made under the

Petroleum (Submerged Lands) Act 1967

Contents

1 Name of Regulations 2
2 Commencement 2
3 Amendment of Petroleum (Submerged Lands) (Management of Safety on Offshore Facilities) Regulations 2

Schedule 1 Amendments 3

2000, . Petroleum (Submerged Lands) (Management of Safety on Offshore Facilities) Amendment Regulations 2000 (No. 1)
1 Name of Regulations

These Regulations are the *Petroleum (Submerged Lands) (Management of Safety on Offshore Facilities) Amendment Regulations 2000* (No. 7).

2 Commencement

These Regulations commence on the commencement of item 34 of Schedule 1 to the *Petroleum (Submerged Lands) Legislation Amendment Act (No. 1) 2000*.

3 Amendment of Petroleum (Submerged Lands) (Management of Safety on Offshore Facilities) Regulations

Schedule 1 amends the Petroleum (Submerged Lands) (Management of Safety on Offshore Facilities) Regulations.
Schedule 1  Amendments
(regulation 3)

[1] Regulation 1

substitute

1 Name of Regulations
These Regulations are the Petroleum (Submerged Lands) (Management of Safety on Offshore Facilities) Regulations 1996.

[2] Subregulation 3 (1), definition of facility, paragraph (b)

substitute

(b) carries, contains or includes equipment for carrying out operations in connection with a well from the vessel or structure;

[3] Subregulation 3 (1), after definition of major accident event

insert

operations in connection with a well include the following:
(a) drilling;
(b) remote control of petroleum recovery;
(c) processing or partial processing of petroleum recovered in any place;
(d) storing petroleum before it is transported to another place;
(e) preparing petroleum for transport to another place;
(f) transport of petroleum, other liquids or gases or mixtures of petroleum with other liquids or gases.

2000, Petroleum (Submerged Lands) (Management of Safety on Offshore Facilities) Amendment Regulations 2000 (No. 3)
Subregulation 3 (1), after definition of *specify*

*structure* includes a pipe or system of pipes (not being a pipeline), including a secondary line or water line, attached to a structure.

**After regulation 45**

*insert*

**46 Transational — secondary lines and water lines**

(1) This regulation applies to a secondary line or water line if:

(a) immediately before the commencement of this regulation, a consent of the Designated Authority under paragraph 60 (2) (b) of the Act was in force in respect of it; and

(b) at the commencement of this regulation, it is not included in a Safety Case or a Consent to use; and

(c) it is attached to a structure in respect of which a Safety Case is in force, or is attached to 2 or more structures and a Safety Case is in force in respect of at least 1 of those structures.

(2) For a secondary line or water line to which this regulation applies:

(a) a Consent to use is taken to be in force in respect of the operation of the secondary line or water line (excluding the modification, removal, dismantling or decommissioning of the secondary line or water line); and

(b) any conditions that, immediately before the commencement of this regulation, were attached to a consent mentioned in paragraph (1) (a) as to the use of the secondary line or water line are taken to be conditions imposed on the Consent to use.

*Petroleum (Submerged Lands) (Management of Safety on Offshore Facilities) Amendment Regulations 2000* (No. 1)
(3) This regulation ceases to apply to a secondary line or water line on the acceptance, under regulation 11, of the proposed revision of the Safety Case mentioned in paragraph (1) (c) next following the commencement of this regulation.
