Amendment Statement of Principles concerning

CHRONIC MYELOID LEUKAEMIA

No. 47 of 2011

for the purposes of the

Veterans’ Entitlements Act 1986
and

Military Rehabilitation and Compensation Act 2004

1. This Instrument may be cited as Statement of Principles concerning chronic myeloid leukaemia No. 47 of 2011.

2. The Repatriation Medical Authority amends, under subsection 196B(8) of the Veterans’ Entitlements Act 1986, Statement of Principles concerning chronic myeloid leukaemia Instrument No. 15 of 2003 by:

   (A) Replacing existing factors "(b)" and "(c)" in clause 5 with the following:

   "(b) having received a cumulative equivalent dose of at least 0.01 sievert of ionising radiation to the bone marrow at least one year before the clinical onset of chronic myeloid leukaemia; or"; and

   "(c) undergoing treatment with radioactive iodine for cancer before the clinical onset of chronic myeloid leukaemia, where the first exposure occurred at least one year before the clinical onset of chronic myeloid leukaemia; or"; and

   (B) Replacing the existing definition of "cumulative equivalent dose" in clause 8 with the following:

   "cumulative equivalent dose" means the total dose of ionising radiation received by the particular organ or tissue. The formula used to calculate the cumulative equivalent dose allows doses from multiple
types of ionising radiation to be combined, by accounting for their differing biological effect. The unit of equivalent dose is the sievert. For the purposes of this Statement of Principles, the calculation of cumulative equivalent dose excludes doses received from normal background radiation, but includes therapeutic radiation, diagnostic radiation, cosmic radiation at high altitude, radiation from occupation-related sources and radiation from nuclear explosions or accidents; and

(C) Deleting the definitions of "a course of therapeutic radiation" and "atomic radiation" from clause 8.

3. The amendment made by this instrument applies to all matters to which Instrument No. 15 of 2003, section 120A of the Veterans’ Entitlements Act 1986 and section 338 of the Military Rehabilitation and Compensation Act 2004 apply.

4. The amendment made by this instrument takes effect from 25 May 2011.

Dated this ninth day of May 2011

The Common Seal of the Repatriation Medical Authority was affixed to this instrument in the presence of:
