

EXPLANATORY STATEMENT

STATUTORY RULE 1982      NO.403

Issued by the Authority of the Minister for Communications.

The Radio-Telephone Exchange Service Regulations (the Regulations) were made both under the Post and Telegraph Act 1901 and the Wireless Telegraphy Act 1905.

With the repeal of the Post and Telegraph Act 1901, the provisions of the Regulations so far as they were relevant to the operations of the Australian Telecommunications Commission and the Australian Postal Commission were picked up and incorporated in the Telecommunications (General) By-Laws, the Postal Services Regulations and the Postal By-Laws.

The purpose of the Statutory Rules is to formally repeal the Radio-Telephone Exchange Service Regulations.
