(a) if a levy on a separately levied fishery is attached to the Corporation—the amounts from time to time received by the Commonwealth, under the Collection Act, as:
   (i) the research component of that levy; and
   (ii) amounts (if any) paid, on behalf of a person liable to pay that levy, by another person, in respect of the research component of that levy; and

(b) amounts worked out under subsection (3) in respect of the separately levied fishery.

Matching payments

(3) The amounts to be paid to an R&D Corporation under paragraph (2)(b) in respect of the separately levied fishery, during a particular financial year, are as follows:

(ii) if that amount is more than 0.5%, but less than 1%, of that interim GVP—half of the amount equal to the percentage of that interim GVP by which the amount spent or required to be spent was more than 0.5% of that interim GVP; reduced, unless the regulations provide otherwise, by the amount (if any) by which the amount worked out under subparagraph (i) or (ii) (as the case may be) exceeds the total of the amounts paid to the Corporation during the year under subparagraphs (2)(a)(i) and (ii) (less the sum of any refunds paid in relation to levies covered by those subparagraphs).

(4) If:

(a) an amount is paid to the Corporation under paragraph (2)(b) in a financial year; and

(b) the amount was calculated, in whole or in part, under subsection (3) on the basis of interim GVP for the financial year; and

(6) If:

(a) before the end of 31 October next following a financial year, the Minister has not determined under subsection (10) an amount that is final GVP for the fishery for the financial year; and

(7) The Minister may, on behalf of the Commonwealth, set off an amount payable by an R&D Corporation under this section against an amount that is payable to the Corporation under subsection (2) or (5).
