3 Object of Act

The object of this Act is to provide for:
(a) the selection of a site for a radioactive waste management facility on voluntarily nominated land in Australia; and

to ensure that radioactive waste generated, possessed or controlled by the Commonwealth or a Commonwealth entity is safely and securely managed.

4 Definitions

   (ii) a body covered by paragraph (a).

controlled material means controlled material within the meaning of the Australian Radiation Protection and Nuclear Safety Act 1998 that is of domestic origin, but does not include high level radioactive material or spent nuclear fuel. For this purpose, controlled material is of domestic origin if it has been used in Australia, generated by activities in Australia, or sent to Australia under contractual arrangements relating to the conditioning or reprocessing of ANSTO spent nuclear fuel (within the meaning of the Australian Nuclear Science and Technology Organisation Act 1987).

facility means a facility for the management of controlled material generated, possessed or controlled by the Commonwealth or a Commonwealth entity.

general nomination start time means the time at which a declaration under section 6 takes effect.

Land Trust means a Land Trust within the meaning of the Aboriginal Land Rights (Northern Territory) Act 1976.

nominator of land means the following:
   (a) a Land Council that nominated the land as a potential site under subsection 5(1);

selected site means the site, or the specified part of a site, in relation to which a declaration by the Minister under subsection 14(2) is in effect.
site means a site approved by the Minister under section 9.

spent nuclear fuel means material that:
(a) is or was capable of producing energy by a self-sustaining chain process of nuclear fission; and
(b) has been irradiated in, and permanently removed from, a nuclear reactor (which is a structure containing material to which paragraph (a) applies in such an arrangement that a self-sustaining chain process of nuclear fission can occur in the structure without an additional source of neutrons).

statutory authority, in relation to the Crown in right of the Commonwealth, a State or a Territory, means any authority or body (including a corporation sole) established by a law of the Commonwealth, the State or Territory other than a general law allowing incorporation as a company or body corporate.

29 Grant of rights and interests in land to original owners

Grant of estate in fee simple

(1) If the Minister makes a declaration under subsection 28(1), then at the time the declaration takes effect:

(a) an estate in fee simple is granted, by force of this subsection, in the specified land to the specified Land Trust; and

(b) the land is taken, for all purposes, to be Aboriginal land.

(2) The estate in fee simple is subject to the reservations that:

(a) the right to any minerals existing in their natural condition, or in a deposit of waste material obtained from any underground or surface working, on or below the surface of the land, being minerals all interests in which are vested in the Commonwealth, remains with the Commonwealth; and

(b) rights to explore for minerals, and leases or licences to mine for minerals, on or below the surface of the land may be granted under section 124 of the Lands Acquisition Act 1989.

(b) the validity of the construction, operation, maintenance, decommissioning or abandoning of a facility on the land, or the doing of any other thing in relation to the land;

before the declaration under section 28 takes effect.

30 No earlier rights and interests granted

To avoid doubt, the making of a declaration under section 28 does not create or grant any rights or interests in land before the declaration takes effect.

31 Application of Commonwealth, State and Territory laws

Section 29 has effect despite any other law of the Commonwealth, a State or a Territory (whether written or unwritten).

32 Notice to Registrar-General

(2) The officer with whom the copy is lodged may deal with and give effect to it as if it were a grant, conveyance, memorandum or instrument of transfer of relevant rights and interests done under the laws of the Northern Territory.

(1) The Commonwealth must indemnify each Land Trust specified in a declaration under section 28, and keep the Land Trust indemnified, against any action, claim or demand brought or made against the Land Trust in respect of any liability arising from, or damage caused by, ionising radiation from any act done or omitted to be done by or on behalf of the Commonwealth in relation to the transport of controlled material to or from, or the management of
controlled material at, a facility on the land specified in the declaration.

(2) The amount of the indemnity is reduced to the extent to which any fault on the part of the Land Trust, or its employees, agents or contractors, contributed to the liability or damage.

(3) Subsection (1) does not apply in relation to an action, claim or demand unless:
   (a) the Land Trust notifies the Commonwealth, in writing, of the action, claim or demand as soon as practicable; and
   (b) the Land Trust follows any directions of the Commonwealth in relation to the action, claim or demand.

34 Regulations

(1) There must be credited to the Fund:

(a) all money appropriated by the Parliament for the purposes of the Fund; and

(b) amounts in excess of the first $10,000,000 received by the Commonwealth as Capital Contribution Fees.

Note: An Appropriation Act provides for amounts to be credited to a Special Account if any of the purposes of the Account is a purpose that is covered by an item in the Appropriation Act.

(2) Amounts standing to the credit of the Fund may be debited for the purposes of providing enhanced public services and/or infrastructure in the relevant State or Territory.

(5) If controlled material that is generated by activities in the Northern Territory is managed at a facility on the selected site, the Commonwealth must not charge the Northern Territory for the management.

38 Severability—additional effect of Act

Without limiting its effect apart from this section, this Act also has the effect it would have if:
