42 Application

The amendments made by this Schedule apply to assessments for the income year before the income year in which this Schedule commences, for the income year in which this Schedule commences and for later income years.

43 Making and amending assessments, and doing other things, in relation to past matters

- (1) Even though a part of an Act is repealed or amended by this Schedule, the repeal or amendment is disregarded for the purpose of doing any of the following under any Act or legislative instrument (within the meaning of the *Legislative Instruments Act 2003*):
- (a) making or amending an assessment (including under a provision that is itself repealed or amended);
 - (b) exercising any right or power, performing any obligation or duty or doing any other thing (including under a provision that is itself repealed or amended);

in relation to any act done or omitted to be done, any state of affairs existing, or any period ending, before the repeal or amendment applies.

- (2) This item does not limit the operation of the *Acts Interpretation Act 1901*.

Income Tax (Transitional Provisions) Act 1997

44 Before Subdivision 960-E

Insert:

Subdivision 960-B—Utilisation of tax attributes

Table of sections

960-20 Utilisation—corporate loss carry back

960-20 Utilisation—corporate loss carry back

- (1) For the purposes of subsection 960-20(2) of the *Income Tax Assessment Act 1997*, a tax loss is *utilised* to the extent that it is carried back under former Division 160 of that Act (which provided for a corporate loss carry back tax offset).
- (2) For the purposes of subsection 960-20(4) of that Act, net exempt income for an income year is *utilised* to the extent that, because of it, an amount was reduced under step 2 of the method statement in former subsection 160-15(2) of that Act (which was about calculating a loss carry back tax offset component).

Schedule 3—Small business instant asset write-off threshold

5 Subsection 328-210(1)

Omit “\$6,500”, substitute “\$1,000”.

6 Subsection 328-210(3) (example)

Repeal the example, substitute:

Example: Amanda’s Graphics is a small business entity for the 2014-15 income year and chooses to use this Subdivision for that year. The business has an opening pool balance of \$8,500 for its general small business pool for that year.

During that year, Amanda acquired a new computer for \$2,000. The taxable purpose proportion of its adjustable value is:

$$\$2,000 \times 80\% \text{ business use estimate} = \$1,600$$

Amanda also sold her business car for \$9,600 during that year. The car was used 100% in the business.

To work out whether she can deduct an amount under this section, Amanda uses this calculation:

$$\$8,500 + \$1,600 - \$9,600 = \$500$$

Because the result is less than \$1,000, Amanda can deduct the \$500 for the income year. The pool's closing balance for the year is zero.

7 Subsection 328-215(4)

Omit "\$6,500", substitute "\$1,000".

8 Subsection 328-250(1)
