Division 2—Review by Administrative Appeals Tribunal

(2) The Commission has the general administration of this Act, subject to the control of the Minister.

31 Commission not bound by technicalities

In making a decision under this Act, the Commission:
   (a) is not bound to act in a formal manner and is not bound by any rules of evidence, but may inform itself on any matter in such manner as it thinks just; and
   (b) may act according to substantial justice and the substantial merits of the case, without regard to legal form and technicalities; and
   (c) without limiting paragraph (a) or (b), must take into account any difficulties that, for any reason, lie in the way of ascertaining the existence of any fact, matter, cause or circumstance, including any reason attributable to:
      (i) the effects of the passage of time, including the effect of the passage of time on the availability of witnesses; and
      (ii) the absence of, or a deficiency in, relevant official records.
32 Delegation

(1) The Commission may, by resolution, delegate any of its functions or powers under a provision of this Act, or under the regulations or any other legislative instrument made under this Act, to:

The abbreviation key sets out abbreviations that may be used in the endnotes.

Legislation history and amendment history—Endnotes 3 and 4

Amending laws are annotated in the legislation history and amendment history.

The legislation history in endnote 3 provides information about each law that has amended (or will amend) the compiled law. The information includes commencement details for amending laws and details of any application, saving or transitional provisions that are not included in this compilation.

The amendment history in endnote 4 provides information about amendments at the provision (generally section or equivalent) level. It also includes information about any provision of the compiled law that has been repealed in accordance with a provision of the law.

Editorial changes

The Legislation Act 2003 authorises First Parliamentary Counsel to make editorial and presentational changes to a compiled law in preparing a compilation of the law for registration. The changes must not change the effect of the law. Editorial changes take effect from the compilation registration date.

If the compilation includes editorial changes, the endnotes include a brief outline of the changes in general terms. Full details of any changes can be obtained from the Office of Parliamentary Counsel.

Endnote 1—About the endnotes

Misdescribed amendments
A misdescribed amendment is an amendment that does not accurately describe the amendment to be made. If, despite the misdescription, the amendment can be given effect as intended, the amendment is incorporated into the compiled law and the abbreviation “(md)” added to the details of the amendment included in the amendment history.

If a misdescribed amendment cannot be given effect as intended, the abbreviation “(md not incorp)” is added to the details of the amendment included in the amendment history.
