

EXPLANATORY STATEMENT

STATUTORY RULES 1984

No. 344

Issued by the Authority of the Minister for Primary Industry

EGGS (EXPORT INSPECTION CHARGE) COLLECTION ACT 1982

The Eggs (Export Inspection Charge) Collection Act 1982 provides for the collection of charges aimed at recovering a proportion of the costs to the Commonwealth of inspection of eggs and egg products intended for export.

The Eggs (Export Inspection Charge) Collection Regulations (Amendment) reflect the amendment of the Act by the Eggs (Export Inspection Charge) Collection Amendment Act 1984.

The effect of this amendment was to move the point at which charge is imposed from the giving of notice pursuant to section 6 of the Export Control Act 1982 that the export of eggs or egg products is intended to the grant of a permit pursuant to regulations or orders made under section 7 of that Act for the export of the eggs or egg products.
