

Department of the Environment

Commonwealth of Australia

Environment Protection and Biodiversity Conservation Act 1999

Notice under Section 275 and Section 290

CALL FOR COMMENT

The Department of the Environment is calling for comment on the:

- **Draft recovery plan for the Alpine *Sphagnum* Bogs and Associated Fens Ecological Community (2014)**
- **Draft recovery plan for White-bellied and Orange-bellied Frogs (*Geocrinia alba* and *Geocrinia vitellina*) (WA 2014)**
- **Draft Wildlife Conservation Plan for Migratory Shorebirds (2014)**

The draft recovery plans set out the research and management actions necessary to stop the decline, and support the recovery, of the relevant listed ecological community and threatened species. The draft wildlife conservation plan describes management, research and other actions to support the survival of 37 migratory shorebird species in Australia.

The Australian Government has made the draft recovery plans available at:

www.environment.gov.au/biodiversity/threatened/recovery-comment.html

The Australian Government has made the draft wildlife conservation plan available at:

<http://www.environment.gov.au/biodiversity/migratory-species>

Comments must be received by **Wednesday, 3 December 2014** and should be sent to:

Postal address:
