

DRAFT.]

[CONFIDENTIAL.]

1929-30.

A BILL

FOR

AN ACT

To amend the *Grafton-South Brisbane Railway Act 1924-1929*.

BE it enacted by the King's Most Excellent Majesty, the Senate, and the House of Representatives of the Commonwealth of Australia, as follows :—

1.—(1.) This Act may be cited as the *Grafton-South Brisbane Railway Act 1930*. Short title, and citation.

(2.) The *Grafton-South Brisbane Railway Act 1924-1929** is in this Act referred to as the Principal Act.

(3.) The Principal Act, as amended by this Act, may be cited as the *Grafton-South Brisbane Railway Act 1924-1930*.

2. Section four of the Principal Act is amended by omitting the words "Four million three hundred and fifty thousand" and inserting in their stead the words "Four million four hundred and fifty thousand". Authority to borrow.

3. Section six of the Principal Act is amended by omitting from sub-section one the words "Four million three hundred and fifty thousand" and inserting in their stead the words "Four million four hundred and fifty thousand". Authority to make advances.

* Act No. 54 of 1924; as amended by No. 31 of 1926, and by No. 24 of 1929.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that this is crucial for ensuring transparency and accountability in the organization's operations.

2. The second part of the document outlines the various methods and tools used to collect and analyze data. It highlights the need for a systematic approach to data collection and the importance of using reliable and valid measurement instruments.

3. The third part of the document discusses the ethical considerations that must be taken into account when conducting research. It stresses the importance of obtaining informed consent from participants and ensuring that their privacy and confidentiality are protected throughout the study.

4. The fourth part of the document describes the various methods used to analyze and interpret the data. It covers both quantitative and qualitative methods, highlighting the strengths and limitations of each approach and the importance of using appropriate statistical techniques.

5. The fifth part of the document discusses the importance of reporting the results of the research in a clear and concise manner. It emphasizes the need to provide a detailed and accurate account of the findings, including the limitations of the study and the implications for future research and practice.
