I, ALAN COOK, Manager, General Aviation Field Office, North Queensland, a delegate of CASA, make this instrument under subregulations 208 (1) of the Civil Aviation Regulations 1988 (CAR 1988).

[Signed Alan Cook]
A Cook
Manager
General Aviation Field Office, North Queensland
22 December 2005

Direction — carriage of cabin attendant in hot air balloons

1 Commencement
This instrument:
(a) commences on the day after it is registered; and
(b) stops having effect at the end of 31 December 2007.

2 Application
This instrument applies to each balloon:
(a) mentioned in Schedule 1; and
(b) operated by Hot Air Pty Ltd (Aviation Reference Number 541038), trading as Hot Air and as Champagne Balloon Flights (the operator); and
(c) engaged in operations that involve carrying more than 15 passengers.

3 Direction
The operator may operate the balloon without carrying a cabin attendant.

4 Conditions
The direction is subject to the conditions mentioned in Schedule 2.
Schedule 1  Balloons

Schedule 2  Conditions

1. The balloon must not carry more than 20 passengers on any operation.
2. During each operation:
   (a) an approximately equal weight of passengers must be located in each of the balloon’s 4 compartments; and
   (b) each passenger must, at all times, be in a position to hear any instructions given by the pilot in command.
3. If more than 15 passengers are carried on an operation, there must be 2 suitably qualified ground crew available, with 1 at either end of the basket, to assist the pilot with the embarkation and disembarkation of passengers.
4. The course of training required to qualify the ground crew mentioned in clause 3 must be included in the operator’s operations manual.
5. Each operation must comply with the provisions of Civil Aviation Order 20.16.3 that apply to balloons, except subparagraph 6.1 (a) and paragraph 7.1.
