-115 (limited recourse debt test);
- (b) section 250-120 (right to acquire asset test);
- (c) section 250-125 (effectively non-cancellable, long term arrangement test);
- (d) section 250-135 (level of expected financial benefits test).

250-115 Limited recourse debt test

- (1) You lack a ***predominant economic interest*** in an asset at a particular time if more than the allowable percentage of the cost of your acquiring or constructing the asset is financed (directly or indirectly) by a *limited recourse debt or debts.
- (2) For the purposes of subsection (1):
 - (a) the amount of a *limited recourse debt is to be reduced by the value of any * debt property (other than the *financed property) that is provided as security for the debt; and
 - (b) if the limited recourse debt finances the acquisition or construction of 2 or more assets, only the amount of the debt

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

that is reasonably attributable to the asset referred to in subsection (1) is to be taken into account.

- (3) For the purposes of subsection (1), the allowable percentage is:
- (a) 80% if the asset is taken to be *put to a tax preferred use because of subparagraph 250-60(1)(b)(i) or (2)(b)(i) (end use by *tax preferred entities); or
 - (b) 55% if the asset is taken to be put to a tax preferred use because of subparagraph 250-60(1)(b)(ii) or (2)(b)(ii) (end use by foreign residents or businesses).
- (4) This section does not apply to the asset if:
- (a) you are a *corporate tax entity; and
 - (b) the *tax preferred use of the asset is not the lease or hire of the asset (and is not the use of the asset under a lease or hire arrangement); and
 - (c) the asset is *put to the tax preferred use wholly or principally in Australia; and
 - (d) no *member of the tax preferred sector provides financing, or support for financing, in relation to your interest in the asset (including by way of a loan, a guarantee, an indemnity, a security, hedging or undertaking to provide *financial benefits in the event of the termination of an *arrangement).
- (5) Paragraph (4)(b) does not apply if:
- (a) the asset is real property (or an interest in real property); and
 - (b) the *tax preferred use of the asset is a lease; and
 - (c) the space within the property that is occupied by tenants who are *members of the tax preferred sector is less than half of the total space within the property that is either occupied by tenants or available to be occupied by tenants.
- (6) This section also does not apply to the asset if:
- (a) you hold the asset as a trustee; and
 - (b) the asset is real property (or an interest in real property); and
 - (c) the *tax preferred use of the asset is a lease; and

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 250-120

- (d) the space within the property that is occupied by tenants who are *members of the tax preferred sector is less than half of the total space within the property that is either occupied by tenants or available to be occupied by tenants; and
- (e) the asset is *put to the tax preferred use wholly or principally in Australia; and
- (f) no member of the tax preferred sector provides financing, or support for financing, in relation to your interest in the asset (including by way of a loan, a guarantee, an indemnity, a security, hedging or undertaking to provide *financial benefits in the event of the termination of an *arrangement).

250-120 Right to acquire asset test

- (1) You lack a ***predominant economic interest*** in an asset at a particular time if, at that time:
 - (a) the asset is to be transferred to a *member of the tax preferred sector after the end of the *arrangement period; and
 - (b) the consideration for the transfer is not fixed as the *market value of the asset at the time of the transfer.
- (2) You also lack a ***predominant economic interest*** in an asset at a particular time if, at that time:
 - (a) a *member of the tax preferred end user group has, or will have:
 - (i) a right, obligation or contingent obligation to purchase or acquire the asset or a legal or equitable interest in the asset; or
 - (ii) a right to require the transfer of the asset or a legal or equitable interest in the asset; and
 - (b) the consideration for the purchase, acquisition or transfer is not fixed as the *market value of the asset at the time of the purchase, acquisition or transfer.

To avoid doubt, this section does not apply to the asset merely because your interest in the asset is one that ceases to exist after the passage of a particular period of time.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

250-125 Effectively non-cancellable, long term arrangement test

- (1) You lack a *predominant economic interest* in an asset at a particular time if:
 - (a) any *arrangement that relates to:
 - (i) the *tax preferred use of the asset; or
 - (ii) the *financial benefits to be *provided by the *members of the tax preferred sector in relation to the tax preferred use of the asset;is *effectively non-cancellable (see section 250-130); and
 - (b) the *arrangement period for the tax preferred use of the asset is:
 - (i) greater than 30 years; or
 - (ii) if the arrangement period is less than or equal to 30 years—75% or more of that part of the asset's *effective life that remains when the tax preferred use of the asset starts.
- (2) Disregard section 40-102 in working out the asset's *effective life for the purposes of subparagraph (1)(b)(ii).

250-130 Meaning of *effectively non-cancellable* arrangement

- (1) An *arrangement that relates to *financial benefits to be *provided by a *member of the tax preferred sector in relation to the tax preferred use of an asset is *effectively non-cancellable* if:
 - (a) the arrangement can be cancelled only with:
 - (i) your permission; or
 - (ii) the permission of a *connected entity of yours; or
 - (iii) an agent or entity acting on your behalf (or on behalf of a connected entity of yours); or
 - (b) the arrangement can be cancelled without the permission of an entity referred to in paragraph (a) but, if the arrangement were cancelled, the member of the tax preferred sector or another member of the tax preferred sector:

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 250-135

- (i) would be required to enter into a new arrangement for the *provision of financial benefits in relation to the tax preferred use of the asset; or
 - (ii) would incur a penalty and the magnitude of the penalty would be such as to discourage cancellation.
- (2) For these purposes, if a *member of the tax preferred sector defaults under an *arrangement and the arrangement is cancelled, the arrangement is to be taken to have been cancelled without the permission of an entity referred to in paragraph (1)(a).

250-135 Level of expected financial benefits test

Effective guarantee or indemnity for value of asset

- (1) You lack a ***predominant economic interest*** in an asset at a particular time if the asset has a *guaranteed residual value at that time.

Likely financial benefits exceeding 70% limit

- (2) You also lack a ***predominant economic interest*** in an asset at a particular time if, at that time:
 - (a) the *arrangement under which the asset is *put to the tax preferred use (either alone or together with any other arrangement in relation to the *tax preferred use of the asset or the *provision of *financial benefits in relation to the tax preferred use of the asset) is a *debt interest; or
 - (b) the sum of the present values of the *expected financial benefits that *members of the tax preferred sector have provided, or are or are reasonably likely to provide, to you (or a *connected entity) in relation to the tax preferred use of the asset exceeds 70% of:
 - (i) the *market value of the asset if subparagraph 250-15(d)(i) applies; or

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (ii) so much of the market value of the asset as is attributable to the expenditure referred to subparagraph 250-15(d)(ii) if that subparagraph applies.

250-140 When to retest predominant economic interest under section 250-135

Purpose for applying section

- (1) This section applies for the purposes of working out whether this Division applies to you and to an asset that is *put to a tax preferred use.

No need to keep retesting if section 250-135 does not apply at start of tax preferred use of asset

- (2) If section 250-135 does not apply to you and the asset at the time when the *tax preferred use of the asset starts, that section is taken, subject to subsection (4), to continue not to apply to you and the asset.

Note: This subsection means that if section 250-135 does not apply to the arrangement when the tax preferred use of the asset starts, the arrangement does not need to be retested against section 250-135 until a change of the kind referred to in subsection (4) occurs.

No need to keep retesting if section 250-135 does not apply when you do something to increase value of expected financial benefits

- (3) If:
 - (a) you (or a *connected entity), or a *member of the tax preferred sector, do something, or omit to do something, at a particular time that increases the value of the *expected financial benefits in relation to the *tax preferred use of the asset; and
 - (b) section 250-135 does not apply to the asset at that time;that section is taken, subject to subsection (4), to continue not to apply to you and the asset.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 250-140

Note: This subsection means that if the arrangement is retested against section 250-135 at a particular time and section 250-135 does not apply to the arrangement on that retesting, the arrangement does not need to be again retested against section 250-135 until a change of the kind referred to in subsection (4) occurs.

Retesting when you do something to increase the value of expected financial benefits

- (4) Subsection (2) or (3) ceases to apply to you and the asset if you (or a *connected entity), or a *member of the tax preferred sector, do something, or omit to do something, that increases the value of the *expected financial benefits in relation to the *tax preferred use of the asset.

Certain financial benefits ignored when retesting

- (5) For the purposes of reapplying section 250-135 to the asset, disregard *financial benefits provided before subsection (2) or (3) of this section ceased to apply to the asset.

Note: If:

- (a) subsection (2) or (3) ceases to apply to the asset at a particular time under this subsection; and
- (b) the asset is retested at that time against section 250-135; and
- (c) on the retesting, that section is found to apply to the asset at that time;

subsection (3) will start to apply to the asset again from that time because paragraph (3)(b) will have been satisfied.

Clarification that retesting only required if you do something to increase value of expected benefits

- (6) To avoid doubt, subsection (2) or (3) does not cease to apply merely because the value of the *expected financial benefits in relation to the asset increase because of something other than action taken, or an omission made, by you (or a *connected entity) or a *member of the tax preferred sector.

Note: This subsection means that retesting under subsection (4) is not triggered by an increase in the value of expected financial benefits that happens because of external circumstances (circumstances external to

activities and omissions of yours, your connected entities and members of the tax preferred sector).

Subdivision 250-C—Denial of, or reduction in, capital allowance deductions

Table of sections

250-145	Denial of capital allowance deductions
250-150	Apportionment rule

250-145 Denial of capital allowance deductions

- (1) If this Division applies to you and an asset at a particular time, any condition that needs to be satisfied for you to be able to deduct an amount under a *capital allowance provision in relation to:
 - (a) a decline in the value of the asset; or
 - (b) expenditure in relation to the asset;is taken not to be satisfied at that time.
- (2) This section has effect subject to section 250-150.

250-150 Apportionment rule

- (1) This section applies if:
 - (a) this Division applies to you and an asset that is *put to a tax preferred use; and
 - (b) it is reasonable to expect that, during the *arrangement period for the *tax preferred use of the asset, particular *financial benefits will be provided to you (or a *connected entity); and
 - (c) it is reasonable to expect that those financial benefits:
 - (i) will be provided in relation to a use of the asset that is not that tax preferred use and is not a private use; or
 - (ii) will be *provided in relation to that tax preferred use of the asset but will not be attributable, directly or indirectly, to financial benefits that are provided by *members of the tax preferred sector; and

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 250-150

- (d) the amount or value of those financial benefits is known or can reasonably be estimated; and
 - (e) you choose to have this section apply to the asset.
- In applying paragraph (c), disregard financial benefits that are provided under an *arrangement that is a *debt interest.
- (2) A choice under paragraph (1)(e) in relation to an asset:
 - (a) must be made before the due date for you to lodge your *income tax return for the income year in which the *arrangement period for the *tax preferred use of the asset starts; and
 - (b) must be made for the whole of the arrangement period for the tax preferred use of the asset; and
 - (c) must extend to all assets that are, or are to be, *put to a tax preferred use under the *arrangement under which the asset is put to that use; and
 - (d) is irrevocable.
- The choice may extend to an asset referred to in paragraph (c) even if it is likely that paragraphs (1)(b) and (c) will not apply to that asset.
- (3) If this section applies, section 250-145 applies to you and the asset only to the extent of the *disallowed capital allowance percentage.
 - (4) Subject to subsection (6), the ***disallowed capital allowance percentage*** is the following ratio (expressed as a percentage):
$$\frac{\text{Sum of present values of financial benefits that are subject to deemed loan treatment}}{\text{Market value of asset}}$$
 - (5) The Commissioner may, before the due date for you to lodge your *income tax return for the income year to which the *arrangement period for the *tax preferred use of the asset starts, approve an alternative method for working out the *disallowed capital allowance percentage for you and the asset.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (6) If the Commissioner approves an alternative method under subsection (5), the *disallowed capital allowance percentage* is the percentage worked out in accordance with that alternative method.

Subdivision 250-D—Deemed loan treatment of financial benefits provided for tax preferred use

Table of sections

250-155	Arrangement treated as loan
250-160	Financial benefits that are <i>subject to deemed loan treatment</i>
250-180	<i>End value</i> of asset
250-185	Financial benefits subject to deemed loan treatment not assessed

250-155 Arrangement treated as loan

Loan with characteristics provided for in this section taken to exist

- (1) If this Division applies to you and an asset at a particular time in an income year, a *financial arrangement in the form of a loan (with the characteristics provided for in this section) is taken to exist at that time for the purposes of working out your taxable income for that income year.

Note: See Subdivision 250-E for the taxation treatment of the financial arrangement.

Lender

- (2) You are taken to be the lender in relation to the loan.

Amount lent and unpaid at the start of the arrangement period

- (3) The amount worked out under subsection (4) is taken to be the amount that you have lent, and that the borrower has not repaid, at the start of the *arrangement period.
- (4) The amount is worked out by taking:
- (a) the amount that, at the start of the *arrangement period, is:

Section 250-155

- (i) the *adjustable value of the asset if subparagraph 250-15(d)(i) applies; or
 - (ii) the amount worked out under subsection (5) if subparagraph 250-15(d)(ii) applies; or
 - (b) if section 250-150 applies—the amount that, at the start of the arrangement period, is the *disallowed capital allowance percentage of:
 - (i) the adjustable value of the asset if subparagraph 250-15(d)(i) applies; or
 - (ii) the amount worked out under subsection (5) if subparagraph 250-15(d)(ii) applies;
- and deducting the sum of all *financial benefits that are *subject to deemed loan treatment and that have become due and payable before the start of the arrangement period.
- (5) If subparagraph 250-15(d)(ii) applies, the amount worked out under this subsection for the purposes of subsection (4) is:

Item	If the expenditure referred to in that subparagraph is ...	the amount is ...
1	capital expenditure under Division 40	the amount of the capital expenditure in respect of which a deduction has not been allowed (disregarding this Division) under the relevant Subdivision of Division 40
2	capital expenditure under Division 43	the *undeducted construction expenditure in relation to the capital expenditure

Amounts paid to you by borrower under the loan

- (6) Any *financial benefit that:
- (a) a person provides; and
 - (b) is *subject to deemed loan treatment;
- is taken to be an amount that the borrower pays you under the loan.

Section 250-155

Note 1: Section 250-160 tells you which financial benefits are subject to the deemed loan treatment.

Note 2: These benefits may be ones that are provided either to you or to a connected entity.

Period of the loan

- (7) The *arrangement period is taken to be the period of the loan.

Applying Subdivision 250-E to the loan

- (8) For the purposes of applying Subdivision 250-E to the loan:
- (a) you are taken to have an overall gain from the loan and that overall gain is taken to be sufficiently certain at the time when you start to have the loan; and
 - (b) the amount of that overall gain is taken to be the sum of the *financial benefits that are *subject to the deemed loan treatment less the amount worked out under subsection (4); and
 - (c) you are taken:
 - (i) to start to have the loan at the start of the *arrangement period; and
 - (ii) to cease to have the loan at the end of the arrangement period; and
 - (d) any right that you (or a connected entity) have to a financial benefit that is subject to deemed loan treatment is taken to be a right that you have under the loan; and
 - (e) if a *connected entity transfers to another person a right to a financial benefit subject to deemed loan treatment:
 - (i) you are taken to transfer the right to that other person; and
 - (ii) any consideration that the connected entity receives in relation to the transfer is taken to be consideration that you receive in relation to the transfer; and
 - (f) if a right that a connected entity has to a financial benefit subject to deemed loan treatment ceases and the connected entity receives consideration in relation to that cessation—

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 250-160

- you are taken to receive that consideration in relation to the cessation; and
- (g) you are taken to start to have the loan, or to cease to have the loan, as consideration for something if you start to have the rights to the financial benefits that are subject to deemed loan treatment, or cease to have those rights, as consideration for that thing; and
- (h) in applying sections 250-265 to 250-275:
- (i) the amount that you are taken, under subsections (3), (4) and (5), to have lent are the only financial benefits that you provide under the loan; and
 - (ii) the financial benefits you have received under the loan are taken to include financial benefits that are subject to deemed loan treatment that a person is, at the end of the arrangement period, liable to provide to you.
- (9) If, under subsection 250-160(2), a particular percentage of a reasonable estimate of the *end value of the asset was taken to be a *financial benefit that is *subject to the deemed loan treatment, subsection 250-275(1) applies to the loan at the end of the *arrangement period as if you had received under the loan a financial benefit equal to the relevant percentage of the end value of the asset.

250-160 Financial benefits that are *subject to deemed loan treatment*

General rule

- (1) Subject to subsections (3) and (4), a *financial benefit is ***subject to deemed loan treatment*** if:
- (a) the financial benefit:
 - (i) has been; or
 - (ii) will, assuming normal operating conditions, be; or
 - (iii) can, assuming normal operating conditions, reasonably be expected to be;
- provided to you (or a *connected entity); and

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 250-160

- (b) the financial benefit has been, will be or can reasonably be expected to be *provided directly or indirectly by a *member of the tax preferred sector in relation to the *tax preferred use of the asset; and
- (c) the right to receive, or the obligation to provide, the financial benefit is *cash settleable; and
- (d) the financial benefit has not been, will not be or can be expected not to be provided by one of your connected entities.

Note: Paragraph (d) stops a financial benefit passing between you and any of your connected entities from being counted twice.

End value also taken to be financial benefit subject to deemed loan treatment

- (2) The relevant percentage of a reasonable estimate of the *end value of the asset is also taken to be a *financial benefit that is ***subject to deemed loan treatment*** if:
 - (a) the asset is not to be purchased or acquired by, or transferred to, a *member of the tax preferred sector at the end of the *arrangement period under a legally enforceable *arrangement; or
 - (b) the asset:
 - (i) is, or is to become, a *privatised asset; or
 - (ii) would be, or would become, a privatised asset if it were a *depreciating asset; or
 - (iii) would be a privatised asset if the asset were a depreciating asset and paragraphs 58-5(2)(a) and 58-5(4)(a) were not limited to acquisitions of depreciating assets that occurred on or after 1 July 2001.

The relevant percentage is the *disallowed capital allowance percentage if section 250-150 applies. Otherwise it is 100%.

Note: See section 250-180 for how to work out the end value of the asset.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 250-180

Financial benefits only subject to deemed loan treatment to the extent to which they represent a return on investment

- (3) The *financial benefit is **subject to deemed loan treatment** only to the extent to which it reasonably represents a return of, or on, an investment in the asset (as distinct, for example, from representing consideration for the provision of services or the recovery of production costs), having regard to:
- (a) the *market value of the asset; and
 - (b) the discount rate applicable under subsection 250-105(2); and
 - (c) your costs in relation to funding your interest in the asset; and
 - (d) any other relevant matter.

The regulations may provide rules to be applied in determining the extent to which a financial benefit reasonably represents a return of or on an investment in the asset.

Only financial benefits provided after Division starts applying to you and the asset

- (4) If the *tax preferred use of the asset starts before this Division starts applying to you and the asset, only *financial benefits provided after this Division starts applying to you and the asset are **subject to deemed loan treatment**.

250-180 End value of asset

- (1) The **end value** of an asset is worked out in accordance with this section.
- (2) If the asset has a *guaranteed residual value, the **end value** of the asset is:
- (a) the amount of the guaranteed residual amount if subparagraph 250-15(d)(i) applies; or
 - (b) so much of the amount referred to in paragraph (a) as is attributable to the expenditure referred to in subparagraph 250-15(d)(ii) if that subparagraph applies.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 250-180

- (3) If the asset does not have a *guaranteed residual value and is a *depreciating asset, the **end value** of the asset is:
- (a) if subparagraph 250-15(d)(i) applies—the amount that would have been the *adjustable value of the asset at the end of the *arrangement period if:
 - (i) this Division had not applied to you and the asset; and
 - (ii) the decline in the asset's value were worked out on the basis of the asset's *effective life and using the *prime cost method; or
 - (b) if subparagraph 250-15(d)(ii) applies—so much of the amount referred to in paragraph (a) as is attributable to the expenditure referred to in that subparagraph.
- (4) Disregard section 40-102 in working out the asset's *effective life for the purposes of subparagraph (3)(a)(ii).
- (5) If neither subsection (2) nor subsection (3) applies and an estimate of the value of the asset is recognised for accounting purposes, the **end value** of the asset is:
- (a) the value of the relevant asset at the end of the *arrangement period that would be recognised for accounting purposes if subparagraph 250-15(d)(i) applies; or
 - (b) so much of the value of referred to in paragraph (a) as is attributable to the expenditure referred to subparagraph 250-15(d)(ii) if that subparagraph applies.
- The **end value** must not, however, exceed the amount worked out under subsections 250-155(4) and (5) (amount taken to have been lent).
- (6) If none of subsections (2), (3) and (5) apply to the asset, the **end value** of the asset is:
- (a) a reasonable estimate of the *market value of the asset at the end of the *arrangement period if subparagraph 250-15(d)(i) applies; or
 - (b) so much of the estimate referred to in paragraph (a) as is attributable to the expenditure referred to in subparagraph 250-15(d)(ii) if that subparagraph applies.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 250-185

The *end value* must not, however, exceed the amount worked out under subsections 250-155(4) and (5) (amount taken to have been lent).

250-185 Financial benefits subject to deemed loan treatment not assessed

A *financial benefit is not included in your assessable income if the financial benefit:

- (a) is *provided to you in relation to the tax preferred use of the asset; and
- (b) is provided directly or indirectly by a *member of the tax preferred sector; and
- (c) is *subject to deemed loan treatment.

The financial benefit is not assessable income and is not *exempt income.

Guide to Subdivision 250-E

250-190 What this Subdivision is about

This Subdivision is about the tax treatment of gains and losses from the financial arrangement that you are taken to have under section 250-155.

You recognise gains and losses from the financial arrangement, as appropriate, over the life of the financial arrangement and ignore distinctions between income and capital. You use a compounding accruals method to recognise the gain or loss.

A change in circumstances may cause a re-estimation of gains and losses that the accruals method is being applied to.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 250-195

A balancing adjustment is made if you transfer particular rights or obligations or particular rights or obligations cease.

Application and objects of Subdivision

250-195 Application of Subdivision

This Subdivision applies for the purposes of working out the amount of the gain or loss that is to be included in your assessable income or allowed as a deduction in relation to the *financial arrangement that is taken to exist under section 250-155.

250-200 Objects of this Subdivision

The objects of this Subdivision are:

- (a) to properly recognise gains and losses from the *financial arrangement by allocating them to appropriate periods of time; and
- (b) to minimise tax deferral.

Tax treatment of gains and losses from financial arrangements

250-205 Gains are assessable and losses deductible

Gains

- (1) Your assessable income includes a gain you make from the *financial arrangement.

Losses

- (2) You can deduct a loss you make from the *financial arrangement, but only to the extent that:
 - (a) you make it in gaining or producing your assessable income; or
 - (b) you necessarily make it in carrying on a *business for the purpose of gaining or producing your assessable income.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

250-210 Gain or loss to be taken into account only once under this Act

Purpose of this section

- (1) The purpose of this section is to ensure that your gains that are assessable under this Subdivision, and your losses that are deductible under this Subdivision, are taken into account only once under this Act in working out your taxable income.

Gain or loss

- (2) If a gain or loss is, or is to be, included in your assessable income or allowable as a deduction to you for an income year under this Subdivision, the gain or loss is not to be (to any extent):
 - (a) included in your assessable income; or
 - (b) allowable as a deduction to you;under any other provisions of this Act for the same or any other income year.

Associated financial benefits

- (3) If the amount or value of a *financial benefit is taken into account in working out whether you make, or the amount of, a gain or loss that is, or is to be, included in your assessable income or allowable as a deduction for you for an income year under this Subdivision, the benefit is not to be (to any extent):
 - (a) included in your assessable income; or
 - (b) allowable as a deduction to you;under any other provision of this Act for the same or any other income year.

Method to be applied to take account of gain or loss

250-215 Methods for taking gain or loss into account

The methods that can be applied to take account of a gain or loss you make from the *financial arrangement you have are:

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 250-220

- (a) the accruals method provided for in sections 250-235 to 250-255; or
- (b) a balancing adjustment provided for in sections 250-265 to 250-275.

A gain or loss is not taken into account under the method referred to in paragraph (a) to the extent to which the gain or loss is taken into account under sections 250-265 to 250-275.

General rules

250-220 Consistency in working out gains or losses (integrity measure)

Object of section

- (1) The object of this section is to stop you obtaining an inappropriate tax benefit from not working out your gains and losses in a consistent manner.

Consistent treatment for particular financial arrangement

- (2) If:
 - (a) this Subdivision provides that a particular method applies to gains or losses you make from the *financial arrangement; and
 - (b) that method allows you to choose the particular manner in which you apply that method;you must use that manner consistently for the arrangement for all income years.

Consistent treatment for financial arrangements of essentially the same nature

- (3) If:
 - (a) this Subdivision provides that a particular method applies to gains or losses you make from 2 or more *financial arrangements; and

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (b) that method allows you to choose the particular manner in which you apply that method;
- you must use that same manner consistently for all of those financial arrangements that are essentially of the same nature.

250-225 Rights and obligations include contingent rights and obligations

To avoid doubt:

- (a) a right is treated as a right for the purposes of this Division even it is subject to a contingency; and
- (b) an obligation is treated as an obligation for the purpose of this Division even if it is subject to a contingency.

The accruals method

250-230 Application of accruals method

The accruals method provided for in sections 250-235 to 250-255 applies to a gain or loss you make from the *financial arrangement if:

- (a) the gain or loss is an overall gain or loss from the arrangement; and
- (b) the gain or loss is sufficiently certain at the time when you start to have the arrangement.

250-235 Overview of the accruals method

If the accruals method applies to a gain or loss you make from the *financial arrangement:

- (a) you use section 250-240 to work out the period over which the gain or loss is to be spread; and
- (b) you use section 250-245 to work out how to allocate the gain or loss to particular intervals within the period over which the gain or loss is to be spread; and
- (c) if an interval to which part of the gain or loss is allocated straddles 2 income years, you use section 250-250 to work

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 250-240

out how to allocate that part of the gain or loss allocated between those 2 income years.

250-240 Applying accruals method to work out period over which gain or loss is to be spread

If you have a sufficiently certain overall gain or loss from the *financial arrangement, the period over which the gain or loss is to be spread is the period that:

- (a) starts when you start to have the arrangement; and
- (b) ends when you will cease to have the arrangement.

In applying paragraph (b), you must assume that you will continue to have the arrangement for the rest of its life.

250-245 How gain or loss is spread

How to spread gain or loss

- (1) This section tells you how to spread a gain or loss to which the accruals method applies.

Compounding accruals or approximation

- (2) The gain or loss is to be spread using:
 - (a) compounding accruals (with the intervals to which parts of the gain or loss are allocated complying with subsection (3)); or
 - (b) a method whose results approximate those obtained using the method referred to in paragraph (a) (having regard to the length of the period over which the gain or loss is to be spread).

Intervals to which parts of gain or loss allocated

- (3) The intervals to which parts of the gain or loss are allocated must:
 - (a) not exceed 12 months; and
 - (b) all be of the same length.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Paragraph (b) does not apply to the first and last intervals. These may be shorter than the other intervals.

Assumption of continuing hold arrangement for the rest of its life

- (4) The gain or loss is to be spread assuming that you will continue to have the *financial arrangement for the rest of its life.

250-250 Allocating gain or loss to income years

- (1) You are taken, for the purposes of section 250-205, to make, for an income year, a gain or loss equal to a part of a gain or loss if:
- (a) that part of the gain or loss is allocated to an interval under section 250-245; and
 - (b) that interval falls wholly within that income year.
- (2) If:
- (a) a part of a gain or loss is allocated to an interval under section 250-245; and
 - (b) that interval straddles 2 income years;
- you are taken, for purposes of section 250-205, to make a gain or loss equal to so much of that part of the gain or loss as is allocated between those income years on a reasonable basis.
- (3) If:
- (a) a *consolidated group or *MEC group has a *financial arrangement; and
 - (b) a subsidiary member of the group ceases to be a member of the group at a particular time (the *exit time*); and
 - (c) immediately after the exit time, the subsidiary member has the financial arrangement;
- an income year of the group is taken, for the purposes of applying this section to the group and the financial arrangement, to end at the exit time.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 250-255

250-255 When to re-estimate

When re-estimation necessary

- (1) You re-estimate a gain or loss from the *financial arrangement under subsection (4) if circumstances arise that materially affect:
 - (a) the amount or value; or
 - (b) the timing;of *financial benefits that were taken into account in working out the amount of the gain or loss. You must re-estimate the gain or loss as soon as reasonably practicable after you become aware of the circumstances referred to in paragraph (b).
- (2) Without limiting subsection (1), the following are circumstances of the kind referred to in paragraph (1)(b):
 - (a) a material change in market conditions that are relevant to the amount or value of the *financial benefits to be received or provided under the *financial arrangement;
 - (b) cash flows that were previously estimated becoming known and the difference between the cash flows that become known and the cash flows that were previously estimated is not insignificant;
 - (c) a right to, or a part of a right to, a financial benefit under the arrangement is written off as a bad debt.
- (3) You do not re-estimate a gain or loss from a *financial arrangement under subsection (4) merely because of any one or more of the following:
 - (a) a change in the credit rating, or the creditworthiness, of a party or parties to the financial arrangement;
 - (b) the impairment (within the meaning of the *accounting standards) of the arrangement or a debt that forms part of the arrangement.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Nature of re-estimation

- (4) Making a re-estimation in relation to a gain or loss under this subsection involves:
- (a) a fresh determination of the amount of the gain or loss; and
 - (b) a reapplication of the accruals method to the redetermined gain or loss to make a fresh allocation of the part of the redetermined gain or loss that has not already been allocated to intervals ending before the re-estimation is made to intervals ending after the re-estimation is made.

Basis for re-estimation

- (5) You may make the fresh allocation of the gain or loss under subsection (4) on either of the following bases:
- (a) by maintaining the rate of return being used and adjusting the amount to which you apply the rate of return to the present value of the estimated future cash flows discounted at the maintained rate of return;
 - (b) adjusting the rate of return and maintaining the amount to which you apply the rate of return.

The object to be achieved by both bases is allow you to bring the remainder of the gain or loss based on the new estimates properly to account over the remainder of the period over which you spread the gain or loss.

- (6) If you adopt a particular basis under subsection (5) for a gain or loss from the *financial arrangement, you must use the same basis for all the re-estimations you make under this section in relation to your gains and losses from all your financial arrangements.

Balancing adjustment if rate of return maintained

- (7) If you make a fresh allocation of the gain or loss on the basis referred to in paragraph (5)(a), you must make the following balancing adjustment:
- (a) if you re-estimate a gain and the amount to which you apply the rate of return increases—you make a gain from the

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 250-260

- *financial arrangement, for the income year in which you make the re-estimation, equal to the amount of the increase;
- (b) if you re-estimate a gain and the amount to which you apply the rate of return decreases—you make a loss from the arrangement, for the income year in which you make the re-estimation, equal to the amount of the decrease;
 - (c) if you re-estimate a loss and the amount to which you apply the rate of return increases—you make a loss from the arrangement, for the income year in which you make the re-estimation, equal to the amount of the increase;
 - (d) if you re-estimate a loss and the amount to which you apply the rate of return decreases—you make a gain from the arrangement, the income year in which you make the re-estimation, equal to the amount of the decrease.

250-260 Re-estimation if balancing adjustment on partial disposal

Re-estimation if balancing adjustment on partial disposal

- (1) You also re-estimate a gain or loss from a *financial arrangement under subsection (2) if a balancing adjustment is made in relation to the financial arrangement under sections 250-265 to 250-275 because you transfer to another person:
 - (a) a proportionate share of all of your rights and/or obligations under a *financial arrangement; or
 - (b) a right or obligation that you have under a financial arrangement to a specifically identified *financial benefit; or
 - (c) a proportionate share of a right or obligation that you have under a financial arrangement to a specifically identified financial benefit.

You must re-estimate the gain or loss as soon as reasonably practicable after the transfer occurs.

Nature of re-estimation

- (2) Making a re-estimation in relation to a gain or loss under this subsection involves:

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (a) a fresh determination of the amount of the gain or loss disregarding:
 - (i) *financial benefits; and
 - (ii) amounts of the gain or loss that have already been allocated to intervals ending before the re-estimation is made;to the extent to which they are reasonably attributable to the proportionate share, or the right or obligation, referred to in paragraph (1)(b); and
- (b) a reapplication of the accruals method to the redetermined gain or loss to make a fresh allocation of the part of that gain or loss that has not already been allocated to intervals ending before the re-estimation is made to intervals ending after the re-estimation is made.

Basis for re-estimation

- (3) You make the fresh allocation of the gain or loss under subsection (2) by maintaining the rate of return being used and adjusting the amount to which you apply the rate of return to the present value of the estimated future cash flows discounted at the maintained rate of return. The object to be achieved by the fresh allocation is allow you to bring the remainder of the redetermined gain or loss properly to account over the remainder of the period over which you spread the gain or loss.

Balancing adjustment

250-265 When balancing adjustment made

When balancing adjustment made

- (1) A balancing adjustment is made under section 250-275 if:
 - (a) you transfer to another person all of your rights and/or obligations under the *financial arrangement; or
 - (b) all of your rights and/or obligations under the financial arrangement otherwise substantially cease; or

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 250-265

- (c) you transfer to another person:
 - (i) a proportionate share of all of your rights and/or obligations under the financial arrangement; or
 - (ii) a right or obligation that you have under the financial arrangement to a specifically identified *financial benefit; or
 - (iii) a proportionate share of a right or obligation that you have under the financial arrangement to a specifically identified financial benefit.

Modifications for arrangements that are assets

- (2) The following modifications are made if the *financial arrangement is an asset of yours at the time the event referred to in subsection (1) occurs:
 - (a) paragraphs (1)(a) and (c) do not apply unless the effect of the transfer is to transfer to the other person substantially all the risks and rewards of ownership of the interest transferred;
 - (b) for the purposes of applying section 250-275 to the arrangement, you are treated as transferring a right under the arrangement to another person if:
 - (i) you retain the right but assume a new obligation; and
 - (ii) your assumption of the new obligation has the same effect, in substance, as transferring the right to another person; and
 - (iii) the new obligation arises only to the extent to which the right to *financial benefits under the financial arrangement is satisfied; and
 - (iv) you cannot sell or pledge the right (other than as security in relation to the new obligation); and
 - (v) you must, under the new obligation, provide financial benefits you receive in relation to the right to the person to whom you owe the new obligation without delay.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

250-270 Exception for subsidiary member leaving consolidated group

A balancing adjustment is not made under section 250-275 in relation to a subsidiary member of a *consolidated group or a *MEC group that has the *financial arrangement ceasing to be a member of the group.

250-275 Balancing adjustment

Complete cessation or transfer

- (1) Use the following method statement to make the balancing adjustment if paragraph 250-265(1)(a) or (b) applies:

Method statement for balancing adjustment

Step 1. Add up the following:

- (a) the total of all the *financial benefits provided to you under the *financial arrangement;
- (b) the amount or value of any other consideration you receive in relation to the transfer or cessation referred to in subsection 250-265(1);
- (c) the total of the amounts that have been allowed to you as deductions, because of circumstances that have occurred before the transfer or cessation, for losses from the arrangement;
- (d) the total of the other amounts that would have been allowed to you as deductions, because of circumstances that have occurred before the transfer or cessation, for losses from the arrangement if all your losses from the arrangement were allowable as deductions.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 250-275

Step 2. Add up the following:

- (a) the total of all the *financial benefits you have provided under the *financial arrangement;
- (b) the amount or value of any other consideration you provide in relation to the transfer or cessation referred to in subsection 250-265(1);
- (c) the total of the amounts that have been included in your assessable income, because of circumstances that have occurred before the transfer or cessation, as gains from the arrangement;
- (d) the total of the other amounts that would have been included in your assessable income, because of circumstances that have occurred before the transfer or cessation, as gains from the arrangement if all your gains from the arrangement were assessable.

Step 3. Compare the amount obtained under Step 1 (the ***Step 1 amount***) with the amount obtained under Step 2 (the ***Step 2 amount***). If the Step 1 amount exceeds the Step 2 amount, an amount equal to the excess is taken, as a balancing adjustment, to be a gain you make from the *financial arrangement for the purposes of this Subdivision. If the Step 2 amount exceeds the Step 1 amount, an amount equal to the excess is taken, as a balancing adjustment, to be a loss that you make from the arrangement. If the Step 1 amount and the Step 2 amount are equal, no balancing adjustment is made.

Subdivision 250-F—Treatment of asset when Division ceases to apply to the asset

Table of sections

250-285	Treatment of asset after Division ceases to apply to the asset
250-290	Balancing adjustment under Subdivision 40-D in some circumstances

250-285 Treatment of asset after Division ceases to apply to the asset

- (1) For the purposes of Division 40, if:
- (a) this Division applies to you and an asset; and
 - (b) the *arrangement period for the *tax preferred use of the asset ends at a particular time; and
 - (c) the asset would have had an *adjustable value at that time, for the purposes of Division 40, if this Division had never applied to the asset;
- the adjustable value of the asset, immediately after the end of the arrangement period, is taken to be equal to the amount worked out using the following method statement:

Method statement

- Step 1. Work out whether section 250-150 applies.
- Step 2. If section 250-150 does not apply, the amount is the *end value of the asset at the end of the arrangement period.
- Step 3. If section 250-150 does apply, the amount is worked out by:
- (a) multiplying the *end value of the asset at the end of the *arrangement period by the *disallowed capital percentage; and

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 250-285

- (b) then multiplying the adjustable value of the asset at the end of the arrangement period (worked out under section 40-85) by 100% minus the disallowed capital percentage); and
- (c) then adding the amount obtained under paragraph (a) and the amount obtained under paragraph (b).

(2) If:

- (a) this Division applies to you and an asset; and
- (b) the *arrangement period for the *tax preferred use of the asset ends; and
- (c) a net amount is included in your assessable income in relation to the *financial benefits that are *subject to the deemed loan treatment (taking into account the adjustments under Subdivision 250-E in relation to the financial benefits that are subject to the deemed loan treatment);

the *cost base, and the *reduced cost base, of the asset are each taken to be reduced at the end of the arrangement period by an amount equal to the difference between:

- (d) the total amounts or values of the financial benefits that were subject to deemed loan treatment; and
- (e) the net amount referred to in paragraph (c).

Note: See subsection (6) in relation to the application of paragraph (d).

(3) If:

- (a) this Division applies to you and an asset; and
- (b) the *arrangement period for the *tax preferred use of the asset ends; and
- (c) a net amount is allowed to you as a deduction in relation to the *financial benefits that are *subject to the deemed loan treatment (taking into account the adjustments under Subdivision 250-E in relation to the financial benefits that are subject to the deemed loan treatment);

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 250-285

the *cost base, and the *reduced cost base, of the asset are each taken to be reduced at the end of the arrangement period by an amount equal to the sum of:

- (d) the total amounts or values of the financial benefits that were subject to deemed loan treatment; and
- (e) the net amount referred to in paragraph (c).

Note: See subsection (6) in relation to the application of paragraph (d).

(4) If:

- (a) this Division applies to you and an asset; and
- (b) the *arrangement period for the *tax preferred use of the asset ends; and
- (c) a net amount is included in your assessable income in relation to the *financial benefits that are *subject to the deemed loan treatment (taking into account the adjustments under Subdivision 250-E in relation to the financial benefits that are subject to the deemed loan treatment);

then, in determining the profit or loss on the sale of the asset, a deduction equal to the difference between the following is taken to have been allowed for expenditure by you in connection with the asset:

- (d) the total amounts or values of the financial benefits that were subject to deemed loan treatment; and
- (e) the net amount referred to in paragraph (c).

Note: See subsection (6) in relation to the application of paragraph (d).

(5) If:

- (a) this Division applies to you and an asset; and
- (b) the *arrangement period for the *tax preferred use of the asset ends; and
- (c) a net amount is allowed to you as a deduction in relation to the *financial benefits that are *subject to the deemed loan treatment (taking into account the adjustments under Subdivision 250-E in relation to the financial benefits that are subject to the deemed loan treatment);

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 250-290

then, in determining the profit or loss on the sale of the asset, a deduction equal to the sum of the following is taken to have been allowed for expenditure by you in connection with the asset:

- (d) the total amounts or values of the financial benefits that were subject to deemed loan treatment; and
- (e) the net amount referred to in paragraph (c).

Note: See subsection (6) in relation to the application of paragraph (d).

- (6) In applying paragraphs (2)(d), (3)(d), (4)(d) and (5)(d), disregard subsection 250-160(2) (reasonable estimate of end value treated as financial benefit subject to deemed loan treatment).

250-290 Balancing adjustment under Subdivision 40-D in some circumstances

- (1) This section applies if:
 - (a) this Division applies to you and an asset; and
 - (b) the *arrangement period for the *tax preferred use of the asset ends because a particular event happens; and
 - (c) the event would have been a *balancing adjustment event for the asset for the purposes of Subdivision 40-D if this Division had not applied to you and the asset when the event happened.
- (2) A balancing adjustment is made under Subdivision 40-D as if:
 - (a) the event were a *balancing adjustment event for the asset; and
 - (b) the *adjustable value of the asset, just before the event happened, were the adjustable value worked out under subsection 250-285(1); and
 - (c) sections 40-290, 40-292 and 40-293 did not apply.

Table of Subdivisions

253-A Tax treatment of entitlements under financial claims scheme

Subdivision 253-A—Tax treatment of entitlements under financial claims scheme

Guide to Subdivision 253-A

253-1 What this Subdivision is about

This Act applies to a payment of an entitlement under Division 2AA (Financial claims scheme for account-holders with insolvent ADIs) of Part II of the *Banking Act 1959* as if the payment were made by the ADI under the agreement for the account concerned.

Special rules prevent the arising and payment of such an entitlement from creating inappropriate capital gains or losses affecting assessable income.

Table of sections

Operative provisions

|--------|--|
| 253-5 | Payment of entitlement under financial claims scheme treated as payment from ADI |
| 253-10 | Disposal of rights against ADI to APRA and meeting of financial claims scheme entitlement have no CGT effects |
| 253-15 | Cost base of financial claims scheme entitlement and any remaining part of account that gave rise to entitlement |

Operative provisions

253-5 Payment of entitlement under financial claims scheme treated as payment from ADI

- (1) This Act applies to you as if an amount paid to you, or applied for your benefit, to meet your entitlement under Division 2AA (Financial claims scheme for account-holders with insolvent ADIs) of Part II of the *Banking Act 1959* connected with an account with an *ADI had been paid to you by the ADI under the terms and conditions of the agreement for keeping the account.

Note: This section has effect subject to more detailed provisions about:

- (a) entitlements relating to retirement savings accounts (see section 306-25); and
- (b) entitlements relating to farm management deposits (see Subdivision 393-C).

- (2) To avoid doubt, subsection (1) does not affect the operation of Part 2-5 in Schedule 1 to the *Taxation Administration Act 1953*.

Note: Division 21 in Schedule 1 to the *Taxation Administration Act 1953* contains special provisions about how Part 2-5 in that Schedule operates in relation to the meeting of entitlements under Division 2AA of Part II of the *Banking Act 1959*.

253-10 Disposal of rights against ADI to APRA and meeting of financial claims scheme entitlement have no CGT effects

Disregard a *capital gain or *capital loss you make:

- (a) because of the operation of section 16AI of the *Banking Act 1959*; or
- (b) because your entitlement under Subdivision C of Division 2AA of Part II of that Act is met.

Note: Section 16AI of the *Banking Act 1959* reduces the right of an account-holder who has a protected account with a declared ADI to be paid an amount by the ADI, by the account-holder's entitlement under Subdivision C of Division 2AA of Part II of that Act to be paid an amount by APRA in connection with the account.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 253-15

253-15 Cost base of financial claims scheme entitlement and any remaining part of account that gave rise to entitlement

- (1) This section applies if an entitlement arises under Division 2AA (Financial claims scheme for account-holders with insolvent ADIs) of Part II of the *Banking Act 1959* in connection with an account-holder's account with an *ADI.
- (2) The *cost base and *reduced cost base of the *CGT asset consisting of the entitlement are each the amount of the entitlement.
- (3) The *cost base of the *CGT asset representing the part (if any) of the account-holder's right to be paid an amount by the *ADI in connection with the account that remains after the reduction of that right by section 16AI of the *Banking Act 1959* (by the amount of the entitlement) is the difference (if any) between:
 - (a) the cost base of the right as it was immediately before the reduction; and
 - (b) the amount of the entitlement.The *reduced cost base is worked out similarly.
- (4) This section has effect despite:
 - (a) Division 110 (Cost base and reduced cost base); and
 - (b) subsections 112-30(2), (3), (4) and (5) (which are about apportioning a *cost base if a *CGT event happens to only part of a *CGT asset).

275-610	Non-arm's length income
275-615	Commissioner's determination in relation to amount of non-arm's length income

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Operative provisions

275-605 Trustee taxed on amount of non-arm's length income of managed investment trust

- (1) Subsections (2), (3) and (4) apply if the Commissioner has made a determination under section 275-615 that specifies an amount of *non-arm's length income for a specified *managed investment trust in relation to a specified income year.

Excess amount to be adjusted

- (3) If the trust is an *AMIT for the income year:
- (a) if paragraph (b) does not apply—treat the trust as having an *over in the income year in which the determination is made, for the specified income year, of a character relating to *ordinary income, or *statutory income, from an *Australian source, equal to the amount mentioned in subsection (5); or
 - (b) if the trust already has such an over in the income year in which the determination is made, for the specified income year—increase the amount of that over by the amount mentioned in subsection (5).

 - (ii) otherwise—its *net income for the income year (disregarding subsection (4)); and
 - (b) are attributable only to the amount of non-arm's length income.

275-610 Non-arm's length income

- (1) An amount of *ordinary income or *statutory income is **non-arm's length income** of a *managed investment trust if:
- (a) it is derived from a *scheme the parties to which were not dealing with each other at *arm's length in relation to the scheme; and
 - (b) that amount exceeds the amount that the entity might have been expected to derive if those parties had been dealing with each other at arm's length in relation to the scheme; and
 - (c) the amount is none of the following:
 - (i) a distribution from a *corporate tax entity;
 - (ii) a distribution from a trust that is *not* a party to the scheme mentioned in paragraph (a);
 - (iii) a *return covered by subsection (2).

- (a) the *benchmark rate of return for the interest; and
 - (b) the *base interest rate for the day on which the return is paid or provided, plus 3 percentage points.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (3) Subsection (4) applies if:

 - (b) the amount is a distribution from a trust, or a share of the *net income of a trust, if the trust is a party to the scheme mentioned in paragraph (1)(a).
- (4) The amount is *non-arm's length income of the *managed investment trust only to the extent that the distribution or share of *net income is attributable to non-arm's length income of the trust mentioned in paragraph (3)(b) (on that assumption that the trust were a managed investment trust) because of another operation of this section.
- (5) Subsection (6) applies if:
- (a) an amount (the **first amount**) of *ordinary income or *statutory income of the *managed investment trust that would be *non-arm's length income of the managed investment trust (disregarding that subsection) is:
 - (i) a distribution from a trust that is a party to the scheme mentioned in paragraph (1)(a); or
 - (ii) a share of the *net income of a trust that is a party to that scheme; and
 - (b) another amount (the **second amount**) of ordinary income or statutory income of the managed investment trust is:
 - (i) a distribution from another trust (whether or not the other trust is a party to that scheme); or
 - (ii) a share of the net income of another trust (whether or not the other trust is a party to that scheme); and
 - (c) it is reasonable to conclude that the second amount would have been higher but for the first amount.
- (6) The first amount is *not* *non-arm's length income of the *managed investment trust to the extent that the second amount would have been higher as mentioned in paragraph (5)(c).

- (1) The Commissioner may make a determination in writing that specifies an amount of *non-arm's length income for a specified *managed investment trust in relation to a specified income year if the Commissioner is satisfied that:
 - (a) the amount of non-arm's length income for the managed investment trust in relation to the income year is reflected in:
 - (i) if the trust is an *AMIT for the income year—one or more of its *trust components for the income year; or
 - (ii) otherwise—its *net income for the income year; and
 - (b) the managed investment trust is a party to the *scheme mentioned in paragraph 275-610(1)(a) at a time in the income year in which the amount is derived; and
 - (c) at least one the parties to that scheme is *not* a managed investment trust in relation to the income year.

**Division 276—Australian managed investment trusts:
attribution managed investment trusts**

Guide to Division 276

276-1 What this Division is about

A managed investment trust in relation to an income year is an attribution managed investment trust (or AMIT) for the income year if certain criteria are satisfied. In particular, for the trust to be an AMIT, the interests of the members of the trust need to be clearly defined at all times during which the trust is in existence in the income year (see Subdivision 276-A).

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 276-5

An AMIT for an income year is treated as a fixed trust. A member of the AMIT in respect of the income year is treated as having a vested and indefeasible interest in a share of the income and capital of the AMIT throughout the income year (see Subdivision 276-B).

Amounts related to income and tax offsets of an AMIT, determined by the trustee to be of a particular tax character, are attributed to members, generally retaining that tax character (see Subdivision 276-C).

Underestimates and overestimates of amounts at the trust level are carried forward and dealt with in later years. This is done on a character-by-character basis. An underestimate in an income year of a particular character results in an under of that character. An overestimate results in an over of that character. Unders and overs arise, and are dealt with, in the income year in which they are discovered (see Subdivision 276-F).

The trustee of an AMIT is liable to pay income tax on certain amounts reflecting under-attribution of income or over-attribution of tax offsets (see Subdivision 276-G).

Special rules apply to a trust that ceases to be an AMIT (see Subdivision 276-K).

276-5 What this Subdivision is about

Section 276-10

- (a) the interests of the members of the trust need to be clearly defined at all times when the trust is in existence in the income year; and
- (b) the trustee of the trust needs to have made a choice for the trust to be an AMIT in respect of that income year or an earlier income year.

 - (a) the trust is registered under section 601EB of the *Corporations Act 2001*;

 - (d) the trustee of the AMIT has made a choice for the purposes of this paragraph that applies to the income year.
- (2) For the purposes of this Division (other than this Subdivision), treat each class of those *membership interests in the *AMIT as being a separate AMIT for that income year.
- (3) For the purposes of this Division, allocate assessable income, *exempt income, *non-assessable non-exempt income, *tax losses, *net capital losses and other similar amounts in respect of the *AMIT between each of the separate classes mentioned in subsection (1) on a fair and reasonable basis.

Making of choice by trustee

- (4) A choice for the purposes of paragraph (1)(d) applies to the income year for which it is made and every subsequent income year.
- (5) A choice for the purposes of paragraph (1)(d) cannot be revoked.

Components of income character

- (1) Subsection (2) applies if a *member of an *AMIT in respect of an income year has, for the income year, a *determined member component of:

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 276-80

- (a) a character relating to assessable income; or
 - (b) a character relating to *exempt income; or
 - (c) a character relating to *non-assessable non-exempt income.
- (2) For the purpose of working out the effects mentioned in subsection (3) for the *member, treat the member as having derived, received or made the amount reflected in the *determined member component:
 - (a) in the member's own right (rather than as a member of a trust); and
 - (b) in the same circumstances as the *AMIT derived, received or made that amount, to the extent that those circumstances gave rise to the particular character of that component.
- (3) The effects are as follows:
 - (a) including an amount in the assessable income of the *member;
 - (b) including an amount in the *exempt income of the member;
 - (c) including an amount in the *non-assessable non-exempt income of the member;
 - (d) determining whether the member has made a *capital gain from a *CGT event;
 - (e) determining the extent to which the member's *net capital loss has been *utilised.

Components of tax offset character

- (4) Subsection (5) applies if a *member of an *AMIT in respect of an income year has, for the income year, a *determined member component of a character relating to a *tax offset.
- (5) For the purpose of working out the effects mentioned in subsection (6) for the *member, treat the member as having paid or received the amount reflected in the *determined member component:
 - (a) in the member's own right (rather than as a member of a trust); and

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 276-85

- (b) in the same circumstances as the *AMIT paid or received that amount.
- (6) The effects are as follows:
 - (a) entitling the member to a *tax offset;
 - (b) entitling the member to a credit under Division 18 in Schedule 1 to the *Taxation Administration Act 1953*.

276-85 Member's assessable income or tax offsets for determined member components—specific rules

- (1) This section makes clarifications and modifications of the operation of section 276-80 in respect of a *member of an *AMIT in respect of an income year.
- (2) For the purposes of this Act, if an amount is included in the *member's assessable income because of the operation of this section, treat that amount as being so included because of the operation of subsection 276-80(2).

Discount capital gains

- (3) Subsection (4) applies if the *member has, for the income year, a *determined member component of the character of:
 - (a) a *discount capital gain from a *CGT asset that is *taxable Australian property; or
 - (b) a discount capital gain from a CGT asset that is *not* taxable Australian property.
- (4) For the purposes of section 276-80 and this section, treat the amount of the component as being double what it would be apart from this subsection.

Franking credit gross-up

- (5) Subsection (6) applies if the *member has, for the income year, a *determined member component (the ***franking credit gross-up***

component) of the character of assessable income under subsection 207-20(1) (franking credit gross-up).

- (6) For the purposes of subsection 207-20(1) (franking credit gross-up), treat the reference in that subsection to the amount of the *franking credit on the distribution as instead being a reference to the amount of the franking credit gross-up component.

Limitation on circumstances in paragraph 276-80(2)(b)

- (7) The circumstances mentioned in paragraph 276-80(2)(b) or (5)(b) do not include the following:
- (a) the residence of the trustee of the *AMIT;
 - (b) the place of the central management and control of the AMIT.

276-90 Commissioner's determination as to status of member as qualified person

- (1) Subsection (2) applies to a *member of an *AMIT in respect of an income year if:
- (a) the AMIT is specified in a determination under subsection (3); and
 - (b) the income year is specified in the determination; and
 - (c) the member:
 - (i) is specified in the determination; or
 - (ii) is included in a class of members specified in the determination.
- (2) Treat the *member as *not* being a qualified person in relation to a distribution in relation to the *AMIT for the income year, for the purposes of Division 1A of former Part IIIAA of the *Income Tax Assessment Act 1936*.
- (3) For the purposes of this section, the Commissioner may make a determination in writing that identifies any of the following:
- (a) a specified *member of a specified *AMIT;

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 276-95

- (b) a specified class of members of a specified AMIT.
- (4) The determination may specify one or more income years.
- (5) In deciding whether to make a determination under subsection (3), the Commissioner may have regard to any of the following:
 - (a) arrangements (if any) entered into by the *member that directly or indirectly reduce the economic exposure of the member to changes in the value of the *membership interests held by the member in the *AMIT;
 - (b) the lack of such arrangements;
 - (c) the length of time that the member has been a member of the AMIT;
 - (d) any other matter that the Commissioner considers relevant.
- (6) A determination under subsection (3) is not a legislative instrument.
- (7) If an entity to whom a determination relates is dissatisfied with the determination, the entity may object against it in the manner set out in Part IVC of the *Taxation Administration Act 1953*.

276-95 Relationship between section 276-80 and withholding rules

- (1) Subsection 276-80(2) does *not* apply to the extent that the *determined member component is reflected in an *AMIT DIR payment or a *fund payment, if an amount in respect of the payment:
 - (a) has been withheld from the payment under Subdivision 12-F or 12-H in Schedule 1 to the *Taxation Administration Act 1953*; or
 - (b) would be so withheld apart from an exemption from a requirement to withhold under Subdivision 12-F in that Schedule; or
 - (c) has been paid under Division 12A in that Schedule; or

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 276-100

- (d) would be so paid apart from an exemption from a requirement to withhold under Subdivision 12-F in that Schedule.
- (2) However, if the *determined member component is reflected in a *fund payment, subsection (1) applies only to the extent to which an amount attributable to the fund payment is treated under section 840-815 as not assessable income and not *exempt income.
- (3) Subsection 276-80(2) does not affect the operation of the following:
 - (a) Division 11A of Part III of the *Income Tax Assessment Act 1936*;
 - (b) Subdivision 840-M of this Act;
 - (c) Division 12 in Schedule 1 to the *Taxation Administration Act 1953*.

Note: See Division 12A in Schedule 1 to the *Taxation Administration Act 1953* for provisions about withholding tax that apply specifically to AMITs.

276-100 Relationship between section 276-80 and other charging provisions in this Act

- (1) This section applies if:
 - (a) an amount is included in the assessable income of a *member of an *AMIT in respect of an income year in respect of the member's interest in the AMIT; and
 - (b) that amount is so included otherwise than because of the operation of subsection 276-80(2).
- (2) Reduce the amount included in the assessable income of the *member as mentioned in subsection (1) to the extent (if any) that a corresponding amount is included in the assessable income of the member in respect of the member's interest in the *AMIT because of the operation of subsection 276-80(2).
- (3) To avoid doubt, this section is subject to section 230-20 (financial arrangements).

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

 - (i) unless subparagraph (ii) applies—the member is a foreign resident at the end of the income year; or
 - (ii) if the member is, in respect of that determined member component, a beneficiary in the capacity of a trustee of another trust—a trustee of the other trust is a foreign resident at the end of the income year; and
 - (c) the AMIT is not a *withholding MIT.
- (2) The trustee of the *AMIT is to be assessed and is liable to pay income tax:
- (a) if subparagraph (1)(b)(i) applies and the *member is *not* a company—in respect of the amount mentioned in subsection (3) as if it were the income of an individual and were not subject to any deduction; or
 - (b) if subparagraph (1)(b)(i) applies and the member is a company—in respect of the amount mentioned in subsection (3) at the rate declared by the Parliament for the purposes of this paragraph; or
 - (c) if subparagraph (1)(b)(ii) applies—in respect of the amount mentioned in subsection (4) or (5) at the rate declared by the Parliament for the purposes of this paragraph.

Section 276-105

- (b) for paragraph (b)—paragraph 28A(a) of that Act;
 - (c) for paragraph (c)—paragraph 28A(b) of that Act.
- (3) The amount is the *determined member component, to the extent that the component:
 - (a) is attributable to a period when the *member was an Australian resident; or
 - (b) is attributable to a period when the member was not an Australian resident and is attributable to sources in Australia.
- (4) The amount is the *determined member component, to the extent that the component is attributable to sources in Australia.
- (5) For the purposes of subsection (4), treat the entire amount of the *determined member component as not being attributable to sources in Australia if it is of the character of:
 - (a) a *discount capital gain from a *CGT asset that is not *taxable Australian property; or
 - (b) a *capital gain (other than a discount capital gain) from a CGT asset that is not taxable Australian property.

Exception for component reflected in AMIT DIR payment or fund payment

- (6) Subsection (2) does *not* apply to the extent that the *determined member component is reflected in an *AMIT DIR payment or a *fund payment, if an amount in respect of the payment:
 - (a) has been withheld from the payment under Subdivision 12-F or 12-H in Schedule 1 to the *Taxation Administration Act 1953*; or
 - (b) would be so withheld apart from an exemption from a requirement to withhold under Subdivision 12-F in that Schedule; or
 - (c) has been paid under Division 12A in that Schedule; or

- (a) a *discount capital gain from a *CGT asset that is *taxable Australian property; or
 - (b) a discount capital gain from a CGT asset that is *not* taxable Australian property.
- (8) For the purposes of this section, treat the amount of the component as being double what it would be apart from this subsection.

276-110 Refundable tax offset for foreign resident member—member that is not a trustee

- (1) This section applies if a trustee is assessed and liable to pay income tax under section 276-105 in respect of a *member because of paragraph 276-105(2)(a) or (b).
- (2) The *member is entitled to a *tax offset for the income year equal to the tax paid by the trustee in accordance with subsection 276-105(2).

Note: The tax offset is subject to the refundable tax offset rules: see section 67-23.

Special rule for interposed custodian

276-115 Custodian interposed between AMIT and member

- (1) This section applies if:
- (a) a trust that is a *custodian is a *member of an *AMIT in respect of an income year; and
 - (b) the custodian has, for the income year, a *determined member component of a particular character for the AMIT; and
 - (c) the custodian is interposed between the AMIT and another entity (the *subsequent recipient*); and

 - (i) starts to have, at a time in the income year, an entitlement to an amount that is reasonably attributable to all or part of the determined member component; or
 - (ii) would start to have, at a time in the income year, such an entitlement if the determined member component were an actual payment of an amount.
- (2) For the purposes of this Subdivision, reduce the *custodian's *determined member component by the amount of the entitlement mentioned in subparagraph (1)(d)(i) or (ii).

Note: This subsection may operate to reduce the amount of the determined member component multiple times if there is more than one subsequent recipient in respect of which the requirements in paragraphs (1)(c) and (d) are satisfied.
- (3) For the purposes of this Subdivision:
 - (a) treat the subsequent recipient as being a *member of the *AMIT in respect of the income year; and
 - (b) treat the subsequent recipient as having, for the income year, a *determined member component for the AMIT that:
 - (i) is of the character mentioned in paragraph (1)(b); and
 - (ii) is equal to the amount of the entitlement mentioned in subparagraph (1)(d)(i) or (ii).

276-205 Meaning of *determined member component*

- (1) The ***determined member component*** of a particular character for an income year of a *member of an *AMIT in respect of the income year is the amount of the member's *member component of that character as reflected in the AMIT's latest *AMMA statement for the member for the income year.
- (2) Subsection (3) applies if:
 - (a) the *member makes a choice for the purposes of this paragraph that complies with subsection (5); and
 - (b) the member gives a copy of the choice to the Commissioner within 4 months after:
 - (i) unless subparagraph (ii) applies—the end of the member's income year; or
 - (ii) if the *AMIT gives the member a revised *AMMA statement for the income year at a time after the end of that income year—that time; and
 - (c) the member gives a notice of the choice, in accordance with subsection (7), to the trustee of the AMIT within those 4 months.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 276-205

- (3) Despite subsection (1), if the *determined member component of that character for the income year (disregarding this subsection) does *not* accord with subsections 276-210(2), (3) and (4), that ***determined member component*** is instead the member's *member component of that character for the income year.
- (4) For the purposes of subsection (3), in working out the member's *member component of that character for the income year, if the *trust component of that character differs from the *determined trust component of that character, treat the references in section 276-210 to determined trust component as instead being references to trust component.

Example: The determined trust component exceeds the trust component because of an unintentional mistake by the trustee of the AMIT. As a result, a member's corresponding determined member component under subsection (1) exceeds what it would have been if the trustee had not made the mistake.

If the member makes a choice under subsection (2), the amount of the determined member component will be determined according to the amount of the trust component.

- (5) The choice must:
- (a) be in writing; and
 - (b) state the following matters:
 - (i) the income year to which the choice relates;
 - (ii) what the *member considers to be the member's *member component of that character for the income year;
 - (iii) the reason why the member considers that the *determined member component of that character for the income year does *not* accord with subsections 276-210(2), (3) and (4).
- (6) The way the *member's *income tax return is prepared is sufficient evidence of the making of the choice.
- (7) The notice must:
- (a) be in writing; and

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 276-210

- (b) state the matters mentioned in paragraph (5)(b).

276-210 Meaning of *member component*

- (1) This section applies to a *member of an *AMIT in respect of an income year and sets out how to work out the member's *member components for the year.

Meaning of member component

- (2) The *member's ***member component*** of a character is so much of the *AMIT's *determined trust component of that character as is attributable to the *membership interests in the AMIT held by the member, worked out in accordance with the requirements in subsections (3) and (4).

Attribution must be fair and reasonable and accord with constituent documents

- (3) The attribution must be worked out on a fair and reasonable basis, in accordance with the constituent documents of the *AMIT. This requirement is subject to the requirement in subsection (4).

Attribution must not involve streaming of character amounts

- (4) The attribution must not attribute any part of a *determined trust component of a particular character to a *member's *membership interests because of the tax characteristics of the member.

Safe harbour rules

- (5) Without limiting the scope of the requirements in subsection (3) and (4), an amount does not fail to be worked out in accordance with those requirements as mentioned in subsection (2) merely because the amount reflects the fact that:
- (a) the constituent documents of the *AMIT give the trustee of the AMIT the power to direct an amount arising from the sale of an asset to a particular *member, if:

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 276-210

- (i) the member redeems one or more *membership interests in the AMIT; and
 - (ii) the direction of the amount is made to fund the redemption; and
 - (b) the trustee exercises that power.
- (6) Without limiting the scope of the requirements in subsection (3) and (4), an amount does not fail to be worked out in accordance with those requirements as mentioned in subsection (2) merely because the amount reflects the fact that:
- (a) either:
 - (i) an amount of an *under, relating to a base year (as mentioned in subsection 276-345(1)) increases a *trust component of the *AMIT for a later income year under section 276-305; or
 - (ii) an amount of an *over, relating to a base year (as mentioned in subsection 276-345(1)) decreases a trust component of the AMIT for a later income year under section 276-305; and
 - (b) an entity is a *member of the AMIT at a time in the later income year, but was *not* a member of the AMIT in respect of the base year.
- (7) Without limiting the scope of the requirements in subsection (3) and (4), an amount does not fail to be worked out in accordance with those requirements as mentioned in subsection (2) merely because the amount reflects the fact that:
- (a) the trustee made a *capital gain or *capital loss in an income year (for the purposes of working out the amount of a *trust component of the *AMIT for an income year in accordance with the rules in section 276-265); and
 - (b) an entity was a *member of the AMIT in respect of the income year, but was *not* a member of the AMIT at the time the capital gain or capital loss was made.

Section 276-250

Subdivision 276-E—Trust components

Guide to Subdivision 276-E

276-250 What this Subdivision is about

An AMIT's **trust component** of a particular character is worked out on the basis of the AMIT's assessable income, exempt income, non-assessable non-exempt income and tax offsets (on the assumption that the AMIT were an Australian resident liable to pay tax).

An AMIT's **determined trust component** of a particular character is the amount stated to be its trust component of that character in a document that meets certain requirements.

Trust-level concepts

276-255 Meaning of *determined trust component*

- (1) An *AMIT's **determined trust component** of a particular character for an income year is the amount stated to be its *trust component of that character in a document that meets the requirements in subsection (2).
- (2) The requirements are as follows:
 - (a) the document was created by the *AMIT;

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 276-260

- (b) the document states expressly the amount of the *trust component;
 - (c) at a time after the document was created, the AMIT sent *AMMA statements for the income year to entities that were *members of the AMIT in respect of the income year;
 - (d) the amount of the trust component stated in the document reflects the amount of the *determined member components reflected in those AMMA statements.
- (3) If, apart from this subsection, there are 2 or more documents that meet the requirements in subsection (2), treat the most recently created of those documents as being the only document that meets those requirements.

Example: The income year for the AMIT ends on 30 June. The trustee creates a document stating the amount for the income year on 1 July. It sends all AMMA statements on 10 July. The trustee creates another document stating a different amount for the income year on 1 September. It sends revised AMMA statements reflecting that amount on 10 September. The document created on 1 September is the only document that meets the requirements in this section in respect of the amount for the income year.

276-260 Meaning of *trust component*

- (1) The object of this section is to ensure that an *AMIT's amounts of assessable income, *exempt income, *non-assessable non-exempt income and *tax offsets for an income year are allocated, according to their character, into separate components for the purposes of this Act.
- (2) An *AMIT's ***trust component*** for an income year:
- (a) of a character relating to assessable income; or
 - (b) of a character relating to *exempt income; or
 - (c) of a character relating to *non-assessable non-exempt income; or
 - (d) of a character relating to a *tax offset;

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 276-265

is the amount of that character for the income year worked out for the AMIT in accordance with the rules in sections 276-265 and 276-270.

- (3) This section is subject to Subdivision 276-F (which deals with the effect of *unders and *overs).
- (4) The rules in sections 276-265 and 276-270 apply only for the purposes of determining the amounts of *trust components.

276-265 Rules for working out trust components—general rules

General taxability and residence assumptions to be made

- (1) Work out the amount of the *trust component of each character in relation to the *AMIT assuming that the AMIT's trustee:
 - (a) was liable to pay *tax; and
 - (b) was an Australian resident.

Trust components of assessable income character are net of deductions

- (2) The sum of all of the *trust components of a character relating to assessable income of the *AMIT for the income year equals the total assessable income of the AMIT for the income year, reduced by all deductions of the AMIT for the year. To avoid doubt, for the purposes of this subsection, apply subsection (1).
- (3) However, if that total assessable income does not exceed those deductions, the amount of each *trust component of a character relating to assessable income of the *AMIT for the income year is nil.

276-270 Rules for working out trust components—allocation of deductions

- (1) An amount of a deduction that relates directly only to one or more amounts of assessable income can be deducted only against that

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 276-300

amount or those amounts of assessable income. If there are 2 or more such amounts of assessable income, the amount of the deduction is allocated against those amounts on a reasonable basis.

- (2) If an amount of a deduction remains after applying the rules in subsection (1), the remainder can be deducted against other amounts of assessable income. The amount of the remainder is allocated against those amounts on a reasonable basis.
- (3) For the purposes of this section, determine whether a deduction relates directly to an amount of assessable income on a reasonable basis.

Subdivision 276-F—Unders and overs

Guide to Subdivision 276-F

276-300 What this Subdivision is about

This Subdivision sets out how underestimates and overestimates of amounts at the trust level are carried forward and dealt with in later years. This is generally done on a character-by-character basis.

An underestimate in an income year of a particular character results in an under of that character. An overestimate results in an over of that character.

Unders and overs arise, and are dealt with, in the income year in which they are discovered.

276-305 Adjustment of trust component for unders and overs

Object

- (1) The object of this section is to adjust an *AMIT's *trust component of a particular character for an income year to take account of any *unders or *overs of that character that the AMIT has in the income year.

Unders increase trust component

- (2) If the *AMIT has an *under of that character in the income year (relating to any earlier income year), increase the amount of the *trust component by that under.

Note: Those earlier income years are referred to in section 276-345 as base years.

Overs decrease trust component

- (3) If the *AMIT has an *over of that character in the income year (relating to any earlier income year), decrease the amount of the *trust component by that over.

Note: Those earlier income years are referred to in section 276-345 as base years.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

276-310 Rounding adjustment deficit increases trust component

- (1) If the *AMIT has a *rounding adjustment deficit of that character for the income year, increase the amount of the *trust component by the amount of that rounding adjustment deficit.
- (2) The *AMIT has a ***rounding adjustment deficit*** of a particular character for an income year if:
 - (a) the AMIT has a shortfall for the previous income year under subsection 276-415(1); and
 - (b) the shortfall results wholly or partly from the trustee of the AMIT rounding down amounts in working out *determined member components for the previous income year.The amount of the rounding adjustment deficit is the amount of the shortfall, to the extent that it results from that rounding down.

276-315 Rounding adjustment surplus decreases trust component

- (1) If the *AMIT has a *rounding adjustment surplus of that character for the income year, decrease the amount of the *trust component by the amount of that rounding adjustment surplus.
- (2) The *AMIT has a ***rounding adjustment surplus*** of a particular character for an income year if:
 - (a) the AMIT has an excess for the previous income year under subsection (3); and
 - (b) the excess results wholly or partly from the trustee of the AMIT rounding up amounts in working out *determined member components for the previous income year.The amount of the rounding adjustment surplus is the amount of the excess, to the extent that it results from that rounding up.
- (3) The *AMIT has an excess under this subsection for an income year equal to the amount (if any) by which:
 - (a) the sum of all the *determined member components of all the *members of the AMIT of a particular character relating to

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 276-320

assessable income, *exempt income or *non-assessable non-exempt income for the income year;

exceeds:

- (b) the *determined trust component of that character of the AMIT for the income year.
- (4) Subsection (5) applies if a *determined member component is of the character of:
 - (a) a *discount capital gain from a *CGT asset that is *taxable Australian property; or
 - (b) a discount capital gain from a CGT asset that is *not* taxable Australian property.
- (5) For the purposes of this section, treat the amount of the component as being double what it would be apart from this subsection.

276-320 Meaning of *trust component deficit*

If the amount of the *trust component, worked out after applying sections 276-305, 276-310 and 276-315 (and, if applicable, section 276-325), falls short of nil:

- (a) despite those provisions, the *trust component of that character is nil; and
- (b) the shortfall is the *AMIT's ***trust component deficit*** of that character for the income year.

276-325 Trust component of character relating to assessable income—adjustment for cross-character allocation amount, carry-forward trust component deficit and FITO allocation amount

Section applies to trust component of assessable income character

- (1) This section applies if the *trust component is of a character relating to assessable income.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 276-325

Cross-character allocation amount decreases trust component

- (2) If the *AMIT has a *cross-character allocation amount of that character for the income year, decrease the amount of the *trust component by that amount.

Note: A cross-character allocation amount of a character for the income year is allocated from a trust component deficit of another character for the income year in accordance with subsections 276-330(2), (3) and (4).

Carry-forward trust component deficit decreases trust component

- (3) If the *AMIT has a *carry-forward trust component deficit of that character for the income year, decrease the amount of the *trust component by the amount of that deficit.

Note: A carry-forward trust component deficit for the income year is worked out in respect of the previous income year under subsection 276-330(5).

FITO allocation amount increases trust component with the character of foreign source income

- (4) If:
- (a) the character of the *trust component is a character relating to *ordinary income, or *statutory income, from a source *other than* an *Australian source; and
 - (b) the *AMIT has a *FITO allocation amount for the income year;
- increase the amount of the trust component by that FITO allocation amount.

Note: A FITO allocation amount for the income year is worked out in accordance with section 276-335.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 276-330

276-330 Meaning of *cross-character allocation amount* and *carry-forward trust component deficit*

Section applies to trust component of assessable income character

- (1) This section applies if the *trust component is of a character relating to assessable income.

Cross-character allocation amount

- (2) The trustee may, in accordance with subsection (3), allocate a *trust component deficit (if any) of that character for the income year against the *AMIT's *other* trust components for that income year that are also of a character relating to assessable income.
- (3) For the trustee to make an allocation under subsection (2) the trustee:
- (a) must allocate that *trust component deficit between those other *trust components on a reasonable basis; and
 - (b) cannot allocate more to a trust component than the amount of that trust component.
- (4) If the trustee allocates an amount under subsection (2) to a *trust component of a character for that income year, the amount allocated is a ***cross-character allocation amount*** of that character for that income year.

Carry-forward trust component deficit

- (5) If there is an amount of that *trust component deficit remaining after allocating it in accordance with subsection (2), the remaining amount is the *AMIT's ***carry-forward trust component deficit*** of the character mentioned in subsection (1) for the *next* income year.

276-335 Meaning of *FITO allocation amount*

- (1) This section applies if:

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 276-340

- (a) the *AMIT has a *trust component of the character of *foreign income tax paid that counts towards a *tax offset under Division 770; and
 - (b) the AMIT has a *trust component deficit for the income year of that character.
- (2) The *AMIT has a ***FITO allocation amount*** for the income year equal to the sum of:
- (a) that *trust component deficit; and
 - (b) the product of:
 - (i) that trust component deficit; and
 - (ii) the *corporate tax gross-up rate.

276-340 Trust component character relating to tax offset—taxation of trust component deficit

- (1) This section applies if:
- (a) the *AMIT has a *trust component of a character relating to a *tax offset; and
 - (b) the character of the trust component is *not* the character of *foreign income tax paid that counts towards a tax offset under Division 770; and
 - (c) the AMIT has a *trust component deficit for the income year of that character.

Offset trust component deficit (other than FITO character) taxed

- (2) The trustee of the *AMIT is liable to pay tax at the rate declared by the Parliament on the amount of the *trust component deficit.

Note: The tax is imposed by the *Income Tax (Attribution Managed Investment Trusts—Offsets) Act 2016* and the rate of the tax is set out in that Act.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 276-345

Unders and overs

276-345 Meaning of *under* and *over* of a character

- (1) This section sets out how to work out the amount (if any) of an *AMIT's *under or *over of a particular character for an income year (the **base year**) in a later income year (the **discovery year**).
- (2) The time (the **discovery time**) at which this is worked out for the discovery year is just before the trustee works out the *determined trust component of that character for the discovery year.

Note: This allows unders and overs to be included in the determined trust component for the discovery year: see section 276-305.

- (3) Compare the following amounts:
 - (a) the *AMIT's *trust component of that character for the base year, worked out on the basis of the trustee's knowledge at the discovery time (the **discovery year amount**);
 - (b) this amount (the **base year running balance**):
 - (i) if the discovery year is the first income year after the base year—the AMIT's *determined trust component of that character for the base year; or
 - (ii) otherwise—the discovery year amount worked out under a previous operation of this section for the most recent income year before the discovery year.

*A shortfall is an **under***

- (4) If the base year running balance *falls short* of the discovery year amount, the amount of the shortfall is an **under** of that character, for the base year, that the *AMIT has in the discovery year.

*An excess is an **over***

- (5) If the base year running balance *exceeds* the discovery year amount, the amount of the excess is an **over** of that character, for the base year, that the *AMIT has in the discovery year.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

276-350 Limited discovery period for unders and overs

Despite section 276-345, an *AMIT does not have an *under or an *over of a particular character for an income year (the *base year*) if:

- (a) assuming the Commissioner made an assessment of the *trust component of that character on the day on which the document stating the AMIT's *determined trust component of that character for the base year was created; and
- (b) assuming the assessment had not been amended at the discovery time mentioned in subsection 276-345(2) for the under or over;

section 170 of the *Income Tax Assessment Act 1936* would prevent the assessment from being amended to take account of the under or over.

Note: Section 170 of the *Income Tax Assessment Act 1936* specifies the usual period within which assessments may be amended.

- (a) first, work out the sum of each shortfall of the *AMIT under subsection (1) for the income year;
 - (b) next, work out the extent (if any) to which each of those shortfalls gives rise to a *rounding adjustment deficit (see subsection 276-310(2));
 - (c) next, subtract the result of paragraph (b) from the result of paragraph (a);
 - (d) next, work out the extent (if any) to which the result of paragraph (c) is referable to one or more shortfalls under subsection 276-405(1);
 - (e) next, subtract the result of paragraph (d) from the result of paragraph (c).

Note: The rate is set out in subsection 12(12) of the *Income Tax Rates Act 1986*.

Gross-up for discount capital gain

- (3) Subsection (4) applies if a *determined member component is of the character of:
- (a) a *discount capital gain from a *CGT asset that is *taxable Australian property; or
 - (b) a discount capital gain from a CGT asset that is *not* taxable Australian property.
- (4) For the purposes of this section, treat the amount of the component as being double what it would be apart from this subsection.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Ensuring unders and overs are properly taxed

276-420 Trustee taxed on amounts of under of character relating to assessable income not properly carried forward

- (1) An *AMIT for an income year has a shortfall under this subsection for the income year equal to the amount (if any) by which:
- (a) an *under of the AMIT of a character relating to assessable income in the income year for an earlier income year (the **base year**) (as worked out by the trustee on the basis of the trustee's knowledge at the discovery time mentioned in subsection 276-345(2));
- falls short of:
- (b) what the under would have been if it had been worked out on the basis of what the trustee should have known at that time.

Liability to tax

- (2) The trustee is liable to pay income tax at the rate declared by the Parliament on the amount that is the sum of each shortfall of the *AMIT under subsection (1) for the income year.

Note: The rate is set out in subsection 12(13) of the *Income Tax Rates Act 1986*.

Adjustment for later unders relating to the same base year

- (3) If there is a shortfall under subsection (1) for a particular character for an income year, for the purposes of applying paragraph 276-345(3)(b) (base year running balance) to a later income year, increase the amount mentioned in subparagraph 276-345(3)(b)(ii) (previous discovery year amount) for that character by the amount of the shortfall.

 - (c) the amount mentioned in paragraph (1)(b) is reflected (in whole or in part) in the amount of the under.
- (5) Reduce the shortfall by the extent to which the *under in the later income year reflects the amount mentioned in paragraph (1)(b).

276-425 Trustee taxed on amounts of over of character relating to tax offset not properly carried forward

- (1) An *AMIT for an income year has a shortfall under this subsection for the income year equal to the amount (if any) by which:
- (a) an *over of the AMIT of a character relating to a *tax offset in the income year relating to an earlier income year (the **base year**) (as worked out by the trustee on the basis of the trustee's knowledge at the discovery time mentioned in subsection 276-345(2));
- falls short of:
- (b) what the over would have been if it had been worked out on the basis of what the trustee should have known at that time.

Liability to tax

- (2) The trustee is liable to pay tax at the rate declared by the Parliament on the amount that is the sum of each shortfall of the *AMIT under subsection (1) for the income year.

Note: The tax is imposed by the *Income Tax (Attribution Managed Investment Trusts—Offsets) Act 2016* and the rate of the tax is set out in that Act.

Adjustment for later overs relating to the same base year

- (3) If there is a shortfall under subsection (1) for a particular character for an income year, for the purposes of applying paragraph 276-345(3)(b) (base year running balance) to a later income year, decrease the amount mentioned in

- (4) Subsection (5) applies if:
- (a) there is a shortfall under subsection (1) of a particular character relating to a *tax offset for an income year; and
 - (b) the *AMIT has an *over of that character in a later income year relating to the base year mentioned in subsection (1); and

Subdivision 276-H—AMMA statements

Guide to Subdivision 276-H

276-450 What this Subdivision is about

An AMIT for an income year must give each member of the AMIT in respect of the income year an AMIT member annual statement (or AMMA statement) for the income year.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 276-455

276-455 Obligation to give an AMMA statement

276-460 *AMIT member annual statement* (or *AMMA statement*)

Operative provisions

276-455 Obligation to give an AMMA statement

- (1) An *AMIT for an income year must give each *member of the AMIT in respect of the income year an *AMMA statement for the income year.

Note: Section 286-75 in Schedule 1 to the *Taxation Administration Act 1953* provides an administrative penalty for breach of this subsection.

- (2) The statement must be given no later than 3 months after the end of the income year.
- (3) However, the *AMIT need not give an *AMMA statement under subsection (1) to a *member if:
- (a) all of the member's *determined member components for the AMIT for the income year are nil; and
 - (b) all of the member's *membership interests in the AMIT have an *AMIT cost base net amount for the income year of nil.
- (4) To avoid doubt, the *AMIT does not fail to comply with subsection (1) merely because:
- (a) the AMIT gives *AMMA statements for the income year to *members in accordance with subsection (1) by the time required under subsection (2); and
 - (b) after that time, the AMIT gives those members further AMMA statements for the income year that replace the AMMA statements mentioned in paragraph (a).

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

276-460 *AMIT member annual statement (or AMMA statement)*

- (1) An *AMIT member annual statement* (or *AMMA statement*) is a statement made by an *AMIT for an income year in accordance with this section.
- (2) The statement must:
 - (a) include information that reflects the amount and character of each *member component of the *member for the income year; and
 - (b) state what the trustee reasonably estimates to be the amount of the excess or shortfall mentioned in section 104-107C (AMIT cost base net amount) for the income year in respect of the *CGT asset that is the member's unit or interest in the *AMIT.
- (3) The statement is *not* an *AMMA statement* if the *AMIT fails to give it to the *member to whom it is addressed within 4 years after the end of the income year.

Note: The AMIT must give each member an AMMA statement for the income year no later than 3 months after the end of the income year (see section 276-455).

Subdivision 276-J—Debt-like trust instruments

Guide to Subdivision 276-J

276-500 What this Subdivision is about

A debt-like trust instrument in an AMIT is treated as a debt interest in the AMIT. A distribution in relation to the instrument is treated as interest for the purposes of provisions relating to interest withholding tax, and may be treated as a deduction in working out the trust components of the AMIT.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 276-505

Table of sections

Operative provisions

- 276-505 Meaning of *debt-like trust instrument*
276-510 Debt-like trust instruments treated as debt interests etc.
276-515 Distribution on debt-like trust instrument could be deductible in working out trust components

Operative provisions

276-505 Meaning of *debt-like trust instrument*

- (1) An instrument that gives rise to an interest in a trust is a *debt-like trust instrument* in relation to the trust if:
- (a) the amount of any distribution relating to the interest is fixed, at the time the interest is created, by reference to the amount subscribed for the interest; and
 - (b) any distribution relating to the interest is made solely at the discretion of the trustee of the trust; and
 - (c) rights to distributions of capital or profits arising from all interests in the trust that are in the same *class as the interest, rank above all such rights arising from other interests in the trust (other than those covered under subsection (2)) if:
 - (i) the trust ceases to exist; or
 - (ii) where the trust is a *managed investment scheme—the scheme is under administration or is being wound up; and
 - (d) in a case where, in relation to a particular period, the trustee of the trust does *not* make a distribution relating to the interest—making a distribution of any of the following kinds, in relation to that period, is prohibited by the constituent documents of the trust:
 - (i) a distribution relating to any membership interest in the trust;

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 276-510

- (ii) a distribution relating to a membership interest in another entity, if that interest is stapled together with a membership interest in the trust.
- (2) This subsection covers an interest in the trust that:
 - (a) is *not* a *membership interest in the trust; or
 - (b) satisfies the requirements in paragraphs (1)(a) and (b).

276-510 Debt-like trust instruments treated as debt interests etc.

- (1) For the purposes of this Act:
 - (a) treat a *debt-like trust instrument in relation to an *AMIT as a *debt interest in the AMIT; and
 - (b) treat a distribution on a debt-like trust instrument in relation to an AMIT as a cost incurred by the AMIT in relation to a debt interest issued by the AMIT.
- (2) If a trust is an *AMIT for an income year (disregarding this subsection), paragraph (1)(a) applies for the purposes of:
 - (a) determining whether the trust is a *managed investment trust in relation to the income year; and
 - (b) determining whether the trust is an AMIT for the income year.
- (3) For the purposes of Division 11A of Part III of the *Income Tax Assessment Act 1936*, if an entity is the holder of a *debt-like trust instrument in an *AMIT, treat a distribution to the entity in accordance with the instrument as interest.

276-515 Distribution on debt-like trust instrument could be deductible in working out trust components

- (1) If an entity is the holder of a *debt-like trust instrument in relation to an *AMIT, for the purposes of sections 276-265 and 276-270, treat a distribution to the entity in accordance with the instrument as a *return that the AMIT pays or provides on a *debt interest.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 276-800

- (2) For the purposes of subsection (1), disregard the distribution to the extent (if any) that it is referable to any of the following:
- (a) *exempt income of the *AMIT;
 - (b) *non-assessable non-exempt income of the AMIT.

Subdivision 276-K—Ceasing to be an AMIT

Guide to Subdivision 276-K

276-800 What this Subdivision is about

If a trust ceases to be an AMIT, and discovers an under or over from an income year when it was an AMIT, the under or over will have taxation consequences for the trust in the discovery year.

Table of sections

Operative provisions

- 276-805 Application of Subdivision to former AMIT
- 276-810 Continue to work out trust components, unders, overs etc.
- 276-815 Effect of increase
- 276-820 Effect of decrease

Operative provisions

276-805 Application of Subdivision to former AMIT

This Subdivision applies if:

- (a) a trust was an *AMIT for an income year; and
- (b) the trust is *not* an AMIT for a later income year (the *discovery year*).

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

276-810 Continue to work out trust components, unders, overs etc.

- (1) For the purposes of this section, assume that the trust is an *AMIT for the discovery year.
- (2) If the trust has an *under or *over of a character in the discovery year for an earlier income year when the trust was an *AMIT, work out the extent to which the under or over:
 - (a) increases the amount of the AMIT's *trust component of that character for the discovery year; or
 - (b) decreases the amount of the AMIT's trust component of that character for the discovery year.

276-815 Effect of increase

- (1) This section applies if there is an increase as mentioned in paragraph 276-810(2)(a).
- (2) If the character mentioned in subsection 276-810(2) relates to assessable income, treat the amount of the increase as assessable income of the trust for the discovery year.
- (3) Subsection (4) applies if the character mentioned in subsection 276-810(2) is the character of:
 - (a) a *discount capital gain from a *CGT asset that is *taxable Australian property; or
 - (b) a discount capital gain from a CGT asset that is *not* taxable Australian property.
- (4) For the purposes of subsection (2), treat the amount of the increase as being double what it would be apart from this subsection.
- (5) If that character relates to *exempt income, treat the amount of the increase as exempt income of the trust for the discovery year.
- (6) If that character relates to *non-assessable non-exempt income, treat the amount of the increase as non-assessable non-exempt income of the trust for the discovery year.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 276-820

- (7) If that character relates to a *tax offset, treat the amount of the increase as a tax offset of the trust for the discovery year of a kind corresponding to that character (in addition to any other tax offsets of that kind that the trust may have for the discovery year).

276-820 Effect of decrease

- (1) This section applies if there is a decrease as mentioned in paragraph 276-810(2)(b).
- (2) If the character mentioned in subsection 276-810(2) relates to assessable income:
- (a) in the case of a character of:
- (i) a *discount capital gain from a *CGT asset that is *taxable Australian property; or
- (ii) a discount capital gain from a CGT asset that is *not* taxable Australian property;
- treat half the amount of the decrease as a *capital loss of the trust for the discovery year; or
- (b) in the case of a character of:
- (i) a *capital gain (other than a discount capital gain) from a CGT asset that is taxable Australian property; or
- (ii) a capital gain (other than a discount capital gain) from a CGT asset that is *not* taxable Australian property;
- treat the amount of the decrease as a capital loss of the trust for the discovery year; or
- (c) in any other case—treat the amount of the decrease as a deduction of the trust for the discovery year.
- (3) If that character relates to *exempt income, treat the amount of the decrease as reducing the exempt income of the trust for the discovery year.
- (4) If that character relates to *non-assessable non-exempt income, treat the amount of the decrease as reducing the non-assessable non-exempt income of the trust for the discovery year.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 276-820

- (5) If that character relates to a *tax offset, treat the amount of the decrease as reducing the tax offset or offsets (the ***existing offset or offsets***) of the trust for the discovery year of a kind corresponding to that character.
- (6) If that character relates to a *tax offset and exceeds the total of the existing offset or offsets (before the reduction under subsection (5)):
- (a) unless paragraph (b) applies—the trustee is liable to pay tax at the rate declared by the Parliament on the excess; or
- Note: The tax is imposed by the *Income Tax (Attribution Managed Investment Trusts—Offsets) Act 2016* and the rate of the tax is set out in that Act.
- (b) if that character is the character of *foreign income tax paid that counts towards a tax offset under Division 770—subsection (7) applies.
- (7) Increase the trust's assessable income for the discovery year by the sum of:
- (a) the excess mentioned in subsection (6); and
 - (b) the product of:
 - (i) that excess; and
 - (ii) the *corporate tax gross-up rate.

Treat the amount of that increase as assessable income from a source *other than* an *Australian source.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

--------	------------------------------------

280-1 Effect of this Division

- (1) This Division is a *Guide.
- (2) Tax concessions in this Part are intended to encourage Australians to save in order to make provision for their retirement, recognising that superannuation investments, and the income from them, are quarantined for retirement.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

280-5 Overview

- (1) There are 3 phases in the tax treatment of superannuation, as follows:
 - (a) the contributions phase;
 - (b) the investment phase;
 - (c) the benefits phase.
- (2) In the contributions phase, contributions are made to a superannuation plan in respect of a member of the plan.
- (3) In the investment phase, these contributions are invested by the superannuation provider.
- (4) In the benefits phase, these contributions, plus earnings from investing them, are usually paid as benefits to the member when he or she retires after reaching preservation age. In the event of death, the benefits are usually paid to the member's dependants.
- (5) There is also a regulatory scheme outside this Act that is relevant to the taxation treatment of superannuation. For example, other Acts set out prudential and operating standards for superannuation providers.

Contributions phase

280-10 Contributions phase—deductibility

Contributions that can be deducted

- (1) Employers can usually deduct contributions they make in respect of their employees. Individuals can usually deduct contributions they make in respect of themselves if less than 10% of their total assessable income (plus reportable fringe benefits) for the income year is attributable to employment or similar activities.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 280-15

Other contributions cannot be deducted

- (2) Other contributions cannot be deducted. These include personal contributions made by individuals whose employment income is 10% or more of their total income, and contributions made by others in respect of them (such as contributions by a spouse or family member, or Government co-contributions).

280-15 Contributions phase—limits on superannuation tax concessions

- (1) There is a limit to contributions that can be made in respect of an individual in a year that receive favourable tax treatment. This limit takes the form of a tax on excessive contributions, and neutralises the favourable tax treatment arising from the excessive contributions.
- (2) If concessional contributions exceed an indexed cap, the excess is included in the individual's assessable income and gives rise to a tax offset. The individual can release the excess concessional contributions from his or her superannuation interests.
- (3) If non-concessional contributions exceed an indexed cap, the individual can:
 - (a) elect to release an amount corresponding to that excess, and 85% of the associated earnings on that excess, from the individual's superannuation interests; or
 - (b) elect not to release such an amount if the value of the individual's superannuation interests is nil.

An amount corresponding to those associated earnings is then included in the individual's assessable income and gives rise to a tax offset.

- (4) The individual is taxed:
 - (a) if the amount released as described in paragraph (3)(a) fell short of that excess—on that shortfall; or
 - (b) on that excess, if the individual did not make either of those elections.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

An amount equal to this tax liability must be released from the individual's superannuation interests.

Investment phase

280-20 Investment phase

- (1) Contributions that can be deducted are assessable income of the superannuation provider. Contributions that cannot be deducted are not assessable income of the superannuation provider. (There are some exceptions.)
- (2) Earnings on the investment of amounts in a superannuation plan are assessable income of the superannuation provider.
- (3) The superannuation provider's taxable income is generally taxed at the concessional rate of 15%.
- (4) However, superannuation providers pay no tax on earnings from the assets that support the payment of benefits in the form of income streams, once the income streams have commenced.

Benefits phase

280-25 Benefits phase—different types of superannuation benefit

Superannuation benefits can be drawn down as lump sums, income streams (such as pensions or annuities), or combinations of both. Different tax treatment may apply depending on whether a lump sum or income stream is paid.

280-30 Benefits phase—taxation varies with age of recipient and type of benefit

- (1) The taxation of superannuation benefits depends primarily on the age of the member.
- (2) If the member is aged 60 or over, superannuation benefits (both lump sums and income streams) are tax free if the benefits have

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 280-35

already been subject to tax in the fund (that is, where the benefits comprise a taxed element). This covers the great majority of superannuation members.

- (3) Where a superannuation benefit contains an amount that has not been subject to tax in the fund (an untaxed element), this element is subject to tax for those aged 60 or over, though at concessional rates. This is relevant generally to those people (for example, public servants), who are members of a superannuation fund established by the Australian Government or a state government.
- (4) If the member is less than 60, superannuation benefits may receive concessional taxation treatment, though the treatment is less concessional than for those aged 60 and over.
- (5) Superannuation benefits may also include a “tax free component”; this component of the benefit is always paid tax free.
- (6) Additional tax concessions may apply when superannuation benefits are paid after a member’s death.

280-35 Benefits phase—roll-overs

A member can “roll over” their superannuation benefits from one complying superannuation plan to another, or between different interests in the same plan. This is usually done to keep the benefits invested in the superannuation system, or to convert a lump sum to a superannuation income stream. No tax is generally payable until the benefits are finally drawn down.

The regulatory scheme outside this Act

280-40 Other relevant legislative schemes

- (1) The *Superannuation Industry (Supervision) Act 1993* and the *Retirement Savings Accounts Act 1997* regulate the prudential and operating standards for superannuation providers. Concessional tax treatment is generally available only if providers comply with these standards.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (2) Other legislative schemes relevant to superannuation include the following:
- (a) the *Superannuation Guarantee (Administration) Act 1992*, which requires that employers provide a minimum level of superannuation contributions for each of their eligible employees;
 - (b) the *Superannuation (Government Co-contribution for Low Income Earners) Act 2003*, which provides for Government co-contributions to low income earners' superannuation;
 - (c) the *Small Superannuation Accounts Act 1995*, which provides a facility to accept payments of superannuation guarantee shortfalls;
 - (d) the *Superannuation (Unclaimed Money and Lost Members) Act 1999*, which provides for the payment of unclaimed superannuation money, and the maintenance of a register of lost members.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Division 285—General concepts relating to superannuation

285-5 Transfers of property

- (1) Any of the following payments covered by this Part can be or include a transfer of property:
 - (a) a contribution;
 - (b) a *superannuation lump sum.
- (2) The amount of the payment is or includes the *market value of the property.
- (3) The *market value is reduced by the value of any consideration given for the transfer of the property.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (3) For the purposes of this section, a reference to a determination does not include a reference to a workplace determination made under the *Fair Work Act 2009* or the *Workplace Relations Act 1996*.

Note 2: Section 86-60 (read together with section 86-75) limits the extent to which superannuation contributions by personal service entities are deductions.

- (3) Despite subsection 290-60(2), for you to deduct the contribution the condition in subsection (4) needs to be satisfied instead of the condition in section 290-70.

- (4) The other person must be:

- (aa) an employee (within the expanded meaning of employee given by section 12 of the *Superannuation Guarantee (Administration) Act 1992*) of the other person's employer; or
- (a) engaged in producing the assessable income of the other person's employer; or

Note: You cannot deduct a charge imposed by the *Superannuation Guarantee Charge Act 1992*: see section 26-95.

 - (b) earnings on a contribution of that kind.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 290-150

Note: An example of an indirect return of a contribution is if the fund to which it was made transfers to another fund assets that include the contribution, and the other fund returns the contribution to the person who made it.

- (2) To deduct the contribution, less than 10% of the total of the following must be attributable to the activities:

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 290-165

- (a) your assessable income for the income year;
 - (b) your *reportable fringe benefits total for the income year;
 - (c) the total of your *reportable employer superannuation contributions for the income year.

Deductibility of contributions

- (1) To deduct the contribution, or a part of the contribution:
 - (a) you must give to the trustee of the fund or the *RSA provider a valid notice, in the *approved form, of your intention to claim the deduction; and
 - (b) the notice must be given before:
 - (i) if you have lodged your *income tax return for the income year in which the contribution was made on a day before the end of the next income year—the end of that day; or
 - (ii) otherwise—the end of the next income year; and
 - (c) the trustee or provider must have given you an acknowledgment of receipt of the notice.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Validity of notices

- (2) The notice is not valid if at least one of these conditions is satisfied:
- (a) the notice is not in respect of the contribution;
 - (b) the notice includes all or a part of an amount covered by a previous notice;
 - (c) when you gave the notice:
 - (i) you were not a member of the fund or the holder of the *RSA; or
 - (ii) the trustee or *RSA provider no longer holds the contribution; or
 - (iii) the trustee or RSA provider has begun to pay a *superannuation income stream based in whole or part on the contribution;

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 290-170

Application to successor funds

- (5) Subsections (1) to (4) and section 290-180 apply as if:
- (a) references in those provisions to the fund or *RSA were references to a *successor fund; and
 - (b) references in those provisions to the trustee or *RSA provider were references to the trustee or RSA provider of the successor fund;
- if:
- (c) after making your contribution, all of the *superannuation interest to which the notice relates is transferred to the successor fund; and
 - (d) you have not previously given a valid notice under this section to any *superannuation provider in relation to the contribution.

Amounts transferred to a MySuper product in another complying superannuation fund

- (6) If:
- (a) under an *arrangement, the fund (the **original fund**) transfers an *accrued default amount of a member (within the meaning of the *Superannuation Industry (Supervision) Act 1993*):
 - (i) as a result of an election made under paragraph 29SAA(1)(b) of that Act; or
 - (ii) under section 388 of that Act;to another superannuation fund that is a continuing fund for the purposes of subsection 311-10(3); and
 - (b) the arrangement takes effect after the making of your contribution; and
 - (c) you are a member (within the meaning of that Act) of the continuing fund immediately after the arrangement takes effect; and
 - (d) you did not give a notice under subsection (1) in relation to the contribution while you were a member (within the meaning of that Act) of the original fund;

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

then subsections (1) to (4) of this section, and section 290-180, apply as if references in those provisions to the original fund (or the trustee of the original fund) were references to the continuing fund (or the trustee of the continuing fund).

290-175 Deduction limited by amount specified in notice

You cannot deduct more for the contribution (or a part of the contribution) than the amount stated in the notice.

290-180 Notice may be varied but not revoked or withdrawn

- (1) You cannot revoke or withdraw a valid notice in relation to the contribution (or a part of the contribution).
- (2) You can vary a valid notice, but only so as to reduce the amount stated in relation to the contribution (including to nil). You do so by giving notice to the trustee or the *RSA provider in the *approved form.
- (3) However, you cannot vary a valid notice after:
 - (a) if you have lodged your *income tax return for the income year in which the contribution was made on a day before the end of the next income year—the end of that day; or
 - (b) otherwise—the end of the next income year.
- (3A) The variation is not effective if, when you make it:
 - (a) you were not a member of the fund or the holder of the *RSA; or
 - (b) the trustee or *RSA provider no longer holds the contribution; or
 - (c) the trustee or RSA provider has begun to pay a *superannuation income stream based in whole or part on the contribution.
- (4) Subsection (3) does not apply to a variation if:
 - (a) you claimed a deduction for the contribution (or a part of the contribution); and

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 290-180

- (b) the deduction is not allowable (in whole or in part); and
- (c) the variation reduces the amount stated in relation to the contribution by the amount not allowable as a deduction.

Application to successor funds

- (5) Subsections (2) and (3A) apply as if:
 - (a) the reference in subsection (3A) to the fund or *RSA were a reference to a *successor fund; and
 - (b) references in those subsections to the trustee or *RSA provider were references to the trustee or RSA provider of the successor fund;if, after a valid notice is given under section 290-170 in relation to the contribution, all of the *superannuation interest to which the notice relates is transferred to the successor fund.

Amounts transferred to a MySuper product in another complying superannuation fund

- (6) If:
 - (a) under an *arrangement, the fund (the **original fund**) transfers an *accrued default amount of a member (within the meaning of the *Superannuation Industry (Supervision) Act 1993*):
 - (i) as a result of an election made under paragraph 29SAA(1)(b) of that Act; or
 - (ii) under section 388 of that Act;to another superannuation fund that is a continuing fund for the purposes of subsection 311-10(3); and
 - (b) the arrangement takes effect after a valid notice is given under section 290-170; and
 - (c) you are a member (within the meaning of that Act) of the continuing fund immediately after the arrangement takes effect; and
 - (d) you seek to vary the valid notice after you cease to be a member (within the meaning of that Act) of the original fund;

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

then subsections (2) and (3A) apply as if references in those subsections to the original fund (or the trustee of the original fund) were references to the continuing fund (or the trustee of the continuing fund).

Guide to Division 291

291-1 What this Division is about

There is a cap on the amount of superannuation contributions that may receive concessional tax treatment for an individual in a financial year.

Superannuation contributions that exceed your concessional contributions cap are included in your assessable income for the corresponding income year.

A tax offset compensates for the tax that generally applies to the contributions in the superannuation fund.

Note: Part 2-35 in Schedule 1 to the *Taxation Administration Act 1953* contains rules about a charge you may be liable to pay, and about releasing the excess concessional contributions from superannuation.

Table of sections

291-5	Object of this Division
-------	-------------------------

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

291-5 Object of this Division

The object of this Division is to ensure, in relation to *concessional* contributions to superannuation, that the amount of concessionally taxed *superannuation benefits that an individual receives results from contributions that have been made gradually over the course of the individual's life.

Note: Division 292 has the same object, in relation to non-concessional contributions.

Subdivision 291-B—Excess concessional contributions

Guide to Subdivision 291-B

291-10 What this Subdivision is about

This Subdivision includes excess concessional contributions in your assessable income and provides a tax offset.

Table of sections

Operative provisions

291-15	Excess concessional contributions—assessable income, 15% tax offset
291-20	Your <i>excess concessional contributions</i> for a financial year
291-25	Your <i>concessional contributions</i> for a financial year

Operative provisions

291-15 Excess concessional contributions—assessable income, 15% tax offset

If you have *excess concessional contributions for a *financial year:

- (a) an amount equal to the excess concessional contributions is included in your assessable income for your corresponding income year; and

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 291-20

- (b) you are entitled to a *tax offset for that income year equal to 15% of the excess concessional contributions.

- Note 1: This offset cannot be refunded, transferred or carried forward: see item 20 of the table in subsection 63-10(1).
- Note 2: You may be liable to pay excess concessional contributions charge: see Division 95 in Schedule 1 to the *Taxation Administration Act 1953*.
- Note 3: You can elect to release excess concessional contributions from superannuation: see Division 96 in that Schedule.

291-20 Your excess concessional contributions for a financial year

- (1) You have **excess concessional contributions** for a *financial year if the amount of your *concessional contributions for the year exceeds your *concessional contributions cap for the year. The amount of the excess concessional contributions is the amount of the excess.
- (2) Your **concessional contributions cap** is:
- (a) for the 2013-2014 financial year—\$25,000; or
 - (b) for the 2014-2015 financial year or a later financial year—the amount worked out by indexing annually the amount mentioned in paragraph (a).

- Note 1: Subdivision 960-M shows how to index amounts. However, annual indexation does not necessarily increase the amount of the cap: see section 960-285.
- Note 2: For transitional rules for older Australians, see section 291-20 of the *Income Tax (Transitional Provisions) Act 1997*.

291-25 Your concessional contributions for a financial year

- (1) The amount of your **concessional contributions** for a *financial year is the sum of:
- (a) each contribution covered under subsection (2); and
 - (b) each amount covered under subsection (3).

- Note: For rules about defined benefit interests, see Subdivision 291-C.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (2) A contribution is covered under this subsection if:
- (a) it is made in the *financial year to a *complying superannuation plan in respect of you; and
 - (b) it is included in the assessable income of the *superannuation provider in relation to the plan, or, by way of a *roll-over superannuation benefit, in the assessable income of a *complying superannuation fund or *RSA provider in the circumstances mentioned in subsection 290-170(5) (about successor funds) or subsection 290-170(6) (about MySuper products); and
 - (c) it is *not* any of the following:
 - (i) an amount mentioned in subsection 295-200(2);
 - (ii) an amount mentioned in item 2 of the table in subsection 295-190(1);
 - (iii) a contribution made to a *constitutionally protected fund.
- (3) An amount in a *complying superannuation plan is covered under this subsection if it is allocated by the *superannuation provider in relation to the plan for you for the year in accordance with conditions specified in the regulations.

Operative provisions

291-160 Application

- (1) This Subdivision applies if, in a *financial year, you have:
 - (a) a *superannuation interest that is or includes a *defined benefit interest; or
 - (b) more than one superannuation interest that is or includes a defined benefit interest.
- (2) However, this Subdivision does not apply in relation to a *superannuation interest in a *constitutionally protected fund.

291-165 Concessional contributions—special rules for defined benefit interests

Despite section 291-25, the amount of your *concessional contributions* for the *financial year is the sum of:

- (a) the contributions covered by subsection 291-25(2), and the amounts covered by subsection 291-25(3), to the extent to which they do *not* relate to the *defined benefit interest or interests; and
- (b) your *notional taxed contributions for the financial year in respect of the defined benefit interest or interests.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

291-170 *Notional taxed contributions*

- (1) Your ***notional taxed contributions*** for a *financial year in respect of a *defined benefit interest has the meaning given by the regulations.

Note: For transitional provisions about notional taxed contributions that were previously in former subsections 292-170(6) to (9), see Subdivision 291-C of the *Income Tax (Transitional Provisions) Act 1997*.

- (2) Regulations made for the purposes of subsection (1) may provide for a method of determining the amount of the ***notional taxed contributions***.
- (3) Regulations made for the purposes of subsection (1) may define the *notional taxed contributions, and the amount of notional taxed contributions, in different ways depending on any of the following matters:
- (a) the individual who has the *superannuation interest that is or includes the *defined benefit interest;
 - (b) the *superannuation plan in which the superannuation interest exists;
 - (c) the *superannuation provider in relation to the superannuation plan;
 - (d) any other matter.
- (4) Regulations made for the purposes of subsection (1) may specify circumstances in which the amount of *notional taxed contributions for a *financial year is nil.
- (5) Subsections (2), (3) and (4) do not limit the regulations that may be made for the purposes of this section.

291-175 *Defined benefit interest*

- (1) An individual's *superannuation interest is a ***defined benefit interest*** to the extent that it defines the individual's entitlement to *superannuation benefits payable from the interest by reference to one or more of the following matters:

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 291-460

- (a) the individual's salary, or allowance in the nature of salary, at a particular date or averaged over a period;
 - (b) another individual's salary, or allowance in the nature of salary, at a particular date or averaged over a period;
 - (c) a specified amount;
 - (d) specified conversion factors.
- (2) However, an individual's *superannuation interest is *not* a ***defined benefit interest*** if it defines that entitlement solely by reference to one or more of the following:
- (a) *disability superannuation benefits;
 - (b) *superannuation death benefits;
 - (c) payments of amounts mentioned in paragraph 307-10(a) (temporary disability payments).

Operative provisions

291-465 Commissioner's discretion to disregard contributions etc. in relation to a financial year

 - (ii) making the determination is consistent with the object of this Division and Division 292.

Matters to which regard may be had

- (3) In making the determination the Commissioner may have regard to the following:

 - (b) whether it was reasonably foreseeable, when a relevant contribution was made, that you would have *excess concessional contributions or *excess non-concessional contributions for the relevant financial year, and in particular:
 - (i) if the relevant contribution is made in respect of you by another individual—the terms of any agreement or

Guide to Division 292

292-1 What this Division is about

This Division limits the superannuation contributions made in a financial year that receive concessional tax treatment.

You become liable for tax if:

- (a) your non-concessional contributions exceed an indexed cap; and
- (b) you do not release a corresponding amount from your superannuation interests;

unless the value of your superannuation interests is nil.

An amount will be included in your assessable income, and you will become entitled to a tax offset, if you release such an amount or if the value of your superannuation interests is nil.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Subdivision 292-A—Object of this Division

Table of sections

292-5 Object of this Division

292-5 Object of this Division

The object of this Division is to ensure, in relation to *non-concessional* contributions to superannuation, that the amount of concessionally taxed *superannuation benefits that an individual receives results from contributions that have been made gradually over the course of the individual's life.

Note: Division 291 has the same object, in relation to concessional contributions.

Subdivision 292-B—Assessable income and tax offset

292-15 What this Subdivision is about

An amount is included in your assessable income, and you are entitled to a tax offset, if your non-concessional contributions exceed an indexed cap and:

- (a) as a result, you release an amount from your superannuation interests; or
- (b) the value of your superannuation interests is nil.

This amount included in your assessable income corresponds to your associated earnings on those excess contributions.

Table of sections

292-20	Amount in assessable income, and tax offset, relating to your non-concessional contributions
292-25	Amount included in assessable income
292-30	Amount of the tax offset

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 292-20

292-20 Amount in assessable income, and tax offset, relating to your non-concessional contributions

Your assessable income for an income year includes an amount, and you are entitled to a *tax offset for the income year, if:

- (a) you receive one or more *excess non-concessional contributions determinations for a *financial year that corresponds to the income year; and
- (b) you make one or more elections under paragraph 96-7(1)(a) or (b) in Schedule 1 to the *Taxation Administration Act 1953* in relation to those determinations.

292-25 Amount included in assessable income

- (1) The amount included in your assessable income for the income year is equal to the amount of associated earnings stated in the most recent of those determinations.
- (2) However, if:
 - (a) the sum of any amounts paid to you in response to release authorities issued in relation to those determinations (the **total amount**) is less than the amount of the excess stated in the most recent of those determinations; and
 - (b) section 292-467 does not apply to you for the *financial year; the amount included in your assessable income for the income year is equal to the amount of associated earnings that would have been stated in that most recent determination if the total amount had been the amount of the excess stated in that determination.

Note 1: The amount included in your assessable income may be nil.

Note 2: Any amounts paid to you in response to those release authorities are non-assessable non-exempt income (see section 303-17).

292-30 Amount of the tax offset

The *tax offset is equal to 15% of the amount included in your assessable income for the income year under section 292-25.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 292-75

Note 1: This tax offset compensates for any tax liability of the superannuation provider on earnings from investments made with the contributions making up the excess amount stated in the most recent determination.

Note 2: This offset cannot be refunded, transferred or carried forward (see item 20 of the table in subsection 63-10(1)).

Subdivision 292-C—Excess non-concessional contributions tax

- (1A) The amount of your *excess non-concessional contributions* is:

- (a) your cap for the first year is 3 times the amount mentioned in subsection (2) for the first year;

- (2) A contribution is covered under this subsection if:

- (a) it is made in the *financial year to a *complying superannuation plan in respect of you; and

 - (c) 2 legally qualified medical practitioners have certified that, because of the personal injury, it is unlikely that you can ever be *gainfully employed in a capacity for which you are reasonably qualified because of education, experience or training; and
 - (d) no later than the time the contribution is made to a *superannuation plan, you or your *legal personal representative notify the *superannuation provider in relation to the plan, in the *approved form, that this section is to apply to the contribution.
- (2) For the purposes of subparagraph (1)(b)(ii), the day is:

 - (b) for some other remedy (for example, compensation or damages for loss of, or damage to, property);
- subsections (3) and (4) apply to the claim, but only to the extent that it relates to the compensation or damages referred to in paragraph (a), and only to amounts that, in the settlement agreement, or in the order, are identified as being solely in payment of that compensation or those damages.

292-105 CGT cap amount

- (1) Your **CGT cap amount** at the start of the 2007-2008 *financial year is \$1,000,000.

Note: For transitional rules about contributions made in the period from 10 May 2006 to 30 June 2007, see section 292-80 of the *Income Tax (Transitional Provisions) Act 1997*.

Reductions and increases

- (2) If a contribution covered by section 292-100 is made in respect of you at a time, reduce your **CGT cap amount** just after that time:
 - (a) if the contribution falls short of your *CGT cap amount at that time—by the amount of the contribution; or
 - (b) otherwise—to nil.
- (3) At the start of each *financial year after the 2007-2008 financial year, increase your **CGT cap amount** by the amount (if any) by which the index amount for that financial year exceeds the index amount for the previous financial year.
- (4) For the purposes of subsection (3), the index amount for the 2007-2008 *financial year is \$1,000,000. The index amount is then indexed annually.

Note: Subdivision 960-M shows how to index amounts. However, annual indexation does not necessarily increase the index amount: see section 960-285.

- (6) The Commissioner may have regard to whether it was reasonably foreseeable, when a relevant contribution was made, that you would have *excess concessional contributions or *excess non-concessional contributions for the relevant *financial year, and in particular:

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- Note 2: The direction does not prevent an amount from being included in your assessable income (see Subdivision 292-B).

Despite section 293-25, if you have a *defined benefit interest or interests in a *financial year, the amount of your ***low tax contributions*** for the financial year is worked out as follows:

Step 2. Subtract your *excess concessional contributions for the *financial year (if any).

Note: The result of step 2 could be nil, or a negative amount.

Step 3. Add your *defined benefit contributions for the *financial year in respect of the *defined benefit interest or interests.

The result (but not less than nil) is the amount of your ***low tax contributions*** for the financial year.

- (3) The trustee of a *pooled superannuation trust is liable to pay tax on the taxable income of the trust.
- (4) This Division also applies to an *RSA provider that is not a *life insurance company.

Note 1: Division 320 deals with RSA providers that are life insurance companies.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 295-10

Note 2: However, Subdivisions 295-I and 295-J apply to RSA providers that are life insurance companies: see section 320-155.

295-10 How to work out the tax payable by superannuation entities

- (1) Use this method for *superannuation funds, *approved deposit funds and *pooled superannuation trusts:

Method statement

- Step 1. For a *superannuation fund, work out the *no-TFN contributions income. Apply the applicable rates as set out in the *Income Tax Rates Act 1986* to that income.
- Step 2. Work out the entity's assessable income and deductions taking account of the special rules in this Division. The special rules modify some provisions of this Act. They also include amounts in assessable income, allow deductions and exempt amounts from income tax.
- Step 3. Work out the entity's taxable income as if its trustee:
- (a) were an Australian resident (except where paragraph (b) applies); or
 - (b) for a *non-complying superannuation fund that is a *foreign superannuation fund for the income year—were not an Australian resident.
- Step 4. Work out the *low tax component and *non-arm's length component of the taxable income of a *complying superannuation fund, *complying approved deposit fund or *pooled superannuation trust.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 295-15

- Step 5. Apply the applicable rates as set out in the *Income Tax Rates Act 1986* to the components, or to the taxable income of a *non-complying superannuation fund or *non-complying approved deposit fund.
- Step 6. Subtract the entity's *tax offsets from the step 5 amount or, for a *superannuation fund, from the sum of the fund's step 1 and step 5 amounts.

(2) Use this method for *RSA providers:

Method statement

- Step 1. Work out the entity's *no-TFN contributions income. Apply the applicable rates as set out in the *Income Tax Rates Act 1986* to that income.
- Step 2. Work out the entity's assessable income and deductions taking account of the special rules in this Division.
- Step 3. Work out the *RSA component and *standard component of the entity's taxable income.
- Step 5. Apply the applicable rates as set out in the *Income Tax Rates Act 1986* to the components. The *RSA component is taxed at a concessional rate.
- Step 6. Subtract the entity's *tax offsets from the sum of the entity's step 1 and step 5 amounts.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 295-20

295-20 Exempting laws ineffective

A *Commonwealth law (other than this Act) does not have the effect of exempting the trustee of an entity to which this Division applies from the liability to pay tax unless it does so expressly.

295-25 Assessments on basis of anticipated SIS Act notice

- (1) The Commissioner may make an assessment for a fund or trust that is not a *complying superannuation fund, *complying approved deposit fund or *pooled superannuation trust for the income year as if it were such an entity if the Commissioner considers it likely that a notice will be given under section 40 of the *Superannuation Industry (Supervision) Act 1993* having the effect that it will become such an entity.
- (2) However, the grounds for making an assessment under subsection (1) are taken never to have existed if:
 - (a) the Commissioner becomes satisfied that the notice will not be given; or
 - (b) *APRA does not receive the documents referred to in subsection 36(1) of the *Superannuation Industry (Supervision) Act 1993* about the fund or trust before the end of 12 months after the assessment is made.

295-30 Effect of revocation etc. of SIS Act notices

This Division has effect as if a notice given under section 342 of the *Superannuation Industry (Supervision) Act 1993* (about pre-1 July 88 funding credits) or under regulations made for the purposes of that section had never been given if:

- (a) the notice is revoked; or

Section 295-95

295-95 Deductions related to contributions

- (1) Provisions of this Act about deducting amounts apply to these entities as if all contributions made to them were included in their assessable income:

- (d) *non-complying approved deposit funds;

Note 1: This means that the entities can deduct amounts incurred in obtaining the contributions.

Note 2: Examples of contributions that are not assessable are:

- contributions which the contributor cannot deduct;
- contributions excluded from assessable income under Subdivision 295-D.

- (2) A *superannuation fund is an ***Australian superannuation fund*** at a time, and for the income year in which that time occurs, if:

- (b) at that time, the central management and control of the fund is ordinarily in Australia; and
- (c) at that time either the fund had no member covered by subsection (3) (an ***active member***) or at least 50% of:
 - (i) the total *market value of the fund's assets attributable to *superannuation interests held by active members; or
 - (ii) the sum of the amounts that would be payable to or in respect of active members if they voluntarily ceased to be members;

is attributable to superannuation interests held by active members who are Australian residents.

- (3) A member is covered by this subsection at a time if the member is:

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (b) an individual on whose behalf contributions have been made, other than an individual:
 - (i) who is a foreign resident; and
 - (ii) who is not a contributor at that time; and
 - (iii) for whom contributions made to the fund on the individual's behalf after the individual became a foreign resident are only payments in respect of a time when the individual was an Australian resident.
- (4) To avoid doubt, the central management and control of a *superannuation fund is ordinarily in Australia at a time even if that central management and control is temporarily outside Australia for a period of not more than 2 years.

295-100 Deductions for investing in PSTs and life policies

- (1) Provisions of this Act about deducting amounts apply to *complying superannuation funds and *complying approved deposit funds as if *ordinary income and *statutory income received from these investments were included in their assessable income:
 - (a) units in a *pooled superannuation trust;
 - (b) *life insurance policies issued by a *life insurance company;
 - (c) an interest in a trust whose assets consist only of life insurance policies issued by a life insurance company.
- Note: Income from these investments is not assessable: see for example sections 295-105 and 118-350.
- (2) A *complying superannuation fund cannot deduct an amount (otherwise than under section 295-465) for fees or charges incurred for:
 - (a) *complying superannuation life insurance policies; or

Note: These entities will not be subject to any tax liability when they dispose of the units: see subsection 295-85(2) and section 118-350.

 - (a) to provide *superannuation benefits for the individual's *spouse (regardless whether the benefits are payable to the individual's spouse's *SIS dependants if the individual's spouse dies before or after becoming entitled to receive the benefits); and
 - (b) that the individual cannot deduct under Subdivision 290-B.
- (2) Paragraph (1)(a) does not apply to *superannuation benefits for a *spouse living permanently separately and apart from the individual.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

295-170 Exception—Government co-contributions and contributions for a child

- (1) Item 1 of the table in section 295-160 does not include in assessable income a contribution:

Section 295-180

295-180 Exception—choice to exclude certain contributions

- (1) Item 1 of the table in section 295-160 does not include an amount in the assessable income of a *public sector superannuation scheme for an income year to the extent that the trustee chooses that it not be included.
- (2) The entity that made the contributions must consent to the choice.

Note: Making this choice effectively shifts the liability for tax on the contributions to the recipient of the benefit. The benefit is treated as an element untaxed in the fund: see Subdivision 301-C.
- (3) However, the choice cannot be made for an income year for an amount that exceeds the sum of amounts covered by notices given by the trustee under section 307-285 for *superannuation benefits paid in the income year.
- (4) A choice under this section cannot be revoked or withdrawn.
- (5) A choice under this section cannot be made in relation to a *public sector superannuation scheme that comes into operation after 5 September 2006.

Section 295-195

Income years in which amounts are included in assessable income

- (2) A contribution referred to in item 1 is included in the income year in which it is received if the notice is received by the *superannuation provider by the day the provider lodges its *income tax return for that income year.
- (3) Otherwise it is included in the income year in which the notice is received.
- (4) A payment referred to in item 2 or 3 is included in the income year in which it is received by the *superannuation provider.
- (5) A benefit referred to in item 2A is included in the income year in which it is received if the notice is received by the *superannuation provider by the day the provider lodges its *income tax return for that income year.

- (2) A contribution is not included in the assessable income of a *complying superannuation fund or *RSA provider under item 1 of the table in subsection 295-190(1) for the income year in which the contribution was made to the extent that it has been reduced by a notice under section 290-180 if:

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 295-197

- (a) the notice is received by the *superannuation provider after it has lodged its *income tax return for the income year; and
 - (b) the provider exercises the option mentioned in subsection (3).
- (3) An amount referred to in subsection (2) may, at the option of the provider, be excluded from the assessable income of the fund or *RSA provider for the income year referred to in subsection (2) if excluding it would result in a greater reduction in tax for that year than the reduction that would occur for the income year in which the notice is received if a deduction were allowed under item 2 of the table in subsection 295-490(1).

Note: The exclusion is an alternative to the fund deducting the amount under item 2 of the table in subsection 295-490(1).

295-197 Exclusion of personal contributions—successor funds

Scope

- (1) This section applies to the *superannuation provider (the **successor provider**) of a *complying superannuation fund or *RSA if, apart from this section, a *roll-over superannuation benefit would be included in the assessable income of the fund or *RSA provider under item 2A of the table in subsection 295-190(1).

Variation notice received before return lodged

- (2) The benefit is not so included, to the extent that the relevant contribution has been reduced by a notice under section 290-180, if the notice is received by the successor provider before the successor provider has lodged its *income tax return for the income year in which the benefit was transferred.

Variation notice received after return lodged

- (3) The benefit is not so included in the assessable income for the income year in which the benefit was transferred, to the extent that the relevant contribution has been reduced by a notice under section 290-180, if:

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (a) the notice is received by the successor provider after the successor provider has lodged its *income tax return for the income year; and
 - (b) the successor provider exercises the option mentioned in subsection (4).
- (4) An amount referred to in subsection (3) may, at the option of the successor provider, be excluded from the assessable income of the fund or *RSA provider for the income year referred to in subsection (3) if excluding it would result in a greater reduction in tax for that year than the reduction that would occur for the income year in which the notice is received if a deduction were allowed under item 2B of the table in subsection 295-490(1).

Note: The exclusion is an alternative to the fund deducting the amount under item 2B of the table in subsection 295-490(1).

Transfers from foreign funds

295-200 Transfers from foreign superannuation funds

- (1) The assessable income of a fund that is an *Australian superannuation fund for the income year includes an amount transferred to the fund from a fund that was a *foreign superannuation fund for the income year in relation to a member of the foreign fund to the extent that the amount transferred exceeds amounts vested in the member at the time of the transfer.
- (2) The assessable income of a fund that is a *complying superannuation fund for the income year includes so much of an amount transferred to the fund from a fund that was a *foreign superannuation fund for the income year as is specified in a choice made by a former member of the foreign fund under section 305-80.
- (3) The amount is included in the income year in which the transfer happens.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 295-205

- (4) This section also applies to an amount transferred from a scheme for the payment of benefits in the nature of superannuation upon retirement or death that:
- (a) is not, and never has been, an *Australian superannuation fund or a *foreign superannuation fund; and
 - (b) was not established in Australia; and
 - (c) is not centrally managed or controlled in Australia.

Application of tables to RSA providers

295-205 Application of tables to RSA providers

The tables in this Subdivision apply to *RSA providers only to the extent that amounts are paid to *RSAs they provide.

Former constitutionally protected funds

295-210 Former constitutionally protected funds

- (1) This section applies to a *complying superannuation fund for an income year if the fund ceased to be a *constitutionally protected fund during the year or at the end of the previous year.
- (2) The assessable income of the fund for the income year includes the sum of the *roll-over superannuation benefits to the extent that they consist of the *element untaxed in the fund of the *taxable component that would be included in that assessable income if all contributions and earnings accumulated in the fund when the fund ceased to be a *constitutionally protected fund:
- (a) had been paid out of the fund immediately before it ceased to be a constitutionally protected fund; and
 - (b) were paid to the fund as roll-over superannuation benefits immediately after that time.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Subdivision 295-D—Contributions excluded

Table of sections

295-260	Transfer of liability to investment vehicle
295-265	Application of pre-1 July 88 funding credits
295-270	Anticipated funding credits

295-260 Transfer of liability to investment vehicle

- (1) The *superannuation provider in relation to a *complying superannuation fund or a *complying approved deposit fund (the **transferor**) may reduce the amount that would otherwise be included in the fund's assessable income for an income year under Subdivision 295-C by agreement with another entity (the **transferee**) in which it holds investments.

What the transferee must be

- (2) The transferee must be a *life insurance company or a *pooled superannuation trust.

Note: Amounts transferred are included in the transferee's assessable income: see section 295-320 (for PSTs) and paragraph 320-15(1)(i) (for life insurance companies).

Agreement requirements

- (3) The transferor may make one agreement only for an income year with a particular transferee.
- (4) An agreement:
- (a) must be in writing, and must be signed by or for the transferor and transferee; and
 - (b) must be made by the day the transferor lodges its *income tax return for its income year to which the agreement relates; and
 - (c) cannot be revoked.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 295-265

Limits on transfer

- (5) The total amount covered by the agreements cannot exceed the amount that would otherwise be included in the transferor's assessable income under Subdivision 295-C for that income year.
- (6) The amount covered by an agreement with a particular transferee cannot exceed this amount:

$$\frac{\text{Greatest equity value}}{\text{Transferor's low tax component tax rate}}$$

where:

greatest equity value is the greatest of these amounts during the transferor's income year:

- (a) if the transferee is a *pooled superannuation trust—the *market value of the transferor's investment in units in the trust;
- (b) if not—the market value of the transferor's investment in:
 - (i) *life insurance policies issued by the transferee; or
 - (ii) a trust whose assets consist only of life insurance policies issued by the transferee.

transferor's low tax component tax rate is the rate of tax imposed on the *low tax component of the fund's taxable income for the income year.

295-265 Application of pre-1 July 88 funding credits

Choice to reduce contributions included in assessable income

- (1) The *superannuation provider in relation to a *complying superannuation fund can choose to reduce the amount of contributions that would otherwise be included in the fund's assessable income for an income year under item 1 of the table in section 295-160 if it has pre-1 July 88 funding credits available for the income year.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

When funding credits are available

- (2) Use this method to work out whether a fund has pre-1 July 88 funding credits available for an income year:

Method statement

Step 1. Identify the amount of pre-1 July 88 funding credits unused at the end of the previous income year.

Step 2. Index that amount.

Note: Subdivision 960-M shows you how to index amounts.

Step 3. Add any pre-1 July 88 funding credits transferred to the fund in the income year under regulations made for the purposes of subsection 342(7) of the *Superannuation Industry (Supervision) Act 1993*.

Step 4. Deduct from the step 3 amount:

- (a) pre-1 July 88 funding credits transferred from the fund in the income year under regulations made for the purposes of subsection 342(7) of that Act; and
- (b) amounts specified in a notice given to the *superannuation provider in relation to the fund under subsection 342(6) of that Act for the income year.

Step 5. The result is the pre-1 July 88 funding credits available to the fund for the income year.

That amount, reduced by any amount specified in a choice made under subsection (1) for the income year, is the amount of pre-1 July 88 funding credits unused at the end of the income year.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 295-265

Note 1: Regulations under subsection 342(7) of the SIS Act allow APRA to approve transfers of pre-1 July 88 funding credits between funds.

Note 2: Subsection 342(6) of that Act covers the situation where the fund's rules are changed to produce a reduction in pre-1 July 88 funding credits and the trustee notifies APRA of the change.

- (3) If a notice is given to the *superannuation provider in relation to the fund under subsection 342(2) of the *Superannuation Industry (Supervision) Act 1993* granting the trustee a pre-1 July 88 funding credit, this section applies as if the pre-1 July 88 funding credit had arisen at the beginning of the income year in which 1 July 1988 occurred.

- (4) However, if a notice is given to the *superannuation provider in relation to the fund under subsection 342(4) of the *Superannuation Industry (Supervision) Act 1993* for the income year, the fund has no pre-1 July 88 funding credits.

Note: Subsection 342(4) of that Act covers the situation where the fund's rules are changed to produce a reduction in pre-1 July 88 funding credits and the provider fails to notify APRA of the change.

Limit on choice

- (5) The total amount covered by the choice cannot exceed the pre-1 July 88 funding credits available to the fund for the income year.
- (6) The total amount covered by the choice also cannot exceed the amount of contributions that would otherwise be included in the fund's assessable income for the income year under item 1 of the table in section 295-160 that are used to fund liabilities that accrued before 1 July 1988.
- (7) The regulations may prescribe either or both of the following:
- (a) the manner in which the *superannuation provider in relation to a *superannuation fund is to work out the amount applicable to the fund under subsection (6) for an income year;

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (b) methods (other than the method specified in subsection (6)) of working out how the provider of a superannuation fund can apply pre-1 July 88 funding credits.
- (8) Methods prescribed under paragraph (7)(b) may be applicable to particular *superannuation funds or to a class or classes of superannuation funds.

295-270 Anticipated funding credits

- (1) Subsection (2) has effect if the *superannuation provider in relation to a *complying superannuation fund expects a notice to be given under subsection 342(2) of the *Superannuation Industry (Supervision) Act 1993* or under regulations made for the purposes of subsection 342(7) of that Act to the effect that pre-1 July 88 funding credits of a particular amount will be available to the fund for the income year.
- (2) Section 295-265 applies to the fund as if pre-1 July 88 funding credits of the anticipated amount were available to the fund for the income year (in addition to any other pre-1 July 88 funding credits available to the fund for the year).
- (3) However, section 295-265 applies to the fund for the income year as if pre-1 July 88 funding credits of the anticipated amount were not available to the fund for the income year if:
 - (a) it becomes clear that the expected notice will not be given or that the specified amount of pre-1 July 88 funding credits will not be available; or
 - (b) *APRA does not receive the things referred to in subsection 342(3) of the *Superannuation Industry (Supervision) Act 1993* (for a notice expected under subsection 342(2) of that Act) or the things required to be given under regulations made for the purposes of subsection 342(7) of that Act (for a notice under those regulations) before the earlier of:
 - (i) the end of 12 months after the fund's assessment is made for the income year; and

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 295-320

- (ii) the time the things are required to be given by the regulations.

Subdivision 295-F—Exempt income

Table of sections

295-385	Income from assets set aside to meet current pension liabilities
295-390	Income from other assets used to meet current pension liabilities
295-395	Meaning of <i>segregated non-current assets</i>
295-400	Income of a PST attributable to current pension liabilities
295-405	Other exempt income
295-410	Amount credited to RSA

295-385 Income from assets set aside to meet current pension liabilities

- (1) The *ordinary income and *statutory income of a *complying superannuation fund for an income year is exempt from income tax to the extent that:
- (a) it would otherwise be assessable income; and
 - (b) it is from *segregated current pension assets.

Exception

- (2) Subsection (1) does not apply to:
- (a) *non-arm's length income; or
 - (b) amounts included in assessable income under Subdivision 295-C.

Meaning of segregated current pension assets

- (3) Assets of a *complying superannuation fund are *segregated current pension assets* at a time if:
- (a) the assets are invested, held in reserve or otherwise dealt with at that time solely to enable the fund to discharge all or part of its liabilities (contingent or not) in respect of *superannuation income stream benefits that are payable by the fund at that time; and
 - (b) the trustee of the fund obtains an *actuary's certificate before the date for lodgment of the fund's *income tax return for the

Section 295-390

income year to the effect that the assets and the earnings that the actuary expects will be made from them would provide the amount required to discharge in full those liabilities, or that part of those liabilities, as they fall due.

- (4) Assets of a *complying superannuation fund are also ***segregated current pension assets*** of the fund at a time if the assets are invested, held in reserve or otherwise being dealt with at that time for the sole purpose of enabling the fund to discharge all or part of its liabilities (contingent or not), as they become due, in respect of *superannuation income stream benefits:
- (a) that are payable by the fund at that time; and
 - (b) prescribed by the regulations for the purposes of this section.
- (5) Subsection (4) does not apply unless, at all times during the income year, the liabilities of the fund (contingent or not) to pay *superannuation income stream benefits payable by the fund were liabilities in respect of superannuation income stream benefits that are prescribed by the regulations for the purposes of this section.
- (6) However, assets of a *complying superannuation fund that are supporting a *superannuation income stream benefit that is prescribed by the regulations for the purposes of this section are not ***segregated current pension assets*** to the extent that the *market value of the assets exceeds the account balance supporting the benefit.

295-390 Income from other assets used to meet current pension liabilities

- (1) A proportion of the *ordinary income and *statutory income of a *complying superannuation fund that would otherwise be assessable income is exempt from income tax under this section. The proportion is worked out under subsection (3).

Exception

- (2) Subsection (1) does not apply to:

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (a) *non-arm's length income; or
- (b) amounts included in assessable income under Subdivision 295-C; or
- (c) income *derived from *segregated non-current assets; or
- (d) income that is exempt from income tax under section 295-385.

Formula

- (3) The proportion is:

$$\frac{\text{Average value of current pension liabilities}}{\text{Average value of superannuation liabilities}}$$

where:

average value of current pension liabilities is the average value for the income year of the fund's current liabilities (contingent or not) in respect of *superannuation income stream benefits that are payable by the fund in that year. This does not include liabilities for which *segregated current pension assets are held.

average value of superannuation liabilities is the average value for the income year of the fund's current and future liabilities (contingent or not) in respect of *superannuation benefits in respect of which contributions have, or were liable to have, been made. This does not include liabilities for which *segregated current pension assets or *segregated non-current assets are held.

Actuary's certificate

- (4) The value of particular liabilities of the fund at a particular time is the amount of the fund's assets, together with future contributions in respect of the benefits concerned and expected earnings on the assets and contributions after that time, that would provide the amount required to discharge those liabilities as they fall due. This must be specified in an *actuary's certificate obtained by the trustee of the fund before the date for lodgment of the fund's *income tax return for the income year.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 295-390

- (5) The expected earnings are worked out at the rate the actuary expects will be the rate of the fund's earnings on its assets (except *segregated current pension assets or *segregated non-current assets).

Superannuation liabilities where no current certificate

- (6) The superannuation liabilities do not have to be valued by an actuary for the income year if the fund has no *segregated current pension assets or *segregated non-current assets for the income year. Instead, the value can be worked out using this formula:

$$\frac{\text{Last value of superannuation liabilities}}{\text{Last value of assets}} \times \text{Current value of assets}$$

where:

current value of assets is the value of all of the fund's assets at a time in the income year, as specified in an *actuary's certificate obtained by the trustee of the fund before the date for lodgment of the fund's *income tax return for the income year.

last value of assets is the most recent value of all of the fund's assets specified in an *actuary's certificate.

last value of superannuation liabilities is the value, at the time of that most recent valuation, of the fund's superannuation liabilities specified in an *actuary's certificate.

Note: This allows a fund to avoid the expense of an actuarial valuation of its superannuation liabilities, except in those years that a valuation is required by the SIS Act in order for the fund to continue to be complying.

- (7) Subsections (4), (5) and (6) do not apply in working out the amounts to be used in the formula in subsection (3) if, at all times during the income year, the liabilities of the fund in respect of *superannuation income stream benefits payable at those times were liabilities in respect of superannuation income stream benefits that are prescribed by the regulations for the purposes of this subsection.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

295-395 Meaning of segregated non-current assets

- (1) Assets of a *complying superannuation fund are *segregated non-current assets* at a time in an income year if:
- (a) the assets are invested, held in reserve or otherwise dealt with at that time solely to enable the fund to discharge all or part of its current and future liabilities (contingent or not) to pay benefits in respect of which contributions have, or were liable to have, been made; and
 - (b) the trustee of the fund obtains an *actuary's certificate before the date for lodgment of the fund's *income tax return for the income year to the effect that the amount of the assets, together with any future contributions, and the earnings that the actuary expects will be made from them will provide the amount required to discharge in full those liabilities, or that part of those liabilities, as they fall due.
- (2) The liabilities referred to in paragraph (1)(a) do not include liabilities (contingent or not) in respect of *superannuation income stream benefits payable by the fund at that time.

295-400 Income of a PST attributable to current pension liabilities

- (1) This proportion of the *ordinary income and *statutory income that would otherwise be assessable income of a *pooled superannuation trust is *exempt income:

$$\frac{\text{Average number of units in the trust during the income year that are *segregated current pension assets of unitholders that are *complying superannuation funds}}{\text{Average number of units in the trust during the income year}}$$

Exceptions

- (2) Subsection (1) does not apply to:
- (a) *non-arm's length income; or
 - (b) amounts included in assessable income under item 1 of the table in section 295-320.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 295-405

Alternative exemption

- (3) However, the trustee of the *pooled superannuation trust can choose that a different amount be *exempt income of the trust under this section if a percentage of the assessable income of the trust would have been exempt income under section 295-385 or 295-390 if it had been *derived instead by the unitholders in the trust in proportion to their holdings.
- (4) That percentage of the trust's *ordinary income and *statutory income is then *exempt income.

295-405 Other exempt income

The *ordinary income or *statutory income of an entity is exempt from income tax as set out in this table.

Note: For an explanation of the acronyms used, see section 295-35.

*Exempt income		
Item	For this entity:	This is exempt:
1	CSF N-CSF CADF N-CADF	A grant of financial assistance under Part 23 of the <i>Superannuation Industry (Supervision) Act 1993</i>
2	*RSA provider	Amount credited to the *RSA where a pension (within the meaning of the <i>Retirement Savings Accounts Act 1997</i>) was paid from the RSA for all of the period in the income year that the RSA existed
3	*RSA provider	Part of an amount credited to the *RSA (worked out under section 295-410) where a pension (within the meaning of the <i>Retirement Savings Accounts Act 1997</i>) was paid from the RSA for part of the period in the income year that the RSA existed

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

295-410 Amount credited to RSA

For item 3 of the table in section 295-405, the part of the amount credited to the *RSA that is *exempt income is worked out by:

- (a) multiplying the amount by the number of days in the income year for which the pension (within the meaning of the *Retirement Savings Accounts Act 1997*) was paid; and
- (b) dividing the result by the number of days in the income year that the RSA existed.

- (a) a *superannuation death benefit;
- (aa) a benefit consisting of an amount payable to an individual because a *terminal medical condition exists in relation to the individual;
- (b) a *disability superannuation benefit;

Note: **Disability superannuation benefit** has an extended meaning for the 2007-08 to 2010-11 income years for the purposes of subsections 295-465(1) and (2): see sections 295-466 and 295-467 of the *Income Tax (Transitional Provisions) Act 1997*.

- (c) a benefit consisting of an amount payable to an individual under an income stream because of the individual's temporary inability to engage in *gainful employment, that is payable for no longer than:
 - (i) 2 years; or
 - (ii) if an approval under section 62 of the *Superannuation Industry (Supervision) Act 1993* is in force for benefits of that kind and the approval specifies a longer maximum period—that longer period; or
 - (iii) if there is no such approval in force—a longer period allowed by the Commissioner.

Note 1: The fund can deduct amounts in relation to these benefits under either section 295-465 or 295-470, but not both.

Note 2: The taxable component of the superannuation lump sums will contain an element untaxed in the fund: see section 307-290.

295-465 Complying funds—deductions for insurance premiums

Deductions for insurance premiums

- (1) A *complying superannuation fund can deduct the proportions specified in this table of premiums it pays for insurance policies that are (wholly or partly) for current or contingent liabilities of the fund to provide benefits referred to in section 295-460 for its members. It can deduct the amounts for the income year in which the premiums are paid.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Deductions of *complying superannuation funds	
Item	The fund can deduct this amount:
1	30% of the premium for a *whole of life policy if all individuals whose lives are insured are members of the fund
2	10% of the premium for an *endowment policy if all individuals whose lives are insured are members of the fund
3	30% of the part of an insurance policy premium (for a policy that is not a *whole of life policy or an *endowment policy) that is specified in the policy as being for a distinct part of the policy, if that part would have been a whole of life policy had it been a separate policy
4	10% of the part of an insurance policy premium (for a policy that is not a *whole of life policy or an *endowment policy) that is specified in the policy as being for a distinct part of the policy, if that part would have been an endowment policy had it been a separate policy
5	The part of a premium that is specified in the policy as being wholly for the liability to provide certain benefits, if those benefits are benefits referred to in section 295-460
6	So much of other insurance policy premiums as are attributable to the liability to provide benefits referred to in section 295-460

Note: If the fund receives a rebate or refund of an insurance premium, the amount may be included in its assessable income: see table item 4 in section 295-320.

(1A) If item 5 of the table applies to part, but not all, of an insurance policy premium, item 6 of the table applies to the rest of the premium as if item 5 did not apply to the premium.

(1B) For the purposes of item 6 of the table, the regulations may provide that a specified proportion of a specified insurance policy premium may be treated as being attributable to the *complying superannuation fund's liability to provide benefits referred to in section 295-460.

Note: The fund may deduct a proportion other than that specified in the regulations for the premium, but must obtain an actuary's certificate in accordance with subsection (3) in order to do so. The same applies if the insurance policy premium is not specified in the regulations.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 295-465

Deductions for self-insurance

- (2) A *complying superannuation fund can also deduct the amount it could reasonably be expected to pay in an *arm's length transaction to obtain an insurance policy to cover it for that part of its current or contingent liabilities to provide benefits referred to in section 295-460 for which it does not have insurance coverage. It can deduct the amount for the income year when it has the liability.
- (2A) For the purposes of subsection (2), the regulations may provide that a specified proportion of an amount mentioned in subsection (2B) may be treated as being the amount the fund could reasonably be expected to pay in an *arm's length transaction to obtain an insurance policy to cover it for its current or contingent liabilities to provide benefits referred to in section 295-460.
- Example: If:
- (a) an actuary certifies the amount a fund could reasonably be expected to pay in an arm's length transaction to obtain an insurance policy; and
 - (b) the insurance policy covers liabilities of the fund to provide a class of total and permanent disability benefits broader than that covered by section 295-460; and
 - (c) the insurance policy is specified in the regulations; and
 - (d) the fund does not have insurance coverage for the liabilities;
- the fund may deduct, under subsection (2), so much of that certified amount as is specified in the regulations.
- (2B) The amount is the amount a *complying superannuation fund could reasonably be expected to pay in an *arm's length transaction to obtain an insurance policy specified in the regulations.

Actuary's certificate

- (3) The trustee must obtain an *actuary's certificate before the date for lodgment of the fund's *income tax return for the income year in order to deduct an amount referred to in item 6 of the table or in subsection (2).
- (3A) Subsection (3) does not apply to an amount referred to in item 6 of the table in relation to an insurance policy premium, if the trustee

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

deducts, under that item, only the proportion (if any) of the premium specified in the regulations made for the purposes of subsection (1B).

Choice not to deduct amounts under this section

- (4) The trustee may choose not to deduct amounts under this section for an income year and to deduct instead (under section 295-470) amounts based on the fund's future liability to pay the benefits.
- (5) The choice applies also to future income years unless the Commissioner decides that it should not.

295-470 Complying funds—deductions for future liability to pay benefits

- (1) A *complying superannuation fund can deduct an amount under this section for an income year if:
 - (a) the trustee of the fund makes a choice under subsection 295-465(4) and the choice applies to the income year; and
 - (b) the trustee pays:
 - (i) a benefit referred to in paragraph 295-460(a), (aa) or (b) for the income year in consequence of the termination of a member's employment; or
 - (ii) a benefit referred to in paragraph 295-460(c).

- (2) The amount the fund can deduct is:

$$\text{Benefit amount} \times \frac{\text{Future service days}}{\text{Total service days}}$$

where:

benefit amount is:

- (a) for a benefit that is a *superannuation lump sum—the amount of the lump sum; or

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 295-475

- (b) for a benefit that is a *superannuation income stream—the *value of the *superannuation interest supporting the income stream; or
- (c) for a benefit referred to in paragraph 295-460(c)—the total of the amounts paid during the income year.

future service days is the number of days in the period starting when:

- (a) the termination happened; or
- (b) for a benefit referred to in paragraph 295-460(c)—the member became unable to engage in *gainful employment; and ending on the member's *last retirement day.

total service days is the sum of future service days and the number of days in:

- (a) for a benefit that is a *superannuation lump sum—the *service period for the superannuation lump sum; or
- (b) for another benefit—the period ending on the first day of the period to which the first payment of the benefit relates and starting on the earliest of:
 - (i) the day on which the member joined the relevant *superannuation fund; and
 - (ii) the first day of the period of employment to which the benefit relates (including a qualifying period before the member could join the fund and any period when the member was not a member of the fund); and
 - (iii) the day applicable under subsection (3).
- (3) The applicable day is the first day of the *service period for a *superannuation lump sum that is a *roll-over superannuation benefit if all or part of the *value of the other benefit is attributable to the roll-over superannuation benefit.

295-475 RSA providers—deductions for insurance premiums

An *RSA provider can deduct premiums it pays for insurance policies that are wholly for its liability to provide benefits referred

to in section 295-460 for its *RSA holders. It can deduct the amounts for the income year in which the premiums are paid.

Note: If the RSA provider receives a rebate or refund of an insurance premium, the amount may be included in its assessable income: see table item 5 in section 295-320.

295-480 Meaning of *whole of life policy* and *endowment policy*

- (1) A ***whole of life policy*** is an insurance policy:
 - (a) that includes an investment component; and
 - (b) the premiums for which are not dissected; and
 - (c) where the sum insured (and any bonuses) are payable on:
 - (i) the death of the individual insured; or
 - (ii) the earlier of the death of the individual insured and the individual attaining the age specified in the policy (being at least the age of 85).
 - (2) An ***endowment policy*** is an insurance policy:
 - (a) that includes an investment component; and
 - (b) the premiums for which are not dissected; and
 - (c) where the sum insured (and any bonuses) are payable on:
 - (i) a day specified in, or worked out under, the policy; or
 - (ii) the death of the individual insured if that happens before that day;
- but does not include a *whole of life policy.

Increased amount of superannuation lump sum death benefits

295-485 Deductions for increased amount of superannuation lump sum death benefit

- (1) An entity that is a *complying superannuation fund, or a *complying approved deposit fund, and has been since 1 July 1988 (or since it came into existence if that was later) can deduct an amount under this section if:

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 295-485

- (a) it pays a *superannuation lump sum because of the death of a person to the trustee of the deceased's estate or an individual who was a *spouse, former spouse or *child of the deceased at the time of death or payment; and
- (b) it increases the lump sum by an amount, or does not reduce the lump sum by an amount (the ***tax saving amount***) so that the amount of the lump sum is the amount that the fund could have paid if no tax were payable on amounts included in assessable income under Subdivision 295-C.

Note: Paragraph (1)(b) has effect as if the reference to amounts included in assessable income under Subdivision 295-C included a reference to amounts included in assessable income under former section 274 of the *Income Tax Assessment Act 1936*: see section 295-485 of the *Income Tax (Transitional Provisions) Act 1997*.

- (2) The fund can deduct the amount in the income year in which the lump sum is paid.
- (3) The amount the fund can deduct is:

$$\frac{\text{Tax saving amount}}{\text{Low tax component rate}}$$

where:

low tax component rate is the rate of tax imposed on the *low tax component of the fund's taxable income for the income year.

Note: The deduction is designed to compensate the fund for the tax payable on the contributions that are used to fund the lump sum.

- (4) The amount the fund can deduct for a *superannuation lump sum paid because of the death of a person to the trustee of the deceased's estate is so much of the subsection (3) amount as is appropriate having regard to the extent to which individuals referred to in paragraph (1)(a) can reasonably be expected to benefit from the estate.

Subdivision 295-H—Components of taxable income

Table of sections

- 295-545 Components of taxable income—complying superannuation funds, complying ADFs and PSTs
- 295-550 Meaning of *non-arm's length income*
- 295-555 Components of taxable income—RSA providers

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

295-545 Components of taxable income—complying superannuation funds, complying ADFs and PSTs

- (1) The taxable income of these entities is split into a *non-arm's length component and a *low tax component:
 - (a) *complying superannuation funds;
 - (b) *complying approved deposit funds;
 - (c) *pooled superannuation trusts.

Note: A concessional rate applies to the low tax component, while the non-arm's length component is taxed at the highest marginal rate. The rates are set out in the *Income Tax Rates Act 1986*.

- (2) The ***non-arm's length component*** for an income year is the entity's *non-arm's length income for that year less any deductions to the extent that they are attributable to that income.
- (3) The ***low tax component*** is any remaining part of the entity's taxable income for the income year.

295-550 Meaning of *non-arm's length income*

- (1) An amount of *ordinary income or *statutory income is ***non-arm's length income*** of a *complying superannuation fund, a *complying approved deposit fund or a *pooled superannuation trust (other than an amount to which subsection (2) applies or an amount *derived by the entity in the capacity of beneficiary of a trust) if:
 - (a) it is derived from a *scheme the parties to which were not dealing with each other at *arm's length in relation to the scheme; and
 - (b) that amount is more than the amount that the entity might have been expected to derive if those parties had been dealing with each other at arm's length in relation to the scheme.
- (2) An amount of *ordinary income or *statutory income is also ***non-arm's length income*** of the entity if it is:
 - (a) a *dividend paid to the entity by a *private company; or

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 295-550

- (b) ordinary income or statutory income that is reasonably attributable to such a dividend;
unless the amount is consistent with an *arm's length dealing.
- (3) In deciding whether an amount is consistent with an *arm's length dealing under subsection (2), have regard to:
 - (a) the value of *shares in the company that are assets of the entity; and
 - (b) the cost to the entity of the shares on which the *dividend was paid; and
 - (c) the rate of that dividend; and
 - (d) whether the company has paid a dividend on other shares in the company and, if so, the rate of that dividend; and
 - (e) whether the company has issued any shares to the entity in satisfaction of a dividend paid by the company (or part of it) and, if so, the circumstances of the issue; and
 - (f) any other relevant matters.
- (4) Income *derived by the entity as a beneficiary of a trust, other than because of holding a fixed entitlement to the income, is **non-arm's length income** of the entity.
- (5) Other income *derived by the entity as a beneficiary of a trust through holding a fixed entitlement to the income of the trust is **non-arm's length income** of the entity if:
 - (a) the entity acquired the entitlement under a *scheme, or the income was derived under a scheme, the parties to which were not dealing with each other at *arm's length; and
 - (b) the amount of the income is more than the amount that the entity might have been expected to derive if those parties had been dealing with each other at arm's length.
- (6) This section:
 - (a) applies to a *non-share equity interest in the same way as it applies to a *share; and
 - (b) applies to an *equity holder in a company in the same way as it applies to a shareholder in the company; and

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (c) applies to a *non-share dividend in the same way as it applies to a *dividend.

295-555 Components of taxable income—RSA providers

- (1) The taxable income of an *RSA provider is split into:
- (a) an *RSA component; and
 - (c) a *standard component.

Note: The RSA component is taxed at the same concessional rate that applies to the low tax component of complying superannuation funds, complying approved deposit funds and pooled superannuation trusts (see section 23 of the *Income Tax Rates Act 1986*). The standard component is taxed at the standard company rate.

- (2) The **RSA component** for an income year is worked out in this way:

Method statement

- Step 1. Add these amounts included in the provider's assessable income for the income year:
- (a) amounts included under Subdivision 295-C; and
 - (b) other amounts credited during the year to *RSAs that it provides.
- Step 2. Subtract from the step 1 amount amounts paid from those *RSAs (except benefits for the RSA holders or tax).
- Step 3. The result is the **RSA component**.

- (3) However, if the *RSA component is more than the *RSA provider's taxable income:
- (a) the provider's taxable income is equal to that sum; and
 - (b) this Act applies to the provider as if it had a *tax loss for the income year of an amount that would have been that loss if

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 295-605

the RSA component were not *ordinary income or *statutory income.

- (4) The **standard component** is the remaining part (if any) of the *RSA provider's taxable income for the income year after subtracting the *RSA component.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

295-610 No-TFN contributions income

- (1) An amount included by Subdivision 295-C in the assessable income of a *complying superannuation fund, a *non-complying superannuation fund or an *RSA provider for an income year is ***no-TFN contributions income*** for the year if:
- (a) it is included by that Subdivision in the assessable income of the income year of the fund or RSA provider in which 1 July 2007 occurs, or a later income year; and

- (i) as a result of an election under paragraph 29SAA(1)(b) of that Act; or
 - (ii) under section 388 of that Act;
- if:
- (iii) that member becomes a member (within the meaning of that Act) of the other fund immediately after the transfer; and
 - (iv) the transfer happens during the period beginning on 1 July 2015 and ending on 1 July 2017; or
- (c) a payment of consideration for the issue to a person of a beneficial interest in an eligible rollover fund (within the meaning of the *Superannuation Industry (Supervision) Act 1993*) in accordance with an application on behalf of that person under section 243 of that Act.

306-15 Tax on *excess untaxed roll-over amounts*

- (1) This section applies to a *superannuation benefit if:
- (a) it is a *roll-over superannuation benefit that is paid into a *superannuation plan; and
 - (b) you are taken to receive the benefit under section 307-15; and
 - (c) the benefit consists of, or includes, an amount that is an *element untaxed in the fund; and
 - (d) the amount mentioned in paragraph (c) exceeds your *untaxed plan cap amount (see section 307-350), for the superannuation plan from which the benefit is paid, just before you are taken to receive the benefit.

Note: To work out your untaxed plan cap amount in relation to an unclaimed money payment from the Commissioner, see subsection 307-350(2B).

- (1A) However, this section does not apply to a *roll-over superannuation benefit that is transferred from one *superannuation interest in a *superannuation plan to another superannuation interest in the same plan.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 306-20

Note 1: A superannuation benefit may be paid from one superannuation plan of a superannuation provider to another superannuation plan of the same provider. Such a benefit may be a roll-over superannuation benefit: see section 306-10.

Note 2: For the treatment of amounts transferred within the same superannuation plan, see subsection 307-5(8).

(2) The **excess untaxed roll-over amount** is the amount of the excess mentioned in paragraph (1)(d).

(3) You are liable to pay income tax on the *excess untaxed roll-over amount at the rate declared by the Parliament in respect of such amounts.

Note 1: The tax is imposed in the *Superannuation (Excess Untaxed Roll-over Amounts Tax) Act 2007*, and the amount of tax is set out in that Act.

Note 2: See the *Taxation Administration Act 1953* for provisions dealing with the payment of the tax.

306-20 Effect of payment to government of unclaimed superannuation money

An *unclaimed money payment that you are taken to receive under section 307-15 because it is paid in accordance with the *Superannuation (Unclaimed Money and Lost Members) Act 1999*, or because it is paid as mentioned in subsection 18(4) of that Act, to the Commissioner or a State or Territory authority (within the meaning of that Act) is not assessable income and is not *exempt income.

- (b) an entitlement of the person arises under Division 2AA (Financial claims scheme for account-holders with insolvent ADIs) of Part II of the *Banking Act 1959* in connection with the old RSA; and

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (c) either:
- (i) the entitlement, so far as it relates to the old RSA, is met wholly or partly by the making of a payment to another RSA (the **new RSA**) that the person is the holder of (whether or not the new RSA was established under section 16AH of the *Banking Act 1959*); or
 - (ii) a liquidator of the ADI pays a distribution from the liquidation of the ADI, so far as the distribution is attributable to the old RSA, to another RSA (also the **new RSA**) that the person is the holder of (whether or not the new RSA was established under section 16AR of the *Banking Act 1959*).
- (2) This Part (except this section), and the other provisions of this Act (except this section) so far as they relate to this Part, apply in relation to the payment to the new RSA as if:
- (a) the payment were made from the old RSA to the new RSA; and
 - (b) the entity that made the payment (rather than the *ADI) were the *RSA provider of the old RSA.
- Note: The effects of this include:
- (a) the payment is a superannuation member benefit of the person (because of sections 307-5 and 307-15); and
 - (b) the payment is a superannuation lump sum under Subdivision 307-B (unless regulations prevent this); and
 - (c) the payment is a roll-over superannuation benefit under section 306-10 (unless regulations prevent this); and
 - (d) reporting obligations (such as those in section 390-10 in Schedule 1 to the *Taxation Administration Act 1953*) apply to the entity that made the payment as if it were the RSA provider of the old RSA.
- (3) However, for the purposes of section 307-125, determine the *value of the *superannuation interest, and the amount of each of the *tax free component and the *taxable component of the interest:
- (a) when the entitlement arose; or

Section 306-25

- (b) if a *superannuation income stream benefit had been paid from the old RSA before that time—at the time the relevant *superannuation income stream commenced.
- (4) Subsection (3) has effect despite:
 - (a) subsection 307-125(3) (as it applies because of subsection (2) of this section); and
 - (b) paragraph 307-125(3)(a) of the *Income Tax (Transitional Provisions) Act 1997*.
- (5) This section has effect despite:
 - (a) Division 253; and
 - (b) Division 21 in Schedule 1 to the *Taxation Administration Act 1953*.

This Division defines concepts used in Divisions 301 to 306, such as *superannuation benefit*, and the *tax free component* and *taxable component* of such benefits. To work out those components, it is often necessary to work out the corresponding components of the *superannuation interest* from which the benefit is paid (see Subdivision 307-D).

This Division also defines the *element taxed in the fund* and the *element untaxed in the fund* of superannuation benefits, which are relevant to superannuation benefits paid from untaxed funds etc. (see Subdivision 307-D).

Section 307-5

Subdivision 307-F defines the concessional limits used in Division 301 known as the low rate cap amount and untaxed plan cap amount.

(3B) In making a decision under subsection (3A), the Commissioner must have regard to the following matters:

307-130	Superannuation guarantee payment consists entirely of taxable component

Section 307-120

307-120 Components of superannuation benefit

- (1) Work out the following components of a *superannuation benefit under this Subdivision:
 - (a) the *tax free component*;
 - (b) the *taxable component*.
- (2) Work out those components under:
 - (a) if the benefit is not mentioned in paragraph (b), (c), (d) or (e)—section 307-125; or
 - (b) if the benefit is a *superannuation guarantee payment—section 307-130; or
 - (c) if the benefit is a *superannuation co-contribution benefit payment—section 307-135; or
 - (d) if the benefit is a *contributions-splitting superannuation benefit—section 307-140; or
 - (e) if the benefit is a payment under subsection 17(2), (2AB) or (2AC), 20H(2), (2AA), (2A) or (3) or 24G(2), (3A) or (3B) of the *Superannuation (Unclaimed Money and Lost Members) Act 1999*—section 307-142.
- (3) Those components may be modified under sections 307-145 (which deals with certain disability benefits) and 307-150 (which deals with certain *elements untaxed in fund).

307-125 Proportioning rule

- (1) The object of this section is to ensure that the *tax free component and *taxable component of a *superannuation benefit are calculated by:
 - (a) first, determining the proportions of the *value of the *superannuation interest that those components represent; and
 - (b) next, applying those proportions to the benefit.
- (2) The *superannuation benefit is taken to be paid in a way such that each of those components of the benefit bears the same proportion

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

to the amount of the benefit that the corresponding component of the *superannuation interest bears to the *value of the superannuation interest.

Example: The amount of a superannuation lump sum is \$100. Just before the benefit is paid, the value of the superannuation interest was \$1000 (of which \$200 was the tax free component and \$800 was the taxable component). For the lump sum, the tax free component is \$20 and the taxable component is \$80.

- (3) For the purposes of subsection (2), determine the *value of the *superannuation interest, and the amount of each of those components of the interest, at whichever of the following times is applicable:
- (a) if the *superannuation benefit is a *superannuation income stream benefit—when the relevant *superannuation income stream commenced;
 - (b) if the superannuation benefit is a *superannuation lump sum—just before the benefit is paid;
 - (c) despite paragraphs (a) and (b), if the superannuation benefit arises from the commutation of a superannuation income stream—when the relevant superannuation income stream commenced;
 - (d) despite paragraphs (a) and (b), if:
 - (i) the superannuation benefit is an *involuntary roll-over superannuation benefit paid from a superannuation interest; and
 - (ii) that interest was supporting a superannuation income stream immediately before that benefit was paid; when that superannuation income stream commenced.
- (4) Subsection (2) does not apply to a *superannuation benefit if any of the following applies:
- (a) the regulations specify an alternative method for determining those components of the benefit;
 - (b) a determination under subsection (5) specifies an alternative method for determining those components of the benefit;

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 307-130

- (c) the Commissioner consents in writing to the use of another method for determining those components of the benefit.
- If so, use that method to determine those components of the benefit.
- (5) For the purposes of paragraph (4)(b), the Commissioner may determine, by legislative instrument, one or more alternative methods for determining those components of a *superannuation benefit.
- (6) If the *superannuation benefit is an *unclaimed money payment or a *small superannuation account payment, for the purposes of this section:
 - (a) treat the benefit as a superannuation benefit paid from a *superannuation interest; and
 - (b) treat the amount of the benefit as the *value of that superannuation interest just before the time the benefit is paid.

307-130 Superannuation guarantee payment consists entirely of taxable component

The components of a *superannuation benefit that is a *superannuation guarantee payment are as follows:

- (a) the *tax free component is nil;
- (b) the *taxable component is the amount of the benefit.

307-135 Superannuation co-contribution benefit payment consists entirely of tax free component

The components of a *superannuation benefit that is a *superannuation co-contribution benefit payment are as follows:

- (a) the *tax free component is the amount of the benefit;
- (b) the *taxable component is nil.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

307-140 Contributions-splitting superannuation benefit consists entirely of taxable component

The components of a *superannuation benefit that is a *contributions-splitting superannuation benefit are as follows:

- (a) the *tax free component is nil;
- (b) the *taxable component is the amount of the benefit.

307-142 Components of certain unclaimed money payments

Preliminary

- (1) This section explains how to work out the *tax free component, and the *taxable component, of a *superannuation benefit that is a payment by the Commissioner under subsection 17(2), (2AB) or (2AC), 20H(2), (2AA), (2A) or (3) or 24G(2), (3A) or (3B) of the *Superannuation (Unclaimed Money and Lost Members) Act 1999*, or by a State or Territory authority as mentioned in subsection 18(5) of that Act, in respect of a person.

Tax free component

- (2) Work out the *tax free component as follows (unless subsection (3B) or (3C) applies):

Method statement

Step 1. Work out the amount (the ***unclaimed amount***) (or amounts), set out in column 1 of the table in subsection (3), to which the *superannuation benefit is attributable.

Note: A payment made under subsection 17(2) of the *Superannuation (Unclaimed Money and Lost Members) Act 1999* is attributable to a single unclaimed amount set out in item 1 or 2 of the table.

A payment under subsection 20H(2) or (3) of that Act may be attributable to more than one unclaimed amount.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 307-142

A payment made under subsection 24G(2) of that Act is attributable to a single unclaimed amount set out in item 4 of the table.

Step 2. Assume that the unclaimed amount (or each unclaimed amount), instead of being paid to the Commissioner, had been paid to the person as the payment (the ***claimed equivalent***) set out in column 2 of the table.

Step 3. The *tax free component of the *superannuation benefit consists of so much of the superannuation benefit as is attributable to the amount set out in column 3 of the table for the claimed equivalent (or as is attributable to the amounts set out in that column for the claimed equivalents).

(3) This is the table mentioned in subsection (2):

Tax free component			
Item	Column 1 Unclaimed amount	Column 2 Claimed equivalent	Column 3 Tax free component of claimed equivalent
1	<p>an amount paid, on or after 1 July 2007, to:</p> <p>(a) the Commissioner under subsection 17(1) of the <i>Superannuation (Unclaimed Money and Lost Members) Act 1999</i>;</p> <p>or</p> <p>(b) a State or Territory authority, as mentioned in subsection 18(4) of that Act;</p> <p>in respect of the person</p>	<p>a *superannuation benefit paid from a *superannuation plan</p>	<p>the *tax free component of that superannuation benefit</p>

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 307-142

Tax free component			
Item	Column 1 Unclaimed amount	Column 2 Claimed equivalent	Column 3 Tax free component of claimed equivalent
2	an amount paid, before 1 July 2007, to: (a) the Commissioner under subsection 17(1) of the <i>Superannuation (Unclaimed Money and Lost Members) Act 1999</i> ; or (b) a State or Territory authority, as mentioned in subsection 18(4) of that Act; in respect of the person	an eligible termination payment (within the meaning of subsection 27A(1) of the <i>Income Tax Assessment Act 1936</i> , as in force just before 1 July 2007)	the total of the components, of that eligible termination payment, referred to in subsection 307-225(2) of this Act
3	an amount paid to the Commissioner under subsection 20F(1) of the <i>Superannuation (Unclaimed Money and Lost Members) Act 1999</i> in respect of the person (other than an amount referred to in section 65AA of the <i>Superannuation Guarantee (Administration) Act 1992</i>)	a *superannuation benefit paid from a *superannuation plan	the *tax free component of that superannuation benefit
4	an amount paid to the Commissioner under section 24E of the <i>Superannuation (Unclaimed Money and Lost Members) Act 1999</i> in respect of the person	a *superannuation benefit paid from a *superannuation plan	the *tax free component of that superannuation benefit

Note 1: Section 65AA of the *Superannuation Guarantee (Administration) Act 1992* requires certain shortfall components to be treated as amounts

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 307-142

paid to the Commissioner under subsection 20F(1) of the *Superannuation (Unclaimed Money and Lost Members) Act 1999*.

The effect of excluding such shortfall components from item 3 of the table in this subsection is that the taxable component includes so much of the superannuation benefit as is attributable to such a shortfall component.

Note 2: The table in this subsection does not cover interest paid by the Commissioner under subsection 20H(2A) of the *Superannuation (Unclaimed Money and Lost Members) Act 1999*.

The effect of this is that the taxable component includes so much of the superannuation benefit as is attributable to such interest.

- (3A) Treat the amount set out in column 3 of an item of the table in subsection (3) as being nil, if:
- (a) the unclaimed amount set out in column 1 of the item is an amount paid to the Commissioner by a State or Territory authority (within the meaning of the *Superannuation (Unclaimed Money and Lost Members) Act 1999*) in the circumstances mentioned in section 18AA, 20JA or 24HA of that Act; and
 - (b) the Commissioner does not have sufficient information to work out the amount set out in column 3 of the item.
- (3B) The *tax free component is the amount of the benefit, if the *superannuation benefit is paid under subsection 17(2AB) or (2AC), 20H(2AA) or 24G(3A) or (3B) of the *Superannuation (Unclaimed Money and Lost Members) Act 1999* (interest).
- (3C) Despite subsection (3B), the *tax free component is nil, if the *superannuation benefit is paid under subsection 20H(2AA) of the *Superannuation (Unclaimed Money and Lost Members) Act 1999* (interest) in respect of a person who:
- (a) is a former temporary resident (within the meaning of that Act) when the payment is made; or
 - (b) if the person died before the payment is made—was a former temporary resident just before dying.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Taxable component

- (4) The *taxable component is so much (if any) of the *superannuation benefit as is not the *tax free component.

307-145 Modification for disability benefits

- (1) Work out the **tax free component** of the *superannuation benefit under subsection (2) if the benefit is a *superannuation lump sum and a *disability superannuation benefit.

Note: This section does not apply to an unclaimed money payment.

- (2) The **tax free component** is the sum of:
- (a) the *tax free component of the benefit worked out apart from this section; and
 - (b) the amount worked out under subsection (3).

However, the tax free component cannot exceed the amount of the benefit.

- (3) Work out the amount by applying the following formula:

$$\text{Amount of benefit} \times \frac{\text{Days to retirement}}{\text{Service days} + \text{Days to retirement}}$$

where:

days to retirement is the number of days from the day on which the person stopped being capable of being *gainfully employed to his or her *last retirement day.

service days is the number of days in the *service period for the lump sum.

- (4) The balance of the *superannuation benefit is the **taxable component** of the benefit.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 307-150

307-150 Modification in respect of superannuation lump sum with element untaxed in fund

- (1) This section applies to a *superannuation lump sum if:
 - (a) it is not a *roll-over superannuation benefit; or
 - (b) it is a roll-over superannuation benefit that includes an *element untaxed in the fund, all or part of which will be included in the assessable income of the *superannuation provider in relation to the *superannuation fund into which the benefit is paid.
- (2) However, this section applies to the *superannuation lump sum only to the extent that it is attributable to a *superannuation interest that existed just before 1 July 2007.
- (3) If the *superannuation lump sum includes an *element untaxed in the fund:
 - (a) increase the *tax free component of the benefit by the amount that is the lesser of these amounts:
 - (i) the amount worked out under subsection (4); and
 - (ii) the amount of the element untaxed in the fund (apart from this section); and
 - (b) reduce the element untaxed in the fund by the lesser of those amounts.
- (4) Work out the amount by applying the following formula:

$$\begin{array}{c} \text{Original tax free component} \\ \text{and untaxed element} \end{array} \times \frac{\begin{array}{c} \text{Number of days in the *service period} \\ \text{for the lump sum that} \\ \text{occurred before 1 July 1983} \end{array}}{\begin{array}{c} \text{Number of days in the *service period} \\ \text{for the lump sum} \end{array}}$$

where:

original tax free component and untaxed element is the sum of:

- (a) the *tax free component of the *superannuation benefit (apart from this section); and

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (b) the *element untaxed in the fund of the superannuation benefit (apart from this section).
- (5) If the benefit is in part attributable to a *crystallised pre-July 83 amount, in working out the *tax free component of the *superannuation benefit (apart from this section) for the purposes of subsection (4), disregard the amount of the benefit that is attributable to the *crystallised segment of the *superannuation interest from which the benefit is paid.

Subdivision 307-D—Superannuation interests

Table of sections

307-200	Regulations relating to meaning of superannuation interests
307-205	<i>Value</i> of superannuation interest
307-210	<i>Tax free component</i> of superannuation interest
307-215	<i>Taxable component</i> of superannuation interest
307-220	What is the <i>contributions segment</i> ?
307-225	What is the <i>crystallised segment</i> ?

307-200 Regulations relating to meaning of superannuation interests

- (1) In the circumstances specified in the regulations, treat a *superannuation interest* as two or more superannuation interests in the way specified in the regulations.
- (2) In the circumstances specified in the regulations, treat 2 or more *superannuation interests* as one superannuation interest in the way specified in the regulations.
- (3) Regulations for the purposes of this section may specify a way of treating a *superannuation interest in relation to one or more of the following aspects of the interest:
 - (a) the *tax free component (and the *contributions segment and *crystallised segment relating to that component);
 - (b) the *taxable component;
 - (c) the *element taxed in the fund of the taxable component;
 - (d) the *element untaxed in the fund of the taxable component.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 307-205

- (4) Regulations for the purposes of subsection (1) may specify a way of allocating an amount relating to a *superannuation interest treated as two or more superannuation interests in accordance with those regulations to those interests.
- (5) Subsections (3) and (4) do not limit the regulations that may be made for the purposes of this section.

307-205 Value of superannuation interest

The *value* of a *superannuation interest at a particular time is:

- (a) if the regulations specify a method for determining the value of the superannuation interest—that value; or
- (b) otherwise—the total amount of all the *superannuation lump sums that could be payable from the interest at that time.

307-210 Tax free component of superannuation interest

- (1) The *tax free component* of a *superannuation interest is so much of the *value of the interest as consists of:
 - (a) the *contributions segment of the interest; and
 - (b) the *crystallised segment of the interest.

Tax free component reduces if a benefit is paid

- (2) If a *superannuation benefit is paid from the *superannuation interest:
 - (a) the *crystallised segment of the interest is reduced (but not below zero) by an amount equal to the *tax free component of the benefit; and
 - (b) if any of that amount remains, the *contributions segment of the interest is reduced (but not below zero) by that remaining amount.

Note: This has the effect of reducing the interest's tax free component by the amount of the benefit's tax free component.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

307-215 Taxable component of superannuation interest

The **taxable component** of a *superannuation interest is the *value of the interest less the *tax free component of the interest.

307-220 What is the contributions segment?

- (1) The **contributions segment** of a *superannuation interest is the total amount of the contributions to the interest:
- (a) that were made after 30 June 2007; and
 - (b) to the extent that they have not been and will not be included in the assessable income of the *superannuation provider in relation to the *superannuation plan in which the interest is held.

This section has effect subject to subsection 307-210(2).

Note: This segment may be reduced if a superannuation benefit is paid from the superannuation interest: see subsection 307-210(2).

- (2) For the purposes of this section:
- (a) in determining whether contributions are included in the contributions segment under subsection (1):
 - (i) disregard the *taxable component of a *roll-over superannuation benefit paid into the interest; and
 - (ia) disregard the *tax free component of an *involuntary roll-over superannuation benefit paid into the interest from another superannuation interest (the **earlier interest**) (other than an earlier interest that was supporting a *superannuation income stream immediately before that benefit was paid); and
 - (ib) if subparagraph (ia) applies—include as a contribution an amount equal to the amount referred to in subsection (5); and
 - (ii) for a *superannuation plan that is a *constitutionally protected fund—treat the superannuation plan as if it were not a constitutionally protected fund; and
 - (b) disregard section 295-180 and Subdivision 295-D.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 307-225

- (3) For the purposes of subparagraph (2)(a)(i), treat the *excess untaxed roll-over amount (if any) of the *roll-over superannuation benefit as part of the *tax free component of the benefit instead of the *taxable component of the benefit.
- (4) Subparagraph (2)(a)(i) does not apply to a *roll-over superannuation benefit that is a *departing Australia superannuation payment made under subsection 20H(2), (2AA) or (2A) of the *Superannuation (Unclaimed Money and Lost Members) Act 1999*.
- Note 1: The whole departing Australia superannuation payment is included in the contributions segment of the superannuation interest, as none of the payment has been or will be included in the superannuation provider's assessable income.
- Note 2: Including the whole payment in that segment, and thus the tax free component, of the superannuation interest ensures that the amount of the payment, which is taxed by the *Superannuation (Departing Australia Superannuation Payments Tax) Act 2007*, does not attract more tax when paid as a superannuation benefit from the interest.
- (5) For the purposes of subparagraph (2)(a)(ib), the amount is:
- (a) if the *involuntary roll-over superannuation benefit is covered by paragraph 306-12(a) or (c)—the sum of the contributions segment, and crystallised segment, of the earlier interest immediately before the benefit was paid; or
 - (b) if the benefit is covered by paragraph 306-12(b)—the proportion of that sum that the benefit was to the *value of the earlier interest immediately before the benefit was paid.

307-225 What is the *crystallised segment*?

- (1) To work out the *crystallised segment* of a *superannuation interest, first assume that:
- (a) an eligible termination payment had been made in respect of the holder of the interest just before 1 July 2007; and
 - (b) the amount of the eligible termination payment had been equal to the *value of the interest at that time.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (2) The ***crystallised segment*** of the *superannuation interest is the total amount of the following components of the eligible termination payment:

- (a) the concessional component;
- (b) the post-June 1994 invalidity component;
- (c) the undeducted contributions;
- (d) the CGT exempt component;
- (e) the pre-July 83 component.

This section has effect subject to subsection 307-210(2).

Note: This segment may be reduced if a superannuation benefit is paid from the superannuation interest: see subsection 307-210(2).

- (3) For the purposes of paragraph (2)(e), disregard the *value of the interest just before 1 July 2007 to the extent that it would consist, apart from this subsection, of the *element untaxed in the fund of the *taxable component of a *superannuation benefit constituted by the eligible termination payment.
- (4) In this section, the following terms have the same meaning as in subsection 27A(1) of the *Income Tax Assessment Act 1936* (as in force just before 1 July 2007):
- (a) ***concessional component***;
 - (b) ***post-June 1994 invalidity component***;
 - (c) ***undeducted contributions***;
 - (d) ***CGT exempt component***;
 - (e) ***pre-July 83 component***;
 - (f) ***eligible termination payment***.

Subdivision 307-E—Elements taxed and untaxed in the fund of the taxable component of superannuation benefit

Table of sections

- | | |
|---------|--|
| 307-275 | <i>Element taxed in the fund</i> and <i>element untaxed in the fund</i> of superannuation benefits |
| 307-280 | Superannuation benefits from constitutionally protected funds etc. |

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 307-275

- 307-285 Trustee can choose to convert element taxed in the fund to element untaxed in the fund
- 307-290 Taxed and untaxed elements of death benefit superannuation lump sums
- 307-295 Superannuation benefits from public sector superannuation schemes may include untaxed element
- 307-297 Public sector superannuation schemes—elements set by regulations
- 307-300 Certain unclaimed money payments

307-275 *Element taxed in the fund and element untaxed in the fund of superannuation benefits*

- (1) The *taxable component of a *superannuation benefit consists of an *element taxed in the fund* or an *element untaxed in the fund*, or both.
- (2) The *taxable component of a *superannuation benefit consists wholly of an *element taxed in the fund* except as provided in a later section of this Subdivision.
- (3) Despite subsection (2), the *taxable component of any of the following kinds of *superannuation benefit consists wholly of an *element untaxed in the fund*:
 - (a) a *small superannuation account payment;
 - (b) a *superannuation guarantee payment.

307-280 Superannuation benefits from constitutionally protected funds etc.

- (1) The *taxable component of a *superannuation benefit paid from a *superannuation fund that is a *constitutionally protected fund consists wholly of an *element untaxed in the fund*.
- (2) Despite subsection (1), if:
 - (a) the benefit is a *superannuation lump sum; and
 - (b) the benefit is attributable to one or more *roll-over superannuation benefits that consisted of, or included, an *element taxed in the fund;

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

the *taxable component of the benefit has an *element taxed in the fund* equal to the total of those elements taxed in the fund.

- (3) The *taxable component of a *superannuation income stream benefit consists wholly of an *element untaxed in the fund* if it is paid from a *superannuation fund that was a *constitutionally protected fund on the first day of the period to which the *superannuation income stream relates.

307-285 Trustee can choose to convert element taxed in the fund to element untaxed in the fund

- (1) If:
- (a) you receive a *superannuation benefit from a *public sector superannuation scheme; and
 - (b) the trustee of the scheme gives you written notice specifying an amount as the *element untaxed in the fund of the *taxable component of the benefit; and
 - (c) the notice is given within the time and in the manner approved by the Commissioner in writing; and
 - (d) the scheme came into operation on or before 5 September 2006;
- the taxable component consists of an *element untaxed in the fund* equal to the specified amount.
- (2) The trustee of the scheme can give only one notice under subsection (1) in relation to a particular *superannuation lump sum.

307-290 Taxed and untaxed elements of death benefit superannuation lump sums

- (1) This section applies to a *superannuation death benefit that is a *superannuation lump sum, in relation to which a deduction has been, or is to be, claimed under section 295-465 or 295-470.

Note 1: Those sections allow deductions for insurance premiums that have been paid, and for liability for future benefits.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 307-295

Note 2: Deductions made under former section 279 or 279B of the *Income Tax Assessment Act 1936* are treated for the purposes of this section as having been made under section 295-465 or 295-470 (see section 307-290 of the *Income Tax (Transitional Provisions) Act 1997*).

- (2) The *taxable component of the *superannuation lump sum includes an ***element taxed in the fund*** worked out as follows:
- (a) first, work out the amount under the formula in subsection (3);
 - (b) next, reduce that amount (but not below zero) by the *tax free component (if any) of the superannuation lump sum.
- (3) For the purposes of paragraph (2)(a), the formula is:

$$\text{*superannuation lump sum} \times \frac{\text{Service days}}{\text{Service days} + \text{Days to retirement}}$$

days to retirement is the number of days from the day on which the deceased died to the deceased's *last retirement day.

service days is the number of days in the *service period for the lump sum.

- (4) The ***element untaxed in the fund*** of the *taxable component is the balance of the taxable component.

307-295 Superannuation benefits from public sector superannuation schemes may include untaxed element

- (1) This section applies to a *superannuation benefit that is paid from a *public sector superannuation scheme that is not a *constitutionally protected fund.
- (2) If the *superannuation benefit paid is not sourced to any extent from contributions made into a *superannuation fund or earnings on such contributions, the *taxable component of the superannuation benefit consists wholly of an ***element untaxed in the fund***.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (3) If the benefit is a *superannuation lump sum that is partly sourced from contributions made into a *superannuation fund or earnings on such contributions, the ***element taxed in the fund*** and the ***element untaxed in the fund*** of the *taxable component of the benefit are worked out as follows:

Method statement

- Step 1. Subdivide the *taxable component of the *superannuation lump sum (the ***original benefit***) into 2 notional superannuation lump sums as follows:
- (a) the amount sourced from contributions made into a *superannuation fund or earnings on such contributions (the ***fund benefit***);
 - (b) the remainder of the taxable component of the lump sum (the ***non-fund benefit***).
- Step 2. The fund benefit consists of an ***element taxed in the fund***, an ***element untaxed in the fund***, or both, as worked out under this Subdivision.
- Step 3. The non-fund benefit consists wholly of an ***element untaxed in the fund***.
- Step 4. The ***element taxed in the fund*** of the original benefit equals the element taxed in the fund of the fund benefit.
- Step 5. The ***element untaxed in the fund*** of the original benefit is the sum of the elements untaxed in the fund worked out under steps 2 and 3.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 307-297

307-297 Public sector superannuation schemes—elements set by regulations

- (1) This section applies to a *superannuation benefit that is paid from a *public sector superannuation scheme that is not a *constitutionally protected fund.
- (2) Despite any other provision of this Subdivision, the *taxable component of the *superannuation benefit consists of an ***element untaxed in the fund*** equal to the amount (if any) specified by the regulations in relation to the benefit for the purposes of this section.
- (3) The amount specified must not be less than the amount that would be the *element untaxed in the fund under the other provisions of this Subdivision.

307-300 Certain unclaimed money payments

Preliminary

- (1) This section explains how to work out the *element taxed in the fund, and the *element untaxed in the fund, of the *taxable component of a *superannuation benefit that is a payment by the Commissioner under subsection 17(2), 20H(2), (2AA), (2A) or (3) or 24G(2) of the *Superannuation (Unclaimed Money and Lost Members) Act 1999*.

Element taxed in the fund

- (2) Work out the ***element taxed in the fund*** as follows (unless subsection (3A) applies):

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Method statement

Step 1. Work out the amount (the ***unclaimed amount***) (or amounts), set out in column 1 of the table in subsection (3), to which the *taxable component is attributable.

Note: A payment made under subsection 17(2) of the *Superannuation (Unclaimed Money and Lost Members) Act 1999* is attributable to a single unclaimed amount set out in item 1 or 2 of the table.

A payment under subsection 20H(2) or (3) of that Act may be attributable to more than one unclaimed amount.

A payment made under subsection 24G(2) of that Act is attributable to a single unclaimed amount set out in item 4 of the table.

Step 2. Assume that the unclaimed amount (or each unclaimed amount), instead of being paid to the Commissioner, had been paid to the person as the payment (the ***claimed equivalent***) set out in column 2 of the table.

Step 3. The ***element taxed in the fund*** of the *taxable component consists of so much of the taxable component as is attributable to the amount set out in column 3 of the table for the claimed equivalent (or as is attributable to the amounts set out in that column for the claimed equivalents).

(3) This is the table mentioned in subsection (2):

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 307-300

Element taxed in the fund			
Item	Column 1 Unclaimed amount	Column 2 Claimed equivalent	Column 3 Taxed element of claimed equivalent
1	an amount paid, on or after 1 July 2007, to the Commissioner under subsection 17(1) of the <i>Superannuation (Unclaimed Money and Lost Members) Act 1999</i> in respect of the person	a *superannuation benefit paid from a *superannuation plan	the *element taxed in the fund of the *taxable component of that superannuation benefit
2	an amount paid, before 1 July 2007, to the Commissioner under subsection 17(1) of the <i>Superannuation (Unclaimed Money and Lost Members) Act 1999</i> in respect of the person	an eligible termination payment (within the meaning of subsection 27A(1) of the <i>Income Tax Assessment Act 1936</i> , as in force just before 1 July 2007)	the taxed element of the post-June 83 component of that eligible termination payment under Subdivision AA of Division 2 of Part III of the <i>Income Tax Assessment Act 1936</i> , as in force just before 1 July 2007
3	an amount paid to the Commissioner under subsection 20F(1) of the <i>Superannuation (Unclaimed Money and Lost Members) Act 1999</i> in respect of the person (other than an amount referred to in section 65AA of the <i>Superannuation Guarantee (Administration) Act 1992</i>)	a *superannuation benefit paid from a *superannuation plan	the *element taxed in the fund of the *taxable component of that superannuation benefit

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 307-300

Element taxed in the fund			
Item	Column 1 Unclaimed amount	Column 2 Claimed equivalent	Column 3 Taxed element of claimed equivalent
4	an amount paid to the Commissioner under section 24E of the <i>Superannuation (Unclaimed Money and Lost Members) Act 1999</i> in respect of the person	a *superannuation benefit paid from a *superannuation plan	the *element taxed in the fund of the *taxable component of that superannuation benefit

Note 1: Section 65AA of the *Superannuation Guarantee (Administration) Act 1992* requires certain shortfall components to be treated as amounts paid to the Commissioner under subsection 20F(1) of the *Superannuation (Unclaimed Money and Lost Members) Act 1999*.

The effect of excluding such shortfall components from item 3 of the table in this subsection is that the element untaxed in the fund includes so much of the superannuation benefit as is attributable to such a shortfall component.

Note 2: The table in this subsection does not cover interest paid by the Commissioner under subsection 20H(2A) of the *Superannuation (Unclaimed Money and Lost Members) Act 1999*.

The effect of this is that the element untaxed in the fund of the taxable component includes so much of the superannuation benefit as is attributable to such interest.

(3A) The ***element taxed in the fund*** is nil, if the *superannuation benefit is paid under subsection 20H(2AA) of the *Superannuation (Unclaimed Money and Lost Members) Act 1999* (interest).

Note: The taxable component of a superannuation benefit paid by the Commissioner under subsection 17(2AB) or (2AC) or 24G(3A) or (3B) of the *Superannuation (Unclaimed Money and Lost Members) Act 1999*, or under subsection 20H(2AA) in respect of a person who is not a former temporary resident, is nil: see subsections 307-142(3B) and (4) of this Act.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 307-345

Element untaxed in the fund

- (4) The ***element untaxed in the fund*** of the *taxable component is so much (if any) of the taxable component as is not the element taxed in the fund.

Subdivision 307-F—Low rate cap and untaxed plan cap amounts

Table of sections

307-345 *Low rate cap amount*

307-350 *Untaxed plan cap amount*

307-345 Low rate cap amount

Starting amount

- (1) Your ***low rate cap amount*** for the 2007-2008 income year is \$140,000.

Note: However, if you became entitled to a rebate under the corresponding provision of the *Income Tax Assessment Act 1936*, see section 307-345 of the *Income Tax (Transitional Provisions) Act 1997*.

Reductions and increases

- (2) If you receive one or more *superannuation member benefits that are *superannuation lump sums in an income year, reduce your ***low rate cap amount*** for the next income year (but not below zero) by the total of the amounts that:
- (a) are included in your assessable income for the first year in respect of those lump sums; and
 - (b) are counted towards your entitlement to a *tax offset under subsection 301-20(2) or 301-105(4) for the first year.

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

- (3) At the start of each income year after the 2007-2008 income year, increase your **low rate cap amount** by the amount (if any) by which the index amount for that income year exceeds the index amount for the previous income year.
- (4) For the purposes of subsection (3), the index amount for the 2007-2008 income year is \$140,000. The index amount is then indexed annually.

Note: Subdivision 960-M shows how to index amounts. However, annual indexation does not necessarily increase the index amount: see section 960-285.

307-350 *Untaxed plan cap amount*

- (1) Your **untaxed plan cap amount** for a *superannuation plan at the start of the 2007-2008 income year is \$1,000,000.

Reductions and increases

- (1A) Subsection (2) applies if:
 - (a) you receive one or more *superannuation member benefits from a *superannuation plan at a time; and
 - (b) the benefit, or one or more of the benefits:
 - (i) is a *superannuation lump sum; and
 - (ii) includes an *element untaxed in the fund.
- (2) Reduce your **untaxed plan cap amount** just after that time:
 - (a) if the total of the *elements untaxed in the fund of the *superannuation member benefits to which paragraph (1A)(b) applies falls short of your untaxed plan cap amount at that time—by that total; or
 - (b) otherwise—to nil.
- (2A) For the purposes of subsections (1A) and (2), disregard subsection 307-5(8).

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 307-400

- (2B) For the purposes of the application of this section in relation to *superannuation lump sums paid by the Commissioner under subsections 17(2), 20H(2), (2AA), (2A) and (3) and 24G(2) of the *Superannuation (Unclaimed Money and Lost Members) Act 1999*, treat all such lump sums as if they were paid from a single *superannuation plan.
- (3) At the start of each income year after the 2007-2008 income year, increase your **untaxed plan cap amount** for the *superannuation plan by the amount (if any) by which the index amount for that income year exceeds the index amount for the previous income year.
- (4) For the purposes of subsection (3), the index amount for the 2007-2008 income year is \$1,000,000. The index amount is then indexed annually.

Note: Subdivision 960-M shows how to index amounts. However, annual indexation does not necessarily increase the index amount: see section 960-285.

Subdivision 307-G—Other concepts

Table of sections

307-400 Meaning of *service period* for a superannuation lump sum

307-400 Meaning of *service period* for a superannuation lump sum

- (1) The ***service period*** for a *superannuation lump sum consists of each day that is in the period worked out under the table or a period covered by subsection (2).

310-25 Who losses can be transferred to

An entity choosing under Subdivision 310-B to transfer losses can choose to transfer any or all of the transferring entity's losses set out in section 310-30, in whole or in part, to one or more of the following entities (a *receiving entity*):

- (a) a continuing fund for the choice;
- (b) a *pooled superannuation trust in which units are held by a continuing fund for the choice just after the completion time;
- (c) a *life insurance company with which a *complying superannuation life insurance policy is held by a continuing fund for the choice just after the completion time.

310-30 Losses that can be transferred

(1) The transferring entity's losses that can be transferred are:

- (a) any of its *net capital losses for income years earlier than the income year for the transferring entity that includes the completion time (the *transfer year*), to the extent that it was not *utilised before the completion time (an *earlier year net capital loss*); and
- (b) any net capital loss it would have made for the transfer year were the transfer year to have ended at the completion time (a *transfer year net capital loss*); and
- (c) any of its *tax losses for income years earlier than the transfer year, to the extent that it was not utilised before the completion time (an *earlier year tax loss*); and

- (2) For a choice under section 310-15 (life insurance companies), work out those losses by only considering the following to the extent that they relate to assets reasonably attributable to a *complying superannuation life insurance policy issued by the transferring entity and held by the original fund:
 - (a) *capital gains from *complying superannuation assets;
 - (b) *capital losses from complying superannuation assets;
 - (c) assessable income covered by subsection 320-137(2) (about complying superannuation assets);

310-35 Effect of transferring a net capital loss

- (1) To the extent that an earlier year net capital loss is transferred to a receiving entity:
 - (a) the transferring entity is taken not to have made the loss for that earlier income year; and
 - (b) an amount equal to the transferred amount is taken to be:
 - (i) if the receiving entity is a *life insurance company—a *capital loss from *complying superannuation assets made by the receiving entity for the transfer year; and
 - (ii) otherwise—a capital loss made by the receiving entity for the transfer year.

- (c) if the receiving entity is a life insurance company—an amount equal to the transferred amount is taken to be a capital loss from complying superannuation assets made by the receiving entity for the transfer year; and
- (d) if the receiving entity is not a life insurance company—an amount equal to the transferred amount is taken to be a capital loss made by the receiving entity for the transfer year.

310-40 Effect of transferring a tax loss

- (a) for a losses choice under section 310-10 (original funds)—all of its *CGT assets;

 - (a) the original assets that are not *revenue assets;
 - (b) the original assets that are revenue assets.
- (2) In respect of original assets that are not *revenue assets, the entity choosing the roll-over must choose either section 310-55 (global asset approach) or 310-60 (individual asset approach) to apply to the original assets and the corresponding received assets.
- (3) In respect of original assets that are *revenue assets, the entity choosing the roll-over must choose either section 310-65 (global asset approach) or 310-70 (individual asset approach) to apply to the original assets and the corresponding received assets.

Note: The entity choosing the form of the roll-over may choose different forms of roll-over for its CGT assets and revenue assets.

310-55 CGT assets—if global asset approach chosen

Consequences for transferring entity

- (1) For each of the original assets to which this section applies, the transferring entity's *capital proceeds from the relevant transfer event are taken to be an amount equal to:
 - (a) if, apart from this subsection, the event would result in a *capital gain—the asset's *cost base just before the event; or
 - (b) if, apart from this subsection, the event would result in a *capital loss—the asset's *reduced cost base just before the event.

Note: This section only applies if it is chosen to apply under subsection 310-50(2).

Consequences for receiving entity

- (2) For each of the received assets to which this section applies, the first element of the *cost base of the asset (in the hands of the receiving entity) is taken to be an amount equal to the cost base of the corresponding original asset just before the relevant transfer event.
- (3) For each of the received assets to which this section applies, the first element of the *reduced cost base of the asset (in the hands of the receiving entity) is taken to be an amount equal to the reduced cost base of the corresponding original asset just before the relevant transfer event.

310-60 CGT assets—individual asset approach

Consequences for transferring entity

- (1) The transferring entity may disregard any *capital gain or *capital loss for a transfer event relating to an original asset to which this section applies.

Note: This section only applies if it is chosen to apply under subsection 310-50(2).

*To find definitions of asterisked terms, see the Dictionary, starting at section 995-1.

Section 310-65

- (2) Subsections (3), (4) and (5) apply if under subsection (1) the transferring entity disregards a *capital gain or *capital loss for a transfer event relating to an original asset.
- (3) The transferring entity's *capital proceeds from the transfer event are taken to be an amount equal to:
 - (a) if, apart from this subsection, the event would result in a *capital gain—the asset's *cost base just before the event; or
 - (b) if, apart from this subsection, the event would result in a *capital loss—the asset's *reduced cost base just before the event.

Consequences for receiving entity

- (4) The first element of the *cost base of the corresponding received asset (in the hands of the receiving entity) is taken to be an amount equal to the cost base of the original asset just before the event.
- (5) The first element of the *reduced cost base of the corresponding received asset (in the hands of the receiving entity) is taken to be an amount equal to the reduced cost base of the original asset just before the event.

310-65 Revenue assets—if global asset approach chosen

Consequences for transferring entity

- (1) For each of the original assets to which this section applies, the transferring entity's gross proceeds for the relevant transfer event are taken to be the amount (the **deemed proceeds**) the transferring entity would need to have received in order to have a nil profit and nil loss for the event.

Note: This section only applies if it is chosen to apply under subsection 310-50(3).

Consequences for receiving entity

- (2) For each of the received assets to which this section applies, the receiving entity is taken, for the purposes of this Act, to have paid

an amount for that asset at the time of the transfer event that is equal to the deemed proceeds for the corresponding original asset.

310-70 Revenue assets—individual asset approach

Consequences for transferring entity

- (1) If the transferring entity derives assessable income (other than a *capital gain) or incurs a *tax loss for a transfer event relating to an original asset to which this section applies, the entity choosing the roll-over can choose for the transferring entity's gross proceeds for the event to be taken to be the amount (the **deemed proceeds**) the transferring entity would need to have received in order to have a nil profit and nil loss for the event.

Note: This section only applies if it is chosen to apply under subsection 310-50(3).

Consequences for receiving entity

- (2) If a choice is made under subsection (1), the receiving entity is taken to have paid an amount for the corresponding received asset at the time of the transfer event that is equal to the deemed proceeds for the event.

310-75 Further consequences for roll-overs involving life insurance companies

- (1) Section 320-200 (about consequences of transferring assets to or from a complying superannuation asset pool) does not apply for a transfer event for the roll-over if either the transferring entity or the receiving entity is a *life insurance company.
- (2) If the receiving entity for the roll-over is a *life insurance company, each received asset of that entity is taken:
 - (a) to be a *complying superannuation asset of that entity; and
 - (b) not to be, in whole or in part, a *life insurance premium.
