

Environment Protection and Biodiversity Conservation Act 1999

DECLARATION OF AN APPROVED WILDLIFE TRADE OPERATION

I, PAUL MURPHY, Assistant Secretary, Wildlife Trade and Biosecurity Branch, as Delegate of the Minister for the Environment, having satisfied myself on the matters set out in section 303FN of the *Environment Protection and Biodiversity Conservation Act 1999* (EPBC Act), declare the operation that is specified in column 1 of Table 1, to be an approved wildlife trade operation under subsection 303FN (2) of the EPBC Act, but only to the extent the operation relates to the class of specimens specified in column 2 of Table 1.

Table 1

Operation	Class of Specimens
Queensland East Coast Inshore Fin Fish Fishery, as defined in the management regime in force under the Queensland Fisheries Regulation 2008 and the Queensland <i>Fisheries Act 1994</i>	Specimens that are, or are derived from, fish or invertebrates, other than: a) specimens that belong to species listed under Part 13 of the EPBC Act, and b) specimens that belong to taxa listed under section 303CA of the EPBC Act (Part 13A), except for scalloped hammerhead shark (<i>Sphyrna lewini</i>) smooth hammerhead (<i>S. zygaena</i>) and great hammerhead shark (<i>S. mokarran</i>).

Unless amended or revoked, this declaration:

- a) is subject to the conditions applied under section 303FT specified in the Schedule.

Dated this 30th day of September 2015

.....Paul Murphy.....
Delegate of the Minister for the Environment

Notes:

- Under the Administrative Appeals Tribunal Act 1975, a person whose interests are affected by this decision may apply for a statement of reasons and for independent review of the decision. An application for a statement of reasons may be made in writing to the Department of the Environment within 28 days of the date of the declaration. An application for independent review may be made to the Administrative Appeals Tribunal on payment of the relevant fee within 28 days of the date of the declaration, or if reasons are sought, within 28 days of receipt of reasons. Further information may be obtained from the Director, Sustainable Fisheries Section.
- Australia's obligations under the Convention on International Trade in Endangered Species of Wild Fauna and Flora (CITES) are met through Part 13A of the EPBC Act. Specimens of species listed in Appendix II of Australia's CITES list under section 303CA of the EPBC Act may only be exported, under a CITES export permit issued under the EPBC Act, if Australia's CITES Scientific Authority has issued a non detriment finding for that species. Further information, including a list of species for which non detriment findings have been issued and the fisheries from which they may be sourced, is available from <http://www.environment.gov.au/topics/biodiversity/wildlife-trade/internationally-endangered-plants-and-animals-cites/how-export>.
