Appropriation (Coronavirus Response) Act (No. 2) 2021-2022

No. 2, 2022

An Act to appropriate additional money out of the Consolidated Revenue Fund for certain expenditure for the purposes of responding to circumstances relating to the coronavirus known as COVID-19, and for related purposes

[Assented to 14 February 2022]

The Parliament of Australia enacts:

Part 1—Preliminary

1 Short title

This Act is the *Appropriation (Coronavirus Response) Act (No. 2) 2021-2022*.

2 Commencement

- (1) Each provision of this Act specified in column 1 of the table commences, or is taken to have commenced, in accordance with column 2 of the table. Any other statement in column 2 has effect according to its terms.

Commencement information		
Column 1	Column 2	Column 3
Provisions	Commencement	Date/Details
1. The whole of this Act	The day this Act receives the Royal Assent.	14 February 2022

Note: This table relates only to the provisions of this Act as originally enacted. It will not be amended to deal with any later amendments of this Act.

- (2) Any information in column 3 of the table is not part of this Act. Information may be inserted in this column, or information in it may be edited, in any published version of this Act.

3 Definitions

In this Act:

administered assets and liabilities item means an amount set out in Schedule 1 in relation to a non-corporate entity opposite the heading “Administered Assets and Liabilities”.

administered item means an amount set out in Schedule 1 opposite an outcome for a non-corporate entity under the heading “New Administered Outcomes”.

corporate entity means:

- (a) a corporate Commonwealth entity within the meaning of the *Public Governance, Performance and Accountability Act 2013*; or
- (b) a Commonwealth company within the meaning of that Act.

corporate entity item means the amount set out in Schedule 1 in relation to a corporate entity under the heading “Non-operating”.

current year means the financial year ending on 30 June 2022.

expenditure means payments for expenses, acquiring assets, making loans or paying liabilities.

Finance Minister means the Minister administering this Act.

item means any of the following:

- (a) a State, ACT, NT and local government item;
- (b) an administered item;
- (c) an administered assets and liabilities item;
- (d) an other departmental item;
- (e) a corporate entity item.

non-corporate entity means:

- (a) a non-corporate Commonwealth entity within the meaning of the *Public Governance, Performance and Accountability Act 2013*; or
- (b) the High Court.

other departmental item means an amount set out in Schedule 1 in relation to a non-corporate entity opposite the heading “Equity Injections”.

Portfolio Budget Statements means the Portfolio Budget Statements that were tabled in the Senate or the House of Representatives in relation to the Bill for the *Appropriation Act (No. 1) 2021-2022* and the Bill for the *Appropriation Act (No. 2) 2021-2022*.

portfolio statements means the Portfolio Budget Statements.

special account has the same meaning as in the *Public Governance, Performance and Accountability Act 2013*.

State, ACT, NT and local government item means an amount set out in Schedule 1 opposite an outcome for a non-corporate entity under the heading “Payments to States, ACT, NT and local government”.

4 Portfolio statements

The portfolio statements are declared to be relevant documents for the purposes of section 15AB of the *Acts Interpretation Act 1901*.

Note: See paragraph 15AB(2)(g) of the *Acts Interpretation Act 1901* which provides that the material that may be considered in the interpretation of a provision of an Act includes any document that is declared by the Act to be a relevant document.

5 Notional transactions between entities that are part of the Commonwealth

For the purposes of this Act, notional transactions between non-corporate entities are to be treated as if they were real transactions.

Note: This section applies, for example, to a “payment” between non-corporate entities that are both part of the Commonwealth. One of the effects of this section is that the payment will be debited from an appropriation for the paying non-corporate entity, even though no payment is actually made from the Consolidated Revenue Fund. This is consistent with section 76 of the *Public Governance, Performance and Accountability Act 2013*.

Part 2—Appropriation items

6 Summary of appropriations

The total of the items specified in Schedule 1 is \$2,047,742,000.

Note 1: Items in Schedule 1 can be adjusted under Part 3 of this Act.

Note 2: Sections 74 to 75 of the *Public Governance, Performance and Accountability Act 2013* also provide for the adjustment of amounts appropriated by this Act.

7 State, ACT, NT and local government items

- (1) The amount specified in a State, ACT, NT and local government item for an outcome for a non-corporate entity may be applied for the purpose of making payments to or for the States, the Australian Capital Territory, the Northern Territory and local government authorities for the purpose of contributing to achieving that outcome.
- (2) If the portfolio statements indicate that activities of a particular kind were intended to be treated as activities in respect of a particular outcome, then expenditure for the purpose of carrying out those activities is taken to be expenditure for the purpose of contributing to achieving the outcome.

8 Administered items

- (1) The amount specified in an administered item for an outcome for a non-corporate entity may be applied for expenditure for the purpose of contributing to achieving that outcome.
- (2) If the portfolio statements indicate that activities of a particular kind were intended to be treated as activities in respect of a particular outcome, then expenditure for the purpose of carrying out those activities is taken to be expenditure for the purpose of contributing to achieving the outcome.

9 Administered assets and liabilities items

- (1) The amount specified in an administered assets and liabilities item for a non-corporate entity may be applied for expenditure for the purpose of contributing to achieving any outcome specified for the entity:
 - (a) in Schedule 1 to this Act; or
 - (b) in Schedule 1 to the *Appropriation Act (No. 1) 2021-2022*.
- (2) If the portfolio statements indicate that activities of a particular kind were intended to be treated as activities in respect of a particular outcome, then expenditure for the purpose of carrying out those activities is taken to be expenditure for the purpose of contributing to achieving the outcome.

10 Other departmental items

The amount specified in an other departmental item for a non-corporate entity may be applied for the departmental expenditure of the entity.

11 Corporate entity items

- (1) The amount specified in a corporate entity item for a corporate entity may be paid to the entity to be applied for the purposes of the entity.
- (2) If:
 - (a) an Act provides that a corporate entity must be paid amounts that are appropriated by the Parliament for the purposes of the entity; and
 - (b) Schedule 1 contains a corporate entity item for that entity;then the entity must be paid the full amount specified in the item.

Part 3—Advance to the Finance Minister

12 Advance to the Finance Minister

- (1) This section applies if the Finance Minister is satisfied that there is an urgent need for expenditure, in the current year, that is not provided for, or is insufficiently provided for, in Schedule 1:
 - (a) because of an erroneous omission or understatement; or
 - (b) because the expenditure was unforeseen until after the last day on which it was practicable to provide for it in the Bill for this Act before that Bill was introduced into the House of Representatives.
- (2) This Act has effect as if Schedule 1 were amended, in accordance with a determination of the Finance Minister, to make provision for so much (if any) of the expenditure as the Finance Minister determines.
- (3) A determination made under subsection (2) must relate to expenditure for the purposes of responding to circumstances relating to the coronavirus known as COVID-19.
- (4) The total of the amounts determined under subsection (2) cannot be more than \$3,000 million.
- (5) A determination made under subsection (2) is a legislative instrument, but neither section 42 (disallowance) nor Part 4 of Chapter 3 (sunsetting) of the *Legislation Act 2003* applies to the determination.

Part 4—Miscellaneous

13 Crediting amounts to special accounts

If any of the purposes of a special account is a purpose that is covered by an item (whether or not the item expressly refers to the special account), then amounts may be debited against the appropriation for that item and credited to that special account.

14 Appropriation of the Consolidated Revenue Fund

The Consolidated Revenue Fund is appropriated as necessary for the purposes of this Act, including the operation of this Act as affected by the *Public Governance, Performance and Accountability Act 2013*.

15 Repeal of this Act

This Act is repealed at the start of 1 July 2024.

Schedule 1—Services for which money is appropriated

Note: See sections 6 and 14.
