Datacasting Charge (Due and Payable) Determination 2001

The AUSTRALIAN BROADCASTING AUTHORITY makes this Determination under subclause 51(2) of Schedule 4 to the Broadcasting Services Act 1992.

Dated 20 December 2001

D Flint [Signed]
Chairman

1 Name of Determination

This Determination is the Datacasting Charge (Due and Payable) Determination 2001.

2 Commencement

This Determination commences on gazettal.

3 Interpretation

In this Determination:

charge calculation period has the same meaning as in the Broadcasting Services (Datacasting Charge) Regulations 2001.

licensee means the holder of a transmitter licence.

transmitter licence means a transmitter licence issued under the Radiocommunications Act 1992 and in respect of which a charge is imposed under section 6 of the Datacasting Charge (Imposition) Act 1998.
4 **When charge due and payable**

A licensee must pay a charge on each 31 December that occurs after the end of the charge calculation period.
