

BRANCH HEAD, LIQUID FUELS BRANCH

DEPARTMENT OF CLIMATE CHANGE, ENERGY, THE ENVIRONMENT AND WATER

NOTICE UNDER SECTION 17E(3) OF THE *FUEL QUALITY STANDARDS ACT 2000* FOR A  
VARIATION OF A SECTION 13 APPROVAL TO ADD REGULATED PERSONS – VIVA  
ENERGY AUSTRALIA PTY LTD (EXPIRY 31 AUGUST 2025)

I, Jennifer Anne, Branch Head, Liquid Fuels Branch, delegate of the Minister for Climate Change and Energy, provide the following information concerning my decision to amend an existing approval under section 13 of the *Fuel Quality Standards Act 2000* (the Act).

Name of approval holder

Viva Energy Australia Pty Ltd (ABN 46 004 610 549)

Details of the variation

Pursuant to section 17E of the Act, the period of effect of the listed approval has been varied in respect of the supply of renewable diesel until 31 August 2025.

Pursuant to subsection 17E of the Act, this variation adds the following regulated persons to the approval:

Name	ABN	Street Address
Team Global Express	15 084 157 666	Level 15, 380 St Kilda Road, Melbourne, Victoria 3004
UON Pty Ltd	44 099 963 354	407 Victoria Rd, Malaga WA 6090
B.M.D. Constructions Pty. Limited	59 010 126 100	QLD 4178
Multiplex Pty Ltd	66 147 631 472	NSW 2000

Period of operation

The variation comes into force from 19 June 2024 and remains in force until 31 August 2025.

### **Summary of reasons for the approval**

- a. The addition of 4 regulated persons is not expected to significantly impact the volumes of renewable diesel supplied by Viva under its section 13 approval.
- b. Renewable diesel does not pose a higher risk of adverse impacts on the environment or to human health compared to mineral diesel.
- c. The import of renewable diesel will help grow the Australian market and ensure secure supply of the product.
