Statutory Rules 1988 No. 1

114/

Anglo-Australian Telescope Agreement Regulations

I, THE GOVERNOR-GENERAL of the Commonwealth of Australia, acting
with the advice of the Federal Executive Council, hereby make the following
Regulations under the *Anglo-Australian Telescope Agreement Act 1970*.

Dated 3 June 1988.

D. M. STEPHENSON

Governor-General

By His Excellency's Command,

J.S. Dawkins

Minister of State for
Employment, Education and Training

Citation

1. These Regulations may be cited as the Anglo-Australian Telescope Agreement Regulations.

Interpretation

2. In these Regulations, unless the contrary intention appears:

“Council” means the Science and Engineering Research Council, a body established by Royal Charter that is a Research Council for the purposes of the Science and Technology Act 1965 of the United Kingdom;

“Schmidt Telescope” means:

- (a) the 1.2 metre Schmidt camera telescope owned by the Council which is situated on land vested in, or under the control of, the Australian National University and located at Siding Spring Mountain in the State of New South Wales; and

2

Anglo-Australian Telescope Agreement, 1988 No. /

114 /

- (b) the other facilities and equipment owned by the Council and situated on that land that are used for purposes related to the operation of that telescope or the development or examination of photographic plates taken by means of the telescope;

"the Act" means the *Anglo-Australian Telescope Agreement Act 1970*.

Additional functions of the Board

3. For the purposes of section 8A of the Act, the following additional functions are conferred on the Board:

- (a) care and maintenance of the Schmidt Telescope;
- (b) operation and management of the Schmidt Telescope;
- (c) development of the Schmidt Telescope.

NOTE

- 1. Notified in the *Commonwealth of Australia Gazette* on / 1988.

7 June /
