Amendment of the List of Exempt Native Specimens in accordance with Section 303DC

Section 303DB of the Environment Protection and Biodiversity Conservation Act 1999 (EPBC Act) provides for the establishment of a list of exempt native specimens. Specimens included on the list are exempt from the trade control provisions that apply to regulated native specimens.

The effect of this instrument is to delete from the list of exempt native specimens the specimens and any associated notations listed in the Schedule.

Deletion (under paragraph 303DC(1)(b)) from the List of Exempt Native Specimens is necessary, as new items will be added to the list (through instrument EPBC303DC/SFS/2009/49).

Subsection 303DC(3) of the EPBC Act provides that before amending the list, the Minister for the Environment, Heritage and the Arts must consult such other Commonwealth Minister or Ministers and such other Minister or Ministers of each State and self-governing Territory, as the Minister considers appropriate. The Minister may also consult with such other persons and organisations as the Minister considers appropriate.

This instrument is a legislative instrument for the purposes of the Legislative Instruments Act 2003.

The instrument commenced on the day after it was registered on the Federal Register of Legislative Instruments.

Unique Identifying Number: EPBC303DC/SFS/2009/48
