3. **Schedule(s)**

4. Each Act that is specified in a Schedule to this Act is amended or repealed as set out in the applicable items in the Schedule concerned, and any other item in a Schedule to this Act has effect according to its terms.
Schedule 1—Amendment of Acts

Part 1—Amendment of the Environment Protection and Biodiversity Conservation Act 1999

1 After section 5
   Insert:

6 Extended application of Act to match extended management of fisheries under the *Fisheries Management Act 1991*

   (1) This section applies if:
      (a) under the *Fisheries Management Act 1991*, a plan of management in force under that Act applies to particular fishing activities in a particular area of water; and
      (b) the area of water is not within, or is not wholly within:
         (i) the Australian jurisdiction; or
         (ii) a Commonwealth area; or
         (iii) a Commonwealth marine area; and
      (c) the area of water is not:
         (i) an area of water, rights in respect of which have been vested in a State by section 4 of the *Coastal Waters (State Title) Act 1980* or in the Northern Territory by section 4 of the *Coastal Waters (Northern Territory Title) Act 1980*; or
         (ii) an area of water within the limits of a State or the Northern Territory.

   (2) If, apart from this subsection, a provision of this Act would, or would not, apply in relation to the fishing activities (or in relation to fish or other things taken in the course of the activities) because the area of water mentioned in subsection (1) is not within, or is not wholly within:
      (a) the Australian jurisdiction; or
      (b) a Commonwealth area; or
      (c) a Commonwealth marine area;
that provision has effect in relation to the fishing activities (and in relation to fish or other things taken in the course of the activities) as if the area of water were wholly within:
(d) the Australian jurisdiction; or
(e) a Commonwealth area; or
(f) a Commonwealth marine area;
as the case requires.

Note: This section is subject to subsection 5(3).

Example 1: Fishing activities in an area of water that is not a Commonwealth area generally do not contravene Part 13. However, because of this subsection, that Part applies to fishing activities to which this section applies as if the area of water were within a Commonwealth area. The fishing activities may therefore contravene that Part.

Example 2: If fish taken in the course of fishing activities in an area of water that is not within the Australian jurisdiction are brought into Australia, this generally constitutes an import (being an import by way of introduction from the sea) of the fish into Australia, which may contravene Part 13A. However, because of this subsection, that Part applies to the fish as if the area of water were within the Australian jurisdiction. The bringing of the fish into Australia therefore does not constitute an import for the purposes of that Part.

Example 3: This section allows a plan of management to be accredited under Part 13 in respect of the entire area of water to which the plan relates (even if some of the area is outside the Australian jurisdiction, a Commonwealth area or a Commonwealth marine area).

(3) In this section:

fishing has the same meaning as in the Fisheries Management Act 1991.

2 Section 7

3 At the end of section 7

Add:

Note: If the Minister decides, under subsection 75(1), that the action is a controlled action, the Minister must, unless the Minister has requested more information under subsection 76(3) or section 89, decide on the approach to be used for assessment of the relevant impacts of the action on the same day as the Minister makes the decision under subsection 75(1)—see subsection 88(2).

(3) If the Minister believes on reasonable grounds that the information given to the Minister in relation to the action is not enough to allow the Minister to make an informed decision on the approach to be used for assessment of the relevant impacts of the action, the Minister may request the person proposing to take the action to provide specified information relevant to making the decision.

(4) Without limiting subsection (3), if the action is to be taken in a State or self-governing Territory, the Minister may request the person proposing to take the action to provide information about:

194 Subsection 77A(1)

Repeal the subsection, substitute:

(1) If, in deciding whether the action is a controlled action or not, the Minister has made a decision (the component decision) that a particular provision of Part 3 is not a controlling provision for the action because the Minister believes it will be taken in a particular manner, the notice, to be provided under section 77, must set out the component decision, identifying the provision and the manner.

Note: The Minister may decide that a provision of Part 3 is not a controlling provision for an action because he or she believes that the action will be taken in a manner that will ensure the action will not have (and is not likely to have) an adverse impact on the matter protected by the provision.

(1A) For the purposes of subsection (1), it does not matter whether or not the Minister believes that the action will be taken in accordance with:

(a) an accredited management arrangement or an accredited authorisation process for the purposes of a declaration under section 33; or

Subdivision B—Approval of taking of actions in accordance with endorsed policy, plan or program

146A Definition

In this Subdivision and Subdivision C:

edorsed policy, plan or program means a policy, plan or program that has been endorsed by the Minister in accordance with an agreement as mentioned in paragraph 146(2)(f).

146B Minister may approve taking of actions in accordance with endorsed policy, plan or program

(1) Subject to Subdivision C, the Minister may approve the taking of an action or a class of actions in accordance with an endorsed policy, plan or program.

Note: Subdivision C sets out matters that the Minister must take into account in deciding whether or not to approve the taking of an action or a class of actions in accordance with an endorsed policy, plan or program.

(2) An approval of the taking of an action or a class of actions in accordance with an endorsed policy, plan or program must:

(a) be in writing; and
(b) specify the action or class of actions that may be taken in accordance with the endorsed policy, plan or program; and
(c) specify each provision of Part 3 for which the approval has effect; and
(d) specify the period for which the approval has effect; and
(e) set out the conditions attached to the approval.

(2A) An approval of the taking of an action or a class of actions in accordance with an endorsed policy, plan or program may specify

96 Environment and Heritage Legislation Amendment Bill (No. 1) 2006 No. , 2006
the person or persons who may take the action or an action in the
class of actions.

(3) The Minister must:
(a) give a copy of the approval to the person responsible for the
adoption or implementation of the endorsed policy, plan or
program; and
(b) provide a copy of the approval to a person who asks for it
(either at no charge or for a reasonable charge determined by
the Minister).

(4) However, the Minister must not provide under subsection (3) a
copy of so much of the approval as:
(a) is an exempt document under the Freedom of Information Act
1982 on the grounds of commercial confidence; or
(b) the Minister believes it is in the national interest not to
provide.

The Minister may consider the defence or security of the
Commonwealth when determining what is in the national interest.
This does not limit the matters the Minister may consider.

(5) An approval given under subsection (1) is not a legislative
instrument.

146C Inviting comments from other Ministers before deciding
whether or not to approve taking of actions in accordance
with endorsed policy, plan or program

(1) Before the Minister (the Environment Minister) decides whether
or not to approve the taking of an action or a class of actions in
accordance with an endorsed policy, plan or program, he or she
must:
(a) inform any other Minister whom the Environment Minister
believes has administrative responsibilities relating to the
action or class of actions of the decision the Environment
Minister proposes to make; and
(b) invite each Minister informed to give the Environment
Minister, within 10 business days, comments on the proposed
decision.

(2) A Minister who is invited to comment may make comments:
Schedule 1 Amendment of Acts

Part 1 Amendment of the Environment Protection and Biodiversity Conservation Act 1999

(a) that relate to economic and social matters relating to the
action or class of actions to which the proposed decision
relates; and
(b) that may be considered by the Environment Minister
consistently with the principles of ecologically sustainable
development.

This does not limit the comments such a Minister may give.

146D Effect of approval of taking of actions in accordance with
endorsed policy, plan or program

(1) If an approval under section 146B is in force, the following
provisions have effect:

(a) the Minister is taken to have decided under Division 2 of
Part 7 that:

(i) each action specified in the approval under paragraph
146B(2)(b), or each action in a class of actions specified
in the approval under that paragraph, is a controlled
action; and

(ii) each provision of Part 3 specified in the approval under
paragraph 146B(2)(c) is a controlling provision for each
such controlled action;

(b) the Minister is taken to have approved under Part 9, for the
purposes of each controlling provision for each controlled
action, the taking of the action by any of the following:

(i) the person or persons (if any) specified in the approval
under subsection 146B(2A) as the person or persons
who may take the action;

(ii) any other person who may take the action in accordance
with the endorsed policy, plan or program.

(2) Parts 7 and 8 and paragraph 170A(c) do not apply in relation to an
action if an approval of the taking of the action, or an approval of
the taking of a class of actions that includes the action, in
accordance with an endorsed policy, plan or program is in force
under section 146B.

(3) Subject to subsection (4), section 134 and Divisions 2, 3 and 4 of
Part 9 apply in relation to an approval of the taking of an action
that is taken to have been given under Part 9 because of
paragraph (1)(b).
(4) Subsection 145A(4) applies in relation to a decision whether or not to reinstate an approval of the taking of an action that is taken to have been given under Part 9 because of paragraph (1)(b), as if:

(a) the reference to Subdivision B of Division 1 of Part 9 were a reference to Subdivision C of this Division; and

(b) the reference to a decision whether or not to approve the taking of an action were a reference to a decision whether or not to approve, under this Subdivision, the taking of an action in accordance with an endorsed policy, plan or program.

Subdivision C—Considerations for approving taking of actions in accordance with endorsed policy, plan or program

146E Minister must comply with this Subdivision

The Minister must comply with this Subdivision in deciding:

(a) whether or not to approve, under section 146B, the taking of an action or a class of actions in accordance with an endorsed policy, plan or program; and

(b) in the case of a decision to approve the taking of such an action or class of actions, what conditions (if any) to attach to the approval.

Note: For the meaning of "endorsed policy, plan or program," see section 146A.

146F General considerations

(1) The Minister must consider the following, so far as they are not inconsistent with any other requirements of this Subdivision:

(a) matters relevant to any matter protected by a provision of Part 3 that the Minister considers is relevant to the approval;

(b) economic and social matters.

(2) In considering those matters, the Minister must take into account the principles of ecologically sustainable development.

Note: The declaration and accreditation will allow actions that would otherwise be prohibited by sections 23 and 24A to be taken without approval if they are taken in accordance with the accredited arrangement. See section 32.

(1) If:

(a) a proposal (the *original proposal*) by a person to take an action has been referred to the Minister under Division 1 of Part 7; and

(b) after the referral is made, the person wishes to change the original proposal;

the person may, subject to subsection (2), request the Minister to accept a variation (a *varied proposal*) of the original proposal.

(2) Subsection (1) does not apply if:

(a) the Minister has made a decision under section 74A to not accept the referral of the original proposal; or
Amendment of the Environment Protection and Biodiversity Conservation Act 1999

Part 1

(b) the Minister has made a decision under section 75 that the proposed action is not a controlled action; or

(c) a particular manner for taking the proposed action is identified under subsection 77A(1) in the notice given under section 77 in relation to the action; or

(d) the Minister has made a decision under section 133 approving or refusing to approve the taking of the proposed action; or

(e) the referral of the original proposal has been withdrawn under section 170C.

(3) A request under subsection (1) must:

(a) be made in a way prescribed by the regulations; and

(b) include the information prescribed by the regulations.

(4) If a request is made under subsection (1), any provisions of this Chapter that would, apart from this subsection, have applied in relation to the original proposal cease to apply to that proposal.

Note: Provisions that have ceased to apply in relation to the original proposal under subsection (4) will start to apply to that proposal, or to the varied proposal, after the Minister has decided whether or not to accept the varied proposal. See section 156D.

156B Minister must decide whether or not to accept a varied proposal

(1) Within 20 business days after receiving a request under subsection 156A(1) to accept a varied proposal to take an action, the Minister must decide whether or not to accept the varied proposal.

Note: The Minister may request further information for the purpose of making a decision under this subsection. See section 156C.

(2) The Minister must not decide to accept the varied proposal unless the Minister is satisfied that the character of the varied proposal is substantially the same as the character of the original proposal.

This subsection does not limit the matters the Minister may consider in deciding whether or not to accept the varied proposal.

(3) In considering, for the purposes of subsection (2), whether or not the character of the varied proposal is substantially the same as the character of the original proposal, the Minister must have regard to the change (if any) in:
Schedule 1 Amendment of Acts
Part 1 Amendment of the Environment Protection and Biodiversity Conservation Act 1999

(a) the nature of the activities proposed to be carried out in taking the action; and
(b) the nature and extent of the impacts (if any) the action:
   (i) has or will have; or
   (ii) is likely to have;

156C Minister may request further information in relation to a varied proposal

(1) If the Minister believes on reasonable grounds that a request under subsection 156A(1) to accept a varied proposal to take an action does not include enough information for the Minister to decide whether or not to accept the varied proposal, the Minister may request the person proposing to take the action to provide specified information relevant to making the decision.

(2) If the Minister has requested more information under subsection (1), a day is not to be counted as a business day for the purposes of subsection 156B(1) if it is:
   (a) on or after the day the Minister requested the information; and
   (b) on or before the day on which the Minister receives the last of the information requested.

156D Effect of Minister’s decision to accept or not accept a varied proposal

(1) If the Minister decides to accept a varied proposal to take an action:
   (a) any provisions of this Chapter that, because of subsection 156A(4), have ceased to apply in relation to the original proposal start to apply in relation to the varied proposal; and
   (b) for the purpose of the application of those provisions, anything done in relation to the original proposal is taken to have been done in relation to the varied proposal.

(2) If the Minister decides not to accept a varied proposal to take an action, any provisions of this Chapter that, because of subsection 156A(4), have ceased to apply in relation to the original proposal start to apply in relation to that proposal.
(3) For the purpose of the application of the provisions of this Chapter in relation to the varied proposal under subsection (1), or in relation to the original proposal under subsection (2), a day is not to be counted as a business day if it is:

(a) on or after the day the Minister received the request under subsection 156A(1) to accept the varied proposal; and

(b) on or before the day the Minister made the decision under subsection 156B(1).

156E Notice of decision

(1) Within 10 business days after deciding under subsection 156B(1) whether or not to accept a varied proposal to take an action, the Minister must give written notice of the decision to:

(a) the person proposing to take the action; and

(b) the designated proponent of the action (if the designated proponent of the action is not the person proposing to take the action).

(2) If:

(a) the request to accept the varied proposal related to an action that is to be taken in a State or self-governing Territory; and

(b) a controlling provision for the action is in Division 1 of Part 3 (which deals with matters of national environmental significance); and

(c) the Minister decided to accept the varied proposal; the Minister must also, within the period referred to in subsection (1), give written notice of the decision to the appropriate Minister of the State or Territory.

(3) If the Minister decided to accept the varied proposal, the Minister must, within the period referred to in subsection (1), publish the request to accept the varied proposal and notice of the decision in accordance with the regulations.
Division 1B—Change of person proposing to take action

156F Change of person proposing to take action

the person (the first person) proposing to take the action and another person (the second person) may notify the Minister, in writing, that:

(3) A notice under subsection (1) must include the information (if any) prescribed by the regulations.

Effect of notice

(4) If a notice is given to the Minister under subsection (1):

(a) any provisions of this Chapter that, apart from this paragraph, would have applied to the first person in relation to the action cease to apply to that person and start to apply to the second person; and
(b) for the purposes of the application of those provisions:

(i) the second person is taken to be named in the referral of the proposal to take the action as the person proposing to take the action; and

(ii) the second person is taken to have done anything the first person did in relation to the action; and

(iii) anything done in relation to the first person in relation to the action is taken to have been done in relation to the second person.

assessment documentation relating to the action as the designated
proponent considers is commercial-in-confidence.

(3) A request under subsection (2) must include the information
prescribed by the regulations.

(4) If the Minister is satisfied that a part of the assessment
documentation relating to the action is commercial-in-confidence,
the Minister may, by written notice to the designated proponent,
permit the designated proponent not to publish that part of the
assessment documentation.

(5) The Minister must not be satisfied that a part of the assessment
documentation relating to the action is commercial-in-confidence
unless a person demonstrates to the Minister that:

(a) release of the information in that part would cause
competitive detriment to the person; and

(b) the information in that part is not in the public domain; and

(c) the information in that part is not required to be disclosed
under another law of the Commonwealth, a State or a
Territory; and

(d) the information in that part is not readily discoverable.

(6) If the Minister permits the designated proponent not to publish a part of the assessment documentation that the Minister considers is commercial-in-confidence, the provision of Division 4, 5 or 6 of Part 8 that requires the designated proponent to publish the assessment documentation has effect as if it did not require the publication of that part of the assessment documentation.

(7) In this section:

assessment documentation, in relation to an action to which Division 4, 5 or 6 of Part 8 applies, means:

(a) if Division 4 of Part 8 (assessment on preliminary documentation) applies to the action:
   (i) the information referred to in paragraphs 95(2)(a) and (b) or 95A(3)(a), (b) and (c), as the case requires; and
   (ii) the document prepared under paragraph 95B(1)(a) or the information referred to in subsection 95B(4), as the case requires; or

(b) if Division 5 of Part 8 (public environment reports) applies to the action:
   (i) the draft public environment report relating to the action given to the Minister under paragraph 98(1)(ab); and
   (ii) the finalised public environment report relating to the action given to the Minister under section 99; or

(c) if Division 6 of Part 8 (environmental impact statements) applies to the action:
   (i) the draft environmental impact statement relating to the action given to the Minister under paragraph 103(1)(ab); and
   (ii) the finalised environmental impact statement relating to the action given to the Minister under section 104.

(i) the grounds on which the species or community is eligible to be included in the category; and

(ii) the main factors that are the cause of it being so eligible; and

(b) either:

(i) information about what could appropriately be done to stop the decline of, or support the recovery of, the species or community; or

(ii) a copy of advice relating to an amendment concerning a native species or ecological community; and
(b) the member is aware that, under section 189A, it would be sufficient compliance with this Act if the copy included only a general location of the species or community;

Subdivision AA—The nomination and listing process

194A Simplified outline

The following is a simplified outline of this Subdivision:

This Subdivision sets out the usual process for including an item in a list referred to in section 178, 181 or 183, or transferring an item from one category in one of those lists to another category in the list.

The usual process involves an annual cycle that revolves around 12-month periods known as assessment periods. The Minister determines the start of the first assessment period (see section 194C).

The usual process involves the following steps for each assessment period for a list:

(a) the Minister may determine conservation themes (this step is optional) (see section 194D);

(b) the Minister invites people to nominate items for inclusion in the list referred to in section 178, 181 or 183, and gives the nominations to the Scientific Committee (see sections 194E and 194F);

(c) the Scientific Committee prepares, and gives to the Minister, a list of items (which will mostly be items that have been nominated) that it thinks should be assessed (see sections 194G to 194J);

(d) the Minister finalises the list of items that are to be assessed (see sections 194K and 194L);

(e) the Scientific Committee invites people to make comments about the item in the finalised list (see section 194M);
Amendment of Acts Schedule 1
Amendment of the Environment Protection and Biodiversity Conservation Act 1999
Part 1

(f) the Scientific Committee assesses the item in the finalised list, and gives the assessments to the Minister (see sections 194N and 194P);

(g) the Minister decides whether an item that has been assessed should be included in the list referred to in section 178, 181 or 183 (see section 194Q).

The steps mentioned in paragraphs (a) to (d) will generally be completed before the start of the assessment period.

194B Definitions

(1) In this Subdivision:

assessment period has the meaning given by subsection 194C(1).

eligible for assessment consideration, in relation to an assessment period, has the meaning given by subsection 194G(3).

finalised priority assessment list for an assessment period has the meaning given by subsection 194K(4).

includes has a meaning affected by subsection (2).

proposed priority assessment list for an assessment period has the meaning given by subsection 194G(1).

Subdivision A List means a list referred to in section 178, 181 or 183.

(2) A reference in this Subdivision to including an item in a list referred to in section 178 or 181 includes a reference to transferring the item from one category in the list to another category in the list.

194C Meaning of assessment period

(1) For the purposes of this Subdivision, each of the following is an assessment period for a Subdivision A List:

(a) the period of 12 months starting on the day determined in writing by the Minister for the purposes of this paragraph in relation to the Subdivision A List;
Schedule 1 Amendment of Acts

Part 1 Amendment of the Environment Protection and Biodiversity Conservation Act 1999

(b) each period of 12 months starting on an anniversary of the
day so determined.

(2) The Minister must make a determination under paragraph (1)(a)
within 3 months after the commencement of this section. The day
so determined must not be more than 12 months after that
commencement.

(3) A determination under paragraph (1)(a) is a legislative instrument,
but neither section 42 nor Part 6 of the Legislative Instruments Act
2003 applies to the determination.

194D Minister may determine conservation themes for an
assessment period

(1) Before the Minister invites nominations for an assessment period
for a Subdivision A List under section 194E, the Minister may
determine one or more conservation themes that the Minister
considers should be given priority in relation to the assessment
period for the Subdivision A List.

(2) Without limiting subsection (1), the Minister may determine as a
conservation theme that priority should be given to the
conservation of:
   (a) particular groups of species; or
   (b) particular species; or
   (c) particular regions of Australia.

(3) The Minister may request advice from the Scientific Committee for
the purpose of making a determination under subsection (1), and
may have regard to any advice the Committee provides in response
to the request.

(4) A determination under subsection (1) is a legislative instrument,
but section 42 of the Legislative Instruments Act 2003 does not
apply to the determination.

194E Minister to invite nominations for each assessment period

(1) Before the start of each assessment period for a Subdivision A List,
the Minister must publish a notice inviting people to nominate
items for inclusion in the Subdivision A List.
Part 1

Note: Nominations can be for the transfer of an item already on a list covered by section 178 or 181 from one category in the list to another category in the list (see subsection 194B(2)).

(2) A notice under subsection (1):
   (a) must be published in accordance with the regulations referred to in paragraph (3)(a); and
   (b) must invite people to nominate, to the Minister, items for inclusion in the Subdivision A List; and
   (c) must identify the assessment period to which the notice relates; and
   (d) must specify a date (the cut-off date) by which nominations must be received, which must be at least 40 business days after the notice has been published as required by paragraph (a); and
   (e) must specify, or refer to, the information requirements, and the manner and form requirements, that, under regulations referred to in paragraphs (3)(b) and (c), apply to making nominations; and
   (f) may also include:
      (i) information related to any conservation themes that the Minister has determined under section 194D should be given priority in relation to the assessment period for the Subdivision A List; and
      (ii) any other information that the Minister considers appropriate.

(3) The regulations must provide for the following:
   (a) how a notice under subsection (1) is to be published;
   (b) the manner and form for making nominations;
   (c) what information is to be included in a nomination.

194F Minister to give nominations to Scientific Committee

   Nominations in relation to first assessment period

   (1) Within 30 business days after the cut-off date specified in the notice under subsection 194E(1) for the first assessment period, the Minister must give the Scientific Committee the nominations that the Minister:
       (a) had received before the end of that cut-off date; and
Schedule 1  Amendment of Acts
Part 1  Amendment of the Environment Protection and Biodiversity Conservation Act 1999

(b) had not already forwarded to the Scientific Committee, under section 191 (as in force before the commencement of this section), to assess; and
(c) had not already rejected under section 191 (as in force before the commencement of this section); and
(d) does not reject under subsection (3).

Nominations in relation to later assessment periods

(2) Within 30 business days after the cut-off date (the current cut-off date) specified in the notice under subsection 194E(1) for an assessment period (other than the first) for a Subdivision A List, the Minister must give the Scientific Committee the nominations that were received by the Minister in the period:
(a) starting immediately after the end of the cut-off date specified in the notice under subsection 194E(1) for the immediately preceding assessment period for the Subdivision A List; and
(b) ending at the end of the current cut-off date for the Subdivision A List;
other than any such nominations that the Minister has rejected under subsection (3).

Minister may reject nominations

(3) The Minister may, in writing, reject a nomination if the Minister considers that:
(a) the nomination is vexatious, frivolous or not made in good faith; or
(b) the Minister considers that regulations referred to in paragraph 194E(3)(b) or (c) have not been complied with in relation to the nomination.

(4) If a nomination is rejected under paragraph (3)(b), the Minister must, if practicable, notify the person who made the nomination of the rejection of the nomination and the reason for the rejection.

Definition

(5) In this section:
nomination means a nomination of an item for inclusion in a Subdivision A List.

194G Scientific Committee to prepare proposed priority assessment list

(1) Within 40 business days after the Scientific Committee receives the nominations as required by subsection 194F(1) in relation to an assessment period for a Subdivision A List, the Committee must prepare and give to the Minister a list (the proposed priority assessment list) for the assessment period for the Subdivision A List.

(2) The proposed priority assessment list for the Subdivision A List is to consist of such of the items that are eligible for assessment consideration in relation to the assessment period for the Subdivision A List as the Scientific Committee considers it appropriate to include in the proposed priority assessment list, having regard to:

(a) any conservation themes determined by the Minister under section 194D in relation to the assessment period for the Subdivision A List; and

(b) the Committee’s own views about what should be given priority in relation to the assessment period for the Subdivision A List; and

(c) the Committee’s capacity to make assessments under this Division while still performing its other functions; and

(d) any other matters that the Committee considers appropriate.

(3) An item is eligible for assessment consideration in relation to the assessment period for a Subdivision A List if:

(a) the item has been nominated by a nomination referred to in subsection (1); or

(b) the Committee itself wishes to nominate the item for inclusion in the Subdivision A List; or

(c) the item was eligible for assessment consideration, otherwise than because of this paragraph, in relation to the immediately preceding assessment period (if any) for the Subdivision A List but was not included in the finalised priority assessment list for that assessment period for the Subdivision A List.
(4) Without limiting the generality of the Scientific Committee’s
discretion under subsection (2), the Committee does not have to
include in the proposed priority assessment list an item that has
been nominated if the Committee considers that:
(a) if the item is not on the Subdivision A List concerned—it is
unlikely that the item is eligible to be included in the
Subdivision A List; or
(b) if the nomination is for the transfer of the item to another
category in the Subdivision A List concerned—it is unlikely
that the item is eligible to be included in that other category
of the Subdivision A List.

(5) For the purposes of subsection (4), the Committee is not required
to have regard to any information beyond the information that was
included in the nomination.

(6) The proposed priority assessment list is not a legislative
instrument.

194H Matters to be included in proposed priority assessment list

(1) The proposed priority assessment list for an assessment period for
a Subdivision A List is to include, for each item in the proposed
priority assessment list:
(a) a description of the item; and
(b) an assessment completion time; and
(c) any other information required by the regulations.

(2) The assessment completion time for an item must be either:
(a) a time that is at or before the end of the assessment period for
the proposed priority assessment list; or
(b) if the Scientific Committee considers it likely that making an
assessment in relation to the item will take a period that is
longer than 12 months—the end of that longer period
(calculated from the start of the assessment period for the
proposed priority assessment list).

194J Statement to be given to Minister with proposed priority
assessment list

(1) When the Scientific Committee gives the Minister the proposed
priority assessment list for an assessment period for a Subdivision

132 Environment and Heritage Legislation Amendment Bill (No. 1) 2006 No. , 2006
A List, the Committee must also give the Minister a statement setting out such information as the Committee considers appropriate relating to:

(a) for each item that is included in the proposed priority assessment list—why the Committee included the item in the list; and

(b) for each item that is not included in the proposed priority assessment list but that was eligible for assessment consideration because of paragraph 194G(3)(a) or (c)—why the Committee did not include the item in the proposed priority assessment list.

(2) The statement must also identify, as items nominated by the Scientific Committee, any items that are included in the proposed priority assessment list because the Committee itself wishes to nominate them (see paragraph 194G(3)(b)).

194K The finalised priority assessment list

(1) Within 20 business days after the Minister, under section 194G, receives the proposed priority assessment list for an assessment period for a Subdivision A List, the Minister may, in writing, make changes to the proposed priority assessment list as mentioned in subsection (2).

(2) The changes the Minister may make are as follows:

(a) including an item in the proposed priority assessment list (and also including the matters referred to in subsection 194H(1));

(b) omitting an item from the proposed priority assessment list (and also omitting the matters referred to in subsection 194H(1));

(c) changing the assessment completion time for an item in the proposed priority assessment list;

List: usual process

324E Simplified outline

The following is a simplified outline of this Subdivision:

This Subdivision sets out the usual process for the inclusion of
places in the National Heritage List.

The usual process involves an annual cycle that revolves around
12-month periods known as assessment periods. The Minister
determines the start of the first assessment period (see
section 324G).

The usual process involves the following steps for each assessment
period:

(a) the Minister may determine heritage themes (this
    step is optional) (see section 324H);

(b) the Minister invites people to nominate places for
    inclusion in the National Heritage List, and gives
the nominations to the Australian Heritage Council (see sections 324J and 324JA);

(c) the Australian Heritage Council prepares, and gives to the Minister, a list of places (which will mostly be places that have been nominated) that it thinks should be assessed (see sections 324JB, 324JC and 324JD);

(d) the Minister finalises the list of places that are to be assessed (see sections 324JE and 324JF);

(e) the Australian Heritage Council invites people to make comments about the places in the finalised list (see section 324JG);

(f) the Australian Heritage Council assesses the places in the finalised list, and gives the assessments to the Minister (see sections 324JH and 324JI);

(g) the Minister decides whether a place that has been assessed should be included in the National Heritage List (see section 324JJ).

The steps mentioned in paragraphs (a) to (d) will generally be completed before the start of the assessment period.

324F Definitions

In this Subdivision:

*assessment period* has the meaning given by subsection 324G(1).

*eligible for assessment consideration*, in relation to an assessment period, has the meaning given by subsection 324JB(3).

*finalised priority assessment list* for an assessment period has the meaning given by subsection 324JE(4).

*proposed priority assessment list* for an assessment period has the meaning given by subsection 324JB(1).
324G Meaning of assessment period

(b) each period of 12 months starting on an anniversary of the day so determined.

(2) The Minister must make a determination under paragraph (1)(a) within 3 months after the commencement of this section. The day so determined must not be more than 12 months after that commencement.

(3) A determination under paragraph (1)(a) is a legislative instrument, but neither section 42 nor Part 6 of the Legislative Instruments Act 2003 applies to the determination.

324H Minister may determine heritage themes for an assessment period

(1) Before the Minister invites nominations for an assessment period under section 324J, the Minister may determine one or more heritage themes that the Minister considers should be given priority in relation to the assessment period.

(2) The Minister may request advice from the Australian Heritage Council for the purpose of making a determination under subsection (1), and may have regard to any advice the Council provides in response to the request.

(3) A determination under subsection (1) is a legislative instrument, but section 42 of the Legislative Instruments Act 2003 does not apply to the determination.

324J Minister to invite nominations for each assessment period

(1) Before the start of each assessment period, the Minister must publish a notice inviting people to nominate places for inclusion in the National Heritage List.

(2) A notice under subsection (1):
(a) must be published in accordance with the regulations referred to in paragraph (3)(a); and
(b) must invite people to nominate, to the Minister, places for inclusion in the National Heritage List; and
(c) must identify the assessment period to which the notice relates; and
(d) must specify a date (the cut-off date) by which nominations must be received, which must be at least 40 business days after the notice has been published as required by paragraph (a); and
(e) must specify, or refer to, the information requirements, and the manner and form requirements, that, under regulations referred to in paragraphs (3)(b) and (c), apply to making nominations; and
(f) may also include:
   (i) information related to any heritage themes that the Minister has determined under section 324H should be given priority in relation to the assessment period; and
   (ii) any other information that the Minister considers appropriate.

(3) The regulations must provide for the following:
(a) how a notice under subsection (1) is to be published;
(b) the manner and form for making nominations;

324JA Minister to give nominations to Australian Heritage Council

Nominations in relation to first assessment period

(1) Within 30 business days after the cut-off date specified in the notice under subsection 324J(1) for the first assessment period, the Minister must give the Australian Heritage Council the nominations that the Minister:
(a) had received before the end of that cut-off date; and
(b) had not already requested the Australian Heritage Council, under section 324E (as in force before the commencement of this section), to assess; and
(c) had not already rejected under section 324E (as in force before the commencement of this section); and
(d) does not reject under subsection (4).

(2) Subsection (1) does not apply to a nomination of a place if:

(a) the place is outside the Australian jurisdiction; or
(b) the Minister had, before the commencement of this section, included the place in the National Heritage List under section 324F (as in force before the commencement of this section).

Nominations in relation to later assessment periods

(3) Within 30 business days after the cut-off date (the current cut-off date) specified in the notice under subsection 324J(1) for an assessment period (other than the first), the Minister must give the Australian Heritage Council the nominations that were received by the Minister in the period:

(a) starting immediately after the end of the cut-off date specified in the notice under subsection 324J(1) for the immediately preceding assessment period; and
(b) ending at the end of the current cut-off date; other than any such nominations that the Minister rejects under subsection (4).

Minister may reject nominations

(4) The Minister may, in writing, reject a nomination if the Minister considers that:

(a) the nomination is vexatious, frivolous or not made in good faith; or
(b) the Minister considers that regulations referred to in paragraph 324J(3)(b) or (c) have not been complied with in relation to the nomination.

(5) If a nomination is rejected under paragraph (4)(b), the Minister must, if practicable, notify the person who made the nomination of the rejection of the nomination and the reason for the rejection.

Definition

(6) In this section:

nomination means a nomination of a place for inclusion in the National Heritage List.
324JB Australian Heritage Council to prepare proposed priority assessment list

(1) Within 40 business days after the Australian Heritage Council receives the nominations as required by subsection 324JA(1) in relation to an assessment period, the Council must prepare and give to the Minister a list (the proposed priority assessment list) for the assessment period.

(2) The proposed priority assessment list is to consist of such of the places that are eligible for assessment consideration in relation to the assessment period as the Australian Heritage Council considers it appropriate to include in the list, having regard to:

(a) any heritage themes determined by the Minister under section 324H in relation to the assessment period; and
(b) the Council’s own views about what should be given priority in relation to the assessment period; and
(c) the Council’s capacity to make assessments under this Division while still performing its other functions; and
(d) any other matters that the Council considers appropriate.

(3) A place is eligible for assessment consideration in relation to the assessment period if:

(a) the place has been nominated by a nomination referred to in subsection (1); or
(b) the Council itself wishes to nominate the place for inclusion in the National Heritage List; or
(c) the place was eligible for assessment consideration, otherwise than because of this paragraph, in relation to the immediately preceding assessment period (if any) but was not included in the finalised priority assessment list for that assessment period; or
(d) each part of the place is either a place to which paragraph (a) applies, a place to which paragraph (b) applies or a place to which paragraph (c) applies.

(4) Without limiting the generality of the Australian Heritage Council’s discretion under subsection (2), the Council does not have to include in the proposed priority assessment list a place that has been nominated if the Council considers that it is unlikely that the place has any National Heritage values. For this purpose, the
Schedule 1 Amendment of Acts

Council is not required to have regard to any information beyond the information that was included in the nomination.

(5) The proposed priority assessment list is not a legislative instrument.

324JC Matters to be included in proposed priority assessment list

(1) The proposed priority assessment list for an assessment period is to include, for each place in the list:
   (a) a description of the place; and
   (b) an assessment completion time; and
   (c) any other information required by the regulations.

(2) The assessment completion time for a place must be either:
   (a) a time that is at or before the end of the assessment period to which the list relates; or
   (b) if the Australian Heritage Council considers it likely that making an assessment in relation to the place will take a period that is longer than 12 months—the end of that longer period (calculated from the start of the assessment period).

324JD Statement to be given to Minister with proposed priority assessment list

(1) When the Australian Heritage Council gives the Minister the priority assessment list for an assessment period, the Council must also give the Minister a statement setting out such information as the Council considers appropriate relating to:
   (a) for each place that is included in the list—why the Council included the place in the list; and
   (b) for each place that is not included in the list but that was eligible for assessment consideration because of paragraph 324JB(3)(a) or (c)—why the Council did not include the place in the list.

(2) The statement must also identify, as places nominated by the Australian Heritage Council:
   (a) any places that are included in the list because the Council itself wishes to nominate them (see paragraph 324JB(3)(b)); and
Amendment of Acts Schedule 1
Amendment of the Environment Protection and Biodiversity Conservation Act 1999
Part 1

(b) any places that are included in the list because of paragraph 324JB(3)(d) that consist of one or more places to which paragraph 324JB(3)(b) applies.

324JE The finalised priority assessment list

(1) Within 20 business days after the Minister, under section 324JB, receives the proposed priority assessment list for an assessment period, the Minister may, in writing, make changes to the list as mentioned in subsection (2).

(2) The changes the Minister may make are as follows:
   (a) including a place in the list (and also including the matters referred to in subsection 324JC(1));
   (b) omitting a place from the list (and also omitting the matters referred to in subsection 324JC(1));
   (c) changing the assessment completion time for a place in the list;
   (d) any other changes of a kind permitted by the regulations.

(3) In exercising the power to make changes, the Minister may have regard to any matters that the Minister considers appropriate.

(4) At the end of the period of 20 business days referred to in subsection (1), the list, as changed (if at all) by the Minister, becomes the finalised priority assessment list for the assessment period.

(5) The Minister must notify the Australian Heritage Council of all changes that the Minister makes to the list.

(6) The finalised priority assessment list is not a legislative instrument.

324JF Publication of finalised priority assessment list

(1) The Australian Heritage Council must publish the finalised priority assessment list for an assessment period on the Internet.

(2) The Australian Heritage Council must also publish the finalised priority assessment list in accordance with any requirements of the regulations.
Schedule 1  Amendment of Acts
Part 1  Amendment of the Environment Protection and Biodiversity Conservation Act 1999

324JG  Australian Heritage Council to invite comments on places in finalised priority assessment list

(1) In relation to each place included in the finalised priority assessment list for an assessment period, the Australian Heritage Council must publish a notice inviting people to make comments on the place.

(2) The Australian Heritage Council may, under subsection (1), publish a single notice relating to all of the places on the finalised priority assessment list, or may publish a number of separate notices, each of which relates to one or more of the places.

(3) A notice under subsection (1), in relation to a place or places:
   (a) must be published in accordance with the regulations referred to in paragraph (4)(a); and
   (b) must identify the place or places to which the notice relates; and
   (c) must invite people to make comments, to the Australian Heritage Council, about:
       (i) whether the place or places meet any of the National Heritage criteria; and
       (ii) whether the place or places should be included in the National Heritage List; and
   (d) must specify the date (the cut-off date) by which comments must be received, which must be at least 30 business days after the notice has been published as required by paragraph (a); and
   (e) must specify, or refer to, the manner and form requirements that, under regulations referred to in paragraph (4)(b), apply to making comments; and
   (f) may also invite people to comment on other matters that the Australian Heritage Council considers appropriate; and
   (g) may also include any other information that the Australian Heritage Council considers appropriate.

(4) The regulations must provide for the following:
   (a) how a notice under subsection (1) is to be published;
   (b) the manner and form for making comments.
324JH Australian Heritage Council to assess places on finalised priority assessment list and give assessments to Minister

(1) In relation to each place included in the finalised priority assessment list for an assessment period, the Australian Heritage Council must (by the time required by section 324JI):
   (a) make a written assessment whether the place meets any of the National Heritage criteria; and
   (b) give to the Minister:
       (i) the written assessment (or a copy of it); and
       (ii) a copy of the comments referred to in paragraphs (2)(a) and (b) (whether or not they have all been taken into account under subsection (2)).

(2) In making an assessment in relation to a place, the Australian Heritage Council, subject to subsections (3) and (4):
   (a) must take into account the comments the Council receives in response to the notice under subsection 324JG(1) in relation to the place; and
   (b) may take into account the comments the Council receives in response to the opportunity referred to in paragraph (5)(c); and
   (c) may seek, and have regard to, information or advice from any source.

(3) The Australian Heritage Council is not required to take a comment referred to in paragraph (2)(a) into account if:
   (a) the Council does not receive the comment until after the cut-off date specified in the notice under subsection 324JG(1) in relation to the place; or
   (b) the Council considers that regulations referred to in paragraph 324JG(4)(b) have not been complied with in relation to the comment.

(4) In making an assessment, the Australian Heritage Council must not consider any matter that does not relate to the question whether the place meets any of the National Heritage criteria.

(5) If, in making an assessment, the Australian Heritage Council considers that a place might have one or more National Heritage values, the Council must:
   (a) take all practicable steps:
(i) to identify each person who is an owner or occupier of all or part of the place; and
(ii) if the Council considers the place might have an indigenous heritage value—to identify each Indigenous person who has rights or interests in all or part of the place; and
(b) take all practicable steps to advise each person identified that the Council is assessing whether the place meets any of the National Heritage criteria; and
(c) give persons advised at least 20 business days to comment in writing whether the place should be included in the National Heritage List.

(6) If the Australian Heritage Council is satisfied that there are likely to be at least 50 persons referred to in subparagraph (5)(a)(i), the Council may satisfy the requirements of subsection (5) in relation to those persons by including the information referred to in paragraphs (5)(b) and (c) in one or more of the following:
(a) advertisements in a newspaper, or newspapers, circulating in the area in which the place is located;
(b) letters addressed to “The owner or occupier” and left at all the premises that are wholly or partly within the place;
(c) displays in public buildings at or near the place.

(7) If:
(a) the Australian Heritage Council considers that the place might have an indigenous heritage value; and
(b) there are Indigenous persons who:
(i) have rights or interests in all or part of the place; and
(ii) are neither owners nor occupiers of all or part of the place; and
(c) the Australian Heritage Council is satisfied that there is a body, or there are bodies, that can appropriately represent those Indigenous persons in relation to those rights and interests;
the Australian Heritage Council may satisfy the requirements of subsection (5) in relation to those Indigenous persons by giving the information referred to in paragraphs (5)(b) and (c) to that body or those bodies.
324JI Time by which assessments to be provided to Minister

(1) Subsection 324JH(1) must be complied with, in relation to a place included in the finalised priority assessment list for an assessment period, by the assessment completion time specified in the list for the place, or by that time as extended under this section.

(2) The Australian Heritage Council may request the Minister to extend the assessment completion time (or that time as previously extended) if the Council considers that it needs more time to make the assessment.

(3) The Minister may, in response to a request under subsection (2), extend the assessment completion time (or that time as previously extended) by such period (if any) as the Minister considers appropriate. However, the total length of all extensions of the assessment completion time must not be more than 5 years.

(4) An extension under subsection (3) must be made in writing.

(5) If the Minister grants an extension under this section, the Minister must publish particulars of the extension in a way that the Minister considers appropriate.

324JJ Decision about inclusion of a place in the National Heritage List

Minister to decide whether or not to include place

(a) by instrument published in the Gazette, include in the National Heritage List:

(i) the assessed place or a part of the assessed place; and

(ii) the National Heritage values of the assessed place, or that part of the assessed place, that are specified in the instrument; or

Schedule 1 Amendment of Acts

Part 1 Amendment of the Environment Protection and Biodiversity Conservation Act 1999

Note: The Minister may include a place in the National Heritage List only if the Minister is satisfied that the place has one or more National Heritage values (see subsection 324C(2)).

(2) Subject to subsection (3), the Minister must comply with subsection (1) within 90 business days after the day on which the Minister receives the assessment.

(3) The Minister may, in writing, extend or further extend the period for complying with subsection (1).

(4) Particulars of an extension or further extension under subsection (3) must be published on the Internet and in any other way required by the regulations.

(5) For the purpose of deciding what action to take under subsection (1) in relation to the assessed place:
   (a) the Minister must have regard to:
      (i) the Australian Heritage Council’s assessment whether the assessed place meets any of the National Heritage criteria; and
      (ii) the comments (if any), a copy of which were given to the Minister under subsection 324JH(1) with the assessment; and
   (b) the Minister may seek, and have regard to, information or advice from any source.

Additional requirements if Minister decides to include place

(6) If the Minister includes the assessed place, or a part of the assessed place (the listed part of the assessed place), in the National Heritage List, he or she must, within a reasonable time:
   (a) take all practicable steps to:
      (i) identify each person who is an owner or occupier of all or part of the assessed place; and
      (ii) advise each person identified that the assessed place, or the listed part of the assessed place, has been included in the National Heritage List; and
   (b) if the assessed place:
      (i) was nominated; or
      (ii) was included in a place that was nominated; or
      (iii) includes a place that was nominated;
by a person in response to a notice under subsection 324J(1)—advise the person that the assessed place, or the listed part of the assessed place, has been included in the National Heritage List; and

(c) publish a copy of the instrument referred to in paragraph (1)(a) on the Internet; and

(d) publish a copy or summary of that instrument in accordance with any other requirements specified in the regulations.

(7) If the Minister is satisfied that there are likely to be at least 50 persons referred to in subparagraph (6)(a)(i), the Minister may satisfy the requirements of paragraph (6)(a) in relation to those persons by including the advice referred to in that paragraph in one or more of the following:

(a) advertisements in a newspaper, or newspapers, circulating in the area in which the assessed place is located;

Additional requirements if Minister decides not to include place

(8) If the Minister decides not to include the assessed place in the National Heritage List, the Minister must, within 10 business days after making the decision:

(b) if the assessed place:

(i) was nominated; or

(ii) was included in a place that was nominated; or

(iii) includes a place that was nominated;

by a person in response to a notice under subsection 324J(1)—advise the person of the decision, and of the reasons for the decision.

Note: Subsection (8) applies in a case where the Minister decides that none of the assessed place is to be included in the National Heritage List.
Subdivision BB—Inclusion of places in the National Heritage List: emergency process

324JK Simplified outline

The following is a simplified outline of this Subdivision:

This Subdivision sets out the emergency process for the inclusion of places in the National Heritage List.

The emergency process involves the following steps:

(a) the Minister may include a place in the National Heritage List if it is under threat (see section 324JL);

(b) the Minister asks the Australian Heritage Council to assess the place (see section 324JM);

(c) the Australian Heritage Council publishes notice of the listing and invites comments (see section 324JN);

(d) the Australian Heritage Council assesses the place, and gives the assessment to the Minister (see sections 324JO and 324JP);

(e) the Minister has 12 months from the listing of the place to decide whether it should continue to be listed, and the listing will lapse if the Minister does not make a decision within that period (see section 324JQ).

324JL Minister may include place in National Heritage List if under threat

(1) If the Minister believes that:

(a) a place has or may have one or more National Heritage values; and

(b) any of those values is under threat of a significant adverse impact; and
(c) that threat is both likely and imminent;
the Minister may, by instrument published in the Gazette, include
in the National Heritage List the place and the National Heritage
values the Minister believes the place has or may have.

(2) If:
(a) the place is included in the National Heritage List under
subsection (1); and
(b) before that inclusion of the place, the place was being
considered for inclusion in the List under the process set out
in Subdivision BA;
that process ceases to apply to the place when it is included in the
List under subsection (1).

Note: Subsection (2) does not prevent the process in Subdivision BA again
starting to apply to the place if (for example) the place ceases to be
listed because of subsection 324JQ(1) or (4) and a person
subsequently nominates the place under that Subdivision.

(3) If the place is included in the National Heritage List under
subsection (1), the Minister must:
(a) within 10 business days after the inclusion of the place,
publish a copy of the instrument under subsection (1):
(i) on the Internet; and
(ii) in accordance with any other requirements specified in
the regulations; and
(b) take all practicable steps to:
(i) identify each person who is an owner or occupier of all
or part of the place; and
(ii) advise each person identified that the place has been
included in the National Heritage List.

(4) If the Minister is satisfied that there are likely to be at least 50
persons referred to in subparagraph (3)(b)(i), the Minister may
satisfy the requirements of paragraph (3)(b) in relation to those
persons by including the advice referred to in that paragraph in one
or more of the following:
(a) advertisements in a newspaper, or newspapers, circulating in
the area in which the place is located;
(b) letters addressed to “The owner or occupier” and left at all
the premises that are wholly or partly within the place;
(c) displays in public buildings at or near the place.
Schedule 1 Amendment of Acts
Part 1 Amendment of the Environment Protection and Biodiversity Conservation Act 1999

324JM Minister to ask Australian Heritage Council for assessment

(e) must specify, or refer to, the manner and form requirements
that, under regulations referred to in paragraph (3)(b), apply
to making comments.

(3) The regulations may provide for either or both of the following:
(a) how a notice under subsection (1) is to be published;
(b) the manner and form for making comments.

324JO Australian Heritage Council to assess place and give
assessment to Minister

(1) Section 324JH applies in relation to a request under subsection
324JM(1) as if:
(a) a reference in section 324JH to a place included in the
finalised priority assessment list for an assessment period
were a reference to the place to which the request relates; and
(b) a reference in section 324JH to the notice under subsection
324JG(1) in relation to the place were a reference to the
notice under subsection 324JN(1) in relation to the place; and
(c) a reference in section 324JH to regulations referred to in
paragraph 324JG(4)(b) were a reference to regulations
referred to in paragraph 324JN(3)(b); and

included in the National Heritage List were a reference to
whether the place should continue to be included in the
National Heritage List.

(2) A reference in another provision of this Act to section 324JH, or to
a provision of that section, includes a reference to that section or
provision as it applies because of this section.

324JP Time by which assessments to be provided to Minister

(1) Section 324JI applies in relation to a request under subsection
324JM(1) as if:
(a) a reference in section 324JI to a place included in the
finalised priority assessment list for an assessment period
were a reference to the place to which the request relates; and
(b) a reference in section 324JI to the assessment completion
time specified in the list for the place were a reference to the
assessment completion time specified in the request.
(2) A reference in another provision of this Act to section 324JI, or to a provision of that section, includes a reference to that section or provision as it applies because of this section.

324JQ Decision about place remaining in the National Heritage List

Minister to decide whether place should remain listed

(1) Within 12 months after the inclusion of a place in the National Heritage List under section 324JL, the Minister must, by instrument published in the Gazette, subject to subsections (2) and (3):

(a) do one of the following:
   (i) state that the place remains in the National Heritage List with its boundary unaltered;
   (ii) alter the boundary of the place described in the National Heritage List (whether or not the alteration results in an overall increase or decrease in the extent of the place included in the List);
   (iii) remove from the National Heritage List the place and its National Heritage values; and

(b) if the place is not removed from the National Heritage List under subparagraph (a)(iii)—do all or any of the following:
   (i) state that specified National Heritage values included in the List under section 324JL for the place remain in the List for the place;
   (ii) include in the List for the place specified National Heritage values of the place that were not included in the List under section 324JL for the place;
   (iii) remove from the List for the place specified National Heritage values that were included in the List under section 324JL for the place.

(2) The Minister must not take action under subsection (1) unless the Minister has received an assessment from the Australian Heritage Council under section 324JH in relation to the place.

(3) The Minister must not take action under subsection (1) that results in the place remaining in the National Heritage List (whether or not with the same or a different boundary) unless the Minister is satisfied that the place has one or more National Heritage values.
Listing lapses automatically if action not taken within 12 months of listing

(4) If the Minister does not take action under subsection (1) within the period referred to in that subsection, the place, and its listed National Heritage values, are automatically removed from the National Heritage List, by force of this subsection, at the end of that period.

Note: This subsection applies even if the Minister is prevented from taking action under subsection (1) because of subsection (2).

Matters to be considered

(5) For the purpose of deciding what action to take under subsection (1) in relation to the place:

(a) the Minister must have regard to:

(i) the Australian Heritage Council’s assessment whether the place meets any of the National Heritage criteria; and

(ii) the comments (if any), a copy of which were given to the Minister under subsection 324JH(1) with the assessment; and

(b) the Minister may seek, and have regard to, information or advice from any source.

Subdivision BA—Inclusion of places in the Commonwealth Heritage List: usual process

341E Simplified outline

The following is a simplified outline of this Subdivision:

This Subdivision sets out the usual process for the inclusion of places in the Commonwealth Heritage List.

The usual process involves an annual cycle that revolves around 12-month periods known as assessment periods. The Minister determines the start of the first assessment period (see section 341G).

The usual process involves the following steps for each assessment period:

(a) the Minister invites people to nominate places for inclusion in the Commonwealth Heritage List, and gives the nominations to the Australian Heritage Council (see sections 341H and 341J);
Amendment of Acts Schedule 1
Amendment of the Environment Protection and Biodiversity Conservation Act 1999
Part 1

(b) the Australian Heritage Council prepares, and
gives to the Minister, a list of places (which will
mostly be places that have been nominated) that it
thinks should be assessed (see sections 341JA,
341JB and 341JC);

(c) the Minister finalises the list of places that are to
be assessed (see sections 341JD and 341JE);

(d) the Australian Heritage Council invites people to
make comments about the places in the finalised
list (see section 341JF);

(e) the Australian Heritage Council assesses the places
in the finalised list, and gives the assessments to
the Minister (see sections 341JG and 341JH);

(f) the Minister decides whether a place that has been
assessed should be included in the Commonwealth
Heritage List (see section 341JI).

The steps mentioned in paragraphs (a) to (c) will generally be
completed before the start of the assessment period.

341F Definitions

In this Subdivision:

assessment period has the meaning given by subsection 341G(1).

eligible for assessment consideration, in relation to an assessment
period, has the meaning given by subsection 341JA(3).

(2) The Minister must make a determination under paragraph (1)(a) within 3 months after the commencement of this section. The day so determined must not be more than 12 months after that commencement.

(3) A determination under paragraph (1)(a) is a legislative instrument, but neither section 42 nor Part 6 of the Legislative Instruments Act 2003 applies to the determination.

341H Minister to invite nominations for each assessment period

341J Minister to give nominations to Australian Heritage Council

Nominations in relation to first assessment period

(1) Within 30 business days after the cut-off date specified in the notice under subsection 341H(1) for the first assessment period, the Minister must give the Australian Heritage Council the nominations that the Minister:
(a) had received before the end of that cut-off date; and
(b) had not already requested the Australian Heritage Council, under section 341E (as in force before the commencement of this section), to assess; and
(c) had not already rejected under section 341E (as in force before the commencement of this section); and
(d) does not reject under subsection (4).

(2) Subsection (1) does not apply to a nomination of a place if the Minister had, before the commencement of this section, included the place in the Commonwealth Heritage List under section 341F (as in force before the commencement of this section).

Nominations in relation to later assessment periods

(3) Within 30 business days after the cut-off date (the current cut-off date) specified in the notice under subsection 341H(1) for an assessment period (other than the first), the Minister must give the Australian Heritage Council the nominations that were received by the Minister in the period:
(a) starting immediately after the end of the cut-off date specified in the notice under subsection 341H(1) for the immediately preceding assessment period; and
(b) ending at the end of the current cut-off date; other than any such nominations that the Minister has rejected under subsection (4).

Minister may reject nominations

(4) The Minister may, in writing, reject a nomination if the Minister considers that:
Schedule 1 Amendment of Acts

Part 1 Amendment of the Environment Protection and Biodiversity Conservation Act 1999

(a) the nomination is vexatious, frivolous or not made in good faith; or

(b) the Minister considers that regulations referred to in paragraph 341H(3)(b) or (c) have not been complied with in relation to the nomination.

(5) If a nomination is rejected under paragraph (4)(b), the Minister must, if practicable, notify the person who made the nomination of the rejection of the nomination and the reason for the rejection.

Definition

(6) In this section:

nomination means a nomination of a place for inclusion in the Commonwealth Heritage List.

341JA Australian Heritage Council to prepare proposed priority assessment list

(1) Within 40 business days after the Australian Heritage Council receives the nominations as required by subsection 341J(1) in relation to an assessment period, the Council must prepare and give to the Minister a list (the proposed priority assessment list) for the assessment period.

(2) The proposed priority assessment list is to consist of such of the places that are eligible for assessment consideration in relation to the assessment period as the Australian Heritage Council considers it appropriate to include in the list, having regard to:

(a) the Council’s own views about what should be given priority in relation to the assessment period; and

(b) the Council’s capacity to make assessments under this Division while still performing its other functions; and

(c) any other matters that the Council considers appropriate.

(3) A place is eligible for assessment consideration in relation to the assessment period if:

(a) the place has been nominated by a nomination referred to in subsection (1); or

(b) the Council itself wishes to nominate the place for inclusion in the Commonwealth Heritage List; or
Amendment of Acts  Schedule 1
Amendment of the Environment Protection and Biodiversity Conservation Act 1999
Part 1

(c) the place was eligible for assessment consideration, otherwise than because of this paragraph, in relation to the immediately preceding assessment period (if any) but was not included in the finalised priority assessment list for that assessment period; or

(d) each part of the place is either a place to which paragraph (a) applies, a place to which paragraph (b) applies or a place to which paragraph (c) applies.

(4) Without limiting the generality of the Australian Heritage Council’s discretion under subsection (2), the Council does not have to include in the proposed priority assessment list a place that has been nominated if the Council considers that it is unlikely that the place has any Commonwealth Heritage values. For this purpose, the Council is not required to have regard to any information beyond the information that was included in the nomination.

(5) The proposed priority assessment list is not a legislative instrument.

341JB Matters to be included in proposed priority assessment list

(1) The proposed priority assessment list for an assessment period is to include, for each place in the list:

(a) a description of the place; and

(b) an assessment completion time; and

(c) any other information required by the regulations.

(2) The assessment completion time for a place must be either:

(a) a time that is at or before the end of the assessment period to which the list relates; or

(b) if the Australian Heritage Council considers it likely that making an assessment in relation to the place will take a period that is longer than 12 months—the end of that longer period (calculated from the start of the assessment period).

341JC Statement to be given to Minister with proposed priority assessment list

(1) When the Australian Heritage Council gives the Minister the priority assessment list for an assessment period, the Council must
Schedule 1 Amendment of Acts

Part 1 Amendment of the Environment Protection and Biodiversity Conservation Act 1999

also give the Minister a statement setting out such information as
the Council considers appropriate relating to:
(a) for each place that is included in the list—why the Council
included the place in the list; and
(b) for each place that is not included in the list but that was
eligible for assessment consideration because of paragraph
341JA(3)(a) or (c)—why the Council did not include the
place in the list.

(2) The statement must also identify, as places nominated by the
Australian Heritage Council:
(a) any places that are included in the list because the Council
itself wishes to nominate them (see paragraph 341JA(3)(b)); and
(b) any places that are included in the list because of paragraph
341JA(3)(d) that consist of one or more places to which
paragraph 341JA(3)(b) applies.

341JD The finalised priority assessment list

(1) Within 20 business days after the Minister, under section 341JA,
receives the proposed priority assessment list for an assessment
period, the Minister may, in writing, make changes to the list as
mentioned in subsection (2).

(2) The changes the Minister may make are as follows:
(a) including a place in the list (and also including the matters
referred to in subsection 341JA(1));
(b) omitting a place from the list (and also omitting the matters
referred to in subsection 341JA(1));
(c) changing the assessment completion time for a place in the
list;
(d) any other changes of a kind permitted by the regulations.

(3) In exercising the power to make changes, the Minister may have
regard to any matters that the Minister considers appropriate.

(4) At the end of the period of 20 business days referred to in
subsection (1), the list, as changed (if at all) by the Minister,
becomes the finalised priority assessment list for the assessment
period.
(5) The Minister must notify the Australian Heritage Council of all changes that the Minister makes to the list.

(6) The finalised priority assessment list is not a legislative instrument.

341JE Publication of finalised priority assessment list

(1) The Australian Heritage Council must publish the finalised priority assessment list for an assessment period on the Internet.

(2) The Australian Heritage Council must also publish the finalised priority assessment list in accordance with any requirements of the regulations.

341JF Australian Heritage Council to invite comments on places in finalised priority assessment list

(1) In relation to each place included in the finalised priority assessment list for an assessment period, the Australian Heritage Council must publish a notice inviting people to make comments on the place.

(2) The Australian Heritage Council may, under subsection (1), publish a single notice relating to all of the places on the finalised priority assessment list, or may publish a number of separate notices, each of which relates to one or more of the places.

(3) A notice under subsection (1), in relation to a place or places:
   (a) must be published in accordance with the regulations referred to in paragraph (4)(a); and
   (b) must identify the place or places to which the notice relates; and
   (c) must invite people to make comments, to the Australian Heritage Council, about:
      (i) whether the place or places meet any of the Commonwealth Heritage criteria; and
      (ii) whether the place or places should be included in the Commonwealth Heritage List; and
   (d) must specify the date (the cut-off date) by which comments must be received, which must be at least 30 business days after the notice has been published as required by paragraph (a); and
Schedule 1 Amendment of Acts

Part 1 Amendment of the Environment Protection and Biodiversity Conservation Act 1999

(e) must specify, or refer to, the manner and form requirements that, under regulations referred to in paragraph (4)(b), apply to making comments; and

(f) may also invite people to comment on other matters that the Australian Heritage Council considers appropriate; and

(g) may also include any other information that the Australian Heritage Council considers appropriate.

(4) The regulations must provide for the following:

(a) how a notice under subsection (1) is to be published;
(b) the manner and form for making comments.

341JG Australian Heritage Council to assess places on finalised priority assessment list and give assessments to Minister

(1) In relation to each place included in the finalised priority assessment list for an assessment period, the Australian Heritage Council must (by the time required by section 341JH):

(a) make a written assessment whether the place meets any of the Commonwealth Heritage criteria; and

(b) give to the Minister:

(i) the written assessment (or a copy of it); and

(ii) a copy of the comments referred to in paragraphs (2)(a) and (b) (whether or not they have all been taken into account under subsection (2)).

(2) In making an assessment in relation to a place, the Australian Heritage Council, subject to subsections (3) and (4):

(a) must take into account the comments the Council receives in response to the notice under subsection 341JF(1) in relation to the place; and

(b) may take into account the comments the Council receives in response to the opportunity referred to in paragraph (5)(c); and

(c) may seek, and have regard to, information or advice from any source.

(3) The Australian Heritage Council is not required to take a comment referred to in paragraph (2)(a) into account if:
Environment and Heritage Legislation Amendment Bill (No. 1) 2006  No.  , 2006  225

Amendment of Acts  Schedule 1
Amendment of the Environment Protection and Biodiversity Conservation Act 1999

Part 1

(a) the Council does not receive the comment until after the
cut-off date specified in the notice under subsection 341JF(1)
in relation to the place; or
(b) the Council considers that regulations referred to in
paragraph 341JF(4)(b) have not been complied with in
relation to the comment.

(4) In making an assessment, the Australian Heritage Council must not
consider any matter that does not relate to the question whether the
place meets any of the Commonwealth Heritage criteria.

(5) If, in making an assessment, the Australian Heritage Council
considers that a place within the Australian jurisdiction might have
one or more Commonwealth Heritage values, the Council must:
(a) take all practicable steps:
(i) to identify each person who is an owner or occupier of
all or part of the place; and
(ii) if the Council considers the place might have an
indigenous heritage value—to identify each Indigenous
person who has rights or interests in all or part of the
place; and

(b) take all practicable steps to advise each person identified that
the Council is assessing whether the place meets any of the
Commonwealth Heritage criteria; and
(c) give persons advised at least 20 business days to comment in
writing whether the place should be included in the
Commonwealth Heritage List.

(6) If the Australian Heritage Council is satisfied that there are likely
to be at least 50 persons referred to in subparagraph (5)(a)(i), the
Council may satisfy the requirements of subsection (5) in relation
to those persons by including the information referred to in
paragraphs (5)(b) and (c) in one or more of the following:
(a) advertisements in a newspaper, or newspapers, circulating in
the area in which the place is located;
(b) letters addressed to “The owner or occupier” and left at all
the premises that are wholly or partly within the place;
(c) displays in public buildings at or near the place.

(7) If:
Schedule 1  Amendment of Acts

Part 1  Amendment of the Environment Protection and Biodiversity Conservation Act 1999

(a) the Australian Heritage Council considers that the place
might have an indigenous heritage value; and

(b) there are Indigenous persons who:
   (i) have rights or interests in all or part of the place; and
   (ii) are neither owners nor occupiers of all or part of the
place; and

(c) the Australian Heritage Council is satisfied that there is a
body, or there are bodies, that can appropriately represent
those Indigenous persons in relation to those rights and
interests;

the Australian Heritage Council may satisfy the requirements of
subsection (5) in relation to those Indigenous persons by giving the
information referred to in paragraphs (5)(b) and (c) to that body or
those bodies.

341JH  Time by which assessments to be provided to Minister

(1) Subsection 341JG(1) must be complied with, in relation to a place
included in the finalised priority assessment list for an assessment
period, by the assessment completion time specified in the list for
the place, or by that time as extended under this section.

(2) The Australian Heritage Council may request the Minister to
extend the assessment completion time (or that time as previously
extended) if the Council considers that it needs more time to make
the assessment.

(3) The Minister may, in response to a request under subsection (2),
extend the assessment completion time (or that time as previously
extended) by such period (if any) as the Minister considers
appropriate. However, the total length of all extensions of the
assessment completion time must not be more than 5 years.

(4) An extension under subsection (3) must be made in writing.

(5) If the Minister grants an extension under this section, the Minister
must publish particulars of the extension in a way that the Minister
considers appropriate.
341JI Decision about inclusion of a place in the Commonwealth Heritage List

Minister to decide whether or not to include place

(1) After receiving from the Australian Heritage Council an assessment under section 341JG whether a place (the assessed place) meets any of the Commonwealth Heritage criteria, the Minister must:
   (a) by instrument published in the Gazette, include in the Commonwealth Heritage List:
      (i) the assessed place or a part of the assessed place; and
      (ii) the Commonwealth Heritage values of the assessed place, or that part of the assessed place, that are specified in the instrument; or
   (b) in writing, decide not to include the assessed place in the Commonwealth Heritage List.

Note: The Minister may include a place in the Commonwealth Heritage List only if the Minister is satisfied that the place has one or more Commonwealth Heritage values (see subsection 341C(2)).

(2) Subject to subsection (3), the Minister must comply with subsection (1) within 90 business days after the day on which the Minister receives the assessment.

(3) The Minister may, in writing, extend or further extend the period for complying with subsection (1).

(4) Particulars of an extension or further extension under subsection (3) must be published on the Internet and in any other way required by regulations.

(5) For the purpose of deciding what action to take under subsection (1) in relation to the assessed place:
   (a) the Minister must have regard to:
      (i) the Australian Heritage Council’s assessment whether the assessed place meets any of the Commonwealth Heritage criteria; and
      (ii) the comments (if any), a copy of which were given to the Minister under subsection 341JG(1) with the assessment; and
Part 1  Amendment of the Environment Protection and Biodiversity Conservation Act 1999

(b) the Minister may seek, and have regard to, information or advice from any source.

Additional requirements if Minister decides to include place

(6) If the Minister includes the assessed place, or a part of the assessed place (the listed part of the assessed place), in the Commonwealth Heritage List, he or she must, within a reasonable time:

(a) take all practicable steps to:
   (i) identify each person who is an owner or occupier of all or part of the assessed place; and
   (ii) advise each person identified that the assessed place, or the listed part of the assessed place, has been included in the Commonwealth Heritage List; and

(b) if the assessed place:

### 341JK Minister may include place in Commonwealth Heritage List if under threat

   - (a) a place has or may have one or more Commonwealth Heritage values; and
   - (b) any of those values is under threat of a significant adverse impact; and
   - (c) that threat is both likely and imminent;

   the Minister may, by instrument published in the *Gazette*, include in the Commonwealth Heritage List the place and the Commonwealth Heritage values the Minister believes the place has or may have.

   Note: For which places can be included in the Commonwealth Heritage List, see subsection 341C(2).

2. If:
   - (a) the place is included in the Commonwealth Heritage List under subsection (1); and
   - (b) before that inclusion of the place, the place was being considered for inclusion in the List under the process set out in Subdivision BA;

   that process ceases to apply to the place when it is included in the List under subsection (1).

   Note: Subsection (2) does not prevent the process in Subdivision BA again starting to apply to the place if (for example) the place ceases to be listed because of subsection 341JP(1) or (4) and a person subsequently nominates the place under that Subdivision.

3. If the place is included in the Commonwealth Heritage List under subsection (1), the Minister must:

449A Disposal of seized items if Secretary cannot locate or identify person entitled etc.

(1) This section applies to a thing that is seized under this Part if:
(a) apart from this section, the thing is required to be returned or delivered to a person (or reasonable steps are required to be taken for the return or delivery to a person of the thing); and
(b) one or more of the following applies:
   (i) the Secretary is satisfied that reasonable steps have been taken to locate or identify the person, but those steps have not succeeded;
   (ii) the Secretary is satisfied that reasonable steps have been taken to return or deliver the thing to the person, but those steps have not succeeded;
   (iii) the Secretary is otherwise satisfied that it is not practicable to return or deliver the thing to the person.

(2) The Secretary may dispose of the thing in such manner as the Secretary considers appropriate.

449BA Release of seized items to owner etc.

If a thing is seized under this Part, the Secretary may authorise the thing, or anything in, on or attached to the thing, to be released to its owner, or to the person from whose possession it was seized, either:
(a) unconditionally; or
(b) on such conditions as the Secretary thinks fit (including conditions about the giving of security for giving payment of its value if it is forfeited).

449BB How this Part applies in relation to things released conditionally

(1) This section applies if a thing, or anything in, on or attached to a thing, seized under this Part is released on conditions to a person
under section 449BA. The provision of this Part under which the seizure was made is the *seizure provision*, and the thing that is released is the *released thing*.

(2) Subject to this section, the provisions of this Part that apply in relation to things seized under the seizure provision continue to apply to the released thing as if it had not been released.

(3) A reference in a provision of this Part to the return or delivery of the released thing to a person is, if the person is the person to whom the thing has been released, taken to be a reference to making the release of the thing to the person unconditional.

(4) The regulations may specify modifications of provisions of this Part that are to have effect in relation to things to which this section applies. However, regulations must not:

(a) increase, or have the effect of increasing, the maximum penalty for any offence; or
(b) widen, or have the effect of widening, the scope of any offence.

(5) In this section:

*modifications* includes additions, omissions or substitutions.

   (a) a thing is seized under this Part; and
   (b) the owner of the thing agrees to transfer ownership of the

       (i) unconditionally; or
       (ii) in the event that a future contingency happens; and
   (c) if subparagraph (b)(ii) applies—that contingency happens;

       (d) the thing becomes the property of the Commonwealth; and
       (e) the provisions of this Part relating to forfeiture apply as if the
           thing had been forfeited to the Commonwealth under this
           Act.

496B Civil penalties for landholders
(1) If:
    (a) a person (the actor) takes an action on an area of land that is a contravention of:
        (i) a provision of Part 3 that is a civil penalty provision; or

(2) Subsection (1) is a civil penalty provision. Under section 481, the Federal Court may order a landholder contravening subsection (1) to pay a pecuniary penalty not more than the pecuniary penalty the Criminal Code that relates to a requirement under this Division.

Environment and Heritage Legislation Amendment Bill (No. 1) 2006 No. , 2006 305

(c) the landholder was in a position to influence the conduct of the actor in relation to the contravention at the time when the contravention occurred; and

(d) the landholder failed to take all reasonable steps to prevent the contravention;

the landholder commits an offence.

Note: Chapter 2 of the *Criminal Code* sets out the general principles of criminal responsibility.

(2) An offence against subsection (1) is punishable on conviction by imprisonment for the term specified in the provision contravened by the actor, a fine of the amount specified in that provision, or both.

(1) For the purposes of sections 496B and 496C, in determining whether a landholder failed to take all reasonable steps to prevent the contravention, a court is to have regard to:

(b) what action (if any) the landholder took upon becoming aware that there was a substantial risk that the actor was contravening provisions of this Act referred to in subsection 496B(1) or 496C(1), as the case requires.

517A Exemption for activities that might harm particular species introduced into particular areas

Provisions for which this section applies

(1) This section applies for the purposes of the provisions of the following sections:
   (a) sections 18 and 18A;
   (b) sections 20 and 20A;
   (c) sections 196 to 196E;
   (d) section 207B;
   (e) sections 211 to 211E;
   (f) sections 254 to 254E.

Minister may exempt carrying on of activities

(2) The Minister may, in writing, exempt from the provisions mentioned in subsection (1) the carrying on of particular activities by particular persons (or a particular class of persons), in a particular area, that will or may have an impact on a particular species or its habitat. The species must be a listed threatened species, a listed migratory species or a listed marine species.

Matters Minister must be satisfied of

(3) An exemption under subsection (2) may only be given if the Minister is satisfied that:
   (a) members of the species have been, or are proposed to be, introduced into the area by or on behalf of a person (whether the person is a Commonwealth agency or otherwise); and
   (b) the purpose of the introduction, or proposed introduction, of the members of the species into the area was or is to make a contribution to the conservation of the species; and
   (c) carrying on the activities in the area will or may have an impact on members of the species, or their habitat, but any
Schedule 1  Amendment of Acts

such impact would be incidental to, and not the purpose of, the activities; and

(d) if the person referred to in paragraph (a) is not the person who is or will be primarily responsible for carrying out the activities—the person who is or will be so responsible has agreed to the introduction of the members of the species into the area.

(4) For the purpose of deciding whether to give an exemption under subsection (2), the Minister may (subject to subsection (3)):

(a) have regard to any matters the Minister considers appropriate; and

(b) seek, and have regard to, information or advice from any source.

What must be specified in an exemption

(5) An exemption under subsection (2) must:

(a) specify the species to which it applies; and

(b) specify the area to which it applies; and

(c) specify the activities to which it applies; and

(d) specify the persons (or classes of persons) who, if they engage in actions that are within the activities, are covered by the exemption.

When an exemption comes into force

(6) An exemption under subsection (2) comes into force on the day the Minister gives the exemption, or on a later day specified in the exemption.

Actions covered by exemption do not contravene provisions for which this section applies

(7) While an exemption under subsection (2) is in force, an action of a person does not contravene any of the provisions mentioned in subsection (1), in so far as the provisions apply in relation to a member of the species specified as mentioned in paragraph (5)(a), if:

(a) the action occurs in the area specified as mentioned in paragraph (5)(b); and
(b) the action is within the activities specified as mentioned in paragraph (5)(c); and
(c) the person is a person, or is a member of a class of persons, specified as mentioned in paragraph (5)(d).

Note 1: If the action also has an impact on a member of another species that is not covered by an exemption under subsection (2), subsection (7) does not affect the question whether the action may contravene a provision mentioned in subsection (1), in so far as the provision applies to the other species.

Note 2: In a prosecution for an offence against a provision mentioned in subsection (1), the defendant bears an evidential burden in relation to the matters in this subsection. See subsection 13.3(3) of the Criminal Code.

Exemption is not a legislative instrument

(8) An exemption under subsection (2) is not a legislative instrument.

Schedule 1—Provisions relating to detention of suspected foreign offenders

Note:  See section 433B.

Part 1—Preliminary

Division 1—Objects of this Schedule

1  Main objects of this Schedule

(1) This Schedule has 3 main objects.

(2) The first main object is to provide for the detention (environment detention) in Australia or a Territory of persons who:

(a) are reasonably suspected by an authorised officer of having committed an offence:

(i) involving the use of a foreign vessel; or

(ii) in the Australian jurisdiction but outside the migration zone; and

(b) are not Australian citizens or Australian residents;

for a limited period for the purposes of determining whether to charge them with the offence.
(3) The second main object is to provide for persons in environment detention to be searched, screened, given access to facilities for obtaining legal advice, and identified.

(4) The third main object is to facilitate the transition of persons from environment detention to immigration detention under the Migration Act 1958:

(a) by providing for the things mentioned in subclause (3) to be done in a way corresponding to the way that Act provides for those things to be done to persons in immigration detention; and

(b) by authorising the disclosure of personal information about individuals who are or have been in environment detention to persons, agencies and organisations responsible for holding the individuals in immigration detention, for the purpose of the immigration detention and welfare of the individuals.

Note: The enforcement visa of a person who is neither an Australian citizen nor an Australian resident ceases to have effect under the Migration Act 1958 when the person ceases to be in environment detention, so that Act requires the person to be taken into immigration detention.

Division 2—Definitions

#### 3 Minister may appoint persons to be detention officers

(1) The Minister may, by instrument, appoint one or more persons (except persons who are authorised officers) to be detention officers.

(2) An instrument appointing persons to be detention officers:

(a) may identify the persons by reference to a class; and

Limits on approval

(2) However, the person is not taken to be approved to carry out an identification test in relation to which section 5D of the Migration Act 1958 provides that the person is not an authorised officer (for the purposes of that Act).

Note: This is relevant to items 9 to 15 of the table in subclause (1).

Persons specified by Secretary not approved

(3) The Secretary may, by instrument, specify that the person is not taken to be approved:

(a) for the purposes of the provision of this Schedule; or
Schedule 1 Amendment of Acts

Part 1 Amendment of the Environment Protection and Biodiversity Conservation Act 1999

(b) for the purposes of carrying out under this Schedule identification tests of a type specified under section 5D of the Migration Act 1958 in relation to the person.

The instrument has effect according to its terms, despite subclause (1).

(4) An instrument under subclause (3) may specify one or more persons by reference to their being members of a specified class at or after a time specified in the instrument.

(5) An instrument made under subclause (3) is not a legislative instrument.

Part 2—Detaining suspected foreign offenders

Division 1—Initial detention by an authorised officer

8 Power to detain

(1) An authorised officer may detain a person in Australia or a Territory for the purposes of determining during the period of detention whether or not to charge the person with an offence against this Act or the regulations, or an offence against section 6 of the Crimes Act 1914 relating to such an offence, if the authorised officer has reasonable grounds to believe that the person:

(a) is not an Australian citizen or an Australian resident; and

(b) either or both of the following:

(i) was on a foreign vessel when it was used or otherwise involved in the commission of the offence;

(ii) committed the offence in the Australian jurisdiction but outside the migration zone.

(2) Subclause (1) does not authorise an authorised officer to use more force in detaining a person than is reasonably necessary.

9 Relationship with Part IC of the Crimes Act 1914

(1) Part IC of the Crimes Act 1914 applies in relation to the detainee while detained under this Part as if:

Environment and Heritage Legislation Amendment Bill (No. 1) 2006 No. 2006
Amendment of Acts Schedule 1
Amendment of the Environment Protection and Biodiversity Conservation Act 1999
Part 1

(a) he or she were a protected suspect for a Commonwealth
offence for the purposes of that Part; and
(b) an authorised officer were an investigating official for the
purposes of that Part.

(2) Subclause (1) does not affect the operation of Division 2 of Part IC
of the Crimes Act 1914 as it applies of its own force in relation to a
person who is lawfully arrested.

Division 2—Continued detention by a detention officer

10 Detention officer may detain person already detained by
authorised officer

(1) For the purposes of facilitating an authorised officer determining
whether or not to charge a person with an offence against this Act
or the regulations, or an offence against section 6 of the Crimes Act
1914 relating to such an offence, a detention officer may detain the
person in Australia or a Territory if the detention officer has
reasonable grounds to believe that the person:
(a) has been detained by an authorised officer under Division 1;
and
(b) has been presented, while detained by that authorised officer,
to a detention officer for detention by a detention officer.

(2) However, the detention officer may not detain the person if the
detention officer has reasonable grounds to believe that the person
has ceased to be in detention since the last time the person was
detained by an authorised officer under Division 1.

(3) Subclause (1) does not authorise a detention officer to use more
force in detaining a person than is reasonably necessary.

Division 3—Detention on behalf of an authorised officer or
detention officer

11 Detention on behalf of an authorised officer or detention officer

(1) A person is taken to be detained by an authorised officer or
detention officer under this Part while the person is held, on behalf
of the authorised officer or detention officer, in any of the

Schedule 1  Amendment of Acts

Part 1  Amendment of the Environment Protection and Biodiversity Conservation Act 1999

(a) a prison or remand centre;
(b) a police station or watch house;
(c) a hospital or other place where the person is receiving medical treatment;
(d) another place approved by the Minister in writing;
(e) a vessel.

(2) This clause has effect even while the authorised officer or detention officer is not present where the person is held on behalf of the authorised officer or detention officer.

(3) An approval of a place by the Minister is not a legislative instrument.

Division 4—Moving detainees

12 Power to move detainees

(1) An authorised officer or detention officer may:
   (a) take a detainee in Australia to another place in Australia or to a place in an external Territory; and
   (b) take a detainee in an external Territory to another place in the Territory or to a place in Australia or another Territory.

(2) Subclause (1) does not authorise an authorised officer or detention officer to use more force than is reasonably necessary to take the detainee to the place.

(3) In exercising the power under subclause (1), the authorised officer or detention officer must have regard to all matters that he or she considers relevant, including:
   (a) the administration of justice; and
   (b) the welfare of the detainee.

Division 5—End of detention

13 End of detention

A detainee must be released from detention:
Amendment of Acts  Schedule 1
Amendment of the Environment Protection and Biodiversity Conservation Act 1999

Part 1

(a) as soon as an authorised officer or detention officer knows or reasonably believes that the detainee is an Australian citizen or an Australian resident; or
(b) at the time the detainee is brought before a magistrate following a decision to charge the detainee with an offence referred to in subclause 8(1); or
(c) at the time a decision is made not to charge the detainee with an offence referred to in that subclause; or
(d) at the end of 168 hours after the detention began; whichever occurs first.

Division 6—Offence of escaping from detention

14  Escape from detention

(1) A person commits an offence if:
   (a) the person is in detention; and
   (b) the person escapes from that detention.

(2) The offence is punishable on conviction by imprisonment for up to 2 years.

Part 3—Searching and screening detainees and screening their visitors

Division 1—Searches of detainees

15  Searches of detainees

(1) For the purposes set out in subclause (2), a detainee, and the detainee’s clothing and any property under the immediate control of the detainee, may, without warrant, be searched.

(2) The purposes for which a detainee, and the detainee’s clothing and any property under the immediate control of the detainee, may be searched under this clause are as follows:
   (a) to find out whether there is hidden on the detainee’s person, in the clothing or in the property, a weapon or other thing capable of being used to inflict bodily injury or to help the detainee to escape from detention;
Schedule 1 Amendment of Acts
Part 1 Amendment of the Environment Protection and Biodiversity Conservation Act 1999

(b) to find out whether there is hidden on the detainee’s person,
in the clothing or in the property, a document or other thing
that is, or may be, evidence of:
  (i) an offence against this Act or the regulations; or
  (ii) an offence against section 6 of the Crimes Act 1914
       relating to an offence described in subparagraph (i).

(3) If, in the course of a search under this clause, a weapon or other
thing referred to in paragraph (2)(a), or a document or other thing
referred to in paragraph (2)(b), is found, an approved officer:
  (a) may take possession of the weapon, document or other thing;
       and
  (b) may retain the weapon, document or other thing for such time
       as he or she thinks necessary for the purposes of this Act or
       the Migration Act 1958.

(4) This clause does not authorise an approved officer, or another
person conducting a search pursuant to subclause (5), to remove
any of the detainee’s clothing, or to require a detainee to remove
any of his or her clothing.

(5) A search under this clause of a detainee, and the detainee’s
clothing, must be conducted by:
  (a) an approved officer of the same sex as the detainee; or
  (b) in a case where an approved officer of the same sex as the
detainee is not available to conduct the search—any other
       person who is of the same sex and:
       (i) is requested by an approved officer; and
       (ii) agrees;
       to conduct the search.

(6) An action or proceeding, whether civil or criminal, does not lie
against a person who, at the request of an approved officer,
conducts a search under this clause if the person acts in good faith
and does not contravene subclause (7).

(7) An approved officer or other person who conducts a search under
this clause must not use more force, or subject a detainee to greater
indignity, than is reasonably necessary in order to conduct the
search.
(8) To avoid doubt, a search of a detainee may be conducted under this clause irrespective of whether a screening procedure is conducted in relation to the detainee under clause 16 or a strip search of the detainee is conducted under clause 17.

Note: This clause corresponds closely to section 252 of the *Migration Act 1958*.

**Division 2—Screening of detainees**

**16 Power to conduct a screening procedure**

(1) A screening procedure in relation to a detainee, other than a detainee to whom clause 23 applies, may be conducted by an approved officer, without warrant, to find out whether there is hidden on the detainee, in his or her clothing or in a thing in his or her possession a weapon, or other thing, capable of being used:

(a) to inflict bodily injury; or

(b) to help the detainee, or any other detainee, to escape from detention.

(2) An approved officer who conducts a screening procedure under this clause must not use greater force, or subject the detainee to greater indignity, than is reasonably necessary in order to conduct the screening procedure.

(3) This clause does not authorise an approved officer to remove any of the detainee’s clothing, or to require a detainee to remove any of his or her clothing.

(4) To avoid doubt, a screening procedure may be conducted in relation to a detainee under this clause irrespective of whether a search of the detainee is conducted under clause 15 or 17.

(5) In this clause:

*conducting a screening procedure*, in relation to a detainee, means:

(a) causing the detainee to walk, or to be moved, through screening equipment; or

(b) passing hand-held screening equipment over or around the detainee or around things in the detainee’s possession; or
Schedule 1  Amendment of Acts

Part 1  Amendment of the Environment Protection and Biodiversity Conservation Act 1999

(c) passing things in the detainee’s possession through screening equipment or examining such things by X-ray.

**screening equipment** means a metal detector or similar device for detecting objects or particular substances.

Note: This clause corresponds closely to section 252AA of the Migration Act 1958.

Division 3—Strip searches of detainees

17 Power to conduct a strip search

(1) A strip search of a detainee, other than a detainee to whom clause 23 applies, may be conducted by an approved officer, without warrant, to find out whether there is hidden on the detainee, in his or her clothing or in a thing in his or her possession a weapon, or other thing, capable of being used:

(a) to inflict bodily injury; or

(b) to help the detainee, or any other detainee, to escape from detention.

Note: Clause 18 sets out rules for conducting a strip search under this clause.

(2) A **strip search** of a detainee means a search of the detainee, of his or her clothing or of a thing in his or her possession. It may include:

(a) requiring the detainee to remove some or all of his or her clothing; and

(b) an examination of that clothing and of the detainee’s body (but not of the detainee’s body cavities).

(3) A strip search of a detainee may be conducted by an approved officer only if:

(a) an authorised officer or detention officer suspects on reasonable grounds that there is hidden on the detainee, in his or her clothing or in a thing in his or her possession a weapon or other thing described in subclause (1); and

(b) the authorised officer, or detention officer, referred to in paragraph (a) suspects on reasonable grounds that it is necessary to conduct a strip search of the detainee to recover that weapon or other thing; and

(c) the strip search is authorised as follows:
Amendment of the Environment Protection and Biodiversity Conservation Act 1999

Part 1

(i) if the detainee is at least 18—the Secretary, the Director, or an SES Band 3 employee in the Department (who is not the authorised officer referred to in paragraphs (a) and (b) nor the approved officer conducting the strip search), authorises the strip search because he or she is satisfied that there are reasonable grounds for those suspicions;

(ii) if the detainee is at least 10 but under 18—a magistrate orders the strip search because he or she is satisfied that there are reasonable grounds for those suspicions.

(4) An authorised officer or detention officer may form a suspicion on reasonable grounds for the purposes of paragraph (3)(a) on the basis of:

(a) a search conducted under clause 15 (whether by that authorised officer or detention officer or by another authorised officer or detention officer); or

(b) a screening procedure conducted under clause 16 (whether by that authorised officer or detention officer or by another authorised officer or detention officer); or

(c) any other information that is available to the authorised officer or detention officer.

(5) An authorisation of a strip search given for the purposes of subparagraph (3)(c)(i):

(a) may be given by telephone, fax or other electronic means; and

(b) must be recorded in writing, and signed by the person giving the authorisation, within one business day after it is given.

(6) A record made under paragraph (5)(b) is not a legislative instrument.

(7) A failure to comply with paragraph (5)(b) does not affect the validity of a strip search conducted on the basis of that authorisation.

(8) The power to authorise a strip search under subparagraph (3)(c)(i) cannot be delegated to any other person.

(9) A power conferred on a magistrate by this clause is conferred on the magistrate in a personal capacity and not as a court or a member of a court.
Schedule 1 Amendment of Acts

Part 1 Amendment of the Environment Protection and Biodiversity Conservation Act 1999

(10) The magistrate need not accept the power conferred.

(11) A magistrate exercising a power under this clause has the same protection and immunity as if he or she were exercising that power as, or as a member of, the court of which the magistrate is a member.

(12) To avoid doubt, a strip search of a detainee may be conducted under this clause irrespective of whether a search of the detainee is conducted under clause 15 or a screening procedure is conducted in relation to the detainee under clause 16.

(13) In this clause:

**SES Band 3 employee** means an SES employee with a classification of Senior Executive Band 3, and includes an SES employee who has been temporarily assigned duties that have been allocated a classification of Senior Executive Band 3.

Note: This clause corresponds closely to section 252A of the Migration Act 1958.

18 Rules for conducting a strip search

(1) A strip search of a detainee under clause 17:

(a) must not subject the detainee to greater indignity than is reasonably necessary to conduct the strip search; and

(b) must be conducted in a private area; and

(c) must be conducted by an approved officer of the same sex as the detainee; and

(d) subject to subclauses (2), (3) and (5), must not be conducted in the presence or view of a person who is of the opposite sex to the detainee; and

(e) subject to subclauses (2), (3) and (5), must not be conducted in the presence or view of a person whose presence is not necessary for the purposes of the strip search; and

(f) must not be conducted on a detainee who is under 10; and

(g) if the detainee is at least 10 but under 18, or is incapable of managing his or her affairs—must be conducted in the presence of:

(i) the detainee’s parent or guardian if that person is in detention with the detainee and is readily available at the same place; or
(ii) if that is not acceptable to the detainee or

subparagraph (i) does not apply—another person (other
than an approved officer) who is capable of representing
the detainee’s interests and who, as far as is practicable
in the circumstances, is acceptable to the detainee; and

(h) subject to subclause (4), if the detainee is at least 18, and is

not incapable of managing his or her affairs—must be

conducted in the presence of another person (if any)
nominated by the detainee, if that other person is readily
available at the same place as the detainee, and willing to
attend the strip search within a reasonable time; and

(i) must not involve a search of the detainee’s body cavities; and

(j) must not involve the removal of more items of clothing, or

more visual inspection, than the approved officer conducting
the search believes on reasonable grounds to be necessary to
determine whether there is hidden on the detainee, in his or
her clothing or in a thing in his or her possession a weapon or
other thing described in subclause 17(1); and

(k) must not be conducted with greater force than is reasonably
necessary to conduct the strip search.

(2) Paragraphs (1)(d) and (e) do not apply to a parent or guardian, or
person present because of subparagraph (1)(g)(ii), if the detainee
has no objection to that person being present.

(3) Paragraphs (1)(d) and (e) do not apply to a person nominated by
the detainee under paragraph (1)(h) to attend the strip search.

(4) Neither:

(a) a detainee’s refusal or failure to nominate a person under
paragraph (1)(h) within a reasonable time; nor

(b) a detainee’s inability to nominate a person under that
paragraph who is readily available at the same place as the
detainee and willing to attend the strip search within a
reasonable time;

prevents a strip search being conducted.
Schedule 1  Amendment of Acts
Part 1  Amendment of the Environment Protection and Biodiversity Conservation Act 1999

(5) A strip search of a detainee may be conducted with the assistance of another person if the approved officer conducting the strip search considers that to be necessary for the purposes of conducting it. That person must not be of the opposite sex to the detainee unless:

(a) the person is a medical practitioner; and

(b) a medical practitioner of the same sex as the detainee is not available within a reasonable time.

(6) An action or proceeding, whether civil or criminal, does not lie against a person who, at the request of an approved officer, assists in conducting a strip search if the person acts in good faith and does not contravene this clause.

(7) A detainee must be provided with adequate clothing if during or as a result of a strip search any of his or her clothing is:

(a) damaged or destroyed; or

(b) retained under clause 19.

Note: This clause corresponds closely to section 252B of the Migration Act 1958.

Division 4—Keeping of things found by screening or strip search of detainees

19 Possession and retention of certain things obtained during a screening procedure or strip search

(1) An approved officer may take possession of and retain a thing found in the course of conducting a screening procedure under clause 16 or conducting a strip search under clause 17 if the thing:

(a) might provide evidence of the commission of an offence against this Act or the regulations, or an offence against section 6 of the Crimes Act 1914 relating to such an offence; or

(b) is forfeited or forfeitable to the Commonwealth.

(2) A weapon or other thing described in subclause 16(1) or 17(1) that is found in the course of conducting a screening procedure under clause 16 or a strip search under clause 17 is forfeited to the Commonwealth.
(3) An approved officer must not return a thing that is forfeited or forfeitable to the Commonwealth. Instead, the approved officer must, as soon as practicable, give a thing that is forfeited under subclause (2) to a constable (within the meaning of the *Crimes Act 1914*).

Note: See sections 450 and 451 of this Act, which deal with court-ordered forfeiture and how forfeited items are to be dealt with.

(4) An approved officer must take reasonable steps to return anything that is not forfeited or forfeitable but is retained under subclause (1) to the person from whom it was taken, or to the owner if that person is not entitled to possess it, if one of the following happens:

(a) it is decided that the thing is not to be used in evidence;

(b) the period of 60 days after the approved officer takes possession of the thing ends.

(5) However, the approved officer does not have to take those steps if:

(a) in a paragraph (4)(b) case:

(i) proceedings in respect of which the thing might provide evidence have been instituted before the end of the 60 day period and have not been completed (including an appeal to a court in relation to those proceedings); or

(ii) the approved officer may retain the thing because of an order under clause 21; or

(b) in any case—the approved officer is otherwise authorised (by a law, or an order of a court or a tribunal, of the Commonwealth or a State or Territory) to retain, destroy or dispose of the thing.

Note: This clause corresponds closely to section 252C of the *Migration Act 1958*.

**20 Approved officer may apply for a thing to be retained for a further period**

(1) This clause applies if an approved officer has taken possession of a thing referred to in subclause 19(4) and proceedings in respect of which the thing might provide evidence have not commenced before the end of:

(a) 60 days after the approved officer takes possession of the thing; or
(b) a period previously specified in an order of a magistrate under clause 21.

(2) The approved officer may apply to a magistrate for an order that the approved officer may retain the thing for a further period.

(3) Before making the application, the approved officer must:
   (a) take reasonable steps to discover which persons’ interests would be affected by the retention of the thing; and
   (b) if it is practicable to do so, notify each person who the approved officer believes to be such a person of the proposed application.

(4) A notice under paragraph (3)(b) is not a legislative instrument.

Note: This clause corresponds closely to section 252D of the Migration Act 1958.

21 Magistrate may order that thing be retained

(1) The magistrate may order that the approved officer who made an application under clause 20 may retain the thing if the magistrate is satisfied that it is necessary for the approved officer to do so:
   (a) for the purposes of an investigation as to whether an offence has been committed; or
   (b) to enable evidence of an offence to be secured for the purposes of a prosecution.

(2) The order must specify the period for which the approved officer may retain the thing.

(3) A power conferred on a magistrate by this clause is conferred on the magistrate in a personal capacity and not as a court or a member of a court.

(4) The magistrate need not accept the power conferred.

(5) A magistrate exercising a power under this clause has the same protection and immunity as if he or she were exercising that power as, or as a member of, the court of which the magistrate is a member.

Note: This clause corresponds closely to section 252E of the Migration Act 1958.
Division 5—Screening detainees’ visitors

22 Powers concerning entry to premises where detainee is detained

(1) An authorised officer or detention officer may request that a person about to enter premises where a detainee is in detention do one or more of the following:
(a) walk through screening equipment;
(b) allow an authorised officer or detention officer to pass hand-held screening equipment over or around the person or around things in the person’s possession;
(c) allow things in the person’s possession to pass through screening equipment or to be examined by X-ray.

(2) Screening equipment means a metal detector or similar device for detecting objects or particular substances.

(3) If an approved officer suspects on reasonable grounds that a person about to enter premises where a detainee is in detention has in the person’s possession a thing that might:
(a) endanger the safety of the detainees, staff or other persons on the premises; or
(b) disrupt the order or security arrangements on the premises;
the approved officer may request that the person do some or all of the things in subclause (4) for the purpose of finding out whether the person has such a thing. A request may be made whether or not a request is also made to the person under subclause (1).

(4) An approved officer may request that the person do one or more of the following:
(a) allow the approved officer to inspect the things in the person’s possession;
(b) remove some or all of the person’s outer clothing such as a coat, jacket or similar item;
(c) remove items from the pockets of the person’s clothing;
(d) open a thing in the person’s possession, or remove the thing’s contents, to allow the approved officer to inspect the thing or its contents;
(e) leave a thing in the person’s possession, or some or all of its contents, in a place specified by the approved officer if he or
Schedule 1  Amendment of Acts  

Part 1  Amendment of the Environment Protection and Biodiversity Conservation Act 1999

she suspects on reasonable grounds that the thing or its contents are capable of concealing something that might:

(i) endanger the safety of the detainees, staff or other persons on the premises; or

(ii) disrupt the order or security arrangements on the premises.

(5) A person who leaves a thing (including any of its contents) in a place specified by an approved officer is entitled to its return when the person leaves the premises.

(6) However, if possession of the thing, or any of those contents, by the person is unlawful under a Commonwealth, State or Territory law applying to the premises:

(a) the thing or the contents must not be returned to the person; and

(b) an approved officer must, as soon as practicable, give the thing or the contents to a constable (within the meaning of the Crimes Act 1914).

(7) A person who is about to enter premises where a detainee is detained may be refused entry if the person does not comply with a request under this clause.

Note: This clause corresponds closely to section 252G of the Migration Act 1958.

Division 6—Law applying to detainee in State or Territory prison etc.

23 Detainees held in State or Territory prisons or remand centres

(1) This clause applies to a detainee if:

(a) the detainee is held in detention in a prison or remand centre of a State or Territory; and

(b) a law of that State or Territory confers a power to search persons, or things in the possession of persons, serving sentences or being held in the prison or remand centre.

(2) To the extent that the State or Territory law confers that power, or affects the exercise of that power, it applies to the detainee as though it were a law of the Commonwealth.
(3) Clauses 16 and 17 do not apply to a detainee to whom this clause applies.

Note: This clause corresponds closely to section 252F of the Migration Act 1958.

Part 4—Detainees’ rights to facilities for obtaining legal advice etc.

Part 7 Provisions related to listing processes

(4) If the Minister had given the Chair of the Australian Heritage Council a request under subsection 341F(3) of the old EPBC Act for an assessment of the place, the request is taken, for the purposes of the amended EPBC Act, to be a request:

(a) made under subsection 341JL(1) of the amended EPBC Act; and

(b) that specifies an assessment completion time that is the same as the time the assessment would have become due under section 324G of the old EPBC Act if that section had not been repealed.

(5) The Minister, and the Australian Heritage Council, may take into account, in dealing with a matter relating to the amended EPBC Act emergency listing of the place, any information that was obtained before the heritage commencement time in relation to the inclusion of the place in the Commonwealth Heritage List under section 341F of the old EPBC Act.

(6) If:

(a) the Australian Heritage Council had, before the heritage commencement time, complied with subsection 341G(3A) of the old EPBC Act in relation to the assessment of the place; and

(b) the Minister determines, in writing, that this subitem applies to the amended EPBC Act emergency listing of the place;

then, in relation to the amended EPBC Act emergency listing of the place:

(c) the Australian Heritage Council is taken to have complied with section 341JM of the amended EPBC Act; and

(d) references in the amended EPBC Act (including as the amended EPBC Act applies because of section 341JN of the amended EPBC Act) to the notice under subsection 341JM(1) are taken to be references to the notice (the old EPBC Act notice) published by the Council when complying with subsection 341G(3A) of the old EPBC Act in relation to the assessment of the place; and

(e) regulations (if any) referred to in paragraph 341JM(3)(b) of the amended EPBC Act do not apply to comments received by the Council in response to the old EPBC Act notice.

(7) If:
(a) the Australian Heritage Council had, before the heritage commencement time, complied with subsection 341G(4) of the old EPBC Act in relation to the assessment of the place; and

(b) the Minister determines, in writing, that this subitem applies to the amended EPBC Act emergency listing of the place;

then, in relation to the amended EPBC Act emergency listing of the place:

(d) the reference in paragraph 341JG(2)(b) of the amended EPBC Act (as that paragraph applies because of section 341JN of the amended EPBC Act) to paragraph 341JG(5)(c) is taken to be a reference to paragraph 341G(4)(c) of the old EPBC Act.

(8) If:

(a) the Australian Heritage Council had, before the heritage commencement time, given the Minister a written assessment of the place in accordance with section 341G of the old EPBC Act; and

(b) the Minister determines, in writing, that this subitem applies to the amended EPBC Act emergency listing of the place;

then that assessment, and any comments given to the Minister by the Council under section 341G of the old EPBC Act with that assessment, are taken, for the purposes of the amended EPBC Act, to have been given by the Council to the Minister:

(c) in accordance with subsection 341JG(1) of the amended EPBC Act (as that subsection applies because of section 341JN of the amended EPBC Act) in relation to that place; and

(d) on the day the Minister makes the determination referred to in paragraph (b).

(b) the Minister had not complied with subsection 341J(7) of the old EPBC Act in relation to the removal or alteration;

then despite the repeal of subsections 341J(7) and (9) of the old EPBC Act, those subsections continue to apply after the heritage commencement time in relation to the removal or alteration as if the repeal had not happened.
