1. The Repatriation Medical Authority (the Authority) has determined, under subsection 196B(3) & (8) of the Veterans’ Entitlements Act 1986 (the VEA) Statement of Principles Instrument No. 52 of 2009.

2. This instrument amends Instrument No. 40 of 2008 Statement of Principles concerning acquired cataract (‘the Instrument’) by deleting the definition of 'electrical injury' in clause 9.

3. The Instrument also specifies a date of effect for the amendment in accordance with sub-section 12(1)(a) of the Legislative Instruments Act 2003.

4. Prior to determining this instrument, the Authority advertised its intention to undertake an investigation in relation to acquired cataract in the Government Notices Gazette of 29 April 2009, and circulated a copy of the notice of intention to investigate to a wide range of organisations representing veterans, service personnel and their dependants. The Authority invited submissions from the Repatriation Commission, organisations and persons referred to in section 196E of the VEA, and any person having expertise in the field. No submissions were received for consideration by the Authority during the investigation.

5. The determining of this new instrument finalises the investigation in relation to acquired cataract as advertised in the Government Notices Gazette of 29 April 2009.

6. A list of references relating to the above condition is available to any person or organisation referred to in subsection 196E(1)(a) to (c) of the VEA. Any such request must be made in writing to the Repatriation Medical Authority at the following address:
