10 Registration of Deaths Abroad Amendment Act 2016 No. 57, 2016

Authorised Version C2016A00057
Part 2—Application and transitional provisions

38 Principal Act

For the purposes of this Part, Principal Act means the Registration of Deaths Abroad Act 1984 as in force before the commencement of this item.

39 Validation of things purportedly done under the Principal Act

Scope

(1) This item applies to a thing purportedly done under the Principal Act before the commencement of this item, to the extent that the thing purportedly done would, apart from this item, be invalid because:
   (a) a person was not appointed or validly appointed as the Registrar under subsection 5(1) of the Principal Act; or
   (b) a person was not appointed or validly appointed to act as the Registrar under section 6 of the Principal Act; or
   (c) paragraph 8(2)(b) of the Principal Act was not complied with.

Validation

(2) The thing purportedly done is as valid and effective, and is taken always to have been as valid and effective, as it would have been:
   (a) for paragraph (1)(a)—as if:
      (i) the person had been validly appointed under subsection 5(1) of the Principal Act; and
      (ii) subsection 5(2) of the Principal Act had not been enacted; or
   (b) for paragraph (1)(b)—as if:
      (i) the person had been validly appointed under section 6 of the Principal Act; and
      (ii) the words “who is engaged under the Public Service Act 1999” had not been included in section 6 of the Principal Act; or
   (c) for paragraph (1)(c)—as if paragraph 8(2)(b) of the Principal Act had not been enacted.
40 Pending applications for the registration of a death

If:

(a) before the commencement of this item, an application was made under subsection 10(1) of the Principal Act for the registration of a death; and

(b) the death was not registered under section 12 of the Principal Act before the commencement of this item; and

(c) no decision to refuse to register the death under section 12 of the Principal Act was made before the commencement of this item;

the Registration of Deaths Abroad Act 1984 (as amended by this Act) has effect as if:

(d) the application had been made to the Registrar (within the meaning of the Registration of Deaths Abroad Act 1984 (as amended by this Act)) for the registration of the death; and

(e) the application had been so made immediately after the commencement of this item.

41 Notification that State or Territory registrar will not register death

Paragraph 8(2)(b) of the Registration of Deaths Abroad Act 1984 (as amended by this Act) applies in relation to a death, whether occurring before, at or after the commencement of this item.

42 Judicial notice of the mark of a stamp etc.

Despite the repeal of subsection 17(5) of the Principal Act by this Schedule, that subsection continues to apply, after the commencement of this item, in relation to:

(a) a document that came into existence before the commencement of this item; or

(b) a copy or extract that was made before the commencement of this item;

as if that repeal had not happened.
