34G Issue of questioning and detention warrant

Issue of warrant

- (1) An issuing authority may issue a warrant under this section relating to a person, but only if:
 - (a) the Director-General has requested it in accordance with subsection 34F(7); and
 - (b) the issuing authority is satisfied that there are reasonable grounds for believing that the warrant will substantially assist the collection of intelligence that is important in relation to a terrorism offence.

Previous detention

- (2) If the person has already been detained under this Division in connection with one or more warrants (the *earlier warrants*) issued under this Division:
 - (a) the issuing authority must take account of those facts in deciding whether to issue the warrant requested; and
 - (b) the issuing authority may issue the warrant requested only if the authority is satisfied that:
 - (i) the issue of that warrant is justified by information additional to or materially different from that known to the Director-General at the time the Director-General sought the Minister's consent to request the issue of the last of the earlier warrants issued before the seeking of the Minister's consent to the request for the issue of the warrant requested; and
 - (ii) the person is not being detained under this Division in connection with one of the earlier warrants.

This subsection has effect in addition to subsection (1).

What the warrant authorises

- (3) The warrant must, in the same terms as the draft warrant given to the issuing authority as part of the request, do the following:

Section 34G

- (a) authorise a specified person to be:
 - (i) taken into custody immediately by a police officer; and
 - (ii) brought before a prescribed authority immediately for questioning under the warrant; and
 - (iii) detained under arrangements made by a police officer for the period described in subsection (4);
 - (b) permit the person to contact identified persons at specified times when the person is in custody or detention authorised by the warrant.
- (4) The period starts when the person is first brought before a prescribed authority under the warrant and ends at the first time one of the following events happens:
- (a) someone exercising authority under the warrant informs the prescribed authority before whom the person is appearing for questioning that the Organisation does not have any further request described in paragraph (7)(a) to make of the person;
 - (b) section 34R prohibits anyone exercising authority under the warrant from questioning the person under the warrant;
 - (c) the passage of 168 hours starting when the person was first brought before a prescribed authority under the warrant.

Contacting persons

- (5) The warrant may identify someone whom the person is permitted to contact by reference to the fact that he or she is a lawyer of the person's choice or has a particular legal or familial relationship with the person. This does not limit the ways in which the warrant may identify persons whom the person is permitted to contact.

Note 1: The warrant may identify persons by reference to a class. See subsection 46(3) of the *Acts Interpretation Act 1901*.

Note 2: Section 34K permits the person to contact the Inspector-General of Intelligence and Security, the Ombudsman and a person referred to in paragraph 40SB(3)(b) of the *Australian Federal Police Act 1979* while the person is in custody or detention, so the warrant must identify them.

Note 3: A warrant issued under this section must permit the person to contact a single lawyer of the person's choice, so the warrant must identify such a lawyer.

- (6) The warrant may specify times when the person is permitted to contact someone identified as a lawyer of the person's choice by reference to the fact that the times are:
-

- (a) while the person is in detention in connection with the warrant; and
- (b) after:
 - (i) the person has been brought before a prescribed authority for questioning; and
 - (ii) the person has informed the prescribed authority, in the presence of a person exercising authority under the warrant, of the identity of the lawyer whom the person proposes to contact; and
 - (iii) a person exercising authority under the warrant has had an opportunity to request the prescribed authority to direct under section 34ZO that the person be prevented from contacting the lawyer.

Warrant must authorise certain actions by the Organisation

- (7) Also, the warrant must, in the same terms as the draft warrant given to the issuing authority as part of the request:
 - (a) authorise the Organisation, subject to any restrictions or conditions, to question the person before a prescribed authority by requesting the person to do either or both of the following:
 - (i) give information that is or may be relevant to intelligence that is important in relation to a terrorism offence;
 - (ii) produce records or things that are or may be relevant to intelligence that is important in relation to a terrorism offence; and
 - (b) authorise the Organisation, subject to any restrictions or conditions, to make copies and/or transcripts of a record produced by the person before a prescribed authority in response to a request in accordance with the warrant.

Warrant to be signed and to specify the period it is in force

- (8) Also, the warrant must:
 - (a) be signed by the issuing authority who issues it; and
 - (b) specify the period during which the warrant is to be in force, which must not be more than 28 days.

Section 34H

34H Person taken into custody under warrant to be immediately brought before prescribed authority

If the person is taken into custody by a police officer exercising authority under the warrant, the officer must make arrangements for the person to be immediately brought before a prescribed authority for questioning.

Subdivision D—Certain obligations and protections relating to a warrant issued under Subdivision B or C

Note: Subdivision E sets out other obligations and protections relating to a warrant issued under Subdivision B or C (as well as dealing with other matters).

34J Prescribed authority must explain warrant

- (1) When a person first appears before a prescribed authority for questioning under a warrant issued under this Division, the prescribed authority must inform the person of the following:
 - (a) whether the warrant authorises detention of the person by a police officer and, if it does, the period for which the warrant authorises detention of the person;
 - (b) what the warrant authorises the Organisation to do;
 - (c) the effect of section 34L (including the fact that the section creates offences);
 - (d) the period for which the warrant is in force;
 - (e) the person's right to make a complaint orally or in writing:
 - (i) to the Inspector-General of Intelligence and Security under the *Inspector-General of Intelligence and Security Act 1986* in relation to the Organisation; or
 - (ii) to the Ombudsman under the *Ombudsman Act 1976* in relation to the Australian Federal Police;
 - (iii) to a complaints agency in relation to the police force or police service of the State or Territory concerned;
 - (ea) the person's right to give information orally or in writing, under Division 2 of Part V of the *Australian Federal Police Act 1979*, to a person referred to in subsection 40SA(1) of that Act in relation to the Australian Federal Police;
 - (f) the fact that the person may seek from a federal court a remedy relating to the warrant or the treatment of the person in connection with the warrant;

- (g) whether there is any limit on the person contacting others and, if the warrant permits the person to contact identified persons at specified times when the person is in custody or detention authorised by the warrant, who the identified persons are and what the specified times are.
- (2) To avoid doubt, subsection (1) does not apply to a prescribed authority if the person has previously appeared before another prescribed authority for questioning under the warrant.
- (3) The prescribed authority before whom the person appears for questioning must inform the person of the role of the prescribed authority. In particular, the prescribed authority must inform the person that the role of the prescribed authority includes:
- (a) supervising the questioning of the person; and
 - (b) giving appropriate directions under section 34K in relation to the person.
- (4) The prescribed authority before whom the person appears for questioning must inform the person of the reason for the presence of each other person who is present at any time during the questioning. However:
- (a) the prescribed authority must not name any person except with the consent of the person to be named; and
 - (b) the obligation to inform the person being questioned about a particular person's reason for presence need only be complied with once (even if that particular person subsequently returns to the questioning).
- (5) At least once in every 24-hour period during which questioning of the person under the warrant occurs, the prescribed authority before whom the person appears for questioning must inform the person of the fact that the person may seek from a federal court a remedy relating to the warrant or the treatment of the person in connection with the warrant.

Note: For example, the person may be able to apply to the Federal Court of Australia under subsection 39B(1) of the *Judiciary Act 1903*, or the High Court of Australia under paragraph 75(v) of the Constitution, for a remedy in relation to the warrant or the treatment of the person in connection with the warrant.

Section 34K

34K Directions by prescribed authority etc.

Directions relating to detention or further appearance

- (1) At any time when a person is before a prescribed authority for questioning under a warrant issued under this Division, the authority may give any of the following directions:
 - (a) a direction to detain the person;
 - (b) a direction for the further detention of the person;
 - (c) a direction about any arrangements for the person's detention;
 - (d) a direction permitting the person to contact an identified person (including someone identified by reference to the fact that he or she has a particular legal or familial relationship with the person) or any person and to disclose information other than specified information while in contact;
 - (e) a direction to defer questioning of the person under the warrant;
 - (f) a direction for the person's further appearance before the prescribed authority for questioning under the warrant;
 - (g) a direction that the person be released from detention.

- (2) The prescribed authority is only to give a direction that:
 - (a) is consistent with the warrant; or
 - (b) has been approved in writing by the Minister.

However, the prescribed authority may give a direction that is not covered by paragraph (a) or (b) if he or she has been informed under section 34Q of a concern of the Inspector-General of Intelligence and Security and is satisfied that giving the direction is necessary to address the concern satisfactorily.

- (3) To avoid doubt, the mere fact that the warrant is issued under section 34E does not prevent a direction under subsection (1) of this section from being consistent with the warrant for the purposes of subsection (2) of this section.

Note: A warrant issued under section 34E requires a person to appear before a prescribed authority for questioning under the warrant (rather than authorising the person to be taken into custody, brought before a prescribed authority and detained).

- (4) The prescribed authority is only to give a direction described in paragraph (1)(a) or (b) if he or she is satisfied that there are

reasonable grounds for believing that, if the person is not detained, the person:

- (a) may alert a person involved in a terrorism offence that the offence is being investigated; or
 - (b) may not continue to appear, or may not appear again, before a prescribed authority; or
 - (c) may destroy, damage or alter a record or thing the person has been requested, or may be requested, in accordance with the warrant, to produce.
- (5) A direction under subsection (1) must not result in:
- (a) a person being detained after the first time when either of the following events happens:
 - (i) someone exercising authority under the warrant informs the prescribed authority before whom the person is appearing for questioning that the Organisation does not have any further request described in paragraph 34E(4)(a) or 34G(7)(a) to make of the person;
 - (ii) section 34R prohibits anyone exercising authority under the warrant from questioning the person under the warrant; or
 - (b) a person's detention being arranged by a person who is not a police officer.

Note: Section 34S also provides that this Division does not authorise a person to be detained for a continuous period of more than 168 hours.

Giving effect to directions

- (6) Directions given by a prescribed authority have effect, and may be implemented or enforced, according to their terms.
- (7) A police officer may take a person into custody and bring him or her before a prescribed authority for questioning under a warrant issued under this Division if the person fails to appear before a prescribed authority as required by the warrant or a direction given by a prescribed authority under this section.

Direction has no effect on further warrant

- (8) This section does not prevent any of the following occurring in relation to a person who has been released after having been

Section 34K

detained under this Division in connection with a warrant issued under this Division:

- (a) an issuing authority issuing a further warrant under this Division;
- (b) the person being detained under this Division in connection with the further warrant.

Complaints while appearing before a prescribed authority for questioning

(9) If:

- (a) a person is appearing before a prescribed authority for questioning under a warrant issued under this Division; and
- (b) the person informs the prescribed authority that the person wants:
 - (i) to make an oral or written complaint of the kind referred to in paragraph 34J(1)(e); or
 - (ii) to give oral or written information of the kind referred to in paragraph 34J(1)(ea); and
- (c) the person requests facilities to make the complaint or give the information; and
- (d) the prescribed authority gives a direction under subsection (1) deferring questioning of the person under the warrant;

then anyone exercising authority under the warrant must give the person facilities for making the complaint or giving the information.

Communications while in custody or detention

(10) A person who has been taken into custody, or detained, under this Division is not permitted to contact, and may be prevented from contacting, anyone at any time while in custody or detention.

(11) However:

- (a) the person may contact anyone whom the warrant under which he or she is detained, or a direction described in paragraph (1)(d), permits the person to contact; and
- (b) subsection (10) does not affect the operation of sections 10 and 13 of the *Inspector-General of Intelligence and Security*

Act 1986 in relation to contact between the person and the Inspector-General of Intelligence and Security; and

- (c) anyone holding the person in custody or detention under this Division must give the person facilities for contacting the Inspector-General of Intelligence and Security to make a complaint orally under section 10 of the *Inspector-General of Intelligence and Security Act 1986* if the person requests them; and
- (d) subsection (10) does not affect the operation of section 7 of the *Ombudsman Act 1976* in relation to contact between the person and the Ombudsman in respect of a complaint, or proposed complaint, about the Australian Federal Police; and
- (e) anyone holding the person in custody or detention under this Division must give the person facilities for contacting the Ombudsman to make a complaint orally under section 7 of the *Ombudsman Act 1976* if the person requests them; and
- (f) subsection (10) does not affect the operation of section 40SB of the *Australian Federal Police Act 1979* in relation to contact between the person and a person referred to in paragraph 40SB(3)(b) of that Act; and
- (g) anyone holding the person in custody or detention under this Division must give the person facilities for contacting the Commissioner of the Australian Federal Police to give information orally under section 40SA of the *Australian Federal Police Act 1979* if the person requests them; and
- (h) subsection (10) does not affect the person's right to make a complaint to a complaints agency in relation to the police force or police service of the State or Territory concerned; and
- (i) anyone holding the person in custody or detention under this Division must give the person facilities for contacting a complaints agency to make an oral or written complaint of the kind mentioned in paragraph (h) if the person requests them.

Note: The sections mentioned in paragraphs (11)(b), (d) and (f) give the person an entitlement to facilities for making a written complaint or for giving written information.

Section 34L

34L Giving information and producing things etc.

- (1) A person must appear before a prescribed authority for questioning, in accordance with a warrant issued under this Division or a direction given under section 34K.

Penalty: Imprisonment for 5 years.

- (2) A person who is before a prescribed authority for questioning under a warrant issued under this Division must not fail to give any information requested in accordance with the warrant.

Penalty: Imprisonment for 5 years.

- (3) Subsection (2) does not apply if the person does not have the information.

Note: A defendant bears an evidential burden in relation to the matter in subsection (3) (see subsection 13.3(3) of the *Criminal Code*).

- (4) A person commits an offence if:

- (a) the person is before a prescribed authority for questioning under a warrant issued under this Division; and
- (b) the person makes a statement that is, to the person's knowledge, false or misleading; and
- (c) the statement is made in purported compliance with a request for information made in accordance with the warrant.

Penalty: Imprisonment for 5 years.

- (5) Subsection (4) does not apply if the statement is not false or misleading in a material particular.

Note: A defendant bears an evidential burden in relation to the matter in subsection (5) (see subsection 13.3(3) of the *Criminal Code*).

- (6) A person who is before a prescribed authority for questioning under a warrant issued under this Division must not fail to produce any record or thing that the person is requested in accordance with the warrant to produce.

Penalty: Imprisonment for 5 years.

- (7) Subsection (6) does not apply if the person does not have possession or control of the record or thing.

Note: A defendant bears an evidential burden in relation to the matter in subsection (7) (see subsection 13.3(3) of the *Criminal Code*).

- (8) For the purposes of subsections (2) and (6), the person may not fail:
- (a) to give information; or
 - (b) to produce a record or thing;
- in accordance with a request made of the person in accordance with the warrant, on the ground that the information, or production of the record or thing, might tend to incriminate the person or make the person liable to a penalty.
- (9) However, the following are not admissible in evidence against the person in criminal proceedings other than proceedings for an offence against this section:
- (a) anything said by the person, while before a prescribed authority for questioning under a warrant, in response to a request made in accordance with the warrant for the person to give information;
 - (b) the production of a record or thing by the person, while before a prescribed authority for questioning under a warrant, in response to a request made in accordance with the warrant for the person to produce a record or thing.

34M Interpreter provided at request of prescribed authority

- (1) This section applies if the prescribed authority before whom a person first appears for questioning under a warrant issued under this Division believes on reasonable grounds that the person is unable, because of inadequate knowledge of the English language or a physical disability, to communicate with reasonable fluency in that language.
- (2) A person exercising authority under the warrant must arrange for the presence of an interpreter.
- (3) The prescribed authority must defer informing under section 34J the person to be questioned under the warrant until the interpreter is present.
- (4) A person exercising authority under the warrant must defer the questioning under the warrant until the interpreter is present.

Section 34N

34N Interpreter provided at request of person being questioned

- (1) This section applies if a person appearing before a prescribed authority under a warrant issued under this Division requests the presence of an interpreter.
- (2) A person exercising authority under the warrant must arrange for the presence of an interpreter, unless the prescribed authority believes on reasonable grounds that the person who made the request has an adequate knowledge of the English language, or is physically able, to communicate with reasonable fluency in that language.
- (3) If questioning under the warrant has not commenced and the prescribed authority determines that an interpreter is to be present:
 - (a) the prescribed authority must defer informing under section 34J the person to be questioned under the warrant until the interpreter is present; and
 - (b) a person exercising authority under the warrant must defer the questioning until the interpreter is present.
- (4) If questioning under the warrant commences before the person being questioned requests the presence of an interpreter and the prescribed authority determines that an interpreter is to be present:
 - (a) a person exercising authority under the warrant must defer any further questioning until the interpreter is present; and
 - (b) when the interpreter is present, the prescribed authority must again inform the person of anything of which he or she was previously informed under section 34J.

34P Inspector-General of Intelligence and Security may be present at questioning or taking into custody

To avoid doubt, for the purposes of performing functions under the *Inspector-General of Intelligence and Security Act 1986*, the Inspector-General of Intelligence and Security, or an APS employee assisting the Inspector-General, may be present at the questioning or taking into custody of a person under this Division.

34Q Suspension of questioning etc. in response to concern of Inspector-General of Intelligence and Security

- (1) This section applies if the Inspector-General of Intelligence and Security is concerned about impropriety or illegality in connection with the exercise or purported exercise of powers under this Division in relation to a person specified in a warrant issued under this Division.

Note: For example, the Inspector-General may be concerned because he or she has been present at a questioning under section 34P.

- (2) When the person is appearing before a prescribed authority for questioning under the warrant, the Inspector-General may inform the prescribed authority of the Inspector-General's concern. If the Inspector-General does so, he or she must also inform the Director-General of the concern as soon as practicable afterwards.
- (3) The prescribed authority must consider the Inspector-General's concern.
- (4) The prescribed authority may give a direction suspending:
- (a) questioning of the person under the warrant; or
 - (b) the exercise of another power under this Division that is specified in the direction;

until the prescribed authority is satisfied that the Inspector-General's concern has been satisfactorily addressed.

Note: The prescribed authority may give directions under section 34K instead or as well. These could:

- (a) deal with the Inspector-General's concern in a way satisfactory to the prescribed authority; or
- (b) deal with treatment of the person while questioning is deferred; or
- (c) provide for release of the person from detention if the prescribed authority is satisfied that the Inspector-General's concern cannot be satisfactorily addressed within the remainder of the period for which the person may be detained under the warrant.

34R End of questioning under warrant

- (1) Anyone exercising authority under a warrant issued under this Division must not question a person under the warrant if the person has been questioned under the warrant for a total of 8 hours, unless the prescribed authority before whom the person was being

Section 34R

questioned just before the end of that 8 hours permits the questioning to continue for the purposes of this subsection.

- (2) Anyone exercising authority under a warrant issued under this Division must not question a person under the warrant if the person has been questioned under the warrant for a total of 16 hours, unless the prescribed authority before whom the person was being questioned just before the end of that 16 hours permits the questioning to continue for the purposes of this subsection.
- (3) Anyone exercising authority under the warrant may request the prescribed authority to permit the questioning to continue for the purposes of subsection (1) or (2). The request may be made in the absence of:
 - (a) the person being questioned; and
 - (b) a legal adviser to that person; and
 - (c) a parent of that person; and
 - (d) a guardian of that person; and
 - (e) another person who meets the requirements of subsection 34ZE(7) in relation to that person; and
 - (f) anyone the person being questioned is permitted by a direction under section 34K to contact.
- (4) The prescribed authority may permit the questioning to continue for the purposes of subsection (1) or (2), but only if he or she is satisfied that:
 - (a) there are reasonable grounds for believing that permitting the continuation will substantially assist the collection of intelligence that is important in relation to a terrorism offence; and
 - (b) persons exercising authority under the warrant conducted the questioning of the person properly and without delay in the period mentioned in that subsection.
- (5) The prescribed authority may revoke the permission. Revocation of the permission does not affect the legality of anything done in relation to the person under the warrant before the revocation.
- (6) Anyone exercising authority under a warrant issued under this Division must not question a person under the warrant if the person has been questioned under the warrant for a total of 24 hours.

Release from detention when further questioning is prohibited

- (7) If the warrant is issued under section 34G, the prescribed authority must, at whichever one of the following times is relevant, direct under paragraph 34K(1)(g) that the person be released immediately from detention:
- (a) at the end of the period mentioned in subsection (1) or (2), if the prescribed authority does not permit, for the purposes of that subsection, the continuation of questioning;
 - (b) immediately after revoking the permission, if the permission was given but later revoked;
 - (c) at the end of the period described in subsection (6).

Subsection 34K(2) does not prevent the prescribed authority from giving a direction in accordance with this subsection.

Extra time for questioning with interpreter present

- (8) Subsections (9), (10), (11) and (12) apply if, because of section 34M or 34N, an interpreter is present at any time while a person is questioned under a warrant issued under this Division.
- (9) Anyone exercising authority under the warrant must not question the person under the warrant if the person has been questioned under the warrant for a total of 24, 32 or 40 hours, unless the prescribed authority before whom the person was being questioned just before the duration of that questioning reached that total permits the questioning to continue beyond that total for the purposes of this subsection.
- (10) Subsections (3), (4) and (5) and paragraph (7)(b) apply in relation to permitting, for the purposes of subsection (9), the questioning to continue beyond a total mentioned in subsection (9) in the same way as they apply in relation to permitting the questioning to continue for the purposes of subsection (1) or (2).
- (11) Subsection (6) and paragraph (7)(c) apply as if that subsection referred to a total of 48 hours (instead of 24 hours).
- (12) Paragraph (7)(a) applies as if it referred to the time at which the duration of questioning reached the total mentioned in subsection (1), (2) or (9) beyond which the questioning is not permitted to continue.

Section 34S

Time that is not questioning time

- (13) For the purposes of working out the time that a person has been questioned under a warrant, disregard the following times:
- (a) the time taken by a prescribed authority to inform the person of the matters referred to in section 34J;
 - (b) any time during which a prescribed authority has deferred questioning of the person under the warrant to allow:
 - (i) the change of a thing in equipment being used to record the questioning of the person; or
 - (ii) the person to make a complaint of the kind referred to in paragraph 34J(1)(e); or
 - (ia) the person to give information of the kind referred to in paragraph 34J(1)(ea); or
 - (iii) the person to contact a lawyer or another person as provided by this Division; or
 - (iv) the person to receive medical attention; or
 - (v) the person to engage in religious practices as required by the person's religion; or
 - (vi) the person to rest or recuperate;
 - (c) any time during which a prescribed authority has suspended questioning of the person under the warrant as mentioned in subsection 34Q(4);
 - (d) any other time determined by a prescribed authority before whom the person appears for questioning.

34S Person not to be detained for more than 168 hours continuously

This Division does not authorise a person to be detained for a continuous period of more than 168 hours.

Subdivision E—Other provisions

34T Humane treatment of person specified in warrant

- (1) This section applies to a person specified in a warrant issued under this Division while anything is being done in relation to the person under the warrant or a direction given under section 34K.
- (2) The person must be treated with humanity and with respect for human dignity, and must not be subjected to cruel, inhuman or

degrading treatment, by anyone exercising authority under the warrant or implementing or enforcing the direction.

34U Entering premises to take person into custody

- (1) If:
- (a) either a warrant issued under section 34G, or subsection 34K(7), authorises a person to be taken into custody; and
 - (b) a police officer believes on reasonable grounds that the person is on any premises;
- the officer may enter the premises, using such force as is necessary and reasonable in the circumstances, at any time of the day or night for the purpose of searching the premises for the person or taking the person into custody.
- (2) However, if subsection 34K(7) authorises a person to be taken into custody, a police officer must not enter a dwelling house under subsection (1) of this section at any time during the period:
- (a) commencing at 9 pm on a day; and
 - (b) ending at 6 am on the following day;
- unless the officer believes on reasonable grounds that it would not be practicable to take the person into custody under subsection 34K(7), either at the dwelling house or elsewhere, at another time.
- (3) In this section:

dwelling house includes an aircraft, vehicle or vessel, and a room in a hotel, motel, boarding house or club, in which people ordinarily retire for the night.

premises includes any land, place, vehicle, vessel or aircraft.

34V Use of force in taking person into custody and detaining person

- (1) A police officer may use such force as is necessary and reasonable in:
- (a) taking a person into custody under:
 - (i) a warrant issued under section 34G; or
 - (ii) subsection 34K(7); or
 - (b) preventing the escape of a person from such custody; or
 - (c) bringing a person before a prescribed authority for questioning under a warrant issued under this Division; or

Section 34W

- (d) detaining a person in connection with a warrant issued under this Division.
- (2) However, a police officer must not, in the course of an act described in subsection (1) in relation to a person, use more force, or subject the person to greater indignity, than is necessary and reasonable to do the act.
- (3) Without limiting the operation of subsection (2), a police officer must not, in the course of an act described in subsection (1) in relation to a person:
 - (a) do anything that is likely to cause the death of, or grievous bodily harm to, the person unless the officer believes on reasonable grounds that doing that thing is necessary to protect life or to prevent serious injury to another person (including the officer); or
 - (b) if the person is attempting to escape being taken into custody by fleeing—do such a thing unless:
 - (i) the officer believes on reasonable grounds that doing that thing is necessary to protect life or to prevent serious injury to another person (including the officer); and
 - (ii) the person has, if practicable, been called on to surrender and the officer believes on reasonable grounds that the person cannot be taken into custody in any other manner.

34W Surrender of passport by person in relation to whom warrant is sought

- (1) If the Director-General has sought the Minister's consent to request the issue of a warrant under this Division in relation to a person, then, as soon as practicable after that person is notified of that action and of the effect of this subsection, the person must deliver to an enforcement officer every passport that:
 - (a) is an Australian passport (as defined in the *Australian Passports Act 2005*), or a foreign passport, that has been issued to the person; and
 - (b) the person has in his or her possession or control.

Penalty: Imprisonment for 5 years.

- (2) The Director-General must cause a passport delivered under subsection (1) to be returned to the person to whom it was issued, as soon as practicable after the first of the following events:
- (a) the Minister refuses to consent to request the issue of a warrant under this Division in relation to the person;
 - (b) an issuing authority refuses to issue a warrant under this Division in relation to the person;
 - (c) if a warrant under this Division is issued in relation to the person—the end of the period specified in the warrant as the period during which the warrant is to be in force;
- but the Director-General may cause the passport to be returned to that person earlier.
- (3) Subsection (2) does not require:
- (a) the return of a passport during the period specified in another warrant, issued in relation to the person under this Division, as the period during which the other warrant is to be in force; or
 - (b) the return of a passport that has been cancelled.
- (4) If a warrant under this Division is issued in relation to the person, a person approved under subsection 24(1) in relation to the warrant may, after a passport of the first-mentioned person is delivered under subsection (1) and before it is returned under subsection (2):
- (a) inspect or examine the passport; and
 - (b) make copies or transcripts of it.
- (5) In this section:
- enforcement officer** means any of the following:
- (a) a member of the Australian Federal Police;

- (2) An adverse or qualified security assessment shall be accompanied by a statement of the grounds for the assessment, and that statement:
 - (a) shall contain all information that has been relied on by the Organisation in making the assessment, other than information the inclusion of which would, in the opinion of the Director-General, be contrary to the requirements of security; and
 - (b) shall, for the purposes of this Part, be deemed to be part of the assessment.
- (3) The regulations may prescribe matters that are to be taken into account, the manner in which those matters are to be taken into account, and matters that are not to be taken into account, in the making of assessments, or of assessments of a particular class, and any such regulations are binding on the Organisation and on the Tribunal.
- (4) Subject to any regulations made in accordance with subsection (3), the Director-General shall, in consultation with the Minister, determine matters of a kind referred to in subsection (3), but nothing in this subsection affects the powers of the Tribunal.

- (a) the withholding of notice to a person of the making of a security assessment in respect of the person is essential to the security of the nation; or
 - (b) the disclosure to a person of the statement of grounds contained in a security assessment in respect of the person, or of a particular part of that statement, would be prejudicial to the interests of security.
- (3) Where the Attorney-General issues a certificate under subsection (2), he or she shall cause a copy of the certificate to be delivered to the Commonwealth agency to which the assessment was furnished.
- (4) Subsection (1) does not require a notice to be given in relation to a security assessment to which a certificate in accordance with paragraph (2)(a) applies.

39 Effect of preliminary advice by Organisation

- (1) Subject to subsection (2), a Commonwealth agency shall not take, refuse to take or refrain from taking prescribed administrative action on the basis of any communication in relation to a person made by the Organisation not amounting to a security assessment or on the basis of an adverse or qualified security assessment made by the Organisation before the commencement of this Act.
