 - (a) an eligible insurer; or
 - (b) the person against whom the claim is or was made or a person acting on that person's behalf.
- (3) The application must:
 - (a) be made in writing using a form approved by the Medicare Australia CEO; and
 - (b) specify whether it is an application for a Level 1 qualifying claim certificate or a Level 2 qualifying claim certificate; and
 - (c) specify each person, other than the midwife concerned, against whom a claim has been or is reasonably likely to be made, in relation to the incident to which the claim relates; and
 - (d) be accompanied by the documents and other information required by the form approved by the Medicare Australia CEO.

Section 13

13 Time by which an application must be decided

- (1) Subject to subsection (2), the Medicare Australia CEO is to decide an application for the issue of a qualifying claim certificate on or before the 21st day after the day on which the application is received by the Medicare Australia CEO.
- (2) If the Medicare Australia CEO requests a person to give information under section 62 in relation to the application, the Medicare Australia CEO does not have to decide the application until the 21st day after the day on which the person gives the information to the Medicare Australia CEO.

14 Obligation to notify the Medicare Australia CEO if information is incorrect or incomplete

- (1) If:
 - (a) a qualifying claim certificate is in force in relation to a claim; and
 - (b) a person becomes aware that the information provided to the Medicare Australia CEO in connection with the application for the certificate was incorrect or incomplete, or is no longer correct or complete; and
 - (c) the person is:
 - (i) the person who applied for the certificate; or
 - (ii) another person who has applied for a payment of Level 1 or Level 2 Commonwealth contribution in relation to the claim;

the person must notify the Medicare Australia CEO of the respect in which the information was incorrect or incomplete, or is no longer correct or complete.

Note: Failure to notify is an offence (see section 67).

- (2) The notification must:
 - (a) be made in writing; and

- (b) be given to the Medicare Australia CEO within 28 days after the person becomes aware as mentioned in subsection (1).

15 Revocation and variation of qualifying claim certificates

Revocation

- (1) The Medicare Australia CEO may revoke a qualifying claim certificate if the Medicare Australia CEO is no longer satisfied as mentioned in subsection 11(1) or (2) in relation to the claim.
- (2) To avoid doubt, in considering whether he or she is still satisfied as mentioned in subsection 11(1) or (2) in relation to the claim, the Medicare Australia CEO may have regard to matters that have occurred since the decision to issue the qualifying claim certificate was made, including for example:
- (a) the making of Rules for the purpose of paragraph 11(3)(k),(l) or (m) or (4)(b); or
 - (b) changes to the terms and conditions of the contract of insurance identified in the certificate.

Variation

- (3) If the Medicare Australia CEO is satisfied that a matter is not correctly identified or specified in a qualifying claim certificate, the Medicare Australia CEO must vary the certificate so that it correctly identifies or specifies the matter.

Effect of revocation

- (4) If:
- (a) the Medicare Australia CEO revokes a qualifying claim certificate; and
 - (b) an amount of Level 1 or Level 2 Commonwealth contribution has already been paid in relation to the claim;
- the amount is an amount overpaid to which section 64 applies.

Section 15

Effect of variation

- (5) If:
- (a) the Medicare Australia CEO varies a qualifying claim certificate; and
 - (b) an amount of Level 1 or Level 2 Commonwealth contribution has already been paid in relation to the claim, and that amount exceeds the amount that would have been paid if the amount of Level 1 or Level 2 Commonwealth contribution had been determined having regard to the certificate as varied;

the amount of the excess is an amount overpaid to which section 64 applies.

AAT review of decision to revoke or vary

- (6) An application may be made to the Administrative Appeals Tribunal for review of a decision of the Medicare Australia CEO to revoke or vary a qualifying claim certificate.

Note: Section 27A of the *Administrative Appeals Tribunal Act 1975* requires notification of a decision that is reviewable.

Medicare Australia CEO to give applicant copy of varied certificate

- (7) If the Medicare Australia CEO decides to vary a qualifying claim certificate, the Medicare Australia CEO must, within 28 days of making his or her decision, give the applicant a copy of the varied certificate. However, a failure to comply does not affect the validity of the decision.

Division 3—Payability

Subdivision A—Level 1 payability

16 When is a Level 1 Commonwealth contribution payable?

Basic payability rule

- (1) A Level 1 Commonwealth contribution is payable to an eligible insurer under this section if:
- (a) a claim (the *current claim*) is, or was, made against a person (the *midwife*); and
 - (b) a Level 1 qualifying claim certificate is in force in relation to the current claim; and
 - (c) in a case where there is a person, other than the midwife, against whom a claim has been, or could reasonably be made in relation to the incident to which the current claim relates—either:
 - (i) an apportionment certificate in relation to the current claim is in force; or
 - (ii) the Medicare CEO has not issued an apportionment certificate because of the operation of section 52 (which deals with claims for which there is a final judgment or order of a court); and
 - (d) the eligible insurer has a qualifying payment in relation to the current claim (see subsection (3)); and
 - (e) the amount of the qualifying payment exceeds what was the Level 1 claim threshold at the time the eligible insurer was first notified of the current claim or the incident to which the current claim relates; and
 - (f) a person has applied for the Level 1 Commonwealth contribution in accordance with section 58; and
 - (g) any other requirements (however described) that are specified in the Rules have been met; and

Section 16

- (h) the current claim is not a claim included in a class specified in Rules made for the purposes of this paragraph.
- (2) Rules made for the purposes of paragraph (1)(g) or (h) do not apply in relation to an incident if the claim to which the incident relates was made before the Rules in question take effect.

Qualifying payments

- (3) The eligible insurer has a **qualifying payment** in relation to the current claim if:
 - (a) the eligible insurer:
 - (i) pays an amount in relation to the current claim; or
 - (ii) is liable to pay an amount in relation to a payment or payments that someone makes, or is liable to make, in relation to the current claim under a written agreement between the parties to the current claim; or
 - (iii) is liable to pay an amount in relation to a payment or payments that someone makes, or is liable to make, in relation to the current claim under a judgment or order of a court that is not stayed and is not subject to appeal; and
 - (b) the eligible insurer pays, or is liable to pay, the amount under an insurance contract between the eligible insurer and the midwife; and
 - (c) the eligible insurer pays, or becomes liable to pay, the amount in the ordinary course of the eligible insurer's business; and
 - (d) if an apportionment certificate is in force in relation to the current claim—the amount paid or payable in relation to the current claim is consistent with the proportion of the overall liability specified in the apportionment certificate as the proportion that is to be attributed to the midwife against whom the claim was made.

17 Amount of Level 1 Commonwealth contribution

The amount of a Level 1 Commonwealth contribution in relation to a claim is:

- (a) 80%; or
- (b) such other percentage as is specified in the Rules; of the amount by which the amount of the eligible insurer's qualifying payment, or the sum of the eligible insurer's qualifying payments (see subsection 16(3)), in relation to the claim, exceeds the Level 1 claim threshold but does not exceed the Level 2 claim threshold.

Subdivision B—Level 2 payability

18 When is a Level 2 Commonwealth contribution payable?

Basic payability rule

- (1) The Medicare Australia CEO may decide that a Level 2 Commonwealth contribution (the *contribution*) is payable in relation to a liability of a person (the *midwife*) if:
 - (a) a claim (the *current claim*) is, or was, made against the midwife by another person; and
 - (b) a Level 2 qualifying claim certificate is in force in relation to the current claim; and
 - (c) the liability is a qualifying liability in relation to the claim (see section 19); and
 - (d) in a case where there is a person, other than the midwife, against whom a claim has been, or could reasonably be made in relation to the incident to which the current claim relates—either:
 - (i) an apportionment certificate in relation to the current claim is in force; or
 - (ii) the Medicare CEO has not issued an apportionment certificate because of the operation of section 52 (which

Section 18

deals with claims for which there is a final judgment or order of a court); and

- (e) because of the limit of the eligible insurer's liability under the contract of insurance identified in the qualifying claim certificate, the contract does not cover, or does not fully cover, the liability; and
- (f) the amount that, if the limit had been high enough to cover the whole of the liability, the eligible insurer would (subject to the other terms and conditions of the contract) have been liable to pay under the contract of insurance in relation to the liability exceeds the actual amount (if any) that the eligible insurer has paid or is liable to pay under the contract in relation to the liability; and
- (g) the aggregate of:
 - (i) the amount (if any) the insurer has paid, or is liable to pay, in relation to the liability under the contract of insurance; and
 - (ii) the other amounts (if any) that the insurer has already paid, or has already become liable to pay, under the contract in relation to the current claim; andequals or exceeds the Level 2 claim threshold identified in the qualifying claim certificate; and
- (h) a person has applied for the Level 2 Commonwealth contribution in accordance with section 60; and
- (i) the claim is not a claim included in a class specified in Rules made for the purposes of this paragraph.

Note 1: For how paragraphs (f) and (g) interact with Level 1 Commonwealth contributions, see section 20.

Note 2: For the purpose of subparagraphs (d)(i) and (ii), payments and liabilities to pay must meet the ordinary course of business requirement set out in subsection (3).

Who the contribution is payable to

- (2) The contribution is to be paid to the person who applies for it.

Note: For who can apply, see section 60.

Ordinary course of business test for insurance payments

- (3) An amount that an eligible insurer has paid, or is liable to pay, under a contract of insurance does not count for the purpose of subparagraph (1)(d)(i) or (ii) unless it is an amount that the eligible insurer paid, or is liable to pay, in the ordinary course of the eligible insurer's business.

AAT review of decision to refuse, or to pay a particular amount of contribution

- (4) An application may be made to the Administrative Appeals Tribunal for review of a decision of the Medicare Australia CEO to refuse an application for Level 2 Commonwealth contribution, or a decision of the Medicare Australia CEO to pay a particular amount of Level 2 Commonwealth contribution.

Note: Section 27A of the *Administrative Appeals Tribunal Act 1975* requires notification of a decision that is reviewable.

19 Qualifying liabilities

- (1) A person (the *midwife*) has a qualifying liability in relation to a claim made against the midwife if:
- (a) one of the following applies:
 - (i) the liability is under a judgment or order of a court in relation to the claim, being a judgment or order that is not stayed and is not subject to appeal;
 - (ii) the liability is under a settlement of the claim that takes the form of a written agreement between the parties to the claim;
 - (iii) the liability is some other kind of liability of the midwife (for example, a liability to legal costs) that relates to the claim; and
 - (b) the defence of the claim against the midwife was conducted appropriately (see subsection (2)) up to the time when:
 - (i) if the liability is under a judgment or order of a court—the date on which the judgment or order became a

Section 19

- judgment or order that is not stayed and is not subject to appeal; or
- (ii) if the liability is under a settlement of the claim—the date on which the settlement agreement was entered into; or
 - (iii) if the liability is some other kind of liability—the date on which the liability was incurred; and
- (c) if the liability is under a settlement of the claim, or is under a consent order made by a court—a legal practitioner has given a statutory declaration certifying that the amount of the liability is reasonable; and
 - (d) if an apportionment certificate is in force in relation to the current claim—the amount paid or payable in relation to the current claim is consistent with the proportion of the overall liability specified in the apportionment certificate as the proportion that is to be attributed to the midwife against whom the claim was made.
- (2) For the purposes of paragraph (1)(b), the defence of the claim is conducted appropriately if, and only if:
- (a) to the extent it is conducted on the midwife’s behalf by an insurer, or by a legal practitioner engaged by the insurer—the defence is conducted to a standard that is consistent with the insurer’s usual standard for the conduct of the defence of claims; and
 - (b) to the extent it is conducted by the midwife, or by a legal practitioner engaged by the midwife—the defence is conducted prudently.
- (3) In this section:
- defence of the claim*** includes any settlement negotiations on behalf of the midwife.

20 Interaction with Level 1 Commonwealth contribution and run-off cover

For the following purposes:

- (a) determining the limit of the eligible insurer's liability under the contract of insurance;
- (b) paragraphs 18(1)(f) and (g);

an amount that an eligible insurer has paid or is liable to pay, or would have been liable to pay, under a contract of insurance is not to be reduced on account of a Level 1 Commonwealth contribution, or a run-off cover Commonwealth contribution, paid or payable, or that would have been payable, to the eligible insurer.

21 Amount of Level 2 Commonwealth contribution

The amount of Level 2 Commonwealth contribution that is payable in relation to a particular qualifying liability is the amount of the excess referred to in paragraph 18(1)(f).

Note: It is only liabilities that exceed the limit that will be covered by a Level 2 Commonwealth contribution (even if the Level 2 claim threshold is less than that limit).

22 How Level 2 Commonwealth contribution is to be applied

- (1) This section applies if a Level 2 Commonwealth contribution (the **contribution**) is paid to a person (the **recipient**) in relation to a liability of a person (the **midwife**).

Note: The recipient will either be the midwife himself or herself, or a person acting on behalf of the midwife.

Medicare Australia CEO to give recipient of payment a notice identifying the liability to be discharged

- (2) The Medicare Australia CEO must give the recipient a written notice (the **payment notice**) identifying the liability in relation to which the contribution is paid, and advising the recipient how this section requires the contribution to be dealt with.

Section 22

Recipient's obligation if the amount of the contribution equals or is less than the liability

- (3) If the amount of the contribution equals or is less than the undischarged amount of the liability identified in the payment notice, the recipient must apply the whole of the contribution towards the discharge of the liability.

Recipient's obligation if the amount of the contribution exceeds the liability

- (4) If the amount of the contribution is greater than the undischarged amount of the liability identified in the payment notice, the recipient must:
- (a) apply so much of the contribution as equals the undischarged amount of the liability towards the discharge of the liability; and
 - (b) if the recipient is not the midwife—deal with the balance of the contribution in accordance with the directions of the midwife.

Time by which recipient must comply with obligation

- (5) The recipient must comply with whichever of subsections (3) and (4) applies:
- (a) by the time specified in a written direction (whether contained in the payment notice or otherwise) given to the recipient by the Medicare Australia CEO; or
 - (b) if no such direction is given to the recipient—as soon as practicable after the Commonwealth contribution is received by the recipient.

To avoid doubt, the Medicare Australia CEO may vary a direction under paragraph (a) to specify a different time.

Debt to Commonwealth if recipient does not comply with obligation on time

- (6) If the recipient does not comply with whichever of subsections (3) and (4) applies by the time required by subsection (5), the amount of the contribution is a debt due to the Commonwealth.
- (7) The debt may be recovered:
 - (a) by action by the Medicare Australia CEO against the recipient in a court of competent jurisdiction; or
 - (b) under section 65.
- (8) If the amount of the contribution is recoverable, or has been recovered, as mentioned in subsection (7), no amount is recoverable under section 25 or section 64 in relation to the same payment of contribution.

23 Who is liable to repay an overpayment of Level 2 Commonwealth contribution?

- (1) This section applies if, in relation to a Level 2 Commonwealth contribution (the *contribution*) that has been paid, there is an amount overpaid as described in subsection 25(2) or 64(2).
 - (2) The *liable person*, in relation to the amount overpaid, is:
 - (a) if the contribution has not yet been dealt with in accordance with whichever of subsections 22(3) and (4) applies—the recipient referred to in subsection 22(1); or
 - (b) if the contribution has been dealt with in accordance with whichever of those subsections applies—the midwife referred to in subsection 22(1).
- Note: The recipient and the midwife will be the same person if the contribution was paid to the midwife.
- (3) If:
 - (a) the recipient and the midwife referred to in subsection 22(1) are not the same person; and

Section 24

- (b) when the overpayment is recovered as a debt, the liable person is the recipient;

the fact that the recipient may later deal with the remainder of the contribution in accordance with subsection 22(3) or (4) does not mean that the overpayment should instead have been recovered from the midwife.

Subdivision C—Payments that would have reduced the amount paid out under the contract of insurance

24 Amounts paid before payment of Level 2 Commonwealth contribution

- (1) If:

- (a) an amount (the *insurance payment*) has been paid under a contract of insurance that provides midwife professional indemnity cover for a person (the *midwife*) in relation to a liability of the midwife; and
- (b) another amount (not being an amount referred to in subsection (2)) has been paid to the midwife, the eligible insurer or another person in relation to the incident to which the liability relates; and
- (c) the other amount was not taken into account in working out the amount of the insurance payment; and
- (d) if the other amount had been taken into account in working out the amount of the insurance payment, a lesser amount would have been paid under the contract of insurance in relation to the liability;

then, for the purpose of calculating the amount of Level 2 Commonwealth contribution (if any) that is payable in relation to a liability of the midwife, the lesser amount is taken to have been the amount of the insurance payment.

- (2) This section does not apply to any of the following:

- (a) an amount paid to an eligible insurer by another insurer under a right of contribution;

- (b) a payment of Level 1 Commonwealth contribution;
- (c) a payment of run-off cover Commonwealth contribution;
- (d) an amount of a kind specified in the Rules for the purposes of this paragraph.

25 Amounts paid after payment of Level 2 Commonwealth contribution

- (1) This section applies if:
 - (a) an amount (the *actual contribution amount*) of Level 2 Commonwealth contribution has been paid in relation to a qualifying liability that relates to a claim made against a person (the *midwife*); and
 - (b) another amount (not being an amount referred to in subsection (5)) is paid to the midwife, an eligible insurer or another person in relation to the incident to which the claim relates; and
 - (c) the other amount was not taken into account in calculating the actual contribution amount; and
 - (d) if the other amount had been so taken into account, a lesser amount (the *reduced contribution amount*, which could be zero) of Level 2 Commonwealth contribution would have been paid in relation to the liability.
- (2) The *amount overpaid* is the amount by which the actual contribution amount exceeds the reduced contribution amount.
- (3) If the Medicare Australia CEO has given the liable person (see subsection 23(2)) a notice under subsection 27(1) in relation to the amount overpaid, the amount overpaid is a debt owed to the Commonwealth by the liable person.

Note 1: If the contribution is or was not dealt with in accordance with whichever of subsections 22(3) and (4) applies by the time required by subsection 22(5), the whole amount of the contribution is a debt owed by the recipient, and no amount is recoverable under this section (see subsections 22(6) to (8)).

Note 2: If:

Section 26

- (a) the recipient and the midwife referred to in subsection 22(1) are not the same person; and
 - (b) the midwife becomes the liable person;
- then (subject to subsection 23(3)), the recipient ceases to be the liable person, and the amount overpaid must instead be recovered from the midwife.
- (4) The amount overpaid may be recovered:
 - (a) by action by the Medicare Australia CEO against the liable person in a court of competent jurisdiction; or
 - (b) under section 65.
 - (5) This section does not apply to any of the following:
 - (a) an amount paid to an eligible insurer by another insurer under a right of contribution;
 - (b) a payment of Level 1 Commonwealth contribution;
 - (c) a payment of run-off cover Commonwealth contribution;
 - (d) an amount of a kind specified in the Rules for the purposes of this paragraph.

26 Obligation to notify the Medicare Australia CEO that amount has been paid

- (1) If:
 - (a) an amount of Level 2 Commonwealth contribution has been paid in relation to a qualifying liability that relates to a claim made against a person (the *midwife*); and
 - (b) the person (the *applicant*) who applied for the Level 2 Commonwealth contribution becomes aware that another amount has been paid to the midwife, an insurer or another person in relation to the incident to which the claim relates; and
 - (c) because of the payment of the other amount, there is an amount overpaid as described in subsection 25(2);the applicant must notify the Medicare Australia CEO that the other amount has been paid.

Note: Failure to notify is an offence (see section 67).

- (2) The notification must:
- (a) be in writing; and
 - (b) be given to the Medicare Australia CEO within 28 days after the applicant becomes aware that the other amount has been paid.

27 The Medicare Australia CEO to notify of amount of debt due

- (1) If:
- (a) an amount of Level 2 Commonwealth contribution has been paid in relation to a qualifying liability that relates to a claim made against a person (the *midwife*); and
 - (b) another amount is paid to the midwife, an insurer or another person in relation to the incident to which the claim relates; and
 - (c) because of the payment of the other amount, there is an amount overpaid as described in subsection 25(2);
- the Medicare Australia CEO may give the liable person (see subsection 23(2)) a written notice that specifies:
- (d) the amount overpaid, and that it is a debt owed to the Commonwealth under subsection 25(3); and
 - (e) the day before which the amount must be paid to the Commonwealth; and
 - (f) the effect of section 28.

The day specified under paragraph (e) must be at least 28 days after the day on which the notice is given.

- (2) The debt becomes due and payable on the day specified under paragraph (1)(e).

28 Penalty imposed if an amount is repaid late

- (1) If:
-

Section 28

- (a) a person owes a debt to the Commonwealth under subsection 25(3); and
 - (b) the debt remains wholly or partly unpaid after it becomes due and payable;
- the person is liable to pay a late payment penalty under this section.
- (2) The late payment penalty is calculated:
 - (a) at the rate specified in the Rules for the purposes of this paragraph; and
 - (b) on the unpaid amount; and
 - (c) for the period:
 - (i) starting when the amount becomes due and payable; and
 - (ii) ending when the amount, and the penalty payable under this section in relation to the amount, have been paid in full.
 - (3) The Medicare Australia CEO may remit the whole or a part of an amount of late payment penalty if the Medicare Australia CEO considers that there are good reasons for doing so.
 - (4) An application may be made to the Administrative Appeals Tribunal for review of a decision of the Medicare Australia CEO not to remit, or to remit only part of, an amount of late payment penalty.

Note: Section 27A of the *Administrative Appeals Tribunal Act 1975* requires notification of a decision that is reviewable.
 - (5) If:
 - (a) the recipient and the midwife referred to in subsection 22(1) are not the same person; and
 - (b) the midwife becomes the liable person; and
 - (c) the recipient has or had a liability under this section to pay late payment penalty;the recipient's liability to the late payment penalty is not affected by the fact that the recipient is no longer the person who owes the

debt to the Commonwealth under subsection 25(3), except that the period referred to in paragraph (2)(c) ends when the midwife becomes the liable person.

31 Eligible run-off claims

- (1) A claim is an *eligible run-off claim* if:
- it is a claim made against a person who, at the time the claim is made, is a person to whom subsection (2) applies; and
 - it relates to an incident that occurred on or after 1 July 2010 and on or before the run-off cover termination date in the course of, or in connection with, the person's practice as an eligible midwife; and
 - if there is a run-off cover termination date, the person:

Section 31

- (i) was, immediately before the run-off cover termination date, a person to whom subsection (2) applies; and
 - (ii) continued to be such a person for the whole of the period between the run-off cover termination date and the time when an eligible insurer was first notified of the claim, or of facts that might give rise to the claim; and
 - (d) the person has midwife professional indemnity run-off cover that indemnifies the person in relation to the claim.
- (2) This subsection applies to a person who is one or more of the following:
- (a) a person aged 65 years or over who has retired permanently from private practice as an eligible midwife;
 - (b) a person who has not engaged in private practice as an eligible midwife at any time during the preceding period of 3 years;
 - (c) a person who has ceased (temporarily or permanently) the person's practice as an eligible midwife because of maternity (see subsection (3));
 - (d) a person who has ceased the person's practice as an eligible midwife because of permanent disability (see subsection (4));
 - (e) a person who is the legal personal representative of a deceased person who had been an eligible midwife;
 - (f) a person who is included in a class of persons that the Rules specify as persons to whom this subsection applies.
- However, a person is not a person to whom this subsection applies if the person is included in a class of persons that the Rules specify as a class of persons to whom this subsection does not apply.
- (3) A person is taken, for the purposes of paragraph (2)(c), to have ceased the person's practice as an eligible midwife because of maternity if and only if:
- (a) the person:
 - (i) is pregnant; or
 - (ii) has given birth; or

- (iii) is recovering from a pregnancy (including a miscarriage or a stillbirth); and
 - (b) another person who is a medical practitioner has certified, in the form approved by the Medicare Australia CEO, that the person is pregnant, has given birth or is recovering from a pregnancy, as the case requires; and
 - (c) the person has ceased all practice as an eligible midwife:
 - (i) because she is pregnant; or
 - (ii) in order to care for one or more children to whom she has given birth; or
 - (iii) in order to recover from the pregnancy; and
 - (d) any other requirements specified in the Rules have been met.
- (4) A person is taken, for the purposes of paragraph (2)(d), to have ceased the person's practice as an eligible midwife because of permanent disability if and only if:
 - (a) the person has incurred an injury, or suffers from an illness, that is permanent, or is likely to be permanent; and
 - (b) as a result of the injury or illness, the person can no longer practise the profession of midwifery; and
 - (c) another person who is a medical practitioner has certified, in the form approved by the Medicare Australia CEO, that the person:
 - (i) has incurred an injury, or suffers from an illness, that is permanent, or is likely to be permanent; and
 - (ii) can no longer practice the profession of midwifery; and
 - (d) the person has permanently ceased all practice as an eligible midwife.
- (5) In this section:
private practice as a midwife means practice as a midwife other than:
 - (a) practice consisting of treatment of public patients of a hospital; or
 - (b) practice for which:

Section 31

- (i) the Commonwealth, a State or a Territory; or
 - (ii) a local governing body; or
 - (iii) an authority established under a law of the Commonwealth, a State or a Territory; indemnifies eligible midwives from liability relating to compensation; or
 - (c) practice of a kind in relation to which eligible midwives are ordinarily, or could reasonably be expected in the ordinary course of business to be, engaged as employees (and therefore indemnified from liability by their employer); or
 - (d) practice conducted outside both Australia and the external Territories; or
 - (e) practice of a kind specified in the Rules.
- (6) For the purposes of paragraph (c) of the definition of ***private practice as a midwife*** in subsection (5), the Rules may specify one or more classes of practice that are taken not to be practice of a kind referred to in that paragraph and, without limiting the way in which a class may be specified, the class may be described by reference to the following:
- (a) the ownership or control (however described) of a corporation of which one or more eligible midwives are employees;
 - (b) the true nature of the class of practice.
- (7) To avoid doubt, Rules made for the purposes of subsection (6) may be expressed to take effect from a date before the Rules are registered under the *Legislative Instruments Act 2003*.

Division 2—Run-off cover Commonwealth contributions

32 Circumstances in which run-off cover Commonwealth contributions are payable

- (1) A run-off cover Commonwealth contribution is payable to an eligible insurer under this section if:
 - (a) an eligible run-off claim (the *current claim*) is made that relates to an incident that occurred in the course of, or in connection with, a person's practice as an eligible midwife; and
 - (b) at the time the claim is first notified to the eligible insurer, the person is a person to whom subsection 31(2) applies; and
 - (c) in a case where there is a person, other than the eligible midwife, against whom a claim has been, or could reasonably be made in relation to the incident to which the current claim relates—either:
 - (i) an apportionment certificate in relation to the current claim is in force; or
 - (ii) the Medicare CEO has not issued an apportionment certificate because of the operation of section 52 (which deals with claims for which there is a final judgment or order of a court); and
 - (d) the eligible insurer makes, or is liable to make, a payment in relation to the claim under a contract of insurance under which the insurer is liable to indemnify the person in relation to claims made by or against the person while he or she is a person to whom subsection 31(2) applies; and
 - (e) either the incident occurs or occurred on or after 1 July 2010 and on or before the run-off cover termination date; and
 - (f) the eligible insurer applies to the Medicare Australia CEO for the run-off cover Commonwealth contribution in accordance with section 58; and

Section 33

- (g) if an apportionment certificate is in force in relation to the current claim—the amount paid or payable in relation to the current claim is consistent with the proportion of the overall liability specified in the apportionment certificate as the proportion that is to be attributed to the eligible midwife against whom the claim was made.
- (2) Paragraph (1)(d) does not apply to a payment that an eligible insurer makes or is liable to make unless the payment is or would be made:
 - (a) in relation to a claim made in relation to which the eligible midwife concerned has midwife professional indemnity run-off cover; and
 - (b) in the eligible insurer’s ordinary course of business.

33 Clarification of circumstances in which run-off cover Commonwealth contributions are payable

A run-off cover Commonwealth contribution is payable to an eligible insurer under section 32 in relation to a payment the eligible insurer makes or is liable to make, in relation to a claim even if the eligible insurer:

- (a) has insured itself in relation to the payment; or
- (b) has already been paid an amount by an insurer in relation to the payment.

34 Exceptions

A run-off cover Commonwealth contribution is not payable to an eligible insurer under section 32 in relation to a payment the eligible insurer makes or is liable to make, in relation to a claim if:

- (a) the payment is an insurer-to-insurer payment; or
- (b) the payment is a payment specified in the Rules for the purposes of this section.

35 Amount of run-off cover Commonwealth contribution

- (1) The amount of a run-off cover Commonwealth contribution is the amount of the payment referred to in paragraph 32(1)(d), but only to the extent that the payment is or would be made:
 - (a) in relation to a claim for which the midwife has midwife professional indemnity run-off cover; and
 - (b) in the eligible insurer's ordinary course of business.
- (2) However, if a Level 1 or Level 2 Commonwealth contribution is payable in respect of that payment, the amount of the run-off cover Commonwealth contribution is reduced by the amount of the Level 1 or Level 2 Commonwealth contribution.

Section 36

**Division 3—Payments that would have reduced the amount
of run-off cover Commonwealth contribution**

**36 Amounts paid before payment of run-off cover Commonwealth
contribution**

(1) If:

- (a) an amount (the *relevant payment*) has been paid, in relation to a liability of an eligible midwife (the *midwife*), under a contract of insurance with an eligible insurer that provides midwife professional indemnity run-off cover for the midwife; and
- (b) another amount (not being an amount referred to in subsection (2)) has been paid to the midwife, eligible insurer or another person in relation to the incident to which the liability relates; and
- (c) the other amount was not taken into account in working out the amount of the relevant payment; and
- (d) if the other amount had been taken into account in working out the amount of the relevant payment, a lesser amount would have been paid under the contract of insurance, in relation to the liability;

then, for the purpose of calculating the amount of run-off cover Commonwealth contribution (if any) that is payable in relation to a liability of the midwife, the lesser amount is taken to have been the amount of the relevant payment.

(2) This section does not apply to any of the following:

- (a) an amount paid to an eligible insurer by another insurer under a right of contribution;
- (b) a payment of Level 1 Commonwealth contribution;
- (c) a payment of Level 2 Commonwealth contribution;
- (d) an amount of a kind specified in the Rules for the purposes of this paragraph.

37 Amounts paid after payment of run-off cover Commonwealth contribution

- (1) This section applies if:
 - (a) an amount (the **actual run-off cover amount**) of run-off cover Commonwealth contribution has been paid in relation to an eligible run-off claim made against an eligible midwife (the **midwife**); and
 - (b) another amount (not being an amount referred to in subsection (5)) is paid to the midwife, an eligible insurer or another person in relation to the incident to which the claim relates; and
 - (c) the other amount was not taken into account in calculating the actual run-off cover amount; and
 - (d) if the other amount had been so taken into account, a lesser amount (the **reduced run-off cover amount**, which could be zero) of run-off cover Commonwealth contribution would have been paid in relation to the liability.
- (2) The **amount overpaid** is the amount by which the actual run-off cover amount exceeds the reduced run-off cover amount.
- (3) If the Medicare Australia CEO has given an eligible insurer a notice under subsection 39(1) in relation to the amount overpaid, the amount is a debt owed to the Commonwealth by the eligible insurer.
- (4) The amount overpaid may be recovered:
 - (a) by action by the Medicare Australia CEO against the eligible insurer in a court of competent jurisdiction; or
 - (b) under section 65.
- (5) This section does not apply to any of the following:
 - (a) an amount paid to an eligible insurer by another insurer under a right of contribution;
 - (b) a payment of Level 1 Commonwealth contribution;
 - (c) a payment of Level 2 Commonwealth contribution;

Section 38

- (d) an amount of a kind specified in the Rules for the purposes of this paragraph.

38 Obligation to notify the Medicare Australia CEO that amount has been paid

(1) If:

- (a) a run-off cover Commonwealth contribution has been paid to an eligible insurer in relation to a liability that relates to a claim made against an eligible midwife (the *midwife*); and
- (b) the eligible insurer becomes aware that another amount has been paid to the midwife, eligible insurer or another person in relation to the incident to which the claim relates; and
- (c) because of the payment of the other amount, there is an amount overpaid as described in subsection 37(2);

the eligible insurer must notify the Medicare Australia CEO that the other amount has been paid.

Note: Failure to notify is an offence (see section 67).

(2) The notification must:

- (a) be in writing; and
- (b) be given to the Medicare Australia CEO within 28 days after the applicant becomes aware that the other amount has been paid.

39 The Medicare Australia CEO to notify of amount of debt due

(1) If:

- (a) a run-off cover Commonwealth contribution has been paid to an eligible insurer in relation to a liability that relates to a claim made against an eligible midwife; and
- (b) another amount is paid to the midwife, eligible insurer or another person in relation to the incident to which the claim relates; and
- (c) because of the payment of the other amount, there is an amount overpaid as described in subsection 37(2);

the Medicare Australia CEO may give the eligible insurer a written notice that specifies:

- (d) the amount overpaid, and that it is a debt owed to the Commonwealth under subsection 37(3); and
- (e) the day before which the amount must be paid to the Commonwealth; and
- (f) the effect of section 40.

The day specified under paragraph (e) must be at least 28 days after the day on which the notice is given.

- (2) The debt becomes due and payable on the day specified under paragraph (1)(e).

40 Penalty imposed if an amount is repaid late

- (1) If:
 - (a) a person owes a debt to the Commonwealth under subsection 37(3); and
 - (b) the debt remains wholly or partly unpaid after it becomes due and payable;the person is liable to pay a late payment penalty under this section.
- (2) The late payment penalty is calculated:
 - (a) at the rate specified in the Rules for the purposes of this paragraph; and
 - (b) on the unpaid amount; and
 - (c) for the period:
 - (i) starting when the amount becomes due and payable; and
 - (ii) ending when the amount, and the penalty payable under this section in relation to the amount, have been paid in full.
- (3) The Medicare Australia CEO may remit the whole or a part of an amount of late payment penalty if the Medicare Australia CEO considers that there are good reasons for doing so.

Chapter 2 Midwife Professional Indemnity Commonwealth Contributions

Part 3 Run-off cover Commonwealth contributions

Division 3 Payments that would have reduced the amount of run-off cover
Commonwealth contribution

Section 40

- (4) An application may be made to the Administrative Appeals Tribunal for review of a decision of the Medicare Australia CEO not to remit, or to remit only part of, an amount of late payment penalty.

Note: Section 27A of the *Administrative Appeals Tribunal Act 1975* requires notification of a decision that is reviewable.

Division 4—Effect of setting a run-off cover termination date

41 Commonwealth’s obligations if a run-off cover termination date is set

- (1) If a run-off cover termination date has been set (see subsection 7(3)), the Commonwealth is liable to pay an amount in accordance with this Division in relation to each affected eligible midwife.
- (2) However, this section does not apply if the Rules made on or before the run-off cover termination date set out alternative arrangements for providing medical cover for eligible midwives in relation to eligible run-off claims that will apply on and from that date.

42 Affected eligible midwife

An eligible midwife is an *affected eligible midwife* if:

- (a) a run-off cover termination date has been set (see subsection 7(3)); and
- (b) before that date, one or more premiums have been paid for midwife professional indemnity cover, for the eligible midwife, in relation to one or more periods totalling at least 12 months; and
- (c) immediately before that date, the eligible midwife was not a person to whom subsection 31(2) applies.

43 Payments in relation to affected eligible midwife

- (1) A payment that the Commonwealth is liable to make in relation to an affected eligible midwife:
 - (a) must be paid to a person who:
 - (i) is nominated by the eligible midwife; and

Section 44

- (ii) has, on or after the run-off cover termination date, provided midwife professional indemnity cover for the eligible midwife under a contract of insurance; and
 - (b) must be paid as all or part of the premium payable for the provision of that cover; and
 - (c) must be paid within 12 months after that date; and
 - (d) must not exceed the eligible midwife's total run-off cover credit.
- (2) Amounts payable by the Commonwealth under this Division are payable out of the Consolidated Revenue Fund, which is appropriated accordingly.

44 Total run-off cover credits

- (1) This is how to work out an affected eligible midwife's ***total run-off cover credit***:

Method statement

- Step 1. For the first financial year after 30 June 2010 in which an eligible insurer provided midwife professional indemnity cover for the eligible midwife under a contract of insurance, multiply:
- (a) the eligible midwife's run-off cover credit for the financial year; by
 - (b) the interest rate adjustment for the financial year (see subsection (4)).
- Step 2. For each subsequent financial year (if any) until the financial year in which the termination date occurs, multiply:

- (a) the sum of the eligible midwife's run-off cover credit for the financial year and the amount worked out, under step 1 or this step, for the immediately preceding financial year; by
- (b) the interest rate adjustment for the financial year (see subsection (4)).

Step 3. Add together:

- (a) the eligible midwife's run-off cover credit for the financial year in which the run-off cover termination date occurs; and
- (b) the last of the amounts worked out under step 1 or step 2.

The result is the practitioner's ***total run-off cover credit***.

- (2) The eligible midwife's ***run-off cover credit*** for a financial year is the sum of all run-off cover support payments paid or payable to the extent that they are attributable, under subsection (3), to the eligible midwife in relation to the financial year.
- (3) Run-off cover support payments are ***attributable*** to the practitioner in relation to the financial year to the extent that they relate to premiums paid during the financial year to an eligible insurer for midwife professional indemnity cover provided for the eligible midwife by one or more contracts of insurance with the eligible insurer.
- (4) The ***interest rate adjustment*** for a financial year is the number worked out as follows:

1 + applicable interest rate

where:

applicable interest rate is:

Section 45

- (a) the rate of interest, for the financial year, specified in the Rules for the purposes of this paragraph; or
- (b) if no rate is so specified—the short-term bond rate for the June quarter immediately preceding the financial year.

June quarter means a period of 3 months commencing on 1 April.

short-term bond rate, for a June quarter, means:

- (a) if:
 - (i) the Reserve Bank of Australia has published, in respect of one or more days in the last 2 weeks of the quarter, an indicative secondary market mid-rate yield for Australian Government fixed coupon Treasury bonds; and
 - (ii) the maturity date of the bonds is the third anniversary of the 15th day of the quarter or (if there are no bonds with that maturity date) the closer or closest date to that date within 2 years after it;

the yield referred to in subparagraph (i) in respect of the day referred to in that subparagraph, or the average of the yields referred to in subparagraph (i) in respect of the days referred to in that subparagraph, as the case requires; or

- (b) in any other case—the rate of interest notified in the *Gazette*, by the Minister administering the *Loan (Income Equalization Deposits) Act 1976*, as the rate of interest in relation to the quarter for the purposes of this definition.

45 Eligible insurers must provide information attributing run-off cover support payments

- (1) An eligible insurer must, in relation to each run-off cover support payment that the eligible insurer is liable to make to the Medicare Australia CEO, notify the Medicare Australia CEO of:
 - (a) each eligible midwife to whom the payment is attributable; and

- (b) for each such eligible midwife, each financial year in relation to which the payment is attributable; and
- (c) for each such eligible midwife and financial year, the extent to which the payment is attributable to the practitioner in relation to the financial year.

Note: Failure to notify is an offence (see section 67).

- (2) The notification must:
 - (a) be made in writing; and
 - (b) must be given to the Medicare Australia CEO on or before the payment day under section 75 for the run-off cover support payment.

Section 46

Division 5—Miscellaneous

46 Medicare Australia CEO must be notified of a person ceasing to be covered by the midwife run-off cover provisions

- (1) If:
- (a) a person ceases to be a person to whom subsection 31(2) applies; and
 - (b) immediately before the cessation, an eligible insurer was providing midwife professional indemnity run-off cover to the person;
- the eligible insurer must notify the Medicare Australia CEO of the cessation.

Note: Failure to notify is an offence (see section 67).

- (2) The notification must:
- (a) be in writing; and
 - (b) set out details of the cessation; and
 - (c) be given to the Medicare Australia CEO within a period, starting on the day after the day on which the person becomes aware of the cessation, of:
 - (i) 61 days; or
 - (ii) such greater number of days specified in the Rules for the purposes of this subparagraph.

47 Invoices for midwife professional indemnity cover

- (1) If:
- (a) an eligible insurer gives to a person an invoice stating the premium that is or will be payable for midwife professional indemnity cover provided by a contract of insurance with the eligible insurer; and
 - (b) payment of the premium would increase the eligible insurer's liability to pay run-off cover support payment;

the eligible insurer must ensure that the invoice states:

- (c) the amount of the eligible insurer's premium income, for the contribution year in question, that represents the premium that is or will be payable for midwife professional indemnity cover provided by the contract of insurance; and
- (d) the applicable percentage relating to that contribution year; and
- (e) the amount of the run-off cover support payment imposed on the eligible insurer, for that contribution year, that relates to the premium that is or will be payable for midwife professional indemnity cover provided by the contract of insurance.

Note: Failure to comply with this section is an offence (see section 69).

(2) In this section:

applicable percentage has the same meaning as in subsection 6(2) of the *Midwife Professional Indemnity (Run-off Cover Support Payment) Act 2010*.

premium income has the same meaning as in the *Midwife Professional Indemnity (Run-off Cover Support Payment) Act 2010*.

run-off cover support payment has the same meaning as in the *Midwife Professional Indemnity (Run-off Cover Support Payment) Act 2010*.

48 Reports on run-off cover Commonwealth provisions

- (1) The Minister must, in relation to each financial year starting on or after 1 July 2010:
 - (a) cause a report to be prepared of the operation of this Part within 6 months after the end of the financial year; and
 - (b) cause a copy of the report to be tabled in each House of the Parliament within 15 sitting days of that House after its receipt by the Minister.

Section 49

- (2) Without limiting the matters that may be included in a report under subsection (1) in relation to a financial year, the report must include:
- (a) a statement of the number of persons who were, at the end of the financial year, persons to whom subsection 31(2) applies; and
 - (b) a statement of the total of all the amounts of run-off cover Commonwealth contribution paid by the Commonwealth during the financial year; and
 - (c) a statement of the total of all the amounts of run-off cover support payments paid to the Commonwealth during the financial year; and
 - (d) estimates by the Actuary of the Commonwealth's liabilities in relation to amounts of run-off Commonwealth contributions in future financial years.
- (3) If a run-off cover termination date has been set (see subsection 7(3)), this section does not apply in relation to a financial year starting after the end of the financial year in which the termination date occurs.

49 Modifications and exclusions

- (1) The Rules may provide that this Part applies with specified modifications in relation to:
- (a) a specified class of claims; or
 - (b) a specified class of contracts of insurance; or
 - (c) a specified class of situations in which a liability is, whether wholly or partly, covered by more than one contract of insurance.
- (2) The Rules may provide that this Part does not apply, or applies with specified modifications, in relation to a specified class of liabilities or payments.
- (3) Without limiting subsection (2), the Rules may specify modifications regarding how this Part applies in relation to a

liability under an order of a court requiring an amount to be paid pending the outcome of an appeal, including modifications:

- (a) to deal with what happens if, as a result of the appeal or another appeal, the amount paid later becomes wholly or partly repayable; and
 - (b) to deal with what happens if the amount paid is later applied towards a liability that is confirmed as a result of the appeal or another appeal.
- (4) This section does not allow the Rules to modify a provision that creates an offence, or that imposes an obligation which, if contravened, constitutes an offence.

Section 51

Division 2—Apportionment certificates

51 When may the Medicare Australia CEO issue an apportionment certificate in relation to a claim?

- (1) The Medicare Australia CEO may issue a certificate (an *apportionment certificate*) in relation to a claim against a midwife if:
 - (a) either:
 - (i) a qualifying claim certificate has been issued by the Medicare CEO in relation to the claim; or
 - (ii) the claim is an eligible run-off claim; and
 - (b) the Medicare CEO is satisfied that there is a person, other than the midwife, against whom a claim has been or is reasonably likely to be made, in relation to the incident to which the claim relates; and
 - (c) an application for the certificate has been made in accordance with section 53.
- (2) The apportionment certificate must specify the proportion of the overall liability in relation to the incident that is to be attributed to:
 - (a) the midwife; and
 - (b) the other person or persons against whom the Medicare CEO is satisfied a claim has been, or is reasonably likely to be, made in relation to the incident.
- (3) For the purposes of paragraph (2)(b), if there is more than one other person against whom the Medicare CEO is satisfied a claim has been or is reasonably likely to be made, the proportion of the overall liability may be specified for:
 - (a) each of those persons individually; or
 - (b) those persons taken as a group.
- (4) The proportion of the overall liability specified in the apportionment certificate may be the same as the apportionment

proposed in the application if the Medicare CEO is satisfied that the proposed apportionment is reasonable.

- (5) The apportionment certificate may be different from the apportionment proposed in the application if the Medicare CEO is satisfied that the alternative apportionment is reasonable.
- (6) For the purposes of being satisfied that an apportionment is reasonable, the Medicare CEO may have regard to:
 - (a) the information provided with the application; and
 - (b) any other information that the Medicare CEO considers appropriate.
- (7) However, the Medicare CEO is not required to have regard to any information beyond the information that was included in the application.
- (8) An apportionment certificate is not a legislative instrument.

52 Medicare CEO must not issue an apportionment certificate in certain situations relating to court judgments or orders

- (1) The Medicare Australia CEO must not issue an apportionment certificate in relation to a claim against an eligible midwife if:
 - (a) a judgment or order of a court has been made in relation to the claim; and
 - (b) the judgment or order specifies the liability of the eligible midwife in relation to the claim; and
 - (c) the judgment or order is not stayed and is not subject to appeal; and
 - (d) the defence of the claim against the midwife was conducted appropriately (see subsection (2)) up to the date on which the judgment or order became a judgment or order that is not stayed and is not subject to appeal.
- (2) For the purposes of paragraph (1)(d), the defence of the claim is conducted appropriately if, and only if:

Section 53

- (a) to the extent it is conducted on the midwife's behalf by an insurer, or by a legal practitioner engaged by the insurer—the defence is conducted to a standard that is consistent with the insurer's usual standard for the conduct of the defence of claims; and
 - (b) to the extent it is conducted by the midwife, or by a legal practitioner engaged by the midwife—the defence is conducted prudently.
- (3) In this section:
- defence of the claim* includes any settlement negotiations on behalf of the midwife.

53 Applications for apportionment certificates

- (1) An eligible insurer in relation to a claim made against a midwife must apply for the issue of an apportionment certificate in relation to the claim if the eligible insurer considers that there is a person other than the midwife against whom a claim has been, or is reasonably likely to be, made in relation to the incident to which the claim relates.
- (2) The application must:
 - (a) be made in writing using a form approved by the Medicare Australia CEO; and
 - (b) must specify the proportion of the overall liability in relation to the incident to which the claim relates that the applicant proposes be attributed to:
 - (i) the midwife; and
 - (ii) the other person or persons against whom a claim has been, or is reasonably likely to be made in relation to the incident to which the claim relates; and
 - (c) be accompanied by the documents and other information required by the form approved by the Medicare Australia CEO.

- (3) For the purposes of subparagraph (2)(b)(ii), if there is more than one other person against whom a claim has been or is reasonably likely to be made, the proportion of the overall liability may be specified for:
- (a) each of those persons individually; or
 - (b) those persons taken as a group.

54 Time by which an application must be decided

- (1) Subject to subsection (2), the Medicare Australia CEO is to decide an application for the issue of an apportionment certificate on or before the 21st day after the day on which the application is received by the Medicare Australia CEO.
- (2) If the Medicare Australia CEO requests a person to give information under section 62 in relation to the application, the Medicare Australia CEO does not have to decide the application until the 21st day after the day on which the person gives the information to the Medicare Australia CEO.

55 Obligation to notify the Medicare Australia CEO if information is incorrect or incomplete

- (1) If:
- (a) an apportionment certificate is in force in relation to a claim; and
 - (b) a person becomes aware that the information provided to the Medicare Australia CEO in connection with the application for the certificate was incorrect or incomplete, or is no longer correct or complete; and
 - (c) the person is:
 - (i) the person who applied for the certificate; or
 - (ii) another person who has applied for a payment of Commonwealth contribution in relation to the claim;

Section 56

the person must notify the Medicare Australia CEO of the respect in which the information was incorrect or incomplete, or is no longer correct or complete.

Note: Failure to notify is an offence (see section 67).

- (2) The notification must:
- (a) be made in writing; and
 - (b) be given to the Medicare Australia CEO within 28 days after the person becomes aware as mentioned in subsection (1).

56 Revocation and variation of apportionment certificates

Revocation

- (1) The Medicare Australia CEO may revoke an apportionment certificate if the Medicare Australia CEO is no longer satisfied as mentioned in subsection 51(4) or (5) in relation to the claim.
- (2) The Medicare CEO must revoke an apportionment certificate if, after the apportionment certificate is issued:
- (a) a judgment or order of a court is made; and
 - (b) the judgment or order is of a kind that would have prevented the Medicare CEO issuing an apportionment certificate under section 52, had it been made before the certificate was issued.

Variation

- (3) If the Medicare Australia CEO is satisfied that a matter is not correctly identified or specified in an apportionment certificate, the Medicare Australia CEO may vary the certificate so that it correctly identifies or specifies the matter.

Effect of revocation

- (4) If:
- (a) the Medicare Australia CEO revokes an apportionment certificate; and

- (b) an amount of Commonwealth contribution has already been paid in relation to the claim;
the amount is an amount overpaid to which section 64 applies.

Effect of variation

- (5) If:
- (a) the Medicare Australia CEO varies an apportionment certificate; and
 - (b) an amount of Commonwealth contribution has already been paid in relation to the claim, and that amount exceeds the amount that would have been paid if the amount of Commonwealth contribution had been determined having regard to the certificate as varied;
- the amount of the excess is an amount overpaid to which section 64 applies.

Medicare Australia CEO to give applicant copy of varied certificate

- (6) If the Medicare Australia CEO decides to vary an apportionment certificate, the Medicare Australia CEO must, within 28 days of making his or her decision, give the applicant a copy of the varied certificate. However, a failure to comply does not affect the validity of the decision.

57 AAT review of decision to issue, revoke or vary

An application may be made to the Administrative Appeals Tribunal for review of a decision of the Medicare Australia CEO:

- (a) not to issue an apportionment certificate; or
- (b) to specify a particular apportionment in an apportionment certificate; or
- (c) to revoke or vary an apportionment certificate.

Note: Section 27A of the *Administrative Appeals Tribunal Act 1975* requires notification of a decision that is reviewable.

Division 3—Applications for, and payment of, Commonwealth contribution

58 Application for Level 1 Commonwealth contribution or a Commonwealth run-off cover contribution

An application by an eligible insurer for a Level 1 Commonwealth contribution or a run-off cover Commonwealth contribution must:

- (a) be made in writing using a form approved by the Medicare Australia CEO; and
- (b) be accompanied by the documents and other information required by the form approved by the Medicare Australia CEO.

59 Payment date for Level 1 Commonwealth contribution or a run-off cover Commonwealth contribution

- (1) Subject to subsections (2) and (3), the Medicare Australia CEO must pay a Level 1 Commonwealth contribution or a run-off cover Commonwealth contribution that is payable to an insurer before the end of the month that immediately follows the month in which the eligible insurer applies for the contribution.
- (2) If:
 - (a) an insurer applies for a Level 1 Commonwealth contribution or a run-off cover Commonwealth contribution; and
 - (b) the Medicare Australia CEO requests a person to give information under section 62 in relation to the application; and
 - (c) the person does not give the Medicare Australia CEO the information requested before the end of the month that immediately follows the month in which the insurer applies for the contribution; and
 - (d) a Level 1 Commonwealth contribution or a run-off cover Commonwealth contribution is payable to the insurer;

the Medicare Australia CEO must pay the Level 1 Commonwealth contribution or a run-off cover Commonwealth contribution to the insurer before the end of the month that immediately follows the month in which the person gives the Medicare Australia CEO the requested information.

- (3) If the Medicare Australia CEO has received, but not yet decided:
- (a) an application for the issue of a qualifying claim certificate in relation to a claim; and
 - (b) an application for a Level 1 Commonwealth contribution in relation to the same claim;

the Medicare Australia CEO does not have to decide the application for payment of a Level 1 Commonwealth contribution until the Medicare Australia CEO has decided the application for the issue of a qualifying claim certificate.

- (4) In this section:

month means one of the 12 months of the year.

60 Application for Level 2 Commonwealth contribution

- (1) An application for a Level 2 Commonwealth contribution in relation to a qualifying liability that relates to a claim may be made by the person against whom the claim is or was made, or by a person acting on that person's behalf.
- (2) The application must:
- (a) be made in writing using a form approved by the Medicare Australia CEO; and
 - (b) be accompanied by the documents and other information required by the form approved by the Medicare Australia CEO.
- (3) Subject to subsection (4), the application cannot be made more than 28 days after:
- (a) if the liability is under a judgment or order of a court—the date on which the judgment or order became or becomes a
