An Act to impose levies on the manufacture of HCFCs, methyl bromide and SGGs under licences granted under the *Ozone Protection and Synthetic Greenhouse Gas Management Act 1989*

1 Short title

This Act may be cited as the *Ozone Protection and Synthetic Greenhouse Gas (Manufacture Levy) Act 1995*.

2 Commencement

This Act commences on 1 January 1996.

2A Definition

In this Act:

medical equipment includes a pharmaceutical product.

3 Interpretation

Expressions used in this Act have the same meanings as in the *Ozone Protection and Synthetic Greenhouse Gas Management Act 1989*.

3A Manufacture levy—SGGs

- (1) If:
 - (a) a controlled substances licence allows the licensee to manufacture SGGs; and
 - (b) the licensee manufactures an SGG during a quarter during which the licence is in force;levy is imposed on the licensee in respect of that manufacture.
- (2) Subsection (1) does not apply to the manufacture of an SGG in circumstances that are prescribed for the purposes of

paragraph 13(1A)(b) of the *Ozone Protection and Synthetic Greenhouse Gas Management Act 1989*.

- (3) Subsection (1) does not apply to the manufacture of an SGG that is to be used for a purpose prescribed by the regulations.
- (4) For the purposes of this section, if a licence is in force for only part of a particular quarter, that part is taken to be a quarter.
- (4A) Subsection (4B) applies for the purposes of:
 - (a) this section and any other section of this or any other Act that relates to this section; and
 - (b) any regulations made under this or any other Act that relate to this section.
- (4B) The quantity of an SGG that is taken to be manufactured is the quantity actually manufactured reduced by the heel allowance percentage for the SGG.
- (5) The amount of levy imposed by subsection (1) on a licensee in respect of the manufacture of an SGG in a quarter is the amount worked out using the following formula:

$$\begin{array}{l} \text{Number of tonnes} \\ \text{of the SGG} \end{array} \times \text{Prescribed rate}$$

where:

prescribed rate means:

- (a) \$165; or
 - (b) if a lower amount is prescribed by the regulations—that lower amount.
- (7) If:
- (a) levy is imposed by subsection (1) on a licensee in respect of the manufacture of an SGG; and
 - (b) the Minister is satisfied that the SGG:
 - (i) is to be used in medical equipment; or
 - (ii) is to be used in the manufacture of medical equipment;or

-
- (iii) is to be used in a product, or in equipment, prescribed for the purposes of paragraph 8D(1)(c) of the *Ozone Protection and Synthetic Greenhouse Gas Management Act 1989*; or
 - (iv) is to be used in the manufacture of a product, or of equipment, specified in an instrument in force under paragraph 8D(1)(d) of that Act; or
 - (v) is to be used for a purpose prescribed by the regulations; the Minister may, by written notice given to the licensee, determine that the licensee is exempt from the levy.
- (9) In making a determination under subsection (7), the Minister must have regard to such matters as are specified in the regulations.
- (10) The Minister must not make a recommendation to the Governor-General about regulations to be made for the purposes of subsection (3) unless the Minister is satisfied that:
- (a) it would be impracticable to impose levy on the manufacture of an SGG that is to be used for a purpose to be prescribed by those regulations; or
 - (b) a purpose to be prescribed by those regulations is a medical, veterinary, health or safety purpose.
- (11) The Minister must not make a recommendation to the Governor-General about regulations to be made for the purposes of subparagraph (7)(b)(v) unless the Minister is satisfied that:
- (a) it would be impracticable to require payment of levy imposed on the manufacture of an SGG that is to be used for a purpose to be prescribed by those regulations; or
 - (b) a purpose to be prescribed by those regulations is a medical, veterinary, health or safety purpose.

4 Manufacture levy—substances other than SGGs

- (1) If:
- (a) a controlled substances licence allows the licensee to manufacture a substance or substances (other than an SGG); and

- (b) the licensee manufactures any such substance during a quarter during which the licence is in force; then levy is imposed on the licensee in respect of that manufacture at the rate prescribed by the regulations.
- (3) For the purposes of subsection (1), if a licence is in force for only part of a particular quarter, that part is taken to be a quarter.
- (3A) For the purposes of this section, the quantity of a substance that is taken to be manufactured is the quantity of the substance that is actually manufactured reduced by the heel allowance percentage for the substance.
- (4) The rate of levy prescribed by the regulations cannot exceed:
- (a) for HCFCs—\$3,000 per ODP tonne; and
 - (c) for methyl bromide—\$135 per tonne.

Note: For the purposes of paragraph (a), the method of calculating ODP tonnes is set out in section 10 of the *Ozone Protection and Synthetic Greenhouse Gas Management Act 1989*.

5 Regulations

The Governor-General may make regulations for the purposes of section 3A or 4.
