Part 6—Other transitional provisions

17A Reductions in new grants to take account of grants made under section 20A of the Higher Education Funding Act 1988

(1) If the Minister determines a special purpose grant under section 20A of the old Act for an institution (as defined in section 4 of that Act) in respect of a transitional adjustment year, then the amounts of grant payable to the institution under section 33-1 of the new Act in respect of:

   (a) the year next following that year; or
   (b) the 2 years next following that year; or
   (c) the 3 years next following that year;

are reduced by amounts that equal in total the amount of the special purpose grant.

(2) In this item:

18 Rollover of 2003 grants made under section 23 of the Higher Education Funding Act 1988

If:

   (a) a body receives a grant of financial assistance under section 23 of the old Act during the year 2003; and
   (b) the body fails to spend all of that grant in accordance with the old Act in respect of the year 2003; and
   (c) the Secretary determines in writing that this paragraph applies to the body;

then so much of the unspent grant amount as the Secretary specifies in relation to the grant will be taken to have been granted to the body under the new Act in respect of the year 2004:

   (d) under the section of the new Act that the Secretary specifies in the determination; and
   (e) on such conditions as the Secretary specifies in the determination.

19 Rollover of 2004 grants made under the *Higher Education Funding Act 1988*

If:

(a) a body receives a grant of financial assistance under Chapter 2 of the old Act during the year 2004; and
(b) the body fails to spend all of that grant in accordance with the old Act in respect of the year 2004; and
(c) the Secretary determines in writing that this paragraph applies to the body;

then so much of the unspent grant amount as the Secretary specifies in relation to the grant will be taken to have been granted to the body under the new Act in respect of the year 2005:

(d) under the section of the new Act that the Secretary specifies in the determination; and
(e) on such conditions as the Secretary specifies in the determination.

20 Merit based equity scholarships

(1) A student who:

(a) before the commencement of the new Act, was awarded a merit-based equity scholarship referred to in subsection 35(7) of the old Act for a course of study at an institution (as defined for the purposes of Chapter 4 of the old Act); and
(b) continues to undertake that course at the institution after that commencement;

is taken, for the purposes of the new Act, to be an exempt student for all of the units of study that he or she undertakes as part of that course at that institution.

(2) However, this item does not apply if the institution is not a higher education provider.

21 Marginally funded places

(1) A higher education provider’s funding agreement under section 30-25 of the new Act for the year 2005, 2006 or 2007 (the *grant year*) may specify an allowable number of marginally funded places in respect of that year.
(2) If such a funding agreement specifies such a number, then, for the purposes of:
   (a) deciding whether the provider has an adjustment under subsection 33-25(1) of the new Act for the year following the grant year; and
   (b) working out the amount of any such adjustment for the year following the grant year;

the number of Commonwealth supported places that are provided in the grant year is taken to be reduced by the number so specified in that funding agreement.

21A Increases in assistance in 2005 for higher education providers meeting certain requirements

For the purposes of paragraph 33-15(1)(c) of the Higher Education Support Act 2003, the Minister is taken to be satisfied that the provider met the requirements in paragraph 33-15(1)(a) of that Act, as at a date in 2004, specified in the Commonwealth Grant Scheme Guidelines, if:
   (a) the grant year is the year 2005; and
   (b) the Minister is satisfied that the provider met at least some of those requirements by the specified date; and
   (c) the Minister is satisfied that the provider has taken all reasonable steps to meet the requirements.

22 Assessment statements

(1) A written statement that an assessing body for a listed professional occupation gave to a person, at a time before the commencement of the new Act, is taken to be an assessment statement for the purposes of the new Act if:
   (a) the person held a qualification awarded in a foreign country; and
   (b) the qualification related to that occupation; and
   (c) the person proposed to seek entry to that occupation:
      (i) in Australia; or
