3 Definitions

In this Act:

administered assets and liabilities item means an amount set out in Schedule 1 in relation to a Parliamentary Department opposite the heading “Administered Assets and Liabilities”.

administered item means an amount set out in Schedule 1 opposite an outcome for a Parliamentary Department under the heading “Administered”.

Section 3

departmental item means the total amount set out in Schedule 1 in relation to a Parliamentary Department under the heading “Departmental”.

Note: The amounts set out opposite outcomes, under the heading “Departmental”, are “notional”. They are not part of the item, and do not in any way restrict the scope of the expenditure authorised by the item.

expenditure means payments for expenses, acquiring assets, making loans or paying liabilities.

item means any of the following:

- (a) a departmental item;
- (b) an administered item;
- (c) an administered assets and liabilities item;
- (d) an other departmental item.

non-corporate entity means:

- (a) a non-corporate Commonwealth entity within the meaning of the *Public Governance, Performance and Accountability Act 2013*; or
- (b) the High Court.

Note: Each Parliamentary Department is a non-corporate Commonwealth entity for the purposes of the *Public Governance, Performance and Accountability Act 2013*.

other departmental item means an amount set out in Schedule 1 in relation to a Parliamentary Department opposite the heading “Equity Injections”.

Parliamentary Department means any of the following:

- (a) the Department of the Senate;
- (b) the Department of the House of Representatives;
- (c) the Department of Parliamentary Services;
- (d) the Parliamentary Budget Office.

Portfolio Additional Estimates Statements means the Portfolio Additional Estimates Statements that were tabled in the Senate or the House of Representatives in relation to the Bill for this Act.

4 Portfolio statements

The portfolio statements are declared to be relevant documents for the purposes of section 15AB of the *Acts Interpretation Act 1901*.

Note: See paragraph 15AB(2)(g) of the *Acts Interpretation Act 1901* which provides that the material that may be considered in the interpretation of a provision of an Act includes any document that is declared by the Act to be a relevant document.

5 Notional transactions between entities that are part of the Commonwealth

For the purposes of this Act, notional transactions between non-corporate entities are to be treated as if they were real transactions.

Section 5

Note: This section applies, for example, to a “payment” between non-corporate entities that are both part of the Commonwealth. One of the effects of this section is that the payment will be debited from an appropriation for the paying non-corporate entity, even though no payment is actually made from the Consolidated Revenue Fund. This is consistent with section 76 of the *Public Governance, Performance and Accountability Act 2013*.

Part 2—Appropriation items

6 Summary of appropriations

The total of the items specified in Schedule 1 is \$10,273,000.

Note 1: Items in Schedule 1 can be adjusted under Part 3 of this Act.

Note 2: Sections 74 to 75 of the *Public Governance, Performance and Accountability Act 2013* also provide for the adjustment of amounts appropriated by this Act.

7 Departmental items

The amount specified in a departmental item for a Parliamentary Department may be applied for the departmental expenditure of the Parliamentary Department.

8 Administered items

- (1) The amount specified in an administered item for an outcome for a Parliamentary Department may be applied for expenditure for the purpose of contributing to achieving that outcome.
- (2) If the portfolio statements indicate that activities of a particular kind were intended to be treated as activities in respect of a particular outcome, then expenditure for the purpose of carrying out those activities is taken to be expenditure for the purpose of contributing to achieving the outcome.

9 Administered assets and liabilities items

- (1) The amount specified in an administered assets and liabilities item for a Parliamentary Department may be applied for expenditure for the purpose of contributing to achieving any outcome specified in Schedule 1 for the Parliamentary Department.
- (2) If the portfolio statements indicate that activities of a particular kind were intended to be treated as activities in respect of a particular outcome, then expenditure for the purpose of carrying

Section 10

out those activities is taken to be expenditure for the purpose of contributing to achieving the outcome.

10 Other departmental items

The amount specified in an other departmental item for a Parliamentary Department may be applied for the departmental expenditure of the Parliamentary Department.

Part 3—Advance to the responsible Presiding Officer

11 Advance to the responsible Presiding Officer

- (1) If a responsible Presiding Officer determined an amount under subsection 11(2) of the *Appropriation (Parliamentary Departments) Act (No. 1) 2023-2024* before the commencement of this Act, the amount is to be disregarded for the purposes of subsections 11(3), (4), (5) and (6) of that Act.

Note: This means that, after the commencement of this Act, the responsible Presiding Officers have access to the following amounts under section 11 of the *Appropriation (Parliamentary Departments) Act (No. 1) 2023-2024*, regardless of amounts that have already been determined under that section:

- (a) for the Department of the Senate—\$300,000;
- (b) for the Department of the House of Representatives—\$300,000;
- (c) for the Department of Parliamentary Services—\$1 million;
- (d) for the Parliamentary Budget Office—\$300,000.

- (2) If:

- (a) this Act appropriates an amount for particular expenditure;
and

- (b) before the commencement of this Act, a responsible Presiding Officer determined an amount (the **advanced amount**) under section 11 of the *Appropriation (Parliamentary Departments) Act (No. 1) 2023-2024* for the expenditure;

the amount appropriated by this Act for the expenditure is taken to be reduced (but not below nil) by the advanced amount.

Part 4—Miscellaneous

12 Crediting amounts to special accounts

If any of the purposes of a special account is a purpose that is covered by an item (whether or not the item expressly refers to the special account), then amounts may be debited against the appropriation for that item and credited to that special account.

13 Appropriation of the Consolidated Revenue Fund

The Consolidated Revenue Fund is appropriated as necessary for the purposes of this Act, including the operation of this Act as affected by the *Public Governance, Performance and Accountability Act 2013*.

14 Repeal of this Act

This Act is repealed at the start of 1 July 2026.
