(Circulated by authority of the Minister for Sustainability, Environment, Water, Population and Communities, the Hon Tony Burke MP)
COMPLETION OF KAKADU NATIONAL PARK (KOONGARRA PROJECT AREA REPEAL) BILL 2013

OUTLINE

The Koongarra area is surrounded by the Kakadu National Park and was excluded from the boundaries of the Kakadu National Park when it was proclaimed in 1979. This exclusion was made to accommodate the prospect of future mining activity. Since that time, a number of parties have pursued the development of mining at Koongarra but no mining tenements have been granted.

The Australian Government committed at the 2010 federal election to protect Koongarra as part of Kakadu in line with the express views of the traditional owner. The Completion of Kakadu National Park (Koongarra Project Area Repeal) Bill 2013 is part of a process which will see Koongarra incorporated into Kakadu National Park.
