49.6 Reinstatement of Rights After Failure to Perform the Acts Referred to in Article 22

(a) Where the effect of the international application provided for in Article 11 (3) has ceased because the applicant failed to perform the acts referred to in Article 22 within the applicable time limit, the designated Office shall, upon request of the applicant, subject to paragraphs (b) to (e) of this Rule, reinstate the rights of the applicant with respect to that international application if it finds that any delay in meeting that time limit was unintentional or, at the option of the designated Office, that the failure to meet that time limit occurred in spite of due care required by the circumstances having been taken.

(b) The request under paragraph (a) shall be submitted to the designated Office, and the acts referred to in Article 22 shall be performed, within whichever of the following periods expires first:

(i) two months from the date of removal of the cause of the failure to meet the applicable time limit under Article 22; or

(ii) 12 months from the date of the expiration of the applicable time limit under Article 22;

provided that the applicant may submit the request at any later time if so permitted by the national law applicable by the designated Office.

(c) The request under paragraph (a) shall state the reasons for the failure to comply with the applicable time limit under Article 22.

(d) The national law applicable by the designated Office may require:

(i) that a fee be paid in respect of a request under paragraph (a);
(ii) that a declaration or other evidence in support of the reasons referred to in paragraph (a) be filed.

(e) The designated Office shall not refuse a request under paragraph (a) without giving the applicant the opportunity to make observations on the intended refusal within a time limit which shall be reasonable under the circumstances.

(f) If, on October 1, 2002, paragraphs (a) to (e) are not compatible with the national law applied by the designated Office, those paragraphs shall not apply in respect of that designated Office for as long as they continue not to be compatible with that law, provided that the said Office informs the International Bureau accordingly by January 1, 2003. The information received shall be promptly published by the International Bureau in the Gazette.
