(2) A determination under subsection (1) must be made according to sound commercial principles.

(3) The Chairperson must give notice of a determination under subsection (1) to the Finance Minister, the Treasurer and the Minister not later than the day after the determination is made.

(5) Where:
(a) the capital of EFIC includes called capital; and

the Board may determine the amount representing the extent to which the money and assets are excessive.

(6) Where a determination is made under subsection (5), there is payable by EFIC to the Commonwealth:
(a) the amount equal to EFIC’s called capital at the time when the determination was made; or
(b) the amount determined by the Board under subsection (5); whichever is the lesser.

(b) an expected loss by EFIC under a loan made in accordance with an approval or direction under Part 5 is to be ignored to the extent that the Commonwealth would be liable to pay an amount to EFIC under section 66 in relation to the loan; and
(c) an expected loss by, or liability of, EFIC under or in relation to a DIFF loan, as defined in section 66A, is to be ignored to the extent that the Commonwealth would be liable to pay an amount to EFIC under that section in relation to the loss or liability.

(10) Payments by the Commonwealth to EFIC under this section are to be made out of the Consolidated Revenue Fund which is appropriated accordingly.
55 Payment of dividends to the Commonwealth

   (b) if the Minister has directed that a dividend be paid or that a different dividend be paid—the dividend specified in the direction.

(6) For the purposes of this section, the period beginning on the commencement of this Act and ending on 30 June 1992 is to be taken to be a financial year.
56 Maintenance of adequate capital and reserves

(1) The Board is required to ensure, according to sound commercial principles, that the capital and reserves of EFIC at any time are sufficient:

(a) to meet the likely liabilities of EFIC, having regard to the estimated contingent liability at that time of EFIC under Part 4; and

(b) to make adequate provision for default in the repayment of principal, or in the payment of interest or other charges, in connection with loans made by EFIC.

(2) For the purposes of subsection (1):

(a) the value of the capital and reserves of EFIC is to be assessed on the assumption that the whole of the amount specified in subsection 54(8) had been paid to EFIC under section 54; and

(b) a likely liability of EFIC in relation to anything done by EFIC, or a likely default of a kind referred to in paragraph (1)(b) in relation to a loan made by EFIC, in accordance with an approval or direction under Part 5 is to be ignored to the extent that the Commonwealth would be liable to pay an amount to EFIC under section 65 or 66 in relation to the same matter; and

(c) a likely liability of EFIC in relation to a DIFF loan, as defined in section 66A, or a likely default of a kind referred to in paragraph (1)(b) in relation to such a loan, is to be ignored to the extent that the Commonwealth would be liable to pay an amount to EFIC under section 66A in relation to the same matter.

(3) In this section, a reference to the estimated contingent liability of EFIC under Part 4 at any time is a reference to the amount that EFIC estimates to be, at that time, the total contingent liability of EFIC under all contracts of insurance or indemnity entered into, and all guarantees given, by EFIC under Part 4.

(4) If, at any time, the Board determines:

(a) that the capital and reserves of EFIC are not sufficient to meet the likely liabilities, and make the provision, referred to in subsection (1); or

(b) that there are reasonable grounds for believing that, at a time in the future, the capital and reserves of EFIC may not be
sufficient to meet the likely liabilities, and make the
provision, referred to in subsection (1);
the Board must, as soon as practicable, cause the Minister to be
informed in writing of its determination and the reasons for that
determination.

(4) The Finance Minister may, by written instrument, delegate any of
the Finance Minister’s powers or functions under this section to an
official (within the meaning of the Financial Management and
Accountability Act 1997). In exercising powers or functions under
a delegation, the official must comply with any directions of the
Finance Minister.

60 Security

EFIC may give security over all or any of its assets:
(a) for the repayment by EFIC of money borrowed under
section 58 or paragraph 59(1)(a) and the payment of interest
on money so borrowed; or
(b) for the payment by EFIC of money (including interest) that EFIC is liable to pay in respect of money raised under paragraph 59(1)(b).

EFIC must not borrow or raise money except under section 58 or 59.

(2) The arrangements may specify:

(a) the period in respect of which a debt neutrality charge is payable; and
(b) the amount of the charge, or the way in which it is to be worked out; and
(c) the period within which the amount must be paid by EFIC to the Commonwealth.

(3) EFIC must pay a debt neutrality charge to the Commonwealth in accordance with the arrangements.

(4) The Minister may at any time, in writing, vary or revoke arrangements made under this section.

   (c) the period within which the amount must be paid by EFIC to the Commonwealth.

(3) EFIC must pay guarantee fees to the Commonwealth in accordance with the arrangements.

(4) The Minister may at any time, in writing, vary or revoke arrangements made under this section.

63 Exemptions from taxation

(1) Subject to subsection (3), EFIC is not subject to taxation under any law of the Commonwealth or of a State or Territory.

(2) The exemption conferred by subsection (1) does not extend to a company, partnership, joint venture or other business association in the formation of which EFIC was involved merely because of that involvement.

(3) The regulations may provide that subsection (1) does not apply in relation to a specified law of the Commonwealth or of a State or Territory or to a specified class of such laws.

(4) If regulations made for the purpose of subsection (3) provide that subsection (1) does not apply in relation to laws of the Commonwealth that impose income tax, EFIC is to be taken not to be a public authority for the purposes of section 50-25 of the *Income Tax Assessment Act 1997*.

(5) Securities issued by EFIC are not public securities or Commonwealth securities for the purposes of the *Income Tax Assessment Act 1936*.

63A Tax-equivalent payments

(1) EFIC must pay to the Commonwealth a tax-equivalent payment in respect of each financial year.

(2) The amount of the tax-equivalent payment to be made in respect of a financial year is to be determined in writing by the Minister,
having regard to the purpose of ensuring that EFIC does not enjoy a net competitive advantage over other insurers because of the operation of section 63 in relation to its short-term insurance contracts.

(3) The amount determined under subsection (2) in respect of a financial year must not be greater than the amount, or the sum of the amounts, of tax that EFIC would, but for section 63, have been liable to pay in respect of that year in relation to its short-term insurance contracts.

(4) EFIC must pay to the Commonwealth the amount determined under subsection (2) in respect of a financial year in accordance with the written directions of the Minister.

64 Transactions in the national interest: EFIC share of liability

(1) Before it enters into a contract or gives a guarantee in accordance with an approval or direction under Part 5, EFIC may give the Minister written notice that EFIC will meet the whole, or a specified proportion, of the liability of EFIC under the contract or guarantee, as the case may be.

(2) Before it makes a loan in accordance with an approval or direction under Part 5, EFIC may give the Minister written notice that EFIC will bear the whole, or a specified proportion, of the risk associated with the loan.

65 Contracts and guarantees in the national interest

(1) Subject to subsection (2), this section applies to contracts entered into, and guarantees given, by EFIC in accordance with approvals or directions under Part 5.

(2) This section does not apply to a contract or guarantee in relation to which EFIC has given the Minister notice, under section 64, that EFIC will bear the whole of the liability of EFIC under the contract or guarantee.

(3) EFIC is required to keep separate accounts of so much of its receipts and disbursements relating to contracts and guarantees to which this section applies as relates to the proportion of the liability under those contracts and guarantees that is to be borne by the Commonwealth.
(4) Subject to subsections (9) and (10), EFIC is required to pay to the Commonwealth, from time to time, as directed by the Finance Minister, so much of the receipts by EFIC from contracts and guarantees to which this section applies as relates to the proportion of the liability under those contracts and guarantees that is to be borne by the Commonwealth.

(5) For the purpose of subsection (4), the receipts from a contract or guarantee are calculated by deducting from the total of the amounts received by EFIC in relation to the contract or guarantee all amounts paid or payable by EFIC in relation to the contract or guarantee.

(6) Subject to subsections (8) and (9), the Commonwealth is liable to pay to EFIC the amount needed to discharge any liability of EFIC under a contract or guarantee to which this section applies.

(7) Instead of the Commonwealth paying the amount due under subsection (6) when the liability of the Commonwealth arises, the Minister may, on behalf of the Commonwealth, direct EFIC to seek approval under section 59 for EFIC to borrow the amount necessary to discharge its liability under the contract or guarantee.

(8) If the Finance Minister gives approval under section 59, the Commonwealth’s liability under subsection (6) is replaced by a liability to pay EFIC the amount needed to discharge the borrowing by EFIC and to pay all costs (including interest) incurred by EFIC in connection with the borrowing.

(9) Where EFIC has given the Minister notice, under section 64, that EFIC will bear a specified proportion of the liability of EFIC under a contract or guarantee to which this section applies:
(a) if EFIC would be required by subsection (4) to pay an amount to the Commonwealth in respect of the contract or guarantee—EFIC may deduct from the amount the proportion of the amount that equals the proportion specified in the notice; and
(b) the liability of the Commonwealth to EFIC under subsection (6) or (8), as the case may be, in relation to the contract or guarantee is reduced by the proportion specified in the notice.
Section 66

(10) EFIC may deduct from any amount that it is required to pay under subsection (4) an administration fee, to be ascertained in such manner as the Finance Minister directs in writing, in relation to contracts and guarantees to which this section applies.

66 Loans made in the national interest

(1) Subject to subsection (2), this section applies to loans made by EFIC in accordance with approvals under section 27 or directions under section 29.

(2) This section does not apply to a loan in relation to which EFIC has given the Minister notice, under section 64, that EFIC will bear the whole of the risk associated with the loan.

(3) EFIC is required to keep separate accounts of so much of its receipts and disbursements relating to loans to which this section applies as relates to the proportion of the risk associated with such loans that is to be borne by the Commonwealth.

(4) Subject to subsections (9) and (10), EFIC is required to pay to the Commonwealth, from time to time, as directed by the Finance Minister, so much of the receipts by EFIC from loans to which this section applies as relates to the proportion of the risk associated with those loans that is to be borne by the Commonwealth.

(5) For the purpose of subsection (4), net receipts from a loan are calculated by deducting from the total of the amounts received by EFIC in relation to the loan all amounts paid or payable by EFIC in relation to the loan, including amounts payable in respect of borrowings made by EFIC to enable it to make the loan.

(6) Subject to subsections (8) and (9), the Commonwealth is liable:
   (a) to reimburse EFIC the amount of all costs (including interest) incurred by EFIC in connection with the borrowing of money needed to finance a loan to which this section applies; and
   (b) to pay to EFIC an amount equal to any amount in respect of which default is made under a loan to which this section applies.

(7) Instead of the Commonwealth paying the amount due under subsection (6) when the liability of the Commonwealth arises, the Minister may, on behalf of the Commonwealth, direct EFIC to seek
Section 66A

approval under section 59 for EFIC to borrow an amount equal to the amount due by the Commonwealth.

(8) If the Finance Minister gives approval under section 59, the Commonwealth’s liability under subsection (6) is replaced by a liability to pay EFIC the amount needed to discharge the borrowing by EFIC and to pay all costs (including interest) incurred by EFIC in connection with the borrowing.

(9) Where EFIC has given the Minister notice, under section 64, that EFIC will bear a proportion of the risk associated with a loan to which this section applies:

(a) if EFIC would be required by subsection (4) to pay an amount to the Commonwealth in respect of the loan—EFIC may deduct from the amount the proportion of the amount that equals the proportion specified in the notice; and

(b) the liability of the Commonwealth to EFIC under subsection (6) or (8), as the case may be, in relation to the loan is reduced by the proportion specified in the notice.

(10) EFIC may deduct from any amount that it is required to pay under subsection (4) a reasonable amount, to be ascertained in such manner as the Finance Minister directs, in respect of the expenses of EFIC in relation to the making of loans to which this section applies.

(11) On the commencement of section 66A, this section ceases to apply to a loan to which that section applies. This does not affect any liability incurred under this section before the commencement of section 66A.

The return stated that the company had a credit on its franking account and that no franking deficit tax was payable for the 1998-99 franking year. Under former section 160ARH of that Act, the Commissioner was taken to have made an assessment consistent with the return.

Following an audit undertaken after the repeal of Part IIIAA of that Act, the Commissioner concludes that Greg Ltd fraudulently overfranked dividends it paid during the 1998-99 franking year, and had a franking account deficit for that franking year. As a result, the Commissioner considers that franking deficit tax and a penalty by way of additional tax are payable.

The Commissioner can amend the assessment under former section 160ARN of that Act, because item 7 of this Schedule disregards the repeal of that section for the purposes of making an assessment in relation to the 1998-99 franking year. Item 7 will also disregard the repeal of Division 11 of former Part IIIAA to the extent
necessary for the Commissioner to assess Greg Ltd’s liability to a penalty by way of additional tax. Despite the repeal of sections 160ARU and 160ARV, item 9 will ensure that the general interest charge will accrue on the unpaid franking deficit tax and penalty until they are paid.

Item 7 will also preserve Greg Ltd’s right, under former section 160ART of that Act, to object against the Commissioner’s amended assessment (including the penalty), since the objection is the exercise of a right in relation to a franking year that ended before the repeal of Part IIIAA.

Example 2: During the 1997-98 income year, Duffy Property Ltd withheld amounts from its employees’ wages as required by former Divisions 1AAA and 2 of Part VI of the Income Tax Assessment Act 1936. The company failed to notify the Commissioner of those amounts, and failed to remit them to the Commissioner.

Following an audit undertaken after the repeal of those Divisions, the Commissioner discovers that the withheld amounts have not been remitted. The company’s records are incomplete and the Commissioner is unable to completely ascertain the extent of its liability for the withheld amounts. Under section 222AGA of that Act, the Commissioner makes an estimate of the liability.

Item 7 will disregard the repeal of section 220AAZA of that Act (which empowered the Commissioner to recover the amount of the estimate). Even though the estimate is made after the repeal, it relates to amounts withheld before the repeal.

8 Saving of provisions about effect of assessments

If a provision or part of a provision that is repealed or amended by this Act deals with the effect of an assessment, the repeal or amendment is disregarded in relation to assessments made, before or after the repeal or amendment applies, in relation to any act done or omitted to be done, any state of affairs existing, or any period ending, before the repeal or amendment applies.

9 Saving of provisions about general interest charge, failure to notify penalty or late reconciliation statement penalty

If:

(a) a provision or part of a provision that is repealed or amended by this Act provides for the payment of:

(i) general interest charge, failure to notify penalty or late reconciliation statement penalty (all within the meaning of the Income Tax Assessment Act 1936); or

(ii) interest under the Taxation (Interest on Overpayments and Early Payments) Act 1983; and
(b) in a particular case, the period in respect of which the charge, penalty or interest is payable (whether under the provision or under the *Taxation Administration Act 1953*) has not begun, or has begun but not ended, when the provision is repealed or amended;

then, despite the repeal or amendment, the provision or part continues to apply in the particular case until the end of the period.

10 **Repeals disregarded for the purposes of dependent provisions**

If the operation of a provision (the *subject provision*) of any Act or legislative instrument (within the meaning of the *Legislative Instruments Act 2003*) made under any Act depends to any extent on an Act, or a provision of an Act, that is repealed by this Act, the repeal is disregarded so far as it affects the operation of the subject provision.
