The Repatriation Medical Authority (the Authority) has determined, under subsection 196B(2) & (8) of the *Veterans’ Entitlements Act 1986* (the VEA) Statement of Principles Instrument No. 35 of 2011.

This Instrument amends Statement of Principles Instrument No. 13 of 2010 concerning *osteoarthritis* by:

- replacing the definition of 'osteoarthritis' in clause 3; and
- replacing factors 6(k)(i) & 6(dd)(i) concerning 'repetitive activities or forceful activities of an upper limb'.

This Instrument also specifies a date of effect for the amendment in accordance with subsection 12(1)(a) of the *Legislative Instruments Act 2003*.

Prior to determining this Instrument, the Authority advertised its intention to undertake an investigation in relation to osteoarthritis in the Government Notices Gazette of 22 December 2010, and circulated a copy of the notice of intention to investigate to a wide range of organisations representing veterans, service personnel and their dependants. The Authority invited submissions from the Repatriation Commission, organisations and persons referred to in section 196E of the VEA, and any person having expertise in the field. One submission was received for consideration by the Authority during the investigation.

The determining of this Instrument finalises the investigation in relation to osteoarthritis as advertised in the Government Notices Gazette of 22 December 2010.

A list of references relating to the above condition is available to any person or organisation referred to in subsection 196E(1)(a) to (c) of the VEA. Any such request must be made in writing to the Repatriation Medical Authority at the following address:
