### 22B Meaning of senior secondary school child

(1) An individual is a *senior secondary school child* if:

(a) the following requirement is satisfied:

(i) for the purposes of subclause 29(3) or 36(2) of Schedule 1—the individual is aged 16 or 17 or is aged 18 and the calendar year in which the individual turned 18 has not ended;
(ii) for the purposes of any other provision of this Act—the individual is aged 16, 17 or 18 or is aged 19 and the calendar year in which the individual turned 19 has not ended; and

(b) one of the following applies:

(i) the individual is undertaking full-time study in an approved course of education or study that would, in the Secretary’s opinion, assist or allow the individual to complete the final year of secondary school or an equivalent level of education;

(ia) the individual is studying overseas full-time in a way that would, in the Secretary’s opinion, assist or allow the individual to complete the final year of secondary school or an equivalent level of education;

(ii) subsection (2) applies in relation to the individual.

**Exemption from full-time study requirement**

(2) This subsection applies in relation to the individual if:

(a) there is no locally accessible approved course of education or study (including any such course available by distance education); or

(b) where there is such a course:

(i) there is no place available on the course for the individual; or

(ii) the individual is not qualified to undertake the course; or

(iii) the individual lacks capacity to undertake the course because the individual has a physical, psychiatric or intellectual disability or a learning disability such as attention deficit disorder; or

(c) in the Secretary’s opinion, special circumstances exist that make it unreasonable to require the individual to undertake an approved course of education or study.

**Determination of full-time study hours**

(2A) For the purposes of subparagraph (1)(b)(i) or (ia), if the Secretary determines that it is appropriate to do so having regard to an
individual’s circumstances, the Secretary may determine that the normal amount of full-time study for the individual in respect of a course is to be a number of hours per week specified in the determination, averaged over the duration of the period for which the individual is enrolled in the course.

Continued status of senior secondary school child

(3) If, apart from this subsection, an individual would cease to be a senior secondary school child because the individual completes the final year of secondary school or an equivalent level of education, then the individual is taken to be a senior secondary school child until the end of:

(a) if the day the individual completes that final year of secondary school or equivalent level of education is in November or December in a calendar year—31 December of that year; or

(b) if the day the individual completes that final year of secondary school or equivalent level of education is before November—the period of 28 days beginning on the day after that day.

Interpretation

(4) An individual completes the final year of secondary school or an equivalent level of education on the day worked out in accordance with the following table:

(5) To avoid doubt, if an individual ceases to be a senior secondary school child, nothing in this section prevents the individual again becoming a senior secondary school child.

#### 23 Effect of FTB child ceasing to be in individual’s care without consent

(1) This section applies if:

(a) an individual is an FTB child of another individual (the adult) under subsection 22(2) or (3); and

(aa) the circumstances surrounding legal responsibility for the care of the individual are those mentioned in paragraph 22(5)(a) or (b); and

(b) an event occurs in relation to the child without the adult’s consent that prevents the child being in the adult’s care; and
(c) the adult takes reasonable steps to have the child again in the adult’s care.

When the child remains an FTB child of the adult

(2) Subject to subsection (4A), the child is an FTB child of the adult for that part of the qualifying period (see subsection (5)) for which:
   (a) the child would have been an FTB child of the adult under subsection 22(2) or (3) if the child had not ceased to be in the adult’s care; and
   (b) the circumstances surrounding legal responsibility for the care of the child are those mentioned in paragraph 22(5)(a) or (b).

(3) The reference, in paragraphs (1)(a) and (2)(a), to an FTB child of an individual or adult under subsection 22(2) or (3) includes a reference to:
   (a) a child who is an FTB child under subsection 22(2) or (3) in its application by virtue of subsection 22(7); and
   (b) a child who is an FTB child under subsection 22(2) or (3), but who is taken not to be an FTB child under section 25.

Note: As a result of subsection (2) of this section, a child who is taken not to be an FTB child under section 25, but who is a regular care child, will remain a regular care child for the part of the qualifying period referred to in subsection (2) of this section.

(4) Except as provided in subsection (2), the child cannot (in spite of section 22) be an FTB child of any individual during the qualifying period.

When subsection (2) does not apply

(4A) If the Secretary is satisfied that special circumstances exist in relation to the child, the Secretary may determine that subsection (2) does not apply in relation to the child and the adult.

Definition of parent and qualifying period

(5) In this section:

parent includes a relationship parent.
**Part 3** Eligibility for family assistance  
**Division 1** Eligibility for family tax benefit

Section 23

*qualifying period* means the period beginning when the child ceases to be in the adult’s care and ending at the earliest of the following times:

(a) if the child again comes into the adult’s care at a later time—

that later time;

(b) either:

(i) after 14 weeks pass since the child ceased to be in the adult’s care; or

(ii) if the Secretary specifies, under subsection (5A), a day that is earlier than the last day in that 14-week period—

the end of that earlier day;

(c) if:

(i) the adult is a parent of the child; and

(ii) no family law order, registered parenting plan or parenting plan is in force in relation to the child; and

(iii) the child comes into the care of the other parent at a later time;

that later time.

*Shorter qualifying period*

(5A) If the Secretary is satisfied that special circumstances exist in relation to the child, the Secretary may specify a day for the purposes of subparagraph (b)(ii) of the definition of *qualifying period* in subsection (5).

*Parents of relationship children*

(6) If a child (other than an adopted child) is a relationship child of a person because he or she is a child of the person, and of another person, within the meaning of the *Family Law Act 1975*, the person and the other person are taken to be the child’s only parents for the purposes of paragraph (c) of the definition of *qualifying period* in subsection (5).
24 Effect of certain absences of FTB child etc. from Australia

Absence from Australia of FTB or regular care child

(1) If:
   (a) any of the following applies:
      (i) an FTB child leaves Australia;
      (ii) a child born outside Australia is an FTB child at birth;
      (iii) a regular care child leaves Australia;
      (iv) a child born outside Australia is a regular care child at birth; and
   (b) the child continues to be absent from Australia for more than 56 weeks;
   during that absence from Australia, the child is neither an FTB child, nor a regular care child, at any time after the period of 56 weeks beginning on the first day of the child’s absence from Australia.

(2) If:
   (a) an FTB child, or a regular care child, who has been absent from Australia for more than 6 weeks, but less than 56 weeks, comes to Australia; and
   (b) the child leaves Australia less than 6 weeks later;
   for the purposes of subsection (1), the child is taken not to have come to Australia.

(3) If:
   (a) a child is neither an FTB child nor a regular care child because of the application of subsection (1) or a previous application of this subsection; and
   (b) the child comes to Australia; and
   (c) the child leaves Australia less than 6 weeks after coming to Australia;
   the child is neither an FTB child nor a regular care child at any time during the absence from Australia referred to in paragraph (c).
Part 3 Eligibility for family assistance
Division 1 Eligibility for family tax benefit

Section 24

Maximum period of eligibility for family tax benefit while individual overseas

(4) If an individual leaves Australia, the maximum period for which the individual can be eligible for family tax benefit during that absence from Australia is the period of 56 weeks beginning on the first day of that absence.

(5) If:
   (a) an individual who has been absent from Australia for more than 6 weeks, but less than 56 weeks, returns to Australia; and
   (b) the individual leaves Australia again less than 6 weeks later;
the individual is taken not to have returned to Australia for the purposes of subsection (4).

(6) If:
   (a) an individual is eligible for family tax benefit while the individual is absent from Australia; and
   (b) the individual then ceases to be eligible for family tax benefit because of the application of subsection (4) or a previous application of this subsection; and
   (c) the individual returns to Australia; and
   (d) the individual leaves Australia again less than 6 weeks after returning to Australia;
the individual is not eligible for family tax benefit at any time during the absence from Australia referred to in paragraph (d).

Extension of 56 week period in certain circumstances

(7) The Secretary may extend the 56 week period (the initial period) referred to in subsection (1), (2), (4) or (5), to a period of no more than 3 years, if the Secretary is satisfied that the child mentioned in subsection (1) or (2), or the individual mentioned in subsection (4) or (5), (in each case, the person) is unable to return to Australia within the initial period because of any of the following events:
   (a) a serious accident involving the person or a family member of the person;
(b) a serious illness of the person or a family member of the person;
(c) the hospitalisation of the person or a family member of the person;
(d) the death of a family member of the person;
(e) the person’s involvement in custody proceedings in the country in which the person is located;
(f) a legal requirement for the person to remain outside Australia in connection with criminal proceedings (other than criminal proceedings in respect of a crime alleged to have been committed by the person);
(g) robbery or serious crime committed against the person or a family member of the person;
(h) a natural disaster in the country in which the person is located;
(i) political or social unrest in the country in which the person is located;
(j) industrial action in the country in which the person is located;
(k) a war in the country in which the person is located.

(8) The Secretary must not extend the initial period under subsection (7) unless:
(a) the event occurred or began during the initial period; and
(b) if the event is political or social unrest, industrial action or war—the person is not willingly involved in, or willingly participating in the event.

(9) The Secretary may extend the 56 week period referred to in subsection (1), (2), (4) or (5), to a period of no more than 3 years, if the Secretary is satisfied that, under the Medical Treatment Overseas Program administered by the Minister who administers the National Health Act 1953, financial assistance is payable in respect of the absence from Australia of the child mentioned in subsection (1) or (2) or the individual mentioned in subsection (4) or (5).

(10) The Secretary may extend the 56 week period referred to in subsection (4) or (5), to a period of no more than 3 years, if the Secretary is satisfied that the individual mentioned in the
subsection is unable to return to Australia within the 56 week period because the individual is:

(a) deployed outside Australia as a member of the Defence Force, under conditions specified in a determination made under the *Defence Act 1903* that relates to such deployment; or

(b) deployed outside Australia, for the purpose of capacity-building or peacekeeping functions, as:

(i) a member or a special member of the Australian Federal Police; or

(ii) a protective service officer within the meaning of the *Australian Federal Police Act 1979*.

25 Effect of an individual’s percentage of care for a child being less than 35%

If an individual’s percentage of care for a child during a care period is less than 35%, the child is taken, despite section 22, not to be an FTB child of that individual for any part of the period.

25A Regular care child for each day in care period

If an individual’s percentage of care for a child during a care period is at least 14% but less than 35%, the child is taken to be a regular care child of that individual for the purposes of this Act on each day in that period, whether or not the child was in that individual’s care on that day.

26 Only 1 member of a couple eligible for family tax benefit

(1) For any period when 2 individuals who are members of a couple would otherwise be eligible at the same time for family tax benefit in respect of one or more FTB children or regular care children, only one member is eligible.

(2) The member who is eligible is the one determined by the Secretary to be eligible, having regard to:

(a) whether one member of the couple is the primary carer for the child or children; and
Eligibility for family assistance  Part 3
Eligibility for family tax benefit  Division 1

Section 27

(b) whether the members have made a written agreement
nominating one of them as the member who can make a
claim under Part 3 of the A New Tax System (Family
Assistance) (Administration) Act 1999 for payment of family
tax benefit in respect of the child or children.

27 Extension of meaning of FTB or regular care child in a blended
family case

(1) This section applies if:

(a) 2 individuals are members of the same couple; and
(b) either or both of the individuals have a child (the qualifying
child) from another relationship (whether before or after the
2 individuals became members of that couple).

(2) While the 2 individuals are members of that couple:

(a) each qualifying child that is an FTB child, or regular care
child, of one member of the couple is taken also to be an FTB
child, or regular care child, (as the case requires) of the other
member of the couple; and
(b) if the Secretary has determined, under section 35A or 35B,
one individual’s percentage of care for the qualifying child
during a care period (whether before or after the 2 individuals
became members of that couple)—the Secretary is taken to
have determined the same percentage to be the other
individual’s percentage of care for the child during that
period.

28 Eligibility for family tax benefit of members of a couple in a
blended family

(1) If the Secretary is satisfied that:

(a) 2 individuals who are members of the same couple (person A
and person B) would each be eligible for family tax benefit
for 2 or more FTB children during a period but for
subsection 26(1); and
(b) at least one of the children is a child of a previous
relationship of person A; and
(c) at least one of the other children is:
section 29

(i) a child of the relationship between person A and person B; or
(ii) a child of a previous relationship of person B;
the Secretary may:
(d) determine that person A and person B are both eligible for family tax benefit for the children for the period; and
(e) determine person A’s and person B’s percentage of the family tax benefit for the children.

(2) The Secretary cannot make a determination under subsection (1) for a past period if person A or person B has been paid family tax benefit for the period.

(3) For the purposes of this section:
(a) an FTB child of an individual is a child of a previous relationship of an individual who is a member of a couple if the child is an immediate child of that individual but not of the individual’s partner; and
(b) a child is a child of the relationship of 2 individuals who are members of a couple if the child is an immediate child of both members of the couple; and
(c) an FTB child of an individual is an immediate child of the individual if:
(i) the child is the natural child, adopted child or relationship child of the individual; or
(ii) the individual is legally responsible for the child.

29 Eligibility for family tax benefit of separated members of a couple for period before separation

If the Secretary is satisfied that:
(a) 2 individuals are not members of the same couple (person A and person B); and
(b) during a period in the past when person A and person B were members of the same couple, they had an FTB child or children; and
(c) but for subsection 26(1), person A and person B would both be eligible for family tax benefit for the FTB child or children for that period; the Secretary may:
(d) determine that person A and person B are both eligible for family tax benefit for the child or children for that period; and
(e) determine person A’s and person B’s percentage of the family tax benefit for the child or children for that period.

Subdivision B—Eligibility of individuals for family tax benefit where death occurs

31 Continued eligibility for family tax benefit if an FTB or regular care child dies

(1) This section applies if:
(a) an individual is eligible for family tax benefit (except under section 33) in respect of one or more FTB children or regular care children; and
(b) one of the children dies; and
(c) in a case where the individual is eligible for family tax benefit in respect of more than one child immediately before the child mentioned in paragraph (1)(b) died—the individual’s rate of family tax benefit would decrease as a result of the child’s death.

Individual remains eligible for family tax benefit for 14 weeks after the death of the child

(2) The individual is eligible for family tax benefit, at a rate worked out under section 64, for each day in the period of 14 weeks beginning on the day the child died. This subsection has effect subject to subsection (3) of this section and to section 32.

14 weeks reduced in certain circumstances

(3) The period for which the individual is eligible for family tax benefit under subsection (2) does not include:

A New Tax System (Family Assistance) Act 1999
Part 3  Eligibility for family assistance
Division 1  Eligibility for family tax benefit

Section 32

(a) if the child had turned 16 when the child died—any day on which the Secretary is satisfied the child would not have been a senior secondary school child if the child had not died; or

(b) if the child had not turned 16 when the child died—any day on which the child would have been aged 16, and on which the Secretary is satisfied the child would not have been a senior secondary school child, if the child had not died.

Eligibility during the period to which subsection (2) applies is sole eligibility

(4) Except as mentioned in subsection (2), the individual is not eligible for family tax benefit in respect of any FTB children, or regular care children, of the individual during the period to which subsection (2) applies.

32 Eligibility for a single amount of family tax benefit if an FTB or regular care child dies

Instalment case

(1) If:

(a) the individual to whom section 31 applies was, immediately before the child concerned died, entitled to be paid family tax benefit by instalment; and

(b) the individual, on any day (the request day) during the period (the section 31 accrual period) for which the individual is eligible for family tax benefit under that section, makes a claim, under Part 3 of the A New Tax System (Family Assistance) (Administration) Act 1999, for payment of family tax benefit because of the death of a person, stating that the individual wishes to become eligible for a single amount of family tax benefit under this subsection;

then:

(c) the individual is eligible for a single amount of family tax benefit worked out under subsection 65(1); and

(d) the period for which the individual is eligible for family tax benefit under subsection 31(2) does not include the lump sum period mentioned in subsection 65(1).
Eligibility for family assistance  Part 3
Eligibility for family tax benefit  Division 1

Section 33

Other cases

(2) If:
   (a) the individual to whom section 31 applies was, immediately before the child concerned died, not entitled to be paid family tax benefit by instalment; and
   (b) apart from this subsection, the period for which the individual is eligible for family tax benefit under subsection 31(2) extends over 2 income years;
then:
   (c) the individual is eligible for a single amount of family tax benefit for the period falling in the second of those income years worked out under subsection 65(3); and
   (d) the period for which the individual is eligible for family tax benefit under subsection 31(2) does not include the period falling in the second of those income years.

33 Eligibility for family tax benefit if an eligible individual dies

Eligibility other than because of the death of an FTB or regular care child

(1) If:
   (a) an individual is eligible for an amount (the subject amount) of family tax benefit (except because of section 31 or 32 applying in relation to the death of an FTB child or a regular care child); and
   (b) the individual dies; and
   (c) before the individual died, the subject amount had not been paid to the individual (whether or not a claim under Part 3 of the A New Tax System (Family Assistance) (Administration) Act 1999 had been made); and
   (d) another individual makes a claim under that Part for payment of family tax benefit because of the death of a person, stating that he or she wishes to become eligible for so much of the subject amount as does not relate to any period before the beginning of the income year preceding the income year in which the individual died; and
(e) the Secretary considers that the other individual ought to be eligible for that much of the subject amount; the other individual is eligible for that much of the subject amount and no-one else is, or can become, eligible for or entitled to be paid any of the subject amount.

Eligibility because of the death of an FTB or regular care child

(2) If:

(a) an individual dies; and
(b) either:
   (i) before the individual’s death, the individual was eligible for an amount (the subject amount) of family tax benefit under section 31 or 32 in relation to the death of an FTB child or regular care child, and the subject amount had not been paid to the individual (whether or not a claim under Part 3 of the A New Tax System (Family Assistance) (Administration) Act 1999 had been made); or
   (ii) the individual died at the same time as the FTB child or regular care child, and would have been so eligible for the subject amount if the individual had not died; and
(c) another individual makes a claim under that Part for payment of family tax benefit because of the death of a person, stating that the individual wishes to become eligible for the subject amount as does not relate to any period before the beginning of the income year preceding the income year in which the individual died; and
(d) the Secretary considers that the other individual ought to be eligible for that much of the subject amount; the other individual is eligible for that much of the subject amount and no-one else is, or can become, eligible for or entitled to be paid any of the subject amount.
Subdivision C—Eligibility of approved care organisations for family tax benefit

34 When an approved care organisation is eligible for family tax benefit

(1) An approved care organisation is eligible for family tax benefit in respect of an individual if:
   (a) the individual:
       (i) is aged under 16; or
       (ii) has turned 16 and is a senior secondary school child; and
   (b) the individual is a client of the organisation; and
   (c) the individual is an Australian resident.

(2) However, an approved care organisation is not eligible for family tax benefit in respect of an individual in the cases set out in section 35.

Expanded meaning of client of an organisation

(3) For the purposes of paragraph (1)(b), if:
   (a) an organisation that is not an approved care organisation is providing residential care services to young people in Australia; and
   (b) an approved care organisation is co-ordinating the provision of those services;

the young people are taken to be clients of the approved care organisation.

35 When an approved care organisation is not eligible for family tax benefit

(1) An approved care organisation is not eligible for family tax benefit in respect of an individual in the cases set out in this table:
### Section 35A

| When an approved care organisation is not eligible for family tax benefit at a particular time |
|---|---|
| **If the individual is aged:** | **then the approved care organisation is not eligible for family tax benefit in respect of the individual if:** |

(a) a social security pension; or  
(b) a social security benefit; or  
(c) payments under a program included in the programs known as Labour Market Programs. |

(2) An approved care organisation is also not eligible for family tax benefit in respect of an individual if anyone else is eligible for family tax benefit in respect of the individual.

### Subdivision D—Determination of percentage of care

#### 35A Determination of percentage of care—child is not in the adult’s care

(a) the Secretary is satisfied that an individual (the *adult*) has no care of a child but that:

(i) the child is an FTB child of the adult under section 23;  
or  
(ii) the child would, under subsection 22(2), (3) or (4), be an FTB child of the adult if there had been, or were to be, a pattern of care for the child over a period (the *care*

(i) the child is an FTB child of the adult under section 23; or

A New Tax System (Family Assistance) Act 1999  59
35B Determination of percentage of care—child is in the adult’s care

Initial determination

(1) If:
   (a) the Secretary is satisfied that there has been, or will be, a pattern of care for a child over a period (the care period) such that, for the whole, or for parts (including different parts), of the care period, the child was or will be, under subsection 22(2), (3) or (4), an FTB child of more than one individual; and
   (b) one of those individuals (the adult), or the partner of the adult, makes or has made a claim under Part 3 of the A New Tax System (Family Assistance) (Administration) Act 1999 for payment of family tax benefit in respect of the child for some or all of the days in the care period; and
   (c) the adult is not a partner of at least one of the other individuals referred to in paragraph (a);

the Secretary must determine the adult’s percentage of care for the child during the care period.

Determination after revocation

(2) If:
   (a) the Secretary revokes, under Subdivision E of this Division, a determination of an individual’s (the adult) percentage of care for a child that was made under section 35A or this section; and
   (b) the Secretary is satisfied that there has been, or will be, a pattern of care for the child over a period (the care period) such that, for the whole, or for parts (including different parts), of the care period, the child was or will be, under subsection 22(2), (3) or (4), an FTB child of the adult and at least one other individual; and
   (c) the adult is not a partner of at least one of those other individuals;

the Secretary must determine the adult’s percentage of care for the child during the care period.
Percentage of care

(3) The percentage determined under subsection (1) or (2) must be a percentage that corresponds with the actual care of the child that the Secretary is satisfied that the adult has had, or will have, during the care period.

(4) Despite subsection (3), if section 35C, 35D or 35G applies in relation to the adult, the Secretary must determine the adult’s percentage of care under subsection (1) or (2) in accordance with that section.

35C Percentage of care if action taken to ensure that a care arrangement in relation to a child is complied with

(1) This section applies in relation to an individual (the adult) if:
   (a) a care arrangement applies in relation to a child; and
   (b) the Secretary is satisfied that the actual care of the child that the adult has had, or will have, during a care period does not comply with the extent of care of the child that the adult should have had, or is to have, under the care arrangement during the care period (which may be nil); and

(1) A person is not eligible, or conditionally eligible, for child care benefit as mentioned in Subdivision A, B, C or E if the child concerned:
   (a) is under the care (however described) of a person (other than a foster parent) under:
      (i) a child welfare law of a State or Territory; or
      (ii) a law of a State or Territory that is taken to be a child welfare law of the State or Territory in a determination under subsection (2); or
   (b) is a member of a class specified in a determination under subsection (3).

51 Approved child care service not eligible for care provided to a child at risk if Minister so determines

Limit on eligibility under section 47

The Minister may, by legislative instrument, determine that, in specified circumstances, after a specified period or specified periods of eligibility of approved child care services for child care benefit by fee reduction in respect of a child under section 47, the services are not able to be eligible under that section for any further period in respect of the child.

Subdivision G—Limitations on eligibility for child care benefit for care provided by an approved child care service relating to hours

52 Limit on eligibility for child care benefit relating to hours

Limit on eligibility

(1) Despite:
   (a) an individual or an approved child care service (a fee reduction claimant) being eligible for child care benefit by fee reduction under section 43 or 47 respectively; or
   (b) an individual (a past period claimant) being eligible under section 44 for child care benefit for a past period;
the number of hours, in sessions of care in a week for which the claimant is eligible, is limited.
How limit is worked out

(2) The limit is worked out using this Subdivision. The Minister’s determination under section 57A deals with the hours that are to count towards that limit in certain circumstances.

If fee reduction claimant is an individual—how the limit is used

(3) For a fee reduction claimant who is an individual, the Secretary determines the limit under section 50H of the Family Assistance Administration Act while the claimant is conditionally eligible for child care benefit by fee reduction.

(4) The limit may be varied under:
   (a) subsection 59(2) or section 59F, 62C or 65D of the Family Assistance Administration Act; or
   (b) Subdivision U of Division 4 of Part 3 of that Act.

The limit, and variations to it made under Subdivision U of Division 4 of Part 3 of the Family Assistance Administration Act or section 65D of that Act, are worked out using this Subdivision as if the reference in subsection (1) to an individual being eligible under section 43 for child care benefit was a reference to the individual being conditionally eligible under section 42. The Secretary applies the limit when determining, under section 51B of the Family Assistance Administration Act, the amount of child care benefit the claimant is entitled to be paid.

If fee reduction claimant is a service—how the limit is used

(5) For a fee reduction claimant that is an approved child care service, the limit is taken to be determined under section 54C of the Family Assistance Administration Act. The Secretary applies the limit when determining, under section 54B of the Family Assistance Administration Act, the amount of child care benefit the claimant is entitled to be paid.

Past period claimant—how the limit is used

(6) For a past period claimant, the Secretary applies the limit when determining, under section 52E of the Family Assistance Administration Act, the amount the claimant is entitled to be paid.
53 Weekly limit of hours

Weekly limit for fee reduction claimants

(1) The weekly limit of hours applicable to a fee reduction claimant is as provided for in this Subdivision:
   (a) a limit of 24 hours; or
   (b) a limit of 50 hours; or
   (c) a limit of more than 50 hours; or
   (d) a 24 hour care limit (but see section 56 which provides that this limit can only apply if the care is not provided by an approved occasional care service).

Weekly limit for past period claimants

(2) The weekly limit of hours applicable to a past period claimant is, as provided for in this Subdivision:
   (a) a limit of 24 hours; or
   (b) a limit of 50 hours.

24 hour limit applies if no other limit does

(3) In a week, a limit of 24 hours applies to a claimant if:
   (a) in the case of a fee reduction claimant—a limit of 50 hours, a limit of more than 50 hours or a 24 hour care limit does not apply in respect of the week; and
   (b) in the case of a past period claimant—a limit of 50 hours does not apply in respect of the week.

Weekly limit of hours must not include unauthorised 24 hour care

(4) The weekly limit of hours applicable to a claimant under this section, other than a 24 hour care limit under paragraph (1)(d), must not include hours during which an approved child care service is providing 24 hour care to the child.
54 Circumstances when a limit of 50 hours applies

Overview of section

(1) This section sets out the circumstances in which a limit of 50 hours for sessions of care provided by an approved child care service to a child applies in a week to the eligibility of:
   (a) a fee reduction claimant (see paragraph 52(1)(a)); or
   (b) a past period claimant (see paragraph 52(1)(b)).

If claimant is an individual and work/training/study test satisfied

(2) A limit of 50 hours in the week applies to a fee reduction claimant who is an individual or to a past period claimant if that claimant, and that claimant’s partner (if any), satisfy the work/training/study test:

   (b) in any other case—at some time in the week.

Note: Subsection 14(1A) specifies extra requirements for satisfying the work/training/study test for the purposes of this section.

      (ii) in any other case—at some time in the week.

Note: Subsection 14(1A) specifies extra requirements for satisfying the work/training/study test for the purposes of this section.
If claimant is an individual and carer allowance is payable

(4) A limit of 50 hours in the week applies to a fee reduction claimant who is an individual, or to a past period claimant, if carer allowance for a disabled child (within the meaning of section 952 of the Social Security Act 1991) is payable to the claimant or the claimant’s partner (if any) for some or all of the week:

(a) in respect of an FTB child, or a regular care child, of the claimant or that claimant’s partner; and

(b) pursuant to a claim under that Act that was determined before the week.

If fee reduction claimant is an approved child care service and carer allowance is payable

(i) in respect of an FTB child, or a regular care child, of the individual or the individual’s partner; and

(ii) pursuant to a claim under that Act that was determined before the week.

If claimant and partner are disabled persons

(6) A limit of 50 hours in the week applies to a fee reduction claimant who is an individual or to a past period claimant if, during the week:

(a) the child is an FTB child, or a regular care child, of the claimant and that claimant is a disabled person (see subsection 3(1)); and

(b) the claimant’s partner (if any) is also a disabled person.

   (c) during the week, the individual’s partner (if any) is also a disabled person.

If fee reduction claimant is an individual and Secretary considers that exceptional circumstances exist

(8) A limit of 50 hours in the week applies to a fee reduction claimant who is an individual if the Secretary considers that, for a specified period that includes, or is the same as, the week, the child needs or needed more than 24, up to a maximum of 50, hours of care in a week because exceptional circumstances exist or existed in the period in relation to the claimant.

If fee reduction claimant is an approved child care service and Secretary considers that exceptional circumstances exist

(9) A limit of 50 hours in the week applies to a fee reduction claimant that is an approved child care service if:
   (a) the person in whose care the child last was before the first session of care in the week is an individual; and
   (b) the Secretary considers that, for a specified period that includes, or is the same as, the week, the child needs or needed more than 24, up to a maximum of 50, hours of care in a week because exceptional circumstances exist or existed in the period in relation to the individual.

Service considers that child at risk

(10) Subject to subsection (11), a limit of 50 hours in the week applies to a fee reduction claimant if:

(b) in the case where the claimant is an approved child care service—the service;
certifies that, for a specified period that includes, or is the same as, the week, the child needs or needed more than 24, up to a maximum of 50, hours of care in a week because the child is or has been at risk of serious abuse or neglect.

Limitation on service giving certificates under subsection (10)

(11) An approved child care service providing care to a child may only give a certificate under subsection (10) if the period specified in the certificate, and the period specified in each other certificate (if any) given by the service under subsection (10) in respect of the child and the same financial year, do not in total exceed 13 weeks.

Secretary considers that child at risk

(12) A limit of 50 hours in the week applies to a fee reduction claimant if:
   (a) either:
      (i) in the case where the claimant is an individual—the approved child care service providing care to the child; or
      (ii) in the case where the claimant is an approved child care service—the service;
has given one or more certificates under subsection (10), such that the total period specified in the certificates in respect of the child in the same financial year equals 13 weeks; and
   (b) the Secretary considers that the child needs or needed more than 24, up to a maximum of 50, hours of care in a week in a specified period beginning at any time after those 13 weeks, because the child is or has been at risk of serious abuse or neglect; and
   (c) the week falls within, or is the same as, the period specified by the Secretary.
Determination that service is sole provider in area

(13) A limit of 50 hours in the week applies to a fee reduction claimant or past period claimant if a determination is in force under section 57 (sole provider) during the week in respect of the approved child care service providing the care to the child.

Approved outside school hours care service providing care to child

(14) A limit of 50 hours in the week applies to a fee reduction claimant or past period claimant:
   (a) who is an individual; or
   (b) that is an approved outside school hours care service providing care to the child;

if the Secretary considers that, during the week, the claimant needs or needed care before or after school for the child from an approved outside school hours care service.

55 Circumstances when a limit of more than 50 hours applies

Overview of section

(1) This section sets out the circumstances in which a limit of more than 50 hours for sessions of care provided by an approved child care service to a child applies in a week to the eligibility of a fee reduction claimant (see paragraph 52(1)(a)).

Work/disability test satisfied if fee reduction claimant is an individual

(2) A limit of more than 50 hours in the week applies to a fee reduction claimant who is an individual if:
   (a) the Secretary considers that for a specified period or indefinitely (if no period is specified), the claimant needs or needed care for the child for a particular number of hours in a week more than 50; and
   (b) the Secretary considers that the amount of care is needed because the individual, and that individual’s partner (if any), satisfy the work/disability test (see subsections 57E(1), (2)
and (3)) for the particular number of hours during the period or indefinitely, as the case may be; and

(c) the week falls within, or is the same as, the period or, if no period is specified, the week is one after the start of the indefinite period.

The amount of the limit is the particular number of hours more than 50.

Work/disability test satisfied if fee reduction claimant is an approved child care service

(3) A limit of more than 50 hours in the week applies to a fee reduction claimant that is an approved child care service if:

(a) the person in whose care the child last was before the first session of care in the week is an individual; and

(b) the Secretary considers:

(i) that for a specified period the individual needs or needed care for the child for a particular number of hours in a week more than 50; and

(ii) that the amount of care is needed because the individual, and that individual’s partner (if any), satisfy the work/disability test (see subsections 57E(1), (2) and (3)) for the particular number of hours during the period; and

(c) the week falls within, or is the same as, the period.

The amount of the limit is the particular number of hours more than 50.

If fee reduction claimant is an individual and Secretary considers that exceptional circumstances exist

(4) A limit of more than 50 hours in the week applies to a fee reduction claimant who is an individual if the Secretary considers:

(a) that for a specified period that includes, or is the same as, the week, the child needs or needed care, for a particular number of hours in a week more than 50; and

(b) the reason the child needs or needed the care is because exceptional circumstances exist or existed in the period in relation to the claimant.
The amount of the limit is the particular number of hours more than 50.

If fee reduction claimant is an approved child care service and Secretary considers that exceptional circumstances exist

(5) A limit of more than 50 hours in the week applies to a fee reduction claimant that is an approved child care service if:
   (a) the person in whose care the child last was before the first session of care in the week is an individual; and
   (b) the Secretary considers:
      (i) that, for a specified period that includes, or is the same as, the week, the child needs or needed care, for a particular number of hours in a week more than 50; and
      (ii) that the reason the child needs or needed the care is because exceptional circumstances exist or existed in the period in relation to the individual.

The amount of the limit is the particular number of hours more than 50.

Service considers that child at risk

(6) Subject to subsection (7), a limit of more than 50 hours in the week applies to a fee reduction claimant if:
   (a) in the case where the claimant is an individual—the approved child care service providing care to the child; or
   (b) in the case where the claimant is an approved child care service—the service;

certifies that, for a specified period that includes, or is the same as, the week, the child needs or needed a particular number of hours of care in a week more than 50 because the child is or has been at risk of serious abuse or neglect. The amount of the limit is the particular number of hours more than 50 that the service specifies.

Limitation on service giving certificates under subsection (6)

(7) An approved child care service providing care to a child may only give a certificate under subsection (6) if the period specified in the certificate, and the period specified in each other certificate (if any)
given by the service under that subsection in relation to the child and the same financial year, does not in total exceed 13 weeks.

Secretary considers that child at risk

(8) A limit of more than 50 hours in the week applies to a fee reduction claimant if:

(a) either:
   (i) in the case where the claimant is an individual—the approved child care service providing care to the child; or
   (ii) in the case where the claimant is an approved child care service—the service;
       has given one or more certificates under subsection (6) such that the total period specified in the certificates in respect of the child in the same financial year equals 13 weeks; and

(b) the Secretary considers that the child needs or needed a particular number of hours of care in a week more than 50 in a specified period beginning at any time after those 13 weeks, because the child is or has been at risk of serious abuse or neglect; and

(c) the week falls within, or is the same as, the period specified by the Secretary.

The amount of the limit is the particular number of hours more than 50.

56 Circumstances when 24 hour care limit applies

Overview of section

(1) This section sets out the circumstances in which a 24 hour care limit for sessions of care provided to a child applies in a week to the eligibility of certain fee reduction claimants (see paragraph 52(1)(a)). A 24 hour care limit can only apply if the care is provided by an approved child care service other than an approved occasional care service.
Meaning of fee reduction claimant and approved child care service

(2) In this section (other than subsection (1)):

(a) fee reduction claimant does not include an individual if the care the individual is eligible for is provided by an approved occasional care service; and

(b) approved child care service does not include an approved occasional care service.

24 hour care certified by a service—if claimant is an individual

(3) Subject to subsection (5), a 24 hour care limit applies in the week to a fee reduction claimant who is an individual if the approved child care service providing care to the child certifies that the child needs, or needed, 24 hour care in the week for one or more 24 hour care periods specified in the certificate, because neither the claimant, nor the claimant’s partner (if any), is able to care for the child during those periods for the reason that:

(a) both the claimant and the claimant’s partner (if any) have work related commitments during those periods; or

(b) exceptional circumstances exist during those periods.

24 hour care certified by a service—if claimant is a service

(4) Subject to subsection (5), a 24 hour care limit applies in the week to a fee reduction claimant that is an approved child care service if:

(a) the person in whose care the child last was before the first session of care in the week is an individual; and

(b) the service certifies that the child needs, or needed, 24 hour care in the week for one or more 24 hour care periods specified in the certificate, because neither the individual, nor the individual’s partner (if any), is able to care for the child during those periods for the reason that:

(i) both the individual and that individual’s partner (if any) have work related commitments during those periods; or

(ii) exceptional circumstances exist during those periods.
Part 3  Eligibility for family assistance
Division 4  Eligibility for child care benefit

Section 56

Limitation on service giving certificates under subsection (3) or (4)

(5) An approved child care service may only give a certificate under subsection (3) or (4) if the number of 24 hour care periods specified in the certificate in relation to a child, together with the number of 24 hour care periods specified in each other certificate (if any) given by the service, or any other approved child care service, in relation to the child and the same financial year, does not in total exceed 14.

24 hour care decided by the Secretary

(6) Subject to subsection (7), a 24 hour care limit applies in the week to a fee reduction claimant if:
   (a) the approved child care service providing care to the child has given a certificate under subsection (3) or (4) such that the total of the 24 hour care periods specified in that certificate and other certificates (if any) given by the service, or any other approved child care service, in respect of the child in the same financial year equals 14; and
   (b) the Secretary considers that, at some time after those 14 24 hour care periods, the child needs or needed 24 hour care for one or more specified 24 hour care periods in the week because:
      (i) in the case where the claimant is an individual—neither the claimant nor the claimant’s partner (if any); or
      (ii) in the case where the claimant is the approved child care service providing care to the child—neither the individual in whose care the child last was before the first session of care in the week nor the individual’s partner (if any); is able to care for the child during those periods; and
   (c) the Secretary considers that the reason for that inability is:
      (i) because both the individual and the individual’s partner (if any) have work related commitments during those periods; or
      (ii) because exceptional circumstances exist during those periods.
Limitation on Secretary’s decision making under subsection (5)

(7) Subject to subsection (8), in respect of a child during a financial year, the Secretary may make a decision under subsection (6) in respect of only 14 24 hour care periods.

Maximum of 28 24 hour care periods may be lifted in certain circumstances

(8) If:

(a) in respect of the child during a financial year, there have already been certificates given, and decisions of the Secretary made, in which the total of the 24 hour care periods specified is 28; and

(b) the Secretary is satisfied that it is essential in the circumstances that the child receive one or more further periods of 24 hour care during the financial year;

a 24 hour care limit applies in the week to a fee reduction claimant if:

(c) the Secretary considers that, at some time after those 28 24 hour care periods, the child needs or needed 24 hour care for one or more specified 24 hour care periods in the week because:

(i) in the case where the claimant is an individual—neither the claimant nor the claimant’s partner (if any); or

(ii) in the case where the claimant is the approved child care service providing care to the child—neither the individual in whose care the child last was before the first session of care in the week nor the individual’s partner (if any);

is able to care for the child during those periods; and

(d) the Secretary considers that the reason for that inability is:

(i) because both the individual and the individual’s partner (if any) have work related commitments during those periods; or

(ii) because exceptional circumstances exist during those periods.
57 Secretary’s determination of sole provider

(1) If the Secretary considers that:
   (a) an approved child care service is the sole provider in an area of the kind of care the service provides; and
   (b) the service would be likely to close if the Secretary were not to make a determination that would be in force for a period of one or more weeks under this subsection in relation to the service;

the Secretary may make a determination to that effect (while a determination is in force, a weekly limit of 50 hours applies under subsection 54(13)).

(2) The determination:
   (a) may be expressed to be subject to conditions, and
   (b) must specify the period of one or more weeks; and
   (c) is in force during the period specified.

(3) The determination may be varied by the Secretary from a date, or for a period, specified in the variation.

(4) The determination may be revoked by the Secretary from a date specified in the revocation.

(5) The determination, or a variation of a determination, may only be made on application by the approved child care service concerned.

(6) The application must:
   (a) be made in a form and manner; and
   (b) contain any information; and
   (c) be accompanied by any documents; required by the Secretary.

(7) The Secretary must give notice of the determination, or of a variation or revocation of a determination, to the approved child care service the subject of the determination. A determination, variation or revocation is not ineffective by reason only that the notice is not given, or if given, that all of the requirements are not complied with.
57A  Minister to determine which hours in sessions of care are to count towards the limits

The Minister must, by legislative instrument, determine rules relating to how to work out the hours in sessions of care provided by an approved child care service to a child in a week that are to count towards:

(a) the limit of 24 hours; or
(b) the limit of 50 hours; or
(c) the limit of more than 50 hours.

57B  Minister may determine rules

The Minister may, by legislative instrument, determine rules relating to:

(a) the giving of certificates by an approved child care service under subsection 54(10), 55(6) or subsection 56(3) or (4); and
(b) the making of decisions by the Secretary under section 54 or 55 or subsection 56(6) or (8); and
(c) the making of the Secretary’s determinations under section 57; and
(d) the meaning of terms used in this Subdivision.

57C  Certificates to be given and decisions and determinations to be made in accordance with rules

All of the following must be made in accordance with rules (if any) in force under section 57B:

(a) a certificate given by an approved child care service under subsection 54(10), 55(6) or subsection 56(3) or (4);
(b) a decision made by the Secretary under section 54 or 55 or subsection 56(6) or (8);
(c) a determination made by the Secretary under section 57.

Meaning of satisfying the work/disability test for individual and partner where one of the individuals has work related commitments and the other is a disabled person

(2) An individual who has a partner and the partner satisfy the work/disability test in relation to care provided by an approved child care service to a child if:
   (a) one of the individuals is unable to care for the child because of work related commitments; and

Meaning of satisfying the work/disability test for individual and partner where both of the individuals have work related commitments

Division 5—Eligibility for child care rebate

57EAA Eligibility for child care rebate—for a week

(1) An individual is eligible for child care rebate for a week in respect of a child if:

(a) a determination is in force under section 50F of the Family Assistance Administration Act during the week to the effect that the individual is conditionally eligible for child care benefit by fee reduction in respect of the child; and

(b) one or more sessions of care are provided by one or more approved child care services to the child during the week; and

(c) under Subdivision G of Division 4, one or more of the following is the weekly limit of hours applicable to the individual in the week:

(i) the 50 hour limit (see section 54);
(ii) the more than 50 hour limit (see section 55);
(iii) the 24 hour care limit under section 56; and

(d) the Secretary has calculated an amount of fee reduction under subsection 50Z(1) of the Family Assistance Administration Act in respect of the individual and the child for at least one of those sessions of care provided in the week; and

(e) the amount referred to in paragraph (d) is:

(i) an amount greater than a nil amount; or
(ii) a nil amount because the CCB % applicable to the individual is zero %; and

(f) the individual has made an election, under paragraph 65EAAAA(1)(a) or (b) of the Family Assistance Administration Act, to have child care rebate paid weekly and the election is in effect for the week.

Note 1: If one of the paragraph (c) limits applies, the individual satisfies the paragraph (c) condition, even if the individual has not used child care for the child during the week up to the full extent of the limit.

Note 2: For the purposes of paragraph (d), it does not matter if the amount is later recalculated under subsection 50ZA(1) of the Family Assistance Administration Act.
(2) If:
   a limit mentioned in paragraph (1)(c) does not apply under a
   determination in force under section 50H of the Family
   Assistance Administration Act for the individual and the
   child in the week; but
   the circumstances in which such a limit applies were
   applicable to the individual in that week;
then that limit is taken, for the purposes of that paragraph, to be the
weekly limit of hours applicable to the individual in the week.

Note: If the only limit applicable to the individual in the week was the limit
of 24 hours under subsection 53(3), then the condition in
paragraph (1)(c) will not be satisfied.

(3) The 50 hour limit is taken, for the purposes of paragraph (1)(c), to
be applicable to the individual in the week if it would have been
applicable to the individual in the week but for the fact that the
individual failed to meet the requirements of paragraph 17A(1)(b)
in relation to the week.

57EA Eligibility for child care rebate—for a quarter

(1) An individual is eligible for child care rebate for a quarter in
respect of a child if:
   a determination is in force:
      (i) under section 50F of the Family Assistance
          Administration Act; and
      (ii) during at least one week that falls wholly or partly in the
           quarter;
      to the effect that the individual is conditionally eligible for
      child care benefit by fee reduction in respect of the child; and
   one or more sessions of care are provided by one or more
   approved child care services to the child during the week;
   and
   under Subdivision G of Division 4, one or more of the
   following is the weekly limit of hours applicable to the
   individual in the week:
      (i) the 50 hour limit (see section 54);
      (ii) the more than 50 hour limit (see section 55);

(iii) the 24 hour care limit under section 56; and
(d) the Secretary has calculated an amount of fee reduction under subsection 50Z(1) of the Family Assistance Administration Act in respect of the individual and the child for at least one of those sessions of care provided in the week; and
(e) the amount referred to in paragraph (d) is:
   (i) an amount greater than a nil amount; or
   (ii) a nil amount because the CCB % applicable to the individual is zero %; and
(f) the individual has made an election, under paragraph 65EAAAA(1)(c) of the Family Assistance Administration Act, to have child care rebate paid quarterly and the election is in effect for the quarter.

Note 1: If one of the paragraph (c) limits applies, the individual satisfies the paragraph (c) condition, even if the individual has not used child care for the child during the week up to the full extent of the limit.

Note 2: For the purposes of paragraph (d), it does not matter if the amount is later recalculated under subsection 50ZA(1) of the Family Assistance Administration Act.

(2) If:
   (a) a limit mentioned in paragraph (1)(c) does not apply under a determination in force under section 50H of the Family Assistance Administration Act for the individual and the child in the week; but
   (b) the circumstances in which such a limit applies were applicable to the individual in that week;

then that limit is taken, for the purposes of that paragraph, to be the weekly limit of hours applicable to the individual in the week.

Note: If the only limit applicable to the individual in the week was the limit of 24 hours under subsection 53(3), then the condition in paragraph (1)(c) will not be satisfied.

(3) The 50 hour limit is taken, for the purposes of paragraph (1)(c), to be applicable to the individual in the week if it would have been applicable to the individual in the week but for the fact that the individual failed to meet the requirements of paragraph 17A(1)(b) in relation to the week.

(2) If:

(a) a limit mentioned in paragraph (1)(c) or (1A)(c) does not apply under a determination in force under section 50H of the Family Assistance Administration Act for the individual concerned in the week; but

(b) the circumstances in which such a limit applies were applicable to the individual in that week;

then that limit is taken, for the purposes of that paragraph, to be the weekly limit of hours applicable to the individual in the week.

Note 1: For a limit in paragraph (1A)(c), the individual concerned is the deceased individual.

Note 2: If the only limit applicable to the individual concerned in the week was the limit of 24 hours under subsection 53(3), then the condition in paragraph (1)(c) or (1A)(c) would not be satisfied.
(3) The 50 hour limit is taken, for the purposes of paragraph (1)(c) or (1A)(c), to be applicable to the individual concerned in the week if it would have been applicable to the individual in the week but for the fact that the individual failed to meet the requirements of paragraph 17A(1)(b) in relation to the week.

Note: For the purposes of paragraph (1A)(c), the individual concerned is the deceased individual.

(b) during a period in the past when person A and person B were members of the same couple, they had a qualifying child or children; and

(c) but for subsection 57GA(1), person A and person B would both be eligible for single income family supplement for the qualifying child or children for that period;

the Secretary may:

(d) determine that person A and person B are both eligible for single income family supplement for the child or children for that period; and

(e) determine person A’s and person B’s percentage of the single income family supplement for the child or children for that period.

Subdivision B—Eligibility of individuals for single income family supplement where death occurs

57GE Continued eligibility for single income family supplement if a qualifying child dies

(1) This section applies if:
Part 3 Eligibility for family assistance
Division 6 Eligibility for single income family supplement

Section 57GF

(a) an individual is eligible for single income family supplement (except under section 57GG) in respect of one qualifying child; and
(b) that child dies.

Individual remains eligible for single income family supplement for 14 weeks after the death of the child

(2) The individual is eligible for single income family supplement, at a rate worked out under Division 4B of Part 4, for each day in the period of 14 weeks beginning on the day the child died. This subsection has effect subject to subsection (3) of this section and to section 57GF.

14 weeks reduced in certain circumstances

(3) The period for which the individual is eligible for single income family supplement under subsection (2) does not include:
   (a) if the child had turned 16 when the child died—any day on which the Secretary is satisfied the child would not have been a senior secondary school child if the child had not died; or
   (b) if the child had not turned 16 when the child died—any day on which the child would have been aged 16, and on which the Secretary is satisfied the child would not have been a senior secondary school child, if the child had not died.

57GF Eligibility for a single amount of single income family supplement if a qualifying child dies

If, apart from this section, the period for which an individual is eligible for single income family supplement under subsection 57GE(2) extends over 2 income years:
   (a) the individual is eligible for a single amount of single income family supplement for the period falling in the second of those income years worked out under Division 4B of Part 4 on the assumption that:
      (i) the individual’s taxable income for the period falling in the second of those income years is the same as the
individual’s taxable income for the first of those income years; and

(ii) the individual’s partner’s taxable income for the period falling in the second of those income years is the same as the individual’s partner’s taxable income for the first of those income years; and

(b) the period for which the individual is eligible for single income family supplement under subsection 57GE(2) does not include the period falling in the second of those income years.

57GG Eligibility for single income family supplement if an eligible individual dies

Eligibility other than because of the death of a qualifying child

(1) If:

(a) an individual is eligible for an amount (the subject amount) of single income family supplement (except because of section 57GE or 57GF applying in relation to the death of a qualifying child); and

(b) the individual dies; and

(c) before the individual died, the subject amount had not been paid to the individual (whether or not a claim under Part 3 of the Family Assistance Administration Act had been made); and

(d) another individual makes a claim under that Part for payment of single income family supplement because of the death of a person, stating that he or she wishes to become eligible for so much of the subject amount as does not relate to any period before the beginning of the income year preceding the income year in which the individual died; and

(e) the Secretary considers that the other individual ought to be eligible for that much of the subject amount; the other individual is eligible for that much of the subject amount and no-one else is, or can become, eligible for or entitled to be paid any of the subject amount.
Part 3  Eligibility for family assistance
Division 6  Eligibility for single income family supplement

Section 57GG

Eligibility because of the death of a qualifying child

(2) If:
   (a) an individual dies; and
   (b) either:
      (i) before the individual’s death, the individual was eligible for an amount (the subject amount) of single income family supplement under section 57GE or 57GF in relation to the death of a qualifying child, and the subject amount had not been paid to the individual (whether or not a claim under Part 3 of the Family Assistance Administration Act had been made); or
      (ii) the individual died at the same time as the qualifying child, and would have been so eligible for the subject amount if the individual had not died; and
   (c) another individual makes a claim under that Part for payment of single income family supplement because of the death of a person, stating that he or she wishes to become eligible for so much of the subject amount as does not relate to any period before the beginning of the income year preceding the income year in which the individual died; and
   (d) the Secretary considers that the other individual ought to be eligible for that much of the subject amount;
the other individual is eligible for that much of the subject amount and no-one else is, or can become, eligible for or entitled to be paid any of the subject amount.
Part 4—Rate of family assistance

Division 1—Family tax benefit

58 Rate of family tax benefit

Annual rate of family tax benefit for individuals

(1) Subject to sections 60 to 63, an individual’s annual rate of family tax benefit is to be calculated in accordance with the Rate Calculator in Schedule 1.

Annual rate of family tax benefit to approved care organisation

(2) An approved care organisation’s annual rate of family tax benefit for an individual is the sum of:
   (a) the organisation’s standard rate under subsection (2A); and
   (b) the organisation’s clean energy supplement under subsection (2B).

(2A) An approved care organisation’s standard rate for an individual is $1,372.40.

(2B) An approved care organisation’s clean energy supplement for an individual is worked out as follows:

Method statement

Step 1. Work out the amount applicable under subsection (2A) on 1 July 2013.

Step 2. Multiply the amount at step 1 by 0.017.

Step 3. Round the amount at step 2 to the nearest multiple of $3.65 (rounding up if necessary): the result is the clean energy supplement.
**Part 4** Rate of family assistance  
**Division 1** Family tax benefit

Section 58AA

*Daily rate of family tax benefit*

(3) The daily rate of family tax benefit is the annual rate divided by 365 and rounded to the nearest cent (rounding 0.5 cents upwards). If the daily rate before rounding is above nil and below half a cent, round up to 1 cent.

**58AA Newborn upfront payment of family tax benefit if newborn supplement added into Part A rate**

(1) If, under Division 1A of Part 5 of Schedule 1, an amount of newborn supplement is added in relation to an individual and an FTB child of the individual, then the individual is entitled to be paid, as an amount of family tax benefit, $500 in respect of the FTB child.

Note: The amount is to be paid as a single lump sum: see section 24A of the Family Assistance Administration Act.

(1A) If:

(a) under Division 1A of Part 5 of Schedule 1 an amount of newborn supplement is added for a day in relation to both members of a couple and an FTB child of both members of the couple; and

(b) in relation to that day, a determination under section 28 or 29 is in force in relation to both members of the couple and that child; and

(c) that day is the first day on which an amount of newborn supplement is added in relation to that child;

then, despite subsection (1) of this section, each member of the couple is entitled to be paid, as an amount of family tax benefit in respect of that child, an amount equal to $500 multiplied by the percentage applicable under that determination for that member on that day.

Note: The amount is to be paid as a single lump sum: see section 24A of the Family Assistance Administration Act.

*Exceptions*

(2) Subject to subsection (1A), subsection (1) does not apply in relation to an individual and an FTB child of the individual if
another individual has received an amount under this section in respect of that child while the individual and the other individual were members of the same couple.

(3) Subsection (1) does not apply in relation to an individual and an FTB child of the individual in the circumstances prescribed in a legislative instrument under subclause 35A(12) of Schedule 1.

One amount only in respect of FTB child

(4) An individual cannot receive more than one amount under this section in respect of an FTB child of the individual.

Interpretation

(5) This section is subject to sections 28AA and 32AEA of the Family Assistance Administration Act.

58A Election to receive clean energy supplements quarterly

(1) If a determination under section 16 of the Family Assistance Administration Act is in force in a quarter under which an individual is entitled to be paid family tax benefit by instalment, the individual may, in a manner or way approved by the Secretary, make an election to have Division 2B of Part 4 of Schedule 1 to this Act and Division 2AA of Part 5 of that Schedule disregarded.

Note 1: Those Divisions deal with clean energy supplement (Part A) and clean energy supplement (Part B).

Note 2: If those Divisions are disregarded, they will be taken into account when the determination is reviewed under section 105 of the Family Assistance Administration Act—see section 105B of that Act.

(2) An election comes into force as soon as practicable after it is made.

(3) An election ceases to be in force if the individual ceases to be entitled to be paid family tax benefit under the determination.

(3A) An election ceases to be in force if subsection 32(1) applies in relation to the individual. The election ceases to be in force on the request day (see subsection 32(1)).
(3B) If an election ceases to be in force under subsection (3A), the individual cannot make another election under subsection (1) until after the end of the lump sum period referred to in step 1 of the method statement in subsection 65(1).

Revoking an election

(4) The individual may, in a manner or way approved by the Secretary, revoke an election. A revocation takes effect as soon as practicable after it is made.

Definition

(5) In this section:

*quarter* means a period of 3 months beginning on 1 July, 1 October, 1 January or 1 April.

Note: This section applies in relation to the quarter beginning on 1 July 2013 and all later quarters: see item 34 of Schedule 2 to the *Clean Energy (Household Assistance Amendments) Act 2011*.

59 Shared care percentages where individual is FTB child of more than one person who are not members of the same couple

(1) An individual has a shared care percentage under this section for an FTB child of the individual if:

(a) the Secretary has determined the individual’s percentage of care for the child during a care period; and

(b) that percentage is at least 35% and not more than 65%.

Note: Paragraph 27(2)(b) deals with the percentage of care in a blended family case.

(2) The individual’s *shared care percentage* for the FTB child is the relevant percentage specified in column 2 of the table.
Shared care percentages

<td>50%</td>
</tr>
<tr>
<td>3</td>
<td>more than 52% to 65%</td>

</tr>
</tbody>
</table>

(3) If the shared care percentages, specified in the table, of all of the individuals of whom the child is an FTB child add to less than 100%, then the Secretary may determine a different whole percentage for one or more of those individuals for the FTB child. Despite subsection (2), the individual’s shared care percentage for the child is the percentage so determined for that individual.

59A Multiple birth allowance where individual is FTB child of more than one person who are not members of the same couple

(1) If the Secretary is satisfied that:
(a) an individual is an FTB child of an individual (person A); and
(b) the FTB child is also an FTB child of one or more other individuals who are not person A’s partner; and
(c) the FTB child is one of 3 or more FTB children who were born during the same multiple birth;
the Secretary may determine the manner in which multiple birth allowance under Division 2 of Part 5 of Schedule 1 is to be dealt with.

(2) Without limiting subsection (1), the Secretary may specify that the whole of the multiple birth allowance is to be paid to one of the individuals involved.
60 Sharing family tax benefit between members of a couple in a blended family

If the Secretary determines under section 28 an individual’s percentage (the specified percentage) of the family tax benefit for FTB children of the individual, the individual’s annual rate of family tax benefit is the specified percentage of the rate that would otherwise apply.

61 Sharing family tax benefit between separated members of a couple for period before separation

If the Secretary determines under section 29 an individual’s percentage (the specified percentage) of the family tax benefit for an FTB child or children of the individual for a period, the individual’s annual rate of family tax benefit for that period is the specified percentage of the rate that would otherwise apply for the period.

   (i) the FTB child meets the health check requirement (see subsection (4));
   (ii) the FTB child is in a class exempted from the health check requirement by a determination under subsection (6);
   (iii) the FTB child is in a class that is taken to meet the health check requirement by a determination under subsection (7);

### 64 Calculation of rate of family tax benefit for death of FTB or regular care child

The rate of family tax benefit for each day in the period to which subsection 31(2) applies is worked out:

(a) by applying the Rate Calculator in Schedule 1 on the assumption that the child who died did not die and is an FTB child, or a regular care child, (as the case requires) of the individual during that period; and

(b) by having regard to the actual circumstances during that period of any other child who is, from time to time, an FTB child, or a regular care child, of the individual.
Calculation of single amount for death of FTB or regular care child

Instalment case

(1) The single amount of family tax benefit an individual is eligible for under subsection 32(1) is worked out as follows:

Method statement

Step 1. Work out the rate of family tax benefit for which the individual would be eligible under this Act (other than under section 31) for the period (the lump sum period) beginning on the request day (see subsection 32(1)) and ending at the end of the section 31 accrual period (see subsection 32(1)) by applying the Rate Calculator in Schedule 1 on the following assumptions:

(a) that the child who died did not die and is an FTB child, or a regular care child, (as the case requires) of the individual for each day in the lump sum period;

(b) if on the request day the individual had any other children who were FTB children or regular care children—that each of those children is an FTB child, or a regular care child, (as the case requires) of the individual for each day in the lump sum period, other than an excluded day (see subsection (2)) in relation to the child;

(c) if the lump sum period extends over 2 income years—that the individual’s adjusted taxable income for the lump sum period is the same as the individual’s adjusted taxable income for the first of those income years.
Part 4  Rate of family assistance
Division 1  Family tax benefit

Section 65

Step 2. If paragraph (b) of step 1 applies, work out the rate of family tax benefit for which the individual would be eligible under this Act (other than under section 31) for the lump sum period by applying the Rate Calculator in Schedule 1 on the following assumptions:

(a) that each child mentioned in that paragraph is an FTB child, or a regular care child, (as the case requires) of the individual for each day in that period, other than an excluded day (see subsection (2)) in relation to the child;

(b) if paragraph (c) of step 1 applies—the assumption in that paragraph.

Step 3. The single amount is the step 1 amount less the step 2 amount (if any).

(2) For the purposes of the method statement in subsection (1), a day in the lump sum period is an excluded day in relation to the child if:

(a) where the child had turned 16 when the child died—the Secretary is satisfied the child would not have been a senior secondary school child on that day if the child had not died; or

(b) where the child had not turned 16 when the child died—the child would have been aged 16, and the Secretary is satisfied the child would not have been a senior secondary school child, on that day if the child had not died.

Other cases

(3) The single amount of family tax benefit an individual is eligible for under subsection 32(2) is worked out:

(a) by applying the method statement in subsection (1) of this section (disregarding paragraph (c) of step 1, and paragraph (b) of step 2, of the statement) as if a reference to the request day in that statement were a reference to the first.
day of the second of those income years (see subsection 32(2)); and

(b) on the assumption that the individual’s adjusted taxable income for the period falling in the second of those income years is the same as the individual’s adjusted taxable income for the first of those income years.

Section 79

79 Limitation on service giving certificates—reporting period limit

(1) An approved child care service providing care to a child may not give, in a particular reporting period, a certificate under section 76 (child at risk or hardship) in respect of a session of care provided by the service to a child if:

(a) the service has already, by certificates given under section 76, committed amounts of child care benefit in respect of that child, or in respect of other children, during the same reporting period; and

(b) the total amount of child care benefit so committed by the service in relation to that child and those other children, exceeds the reporting period limit for that reporting period (whether the sessions of care to which the commitment relates occur before, during or after the reporting period).

Reporting period limit

(2) For the purposes of paragraph (1)(b), the reporting period limit, for a reporting period (the subject reporting period) means:

(a) 18% of the total amount of child care benefit payable in relation to all care provided by the service during the reference reporting period (see subsection (3)); or

(b) if the Secretary determines that paragraph (a) is inappropriate to the circumstances of the service—an amount determined by the Secretary in relation to the subject reporting period.

Reference reporting period

(3) For the purposes of paragraph (2)(a), the reporting period that is the reference reporting period in relation to the subject reporting period is not the reporting period (the previous reporting period) immediately before the subject reporting period. It is the reporting period immediately preceding the previous reporting period.

Secretary may specify a higher percentage for paragraph (2)(a)

(4) The Secretary may specify a higher percentage for the purposes of paragraph (2)(a) in relation to an approved child care service and a reporting period.

180  A New Tax System (Family Assistance) Act 1999
References in subsection (1) to child care benefit

(5) The references in paragraphs (1)(a) and (b) to child care benefit are references to:

(a) if an individual is conditionally eligible for child care benefit by fee reduction in respect of the child—to fee reductions; and

(b) if the service is eligible for child care benefit by fee reduction in respect of the child—to child care benefit.

80 Limitation on service giving certificates for individuals on grounds of hardship—Secretary imposes limit

(1) If:

(a) an approved child care service has given more than one certificate under subsection 76(1) for a reason set out in subparagraph 76(1)(b)(ii) (hardship); and

(b) the Secretary is satisfied that the service has demonstrated, in the prior giving of certificates for that reason, a pattern of decisions that are not in accordance with the Minister’s specifications under paragraph 82(3)(a) or rules under paragraph 82(3)(b);

the Secretary may determine that the service must not give a certificate under subsection 76(1) for the reason of hardship after the Secretary’s determination has been made and during the period for which the determination applies.

Matters to be specified in Secretary’s determination

(2) A determination by the Secretary under subsection (1) must:

(a) specify the period for which the determination applies; and

(b) be notified to the service.

81 Fee reductions or child care benefit rate determined by the Secretary

Overview of section

(1) This section provides for the rate applicable to:
Part 4 Rate of family assistance
Division 4 Child care benefit

(b) an approved child care service that is eligible under section 47 for child care benefit by fee reduction for sessions of care provided by the service to a child at risk;
if the Secretary makes a determination as provided for in this section.

Secretary may determine rate in cases of hardship—individual conditionally eligible

(2) If:

(a) a determination of conditional eligibility under section 50F of the Family Assistance Administration Act is in force in respect of an individual and a child for child care benefit by fee reduction for care provided by an approved child care service to the child; and
(b) either:
   (i) the total period specified in certificates given by the service under section 76 and certificates given under subsection 76(1) for a reason set out in subparagraph 76(1)(b)(ii) (hardship) by any other approved child care service, in respect of the child in the same financial year equals 13 weeks; or
   (ii) the service is not able to give a certificate under subsection 76(1) because of the operation of section 79 or 80; and
(c) the Secretary is satisfied that the individual is experiencing hardship of a kind specified in an instrument in force under paragraph 82(3)(a); and
(d) the individual applies to the Secretary under subsection (5);
the Secretary may determine the hourly rate of fee reductions for sessions of care the service provides to the child and the period for which the rate applies.
Secretary may determine rate if child at risk and individual conditionally eligible

(3) If:

(a) a determination of conditional eligibility under section 50F of the Family Assistance Administration Act is in force in respect of an individual and a child for child care benefit by fee reduction for care provided by an approved child care service to the child; and

(b) the service either:

(i) has given a certificate under section 76 such that the total period specified in that certificate and other certificates (if any) given by the service under that section in respect of the child in the same financial year equals 13 weeks; or

(ii) is not able to give a certificate under subsection 76(1) because of the operation of section 79; and

(c) the Secretary is satisfied that the child is at risk of serious abuse or neglect; and

(d) the service applies to the Secretary under subsection (5); the Secretary may determine the hourly rate of fee reductions for sessions of care the service provides to the child and the period for which the rate applies.

Secretary must determine rate if service eligible and child at risk

(4) If:

(a) an approved child care service is eligible under section 47 for child care benefit by fee reduction for sessions of care provided by the service to a child at risk; and

(b) the service either:

(i) has given a certificate under section 76 such that the total period specified in that certificate and other certificates (if any) given by the service under that section in respect of the child in the same financial year equals 13 weeks; or

(ii) is not able to give a certificate under subsection 76(2) because of the operation of section 79; and
(c) the Secretary is satisfied that the child is at risk of serious abuse or neglect; and
(d) the service applies to the Secretary under subsection (5); the Secretary must determine the hourly rate of child care benefit for sessions of care the service provides to the child and the period for which the rate applies.

Application for determination

(c) be accompanied by any documents; required by the Secretary.

Period specified in the determination

(7) The period specified in a determination:
(a) must be a number of complete weeks; and
(b) may start before or after the determination is made.

Notice to be given of a determination under subsection (2)

(8) The Secretary must give notice of a determination made under subsection (2) to the individual and the service providing the care to the child.

Notice to be given of a determination under subsection (3) or (4)

(9) The Secretary must give notice of a determination made under subsection (3) or (4) to the service providing the care to the child.

Content of notice

(10) The notice must state:

   (b) make rules relating to the giving of certificates under section 76 and the making of determinations under subsections 81(2), (3) and (4).

Subdivision CA—Special grandparent rate

82A Special grandparent rate

If a determination is in force under subsection 50T(1) of the Family Assistance Administration Act with the effect that an individual is eligible for the special grandparent rate for the child in respect of a session of care provided to the child by an approved child care service, the individual’s hourly rate of fee reductions, and of child care benefit by fee reduction, for the session is equal to 100% of the hourly rate charged by the service for the session.
Subdivision D—Care provided by registered carer

83 Rate of child care benefit for care provided by registered carer

(1) The hourly rate of child care benefit for care provided to a child by a registered carer is an amount per hour worked out in accordance with the formula:

Minimum hourly amount $ \times \text{Schooling }\%$

where:

\textit{minimum hourly amount} is $0.581$.

\textit{schooling }\% is:

(a) 85% if the child is a school child; and

(b) 100% if the child is not a school child.

Section 84 imposes a limit on the amount of child care benefit that may be paid for care provided to a child in a week.

(2) To avoid doubt, the hourly rate may be applied to a part of an hour. That part of the hour attracts the appropriate proportion of the amount for a full hour.

84 Weekly limit on child care benefit for care provided by a registered carer

The total amount of child care benefit for care provided to a child by a registered carer or carers in a week is not to exceed the lesser of the following:

(a) the amount worked out as follows:

\text{Hourly rate under section 83 } \times 50$

(b) the amount paid for the care.
Division 4A—Child care rebate

Subdivision AA—Child care rebate for a week

84AAA Amount of the child care rebate—for a week

If the Secretary calculates, under section 65EAAA of the Family Assistance Administration Act, the amount of child care rebate applicable in respect of an individual and a child for care provided for the child by an approved child care service in a week, the amount is worked out as follows:

**Method statement**

Step 1. Work out the total amount of the individual’s approved child care fees for care provided for the child by the approved child care service in the week.

Step 2. Work out the total amount (if any) of so much of the fee reductions:

(a) calculated under subsection 50Z(1) of the Family Assistance Administration Act; or

(b) recalculated under subsection 50ZA(1) of that Act; in respect of the individual and the child as are attributable to the care provided for the child by the approved child care service in the week.

Step 3. Work out the total amount of Jobs Education and Training (JET) Child Care fee assistance (if any) that the individual is eligible to receive for the child that is attributable to the care provided for the child by the approved child care service in the week.
Part 4  Rate of family assistance
Division 4A  Child care rebate

Section 84AAB

Step 4.  Work out the lesser of the following amounts for the child:

(a)  the amount worked out using the formula:

\[ 50\% \times \left( \text{Step 1 amount} - \text{Step 2 amount} - \text{Step 3 amount} \right) \]

(b)  the amount worked out by subtracting from the child care rebate limit for the income year in which the week began, the total of the child care rebate (if any) applicable in respect of the individual and the child for each earlier week that falls wholly in that income year (whether paid weekly or quarterly).

Step 5.  The amount of child care rebate applicable in respect of the individual and the child for care provided for the child by the approved child care service in the week is:

(a)  the step 4 amount reduced by the reduction percentage; or

(b)  if the Secretary determines under section 84AAD that the step 4 amount is not to be reduced—the step 4 amount.

84AAB  Component of formula—approved child care fees

General rule—approved child care fees for care provided for a child in a week

(1)  For the purposes of section 84AAA, the amount of an individual’s approved child care fees for care provided for a child by an approved child care service in a week is the amount of fees for which:

(a)  the individual; or

(b)  the individual’s partner during the week;

is liable for the care. For this purpose, disregard the weekly limit of hours applicable to the individual in the week.
Special rule if the week is also a week for the individual’s partner for the child

(2) However, the individual’s approved child care fees for care provided for the child in the week do not include fees that the individual’s partner is liable to pay if:
   (a) paragraphs 57EAA(1)(b) to (e) (as affected by subsections 57EAA(2) and (3)) are satisfied for the partner and the child for the week; or
   (b) the week is a base week for the individual’s partner and the child under section 84AC (partner receiving child care rebate quarterly).

Disregard amounts passed on to reduce fees

(3) For the purposes of this section, disregard any amount passed on to the individual under section 219B or section 219EA of the Family Assistance Administration Act for the care.

84AAC Component of formula—reduction percentage

(1) For the purposes of section 84AAA, the reduction percentage is:
   (a) 15%; or
   (b) if the Secretary specifies a percentage in an instrument under subsection (2)—that percentage.

(2) The Secretary may, by legislative instrument, specify a percentage for the purposes of paragraph (1)(b).

84AAD Component of formula—Secretary determines that step 4 amount not to be reduced

(1) The Secretary may determine in writing that, for the purposes of step 5 of the method statement in section 84AAA as it applies in calculating the amount of child care rebate applicable in respect of an individual and a child specified in the determination, the step 4 amount is not to be reduced.

(2) A determination under subsection (1) must specify either:
   (a) the week or weeks to which it is to apply; or

A New Tax System (Family Assistance) Act 1999 189
Part 4  Rate of family assistance
Division 4A  Child care rebate

Section 84AA

(b) that it is to apply to weeks beginning on or after a specified day.

The determination may apply to a week or weeks beginning before the determination is made.

(3) The Secretary may only make a determination under subsection (1) in respect of an individual and a child:

(a) if the amount of fee reduction calculated by the Secretary under subsection 50Z(1) of the Family Assistance Administration Act in respect of the individual and the child for sessions of care provided in a week to which the determination applies is a nil amount because the CCB % applicable to the individual is zero %; or

(b) in other circumstances of a kind determined by the Secretary, by legislative instrument.

Subdivision A—Child care rebate for a quarter

84AA  Amount of the child care rebate—for a quarter

If the Secretary calculates, under subsection 65EAA(1) of the Family Assistance Administration Act, the amount of child care rebate applicable in respect of an individual and a child for a quarter in an income year, the amount is worked out as follows:

Method statement

Step 1. Work out the total amount of the individual’s approved child care fees for the child in each base week for the individual and the child in the quarter.

Step 2. Work out the total amount (if any) of so much of the fee reductions:

(a) calculated under subsection 50Z(1) of the Family Assistance Administration Act; or

(b) recalculated under subsection 50ZA(1) of that Act;
in respect of the individual and the child as are attributable to each base week in the quarter.

Step 3. Work out the total amount of Jobs Education and Training (JET) Child Care fee assistance (if any) that the individual is eligible to receive for the child in each base week for the individual and the child in the quarter.

Step 4. Work out the lesser of the following amounts for the child:

(a) the amount worked out using the formula:

$$\frac{50\% \times (\text{Step 1 amount} - \text{Step 2 amount} - \text{Step 3 amount})}{2}$$

(b) the amount worked out by subtracting the total of the child care rebate (if any) applicable in respect of the individual and the child for each earlier quarter in the income year (whether paid weekly or quarterly from the child care rebate limit for the income year.

Step 5. The result is the amount of the individual’s child care rebate for the child for the quarter.

84AB Component of formula—approved child care fees

General rule—approved child care fees for a base week for an individual and a child

(1) For the purposes of section 84AA, the amount of an individual’s approved child care fees for a child in a base week for the individual and the child is the amount of fees for which:

(a) the individual; or

(b) the individual’s partner during the week;
is liable for care provided by an approved child care service or services for the child during the week. For this purpose, disregard the weekly limit of hours applicable to the individual in the week.

(2) However, the individual’s approved child care fees for the week do not include fees that the individual’s partner is liable to pay if:

(a) the base week is also a base week for the individual’s partner and the child; or

(b) paragraphs 57EAA(1)(b) to (e) (as affected by subsections 57EAA(2) and (3)) are satisfied for the partner and the child for the week (partner receiving child care rebate weekly).

Disregard amounts passed on to reduce fees

(3) For the purposes of this section, disregard any amount passed on to the individual under section 219B or section 219EA of the Family Assistance Administration Act.

84AC Component of formula—base week

For the purposes of section 84AA, a week is a base week for an individual for a child in a quarter if:

(a) all or part of the week falls within the quarter; and

(b) paragraphs 57EA(1)(b) to (e) (as affected by subsections 57EA(2) and (3)) are satisfied for the individual, the child and the week.

Subdivision B—Child care rebate for an income year

84A Amount of the child care rebate—for an income year

If a determination of entitlement for child care rebate under section 65EA or 65EB, or subsection 65EC(1), of the Family Assistance Administration Act is in force in respect of an income year (the rebate year) in respect of an individual for child care provided by one or more approved child care services to a child during the year, the amount of the rebate which the individual is entitled to be paid in respect of the child for the year is worked out as follows:
Method statement

Step 1. Work out the total amount of the individual’s approved child care fees for the child in each base week for the individual and the child in the rebate year.

Step 2. Work out the total amount (if any) of the individual’s entitlement to child care benefit for the care for the child in each base week for the individual and the child in the rebate year.

Step 3. Work out the total amount of Jobs Education and Training (JET) Child Care fee assistance (if any) that the individual is eligible to receive for the child in each base week for the individual and the child in the rebate year.

Step 4. Work out the lesser of the following amounts (the child rebate) for the child:

(a) the amount worked out using the formula:

\[
50\% \times \left( \text{Step 1 amount} - \text{Step 2 amount} - \text{Step 3 amount} \right)
\]

(b) the child care rebate limit for the rebate year.

Step 5. The result is the amount of the individual’s child care rebate for the child for the rebate year.

84B Component of formula—approved child care fees

General rule—approved child care fees for a base week for an individual and a child

(1) For the purposes of section 84A, the amount of an individual’s approved child care fees for a child in a base week for the individual and the child is the amount of fees for which:
Part 4  Rate of family assistance  
Division 4A  Child care rebate  

Section 84C  

(a) the individual; or  
(b) the individual’s partner during the week;  
is liable for care provided by an approved child care service or services for the child during the week. Subject to subsection (2), it does not matter whether the individual is entitled to child care benefit for that care.  

Special rule if the week is also a base week for the individual’s partner for the child  

(2) However, if the base week is also:  
(a) a base week for the individual’s partner and the child; or  
(b) a base week, for the purposes of section 84DA, for the individual’s partner and the child;  
the amount of the individual’s approved child care fees for the child in the base week is the amount of fees payable for care provided during the week that is covered by a determination mentioned in paragraph 84C(c) in respect of the individual and the child.  

Disregard amounts passed on to reduce fees  

(3) For the purposes of this section, disregard any amount passed on to the individual under section 219B or section 219EA of the Family Assistance Administration Act.  

84C Component of formula—base week  

For the purposes of section 84A, a week is a base week for an individual for a child in a rebate year if:

(d) paragraph 57F(1)(c) (as affected by subsections 57F(2) and (3)) is satisfied for the week.

84D Component of formula—amount of the individual’s entitlement to child care benefit

The amount of an individual’s entitlement to child care benefit for the care of a child by one or more approved child care services in a base week for the individual and the child in a rebate year is:

(a) for an individual in respect of whom a determination of entitlement is made under section 51B of the Family Assistance Administration Act in respect of one or more sessions of care provided during that week—so much of the amount in which the individual is determined to be entitled to be paid child care benefit by fee reduction for the rebate year as is attributable to that week; and

(b) for an individual in respect of whom a determination is made under section 52E of the Family Assistance Administration Act for a past period—so much of the amount in which the individual is determined to be entitled to be paid child care benefit for the rebate year as is attributable to that week; and

Part 4  Rate of family assistance
Division 4A  Child care rebate

Section 84DA

Subdivision BA—Child care rebate relating to child care benefit in substitution

84DA Amount of the child care rebate—relating to child care benefit in substitution

If a determination of entitlement for child care rebate under section 65ECA of the Family Assistance Administration Act is in force in respect of:

(a) a period (the *entitlement period*); and

(b) an individual (the *substitute individual*), and a deceased individual, for child care provided by one or more approved child care services to a child during that period;

the amount of the rebate which the substitute individual is entitled to be paid in respect of the child for that period is worked out as follows:

**Method statement**

Step 1. Work out the rebate periods. The entitlement period will be the *rebate period* if it is entirely within an income year. However, if the entitlement period is spread over 2 income years, the part of the entitlement period in each of those years will be a *rebate period*.

Step 2. Work out the total amount of the deceased individual’s approved child care fees for the child in each base week for the deceased individual and the child in each rebate period.

Step 3. Work out the amount (if any) of the substitute individual’s entitlement to child care benefit by single payment/in substitution for the care for the child in each base week for the deceased individual and the child in each rebate period.
Rate of family assistance  Part 4
Child care rebate  Division 4A

Section 84DB

Step 4. Work out the total amount of Jobs Education and Training (JET) Child Care fee assistance (if any) that the deceased individual was eligible to receive for the child in each base week for the deceased individual and the child in each rebate period.

Step 5. Work out, for each rebate period, the lesser of the following amounts for the child:

(a) the amount worked out using the formula:

\[
50\% \times \left( \text{Step 2 amount} - \text{Step 3 amount} - \text{Step 4 amount} \right)
\]

(b) the child care rebate limit for the income year that includes the rebate period.

Add the results if there are 2 rebate periods.

Step 6. The result is the amount of the substitute individual’s child care rebate for the child for the entitlement period.

84DB Component of formula—approved child care fees

General rule—approved child care fees for a base week for the deceased individual and a child

(1) For the purposes of section 84DA, the amount of the deceased individual’s approved child care fees for a child in a base week for the deceased individual and the child is the amount of fees for which:

(a) the deceased individual; or

(b) the deceased individual’s partner during the week;

is liable for care provided by an approved child care service or services for the child during the week. Subject to subsection (2), it does not matter whether there is any entitlement to child care benefit for that care.
Part 4  Rate of family assistance
Division 4A  Child care rebate

Section 84DC

Special rule if the week is also a base week for the deceased individual’s partner for the child

(2) However, if the base week is also:
   (a) a base week for the deceased individual’s partner and the child; or
   (b) a base week, for the purposes of section 84A, for the deceased individual’s partner and the child;
the amount of the deceased individual’s approved child care fees for the child in the base week is the amount of fees payable for care provided during the week that is covered by a determination mentioned in paragraph 84DC(c) in respect of the deceased individual and the child.

   (a) all or part of the week falls within the rebate period; and
   (b) care is provided by one or more approved child care services to the child during the week; and
   (c) the care is covered by:
      (i) a determination under section 53D of the Family Assistance Administration Act that the substitute individual is entitled to be paid child care benefit by single payment/in substitution because of the death of the deceased individual; or
      (ii) a determination under subsection 53E(1) of the Family Assistance Administration Act in relation to the substitute individual and the death of the deceased individual; and
   (d) paragraph 57F(1A)(c) (as affected by subsections 57F(2) and (3)) is satisfied for the week.
84DD Component of formula—amount of the substitute individual’s entitlement to child care benefit

The amount of a substitute individual’s entitlement to child care benefit by single payment/in substitution for the care of a child in a base week for the deceased individual and the child in a rebate period is:

(a) for a substitute individual in respect of whom a determination is made under section 53D of the Family Assistance Administration Act because of the death of the deceased individual—so much of the amount in which the substitute individual is determined to be entitled to be paid child care benefit for the rebate period as is attributable to that week; and

(b) for a substitute individual in respect of whom a determination is made under subsection 53E(1) of that Act because of the death of the deceased individual—a nil amount, to the extent that the determination relates to the session or sessions of care provided during that week.

Subdivision C—Common components of each formula

84E Component of each formula—Jobs Education and Training (JET) Child Care fee assistance

For the purposes of sections 84AAA, 84AA, 84A and 84DA, Jobs Education and Training (JET) Child Care fee assistance, in relation to a week, means the payment of that name that is paid by the Commonwealth to the individual in respect of child care provided by one or more approved child care services to the child in the week.

Note: The individual may be a deceased individual (see step 4 of the method statement in section 84DA).

84F Component of each formula—child care rebate limit

For the purposes of sections 84AAA, 84AA, 84A and 84DA, the child care rebate limit is:

(a) for the income year ending on 30 June 2007—$4,211; and
Part 4 Rate of family assistance

(f) for a later income year—the indexed amount substituted
   under Schedule 4 on 1 July of that later income year for the
   child care rebate limit for the previous income year.
Division 4B—Rate of single income family supplement

84G Rate of single income family supplement

(1) An individual’s rate of single income family supplement is worked out in accordance with this section.

(2) For the purposes of this section:
   (a) the main income earner is:
       (i) if the individual is not a member of a couple—the individual; or
       (ii) if the individual is a member of a couple—the member of the couple whose taxable income for the income year is the highest (or the individual if those taxable incomes are equal); and
   (b) if the individual is a member of a couple—the low income earner is the member of the couple whose taxable income for the income year is the lowest (or the individual’s partner if those taxable incomes are equal).

(a) in relation to any day during the period starting on 1 July 2012 and ending on 30 June 2013, a determination under section 18 of the Family Assistance Administration Act is in force in respect of the individual because the Secretary is satisfied that the individual is eligible for family tax benefit under section 33 of this Act because of the death of another individual; and

Note: The amount of the advance is worked out under section 107.

(2) If the Secretary makes a determination under subsection (1), no-one else is, or can become, entitled to a clean energy advance because of the death of the other individual.
Division 2—Amount of clean energy advance

105 Amount of advance where entitlement under section 103

(1) On the day (the decision day) that the Secretary determines that an individual is entitled to a clean energy advance under section 103, the Secretary must work out the amount of the advance.

Secretary determines entitlement before 1 July 2012

(2) If the decision day is before 1 July 2012, the amount of the individual’s clean energy advance is, subject to subsections (5) and (6), worked out as follows:

Method statement

Step 1. Work out the individual’s clean energy daily rate (see section 106) on the decision day (assuming that any rate or amount that is to be indexed on 1 July 2012 had already been indexed on the decision day).

Step 2. Multiply the amount at step 1 by 365: the result is the amount of the individual’s clean energy advance.

Secretary determines entitlement in the 2012-13 income year

(3) If the decision day is on or after 1 July 2012 and before 1 July 2013, the amount of the individual’s clean energy advance is, subject to subsections (5) and (6), worked out as follows:

Method statement

Step 1. Work out the sum of the individual’s clean energy daily rates (see section 106) for each day in the period beginning on 1 July 2012 and ending on the decision day.
Part 8  Clean energy advances
Division 2  Amount of clean energy advance

Section 105

Step 2. Multiply the individual’s clean energy daily rate on the decision day by the number of days in the 2012-13 income year that are after the decision day.

Step 3. Work out the sum of the amounts at steps 1 and 2: the result is the amount of the individual’s clean energy advance.

Secretary determines entitlement on or after 1 July 2013

(4) If the decision day is on or after 1 July 2013, the amount of the individual’s clean energy advance is, subject to subsections (5) and (6), the sum of the individual’s clean energy daily rates (see section 106) for each day in the 2012-13 income year.

Reduced amount if rate took account of a section 28 or 29 percentage determination

(5) If, in relation to any of the following days:
   (a) if the decision day is before 1 July 2012—the decision day;
   (b) if the decision day is on or after 1 July 2012 and before 1 July 2013—a day in the period beginning on 1 July 2012 and ending on the decision day;
   (c) if the decision day is on or after 1 July 2013—a day in the 2012-13 income year;

   a determination under section 28 or 29 of a particular percentage in relation to one or more FTB children of the individual is in effect, the clean energy daily rate for that day is that percentage of the clean energy daily rate that would otherwise apply.

Legislative instrument

(6) If:
   (a) an individual is entitled to a clean energy advance under section 103 in relation to an FTB child; and
   (b) before the decision day in relation to the individual, a former partner of the individual was entitled to a clean energy advance under section 103 or 108 in relation to that FTB child; and
(c) at the time the former partner became so entitled, the individual and the former partner were members of the same couple;

then:

(d) subsections (2) to (5) do not apply in relation to working out the amount of the individual’s clean energy advance; and

(e) the amount of the individual’s clean energy advance is worked out in accordance with an instrument made under subsection (7) (which may be nil).

(7) The Minister may, by legislative instrument, specify a method for working out the amount of clean energy advances for the purposes of subsection (6).

106 Clean energy daily rate

(1) An individual’s clean energy daily rate for a day is worked out as follows:

Method statement

Step 1. If the individual’s rate of family tax benefit on that day (disregarding reductions (if any) under clause 5 or 25A of Schedule 1) consisted of or included a Part A rate greater than nil:

(a) if the Part A rate is worked out under clause 3 of Schedule 1 and the individual’s income and maintenance tested rate exceeds the individual’s base rate—work out the sum of the amounts at paragraphs (a) and (ca) of step 1 of the method statement in that clause; or

(b) if the Part A rate is worked out under clause 3 of Schedule 1 and the individual’s income and maintenance tested rate is less than or equal to the individual’s base rate—work out the sum of the amounts at paragraphs (a) and (d) of step 1 of the method statement in clause 25 of that Schedule; or
(c) if the Part A rate is worked out under clause 25 of Schedule 1 and the individual’s Method 2 income and maintenance tested rate is less than or equal to the individual’s provisional Part A rate—work out the sum of the amounts at paragraphs (a) and (d) of step 1 of the method statement in that clause; or

(d) if the Part A rate is worked out under clause 25 of Schedule 1 and the individual’s Method 2 income and maintenance tested rate exceeds the individual’s provisional Part A rate—work out the sum of the amounts at paragraphs (a) and (ca) of step 1 of the method statement in clause 3 of that Schedule.

Step 2. If the individual’s rate of family tax benefit on that day consisted of or included a Part B rate greater than nil, work out whichever of the following amounts is appropriate:

(a) the sum of the amounts under paragraphs 29(1)(a) and (b) of Schedule 1;

(b) the sum of the amounts at paragraphs (a) and (b) of step 1 of the method statement in subclause 29(2) of Schedule 1;

(c) the sum of the amounts under paragraphs 29A(2)(a) and (b) of Schedule 1.

Step 3. Work out the sum of the amounts at steps 1 and 2.

Step 4. Multiply the amount at step 3 by 0.017.

Step 5. Divide the amount at step 4 by 365 (rounded to the nearest cent (rounding 0.5 cents upwards)): the result is the individual’s clean energy daily rate for that day.
(2) If steps 1 and 2 of the method statement in subsection (1) do not apply in relation to an individual on a day, the individual’s clean energy daily rate for that day is nil.

(3) An individual’s clean energy daily rate for a day is nil if the individual is an absent overseas recipient on that day (disregarding section 63A).

(4) The calculation under subsection (1) for a day is to be done disregarding any FTB child of the individual who is an absent overseas FTB child (disregarding section 63A) on that day.

(5) The calculation under subsection (1) is to be done disregarding section 32.

(6) If:
   (a) the decision day (see subsection 105(1)) is before 1 July 2013; and
   (b) on the decision day:
      (i) an FTB child of the individual is outside Australia and the FTB child left Australia before 1 April 2013; and
      (ii) that FTB child is not an absent overseas FTB child (disregarding section 63A);
   then the calculation under subsection (1) of this section on the decision day is to be done disregarding that FTB child.

(7) If the child referred to in subsection (6) returns to Australia before 1 July 2013, then, for the purposes of section 108, there is taken to be a change in the individual’s circumstances on the day of the child’s return.

(8) If the child referred to in subsection (6) does not return to Australia before 1 July 2013, then, for the purposes of section 108, there is taken to be a trigger day of 30 June 2013 in relation to the individual.

107 Amount of advance where entitlement under section 104

If the Secretary makes a determination under subsection 104(1) that an individual is entitled to a clean energy advance, the amount

of the advance is the amount referred to in subparagraph 104(1)(b)(i) or (ii) (as the case requires).

General case

(1) If:

(a) the Secretary pays a clean energy advance (the original payment) to an individual in circumstances where the Secretary determined the individual is entitled to the advance under section 103 and where the amount of the advance is not worked out under subsection 105(6); and

(b) the decision day (see subsection 105(1)) is before 1 July 2013; and

(c) on a day (the trigger day) after the decision day and before 1 July 2013, the individual’s circumstances change so that:

then the amount of the individual’s further clean energy advance is worked out in accordance with an instrument made under subsection (1B) (which may be nil).

(1B) The Minister may, by legislative instrument:
(a) specify the circumstances in which individuals are entitled to further payments of clean energy advances for the purposes of subsection (1A); and
(b) specify a method for working out the amount of further clean energy advances for the purposes of subsection (1A).

(2) If:
(a) the Secretary pays a clean energy advance to an individual in circumstances where the Secretary determined the individual is entitled to the advance under section 103 and where the amount of the advance is worked out under subsection 105(6); and
(b) the decision day (see subsection 105(1)) is before 1 July 2013; and
(c) on a day (the trigger day) after the decision day and before 1 July 2013, the individual’s circumstances change; and
(d) the individual is entitled to a further payment of clean energy advance in accordance with an instrument made under subsection (3);
then the amount of the individual’s further clean energy advance is worked out in accordance with an instrument made under subsection (3) (which may be nil).

(3) The Minister may, by legislative instrument:
Section 108

(a) specify the circumstances in which individuals are entitled to further payments of clean energy advances for the purposes of subsection (2); and

(b) specify a method for working out the amount of further clean energy advances for the purposes of subsection (2).

Interpretation

(4) For the purposes of this section, there is taken not to be a change in the individual’s circumstances merely because a determination under section 28 in relation to the individual is varied or ceases to be in force.
Division 4—General rules

109 General rules

If:

(a) an individual is entitled to a clean energy advance under section 103 or 108 in relation to an FTB child; and
(b) the amount of the advance was not worked out by applying subsection 105(5); and
(c) the amount of the advance was not worked out under subsection 108(1A);
then, while the individual is a member of a couple, the other member of the couple is not entitled to a clean energy advance under section 103 or 108 in relation to that child.
Schedule 1—Family tax benefit rate calculator

Note: See subsection 58(1).

Part 1—Overall rate calculation process

1 Overall rate calculation process

(1) To work out an individual’s annual rate of family tax benefit, add:
   (a) the individual’s Part A rate calculated under Part 2 (clauses 3 to 24S), Part 3 (clauses 25 to 28) or Part 3A (clause 28A); and
   (b) the individual’s Part B rate calculated under Part 4 (clauses 28B to 33).

(2) To work out the individual’s Part A rate:
   (a) use Part 2 (clauses 3 to 24S) if the individual has at least one FTB child and:
      (i) the individual’s adjusted taxable income does not exceed the individual’s higher income free area; or
      (ii) the individual, or the individual’s partner, is receiving a social security pension, a social security benefit, a service pension or income support supplement; and
   (b) use Part 3 (clauses 25 to 28) if the individual has at least one FTB child and:
      (i) the individual’s adjusted taxable income exceeds the individual’s higher income free area; and
      (ii) neither the individual, nor the individual’s partner, is receiving a social security pension, a social security benefit, a service pension or income support supplement; and
   (c) use Part 3A (clause 28A) if the individual has no FTB children.

Use Schedule 3 to work out the individual’s adjusted taxable income. Use clause 2 to work out the individual’s higher income free area.
Clause 2

2 Higher income free area

For the purposes of this Part, an individual’s higher income free area is worked out using the following table. An individual’s higher income free area is the basic amount in column 1 plus an additional amount in column 2 for each FTB child of the individual (after the first).

Part 2—Part A rate (Method 1)

Division 1—Overall rate calculation process

3 Method of calculating Part A rate

Subject to the operation of clauses 5, 38J and 38K, if the individual’s Part A rate is to be calculated using this Part, it is calculated as follows:

Method statement

Step 1. Add the following amounts:

(a) the individual’s standard rate under Division 2 of this Part (clauses 7 to 11);

(b) the individual’s large family supplement (if any) under Division 1 of Part 5 (clauses 34 and 35);

(ba) the individual’s newborn supplement (if any) under Division 1A of Part 5 (clauses 35A and 35B);

(c) the individual’s multiple birth allowance (if any) under Division 2 of Part 5 (clauses 36 to 38);

(ca) the individual’s FTB Part A supplement under Division 2A of Part 5 (clause 38A);

(cb) the individual’s clean energy supplement (Part A) under Subdivision A of Division 2AA of Part 5 (clause 38AA);

(d) the individual’s rent assistance (if any) under Subdivision A of Division 2B of Part 5 (clauses 38B to 38H).

The result is the individual’s maximum rate.
Schedule 1  Family tax benefit rate calculator

Part 2  Part A rate (Method 1)

Division 1  Overall rate calculation process

Clause 4

| Step 2. | Apply the income test in Division 2C of Part 5 (clauses 38L to 38N) to work out any reduction for adjusted taxable income. Take any reduction away from the individual’s maximum rate: the result is the individual’s **income tested rate**. |
| Step 3. | Apply the maintenance income test in Division 5 of this Part (clauses 20 to 24) to work out any reduction for maintenance income. Take any reduction away from the individual’s income tested rate: the result is the individual’s **income and maintenance tested rate**. |
| Step 4. | The individual’s **Part A rate** is: |
| (a) | the individual’s income and maintenance tested rate if it is equal to or greater than the individual’s base rate (see clause 4); or |
| (b) | the individual’s base rate (see clause 4) if it is more than the individual’s income and maintenance tested rate. |

4 Base rate

The individual’s **base rate** is the rate that would be the individual’s Method 2 base rate under clause 25 if the individual’s Part A rate were worked out using Part 3.

5 Family tax benefit advance to individual

(1) If: |
| (a) | an individual is entitled to be paid family tax benefit by instalment; and |
| (b) | the individual is paid a family tax benefit advance; and |
| (c) | the individual has not repaid the whole of the advance; and |
| (d) | the amount of unrepaid family tax benefit advance is not an FTB advance debt; |

252  *A New Tax System (Family Assistance) Act 1999*
then, subject to clauses 44 and 49, the individual’s Part A rate (as reduced (if at all) under clauses 38J and 38K) is to be reduced in accordance with Division 4 of Part 5 (clauses 40 to 51).

(2) If an individual satisfies paragraphs (1)(a) to (d) for more than one family tax benefit advance, the individual’s Part A rate is to be reduced under subclause (1) for each of those advances.

6 Components of Part A rates under this Part

The Minister may, by legislative instrument, determine a method for working out the extent to which Part A rates under this Part are attributable to the amounts referred to in step 1 of the method statement in clause 3.
Division 2—Standard rate

7 Standard rate

Subject to clauses 8 to 11, an individual’s standard rate is worked out using the following table. Work out which category applies to each FTB child of the individual. The FTB child rate is the corresponding amount in column 2. The standard rate is the sum of the FTB child rates.

8 Base FTB child rate

For the purposes of this Division, the base FTB child rate for an FTB child of an individual is the rate that would be the FTB child rate under subclause 26(2) if:

(a) the individual’s Part A rate were being worked out under Part 3; and
(b) clause 27 did not apply.

9 FTB child rate—recipient of other periodic payments

The FTB child rate for an FTB child of an individual is the base FTB child rate (see clause 8) if:

(a) the individual or the individual’s partner is receiving a periodic payment under a law of the Commonwealth and the law provides for an increase in the rate of payment by reference to an FTB child of the individual; or
(b) the individual or the individual’s partner is receiving a periodic payment under a scheme administered by the

254 A New Tax System (Family Assistance) Act 1999

ComLaw Authoritative Act C2014C00645
Commonwealth and the scheme provides for an increase in the rate of payment by reference to an FTB child of the individual.

10 Effect of certain maintenance rights

(1) The FTB child rate for an FTB child of an individual is the base FTB child rate (see clause 8) if:

(a) the individual or the individual’s partner is entitled to claim or apply for maintenance for the child; and

(b) the Secretary considers that it is reasonable for the individual or partner to take action to obtain maintenance; and

(c) the individual or partner does not take action that the Secretary considers reasonable to obtain maintenance.

(2) Subclause (1) does not apply to maintenance that is:

(a) a liability under an administrative assessment (within the meaning of the Child Support (Assessment) Act 1989); and

(b) not an enforceable maintenance liability (within the meaning of the Child Support (Registration and Collection) Act 1988).

11 Sharing family tax benefit (shared care percentages)

If an individual has a shared care percentage for an FTB child of the individual, the FTB child rate for the child, in working out the individual’s standard rate, is the individual’s shared care percentage of the FTB child rate that would otherwise apply to the child.
Division 5—Maintenance income test

Subdivision A—Maintenance income test

19A Extended meaning of receiving maintenance income

In this Division, if the FTB child of an individual receives maintenance income, the individual is taken to have received the maintenance income.

19AA References to applying for maintenance income

A reference in this Division to an individual being, or not being, entitled to apply for maintenance income includes an individual who is, or is not, entitled to so apply under the Child Support (Assessment) Act 1989 or the Family Law Act 1975.

19B Application of maintenance income test to certain pension and benefit recipients and their partners

If the individual, or the individual’s partner, is:

(a) permanently blind; and
(b) receiving:
   (i) an age pension (under Part 2.2 of the Social Security Act 1991); or
   (ii) a disability support pension (under Part 2.3 of the Social Security Act 1991); or
   (iii) a service pension; or
   (iv) income support supplement (under Part IIIA of the Veterans’ Entitlements Act 1986);

then:

(c) the individual’s maintenance income excess is nil; and
(d) the individual’s income and maintenance tested rate is the same as the individual’s income tested rate.
20 Effect of maintenance income on family tax benefit rate

(1) This is how to work out an individual’s reduction for maintenance income if clause 19B does not apply:

Method statement

Step 1. Work out the annualised amount of the individual’s maintenance income. In doing so:

(a) disregard any maintenance income for an FTB child for whom the FTB child rate under clause 7 does not exceed the base FTB child rate (see clause 8); and

(b) disregard the operation of clause 11 (sharing of family tax benefit) in applying paragraph (a); and

(c) disregard any amount that, for the income year for which the individual’s reduction for maintenance income is being worked out, is required under clause 24E to be depleted from a maintenance income credit balance of the individual, and, if the individual is a member of a couple, from a maintenance income credit balance of the individual’s partner; and

(d) disregard any maintenance income that is received by the individual, or the individual’s partner, from another individual if the income is over the maintenance income ceiling for the income (see Subdivisions C and D).

Step 2. Work out the individual’s maintenance income free area using clauses 22 and 23.

Step 3. Work out whether the individual’s maintenance income exceeds the individual’s maintenance income free area.
Clause 20A

Step 4. If the individual’s maintenance income does not exceed the individual’s maintenance income free area, the individual’s maintenance income excess is nil and there is no reduction for maintenance income.

Step 5. If the individual’s maintenance income exceeds the individual’s maintenance income free area, the individual’s maintenance income excess is the individual’s maintenance income less the individual’s maintenance income free area.

Step 6. The individual’s reduction for maintenance income is half the maintenance income excess.

(2) Paragraph (c) of step 1 of the method statement in subclause (1) does not apply unless and until the individual has satisfied the FTB reconciliation conditions in section 32B of the Family Assistance Administration Act for all of the same-rate benefit periods (within the meaning of that section) that are included in the income year for which the individual’s reduction for maintenance income is being worked out.

20A Annualised amount of maintenance income

Object of clause

(1) The object of this clause is to annualise the maintenance income (other than capitalised maintenance income) (CMI) of an individual during an income year.

Annualisation of maintenance income other than CMI

(2) If an individual receives maintenance income (other than CMI) from another individual during any period or periods (the relevant period or periods) in an income year, the annualised amount of the maintenance income of the individual is worked out using the following formula:
The amount of maintenance income (other than CMI) received by the individual during the relevant period or periods \times \frac{\text{Number of days in the income year}}{\text{Number of days in the relevant period or periods}}

Commencement of relevant period

(3) If:
(a) an individual (payee) receives maintenance income (other than CMI) from another individual (payer) in an income year under a maintenance liability; and
(b) subsection (4) does not apply;
the relevant period in respect of the maintenance income commences:
(c) in the case where the maintenance liability arises after 1 July of the income year in which the maintenance income is received—on the day that the maintenance liability arises; or
(d) in the case where the maintenance liability exists on 1 July of the income year in which the maintenance income is received—1 July.

(4) If:
(a) a payee receives maintenance income (other than CMI) from a payer in an income year under a maintenance liability; and
(b) the payee has received maintenance income (other than CMI) from that payer previously during a period in the income year, but not under a maintenance liability; and
(c) in between the time the payee receives maintenance income under paragraph (a) and the end of the period referred to in paragraph (b):
(i) the payee and the payer were not members of the same couple; and
(ii) the payee was entitled to claim, or apply for, maintenance from the payer;
the relevant period in respect of the maintenance income commences:
Clause 20A

(d) on the day the payee first received the previously received maintenance income in the income year; or
(e) on such earlier day in respect of the previously received maintenance income that the Secretary determines.

(5) If a payee receives maintenance income (other than CMI) from a payer during a period in an income year but not under a maintenance liability, the relevant period, in respect of the maintenance income, commences:
(a) on the day that the payee first received the maintenance income during that period; or
(b) on such earlier day that the Secretary determines.

End of relevant period

(6) A relevant period, in respect of maintenance income (other than CMI) received under a maintenance liability in an income year, ends either when the maintenance liability ceases (if it ceases before the end of the income year) or on 30 June of the income year.

(7) If:
(a) a payee receives maintenance income (other than CMI) in an income year; and
(b) the maintenance income is not received under a maintenance liability;

the relevant period ends in respect of the payee either:
(c) unless subclause (8) applies—when the payee ceases to receive the maintenance income (if the payee ceases to receive the income before the end of the income year); or
(d) on 30 June of the income year.

(8) If:
(a) a payee receives maintenance income (other than CMI) from a payer in an income year under a maintenance liability; and
(b) the payee has received maintenance income (other than CMI) from that payer previously during a period in the income year, but not under a maintenance liability; and
(c) in between the time the payee receives maintenance income under paragraph (a) and the end of the period referred to in paragraph (b):
   (i) the payee and the payer were not members of the same couple; and
   (ii) the payee was entitled to claim, or apply for, maintenance from the payer;

the relevant period ends either when the maintenance liability ceases (if it ceases before the end of the income year) or on 30 June of the income year.

Rel<ref>Relevant period where payee elects to end an assessment</ref>

(9) If:
   (a) a payee receives maintenance income (other than CMI) in an income year from a payer under a maintenance liability which is an assessment under Part 5 of the Child Support (Assessment) Act 1989; and
   (b) the payee and payer become members of the same couple; and
   (c) the payee elects under the Child Support (Assessment) Act 1989 to end the assessment from a specified day before the day the payee and payer became members of the same couple;

for the purpose of determining the commencement or end of the relevant period, the assessment is taken to end from the day the payee and the payer became a member of the same couple or from such earlier day as the Secretary determines (not being a day earlier than the specified day).

Meaning of <ref>maintenance liability</ref>

(10) In this clause, maintenance liability means a liability to provide:
   (a) child support; or
   (b) maintenance (other than child support) that arises as a result of:
      (i) the order of a court; or
Clause 20B

(ii) a maintenance agreement (within the meaning of the *Family Law Act 1975*) that has been registered in, or approved by, a court in Australia or an external Territory; or

(iii) a financial agreement, or Part VIIIAB financial agreement, within the meaning of that Act; or

(iv) any other agreement with respect to the maintenance of a person that has been registered in, or approved by, a court in Australia or an external Territory.

Day a maintenance liability arises

(11) The day a maintenance liability arises is:

(a) if the liability is to provide child support, the day that the liability arises under the *Child Support (Assessment) Act 1989*; or

(b) if the liability is to provide maintenance that arises as set out in paragraph (10)(b), the day that the order of the court or the agreement has effect from.

20B Working out amounts of child maintenance using notional assessments

(1) If:

(a) an individual receives child maintenance for an FTB child of the individual under a child support agreement or court order; and

(b) there is, in relation to the agreement or order, a notional assessment of the annual rate of child support that would be payable to the individual for the child for a particular day in a child support period if that annual rate were payable under Part 5 of the *Child Support (Assessment) Act 1989* instead of under the agreement or order;

then the amount of child maintenance that the individual is taken to have received in an income year under the agreement or order for the child for a period is worked out in accordance with this clause.

Note: The amount worked out in accordance with this clause is annualised under clause 20A.
Individual taken to have received notional assessed amount

(2) For the purposes of this Act, the amount of child maintenance that the individual is taken to have received under the agreement or order for the child for the period is, subject to this clause, the amount (the notional assessed amount) that the individual would have received if the individual had received the annual rate of child support for the child for the period that is included in the notional assessment, disregarding so much of that rate as is attributable to the individual receiving disability expenses maintenance.

Underpayments

(3) If the amount received in an income year by the individual under the agreement or order for the child for the period is less than the amount that is payable to the individual under the agreement or order for the child for the period (such that a debt arises for the period under the agreement or order), then, for the purposes of this Act, the amount of child maintenance that the individual is taken to have received under the agreement or order for the child for the period is the following amount (the notional amount paid):

\[
\text{Amount received by the individual under the agreement or order for the child for the period} \times \frac{\text{Amount payable to the individual under the agreement or order for the child for the period}}{\text{Notional assessed amount for the child for the period}}
\]

Note: This subclause only applies in respect of enforceable maintenance liabilities (see subclause (7)).

Underpayments—non-periodic payments and lump sum payments

(3A) For the purposes of the formula in subclause (3), the amount received by the individual under the agreement or order, for the child for the period, is taken to include:

(a) if the agreement or order is a non-periodic payments agreement or order—the amount by which the annual rate of child support payable for the child is reduced for the period under the agreement or order; and
(b) if the agreement or order is a lump sum payments agreement or order—the total amount of the lump sum payment that is credited for each day in the period under section 69A of the Child Support (Registration and Collection) Act 1988 against the amount payable under the liability under the agreement or order.

(3B) If the agreement or order is a non-periodic payments agreement or order, for the purposes of the formula in subclause (3), the amount payable to the individual under the agreement or order for the child for the period is taken to include the amount by which the annual rate of child support payable for the child is reduced for the period under the agreement or order.

**Arrears**

(4) If the amount received in an income year by the individual under the agreement or order for the child for the period exceeds the amount that is payable to the individual under the agreement or order for the child for the period, then, for the purposes of this Act, the amount of child maintenance that the individual is taken to have received under the agreement or order for the child for the period is:

\[
\text{Total of the notional arrears} + \text{Notional assessed amount for the child for the period} + \text{Total of the notional arrears for the child for the period arising for a previous period under the agreement or order}
\]

Note: This subclause only applies in respect of enforceable maintenance liabilities (see subclause (7)).

(5) The **notional arrears amount**, in respect of a debt arising for a previous period under the agreement or order, is:
Notional assessed amount for the child for the previous period  -  Notional amount paid for the child for the previous period  \times  Amount of the debt that is paid off

\[
\frac{\text{Notional assessed amount for the child for the previous period} - \text{Notional amount paid for the child for the previous period}}{\text{The amount of the debt that arose for the previous period under the agreement or order}} \times \text{Amount of the debt that is paid off}
\]

(6) For the purposes of subclause (5), if:

(a) an individual has more than one debt that arose under an agreement or order for previous periods; and

(b) the amount received in an income year by the individual under the agreement or order for a child for a period exceeds the amount that is payable to the individual under the agreement or order for the child for the period;

then:

(c) the individual is taken to have received the excess to pay off each debt in the order in which the debts arose; and

(d) each debt is reduced by the amount of the debt that is paid off.

(7) Subclauses (3) and (4) only apply in respect of enforceable maintenance liabilities (within the meaning of the Child Support (Registration and Collection) Act 1988).

(8) In this clause:

**lump sum payments agreement or order** means:

(a) an agreement containing lump sum payment provisions (within the meaning of the Child Support (Assessment) Act 1989); or

(b) a court order made under section 123A of that Act.

**non-periodic payments agreement or order** means:

(a) an agreement containing non-periodic payment provisions (within the meaning of the Child Support (Assessment) Act 1989); or
Clause 20C

(b) a court order made under section 124 of that Act that includes a statement made under section 125 of that Act that the annual rate of child support payable by a liable parent under an administrative assessment is to be reduced.

20C Working out amounts of child maintenance in relation to lump sum payments

(1) This clause applies if an individual receives in an income year child maintenance for an FTB child of the individual under:

(a) a child support agreement, containing lump sum payment provisions (within the meaning of paragraph 84(1)(e) of the Child Support (Assessment) Act 1989), to which clause 20B does not apply; or

(b) a court order made under section 123A of that Act; in the form of a lump sum payment that is to be credited under section 69A of the Child Support (Registration and Collection) Act 1988 against the amount payable under a liability under an administrative assessment.

(2) For the purposes of this Act, the amount of child maintenance that the individual is taken to have received in an income year under the agreement or order for the child for a period is the amount that is credited under section 69A of the Child Support (Registration and Collection) Act 1988 against the amount payable under the liability under the administrative assessment for the child for the period.

Note: The amount worked out under this clause is annualised under clause 20A.

(3) Subclause (2) does not apply in relation to the individual and the child for a period if subclause 20B(2), (3) or (4) or 20D(2) has applied in relation to the individual and the child for that period.

20D Working out amounts of child maintenance for administrative assessments privately collected

(1) This clause applies if, during a period in an income year:

(a) an individual is entitled to receive an amount of child maintenance for an FTB child of the individual under a
liability under an administrative assessment (within the meaning of the Child Support (Assessment) Act 1989); and

(b) the liability is not an enforceable maintenance liability (within the meaning of the Child Support (Registration and Collection) Act 1988); and

(c) the child maintenance is not maintenance to which clause 20B applies; and

(d) the Secretary considers that it is reasonable for the individual to take action to obtain the amount.

Individual taken to have received full entitlement

(2) For the purposes of this Act, the individual is taken to have received, for the period in the income year, the amount of child maintenance for the child that the individual is entitled to receive under the liability, disregarding so much of that amount as is attributable to the individual receiving disability expenses maintenance.

21 Maintenance income of members of couple to be added

The annualised amount of the maintenance income of an individual who is a member of a couple is the sum of the amounts that, apart from this clause, would be the respective annualised amounts of each of the members of the couple.

22 How to calculate an individual’s maintenance income free area

An individual’s maintenance income free area is worked out using the following table. Work out which family situation in the table applies to the individual. The maintenance income free area is the corresponding amount in column 2 plus an additional corresponding amount in column 3 for each FTB child after the first, disregarding any child:

(a) for whom maintenance income is disregarded under paragraph (a) of step 1 of the method statement in clause 20; or
Clause 23

(b) in respect of whom neither the individual, nor the individual’s partner, is entitled to apply for maintenance income.

23 Only maintenance actually received taken into account in applying clause 22

In determining whether or not item 2 or 3 of the table in clause 22 applies to an individual, clause 21 is to be disregarded. This has the effect of taking into account only maintenance income that the individual actually receives rather than any maintenance income that the individual is taken to receive because of maintenance income received by the individual’s partner.

24 Apportionment of capitalised maintenance income

(1) The object of this clause is to spread capitalised maintenance income so that it is taken into account over the whole of the period in respect of which it is received.
(2) If an individual receives capitalised maintenance income, the maintenance income of the individual that is attributable to the capitalised maintenance income during any period (the relevant period) in the capitalisation period is the amount worked out using the formula:

\[
\text{Capitalised maintenance income} \times \frac{\text{Relevant period}}{\text{Capitalisation period}}
\]

(2A) For the capitalisation period in an income year, the annualised amount of an individual’s capitalised maintenance income is worked out using the following formula:

\[
\frac{\text{The amount worked out under subclause (2) in respect of the individual for the capitalisation period in the income year}}{\text{Number of days in the income year}} \times \frac{\text{Number of days in the capitalisation period in the income year}}{\text{Number of days in the income year}}
\]

*Capitalisation period—court order or agreement*

(3) If:

(a) the capitalised maintenance income is received under or as a result of:

(i) the order of a court; or

(ii) a maintenance agreement (within the meaning of the *Family Law Act 1975*) that has been registered in, or approved by, a court in Australia or an external Territory; or

(iii) a financial agreement, or Part VIIIAB financial agreement, within the meaning of that Act; or

(iv) any other agreement with respect to the maintenance of a person that has been registered in, or approved by, a court in Australia or an external Territory; and

(b) the order or agreement specified the period in relation to which the capitalised maintenance income was to be provided; and
(c) the length of the period could be ascertained with reasonable certainty when the order was made or the agreement was so registered or approved;

the capitalisation period is, subject to subclause (6), the period specified in the order or agreement.

Capitalisation period—FTB child under 18

(4) If:

(a) the capitalised maintenance income relates to the maintenance of an FTB child of the individual; and
(b) the child has not turned 18 on the day on which the income is received; and
(c) subclause (3) does not apply to the capitalised maintenance income;

the capitalisation period is, subject to subclause (6), the period that starts on the day on which the income is received and ends on the day immediately before the day on which the child turns 18.

Capitalisation period—partner under 65

(5) If:

(a) the capitalised maintenance income relates to the maintenance of the individual by the individual’s partner or former partner; and
(b) the individual has not turned 65 on the day on which the income is received; and
(c) subclause (3) does not apply to the capitalised maintenance income;

the capitalisation period is, subject to subclause (6), the period that starts on the day on which the income is received and ends on the day immediately before the day on which the individual turns 65.

Capitalisation period—other cases

(6) If:

(a) the Secretary considers:

(i) in a case falling within subclause (3) where the period referred to in that subclause was specified in an order of
Clause 24A

a court that was made by consent or in an agreement referred to in subparagraph (3)(a)(ii), (iii) or (iv)—that the period is not appropriate in the circumstances of the case; or

(ii) in a case falling within subclause (4) or (5)—that the period referred to in that subclause is not appropriate in the circumstances of the case; or

(b) no capitalisation period is applicable in relation to the capitalised maintenance income under subclause (3), (4) or (5);

the capitalisation period is such period as the Secretary considers appropriate in the circumstances of the case.

Subdivision B—Maintenance income credit balances

24A Maintenance income credit balances

(1) A maintenance income credit balance, for a registered entitlement of an individual, is, at any particular time, the balance at that time of the accruals under clause 24B and the depletions under clause 24E in relation to that entitlement.

(2) Despite subclause (1), a maintenance income credit balance for a registered entitlement, at the end of an income year, cannot exceed the total arrears owing from that registered entitlement, at that time, for all income years for which the entitlement has existed.

(3) If:

(a) but for the condition in subclause 24B(3) not being met in relation to an income year, there would be an accrual to a maintenance income credit balance of an individual for a day in that income year; and

(b) after there has been an accrual under clause 24C for a day in a later income year or a depletion under clause 24E for a later income year, that condition is met in relation to the earlier income year;

the maintenance income credit balance is recalculated, taking into account the accrual for the day in the earlier income year before
taking into account the accrual or depletion mentioned in paragraph (b).

(4) This Subdivision continues to apply in relation to a maintenance income credit balance of an individual whether or not the individual or the individual’s partner continues to be eligible for family tax benefit.

24B Accruals to a maintenance income credit balance

Accrual if conditions are satisfied

(1) There is an accrual to a maintenance income credit balance for a registered entitlement of an individual, for a day in an income year, of the amount worked out under clause 24C for that day, if all the conditions in this clause are satisfied.

Conditions that must be satisfied

(2) Either or both of the following must apply:
   (a) the individual is eligible for family tax benefit for the day;
   (b) if the individual is a member of a couple on the day—the individual’s partner is eligible for family tax benefit for the day.

(3) The eligible person must have satisfied the FTB reconciliation conditions in section 32B of the Family Assistance Administration Act for all of the same-rate benefit periods (within the meaning of that section) that are included in the income year.

(4) The annualised amount of the maintenance income of the eligible person for the day must be less than the maintenance income free area that applied to the eligible person for that day.

(5) The maintenance income that the individual received in the income year from the registered entitlement must be less than the amount due in the income year from the registered entitlement.
24C Amount of accrual to a maintenance income credit balance

(1) This is how to work out the amount of the accrual under clause 24B, for a day in an income year, to a maintenance income credit balance for a registered entitlement of an individual who is, or is the partner of, an eligible person under subclause 24B(2):

**Method statement**

Step 1. Work out the global maintenance entitlement of the eligible person for the day using clause 24D.

Step 2. Identify the lower of:

(a) that global maintenance entitlement; and

(b) the maintenance income free area that applied to the eligible person for the day.

Step 3. Subtract from the lower amount identified in step 2 the annualised amount of the maintenance income of the eligible person for the day.

Step 4. Divide the result of step 3 by 365 and round the result of the division to the nearest cent (rounding 0.5 cents upwards).

Step 5. Unless subclause (2) applies to the individual, the amount that accrues to the maintenance income credit balance of the individual for the day is the amount worked out under step 4.

If subclause (2) applies to the individual, take the amount worked out under step 4 and apply the method statement in subclause (2).
(2) If either or both of the following apply:
   (a) the individual has more than one registered entitlement for
       the day in respect of which the condition in subclause 24B(5)
       is met;
   (b) if the individual is a member of a couple on the day—the
       individual’s partner has one or more registered entitlements
       for the day in respect of which the condition in
       subclause 24B(5) is met;

this is how to work out the amount of the accrual under clause 24B,
for a day in an income year, to each of the maintenance income
credit balances (the **relevant balances**) for those entitlements:

**Method statement**

Step 1. Work out the *daily cap* for each relevant balance as
follows:

(a) work out the annualised amount mentioned in
    paragraph 24D(1)(a) that is due in the income year
    from the registered entitlement to which the
    balance relates, and any related private collection
    entitlement;

(b) work out under subclause (4) the annualised
    amount of maintenance income received in the
    income year from that registered entitlement, and
    any related private collection entitlement;

(c) the daily cap is the excess of the amount
    mentioned in paragraph (a) over the amount
    mentioned in paragraph (b), divided by 365 and
    rounded to the nearest cent (rounding 0.5 cents
    upwards).

Step 2. Distribute the amount worked out under step 4 of the
method statement in subclause (1) equally among each
relevant balance, up to the amount of the daily cap for the
relevant balance.
Step 3. Distribute any remaining amount equally among each relevant balance for which the daily cap has not been reached, up to the amount of the daily cap for the relevant balance.

Step 4. Reapply step 3 to any remaining amount until:

(a) there is no remaining amount to distribute; or

(b) the daily cap for each relevant balance is reached.

Step 5. The amount that accrues to each of the relevant balances for the day is the sum of the amount distributed under step 2 and any additional amounts distributed under steps 3 and 4, with that sum rounded to the nearest cent (rounding 0.5 cents upwards).

(3) To avoid doubt, clauses 24B and 24C apply only once for a day in relation to any relevant balance.

(4) For the purposes of step 1 of the method statement in subclause (2), the annualised amount of maintenance income received in an income year from a registered entitlement, and any related private collection entitlement, of an individual (or an individual’s partner) is the amount worked out by using this formula:

\[
\text{Amount of maintenance income received in the income year from the registered entitlement, and any related private collection entitlement} \\
\times \frac{\text{Number of days in the income year for which the individual (or partner) had the registered entitlement, and any related private collection entitlement}}{\text{Amount of maintenance income received in the income year from the registered entitlement, and any related private collection entitlement}}
\]

(5) In this clause:

related private collection entitlement, in relation to a registered entitlement, has the same meaning as in clause 24D.
Clause 24D

24D Global maintenance entitlement of an eligible person

(1) For the purposes of step 1 of the method statement in subclause 24C(1), the global maintenance entitlement of the eligible person under subclause 24B(2) for the day is the sum of:

(a) the annualised amounts worked out using the formula in subclause (2) for:
   (i) each registered entitlement for the day, and any related private collection entitlement, of the eligible person; and
   (ii) if the eligible person is a member of a couple on the day—each registered entitlement for the day, and any related private collection entitlement, of the eligible person’s partner; and
(b) any amounts worked out under subclause (3); and
(c) the annualised amount of any capitalised maintenance income of the eligible person and, if the eligible person is a member of a couple on the day, of the eligible person’s partner, for the day; and
(d) the annualised amount of any maintenance income of the eligible person and, if the eligible person is a member of a couple on the day, of the eligible person’s partner, for the day:
   (i) that is not from a registered entitlement; and
   (ii) that is not capitalised maintenance income.

(2) For the purposes of paragraph (1)(a), the formula is:

\[
\text{Amount due in the income year} \times \frac{\text{Number of days}}{\text{Number of days}} = \frac{\text{Amount due in the income year}}{\text{Number of days}} \times \frac{\text{Number of days}}{\text{Number of days}}
\]

(3) If:

(a) in respect of:
   (i) a registered entitlement for the day, and any related private collection entitlement, of the eligible person; or
(ii) if the eligible person is a member of a couple on the day—a registered entitlement for the day, and any related private collection entitlement, of the eligible person’s partner; the maintenance income received by the eligible person or partner for the income year exceeds the amount due in the income year from the registered entitlement, and any related private collection entitlement; and

(b) that excess, or any part of it (the relevant excess), is not disregarded for the purposes of paragraph (c) of step 1 of the method statement in clause 20;

an amount for the purposes of paragraph (1)(b) is worked out by using this formula:

\[
\frac{\text{Amount of the relevant excess}}{\text{Number of days in the income year for which the eligible person (or partner) had the registered entitlement, and any related private collection entitlement}} \times \text{Number of days in the income year}
\]

(4) For the purposes of this clause, an individual’s private collection entitlement is related to the individual’s registered entitlement if the private collection entitlement and registered entitlement relate to the same registrable maintenance liability, within the meaning of the Child Support (Registration and Collection) Act 1988.

(5) In this clause:

private collection entitlement, of an individual, means the individual’s entitlement to receive maintenance income from a particular payer, if the payer’s liability to pay that maintenance income is a registrable maintenance liability that is not an enforceable maintenance liability, within the meaning of the Child Support (Registration and Collection) Act 1988.

### 24E Depletions from a maintenance income credit balance

(1) There is a depletion from the maintenance income credit balance for a registered entitlement of an individual, for an income year, of the amount worked out under subclause (2), if:
Clause 24EA

(a) the income year has ended; and
(b) the maintenance income that the individual received in the income year from the entitlement is more than the amount due in the income year from the entitlement.

(2) The amount by which the maintenance income credit balance is depleted is the lower of:
   (a) the excess of the maintenance income that the individual received in the income year from the entitlement over the amount due in the income year from the entitlement; and
   (b) the amount of the maintenance income credit balance.

(3) For the purposes of paragraphs (1)(b) and (2)(a), in working out the maintenance income received in an income year or the amount of maintenance income due in an income year:
   (a) disregard any maintenance income received or due for an FTB child for whom the FTB child rate under clause 7 does not exceed the base FTB child rate (see clause 8); and
   (b) disregard the operation of clause 11 (sharing of family tax benefit) in applying paragraph (a).

24EA Amounts due under notional assessments

(1) This clause applies if:
   (a) an individual receives child maintenance for an FTB child of the individual under a child support agreement or court order; and
   (b) there is, in relation to the agreement or order, a notional assessment of the annual rate of child support that would be payable to the individual for the child for a particular day in a child support period if that annual rate were payable under Part 5 of the Child Support (Assessment) Act 1989 instead of under the agreement or order; and
   (c) the child maintenance is received, wholly or in part, from a registered entitlement.

(2) For the purposes of this Subdivision, the amount of child maintenance that is taken to be due to the individual under the agreement or order (whether from the registered entitlement or...
from a related private collection entitlement within the meaning of clause 24D), for the child for a period, is the amount that would have been due if the amount due to the individual had been the annual rate of child support for the child for the period that is included in the notional assessment.

(3) To avoid doubt, subclause (2) does not apply in relation to the total arrears owing from a registered entitlement, as mentioned in subclause 24A(2).

**Subdivision C—Maintenance income ceiling for Method 1**

**24F Subdivision not always to apply**

This Subdivision does not apply to an individual if:

(a) the individual, and the individual’s partner, between them are entitled to apply for maintenance income:

(i) from only one other individual; and

(ii) in respect of all of the FTB children of the individual; and

(b) the individual has no regular care children who are rent assistance children.

**24G Overall method for working out maintenance income ceiling for Method 1**

For the purposes of paragraph (d) of step 1 of the method statement in clause 20, this is how to work out an individual’s maintenance income ceiling for maintenance income received by the individual, or the individual’s partner, from another individual (the maintenance payer) if the individual’s Part A rate is worked out using this Part (Method 1):

**Method statement**

Step 1. Work out the individual’s *above base standard amount* for the maintenance income using clause 24H.

24H  How to work out an individual’s above base standard amount

The individual’s *above base standard amount* for the maintenance income is the difference between:
(a) the individual’s standard rate under Division 2 of this Part (clauses 7 to 11) for the FTB children of the individual in respect of whom the individual, or the individual’s partner, is entitled to apply for maintenance income from the maintenance payer; and
(b) the individual’s standard rate under Division 2 of Part 3 (clauses 26 and 27) for those children (assuming that the individual’s Part A rate were calculated under Part 3).

24HA  How to work out an individual’s above base clean energy supplement amount

The individual’s *above base clean energy supplement amount* for the maintenance income is the difference between:
(a) the individual’s clean energy supplement (Part A) under Subdivision A of Division 2AA of Part 5 (clause 38AA) for the FTB children of the individual in respect of whom the individual, or the individual’s partner, is entitled to apply for maintenance income from the maintenance payer; and
(b) the individual’s clean energy supplement (Part A) under Subdivision B of Division 2AA of Part 5 (clause 38AF) for
those children (assuming that the individual’s Part A rate were calculated under Part 3).

24K How to work out an individual’s MIFA (maintenance income free area) amount

(1) If the individual, and the individual’s partner, between them are entitled to apply for maintenance income from only one maintenance payer, then the individual’s MIFA amount for the maintenance income is the amount of the individual’s maintenance income free area.

**Apportioning the maintenance income free area**

(2) If the individual, and the individual’s partner, between them are entitled to apply for maintenance income from more than one maintenance payer, the individual’s MIFA amount for maintenance income received from a particular maintenance payer is worked out using the following formula:

$$\text{MIFA amount} = \left( \frac{\text{Individual’s no child amount}}{\text{Total number of maintenance payers in respect of whom either the individual, or the individual’s partner, is entitled to apply for maintenance income}} \right) \times \left( \frac{\text{Number of FTB children in respect of whom the individual, or the individual’s partner, is entitled to apply for maintenance income from that maintenance payer}}{\text{Individual’s additional amount for one child worked out under clause 22}} \right)$$

where:
individual’s no child amount is the amount worked out using the following formula:

\[
\text{Individual’s basic amount worked out under clause 22} - \text{Individual’s additional amount for one child worked out under clause 22}
\]

24L. How to work out an individual’s maintenance income ceiling

The individual’s maintenance income ceiling for the maintenance income is worked out using the following formula:

24M Subdivision not always to apply

(a) the individual, and the individual’s partner, between them are entitled to apply for maintenance income:

(i) from only one other individual; and

(ii) in respect of all of the FTB children of the individual; and

(b) the individual has no regular care children who are rent assistance children.

24N Overall method for working out maintenance income ceiling for purposes of comparison for Method 2

For the purposes of the comparison in step 4 of the method statement in clause 25, this is how to work out an individual’s maintenance income ceiling for maintenance income received by
the individual, or the individual’s partner, from another individual (the *maintenance payer*) if the individual’s Part A rate is worked out using Part 3 of this Schedule (Method 2):

Clause 24P

24P How to work out an individual’s standard amount

The individual’s standard amount for the maintenance income is the individual’s standard rate under Division 2 of this Part (clauses 7 to 11) for the FTB children of the individual in respect of whom the individual, or the individual’s partner, is entitled to apply for maintenance income from the maintenance payer.

24Q How to work out an individual’s LFS (large family supplement) amount

This is how to work out the individual’s LFS amount for the maintenance income:

Method statement

Step 1. Work out the individual’s large family supplement (if any) under Division 1 of Part 5.

Step 2. Work out the amount that would be the individual’s large family supplement (if any) under that Division if large family supplement were paid for only those children in respect of whom neither the individual, nor the individual’s partner, is entitled to apply for maintenance income.

Step 3. If the individual, and the individual’s partner, between them are entitled to apply for maintenance income from only one maintenance payer, the difference between the amount worked out under step 1 and the amount worked out under step 2 is the individual’s LFS amount for the maintenance income.

Step 4. If the individual, and the individual’s partner, between them are entitled to apply for maintenance income from more than one maintenance payer, the individual’s LFS amount for maintenance income received from a particular maintenance payer is worked out using the formula:

### 24R How to work out an individual’s supplement amount

The individual’s *supplement amount* for the maintenance income is the individual’s FTB Part A supplement under Division 2A of Part 5 (clause 38A) for the FTB children of the individual in respect of whom the individual, or the individual’s partner, is entitled to apply for maintenance income from the maintenance payer.

### 24RA How to work out an individual’s clean energy supplement amount

The individual’s *clean energy supplement amount* for the maintenance income is the individual’s clean energy supplement (Part A) under Subdivision A of Division 2AA of Part 5 (clause 38AA) for the FTB children of the individual in respect of whom the individual, or the individual’s partner, is entitled to apply for maintenance income from the maintenance payer.

### 24S How to work out an individual’s maintenance income ceiling

The individual’s *maintenance income ceiling* for the maintenance income is worked out using the following formula:

\[
\text{Total of the amounts worked out for the income under steps 1 to 5 of the method statement in clause 24N} \\times 2 + \text{MIFA amount for the income}
\]
Part 3—Part A rate (Method 2)

Division 1—Overall rate calculation process

25 Method of calculating Part A rate

Subject to the operation of clause 25A, if the individual’s Part A rate is to be calculated using this Part, it is calculated as follows:

Method statement

Step 1. Add the following amounts:

(a) the individual’s standard rate under Division 2 of this Part (clauses 26 and 27);

(b) the individual’s large family supplement (if any) under Division 1 of Part 5 (clauses 34 and 35);

(ba) the individual’s newborn supplement (if any) under Division 1A of Part 5 (clauses 35A and 35B);

(c) the individual’s multiple birth allowance (if any) under Division 2 of Part 5 (clauses 36 to 38);

(d) the individual’s FTB Part A supplement under Division 2A of Part 5 (clause 38A);

(e) the individual’s clean energy supplement (Part A) under Subdivision B of Division 2AA of Part 5 (clause 38AF).

The result is the individual’s Method 2 base rate.
Schedule 1  Family tax benefit rate calculator  
Part 3  Part A rate (Method 2)  
Division 1  Overall rate calculation process  

Clause 25A

Step 2. Apply the income test in Division 3 of this Part (clause 28) to work out any reduction for adjusted taxable income. Take any reduction away from the individual’s Method 2 base rate: the result is the individual’s provisional Part A rate.

Step 3. Work out the rate that would be the individual’s income and maintenance tested rate under step 3 of the method statement in clause 3 if the individual’s Part A rate were to be calculated using Part 2 (but disregarding clause 24G): the result is the individual’s Method 2 income and maintenance tested rate.

Step 4. The individual’s Part A rate is:

(a) the individual’s provisional Part A rate if it is equal to or greater than the individual’s Method 2 income and maintenance tested rate; or

(b) the individual’s Method 2 income and maintenance tested rate if it is greater than the individual’s provisional Part A rate.

25A  Family tax benefit advance to individual

(1) If:

(a) an individual is entitled to be paid family tax benefit by instalment; and
(b) the individual is paid a family tax benefit advance; and
(c) the individual has not repaid the whole of the advance; and
(d) the amount of unrepaid family tax benefit advance is not an FTB advance debt;

then, subject to clauses 44 and 49, the individual’s Part A rate is to be reduced in accordance with Division 4 of Part 5 (clauses 40 to 51).

288  A New Tax System (Family Assistance) Act 1999
(2) If an individual satisfies paragraphs (1)(a) to (d) for more than one family tax benefit advance, the individual’s Part A rate is to be reduced under subclause (1) for each of those advances.

25B Components of Part A rates under this Part

The Minister may, by legislative instrument, determine a method for working out the extent to which Part A rates under this Part are attributable to the amounts referred to in step 1 of the method statement in clause 25.
Division 2—Standard rate

26 Standard rate

(1) Subject to clause 27, an individual’s standard rate is the total obtained by adding the FTB child rates for each of the individual’s FTB children.

(2) The FTB child rate for the purpose of subclause (1) is $1,416.20.

27 Sharing family tax benefit (shared care percentages)

If an individual has a shared care percentage for an FTB child of the individual, the FTB child rate for the child, in working out the individual’s standard rate under clause 26, is the individual’s shared care percentage of the FTB child rate that would otherwise apply to the child.
Division 3—Income test

28 Income test

This is how to work out an individual’s reduction for adjusted taxable income:

Method statement

Step 1. Work out the individual’s higher income free area using clause 2.

Step 2. Work out whether the individual’s adjusted taxable income exceeds the individual’s higher income free area.

Step 3. If the individual’s adjusted taxable income does not exceed the individual’s higher income free area, the individual’s income excess is nil.

Step 4. If the individual’s adjusted taxable income exceeds the individual’s higher income free area, the individual’s income excess is the individual’s adjusted taxable income less the individual’s higher income free area.

Step 5. The individual’s reduction for income is 30% of the income excess.
Clause 28A

**Part 3A—Part A rate (Method 3)**

**28A Method of calculating Part A rate**

Subject to the operation of clauses 38J and 38K, if the individual’s Part A rate is to be calculated using this Part, it is calculated as follows:

</tr>
</thead>
<tbody>
<tr>

</tr>
<tr>
<td>Step 2. Apply the income test in Division 2C of Part 5 (clauses 38L to 38N) to work out any reduction for adjusted taxable income. Take any reduction away from the individual’s maximum rate: the result is the individual’s <strong>income tested rate</strong>.</td>
</tr>
<tr>
<td>Step 3. The individual’s <strong>Part A rate</strong> is the individual’s income tested rate.</td>

Part 4—Part B rate

Division 1—Overall rate calculation process

Subdivision AA—When Part B rate is nil

28B Adjusted taxable income exceeding $150,000

(1) Despite Subdivisions A and B, an individual’s Part B rate is nil if the individual’s adjusted taxable income is more than $150,000.

Note: If the individual is a member of a couple, the individual’s adjusted taxable income is the higher of the individual’s adjusted taxable income and the adjusted taxable income of the individual’s partner: see clause 3 of Schedule 3.

(2) However, subclause (1) does not apply while the individual, or the individual’s partner, is receiving a social security pension, a social security benefit, a service pension or income support supplement.

28C Paid parental leave

Despite Subdivisions A and B, the Part B rate that an individual is eligible for in respect of a day is nil if the day occurs during a PPL period applying to the individual, or the individual’s partner.

Subdivision A—General method of calculating Part B rate

29 General method of calculating Part B rate

(1) The individual’s Part B rate is the amount worked out by adding the following amounts if the individual is not a member of a couple:

(a) the individual’s standard rate under Division 2 (clauses 30 and 31);
(b) the individual’s FTB Part B supplement under Division 2A (clause 31A);
(c) the individual’s clean energy supplement (Part B) under Division 2B (clause 31B).
(2) The individual’s Part B rate is worked out using the following method statement if the individual is a member of a couple:

Note: An individual who is a member of a couple works out his or her Part B rate under Subdivision B if the secondary earner of the couple returns to paid work after the birth of a child etc.

(2A) The Minister may, by legislative instrument, determine a method for working out the extent to which Part B rates under subclause (2) are attributable to the amounts referred to in step 1 of the method statement in subclause (2).

(3) In applying this Part to an individual, disregard an FTB child who has turned 16 years of age unless the FTB child is a senior secondary school child. If disregarding the FTB child means that neither item 1 nor item 2 in the table in clause 30 applies to the individual, the individual’s Part B rate is nil.
Subdivision B—Method of calculating Part B rate for those who return to paid work after the birth of a child etc.

29A Method of calculating Part B rate for those who return to paid work after the birth of a child etc.

Application of clause

(1) The Part B rate that an individual is eligible for in respect of a day in an income year is worked out under subclause (2) if:
   (a) the individual is a member of a couple on the day; and
   (b) the conditions in subclauses (3) to (8) of this clause are met; and
   (c) the conditions in clause 29C are met in respect of the day.

Method of calculating Part B rate

(2) The Part B rate that the individual is eligible for in respect of the day is the amount worked out by adding the following amounts:
   (a) the individual’s standard rate under Division 2 in respect of the day (clauses 30 and 31);
   (b) the individual’s FTB Part B supplement under Division 2A in respect of the day (clause 31A);
   (c) the individual’s clean energy supplement (Part B) under Division 2B in respect of the day (clause 31B).

Conditions

(3) During a period during the income year in which the day occurs, the secondary earner of the couple (who might be the individual mentioned in subclause (1)):
   (a) is not engaging in paid work; and
   (b) is not receiving passive employment income in respect of that period.

(4) Later during that income year, the secondary earner returns to paid work for the first time since a child became an FTB child of the secondary earner.
Clause 29B

(4A) If, in different income years, more than one secondary earner returns to paid work for the first time in respect of the same child, the Part B rate of the individual is not calculated under this clause in respect of a return to paid work that is not the earliest return to paid work.

(4B) If, in the same income year, more than one secondary earner returns to paid work for the first time in respect of the same child, the Part B rate of the individual is not calculated under this clause in respect of a secondary earner for whom the period mentioned under paragraph 29C(1)(a) does not begin first.

(5) The conditions in clause 29B are met in respect of that child.

(6) The individual mentioned in subclause (1) has satisfied the FTB reconciliation conditions under section 32B of the Family Assistance Administration Act for all of the same-rate benefit periods in that income year.

(7) If subclause (8) does not apply—either or both of the following apply:

   (a) the individual notifies the Secretary of the secondary earner’s return to paid work before the end of the income year following the income year in which the secondary earner returns to paid work;

   (b) the Secretary becomes aware of the secondary earner’s return to paid work before the end of the income year following the income year in which the secondary earner returns to paid work.

(8) If, during the second income year following a particular income year, a claim is made under the Family Assistance Administration Act for payment of family tax benefit for a past period that occurs in the particular income year, the Secretary is notified in the claim that the secondary earner returned to paid work during the particular income year.

29B Conditions to be met in respect of an FTB child

(1) For the purpose of subclause 29A(5), the conditions in this clause are met in respect of a child if the conditions in subclauses (2) and

A New Tax System (Family Assistance) Act 1999

ComLaw Authoritative Act C2014C00645
(3) of this clause are met in respect of the child on any single day that meets the conditions in clause 29C.

Conditions in respect of FTB child

(2) Of all the FTB children of the secondary earner, either:
   (a) the child most recently became an FTB child of the secondary earner; or
   (b) if all of the children became FTB children of the secondary earner at the same time—the child is the youngest FTB child of the secondary earner.

Generally, only one individual calculates Part B rate under clause 29A

(3) No other individual’s Part B rate has been calculated under clause 29A as a result of the conditions in this clause being met in respect of the child.

Exception—section 59 determination (shared care)

(4) If another individual’s Part B rate has been calculated as mentioned in subclause (3), the condition in that subclause is taken to be met in respect of the child if:
   (a) on the day on which the other individual or his or her partner returns to paid work, the other individual has a shared care percentage for the child; and
   (b) the secondary earner is not a member of the same couple as the other individual on either:
      (i) the day mentioned in paragraph (a); or
      (ii) the day on which the secondary earner returns to paid work.

Exception—section 28 and 29 determinations (members of a couple in a blended family or members of a separated couple) etc.

(5) If another individual’s Part B rate has been calculated as mentioned in subclause (3), the condition in that subclause is taken to be met in respect of the child if:
Clause 29C

(a) at some time during the income year, the other individual is the partner of:
   (i) the secondary earner; or
   (ii) the individual mentioned in subclause 29A(1) (if he or she is not the secondary earner); and
(b) the other individual’s Part B rate has been calculated under clause 29A in respect of the same return to paid work, and the same FTB child, of the secondary earner.

29C Conditions to be met in respect of a day

(1) For the purposes of paragraph 29A(1)(c) and clause 29B, the conditions in this clause are met in respect of a day in an income year if:
   (a) the day falls in the period that starts on the latest of the following days:
      (i) 1 July of the income year;
      (ii) the day after the secondary earner stops paid work;
      (iii) the day after the secondary earner stops receiving passive employment income in respect of a period;
   and ends immediately before the day on which the secondary earner returns to paid work; and
   (b) the secondary earner is not receiving passive employment income in respect of the day.

(2) For the purpose of subclause (1), the day on which an individual returns to paid work is:
   (a) if the individual returns to paid work because of subsection 3B(2)—the first day of the 4 week period mentioned in that subsection on which the individual is engaging in paid work; and
   (b) if the individual returns to paid work because of subsection 3B(3)—the first day on which the individual is engaging in paid work.

(3) To avoid doubt, the first and last days of the period mentioned in paragraph (1)(a) fall in that period.
Division 2—Standard rate

30 Standard rate

Subject to clause 31, an individual’s standard rate is worked out using the following table. Work out which family situation applies to the individual. The standard rate is the corresponding amount in column 2.

<table>

31 Sharing family tax benefit (shared care percentages)

(1) If:
   (a) an individual has a shared care percentage for an FTB child of the individual; and
   (b) the child is the individual’s only FTB child;

   the individual’s standard rate is the individual’s shared care percentage of the standard rate that would otherwise apply.

(2) If:
   (a) an individual has a shared care percentage for an FTB child of the individual; and
   (b) the child is not the individual’s only FTB child;

   the individual’s standard rate is to be worked out as follows:
   (c) for each of the individual’s FTB children for whom the individual does not have a shared care percentage, work out the rate that would be the individual’s standard rate under clause 30 if that child were the individual’s only FTB child;
(d) for each of the individual’s FTB children for whom the individual has a shared care percentage, work out the rate that would be the individual’s standard rate under clause 30 if:
   (i) that child were the individual’s only FTB child; and
   (ii) subclause (1) of this clause applied to the child;

(e) the individual’s standard rate is the highest of the rates obtained under paragraphs (c) and (d).
Division 2A—FTB Part B supplement

31A Rate of FTB Part B supplement

(1) The amount of the FTB Part B supplement to be added in working out an individual’s Part B rate under clause 29 or 29A is:
   (a) if the individual has one FTB child, or more than one FTB child, and the individual does not have a shared care percentage for that child, or for at least one of those children—the FTB (B) gross supplement amount; or
   (b) if the individual has only one FTB child and the individual has a shared care percentage for the child—the shared care percentage of the FTB (B) gross supplement amount; or
   (c) if the individual has more than one FTB child and the individual has a shared care percentage for each of those children—the highest of those percentages of the FTB (B) gross supplement amount.

(2) For the purposes of subclause (1), the FTB (B) gross supplement amount is $302.95.

(3) To avoid doubt, when the FTB (B) gross supplement amount is indexed on a 1 July under Part 2 of Schedule 4, the amount, as it stood before that indexation, continues to apply in working out an individual’s Part B rate under clause 29 or 29A for the income year ending just before that 1 July.
Clause 31B

Division 2B—Clean energy supplement (Part B)

31B Clean energy supplement (Part B)

(1) The amount of the clean energy supplement (Part B) to be added in working out an individual’s Part B rate under clause 29 or 29A is worked out using the following table. Work out which family situation applies to the individual. Subject to clause 31C, the clean energy supplement (Part B) is the amount worked out under subclause (2).

<table>
<thead>
<tr>
<th>Clean energy supplement (Part B)</th>
<th>Family situation</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>Youngest FTB child is under 5 years of age</td>
</tr>
<tr>
<td>2</td>
<td>Youngest FTB child is 5 years of age or over</td>
</tr>
</tbody>
</table>

(2) For the purposes of subclause (1), the clean energy supplement (Part B), in relation to an item in the table in subclause (1), is worked out as follows:

Method statement

Step 1. Work out the amount applicable on 1 July 2013 under the corresponding item of the table in clause 30.

Step 2. Work out the FTB (B) gross supplement amount on 1 July 2013 under subclause 31A(2).

Step 3. Work out the sum of the amounts at steps 1 and 2.

Step 4. Multiply the amount at step 3 by 0.017.

Step 5. Round the amount at step 4 to the nearest multiple of $3.65 (rounding up if necessary): the result is the clean energy supplement (Part B).
(3) This clause does not apply in relation to a day if an election made by the individual under subsection 58A(1) is in force on that day.

Note: If that election is in force on one or more days in a quarter, then the Secretary must review the instalment determination taking into account this Division: see section 105B of the Family Assistance Administration Act.

31C Sharing family tax benefit (shared care percentages)

(1) If:

(a) an individual has a shared care percentage for an FTB child of the individual; and
(b) the child is the individual’s only FTB child;

the individual’s clean energy supplement (Part B) is the individual’s shared care percentage of the clean energy supplement (Part B) that would otherwise apply.

(2) If:

(a) an individual has a shared care percentage for an FTB child of the individual; and
(b) the child is not the individual’s only FTB child;

the individual’s clean energy supplement (Part B) is to be worked out as follows:

(c) for each of the individual’s FTB children for whom the individual does not have a shared care percentage, work out the amount that would be the individual’s clean energy supplement (Part B) under clause 31B if that child were the individual’s only FTB child;

(d) for each of the individual’s FTB children for whom the individual has a shared care percentage, work out the amount that would be the individual’s clean energy supplement (Part B) under clause 31B if:

(i) that child were the individual’s only FTB child; and
(ii) subclause (1) of this clause applied to the child;

(e) the individual’s clean energy supplement (Part B) is the highest of the amounts obtained under paragraphs (c) and (d).
Division 3—Income test

32 Income test

This is how to work out an individual’s reduction for adjusted taxable income:

Method statement

Step 1. Work out the individual’s income free area using clause 33.

Step 2. Work out whether the individual’s adjusted taxable income exceeds the individual’s income free area.

Step 3. If the individual’s adjusted taxable income does not exceed the individual’s income free area, the individual’s income excess is nil.

Step 4. If the individual’s adjusted taxable income exceeds the individual’s income free area, the individual’s income excess is the individual’s adjusted taxable income less the individual’s income free area.

Step 5. The individual’s reduction for income is 20% of the income excess.

33 Income free area

An individual’s income free area is $4,000.
Part 5—Common provisions

Division 1—Large family supplement

34 Eligibility for large family supplement

An amount by way of large family supplement is to be added in working out an individual’s maximum rate under clause 3, or an individual’s Method 2 base rate under clause 25, if the individual has 3 or more FTB children.

35 Rate of large family supplement

The amount of the large family supplement is worked out using the formula:

\[
$204.40 \times \left( \text{Number of FTB children of the individual} - 2 \right)
\]
Division 1A—Newborn supplement

35A Eligibility for newborn supplement

(1) Subject to this clause, an amount of newborn supplement is to be added, for a day, in working out an individual’s maximum rate under clause 3, or an individual’s Method 2 base rate under clause 25, if subclause (2), (5) or (7) of this clause applies for that day in relation to the individual and an FTB child of the individual.

Parent of child

(2) This subclause applies for a day in relation to the individual and an FTB child of the individual if:

(a) the individual, or the individual’s partner, is a parent of the child on that day; and
(b) the child is aged less than one on that day; and
(c) if this subclause were to apply for that day, the individual’s Part A rate, disregarding reductions (if any) under clause 5 or 25A of this Schedule and disregarding section 58A and subclauses 38AA(3) and 38AF(3) of this Schedule, would be greater than nil on that day; and
(d) that day occurs in the period of 13 weeks beginning on the first day that paragraphs (a) to (c) are satisfied; and
(e) if the individual is, under a law (the registration law) of a State or Territory, responsible (whether alone or jointly) for registering the birth of the child in accordance with the law—the Secretary is notified, or becomes aware, at any time before the end of whichever of the following periods is applicable, that the birth registration requirement is met:

(i) the first income year after the income year (the relevant income year) in which occurs the last day on which paragraphs (a) to (d) are satisfied;

(ii) if a further period in respect of the individual’s claim for payment of family tax benefit in respect of the child was allowed under paragraph 10(2)(b) of the Family Assistance Administration Act and that claim is for a past period falling within the relevant income year—
such further period (if any) as the Secretary allows in special circumstances.

(3) For the purposes of paragraph (2)(e), the birth registration requirement is the requirement that:

(a) the birth of the child has been registered in accordance with the registration law; or

(b) the individual, or the individual’s partner, has applied to have the birth of the child registered in accordance with the registration law.

(4) Any further period allowed by the Secretary under subparagraph (2)(e)(ii) must end no later than the end of the second income year after the relevant income year.

Child entrusted to care of individual or individual’s partner

(5) This subclause applies for a day in relation to the individual and an FTB child of the individual if:

(a) neither the individual, nor the individual’s partner, is a parent of the child on that day; and

(b) on or before that day, the child became entrusted to the care of the individual or the individual’s partner; and

(c) the child is aged less than one on that day; and

(d) if this subclause were to apply for that day, the individual’s Part A rate, disregarding reductions (if any) under clause 5 or 25A of this Schedule and disregarding section 58A and subclauses 38AA(3) and 38AF(3) of this Schedule, would be greater than nil on that day; and

(e) that day occurs in the period of 13 weeks beginning on the first day that paragraphs (a) to (d) are satisfied.

(6) However, subclause (5) does not apply, and is taken never to have applied, in relation to the individual and the FTB child of the individual if the child is not an FTB child of the individual for a continuous period of at least 13 weeks beginning on the first day that paragraphs (5)(a) to (d) are satisfied.
Adoption

(7) This subclause applies for a day in relation to the individual and an FTB child of the individual if:
(a) on or before that day, the child became entrusted to the care of the individual or the individual’s partner; and
(b) it is an authorised party that entrusts the child to the care of the individual or the individual’s partner; and
(c) the authorised party does so as part of the process for the adoption of the child by the individual or the individual’s partner; and
(d) if this subclause were to apply for that day, the individual’s Part A rate, disregarding reductions (if any) under clause 5 or 25A of this Schedule and disregarding section 58A and subclauses 38AA(3) and 38AF(3) of this Schedule, would be greater than nil on that day; and
(e) that day occurs in the period of 13 weeks beginning on the first day that paragraphs (a) to (d) are satisfied; and
(f) that day occurs before the end of the period of 12 months beginning on the day the child became entrusted to the care of the individual or the individual’s partner.

Exceptions

(8) This clause does not apply, and is taken never to have applied, in relation to the individual and the FTB child of the individual if parental leave pay is payable to the individual for that child.

(9) This clause does not apply, and is taken never to have applied, in relation to the individual and the FTB child of the individual if:
(a) parental leave pay is payable to a person (other than the individual) for that child; and
(b) the person and the individual are members of a couple for:
   (i) if the person’s PPL period is 13 weeks or more—at least 13 weeks of that PPL period; or
   (ii) if the person’s PPL period is less than 13 weeks—the whole of that PPL period.

(10) If:
Clause 35A

(a) under this clause, an amount of newborn supplement is added in relation to an individual and an FTB child of the individual for a period of 13 weeks; and
(b) the individual is a member of a couple throughout that period; and
(c) throughout that period there is no determination in force under section 28 or 29 in relation to both members of the couple and that child;

then this clause does not apply in relation to the other member of that couple and that child.

(11) An amount of newborn supplement is not to be added under this clause for a day or days in relation to an individual and an FTB child of the individual in the circumstances prescribed in a legislative instrument under subclause (12).

(12) The Minister may, by legislative instrument, prescribe circumstances for the purposes of either or both of subsection 58AA(3) and subclause (11) of this clause.

(13) The circumstances, in relation to an individual and an FTB child of the individual, must relate to one or more of the following:
(a) the payability of parental leave pay to another individual for that child;
(b) the addition of newborn supplement under this clause in relation to another individual and that child;
(c) the individual being a member of a couple or a former member of a couple.

Definition

(14) In this clause:

parent includes a relationship parent.
35B Annualised rate of newborn supplement

**General rule**

(1) Subject to this clause, the amount of newborn supplement for an individual in respect of an FTB child is as follows:

(a) if subclause 35A(2) applies and the child is the first child born alive to the woman who gave birth to the child—the amount worked out using the formula:

\[
1,501.50 \times \frac{365}{91}
\]

(b) if subclause 35A(5) applies and the child is the first child that becomes entrusted to the care of the individual, or the individual’s partner, in the circumstances mentioned in paragraphs 35A(5)(b) and (c)—the amount worked out using the formula:

\[
1,501.50 \times \frac{365}{91}
\]

(c) if subclause 35A(7) applies and the child is the first child that becomes entrusted to the care of the individual, or the individual’s partner, in the circumstances mentioned in paragraphs 35A(7)(a) to (c)—the amount worked out using the formula:

\[
1,501.50 \times \frac{365}{91}
\]

(d) otherwise—the amount worked out using the formula:

\[
500.50 \times \frac{365}{91}
\]

Note: The amount of the newborn supplement added under this Division forms part of the calculation of an individual’s annual rate of family tax benefit, which is then converted to a daily rate of family tax benefit: see subsection 58(3). That daily rate, to the extent it relates to the newborn supplement, is paid for a maximum of 13 weeks: see clause 35A.
Multiple children cases

(2) If 2 or more children are born during the same multiple birth (including any stillborn child) and subclause 35A(2) applies in relation to an individual and one or more of those children (each of whom is a qualifying child), the amount of newborn supplement for the individual in respect of each qualifying child is the amount worked out using the formula:

$$1,501.50 \times \frac{365}{91}$$

(3) If subclause 35A(5) applies in relation to an individual and 2 or more children who become entrusted to the care of the individual, or the individual’s partner, as part of the same entrustment to care process, the amount of newborn supplement for the individual in respect of each child is the amount worked out using the formula:

$$1,501.50 \times \frac{365}{91}$$

(4) If subclause 35A(7) applies in relation to an individual and 2 or more children who become entrusted to the care of the individual, or the individual’s partner, as part of the same adoption process, the amount of newborn supplement for the individual in respect of each child is the amount worked out using the formula:

$$1,501.50 \times \frac{365}{91}$$

Division 2  Multiple birth allowance

Clause 36

Division 2—Multiple birth allowance

36 Eligibility for multiple birth allowance

(1) An amount by way of multiple birth allowance is to be added in working out an individual’s maximum rate under clause 3, or an individual’s Method 2 base rate under clause 25, if:
   (a) the individual has 3 or more FTB children; and
   (b) at least 3 of those children were born during the same multiple birth and satisfy the requirements of subclause (2).

(2) For the purposes of paragraph (1)(b), the requirements of this subclause are satisfied by a child if:
   (a) the child is under the age of 16 years; or
   (b) the child has turned 16 and is a senior secondary school child.

37 Rate of multiple birth allowance

The amount of the multiple birth allowance is:
   (a) if the number of the FTB children born during the same multiple birth who satisfy the requirements of subclause 36(2) is 3—$2,467.40; and
   (b) if the number of the FTB children born during the same multiple birth who satisfy the requirements of subclause 36(2) is 4 or more—$3,292.30.

38 Sharing multiple birth allowance (determinations under section 59A)

If the Secretary has made a determination under section 59A in respect of an FTB child of the individual, multiple birth allowance under this Division is to be dealt with in accordance with the determination.

A New Tax System (Family Assistance) Act 1999

ComLaw Authoritative Act C2014C00645
Division 2A—FTB Part A supplement

38A Rate of FTB Part A supplement

(1) The amount of the FTB Part A supplement to be added in working out an individual’s maximum rate under clause 3, or an individual’s Method 2 base rate under clause 25, is:
   (a) if the individual has one FTB child—the applicable supplement amount for that child; or
   (b) if the individual has 2 or more FTB children—the sum of the applicable supplement amounts for each of those children.

(2) For the purposes of subclause (1), the applicable supplement amount for an FTB child of the individual is:
   (a) if the individual has a shared care percentage for the FTB child—the individual’s shared care percentage of the FTB gross supplement amount; or
   (b) in any other case—the FTB gross supplement amount.

(3) For the purposes of subclause (2), the FTB gross supplement amount is $600.

(4) To avoid doubt, when the FTB gross supplement amount is indexed on a 1 July under Part 2 of Schedule 4, the amount, as it stood before that indexation, continues to apply in working out an individual’s maximum rate under clause 3, or an individual’s Method 2 base rate under clause 25, for the income year ending just before that 1 July.

**Method statement**

Step 1. Work out the amount applicable on 1 July 2013 under the corresponding item of the table in clause 7.

Step 2. Work out the FTB gross supplement amount on 1 July 2013 under subclause 38A(3).

Step 3. Work out the sum of the amounts at steps 1 and 2.

Step 4. Multiply the amount at step 3 by 0.017.
Step 5. Round the amount at step 4 to the nearest multiple of $3.65 (rounding up if necessary): the result is the **FTB clean energy child amount**.

(3) This clause does not apply in relation to a day if an election made by the individual under subsection 58A(1) is in force on that day.

Note: If that election is in force on one or more days in a quarter, then the Secretary must review the instalment determination taking into account this Subdivision: see section 105B of the Family Assistance Administration Act.

### 38AB Base FTB clean energy child amount

For the purposes of this Division, the *base FTB clean energy child amount* for an FTB child of an individual is the amount that would be the FTB clean energy child amount under subclause 38AF(2) if the individual’s clean energy supplement (Part A) were being worked out under Subdivision B and clause 38AG did not apply.

### 38AC FTB clean energy child amount—recipient of other periodic payments

The FTB clean energy child amount for an FTB child of an individual is the base FTB clean energy child amount (see clause 38AB) if:

(a) the individual or the individual’s partner is receiving a periodic payment under a law of the Commonwealth and the law provides for an increase in the rate of payment by reference to an FTB child of the individual; or

(b) the individual or the individual’s partner is receiving a periodic payment under a scheme administered by the Commonwealth and the scheme provides for an increase in the rate of payment by reference to an FTB child of the individual.
Clause 38AD

38AD Effect of certain maintenance rights

(1) The FTB clean energy child amount for an FTB child of an individual is the base FTB clean energy child amount (see clause 38AB) if:
   (a) the individual or the individual’s partner is entitled to claim or apply for maintenance for the child; and
   (b) the Secretary considers that it is reasonable for the individual or partner to take action to obtain maintenance; and
   (c) the individual or partner does not take action that the Secretary considers reasonable to obtain maintenance.

(2) Subclause (1) does not apply to maintenance that is:
   (a) a liability under an administrative assessment (within the meaning of the Child Support (Assessment) Act 1989); and
   (b) not an enforceable maintenance liability (within the meaning of the Child Support (Registration and Collection) Act 1988).

38AE Sharing family tax benefit (shared care percentages)

If an individual has a shared care percentage for an FTB child of the individual, the FTB clean energy child amount for the child, in working out the individual’s clean energy supplement (Part A), is the individual’s shared care percentage of the FTB clean energy child amount that would otherwise apply to the child.

Subdivision B—Clean energy supplement (Part A—Method 2)

38AF Clean energy supplement (Part A—Method 2)

(1) The amount of the clean energy supplement (Part A) to be added in working out an individual’s Method 2 base rate under clause 25 is the sum of the FTB clean energy child amounts, worked out under subclause (2) of this clause and clause 38AG, for each FTB child of the individual.

(2) For the purposes of subclause (1), the **FTB clean energy child amount**, for an FTB child of the individual, is worked out as follows:
Clause 38AG

Method statement

Step 1. Work out the amount applicable on 1 July 2013 under subclause 26(2).

Step 2. Work out the FTB gross supplement amount on 1 July 2013 under subclause 38A(3).

Step 3. Work out the sum of the amounts at steps 1 and 2.

Step 4. Multiply the amount at step 3 by 0.017.

Step 5. Round the amount at step 4 to the nearest multiple of $3.65 (rounding up if necessary): the result is the FTB clean energy child amount.

(3) This clause does not apply in relation to a day if an election made by the individual under subsection 58A(1) is in force on that day.

Note: If that election is in force on one or more days in a quarter, then the Secretary must review the instalment determination taking into account this Subdivision: see section 105B of the Family Assistance Administration Act.

38AG Sharing family tax benefit (shared care percentages)

If an individual has a shared care percentage for an FTB child of the individual, the FTB clean energy child amount for the child, in working out the individual’s clean energy supplement (Part A), is the individual’s shared care percentage of the FTB clean energy child amount that would otherwise apply to the child.
Division 2B—Rent assistance

Subdivision A—Rent assistance

38B Rent assistance children

(2) An FTB child of an individual is a rent assistance child of the individual if the FTB child rate for the child:
   (a) exceeds the base FTB child rate (see clause 8); or
   (b) would exceed the base FTB child rate but for clause 11.

(3) A regular care child of an individual is a rent assistance child of the individual if the regular care child is not an absent overseas regular care child.

38C Eligibility for rent assistance

(1) An amount by way of rent assistance for a period is to be added in working out an individual’s maximum rate if:
   (a) the individual has at least one rent assistance child; and

Schedule 1  Family tax benefit rate calculator  
Part 5  Common provisions  
Division 2B  Rent assistance

Clause 38D

(i) is eligible for family tax benefit; and  
(ii) is not prevented by section 9 of the *A New Tax System (Family Assistance) (Administration) Act 1999* from making an effective claim for payment of family tax benefit by instalment; and

### 38D Rate of rent assistance payable to individual who has at least one FTB child and who is not a relevant shared carer

The rate of rent assistance payable to an individual who has at least one FTB child and who is not a relevant shared carer is worked out using the following table. Work out the individual’s family situation and calculate Rate A for the individual using the corresponding formula in column 2. This will be the individual’s rate of rent assistance but only up to the individual’s maximum rent assistance rate. The individual’s maximum rent assistance rate is Rate B, worked out using column 3.

The rate of rent assistance payable to an individual who is a relevant shared carer, or who has only one or more regular care children (but no FTB children), is the higher of:

(a) the rate of rent assistance that would be payable to that individual if that individual’s rate were worked out using clause 38D; and

(b) the rate of rent assistance worked out using the following table.

In working out rent assistance, work out the individual’s family situation using column 1 and calculate Rate A for the individual using the corresponding formula in column 2. This will be the individual’s rate of rent assistance in accordance with the table but only up to Rate B specified in column 3.

38F Annual rent

*Annual rent* in the tables in clauses 38D and 38E is the annual rate of rent paid or payable by the individual whose rate is being calculated.
Clause 38G

38G Rent paid by a member of a couple

If an individual is a member of a couple and is living with his or her partner in their home, any rent paid or payable by the partner is to be treated as paid or payable by the individual.

38H Rent paid by a member of an illness separated, respite care or temporarily separated couple

If an individual is a member of an illness separated, respite care or temporarily separated couple, any rent that the individual’s partner pays or is liable to pay in respect of the premises occupied by the individual is to be treated as paid or payable by the individual.

Subdivision B—Offsetting for duplicate rent assistance

38J Offsetting for duplicate rent assistance under family assistance and social security law

When this clause applies

(1) This clause applies if:

(a) a decision (the social security decision) was made that rent assistance was to be included when calculating an individual’s, or an individual’s eligible partner’s, rate of social security payment for a day; and

(b) when the social security decision was made, no decision (the family assistance decision) to make a determination that includes, or to vary a determination to include, rent assistance when calculating the individual’s Part A rate of family tax benefit for that day had been made; and

(c) after the social security decision was made, the family assistance decision was made; and

(d) the day mentioned in paragraphs (a) and (b) comes before the day on which the family assistance decision was made.

Note: For the definition of eligible partner see subclause (5).
Part A rate to be reduced

(2) The individual’s Part A rate for that day (as calculated or recalculated because of the making of the family assistance decision) is to be reduced:

(a) first, by the individual’s annual social security RA amount for that day (see subclause (3)); and

(b) then, by the individual’s eligible partner’s annual social security RA amount for that day (see subclause (4)).

However, it is not to be reduced to less than:

(c) if it has been calculated for the first time under clause 3 or 28A because of the making of the family assistance decision—nil; and

(d) if it has been recalculated under clause 3 or 28A because of the making of the family assistance decision—the Part A rate as it was immediately before the recalculation.

(3) The individual’s annual social security RA amount for that day is the amount worked out as follows:

Method statement

Step 1. Work out the rate (if any) of social security payment (the actual payment) that was payable to the individual for that day.

Step 2. Work out the rate (if any) of social security payment (the notional payment) that would have been payable to the individual for that day if rent assistance were not included when calculating the rate of the individual’s social security payment for that day.

Step 3. Subtract the notional payment from the actual payment. The difference is the individual’s daily social security RA amount for that day.

Step 4. Multiply the individual’s daily social security RA amount for that day by 365. The result is the individual’s annual social security RA amount for that day.
Clause 38K

(4) The individual’s eligible partner’s annual social security RA amount for that day is the amount worked out as follows:

**Method statement**

Step 1. Work out the rate (if any) of social security payment (the actual payment) that was payable to the individual’s eligible partner for that day.

Step 2. Work out the rate (if any) of social security payment (the notional payment) that would have been payable to the eligible partner for that day if rent assistance were not included when calculating the rate of the eligible partner’s social security payment for that day.

Step 3. Subtract the notional payment from the actual payment. The difference is the eligible partner’s daily social security RA amount for that day.

Step 4. Multiply the eligible partner’s daily social security RA amount for that day by 365. The result is the individual’s eligible partner’s annual social security RA amount for that day.

(5) For the purposes of this clause, an individual is the eligible partner of another individual if both individuals are members of a couple (other than an illness separated couple, a respite care couple or a temporarily separated couple).

38K Offsetting for duplicate rent assistance under family assistance and veterans’ entitlements law

When this clause applies

(1) This clause applies if:

(a) a decision (the veterans’ entitlements decision) was made that rent assistance was to be included when calculating an individual’s, or an individual’s eligible partner’s, rate of service pension or income support supplement for a day; and
(b) when the veterans’ entitlements decision was made, no determination (the family assistance decision) to make a determination that includes, or to vary a determination to include, rent assistance when calculating the individual’s Part A rate of family tax benefit for that day had been made; and

(c) after the veterans’ entitlements decision was made, the family assistance decision was made; and

(d) the day mentioned in paragraphs (a) and (b) comes before the day on which the family assistance decision was made.

Note: For the definition of eligible partner see subclause (5).

Part A rate to be reduced

(2) The individual’s Part A rate for that day (as calculated or recalculated because of the making of the family assistance decision and as reduced (if at all) under clause 38J) is to be reduced:

(a) first, by the individual’s annual veterans’ entitlements RA amount for that day (see subclause (3)); and

(b) then, by the individual’s eligible partner’s annual veterans’ entitlements RA amount for that day (see subclause (4)).

However, it is not to be reduced to less than:

(c) if it has been calculated for the first time under clause 3 or 28A because of the making of the family assistance decision—nil; and

(d) if it has been recalculated under clause 3 or 28A because of the making of the family assistance decision—the Part A rate as it was immediately before the recalculation.

(3) The individual’s annual veterans’ entitlements RA amount for that day is the amount worked out as follows:

Method statement

Step 1. Work out the rate (if any) of service pension or income support supplement (the actual payment) that was payable to the individual for that day.
Clause 38K

Step 2. Work out the rate (if any) of service pension or income support supplement (the *notional payment*) that would have been payable to the individual for that day if rent assistance were not included when calculating the rate of the individual’s service pension or income support supplement for that day.

Step 3. Subtract the notional payment from the actual payment. The difference is the *individual’s provisional veterans’ entitlements RA amount* for that day.

Step 4. Divide the individual’s provisional veterans’ entitlements RA amount for that day by 364, then multiply it by 365. The result is the *individual’s annual veterans’ entitlements RA amount* for that day.

(4) The *individual’s eligible partner’s annual veterans’ entitlements RA amount* for that day is the amount worked out as follows:

*Method statement*

Step 1. Work out the rate (if any) of service pension or income support supplement (the *actual payment*) that was payable to the individual’s eligible partner for that day.

Step 2. Work out the rate (if any) of service pension or income support supplement (the *notional payment*) that would have been payable to the eligible partner for that day if rent assistance were not included when calculating the amount of the eligible partner’s service pension or income support supplement for that day.

Step 3. Subtract the notional payment from the actual payment. The difference is the *eligible partner’s provisional veterans’ entitlements RA amount* for that day.
Step 4. Divide the eligible partner’s provisional veterans’ entitlements RA amount for that day by 364, then multiply it by 365. The result is the individual’s eligible partner’s annual veterans’ entitlements RA amount for that day.

(5) For the purposes of this clause, an individual is the eligible partner of another individual if both individuals are members of a couple (other than an illness separated couple or a respite care couple).
Division 2C—Income test

38L Application of income test to pension and benefit recipients and their partners

If an individual, or an individual’s partner, is receiving a social security pension, a social security benefit, a service pension or income support supplement:

(a) the individual’s income excess is nil; and

(b) the individual’s income tested rate is the same as the individual’s maximum rate.

(ii) the individual’s or partner’s Part A rate of family tax benefit has been, or would have been, greater than nil; and
Clause 39

(f) the individual’s Part A rate worked out according to Part 2, 3 or 3A of this Schedule is not, and never has been, equal to, or greater than, the individual’s 30 June 2000 rate.

(4) In spite of any other provision of this Schedule, the Part A rate of an individual to whom this clause applies is the individual’s saved Part A rate.

(5) An individual’s saved Part A rate is the lower of:

(a) the individual’s 30 June 2000 rate; and

(b) the individual’s special Part A rate.

(6) The 30 June 2000 rate for an individual is worked out using the following method statement.

Method statement

Step 1. If the individual or the individual’s partner was receiving family allowance, but not family tax payment, immediately before 1 July 2000, the fortnightly rate of that family allowance is the individual’s *fortnightly rate*. 
Step 2. If the individual or the individual’s partner was receiving family tax payment, but not family allowance, immediately before 1 July 2000, the individual’s or partner’s fortnightly Part A rate of family tax payment immediately before 1 July 2000 is the individual’s **fortnightly rate**.

Step 3. If the individual or the individual’s partner was receiving family allowance and family tax payment immediately before 1 July 2000, add the following amounts:

(a) the individual’s or partner’s fortnightly rate of family allowance immediately before 1 July 2000;

(b) the individual’s or partner’s fortnightly Part A rate of family tax payment immediately before 1 July 2000.

The result is the individual’s **fortnightly rate**.

Step 4. From the individual’s fortnightly rate subtract any amount of guardian allowance included in the individual’s or the individual’s partner’s family allowance by virtue of Module F of the Family Allowance Rate Calculator in section 1069 of the *Social Security Act 1991*, as in force immediately before 1 July 2000: the result is the individual’s **net fortnightly rate**.

Step 5. Divide the individual’s net fortnightly rate by 14. If the result is not a whole number of cents or dollars or a whole number of dollars and a whole number of cents, round the result upwards to the nearest cent and multiply the rounded amount by 365: the result of the multiplication is the individual’s **annual rate**.

Step 6. If neither the individual nor the individual’s partner was receiving family allowance or family tax payment immediately before 1 July 2000, the individual’s **annual rate** is nil.

---

*A New Tax System (Family Assistance) Act 1999* 335
Step 7. If either or both of subparagraphs (2)(a)(i) and (ii) are satisfied but subparagraph (2)(a)(iii) is not satisfied, the individual’s annual rate is his or her 30 June 2000 rate.

Step 8. If subparagraph (2)(a)(iii) is satisfied but subparagraph (2)(a)(ii) is not satisfied, add the following amounts:

(a) the individual’s annual rate;

(b) the individual’s 1999-2000 family tax assistance component.

The result is the individual’s 30 June 2000 rate.

(7) An individual’s special Part A rate is the individual’s Part A rate of family tax benefit worked out:

(a) in accordance with Part 2, 3 or 3A of this Schedule; and

(b) as if neither the individual nor the individual’s partner was receiving a pension referred to in paragraph (2)(b).

(8) An individual’s 1999-2000 family tax assistance component is the amount worked out according to the formula:

$200 \times \text{Number of dependants}

\textit{number of dependants} is the total number of dependants the family tax assistance person had on 30 June 2000.
Division 4—Reduction for family tax benefit advance

40 Reduction for family tax benefit advance

(1) Subject to subclause (2) and clauses 43 and 44, the amount by which an individual’s Part A rate is to be reduced under clause 5 or 25A to repay a family tax benefit advance is worked out using the following formula:

\[
\frac{\text{Amount of unrepaid family tax benefit advance}}{\text{Remaining days in the repayment period}} \times 365
\]

Member of a couple in a blended family

(2) If a determination under section 28 that an individual is eligible for a percentage (the section 28 percentage) of the family tax benefit for FTB children of the individual is in force, the amount by which the individual’s Part A rate is to be reduced under clause 5 or 25A to repay the family tax benefit advance is worked out using the following formula:

\[
\frac{\text{Amount worked out under subclause (1)}}{\text{Section 28 percentage}}
\]

Meaning of repayment period

(3) The repayment period in relation to a family tax benefit advance that is paid to an individual:

(a) begins on:

(i) the first day of the instalment period after the individual is paid the family tax benefit advance; or

(ii) if it is not practicable for the reduction to start on the day referred to in subparagraph (i)—the first day on which it is practicable to reduce the individual’s Part A rate; or

(iii) if the determination of the individual’s entitlement to the family tax benefit advance is a determination
Clause 41

referred to in subsection 35B(3) of the Family Assistance Administration Act (regular family tax benefit advances)—the day the determination is made; or

(iv) such other day determined by the Secretary under this Division; and

(b) is a period of 182 days or such other period determined by the Secretary under this Division.

41 Standard reduction

(1) Subject to subclause (2), the standard reduction for a family tax benefit advance is the amount worked out using the following formula:

\[
\frac{\text{Original amount of the family tax benefit advance}}{\text{Original repayment period}} \times 365
\]

Member of a couple in a blended family

(2) If a determination under section 28 that an individual is eligible for a percentage (the section 28 percentage) of the family tax benefit for FTB children of the individual is in force, the standard reduction for a family tax benefit advance paid to the individual is the amount worked out using the following formula:

\[
\frac{\text{Amount worked out under subclause (1)}}{\text{Section 28 percentage}}
\]

Meaning of original repayment period

(3) The original repayment period for a family tax benefit advance is a period of 182 days, unless the Secretary has determined a different period for the advance under clause 42 or 51.

42 Secretary determines shorter repayment period

When determining an individual’s entitlement to a family tax benefit advance under section 35A of the Family Assistance

A New Tax System (Family Assistance) Act 1999
Administration Act, the Secretary may determine that the repayment period for the family tax benefit advance is a period of less than 182 days, if the Secretary is satisfied that it is appropriate to determine the shorter repayment period having regard to:

(a) circumstances affecting the individual’s eligibility for family tax benefit; and

(b) circumstances affecting the rate of family tax benefit that the individual is entitled to be paid.

43 Part A rate insufficient to cover reduction—single family tax benefit advance

(1) This clause applies if:

(a) under clause 5 or 25A, the individual’s Part A rate is to be reduced to repay a family tax benefit advance (the unrepaid advance); and

(b) the individual’s Part A rate is not to be reduced under clause 5 or 25A to repay any other family tax benefit advance; and

(c) the amount by which the individual’s Part A rate would be reduced under clause 5 or 25A to repay the unrepaid advance would exceed the amount of the individual’s Part A rate before reduction (the unreduced Part A rate), if the amount were worked out under clause 40.

(2) Subject to clause 45, the Secretary must determine that the number of days in the repayment period for the unrepaid advance is to be increased so that the individual’s Part A rate is reduced under clause 5 or 25A by an amount that is no more than the individual’s unreduced Part A rate.

(3) If the individual’s unreduced Part A rate later exceeds the amount by which the individual’s Part A rate would be reduced under clause 40, the Secretary may determine that the number of days in the repayment period for the unrepaid advance is to be decreased.

(4) However, the amount by which the individual’s Part A rate is to be reduced as a result of a determination under subclause (3) must be no more than the standard reduction.
Clause 44

Note: The individual may also request that the Secretary determine a shorter or longer repayment period under clause 46 or 47.

44 Part A rate insufficient to cover reduction—multiple family tax benefit advances

(1) This clause applies if:
   (a) under clause 5 or 25A, the individual’s Part A rate is to be reduced to repay more than one family tax benefit advance (the unrepaid advances); and
   (b) the sum of the amounts by which the individual’s Part A rate would be reduced under clause 5 or 25A to repay the unrepaid advances would exceed the amount of the individual’s Part A rate before reduction (the unreduced Part A rate), if the amounts were worked out under clause 40.

(2) Subject to clause 45, the amount by which the individual’s Part A rate is to be reduced under clause 5 or 25A to repay the unrepaid advances is worked out using the following method statement:

Method statement

Step 1. Take each advance, in the order in which the advances were paid.

Step 2. If the unreduced Part A rate, less any amounts by which the individual’s Part A rate has been reduced under a previous application of this step, equals or exceeds the standard reduction for the advance, the individual’s Part A rate is to be reduced by an amount equal to the standard reduction.

Step 3. If the unreduced Part A rate, less any amounts by which the individual’s Part A rate has been reduced under a previous application of step 2, does not equal or exceed the standard reduction for the advance (but is greater than nil), the Secretary must determine that the number of days in the repayment period for the advance is to be increased so that the individual’s Part A rate is reduced by an amount that is no more than the remainder.
Step 4. If the unreduced Part A rate, less any amounts by which the individual’s Part A rate has been reduced under a previous application of step 2 or step 3, is nil, the Secretary must determine that the repayment period for the advance is to be suspended while the determination is in force.

(3) The Secretary may vary a determination made under step 3 of the method statement in subclause (2).

(4) The Secretary may revoke a determination made under step 4 of the method statement in subclause (2).

(5) Subject to clause 45, if the Secretary revokes a determination made under step 4 of the method statement in subclause (2) in relation to a family tax benefit advance, the Secretary must determine the number of days remaining in the repayment period for the advance.

(6) The Secretary must not vary a determination under subclause (3), or make a determination under subclause (5), in relation to a family tax benefit advance so that the amount by which the individual’s Part A rate is to be reduced under clause 5 or 25A to repay the advance is more than the standard reduction.

45 Part A rate insufficient to cover reduction—discretion to create FTB advance debt

(1) The Secretary may, instead of making a determination under subclause 43(2), step 3 of the method statement in subclause 44(2) or under subclause 44(5), determine that the amount of unrepaid family tax benefit advance is to be a debt.

Note: See subsection 71A(7) of the Family Assistance Administration Act.

(2) However, the Secretary must not make a determination under subclause (1) unless the individual’s Part A rate before reduction under clause 5 or 25A is less than the amount that would, under clause 26, be the FTB child rate if:

(a) the individual’s Part A rate were required to be worked out using Part 3 of this Schedule; and
46 Changing the repayment period—individual requests shorter period

Request for shorter repayment period

(1) The Secretary may determine that the number of days in a repayment period for a family tax benefit advance paid to an individual is to be decreased if:
   (a) the individual has made a request in accordance with subclause (2) for a shorter repayment period; and
   (b) the Secretary is satisfied that the individual would not suffer severe financial hardship if the number of days in the repayment period were decreased as determined.

(2) The request must be made in a form and manner, contain any information, and be accompanied by any documents, required by the Secretary.

Request for variation of the determination

(3) On the request of the individual, the Secretary may, in writing, vary the determination so as to increase the number of days in the repayment period.

(4) However, the Secretary must not vary the determination under subclause (3) if, as a result of the variation, the amount by which the individual’s Part A rate is to be reduced under clause 5 or 25A would be less than the standard reduction.

Note: If, after a variation under subclause (3), the reduction in the individual’s Part A rate under clause 5 or 25A would cause the individual to suffer severe financial hardship, the individual may request a longer repayment period under clause 47.
47 Changing the repayment period—individual requests longer period

Request for longer repayment period

(1) The Secretary may determine that the number of days in a repayment period for a family tax benefit advance paid to an individual is to be increased if:
   (a) the individual has made a request in accordance with subclause (2) for a longer repayment period; and
   (b) the Secretary is satisfied that:
      (i) special circumstances relevant to the repayment of the advance exist in relation to the individual that could not reasonably have been foreseen at the time of the individual’s request for a family tax benefit advance; and
      (ii) the individual would suffer severe financial hardship if the number of days in the repayment period were not increased as determined.

(2) The request must be made in a form and manner, contain any information, and be accompanied by any documents, required by the Secretary.

Secretary may vary the determination

(3) The Secretary may, in writing, vary the determination so as to reduce the number of days in the repayment period but only if:
   (a) the Secretary is satisfied that the individual would not suffer severe financial hardship because of the variation; and
   (b) the amount by which the individual’s Part A rate is to be reduced under clause 5 or 25A, as a result of the variation, is not greater than the standard reduction.

48 Changing the repayment period—recalculation of amount of unrepaid family tax benefit advance

(1) This clause applies if, during the repayment period for a family tax benefit advance, the amount of the family tax benefit advance that
Clause 49

is unrepaid is increased, due to a variation in a determination, or a variation or substitution of a decision on review (other than a variation under subsection 28(2) or (6) of the Family Assistance Administration Act), so that the amount by which the individual’s Part A rate is to be reduced under clause 5 or 25A is an amount that is more than the standard reduction.

(2) The Secretary must determine that the number of days in a repayment period is to be increased so that the amount by which the individual’s Part A rate is to be reduced under clause 5 or 25A is an amount that is no more than the standard reduction.

Note: The individual may also request that the Secretary determine a shorter or longer repayment period under clause 46 or 47.

49 Suspension of repayment period

Request for suspension of repayment period

(1) The Secretary may determine that the repayment period for a family tax benefit advance paid to an individual is to be suspended while the determination is in force.

(2) However, the Secretary may only make a determination under subclause (1) if:

(a) the individual has made a request in accordance with subclause (3) for the repayment period to be suspended; and

(b) the Secretary is satisfied that:

(i) special circumstances relevant to the repayment of the advance exist in relation to the individual that could not reasonably have been foreseen at the time of the individual’s request for a family tax benefit advance; and

(ii) the individual would suffer severe financial hardship if the individual’s Part A rate were to be reduced for that period.

(3) The request must be made in a form and manner, contain any information, and be accompanied by any documents, required by the Secretary.
Secretary may revoke the suspension

(4) The Secretary may in writing, at any time, revoke the determination, but only if the Secretary is satisfied that the individual would not suffer severe financial hardship from the individual’s Part A rate being reduced under clause 5 or 25A as a result of the revocation.

Determination of repayment period on revocation of suspension

(5) If the Secretary revokes the determination, the Secretary must determine the number of days remaining in the repayment period so that the amount by which the individual’s Part A rate is to be reduced under clause 5 or 25A is an amount that is no more than the standard reduction.

Note: The individual may also request that the Secretary determine a shorter or longer repayment period under clause 46 or 47.

50 Repayment of family tax benefit advance by another method

(1) The Secretary may determine that an individual may repay all or part of an amount of unrepaid family tax benefit advance by a method other than by reduction under clause 5 or 25A if:
   (a) the individual has made a request in accordance with subclause (2); and
   (b) the method is acceptable to both the individual and the Secretary.

(2) The request must be made in a form and manner, contain any information, and be accompanied by any documents, required by the Secretary.

51 Recalculation of amount of unrepaid family tax benefit advance

(1) This clause applies if:
   (a) an individual is paid a family tax benefit advance (the old advance); and
   (b) the individual’s Part A rate has been reduced under clause 5 or 25A to repay the old advance; and
   (c) the repayment period for the old advance has expired; and
Schedule 1  Family tax benefit rate calculator
Part 5  Common provisions
Division 4  Reduction for family tax benefit advance

Clause 51

(d) due to a variation in a determination, or a variation or substitution of a decision on review (other than a variation under subsection 28(2) or (6) of the Family Assistance Administration Act), the reduction in the individual’s Part A rate under clause 5 or 25A has not been sufficient to repay the old advance; and

(e) at the time of the variation of the determination, or the variation or substitution of the decision on review:

(i) the individual is entitled to be paid family tax benefit by instalment; and

(ii) the individual’s Part A rate is greater than nil (before reduction under clause 5 or 25A).

Note: If a variation or review occurs during the repayment period for a family tax benefit advance, the Secretary may be required to make a determination under clause 48.

(2) The Secretary must determine that the individual is to be taken to have been paid a family tax benefit advance (the new advance) equal to the amount of the old advance left unrepaid on the day on which the Part A rate is recalculated.

(3) If an individual is taken to have been paid a new advance under subclause (2), the individual is taken to have repaid the old advance.

(4) The Secretary must determine the repayment period for the new advance and the day on which the repayment period is to begin.

(5) The Secretary must not make a determination under subclause (4) that would cause the individual to suffer severe financial hardship.

(6) The Secretary may vary or revoke a determination made under subclause (2) or (4), if a subsequent variation in the determination, or a variation or substitution of the decision on review, occurs.
Schedule 2—Child care benefit rate calculator

Note: See subsection 70(1).

Part 1—Overall rate calculation process

1 Method of calculating rate of child care benefit

(1) If an individual’s rate of child care benefit for a session of care provided to a child is to be worked out using this Schedule, the individual’s hourly rate of child care benefit for the session is worked out in accordance with the following method statement:

<table>
<thead>
<tr>
<th>Method statement</th>
</tr>
</thead>
<tbody>
<tr>
<td>Step 1. Use Part 2 (clause 4) to work out the standard hourly rate for the session.</td>
</tr>
<tr>
<td>Step 2. Work out the individual’s adjustment percentage using clause 2.</td>
</tr>
<tr>
<td>Step 3. Work out that percentage of the standard hourly rate: the result is the individual’s rate of child care benefit for the care.</td>
</tr>
</tbody>
</table>

(2) If the individual is eligible for child care benefit for only part of a session of care, this Schedule applies to the individual’s rate of child care benefit for that part of the session as if a reference in this Schedule to a session of care included a reference to a part of a session of care.

2 Adjustment percentage

(1) An individual’s adjustment percentage for the purposes of step 2 in the method statement in clause 1 is:

\[
\text{CCB} \, \% \times \text{Schooling} \, \% \times \text{Part-time} \, \%
\]
Schedule 2  Child care benefit rate calculator
Part 1  Overall rate calculation process

Clause 2

(2) In subclause (1):

**CCB %** is:

Multiple child % × Taxable income %

**schooling %** is:

(a) 85% if the child is a school child; and
(b) 100% if the child is not a school child.

**part-time %** is:

(a) if:

(i) the care is provided by an approved centre based long day care service; and
(ii) the child is not a school child; and
(iii) the total number of hours in sessions of care that are provided to the child by the approved centre based long day care service, and for which the family incurs liability to pay, in the week concerned, is less than 34—110%; or

(b) if:

(i) the care is provided by an approved centre based long day care service; and
(ii) the child is not a school child; and
(iii) the total number of hours in sessions of care that are provided to the child by the approved centre based long day care service, and for which the family incurs liability to pay, in the week concerned, is 34 or more, but less than 35—108%; or

(c) if:

(i) the care is provided by an approved centre based long day care service; and
(ii) the child is not a school child; and
(iii) the total number of hours in sessions of care that are provided to the child by the approved centre based long day care service, and for which the family incurs liability to pay, in the week concerned, is 35 or more, but less than 36—106%; or
Clause 3

(d) if:
   (i) the care is provided by an approved centre based long
definition of long day care service; and
   (ii) the child is not a school child; and
   (iii) the total number of hours in sessions of care that are
        provided to the child by the approved centre based long
definition of long day care service, and for which the family incurs
        liability to pay, in the week concerned, is 36 or more,
        but less than 37—104%; or

(e) if:
   (i) the care is provided by an approved centre based long
definition of long day care service; and
   (ii) the child is not a school child; and
   (iii) the total number of hours in sessions of care that are
        provided to the child by the approved centre based long
definition of long day care service, and for which the family incurs
        liability to pay, in the week concerned, is 37 or more,
        but less than 38—102%; or

(f) in any other case—100%.

(3) In subclause (2):

   **multiple child** % is worked out using Part 3 (clause 5).

   **taxable income** % is worked out using Part 4 (clauses 6 to 11).

3 Number of children in care of a particular kind

(1) An individual’s multiple child % and taxable income % are
affected by the number of children the individual has in care of a
particular kind.

(2) For the purposes of applying this Schedule to work out an
individual’s rate of child care benefit for a session of care of a
particular kind, the number of children in care of that kind is
worked out in accordance with the following method statement:
Clause 3

Method statement

Step 1. Work out what kind of care was provided. For this purpose, the kinds of care are:

(a) care other than care provided by an approved occasional care service; and

(b) care provided by an approved occasional care service.

Step 2. Work out, in relation to the individual, how many children are in sessions of care of that kind in the week concerned for which the individual is eligible for child care benefit. That number is the number of children in care of that kind in relation to the individual and that kind of care.
Part 2—Standard hourly rate

4 Standard hourly rate—basic meaning

(1) The standard hourly rate for a session of care provided to a child is worked out using the following table and rounding the result to the nearest cent (rounding 0.5 cents upwards):

<table>
<thead>
<tr>
<th>Kind of care provided in hour</th>
<th>Standard hourly rate</th>
</tr>
</thead>
<tbody>
<tr>
<td>1 Care other than:</td>
<td>$3.37</td>
</tr>
<tr>
<td>(a) non-standard hours family day care; or</td>
<td></td>
</tr>
<tr>
<td>(b) non-standard hours in-home care; or</td>
<td></td>
</tr>
<tr>
<td>(c) part-time family day care; or</td>
<td></td>
</tr>
<tr>
<td>(d) part-time in-home care</td>
<td></td>
</tr>
<tr>
<td>2 Part-time family day care or part-time in-home care</td>
<td>The lesser of:</td>
</tr>
<tr>
<td></td>
<td>(a) one and a third times the item 1 rate; and</td>
</tr>
<tr>
<td></td>
<td>(b) the ceiling rate worked out under subclause (2)</td>
</tr>
<tr>
<td>3 Non-standard hours family day care or non-standard hours in-home care</td>
<td>One and a third times the item 1 rate</td>
</tr>
</tbody>
</table>

(2) For the purposes of item 2 of the table in subclause (1), the ceiling rate is:

\[
\frac{50 \times \text{Item 1 rate}}{\text{Number of eligible hours}}
\]

where:
Clause 4

*item 1 rate* is the item 1 standard hourly rate in the table in subclause (1).

*number of eligible hours* is the total number of hours in sessions of care of the kind referred to in item 2 of the table in subclause (1) that are provided to the child in the week concerned and for which the individual is eligible for child care benefit.
Part 3—Multiple child %

5 Multiple child %

The multiple child % for an individual’s child care benefit for a session of care of a particular kind provided to a child is worked out in accordance with the following method statement:

Method statement

Step 1. Use clause 3 to work out the number of children the individual has in care of that kind: the result is the number of children.

Step 2. Use clause 11 to work out the individual’s maximum weekly benefit: the result is the multiple child rate.

Step 3. Work out what would be the individual’s maximum weekly benefit under clause 11 if the individual had only one child in care of that kind and multiply it by the number of children: the result is the single child rate.

Step 4. Divide the multiple child rate by the single child rate and express the result as a percentage: the result is the multiple child %.
Clause 6

Part 4—Taxable income %

6 Income thresholds

(1) There are 2 income thresholds that are relevant for working out an individual’s taxable income %.

(2) The lower income threshold is $28,200.

(3) The upper income threshold is $66,000.

7 Method of calculating taxable income %

An individual’s taxable income % for a session of care provided to a child in an income year is:

(a) 100% if:
   (i) the individual’s adjusted taxable income for the income year does not exceed the lower income threshold; or
   (ii) the individual or the individual’s partner is receiving a social security benefit, a social security pension or a service pension or is receiving income support supplement under Part IIIA of the Veterans’ Entitlements Act 1986; and

(b) worked out using clause 8 if paragraph (a) does not apply.

8 Taxable income % if adjusted taxable income exceeds lower income threshold and if neither individual nor partner on income support

If an individual’s taxable income % for a session of care provided to a child in an income year is to be worked out using this clause, it is to be worked out in accordance with the following method statement:
Method statement

Step 1. Use clause 9 to work out the individual’s income threshold.

Step 2. Take the individual’s income threshold from the individual’s adjusted taxable income for the income year: the result is the individual’s *income excess*.

Step 3. Divide the income excess by 52 to convert it into a weekly amount: the result is the *weekly income excess*.

Step 4. Use clause 10 to work out the individual’s taper % and then work out that percentage of the weekly income excess: the result is the *weekly taper amount*.

Step 5. Divide the weekly taper amount by the individual’s maximum weekly benefit worked out under clause 11 and express the result as a percentage.

Step 6. Take the percentage obtained in step 5 from 100% and round to 2 decimal places: the result is the individual’s *taxable income %*. However, if the result is less than zero, the individual’s *taxable income %* is zero.

8A Special provision for certain recipients of pensions under the Veterans’ Entitlements Act

(1) In this clause:

*Childcare Assistance (Fee Relief) Guidelines* means the Childcare Assistance (Fee Relief) Guidelines in force under subsection 12A(1) of the *Child Care Act 1972* immediately before 1 July 2000.

*ordinary taxable income %* means taxable income % worked out in accordance with this Schedule (apart from this clause).

*partner,* in relation to an individual, means the person who:
Schedule 2  Child care benefit rate calculator

Part 4  Taxable income %

Clause 8A

(a) was the partner of that individual immediately before 1 July 2000; and
(b) has continued, at all times on and after that day, to be the partner of the individual.

(2) This clause applies to an individual in relation to an income year (the relevant income year) if all of the following paragraphs are satisfied in relation to the individual:

(a) immediately before 1 July 2000, there was in force, under the Childcare Assistance (Fee Relief) Guidelines, an assessment that the individual or the individual’s partner was eligible for child care assistance within the meaning of those guidelines;
(b) the individual or the individual’s partner was receiving, immediately before 1 July 2000, and has continued, at all times on and after that day, to receive:
   (i) a pension under Part II of the Veterans’ Entitlements Act 1986 payable to the individual or partner as a veteran; or
   (ii) a pension under Part II of that Act payable to the individual or partner as the widow or widower of a deceased veteran; or
   (iii) a pension under Part IV of that Act payable to the individual or partner as a member of the Forces or as a member of a Peacekeeping Force; or
   (iv) a pension under Part IV of that Act payable to the individual or partner as the widow or widower of a deceased member of the Forces or as the widow or widower of a deceased member of a peacekeeping Force;
(c) neither the individual nor the individual’s partner was receiving, immediately before 1 July 2000, or has received at any time on or after that day:
   (i) a social security pension; or
   (ii) a social security benefit; or
   (iii) a service pension; or
   (iv) income support supplement under Part IIIA of the Veterans’ Entitlements Act 1986;
(d) a determination was in force under the A New Tax System (Family Assistance) (Administration) Act 1999 during the
Clause 8A

income year that commenced on 1 July 2000 and every succeeding income year before the relevant income year, that the individual or the individual’s partner was entitled to be paid child care benefit;

(e) the individual’s adjusted taxable income for the purposes of this Act for the income year that commenced on 1 July 2000 and every succeeding income year has exceeded the lower income threshold in respect of that income year;

(f) the individual’s ordinary taxable income % for a session of care provided to a child in an income year that commenced on or after 1 July 2000 (including the relevant income year) has never been equal to, or higher than, the individual’s saved taxable income % for the session of care.

(3) In spite of any other provision of this Schedule, the taxable income % of an individual to whom this clause applies for a session of care provided to a child in the relevant income year is the individual’s saved taxable income % for that session.

(4) The saved taxable income % of an individual for a session of care provided to a child is the lower of:

(a) the individual’s taxable income % for that session worked out in accordance with subclause (5); and

(b) the individual’s taxable income % for that session calculated in accordance with subclause (6).

(5) An individual’s taxable income % for a session of care for the purposes of paragraph (4)(a) is the percentage worked out:

(a) in accordance with this Schedule (apart from this clause); and

(b) as if neither the individual nor the individual’s partner was receiving, in relation to any part of the income year in which the session of care is provided, a pension referred to in paragraph (2)(b).

(6) An individual’s taxable income % for a session of care for the purposes of paragraph (4)(b) is the percentage worked out:

(a) in accordance with this Schedule (apart from this clause); and

(b) as if the amount of the individual’s adjusted taxable income for the income year in which the session of care is provided
Clause 9

equalled the amount of the income of the individual last taken into account for the purposes of the assessment referred to in paragraph (2)(a).

An individual’s income threshold for a session of care of a particular kind provided to a child in an income year is worked out using the following table:

- **additional MWB** is item 1 of the table MWB for each child in care of that kind after the third child.

- **MWB** means maximum weekly benefit.

- **specific taper amount** is the amount that would be the weekly taper amount for an individual worked out under step 4 of the method statement in clause 8 if the individual’s adjusted taxable income for the income year were the upper income threshold.
Clause 11

A New Tax System (Family Assistance) Act 1999

standard hourly rate is the amount specified in item 1 of the table in subclause 4(1); and
Schedule 3—Adjusted taxable income

Note: See section 3.

1 Adjusted taxable income relevant to family tax benefit, schoolkids bonus and child care benefit

An individual’s adjusted taxable income is relevant to eligibility for, and the rate of, family tax benefit, schoolkids bonus and child care benefit.

2 Adjusted taxable income

(1) For the purposes of this Act and subject to subclause (2), an individual’s *adjusted taxable income* for a particular income year is the sum of the following amounts (*income components*):

(a) the individual’s taxable income for that year;

(b) the individual’s adjusted fringe benefits total for that year;

(c) the individual’s target foreign income for that year;

(d) the individual’s total net investment loss (within the meaning of the *Income Tax Assessment Act 1997*) for that year;

(e) the individual’s tax free pension or benefit for that year;

(f) the individual’s reportable superannuation contributions (within the meaning of the *Income Tax Assessment Act 1997*) for that year;

less the amount of the individual’s deductible child maintenance expenditure for that year.

(2) If an individual dies before the end of a particular income year, the individual’s adjusted taxable income for that year is to be calculated in accordance with the following formula:

\[
\text{Number of days in income year} \times \frac{\text{Income of individual to date of death}}{\text{Number of days individual was alive during income year}}
\]

362  
*A New Tax System (Family Assistance) Act 1999*
where:

*income of individual to date of death* means the amount that would, but for the operation of this subclause, have been the amount of adjusted taxable income of the individual for the particular income year in which the individual died if, so far as that particular individual is concerned, that year had comprised only those days preceding the individual’s death.

### 3 Adjusted taxable income of members of couple

(1) For the purposes of this Act (other than Part 4 of Schedule 1), if an individual is a member of a couple, the individual’s adjusted taxable income for an income year includes the adjusted taxable income for that year of the individual’s partner.

(2) For the purposes of Part 4 of Schedule 1, if an individual is a member of a couple, the individual’s adjusted taxable income for an income year is:

(a) for the purposes of Subdivision AA of Division 1 of Part 4 of Schedule 1:

(i) the individual’s adjusted taxable income for that year; or

(ii) the adjusted taxable income for that year of the individual’s partner if it is more than the individual’s adjusted taxable income for that year; and

(b) for the purposes of the other provisions of Part 4 of Schedule 1:

(i) the individual’s adjusted taxable income for that year; or

(ii) the adjusted taxable income for that year of the individual’s partner if it is less than the individual’s adjusted taxable income for that year.

### 3A Working out adjusted taxable income in certain cases where individuals cease to be members of a couple

If:

(a) an individual is a member of a couple with another individual *(partner A)* for a period or periods during an income year but not at the end of the income year; and
Schedule 3  Adjusted taxable income

Clause 4

(b) for any period during the income year while the individual was a member of that couple, the Secretary had determined the individual’s entitlement to family assistance by way of family tax benefit or child care benefit on the basis that a particular amount was the individual’s adjusted taxable income (the current ATI amount); and

(c) that amount differs from the amount of the individual’s adjusted taxable income as finally determined in respect of the income year by the Secretary (the final ATI amount); and

(d) the individual’s entitlement to family assistance of that kind, for the total period, or for the total of the periods, that the individual was a member of that couple, would be less if worked out using the final ATI amount than if worked out using the current ATI amount as determined from time to time; and

(e) if the current ATI amount at any time was based on an estimate provided by the individual and is less than the final ATI amount:

(i) at the time when the estimate was provided—the individual did not know, and had no reason to suspect, that the estimate was incorrect; and

(ii) if, after the estimate was provided and before ceasing to be a member of the couple, the individual knew or had reason to suspect that the estimate was incorrect—the individual provided a revised estimate as soon as practicable after knowing or suspecting that the estimate was incorrect;

then, despite the final determination of that adjusted taxable income by the Secretary, the individual’s adjusted taxable income during any period during the income year:

(f) that the individual and partner A were a couple; and

(g) that a particular current ATI amount applied;

is to be taken to be that particular current ATI amount.
4 Adjusted fringe benefits total

An individual’s adjusted fringe benefits total for an income year is the amount worked out using the formula:

\[
\text{Reportable fringe benefits total} \times \left(1 - \text{FBT rate}\right)
\]

where:

FBT rate is the rate of tax set by the Fringe Benefits Tax Act 1986 for the FBT year (as defined in the Fringe Benefits Tax Assessment Act 1986) beginning on the 1 April just before the start of the income year.

reportable fringe benefits total is the amount that the Secretary is satisfied is the individual’s reportable fringe benefits total (as defined in the Fringe Benefits Tax Assessment Act 1986) for the income year.

5 Target foreign income

(1) An individual’s target foreign income for an income year is:

(a) the amount of the individual’s foreign income (as defined in section 10A of the Social Security Act 1991) for the income year that is neither:
   (i) taxable income; nor
   (ii) received in the form of a fringe benefit (as defined in the Fringe Benefits Tax Assessment Act 1986, as it applies of its own force or because of the Fringe Benefits Tax (Application to the Commonwealth) Act 1986) in relation to the individual as an employee (as defined in the Fringe Benefits Tax Assessment Act 1986) and a year of tax; and
(b) any amount of income that is not covered by paragraph (a) that is exempt from tax under section 23AF or 23AG of the Income Tax Assessment Act 1936, reduced (but not below nil) by the total amount of losses and outgoings (except capital losses and outgoings) incurred by the individual in deriving that exempt income.
Schedule 3  Adjusted taxable income

Clause 7

(2) If it is necessary, for the purposes of this Act, to work out an amount of foreign income expressed in a foreign currency received in an income year, the amount in Australian currency is to be worked out using the market exchange rate for 1 July in that income year.

(3) If there is no market exchange rate for 1 July in the income year (for example, because of a national public holiday), the market exchange rate to be used is the market exchange rate that applied on the last working day immediately before that 1 July.

(4) For the purposes of this clause, the appropriate market exchange rate on a particular day for a foreign currency is:
   (a) if there is an on-demand airmail buying rate for the currency available at the Commonwealth Bank of Australia at the start of business in Sydney on that day and the Secretary determines that it is appropriate to use that rate—that rate; or
   (b) in any other case:
      (i) if there is another rate of exchange for the currency, or there are other rates of exchange for the currency, available at the Commonwealth Bank of Australia at the start of business in Sydney on that day and the Secretary determines that it is appropriate to use the other rate or one of the other rates—the rate so determined; or
      (ii) otherwise—a rate of exchange for the currency available from another source at the start of business in Sydney on that day that the Secretary determines it is appropriate to use.

7 Tax free pension or benefit

For the purposes of this Schedule, the following payments received in an income year are tax free pensions or benefits for that year:
   (a) a disability support pension under Part 2.3 of the Social Security Act 1991;
   (b) a wife pension under Part 2.4 of the Social Security Act 1991;
   (c) a carer payment under Part 2.5 of the Social Security Act 1991;

366  A New Tax System (Family Assistance) Act 1999

(hc) a payment of the weekly amount mentioned in paragraph 234(1)(b) of the *Military Rehabilitation and Compensation Act 2004* (including a reduced weekly amount because of a choice under section 236 of that Act) or of a lump sum mentioned in subsection 236(5) of that Act;
to the extent to which the payment:
(i) is exempt from income tax; and
(j) is not a payment by way of bereavement payment, pharmaceutical allowance, rent assistance, language, literacy and numeracy supplement, remote area allowance or clean energy supplement; and
Clause 8

(k) if the payment is a payment under the *Social Security Act 1991*—does not include tax-exempt pension supplement (within the meaning of subsection 20A(6) of that Act); and

(l) if the payment is a payment under the *Veterans’ Entitlements Act 1986*—does not include tax-exempt pension supplement (within the meaning of subsection 5GA(5) of that Act).

8 Deductible child maintenance expenditure

*Deductible child maintenance expenditure*

(1) For the purposes of this Schedule, if an individual incurs an amount of child maintenance expenditure during an income year, 100% of the amount of the expenditure is the *individual’s deductible child maintenance expenditure* in respect of that year.

*Child maintenance expenditure*

(2) For the purposes of this clause, an individual incurs *child maintenance expenditure* if:

(a) the individual (the *payer*) pays a payment (either one-off or periodic) or provides benefits; and

(c) the payment or benefits are paid or provided to another individual other than the payer’s partner (if any) for the maintenance of the child.

*Amount of child maintenance expenditure*

Adjusted taxable income **Schedule 3**

**Clause 8**

*Value of a benefit provided*

(4) For the purposes of subclause (3), the *value of a benefit*, in relation to the individual providing the benefit, has the meaning set out in subclauses (5) and (6).

*Value of benefit where provider is a party to a child support agreement*

(5) If:

(a) an individual providing a benefit is a party to a child support agreement under the *Child Support (Assessment) Act 1989*; and

(b) the agreement contains:

(i) non-periodic payment provisions (within the meaning of that Act) under which the individual is providing child support to another individual for a child; and

(ii) a statement that the annual rate of child support payable under any relevant administrative assessment is to be reduced by a specified amount that represents an annual value of the child support to be provided; and

(c) the individual provides the support;

the value of the benefit provided by the individual is the specified amount.

*Value of benefit where provider is not a party to a child support agreement*

(6) If an individual providing a benefit is not a party to a child support agreement under the *Child Support (Assessment) Act 1989*, the value of the benefit provided by the individual is the cost of the benefit to the individual.

### Highest quarter

(2) A reference in the table in subclause (1) to the highest of a group of quarters is a reference to the quarter in that group that has the highest index number.
Clause 3

Indexation of FTB gross supplement amount (B) for 2006-2007 income year and later income years

(3) The first indexation under subclause (1) of the FTB gross supplement amount (B), after the indexation of that amount under clause 3A, is to take place on 1 July 2006.

First indexation of stillborn baby payment income limit

(4A) The first indexation under subclause (1) of the stillborn baby payment income limit is to take place on 1 July 2017.

No indexation of CCB standard hourly rate and CCB minimum hourly rate on 1 July 2007

(5) The CCB standard hourly rate and the CCB minimum hourly rate are not to be indexed on 1 July 2007.

First indexation of CCB minimum hourly amount

(5A) The first indexation of the CCB minimum hourly amount is to take place on 1 July 2009.

First indexation of CCR limit

(6) The first indexation of the CCR limit is to take place on 1 July 2009.

No indexation of CCR limit for certain years

(6A) The indexation of the CCR limit that occurred on 1 July 2011 has no effect.

(6B) The CCR limit is not to be indexed on 1 July 2012, 1 July 2013, 1 July 2014, 1 July 2015 and 1 July 2016.

Note: Indexation of the CCR limit resumes on 1 July 2017.

(6C) For the purposes of working out the indexed amount for the CCR limit on 1 July 2017, the current figure for the CCR limit immediately before that day is taken to be $7,500.
No indexation of certain income limits for certain years

(7) The FTB basic HIFA (A), the FTB additional HIFA (A) and the FTB income limit (B) are not to be indexed on 1 July 2009, 1 July 2010, 1 July 2011, 1 July 2012, 1 July 2013, 1 July 2014, 1 July 2015 and 1 July 2016.

No indexation of FTB gross supplement amount (A) and (B) for certain years

(8) The FTB gross supplement amount (A) and the FTB gross supplement amount (B) are not to be indexed on 1 July 2011, 1 July 2012, 1 July 2013, 1 July 2014, 1 July 2015 and 1 July 2016.

First indexation of newborn supplement and newborn upfront payment

(9) The first indexation under subclause (1) of the newborn supplement and the newborn upfront payment is to take place on 1 July 2014.

3A One-off 6-month indexation of FTB gross supplement amount (B) for 2005-2006 income year

The FTB gross supplement amount (B) is to be indexed under this Part on the indexation day, using the reference quarter, base quarter and indexation day and rounding off to the nearest multiple of the rounding base, where:

base quarter means June quarter 2004.

indexation day means 1 July 2005.

rounding base means $3.65.

4 Indexation of amounts

(1) If an amount is to be indexed under this Part on an indexation day, this Act has effect as if the indexed amount were substituted for that amount on that day.
Clause 5

(2) This is how to work out the indexed amount for an amount that is to be indexed under this Part on an indexation day:

Method statement

Step 1. Use clause 5 to work out the indexation factor for the amount on the indexation day.

Step 2. Work out the current figure for the amount immediately before the indexation day.

Step 3. Multiply the current figure by the indexation factor: the result is the provisional indexed amount.

Step 4. Use clause 6 to round off the provisional indexed amount: the result is the indexed amount.

(3) This clause does not apply to the following amounts:

(a) FTB clean energy child amount;
(b) Clean energy supplement (Part B);
(c) ACO clean energy supplement.

Note: See clause 7 for how to index those amounts.

5 Indexation factor

(1) Subject to subclauses (2) and (3) and clauses 10 and 11, the indexation factor for an amount that is to be indexed under this Part on an indexation day is:

\[
\frac{\text{Index number for most recent reference quarter}}{\text{Index number for base quarter}}
\]

worked out to 3 decimal places.

(2) If an indexation factor worked out under subclause (1) would, if it were worked out to 4 decimal places, end in a number that is greater than 4, the indexation factor is to be increased by 0.001.
Clause 6

(3) If an indexation factor worked out under subclauses (1) and (2) would be less than 1, the indexation factor is to be increased to 1.

(4) Subject to subclause (5), if at any time (whether before or after the commencement of this clause), the Australian Statistician publishes an index number for a quarter in substitution for an index number previously published by the Australian Statistician for that quarter, the publication of the later index number is to be disregarded for the purposes of this clause.

(5) If at any time (whether before or after the commencement of this clause) the Australian Statistician changes the reference base for the Consumer Price Index, regard is to be had, for the purposes of applying this clause after the change takes place, only to index numbers published in terms of the new reference base.

6 Rounding off indexed amounts

(1) If a provisional indexed amount is a multiple of the rounding base, the provisional indexed amount becomes the indexed amount.

(2) If a provisional indexed amount is not a multiple of the rounding base, the indexed amount is the provisional indexed amount rounded up or down to the nearest multiple of the rounding base.

(3) If a provisional indexed amount is not a multiple of the rounding base but is a multiple of half the rounding base, the indexed amount is the provisional indexed amount rounded up to the nearest multiple of the rounding base.

7 Indexation of certain clean energy amounts

(1) This clause applies to the following amounts:
   (a) FTB clean energy child amount;
   (b) Clean energy supplement (Part B);
   (c) ACO clean energy supplement.

(2) If an amount to which this clause applies is to be indexed under this Part on an indexation day, this Act has effect as if the indexed amount were substituted for that amount on that day.
(3) This is how to work out the indexed amount for an amount to which this clause applies that is to be indexed under this Part on an indexation day (the \textit{current indexation day}):

\textbf{Method statement}

\begin{itemize}
  \item \textbf{Step 1}. Work out the current figure for the amount immediately before 1 July 2014.
  \item \textbf{Step 2}. Multiply that current figure, in turn, by the indexation factor (worked out under clause 5) for the amount on each indexation day, for the amount, starting on 1 July 2014 and up to and including the current indexation day: the result is the \textit{provisional indexed amount}.
  \item \textbf{Step 3}. Use clause 6 to round off the provisional indexed amount: the result is the indexed amount.
\end{itemize}
Part 4—Transitional indexation provisions

9 Adjustment of amounts following 10% increase to maximum rent assistance amounts

(1) This clause applies to modify the way an amount specified in column 3 of the table in clause 14 or 14A of Schedule 1 (the maximum rent assistance amount) is indexed under Part 2 of this Schedule for a limited period after 19 March 2001.

Method statement

Step 1. Work out the current figure for the maximum rent assistance amount on 19 March 2001.

Step 2. Multiply the current figure by 0.02. The result is the provisional overall adjustment amount.

Step 3. Round off the provisional overall adjustment amount in accordance with subclauses (2) to (4). The result is the overall adjustment amount.

Step 4. For the first indexation day for the maximum rent assistance amount that occurs after 19 March 2001, subtract the current figure for the amount from the indexed amount (arrived at using the method statement in subclause 4(2)). The result (which could be zero) is the first indexation increase amount.

Step 5. Compare the overall adjustment amount with the first indexation increase amount. If the overall adjustment amount is equal to or less than the first indexation increase amount, go to step 6. If the overall adjustment amount is greater than the first indexation increase amount, go to step 7.
Step 6. Subtract the overall adjustment amount from the indexed amount referred to in step 4. The result is taken to be the indexed amount for the purposes of step 4 of the method statement in subclause 4(2) and this clause has no further application in relation to the maximum rent assistance amount.

Step 7. The indexed amount for the purposes of step 4 of the method statement in subclause 4(2) is taken to be equal to the current figure worked out under step 2 of that method statement. Go to step 8.

Step 8. For the second indexation day for the maximum rent assistance amount that occurs after 19 March 2001, subtract the first indexation increase amount from the overall adjustment amount. The result is the remaining adjustment amount.

Step 9. Subtract the current figure for the maximum rent assistance amount from the indexed amount (arrived at using the method statement in subclause 4(2)). The result (which could be zero) is the second indexation increase amount.

Step 10. Compare the remaining adjustment amount with the second indexation increase amount. If the remaining adjustment amount is equal to or less than the second indexation increase amount, go to step 11. If the remaining adjustment amount is greater than the second indexation increase amount, go to step 12.

Step 11. Subtract the remaining adjustment amount from the indexed amount. The result is taken to be the indexed amount for the purposes of step 4 of the method statement in subclause 4(2) and this clause has no further application in relation to the maximum rent assistance amount.
Step 12. The indexed amount for the purposes of step 4 of the method statement in subclause 4(2) is taken to be equal to the current figure worked out under step 2 of that method statement. Go to step 13.

Step 13. Repeat the method set out in steps 8 to 12 in relation to the third indexation day and to subsequent indexation days until the remaining adjustment amount is zero.

Rounding of provisional overall adjustment amounts

(2) If a provisional overall adjustment amount is a multiple of the rounding base for the maximum rent assistance amount (see column 5 of item 4 of the CPI Indexation Table in subclause 3(1)), the provisional overall adjustment amount is the overall adjustment amount.

(3) If a provisional overall adjustment amount is not a multiple of the rounding base, the overall adjustment amount is the provisional overall adjustment amount rounded up or down to the nearest multiple of the rounding base.

(4) If a provisional overall adjustment amount is not a multiple of the rounding base, but is a multiple of half the rounding base, the overall adjustment amount is the provisional overall adjustment amount rounded up to the nearest multiple of the rounding base.

10 Adjustment of indexation factor for certain amounts on and after 1 July 2013

(1) This clause applies to the following amounts:
   (a) FTB child rate (A1);
   (b) FTB child rate (A2);
   (c) FTB standard rate (B);
   (d) FTB standard ACO rate.

(2) For each amount to which this clause applies, the indexation factor, worked out under clause 5 for each indexation day that is on or
Clause 11

after 1 July 2013, is to be reduced by the brought forward indexation amount, but not below 1.

(3) In this clause:

*brought forward indexation amount*, in relation to an indexation day, means 0.007 less any reduction made under this clause for a previous indexation day.

Note: Once the brought forward indexation amount becomes zero, there will be no further reduction of the indexation factor.

Example: Assume that the indexation factor worked out under clause 5 on 1 July 2013 is 1.004. The brought forward indexation amount in relation to 1 July 2013 is 0.007 (as there has been no previous reduction). That indexation factor is reduced to 1 on 1 July 2013.

Further assume that on 1 July 2014 the indexation factor is 1.010. The brought forward indexation amount in relation to 1 July 2014 is 0.003. That indexation factor is reduced to 1.007 on 1 July 2014.

The brought forward indexation amount in relation to later indexation days is now zero so there is no further reduction of the indexation factor.

11 Adjustment of indexation factor for certain amounts on and after 1 July 2014

(1) This clause applies to the following amounts:

(a) FTB gross supplement amount (A);
(b) FTB gross supplement amount (B).

(2) For each amount to which this clause applies, the indexation factor, worked out under clause 5 for each indexation day (a *reduction day*) that is on or after 1 July 2014, is to be reduced by the brought forward indexation amount, but not below 1.

(3) In this clause:

*brought forward indexation amount*, in relation to a reduction day, means 0.007 less:

(a) any reduction made under subclause 10(2) on 1 July 2013; and

(b) any reduction made under this clause for a previous reduction day.
Indexation and adjustment of amounts  
Schedule 4
Transitional indexation provisions  Part 4

Clause 11

Note: Once the brought forward indexation amount becomes zero, there will be no further reduction of the indexation factor.

Example: Assume that the indexation factor worked out under clause 5 on 1 July 2014 is 1.010 and that there was a reduction of 0.004 under subclause 10(2) on 1 July 2013.

The brought forward indexation amount in relation to 1 July 2014 is 0.003. The indexation factor worked out under clause 5 on 1 July 2014 is reduced to 1.007.

The brought forward indexation amount in relation to later reduction days is now zero so there is no further reduction of the indexation factor.
