by Prime Products Industry Co., Ltd**

**Findings in relation to an Accelerated Review of  
Anti-Dumping Measures**

***Public Notice under subsection 269ZG(3) of the Customs Act 1901***

The Commissioner of the Anti-Dumping Commission has completed an accelerated review, which commenced on 3 May 2015, of the anti-dumping measures applying to food service and industrial pineapple (FSI pineapple) exported to Australia from the Kingdom of Thailand by Prime Products Industry Co., Ltd (Prime Products).

Recommendations resulting from that review, reasons for the recommendations and material findings of fact and law in relation to the review are contained in *Anti-Dumping Commission Report No. 295* (REP 295).

I, KAREN ANDREWS, the Parliamentary Secretary to the Minister for Industry and Science, have considered REP 295 and have decided to accept the recommendations and reasons for the recommendations, including all the material findings of facts or law set out in REP 295.

Under subparagraph 269ZG(3)(b)(ii) of the *Customs Act 1901* (the Act), I declare that, with effect from 3 May 2015, the Act and the *Customs Tariff (Anti-Dumping) Act 1975* (the Dumping Duty Act) have effect as if the original dumping duty notice had applied to Prime Products but the then Minister had fixed specified different variable factors relevant to the determination of duty payable by Prime Products.

The duty that has been determined is an amount worked out in accordance with the floor price duty method.

REP 295 has been placed on the public record, available at [www.adcommission.gov.au](http://www.adcommission.gov.au). The public record may also be examined at the Anti-Dumping Commission office by contacting the Case Manager on the details provided below.
