2 Commencement

This Act commences on 1 January 1993.

3 Objectives of this Act

(1) The objectives of this Act, which are to be pursued on both a national basis and a regional basis, are:

(a) to foster the development of a more profitable farm sector that is able to operate competitively in a deregulated financial and market environment; and

(b) to improve the competitiveness of the farm sector in a sustainable manner.

(2) In order to achieve those objectives, this Act is intended:

(b) to provide support, either directly or indirectly, to farmers who have prospects of sustainable long-term profitability with a view to improving the productivity of their farm units; and

(c) in the case of direct support to farmers—to provide that support in a way that ensures that the farmers who are supported become financially independent of that support within a reasonable period; and

(d) to provide that support through, but not limited to:

(i) grants for the purposes of subsidies for interest payable on, and associated costs of, loans, whether the loans are provided by a State or by another person; and

(ii) grants for the purposes of farm training, planning, appraisal, support services and rural adjustment research; and
