Customs Tariff (Anti-Dumping) Act 1975

Deep drawn stainless steel sinks exported from the People's Republic of China

Notice pursuant to subsection 8(5) and 8(5BA) of the Customs Tariff (Anti-Dumping) Act 1975

I, KAREN ANDREWS, Parliamentary Secretary to the Minister for Industry and Science, having decided to issue a notice pursuant to subsection 269TG(1) and subsection 269TG(2) of the *Customs Act 1901* in respect of certain deep drawn stainless steel sinks described in that notice (the goods), <u>DETERMINE</u>, pursuant to subsection 8(5) of the *Customs Tariff (Anti Dumping) Act 1975* (the Dumping Duty Act), that that the interim dumping duty payable on the goods is an amount worked out in accordance with the *ad valorem* duty method, specified in sub-regulation 5(7) of the *Customs Tariff (Anti-Dumping) Regulation 2013*.

Pursuant to subsection 8(5BAAA) of the Dumping Duty Act, I have not had regard to the desirability of fixing a lesser rate of interim dumping duty under subsection 8(5BA) of the Dumping Duty Act.

I have not had regard to the desirability of fixing a lesser rate of interim dumping duty under subsection 8(5BA) because:

- (i) countervailable subsidies have been received in respect of the goods; and
- (ii) the country in relation to which the subsidy has been provided has not complied with Article 25 of the World Trade Organisation Agreement on Subsidies and Countervailing Measures for the compliance period.

This notice applies to the goods and like goods entered for home consumption on and after the date of publication of this notice.

Dated this 19th day of March 2015.

KAREN ANDREWS

Parliamentary Secretary to the Minister for Industry and Science
