EXPLANATORY STATEMENT

Funding Rules made under section 60 of the Australian Research Council Act 2001

Australian Laureate Fellowships Funding Rules for funding commencing in 2011

Issued by the authority of the Minister for Innovation, Industry, Science and Research

Subject: Australian Research Council Act 2001
Australian Laureate Fellowships Funding Rules for funding commencing in 2011

Authority

Section 60 of the Australian Research Council Act 2001 (the Act) provides that the Minister for Innovation, Industry, Science and Research must approve ARC funding rules.

Purpose and effect

Australian Laureate Fellowships is a scheme funded under the Australian Research Council’s National Competitive Grants Program. The Australian Laureate Fellowships Funding Rules for funding commencing in 2011 sets out the eligibility and accountability requirements and other relevant matters for research programs which may be funded under this scheme. The scheme supports the movement of researchers between eligible Australian research organisations and to foster collaboration and networking between Australia-based and overseas researchers. Funding under this scheme is approved by the Minister for Innovation, Industry, Science and Research.

In accordance with subsection 59 (2) of the Act, the Australian Laureate Fellowships Funding Rules for funding commencing in 2011 contain:

(a) the eligibility criteria to be met in order for a proposal to be approved for financial assistance (including criteria relating to the kinds of organisation that may receive assistance and the kinds of research program in respect of which assistance may be provided);
(b) how to apply for financial assistance;
(c) the assessment process for deciding which proposals will be recommended for approval;
(d) the ways in which, and circumstances in which, a funding approval may be varied; and
(e) any additional accountability requirements that the ARC thinks desirable.

In accordance with subsection 59 (2) of the Act, the Australian Laureate Fellowships Funding Rules for funding commencing in 2011 rules take account of, and are consistent with:

(a) the funding cap for the year, or each of the years, to which the rules apply; and
(b) the funding split determination for the year, or each of the years, to which the rules apply.

The Australian Laureate Fellowships Funding Rules for funding commencing in 2011 were approved by the Minister for Innovation, Industry, Science and Research, Senator the Hon Kim Carr, on 2 November 2010. No amendments have been made.

Commencement

The Australian Laureate Fellowships Funding Rules for funding commencing in 2011 shall take effect upon registration on the Federal Register of Legislative Instruments.

Likely impact and effect

These Funding Rules provide the key criteria and requirements for proposals for, and the allocation and administration of, funding under the Australian Laureate Fellowships scheme for research projects where funding will commence in 2011.
