45. Subject to the exceptions in conditions 46 and 47, the Licensee must obtain a new Guarantee under condition 44 each Financial Year.

46. If the Commission determines that the Licensee is a low-risk licensee for a Financial Year, the Licensee is not required to obtain a new Guarantee under condition 44 that Financial Year unless:
- (a) the required Guarantee amount for the Licensee for that Financial Year (as calculated under conditions 50 and 51) increases by \$500,000* or more from the required Guarantee amount for the Licensee for the Financial Year in which it obtained its existing Guarantee under condition 44 (as calculated under conditions 50 and 51); or
 - (b) 5 years have elapsed since the Licensee last obtained a new Guarantee under condition 44.

** Note: The \$500,000 value is subject to indexation (based on CPI) annually.*

47. The Licensee is not required to obtain a new Guarantee under condition 44 for a Financial Year if the required Guarantee amount for the Licensee for that Financial Year (as calculated under conditions 50 and 51) is less than or equal to the Guarantee amount of the Licensee's existing Guarantee under condition 44.
48. The Guarantee obtained under condition 44 must be:
- (a) in the form and subject to the terms agreed in writing by the Commission; and
 - (b) for an amount calculated by the actuary in accordance with condition 44 and specified in the Liability Report for that Financial Year; and
 - (c) obtained from a corporation that is authorised by APRA to carry on:
 - (i) banking business in Australia under the *Banking Act 1959* (Cth) and has an issuer credit rating of or equivalent to a Standard and Poor's AA- or better; or
 - (ii) insurance business in Australia under the *Insurance Act 1973* (Cth) and has an issuer credit rating of or equivalent to a Standard and Poor's AA- or better and a financial strength rating of or equivalent to a Standard and Poor's AA- or better.
49. The Licensee must provide the original of the Guarantee to the Commission within 170 days of the start of the first Financial Year to which the Guarantee relates.
50. The Guarantee must be for an amount calculated by the actuary as the greater of:
- (a) the 95th percentile of the Licensee's Outstanding Claim Liability under the SRC Act in accordance with the scope of this licence at the Balance Date and the addition of the Excess Amount; or
 - (b) the 95th percentile of the Licensee's projected Outstanding Claim Liability under the SRC Act in accordance with the scope of this licence in 12time from the Balance Date and the addition of the Excess Amount.

Note: The liability calculations under condition 50 are to include an allowance for the cost of administering claims under this licence and be calculated net of reinsurance recoveries.

51. In calculating the amount of the Guarantee, the Licensee must direct the actuary to:
- (a) calculate existing and projected estimates of the Licensee's Outstanding Claim Liability under the SRC Act in accordance with the scope of this licence to the 95th percentile and to include this result in the Liability Report; and
 - (b) base the calculation on a full statistical analysis of data, trends and variability and according to any relevant IAA standards and guidelines on liability valuation for general insurance.

52. If the Licensee obtained a Guarantee under condition 44, the Licensee may at any time provide to the Commission a new Guarantee obtained under condition 44 that, if prepared in accordance with conditions 48, 50 and 51, will replace the existing Guarantee obtained under condition 44.
53. If the Commission identifies a financial risk with respect to the suitability of the financial institution from which the Licensee has obtained its current Guarantee under condition 44 and requests, after consulting with the Licensee, that the Licensee obtain a new Guarantee under condition 44, the Licensee must:
- (a) comply with this request within 3 months or, if applicable, an alternative timeframe specified in the request; and
 - (b) ensure that the new Guarantee is prepared in accordance with conditions 48, 50 and 51.
54. If the guarantor under a Guarantee obtained by the Licensee under condition 44 discharges its financial obligation under that Guarantee by making payment to Comcare of its total liability or amounts which when aggregated equal its total liability, Comcare must return that Guarantee to the guarantor.

Reinsurance

55. The Licensee must maintain an appropriate level of reinsurance to limit its liability to pay compensation and other amounts under the SRC Act in accordance with the scope of this licence from an insurance company that is authorised by APRA to carry on insurance business under the *Insurance Act 1973* (Cth) (**Reinsurance Policy**).
56. The excess of loss amount applicable under the Reinsurance Policy for any single event (**Excess Amount**) must not, unless the Commission directs otherwise, be higher than the Recommended Excess Amount.
57. The Licensee must:
- (a) if an amended reinsurance policy or a reinsurance policy from a new provider is obtained under condition 55, provide a copy of that reinsurance policy to the actuary and the Commission within 130 days of the start of the first Financial Year to which that reinsurance policy relates;
 - (b) provide a copy of the current certificate of currency for the Reinsurance Policy to the Commission within 130 days of the start of the first Financial Year to which the certificate of currency relates;
 - (c) notify the Commission of any increases to the Excess Amount in the Reinsurance Policy; and
 - (d) only obtain a reinsurance policy under condition 55 with an excess of loss amount that exceeds the Recommended Excess Amount if the Commission provides prior approval.

Deed of Guarantee and Indemnity

58. The Licensee:
- (a) must at all times be a party to a Deed of Guarantee and Indemnity in accordance with conditions 58 to 63 of this licence; and
 - (b) must not engage in any act or omission that may compromise the enforceability of the Deed of Guarantee and Indemnity.

 - (iii) Comcare; or
 - (b) where the Commission, in its absolute discretion, notifies the licensee in writing that another, alternative, Deed of Guarantee and Indemnity, will satisfy the requirements of conditions 58 to 63 of this licence, that deed.
60. The Commission grants this licence on the condition that the Deed of Guarantee and Indemnity is, and remains, binding on the Commonwealth Bank of Australia and remains in full force and effect for the Licence Period and for at least seven (7) years following the Licence Period.
61. The Licensee must notify the Commission within three (3) business days if the licensee becomes aware that any aspect of the Deed of Guarantee and Indemnity is not, or will not any time in the future be, enforceable by any beneficiary of the Deed of Guarantee and Indemnity.
62. The Deed of Guarantee and Indemnity includes any subsequent novation of or variation of the Deed of Guarantee and Indemnity.
63. If the Deed of Guarantee and Indemnity is novated or varied the Licensee must notify the Commission and provide a copy of the document novating or varying the Deed of Guarantee and Indemnity to the Commission within three (3) business days.
