Notice under Section 275

## CALL FOR PUBLIC COMMENT

### **Recovery Plan for the Grey Nurse Shark (*Carcharias taurus*) (2013)**

The Department of Sustainability, Environment, Water, Population and Communities is calling for public comment from interested groups and individuals on the draft Recovery Plan for the Grey Nurse Shark (*Carcharias taurus*) (2013). The draft recovery plan describes research, management and other actions to assist the recovery of the grey nurse shark populations in Australian waters.

The Australian Government has made this recovery plan available at:

[www.environment.gov.au/biodiversity/threatened/recovery-comment.html](http://www.environment.gov.au/biodiversity/threatened/recovery-comment.html)

Comments must be received by **22 November 2013** and should be sent to:

**Email:** [recoveryplans@environment.gov.au](mailto:recoveryplans@environment.gov.au)

**Postal address:**
