   Banking Act 1959; or
(b) the Reserve Bank of Australia; or
(c) a person who carries on State banking within the meaning of
   paragraph 51(xiii) of the Constitution.

asset means:

(a) any legal or equitable estate or interest in real or personal
    property, whether actual, contingent or prospective; and
(b) any right, power, privilege or immunity, whether actual,
    contingent or prospective;

but does not include a right, power, privilege or immunity conferred by
an Act or by regulations or other subordinate legislation made under an
Act.

assets official, in relation to an asset other than land, means the person
or authority who, under a law of the Commonwealth, a State or a
Territory, under a trust instrument or otherwise, has responsibility for
keeping a register in relation to assets of the kind concerned.

Authority means the Wheat Export Authority.

Commission means the Export Wheat Commission.

financial liability means a liability to pay a person an amount, where
the amount, or the method for working out the amount, has been
determined.

land means any legal or equitable estate or interest in real property,
whether actual, contingent or prospective.

liability means any liability, duty or obligation, whether actual,
contingent or prospective, but does not include a liability, duty or
obligation imposed by an Act or by regulations or other subordinate
legislation made under an Act.

modifications includes additions, omissions and substitutions.
transition time means the commencement of this Schedule.
Part 2—Assets, liabilities and legal proceedings

2 Vesting of assets of Authority

(1) This item applies to the assets of the Authority immediately before the transition time.

(2) At the transition time, the assets cease to be assets of the Authority and become assets of the Commonwealth without any conveyance, transfer or assignment. The Commonwealth becomes the successor in law in relation to the assets.

3 Vesting of liabilities of Authority

(1) This item applies to the liabilities of the Authority immediately before the transition time.

(2) At the transition time, the liabilities cease to be liabilities of the Authority and become liabilities of the Commonwealth without any conveyance, transfer or assignment. The Commonwealth becomes the successor in law in relation to the liabilities.

4 Certificates relating to vesting of assets other than land

(1) This item applies if:

   (a) any asset other than land vests in the Commonwealth under this Part; and

   (b) there is lodged with an assets official a certificate that:

      (i) is signed by the Minister; and

      (ii) identifies the asset; and

      (iii) states that the asset has become vested in the Commonwealth under this Part.

(2) The assets official may:

   (a) deal with, and give effect to, the certificate as if it were a proper and appropriate instrument for transactions in relation to assets of that kind; and

   (b) make such entries in the register as are necessary having regard to the effect of this Part.

(3) A certificate under paragraph (1)(b) is not a legislative instrument.
5 Substitution of Commonwealth as a party to certain pending proceedings

(1) If:

(a) any proceedings to which the Authority was a party were pending in any court or tribunal immediately before the transition time; and

(b) the proceedings were, or were related to:

(i) proceedings taken by the Authority in the exercise of a right that is vested in the Commonwealth by item 2; or

(ii) proceedings taken against the Authority in respect of a liability that is vested in the Commonwealth by item 3;

the Commonwealth is substituted for the Authority, from the transition time, as a party to the proceedings.

(2) To avoid doubt, if:

(a) any proceedings to which the Authority was a party were pending in any court or tribunal immediately before the transition time; and

(b) the proceedings were not, and were not related to:

(i) proceedings taken by the Authority in the exercise of a right that is vested in the Commonwealth by item 2; or

(ii) proceedings taken against the Authority in respect of a liability that is vested in the Commonwealth by item 3;

section 25B of the *Acts Interpretation Act 1901* applies in relation to the proceedings.

Note: After the transition time, the Commission will be a party to the proceedings. This is because the body corporate that is the Authority continues in existence as the Commission after the transition time (see section 4 of the *Wheat Marketing Act 1989* and section 25B of the *Acts Interpretation Act 1901*).

(3) The regulations may determine that one of subitems (1) and (2), rather than the other of those subitems, applies in relation to a particular proceeding or a class of proceedings.
Part 3—References to Authority etc.

6 References in certain instruments to Authority

(1) If:

(a) an instrument was in force immediately before the transition time; and
(b) the instrument is an instrument covered by one or more of the following subparagraphs:
   (i) an instrument that was made by the Authority;
   (ii) an instrument to which the Authority was a party;
   (iii) an instrument that was given to, or in favour of, the Authority;
   (iv) an instrument under which any right or liability accrues or may accrue to the Authority;
   (v) any other instrument in which a reference is made to the Authority;
(c) a reference in the instrument to the Authority is a reference to the Authority as an entity with a particular power or capacity (for example, as party to a contract or the holder of real or personal property); and
(d) the Commission does not have that power or capacity;

the reference has effect after the transition time as if it were a reference to the Commonwealth.

(2) To avoid doubt, if:

(a) an instrument was in force immediately before the transition time; and
(b) the instrument is an instrument covered by one or more of the following subparagraphs:
   (i) an instrument that was made by the Authority;
   (ii) an instrument to which the Authority was a party;
   (iii) an instrument that was given to, or in favour of, the Authority;
   (iv) an instrument under which any right or liability accrues or may accrue to the Authority;
   (v) any other instrument in which a reference is made to the Authority; and
(c) a reference in the instrument to the Authority is a reference to the Authority as an entity with a particular power or capacity; and

(d) the Commission has that power or capacity;

Note: After the transition time, the reference to the Authority will be construed as a reference to the Commission. This is because the body corporate that is the Authority continues in existence as the Commission after the transition time (see section 4 of the Wheat Marketing Act 1989 and section 25B of the Acts Interpretation Act 1901).

(3) The regulations may determine that one of subitems (1) and (2), rather than the other of those subitems, applies in relation to a particular reference or class of references.

7 Transfer of appropriated money

(1) For the purposes of the operation of an Appropriation Act after the transition time, references to the Authority are to be read as references to the Commission.

(2) In this item:

_Appropriation Act_ means an Act appropriating money for expenditure out of the Consolidated Revenue Fund.
Part 4—Appointments of office-holders

8 Termination of Authority appointments

(1) This item applies to a person who, immediately before the transition time, held office as a member of the Authority.

(2) Despite the *Wheat Marketing Act 1989*, the person ceases to hold that office at the transition time.

(3) Neither this Act nor the *Wheat Marketing Act 1989* prevents the person from being appointed as a member of the Commission.
Part 5—Export Wheat Commission Special Account

9 Export Wheat Commission Special Account

(1) This item applies if:
   (a) immediately before the transition time, the Wheat Export Authority held an account with an ADI; and
   (b) the account had a credit balance.

(2) There is to be credited to the Export Wheat Commission Special Account an amount equal to the credit balance.
Part 6—Reporting and record-keeping obligations

10 First annual report for the Commission

Section 18 of the Wheat Marketing Act 1989 has effect as if the 3-month period beginning on 1 July 2007 were not part of a financial year.

11 Commission must prepare final annual report for the Authority

(1) For the 12-month period beginning on 1 October 2006, the Commission must prepare the report referred to in section 9 of the Commonwealth Authorities and Companies Act 1997 for the Authority.

(2) The obligation under section 9 of the Commonwealth Authorities and Companies Act 1997 imposed on the final directors of the Authority to prepare an annual report for that 12-month period is satisfied if the report is prepared by the Commission.

(3) For the purposes of the application of the Commonwealth Authorities and Companies Act 1997 to the Authority, that 12-month period is taken to be a financial year.

(4) In this item:

final director means a person who was a director (as defined in the Commonwealth Authorities and Companies Act 1997) of the Authority immediately before the transition time.

12 Other reporting requirements

(1) If:

(a) immediately before the transition time, a law of the Commonwealth (other than section 9 of the Commonwealth Authorities and Companies Act 1997) required the Authority or a member of the Authority to provide a report for a period; and

(b) the period ends after the transition time;

the Chairperson of the Commission must provide the report, as required, for so much of the period as occurs before the transition time.

(2) If:
(a) under subitem (1), the Chairperson of the Commission is required to provide a report for a part of a period; and
(b) the Chairperson of the Commission is also required to provide a similar report for the remainder of the period;
the Chairperson of the Commission may meet the requirements in a single report for the period.

(3) If:
(a) a law of the Commonwealth (other than section 9 of the Commonwealth Authorities and Companies Act 1997) required the Authority or a member of the Authority to provide a report for a period that ended before the transition time; and
(b) the report has not been provided by the transition time;
the Chairperson of the Commission must provide the report as required.

13 Continuing obligation to retain accounting records etc.

(1) This item applies to accounting records kept by the Authority immediately before the transition time under subsection 20(1) of the Commonwealth Authorities and Companies Act 1997.

(2) Subsections 20(2), (3) and (4) of that Act continue to apply, in relation to those accounting records, as if the Commission were a Commonwealth authority subject to that Act.
Part 7—Miscellaneous

15 Constitutional safety net

(1) If the operation of this Schedule would result in an acquisition of property from a person otherwise than on just terms, the Commonwealth is liable to pay a reasonable amount of compensation to the person.

(2) If the Commonwealth and the person do not agree on the amount of the compensation, the person may institute proceedings in the Federal Court of Australia for the recovery from the Commonwealth of such reasonable amount of compensation as the court determines.

(3) In this item:
   acquisition of property has the same meaning as in paragraph 51(xxxi) of the Constitution.
   just terms has the same meaning as in paragraph 51(xxxi) of the Constitution.
